MORE WATER PROMISED BY END OF WEEK

Reservoir at Depth of
Fourteen Feet,
Mayor Says

Blasting on the water rock was scheduled to start today on the 60,000 gallon reservoir which is being dug near the city wells about two miles northwest of Crowell, Mayor C. T. Schlagal said.

Wednesday afternoon the reservoir had reached a depth of about 14 feet. It is to be 75 feet long, 30 feet wide and about 17 feet deep when it is complete.

Four teams and ten men are employed in building the reservoir. It will be dug deep enough to strike underground water, and Mr. Schlagal stated he expected to strike water by the end of the week. He said it was impossible to determine how much the reservoir would add to the present water supply, but was sure some water would be found.

The work on the reservoir is being furnished by the city and is (Continued on Page Four)

WORK STARTED SATURDAY ON GAS PIPE LINE FROM TEXACO GASOLINE PLANT TO WEST TEXAS UTILITY PLANT AT QUANAH

Work was started Saturday of last week on the gas pipeline from the Texaco gasoline plant to the West Texas Utilities Co. electric plant at Lake Pauline near Quanah.

One hundred and thirty-five laborers are working on the construction of the line. Seven welders, 20 line-up men and more than 100 general laborers are employed on the project.

The contract for building the line was let to the White Deer Construction Company of Oklahoma City, Okla. Blackie Pierce of Oklahoma City is superintendent of the work here. Charlie Rail, president of the construction company, is also here and will be here until it is finished.

The line is expected to be complete in about 35 days from the time the work started. The gas line from the Texas Company to the electric plant at Lake Pauline will be between 30 and 35 miles long.

The eight-inch pipe is capable of 1,000 pounds pressure and will carry about 60,000 cubic feet of gas a day.

It is being constructed to carry dry gas from the Texas plant to the electric plant of the West Texas Utilities Company. The electric plant will be industrial users of the dry gas after it has been stripped of its gasoline substances by the gasoline plant in the west part of Foard County.

Most of the common work is being done by machinery. The workers on this project are stationed at Crowell and the town is taxed to capacity to take care of them.

A long-term contract has been signed between the Texas Company and officials of the West Texas Utilities Company whereby the utilities company will secure gas fuel for operation of its Lake Pauline electric plant.

Four surveys for the line were made and it will follow the shortest possible route.

Bert King to Speak Here Saturday 3:30

Bert King, prominent lawyer of Wichita Falls, will speak in Crowell Saturday afternoon at 3:30 in behalf of Gov. James V. Allred's candidacy for re-election as governor of Texas.

Railroad Week to Be Observed Here

Railroad Week as set aside for the week of July 13-18, inclusive, is to be observed by the citizens of Crowell, according to a proclamation by Mayor C. T. Schlagal.

This is the second year that the week has been observed. Several points are to be stressed by the railroads during the week. The railway industries, especially of the west, are celebrating the week with campaigns of safety, air-conditioning, speed, economy and service.

Free "pick-up-and-delivery service" is another point that has been developed by the western railroads which aids merchants, manufacturers and other shippers.

MERCHANDISE WORTH OVER \$200 IS STOLEN

Wheel and Tire Taken
From Car During
Church Service

Warehouses of three wholesale oil agencies in Crowell were burglarized within two nights this week with a total loss of goods amounting to about \$210. One of the robberies happened Sunday night and the other two Tuesday night.

As near as the agents could check about 52 cases of lubricating oil were taken by the robbers. Thirty-eight cases of oil with a cash value of about \$139.08 were taken from the Sinclair oil and gasoline warehouse Sunday night. Discovery of the robbery was made Monday morning.

The robber of robbers broke the latch through which the door was locked and opened the door. Either a truck or pickup was backed up to the loading rack and hauled the 228 gallons of Sinclair Oil away, Leo Spencer, agent, said.

Several cases of oil were taken from the Gulf Refining Company warehouse Tuesday night. The 42 gallons of Gulf Pride Oil were valued at about \$87. Discovery of the robbery was made Wednesday morning. Apparently the robbers carried the oil away in a car or pickup after having broken the lock on the front door.

STOCK WORM CONTROL MAN TO AID RAISERS

Myers Is Supervisor;
Demonstrations to Be
Held in Counties

The screw worm fly and its damage has been known to ranchmen and farmers of Texas since 1843. At the present time the United States Department of Agriculture, Bureau of Entomology and Plant Quarantine, Division of Screw Worm Control, in co-operation with the Extension and Agricultural Experiment Station of the Texas Agricultural and Mechanical College, and the State Department of Agriculture, is conducting a campaign to combat the screw worm fly.

In general, the purpose of this campaign is to convey to livestock raisers that information concerning the screw worm fly which has been made available by research workers. This is information which has been found to be practical and economical in treating screw worm cases and in controlling the screw worm fly.

A state office has been opened at College Station, Texas, Room 337 New Administration Building. District Screw Worm Supervisors are now in the field and are ready to assist livestock raisers in combating this problem.

Harry S. Myers has been appointed district supervisor for Foard County with headquarters at Wichita Falls, Texas.

Mr. Myers will hold meetings and give demonstrations regarding screw worm control, at various counties in the district.

You can get in touch with your district supervisor through your local county agricultural agent.

Complete Returns of Election to Be Posted

Terminal of Gota Canal

Gothenburg is one of the terminals of the Gota canal, which winds over 240 miles through the heart of Sweden, sometimes following lakes, sometimes rivers, sometimes a canal so narrow that trees at the sides of the banks brush the small steamers on the water. All in all 56 miles of canal supplement the natural waterway. These various links were completed more than 300 years after the project was first conceived and undertaken.

Debate Question For High Schools In Texas Selected

Austin.—"Resolved, that the United States Government should own and operate all plants engaged in the manufacture of munitions of war," has been selected by member schools of the University of Texas Interscholastic League as the topic for the 1936-37 League debates. The wording of this question may be altered slightly, it was explained.

On the first ballot, three questions were chosen for the final referendum: Government ownership of war, unicameral legislature, and the model tax plan. In the final ballot, the first question led, and the unicameral legislature ran second.

A bulletin on the munitions question is now being prepared un-

der the direction of Thomas Rousse, of the public speaking department of the University. The State Office of the League is issuing a bibliography in graphed form which is now available for distribution to those baters who wish to put in their summer work, according to Bedichek, chief of the Bureau of Public School Interscholastic League. "Our office will supply bibliography to schools which members of the League during next year, free on request," Bedichek said.

