

Airport Dedication, Air Show Features Free Barbecue Nov. 18

The Post-Garza County Airport will be the scene of an area-wide celebration Sunday, November 18, complete with an airshow, flying demonstration, skydiving and free barbecue highlighting the dedication of the renovated facilities. Postponed due to weather two weeks ago, paving was not able to be completed due to the wet weather which fell all week.

County Judge Giles Dalby will lead the official dedication ceremonies, which open at 2 p. m. The barbecue, provided by the First National Bank of Post, will begin at noon. The two-hour airshow will feature Kirk Fulton with his Pitts Special, Bob Macy in a Bell Jet Ranger Helicopter demonstration, Bill Coats with an ultra light, the Westex Skydiving team;

Bob Sears in his Bellanca Decathlon National Aerobatics competition aircraft, Van White flying his Buckler Jungmann and PA J-3 Cub; A T-38 fly-by from Reese AFB, Nick Owen flying his Marquart MA-15 aerobatic aircraft and a crowd-pleasing "dog fight" demonstration by the Confederate Air Force. A drink concession stand

will be provided through the Post High School FFA Chapter. The airshow is sponsored by the Post Chamber of Commerce and is free to the public. Chamber of Commerce president Bryan Williams III suggested persons planning to attend the show should bring along lawn chairs to better enjoy the two-hour event.

Volunteers Needed Sat.

Volunteers are needed Saturday morning to help in an important clean-up campaign at the former FBurlington Industries Postex Plant. The Post Economic Development Corp. is sponsoring the clean-up project, which is designed to put the property in tip-top shape to show to prospective industrial interests.

"The other day I saw a car with California license plates cruising around the plant," PEDC chairman Jack King told Post Rotarians at noon Tuesday, "and you just never know who is looking us over without telling us." The grounds around the facility will be cleared and volunteers are asked to be at the plant Saturday at 8:30 a.m. "With enough people helping out, we should be able to finish by noon," King says.

Paving Gets Council Attention

George Hensley, with Parkhill, Smith and Cooper Engineering Firm of Lubbock, met with City Council members Monday night to review the projected blocks which would need seal coating, curb and gutter and paving, and drainage ditches. After lengthy discussion, members voted to accept the engineers recommendation which would include 18 blocks of seal coating, 11 1/2 blocks of curb, gutter and paving and seven blocks of paving and a drainage ditch.

advised him they would do what they could without having to pay any overtime on Saturday. King also reminded council of the air show set for Nov. 18 and advised them that some merchants downtown were going to hold an open house in conjunction with the show from 3 to 6 p. m. In other action, council members voted to accept the Commonwealth Theaters deeds which include the old Garza Theater and Tower Theater. A lengthy discussion followed on what to do with the properties.

Bo Jackson and Jack King were reappointed to the White River Board after being drawn "out of the hat." Lewis Earl was also nominated for the board and after a tie was had, all three names were put into a hat and the first two drawn were selected. A business permit was asked for on Third Street, but council members voted to pass on the permit until

the zoning board met again. The Airport Board terms of Bill Pool, Bob Macy and Cecil Foster Jr., had also expired and council voted to replace expired members terms with new members, Jack Ault, Lewis Earl and Lewis Holly. Mike Barber also received a nomination. After discussing the laying of a new water line to the new housing authority, council adjourned at 1:30 a. m.

Food Bank Helps Needy

Mike Barber, representing the Post Merchants Association, met with the council to ask for three items: (1) Increased lighting downtown. After looking into the cost of putting standards down the middle of Main Street for three blocks, Barber suggested double lights on the already available standards; (2) Merchants had asked for lighting in the alleys and (3) asked for a "vandalism proof" barrier for the annual Christmas tree downtown. The tree last year was completely torn down and drug away along with new lights which had been purchased.

Plans are currently underway for the formation of an emergency community food bank to give temporary aid to needy families or individuals in Post and Garza County. There has already been much positive response from the community in general, as well as several questions concerning the organization and operation of such a facility. Basically the non-profit organization will unite the resources in our community forming an inter-faith emergency type of "mission" that will serve as a one-stop center to help the needy. It will attempt to provide emergency needs for those who do not qualify for existing social programs, and it will also co-ordinate the voluntary sector and church community. It will facilitate better communication, through a referral and screening process, in an attempt to avoid duplication of effort.

GHOSTS AND GOBLINS - Sam Shazer (top, right) and Janell Jones (second from left, top) were named winners in the Post Middle School costume contest last week. Others participating included (front, left to right) Rolando Armendariz, Rosa Gonzales, Dusti Cash, Megan Bush, Kenda Williams, (top, left to right) Lance Bagby, Janell Jones, Trey Jones and Sam Shazer.

United Fund Drive Start

The annual United Fund campaign has started, with a goal of \$12,250 this year to include funding for 11 local community agencies. The Garza County United Fund provides monetary assistance to the Red Cross, Girl Scouts, Boy Scouts, Garza County Trail Blazers, Summer Baseball, Garza United Fund, Meals on Wheels, Salvation Army and the Texas United Fund. The Garza County Mental Health and Post Special School have also requested funding this year. "Our ability to provide funding for these organizations is directly affected by the donations and contributions of the people," United Fund chairman Jack Alexander comments. "Without the generosity of the hundreds of people who contribute," Alexander

adds, "these participating United Fund organizations would have to find other ways to raise money." The purpose of the United Fund is to provide a single once-a-year fund raising campaign to help participating agencies. "Without United Fund, we'd have 11 more separate fund raising drives," Alexander continues.

A special contributing form has been mailed to people who donated last year, and a copy of the form is published in this issue of The Post Dispatch. Anyone who wishes to contribute may use the form in the newspaper, visit the First National Bank or mail contributions to the United Fund, Post, Tx 79356.

