## Watch Out for Thefts

A purse was reported stolen December 6 between 3:30 and 4 p. m. to the local Sheriffs office.

The purse was taken from a 1982 Ford pickup which was parked in front of Double Bar S Construction. The vehicle was unlocked at the time of the incident.

Two male subjects were taken to Huntsville this week when one received a five year sentence for revocation of probation and the other an eight year term for burglary.

In other action, three male subjects were arrested December 8 and each charged with DWI and each released on a \$750 surety bond.

## Garza County News Briefs

### Turkey Shoot

A turkey shoot will be held this Saturday, December 15 behind the rodeo arena on West Highway 84.

Competition begins at 1 p. m. with trap shooting, partners and other contest groups.

Bring your shotgun and join in the fun.

This event is scheduled by the Youth of the First Christian Church.

### Public Hearing

A second public hearing will be held Thursday, December 13 at 7 p. m. in the office of the Postex Mill with all citizens encouraged to attend.

The meeting is concerning an application the City of Post has filed with the Texas Department of Community Affairs for a Planning Grant.

For further information on the TCDP program, contact Bill Pool at 495-2811 or Lewis Earl at 495-3461.

## Clothes Sought For Local Kids

There has been a good response to the announcement last week of a desperate clothing need for nine Garza County children, but Child Protection Worker Kathy Irwin says more is needed.

New clothes are preferred, with sizes for the two foster children as follows:

Girl - Shoe size 8, shirt or dress size 3-4, pant size 3 and pajama size 4.

Girl - Shoe size 9; shirt-dress, 4-5; pants, 4 and pajamas 5.

There are nine other Garza County children who need to be clothed and the Department of Human Resources prefers cash donations for these youngsters because exact clothing sizes are not known.

People interested in helping provide essential clothing for these children should call 495-2881.

## Choir, Band Christmas Concert

Christmas is the time for love, sharing and Christmas music.

The Post schools will have this time of Christmas music December 13 when the school choirs from fourth through high school will begin at 6:30. The choirs will perform such songs as "Christmas Hymn", "Virgin Cradles Hymn" and "Song Gloria."

Immediately following the high school choir, the fourth through high school bands will perform at 7:30.

The bands will perform "Jingle Bells Fantasy," "Do You Hear What I Hear," "A Christmas Festival" and "Christmas Sing-A-Long."

The public is cordially invited to attend.

## Toys Needed For 150 Children

By Wes Burnett  
There are a least 150 children in Post who will not get a single Christmas gift unless some of us reach into our pockets and share a little of our material wealth.

Jim Boles at KPOS radio reports that this year's

KPOS Toys Drive is way short of toys with an unusually long list of children this year who have been identified as needy.

"All people have to do is call us at 495-2831," station manager Jim Boles says, "and we'll pick up their

Christmas gift . . . or they can come by the station."

The toys will be collected until Christmas Eve, although it would help if donations could be made earlier.

"Right now we need help getting some toys in here to

satisfy the Christmas demand for these youngsters," Boles adds.

It'll be a sad day for many Post children on Christmas day if there are not enough gifts to go around.

Cash donations are also accepted.

## For What It's Worth . . .

By Dabney Post

The annual KPOS Toy Drive is under way and is falling short of its expected goal. A long list of names has been received and there may not be enough toys. What a way to get into the real meaning of Christmas is sharing with those who are not as fortunate. If you have toys or money to donate, just call Jim Boles

at 495-2831 and it will be picked up.

Another Christmas gift idea is the release of the "Post Millionaire Game". I understand the Rotary Club is selling this game. Sorry I can't tell you how to play it, cause I don't know. But sounds very interesting.

Don't forget to attend the

## Less Money Spent on Taxable Items Here

The city sales and use tax allocation payment from the state comptroller continued a downward trend for Post through the period ending November 28.

The city was sent a check for \$10,222.35, compared to \$12,700.67 for the same time last year.

The 20 percent one month decline brought the annual

total to \$147,170.63, which is only 4.25 percent less than 1983.

The total payment through November 1983 was \$153,707.43.

Other area cities receiving checks included Slaton with \$13,969.93, down from \$14,209.62 and Tahoka with \$3,518.47, down from \$5,753.32.

choir and band concerts tomorrow night (Thursday). I know you will thoroughly enjoy it.

Lots of pretty Christmas lights and decorations are up all over town and some have really used their imaginations and should win a prize. I'll never understand how David Newby gets lights on all those tiny little branches on the tree in their front yard.