Ft. Worth Centennial Opens Saturday, July 18; Shows Complete

Fort Worth.—Preparations for the entertainment of the largest crowd in the history of the city at the opening of the Fort Worth Frontier Centennial, Saturday, July 18, are now being made and will be completed in a few days.

The various shows as well as all structures have already been completed.

The galax of song, dancing and novelty stars, showgirls and musicians assembled in Fort Worth for final rehearsals on the four major shows of the Frontier Centennial made the town look like Forty-second and Broadway this week.

Paul Whiteman and his orchestra arrived Friday to go into the final week of rehearsals with the 250-member cast of the Casa Casa Manana Revue. Joe Venuti and his orchestra will play for ballroom dancing in the same vast cafe-theatre.

The Casa Manana Revue, spangled with such names as Everett Marshall, baritone star of Zeigfeld's "Follies," Sally Rand of the fans and bubbles, Ann Pennington of the "Follies," the Lime Trio of "Life Begins At 8:40," Walter Dave Wahl of vaudeville and the "Follies" and young Gareth Jopekin of the movies, will last for a little over an hour.

Between shows in the cafe-theatre, the 130-foot revolving stage floating on water, will be moved forward to a level with the terrace so that the guests may dance.

Reservations already were pouring in this week for tables in the

mer residents of this community.

Misses Mary Grace and Luvene Shultz of Wichita Falls visited their father, G. A. Shultz, and family here last week-end.

Mr. and Mrs. E. H. Roberts, Mr. and Mrs. Leotis Roberts, Raymond Oliver and family, Charlie Roberts and Miss Shaw spent last week-end fishing at Lake Kemp.

Misses Eunice Banister, Lucy Jones and Mrs. Fred Dennis have returned home from Denton where they have been attending teachers' college.

Mrs. Earnest Williams, who is teacher of the young people's Sunday school class of the Methodist Church here, entertained her class with a social in her home in the Five-in-One community Friday night. A large crowd from here attended.

Misses Mabel and Madge Mason have returned home from several weeks' visit with relatives in Dallas and Whitesboro.

Mr. and Mrs. W. G. Chapman were visitors in the B. D. Shook home in the Five-in-One community Sunday afternoon.

Mr. and Mrs. Parkhill and R. D. Harvey of Cooper and Mrs. Bob Banister of Paris, visited H. W. Banister and family here Wednesday night. Mrs. Parkhill will be remembered here as Miss Madge Banister. She taught in the Thalia school here several years ago. She is a sister of H. W. and Bill Banister of this place.

Rev. W. A. Reed and family of Kirkland visited relatives and friends here Saturday.

Mr. and Mrs. Walter Henry and sons, Roy and Jim, visited relatives near Chillicothe last week-end.

Mrs. Chism is visiting her daughter, Mrs. Alvin Jeffries, and family in Amherst this week.

Frank and Miss Geneva Joe Wood returned home Wednesday from several days' visit with relatives in Denton and Gainesville.

Grandma Wood, who has been very ill, is improving. Mrs. S. N. Dozier, who has been ill the past three months, is very ill at this writing.

Rev. M. G. Brotherton filled his appointment at the Methodist Church here Sunday and Sunday night which will be his last appointment until the meeting begins August 16. He and his family are leaving soon for Tennessee, his childhood home, to help conduct a revival meeting.

Charlie Wood and family were visitors in the C. L. Adkins home in Riverside a while Friday night.

E. G. Grimley and family, Mrs. E. J. McKinley and Mrs. William Wisdom visited relatives in Lorenzo a few days last week.

Mr. and Mrs. Oran Ford have returned home from a visit in Oklahoma City.

Mrs. B. F. Henry of Crowell visited her sister, Mrs. S. N. Dozier, who is very ill, a few days last week.

Oran Ford and Wayne and Glen Gamble have returned from a visit in Old Mexico and other interesting points.

M. G. Dye and family of Kilgore visited friends here a few days last week.

A large crowd attended the candidate speaking here Wednesday night. About \$18.00 was made from the sale of pies and soda pop by the Parent Teacher Association.

fabulous cafe-theatre for the opening night. Dramatic critics from every newspaper and theatrical journal in New York will be here to witness the unparalleled venture in entertainment.

The Casa Manana Revue will be one of four major shows at the Frontier Centennial. Surprise treat of the four, it appeared this week, may be the Honky-Tonk Revue whipped together quietly and without much hallaballoo for the Pioneer Palace.

Tom Patricola, dancing star of George White's "Scandals," was engaged this week for one of the Honky-Tonk principals. A hefty, chest-heaving blond named Lulu Bates will sing such ballad gems as "I Fell In Love With A Handkerchief Mustache" and "The Lady Known as Lulu." Both have punchy dance hall lyrics knocked out by Billy Rose.

The Honky-Tonk Revue will be presented with old-fashioned dance hall line of 16 girls on a stage in the wall above the 40-foot bar. Mirror above the bar will move back to reveal the stage.

Actually the minor show of the Frontier Centennial—and one you get free with meals and drink in the Pioneer Palace—the Honky-Tonk Revue shows promise of a great punch in rehearsals.

Other major shows are Billy Rose's "Jumbo," moved down from the New York Hippodrome and installed in a breath-taking new version of an old-fashioned indoor circus building, and "The Last Frontier," wild-riding cowboy, Indian, cavalry and square dance spectacle. Capt. Irving O'Hay, New Mexico soldier of fortune dubbed the "Connoisseur of Wars" by Irvin S. Cobb, will be announcer for the Old-West melees. Picturesque figure who has rushed to every war in the world since the Cuban insurrection, he was broken in as an after-dinner speaker by the late Will Rogers, has had contact with the show business off and on for 25 years.

Mrs. Hugh Cobb is on the sick list.

Bud Gray of Hobbs, N. M., is visiting relatives here this week.

1,000,000 Miles and Never Had Accident

To drive a million miles is something that is rarely achieved, except by only a very few persons. To drive that many miles without a major accident is even more rare. To drive this distance without even scraping a fender seems almost an impossibility.

Yet B. W. Gibbs, a Gulf salesman of Collingswood, N. J., has just completed such a record. During nineteen years of driving motor vehicles in his work for Gulf, Mr. Gibbs has covered over a million miles, over all kinds of roads, regardless of surface condition, without a single accident of any kind.

This unusual record is all the more remarkable because Gulf tabulates as chargeable accounts even such minor mishaps as damaged fenders.

Gulf is deeply interested in safe driving, and is especially active in promoting safety ideals among the motoring public of America. It wants every motorist to be a safe driver, and in order to put into practice what it urges upon others, it insists that all employees who operate Gulf vehicles do so carefully and lawfully.