Vandalism Costs Taxpayers

by Wes Burnet
Halloween vandalism and mischief cost Post taxpayers more than \$400 and an uncounted amount of frustration to volunteer firemen and law enforcement officials last week. After midnight, October 31, firemen were called out for fires of two trash

dumpsters in Mill Village and a car tire at 11th Street and Ave. R. That evening after 11 p.m., firemen responded to four fires: a trash dumpster downtown behind Winns, and car tires on East 10th near the railroad, behind the Robo Car Wash and on

Council advised Barber that they would take under advisement of the lighting problem in the downtown area in front of the buildings and asked City Manager Bill Pool to provide barriers for the Christmas tree. Ray Warren also met with council to discuss a water pipe problem which he has had since last winter. After telling the council he was without water for a two week period last winter and showing them pictures of the water line uncovered, he asked that he not be without water again this winter. Council asked city manager Pool to take care of the situation. Council approved priorities one and two of the water line project for this year based on available funds. Priority one has a cost of \$39,961 while No. 2 is \$29,600. Jack King met with council to ask for their help in the cleanup set for Saturday morning at the Postex Plant surroundings. Council

Art Guild

By Linda Puckett
 The Post Art Guild held the October meeting at Glenda's gallery with Polly Cravy presenting the program "Terms, Tips and Technique."

1984 has been an exciting year for the Art Guild. We, as a club set some very high goals for ourselves this year and through the dedication and hardwork of our members, who have spent countless hours in committee meetings, fund raising projects and research, those goals are now becoming a reality. The Algerita Art Center is nearing completion due to the support of many people including David Newby and the Heritage Association, Lewis Earl and the patience of builder Leslie Seals and many others.

In recent weeks, Post Art Guild members have received many awards in area art shows. At the Crosbyton art show, Glenda Morrow received one first place, two second, one third and one purchase award. Vicki Diggs received one first place, two thirds, two honorable mentions and one purchase award. Lil Conner took one second place, three thirds, five honorable mentions and two purchase awards.

Glenda Morrow and Linda Puckett participated in judging the Crosbyton Arts and Crafts Fair. Linda Puckett received one first place at Lubbock Panhandle South Plains Fair.

President Jo Ann Mock was featured in the Texas Co-Op Power Magazine. The article expressed JoAnn's talent and promotion of cotton through her art work.

Vicki Diggs was presented a plaque for first place in the talent division at the Ranch Roundup in Wichita Falls.

At the Spur Art Show, Lil Conner received one first place, one second and one honorable mention. Minnie Ola Stewart won a first place in oil landscape, one third in watercolor, one second and two honorable mentions in pen and ink.

Marie Neff did an excellent job of coordinating the recent O. S. Art Show.

Garmon Dr. in Early, became the bride of Vernon Bart Holleman, son of Dale Holleman of Brownwood and Arleta Carpenter of Post, on Saturday, Oct. 27.

The Rev. Bill Arnold, uncle of the groom, performed the double ring ceremony at 6 p.m. in the Early First Baptist Church.

The altar was decorated with a brass Victorian heart-shaped candelabra containing white gladioli, red and white pom pom carnations, and chrysanthemums. There were two arrangements of white gladioli, red and white pom pom carnations and chrysanthemums on brass hearts between the heart-shaped brass candelabra and two brass tree candelabra that held leather leaf fern. The unity candle was accented with greenery, and white satin bows marked the family pews.

Before the ceremony, the mothers of the bride and groom were ushered in to light the candles representing their children.

Given in marriage by her mother, the bride was escorted to the altar by her brother.

For her wedding, the bride chose a white bridal gown of silk organza fashioned with a fitted bodice, scooped neckline trimmed in Venice lace and long, sheer sleeves with lace motifs. The waistline was accented with a satin ribbon, vocered with lace appliques, forming a tailored bow at the front and extending to the back where it merged with tiny satin-covered buttons at the back closing. The full skirt extended to a chapel length. The hemline was enhanced with a flounce of sheer crystal pleated organza. Appliques of Venice lace, accented with seed pearls, highlighted the train and the hemline.

The bride's derby-style hat, accented with appliques of lace and pearls, held her fingertip-length veil. She carried a bouquet of white gardenias, red sweetheart roses and baby's breath. For something borrowed, she wore her mother's pearl necklace. She wore a blue garter and carried a new lace handkerchief.

Traditional wedding music was played by Gwen Arnold, aunt of the groom, organist. Laura Holleman, sister-in-law of the groom, played the piano while Teri Davis and Mike Lewis sang "The

Mrs. Bart Holleman

Wedding Song" and "Through the Eyes of Love." "Endless Love" was sung while the bride and groom lit the unity candle.

Mrs. Donita Watkins was her sister's matron of honor. Bridesmaids were Mrs. Judy Lee, sister-in-law of the bride, Lavera Vincent and Angela Holleman, sister of the groom.

They wore floor-length red taffeta dresses fashioned with rosettes on the fitted tucked bodice, gathered at the waist, with puffed sleeves worn slightly off-the-shoulders.

Each attendant carried a bouquet of white carnations and red sweetheart roses.

Lexi Lee, niece of the bride, served as flower girl. She was dressed identical to the bridesmaids. She carried a white lace parasol decorated with red sweetheart roses.

Candlelighters were Darby Gordon, cousin of the groom, and Leisha Feltner, step sister of the groom.

Monty Reid attended the groom as best man. Groomsman were Wayne Holleman, brother of the groom, Ricky Horton and Terry Simmons.

They wore silver tuxedos with white pleated shirts, red cummerbunds and red bow ties with red rose

boutonnieres. Cliff Watkins, nephew of the bride, served as ring bearer. He carried a white satin heart-shaped pillow.