Glad to hear that Bill Shiver and Bryan Williams are out of the hospital and back into the full swing of things again.

Then there's the story of Carolyn Williams (Mrs. Kenneth). I understand she went Christmas shopping in a nearby city recently and when presenting her credit card for use, the computer refused to accept the card because it said she was

getting a divorce. MILD SHOCK SET IN!! Now she thinks the whole incident is kind of funny, but the foul up on the computer got Kenneth and Carolyn just a little upset with the electronic genius . . . and to set the record straight, they are not getting a divorce, the computer had some other Kenneth Williams in mind.

The latest saga floating around these days is "Is Roman still really alive? Those who watch "Days" will understand.

La Posta had a good turnout for their annual Mens Night Out Affair. Everyone attending really enjoyed it.

Lots of Christmas parties are being enjoyed about town.

The annual George R. Brown had theirs at the 50

the pie, the losses have been allowed to continue unabated.

It's time for the stockholders to demand better management and to insist on a profit instead of a loss.

Perhaps with President Reagan's leadership, the ship can be saved from economic collapse.

Freezing federal spending at least gives the hint of better fiscal management.

## The Way I See It . . .

Well, at last, it looks like the President is going to inject some common sense in cutting the federal deficit.

The news lately indicates that a freeze on federal spending and some hefty cuts in different areas are being planned.

Of course, you can expect to hear lots of howling from those agencies who will be cut, and from other special interest groups wanting more from Uncle Sam.

It seems to me that the federal agencies can be operated on last year's budgets . . . that is not such a bad idea . . . in fact, last year more than one Washington politician suggested a freeze on federal spending as a way of trimming the deficit . . . but that was just before the election and the President wouldn't support the plan.

Now, we have a different set of conditions, and the President can afford to take unpopular stands.

Good for him.

I just hope he has the fortitude to insist on the freeze through all the sniping that is sure to start any day now.

Imagine, demanding that government agencies stick to the same spending levels as last year . . . in a bureaucracy of more and more . . . that kind of philosophy will be hard for many on the federal hand-out to take.

There are no guarantees in this world . . . and I am offended at the federal agencies that insist on guarantee increases every year.

Federal government increases in spending should be tied to increases in revenue . . . and not through taxes.

If the nation is doing

## 15 Antelopes to All-District

The All-District football team announced last week included 15 Post Antelopes, with eight varsity Bold Gold named to the first team.

Listed on the first team offense were quarterback Joel Kirkpatrick, tailback Tracy Price, split-receiver Curt Greer and tackle Jay Valdez.

The first team defense included lineman James Mock, Jay Valdez, linebackers, Delton Osborn, Keith Osborn and secondary Ricky Moore.

Second team members included center Curt Cowdrey, guard Jay Fluitt and tackle James Mock.

Honorable mention went to running back Benny Hair, guard Kenneth Gill, linebacker Albert Nava and secondary defenders Bruce Crenshaw and Rodney Hays.

"This is a fine group of young men," coach David Thompson emphasizes, "and we are as coaches honored to have been a part of this team."

ALL-DISTRICT FOOTBALL - Post Bold Gold Bi-District Champion football players named to the All-District team include (front row, left to right) Delton Osborn, Benny Hair, Joel Kirkpatrick, Ricky Moore, Rodney Hays, Albert Nava,

(Back row, left to right) Curt Greer, Bruce Crenshaw, Tracy Price, Jay Valdez, Keith Osborn, Kenneth Gill, Jay Fluitt and James Mock. Curt Cowdrey, also named to All-District, was not present for the photo.

**Drugs, Alcohol Cause Trouble**

Teenagers and adults alike are beginning to realize that drugs can, and often do, turn an otherwise intelligent, outgoing person into a troublemaker, withdrawn or unpredictable individual.

Addiction to any mind or mood altering chemical, whether it be alcohol, prescription or street drugs, without treatment death or insanity may well be the end result.

A few of the common symptoms of a person addicted to amphetamines (speed, crystal, called pep pills) are the loss of appetite, anxiety, irritability, rapid speech, dilated pupils and shakiness.

Barbituates (sedatives, tranquilizers) produce decreased alertness and muscle control, slurred speech, drowsiness and drunk appearance.

Hallucinogens (acid, LSD, MDA, PCP, mescaline, peyote, STP, DMT) cause feelings of detachment, incoherent speech, cold sweaty hands and feet and suicidal or homicidal tendencies.

Marijuana may produce a talkative hilarious mood, lack of coordination, loss of memory and distortions of time and space.

