TWC Okays Post Lake

The Texas Water Commission approved a four year extension to the permit to build the Post Lake to the White River Municipal Water District following a

hearing on the issue Wed., Oct. 24 in Austin.

A delegation of Garza County citizens at the hearing included Jack King and

Everett "Heavy" Windham, White River board members; Maxine Earl, Lewis Holly and Bill Pool, representing the city of Post; Donald Windham, representing Garza County and Post Chamber of Commerce manager Lewis Earl and board member Mike Barber. State Senator John Montford was also at the

hearing, along with White River Water District Manager Al O'Brien.

Lubbock city officials also attending the hearing to answer questions concerning negotiations with White River on purchasing water from the proposed lake.

The permit extension is for a four-year period from July 1984 to July 1988.

Garza Hospital Shows Savings

Garza Memorial Hospital's Bill Terpening recently attended the Texas Association of Hospital Engineers Fall meeting in San Angelo, which included "curbside clinics" for participants to discuss mutual problems.

The "clinics" were followed by a tour of the new Shannon West Texas Memorial Hospital by Jim Fillpot, administrator; Dick Chuises, assistant administrator; the chief engineer and the assistant chief engineer.

After the tour of the five story facility, a buffet lunch was hosted by the hospital for the 65-70 hospital engineers from throughout the state. A warm welcome was extended to the engineers by Fillpot.

The afternoon session included a two and a half hour session on Controlling of Electrical Demand, conducted by John King of K & K Electronics of Austin.

King emphasized the need for all engineers to be aware of their power factor effectiveness as well as demand and the relation to what rate the hospital may pay for electricity for the next 11 months.

Thomas M. Brush, P. E., vice president, THA Hospital Engineering Center spoke on use of computers in the engineering departments. Those engineers that are using computers all agreed that they should have designated time on their respective systems.

The Friday morning session, directed by Jack Huebner, president of TAHE and executive director of TECO of Houston.

Terpening, maintenance supervisor for Garza Memorial Hospital spoke on what GMH had done to reduce natural gas consumption. GMH saved 1889 MCF for a \$7,140.42 savings in 1982-83 fiscal year.

Terpening told members that the cost of the conversion had a payback of less than one year.

He also explained that during the excessive cold weather during December 1983, it was only necessary to activate both boilers at GMH three days to heat the facility.

DOGGETT VISITS POST — Senator Lloyd Doggett visited Post Monday morning at the Courthouse Square with approximately 150 in attendance including Doggetts relatives. Doggett is shown talking to cousin, Jimmy Jones. Doggett is running for the Democratic U. S. Senate seat.

Food Bank Planned by Citizens

A group of concerned Post citizens met Tuesday, October 23rd at the First National Bank to discuss a proposed local community food bank.

Present was Ms. Mary Jackson, of the Dept. of Human Resources in Lubbock, who provided valuable insights into forming such an organization in our community.

An initial steering committee was formed, led by Pastor Stephen Traw, and response to the proposed plan was most favorable by all present.

An organizational meeting will be held at 7:30 p.m. on Tuesday, Nov. 13th, in the bank community room, and all interested citizens are invited to attend. Any other concerned citizens who wish to become more involved in this much-needed service to our community are urged to get in touch with Pastor Traw, or other members of the steering committee: Pastor Alvin Petty, Glen Barley, Father Glenn Rosendale, Robert Wall, or Mr. and Mrs. Earl Chapman.

HALLOWEEN PARTY — Girl Scout Troop 235 hosted a Halloween Party Monday night at the Girl Scout House for the Brownie Troops. Shown l to r, Rosalinda Curtis, Brenda Abraham, Tina Poe, Angela Robinson, Jana Hudman; standing Angie Cruse. Not pictured, Billie Garza, Rosa Gonzales, Cheryl Thompson, Leslie Martinez, Kim Burnett.

Merchandise Recovered

The Garza County Sheriffs office recovered a barbecue pit, valued at \$2,000 after being stolen from Handy Hardware October 15. The pit was parked behind the Handy Hardware building when taken and was recovered in Lubbock. Officers do have suspects in the theft and warrants.

A Kellogg American air compressor was reported stolen from the Storie Gin on Hwy. 380 sometime between October 10 & 11th. Entry was gained through a window and after partially dismantling the compressor was dragged through the

building, then apparently loaded into a pickup. Value of replacement was set at approximately \$3,000.

