

Lopes Break School Record with 12 Wins

Capture Area Title in 42-22 Victory

by Wes Burnett

The Post Antelopes broke a school record last Friday night as they picked up their 12th win this year by defeating Amarillo River Road in Plainview for the Area Championship in a 42-22 offensive show.

The previous Post High School record of 11 wins in one season was held by the 1948 football team.

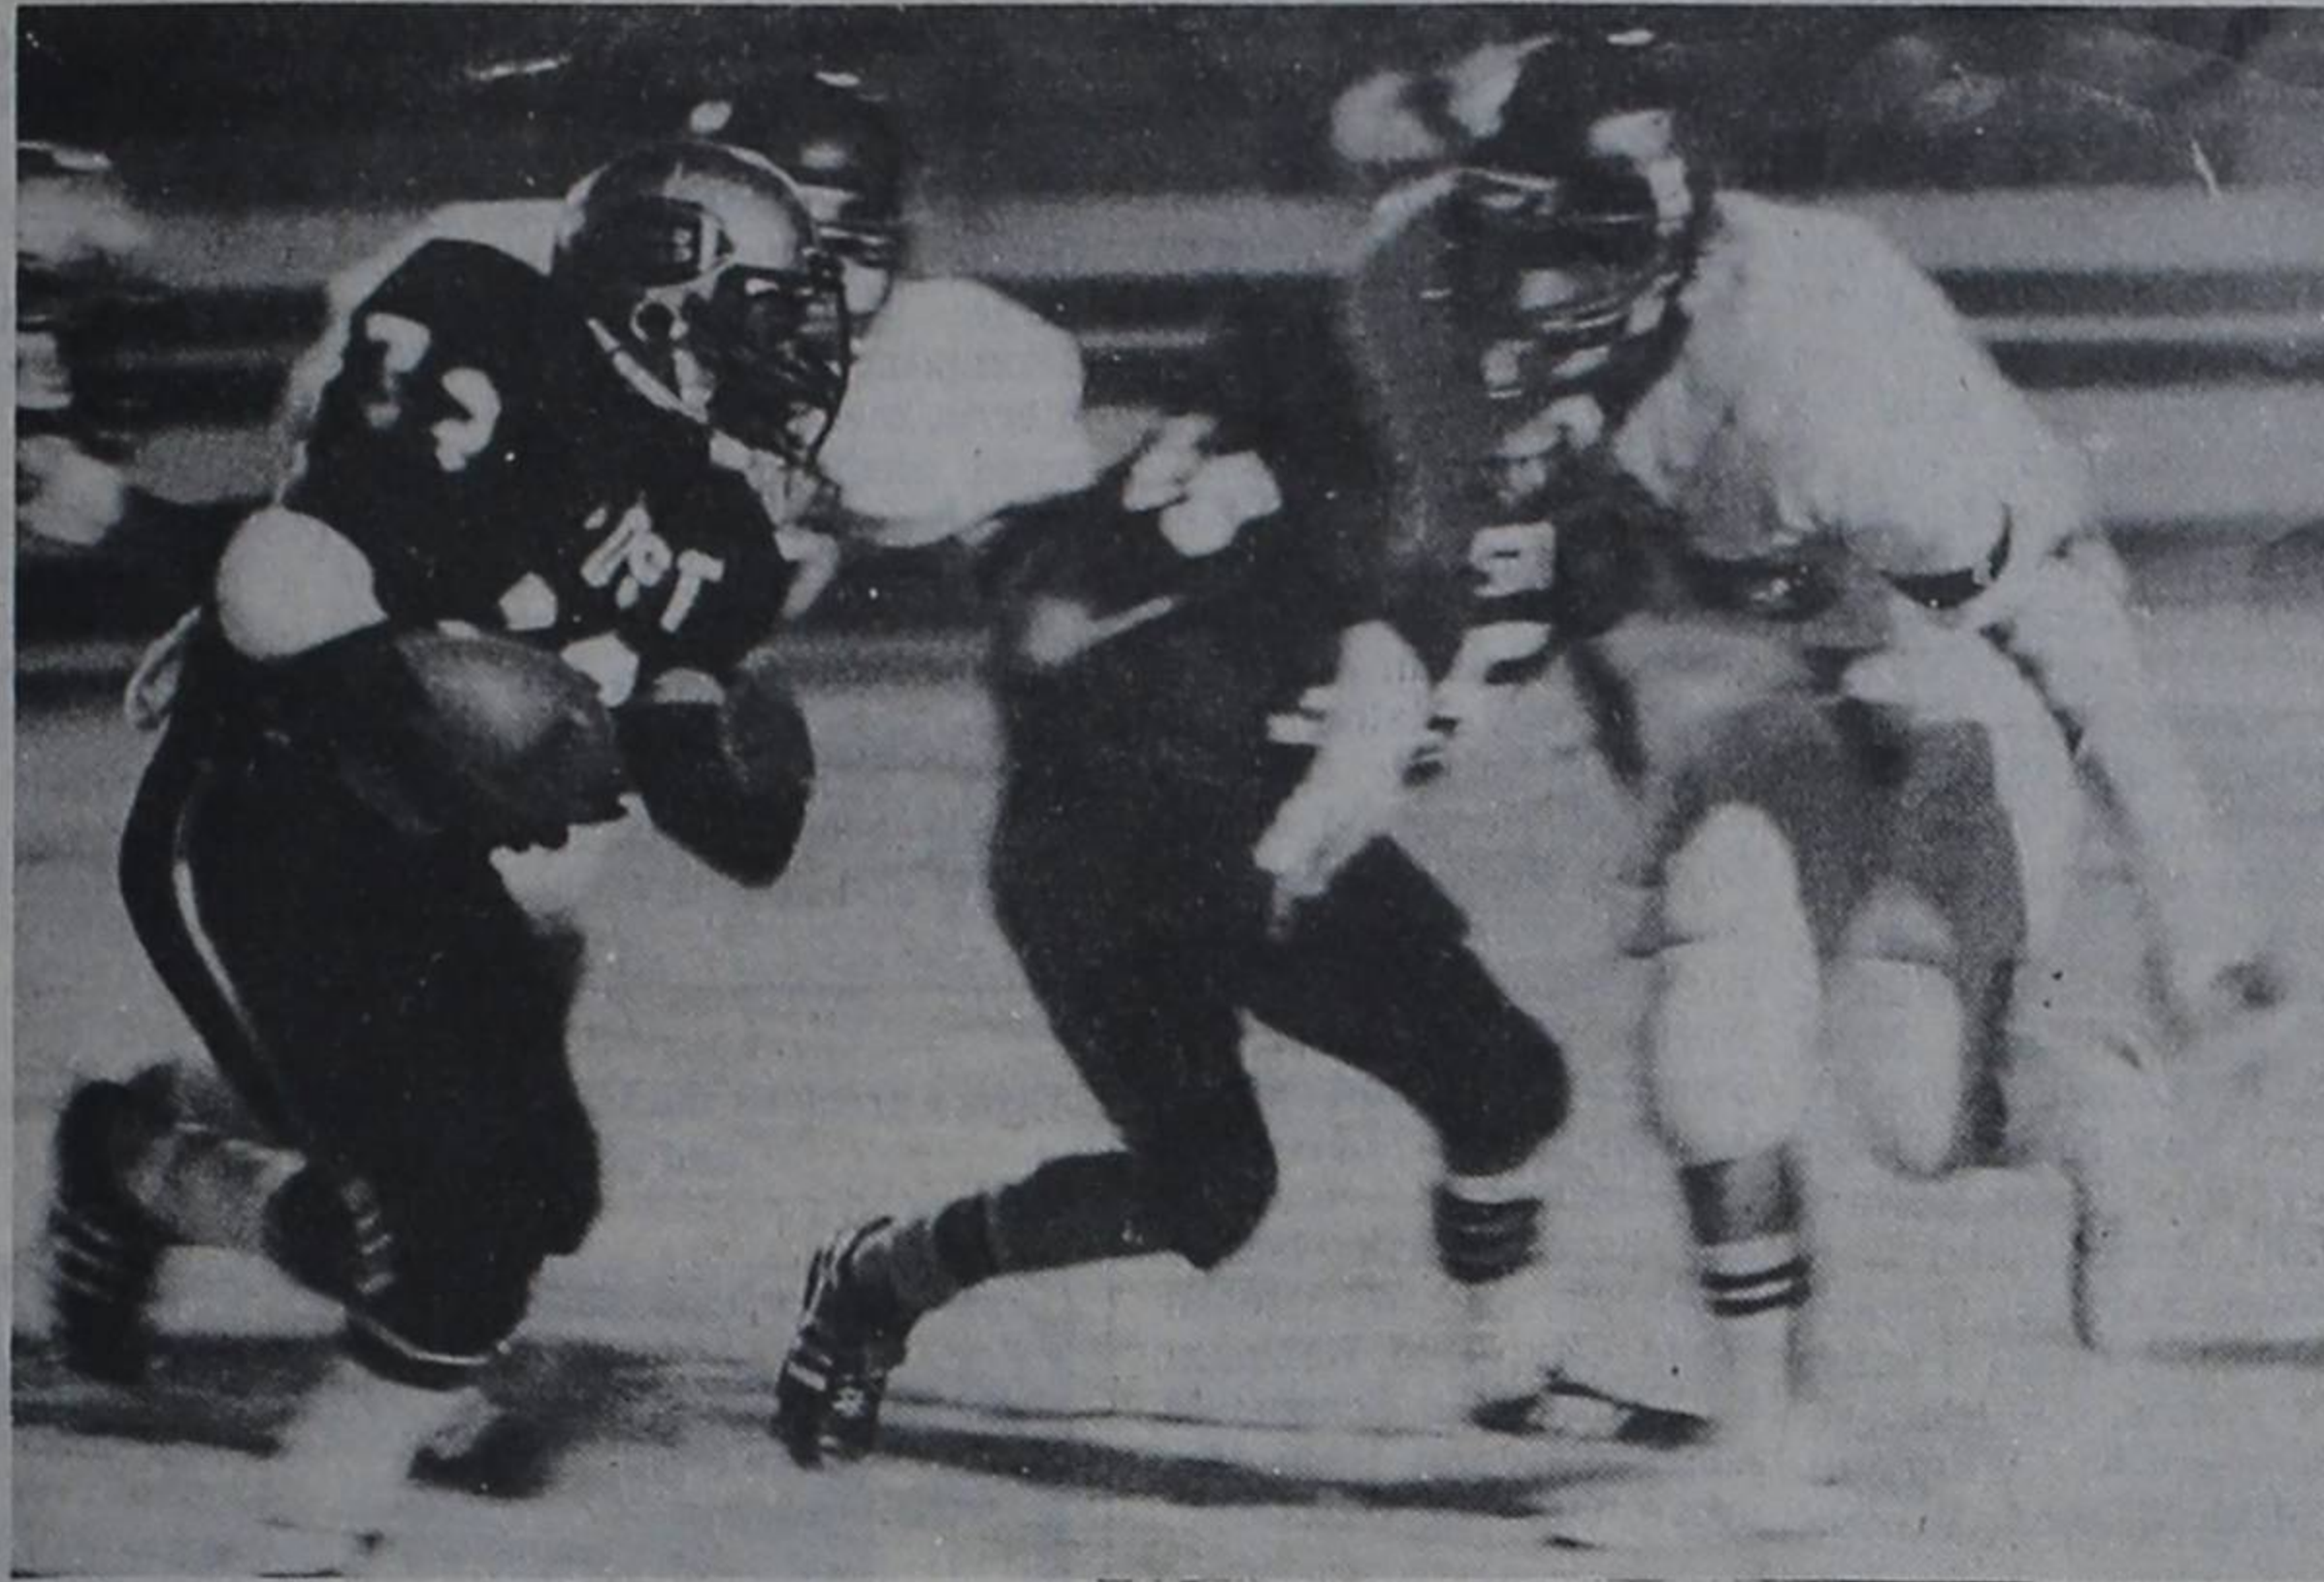

The Antelopes will meet either Ozona or Stamford next weekend for the regional title. (see related story) Antelope fans could tell it was going to be one of those typical games as the Antelopes came out with a four play blast, capped by a Tim Tannehill 45 yard scamper, and in less than two minutes the 'Lopes led 7-0.

Although the River Road Wildcats put on their own offensive show, putting more points on the board than any team this year against the Antelopes, they were no match for the brilliant mix of Tannehill's passing, Milton Williams' slicing, Richard Cisneros' pounding and Will Kirkpatrick's running.

