# Emergency declared

A state of emergency due to the rabies threat was declared for Post by the city council Monday night. The council called for community action to vaccinate local pets, both dogs and cats, against rabies and to rid the town of strays.

The stern action followed more than an hour's spirited discussion of the situation by the council with Veterinarian Larry Mills, City Health Officer Harry Tubbs, and Sheriff Jim Pippin.

The resolution declaring "a public health emergency exists due to the rampant increase in rabies within the State of Texas in both domesticated and wild animals" was unanimously passed by the council.

The resolution, written by Harvey Morton, attorney for the city, also provided:

1. That the city manager immediately commence paying a bounty per dog for any dog delivered to the city pound by any persons above the age of 18 years, until further notice.

2. That two dog catchers be immediately hired at prevailing wage scales to serve until further notice.

3. That a program of public notice requiring and encouraging the immediate vaccination of all domestic-

ated pets be instituted in cooperation with the local veterinarian and all news media.

City Councilman William Wilson, who also serves as the county health officer, proposed the resolution for a state of emergency and also suggested the city take a page advertisement in today's Dispatch to alert the community to the danger of rabies and ask for citizen cooperation to immediately

vaccinate all pets and to rid the town of stray dogs.

The city will pay a dog bounty rated by the size of the dog for strays. A bounty of \$5 per dog will be paid for animals weighing under 15 pounds, \$7.50 per dog for those 15 to 30 pounds, and \$10 each for dogs weighing over 30 pounds.

Dogs are to be brought to the city dog pound in the 200 block of South Avenue H between 4 and 5 p.m.

Mondays through Fridays or any time on Saturday mornings.

The council decided to hire two dog catchers instead of one to help get the strays picked up and already has one volunteer, the son of Raymond Rivera, the city's regular dog catcher who was injured in early July when his pickup overturned and will not be able to return to regular (See Rabies threat, Page 14)

## The Post Dispatch

Fifty-Second Year

Post, Garza County, Texas

Thursday, Aug. 9, 1979

Number 10

# Rodeo, parade set today

A large crowd is expected in downtown Post late this afternoon for the annual rodeo parade at 5:30 p.m. which will highlight the opening of the 39th annual Post Stampede Rodeo.

First rodeo performance is scheduled for 7:45 p.m. tonight with the grand entry.

The parade is expected to be "big or bigger" than last year's, which was the best in a number of years.

With the boosting of parade prize money to \$400, including \$200 for the best float, the parade has attracted a modern record of eight floats.

Float entries include the 40-foot-long Emergency Medical Technicians' float, "Changing Times"; the First National Bank's "70 Years of Progress"; The

Garza Soil & Water Conservation Youth Board's "Agriculture Conservation and Youth of America";

The Women's Division of Post Chamber of Com-

**BECKY ALBERS**  
AASPRC Queen

merce's "Garza Lady - All the Things You Are"; Garza 4-H Club's "Texas to Japan"; Caprock CB Club's "We Talk So They Can Walk"; and unnamed floats by the Garza County Junior Livestock Association and Don and Joy Greer.

Eight saddle clubs are entered in the saddle club parade competition for trophies with the Lubbock Saddle Club the final entry received and unreported last week.

Miss Becky Albers of Fort Worth, 1979 queen of the American Association of Sheriff Poses and Riding Clubs, is due in Post today to appear in the parade.

Miss Albers is the 19-year-old daughter of Mrs. Betty Albers of Abernathy and was elected queen of the

AASPRC at that organization's annual convention in Fort Worth last November.

The title of queen is the highest honor that can be bestowed upon a young lady by riding club groups. Miss Albers was selected from a field of eight contestants who were finalists from club, district, and regional competition throughout the association.

Darlese Wilson, queen of the Ralls Lions Rodeo, also will appear in the parade.

Over 20 local youngsters have purchased "Sunshine Sally" T-shirts from the Chamber of Commerce to ride with the Lubbock TV personality in the parade.

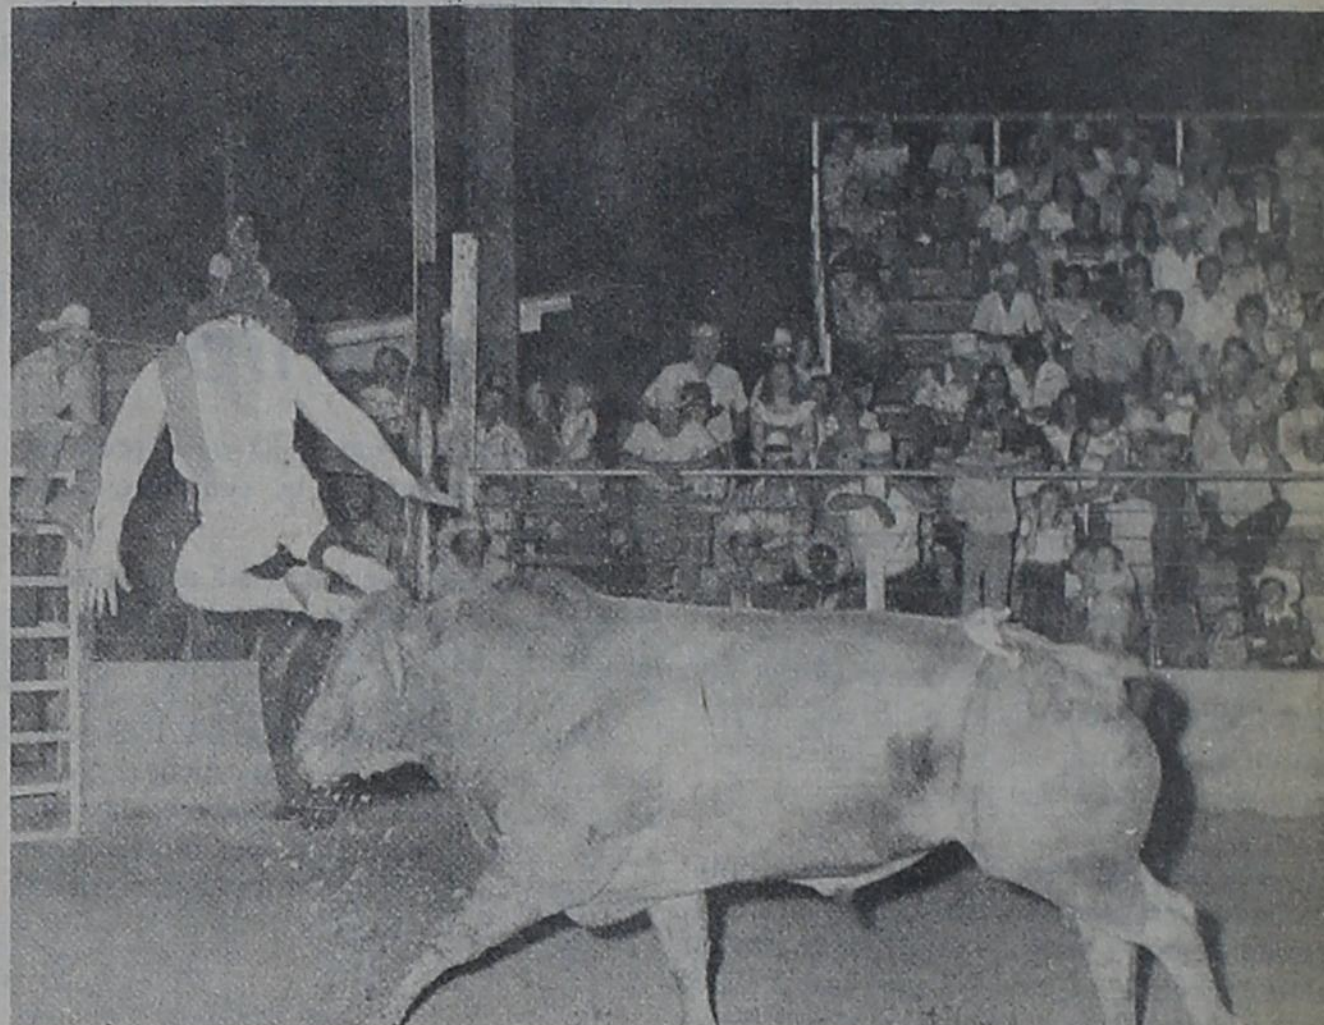

A lot of decorated bikes are expected besides all the other parade entries reported last week.

The Dispatch wants to correct a bit of misinformation in last week's parade story. Motorcycles must be decorated to participate in the parade, but they do not qualify for decorated bicycle cash prizes.

As far as the Stampede Rodeo goes, everything, including the weather forecast, appear to be ready for three fast and entertaining shows.

The rodeo office reports the fields were completed on the team roping and bullriding before the first day of registration was completed Monday. That totaled 80 team ropers and 60 bullriders.

The calf roping field of 60 was expected to be filled before the rodeo books close (See Stampede, Page 14)

**BULL JUMPER JUMPS** — Kris Brown, who is billed for the upcoming 39th Post Stampede rodeo as a "bull jumper", is shown above, back to camera, leaping nimbly away from the horns of a charging bull. Kris says the bull doesn't always miss.