In other activity, a male subject was arrested October 19 for DWI and possession of a controlled substance and released on a \$2,000 bond;

A female subject was arrested October 20 for DWI and released on a \$750 surety bond;

A male subject was arrested October 21 for DWI and released on a \$750 bond;

A male subject was arrested October 22 for DWI and remains in the Garza County Jail under \$750 bond.

FIRST BALE — Bert McDonald, left, is shown with Graham Coop Gin manager, Noel White, right, with his first bale of cotton in Garza County. McDonald stripped an acre for the bale which weighed 443 pounds and 740 pounds of seed. The bale was ginned free of charge.

Obituary

Edna Trull

Funeral services for Edna Clementine Trull, 93, were held Saturday, October 27 at 3 p. m. in the Calvary Baptist Church with Alvin Petty, pastor, officiating, assisted by R. C. Hester, of Idalou.

Born May 30, 1891 in Van Zandt County, she died October 25 in Golden Plains Care Center where she was

a resident.

A resident of Garza County since 1933, she was a housewife and married Finis Trull April 18, 1909 in Jones County. He preceded her in death October 26, 1967.

Survivors include three daughters, Ruby Bishop of Lubbock, Louise Pierce and Bernice Smith both of Post; three sons, Weldon of Abilene, Harold of McAdoo and Cecil of Lubbock; one brother, Clarence Park of Groesbeck; 20 grandchildren, 39 great-grandchildren and four great-great-grandchildren.

Grandsons served as pallbearers and burial was in Terrace Cemetery under the direction of Hudman Funeral Home.

THE BIG ONE THAT DIDN'T GET AWAY — Keith Taylor stands between two monster catfish caught at Lake Livingston recently. Taylor's cousin Thomas Bolton caught the one of the left, weighing 45 pounds. Taylor holds his catch in his left hand. The fish weighed 65 pounds and was caught on a three inch shad baited deep sea fishing rod and reel about noon from a boat near the shoreline. "We enjoyed the fish at a family reunion fish fry," Taylor beamed.

Graham Earns \$1,000

Approximately \$1,000 was made at the Saturday night community Halloween Carnival held at the Graham Community Center.

Proceeds from the event will go for repairs and upkeep of the center.

Good food, fun and lots of spooks and goblins were enjoyed by a large crowd. An auction was held with an auctioneer from Tahoka.

Music for the cake walk was provided by Noel White, Ira Farmer and Durwood Bartlett.

The children's costume parade was judged by Mr. and Mrs. Roger McCurrin, manager of the Winn's store. Winn's also donated the prize for the boys contest with the prize for the girls being donated by Carol Williams. Winners of the event were Lorry Ledbetter and Daniel Fluitt.

Danish Imports, Inc., donated an Effanbee Doll which was won in a drawing by Lewis Mason.

Stanley McNeely guessed closest on the amount of candy in the large jar winning it. There were 367 pieces of candy and McNeely guessed 362.

Members of the Graham 4-H Club and Community Center board decorated the center and assisted with the games.

Merchants and businesses donating gifts for the auction were: Graham Coop Fin, Twins' Fashion, Jae's, Hudman's Furniture, Winn's, White's Auto, and Western Auto.

WRITE-IN MIKE HARPER CONSTABLE PRECINCT 4

At this time I would like to ask the citizens of Precinct 4 to consider writing my name in for Constable Precinct 4 on November 6.

With the experience of being a former Deputy Sheriff and former Reserve Deputy of Garza County; I feel there is a lack of patrol in the residential areas of Precinct 4 and this contributes to other crimes. I am very concerned about these problems.

If elected as your constable, I will do my part and more to help control these problems. I will be available at any time day or night whenever a problem arises and you need me. I will give fair and impartial service to all.

Your write in vote and support will be sincerely appreciated.

Hays Reunion Held October 19 - 21

Children of the late Mattie and Jim Hays met October 19th, 20th, and 21st for a family reunion. Hosting the event was the four youngest Jerry, Herbie, Donnie Hays and Rheba Propst. Eleven of the twelve were here. Most of them attended the

Homecoming activities on Friday night.

