

Possible 'Tornado' Rips Post

By BETH SHORT

Post was virtually caught "unaware", last Tuesday night, as an apparent twister came over the downtown area, close enough to cause approximately \$75,000 damage, but not completely touching down.

No warning was given from the weather bureau on the Lubbock TV stations, and no warning was given from the storm warning system here in Post, but the unmistakable roar of the twister was reported by several Post residents.

The low moving clouds came over Post about 9:30 p.m. tearing off roofs, uprooting trees, and destroying carports and other small outbuildings that were not enclosed.

Most damage to homes in the area, were from broken windows, shingles blown off the roofs, and fences that were torn down.

Several business and the Post Office, which is in the First National Bank Building, suffered considerable damage.

The roof of the Post Office building was torn off, and water poured into the facility, as well as the adjoining offices to the west.

Dr. Charles McCook's office, and the ASCS and SCS offices were flooded.

Higginbotham-Bartlett lost about 65 feet of lumber

shed, as well as broken windows, and water inside the main building.

Garza Auto lost two large plate glass windows, and suffered some water damage and the office building of County Judge Giles Dalby lost the glass door in his personal office which sustained water damage inside.

The McCrary building lost some of the siding and roof off the east side of the building, and Garza Tire Company lost most of its roof.

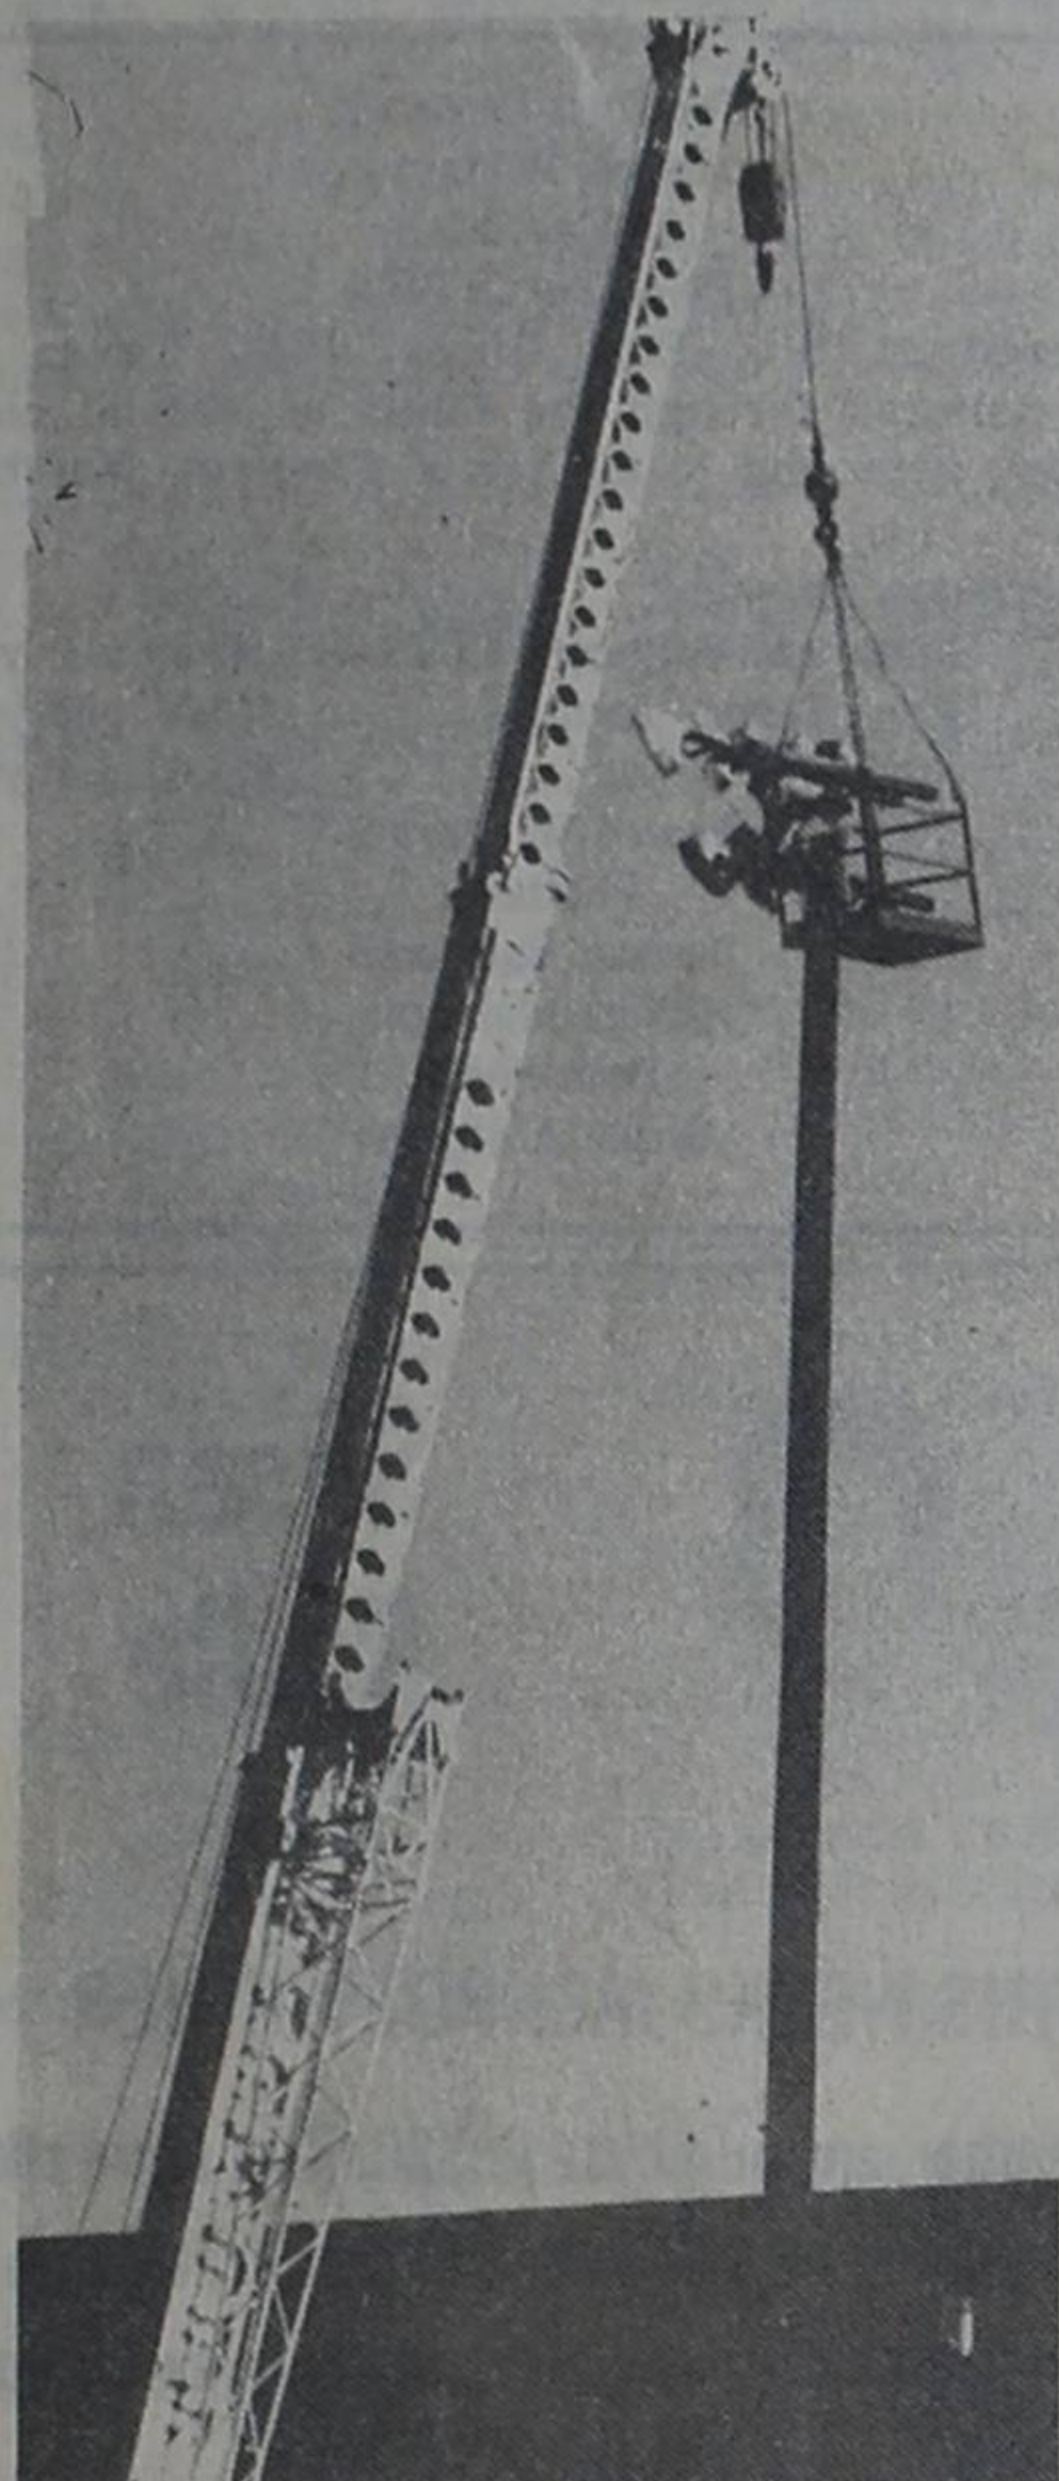

Justice-Mason Funeral Home lost a portion of its roof and damage was done to a pickup parked on the property.

The school suffered scattered damages to all three school plants, and the new mini storage buildings which Don Tanner was building on South 84, were damaged and were just nearing completion.