Tannehill's touchdown run was set up by fakes to Williams and Cisneros inside and clearing blocks by Bill Black and Kirkpatrick down the left sidelines.

Early in the second quarter, the Wildcats put together a sustained drive, which started late in the first quarter, and quarterback Jeff Reynolds went on a

1948 Was a Good Year for Post Fans

Editor's Note: While the Bold Gold Antelopes continue their pursuit of post-season football glory, we decided to highlight another great "Old Gold" Post Antelope team. This article grew out of interviews as part of the Post Public Library's Oral History project.

Players named Kirkpatrick and Dalby have figured prominently in the success of the 1982 Post Antelope Bold Gold team.

In 1948, the Post Antelopes won eleven straight games before losing to the Phillips Blackhawks in a game played in Amarillo, December 9, 1948.

This week we talked with Garza County Judge Giles Dalby and K. W. Kirkpatrick, two members of that memorable squad, and they reminisced about the glory days of that team.

"The team the year before wasn't very good," recalled K. W. a standout halfback on the championship team of 1948.

"One afternoon Coach (V.F. "Bing") Bingham came out to practice all suited up in pads, determined to show us how to play better defense.

"He'd been an end at Tech, just like his assistant, Vernon Ray. We had a wild afternoon."

"Dalby spoke of the team's momentum: "We started out playing pretty good, but a lot of people still thought of us as a 'Cinderella' team, and thought we wouldn't go very far.

"It was the first time since 1928 that a Post team had gone past bi-district, and my uncle was on that (1928) team."

Dalby was a reserve center behind captain Jimmie Smith, and also played linebacker and defensive tackle, "though I only weighed 159 pounds that year. Giles (Jr.) weighs more than that now."

