

# 'Lopes Take Wind Out of Whirl

By WES BURNETT

The key to the 41-13 win at Floydada last week might have been the fourth down stand by the Antelopes defense in the third quarter...when the score was still

13-1.

The Whirlwinds had just recovered a fumble on their own 45 yard line, with 3:35 remaining in the quarter.

When the Antelopes left for Floydada last Friday, there was a large contingent of fans at the intersection of 15th St. and the Ralls Hwy., complete with signs.

Bruce Williams lost two yards on the first play, then quarterback Mark Hatley threw a pass to the 49...and Donnell Weeks carried the ball on third down to the Post 46.

On fourth down, Hatley tried to bust up the middle on a quarterback sneak for the one yard, but was stopped one inch short of the 45 by a host of Antelopes...including Toby Craft, Irvin Price, L.D. Harper, Giles Dalby, Richard Cisneros and Bill Black. The Antelopes took the ball and never looked back.

Floydada Scores First

The Whirlwinds surprised the 'Lopes early in the game with a six-play, 53 yard drive...scoring from the seven yard line on a quarterback keeper over right tackle.

Antelopes Return Favor

Post took the kickoff, with Will Kirkpatrick breaking loose across the 50 to the Post 37.

It took six plays for the Antelopes with Milton Williams getting the final seven yards over right tackle, with 4:34 left in the first quarter.

Floydada hit a field goal early in the second quarter, as the Antelope defense held off a determined (Continued on Page 12)

## Stricter DWI Laws Proposed

County Judge Giles Dalby, a member of the Governor's Task Force on Traffic Safety, was in Austin last Wednesday, Oct. 20 for a meeting on the safety recommendations which were reviewed and approved and sent to Governor Clements for his approval. If Gov. Clements approves the recommendations, it will then be sent to the Legislature.

Recommendations include:

On first offense driving while intoxicated — a minimum fine of \$200 not to exceed \$2,000, confinement in the county jail for not less than 72 hours nor more than two years with up to 12 months suspension of the drivers license.

On second offense — a minimum fine of not less than \$300 nor more than \$2,000 and confined to the county jail for not less than 15 days nor more than two years with a minimum of 90 days to 12 months suspension of drivers license.

Third and subsequent offenses — third degree felony with automatic suspension of the drivers license of r 18 months. As a condition of probation, the

defendant would be required to serve 60 days confinement and successfully complete an alcohol education program.

Another recommendation of the commission is to raise the legal age for drinking alcohol beverages to 21 and prohibit open alcohol containers in motor vehicles while in motion on a public highway.

The commission also recommends the manpower increase request of the Department of Public Safety, support reenactment of a motor cycle helmet law for motor cycle operators, increase state funding for driver education in public schools and require kindergarten through 12th grade traffic safety teaching, with emphasis on alcohol and drug education.

## Child Abuse

By WES BURNETT

Child abuse is one of those ugly stains on our human behavior, which most of us would like to "sweep under the rug."

Unfortunately for many children, that's exactly what happens.

Unreported cases of child abuse aren't just illegal, they are damaging to the victim for a life-time, to the adult who causes the abuse and to future generations of unborn children who will probably see a repeat from their child-abused parents.

It's our obligation to report suspected child abuse or neglect...in Garza County the number is 495-3955, and the folks at the Texas Department of Human Resources will call in qualified professionals to investigate and take corrective action.

What to look for?

There are many signs of child abuse and neglect. Some seem obvious and should be reported at once.

Other symptoms are not so obvious. But when subtle clues recur, or appear in combination with other signs, you should suspect and report it.

Common signs of child abuse and neglect are discussed in this article. Though people who regularly see and work with children are more likely to observe symptoms, all citizens have an obligation to notice and report signs of child abuse and neglect.

**Child's Appearance**

Shows unusual bruises, welts or burns; Has bite marks; or Suffers frequent injuries almost always explained by child or parent as accidental.

**Child's Behavior**

Reports being injured by parents; Is unpleasant, hard to get along with, demanding, often doesn't obey;

Frequently causes trouble or interferes with others; Often breaks or damages things;

Is usually shy, avoids other people including children, seems too anxious to please, fails to protest mistreatment by others;

Is often late or absent from school, or often comes to school much too early and lingers after school;

Avoids physical contact with others, especially adults;

Wears long sleeves, knee socks or other unseasonal clothing which might hide injuries;

Suddenly refuses to put on gym clothes; Tells unlikely story of how an injury occurred, or his explanation doesn't seem to fit the type of seriousness of the physical injury;

Seems frightened of parents; Shows little or no distress at being separated from parents; or

Seeks affection from random adults.

Child abuse isn't always direct physical abuse to the child...often child abuse shows up in neglect of the home environment...here are some examples of child neglect, furnished by the Texas Department of Human Resources.

Herman McVay, first shift supervisor in the Carding and Spinning Department, was presented a 30 year service certificate, pin, and award by former Postex Plant Manager Don Smith (right) in a staff meeting on October 8. Mr. McVay came to Postex from Bonham Cotton Mills in Bonham, Texas on October 6, 1952, and has been a supervisor since 1960.

Mrs. Sara Ault was honored recently in Plant Manager Jim Brown's office for completion of 20 years continuous service and is shown receiving her service certificate, pin, and award from Mr. Brown. Mrs. Ault spent about ten years in the Sew and Pack Department as a fitted sheet hemmer, and the past ten years she has been an inspector of greige cloth.

## Tom Middleton Re-elected to SWCD

Tom Middleton of Post, was recently re-elected to the Garza County Soil and Water Conservation District board of directors. Middleton represents Zone 4 of the district.

The purpose of the Garza SWCD, with headquarters in Post is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Middleton will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law. (Continued on Page 2)

## United Fund Drive

The 1983 Post United Fund Drive opened this week, with a goal of \$12,250 set to serve at least nine community organizations.

The budget this year includes the Red Cross, \$500; Girl Scouts, \$2,700; Boy Scouts, \$2,700; Garza County Trail Blazers, \$1,000; Summer Baseball, \$2,500; Garza United Fund, \$100; Meals on Wheels, \$1,500; Salvation Army, \$1,200; and Texas United Fund, \$50.

A convenient contributor form is printed in the Dispatch for those wishing to donate this year.

Volunteers will also be contacting businesses as in the past.

## Lockney Here Friday

By WES BURNETT

When you're number one...it's a new test every week, and this Friday's home-game with the Lockney Longhorns is no exception.

Sporting a 3-4-1 season record and 0-3 in district, the Longhorns are in a rebuilding program.

Operating primarily from a Veer-type offense, the team throws the football approximately 40 percent and runs 60 percent...although Antelope fans shouldn't be surprised to see an aerial show from the visitors.

Jackie Cunyus (19), a 160 pound junior, quarterbacks the Longhorns with running backs Ernest Rodriguez (21) and Mario Arelleno (33) taking the option.

The offensive and defensive line is big, with most players in the 190 pound range.

The Longhorns use an eight man front in a 6-2 alignment and are led by All-State linebacker Kyle Brock (63), a 190 pound senior.

Kickoff is 7:30 p.m. at Antelope stadium.

CAYLOR GROW 'EM BIG — Dee Caylor, local Shell gas station owner, brought this beet into the Dispatch office last Friday. After weighing it on trusty scales here in the office, the whopper weighed in at 15 lbs.