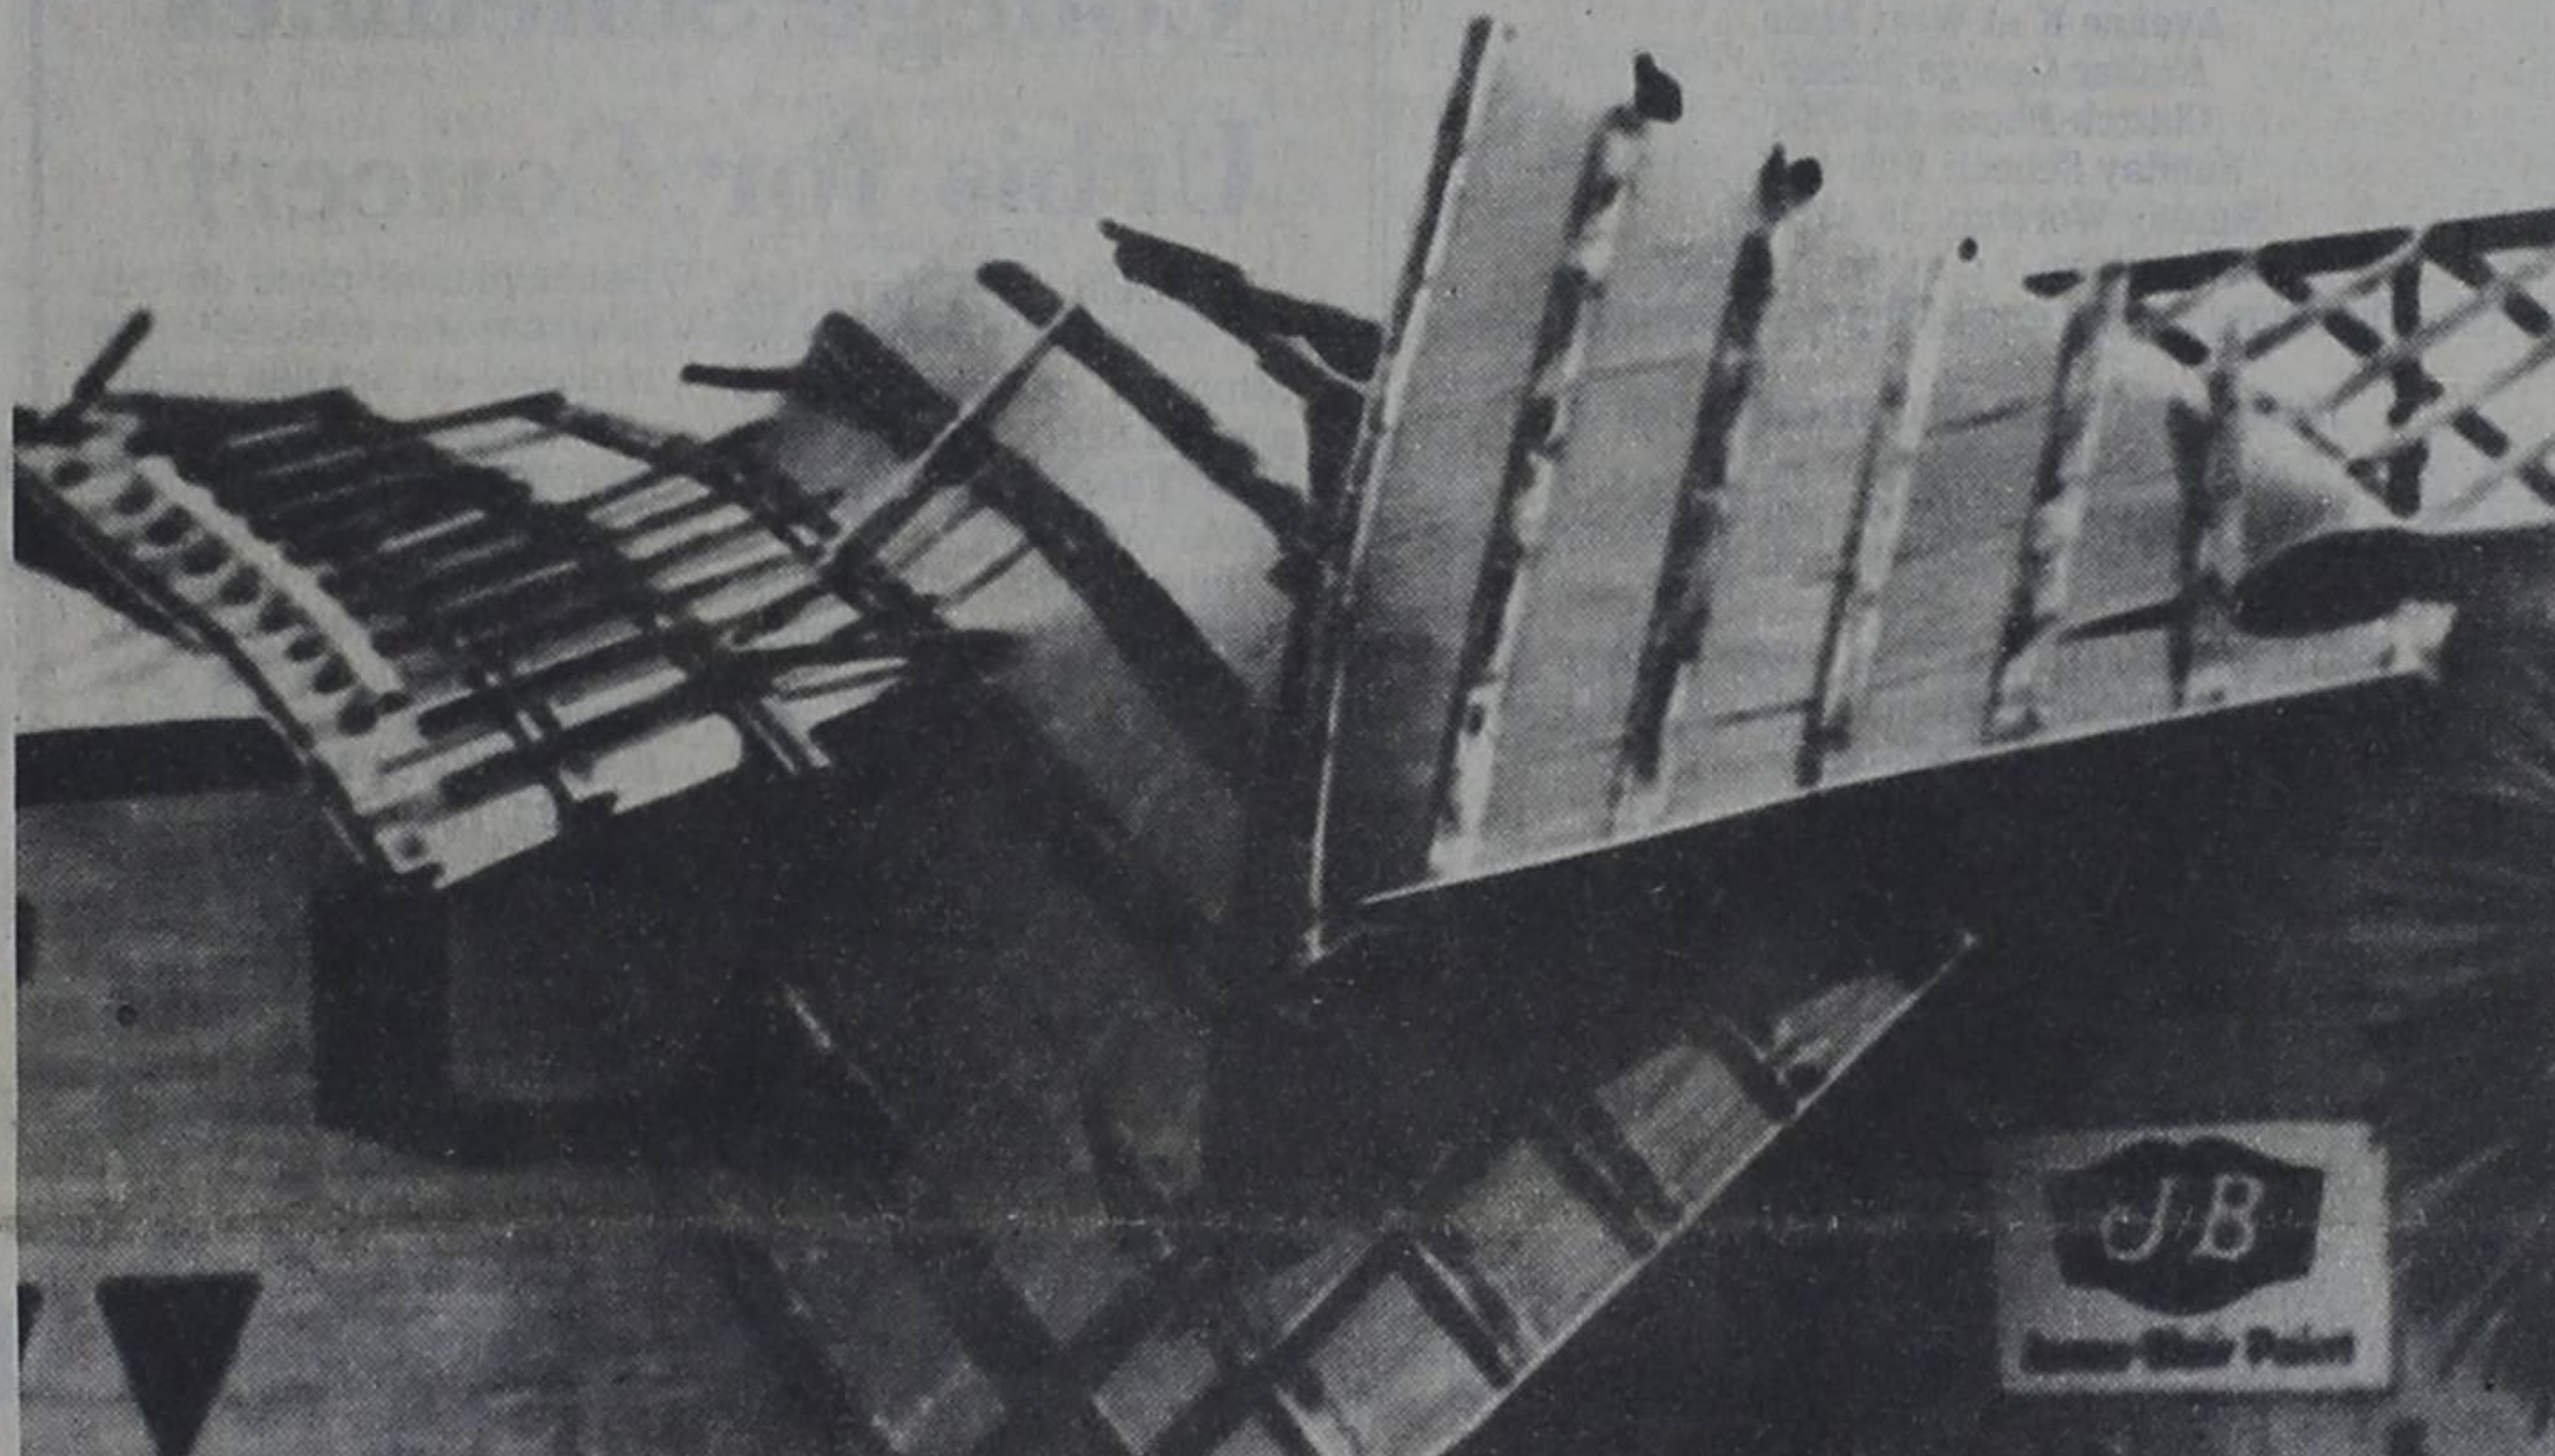

Many homes in Post reported losing trees, and other minor damage, but all in all Post was very lucky.

Post received approximately one inch of rain during the storm, and some small hail was also reported.

Sunday morning rains brought about 1½ inches of rain, a little late to help the county cotton crops, but will benefit the ranches. West Texans never can turn down a good rain.

STORM REPAIRS — The lights at the Antelope football field had to be turned back the right way early Friday, following the storm Tuesday which turned them all facing the north.

WEATHER BUREAU SAYS IT WASN'T

LOSES LUMBER SHED — Higginbotham-Bartlett Lumber Co. lost approximately 65 feet of lumber shed in the Tuesday night storm. This shows the west side of the structure, with the roof literally rolled off.

Community-Wide Blood Drive Set for October 16

A community-wide blood drive will be held Saturday, Oct. 16 from 9 a.m. to 5 p.m. in the Community Center, with the Post Ministerial Alliance serving as coordinator for the event.

Rev. Tom Pass was elected as chairman of the blood drive, which is administered by the United Blood Services of Lubbock.

We're setting a goal of 100 units of blood," Pass comments, "and we believe that the people of this

community will respond to this important call for help."

The churches who are members of the Post Ministerial Alliance were asked by United Blood Services to help in the blood drive, because "Christians understand that sharing of blood is a Christian thing to do, it follows our Christian teachings of sharing and giving," donor resource manager Barbara Granbury explains.

The United Blood Service is a non-profit organization serving 22 counties in this area.

The average monthly demand for blood from this area is approximately 2,000 pints and the only source for blood is through volunteers.

Garza Memorial Hospital is one of 35 area hospitals who depend on this service, and most of Garza County residents who need blood are treated in Lubbock hospitals where blood is provided by United Blood Services.

Blood donors are encouraged to contact one of the minister members of the Alliance to set a time to donate during the October 16 drive.

The following ministers are available to schedule people for the blood drive:

J. W. Brown, 495-2359; Kenneth Cook, 495-3474; Church of the Nazarene, 495-3044; Bob Ray, Faith Lutheran; Glenn Reece, 495-2814;

Steve Traw, 495-3716; Tom Pass, 495-2315; Kenney Kirk, 495-2942; George Roney, 495-2791; Leon Medina, 495-2610; Arthur Kelly, 495-3192, and Albert Shults, 495-3038.

Dispatch Delivered Wednesday

By WES BURNETT

You might have noticed something a little different about your newspaper last week...for one thing, it was delivered to you as a subscriber on Wednesday with your other mail.

The earlier delivery of your newspaper was made possible by the changing of our printing time from Wednesday afternoon to Tuesday evening.

This earlier printing time also means we have to be ready a day sooner, so of course we'll have to have

news and advertising in earlier to meet these deadlines.

We believe our subscribers should get "first shot" at their newspaper, although we still have extra copies available late Wednesday afternoon for our newsstands.

If you want to get the first glance at the Post Dispatch, call us at 495-2816 for a subscription and you'll get your copy in your mail on Wednesday.

We're Off to See Littlefield Next

By WES BURNETT

Friday night in Littlefield will be a real test for the Post Antelopes...and fans who make the trip are in for a top-notch brand of West Texas football.

"They are big and strong and tough...they're really a good football team," Antelope coach David Thompson sizes up the Littlefield team.

Bryan Gregory, a 160 pound senior quarterback, leads the offense and is a good passer and runner.

He hands the ball to Larry Cantu, a 155 pound junior with excellent speed and is a tough runner.

The offensive line is big and tight end Pat Demel, 205 pound senior, is an offensive and defensive leader.