When the "Old Gold" backfield lined up, Charlie McGuire wore number 69, fullback Malouf wore number 72, K.W. Kirkpatrick wore number 71, and Ronnie Bouchier wore number 70. "Roy Teaff was really quick, but he couldn't hold on to the football."

The judge laughed when asked whether the knee injury that kept him from playing in the disastrous Phillips game was the reason for the team's poor showing in the 49-0 loss.

Kirkpatrick pointed rather to a stomach virus that affected about half the team the night before the big game.

"We'd gone up to Amarillo on a chartered bus the day before the game, and I don't know whether it was the food they ate, or what, but so many of our players

were up much of the night, and played weakened the next day."

"We were playing seniors who were 16 years old that championship year," remarked K.W.

"Imagine if we all could have come back and played together another year."

The team began with a 40-6 win over Ralls, beat Spur 13-7 at home, defeated Seagraves 24-0, shutout O'Donnell 31-0, took a 27-7 win over Tahoka, scored a 32-0 shutout over Snyder, fought Levelland for a 14-6 win, shutout the previously undefeated Lubbock Cowhands, 19-0, scored a second half touchdown to beat Slaton 12-6, and defeated Littlefield for the District championship.

Then, on Thanksgiving Day, before a Jones Stadium crowd of 8-10,000 people, Jack Kirkpatrick converted the game's only point-after-touchdown into a 7-6 win over the Lockney Longhorns.

The Antelopes had a tremendous psychological advantage going into the Levelland game.

Kirkpatrick tells the story: "The team as a whole was probably up higher for the Levelland game than any game we played.

"The school board decided to fit us with new headgear (because we'd won six straight games), and as we drove through Lubbock on the way to Levelland that day, the coaches stopped to pick up our new headgear, and we adjusted the interior straps on the way to the game.

"Those helmets were modern in every sense of the

word, and we thought we could run through a brick wall without getting hurt a bit."

Dalby remembered that game for another reason.

"I got a tooth chipped in the Levelland game, because after the play was over, and we were going back to the defensive huddle, the end for Levelland saw the referee not looking, and just elbowed me in the mouth.

"I remember that game because of that tooth he chipped."

It was also the last game Dalby would play that season. "In the third or fourth quarter, I got blocked from the side, and that block broke the tape, and the steel hinges on my heavy knee brace, and did such damage to my knee that I didn't play any more that year."

"We were primarily a T-formation team, with a little single wing offense thrown in." K. W. Kirkpatrick, who played halfback on offense and defense, said, "we played our defensive backs 5-7 yards deep on every play.

"There wasn't any 'anticipating the offense,' and we didn't meet many plays at the line of scrimmage. It was almost like playing a constant 'prevent' defense," he mused.

How do you explain the success of that 1948 team?

"Well, we had some really good athletes, first of all. Guys like Junior Malouf, Ronnie Bouchier, Jimmie

School Board Hears Construction Report

The Post School Board heard Mr. Roundtree with the firm of Knox, Gailey and Meador give a report on the construction progress of the renovation and building project when it met for a regular meeting Tuesday night in the high school library.

Roundtree told members of the board that the firm was now in its 56th day of construction with the demolition on the auditorium complete. They are now pouring concrete for the new learning center and are satisfied with the progress to date but real progress would be seen within the next month. He told the board that they were on schedule with the project.

A Mr. Robert with American Seating Co., also appeared before the board to give a presentation on

seating for the auditorium. This item was tabled until a later date.

Coach Darrel Radle reported back to the board on the employee vote on insurance for retired employees and said that all who had voted, voted 100 percent for the proposal. Motion carried by the board members.

Drawing Winners

Four-three winners were drawn Friday morning for free turkeys in the co-sponsored Chamber of Commerce and Merchants Thanksgiving promotion.

The merchants and winners were: Winn's, Ola Keeton; Hudman Furniture, Glen Barley, Tina Genter; Danish Imports, Starlet Riedel; and Western Auto, Tina Gutierrez, Twanna McCrary, and Michael Gonzales.

Handy Hardware, Opal Williams; Handy Gifts, Sheena Conoly; Collier Drug, Lisa Bauer; B Bar T Farm, Wayne Carpenter and Andy Williams.

'Oklahoma' Gets Great Review

BY STEVE LADD

Thursday and Saturday nights last week at around 7:30 p.m. a little magic dust sprinkled forth onto the High School Gymnasium and it was transformed into Rural Oklahoma so the Post High School Drama and Music Departments could stage their annual musical extravaganza.

This year the community was treated to the Rodgers and Hammerstein classic "Oklahoma!" The production was staged in the gym because the auditorium is currently under renovation and hopefully will be ready for next year's production.

At any rate, the gym was quite dressed up with sets constructed by Mr. Lloyd McConnell of El Paso, father of Candace McConnell, who is the director of the production and the lighting was handled by Jeff Sharp and Wayne Smith, who had to communicate from opposite ends of the gym via walky-talky.