Several of the men had a big golf game on Saturday. They all enjoyed a picnic at the South Lake park that evening. They enjoyed touch football, pitching washers, and basketball.

They met Sunday for dinner at the community center, we enjoyed visiting, watching movies, playing games, cards and dominoes.

Those attending were Randall & Cindy Hays, children Toni, Bryan, Scott from Clovis, N.M.; Joni Roberge, children Branden & Brandy from Snyder; Charlotte Baker and son Chuck from San Antonio; Buddy & Fredda Hays; Herbie and Ann Hays, son Cody all from Austin; James Hays from Anaheim, California; Marc Hays from Newport Beach, California; Steve & Karen Hays from Santa Anna, California; Karron Hays from Dublin; Donnie & Tippy Hays and children Matt, Julie from Borger, Texas.

Royce & Gayle Anthony and sons, Jeff, Chris; Gary & Adrienne Hays and children Brandon, Ryan and Lyndsay; Jimmy & Debbie Fikes and children, Melissa, Sammy, Chad and Paul; Mike & Vickie Hays, sons Heath and Chance; Wayne and Pamela Barber; and Bill & Bettie Hays all from Lubbock.

Those attending from Post were Jerry & Kay Kays, son Rodney; Roy and Sis Gilmore and daughter Sue & Clyde Cash, daughters Dusti, Cathi, Cara; Gene and LaVerne Hays, daughter & family Anita & Hoy Darling, Summer, Tracee, Keri & Lisa; Rheba & Charles Propst; Danny and Linda Richardson, daughters, Jill and Amanda; Liberty and Hubert Anthony, Pete and Juanella Hays.

Others attending were James Wenetschlaeger from Snyder; Cory and Garrett Harmon from Albuquerque, N.M. and John and Celeste

Barber from Lubbock. Several friends dropped by the center and visited Sunday afternoon.

Attends Meeting

The Levelland Ladies Division of the Chamber of Commerce was host to an area wide meeting for the 15 county area ladies recently at the Texas American Bank.

The Levelland merchants presented a style show, and a luncheon was served to about 60 ladies who registered for the event.

Every woman present was given a gift.

Those attending from Post were Mmes. Ruby Kirkpatrick, Geraldine Butler, Iva Hudman and president, Inez Hartel.

Garza SWCD Annual Report

GARZA SWCD DIRECTORS — Shown l to r, Tom Middleton, Walter Boren, Sam Ellis, L. G. Thuett Jr., and Preston Poole.

By **ROBERT W. SCHMIDT**

The Soil Conservation Service was established in 1935 under the United States Department of Agriculture to plan and carry out a national program to conserve and develop our soil and water resources.

The SCS gives technical assistance to individuals, groups, organizations, cities and towns, and county and state governments in reducing the costly waste of land and water resources and in putting to good use of these national assets. The objective is use and conservation treatment of the land in harmony with its capability and needs.

The Soil Conservation Service works through local soil and water conservation districts organized by local people. The SCS provides professional conservationists to help plan and carry out the district's conservation program.

They help farmers and ranchers plan and apply conservation measures on their land in the district. Some of the help includes providing technical assistance in designing,

laying out, and checking the construction and maintenance of dams, terraces, or other structures; in selecting the proper grass species, seeding methods and rates when seeding grasses; and in solving management problems on pastureland, rangeland, cropland and wildlife habitat.

The SCS personnel assist landusers in planning of various conservation cropping systems, improved tillage methods, fertilization use, contouring, stripcropping, crop residue management, establishment and maintenance of vegetation in waterways and spillways, and irrigation for the kind of crop grown on cropland acres. They also help ranchers develop plans to better utilize their grassland by various practices such as deferment and grazing systems.

Assistance is also provided in planning of brush management and seeding of grasses on the disturbed or deteriorated rangelands and at the same time consideration is given to the habitat for the various kinds of wildlife.

Landowners or landusers can select from several different programs established by the U. S. D. A.

The SCS administers the Great Plains Conservation Program. Cost-share assistance can be obtained by landusers over a period of years on various conservation measures under this program. Also the SCS has technical responsibility of the Agricultural Conservation Program (ACP) and the Long Term Agreement (LTA) program that are administered by the Agricultural Stabilization and Conservation Service (ASCS).

Producers can obtain cost-share assistance on different conservation practices under both programs. The ACP program can help landusers on an annual basis while the LTA program provides cost-share assistance over several years on various practices.