BORNEO HAS NO CALENDAR

Borneo's calendar-making priests erect an eight-foot sun-pole firmly in the center of each district, the shadow cast by the sun used as a time measure, on the same principle as our sun dial. When the sun is directly overhead, they look at the shadow on the ground and scratch along the full length of it while the shadow points north. By ancestral training and experienced observation of the pole's shortening noon shadow, they know when the spring season for plowing and seed time is approaching. Priests peg these dates in osier, hide their shadow rod, and after harvest claim "tithe" for helping the farmers to locate the seasons.

All-West Exhibit to Be Dedicated Next Monday at Ft. Worth

In largest numbers since the West Texas Chamber of Commerce convention in Amarillo last May—and maybe larger—residents of the territory west of Fort Worth will move in on that city next Monday, the 20th.

The all-West Texas exhibit was sponsored and prepared by the West Texas Chamber of Commerce as the only collection of all the major resources of any section of the state shown at either the Fort Worth or Dallas centennial exhibitions.

Ceremonies

Dedication of building and exhibit is set for 4:00 p. m. next Monday. The WTCC has sent invitations to all its directors in 190 affiliated towns of West Texas, urging them to come and to bring guests.

After a lecture on the exhibit, McCarty will present it to Van Bandt Jarvis, WTCC President and mayor of Fort Worth, who in turn will present it to Walter Woodall, lieutenant governor of Texas, acting for the state centennial board of control.

The dedication ceremony will be continued at 7:30 Monday evening, with an all-West Texas dinner at the Fort Worth Club. The price will be \$2.00 per plate and this affair will be open to all WTCC directors and their invited guests.

AEF Reunion to Be Held at Centennial

Major General B. B. Buck, National Chairman of the AEF Reunion Association, announces the First Annual National Reunion of the American Expeditionary Forces in Dallas September 3 to 13 as a feature of the Texas Centennial.

Every division that served with the AEF will have separate reunions and the Gobs that served on ships will have Ships Reunions. September 12 will be St. Michael Day and September 13 will be Pershing Day, a combined meeting of all the AEF military and naval forces being held on these last two days.

"The finest attraction of all however is the fact that you will meet that Buddy you went through Hell with during the great War and re-live the many happy memories of the AEF when we shared a common danger in the service of our beloved country," Major General Buck said.

Thousands of the rank and file have already sent in post card registrations and letters from practically every Commanding General of the AEF have been received.

THREE HIGH COTTON BELT TEAMS LOSE

3-Game Crucial Series Between Crowell and Truscott to Start

Truscott, by virtue of Eldorado's loss Sunday, remains in first place in the Cotton Belt baseball league a half game ahead of her nearest rival, the Oklahoma squad. All three of the leading nines went down in defeat Sunday, Truscott bowing to Quanah, cedar occupants; Eldorado losing to Paducah, and Crowell dropping her match to Medicine Mound.

Sunday's results did not change the order of the standing with the exception of Paducah's move into a tie with Crowell for third place, both teams having won 6 and lost 6 games.

Table with 4 columns: Team, W, L, Pct. Truscott 7 5 .583, Eldorado 6 5 .546, Crowell 6 6 .500, Paducah 6 6 .500, Medicine Mound 5 6 .454, Quanah 5 7 .417

At Quanah the Hardeman County lads drubbed Truscott by a score of 13 to 12. Crowell, on her own diamond, took a tramping from another Hardeman County nine, Medicine Mound, 10 to 4. Eldorado journeyed to Paducah to land on the short end of a 4 to 3 count.

Crowell goes to Truscott next Sunday for the first of a crucial three-game series with the Knox County squad and the pace setters for the loop, Paducah ventures to the Mounds and Quanah entertains the Oklahoma squad.

Short Course—

(Continued from Page One) tive organizations were formed in Texas last year as in any previous year.

Opening July 20, the meetings of the Institute for co-operatives will continue through July 22. Most of the speakers on this program will be successful leaders in Texas co-operative enterprises. Among those nationally prominent to appear are President C. E. Huff of the Farmers' National Grain Corporation; Dr. V. N. Valgren of the Farm Credit Administration at Washington, D. C., who is a national authority on farmers' mutual insurance; Maurice R. Cooper, authority on cotton marketing with the U. S. Department of Agriculture; and Harold Hegdes, former secretary of the Omaha Bank for Co-operatives, who is a specialist on co-operative purchasing and co-operative elevators.

The successful management of every type of farmers' co-operative establishment such as gins, packing plants, elevators, and creameries, will be taken up. Co-operative purchasing will also be discussed.

Direct to Lines No water is being pumped from the City Lake. All the city water furnished comes from the wells and is being pumped direct into the main lines. The wells have weakened to the extent that the water is pumped only about an hour and a half a day. The pumps are usually started each afternoon about 4 o'clock.