Spotlights were ably manned by Fred Mullings and Gerald Carlton. The technical problems, were tackled and the performance went off flawlessly.

Mark Stark was handsome and in excellent voice as the affable Curly, hero of the Shindig. He was ably supported by Todd Wilson as his stalwart cowboy friend Will Parker who brought down the house with his rendition of "Kansas City."

(Continued on Page 11)

Candace McConnell gives last minute instructions to the 'Oklahoma' cast as they prepared for their opening performance last Thursday evening.

Farmers Union

WACO — Larry Chaney of Ropesville and Vic Nelson of Dimmitt representing District 2 of the Texas Farmers Union were in Waco this week for the first of two sessions of the Texas Farmers Union Policy Drafting Committee. Mr. Chaney and Mr. Nelson have been officially appointed as two of 14 farmers from across the state to serve on this special panel.

The committee is responsible for preparing policy statements of the general farm organization for debate and adoption during the Texas Farmers Union State convention which takes place January 20-22 in

Austin.

Representatives are appointed annually to this committee in order to take policy resolutions submitted by county organizations along with amendments and updates and incorporate them into appropriate sections of TFU's existing policy. The policy addresses each commodity as well as many other concerns of family farmers ranging from state and local issues to national and international matters.

Among some of the more significant policies which were adopted by the committee include:

A recommendation that the price of cotton be established on grade and staple only, eliminating the micronaire base.

Enactment of legislation that would provide improved protection and the sanctity of ownership of producer-owned commodities stored in warehouses.

Opposition to the 50 cents milk tax.

Opposition to any actions that would weaken the Farm Credit System.

Texas Farmers Union represents approximately ten thousand farm and ranch families in the state and is part of the twenty-two state National Farmers Union. State delegates at the January convention will officially adopt policy for Texas Farmers Union and elect national delegates to the annual NFU meet scheduled for February 27 - March 3, 1983 in San Diego, California.

Birth....

Jeffery Bilberry announces the birth of his little sister, Tamra Denise born Nov. 16, weighing 7 lbs. 4 oz. and 21 inches long. Parents are John Tom and Alice Bilberry of Post. Grandparents are Mr. and Mrs. Alex Gittlein of Leoti, Kansas, and Louella Bilberry of Post. Paternal great-grandmothers are Beulah Gilmore of Post and Delia Bilberry of Lubbock.

Post City Manager Rebecca King was the subject of a Texas State Senate resolution recently, in recognition of her service to Dallam County and the State of Texas.

Senate Resolution No. 10, signed by Lt. Governor William P. Hobby, was submitted to the senate by State Senator Bill Sarpalus and specifically pointed out the contributions Mrs. King gave during her public service career in the Panhandle.

The resolution referred to Mrs. King as "a much-respected member of the District and County Judges Association," and her "interest in improving the lives of the youth of her area and the state have taken a variety of meaningful forms."

Mrs. King was instrumental in establishing the children's home in Dalhart, served as a parole officer for Gainesville State School and for Dallam County.

She was also recognized in the resolution for her work with the Abilene Child Welfare Department, her membership in the Dallam County Youth Advisory Council and her membership in the Texas Foster Parent Program.

"Judge King's efforts in the justice system have also included close work with the Jails and Standards Commission and she is given much credit for the building of the new jail in Dalhart; she was instrumental in the establishment of the Panhandle Alcohol Recovery Center in Amarillo," the resolution adds.

"Currently City Manager of Post, Rebecca King continues to exhibit the ability and dedicated service that was recognized in 1970 when she was voted one of Texas' outstanding young women," the resolution continues.

Born in Dublin and raised in Comanche, Mrs. King was married in 1958 to Jack King, now president of the First National Bank in Post.

They have two sons, Jeff and John — Jeff a graduate of TCU is now employed with First National Bank of Fort Worth and John is a senior at SMU.

Becky King, City Manager, displays the resolution passed by the Texas State Senate in her behalf and introduced by Senator Bill Sarpalus. The resolution cites some of Mrs. King's accomplishments as judge of Dallam County.