Solvents (glue, paint, gas) cause euphoria, headaches, nausea, fainting, stupor, rapid heartbeat, violence and poor muscular control.

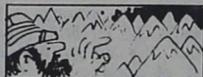

Heroin, morphine drugs produce a stupor, drowsiness effect with watery eyes, small pupils, itchiness, runny nose, nausea, slow pulse and respiration.

Cocaine (Coke, snow), the fastest growing drug of choice today, causes strong mood swings, dilated pupils and convulsive movements. Its short lived euphoria may be followed by feelings of pererecation and depression. Death by overdose is common after prolonged use.

Withdrawal from any drug is dangerous without help.

If you or the one you love has a drug problem, please call 495-3788, Glenda Baker, Garza County Alcohol-Chemical Abuse Counselor.

### SAUSAGE:

**A GOOD PARTY FOOD**  
Because sausage is usually thought of as breakfast and casserole fare, the idea of associating it with elegant entertaining seems new.

Historically, however, the idea isn't so new. The Romans considered sausage a great delicacy. It was so much a part of some of the wilder Roman festivals of Julius Caesar's time that later Christian emperors banned its use along with such "entertainments." But by the Middle Ages sausage had regained its respectability and was produced commercially.

As the names show — chorizos from Spain, salami from Italy and bratwurst from Germany — people enjoy sausage worldwide.

Today more than 200 varieties of sausage are sold in the United States and they account for about 14 percent of all retail meat sales.

Sausage is gaining in popularity as a snack and party food. From the standpoint of nutrition and party budget-planning, sausage is a winner. It's a fairly inexpensive meat and a good source of protein.

Made from pork, beef, veal, lamb, poultry or various combinations of each, sausage provides high-quality protein for body growth and repair. The meat is also rich in iron, the B-vitamins, phosphorus and zinc.

While fresh sausage needs thorough cooking for safety reasons, cook it slowly and gently to keep from rupturing the skin, causing flavor and juice loss. It's best to turn with a spatula or tongs, rather than with a sharp instrument that might break the casing.

Fully-cooked sausage needs only reheating to serve warm. Conventional cooking or microwave is fine since the meat is already cooked.

Like all meat and poultry

products sold interstate, sausage is carefully inspected by the U. S. Department of Agriculture for safety, wholesomeness and honest labeling.

### History of Christmas Stockings

Children in most countries enjoy the excitement of hanging up a stocking to be filled by St. Nicholas. In Britain and America, children hung stockings on the mantlepiece or at the end of the bed. Traditionally, the toe of stockings was filled with an apple for good health, the heel with an orange because they were rare and expensive and a nut. A bag of gold-wrapped chocolate coins commemorated St. Nicholas, while a mint-fresh coin symbolized wealth for the future. A piece of coal wrapped in paper used to be included to indicate warmth in the years to come and salt was for good luck. Modern stocking-stuffers include almost everything.

### Christmas Stocking Stuffer Ideas

Accessories, fabrics, notions and sewing tools, make great Christmas gifts or stocking stuffers. Other ideas include:

**Belts**  
Emphasis on the leg, fashion colored hosiery

If the person on your list is a bit daring, select knitted leggings.

**Jewelry** is always a popular gift . . . big . . . bold, gold or silver chains, earrings . . .

**Hair ornaments** are fun. Hats may be just the choice for your favorite female.

**Winter gear** . . . gloves, scarfs, hats.

For the homesewers on your list give yardage of fabric teamed with notions and a pattern.

**Cosmetics** . . . fingernail polish, nail clippers, lip gloss.

Other appreciated items include a cutting board, scissors, shears, pinking shears, thread clippers, a needle board, a sewing organizer caddy, fashion or French rulers, a wall thread holder, a steam iron or iron cover to prevent shine when pressing, pressing hams, rollers or boards.

Assortment of thread, needles, elastic, zippers, buttons, buckles and hem, bias or twill tape.

Other handy items include folding purse scissors, a tape measure with metric measurements, a knit picker to remove picks or pulls in knits, a needle threader, marking pencils and personalized embroidery name patches to sew into home-sewn garments.

A small sewing kit for travelers.

### Birth . . . . .

Mr. and Mrs. Tim Dears of Albuquerque, N. M., announce the birth of a son, Devin, born December 5 in Albuquerque. Grandparents are Mr. and Mrs. Ronnie Morris of Clovis, N. M. Great-grandparents are Mrs. Vera Gossett and Mr. and Mrs. Chester Morris of Post.