### HAVE A SAFE HALLOWEEN

Dear Post Children:

Here it is Halloween again! I'll be out on my usual travels, but I couldn't help writing to all you wonderful Post children. You see, I want you to have a wonderful Halloween, but I also worry about you. So I have a few words of safety and advice I'd like you to follow this year.

As you "Trick or Treat" the streets, safety is a must; Only go to friends and neighbors that you know and trust.

Always stay in lighted places where you can be seen.

Be careful walking 'cross the streets; their busy Halloween.

Do not eat your collected goodies as you go along.

Let your mom check your treats when you get back home.

Always stay within a group or with your mom or dad.

And this can be the very best Halloween you've ever had.

See you next year, Samantha Witch

### ATTEND MEETING

J. D. and Lucille Windham accompanied by their granddaughter, Reitha Smith attend the Fall Texas Trappers and Fur Takers association campout and rendezvous which was held in Hico, Texas at the city park Oct 23, and 24. J. D. has been a director of the association for three years. The spring meeting will be held at the Rifle Range in Cisco, Texas, the last weekend in April, 1983.

MELISA TATUM

## Melisa Tatum is LCC Homecoming Queen

Melisa Tatum, daughter of Mr. and Mrs. Don Tatum, was selected as Lubbock Christian College's Homecoming Queen during homecoming activities held last weekend at the school.

Melisa, a junior accounting major, is presently the President of LOA social club, a member of the President's Ambassador, treasurer of baseball Belles, vice president of the junior class and served as Chaplain in LOA during the school year of 1981-82.

She is very active in girls intramurals and strives very hard to be the best Christian example possible.

The Chaparrals played Tarleton State during a 2 p.m. game at Lena Stephens field.

The body's muscles make up about 40 percent of its weight.

## Middleton Relected

(Continued from Page 1)

In Texas there are 201 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain.

All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

# WHAT KIND OF MAN IS BEST FOR GARZA COUNTY?

*In the Primary, I was supporting Senator E.L. Short. Now, like a lot of other Conservative Democrats, I am backing Jim Reese for State Senator.*

*Joe Durham*

Treasurer and Campaign Co-ordinator Committee to elect E. L. Short—1978-1982

Our state senator should be a man of fairness, common sense, maturity and personal stability... a man who knows West Texas.

We have such a man in JIM REESE... his almost 30 years living and working here have proved he does not stand on the sidelines when there is work to be done for the community.

JIM REESE's personal maturity and stability are seen in his family life as well as his business. He and his wife Jayne, married in her hometown of Muleshoe in 1951, and raised three children in West Texas while achieving outstanding success in business and in civic work.

JIM REESE—Businessman, farm owner, independent oil operator.

JIM REESE is ready to use his broad experience to serve as your state senator. JIM REESE provides the honesty and stability we need in the senate.

JoAnn Thomas Mock will be the feature artist in an exhibit and reception Sunday afternoon, Oct. 31 in the bank community room. The event is sponsored by the Post Art Guild.

## JoAnn Mock Shows Selected Art Work

The Post Art Guild invites the public to attend an exhibition of Art Works by JoAnn Thomas Mock on Sunday, Oct. 31 in the First National Bank Community room of Post, from 3 to 5 p.m.

Selected work will be on display at the Post Library through November.

JoAnn has been an active member of the guild for 7 years, coordinating the Spring Art Show for the past two years as vice president and is also coordinator of the Cotton Art Show, a feature of the Cotton Ginners Convention in the Civic Center in Lubbock.

As the wife of cotton farmer, Robert Mock, of the Hackberry community and

the daughter of a pioneer ginning family, Claude and Willie Thomas, formerly of Grassland and being employed for many years in cotton gins, she specializes in "cotton paintings." She paints in oils on landscapes, florals, and animals, works on pastel portraits and drawings in pencil and pen and ink.

She graduated from Tahoka High School, has four children, three step-children and 13 grandchildren. Mostly self-taught she has inspired and instructed as a young girl by Mrs. Gladys Presson of Post, later studied with Jeannie Lewis, Mac Carow, Pat Krahn, Jeannie Elliot, Bettie Fielder and Ada Mae Robinson.

## Borden County Sponsors Carnival

The Borden County Parents Club will sponsor a Halloween Carnival Saturday, October 30. The carnival will be held in the county barn in Gail, beginning at 6 p.m.

Tickets will be sold during the carnival for the individual booths including Bingo, Cake Walk, Dunking booth, Bean Bag throw, Fish pond, Dart Throw, Duck Pond, Color Wheel, Wet sponge throw and Spookhouse.

The concession stand will be open with the following menu: sandwiches, barbe-

que on a bun, chips, carnal apples, popcorn balls, candy, homemade pie, homemade ice cream, coffee and cokes.

The club will hold raffles throughout the night for 50 gallons of gasoline or diesel, handmade adoptive doll, hand painted wrap around skirt and an electronic pac man game.

The money earned at the carnival will be used by the club for school projects.

Everyone is encouraged to come in costume for a fun filled Halloween night.

## Graham 4-H Club Discusses Show

By Ron Graves

Thirty Graham 4-H'ers, including five new members, met Monday night at the Graham Community Center. New members joining were Traci Tannehill, Becky Cook, Jana Cook, ReShea Hair and Tyge Payne. Jay Fluitt also joined but was not present.

A short officer training meeting was held prior to the regular business meeting which was presided over by club president, Clay Cowdrey. Lex Dunn led the 4-H Pledge and Motto, D'Lynn Young called the roll, and Bart Mason gave the treasurer report.

Old business included congratulating winners from the achievement banquet, thanking all parents who helped serve and clean up, and the Foods and Nutrition Project.

New business included discussing the stock show dates, the new chicken show, new steer division and the deadline for getting animals.

The club's meeting date was changed to the third Thursday of each month beginning in November because of basketball.

Trevah Bush introduced Mr. Milt Audrey, Slaton Taxidermist, who presented a very interesting program and displayed some of his work.

Refreshments were served by Jill Richardson, Rod Geroge, Donnie and Tyge Payne.

Others attending were club leader, Orabeth White, and parents, Willa Didway, Danny Richardson, and Jane George.

The world's population grows by about 90 million a year.

## Senior Citizens to Have Elections

Attention!!! Garza County Trail Blazers, and Senior Citizens, this will be your last week to register to vote on the officers and directors for our center. So be sure and come by to register. The election will be November 10 at noon time.

We are still having a really good attendance each day, plus good food and fellowship. We serve lunch at 12 noon, and they play games of different kinds.

We also have blood pressure check four times a month, the first and fourth

Tuesday, and each first and third Thursday. Randy Brackeen from Belton is here each fourth Thursday for hearing aid checks and other questions you might have about your hearing aid.

Our musical was postponed this month, due to all the band leaders previous plans so maybe next time.

We are having a Halloween party at our center the 30th of October, which is on Saturday night, at 7 p.m. There will be games of dominoes, 42, 88, Skip-Bo,

Wahoo and other things you might wish to participate in. Also there will be refreshments served by the ladies who come.

We can also sing, play pool or whatever and if you want to wear a costume, please do so.