ANNUAL REPORT — ACTIVITIES 1984

The Board of Directors held 12 meetings with 82 percent attendance.

Two Directors attended the State SWCD Meeting held in McAllen in October.

Three Directors attended the South Plains Association of SWCDs Meeting in Lubbock in February.

One Director attended the South Plains Association of SWCDs Meeting in Floydada in August.

An Annual Conservation Farmer and Rancher Awards Banquet was held in April of 1984.

The District furnished Soil Stewardship material to local churches.

The District publishes a Newsletter for information to the members.

The District sponsors timely Radio Programs and Public Service announcements on KPOS in Post to provide information to all members.

Level Soils Make up 33% Cropland

By **Danny Richardson**
Level or nearly level soils, not subject to much damage by water erosion, make up about 33 percent of the present cropland in the United States.

Although soil splash and surface flooding cause loss of fertility when these soils are left bare, the rate of loss is slow enough that it can be offset by conservation cropping systems.

Contour farming is an economical and efficient system that can increase the yield potential of most farms.

Up and downhill farming allows most of the water to

run off of the higher elevation in a field. When this happens the run off carries with it fertile top soil. It also deprives plants on high ground of much needed moisture, while it can flood out the low areas of the field.

Contour farming spreads the water more evenly over the entire field, and slows the erosion process, thereby producing a more uniform crop.

The Soil Conservation Service is happy to assist farmers in laying out level lines for contour farming. Soil survey books are also available which can be a big asset to farmers.

WHY AREN'T WEST TEXANS HEARING ABOUT THE DEMOCRATIC PARTY'S "SAN FRANCISCO" PARTY PLATFORM?

Do you know Mr. Mondale, Ms. Ferraro and the liberal U. S. Senate candidate, Lloyd Doggett, want your vote and your contribution so they can enforce the

OFFICIAL DEMOCRATIC PARTY PLATFORM, ADOPTED IN SAN FRANCISCO

-- which on page 35, lines 23-46, approves the use of boycotts against farm produce as "an effective tool" in farm worker unionization, advocates repeal of state right-to-work laws, and on page 37, line 58, strongly opposes any "bracero" (guest-worker) program for Mexican nationals seeking farm employment in the U. S.?

-- which on page 38, lines 1-13, recognizes homosexuals as a minority group requiring federal Affirmative Action protection, prohibiting discrimination in the workplace based on sexual orientation" (homosexuality), even in our military forces, and encourages their immigration to the U. S. and their application for U. S. citizenship?

-- which on page 42, lines 14-18, allows the federal government to infringe on your Second Amendment Constitutional right to own a handgun for your family's self-protection?

-- which on page 42, lines 27-33, calls for "fundamental reform" of our criminal sentencing procedures which would result in the invalidation of the Texas death penalty statute unless similar legislation was drafted by all states?

Perhaps Mr. Doggett and Texas the Texas Democratic Party officials from Austin, have failed to campaign on these sections of their "San Francisco" platform in West Texas because they are afraid you believe, as do the Republican candidates for federal office, that

-- boycotts on the movement and sale of farm produce are unfair because they hurt all farmers raising the boycotted commodity, even those not targeted by the union strike; and that we should keep our Texas right-to-work law to prevent some union official in a "closed" (union) shop from deciding whether an individual can get, or keep, a job in Texas;

-- homosexuality should not confer minority status on an individual, thus giving that individual special consideration by federal law;

-- that our founding Fathers were wise to prohibit federal gun control in the Second Amendment, thereby reserving that power only to state and local government;

-- that a majority of Texas residents support our state's capital punishment statute and do not wish to see it invalidated through federal decree.

Before you vote for ANY Democratic candidates for federal office next Tuesday, November 6, PLEASE READ THESE SECTIONS OF THE DEMOCRATIC PLATFORM! Then, if you don't agree with its' stand on farm worker unionization tactics, homosexuality, federal gun control, and state punishment laws, it is very important that you

The Indians got to the Antelope nine yard line before the district-leading 'Lopes took control defensively.

The game-saving defense was highlighted by three different key plays by Delton Osborn, Ricky Moore and Rodney Hays.