# Council approves slightly smaller municipal budget

The city council without discussion Monday night tentatively approved the new city budget which calls for an eight percent salary increase for all city employees.

In the same motion, the council set Sept. 10, the date of the next monthly council meeting, for a public hearing on the budget before finally adopting it.

The new budget, as reported in The Dispatch two weeks ago, when it was worked up at a council "work session," calls for the expenditure of \$507,124 for the coming fiscal year beginning Oct. 1, a reduction of about \$37,000 in expenditures from the amount

budgeted for the current year.

No tax increase will be required from the present \$1.50 rate.

The council also requested the city write letters to the county asking whether the county wants to participate in a 10-block city paving project in the new fiscal year, and current status of estimates on city-county park operations and needs the county said it would prepare a month ago.

In another action, the city council unanimously opposed the city sharing the cost with the county for a "police motorcycle" for the sheriff's department which was estimated to cost over \$5,000.

A variety of reasons was given for the decision, including limited use of the machine due to the number of deputies who would volunteer to ride it and various weather periods of wet or cold. The council members also pointed out a new police car could nearly be purchased for the cost of the motorcycle.

Sheriff Jim Pippin, who sat through and participated in the discussion of the rabies emergency, was not present when the decision was reached. He left the meeting when the council turned to a discussion of a complaint by a nearby neighbor of the new Huntley Nursing Home in which the

questions of nursing home vehicle parking and "noise pollution" were raised.

Mr. and Mrs. David Newby, who live next door to the new nursing home now under construction, filed the complaint to the council by letter to Mayor Giles McCrary as they are now on a prolonged vacation in Grand Lake, Colo.

The Newbys wrote that while they have "no basic objection to the nursing home as such," "we have a deep concern about the impact of this facility on our home and others in the immediate neighborhood."

The Newbys said they "ask the city council for protection and action in areas that

we feel are "potential problems in the absence of zoning laws to protect the property values and quality of life of the citizens of Post."

Specific concerns were listed first as "parking facilities", pointing out that in a nursing home of this size there could be at least 30 visitors cars, and more on weekends, and parking space also should be provided for 15 or more nursing home employees; and second, noise pollution due to air conditioner compressors and any other large motors.

Hank Huntley and his son, Dennis, appeared before the council to discuss the Newby letter.

Huntley discounted the noise problem as "not being as great" as a residence built on the nursing home location with an air conditioning compressor located on the west side of such a house.

He appeared reluctant to discuss the parking problem because he said it had not as yet come to the top of his list of nursing home priorities upon which he was working.

Pressed by the mayor though, he said he intended in the future to request the city provide angled in parking by widening both Seventh street in front of the nursing home and Avenue O along the east side of the nursing home, similar to

that now in front of Garza Memorial Hospital.

Mayor McCrary estimated this would provide parking for approximately 33 to 35 cars.

The Newby letter pointed out that the city had not required a site plan of the nursing home for public study in issuing a building permit for the home.

Harvey Morton, attorney for the city, told the council they should request such site plans for commercial projects and asked Huntley to furnish the city one before its September meeting at which the council indicated it would consider the Newby complaint further.

Mayor McCrary indicated, however, he thought Huntley's explanations on parking and noise pollution would "satisfy the Newbys."

In other council actions, the council:

Passed on second reading an amendment to the city ordinance which prohibits the parking of overweight vehicles on city streets to become effective with its publication in The Dispatch.

Approved a city drilling permit for a new well by the George R. Brown oil interests at 15th street and Chantilly Lane.

Discussed need for new Post weather observer to succeed Glen Barley who wishes to retire from these (See City council, Page 14)

## POSTINGS . . .

By Jim Carnish

Post's last death due to rabies occurred over 50 years ago to a 10-year-old boy, according to Paul Duren, one of Post's early day residents. Paul dropped by last Friday to give us the item.

Speaking of the emergency declared by the city council, readers can believe the council really means business this time when they see on page 3 the council has taken a full page ad to ask for community cooperation.

If we can trust our memory that's the first page ad the city has put in the Dispatch during the 22-year period we've been getting out this weekly.

We lost a good employe here at The Dispatch last week when Joann Kocurek was married to John David Foreman of Spur. She's been with us 2 1/2 years and we wish her the best as she moves to Spur.

This week we welcomed back Beth Short, who formerly worked at The Dispatch to replace Joann. It's a good thing Beth knew the weekly ropes too because this week's edition, so full of ads, came as a big

surprise to us and really had us hanging on our deadlines.

The football brochure of the Howard Payne University Yellow Jackets was mailed to The Dispatch over the weekend and had a few (See Postings, Page 14)

**YARD OF THE WEEK** — Don Smith, Postex Plant manager, is shown receiving the Chamber's "yard of the week" certificate from Chamber Secretary Phyllis Morris right, in the Smith front yard at 201 North Avenue S as Mrs. Smith looks on. — (Staff Photo)

## Two charged in drug possession

James Neal Yoakum, 20, and Terry Dale Mathews, 18, both of Lamesa, were released here Monday morning on \$5,000 bail bonds each on felony charges of possession of marijuana over four ounces.

The pair was stopped Friday by the highway patrol on US-84 for a traffic violation which led to the possession charge.

## VFW meet this weekend

James P. Montgomery of Seymour, state senior vice commander of the VFW in Texas, will headline the program of the District Seven Veterans of Foreign Wars convention which will be held at the VFW post home here Saturday evening and Sunday.

Veterans from Brownfield, Lamesa, Seminole, Lubbock, Levelland, Slaton

and Spur are expected here with their wives for the weekend event.

Max Chaffin is host post commander.

Registration will begin at 2:30 p.m. Saturday. A social hour is scheduled from 6 to 7 p.m. with a dance at 9 p.m.

The Sunday program includes additional registration from 9 to 10, a memorial service at 10 a.m. with delegates then attending the church of their choice.

E. A. Stelzer, department instructor, will conduct a school of instruction from 10:45 to 11 a.m.

A convention lunch is scheduled for noon with a convention closing business

session at 2 p.m.

Bonnie Timora, community activities and program chairman of the state ladies auxiliary, will be the ranking auxiliary member here for their portion of the convention.

## 11 teachers to be hired

Recommendations for the hiring of 11 new teachers and the acceptance of the resignations of four others head the agenda for Post school trustees for their August meeting Tuesday night.

Resignations to be submitted include those of Richard Wheelus, Mrs. Donna Northam, Mrs. Pat Thompson and Mrs. Carroll Shell Newcomb.

Other action items on the agenda include insurance coverage of the Justiceburg school building, and adoption of official calendar for the school year.

Trustee Juanella Hays also will request that the school district's bills be approved before checks are mailed, bills paid by statement, and itemizing of check register; and that her "drugs, discipline, driving and drinking proposals" be placed on the agenda monthly until something is done.

## New students need to enroll

Parents of students not in Post Primary or Junior High Schools before this school year and not already registered are asked to report to the respective school offices to register before school starts.

Students from Kindergarten through the 5th grades will register at the Primary school office any day before school starts between the hours of 8 and 12 and 1 and 4.

Junior High students can register beginning Monday, August 6 during regular office hours of 8 to 12 and 1 to 4.

## CB Jamboree Aug. 18-19

The Caprock CB Club's first annual Jamboree coming up Saturday and Sunday Aug. 18-19, in the Post Community Center is expected to really draw a crowd.

The weekend event will include a Saturday night dance from 8 p.m. to 1 a.m., and then a Sunday Jamboree, starting at 9 a.m. and end at 4 p.m.

Trophies will be awarded "for almost everything". Grand prizes include a 40 channel tube type Teaberry base station with antenna, a 40 channel mobile radio with antenna, an AM-FM 8-track multiplex stereo tape player, and \$100 in cash.

Refreshments, kid games for the youngsters, dealer exhibits, and hourly drawings also are on the program.

Proceeds raised will go the fight against muscular dystrophy.

## Southland plans for registration

The Southland schools announce registration of students for grades seven through 12 will be held Thursday, Aug. 23, from 1:30 to 3 p.m.

All elementary grades will register the first day of school, Monday, Aug. 27, at 8:45 a.m.

**JAMES MONTGOMERY**  
State Vice Commander

## Conduct quite disorderly

Juan Mindez, 20, of Southland pleaded guilty to disorderly conduct in JP court here Monday and was ordered to pay fine and costs totaling \$203.50.

Sheriff deputies were called to Southland Sunday in answer to a report that Mindez was driving around that community intoxicated with a 22 rifle in his car and threatening to shoot anyone who got in his way, according to Sheriff Jim Pippin.

Deputies chased him into a field. He came out with his hands up and left his rifle on the ground.

Thursday, Aug. 9, 1979 The Post (Tex.) Dispatch

## Full cooperation needed

The city council really "executed" Monday night when it tackled the rabies emergency.

Post is in poorer shape to face the menace than a lot of communities because of its traditionally large stray dog population and the danger of rabid skunks moving into the community from surrounding range lands.

Not waiting for the first confirmed rabies case, the council acted to get the ball rolling. They organized a needed two-prong drive: first to vaccinate the town's pets, and second to reinstate the dog bounty program as an effort to greatly reduce the stray dog population as quickly as possible.