**RETIRING** — Ida Mae Wilks, program assistant with the Garza Agricultural Stabilization and Conservation Service, is shown receiving a 30 year service certificate from ASCS District Director, Don Tatum. Mrs. Wilks has been working in the local ASCS office since the mid 1950's and will retire in January 1985.

## Golden Plains Care Center

By Nell Mathews

On December 2, we lost our sweet little Darris Stephens. She was a lovely lady and we will miss her very much.

On December 4, we had a group of Boy Scouts that came and put decorations on the residents door. Thanks a lot boys, all 20 of you and your leaders.

On December 7, a group of Girl Scouts came and sang for us. Thank you Girl Scouts.

Due to the bad weather last Thursday, we did not have our musical so we will have it later.

Patsy Craig came Tuesday and had Bible study with us.

### Host Annual Yule Reunion

Mr. and Mrs. Jess Hendrix were weekend hosts to the annual Christmas Reunion of former school mates, Mr. and Mrs. Bob Richards, Mrs. Rea Caffey and Gertrude Morse of Lubbock, Mr. and Mrs. Bill Cravy of Seminole, Mr. and Mrs. Elmer Hill of Waco and Mr. and Mrs. I. U. Parker of Lake Kiowa, Texas.

Guests were entertained Friday night with a Christmas dinner in the Hendrix home.

The birthday of Bob Richards was celebrated at this dinner.

Saturday noon, several of the couples went to Fort Justice for lunch. Long time friends dropped by the Hendrix home for open house later in the afternoon.

Saturday night the Chaparral Steak House was the setting for a dinner.

These women all attended and graduated from Post schools from the first grade through high school.

They have continually been together once a month and held Christmas reunions for over 40 years.

We do appreciate her very much. We also appreciate Maysel James who brings her Bible tapes and lets us hear them every Thursday morning.

Our Christmas party for our residents will be December 21 at 7 p. m.

We have received poinsettias from Mr. and Mrs. Matt Stelzer. Thank you very much.

We received blackeyed peas from Pearl Horton. Thank you very much.

Wynona Ward is doing orientation classes with some of the residents and she said that she was enjoying it. Thank you for doing a fine job.

Delbert Funk is looking forward to a big snow and Nell Mathews rolling him in the snow. Ha, Ha.

We are putting up our Christmas decorations this week. We are playing Bingo Monday. We play Bingo on Tuesday but we are going to have our birthday party at 2 p. m. Happy Birthday Clovis Hudman.

Our Bingo winner was Dovie Williams.

We had a group of Girl Scouts Tuesday. They sang Christmas songs for us. Thank you girl. 16 girls with Voda Gradine and Jaynie Dickson.

### Birth . . . . .

Christa and Clay Don are proud to announce the birth of their baby brother, Coby Jay, born November 13 at 7:07 a. m. in Desert Sam Airton Hospital in Mesa, Ari., weighing 6 lbs., 12 ozs and was 19 1/2 inches long.

## Twin Cedars

By Darla Davis

Hi there, you should come by and see how we are decorated for Christmas. We are really in the Christmas spirit and looking forward to our Christmas party on December 17 at 7 p. m. We are all looking forward to Santa Claus coming with his sack of goodies.

Saturday the Girl Scouts came and brought real cute homemade candles to us and sang carols. Everybody had such a good time and would like to thank them for coming.

Sunday services were brought to us by the Trinity Baptist Church with Rev. Harold Britton officiating. We really appreciate them coming and bringing our weekly service. Those from the church attending were Debbie and Patricia Hood, Ola Keeton, Eva Britton and Deanna Michel.

The Church of Christ ladies Bible class made knee pillows for all of the residents who need position-

ing with pillows.

Our hearts and prayer are with the family and friends of Iva Sanders during their time of sorrow.

Visitors this past week were Mary Vasquez, Priscilla Garcia, Mr. and Mrs. A. L. Rawls of Winnsboro, Tex., Margaret and Leonard De Luna, Kristie and Donna Howle, Jenny, Tammy and Carolyn Lewis, and Ashley and Amber Basinger.

Until next week . . . . .

## Close City EH Holds Party

The Close City Extension Homemakers Club met Tuesday, Dec. 4 at 2 p. m. in the Algerita Senior Citizens Center for the annual Christmas party.

The center was decorated for Christmas holidays.

A short business meeting was held to elect officers for 1985 and Oreta Bevers will serve as president for the club. Other officers elected were Jewel White, vice president; Virginia Custer, treasurer; Inez Ritchie, reporter; Faye Payton, council delegate and Hooter Terry as alternate delegate.