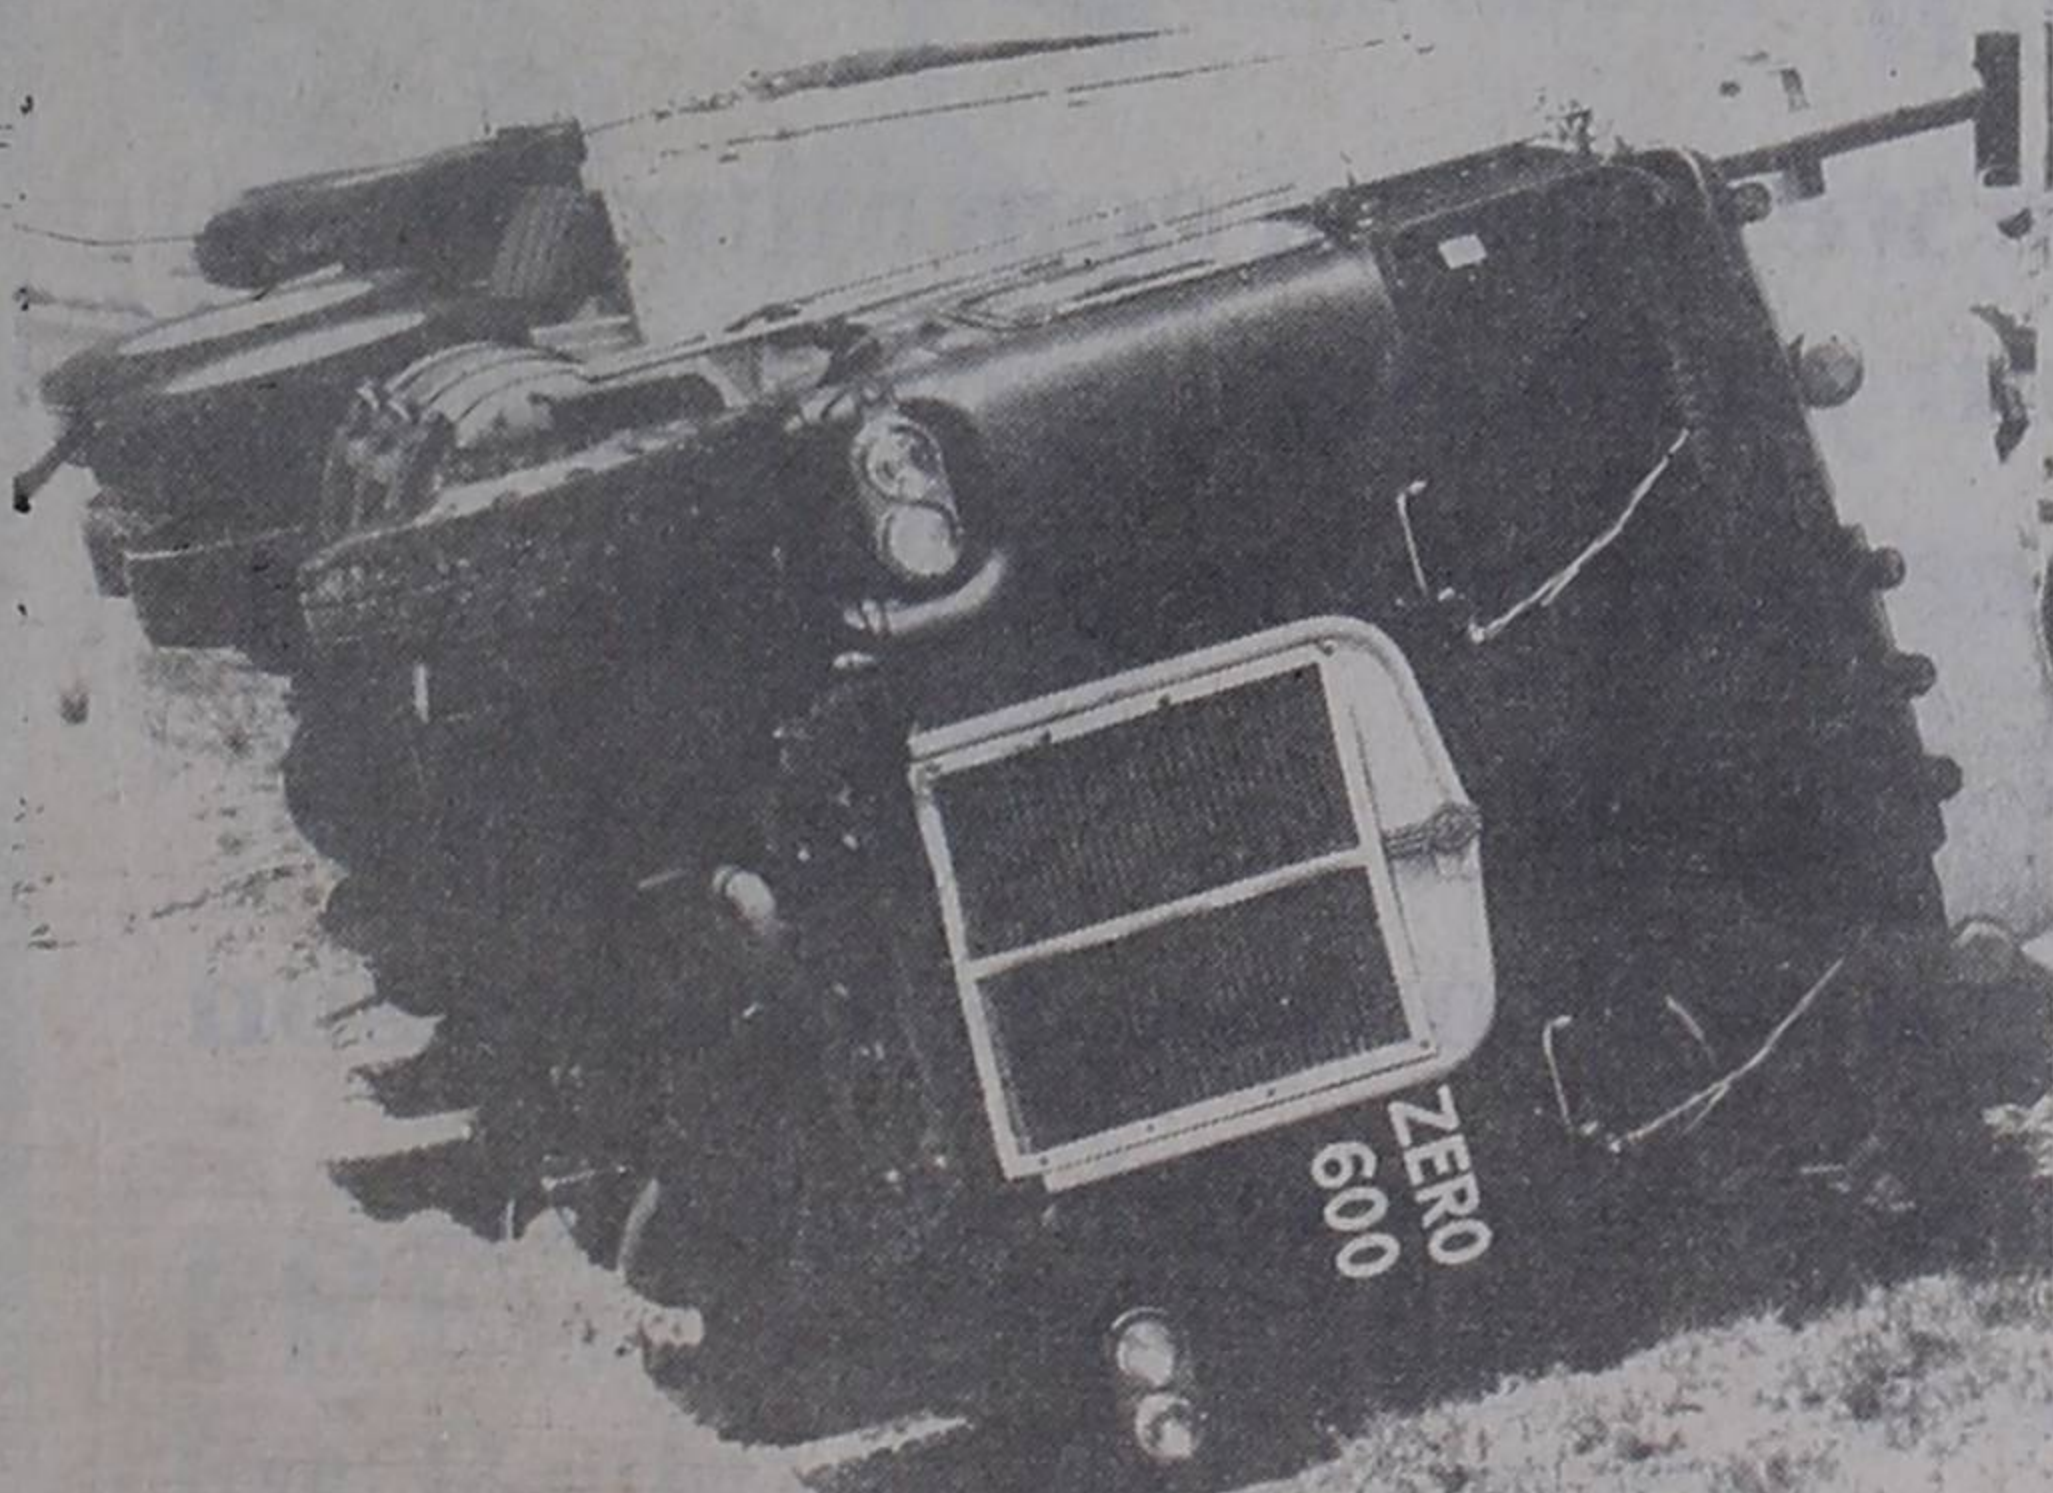

The offense uses an I formation with slot and wing variations and Littlefield mixes up the running and passing well.

They use a 5-2 base defense with Demel at linebacker, Gregory at safety and 205 pound senior Scott Lewis and 175 pound senior Damon Daily anchoring the defense.

"This will be a real test," Thompson adds, "they are an excellent team, they are well coached and they play real hard."

Littlefield slipped by Slaton 3-0 last week and are considered favorites in their district.

Game time is 8 p.m. in Littlefield.

EARLY SUNDAY WRECK — This semi-truck belonging to Zero Refrigeration Co. of San Antonio, south bound on Hwy 84, early Sunday morning slid off the road into the median during the rain storm. No one was injured. Driver was Robert Currie of Roscoe and a back up driver Millard Watts of Georgetown was sleeping in the truck.

Charles Adams (left) gets help from Bob West with the new Antelope Booster Club jackets. The attractive and warm jackets are on display at Bob West's Western Wear, where orders may be placed.

Guy Allen Tops List of Ropers

Guy Allen, who won the 1981 OS Steer Roping, will head the list of steer ropers this year, as the 12th Annual OS Roping and Art Show slated for Oct. 1, 2, and 3, gets off to a flying start. He is heading a list of 36 ropers returning for the roping.

News from the Pro Rodeo Association received this week by the Dispatch, stated that 24-year-old Allen won his third steer roping world championship last weekend. He went into the National Finals Steer Roping at Laramie, Wyo., with a big lead, winning \$2,792 to cement the championship. He finished nearly \$8,000 ahead of second place steer roper, Phil Lyne, who is also among those coming to Post for the OS Roping.

Allen, from Lovington, N.M., had previously won world titles in 1977 and 1980, and he and Kenny Call tied for the fastest one-steer time at the 1982 National Finals Steer Roping with 13 seconds flat.

The big money winner at Laramie was Wade Lewis, a 33-year-old roper from Hereford, who won the average after ten rounds, and totalled \$5,166 for the Finals, moving from twelfth to sixth place in the final 1982 world steer roping standings. Lewis is scheduled to be in the OS Roping also.

Among former winners of the OS Steer Roping who will be back for this year are Allen who also won in 1978, John Barnes of McCune, Kansas, 1975 winner; Arnold Felts of Mutual, Okla., 1979 winner; Lewis Kinkead, of Tucumcari, N.M., 1977 winner; Phil Lyne, of Cotulla, Tx., 1974 winner; Pecos McEntire, of Pittsburg, Okla., 1972 winner; Rex Prather of Lubbock, 1980 winner, and Olin Young of Jena, La., 1976 winner.