The final Seminole play was a pass from quarterback Herby Rios on fourth down, under heavy pressure from David Shultz, the pass was thrown too low for the receiver to catch.

Hays earlier had broken up a sure touchdown pass on first down from the 14.

After quarterback Rusty Robinson pulled an option around his left end to the nine, the Indians called time out with 1:14 left in the game.

On third down Robinson found Carey Bailey open crossing from his right to left, but Moore pounced on the receiver just as the ball arrived, knocking the pigskin to the ground.

Then on fourth down Rios rolled to his right, couldn't

find a receiver open, and just before Shultz grabbed a hold of the elusive quarterback, Rios threw the ball across to his left, too low for Kelly McGill to catch and the 'Lopes took over on downs to run out the clock.

Post coaches and fans breathed a sigh of relief.

Seminole had scored first in the game, taking the opening kickoff the distance, going out in front 6-0 with 5:35 left in the first quarter.

The 'Lopes returned the favor, taking the kickoff with Moore handing off to Curt Greer who was stopped at the Post 32.

Tracy Price took the ball five out of the nine times during the drive, with quarterback Joel Kirkpatrick going in for the first of three touchdowns from the 41 yard line with 1:25 left in the first quarter.

The touchdown run was set up by a fake to Price on fourth down and four yards as Kirkpatrick fooled the Indian defense, keeping the ball around his left end after the defense reacted to Price going over left guard.

Greer shared the ball-carrying during the drive. Chuck Morris put the first of three extra points on the board an 8Post led 7-6.

Rodney George intercepted a Seminole pass on the next Indian drive, but the Antelopes turned the ball over on a fumble at the Indian 13 yard line.

Another Indian scoring threat was killed at the Post 17 as the Antelope pass defense recovered from earlier mistakes to stop Seminole on fourth down.

With 5:12 left in the first half, the 'Lopes opened their second touchdown drive from their own 17 yard line.

Price went over left guard to the 21, then Kirkpatrick got the first down on a keeper over left guard to the 28.

Greer caught a Kirkpatrick pass, setting up second down at the 34, then Price picked up the first down at the 40 and Benny Hair clipped off another first down blasting over right guard to the Seminole 39.

Price got the call to the 30, Greer got one to the 29, Price went over right guard to the 21 and then pounded over defenders to the five.

Four plays later, after Price had appeared to have scored, with the ball set back to the four inch line, Kirkpatrick went into the end zone behind center Curt Cowdrey's blocking and Morris' kick made it 14-6, with 24 seconds left in the half.

Post took the second half kickoff, marched to the Seminole 16 yard line, before they were stopped on a fourth down quarterback sack at the 24 yard line.

With 6:38 remaining in the third quarter, the Indians opened up their offensive show and using the option and pass, went into the end zone, tying the game on a two-point conversion pass with 1:43 left in the third period.

The fourth quarter opened with Post punting to Seminole and after seven plays and one first down, the Antelope defense held and the Indians punted to the Post 31 yard line.

With 9:15 left in the game, the 'Lopes began the winning touchdown drive.

Price picked up a crucial first down on third from the 32 to the 49 on a draw-play through right guard.

He got another first down, blasting over left guard to the Seminole 37, then Benny Hair took the handoff over right guard, surprising the Indian defense and finally being hauled down at the 24.

Price carried twice to the 22, then Kirkpatrick rolled to his left and found Greer open to the eight yard line.

Price ran over defenders to the three, then to the two and Kirkpatrick faked the handoff to Price, and fooling the Indian defense, skirted over left tackle to the end zone.

With 4:44 left in the game, the 'Lopes went out front, leaving the defense to stop a determined Seminole Indian come-back try.

The Antelopes host Denver City this Friday with a 7:30 p.m. kickoff.

JV Shuts Out Indians Freshmen

The junior varsity 'Lopes shutout Seminole 40-0 last Thursday there, reaching a 6-2 season record.

The 'Lopes opened the scoring with an 84 yard touchdown drive at the opening kickoff, with Anthony Perez going into the end zone the final four yards.

After Bart Mason recovered an Indian fumble, the 'Lopes marched 67 yards in three plays with Anthony Perez galloping the last 60 yards off tackle for the six points.

Quarterback Greg Storie completed a pass to Marvin Lee for the two-point conversion.