Our prayers are with our sick ones, we always are thinking of you, so don't think you are forgotten even if we fail to come to see you. We do remember you!!

Cleo Sappington had the honor of attending a church camp in Estes Park, Colorado, with Doris Shedd and Louise Nesmith of Post, and Karen Jones of Lubbock. It was fabulous for me since I have only been out of Texas once in my life time. It was the next thing

to heaven it was so beautiful. Mountains, big trees, plus great fellowship with a huge group of Ladies from all over.

There was snow on the mountains and nice weather where we were. It was just out of this world.

Thank you for the clothes that were given to us at the center. There are several people really enjoying them.

Thanks to Don Tanner for his donation of some plumbing we needed done, we appreciate and love you for your help.

Thanks Emma for the onions you gave us, plus a big thanks for each and everyone who has brought or sent anything in the way of vegetables we could use.

We appreciate them so much.

We want to say thanks to Arlie and Sophia for their volunteer work each day in the kitchen. We include Laurence Edwards in the thank you's too. We appreciate and love you all.

The Senior Citizens bus runs five days a week, from 8:30 a.m. until 12:30 each day, except Tuesday and it goes to Lubbock all day if necessary for doctors appointments and shopping. If you need to go that day call 2998 for your reservation.

Thank you Garza County Commissioners Court for your generous donation to help with our utilities for our new contract period. We appreciate you very much.

Come on ladies, get back in the swing of coming to take exercises every day. They are very good for you. You can come anytime you wish.

We have some latch hook work done by Dad Greenfield, if you would like to purchase one of these, we have several hanging on our wall in our office and exercise room. Just take a look if you are interested.

We have two new residents at our home, Mr. Roland Miller and Bib Bensen. Welcome to our home.

Mr. Babb is doing a good job on our yard.

We had singing last Tuesday night, thanks to Bea Dodson, Evelyn Gurley, Ruby Carpenter, Mrs. Eilenberger, Marion and Nell Mathews. We had a lot of fun.

What is happening this week is that we are having family night with a Halloween party, and we are also having movies and popcorn.

We have not had exercises in two weeks, because some of the residents and the activity director do not feel well, but we are planning to start back this week.

Our volunteers this week are "The Country Cousins", Mr. and Mrs. Durwood Bartlett, Esker Stone, Aubrey Ritchie, Mildred Stewart and Ira Farmer.

This group has played and sang for us several times, since the home was opened. A big thank you to them.

Johnston, an infantryman, was previously assigned at Camp Hovey, South Korea. His wife, Doris, is the daughter of Alvin and Delorse Harper of 826 Pine St., Post.

### Home News

We want to wish Laura Mae Vaughn a happy birthday on Oct. 22, Hazel Prestridge on Oct. 25, and Betty Newberry on Oct. 26.

Thank you Lisa Claborn for coming to our Nursing Home to show our residents films.

We will also be having a Halloween Party, Sunday at our home from 6:15 til 7:30 p.m. and we are inviting the trick or treaters to come by for some goodies and to visit our residents. They enjoy visits from children.

We have had several activities going on such as bingo, dominos, arts and crafts, and we have had exercise class.

We would like to thank our visitors this past week, J. P. and Cleo Jones from Lamesa, Lois and C. W. Ramsey from Lubbock, Tammy and Cheerokee Woolley from Post, Sue Warren from Post, and Claudie Odom also from Post.

This week the church service was brought to us by the Nazarene church. Brother Rogers and his wife played the organ and we enjoyed it very much.

### Homecoming Set at Southland

Homecoming festivities for 1982 at Southland are expected to be the best ever, partly because of the installation of the honoring of past Homecoming Queens and Beaus of Southland High.

This idea seems to have been well received with one past queen saying, "I think it will really be a lot of fun."

The festivities for homecoming kickoff on Thursday, October 18, with a bonfire and pep rally at 9:30 p.m. On Friday, October 29, the reception for the past Homecoming Queens and Beaus will be held at 6 p.m. Immediately following the reception, at 7 p.m. the Southland Eagles will take on the Loop Longhorns in the main event of the night.

Following the game, there will be a homecoming dance in the gym sponsored by the Seniors of 1983.

### Mark Dunn Honored

Mark Dunn, grandson of Mr. and Mrs. Dillard Dunn was recently named Honorable Mention All American by the National High School Coaches Association.

Dunn was the only class AAA athlete from New Mexico selected to the list.

Only the top ten in each event received All American status. Dunn came very close to making that group with a career best of 1394 in the 110 meter high hurdles.

He led Lovington to state championships in 1981 and 1982 by winning individual state championships in the long jump, the hurdles, the 100 meter dash, and running legs on the 400 and 800 meter relay teams.

Mark is the son of Mr. and Mrs. Ross Dunn of Lovington, N.M., and is now running with the New Mexico Junior College Thunderbirds.

### Bryan Justice turns five

Bryan Justice was honored recently with a party celebrating his fifth birthday in the home of his parents, Mr. and Mrs. Dee Justice.

Pac Man decorations were used and refreshments were served to Brandon Morris, Doug and Claudine Tipton, Carl and Letha Cederholm, Irene and Jason Fry, Ronnie, Tricia, Scott and Christopher Metsgar, great grandmothers, Iva Reed, and Maudie Smith, and grandparents W. H. and Lois Childs and Mason and Skeeter Justice and brother, Brent.

### Birth . . .

Mr. and Mrs. D'wayne Gannon of Geroge West announce the birth of a daughter, Lacey, born 4:42 p.m. Monday, Oct. 25 in Kelberg Memorial Hospital in Kingsville. She weighed 6 lbs., 5 ozs. Grandparents are Mrs. Adelle Gannon and the late Sam Gannon, Bobbie Elrod of Geroge West and Mr. and Mrs. Dale Elrod of Uvalde.

# Hill Speaks on Reading

The Caprock Council of the International Reading Association will present its second program for 1982-83 on Thursday, November 4, at 7:30 p.m. at the Goedke Branch Library, 6601 Quaker in Lubbock.

Doris Hill, who has taught for more than a decade at Hale Center Junior High School, will be speaking on "101 Ideas for Teaching

Reading." Mrs. Hill has acted as a consultant for numerous language arts workshops in this region.

She recently made a presentation at the Texas Conference for Migrant Education in Corpus Christi. Her activities as a classroom teacher give her programs a vitality that is appreciated by everyone who participate in her

sessions.

She is a graduate of West Texas State University.

The Caprock Council of the International Reading Association is an organization for all people interested in promoting reading. Teachers, administrators, consultants, librarians, students, parents and friends of reading are invited to share in activities and

meetings.

The local council meets four times a year to present new and old ideas concerning ways to become excited about reading both for fun and for information.

The February program will feature John Allen, a teacher from Wautirna, Australia, who will be at Texas Tech University for a number of weeks this spring in a consulting capacity.

Mr. Allen is a public school teacher and his presentation will focus on effective methods of teaching literature. In May at the South Plains Mall, the Caprock Council will sponsor Reading Day which will feature booths and displays so shoppers and interested persons can participate in reading activities.

Guests are always welcome to attend all programs and meeting, but if you would like to join the local International Reading Association council, send a check for \$6.00 to Dorothy Randolph, Membership Chairman, 4620 10th Street, Lubbock, Texas 79416 or

membership dues will be accepted before and after the program on November 4.