Christmas gifts were exchanged and secret pals were revealed.

Refreshments were served to Hooter Terry, Oreta Bevers, Virginia Custer, Inez Ritchie, Cleo Sappington, and Jewel White.

The county wide Christmas party will be held Dec. 12.

### Birth . . . . .

# Babysitting Guides

By Betty Dennis

Due to the school trip to Washington, a lot of girls are babysitting for the first time.

As a parent and former teenage babysitter, I am listing some guidelines for both parties.

Our child is the most important part of our lives. While you are in our employ, we expect you to honor the trust we put in you. This means NO VISITORS, phone calls kept to a bare minimum and TV either share or after the children are asleep. Homework should be done before you come or after the children are asleep.

Entertain the child. Last summer at a convention, the 4-H'er who arrived to babysit came in with a smile and a bag of toys suitable to our child's age. He still asks for her.

The sitter normally should be expected to get to the job on her own. The employer should see her home safely.

Meals that require minimal preparation should be available for sitter and children. It should be served at the appropriate time and clean up from that and any snacking done by the sitter.

The kitchen should be clean when the sitter arrives.

Picking up toys and preparing the child for bed are legitimate duties. Never leave small children unattended in the tub — just let the phone ring.

The sitter should NOT be expected to clean your house.

Telephone messages need to be taken down carefully and attention called to them on parents return. Paper and pencil need to be left by the phone.

The sitter needs your destination; phone number and expected return time. She should know not to give information out over the phone. A safe answer to most questions is "she's unable to come to the phone, leave your name and number and I'll have her call you."

The house should be locked.

Personal and municipal emergency phone numbers need to be posted. In case of fire take the children and

go to the neighbors to call for help.

In case of accident to parents, children should only be turned over to proper authorities or preferably a number the parent has left. Check identification.

Admit no one into home unless pre-arranged by parent. This includes playmates.

Hopefully it will never be needed, but first aid knowledge is a real asset. If medication is necessary, make sure amount and time is clearly understood.

Compensation should reflect the trust you are putting in the sitter. It should increase as the number of children do. Partial hours should be rounded up — not down.

I once had a mother compute the 50 cents per hour (20 years ago) fee by the minute. She paid me \$1.12. She soon found it hard to find a sitter.

## Former Resident Opens Shops

Jan Herring Crawford, native of Post, and her husband, Phil, have opened two shops in old historic Sevierville, Tennessee.

They are located in the newly built Crawford's Notch shopping area that may well be the cornerstone of redevelopment for downtown Sevierville.

The architect designed the building to complement the architecture of the nearby early day courthouse with its curving windows and gingerbread effect. Wrought iron has provided the finishing touches on this festive retail center that is dedicated to selling only quality products.

With eight million tourists visiting the beautiful Smoky Mountains each year Phil and Jan feel the time is right to develop tourist related businesses. In addition to Crawford's Notch former owners of Danish Imports. Her parents pioneered the limited edition collectibles business in this area. Since Jan grew up in the business it is only natural that she would follow in her parents' footsteps, as she is an interior designer, Collector's Gallery is the result of her expertise in this field.

With holiday entertaining just beginning and sitters in demand, I hope both sitters and parents will take the time to be informed.

The Post Public Library has several publications on Child Safety and Librarian Pee Wee Pierce will be featuring them on a special table.

### NOTICE TO PUBLIC OF FINDING OF NO SIGNIFICANT EFFECT ON THE ENVIRONMENT AND NOTICE TO PUBLIC OF REQUEST FOR RELEASE OF FUNDS

City of Post  
105 E. Main  
Post, Texas 79356  
(806) 495-2811

#### TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about January 7, 1985, the above-named City will request the Texas Community Development Program (TCDP) to release Federal funds under Title I of the Housing and Community Development Act of 1974, as amended, for the following project activities:

Drainage Improvements	\$137,000
General Administration	\$ 8,000

The above referenced project activities will be carried out as part of a 1984 Texas Community Development Program (TCDP). The project will be carried out in a designated drainage area (Target Area) in the northeast part of the City of Post. A map showing the location of this drainage area and the proposed paving-drainage improvements is available for inspection in the Post City Hall.

#### FINDING OF NO SIGNIFICANT IMPACT

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named City has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969.