The next 'Lope touchdown came on a Jay McCook pass to Anthony Perez which covered 53 yards. The score followed a fourth down turnover by the Indians.

Steve Gomez picked up the two-pointer.

After a blocked punt by the defense, the 'Lopes scored again as Keith Hart ran off tackle.

Eddie Moat got the next touchdown when the 'Lopes took the ball at the Indian 45, running two plays and scoring from 25 yards out.

Tony Pearson scored the final touchdown on a 10 yard dash at the end of a 60 yard drive.

The 'Lopes got 334 yards offense and allowed the Indians 211.

Freshmen Whip Indians

The freshmen Antelope football team eliminated the visiting Seminole Indians last Thursday 44-20 with Ben Kirkpatrick, Rolando Armendariz and Mike Bartlett scoring the touchdowns.

The young 'Lopes collected 343 yards rushing and 64 passing for 407 total yards, allowing Seminole 293.

"Our offense played well," coach Jay Kennedy reports, "our linemen blocked well... Roger Martinez, Bobby Gonzales, Greg Benham, Kenny Boteler, Mark Tyler, Rolando Armendariz, Michael Ayala and Kevin Cornett."

Kirkpatrick led the ground game with 177 yards on 13 carries, followed by Bartlett with 143 yards on 12 tries.

Quarterback Eric Reece completed four of seven passes for 64 yards and two touchdowns.

Kirkpatrick scored the first touchdown on the first play from scrimmage as he went 76 yards and then picked up the two-point conversion.

Reece's pass to Armendariz capped the se-

cond drive, which went 69 yards in nine plays.

Bartlett returned a kickoff 83 yards for the next score and Kirkpatrick got the two-pointer.

Bartlett got the next touchdown, this one on a 75 yard scamper and Reece threw a pass to Brent Jones for the two-point conversion.

The next 'Lope touchdown came at the end of a 52 yard, five play drive as Kirkpatrick blasted the last 45 yards and Bartlett went in for the two points.

The final touchdown was a 20 yard pass play from Reece to Armendariz.

The 'Lopes travel to Denver City Thursday.

Seminole Takes 8th Grade

The 8th grade Post football team came home on the short end of a 19-6 score following last Thursday's game in Seminole.

Felipe Vargas picked up the lone touchdown for Post, going in from five yards out after a 14 play, 67 yard drive in the second quarter.

"We got close a couple of

times, but lost the ball, allowing them good opportunities," coach Darrell Radle comments.

"Once again, the defense played well except for three or four big plays for long gains and touchdowns," the coach adds.

He singled out for praise defensive ends Pete Aguilar, Neal Gibbs and Richard Hudman and defensive tackles Rodney Carlton and Mark Cruz.

JAY VALDEZ (71) leads interference for Curt Greer as the Antelopes remain undefeated in district play.

Denver City Visits Friday

by Wes Burnett

The rivalry dates back years and years, and this Friday's district show-down at Antelope Stadium with the Denver City Mustangs will no doubt rekindle the smoldering left over from previous matchups.

The last time the two schools met on the football field was the Bi-District Antelope win in 1982 and the Mustangs are expected to try to avenge that memory.

Arriving at Antelope Stadium, the Mustangs have a season record of three wins, four losses and a tie.

The wins include 28-6 over Slaton, 36-13 by Roosevelt and Brownfield 21-13.

The Mustangs have lost to Shallowater 7-0, Colorado City 50-9, Seminole 28-0 and Freship 28-8. The tie was with Morton, 14-14.

"You can throw the season record out the window when it comes to them against us," Antelope coach David Thompson observes.

"They have a good team, they're aggressive and they want to beat us real bad," the coach adds.

"We're going to have to play a whole lot better than we did at Seminole."

Thompson continues, "although we did play well enough to win, we need to get better."

Friday night will be the final home game for the 1984 senior Antelopes.

They will face a Veer-type offense, directed by sophomore quarterback Chris Gravitt, who is a good option player with a good arm and good speed.

Tailback Darron Dorethy (31), a 175 pound senior, is fast and the best running back.

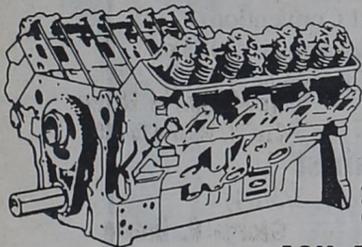

Eagles Win Homecoming

The Southland Eagles rushed for a total of 472 yards Friday night as the Eagles defeated the Wellman Wildcats 62-24 in Homecoming play.