Other ropers on the roster include, James Allen of Santa Anna, Tx.; Mack Altizer, Del Rio, Tx.; Nick Andrews of Miami, Ok.;

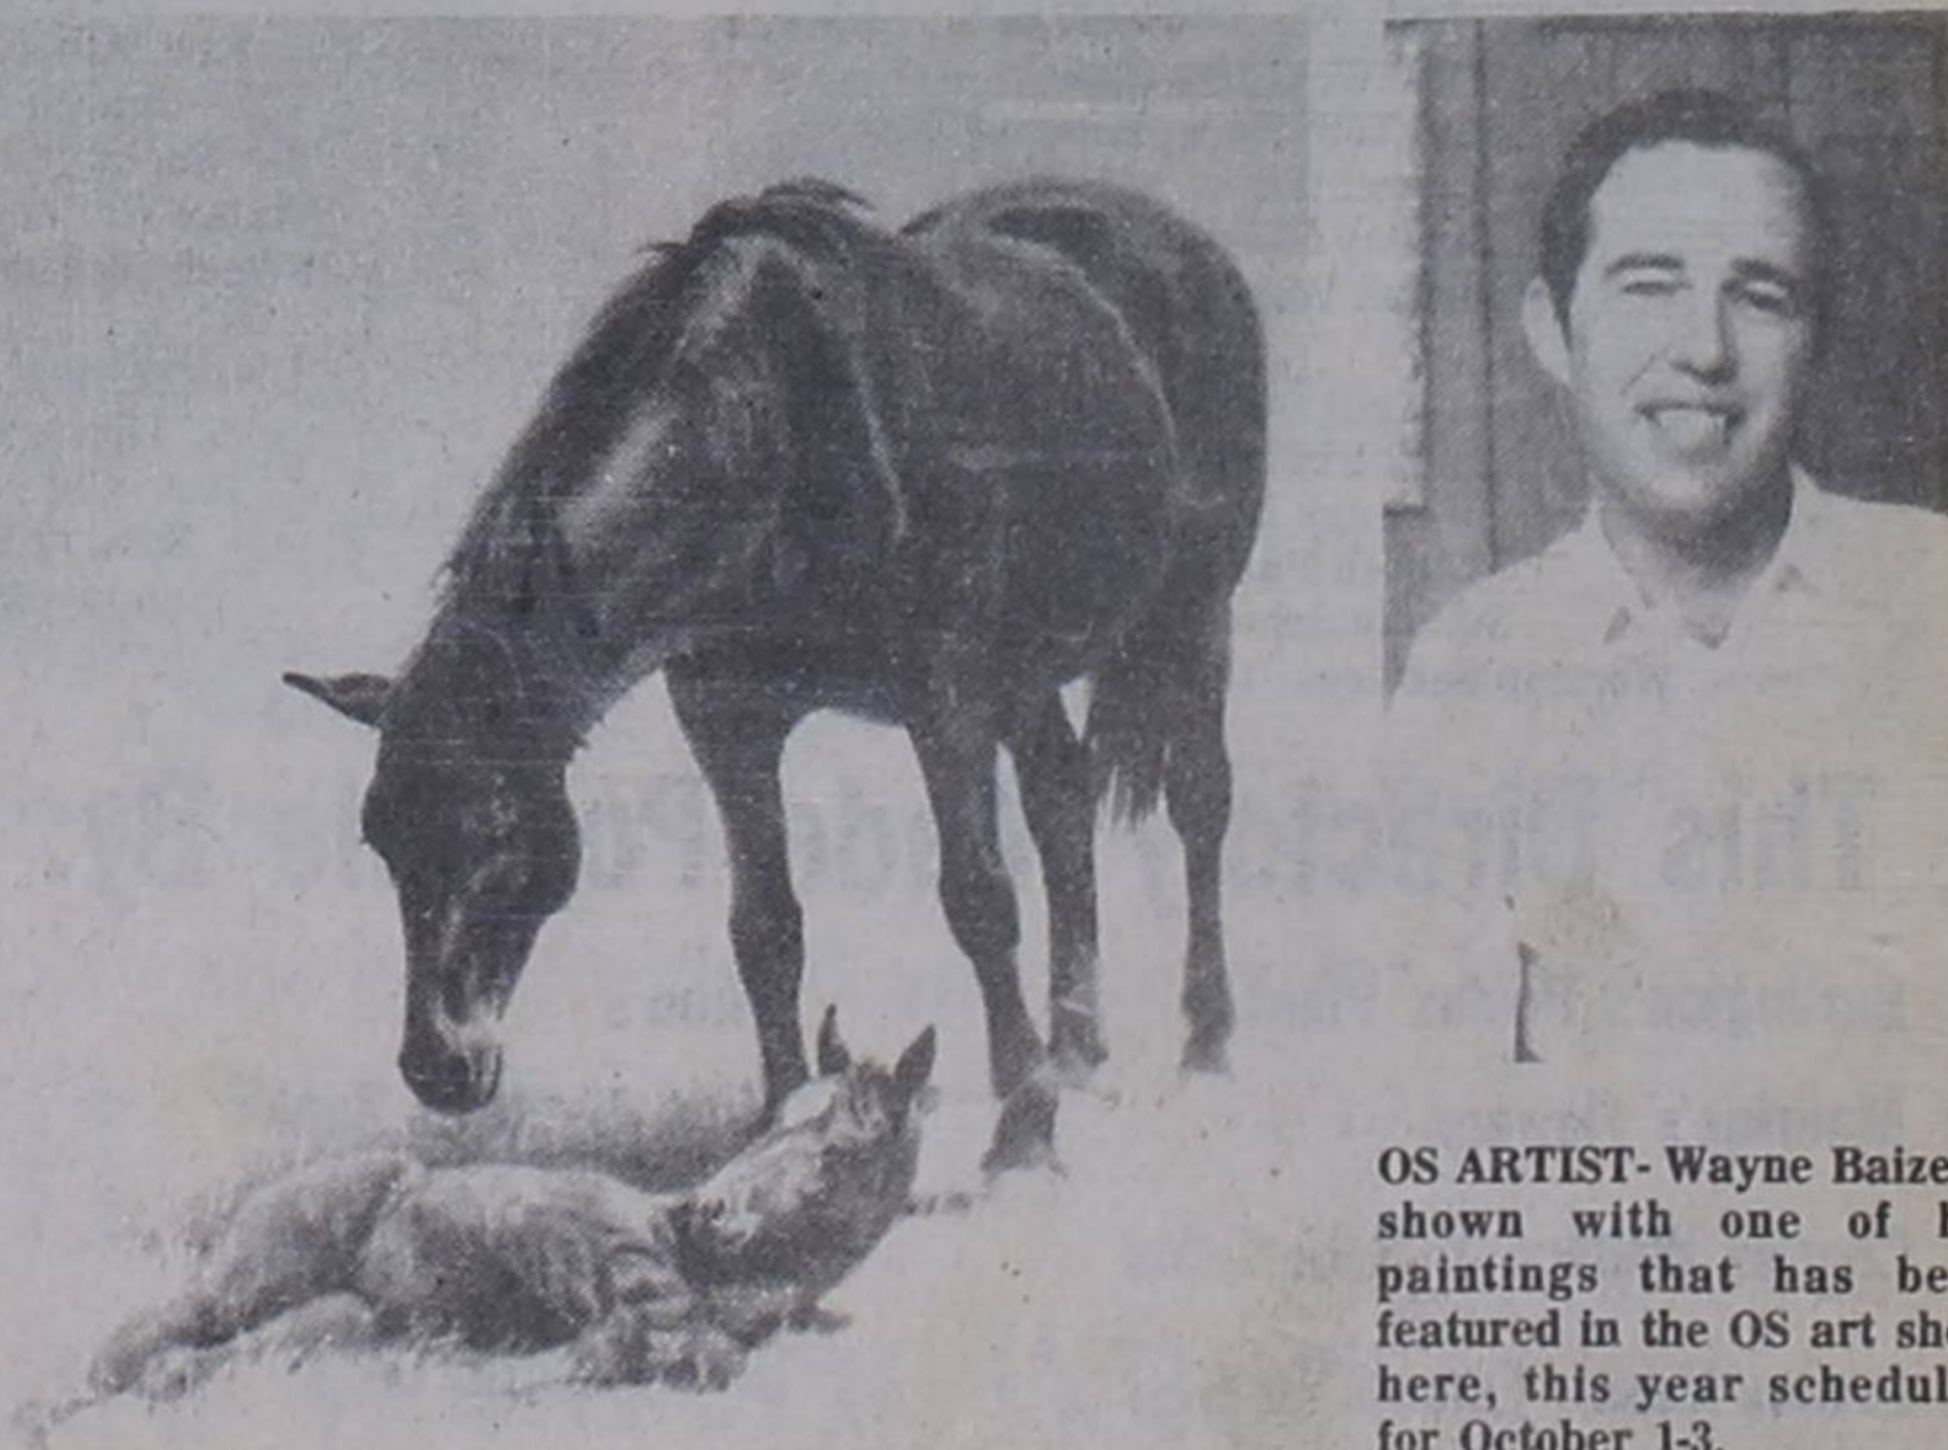

Walter Arnold of Silverton, Tx.; Jimmy Brazile, Gruver, Tx.; Randy Burchett, Prior, Ok.; Roy Cooper, Durant, Ok.; Kelly Corbin, of Delaware, Ok.;

Jim Davis, Pecos, Tx.; Sonny Davis, Weatherford, Tx.; Eldon Dudley, Perryton, Tx.; Rocky Garnett,

(Continued from Page 15)

OS ARTIST — Jim Hamilton will be here at the OS Art Exhibit, Oct. 1, 2, and 3 and is pictured here with his sculpture, "Man Talk", that was featured in the 1981 show here at the OS Ranch.

OS ARTIST — Wayne Baize is shown with one of his paintings that has been featured in the OS art show here, this year scheduled for October 1-3.

Council Approves Budget

The Post City Council met in special session Monday evening to approve the 1983 budget, revenue sharing and tax rate.

The tax rate was established at 17.5 cents per hundred of assessed value, which is determined by the Garza County Central Appraisal District.

The council also approved on its second reading an amended mobile home ordinance which includes new restrictions on lot width, length and placement of mobile homes on lots with other existing buildings.

In an emergency action, the council approved the repair or replacement of the door at the city warehouse

at an estimated cost of \$325. The damage follows the storm which struck last week.

Bids were authorized to be advertised for the remainder of the damage to the roof, and the council approved the plan to concrete the floor while this repair is being done.

Parkhill, Smith and Cooper of Lubbock was awarded a contract to prepare the application for a Community Development Block Grant to the federal government.

Attending the meeting were Mayor Giles McCrary, council members Jack Alexander, Mrs. Maxine Earl, W. G. (Bill) Pool, Jr., city manager Rebecca King and city secretary Wanda Wilkerson.

There were no citizens at either the budget or revenue sharing public hearings.

RECEPTION — Mrs. Giles Dalby, left, is shown with Mrs. Mark White during a reception held in Mrs. White's honor Thursday afternoon in the bank community room.

Leola Anderson Presents Paintings

SNYDER — A painting demonstration by Leola Anderson, Colorado City artist, will be given at 2 p.m. Sept. 29 in the Fine Arts Building at Western Texas College.

Mrs. Anderson is currently showing paintings and drawings in the Fine Arts Gallery, with the exhibit to remain through Sept. 30. A graduate of Western

Texas College and the University of Texas of the Permian Basin, Mrs. Anderson is working toward her master's degree at UTPB.

There will be no admission charge for the painting demonstration. Persons wishing further information are invited to call the Fine Arts Division office at WTC, 573-8511, extension 234.

School Board Accepts Bids

The Post Independent School District Board of Trustees met Sept. 14 with Dr. McCook, Don Payne, Jack Lott, Edwin Lewis, Prudencio Basquez, Jack Kirkpatrick, and Royce Hart present.

Mr. Darrell Radle, representing Post teachers, proposed insurance coverage for teachers. The Board unanimously voted to provide individual employee

insurance coverage with a limit of \$102,000 to be spent this year on the plan. Bryan Williams will present details September 28.

The 1982-83 Budget was approved unanimously. The board voted to increase the local salary of band director Steve Ladd by \$2500, and to hire Mr. David Joyner to teach mathematics at the regular Post ISD salary scale.

The Board authorized the Superintendent to sign emergency petty cash checks, reimbursing those expenditures by the regular purchase order procedure.

The Board approved the Limited English Proficiency Report over the objections of Dr. McCook and Mr. Hart.

By Board action, there will be no scheduled athletic activities during the Christmas holidays.

Finally, the problem of crowding in the Primary Building was discussed.

College Schedules Urbis for Concert

SNYDER — Richard Urbis, concert pianist and composer, will perform at 8 p.m. on Sept. 25 in the Fine Arts Theatre at Western Texas College.

His program will include works by Mozart, Chopin, Debussy, Rachmaninoff plus jazz and pop music with an original pop composition.

Urbis' most recent international performance was in the Tchaikovsky Piano Competition in Moscow during June, 1982. The

Rachmaninoff piece on this program was selected to be replayed on Russian radio.

The concert is under the sponsorship of the Fine Arts Association at Western Texas College and memberships in the association may be purchased at the program. Single admission tickets will be \$6 for adults and \$3 for students and children. Persons wishing further information are invited to call the Fine Arts Division office at 573-8511 extension 234.

We Keep Our Promise, Claims.

Many companies spend a lot of time trying to avoid paying them.

But not at BRYAN WILLIAMS AND SON We take an entirely different point of view.

Instead of looking for loopholes, we look for a way to settle the claim quickly and fairly.

WHY?

Because we made a commitment to you when you bought your policy. And we realize our reputation is on the line.

Keeping our Promise, is one reason we're number one with so many customers.

New Doctor to Serve Post

The Garza Memorial Hospital Board of Directors announces that they have contracted with Dr. Steve Chun to move to Post about the middle of October and set up practice. Dr. Chun, an American citizen, completed his residency in New York, and has practiced at Mercy Medical Center in Springfield, Ohio for the last 7½ years. He has an eleven-year-old daughter.

During the September 9 Special Session, one indigent application was tabled, then approved on September 16, along with a second application.

The tax rate was set at 8½, no change over last year. The budget was also approved for fiscal years 1982-1983.

Fifteen patients were admitted during August, compared to 24 in August, 1981. The total patient days were 30, compared to 62 last year. The average stay was 3.3 days. The hospital averaged 2.7 patients per day. Seven babies were born last month, and there were no deaths. 225 patients were seen on an outpatient basis.

Mickey Mantle Congratulate Haire

Legendary Baseball great, Mickey Mantle, public relations director for Reserve Life Insurance Company, was on hand to congratulate Johnny Haire on his outstanding sales achievements. Mantle honored 198 of Reserve Life's National sales "champions" held in Montreal, Canada.

The Dallas-based Insurance Company annually recognizes outstanding performance of agents and managers throughout the United States. Haire achieved top honors in his prestigious group.