Ushers were David Watkins, brother-in-law of the bride, and Mark Tabor, cousin of the bride. They wore silver tuxedos.

Guests were registered by Mrs. Ann Elam.

For her daughter's wedding, the bride's mother chose a navy taffeta dress overlaid with organza featuring a tea-length gathered skirt. The groom's mother wore a tea-length gray dress. Their corsages were fashioned of white orchids.

Out-of-town guests attended from Post, Plano, Dallas, Crockett, Abilene, Clyde, San Angelo, Houston, Midland, Seminole, Crane, Waco, Odessa, Temple, Austin, New Braunfels, Fort Worth, Stephenville, and Valera.

Immediately after the ceremony, a reception was held at the home of the bride's mother. Members of the house party were Marsha Gullo, cousin of the bride, Linda Gordon, aunt of the groom, Jan Holleman, sister-in-law of the groom, Mary Lee Baugh, Kellye Woods, Susie Harbin, Tami Dykes, Tami Williams and Ann Elam.

The bride's table was laid with a white satin and lace cloth with red satin bows, centered with a three-branch candelabra holding an arrangement of red and white carnations, white chrysanthemums, white tapers and baby's breath.

The bride's cake featured arched columns surrounding a fountain flowing with red water. The three-tiers were decorated with red roses. Grecian columns separated the second and third tiers. The cake was topped with a miniature bride and groom standing in a heart of white lace and white silk rosebuds.

The wedding cake was served with mints and nuts. Red punch was served from a silver punch service.

Also served at the reception were finger sandwiches, hors d'oeuvres, a fruit boat of melon balls, iced tea and coffee.

Rice bags were distributed in small champagne glasses by Nikkie Guello, cousin of the bride, Holly Harrison, cousin of the groom, and Marla Frederick. They carried white wicker baskets.

For going away, the bride chose a turquoise split-skirt with matching blouse and maroon color accessories. The groom wore a brown tweed sports jacket, beige shirt and brown corduroy slacks.

After a trip to Cancun, Mexico, the couple will reside in Brownwood.

A rehearsal dinner was hosted by the groom's parents at the Traveler's Steak House.

'Lopes Turn Back Mustangs 27-7

by Wes Burnett

Proving the old saying, "there are two halves to a football game," the Post Bold Gold Antelopes came out smoking in the second half last Friday to break a 7-7 tie with the Denver City Mustangs and end up with a 27-7 district victory.

The win here assured the Antelopes of a playoff berth, and a win this Friday at Frenship will put the third district championship in a row on the records for Post.

In the early going, it looked like the Antelopes would crush the visitors, as the Post defense gobbled up a loose football at the Denver City 42 yard line with 9:52 left in the first quarter.

Four plays later quarterback Joel Kirkpatrick connected a pass to Curt Greer coming out of the backfield crossing from his right to his left, taking it 30 yards, breaking two tackles and scoring the first touchdown.

Chuck Morris' kick made it 7-0 with 8:53 left in the quarter.

Denver City got the ball back on the kickoff and picked up four first downs before punting to Post on the Antelope 14 yard line.

On first down, Tracy Price went over right tackle, broke through two would-be tacklers, and raced down the sideline for what looked like an 86 yard touchdown play.

A yellow flag called the play back as the 'Lopes were penalized for clipping.

"We did it, alright, that was a fair call," coach David Thompson observed after the game.

From then until the third quarter, the 'Lopes were unable to maintain a steady offensive threat, but the defense held the Mustangs in check, allowing one long pass play for a touchdown with 5:15 remaining in the first half.

Halftime Strategy

What was said behind closed doors at halftime is a private matter between players and coaches, but whatever transpired seemed

to have a positive affect in the second half.

The Antelopes came storming out of the locker room and took the opening kickoff, driving from a squib kick at their own 39 to the Mustang 29 before turning the ball over on downs.

One play later the Post defense recovered a fumble, setting the offense up at the Denver City 34 yard line.

The four play drive started with 6:51 left in the third quarter and was capped by Greer racing around left end from the 14 behind excellent blocking to the end zone.

The Antelopes got the football back with 1:20 left in the third period as Rodney George intercepted a Mustang pass at the Post 20 and returned it to the 46 yard line.

The scoring drive took 12 plays, three first downs, one fourth down and two third down conversions with Price going over left guard for the touchdown with 6:53 remaining in the fourth

quarter.

A two-point conversion pass play from Kirkpatrick to Greer set the score at 21-7.

Denver City turned the ball back on a punt after a determined Antelope defensive stand, and with 5:47 on the clock, the home team opened up its final touchdown drive.

Starting at their own 37, the Antelopes began with Price hauling in a Kirkpatrick pass to the Mustang 39.

After a penalty set the ball back to the 45, Price went over right tackle to the 35.