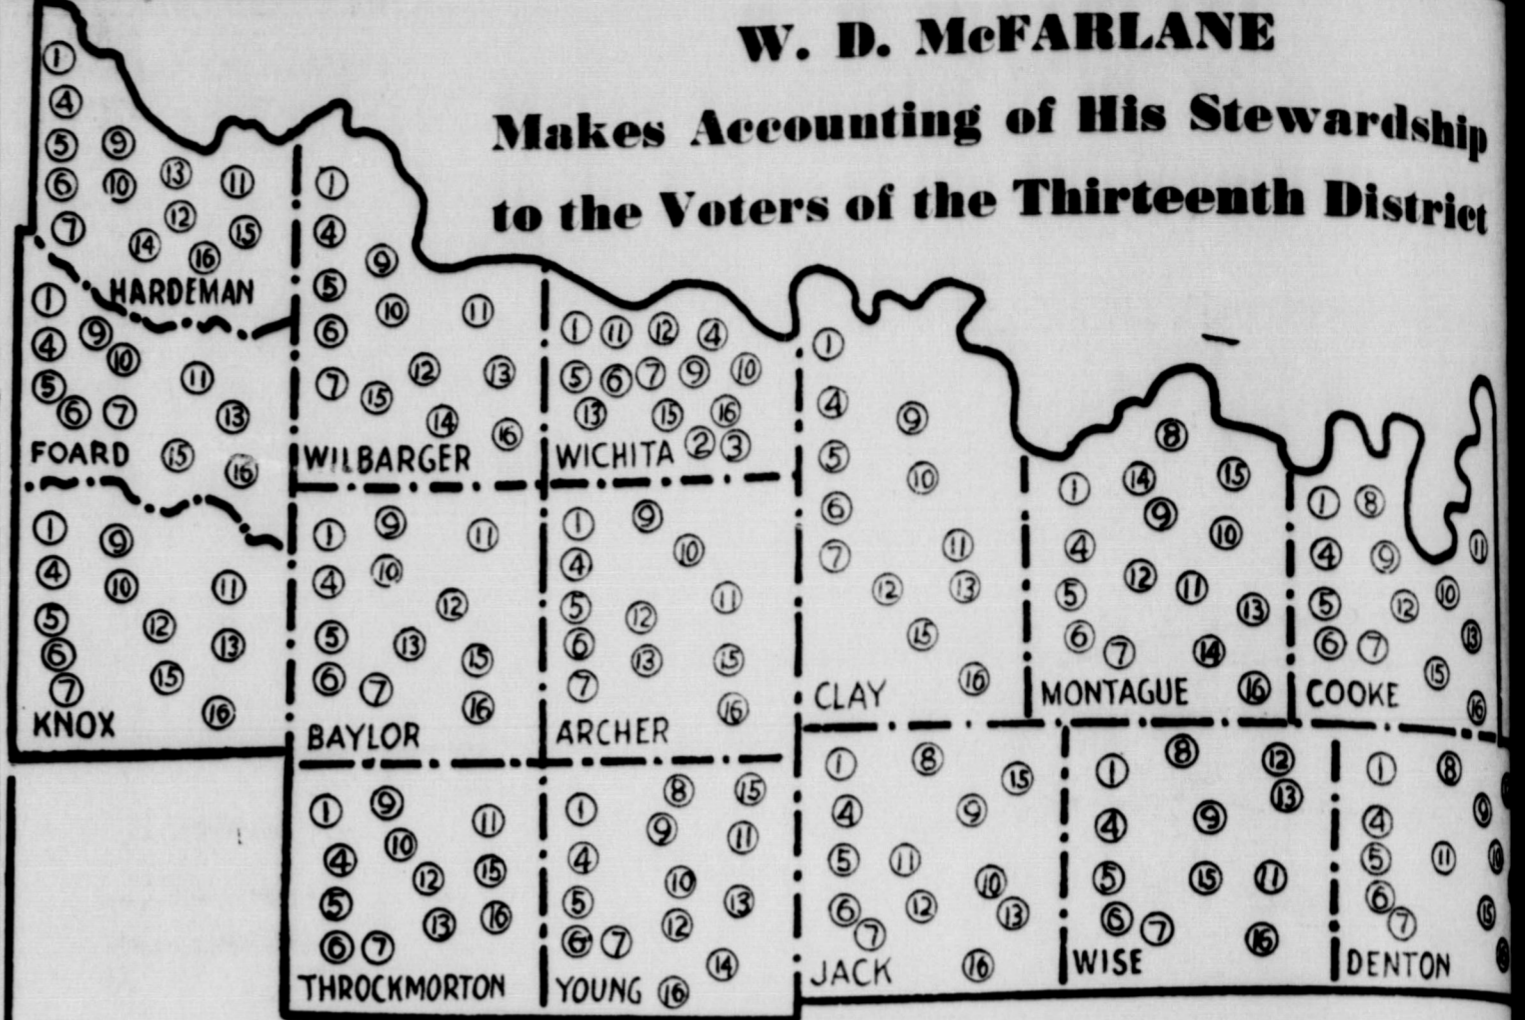

The standpipe has been filled for fire purposes and water is not being pumped through it. In regard to the water supply, Mr. Schlager said that there should be more water in a few days with the completion of the reservoir, but as yet he did not know how much the supply would be strengthened.

McFARLANE FOR CONGRESS

The accomplishments of this Administration for the Nation as well as for the 13th Congressional District were fully set forth in a speech made on the floor of Congress while the Relief Bill was pending which speech was recently sent you. This speech points out the wonderful record made under this Administration and sets forth Government figures showing the progress made. The farmers' income increased from \$4,300,000,000 to \$8,110,000,000. The weekly payroll for labor increased from \$188,000,000 to \$302,000,000, average increase and income of business in general more than 50 per cent, National income being increased from about \$32,000,000,000 in 1932 to more than \$60,000,000,000 for the last fiscal year.

The above chart and data shows the benefits received for the 13th Congressional District since W. D. McFarlane has been your Congressman. Your Congressman has supported and voted for each and every measure of this Administration's Recovery program, which has brought about these splendid results. He has kept each and every promise and pledge made his constituents. His entire Legislative Record shows he is honest and well qualified and has always voted for the rights of the common people.

HE HAS FAVORED:

ADEQUATE OLD AGE PENSIONS, care for aged, the blind, the dependent mothers, the crippled children and the unemployed. He voted for the Social Security Act.

IMMEDIATE CASH PAYMENT OF SOLDIERS' BONUS. He has been recognized as one of the leaders in the fight.

FOR THE FARMER, he has voted for all legislation which would assure them of a reasonable profit for their products.

FOR THE WAGE EARNER, he has backed all legislation in the interest of the laboring class.

He favored the refinancing of farm and city mortgages at low rates of interest over a long period of time.

He favored legislation to guarantee Bank Deposits, favored legislation to assure sound constitutional money issued by the Government instead of Wall Street currency issued by banks.

He favored enforcement of our Anti-Trust Laws and stands for independent business and continued competition AGAINST absentee ownership and chain control.

He favored a revision of our tax on ability rather than through sales or excise taxes.

He favored Constitutional Amendments requiring the vote of the people before Congress may declare war, except in the event of direct invasion of our country by an enemy. He favored taxing profits out of war and limiting all profits to 10 per cent on all Government war materials contracts in peace times; and Government ownership of all munitions supply.

He favored rigid economy in the administration of all Governmental affairs, the deportation of all aliens illegally in this country and has backed all legislation for strict law enforcement.

LET US RE-ELECT W. D. McFARLANE TO CONGRESS. HIS SPLENDID RECORD OF SERVICE RENDERED MERITS HIS RE-ELECTION. WE URGE YOUR SUPPORT AND INFLUENCE AND THAT OF YOUR FRIENDS SO THAT WE MAY UPHOLD HIS HANDS IN THE FIGHT HE HAS MADE FOR THE RIGHTS OF THE MASSES OF THE PEOPLE. BE SURE AND VOTE ON JULY 25TH FOR McFARLANE FOR CONGRESS.

MOUNDS TAKE MATCH FROM CROWELL 10-4

Barlow Limits Locals To 4 Runs; Mates Chalk Up 10

Medicine Mound swept the two-game series with Crowell by taking the second fray Sunday on the Crowell diamond by a score of 10 to 4.