Actually, there is no time to lose. It takes 10 to 14 days for a pet vaccination to build up immunity in the animal. That's a lot of downtime.

Let's get those dogs and cats down to the vet's new clinic as quickly as possible and protect both them and members of your own family from rabies.

The city council served notice too that it

will strictly enforce its present dog ordinance which was updated only a couple of years back.

That means that no dog is to run loose in town, pet or no pet. All will be treated like strays, subject to pickup, and possible extermination if not promptly bailed out by their owners.

There is no time in a "rabies year" to argue pros and cons about pets running loose. If they're loose they are in danger and also can be dangerous. Human life this time comes first.

This newspaper thinks the community will gladly cooperate with the city's plan to reduce the dog population and vaccinate pets. It is to our advantage that the council went "heads up" on this situation and didn't wait for the actual crisis before moving. That would have made it much to late to be effective.

Rabies is a very deadly business we would remind our readers — and more deadly here in Texas this year than in almost two decades.

## Remember When

10 YEARS AGO

Post citizens receive ride in Department of Public Safety helicopter; Season football tickets go on sale; Heat wave holds on in county; crops suffer; Jackson's Cafeteria float wins first place in Stampede Rodeo parade; Gregory Story honored on his first birthday with party in home of his grandparents, Mr. and Mrs. Ben Issacs; James E. Pollard, Jr. completed nation's only basic training ROTC summer camp as member of Company C, 9th Battalion; Dispatch wins award for general excellent in West Texas Press Association; Don Noel and Joe McCowen win prizes for best beard in Jaycee contest; Lewis C. Herron, Jr. graduates from Southwestern Graduate School of Banking in Dallas.

15 YEARS AGO

Danny Odom receives

teacher scholarship from PHS; Board votes \$125 increase for teachers with master's degree; Dispatch garners two top newspaper awards; Taylor Knight wins top all-around cowboy saddle in Post Stampede rodeo; Donna George honored on her first birthday with party in home of her parents, Mr. and Mrs. Benny George; Norm Cash hits 17th and 18th homerun in match between Tigers and Kansas City Athletics; Tower Theater shows "Robin and the Seven Hoods" starring Frank Sinatra and Dean Martin; New lighting system goes up at Antelope Stadium; Sue Britton honored with "Yogi Bear" theme birthday party in home of her parents, Mr. and Mrs. Harold Britton; Chamber of Commerce offers free bike to Garza youth as back to school promotion; High School to offer Distributive

Education this year.

25 YEARS AGO

4,000 see opening of Post Stampede Rodeo; Twenty-six visitors from foreign countries tour Postex Mill; Eighty horses are entered in Garza County quarter horse show; Gene Young gives organ recital in home of his parents, Dr. and Mrs. B. E. Young; Miss Ruth McMahon engagement to William R. Bennett announced; Mrs. James Stone, Mrs. Stanely Sims and Mrs. Robert Mock attend THDA meeting in Dallas; Robert L. Hays and Donald Moore of Post enter United States Air Force; Jimmy Bird of Post wins calf roping championship at Top 'O Texas Rodeo at Pampa; L. G. Thuet elected director of Lyntegar Electric Cooperative.

RUIDOSO WEEKEND

Mr. and Mrs. Andy Williams, Nancy McGowen Jerry Tyler and Dennis McDonald visited in Ruidoso over the weekend.

## Credit good stewardship

Local units of governments this year had no budget problems they couldn't handle. It should be good news to the taxpayers that local governing bodies battled inflation to a standstill this time around.

The city, county and school district all have their budgets in hand. While each might admit it could use some more tax money, none went after it this year.

The hospital district is just getting into its budget preparations but with the hospital administrator's promise that he expects to emerge from the current budget year \$50,000 to the good, a real solid cushion to fall back on.

This could actually mean at least some reduction in the hospital tax rate which was tripled two years ago to bail the hospital out of a money problem it had wrestled with almost since the day it opened.

The hospital is now under sound

management, has solved its most pressing needs, and appears to be operating quite efficiently.

Hospital directors will hold a long night budget session next week to whip their new budget into line.

While the outlook is fine for this year, there already are some questioning looks being given the future by both the county and school district. The city has managed to weather the inflation with the aid of rising sales taxes and oil taxes.

A year at a time, however, is about as far as one dare look ahead in our jumbled inflation-fired economy.

We can all be thankful that for 1979 the hard work of those who serve this community in positions of city, school, county and hospital district responsibility have done a good job and have proved good stewards of our quality of life.

## VFW post saluted

The Veterans of Foreign Wars post here will host the VFW District 7 convention here Saturday evening and Sunday.

The Dispatch not only wants to take the opportunity to welcome delegates from Brownfield, Lamesa, Seminole, Lubbock, Levelland, Slaton and Spur.

We also want to take the opportunity to commend the local VFW post for their excellent and diversified post program which brought them and their officers a great deal

of statewide recognition this year.

The VFW and its auxiliary is one of this community's hardest working and most dedicated organizations. This newspaper is pleased to salute our VFW post as a bunch who can really get things done.

No wonder the United States won "the big one" back in the 1940's with guys like these marching under General Eisenhower and McArthur and rolling on wheels behind General Patton.

## Nobody likes two-bit dollars

The new Anthony dollar, just in circulation a month, already is a "bust" as far as acceptance is concerned. It isn't going to save millions of dollars in minting costs at all because few people want to use it.

It didn't take a month to figure that out either. Everybody agreed on that the first day. The problem is that the new dollar is almost exactly the same size as a quarter.

That means problems for both the person with the dollar and the businessman or clerk who must accept it. Either can goof rather easily.

The coin is destined to join the \$2 bill and the Eisenhower dollar in oblivion.

The only question about the Anthony dollar is why the people at the mint didn't know that making a dollar the same size as a quarter just wouldn't work.

That's resulted in a multi-million dollar minting loss rather than a multi-million dollar gain.

What has happened, we wonder, to good old-fashioned common sense that most of us are born with?

Annie Oakley she's not,  
But she is aiming to attend

# CITY OF POST DECLARES RABIES EMERGENCY

Because there exists within the State of Texas a public health emergency due to the rampant increase in rabies within both domesticated and wild animals. Already during 1979 there have been 564 confirmed cases of Rabies — the worst outbreak in this state in almost 20 years. Already two children have died from Rabies in Texas and others are suspected of being afflicted. Cases of Rabies have been confirmed in counties adjoining Garza, raising the possible critical danger to children and adults alike of this city.

## The City Council Asks the Cooperation of All Citizens in the Following Measures:

### IMMEDIATE VACCINATION OF ALL PETS FOR RABIES

1. Dr. Larry Mills, local veterinarian will set aside his next two Saturday mornings for vaccination of pets at his clinic at 318 E. Main.
2. The vaccination charge is \$5.
3. Only one shot is required, is 95 percent effective and takes 10 to 14 days to provide immunity.
4. Cats as well as dogs must be vaccinated.
5. There is no time to waste in getting your pet vaccinated. Call Dr. Mills for appointment if going other than Saturday mornings.

### RIDDING THE COMMUNITY OF ALL STRAYS VIA DOG BOUNTIES

1. The city beginning immediately will pay a bounty on each dog delivered to the dog pound in the 200 Block South Ave. H.
2. \$5 Bounty will be paid for dogs weighing 0 — 15 pounds; \$7.50 each for dogs 15 — 30 pounds and \$10 for big dogs weighing 30 pounds and over.
3. Dogs should be brought to the pound between 4 to 5 p. m. Mondays through Friday or anytime Saturday morning.
4. No bounty will be paid any person under 18 years of age.
5. The bounty will be paid until further notice.

### Post's Dog Ordinance Will Be Fully Enforced!

Section 2 of this Ordinance reads: "It shall be unlawful for any owner to permit or allow any dog to run or be at large." Section 1 defines "at large" as referring to the state of being off the premises of its owner and not restrained by a leash, confined within an automobile, or located within 10 feet of its owner and obedient to said owners voice commands.