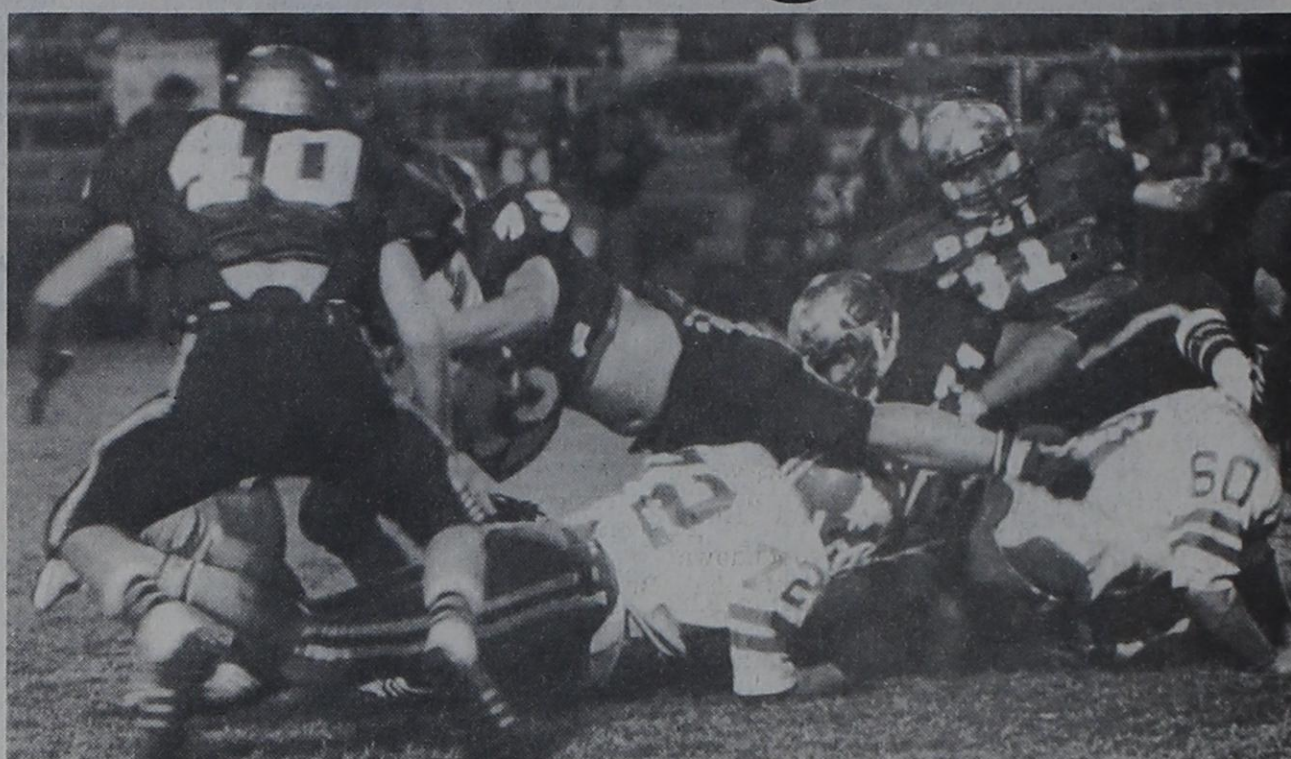

Another penalty set the ball back to the 40 and on second down Kirkpatrick scrambled to his left to the 23 for a first down.

Price went around right end to the 13 and a first down then Benny Hair took the ball over left guard to the 10 and Price rammed around right end to the one.

On first and goal, Price got the call over right guard to the end zone.

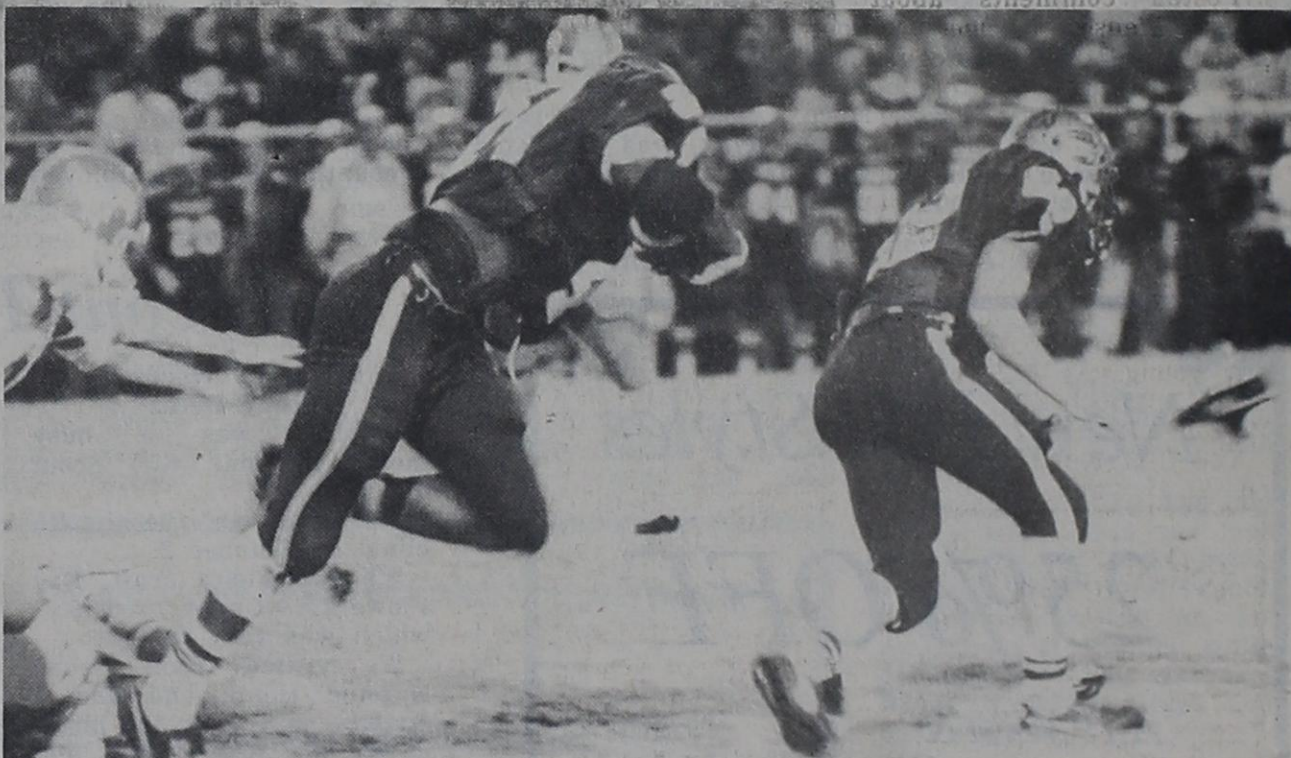

GREAT PASS DEFENSE - Timing says it all on pass defense as Ricky Moore (behind receiver) gets a hand on the football just at the right moment as Rodney Hays (21) joins in the action. (Photo by Norma Baumann)