Barlow went the route at the mound for the visitors allowing only 9 scattered hits and 4 runs all afternoon while his mates pounded the pellet hard and long to cross the plate 10 times.

July Clearance Sale Announced for Friday At Edwards Company

A July clearance sale beginning Friday at R. B. Edwards Company was announced this week by H. K. Edwards, manager of the store.

The sale is characterized by slashed prices in all departments with bargains for everybody. Mr. Edwards stated, Ready-to-wear for women, men's furnishings and children's clothes are all marked down at remarkably low prices.

Full page circulars of items at reduced prices have been printed by The News and are being distributed throughout the county.

Livestock, wild game and thousands of acres of valuable timber were lost last week in the worst forest fire in many years in the Black Hills forest in Wyoming.

Each stretched a hit into two bases. Two new pitchers will be eligible for Crowell by next Sunday's tilt as Hollingsworth's lads start a three-game crucial series with Truscott, the league's present top-notchers.

Bill Tucker and Dink Russell have been added to the Crowell pitching staff, and Gotchie Mints, experienced infielder, has also been added to the roster.

The game started quietly as Medicine Mound was retired in order on three ground balls to the Crowell infield. Crowell also went out in order after Norman, lead-off man, was tagged at third as he unsuccessfully tried to stretch a double into a triple.

The visitors went wild in the initial half of the second as they started the scoring melet. Three times they scored on one hit and two costly errors to break the 0-0 tie that prevailed in the first inning.

Again in the fourth inning the Hardeman County men began hitting the ball and scored two runs. Singles by Majors and Barlow and a double by M. Sossaman did the dirty work. The sides were finally retired by Rogers chalking his third strike-out for the inning.

It was the last of the sixth before Manager O. O. Hollingsworth's men were able to obtain their first score. After two men were out, Ashford, heavy-hitting second baseman for the locals, pounded out a single through second. He was taken the rest of the route by Junell, clean-up batter, who drove out a two-bagger.

Medicine Mound matched the run in the first of the seventh on three hits. M. Sossaman, Norton and Maddox were good for singles to account for the score. The inning ended with the bases full. Hutchens bounced to Rogers to make the third out.

Another run was gained by the Medicine Mound club in the first of the eighth with two hits and an error accounting for it. The latter half of the eighth was the big inning for Crowell. Three runs on three hits and a base on balls were the factors which produced the scores. It was in this inning that Rushing netted his second hit of the afternoon, a two-bagger.

To clinch the tilt the invaders scored again three times in their share of the ninth on three hits, an error or two and a questionable decision rendered by the base umpire.

Frequent misunderstandings and wordy disagreements were added attractions or detractions to the game.

Majors, Medicine Mound catcher, nabbed individual hitting honors getting three hits and a free pass in five trips to the plate. He scored 4 of the enemy's 10 runs and was put out once, never dying on base. Next in line for honors was Maddox, also of the Mounds, who hit the ball for three safeties in five official trips.

Bill Newman, Mounds first sacker, twice pulled up at second on extra base hits. Ashford, Junell and Rushing were the only localities able to connect with more than one bingle. Rushing and Junell

SHERIFF'S SALE

The State of Texas, County of Foard.

By virtue of a certain Alias Order of Sale issued out of the Honorable District Court of Foard County, on the 17th day of June, 1936, by A. G. Magee, Clerk of said Court, against N. J. Roberts and Ellen Roberts for the sum of Three Thousand Five Hundred Thirty-six and 78/100 (\$3,536.78) Dollars and costs of suit in cause No. 2464 in said Court, styled N. J. Roberts et ux, versus North Texas Federal Savings & Loan Association, and placed in my hands for service, I, R. J. Thomas, as Sheriff of Foard County, Texas, did, on the 30th day of June, 1936, levy on certain Real Estate, situated in Foard County, described as follows, to-wit:

Lots No. Eleven (11) and Twelve (12) in Block No. Twenty (20) in Pack's Addition to the town of Crowell, in Foard County, Texas, and levied upon as the property of said N. J. Roberts and wife, Ellen Roberts, and on Tuesday, the 4th day of August, 1936, at the Court House door of Foard County, in the town of Crowell, Texas, between the hours of ten A. M. and four P. M. I will sell said property at public vendue, for cash, to the highest bidder, as the property of said N. J. Roberts and wife, Ellen Roberts, by virtue of said levy and said Alias Order of Sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Foard County News, a newspaper published in Foard County, Texas.

Witness my hand, this 30th day of June, 1936.

R. J. THOMAS,
Sheriff, Foard County, Texas.

George Sheppard candidate for re-election to the office of State Comptroller, has held this office since 1930. He is running for his fourth term. During his six years he has handled more than \$100,000 yearly for the state of Texas. It is his job to collect, account for and disburse the taxes levied, as provided by the statutes.

preaching at 11 a. m. by Arley E. Moore, pastor.

A two weeks' revival meeting will start Monday, August 3, with both morning and evening services. C. C. Morgan, pastor of the Odessa Church of Christ, will deliver the sermons.

West Side Church of Christ

Rev. Joe W. Kelly of Abilene will preach at the West Side Church of Christ Sunday morning and Sunday night. Morning services will be held at 11 o'clock and evening services at 8 o'clock.

Margaret-Thalia Methodist Church

The quarterly conference will be held at Margaret July 19 at 2 p. m. This is our third quarterly conference for the year and every official of the church is urged to be present and every one else invited to attend.

Regular services at each church on regular appointment days.

MARVIN BROTHERTON, Pastor.

Christian Science Service

"Life" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist on Sunday, July 19.

The Golden Text is: "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent" (John 17:3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Happy is the man that understandeth wisdom, and the man that getteth understanding. . . . She is a tree of life to them that lay hold upon her; and happy is every one that retaineth her" (Proverbs 3:13, 18).

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The understanding that Life is God. Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality" (page 487.)

H. D. and 4-H CLUB ACTIVITIES

Officers of FOARD COUNTY HOME DEMONSTRATION COUNCIL

Mrs. A. L. Davis, Chairman Mrs. J. L. Hunter, V. Chairman
Miss Bonnie Schroeder, Secretary-Treasurer
Miss Myrna Holman, Home Demonstration Agent

WEST SIDE H. D. CLUB

That careful planning and budgeting will provide an adequate wardrobe without the spending of much money was shown by Mrs. Chas. Bryson, wardrobe demonstrator of the West Side Club, in her report which was given at her home Wednesday.