Library Corner

You may agree with Jerry Falwell. You may not know who he is. But his views undoubtedly shaped the 1980 general election, and will influence your life in the future. Whether out of admiration or mystification, you may want to read a new book at the Post Public Library entitled, "The New Religious Political Right in America."

Jane Askin was given up for adoption when she was several days old, and thirty-five years later she decided to penetrate "The Wall of Silence" surrounding her natural parents. She still has not met her natural parents, but she has spoken to them, and knows about her parents and grandparents. She tells her story, and gives advice to others who want to make the same search in "Search: A Handbook for Adoptees and Birth Parents."

Poetry Contest is Planned

A \$1,000 grand prize will be awarded in the Eighth Annual Poetry Competition sponsored by World of Poetry, a quarterly newsletter for poets.

Poems of all styles and on any subject are eligible to compete for the grand prize or for 99 other cash or merchandise awards, totaling over \$10,000.

Did you ever travel by car through a part of our nation and wonder what you were missing? Reader's Digest offers the kind of book that goes on the coffee table, and should go into the planning of your next trip. The Library offers, "America from the Road," a guide to America's natural wonders, and most interesting places.

"The House of Gray," is the saga of two families whose lives, loves, and ambitions intertwine in the international world of art dealing.

In 1781, after the defeat of Cornwallis at Yorktown, Washington and Jefferson turned their attention to the negotiating table, and they face a new challenge — proving that Benjamin Franklin is not a traitor. Ben is proved loyal, but another secret emerges in "Poor Richard's Game."

Says Contest Chairman, Joseph Mellon, "We are encouraging poetic talent of every kind, and expect our contest to produce exciting discoveries."

Rules and official entry forms are available from the World of Poetry, 2431 Stockton Blvd., Dept. G, Sacramento, California.

Accent On Health

Halloween brings ghosts, goblins, and sometimes, real danger. The American Lung Association of Texas warns about one danger for children — the risk of choking on holiday treats such as candy corn, hard candy, and peanuts.

At Halloween, children go door-to-door trying to fill their sacks full of candy and other goodies. Parents should insist youngsters bring the treats home for inspection. For the youngest — two, three and even four years old — some of the candy can be divided or mashed before eating.

The chewing and swallowing muscles of young children may not be sufficiently developed to cope with certain treats. Choking can result. Halloween goodies may also "go down the wrong way" and lodge in the lung instead of the stomach. This is called aspiration.

A "foreign object" of any kind in the lung can cause life-long problems. At times, surgery for removal is required.

The best warning is: be sure children are old enough to chew and swallow correctly before trusting them with small, hard bits of food. Parents should always be on guard against "small objects" getting into the hands of children. Particularly those young enough to put everything into their mouths. Choking, blocked air passages, even aspiration into the lung can result.

Moreover, such items as eyes and buttons might come loose from dolls, or wheels from toy cars. Set a good example. Don't put anything but food into your own mouth. Keep the coffee table clear of small objects a child might reach for. And remember: keep Halloween and all other times of the year safe for your child.

A message from the American Lung Association of Texas.

Commissioners Approve Fees

In a short business session Monday morning, the commissioners court approved \$450 in court appointed fees and voted to designate November 2 a holiday and will be optional for each courthouse office. November 2 is election day. Final budget amendments were also approved by the court.

A public hearing was set for Nov. 8 at 10 a.m., which will be the next regular session for the commissioners to hear any objections to accepting a grant in the amount of \$165,000 to reconstruct and widen runway 17-35 to 3500' x 60'.

Stenholm Answers Post Letter

(Editor's note: The following letter from Congressman Stenholm was written to a Post citizen who had sent a copy of our recent The Way I See It comments about the tax laws.)

Thank you for your recent note, along with the newspaper article, in which you expressed your views concerning legislation which would change our nation's present net income tax system by the implementation of a flat rate tax system. I appreciate having your thoughts in this regard.

There is no question that the U.S. Tax Code is too complicated in its present form, and it is unfair. I am in favor of simplifying our tax laws and making them more equitable. The Congress realized the need for reform, however tax reform has been held up due to a lack of good data on how various tax reform proposals will affect taxpayers.

I have co-sponsored H.R. 5868, which would direct the Treasury Secretary to study the feasibility of replacing (1) the present individual income tax, or (2) both the

individual and corporate income taxes with a simplified tax on gross income. I think it will be important to restructure the tax system to increase economic incentives for capital formation and productivity, to remove provisions hindering investment, and to insure the protection of the economically disadvantaged.

The Congress will probably not consider a flat rate tax system until sometime next year. I will be keeping your views in mind as this issue is under consideration. Thank you for contacting me as you have, and with best wishes, I remain Sincerely Yours, Charles W. Stenholm

### MONTFORD CAMPAIGN ROLLING

#### People are ones who count—JTM

John T. Montford said when he announced his candidacy for state senator "a legislator's strength lies in his commitment to the people who elect him."

"I intend to keep my word and the commitments I make to you during this campaign in order to keep your trust."

That has been the Montford creed since becoming a public servant.

It's a pledge he intends to live by as long as he holds public office.

Montford says his door will be always open to his constituents "because those are the people I'll be working for."

"No special interest group or organized group of any kind will have my ear because I will listen only to the people who elected me and seek their advice and counsel before casting a vote."

Montford, a strong conservative, believes in keeping our right to work law in Texas.

"Our state has been fortunate because of the business climate, and I want that climate to remain," he says.

Montford will open a district office in Lubbock and travel throughout the district when the Legislature is not in session.

"I will be always available, and in Austin I'll stand up to the big city senators. My voice will be heard in the Senate chamber on behalf of all of the people of West Texas," says Montford.

Take a friend to the polls on Nov. 2—Vote Montford

JOHN MONTFORD—Our next senator.

#### Join your neighbors; vote Montford Nov. 2

The John T. Montford for Senate Special is rolling ahead at full steam toward a resounding victory on Nov. 2 that will send John to the Texas Senate in Austin.

Reports are pouring in from all of the 14 counties in the huge 28th District that Montford is running ahead.

"Both Debbie and I have seen thousands of voters throughout the district in the last few weeks," John reports, "and the things they are telling us are very reassuring."

Montford says "one of the greatest things about campaigning is getting out there early every morning to visit with folks at the coffee shops and hear what they want from their senator."

Montford already has visited every city and town in the district at least once and will pay a return call to many of them before election day.

"People are worried and concerned about state government, and they want someone in Austin who will fight for West Texas and not just sit around and fill up a seat in the Senate," John comments.

Refusing to stoop to personal attacks as his opponent has done, John is continuing to talk about issues—concerns and needs of the people.

Some of the top priorities on John's action agenda are water, unemployment, agriculture, crime and education.

"We have developed a water plan centering around conservation and, at a later date, importation which I am confident I can sell to the other senators," says John.

In the field of agriculture, John believes firmly that better markets and a strong program to push West Texas products is desirable and can be done.

"They'll know I'm in Austin," says John, "because I'll speak up daily and forcefully for our part of the state."

John's program also calls for attracting more light industry and small businesses into West Texas to create more jobs.

He says the petroleum industry must be put back on sound footing through offering proper incentives for exploration.