NOWHERE TO GO - Post Antelope defenders David Shultz (40), James Mock (75), Jay Valdez (71) and Albert Nava (31) jam up the Mustang offensive line stopping Denver City last Friday. (Photo by Norma Baumann)

THE WALL IS SET - Simon Salinas and Benny Hair (32) set up the outside blocking for Curt Greer (30) on a sweep around left end as the Antelopes outgunned visiting Denver City last Friday. (Photo by Norma Baumann)

AND AWAY WE GO - Kenneth Gill (62) leads interference for Tracy Price as the Antelopes open up a second half scoring drive on the Denver City Mustangs. (Photo by Norma Baumann)

Sign Party Set Friday

Antelope Booster Club president Jimmy Redman has announced a "Bold Gold Sign Party" will be

held on Avenue S just past 15th St. Friday afternoon at 4:15.

Fans are urged to be on

the sides of the street a few minutes early with signs encouraging the football team as they depart for Wolforth.

POWER ON THE RUN - Tracy Price breaks into the open against Denver City during second half action last Friday here.

ON THE WAY TO A TOUCHDOWN - Curt Greer catches a Joel Kirkpatrick pass, which Greer turned into a touchdown for the Antelopes in the first quarter against Denver City.

Emotion Needed for Tigers

"If we can figure out a way to get fired up at the beginning of the ball game I'd be a lot happier," Post Antelope coach David Thompson comments about Friday's contest at Frenship.

"We just seemed to lack emotion in the first half the past two games," Thompson adds.

"We've played well enough to win," he continues, "but we sure need to be more consistent throughout the game."

The Frenship Tigers captured a playoff spot by defeating Brownfield 37-7 last week, aided by Seminole's loss to Cooper.

The Tigers have the win Friday to have a coin-toss chance at first place in the district, otherwise they take the second place position.

"We know they are going to be playing their very best against us," Thompson observes, "just as every team has this year."

The Tigers are 6-3 for the season, beating Tulia 27-14, Cooper 15-14, Slaton 27-7, Denver City 28-8, Roosevelt 55-0 and Brownfield 37-7.

The losses include 42-7 to Littlefield, 14-7 to Muleshoe and 33-27 to Seminole.

"They are well coached and have a good group of players," Thompson comments.

"It will be a very physical contest," the coach predicts.

Primarily a running offense, the Tigers pass approximately 15 percent of the time.

The running threat is spearheaded by senior tailback 167 pound Robert Allen (22) and fullback Richard Jackson (9) with sophomore tailback Tuan Lee also sharing the speedster honors.

Senior Weston Stoute (33) is listed as a good blocker and receiver with good speed.

The offensive line is anchored by junior Robert Hall (74) and Jesse Hilliard (68), a 202 pound senior guard.

Kickoff is at 7:30 in Wolforth.

Victory Line to be Formed

A unorganized organization has asked the Dispatch to announce that a "Victory Line" of fans will be formed at the east end of the stadium prior to the opening kickoff as the Post Antelopes leave the dressing room to enter the playing field.

Officials remind fans to stay clear of the football field to avoid violation of U.I.L. rules.

Freshmen Tame Mustangs With 42-12 Victory

The Post Antelope freshmen football team snubbed Denver City 42-12 there last Thursday.

"The whole team played extremely well," coach Jay Kennedy reports, "it was a total team effort."

The Antelope freshmen rushed for 401 yards, had 73 passing for a total of 474 yards offense, holding the Mustangs to 263.

"We beat a team that has not ever been beaten in 27 straight games," the coach adds.

Ben Kirkpatrick got 243 yards on 14 carries and Mike Bartlett picked up 139 yards on 18 carries.

"Brian Gibbs did an excellent job as quarterback with Eric Reece out for illness," the coach explains.

The first touchdown was an eight play, 86 yard drive, set up by a halfback

pass from Kirkpatrick to Rolando Armendariz for 65 yards. Six plays later Bartlett scored from the two yard line.

The second score was a 10 play, 98 yard drive with Bartlett going 50 yards on fourth down.

After Denver City scored, Bartlett returned the kickoff 72 yards for the third touchdown.

The defense held at the goal line and Kirkpatrick went 99 yards for the next touchdown, Bartlett got the two-point conversion.

Bartlett scored the fifth touchdown on a 17 yard dash and Brian Gibbs got the two-pointer.

The final score came on a 63 yard run by Kirkpatrick and Gibbs passed the ball to Brent Jones for the two-point conversion.

The team hosts Frenship this Thursday.

7th Graders Crush Denver City with 507 Yards

The Post 7th grade football team continued its undefeated season by whaloping visiting Denver City 52-8 last week.

Although the shut-out streak was broken, the young 'Lopes collected 507 yards total offense, allowing the Mustangs only 105.

Lanny Lee carried the football 14 times for 264 yards and four touchdowns, Jaime Perez picked up 155 yards on 18 carries, three touchdowns and two extra points.

"The first team defense has not been scored on in any game this year," coach Fred Postell reports.

He credited Jim Holleman with a pass interception and Matt Holly and Paul Robinson with fumble recoveries.