## Thank You

It is difficult to put into words all my love and thanks to the people who did so much for me during my time of need. Your visits and calls, your gifts of food, flowers, cards and most of all the gift of your prayers, the gift of the time you spent for me gives new meaning to the words, friends and neighbors. Your caring made it possible for me to be strong when I needed it most. I speak for myself and for my grateful family when I say thank you and God be with you.  
 Sincerely  
 Loucille Morris

The South Plains All Stars would like to thank the following people for providing the funds to feed the team and coaches during the Plainview Baseball Tournament. Ricks Venture Food, Palmer Well Service, Foster Discount Auto Parts, Mason's Garage, Garza Texaco, Dalby Cattle Co., Mr. and Mrs. Billy McKamie, H & M Construction, Tom Power Insurance, Tanner and Carrs Home Improvement, Mr. Max Chaffin, Mr. Jackie Odom, Mr. G. H. Clanton, Mr. and Mrs. Ed Witt, KPOS Radio Station, Highland Resources, Inc., Post Antenna Co., Inc., Post VFW and a Special Thanks to Bob Palmer for furnishing the gas for the trip.  
 South Plains All Stars

We would like to say a very special thank you to Dr. Rodriguez and the nurses at Garza Memorial Hospital for their kindness during my stay there. Also to all my dear friends for all the flowers, cards, visits, calls, food and prayers. May God bless everyone of you.  
 Ola and Chester Keeton

## Symposium for med helpers

**LUBBOCK** — Medical receptionists, secretaries, bookkeepers, nurses, and technicians employed by physicians in the Lubbock-Crosby-Garza area will attend an Educational Symposium Saturday, Aug. 18, at the Hilton Inn here. The one-day program is sponsored by the American Association of Medical Assistants, Inc., State of Texas. All medical assistants within the Lubbock-Crosby-Garza area are invited to attend the symposium, which is designed to aid them in rendering more efficient service to their employers and to the public which they serve. Continuing Education Units will be awarded those qualified. The morning session will consist of three hours of instruction in Cardiopulmonary Resuscitation by Jack Baldwin, M.D. of Lubbock. The afternoon session will be four hours on Medical Law led by Micki Allen, CMA-A of Lubbock. Registration will begin at 8 a.m. and the program will begin at 8:30 a.m. The registration fee of \$10.00 for members and \$15.00 for non-members includes lunch and coffee breaks. Complete details on the Lubbock-Crosby-Garza Educational Symposium may be obtained from Micki Allen, CMA-A, 3605 45th Street, Lubbock 79413, phone 806-792-0801 or Wanda Anderson, 3617 21st Street, Lubbock 79410, phone 806-795-9381 or 793-1200.

### Needle club has luncheon

The Needle Club met Friday for a luncheon at the Algerita Center with 11 members and one guest present. Resignations from Mrs. H. J. Dietrich and Anna Clinesmith, both who have moved away were accepted.

Mable Voss, Maxine Marks, Lucille Lobban and Mrs. Jake Webb were welcomed as new members. The slate of officers was presented, including Katherine Cathcart as president, Mable Voss, secretary and Maxine Marks, reporter.

It was decided that the Christmas Party will be held Dec. 7 at the Womens Club house with a covered dish luncheon.

The next meeting will be held with Mrs. Alma Hutto as hostess.

#### VISIT HERE

Mr. and Mrs. R. L. Hagler of the Gordon community visited in Post Sunday afternoon with friends.

## Basinger-Terry vows read on lawn

Joy Jean Basinger and Mark Terry exchanged wedding vows Saturday, July 28 at 7:30 in the evening. The ceremony was performed on the lawn of the Basinger Ranch, in Southland.

The bride and groom stood before two marble urns of fresh Boston fern, beneath a large mulberry tree.

Performing the outdoor double ring ceremony was Harold Britton, Baptist minister of Justiceburg.

The bride is the daughter of Mr. and Mrs. C.E. Basinger of Southland and the groom is the son of Mr. and Mrs. Bobby Terry of Post.

Given in marriage by her father, the bride wore a pale blue street dress, worn by the bridegroom's mother on her wedding day. The bridal bouquet was of white silk roses and blue silk baby's breath carried in cascades on a white Bible. Accenting the bouquet was fresh

baby's breath and a bow of peko attached with streamers and love knots. The bride wore fresh baby's breath and silk roses in her hair.

Honor attendants were Stacy Rush of Southland, and Brent Terry, of Post, brother of the groom.

The bride carried out tradition by wearing a pearl necklace belonging to her grandmother for something old, something new was pearl earrings, a gift from the groom, something borrowed was her dress and something blue was her garter, a gift from Janet Hall.

A reception followed the ceremony with Darla Mason and Jan Rowden, cousins of the bride serving the three-tiered wedding cake and punch. The grooms chocklate cake and coffee were served by Jeanie White of Tahoka.

During the reception rice bags were distributed by Tanya Basinger and Donica Basinger with Kim Basinger registering the guests.

Following a wedding trip to Padre Island, the couple will reside in Snyder, where the groom is employed by Halliburton.

MRS. MARK TERRY (Joy Jean Basinger)

## Many 'specials' in food markets

COLLEGE STATION — Best buys at Texas grocery markets this week include poultry, some fresh fruits and vegetables and many "specials," says Gwendolyn Clyatt, a consumer marketing information specialist.

Also cheese is in the dairy spotlight, and pork offers budget choices.

Mrs. Clyatt is with the Texas Agricultural Extension Service, The Texas A&M University System.

POULTRY — Fryer chickens have low prices — with meatiness and tenderness as a bonus quality.

Turkey and turkey parts make good values, too.

FRESH FRUITS — Best buys include plums, nectarines, grapes, bananas, limes, oranges, cantaloupes, honeydew melons and watermelons.

Peaches have moderate prices, and they show good quality and size.

FRESH VEGETABLES — Thrifty buys include corn, carrots, okra, potatoes, lettuce and greens.

Also purple hull peas, cabbage, cucumbers, green peppers, celery and new crop red potatoes.

GROCERY MARKET AISLES — "Specials" appear on tuna fish, pork and beans, salt, honey, sugar, tea bags, shortening and pasta products. Also, as the new-pack season approaches, consumers can expect low prices on many canned fruits and vegetables.

PORK — Reasonably priced items are hams and

bacon, along with Boston butts, chops, whole loins and liver.

BEEF — Features include boneless blade chuck roasts, corned beef and round steak. Moderate prices appear on ground beef, rib steaks and liver.

CONSUMER WATCHWORDS: Good quality watermelons are firm and summertical, fresh and attractive looking with a velvety bloom over the rind — and a yellowish underside rather than a white or greenish underside.

### Shower honors Jodine Tipton

Miss Jodine Tipton, bride elect of Mark Williams of San Angelo, was honored with a bridal shower in the bank community room on July 28.

Approximately 45 guests called during the hours of 3 and 4:30 p.m.

Guests were served from a table covered with an apricot cloth covered with white lace and centered with a brown and apricot arrangement of silk flowers.

Along with the honoree in the receiving line were her mother, Mrs. Jean Tipton, her grandmother, Gladys Tipton and the future grooms mother, Mrs. John Williams, Jr. of San Angelo. Special guests included Mrs. John Williams III of San Angelo, Mrs. T. H. Tipton, Jr. of Lubbock and Mrs. Lee Norman of Post.

Hostesses were Onita Gunn, Joy Poole, Maurey Shiver, Barbara Morrow, Jenny Cowdry, Francis Williams, Mary Margaret Norman, Nancy Flanagan and Louella Bilberry. Hostess gift was an electric rotisserie.

SIMPSONS VISIT Ronald and Beverly Simpson and three children of Denver City were weekend visitors in Post. Ronald is president of a Denver City bank and formerly was associated with the First National Bank in Post.

### Reception held for Williams

A reception honoring Amy and Mike Williams, was held recently at the First Christian Church. Amy is the daughter of Dr. and Mrs. Frank Pickett.

The couple were married recently and reside in Wichita, Kansas.

Punch, mints, and finger cookies were served to those attending from a table laid with a pastel hand-sewn cloth and centered with a magnolia centerpiece.

Gifts of a book of poems and a brass decorative piece for their home was presented to the honorees.

Mrs. Williams is serving in the air force and her husband is employed by Coleman Co.

### New Arrivals

Mr. and Mrs. Guillermo Lujan of Post announce the arrival of a son, Andy Richard Lujan born August 1 at 10:06 p.m.

The baby weighed 7 lbs. and 15 oz.

Mr. and Mrs. Bobby Flores of Post announce the birth of a son, Robert Lee, Jr., born Thursday, Aug. 2 in Slaton's Mercy Hospital weighing 8 lbs., 10 1/4 ozs. at 3:52 a.m. Grandparents are Mr. and Mrs. Manuel Flores of Southland and Mr. and Mrs. Domingo Samora of Post.

### Mrs. Kittrell celebrates 90th

Mrs. Alex Kittrell of Lorenzo celebrated her 90th birthday, Sunday, July 29.

Mrs. Mary Lee Wristen honored her with a luncheon at the Hilton Inn in Lubbock on Saturday. Members of the immediate families were present.

Mrs. Kittrell is the mother of Mrs. Wristen and Mrs. Lucile McBride, teachers in the Post Schools.

### Shower honors Jodine Tipton

Miss Jodine Tipton, bride elect of Mark Williams, was honored with a lingerie shower in the home of Mrs. Tony Conner Sunday, Aug. 5 between the hours of 3 and 4:30.

Special guests for the occasion were her mother, Mrs. Marshall Tipton, her sister, Mrs. Lee Norman and Laura and Janie Lee Norman, her nieces.

Refreshments of chips and dips, a fresh fruit bowl and punch were served to those attending.

Hostesses for the occasion were Amy Cowdrey, Darlene Gunn and Karen Conner.

**NO AUGUST MEETING**  
The Garza Historical Association Survey Commission will observe its annual August vacation and will meet again next on Sept. 4.

### Sewing course offered Tuesday

There will be a Sewing Course held at the Catholic Church, Tuesday Aug. 14 at 1:30.

The course includes mending and handwork for people not having sewing machines. The course will be taught by Paula Cawthon assisted by Patsy Sanderson. The course is free and everyone is invited to attend.

### Bread making to be demonstrated

A bread making demonstration will be held at 1:30, next Wednesday, Aug. 15 in the Reddy Room, with Ruby Butts demonstrating the art of making all kinds of breads. It is sponsored by the Extension Homemakers Council and everyone is invited to this free demonstration.