"Like all our agents," commented Mantle, "Haire is a professional. His strong belief in Life Insurance as an important part of financial planning has helped many families strengthen their financial situation."

Haire achieved outstanding sales levels during the 18 month qualification period.

PSYCHOLOGY

In addition to a time for neatness, children need the proper tools for neatness. A lightweight carpet sweeper is much easier than a vacuum cleaner for a youngster to handle. With today's top technology, carpet sweepers can pick up everything from paper clips to pet hair. One new model, the Double Action from Bissell, features double brushes and over 15,000 bristles for fast pick-ups.

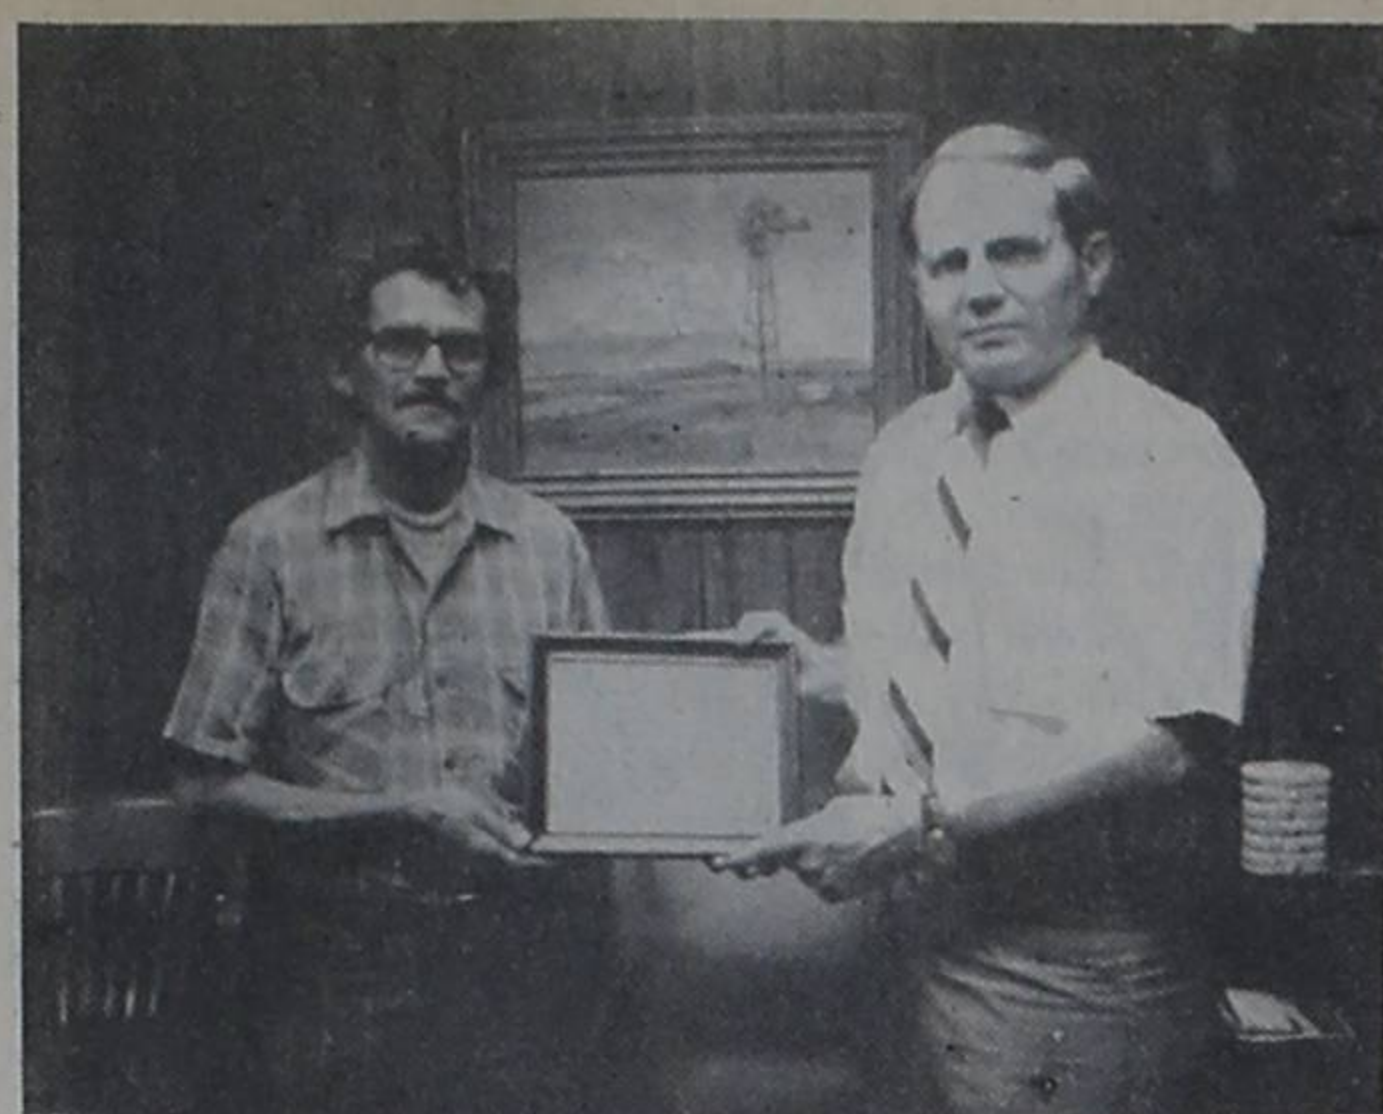

Johnnie Haire of Southland is congratulated by Mickey Mantle for his insurance honor.

Gonzalo Raymundo Rivera was honored recently in a meeting in plant manager Don Smith's office, commemorating 25 years of service with Postex Plant of Burlington Industries as of September 3. He is shown receiving his service certificate and awards from Mr. Smith. Mr. Rivera has been employed in the Carding and Spinning operation all 25 years as a doffer and more recently as a Spin Fixer Helper.

Mrs. Buelah Hubbard, Postex employee, is shown being presented her 25 year service pin and awards from plant manager Don Smith during a meeting in the manager's office held in her honor. Mrs. Hubbard, who resides in Tahoka, has been employed in the Sew-Pack Department continuously since her employment with Burlington Industries, August 28, 1957. She was a hemmer and inspector for many years, and the last few years has been a pillowcase tender.

The whole world knows Chris Evert, and as much of one person's story as sensationalized sportswriting and external judgments will allow. In "Christie," the world's ranking tennis pro tells her own

story, from childhood through her disillusionment with tennis, the pain of her breakup with Jimmie Connors, to her marriage to John Lloyd. She summarizes, "tennis, or any other sport, is not the total key to

happiness...Whatever your goal in life, try to do it to the best of your ability but stay happy...Most of all, along the way, don't forget to stop and smell the roses."

Elsdon C. Smith offers a "New Dictionary of American Family Names," nearly three times longer than the original "Dictionary of Family Names" which ap-

peared in 1956. Thousands of names, their meaning, and their country of origin are listed. You might want to look up Wolfeschlegelsteinhausenbergerdorff, a name made up by a German family which means "a descendant of Wolfeschlegelstein, one who prepared wool for manufacture on a stone, of the house of Bergerdorff, which means, mountain village. This name, incidentally, came out of the Philadelphia phone book. Or, look up your own family names!"

Stephen B. Oates tells the story of Martin Luther King, Jr., in a major biography entitled, "Let the Trumpet Sound." He suggests that King was a private individual with his aspirations, self-doubt, and inner struggle, as well as the public leader, a history-making figure whose hard-earned victories changed the course of race relations in this country.

Diana McLellan has the reputation for possessing "the most acute in Washington," carefully attuned to capital gossip, and tells all in "Ear on Washington."

Many people once considered it bad luck to mention the name of a king.

HONORED WITH FAREWELL RECEPTION — Charles and Barbara Hardin, center were presented with a gold tray for all their hard work on community projects while here in Post. Making the presentation were l to r, Bob West, Donna Stelzer,

Mr. and Mrs. Hardin, Margie Pennell and Bryan Williams III. The reception was held in the Post Community Center Sunday afternoon from 2 to 4. The Hardins are moving to Idalou where he will be associated with the bank there.

The Way I See It . . .

By WES BURNETT

I was interested in the comments of a group of auto workers interviewed on television the other day...they were belly-aching about the agreement with Chrysler.

The average auto assembly line worker is now earning \$15-20 per hour, five day work week guaranteed, and a whole fist-full of benefits.

The cost of manufacturing an American made automobile has been one of the main problems in our economy and much of the blame has to be shouldered by the workers themselves.

The manufacturers, The Way I See It, are not blameless either...because it has been their short-sighted management policies which have put the price of cars almost out of reach for us working folks.

How many of us get automatic cost-of-living increases?

Unless you're on the federal payroll you probably don't even know what that means.

I am not against trade unions, I just feel that in some cases the benefits and costs of union workers has exceeded the common sense and economics of production.

As a taxpayer I am amazed that after providing Chrysler with a multi-billion dollar loan guarantee, which kept about half of the Chrysler auto workers on the payroll, that they would have the nerve to complain.

With all the unemployment in the auto manufacturing business, you'd think they'd be happy to just have a job.

Oh, well, it takes all kinds to make the world 'round.

+++++

How about it folks...are there 100 of us in this community willing to share a little blood for a good cause?

On October 16 we will have the chance to show ourselves if we really believe what we say...that we give to others without asking for anything in return.

That's what happens when we give blood to the United Blood Services unit...our blood goes to the central bank in Lubbock and we have no idea who will benefit from our gift.

How do you get this chance to demonstrate your Christian belief?

Just call your minister and ask for a time to be at the Community Center...the rest is easy.

+++++

I stopped by our library the other day...and The Way I See it, we are really fortunate to have such a fine facility and such a great person as Mrs. Pierce to help us.

A good library is critical to a good community, and it looks to me (and I'm a newcomer here) that we have an asset that needs to be shared.

As the bumper sticker says..."Get to know a lifelong friend. Your library."

+++++

Guess what, the drought ended last week...and we did in fact have a pretty good rain. Too bad we had some "tornadic" type winds too.

But, that's the way it is on the south plains...you get some good with some bad.

+++++

Reminds me of an Army friend who looks terrible one morning as we shared a cup of coffee before going to class at the university...

"I figure it this way," he slurred, "I like to get real drunk...I mean absolutely smashed...at least once a year...and the hang-over is just rotten...I mean I feel like dying..."

"Why would you do such a thing to yourself?" I asked incredulously...

"Because," he paused, "when I get well I feel so good."

The Way I See It, there's got to be a better way to feel good.

Funeral services for Clifton Marshall Grigsby, 49, were held at the First Baptist Church Friday, Sept. 17, at 2:30 p.m. with the Rev. Kenneth Cook, pastor of the Church of God of Prophecy officiating assisted by Glenn Reece, pastor of the First Baptist Church.

Grigsby, a resident of Post for the past 25 years was pronounced dead near Shallowater by a Lubbock Justice of the Peace Tuesday, Sept. 14. He was a heavy equipment operator for H & M Construction in Post.

Born Nov. 20, 1932 in Woodland California, he had served with the U. S. Navy in Korea, and was a member of the local VFW, and the American Legion.

He married Virginia Jones in Dickens, Jan. 2, 1980.

Survivors include his wife; his parents, Mr. and Mrs. A. C. Grigsby of Pope Valley, Ca., two sons, Clifton Grigsby, Jr., of Del Rio and Terry Grigsby of Del Rio; two daughters,

Pamela of California and Beth Ann Masters of Post; four step-daughters, Arlene Kennedy of Sundown, Tammy Woolley, Spur, Angela Reeves and Judy Hair both of Post; five step-sons, Ray Reeves and Freddy Huff of Post, Morris Huff, Jackie Huff and Mike Huff all of Bloomfield, N.M.; three brothers, Bill Grigsby, Pope Valley, Ca., Jim Grigsby, Seattle, Wash., and Danny Grigsby of Pope Valley, CA., and one sister, Barbara Quick of Taft, Ca., and 11 grandchildren.

Pallbearers were Jimmy Moore, Cecil Johnson, Harley Turbyfill, Jimmy Don McEnroe, Tommy Jones and Jimmy Jones.

Burial was in the Dickens Cemetery under the direction of Hudman Funeral Home.

Twin Cedars Home News

There have been several visitors to come and see the residents. Some of the visitors were:

J. D. and Jeriah Spencer of Friona; J. P. and Cleo Jones of Lamesa and Darrell and Glenn Roberts.

Several activities have been going on, games, Bible reading, and taking the patients for walks in the warm sun.

Twin Cedars also has a new activity director, who is Tina Rodriguez.

Our sympathy to Mr. and Mrs. Robert Jones at the loss of their son-in-law, Cliff Grigsby.

Mr. Caylor has been going to the doctor several times a week in Lubbock. We hope that he will get better soon.

Cemetery Has Unique History

(Editor's Note: This story grew out of the Oral History Project of the Post Public Library. Other citizens of the area are urged to contact the library to volunteer to be interviewed.)