One of the prettiest and most convenient clothes closets which the members had ever seen was exhibited by Mrs. Bryson.

Mrs. Zeta Ellison of Los Angeles, Calif., and Mrs. Glenn Fox were visitors.

Miss Myrna Holman, who has recently attended a conference at Washington of the farm women of the world, described many points of interest in the eastern and central states.

GAMBLEVILLE H. D. CLUB

Three years of wardrobe work in Foard County was discussed by Miss Myrna Holman at the home of Mrs. Dave Sollis July 2.

Summary reports of wardrobes was given by each member. Mrs. Dave Sollis, wardrobe demonstrator, showed how she had improved her clothes closets and storage space.

Miss Holman gave a very interesting talk on her trip to Washington, New York and other places of interest.

Two visitors, Mrs. Grady Solomon and Miss Dorothy, Alston of Crowell were present.

The club will meet July 16 at the home of Mrs. D. A. Alston.

VIVIAN H. D. CLUB

The Vivian Home Demonstration Club met at the home of Mrs. Arthur Sandlin on Thursday afternoon, July 9, which was Wardrobe Achievement Day. There were eighteen members and Mrs. Hughie Nelson, Misses Neoma Fish, Myrtle Davidson, Russie Rasberry and Miss Holman present.

A report was given by each one of the wardrobe demonstrators after which Miss Holman gave a travel talk of Washington, D. C.,

and New York City, and other points of interest she recently visited.

The club adjourned to meet at the home of Mrs. Ike Everson on Thursday, July 23, with an all-day meeting.

Carp Numerosis

Carp in the United States has multiplied enormously, particularly in some of the lakes and rivers of the central states, where it frequently attains a weight of 15 to 30 pounds. It is so abundant in many places as to be regarded a nuisance, but it furnishes a supply of cheap food. Its yearly consumption is more than 20,000,000 pounds.

Life of Buildings

The single-family dwelling has an expected useful life of approximately 50 years. The skyscraper of steel frame and fire-resistant construction has an expected usefulness of only 40 years, and office buildings of ordinary construction are generally outmoded at 30 years.

Penalty for Embezzlement

Most states punish embezzlement and grand larceny with equal severity, but a 50-year prison term is possible in Indiana for certain embezzlers, while a ten-year maximum is the limit for larceny. The value division between grand and petit larceny ranges from \$15 to \$50.

Largest Private Library

The Byrd family, at Westover, in Virginia, probably had the largest collection of books in the American colonies. When this library was sold, in 1778, it contained almost 4,000 volumes.

All Are Brothers

The well known saying of Confucius, "All within the four seas are brethren," was spoken in reply to one of his disciples who had said to him in sorrow, "All men have brothers, I alone have none."

GALS AND HOSSES

Fort Worth Trade-Mark

the state of Texas, mounted on an agile and onery paint pony, has become almost as familiar as the bearded brothers on coughdrop boxes or the gent with luxuriant moustache identifying a certain brand of safety razors.

The young lady . . . to say nothing of the horse . . . is calculated to make you Fort Worth Frontier conscious. With a costume rather more attenuated than is the custom in the cow country one might gather the implication that there is truth in the press agent's assertion, "you'll see more girls and more of 'em than any time since Cabeza de Vaca barnstormed from Buffalo Bayou to El Paso." Yes, there will be girls and horses . . . and more girls.

To add zest to Frontier publicity the slogan, "Wild and Whopee," has been coined. This, lest one surmise that the Fort Worth affair contemplates aught save entertainment. With hundreds of communities throughout the state celebrating along historical and educational lines Fort Worth is going in for giving folks a good time . . . and in a big way.

THIS WEEK IN TEXAS HISTORY

1797—On July 17 the famous Texas filibusters, Philip Nolan, native of Ireland and citizen of the United States, obtained a passport to Texas.

1832—The Battle of Anahuac was fought on July 13. Imposition of the customs duty and other burdensome measures led to the conflict.

1842—The active career of the Texas navy ended with its return to Galveston on July 14.

1863—The Battle of Honey Creek was fought on July 17. This battle saved Texas from a Federal army.

1878—The State Democratic Convention met at Austin on July 17.—Texas State College for Women (CIA.)

At the end of the Sixteenth century, according to a writer in the New York Sun, it seemed that extravagance in ornamented structure had gone as far as it should and in the Seventeenth century, decoratively speaking, there was a breathing spell for the wood carver.

Gov. Allred Holding Campaign to Issues Not Personalities

Austin.—Consistently holding his campaign on the plane of "issues rather than personalities," where he set it in his opening speech, Governor James V. Allred continued his campaign for a second term in office through West and Central Texas this week.

His record as governor is the basis of his request for re-election. Allred has told audiences already in North, East and West Texas. That same record will be cited by him to Central Texas audiences during the remainder of this week.

The Allred record includes: Inauguration of the first comprehensive social security program in the history of Texas, including, of course, old age assistance payments which began July 1 to more than 40,000 of the state's aged needy; an actual ad valorem tax reduction of 15 cents on the \$100 valuation that cut \$4,787,400 from the tax bill Texas taxpayers during 1935; advocacy of a natural resources tax increase, but limited so as not to handicap Texas products in the world market; establishment of a "clemency-by-merit-only" policy and of the voluntary parole board system as forward steps in convict rehabilitation work; highest appropriations for schools and rural aid in the history of the state.

In addition to citing the record of his past performances Governor Allred also has pledged in speeches delivered during the last 10 days that the social security program will be broadened to include unemployment insurance and other phases of social welfare, as well as old age assistance, during 1936; in his speech at Atlanta he assured Texas farmers that they will get their share of Federal agricultural benefit funds through a co-ordination of this state's agricultural program with that laid out in the Federal Soil Conservation and Domestic Allotment Act.

Governor Allred's itinerary for the remainder of this week includes night speeches at Cameron Wednesday, at Austin Thursday, at Fort Worth Friday and at Waco Saturday.

HYPNOTISM LONG IN USE FOR MEDICAL TREATMENTS

Psychologists in universities, while investigating the mechanisms of the human mind, often employ hypnotism to bring to the surface its hidden workings, while physicians have legitimately used it many times in making cures of certain kinds of cases—such as drug addiction or alcoholism.

Hypnotism is not a mysterious force flashed over hundreds of miles by the power of some dark hypnotic eye, writes Prof. A. H. Estabrook in the Scientific American.

A hypnotized person is much like one who walks in his sleep. If you can find such a person and start a conversation without waking him, you are in touch with the sub-conscious mind of one who is already hypnotized.