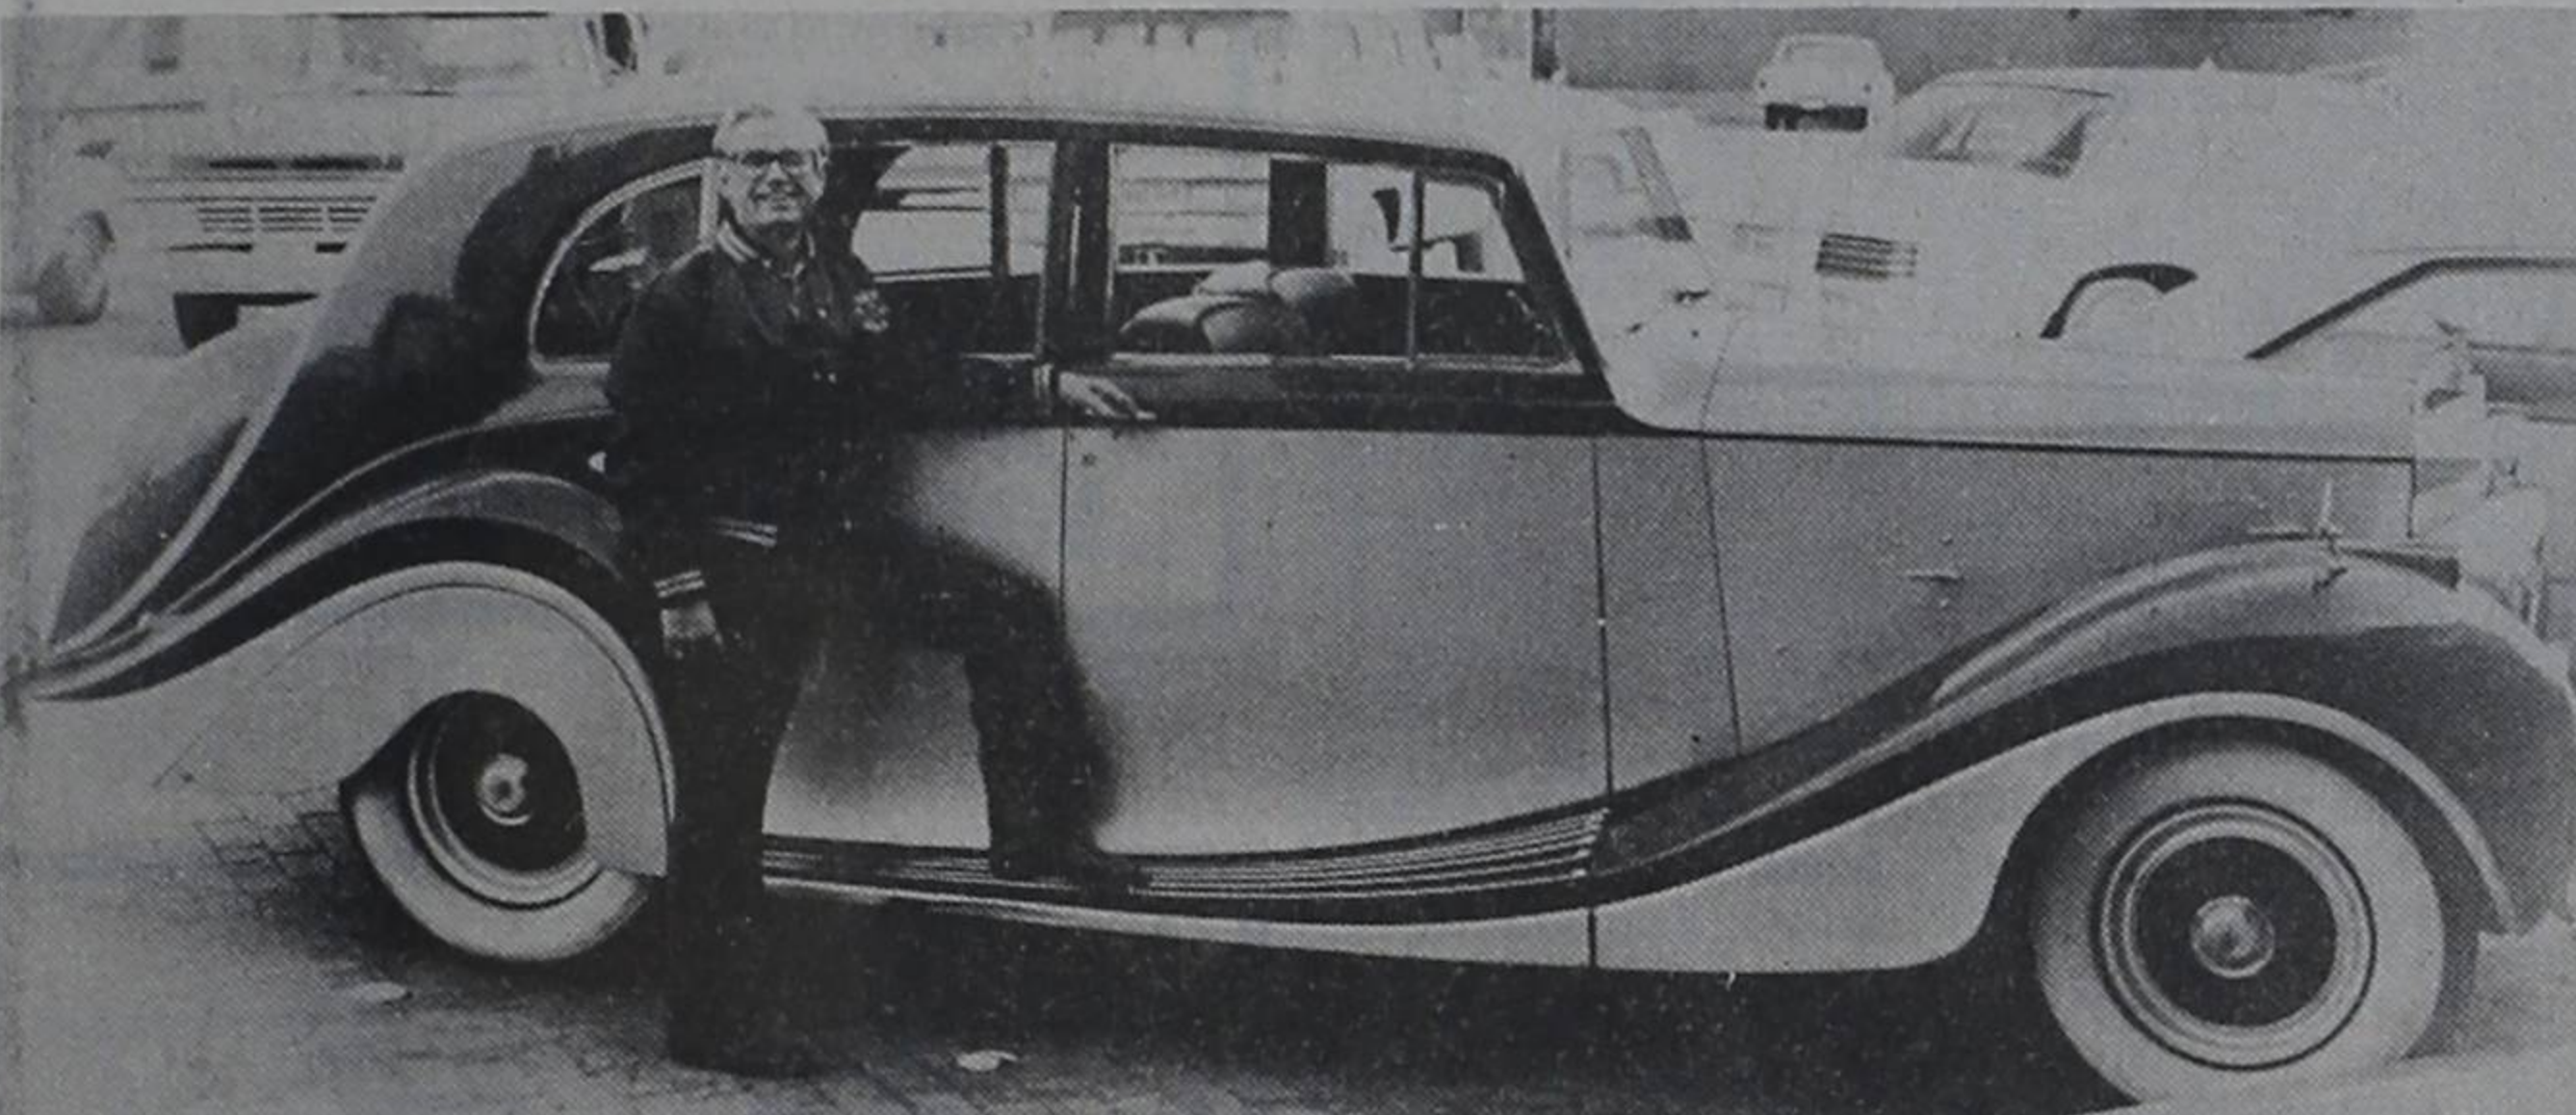

Tech Plans Christmas Lights

LUBBOCK — An expected crowd of hundreds will watch the bright lights of Christmas and hear strains of beautiful seasonal music at the 21st annual Carol of Lights Dec. 3 at Texas Tech University.

"All Things Bright and Beautiful," this year's theme, will become a reality when 12,000 yellow, red and white lights, outlining seven buildings surrounding Memorial Circle, are turned on at the ceremonies in the Science Quadrangle.

A prelude carillon concert will be performed by Music Professor Judson Maynard at 6:30 p. m.

The Carol of Lights ceremonies will begin at 7 p. m.

WOW!!! WHAT A CAR! — A. C. Cash is proudly displaying his 1953 Rolls Royce which he bought this past week in Oklahoma. He said it was going to take a 'little getting used to' with the steering wheel on the right hand side.

VA Benefits

Families of veterans who select a burial site for a deceased veteran in a private cemetery have two options for Veterans Administration assistance in marking the grave.

VA will provide, upon request, a headstone or marker free of charge and ship it to the consignee designated on the application. Cost of placing the marker in a private cemetery must be borne by the applicant, however.

A second option is that VA will reimburse part of the cost of a headstone or marker bought privately and placed on the grave of a veteran. The current amount is \$67, the average cost of headstones purchased by VA.