Following the bread demonstration, Paula Cawthon, county extension agent will present a course in Foods Nutrition training. Everyone is invited to attend.

### Shower honors Mrs. Davis

A layette shower honoring Mrs. Steve Davis, was held in the Bank Community Room, Tuesday, July 24 from 7 to 9 p.m.

The table was covered with a green and white cloth, with a centerpiece made by Brenda Loving, consisting of a homemade gift tree containing assorted baby gifts on it.

Hostesses for the occasion were Faye Horton, Mrs. June Kiker, Karen Jones, Pati Sasser, Toni Britness, Tricia Metzgar, Freda Harmon, Imogene Morris, Linda Morris and Brenda Loving. Individual gifts were presented to the honoree by the hostesses.

**MOVING TO LUBBOCK**  
Mr. and Mrs. Brad Lott and Brandon of Boulder, Colo. are in Post visiting with their parents, Mr. and Mrs. Grant Lott and Mr. and Mrs. Bill McBride. The Lotts are in the process of moving to Lubbock where Brad will attend Texas Tech.

### TEEN SCENE

By Norm

All you eager beaver football players just have four more days until that long awaited day of TWO-A-DAYS!!! The predicted forecast (weather wise) calls for 100+ days the next two weeks.

Someone accused me of enjoying other people's misery. (Meaning football workouts). I guess that's true in a way, it's so funny to hear who hurts where and how much and the different limps and bumps when they arrive at the youth center.

I guess this was Post week at Ruidoso. Everyone I've talked to recently has been or is going. Casey Zachary and Bobby Macy returned home over the weekend and David Poole and Cynthia along with mom and pop are there this week. Bruce Waldrip and Brad Shepherd were going last weekend.

**UNDER HELP WANTED:** If anyone out there is looking for employment. Contact Rynn Norman. Seems as if he is looking for some able bodied person to help him pull weeds. He didn't say what the hours would be but starting pay is 50c per weed.

Phil Tyler brought a trophy home from the races in Lubbock last week. Phil accumulated enough points to bring home the first place trophy while brother Barry brought home third place honors.

Heard from Lisa Cowdrey this week via letter and she said to tell all her Post friends "Hi". She's ready to come back home.

**UNDER LOST & FOUND:** Randy and Vicki Teaff need help in locating their runaway cat. It disappeared from their home last week. A pretty long haired white cat, it is very distinguishable because it has one brown eye and one blue eye. Last seen wearing a white flea collar. If you see it don't say "Kitty, Kitty", because the cat is deaf. Just pick it up and call the Teaffs. They will be very appreciative.

The bank got into the swing of things this week when they began practice and all attending enjoyed a swimming party Tuesday night at the pool.

Rocelle Smith will be entering Health Sciences

### Cycle rodeo set Aug. 18

LAMESA — The Dawson County 4-H Clubs will sponsor a motorcycle and three wheeler rodeo Saturday, Aug. 18 at 7:30 p.m. in the Lamesa Rodeo Arena.

Entry forms may be picked up in the County Extension Office in the courthouse basement. Entries may also be mailed to Mrs. Novell Griffin, Route D, Lamesa, Texas 79331 or entries will be taken at 5 p.m. at the rodeo arena.

Entry fees are \$2 per event entered and the events are: flat track, keyhole, wheelie contest, obstacle jump, barrel race, flag race and pole bending.

Motorcycle classes are determined by size of motorcycle or three wheel-

### HOSPITAL NOTES

Those admitted to Garza Memorial Hospital since Tuesday of last week were Terry Flores, O. B. Gary Lester, medical C. D. Nowell, medical Letty Lujan, O. B. Baby Boy Lujan, N. B. Thelma Francis, medical Ralph Heibner, medical Teresa Romero, medical B. W. Jones, medical J. C. Steel, medical Linda Hymes, O. B. Baby Girl Hymes, N. B.

**ATTEND CAMP MEETING**  
Mr. and Mrs. Bill Sanders accompanied by her brother, Rev. and Mrs. Carol Sanders of Capitan, N.M., attended a week's Nazarene camp meeting near Ruidoso last week. They reported to have had a wonderful time on the mountain side. Rev. Sanders is pastor of the chapel at the camp.

Hospital today (Thursday) for tests. We certainly hope she gets favorable results and is back home real soon.

The time has arrived for everyone to don their jeans, chaps, spurs, boots and cowboy hats and go and enjoy the rodeo this weekend.

## Public Notice

**ORDINANCE NO. 333**  
AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF POST, TEXAS, BY ADDING DIVISION F OF ARTICLE III MOTOR VEHICLES, CHAPTER 25 TRAFFIC, WHICH DIVISION F PROHIBITS THE OPERATION AND PARKING OF OVERWEIGHT VEHICLES ON CITY STREETS, DEFINES OVERWEIGHT VEHICLES, PROVIDES CERTAIN EXCEPTIONS, PROVIDES A PENALTY, PROVIDES FOR SEVERABILITY; AND PUBLICATION; AND ESTABLISHES AN EFFECTIVE DATE.

WHEREAS, the operation and parking of overweight vehicles on the public thoroughfare of the City results in undue expense due to damage to road surface, NOW THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF POST, TEXAS:

Section I, Chapter 25, Traffic, of the City of Post, Texas is hereby amended by adding to Article III, Motor Vehicles a new Division F, to be entitled "Overweight Vehicles" to read as follows:

**DIVISION F. OVERWEIGHT VEHICLES**  
SECTION 25.44 DIMENSIONS AND LOADS.

Except as otherwise provided in this Division, no person may drive, operate or move, nor may any owner permit to be driver, operated or moved, any vehicle having a load capacity in excess of one ton, or which is more than twenty feet in length or seven feet in height or width, upon any street, alleyway or public thoroughfare in the City of Post.

SECTION 25.45 PARKING PROHIBITED  
Except as otherwise provided in this Division, no person may drive, operate or move, nor may any owner permit to be driven, operated or moved, any vehicle having a load capacity in excess of one ton, or which is more than twenty feet in length or seven feet in height or width, upon any street, alleyway or public thoroughfare in the City of Post.

SECTION 25.46 EXCEPTIONS  
It is provided, however, that this Division shall not apply to the following, each of which is excepted from the prohibitions of this division:

A. School buses;  
B. Any trucks, bus or trailer utilized for the purpose of the actual loading or unloading of goods, wares and merchandise when such vehicle is accompanied by its driver; provided further, "loading or unloading" shall be limited to a reasonable time to complete such operation;

C. Oil field vehicle servicing a well within the limits of the City of Post;  
D. The following streets and thoroughfares are hereby designated truck routes and shall be excepted from the above prohibitions:

1. U. S. Highway 84 and U. S. Highway 380
2. Avenue F. North Avenue S, South Avenue M and South Avenue H;
3. FM 1313, FM 122 and FM 651;
4. North and South Broadway
5. West 8th Street and East 8th Street from Broadway to the West Right of Way of the Santa Fe Railroad.
6. East Main Street eastward from the West right-of way line of Broadway;
7. Third street from South Avenue H to South Avenue M.

SECTION 25.47 PENALTY  
Any person who violates any provision of this ordinance shall be guilty of a misdemeanor and, upon conviction, shall be punished by a fine of not less than \$5.00 nor more than \$200.00

SECTION II.  
Severability - If any provision, sentence, subsection, clause, phrase or word of this ordinance or the application thereof is held invalid, such holding shall not affect the validity of the remainder of this ordinance and the remainder shall continue in effect so as to effectuate the intent of this body.

SECTION III.  
Effective in 30 days. That this Ordinance shall become effective on the 6th day of Sept., 1979.

SECTION IV.  
Publication - It is directed that the City Secretary publish the caption of this ordinance and the penalty clause as required by law.

PASSED on first reading on the 9th day of July, 1979.  
PASSED on second reading on the 6th day of August, 1979.

The City of Post, Texas  
Giles C. McCrary  
ATTEST:  
Wanda Wilkerson

## Comments are being sought

The Federal Crop Insurance Corporation is seeking comment on the proposed regulations for insuring cotton in Garza County. Written data, comment, or views must be submitted by not later than August 17, 1979, to be sure of consideration.

Further information on these regulations may be obtained from the FCIC Office at 1205 Texas Avenue, Room 214, Lubbock, Texas 79401, telephone 806-762-7627. Send comments to James D. Deal, Manager, Federal Crop Insurance Corporation, U. S. Department of Agriculture, Washington, D. C., 20250.

## Payne heads state coops

AUSTIN—Wilton J. Payne, general manager of the Tahoka-based Lyntegar Electric Cooperative, has been elected president of the Association of Texas Electric Cooperatives.