The reasons for such decision not to prepare such Statement are as follows:

**DRAINAGE IMPROVEMENTS:** Existing dirt streets will be paved, curbed and guttered to reduce dust pollution, facilitate drainage of storm waters and improve vehicular and pedestrian safety. Limited grading and clearing will be involved in project construction activities, but no major changes in topographic features are anticipated. No major changes in land use, population density or demand for community facilities are expected over the course of this project or as a result of project use. Existing support systems and infrastructure will not be negatively affected by the project.

During the construction phase of the project, some minimal increases in air and noise pollution may occur, but air quality and noise levels will return to current levels once construction is completed. The project will not affect any properties of known historic, archeological or architectural significance and the aesthetic environment of the City will be enhanced by the proposed activities.

**GENERAL ADMINISTRATION:** Administrative costs are categorically exempt from the environmental review requirements under 24 CFR 58.21.

An Environmental Assessment respecting the within project has been made by the above-named City which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Assessment is on file at the above address and is available for public examination and copying upon request in the office of the City Manager between the hours of 8:30 a. m. and 5 p. m., Monday through Friday.

#### PUBLIC COMMENTS ON FINDING

All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City to the office of the City Manager. Such written comments should be received at the above address on or before January 4, 1985. All such comments so received will be considered and the City will not request the release of Federal Funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

#### RELEASE OF FUNDS

The City of Post will undertake the project described above with Texas Community Development Program (TCDP) funds from the Texas Department of Community Affairs (TDCA) under Title I of the Housing and Community Development Act of 1974, as amended. The City of Post is certifying to TDCA that the City and G. C. McCrary in his official capacity as Mayor consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental assessments, decision making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval the City may use the TCDP funds and TDCA will have satisfied its responsibilities under the National Environmental Policy Act of 1969 and 24 CFR Part 58.

#### OBJECTIONS TO STATE RELEASE OF FUNDS

TDCA will accept an objection to its approval only if it is on one of the following bases: (a) that the certification was not in fact executed by the certifying officer or other officer of applicant approved by TDCA; or (b) that the contractor's Environmental Review Record for the project indicates omission of a required decision, finding or step applicable to the project in the environmental assessment. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58.75) and may be addressed to TDCA at:

Texas Department of Community Affairs  
2015 South IH-35  
P. O. Box 13166  
Austin, Texas 78711

Objections to the release of funds on bases other than those stated above will not be considered by TDCA. No objection received after February 4, 1985 will be considered by TDCA.

## 7th Grade Girls Slip By 1

The score rocked back and forth in the last period, finally ending with the Post 7th grade girls behind by one point to Cooper in a 28-27 thriller.

The score was knotted at 4-4 at the end of the first period, then Cooper led 12-10 at the half and the Post girls scored 10 points in the third period to lead 20-15.

### THANK YOU

On behalf of the Post EMTs, we would like to take this opportunity to thank the Johnson Family for their very nice gift given in memory of "Pee Wee", their beloved husband, father and grandfather.

Others playing included Cheryl Thompson, Lisa Shults, Angie Cruse, Janell Jones, Amber Crenshaw, Amanda Claborn, Melanie Reese, Holly Carpenter, Rosa Gonzales, Marylou Reyna and Billie Garza.

## Scouts Sing Carols

The Scouts of Den 1, 2, 3 and 4 of Pack 314, Webelos and Leaders went Christmas caroling Tuesday, Dec. 4.

They brought joy and sang songs to the patients of Twin Cedar and Golden Plains Nursing Homes.

The boys made door wreath decorations for each patient and distributed them. The Scouts showed Christmas spirit, talent and love to everyone.

A special thanks to Mrs. J. R. Smith who played the piano and to Helyn Fields for her time and patience of

such worthy projects and a very special thanks to the VFW Auxiliary for supplying the Scouts with the materials needed for the door decorations.

From Pack 314, Merry Christmas everyone!!

## Ronnie Thomas in Who's Who

Ronnie Jay Thomas of Post is one of 26 sophomore students at Western Texas College named to Who's Who among students in American Junior Colleges for 1984-85.

Who's Who nominees at WTC are selected by a committee made up of faculty members and students. More than 1,500 institutions will be represented in the Who's Who directory this year. Outstanding students have been honored in the annual directory since it was first published in 1934.

Thomas is the son of Mrs. Gertrude Thomas and a graduate of Southland High School. He is a diesel mechanics major at WTC.

WTC's Who's Who selections will be honored at the annual Awards program in the spring.

## Freshmen Girls Whip Snyder

The Post freshmen girls' basketball team swamped Snyder 34-28 in a game played December 3.