A new, handlettered sign points down a dirt road off Highway 62 west of Crosbyton. The two words on the sign, "Estacado Cemetery," do not begin to tell the story.

At a recent dedication of a new Texas Historical Marker at the old cemetery, Sam Ellis of Southland told the crowd, "this spot is sacred to me, not only because of family buried here, but also many other fine people buried here, people who first settled this area."

In 1879, Isaac Paris Cox brought a group of Indiana Quakers to the area, naming their new little community "Maryetta," after his wife.

They farmed 82 sections of land, in spite of severe winters, prairie fires, the need to transport lumber from Colorado City, and then Amarillo for homes, and a scarcity of water. "They dug the first well for water by hand: 6 by 6 by 120 feet. That's perseverance, or faith or something, to dig like that, not knowing whether they would find a drop of water."

The Quaker colony disintegrated in 1893, and moved to Galveston County in 1895. By then, other settlers had moved in. A marker at the grave of C. R. Ellis did not begin to tell his story. Richard Ellis, a Virginian by birth and lawyer by trade, fought in the Confederate army. Ellis County (Waxahatchie) was named for him.

In 1887, his son Steve, moved a contingent of settlers and cattle to the area of the present Estacado community. "The whole group stayed together, except for one guy who settled in Spur, because that's where a Church of Christ was."

Sam Ellis pointed to the Baptist Church which still stands, surrounded by the few houses that are left in the community. "There used to be three congregations: Baptist, Methodist, and Presbyterians.

On fifth Sundays, especially in the summer, they would meet together at the old Tabernacle for preaching, followed by dinner on the grounds. The rest of the time, the Methodists and Presbyterians took turns holding services, and the Baptists always had their own."

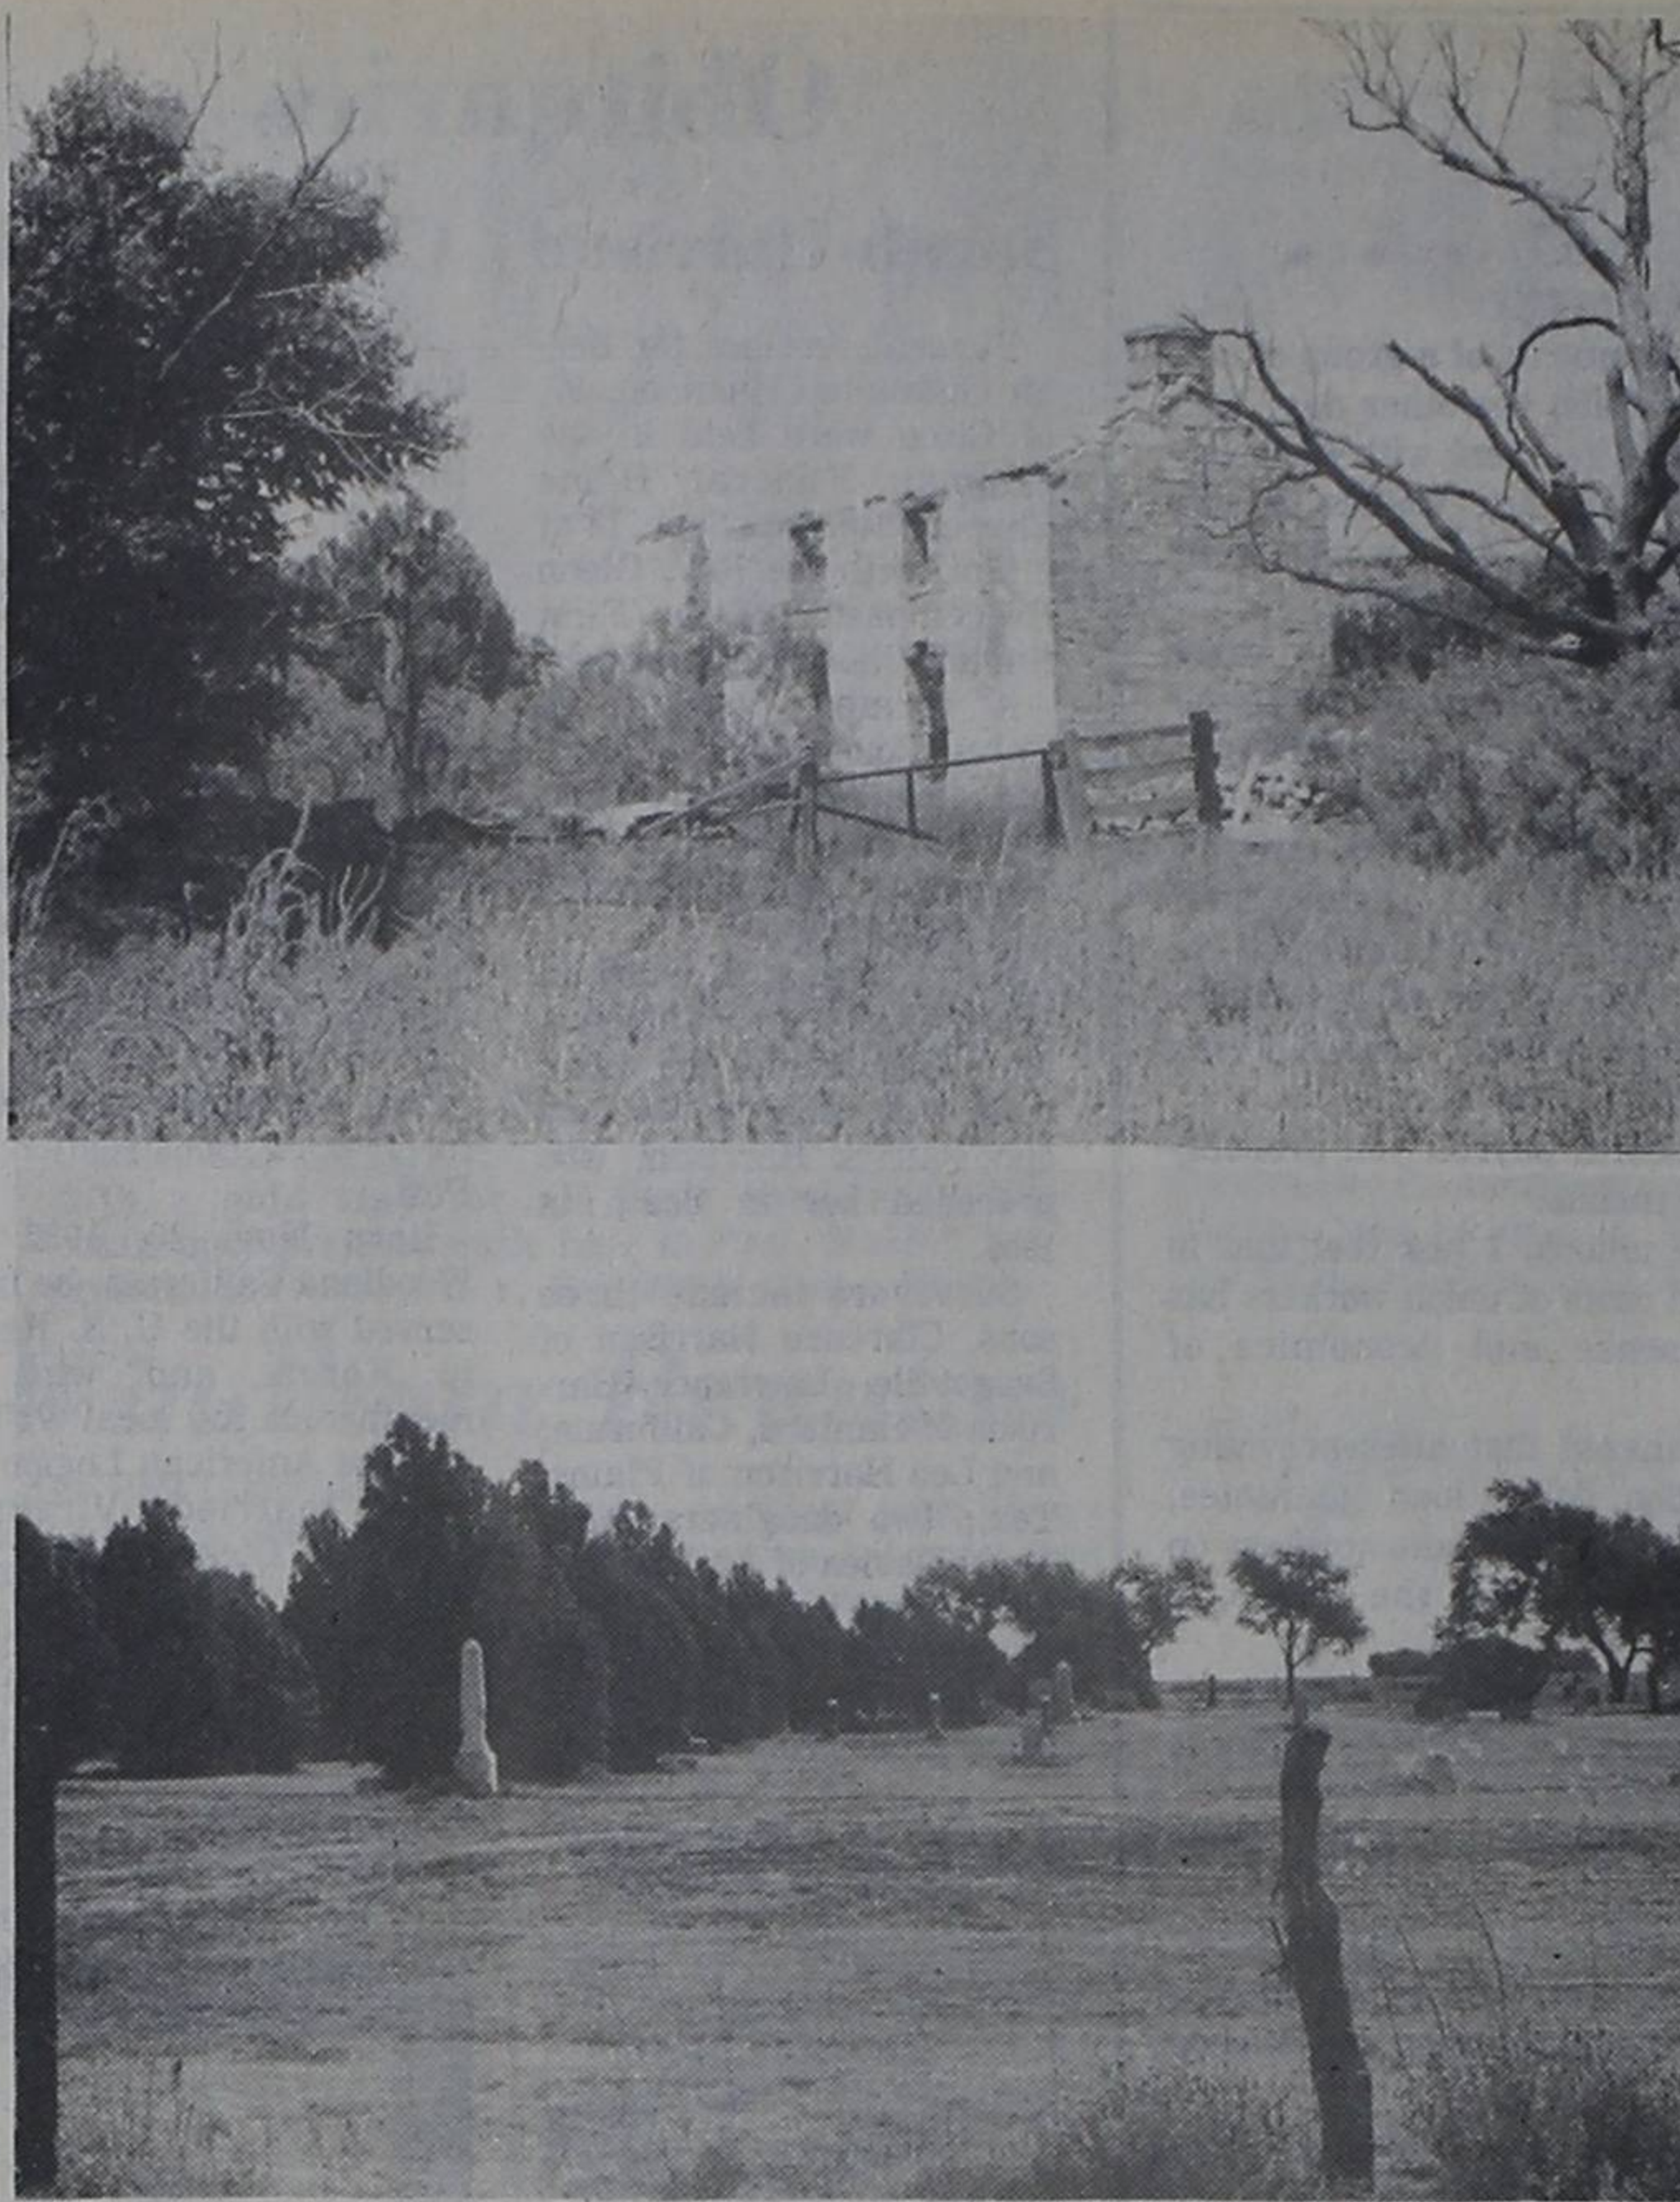

The Tombstones tell a story of their own. Many children died at birth, or a few days later. Sometimes a mother's grave was marked with the same date of death as her newborn child. Life was hard, and medical help almost non-existent.