Heath McGehee carried the ball 11 times for 172 yards and eight tackle assists.

Dee Farquhar carried the ball 13 times for a total of 129 yards. Dee also made four tackles and 10 tackle assists. Steve Ellis and Billy Parker made eight tackle assists respectively.

Letters to the Editor

With election day only a few days away, let us reflect upon the possibilities.

Today we have respect around the world (mostly), whereas four years ago we were being roundly castigated by everyone from the greatest to the lowliest new nations.

Even our friends were demeaning us.

The dollar was at a pitiful low and our friends were telling us to get our inflation under control.

Today, inflation is in check, although still present, and the dollar is once again at the top of the charts.

TO THE VOTERS OF GARZA COUNTY

I would like to express my gratitude and thanks to the voters of Garza County for re-electing me to the office of Tax Assessor-Collector in the May Primary.

I ask for your support in the upcoming General Election. I shall strive to maintain your confidence. Please feel free to call the Tax Office any time that we may be of any assistance to you. It has been a pleasure to serve you in the past.

I sincerely thank each of you for your support and ask that you vote for me on Tuesday, November 6th.

"Where Bar-B-Q is our only business"

Countries around the globe are once again courting our favor.

Social Security has been saved from bankruptcy and people are going back to work.

Ordinary folk have more pocket money to spend.

Businesses get a tax break, like the rest of us, and are able to upgrade their wares and attract more customers.

All this makes the economy in better shape than before.

On the moral front, the battle rages.

We are required on one hand to pay for the abortion of countless unborn infants just as a means of birth control.

This reminds us of earlier centuries when the temples of the goddesses of fertility and sex were lined with urns containing the remains of newborn infants placed head down so they died in sacrifice to the love gods.

One side claims there is no right or wrong on this issue, but is a private matter.

The other side says there is a right and wrong regarding this issue and we should consider the consequences of this callousness and teach moral behavioral responsibility as well as issue birth control pills or devices until a moral awareness is developed within the fabric of our society. (Less expensive and less demeaning.)

One side, while promoting the slaughter of the innocents, cries out in alarm at the death penalty for murderers, and fights for its repeal, claiming it violates the civil rights of the murderer.

The other side sees the death penalty as a distressing but necessary means to maintain a civilized, safe society in which to live.

One side sees religion as a dangerous element in a free society and would select Supreme Court Justices sympathetic to this view.

The other side sees a free religion as an equally important part of the life of the nation and would work to assure the freedom of religion.

These are only a few of the comparisons but they seem to be uppermost in the minds of voters today.

One thing is certain, after November 6, we will all have the same president.

So, decide, if you haven't already, and vote your conscience.

Also keep in mind that "While the President pro-

poses, Congress disposes." Geraldine Butler

Publisher's Note:

Last spring we printed a politically motivated letter to the editor without additional comments, which created much ill-will toward this newspaper for not presenting answers that were raised by the letter writer. Therefore, we will attempt to balance the political tone of this letter, with an intent for fairness.

1. Respect from around the world is certainly a generalized statement and I am not at all sure this respect can be measured politically or morally. The people of Nicaragua might take issue with this statement.

2. The dollar might have been at a pitiful low four years ago, but its position on the world trade markets today is more of a problem to American businesses and consumers than a help. High interest rates and a ridiculously high federal deficit makes money traders nervous.

3. Inflation is under control, but at what cost? We were told that as inflation came down, so would interest rates...tried to borrow any money lately? The rates are still too high for most working folks.

4. Ask business people in Post how much better off the economy is...our business, as an example, is approximately one-half what it was two years ago.

Ask those 18 percent of people in Post who are unable to find jobs how much better off they are.

5. I won't even attempt to tackle the issue of abortion as a Christian, I have great difficulty accepting abortion for any reason, but then we haven't had to face any serious problems in our family with unwanted pregnancies.

6. The death penalty for any reason, to me, seems to be in direct conflict with what I understand to be Christian belief and what I see as the example set by Jesus Christ.