Trina Williams dominated the scoring with 28 points, followed by Hattie Dorsey and Christina Martinez with three each.

The Post girls took the lead in the second period 16-13, then scored 12 points in the third stanza, holding Snyder to six.

# Cotton Talks . . . . .

The effort of Cotton Incorporated to increase the level of producer participation through its "state Support Program" hasn't yet gotten the full attention of rank-and-file cotton producers in Texas.

But the effort should begin soon to gain momentum, says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock. "And its success in Texas and across the Cotton

Belt is critical for cotton in the years ahead."

Cotton Incorporated, sometimes referred to as the producer's fiber company, is the national research and promotion arm of the industry. It has an impressive record of valuable achievements in production and processing research and in the promotion of all cotton and high cotton content fabrics.

CI funds come exclusively

from producers. One dollar plus four-tenths of one percent of total value is paid on each U. S. bale. But there is a provision for producers to request a refund of the assessment, Johnson explains, "and far too many producers have been using that provision to the detriment of CI projects up and down the line."

The State Support Program was initiated to give producers in each state a little added incentive to participate. States in which CI retains over 80 percent of total producer assessments are given the opportunity to request that the excess over 80 percent be returned for approved research and promotion projects of special importance to that state.

So far seven states — Arizona, California, Georgia, New Mexico, North Carolina, Oklahoma and South Carolina — have qualified for funding of State Support Projects.

The Texas Association of Cotton Producer Organizations (TACPO), chaired by Tommy D. Fondren of

Lorenzo, has taken the lead in organizing the State Support drive in Texas. What eventually will be a nine-member committee is being formed, with Lawrence Petersen of Danevang and Ray Joe Riley of Hart named as temporary chairman and vice chairman, respectively.

The state has been divided into seven districts, each of which will be represented on the committee. Two other members will be chosen, one each from Texas members of CI's board of directors and the Cotton Board. Also envisioned are subcommittees within each district to coordinate and promote meetings at the county level to better acquaint producers with CI's work and the need for the broadest possible base of support.

The Texas A&M Extension Service and virtually all other interested groups are being asked to help, Johnson says, "to the end that every cotton producer in the state will be made aware of the returns he has gotten and can expect to continue

getting from his investment in Cotton Incorporated."

## Check Safety To Make The Holidays Bright

- Before hanging strings of lights, spread them on the floor and check for frayed or bare wires, cracked insulation, loose connections, and damaged plugs or light sockets.
- Check extension cords for wear or damage and don't run them across walking areas.
- Test lights before putting them on the tree. Unplug them before making repairs or replacing bulbs.
- Overloading circuits with too many lights can cause fire. Follow manufacturer's instructions about the number of lights allowed on one circuit.
- Choose a fresh, green tree, trim its base and keep it in plenty of water. If the needles are brown and break off easily, it could be a fire risk.
- If you buy an artificial tree, make sure it has been tested for flammability by Underwriters Laboratories (UL).
- Place your tree away from the fireplace or other heat sources and out of the traffic pattern.
- Never string lights on a metallic tree. Light strings with damaged insulation can electrically charge a metallic tree. Instead, shine unattached colored floodlights or spotlights on the tree.
- Always turn off lights before leaving home or going to bed. You'll save money and be safer, too.
- Never use lighted candles on a tree or near evergreens. And don't burn evergreens in the fireplace.
- Do not use inside lights on the outside. All outside lighting equipment, including lights, cords and plugs, should be waterproof and made for outdoor use. Also, hang sockets downward and don't leave a socket empty.
- When hanging lights on the rooftop or in tall trees outdoors, stay clear of electrical lines. Make sure you or your decorations don't come in contact with them.
- Should you receive a CB radio or television this Christmas, let a qualified serviceman install the CB base unit or television antenna for you. This delicate job is best left to the professionals.
- Be sure electrical toys are tested for safety. Look for the UL mark.

Wishing You A Safe, Happy Holiday

**A-5 In Memoriam**

Words cannot express our appreciation for all the love and concern shown our family during the loss of our mother, Darris Stephens.

To the EMTs who assisted her on the trips to Lubbock and home, May God bless each and everyone.

To Dee and Janet Justice, thank you for your comforting words; to everyone for the prayers, calls, food, flowers, memorials and cards;

A special thanks to the ladies of the VFW and First Baptist Church for the meal served the family; to Bro. Steve McMeans, Mary Margaret Norman and Bro. Marvin Copaus for the beautiful service.