One marker, for Sam's aunt, remembered "a kind and affectionate wife, a fond mother, and a friend to all." Sam agreed, "That's what I always heard about her."

Twenty-two miles east, we spot the ruins of the Henry Clay Smith Rock Home, near the old Mount Blanco community.

He built it in 1877, complete with parapet on the roof so that it could be defended from Indian attack.

When Smith first built the home, the nearest neighbor was 50 miles to the east, and General R. S. Mackenzie and his cavalry were welcome guests. Smith encouraged settlers, like Paris Cox at Estacado, to come to this area. The house burned in 1952, but crumbling walls still stand.

Sam told other stories that will never appear on highway markers. Like horseback rides to school, seven miles every day, each way. He remembers whiskey stills hidden in a neighbor's haystack, prairie fires that started near the New Mexico line, and burned everything to the east, runaway horses, and struggles to survive.

Old trails, old homes, and sacred spots mark the South Plains. Perhaps we can appreciate life here even more if we know some of the stories.

FIRST CHRISTIAN CHURCH

In the first century the Apostle Paul instructed both slaves and masters. This early church did not openly oppose the institution of slavery. As a small minority, the infant church had no political clout. Their mission was one of touching and changing lives. Indeed, Paul did instruct Christians

to secure their freedom if possible.

Today we still glean much of worker and employer relations from these principles. Paul has given honesty, devotion and justice as virtues for today's scene.

An inner conviction is needed. This is the conviction that allows one to do each task as a Christian as though accomplished personally for the Lord Jesus Christ. Such a devotion to an earthly master will be explored in Sunday's message from this important scripture in Colossians chapter 3.

The Sunday evening service will study mercy killing and infanticide. Biblical insights to these current topics will guide the PM study hour as current ethical issues are explored and integrated with God's Word.

VISITS PARENTS

Donna and Ashley Stotts of Plainview visited in the home of their parents and grandparents Mr. and Mrs. A. J. Baumann over the weekend. Jerri also visited home from college.

If you want to keep a paint brush or roller from drying out, you can slip it into a plastic bag, twist the bag to remove air and knot the bag. Your painting tool will be perfectly pliable the next time you need it.

Strake Talk

CRIME: IT'S THE VICTIMS WHO ARE LOCKED UP

I want to talk to you this week about an issue that troubles me greatly and which I know is of great concern to Texans. It seems that whenever I have spoken about crime in the past 12 months I have gotten a strong and troubled response. No matter where I am—Jewett, Roma or Dalhart—people tell me they are angry and afraid about crime in our state. This anger and fear concerns me for two reasons. First, because this kind of anger and fear serves as a sort of "jail" for innocent people. They are the ones locked in their homes at night while criminals go free. The second reason I am concerned is because unless something is done to stop the crime epidemic, people will be ripe for the kind of politician who will play on citizens' fears. The result could be that Texans lose their liberty in return for their "safety". In that sense, the crime problem is like a cancer gnawing at democracy. The incumbent Lt. Governor's response to the crime issue has been shameful. While

he has been in office the crime rate has risen 131%. He has done nothing to attack crime in a substantial way. In fact, he has fought stronger anti-crime measures. He openly opposed the new wiretapping law designed to catch drug dealers. He openly opposed the Governor's anti-crime package by putting it in a legislative committee run by a hostile Senator, who promptly bottled it up. Much of the package passed anyway and now Mr. Hobby has the gall to go around the state taking credit for it! His sympathies in the fight against crime are evident. Not long ago he allowed the American Civil Liberties Union (ACLU) to hold a fundraiser in his Houston mansion and he proudly defends it. The ACLU has consistently opposed laws that would make it easier to deal with the crime problem. I think such two-faced maneuvering is disgraceful. It is obvious that if we are going to attack the crime problem, if we are ever going to give law officers, judges and prison guards the tools they need to make us safer, Bill Hobby will have to go. If you have thoughts about this, I'd like to hear from you. Please write me at 1213 W. 34th, Austin, 78705.

Cowdrey Elected President

Clay Cowdrey was elected president of the Graham 4-H Club when it met for the first meeting of the year Monday night in the Graham Community Center.

Other officers elected were vice-president, Angela Holleman, secretary, D'Lynn Young, treasurer, Bart Mason, reporter, Ron Graves, council delegates, Rod George, and Keitha White and alternate delegates Russel and Angela Graves, program committee chairman, Angela Holleman and members Treval Bush, Cheryl Thompson and Donnie Payne.

Theme for the programs for the year will be "Careers and Hobbies."

Twenty-two members were present, and four new members were added to the club, they are Becky Shumard, Jerry Hodges, Robbie Francis, and Keith Craig.

Two adult leaders and four parents also attended the meetings.

Keitha White and Sam Butler furnished refreshments for the meeting.

Partners make the difference.

You and SPS are partners. You, the customer, are the user of electricity, and we are the producer and distributor of that electricity. That makes us partners.

As partners, we work together toward common goals. We combine our talents and efforts to better manage electricity. And, we share ideas and responsibilities for a better way of life.

Partners make a difference. The difference is how efficiently electricity is used today and how its supply is managed, which affects its cost in the future.

Your role as a partner is to make the most efficient use of electricity.

Our role, as Southwestern Public Service Company, is to invest the money to build and operate plants, and to provide the skilled professionals who make sure safe, dependable electricity is available when needed.

We depend on each other. Without us, your life would be less comfortable and less productive. Without you, our services would not be needed. We're partners, working together to make the difference. Hand in hand.

You and SPS, partners managing electricity, make the difference.

A NATIONAL COTTON COUNCIL SERVICE

Exports Continue Climb
Net new sales for the 1982-83 marketing year increased by 84,600 running bales for the week ended August 26 to bring the new season's total commitments to 2,322,600 bales. The major buyer was South Korea with 44,200 bales. Korea purchased 208,500 bales during the previous week. Exports for the week totaled 73,400 bales, primarily to Asian nations, according to the National Cotton Council.

Maid's Tour Taking Shape
The tour by the 1983 Maid of Cotton to promote sales of U. S. cotton overseas is beginning to take shape, according to the National Cotton Council.

Arrangements are being made for promotional activities in Japan, Korea, Hong Kong, Singapore, and Taiwan. Activities also are planned for Canada and Europe.

Applications for the 1983 selection, to be held December 26-28 in Memphis, may be obtained by contacting Llana Tollison, Maid of Cotton tour manager, P. O. Box 12285, Memphis, Tenn. 38112.

The new manager is a native of Arkansas, graduate of the University of Mississippi and Mississippi State University, and a former faculty member of Delta State University.

Natural Fibers to be Highlighted
The Natural Fibers Textile Conference is set for September 14-16 at Radisson Plaza Hotel in Charlotte, N.C., according to the National Cotton Council.

The Leadoff address on opportunities in today's fiber markets will be given by J. Nicholas Hahn executive vice president of

Cotton Incorporated. Other speakers will report on developments in washed and mechanically cleaned cotton, trash and microdust measurement in raw and processed cotton, study of lint retrieval at ginning, and various aspects of fabric structures and finishes.

Conference sponsors are the National Cotton Council, the National Wool Growers Association, and the U. S. Department of Agriculture in cooperation with the American Sheep Producers Council, The Cotton Foundation, and the Wool Bureau, Inc.

Scanning Social Security

By JIM LATIMER

Lawyers, accountants, and others who advise people on their Social Security rights and responsibilities should add the new edition of the Social Security Handbook to their reference library, according to Laura B. Purcell, District Manager of the Lubbock Social Security Office.

Intended for professional people and others who need detailed information, the handbook explains regulations and rulings relating to retirement, survivors, disability, and health insurance, black lung benefits, and the supplemental security income program.

The seventh edition of the handbook contains the major provisions of the Social Security Act, as amended through December 31, 1981. Copies may be purchased directly from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, at \$7.50 per copy. Order by stock number 017-070-00366-4.

Senior Citizens News

Well, Senior Citizens, it is time to register to vote for our officers for our new year 1983. If you wish to vote, I have a book for you to register in. So please come and register.

The election will be in November, just what date I am not sure of just yet. You have a great place to come and enjoy yourself, so be thinking about taking part in the activities here.

There will be a nominating committee chosen in a few days for those offices and we will elect from the ones they recommend. So come down and do your share.

We have been having good crowds even with so many gone on vacation and visiting relatives. We have good lunches everyday, Monday through Friday at 12 noon.

We play games of 88, 42, Skip-Bo or Pool and enjoy them very much. Or you can just sit and watch TV, or visit over a cup of coffee.

We have blood pressure check four times a month, so take advantage of this. It costs you nothing at all, just your effort to be here each first and fourth Tuesday around 11:30 a.m. and each first and third Thursday around 11 a.m. Hearing aid checks are each fourth Thursday, and this is free also unless you need batteries or some part for your hearing aid.

Ladies, come down and participate in our exercises between 9 and 9:30 each morning. These are very good for you and lots of fun along with it. There are several who come each morning, but we need more to participate.

If there is anyone who would like to go to the Lubbock Symphony on Sept. 23, at no cost, please come by the center and I will give you a free ticket. You do not have to be a Senior Citizen. This starts at 7 p.m. and lasts until 8:30 p.m. so let me know if you want a ticket. I have eight left.

We will be having our musical this Saturday night at the Community Center at 7:30 p.m. so everyone who likes music please turn out for this.

We want to say thanks to all who have brought us vegetables and things from their gardens. We certainly appreciate them.

Still have a lot of sick folks at home and in the hospital. Let's not forget to remember them in our prayers. Also let's not forget our bereaved friends in the loss of their loved ones.

Our bus runs each day, Monday through Friday, from 8:30 until 12:30 except Tuesday and it goes to Lubbock that day. So if you need to go to your doctor, make appointments for Tuesdays ahead of time so we will know. We are trying to work with our county on this project to cut expenses for them because we do appreciate all they do for us. You can also shop this day, so call early each morning. We open at 8 a.m. Thanks.

Antelopes Demolish Ralls in 61-0 Romp

The Post Antelopes featured a "big play" offense in piling up 628 yards, in scoring a Lope-sided 61-0 win over the out-numbered Ralls Jackrabbits Friday night.

The Post Bold Gold never had to punt, and scored from 59, 73, 23, 86, 76 31, 48, 11, and five yards out.

Jeff Taylor led the second-string offense onto the field midway through the third quarter, and the

substitutes added 20 points, with Taylor keeping the ball and finding the end zone for a touchdown with 3:47 left in the game.

The Antelopes started slowly, turning the ball over to the Jackrabbits on the second play from scrimmage on a fumble.

The visitors took the ball on the Post 43, and converted a fourth down pitchout to tailback Todd Mann into a first down on the Antelope 27.

Defensive end Irvin Price stopped Ralls fullback Vaughn Appleton after a six-yard gain, Mann gained three more on a pitch-out, and another yard for the first down before James Lee made the stop.

Mann advanced to the Antelope 13 before Toby Craft caught him, and Appleton plunged for three more before a host of tacklers, led by Richard Cisneros gave Ralls their second, fourth down decision of the game.

After a time-out, the middle of the Antelope defensive line refused to budge another inch, and the Antelopes took over on downs at their nine yard-line.

The Jackrabbits never came that close to scoring again.

Tim Tannehill made things exciting for the Post fans, fumbling the snap from center deep in Bold Gold territory before gaining two yards on the recovery.

Will Kirkpatrick gained four yards through the center of the Ralls defense, and then Milton Williams took a pitchout for 15 yard gain.

Richard Cisneros gained eight yards on two plays, and Milton Williams gained the first down at the Antelope 37.

Milton Williams spun left to the 41, and then Tannehill hit Kirkpatrick with a screen pass that covered 59 yards, and put the Antelopes in the lead to stay.

With 4:08 left in the first quarter, the Antelopes led 7-0.

The Jackrabbits had eight opportunities to practice their kick returns under game conditions.

DOCTOR OF OPTOMETRY

CONTACT LENS OR GLASSES?

If you've been wearing glasses, should you change to contact lenses? A lot depends on your personal preference. Both glasses and contact lenses do the job they're supposed to do: help you see better.

Contact lenses are most popular with young people who are nearsighted and older people who have had cataract surgery, although new developments in lenses make them desirable for most vision patients. Over 15 million Americans have been fitted with contact lenses. And another million-and-a-half put them on for the first time each year.

Contacts don't steam or fog when the temperature suddenly changes. They tend to increase the peripheral vision, giving the wearer a wider view of what's around him. And it's almost impossible for another to tell when you're wearing them.

But they do require more care. More attention has to be paid to keeping them clean and germ-free. A lot depends on your needs. Your optometrist can help you decide what's best for you.