Postell comments about the offense, "One of Lanny's touchdown runs was something to see...he went around left end, then reversed his field, ran back 10 yards then to the sideline for the touchdown, with several of our players peeling back to get blocks."

"These young men have great field sense and they play together better than any youngsters I have ever been associated with," Postell adds.

The first touchdown came on a 53 yard, three play

drive with Lee and Perez carrying the ball behind blocking by Holleman, Matt Holly and Bobby Blair. Lee got the score on a 50 yard run around left end.

Perez got the second touchdown on a 30 yard dash after a 77 yard, eight play drive, sharing running with Lee.

Another 30 yard Lee scamper put the third touchdown on the board after a 52 yard, five play drive with Perez sharing the ball-carrying.

After holding the Mustangs on fourth down, the 'Lopes went 90 yards on two plays as Lee went over

right tackle for the 90 yards.

Lee took the next touchdown 45 yards after a one-two punch with Perez again for 74 yards and five plays.

The next score came at

the end of a 45 yard, seven play drive with Perez going 20 yards to the end zone.

Perez also scored the final touchdown going in from seven yards out following a 60 yard, seven play drive sharing running with quarterback Rance

Thompson.

Others scoring included two-point conversions by Bobby Blair, Jr Armendariz and Bill Rankin.

The team travels to Frenship tomorrow.

JV Side Tracked by Mustangs 18-8

The Post junior varsity lost the chance for the undisputed district championship last Thursday, losing to Denver City 18-8.

The lone touchdown was

scored by Eddie Moat on a 21 yard run following a 41 yard drive. Adam Perez got the two-point conversion.

The team hosts Frenship tomorrow.

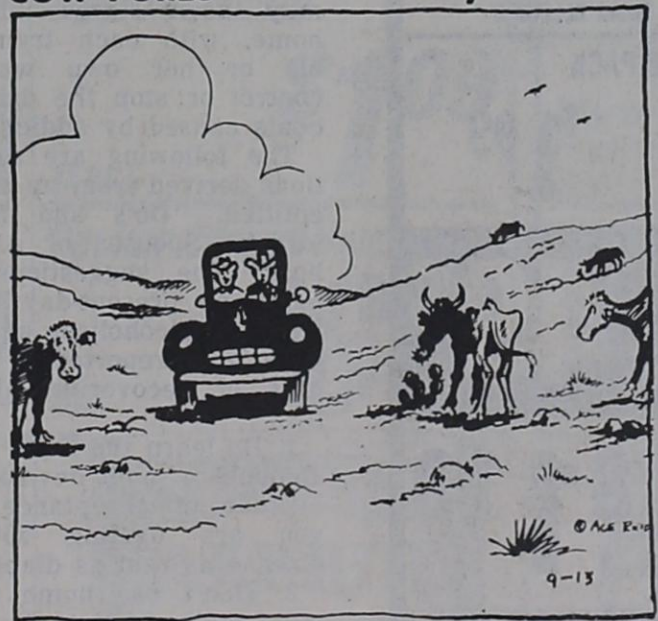

SPAGHETTI SUPPER - Approximately 250 people were served spaghetti and trimmings by members of the Post Chamber of Commerce last Friday afternoon at the Community Center. The fund raising event was aided by volunteers (left to right) Bill Terpening, Jack Alexander, Maritta Reed and Ronnie Hardin with Lewis Holly (foreground).

8th Grade Slips to D. C.

Denver City's 8th grade football team took a 24-6 win over Post here last Thursday, with mistakes hurting the Antelopes.

"We started two good drives early in the game, but mistakes stopped us," coach Darrell Radle comments.

"In the fourth quarter fullback Vincent Slay ran off tackle 60 yards for the touchdown," the coach adds.

On offense the coach praised good effort by Pete Aguilar, Tyge Payne, Felipe Vargas, Slay and Trevor Thuett.

On defense the coach recognized Payne, Vargas, Keith Peel and John Armendariz for their efforts.

The team travels to Wolforth Thursday to play Frenship.

Twin Cedar Nursing Home

By Darla Davis

Hi there, we have been having so much fun that we wanted to share it with you.

We had our Halloween Party on Wednesday and had such a good time. Freda Harmon won the prize for the best costume of all the residents. She was dressed as a clown and had a big hat, face and bow tie on. We also had a prize for the best costume of the employees and Chris Howle carried that away with her Scarecrow costume. We had refreshments of cupcakes and a cake made by Wanda Barclay and some more cupcakes made by the Trinity Baptist Church and cookies and angel food cake made by Lola Ledbetter. Our punch was orange to go with our holiday colors. I would like to thank the employees that came and helped with our party.

Our bingo winners this week were Evelyn Roach, Artie Young, Blanche Graham and Irene Wheeler. Congratulations winners. Don't give up other players, maybe next week will be your lucky day.

Tuesday was our monthly birthday party. Jo Ella Sparlin from the VFW Ladies Auxiliary came and served refreshments. Marcella Hair played the piano for us and we sang. My goodness we had such a good time. Would like to thank Jo Ella and Marcella for coming and showing us such a good time.

You should come down and see our carnations that the Trinity Baptist Church made for us. They are so pretty and are in the nicest bud vases. We would like to thank Linda Duncan and

Debbie Hood for brining them to us, we always appreciate your thoughtfulness.

Tuesday night the Seniorettes came and entertained us. We always enjoy our Tuesday night entertainment. Those attending were Evelyn Gurley, Doris Jones, Ruby Carpenter and Martha Pennell. We had such a good time and would like to thank them for coming.

We have a new resident with us, Alcaria Gomez. We would like to welcome her and make her feel welcomed.