## Sorority Fills Stockings

Gamma Mu Sorority met Tuesday night, November 6 in the home of Debbie Mason. Members attending were Debbie, Jarita Greene, Irene Fry, Debbie Tyler, Sherry McNeely, Sara Briley, Janet Justice, Julie Mason and Carol Williams. Family Services of Lubbock gave an excellent and very informative program on "Financial Planning." The speaker was presented

with a thank you gift and everyone was served refreshments of sandwiches, chips and dips, cake and hot apple cider.

The success of the Christmas Bazaar was discussed along with improvements for next year.

Karla Schooler was hostess Nov. 27 when the sorority met to fill Christmas stockings for residents of Twin Cedars Nursing

Home.

Attending were Sara Briley, Debbie Mason who won the door prize, Debbie Tyler, Jana McCallister, Nancy McDonald, Irene Fry and Karla Schooler.

The sorority visited Twin Cedars December 4 when they presented the Christmas stockings and put up a Christmas tree. After decorating the tree, members were served punch and cake and visited with the residents.

Gamma Mu members then met at the home of Jana McCallister for a small business meeting concerning their Christmas party to be held in the First United Methodist Church Fellowship Hall Dec. 15.

Those who visited Twin Cedars were Jody Palmer and Heather, Janet Justice, Irene Fry, Sara Briley, Michelle Mason, Debbie Tyler, Jana McCallister and Carol Williams.

## Pleasant Home Church

By Annie Gilbert

Thank God, here we are again. Holy Greetings everyone this nice, beautiful day which the Lord has made for us to see and enjoy as His children. I'm still living for our Lord and Master with a mind made up to be what God would have me be.

Rev. Kelly, pastor; Rev. James, associate pastor and Annie Gilbert, reporter.

Attendance good with all at their post of duty. It began with a beautiful lesson subject "A Summons to Decision" Ezekiel 2: 1-10, 3: 1-3. Golden Text: Son of Man, eat that thou findest; eat this roll, and go speak unto the house of Israel. Ezekiel 3: 1.

Devotion conducted by Deacons Willie L. Bursleson, and Jim H. Osby and Sisters Fisher Wynn and Thelma Moore. Sister Wynn read St. Matthew 2: 1-9.

Altar call was highly prayed by our pastor. Choir's presentation beautiful to our Lord Jesus Christ.

Our pastor delivered a wonderful message from the book of Psalms, number 37: 25. His subject was "It Pays to Serve God." He surely really did preach to members and the Lord Jesus Christ.

God is not through with us yet. Let's pray for one another, always, amen and amen.

God still in the midst as usual here in His holy temple.

The sick and shut in list includes Sisters Lizzie Milo, Sirloma Steel, Brothers Raymond Latson and Harry Trueblood who are patients in Golden Plains Care Center and others not mentioned in the community. So let's pray for our sick ones.

Thought: Rebellion against God never led to anything but bondage to sin.

## Frankincense for a Priest

Pastor Steve Traw  
First Christian Church

The incense of the tabernacle worship was routinely put to use. The Levite priesthood followed the instruction of Moses of Exodus 30:34. Three spices were mixed by the priest with the frankincense. Rich with the fragrance of this resin, the prepared combination was placed on the altar of incense.

Frankincense has been valued since Biblical times. Of its mention in scripture some seventeen times, most point to its use by the priests in their prescribed worship. It was obtained from trees of Africa and Asia. Strabo, among others contemporary to the time of Christ, spoke of the Persian frankincense as the best.

From this area of the Middle East came the magi to find the Christ Child. Among their gifts was the frankincense.

They brought the best of their homeland. And in the aromatic resin, so valued, the very befitting gift for a priest was offered. This One who was of a greater and higher priesthood, would occupy the true tabernacle of heaven not made by hands.

The sweet perfume was laid at the manger of the new-found priest. That priestly role of opening the way to God for men was to be His mission. He fulfilled that task completely and perfectly. It is Christ alone, who is the "one mediator also between God and men."

Jesus, born of Mary, presented gifts by the wise-men, opened the way to the presence of God by His priestly role.

As we celebrate His birth this Christmas, may we know the very presence of God in our lives. Christ has availed it to us.

## Optimist Meets

"Friend of Youth", that is the motto of the Optimist International. The Post Optimist Club meets each Thursday noon at the Chaparral Steak House.

One of the several areas of interest for Optimists is Youth Safety Week. Three of today's critical problem areas are addressed in this program: Runaways, child abuse and how to properly deal with strangers.

You are invited to join the group this Thursday and learn more about Optimist International.