7. I don't really understand the question of freedom of religion...as far as I can see we have that issue under control.

8. Good point, not voting one way or the other lets the decision be made by someone else.

Our thanks to Geraldine Butler for her thoughtful letter.

Dear Editor:

The citizens of Post are just great. I've known for years of the community spirit, but it really came home to me recently, when I realized how much time and effort were spent by my class-mates in planning the Class of 1947 Reunion on Homecoming week-end.

I hope each one of these wonderful people realize how much we who live away appreciate their efforts and thank them from the bottom of our hearts. I am also looking forward in great anticipation toward our next reunion in three years. Thank you "Gang" for a job well done.

Yours truly,
Dot Carey Palmer

Drug Counselor Available

By Glenda Baker

It seems that everyday there appears on television or in newspapers stories about people severely affected by the use and abuse of alcohol or drugs.

As I am new in the alcohol-drug counseling field, I claim to be no expert, nor do I promise answers to all the problems caused by chemical addiction.

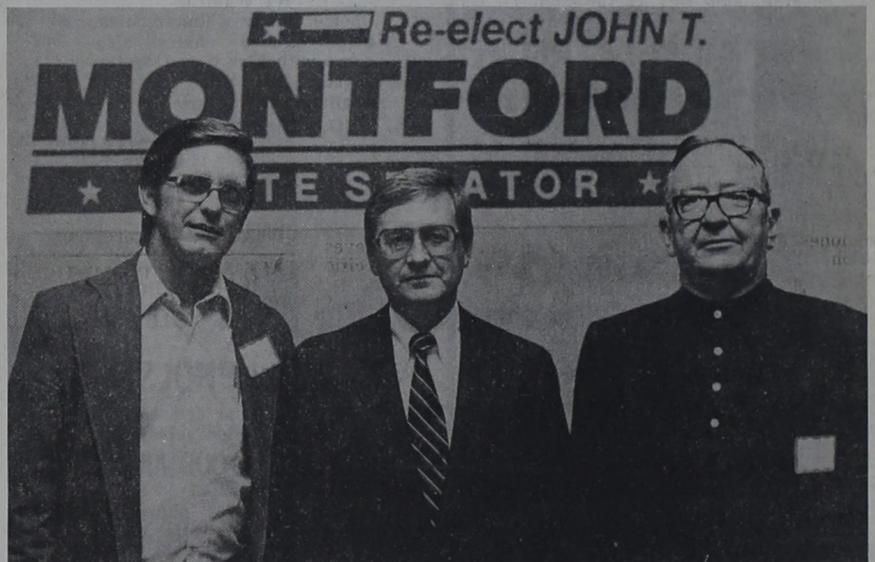

I do however hope to assist in every way possible the people of Garza County to find a way to prevent the destruction caused by drugs and find help for those already suffering from its addictions.

As we begin this series of articles we would like to point out that drug and alcohol addictions are not respecter or persons, therefore we do not intend to point fingers or put blame on anyone or any segment of the community.

We will only strive to explain a little about the complex disease of alcoholism and drug addictions existing in our society today.

If I can help you, find help, please call me, Glenda Baker, Garza County Alcohol-chemical abuse counselor at 495-3788.

Next week, Do's and Don't for the spouses of alcoholics.

State Senator John T. Montford recently held a re-election campaign coordinators meeting to finalize plans for the fall general election campaign. Attending the meeting from Garza County were (left to right) John Haire of Southland, Senator Montford and Bryan J. Williams Jr., of Post. Senator Montford represents the 28th Senatorial District of Texas which covers 14 counties on the Texas South Plains and Permian Basin, including Garza County. Senator Montford is seeking re-election to a four year term in the Texas Senate at the General Election on November 6.

JOHN MONTFORD HAS EARNED RE-ELECTION TO THE TEXAS SENATE

Sen. John Montford and his family have dedicated themselves to working hard for West Texas. Here are just a few reasons why he has earned re-election. He voted against the largest tax bill in the history of Texas... was selected by Texas Monthly and Texas Business magazines as "outstanding freshman legislator" (1983)... has made a comprehensive water program and prison reform top items for the next session... wants to see realistic public school reforms... will fight for all the institutions of higher learning in the 28th Senatorial District.

RE-ELECT SEN. JOHN MONTFORD ON NOVEMBER 6

• He Is Getting The Job Done For All Of West Texas •