NEWS FOR WOMEN

Growing Golf Interest

Women play an increasingly important role in golf today. The percentage of women golfers continues to rise dramatically and purses for the Ladies PGA Tour have risen in like manner. They've increased tenfold in just ten years.
During the last decade the number of women playing at least 15 rounds of golf a year has grown to 26 percent while the percentage of men has dropped to 66 percent.

Appleton gained five straight ahead.
L. D. Harper shut down Appleton on the third and fifth play, but not before Ralls had another first down. Appleton nearly got loose in the Antelope secondary, but Daniel Gonzalez made the saving tackle at the 40.

A couple of plays later, James Lee knocked Mann out of bounds, but not before Ralls had the ball just inside Post territory.

Harper put a hard hit on Mann, Ralls was penalized five yards for being off-sides, and the quarter ended with Post holding a 7-0 lead.

Craft, Harper, Price, and Cisneros met Mann in the middle of the Ralls backfield and dropped him for a three yard loss.

With a third and 15 challenge, Irvin Price penetrated to force a pass out of bounds and bring on the first of six Ralls punts for the night.

Will Kirkpatrick brought the crowd to its feet with an 86-yard return up the west sideline, escorted by 10 black-clad Antelopes, but an illegal use of the hands penalty brought the ball back to the 27.

Milton Williams got the points right back, scampering up the other sideline for a 73 yard touchdown.

The successful point-after made the score 14-0, Post, with 10:42 left in the first half.

Marvin Wynne recovered Mann's fumble on the ensuing kickoff, after a 15 yard return by the Ralls tailback.

The first down snap from center was fumbled again by Tannehill, but he backed his way back to the line of scrimmage.

Cisneros fell forward for a single yard, Milton Williams rambled right for 15 yards and a first down, and then left, for a touchdown, with 9:15 in the second quarter.

Speed is the name of the game for the Antelopes as Milton Williams races around the Ralls defenders. (Photo by Norma Baumann)

When the snap on the point-after was fumbled, Kirkpatrick threw an incomplete pass, and the score stood at 20-0, Post.

Irvin Price's kickoff was returned by Todd Mann for about 15 yards.

Appleton gained five yards off his left tackle, and then Mann gained a first down with a six-yard jaunt in the same direction.

Post was penalized 15 yards for a personal foul, putting the ball on the Antelope 44.

Daniel Gonzalez read a Jackrabbit "option" play and dropped Madison Lyle for a five-yard loss.

Appleton gained five yards, returning the ball to the original line of scrimmage, and then Lyle rolled on a reverse to the Antelope 40.

Quarterback Frank Anguiano completed a pressure pass to end David Abell, first down, Ralls, on the Post 35.

Mann took the pitchout to the 27, a gain of eight. After an Antelope time-out, Appleton gained one yard on a dive play, and then a quarterback sneak gained enough for a measurement, and a Ralls first down on the 24.

Mann pushed the ball three yards deeper into Post territory on two carries, and Appleton rambled to the 15 before L.D. Harper stopped him cold.

Ralls called a time out, but Marvin Wynne and Richard Cisneros spoiled the Jackrabbit strategy, penetrating to stop Appleton for a one-yard loss.

A well-rested offensive unit took the field, and scored the fourth touchdown in a mere 25 seconds.

Kirkpatrick posted a fifteen-yard gain, but it was wiped out by another clipping penalty.

With the Antelopes pushed back to their own 14, Milton Williams ran the ball left, counter to his blocking, and found the wide, open spaces right behind the Ralls defensive line and 86 yards later he stopped running, with six more points on the board for Post.

Kirkpatrick's extra-point kick was good. Post 27-0, with 3:06 left in the second quarter.

Mann returned another kickoff, this time from the 15 to the 25 yard line, where he ran into Keith Bullard.

8th Grade Tames Ralls 20-0

The Post 8th Grade football team blasted Ralls 20-0 last week as they rolled up 255 yards rushing and 62 yards passing, and held Ralls to a meager 57 total yards offense.

The Antelopes' scoring all came in the second half, as coach Darrell Radle explains, "we had the ball inside the Ralls 30 yard line four times and found a way not to score every time."

The first touchdown came on a three play drive, highlighted by a 53 yard touchdown run by fullback Eddie Moat.

The second score came on a bootleg pass from quarterback Jay McCook deep to Lupe Perez, who caught the ball at the Ralls 27 and ran in for the touchdown. Marvin Lee ran outside for the two point conversion.

In the fourth quarter Steve Pena picked up a short punt and ran 23 yards in for the final score.

Coach Radle praised Ron Graves and Tony Angerer at defensive tackle as well as Scott Hair, Robert Gill and Reynoldo Camacho.

He also recognized linebackers Lupe Perez, Clay Cowdrey, Jay Claborn and defensive end Johnny Funk.

Offensively coach Radle praised quarterback McCook for his improvement and ends Tracy Perez, Steve Price and Perez.

"Randy Lewis, at guard, who is always greatly outweighed, played a good ball game," the coach adds, "and Steve Pena was alert on the punt return play for the touchdown."

The 8th grade team travels to Littlefield tomorrow for the 6:30 p.m. kickoff.

Revival Services Planned

Revival services will be held by the Grassland Church of the Nazarene Sept. 28 through October 3 with Evangelist Clifford Mayo. Services will begin nightly at 7:30 p.m. with Sunday services at 11 a.m. and 6 p.m.

Clifford Mayo is a long time resident of the West Texas area and currently resides in Dumont, Texas. Prior to becoming an evangelist he was a pastor in the Methodist Church and served as pastor at the Methodist Church in Grassland.

Rev. Tom Moore, friends and members of the Grassland Church of the Nazarene cordially invite the public to attend these meetings.

Appleton dragged the Post defensive unit four yards, Lyle picked up two more yards through the middle, and then Toby Craft broke up a pass intended for David Abell, bringing up fourth and four for Ralls.

Hugo Peralta lofted a punt that rolled dead on the Post 42.

Tannehill's perfect pass bounced off Bill Black's shoulder pads, Kirkpatrick slaved three yards from a broken play, the Antelopes lost 15 more yards to a clipping penalty, and then on 2nd down and 25 yards to go, Kirkpatrick took a Tannehill pass and ran 76 yards for the Antelopes' fifth touchdown of the night.

With 47 seconds left in the half, Post had a 34-0 lead.

Second Half Scoring

Post kicked off once again, this time to start the second half.

Jesse Minor took the spiral at the 20 and returned the ball to the 26, where Ralls put the ball in play.

Appleton gained one yard, and on second down Melvin Wynne held up Appleton long enough to summon the rest of the Post defense to cause a three-yard loss.

A third down pass was wide, and Peralta kicked a low punt to the Ralls 45.

Cisneros gained 14 yards to the Ralls 31, and then Milton Williams got his hands on the ball again, taking an outlet pass in for the sixth six-pointer of the night.

Kick, good. Post 41-0. Nine minutes and 42 seconds left in the third quarter. Time of possession? Only 51 seconds.

The next Ralls possession was marred by a Ralls offside penalty, and when the Post offensive unit came on the field, Jeff Taylor was at the controls.

He called a hand-off to junior Daniel Gonzalez, but illegal procedure was called against the Lopes.

Wingback Melvin Wynne gained five to the Post 25, Daniel Gonzalez ran right for 13 yards, Marvin Wynne dove to the 45, a six yard gain.

OPERATION OF UNITED CONVALESCENT OF POST IN COMPLIANCE WITH TITLE VI, CIVIL RIGHTS ACT OF 1964

Since Jan. 19, 1980, United Convalescent of Post has been operated on a completely non-discriminatory basis insofar as race, color or national origin is concerned. All of the facilities and services of our institution have been available to employees and patients on an equal basis. Lobbies, public toilets, dining areas, therapeutic services and etc. are available to all regardless of race, color or national origin, or handicapped. This has resulted in the room assignments being made without regard to race, color or national origin and bi-racial room occupancy on a frequent and infrequent continuing basis.

Annual notification to the community of our compliance is necessary since our facility participates in programs using Federal Funds.

Sincerely yours,
Bobbie Edler

'Lopes Explain Football to Ralls

Running from a straight "T" formation, Taylor pitched left to Melvin Wynne, who was bottled up for a loss of one yard.

Yet another clipping infraction went against Post. Melvin Wynne got two yards back, then Jeff Taylor called his own number, running to the 48, and first down.

From there, Danny Gonzalez ignored the Ralls defense, rambling 48 yards for another touchdown.

The extra-point kick sailed right, but the score stood 47-0 with 1:56 left in the third quarter.

On the next Ralls possession, L. D. Harper and Keith Bullard sacked Anguiano for a seven yard loss, and with fourth and 14, Peralta's punt was gathered in by Kirkpatrick, but his run was called back by another clipping call.

Post put the ball in play at their own 38. Giles Dalby was the workhorse on this series, marking up 21 yards rushing before Marvin Wynne twisted in from 11 yards out to increase the Antelope lead to 54-0, with 8:36 left in the game.

On the kickoff, Kenny Bullard abruptly put an end to Jesse Minor's runback after a seven yard jaunt.

Toby Craft hit Minor just as hard on third down to end the Ralls offensive series in just three plays.

A 19 yard punt gave Post great field position at midfield.

Five plays later, Jeff Taylor put the final points on the board for Post with a quarterback keeper.

The successful point-after made the score 61-0.

In the remaining 3:47, Ralls fumbled the kickoff, ran three plays, nearly saw the center to the punter Peralta go over his head, and Post regained possession with 1:48 left in the game.

Unofficially, Post had 12 first downs to 9 for Ralls, but the Antelopes never really needed to sustain a long drive. Post never punted, but Peralta averaged 26 yards on six punts.

Next test for the undefeated Antelopes will be next Friday night in Littlefield. The kickoff is set for 8 p.m.

Booster Club Plans Charter Bus to Childress Game

The Antelope Booster club held its regular meeting Monday night, with approximately 41 present to view the film of the Ralls and Post ballgame, and to hear a report on the upcoming Littlefield game.

Bill Black, James Lee, Derrick Walls, and Curtis Clinesmith were visiting varsity athletes and each one had comments on the Ralls game and also commented on the Friday night game to be played against Littlefield.

A report was given that a bus has been found to be chartered to the Childress game, and tickets will be \$13 per person. Don Payne is in charge of this project, and those wishing to ride the bus must contact him by Sept. 29, and pay him then for the bus tickets. The bus must be full to pay for the trip and you should call Don at Colliers, 495-2856 and let him know if there will be enough going to merit chartering the bus. Approximate time to leave Post on the bus will be 4:30 p.m.

Next week at the regular meeting, surprise door prizes will be given to the first thirty or forty people to attend.

Williams Leads Rushers

Milton Williams led the Antelopes in rushing with 200 yards on six carries and three touchdowns.

Daniel Gonzales followed with 105 yards on six carries and two touchdowns.

Richard Cisneros had five carries and 29 yards, Jeff Taylor carried three times for 27 yards and one touchdown, Marvin Wynne carried three times for 25 yards and one touchdown, Melvin Wynne carried five times for 20 yards and Giles Dalby had three carries and 18 yards.

Tim Tannehill completed four of five passes for 194 yards, finding Will Kirkpatrick twice for 147 yards and two touchdowns and Williams twice for 47 yards.

The Antelopes held Ralls to 139 yards rushing and five yards passing and Toby Craft led tacklers, being involved in 28.

"The entire defensive team played outstanding football," coach David Thompson comments, "it was just an overall superb effort by every member of the team."

7th Grade Team Shuts Out Ralls

Ben Kirkpatrick ran the opening kickoff back 65 yards for a touchdown, setting the stage for the 7th Grade football team's 16-0 win over Ralls last week in Ralls.

The young Antelopes rushed for 152 yards and held their opponents to 30 yards.

Blair Didway took the ball over right tackle for the two-point conversion.

"We were unable to move the ball until the third quarter," coach Fred Postell observes, "and then we got the ball at about the Ralls 45 and after a series

of penalties, we had a fourth and nine at the Ralls 36.

"From there Kirkpatrick went around right end for 36 yards and a touchdown and Augustine Soto ran in for the two points," the coach continues.

"The entire defense played well," coach Postell adds, and Bobby Gonzales for their interceptions.

The coach also praised Kirkpatrick for his two touchdowns and defensive players Gonzales, Mark Tyler and Mike Wells for their hard hitting.

Quarterback Eric Reece completed one of two passes for 20 yards to Glenn Hardin.

The 7th Grade team travels to Littlefield tomorrow for a 5 p.m. kickoff.

Teaching Neatness

It's easier than you might think to get your children to be a help around the house. A good first step might be to assign a certain time of a day, or a few times a week for neatness.

The OS Ranch, located 13 miles Southeast of Post, has for the last 12 years been the scene of the benefit roping and art exhibit for West Texas Boys Ranch in San Angelo.

In mid-July 1971, Jim Prather announced his plans to conduct the first OS Ranch Steer Roping as a benefit for the West Texas Boys Ranch.

In just a short 10 weeks Jim and his committee of volunteers organized the first 32 man steer roping featuring five former World Champion steer ropers with the remainder all top contenders and winners of major ropings.

From the beginning the OS Ranch Steer Roping was a community affair and has remained the same over the years.