On education, John is firmly committed to hiring and retaining the best teachers "because our children are our future."

See MONTFORD Page 4

"It is absolutely essential that West Texas be represented by a Senator of integrity and credibility, a person who understands the needs of all citizens of the 28th Senatorial District. What West Texas needs is a Senator who will stand firm for the interests of his constituents. This I will do."

—John Montford in announcement statement

#### Campaign is family affair

Running for the Texas Senate is a family affair for John T. Montford because he has always been a strong family man.

Wife Debbie has hit the campaign trail on her own as well as travelling with John T. as often as possible.

"I love to campaign," she says, "because I get to see a lot of old friends and make new ones along the way."

Debbie is a good speaker as is her talented husband, but admits "he has honed his speaking skills working for the people in the courtroom as a prosecuting attorney."

Both Debbie and John T. take time when possible to help with school homework, and, of course, keep busy with the routine home chores.

The Montfords are members of Westminster Presbyterian Church, and both Debbie and John are active in civic and church affairs.

Debbie is the former Debra Kay Meers of Friona while John is a native of Hurst.

John, 39, attended public schools in Hurst and holds both a B.A. degree and a law degree from the University of Texas.

Upon his graduation from law school he entered active duty with the U.S. Marine Corps, where he was a company commander and a military judge and attorney.

John was elected criminal district attorney in Lubbock in 1978 and has filled the job since that time.

# Faith in Short Supply?

**POST MINISTERIAL ALLIANCE**  
By Rev. Tom Pass  
First Presbyterian Church  
"Faith," said a very reflective Christian, "is what you run out of in life." Don't you know that feeling? Something in your life suddenly looms like the Alps that Alexander the Great could not conquer in

his own strength, and elephants had to be summoned. Sometimes things pile up, and the spirit starts to sag, and the personal resources — the faith, hope and love that once seemed inexhaustible are gone. Maybe it's not a large crisis — not a death, or loss, or life change — but a

series of small, nagging problems, without any genuine relief to punctuate them. Perhaps you have been "running the race," and would like to finish the course, but it feels more like the course has finished you! When St. Paul wanted to strengthen the faith of the new Christians he had left

scattered in congregations all over Asia Minor, he reminded them of their obligation to help each other.

"You should carry each other's burdens, and in that way fulfill the law of Christ." To the church at Ephesus he wrote, "Be friends with one another, and kind, forgiving each other as readily as God forgave you in Christ."

Perhaps the greatest measure of our faith is our willingness to reach out to one another, even at the price of letting our own weakness be revealed in the process.

The times when faith is on trial offer Christians the opportunity to be the Church by being a People together.

God chooses the weak things of the world for his own, because that is the way most of us are; we can glory in that weakness for it makes room for the goodness of God.

The present tensions of our lives become unbearable only when we sentence each other to suffer alone.

# Streets of Ephesus Begins Series

The streets of first century Ephesus will be visited from archeology and scripture. Sunday begins the first in a series as we study the seven letters to the seven churches for our morning worship hour from Revelation 2 and 3.

Once a great trade center, Ephesus, by the Christian era, remained as a strategic port city of Asia Minor. The epistle recorded by John to that city rings with eternal

truths that speak to hearers yet today.

Response to our exciting, "God's Prison Gang," was very encouraging. This Sunday night, October 31, will

be a fun night of crafts, activities and fellowship as we meet at 6 p.m. Join us as you share your hobby or talent in an evening of fun.

# Assembly of God Church News

By Mrs. J. W. Brown  
Last Sunday we enjoyed the ministry of C. L. Sprabary in our morning service. He ministered on the signs of the Coming of Jesus, and other related material dealing with the subject of prophecy. His wife, Jeanie Sprabary, ministered in the evening service on the subject of "Brotherly Love." Truly we

praise God for two tremendous services and are looking forward to having the Sprabary's back again with us for a three day revival in the near future.

The First Assembly of God Children's Church will be having a church wide Halloween party at 6:30 p.m. Saturday, Oct. 30 in the fellowship hall of the church.

We were glad for all our visitors Sunday, Bucky Phelps parents, Ellen and Buddy Phelps of Arcata, Calif., his aunt, Mae Mace of Springfield, Ill., his

cousin, Lucille, McAlister of Summersville, Mo. and another cousin, Ann Mitchell and two daughters, Michelle and Carla of Norwood, Mo.

I encourage each one of you to exercise your right to vote in the General Election, Nov. 2, 1982. Your vote and influence would be gratefully appreciated.

# Rev. Tom Pass to Serve on Panel

Dr. Thomas E. Pass, minister of the Presbyterian Church in Post, was recently selected to serve on a national panel preparing new worship materials for the two largest Presbyterian denominations.

The work, under the auspices of the Joint Office of Worship of the United Presbyterian Church and the Presbyterian Church in the United States, will take two to three years to complete.

The Joint Office of Worship is located at Louisville Presbyterian Seminary in Kentucky, the only Presbyterian seminary

currently serving both branches of the Presbyterian Church.

Other four-person Task Forces have been convened to work on Services for the Lord's Day, funerals, and other worship occasions.

The Task Force on which the local pastor will serve will concentrate on the theology and practice of Christian marriage, and marriage services.

The other three persons on the panel are from Princeton Theological Seminary, New Jersey; McCormick Theological Seminary, Chicago; and the First Presbyterian Church of Kalamazoo, Michigan.

# Burnett to Preach

The Presbyterians of Post will welcome Wes Burnett to the pulpit Sunday morning, preaching in the absence of the pastor.

Burnett, who has filled the pulpit for congregations in the Sonora-Ballinger area, recently moved to Post to become publisher of the Post Dispatch.

A Presbyterian Ruling Elder, Burnett will be assisted in worship by several members of the congregation.

An invitation is extended to all to participate in the worship of God, with the Presbyterians of Post, at 11 a.m. Sunday morning. The church is located at 910 West 10th.

Almost all known geysers are located in the countries of the world—the United States, New Zealand and Iceland.

Next Tuesday, November 2nd, is the day of a very important election.

Last May, you selected some very good people to represent the Democratic Party, and I am proud to be among those that you picked.

Now it is time to go to the polls and support the nominees of your party.

We in rural West Texas, faced with every kind of economic hardship imaginable, need the down to earth, progressive, constructive leadership of the Democratic Party now more than any time since the 30's.

We small businessmen, farmers, workers, and senior citizens need folks in office that care about us, will listen to us, and will work for us.

We need a Democratic Governor, a Democratic Legislature, a Democratic Congress, and yes, in two years, Texas needs to help elect a real Democratic President. Your vote counts. Start the ball rolling now! Vote Democratic on Tuesday!

Sincerely,

# Lillian Potts and daughter Enjoy German Trip

A vacation trip to Germany and to Sweden for most people is a once in a lifetime event, but the same trip for Mrs. Lillian Potts, and her daughter, Linda Booth, turned out to be one of the greatest ever for the couple, when they were guests of honor at the 450th anniversary of a city in Germany where her family began their lives in the early 1500s.

Mrs. Pott's great-grandfather came from Clausphal-Zellerfeld, in Germany, and the relatives still living in that city found out about Mrs. Potts when she wrote to the authorities there for some of her family history.