Lola Mae Ledbetter came Friday and brought cake, ice cream and punch for Betty Newberry's birthday party. Those attending were Larry and Debbie Moreman, Bruce and Debbie Ledbetter, Mack and Lola Ledbetter. She sure did have a good time. Would you believe that she turned 93. Now that's something worth celebrating.

Hazel Prestridge also celebrated her birthday recently. Her daughters, Edith Collins from Andrews, and Iris Loehman of Odessa and grandchildren and great-grandchildren came and brought a cake of white, orchid and green. She had such a good time.

We would like to thank Ruby Carpenter, Ola Keeton and the ladies at the Trinity Baptist Church for the delicious cookies. We really enjoyed them. We would also like to thank Carlene Nelson for the delicious cake that everybody enjoyed so much.

We would like to thank Charlie and Olive Shaw for coming Tuesday and sharing the Bible with us. We always look forward to our weekly Bible lesson.

MIDDLE SCHOOL FACULTY members participating in the Student Council sponsored Halloween costume party last week were (front, left to right) Jan Bartlett, Marge Tannehill, Kathie Rankin, Tammy Maxfield, (top, left to right) Sara Briley, Julie Hudman, Dedra Adams, Sue Cash and Linda Wood. Sue Cash was named winner by the students.

Visitors this week were Mr. and Mrs. Luther Donham of Rotan, Margaret DeLuna, Kyta DeLuna, Rosie Rodela, Grady Turner from Seagraves, Diana Looney and girls, Sara Gonzales, Eva Lee Roberts of Abilene, William and Ruth Young from Lubbock, Gus and Mary V. Sherrill, Edna Owen, Rosie Perez, Ticha Perez, Angie Bustos, Lola Pantoja, Darrell Roberts, Arthur Gomez, Mary Vasquez, Lois and C. W. Ramsey, Amber and Jewell Parrish, Shirley Foster, Billie Idell, Evelyn Jones, Sara Gonzales and Mary Roberts.

We would like to invite everyone to our luncheon on the 14th of November. It's going to be a salad and sandwich lunch. We know that just about everybody works, so we'll have it "come and go" so that you can eat and get back to

work. We'd like to see all of you here on the 14th. Thought for the week: Do

not try to read between the lines; read the word. Until next week . . .

Understanding the Alcoholic

by Glenda Baker
If you are married to an alcoholic, the hardest decision you may ever be called upon to make is admitting to yourself that your loved one has an illness over which you have no control.

A decision to seek help starts you on your way to understanding this insidious disease, which breeds confusion, despair and anxiety.

It isn't a question of blame, but rather one of understanding.

To the spouse and children of the alcoholic, the situation may seem impossible at home, with each trying in his or her own way to control or stop the drinking bouts caused by addiction.

The following are suggestions derived from an article entitled, "Do's and Don'ts for the Spouses of Alcoholics." The suggestions are based on present-day knowledge of alcoholism and the experience reported by partners of recovering alcoholics.

1. Do learn the facts about alcoholism and develop an attitude of acceptance that you are dealing with a disease as real as diabetes.

2. Don't use home treatment methods, they are only futile and could be extremely harmful in many cases. Preaching and lecturing are useless, especially if he is drinking. A "holier than thou" or martyr-like attitude will only serve to drive him or her further into guilt incomprehensible to the non-alcoholic.

3. Do talk to someone besides friends and relatives. Well meaning as they are, they cannot be objective, which leaves each of you more confused and uncertain on where to turn for help.

4. Don't use the emotional appeal, "If you love me."

Remember, his or her drinking is compulsive. It cannot be controlled through "will power."

5. Do seek out professional help, someone with knowledge of the disease and awareness of its affect on the family. Also look to self-help groups such as Alanon and Alateen for support.

6. Don't let your spouse persuade you to drink with him or her on the grounds that he or she will drink less. That rarely happens. Don't pour out or hide his or her alcoholic beverages. It is only a waste of time and money. Besides risking rage, the alcoholic will just buy more.

7. Do develop a more positive, thoughtful attitude toward your spouse. Stop treating him or her as a child. When you develop and maintain a healthy emotional atmosphere in your home, relationships will begin to change.

8. Don't try to protect your spouse from alcohol. This is one of the quickest ways to push the alcoholic further into drinking.

9. Do encourage him or her to seek help through treatment for the illness followed by help from other recovered alcoholics. Remember the alcoholic is not responsible for the disease, only for the recovery.

10. Don't be discouraged by the mistakes you make. Alcoholism is a progressive family illness, therefore recovery is a slow process taking much time, understanding and love.

If I can help you find help, please call me at 495-3788. It is my responsibility as Garza County Alcohol and Chemical Abuse Counselor to help you.

Dirty Chimneys Can Cause Fires

Chimneys with heavy creosote deposits are a leading cause of home fires, so an annual chimney inspection and clean-up is in order. Creosote is produced when wood burns. It collects on the inside walls of the chimney and is highly flammable. Once ignited, creosote can burn at temperatures up to 3,000 degrees F. and can be pulled out of the chimney by a strong upward draft and onto the roof. Since chimney cleaning is messy and requires special tools, the job might best be handled by a professional chimney sweep.

Garza Students Have Chance at Scholarship Fund

Garza County students will have the opportunity to attend one of the premier college-preparatory schools in the nation, thanks to the generosity of a Chicago attorney.

Culver Military and Culver Girls Academies recently received a gift from Kenneth and Harle Montgomery of Chicago which established the Ralph N. Manuel-John W. Henderson Scholarship Fund.

The Scholarship Fund will aid young Texans who would like to enroll at the northern Indiana college-preparatory schools.

Preference will be given to applicants from Harris, Hockley and Garza Counties. Mr. and Mrs. Montgomery reside in Northbrook, Illinois. Montgomery is of counsel to the Chicago Law Firm of Wilson & McIlvaine.