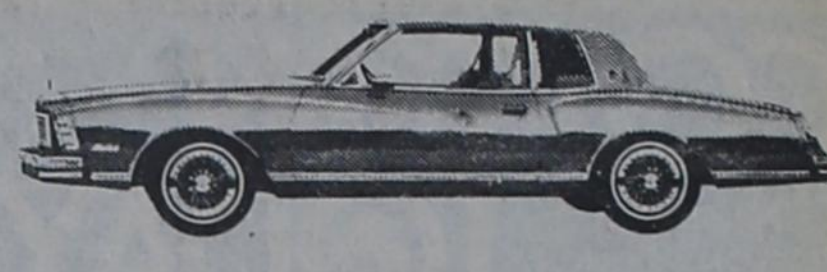

The action came during the 39th annual membership meeting here July 30-Aug. 1 which drew more than 500 rural electric leaders and ladies representing 74 of Texas' 83 rural electric systems which serve more than 750,000 rural homes and enterprises.

Payne has been with Lyntegar Electric, which owns and operates nearly 5,500 miles of lines extending into nine South Plains counties including Garza, since 1947 and has been its general manager since 1973.

He's a Tahoka native and life-long resident. He and his wife, the former Dixie N. Shepherd of Post, are parents of a son, Kent, who is married and lives in Dalhart, and a daughter, Paula, who with her husband Clayton Stegemöller, resides in Lubbock.

### VISIT HERE

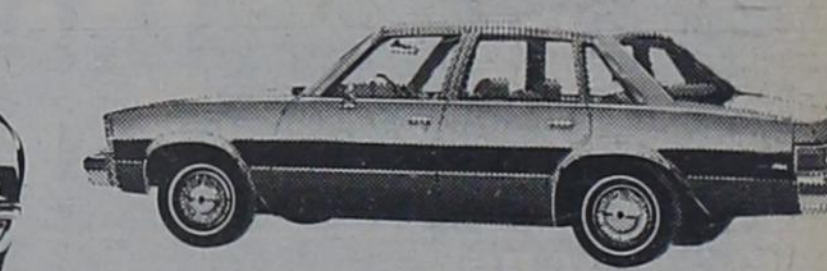

Mrs. Linda Rogers and daughter Susan of Sweeney, visited in the home of Mr. and Mrs. Curtis Williams last week. Mrs. Rogers is the sister-in-law of Mrs. Williams.

# COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

**Bergland Sets Ag Policy Meetings**  
Agriculture Secretary Bob Bergland, continuing his call for "national dialogue" on the structure of U. S. agriculture and rural life, has scheduled meetings for public comments and suggestions, including one Texas site. Bergland said forces that have shaped today's agriculture need to be re-examined. Those wishing to comment at meetings should sign up in advance, and written comments can be sent to:

Project Coordinator, Structure of Agriculture, USDA, Washington, D. C. 20250. Meetings scheduled in Cotton Belt states include Wichita Falls, Tex., December 6. Secretary Bergland and other top USDA officials will attend each meeting.

**Exports Rise**  
Exports of 110,200 running bales during the week ended July 22 brought the season's total to 5,799,100 bales actually shipped overseas, compared with 5,181,300 a year ago. The week's net

new sales of 22,500 bales pushed total orders for the marketing year to 6,918,200 bales, compared with 6,478,500 a year ago. China bought 29,700 running bales, bringing its total commitment to 687,700 for the year. New sales of 123,200 bales for 1979-80 delivery brought the new year's total to 2,475,800 thus far. Major buyers were Japan, China, Indonesia, and Greece.

**Water Bill To Be Considered In September**  
The bill by Sen. Frank Church (D-Idaho) to update federal irrigation water laws will be the second order of business when the Senate resumes September 5. It will be taken up following action on the Treasury-Post Office appropriations bill.

**Rules On Low-Volume Sprays**  
The Environmental Protection Agency has advised that ultra-low-volume pesticide applications are prohibited except where the product label specifically allows such applications. Use of a pesticide with any amount of dilution less than specified on the label is unlawful. EPA said it would issue another advisory opinion on ULV before the 1980 growing season.

**And Cotton Yesterday Tractors furnished 99 percent of the power for land preparation, planting, and cultivation by 1960. However, they furnished only 51 percent of the power for cotton harvesting that year.**

## Yoakum No. 1 oil producer

DENVER CITY—Yoakum County here is the No. 1 county in the continental United States in the production of crude oil.

At least that's the claim of the Denver City Press which has spent some time looking into the matter. Yoakum County produced 74,354,617 barrels of crude in 1977 and 71,164,311 in 1978.

The second largest producing county in the nation is believed to be Plaquemines in Louisiana. In 1977 it pumped 65,736,113 barrels, including off-shore production within three miles. Production figures are not yet available for 1978, but production has been dropping in that county at a faster rate than in Yoakum county.

Gaines County, directly to the south of Yoakum, ranked second in oil produc-

tion in Texas last year with slightly over 60,000,000 barrels of production making that two-county area in far West Texas the center of the largest producing area in the United States.

**CLASSES RESUME**

Twin Cedars Nursing Home News

Sunday services were brought to us by the Calvary Baptist Church with Rev. Morgan Ashworth officiating. Next week services will be brought to us by the Faith Lutheran Church with Rev. Don Neuman officiating.

Visitors this past week were Lester Nichols, Lottie Sanders, Modena Farmer, Walter and Myrl Mathis, C. A. and Lucille Walker, Freda Harmon, Darla Sherrill, Faye Horton, Leon Clary, Jodene Clary, Dusty Clary, Addie and Terrell Brown, Gerald Clayton,

Juamta Telly, Tammie Kelley, Dennis Telly, Annie Odum and Maysel James.

We have two residents with us now they are Mary Caywood and John Waldrip. We are very pleased to have them with us and want to make them feel welcome.

ICE CREAM SUPPER

The Graham Church of Christ closed their meeting Wednesday night, August 1 with an ice cream supper in the community center following the service. Visitors included guests from several area towns and from Switzerland and Germany. Bruce Evans, of Hobbs, N.M. held the meeting.

Hoppers eating windbreak trees

LUBBOCK -- Grasshoppers are stripping and severely damaging rangeland and crops in the Texas Panhandle, and may have their eye on high-value windbreak trees. "When grasshoppers exhaust their food supply of grass and small plants, they feed on the tender foliage of trees. In the Panhandle, this means the trees in windbreaks and shelterbelts," said Robert Fewin, windbreak silviculturist with the Texas Forest Service. The most susceptible species to grasshopper damage are conifers and ever-

greens, especially ponderosa pines. During epidemic outbreaks, grasshoppers eat all green foliage within reach, which weakens the tree. Since pines cannot replace their leaves as rapidly as deciduous trees, they are more seriously injured by defoliation than hardwoods. One year of complete defoliation may be enough to kill a tree, especially during a dry summer, according to Fewin.

Last year, grasshopper defoliation killed numerous ponderosa pines in newly established windbreaks. Heavy damage also was reported in 15-20-year-old windbreaks near Spearman and Perryton, killing 25-30 foot trees.

Many counties in the Panhandle are currently under an areal spraying program using the insecticide malathion under a cost-share program between landowners and several governmental agencies. Malathion and other currently registered insecticides are effective in controlling grasshoppers. However, chemicals must be applied directly to the insect, requiring repeated applications to control migrating grasshoppers.

"Unfortunately, we don't know of any inexpensive control methods," Fewin said. "Other than spraying, there's not much that can be done to save the trees. Protective wire mesh cages can be placed around small

# Grid hopefuls pass physicals, check shoes

## Two-a-days to begin Monday

Slightly over 100 grid hopefuls, seventh grade through high school seniors, took their physicals Tuesday afternoon at the field house. If you're looking for an omen, all of them were pronounced fit.

David Thompson, new head coach of the Antelopes who moved here in the spring after three strong seasons at the Stanton Buffalo helm, faces a rebuilding year with the Lopes.

He sees it as a challenge. The Lopes began checking out football shoes at 7:30 a.m. Wednesday morning. The new coaching staff is ready and the boys are eager.

The squad will put on their uniforms and take the practice field for the first time at 8 a.m. Monday.

Under interscholastic rules, no pads will be allowed until Friday as the squad works its way into shape against summer heat during two-a-days. But once

the pads go on, its the usual rush from that moment on to the season's kickoff.

Although he hasn't definitely decided, Coach Thompson indicated he probably will call a scrimmage for Saturday morning, Aug. 18, to start fitting the pieces together in his squad puzzle.

After all, six of the eight coaches who will be working with the Lopes will be newcomers.

Then come the two scrimmages on the road — Ralls at Ralls Friday evening, Aug. 24, and classy Littlefield at Littlefield, the next Friday evening, Aug. 31.

Then the squad will be shaped up for its home opener with the Lockney Longhorns Friday night, Sept. 7.

The Lopes are coming off a 2-8 season with 10 lettermen, including four offensive and four defensive starters, and a lot of rebuilding to do.

Coach Thompson expects to wind up with 90 to 100 footballers out from the top four grades. And he adds: "I'd like to have more."

Dr. William Wilson and Dr. Ricardo Rodriguez conducted the football physicals from 4 to 6 p.m. and Coach Thompson expressed his thanks and the thanks of the coaches for the physicians' contribution to getting the season underway.

Coaching assignments for the new staff, as far as the Lope varsity squad is concerned at the start of practice, will have Lane Tannehill and Dewayne Osborne, who played at Angelo State and has coached two years at Odessa, working with the offensive and defensive lines; Jerry Reynolds and Arcadio Rivera will work with the offensive backs and receivers. Reynolds also will have the responsibility with the linebackers and Rivera with the secondary.