The city is located in the Harz Mountains in Western Germany. It is right against the Russian wall, not an imaginary wall either, one that is very evident and one that no one crosses without fear of their life.

Mrs. Potts stated that they climbed a tower to look over the country side, and viewed the wall, which is concrete and wire, and saw the Russian soldiers as they watched them.

Some of her family lives across the line, and she stated that it is very hard for those to cross over into Germany to visit. The area across the line is mined and anyone seen across the line will be shot on the spot.

The city of Clausphal-Zellerfeld is a medieval town, and they were given the grand tour of the countryside and the towns surrounding the area. The buildings were so beautiful, stated Mrs. Potts.

Mrs. Potts traveled with her daughter, Linda Booth, and the Erwin Meinscher's (her great-grandfather's name) and cousins of Mrs. Potts.

There was a parade the day the celebration began, which by the way lasted several days, and the visiting Americans rode in the parade as the town's honored guests. Because they were from Texas, they were expected to dress like cowboys, and they accommodated their hosts.

When the travelers left the train in Goslar, Germany on their arrival, to travel across country to Clausphal-Zellerfeld, they were met at the train station with TV cameras, flowers, and all kinds of news media. They were really honored guests, and were given the red carpet treatment.

Mrs. Potts stated that the trip was even more

enjoyable because they were furnished with interpreters, and with transportation everywhere they went.

They were probably the most welcome travelers at the festivities.

Cousins and family members from all over Germany traveled great distances to visit with the Americans, and Mrs. Potts stated that they were just simply overwhelmed by their hospitality and their concern for their enjoyment during their stay in Germany.

They visited old churches and were able to see their records which are very accurate and updated, and the family has been traced through them. By the way, this is her mother's side of the family.

Clausphal-Zellerfeld is a mining community, and in its early beginning, a tunnel had to be dug to release the water from the mining operations. Mrs. Pott's great-grandfather was one of the original men who began what was once the world's longest tunnel, and was one of only four of the original crew to see the 13 year project completed.

The mine, Ernst-August-Stollen, has many memories for Mrs. Pott's family, and a lamp that was used in the mining operation in 1871, belongs to members of her family. The lamp burned oil and talcum, and was all the light that was available in digging the tunnel.

A retired mining engineer in Germany, sent Mrs. Potts the story of the mine, and all he knew about her mother's family.

The family descended from German Royalty, and the tracing of it's history has been a great joy for Mrs. Potts.

Leaving Germany, the visitors went to Stockholm, Sweden, to visit members of her father's family, and went to the family estate of Ekenas. Her father's family history has been traced all the way back to the 30 year war.

This would be another story in itself.

The travelers were so impressed with the buildings and the countryside that they visited on their trip. Mrs. Potts stated that she and her daughter had made a trip to Germany several years before, just on their own, and they were treated very coolly. They had wondered if they would enjoy this trip at all.

But this time, they were so impressed by the warmness of all the people and the joy of meeting cousins and members of their family was a treat they will never forget.

## Hospital Workshop Planned November 19

A workshop on infection control, nursing standards and quality assurance will be offered by the University of Texas at El Paso College of Nursing and Allied Health from 8 a.m. to 4 p.m. Nov. 19 at Garza Memorial Hospital in Post.

Marta L. Reeder, assistant professor of nursing at UTEP, will conduct the program. Continuing education credit may be earned. The fee is \$20.

The workshop will open with a review of professional nursing standards and quality assurance criteria,

with emphasis on obligations of all nursing staff to coordinate infection control into their practice.

The UTEP College of Nursing Continuing Education Department serves a 40-county area of West Texas that has 82 hospitals or related institutions and 65 nursing homes.

Information about this workshop and other programs is available from the Continuing Education Department, UTEP College of Nursing and Allied Health, 1101 North Campbell Street, El Paso, Texas 79902.

# Montford on Agriculture

Some politicians are always looking for a race. They will say or do anything to get elected. They would rather "bad mouth" their opponents, than talk about the issues.

Sometimes what they do not say reflects more on their sincerity and ability than what they do say when they are criticizing their opponent.

Take the Texas State Senate Race for instance—Here's what the Texas Senate Candidates for District 28 have to say about Agriculture:

**JIM REESE**

\*NOTHING

\*NOTHING

\*NOTHING

\*(The word "agriculture" was never mentioned in Jim Reese's campaign literature nor was agriculture listed as a priority in his statement of platform delivered March 12, 1982.)

**JOHN T. MONTFORD**  
District Attorney, Lubbock

### Campaign Platform on Agriculture

"All of us are extremely affected by the health of the agricultural business community. West Texas depends to a large degree on an agricultural based economy. The farm dollar multiplies roughly eleven (11) times through our State's economy and roughly seven (7) times through our local economy. We must support our farmers. I will fight any efforts to repeal the gasahol tax exemption, one of the few pieces of legislation passed by the State to assist the farmer in gaining a fair market price for his product. I will take the lead in promoting our farm industry by studying and seeking to implement innovative marketing concepts being utilized by other states. The farmers need a strong voice, a fighting senator, that will not run from a vote or a debate, someone who will continuously be of support and counsel. This I will do."

### Primary Campaign Brochure

"Commodities, such as cotton, sorghum and corn, have provided us with the dollars that have fueled our economy for years, but today, the farm community is facing a crisis forcing many farmers out of business. We must support our farmers, open new markets and assist in implementing new, orderly marketing concepts. I am committed to taking positive action now, for without strong action the farmers' demise could very well be our own."

### General Campaign Brochure

"West Texas depends to a large degree on an agriculturally based economy. The farm dollar multiplies roughly eleven times throughout our local economy. . . . I will take the lead in seeking and implementing new marketing concepts for our agricultural products . . ."

Here are **4** important reasons why you should support Senator Lloyd Bentsen.

- 1. Social Security**
- 2. Jobs**
- 3. Small Business**
- 4. Agriculture**

What would happen if the checks stopped? Senator Lloyd Bentsen is one of the senators who fought to save Social Security and to protect the minimum benefit. Next year there will be another fight in Congress to cut or even stop Social Security. James Collins introduced three bills that would have destroyed the Social Security system. He lost. To protect Social Security from people like James Collins we must keep Senator Bentsen fighting for us in Washington next year . . . and the next.

More than 600,000 Texans are out of work. That's a sad record. Senator Bentsen has fought to increase the sale of our goods overseas and has encouraged the training of the unemployed for new jobs. He helped save the Texas Employment Service and supported tax incentives for small business. His opponent, James Collins, opposed funding for the Texas Employment Service and voted against re-training programs.

Small Business is the corner stone of the American economy. Yet, the rate of bankruptcies is higher than any time during the past forty years. As one of the Senate's leading authorities on economic issues, Senator Bentsen helped write the Economic Recovery Tax Act of 1981. Under this legislation tax relief for the next five years will exceed \$150 billion, the largest tax cut in history. This will increase competitiveness in foreign trade and stimulate growth.

Raised on a farm and ranch, Senator Lloyd Bentsen knows first-hand the economic problems confronting American agriculture. He has fought to increase agriculture exports and to remove foreign trade barriers. He successfully prevented the elimination of the Rural Electrification Administration, and won the fight to increase agricultural research, which has helped make the American farmer the most productive in the world.