He is a 1921 graduate of Culver Military Academy, and also graduated from Dartmouth College (1925) and Harvard University Law School in 1928.

The couple has endowed a similar scholarship fund at Dartmouth College.

The gift to the Culver Academies was prompted by the appointment of Dean Ralph N. Manuel, formerly Dean of the College at Dartmouth, as Superintendent of the Academies.

Dean Manuel assumed his duties in August.

The Fund also honors the late John W. Henderson, who served as Dean of the Academies for more than sixty years, and was Dean at the time. Montgomery attended Culver.

In his installation speech, Dean Manuel emphasized the necessity of attracting top students to Culver, no matter what their families' financial statuses.

"We must endeavor to ensure that the privilege of Culver is not an accident of birth," he said.

"We must ensure that the opportunity is there for those who would most benefit from Culver and who would most benefit us in this enterprise.

"In that regard I am pleased and honored to announce that Kenneth and Harle Montgomery, Culver Class of 1921, last evening presented a check for \$100,000 to the Foundation to establish a new scholarship program," Dean Manuel continued.

"That generous gift is so important to us all because it means that Culver can begin to address this crucial issue which, if unaddressed, can strike at the quality of the enterprise."

Culver Military Academy, founded in 1894 by Henry H. Culver, a St. Louis industrialist, is a college-preparatory boarding school for young men in grades 8-12.

CMA prides itself on its academic excellence, promotion of values, and encouragement of leadership. Currently there are 583 students in Culver Military Academy.

Founded in 1971, Culver Girls Academy upholds the same standards of scholarship, leadership, and values, but in a non-military framework.

CMA and CGA students attend classes together but have separate leadership and housing systems.

There are 226 students in CGA in grades 9-12.

The primary emphasis at the schools is on academic excellence. Several courses help students prepare for the College Entrance Examination Board's Advanced Placement exams, which lead to college credit.

Culver was one of the first prep schools in the nation to require a computer literacy course for all students.

Since that first course, several other computer courses have been added to the curriculum.

Both schools enjoy the use of one of the most beautiful and best-equipped secondary school campuses in the nation.

Value of Windbreaks

By Butch Wilson

Winter, on the South Plains, is just around the corner.

With winter comes the cold North wind and higher fuel bills, but energy dollars can be saved by planting windbreaks around your home. Trees planted around your farmstead can save you up to 30 percent on heating and cooling bills by blocking cold winds in winter and hot winds in summer. Windbreaks also present wind damage to homes and buildings, reduce erosion, protect gardens and provide shade.

Add to this the beauty and home like setting which trees bring to an area and the returns in comfort and economy far outweigh the cost.

The design of a windbreak determines how effective it will be. Usually a farmstead windbreak planted on the North, West and South sides of your home is adequate.

Windbreaks made up of three rows of trees give the best results, but the number of rows is not as critical as the selection of the right species.

Conifers keep their foliage year-round and provide good protection during the winter. In the summer months hardwoods screen

hot winds and provide cooling shade. By planting both conifers and hardwoods you can have year-round protection and comfort on your farmstead.

Advanced planning is important for the planting and establishment of your farmstead windbreak. Site preparation should begin well in advance of planting.

Where cropland is to be planted to a windbreak, the area should be free of weed competition. Temporary cover crops such as rye or wheat may be used to control wind erosion. After the planting of trees, the cover crop could then be shredded or disked to reduce competition for moisture and nutrients.

Also, since supplemental watering will be necessary to establish your windbreak, it is important to have some type of watering system planned and ready for use at planting time.

This year trees will be available through the Garza Soil and Water Conservation District. Order forms and planting guides are now available at the Post Field Office of the Soil Conservation Service (495-2056). The deadline for ordering trees will be February 15, 1985.

VISITS BROTHER — Jay Dunn, 92, center, is shown with his sister, Mary Kuykendall, 82, who was visiting here in October. It was the first time in 48 years that the two had seen each other. Also shown in the picture is his niece, Billie Huckins who accompanied Mrs. Kuykendall here. They live in Bell Flower, California. After leaving Post, the two traveled to Ardmore, Oklahoma to visit another brother.

Gateway For God

Pastor Steve Traw
First Christian Church

Gideon way called to service through a special visit of the angel of the Lord. (Gideon lived, as his father, in the fertile Esdraelon Valley. It remains today, as it was three millenniums ago, an important crop producing area.) But Gideon's people knew of the yearly assaults of their powerful and swift enemies. Much of the harvest and livestock would again be pillaged. Such losses became a great burden for Israel. They were so fearful that calves were used as a refuge.

It was at such a time that God came to Gideon. The people had turned from divine teaching to pursue pagan gods. There amid the idols of Baal and their worship came God's directive to Gideon. (This one was chosen to serve Israel as judge forty years. His first task came only at great personal risk.) He destroyed the objects of the pagan cult used by his own father and household. Great faith and true courage were demonstrated by his actions. So unpopular was the act of bravery that the townspeople wanted to kill Gideon. Only the intervention of his father, Joash, spared him.

It was necessary that Gideon first purify his father's house from idolatry. His own life and actions were consecrated to God by the required burnt-offering as God had requested.

No doubt Gideon knew the danger of his task. He wisely carried it out by night. Yet he executed the command of God completely. He was God's chosen one to lead the people back to a true faith in the Lord.

Such a task meant first and foremost to set things right in his own home.

Gideon's faith in action had also inspired his father, Joash, to exhibit himself and courage. What began in the home grew to be far greater. That was a necessary first step. (The next assignment was greater in scope in not in faith. Gideon was to free a people of an oppressing foe.)

The godly home was to be God's gateway to great victories for a nation.