The unconscious mind is in control of the body. In the hypnotic trance, however, the unconscious is also in touch with an operator. This accounts for the curious results obtained for the unconscious is very open to suggestion and has a remarkable power over the entire body.

Hot Weather Calls For Careful Living

Austin.—Keeping cool and standing the heat during the hot summer months is in a large measure dependent upon the individual, health authorities agree. Over indulgence in food or exercise may cause much suffering.

"The clothes we wear and the food we eat play an important role in keeping us comfortable during the hot season," said Dr. John W. Brown, State Health Officer.

"Summer clothing should be light in weight and color and of a porous texture. White clothes reflect the rays of the sun and therefore are cooler. Frequent change of clothing, particularly of that next to the skin, is especially conducive to comfort.

"The summer diet should consist of light, nutritious, and easily digested foods. Fresh fruits and vegetables are particularly desirable as hot weather foods because of their ease of digestion and wide range of variety in the manner they may be served.

"Exercise should be taken in hot weather but good judgment must be used in the amount that is taken. Swimming is fine exercise and is more refreshing than other forms of exercise. If sun baths are to be indulged in, care should be taken to acustom the skin by exposing the body for short periods in the beginning.

"Plenty of rest is necessary during hot weather. Sleep a sufficient number of hours and eat at regular meal times. Acquire regular habits, living and develop a cheerful outlook on life, and you will find that it will help you to spend a comfortable summer at home or on vacation."

Low-Priced Cars Show An Increase

Austin.—An increase of sales of new automobiles in Texas during June over the preceding month and the like month last year is reported by the University of Texas Bureau of Business Research.

Reports from fifteen representative Texas counties show a total of 8,226 sales, an increase of 33 per cent over May and 64 per cent over June, 1935. Aggregate sales in these counties during the first half year were 38,751, an increase of 23 per cent over the corresponding period last year.

The percentage increase in sales of the lowest price group during June over the two comparable periods was greater than the percentage increase of all groups combined. For many months past, the lowest price group had been making relatively the poorest showing.

Fewer Aches and Pains More Health and Pleasure

DR. MILES' ANTI-PAIN PILLS PAIN drags you down—physically, mentally, morally. Why continue to endure it? Try Dr. Miles Anti-Pain Pills for Headache, Neuralgia, Muscular, Rheumatic, Sciatic, and Periodic Pains. They seldom fail. Dr. Miles Anti-Pain Pills are pleasant to take and prompt to act. They do not upset the stomach, cause constipation or leave you with a dull, depressed feeling. Ask your druggist or any of the hundreds of thousands enthusiastic users. Probably you too can find relief. I think all Dr. Miles medicines are wonderful, but Anti-Pain Pills are my favorite. Mrs. Doc Blankenship, Stamford, Texas I have used your Anti-Pain Pills only a short time, but they have given me prompt relief. They did for me in a week more than any other medicine I had taken for a year. Phil Goller, Milwaukee, Wisconsin I am never without Anti-Pain Pills. I think they are much better than anything else I have ever used. Sometimes when I am tired and nervous, and feel like I would go under, I take two Anti-Pain Pills and in a short time I feel like a different person. Mrs. S. Tidabach, Stroudsburg, Pennsylvania Your Anti-Pain Pills have been used in my home with wonderful results. I recommend them. Maggie Belle Dudley, Vanceboro, N. C. Your Anti-Pain Pills helped me a great deal. I have used them for years. I carry them everywhere in my purse and always keep them in the house. They have saved me a great many sick headaches. THE TERM "WHITE PAPER"

The term "white paper" is applied to government reports on any subject, especially British publications of a less extensive nature than the British blue-books, which are official reports of parliament and of the privy council. Reports of ambassadors, consular officials, etc., are often printed as "white papers." These terms have been in use for many years. During the late war, most of the warring nations published official documents to justify their stand. These included the white book of the Germans, the blue books of the British and Serbians, the yellow book of the Russians, the red book of the Austrians, the green book of the Italians, etc. The names are derived from the colors of the paper covers given to the documents.

Property bequeathed to the Texas Conference Association of the Seventh Day Adventists by Mrs. Mary Cluck of Dallas who died last January 19, was returned to Mr. Cluck by a vote of the church organization. The bequest consisted of oil lands near Houston and land in Culbertson County.

STATE SENATOR Ben G. Oneal of Wichita County, For CONGRESS

Folks, it's time to help the man who Helped Foard County!

Senator Ben G. Oneal secured the passage of the following bills through the State Senate which mean something to Foard County:

Bill to authorize Crowell School to borrow money from Federal Government to build gymnasium.

Bill to rebuild Vivian School Building with State appropriation of \$3,200.00.

Bill to make survey for Pease River dam with appropriation. If this dam were built, it ought to benefit Foard County more than any other county.

Further, at his own expense, he brought Highway Commission officials here and helped get roadside parks started.

The above is performance, and not promises, and that is the kind of man Senator Oneal is. HE DELIVERS.

Matthews, secretary and treasurer; Miss Minnie Wood, reporter; Mrs. W. L. Cox, Mrs. Mack Eden, Mrs. Opal Grimm and Mrs. O. C. Battenfield were elected as social committee. Capsule friends were revealed and a lovely refreshment plate was served to one visitor, Miss Addie Coffman, of Superior, Wyoming, and the following members attended the meeting: Mrs. W. J. Long, Mrs. G. W. Scales, Mrs. Joe Johnson, Mrs. Lewis Webb, Mrs. Bob Abston, Mrs. J. A. Stovall, Mrs. J. A. Stovall, Mrs. T. H. Matthews, Mrs. Lee Sims, Mrs. C. H. Wood, Mrs. Opal Grimm, Mrs. Leotis Roberts, Miss Minnie Wood and the hostess, Mrs. Cato. The next meeting of the club will be September 10 with Mrs. Bob Abston hostess in her home.

ARMY OFFICERS TO BUY HORSES HERE SATURDAY

A purchasing board composed of Captain C. W. Bennett, (Cav.) Q. M. C., and Major J. H. Dornblaser, V. C., of the Remount Purchasing and Breeding Headquarters at Fort Reno, Okla., will be in Crowell Saturday, July 18, to buy horses for the army. They will also be in Truscott and Benjamin on the same day.

It is suggested that horses be assembled in a centrally located place to make inspection convenient to communication received by C. B. Graham from Fort Reno.

Following are the specifications for riding horses: Age—4 to 7 years; height—15 hands or better; breeding—half-thoroughbred or better; color—any solid color (no paints); sex—geldings (a few mares will be purchased but they are not desired, and they must not be in foal.) Price—around \$160 per head. (A \$5 premium will be paid for registered thoroughbreds or registered half-thoroughbreds.) Must be gentle to handle and shown under saddle.