Rivera has assisted Thompson for the last three years and played during his college days as a defensive halfback at West Texas State University.

Randy Josey, who received all his playing experience here with the Lopes, and who will be coaching for the first time, has been assigned to the secondary and

**NEW GRID STAFF** — The eight-man Post football coaching staff, six of them new, posed for a picture on Antelope Stadium turf Wednesday morning. Top row, left to right, Darrell Radle, Arcadio Rivera, Jerry Reynolds, Dewayne Osborne, and Lane Tannehill; bottom row, Randy Josey, Head Coach David Thompson and Rick Compton. — (Staff Photo)

## South Plains club finishes fourth

The South Plains All-Stars, containing a big contingent of Post Teenage baseballers, finished fourth in the West Texas State Babe Ruth tournament at Plainview Friday, bowing to the Caprock-Panhandle All-Stars 4-0 in the third place playoff.

That game was the second of a Friday doubleheader in which Manager Boog Holly's South Plains club drubbed the Lubbock All-Stars 9 to 5 in the opener.

The victory over Lubbock was the high point of the tourney for the locals who then bowed to Caprock-Panhandle, a club they had earlier defeated in the first round.

Plainview All-Stars won the tournament Sunday pulling out a 4-3 triumph over the ALMO All-Stars in a game which went 12 innings.

The South Plains club suffered another shutout Thursday when they bowed to ALMO All-Stars 2-0 in a tight mound duel. Post got only three hits in that one. It was a scoreless game until the sixth when ALMO got both their runs on three hits off Mickey Keith of Tahoka, who went the route for South Plains.

Leslie Looney got the big win over Lubbock, going the first five innings with Raymie Holly finishing up. South Plains scored in every

inning but the fifth. Keith started the third place playoff game with Bryan Compton coming on in relief after Keith got into trouble in the sixth.

**'When people are shopping for homeowners insurance, I'm usually their last stop..'**

It's true, I can save a lot of people money on their homeowners insurance. And I can also assure them of the kind of first-class service that has made State Farm the largest homeowners insurer in the country. Add to that our Inflation Coverage that can automatically keep your protection up to date, and it's no wonder so many people stop shopping right here. If you're insurance shopping now, be sure and check with me.

## Hunting, fishing guide out Friday

**LUBBOCK** — The new Guide to 1979-1980 Texas Hunting and Sport Fishing Regulations will be available Friday, Aug. 10 at license vendors and P&WD offices across the state.

The 24-page guide for sportsmen will contain a summary on various licenses, permits and tags, fur-bearing animals, protected and endangered species, lake regulations, general saltwater sport fishing regulations, and general hunting and freshwater

sport fishing regulations. Each of the 254 counties across Texas are listed alphabetically with the various hunting dates and fishing rules affecting the sportsman in each county.

The counties are also listed as being either regulatory (governed by P&WD regulations established by the Texas Parks and Wildlife Commission) or non-regulatory (governed by general law or special statute both established by legislative action.)

Each county is also designated by a number and letter so it can be located on the state map in the centerfold of the guide.

P&WD regional and district law enforcement offices are listed on the back cover for sportsmen to visit or call for information or to report a game, fish, or water safety violation.

Included on the back cover is a pictorial guide

offensive backs. Rick Compton, an Eastern New Mexico grad who didn't play collegiate football and has no coaching experience, has also been assigned to helping with both lines.

The eighth coach, Darrell Radle, played two years at Sul Ross University and has coached two years under Thompson at Stanton. He will coach the centers and the defensive line.

Thompson said he, and Coaches Reynolds, Rivera, Osborne and Tannehill will also coach the freshmen and junior varsity, with the other coaches drawing junior high coaching assignments. Radle will be the head junior high coach.

Not a great deal has been accomplished on the new all-weather running track around the practice field, but the Antelope Boosters have completed the six-foot wire fence around the track and field except for installing the gates.

## Good wins at Cheyenne

Gary Good, son of former world steer roping champion, Charles Good, won the Cheyenne Frontier Days steer roping and a pay check for \$9,339.

Charles Good has been a "regular" for the OS Steer Roping here.

Son Gary with his Cheyenne is the leading money winner this year among the nation's steer ropers.

## Pool will be closed tonight

The city-county swimming pool will be closed Thursday night it has been announced because of the opening performance of the 39th annual Post Stampede Rodeo.

showing the white bass, striped bass, and thy hybrid bass. These fish have become so popular and numerous in Texas that most anglers now have a chance at catching one or more of three species.

# Customer averaged billing plan

**Southwestern's Averaged Billing Plan is designed to minimize the ups and downs in your electric bill.**

If you've wished the amount of your electric bills could be more consistent every month instead of changing so much between seasons — here's a way.

The Averaged Billing Plan is provided to HELP SMOOTH OUT THE HIGHS AND LOWS that occur in your electric bills. As the name implies, this plan arranges for you to pay an "average" rather than the actual amount used each month.

**Who's eligible for this plan?**  
Any residential customer with satisfactory credit, whose average bill is \$25.00 or more, can request the Averaged Billing Plan.

**How to get started.**  
All you have to do is call

Southwestern Public Service Company. There's no charge for participation in the Averaged Billing Plan. If for any reason you decide to drop the plan once you've started, just notify us. Payment by Automatic Bank Draft can also, in most cases, be arranged.

**This is how the Averaged Billing Plan works.**  
The dollar amount of your electric bill each month will be determined by averaging the actual dollar amount of your bill for the past 12 months. When the amount you have paid does not cover the amount you have used, 15 percent of the difference will be added to your monthly average.

So, the Averaged Billing Plan does not change your rate, but allows you to pay less during high-use months and make up the difference by paying more during low-use months.

# 550,000 more acres planted to cotton

COLLEGE STATION — Texas farmers have planted more acres to cotton, soybeans, rye and sunflowers this year but less to grain sorghum, corn, oats and rice.

The change is largely a shift in different crop acreages, as total crop acreage in 1979 changed little from that in 1978 acreage, points out Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A & M University System. The big shift is a 550,000 - acre increase in cotton and a 500,000 - acre decrease in grain sorghum, according to the June acreage report of the U. S. Department of Agriculture.

More than half of the nation's 13.9 million acres to cotton, up 8 percent from the 6.95 million in 1978 and 13 percent more than the 6.65 million two years ago.

High cost of irrigation water is a major factor pushing cotton acreage up, believes the economist. With cotton, farmers can stretch water further and still maintain cash flow at a higher level than with grain sorghum or corn. Too, the price of cotton in early 1979 was more favorable than grain.

Anderson contends that the strong interest in growing more corn that arose in the mid-1970's is dwindling. Most of the acreage and yield increase occurred on the irrigated High Plains area. But after reaching a peak acreage of 1.8 million in 1977, growers are planting about 1.3 million this year. Parmer, Castro, Hale, Lamb and Deaf Smith counties accounted for more than half of the 1978 Texas corn crop.

Interest in growing more soybeans continues, with 900,000 acres planted in 1979, up 100,000 acres from 1978 and 1977. In contrast, only 375,000 acres were planted to soybeans in 1976 and only 114,000 acres were planted in 1971.

Anderson explains this tremendous increase in soybean acreage with the fact that the soybean is one of the most versatile crops in America. It is used for animal feed as well as human food and serves as a

raw material for many industrial uses. Compared with other crops, soybeans generally cost less to produce, biologically fix their own nitrogen, and are relatively free of crop pests.

Last year, cash receipts from soybeans in Texas exceeded \$100 million. When all agribusiness activities associated with production are considered, their total economic impact was estimated at more than \$375 million.

Soybeans are grown in three different regions of the state, notes the economist. However, more than half the crop is produced in the upper coastal region. Other production regions include the Red River area of Northeast Texas and the High Plains area north of Lubbock. Much of the crop is produced in Hale, Liberty, Matagorda, Wharton, Harris, Chambers, Brazoria, Swisher, Lamb and Jefferson counties.

Rice, which is grown in 20 counties in the upper coastal region, has slipped from third in value among Texas crops a few years ago to fifth in recent years. Virtually all rice is grown within 150 miles of Houston where most of it is milled and packaged.

According to Anderson, the price level of Texas rice is sensitive to year-to-year variations in world production and supply-demand relationships. American growers have accounted for about two percent of world rice production in recent years. Yet, they are responsible for about 30 percent of the world trade in rice. So it is clear that most American rice is exported.

Increased interest in growing sunflowers stems from the need for an additional cash crop with low water and plant nutrient requirements, development of sunflower hybrids, and interest by food processors in Texas sunflower oil which has a high oleic acid content. This crop exhibits good cold and drought tolerance, is adapted to a wide range of soil and climatic conditions, and tolerates higher levels of hail, wind and sand abrasion than many other crops normally grown in Texas,

explains the economist.

Sunflower acreage is up more than 50 percent in Texas this year from the 45,000 acres planted in 1978. About 30,000 acres were actually harvested in 1978 with a yield of 727 pounds per acre. This production of 21.8 million pounds was valued at \$2,214,000. This was a sharp decrease from the 300,000 acres planted and 235,000 acres harvested in 1977. Leading counties in production in 1978 were Hale, Parmer, Castro, Bailey and Hartley.