Remember when the most important reason to vote for candidates was because they did a good job? It still is.

Lloyd Bentsen,  
U.S. Senator.

He does a good job . . . for all Texans.

# Second Half Deluge Boosts Antelopes to 8-0

(Continued from Page 1)

## Whirlwind drive.

The Antelopes didn't waste any time getting another six on the board as they took the kickoff from the 10 yard line and in 12 plays drove the 90 yards to pay dirt.

Taking the ball with 11:15 on the clock, the 'Lopes finished the drive with 6:01 remaining and Williams going in from the four yard line.

The drive was highlighted by the running of Kirkpatrick, Cisneros and Williams, with a key pass reception by Kirkpatrick.

The 'Lopes led by one, 14-13 at half-time.

## Second Half All Antelopes

The second half started out on the wrong foot, as the 'Lopes fumbled on their first possession.

But then the defense made its magnificent stand and behind great blocking, Williams scored on a

three-play, 55 yard drive.

On the first play, the 'Lopes were called for holding, nullifying a 15 yard run.

On the next play, quarterback Tim Tannehill hit Bill Black on the Floydada 45 and the big end pounded his way to the 39 for a first down.

Then Williams got the call, blasting to the 31, and on second down, he followed the excellent blocking of Kirkpatrick, Cisneros, Black, Toby Craft, Keith Osborne and Mark Odum on a quick-pitch around right end, and raced to the end zone untouched.

The Whirlwinds were gasping for air as the 'Lopes increased their lead to 21-13.

Then on the kickoff, Irvin Price slammed into Derrick Jenkins, jarring the ball loose at the 27 yard line, where Felix Bustos, recovered the fumble for the Antelopes.

With 1:24 on the clock, the number one rated AAA team in the state opened up a two-play, 27 yard touchdown drive.

First, Tannehill found Kirkpatrick for a pass completion to the 25, and he pushed his way down the sidelines to the 15.

Then Richard Cisneros zapped the Whirlwinds defense with a 15 yard touchdown run over right guard.

"Our offensive line blocked better this game than we've ever seen," Coach David Thompson commented. "They were simply awesome."

The third quarter ended with the Antelopes firmly in charge, leading 27-13, and picking another fumble recovery, this one by Daniel Gonzales at the Floydada 31.

Six plays later with 10:53 left in the game, the 'Lopes coughed up the ball to the Whirlwinds on a fourth down from the 15...then promptly got the ball back as Cisneros covered up a Weeks fumble at the 13.

With 10:41 on the clock, the 'Lopes began a five-play drive, ending with Williams scoring from the two yard line over right tackle.

It was Kirkpatrick over left tackle to the 11, Cisneros over left guard to the six and then Williams three times over the right side.

Kirkpatrick added all the extra points, missing only one of six.

Robbie Williams stopped a near Floydada touchdown on the kickoff as speedy Weeks broke loose, finally being hauled down at the Floydada 47.

A strong defense kept the Whirlwinds from advancing any further than the Post 38, where on third down L.D. Harper, Bill Black and Irvin Price caught the quarterback for a loss to the Post 49.

The Antelopes took the punt on their own 18 and on first down Cisneros escaped the grasp of the Whirlwind secondary on a 63 yard scamper to the Floydada 19 yard line.

From there Williams got the call around left end and put the final touchdown on the score board with 4:41 left in the game.

Giles Dalby (32) and Marvin Wynne (21) converge on Donnell Weeks as the 'Lope defense cut off the Whirlwinds.

## Difficult times demand wise decisions... and strong decision-makers like Lt. Gov. Bill Hobby.

Texans are facing some difficult times. Now, more than ever, we need experienced, compassionate leaders in our state government.

We need a leader like Lt. Gov. Bill Hobby who has our interests at heart. Here's how Hobby stands on the issues concerning Texans:

### EDUCATION.

HOBBY will not be satisfied until our education system is the best in the nation. His efforts to improve the quality of public education for your children and grandchildren begin in the classroom. He is for improving teacher salaries and benefits. He is for giving more control to local school districts.

### JOBS.

HOBBY is working to create more and better jobs for Texans. He is making sure jobless Texans receive their full unemployment benefits. He is working to increase the efficiency to the Texas Employment Commission. He is stimulating economic growth and new jobs through responsible state spending and one of the lowest tax rates in the nation.

### CRIME.

HOBBY is for strong laws and certainty of punishment of criminals, backed by better training and pay for our police officers. He is helping upgrade our courts to speed up trials of accused criminals. He is for improving our prison system and parole system.

Richard Cisneros (44) picked up 129 yards rushing for the Antelopes in the 41-13 win over Floydada last week.

The red corpuscles in the blood get their color from iron.

# Antelopes Tally 515 Yards at Floydada

The Antelopes are averaging 443.6 yards per game this year and holding opponents to 215.3, and picked up a total of 515 yards against Floydada.

Tim Tannehill connected on seven of 11 passes for 141 yards and the 'Lopes collected 21 first downs, compared to 14 for the Whirlwinds.

On defense, the Antelopes held Floydada to 160 yards rushing and 48 passing and intercepted one pass and recovered four fumbles.

Milton Williams led the rushing stats with 192 yards followed by Richard Cisneros with 128, Will Kirkpatrick with 38, Daniel Gonzales got six with Marvin Wynne and Tannehill each getting five.

On receiving, Bill Black caught three for 73 yards, Kirkpatrick two for 18 and James Lee one for 12.

Williams was credited with a 38 yard pass-lateral run.

Kirkpatrick returned two kickoffs for 59 yards, Tannehill and Williams one each for 10.

Defensive stand-outs included Toby Craft with 19 tackles, Marvin Wynne with 16, Irvin Price and Cisneros with 14, Giles Dalby in on 11 as was L.D. Harper and tackles by James Lee, James Brown, Robbie Williams, Ken Bullard, Jimmy Valdez, Derek Walls, Keith Bullard, Tannehill, Kirkpatrick, Felix Bustos, Steven Fluitt and Daniel Gonzales.

Dalby was credited with a quarterback sack, along with Black, Harper and Cisneros.

Black also caused a fumble and Price caused two fumbles.

Fumble recoveries were credited to Harper, Cisneros, Bustos and Gonzales.

Kirkpatrick and Harper each got tips and Lee picked off a Whirlwind pass.

The Whirlwinds picked up 160 yards of their offense in the first half, and the Antelopes came out of the half-time with defensive adjustments, shutting off the option play.

Bill Black slams Whirlwind quarterback Mark Hatley, popping the ball loose as the Antelopes took their third district win.

# Freshmen Win 56-0

The Post Antelope freshmen continued their winning ways last week as they swamped the Floydada Whirlwinds 56-0 here.

Tracy Price (32) runs back a kickoff during last week's win here for the freshmen against Floydada.

The young 'Lopes scored in every quarter, 14, 16, 24 and 22.

They led their opponents 275 yards rushing and 95 passing to 79 rushing and 24 passing.

Tracy Price set up the first touchdown on his 37 yard punt return to the 33, and five plays later he scored from 13 yards out.

Price scored again on a 35 yard dash, following a 63 yard drive in nine plays. He also got the two-point conversion.

Joel Kirkpatrick hit Sam Binford for the two point conversion following the next touchdown, which was a six play, 53 yard drive with Price scoring from four yards out.