A few three-year-olds will be purchased, but they must be superior horses, and very well grown out, the latter stated. "We shall also be in the market for some artillery horses, and an active, good galloping, heavy riding horse is desired."

Following are the specifications for artillery horses: Age—4 to 7 years; height—15.1 to 16 hands; weight—1100 to 1,300 lbs.; breeding—good, breezy-looking horse desired; color—any solid color (No paints or greys); sex—geldings only. Must be gentle to handle and must be shown under saddle. (The board may also require these horses to be shown in harness pulling a load.)

Robberies—

(Continued from Page One) About six or eight cases of germ process oil were also taken from the Continental warehouse Tuesday night. Four empty cases were found by Deputy Sheriff P. D. Moseley Wednesday in a field about two miles east of Crowell. The lock on the Continental warehouse was also broken.

Officers are investigating the robberies, but have been unable to locate the stolen goods.

A wheel and tire were stolen the same night from a car belonging to E. V. Halbert while it was parked near the Baptist Church. Mr. and Mrs. Halbert were attending church.

The front of the car was jacked up and the wheel and tire were taken during the church services. An attempt was also made Sunday night to break into the Continental Oil warehouse, but the robbers were unable to get it open. It is believed that the oil and wheel were taken by the same persons.

FOARD COUNTY'S 1935 VALUATIONS SHOW DECREASE

Foard County's total taxable valuations for 1936 was \$3,961,011, according to a preliminary report submitted by S. T. Crews, who is in charge of this work at the office of R. J. Thomas, sheriff, tax assessor and collector.

This figure shows a decrease from the total valuations of last year which amounted to \$4,093,161. The decrease amounted to \$132,150 or slightly over one and one-half per cent of last year's figure.

The preliminary figure for this year, however, shows an increase over the 1934 total of \$3,869,725 and the 1933 mark of \$3,715,029. Real and personal property valuations in the county are higher than last year, Mr. Crews said, but the oil valuations are lower. The decrease in the rendition of the Texas Company alone was about \$65,000 less. This figure alone more than covers the decrease of \$42,000 in the total figure.

Foard's valuations for state taxation purposes total \$3,264,011, according to the preliminary report. Valuations for state taxation last year amounted to \$3,324,281. This shows a decrease of about \$70,000.

Gossett Announces Speaking Campaign

A heavy speaking campaign for the rest of this week has been announced for Ed Gossett, candidate for Congress from the 13th District, according to an announcement from Gossett headquarters. He will speak this afternoon at 2:30 in Meagargel and at 8:30 in Throckmorton. Tomorrow he speaks at Chico picnic and Denton. Saturday, he will speak in Gainesville and Bowie.

Mr. Gossett spoke in Clay County Monday, in Wichita Falls Tuesday and at Gore, Munday and Knox City yesterday.

Two radio speeches will be given by Mr. Gossett next week. He will speak over station KGKO at Wichita Falls at 7:45 to 8:00 p. m. Wednesday, July 22, and 12:30 to 12:45 p. m. on Friday, July 24. Further speaking engagements will be subsequently announced.

stration agent of Cottle County. The following score card was used in judging: record book and reports complete 30 per cent, narrative of work 20 per cent, picture 10 per cent, foundation pattern 10 per cent, slip 10 per cent, and dress 20 per cent.

Seventeen co-operators entered dresses for judging. These represented the best dresses from each club. The group was divided into stouts and slims. Those winning the stout division were Mrs. W. B. Jones of Foard City, Mrs. A. L. Davis of Good Creek, and Mrs. J. L. Hunter Jr., of Margaret. The winners in the slim group were Mrs. Glenn Jones of Good Creek, Mrs. Donald Norris of West Side, and Miss Evelyn Jones of Foard City.

In the girls' wardrobe demonstration contest Anna Lucy Bray of Thalia won first, Mary Ermine Owens of Foard City second, and Lillian Bell Branson of Vivian third.

Prizes for both the demonstrators' and co-operators' contest were furnished by the County Home Demonstration Council.

WANTED! A MAN

70,000 voters of the 13th Congressional District are looking for a man to send to Congress. They want his answer to these questions before they elect him.

1. IS HE A NATIVE SON OF THE 13TH CONGRESSIONAL DISTRICT?
Grady Woodruff was born in Wise County—the only native of the district in the race for Congress.
2. IS HE OLD ENOUGH TO OFFER US MATURE JUDGMENT?
Grady Woodruff is 42 years of age.
3. HAS HE HAD EXPERIENCE IN MAKING LAWS?
Grady Woodruff has served six consecutive years in the House of Representatives and six consecutive years in the Senate of the Legislature of Texas.
4. CAN HE GIVE US REFERENCES FROM PEOPLE WHO KNOW HIM?
Grady Woodruff is endorsed by more than 2,000 citizens of his home county. He has been elected five times in five campaigns. He has carried his home precinct and his home county five times with a majority of 2 to 1 over his opponents.
5. IS HE HONORABLE AND UPRIGHT IN HIS PERSONAL LIFE?
Every pastor of Grady Woodruff's home town of Decatur has endorsed him, as has Dr. J. L. Ward, President of Decatur Baptist College.
6. IS HE HONORABLE IN HIS POLITICAL LIFE?
Grady Woodruff's record of 12 years in the State Legislature has never been under suspicion at any time.
7. DOES HE HAVE A RECORD OF WORK FOR THE MASSES?
Grady Woodruff's work for the farmer, laborer, and the small business man has won him the endorsement of thousands of citizens in these groups.
8. HAS HE KEPT HIMSELF FREE FROM LOCAL POLITICAL WRANGLES SO THAT HE CAN WORK FOR ALL OF US?
Grady Woodruff has made no political enemies. Even those whom he has opposed in the legislative halls are outspoken in their respect for his fairness.

9. IS HE A LOYAL MEMBER OF THE DEMOCRATIC PARTY?

Grady Woodruff has never scratched a Democratic ticket—has never faltered in his loyalty to the party nominees. He has never been allied with a "third party" whose aim was destruction of the Democratic Party.

To The Farmers of the 13th Congressional District:

As a "dirt farmer" of Wise County for a quarter of a century I have always been interested in legislation which affected farmers and livestock raisers. As a result of our trip to Washington I am convinced that the farmers of the 13th Congressional District need a change in Congress. I have known Grady Woodruff for more than ten years and I endorse him to you without reservations as a man who will go down the line for the farmers of North Texas.