## Rabies threat—

(Continued from Page 1) duty for at least another month because of injuries suffered to his hands.

Dr. Mills volunteered to devote his next two Saturday mornings at his veterinarian clinic at 318 East Main to the vaccination of pets. He said a single vaccination is required and will cost \$5. The council unanimously agreed also that the city's present dog ordinance is to be strictly enforced.

The city dog ordinance terms it "unlawful for any owner to permit or allow any dog to run or be at large." "At large" is defined as the state of being off the premises of its owner and not restrained by a leash, confined within an automobile, or located within 10 feet of its owner and obedient to said owner voice commands.

The ordinance does not require a city license, but does require vaccination against rabies and the wearing of vaccination tags on collar.

Dogs picked up either by dog catchers or turned in for bounty will be kept in the pound for six days before being destroyed and may be reclaimed by the owner for payment of \$3 impoundment fee and \$1 a day for keep, and meeting vaccination and tagging requirements.

When the point of dogs riding in the back of pickups was raised, Morton told the council such would be in violation of the dog ordinance if the dog owner parked and left his vehicle while the dog was still in the back of the pickup.

The council discarded any plan for the shooting of stray dogs here, either by sheriff's officers, a SWAT squad, or authorized citizens as "too dangerous" to the public although in South Texas border towns house to house searches by armed officers have been ordered and hundreds of dogs slain.

The dog bounty system, which was proved so effective here in the past, was deemed a much better choice although the council refuses to pay dog bounties to those under 18 because they do not want children

involved due to the rabies danger.

Dr. Mills told the council in opening the discussion, after it was moved to the top of the agenda, that 564 cases of rabies in animals already have been confirmed in Texas this year, the worst outbreak of the dread disease in almost 20 years, and that several children have died with rabies.

He said in the three months he has been here only a small number of pets have been vaccinated against rabies. He pointed out that a dog running loose can be identified as to ownership through the number on its vaccination tag by consulting him.

"I feel we now have an area rabies epidemic among animals," Dr. Mills told the council. "We should expect some rabid skunks in the next few weeks although we have no evidence up to now that they are rabid."

"This year," he added significantly, "we've got to do something about the stray dogs in Post."

He said "only in textbook cases do rabid dogs drool at the mouth. You can't be sure without testing the dogs head in the laboratory."

Dr. Mills added that the state law requires that a human bitten by an animal which is not caught or detained for testing must begin a painful series of anti-rabies shots within 24 hours.

Sheriff Pippin commented the stray dog situation today in Post is worse than after the last dog bounty campaign here to pick up strays had been completed.

Dr. Tubbs was the first to voice the opinion that Post already faced an emergency situation regarding the rabies threat, and Dr. Mills readily agreed. Dr. Tubbs also proposed the hiring of several dog catchers as one method of attacking the problem.

Dr. Mills said that a period of 10 to 14 days is required for rabies vaccine to build up protection against the disease in an animal, but that after this period such shots are considered about 95 percent effective.

Mayor Giles McCrary opened the discussion by observing that because of all the trouble involved, especially from dog lovers, "we haven't made a great deal of effort up to now to enforce our dog ordinance."

Dr. Tubbs made the second observation that the stray dog situation was deplorable with "stray dogs molesting little old ladies who walk on their doctor's orders."

Dr. Mills said there are 3,700,000 dogs in Texas with only an estimated 33 percent of them vaccinated against rabies.

Morton advised the council that taking action on just one thing will not solve the dog situation here, but the council should consider a program of several joint approaches.

Councilman Jack Alexander said he felt people are now more aware of the rabies threat than ever before through Post Dispatch stories and that the council could expect much greater cooperation from the public on the dog problem and rabies threat than it has received in the past.

The group agreed that Post must get a jump on its dog problem before the first rabies case is confirmed here.

Fuzzy Windham, who told the council he catches about 50 skunks a year in his trapping operations in the area, also was on hand to join in the very lively "council of war" on Post's dog problem and rabies threat.

## Revival to begin Sunday

Revival services will begin Sunday, Aug. 12 at the Pleasant Valley Baptist Church. The Reverend Bill Lacey, Moderator of the Lubbock Baptist Association will be bringing the lesson.

Jimmy Gary of Lubbock will lead the singing. Morning services will be held at 11 a.m. daily with evening services at 8 p.m., with the exception of Sunday night and services will be at 7 p.m.

## Report given on rodeo parade plans

Chamber Secretary Phyllis Morris spoke before Post Rotarians at their Tuesday luncheon in the community center on Chamber of Commerce plans for today's Post Stampede rodeo parade.

She was reported she was "well pleased" with the response received to invitations to participate in the rodeo parade.

Tomoko Fukasawa, 14-year-old Japanese girl who is spending the month in Post, was a club guest with Marinette Hays. Miss Fukasawa played a piano solo and spoke briefly in newly learned English.

## City Council—

(Continued from Page 1) duties after several years. Anyone interested in volunteering for the position should contact city hall.

Agree to pay \$2.90 a picture for a set of airborne thermal infrared survey pictures of Post, adopting a resolution deeming this to be of benefit to the city and its citizens so citizens can determine amount of heat loss from their homes.

Agreed to pay \$52.71 into a legal fund as the city's share in opposing a lawsuit filed by the U. S. Steel Corp. filed Dec. 6, 1978 in Travis County asking that district court to find the Texas city sales tax unconstitutional.

The Texas Municipal League is wanting to join defense of the suit, which it terms "the most important law suit in the history of municipal government in Texas." Each city is asked to pay 1-20th of one percent of its 1978 sales tax for the joint defense of the law suit.

Last year, Texas city governments received over \$400 million from the one percent city sales tax.

An uncovered lemon peel will absorb refrigerator odors and add its own fresh smell.

## Perinatal care program given

Dr. Harlan Giles and Dr. M. W. Heine of the Texas Tech University School of Medicine, recently presented a program on neonatal and perinatal care at Garza Memorial Hospital. Local attendees were Dr. William C. Wilson, Dr. Ricardo Rodriguez, Ed Zintgraff, Laverne Jones, R.M., Mayor Giles McCrary, and Dawn Olive, E.M.T.

Modern techniques in the delivery and transportation of the obstetrical patient with a distressed infant were presented and discussed.

This program was the first in a long series offered by Texas Tech to rural communities attempting to continue their efforts in the provision of outstanding obstetrical care. Laverne Jones, director of nurses, noted, "It is gratifying to observe specialists from the larger metropolitan areas offering programs of this nature to the small, rural medical care provider." Ed Zintgraff, Administrator commented "The communication network being developed through joint efforts by both Texas Tech and Garza Memorial Hospital will soon prove to be of major benefit to the residents of Garza County."

## HOST FISH FRY

Dr. and Mrs. Charles McCook and Mr. and Mrs. Mose McCook of Abilene, parents of Dr. McCook were hosts for a fish fry held in the McCook home Friday night. Approximately 30 guests enjoyed the meal served on the lovely patio.

## ATTEND SHOWER

Mrs. Billy McKamie, Mrs. Betty Pierce and Allene Ammons were in Brownfield Saturday to attend a shower for Mitzi Dixon, bride-elect of Tim Jenkins, nephew and grandson of Mrs. McKamie and Ammons and Mrs. Pierce.

## SNYDER VISITORS

Mr. and Mrs. Terry Huestis and son of Snyder visited over the weekend with Mrs. Bobbie Josey and family. Mrs. Huestis is the former Linda Josey. She and her husband are both teachers in the Snyder school system.

# Rodeo Dance

Saturday, Aug. 11

9:30 to 1:30

Rita Havens and the Stagecoach Band

Western Danceland  
Post, Texas

## Stampede—

(Continued from Page 1) at noon Wednesday with 51 already entered as of Tuesday afternoon. Only 10 saddle bronc riders and 28 bareback bronc riders were entered Tuesday, but more are expected.

The barrel racing will be of the nightly jackpot variety with 41 barrel racers signed, 12 for Thursday night, 17 for Friday and 14 for Saturday with many more expected by the time the books close right on The Dispatch's weekly deadline.

Besides a nightly wild cow milking contest, each performance will also feature a special clown act by Snuffy Chancellor, and something new in rodeo clowns — Kris Brown "the bull jumper."

Brown is a young leaper who soars like a bird out of the path of the bull's horns. That is, most of the time, he reported to The Dispatch Monday afternoon.

Kris is going to make the bull riding doubly interesting for both the bulls and the spectators.

Terry Walls of Stephenville again is the producer for the Stampede rodeo.

New steel covered stands will afford spectators protection in case a shower does blow in.

A big western dance will be held on the covered slab each night next to the rodeo arena with Weldon Reed and the Solid Country playing for the dancing.

## Postings—

(Continued from Page 1) lines to offer updating Bryan Davis' football career there.

Bryan, former Lope quarterback in two of Post's most recent "glory years", lettered and started as an offensive linesman for Howard Payne last season. He not only is expected to start at split tackle this year but is rated as a candidate for Lone Star Conference honors. Bryan will be a junior this year. He's listed as a 6-4, 225 pounder.