Sammy Harden intercepted a Whirlwind pass on the Floydada 33, and three plays later Kirkpatrick threw the ball to Greg Adams for a 22 yard touchdown. Price added the two-points.

In the second half the freshmen drove the ball 66 yards in six plays, capped by a 30 yard reception by Bruce Crenshaw from Kirkpatrick.

Price scored again on a 67 yard punt return and Kirkpatrick ran in the two-pointer.

Binford recovered a fumble setting up the seventh touchdown, with Benny Hair breaking for a 35 yard touchdown run.

The final touchdown was set up by Price's interception of a pass at the Floydada 46 yard line and seven plays later Hair scored from five yards out.

Coach Jay Kennedy offered special praise to Sammy Hardin, Tracy Price and Willie Osby for their interceptions; Binford and Mike Bland for their fumble recoveries and "the whole defense played excellent, they were physical, tough and played with a lot of excitement," the coach reports.

"Tracy Price had an excellent game, both on offense and defense," the coach adds, "with 118 yards rushing, 169 yards in punt returns, four touchdowns and two conversions."

Joel Kirkpatrick was also praised for his five out of six passes for 95 yards and two touchdowns.

"The whole bunch played extremely well, the offensive line was tremendous," coach Kennedy comments.

The freshmen play Lockney there with a 5 p.m. kickoff tomorrow.

Toby Craft (5), Irvin Price (82) and an unidentified Antelope defender bring down Floydada's Donnell Weeks during last week's 41-13 drubbing of the Whirlwinds.

Greg Adams (24) blasts through the Floydada defenders as freshmen teammates James Mock and others provide the blocking.

## 8th Grade Fights 'Winds

"We played well in spots, but could not contain their speed when they ran outside," coach Daryl Radle comments on the 8th grade Antelopes' 28-0 loss to Floydada last week.

The coach offered praise to Robbie Dean, Randy Lewis, and Johnny Funk for their contributions as well as Eddie Moat, Anthony Perez, Marvin Lee and Derrick Dunn.

"Rodney Guthrie came in and played well at quarterback in the place of Jay McCook, who was injured early in the third quarter," the coach adds.

Freshmen quarterback Joel Kirkpatrick eludes a Floydada tackler during last week's 56-0 Antelope trouncing of the visitors.

Donnie Payne (66) provides blocking for freshmen running back Simon Salinas during last week's win over the Floydada Whirlwinds.

TO: Associates, Fellow Workers, Royalty and Mineral Owners and Friends  
— Garza Field and Post, Texas

SUBJECT: Senator Lloyd Bentsen

Several of my associates showed me some of the mail they have been receiving concerning the Senatorial race and asked for my opinion. Some of the labels Senator Bentsen's opponents are trying to pin on him are absolutely garbage.

Senator Bentsen is a practical and solid individual who represents his State and constituents to the best of his ability. He did more to shape the present oil policy which helped mineral and royalty owners and small oil firms than anyone else. His ability to be practical and to compromise helped so many of his constituents that it is just ridiculous to call him "not a friend of the oil industry."

If I were to label the Senator, I would use words such as achiever, as his history shows he was a ranking officer in the United States Air Force during World War II as a very young man. He was honorably discharged and shortly thereafter was elected to represent the Rio Grande Valley as a United States Representative. He served with distinction for three terms. His next step was to start a company, Lincoln Consolidated, where he became president and chief executive officer. Lincoln Consolidated became a large, and respected well run company. Lloyd resigned to run for the United States Senate.

You could label Senator Bentsen loyal, as he has always been loyal to his family and friends, and he has never compromised on doing what's best for his constituents in the State of Texas.

Lloyd could be labeled a winner or a leader because the Senator fights very hard, whether it be at a tennis game or battling for his constituents. He has consistently won whatever he has set out to do.

Pick your label — practical, solid, achiever, loyal, leader or a winner. Either way, there is no doubt in my mind that Senator Bentsen should represent us for another six years. I urge all of you to get out and vote and vote for Senator Bentsen.

Sincerely,

Ralph S. O'Connor

## JV Defense Allows Zero Yards Rushing

The Post junior varsity football team shut out Lubbock Christian High School 33-0 last week, also stopping LCHS to zero yards rushing. The host team was allowed only 24 yards total offense as the visiting Antelopes ran off 405 yards rushing. Coach Ken Plumlee offered special praise to Dale McVay, Dennis Lee, Kenneth Gill, Rodney Hays, Albert Nava and coach Lane Tannehill for holding LCHS to zero yards rushing. The next score came on a 38 yard drive with a two yard run by Greer. Chuck Morris put the third touchdown across on a 40 yard drive and he kicked the extra point. Kenneth Gill clicked off a 60 yard run scoring the final touchdown and Morris tackled on the extra point. The junior varsity travel to Lockney tomorrow for a 6:30 p.m. kickoff.

Marvin Wynne (21) and Bill Black (81) are submerging Floydada quarterback Mark Hatley as the ball hangs in the air...linebacker Toby Craft (center) joins in the action.

Richard Cisneros (44) leads the blocking as Will Kirkpatrick (20) rambles through the Whirlwind defense.

## Turn Back Clocks

Remember that hour of sleep you lost last April? You're going to get it back this Saturday night at 2 a.m. Postites are reminded to set their clocks back one hour before retiring Saturday night. Remember the saying for the time change 'Spring Up - Fall Back'. Don't forget!

# did you know?

The fuel cost adjustment pass-through is fair to our customers. Costs of coal, natural gas, and fuel oil Southwestern Public Service buys to generate electricity change frequently. Sometimes fuel costs go up, and - we're glad to report - sometimes they go down. As set forth by regulatory authorities, the fuel cost adjustment pass-through requires SPS to reflect those changing costs in each customer's monthly bill. The fuel cost adjustment is designed so that each customer is charged only for the fuel that was required to generate the amount of electricity he actually used. There is no profit for SPS figured in the fuel cost adjustment. The customer pays only the current price for that fuel.

Doyle Moore, Amarillo District Manager.

SPS works hard to keep down the cost of fuel. Some people say that because fuel costs are charged directly to the customer, SPS has no incentive to keep fuel costs down. That's just not true. We have a commitment to keep electric bills as low as we can. Our customers are our partners, and we want to help them save money. Too, we always remember that electricity competes with other energy forms for the customer's dollar. So it's simply good business to keep the total cost of electric service as low as possible.

Maurice Johnson, Senior Engineer, System Planning, Amarillo.

Coal-fired generating plants help you and SPS hold down fuel costs. SPS now has two coal-fired generating plants. The newest, Tolk Station near Muleshoe, Texas, has just come on line. Fuel costs at coal-fired plants are significantly lower than fuel costs at the older, natural gas-fired plants. On the average, in fiscal 1982, the fuel cost of a kilowatt-hour generated by natural gas was 3.178 cents. The fuel cost of a kilowatt-hour generated by coal was 1.803 cents. So maximizing use of Tolk and our other coal-fired plant, Harrington Station near Amarillo, will help us, as your partners, hold down fuel costs.

Kurt Shaughnessy, System Accounting Coordinator, Amarillo.

For answers to your questions, call or write your SPS manager.

You and SPS, partners managing electricity, make the difference.