Application for the VA headstone or marker should be addressed to Director, Monument Service (42), Department of Memorial Affairs, Veterans Administration, 810 Vermont Avenue, N. W., Washington, D. C. 20420.

Application for the \$67 reimbursement for a marker other than the VA standard should be filed at the VA Regional Office. Proper routing of the application will expedite service.

For further information, telephone the Waco VA Regional Office toll-free number listed in your telephone directory, or contact your county service officer.

Javeline Hunting Deadline

Applications for hunting javelina on three wildlife management areas are now available from the Texas Parks and Wildlife Department.

Areas to be hunted are the Black Gap WMA, 55 miles south of Marathon in Brewster County; Chaparral WMA, eight miles west of

Artesia Wells in Dimmitt and LaSalle Counties; and James E. Daughtrey WMA, near Three Rivers in Live Oak and McMullen Counties. A total of 150 permits will be issued for each area.

Deadline for submitting applications is 5 p.m. Nov. 22 and the drawing will be held at 10 a.m. at department headquarters in Austin on Nov. 24.

Applications may be obtained by writing the Parks and Wildlife Department, 4200 Smith School Road, Austin, Tx. 78744, or by calling the toll free information line, 1-800-792-1112.

 Smith, Roy Teaff, K. W. Kirkpatrick, Calvin Storie, and Mack McCullough," offered Dalby.
 "And evidently the coaches had an idea of our potential, and they sold us on it."
 "All of those athletes either graduated, or used up all their eligibility after that season, and the '49 and '50 teams weren't that good," he admitted.

"Can you imagine only two coaches to work with 44 boys? Remember that in those days we didn't have junior varsity teams. And our best athletes often played both offense and defense, so some of the younger guys didn't see much game action at all," the former players recalled.

Dalby, who missed the last several games on crutches, recalls the fateful trip to Amarillo: "We had to play Phillips (for the Regional Championship). I couldn't even get back from Amarillo after the game because of a terrible sandstorm."

Kirkpatrick, who called the storm "one of the most terrible to ever hit the Panhandle," said the team made it back to Post on the team bus after the game, but "I'll never forget the wind and sand that rocked that bus from side to side."

A younger Kirkpatrick boy also played on that 1948 team. K. W. says, "Jack Kirkpatrick was a very good athlete, and our kicking specialist, handling the kick-offs, punts, and most of our extra-points. Mitchell Malouf also tried his foot at kicking those points."

Jack kicked 17 of 20 extra-points, but his most important kick came in the Lockney game, which was tied 0-0 at the half.

When Junior Malouf scored Post's only touchdown, coach Bing sent Jack in to kick the extra-point, and his kick won the Bi-District game in the newly completed Jones Stadium at Texas Technological College.

Jack went on to star in many other games at Tech as the quarterback
 Junior Malouf led the 1948 team in scoring with 20 touchdowns and three conversions.

Ronnie Bouchier, who now lives in Hosuton, scored five touchdowns, and Charlie McGuire threw nine touchdown passes, three each to K. W. Kirkpatrick, R. E. Josey, and Maurice Fluitt.

Both men agreed that it's exciting to watch from the stands as another generation of Antelopes reaches stride on the way to football honors.

"We were all friends," Dalby suggested, "and we saw a chance to do something we might never get the chance to do again. I wish the 1982 Antelopes even greater success."

The Way I See It....

By WES BURNETT

My first reaction was...who cares? But then I started thinking about the relaxation of Sunday afternoons watching the Dallas Cowboys win...and, oh, well, if there's nothing better to do I might tune them or the Houston Oilers in...

Now that the pro-football palyers' strike is over, Sunday afternoons and Monday evenings with "the mouth" Cosell will be back to "normal."

We're going to take a few days off this week...the office will be open until noon on Wednesday then we'll open again Monday morning, Nov. 29 to get ready for the December 1 edition.

We're taking a little trip to Fannin County to spend Thanksgiving with the Burnett family.

It's a ritual that I much enjoy, and have some fond memories from growing up...except that when I was in school we were too far away to go to Grandma's for Thanksgiving or Christmas.

When you live in Brownsville, Texas and the rest of your family lives in Fannin County, you have to think twice before jumping in the car and driving 800 miles for a one-day visit.

My Thanksgiving memories include the usually delicious meal...the way Mom always managed to get it all done with virtually no help from the rest of us...and the simply scrumptious pecan pie.

And in the days after we had a television set (that was in 1955), we would be fully stuffed in time to watch the big shoot-out between Texas A - M and the University of Texas.

Sometimes...although rarely...the Aggies would win. And Dad would be real excited and happy...I particularly remember the 1956 game...when A&M beat Texas at the famed Memorial stadium...A&M had never outscored the "T-Sips" in Memorial Stadium.

John David Crow was a star...so was Charlie Kruger...and Charlie Milstead...

Mostly, we watched A&M lose...and lose...and lose...and we would join Dad in the annual ritual of looking to next year.

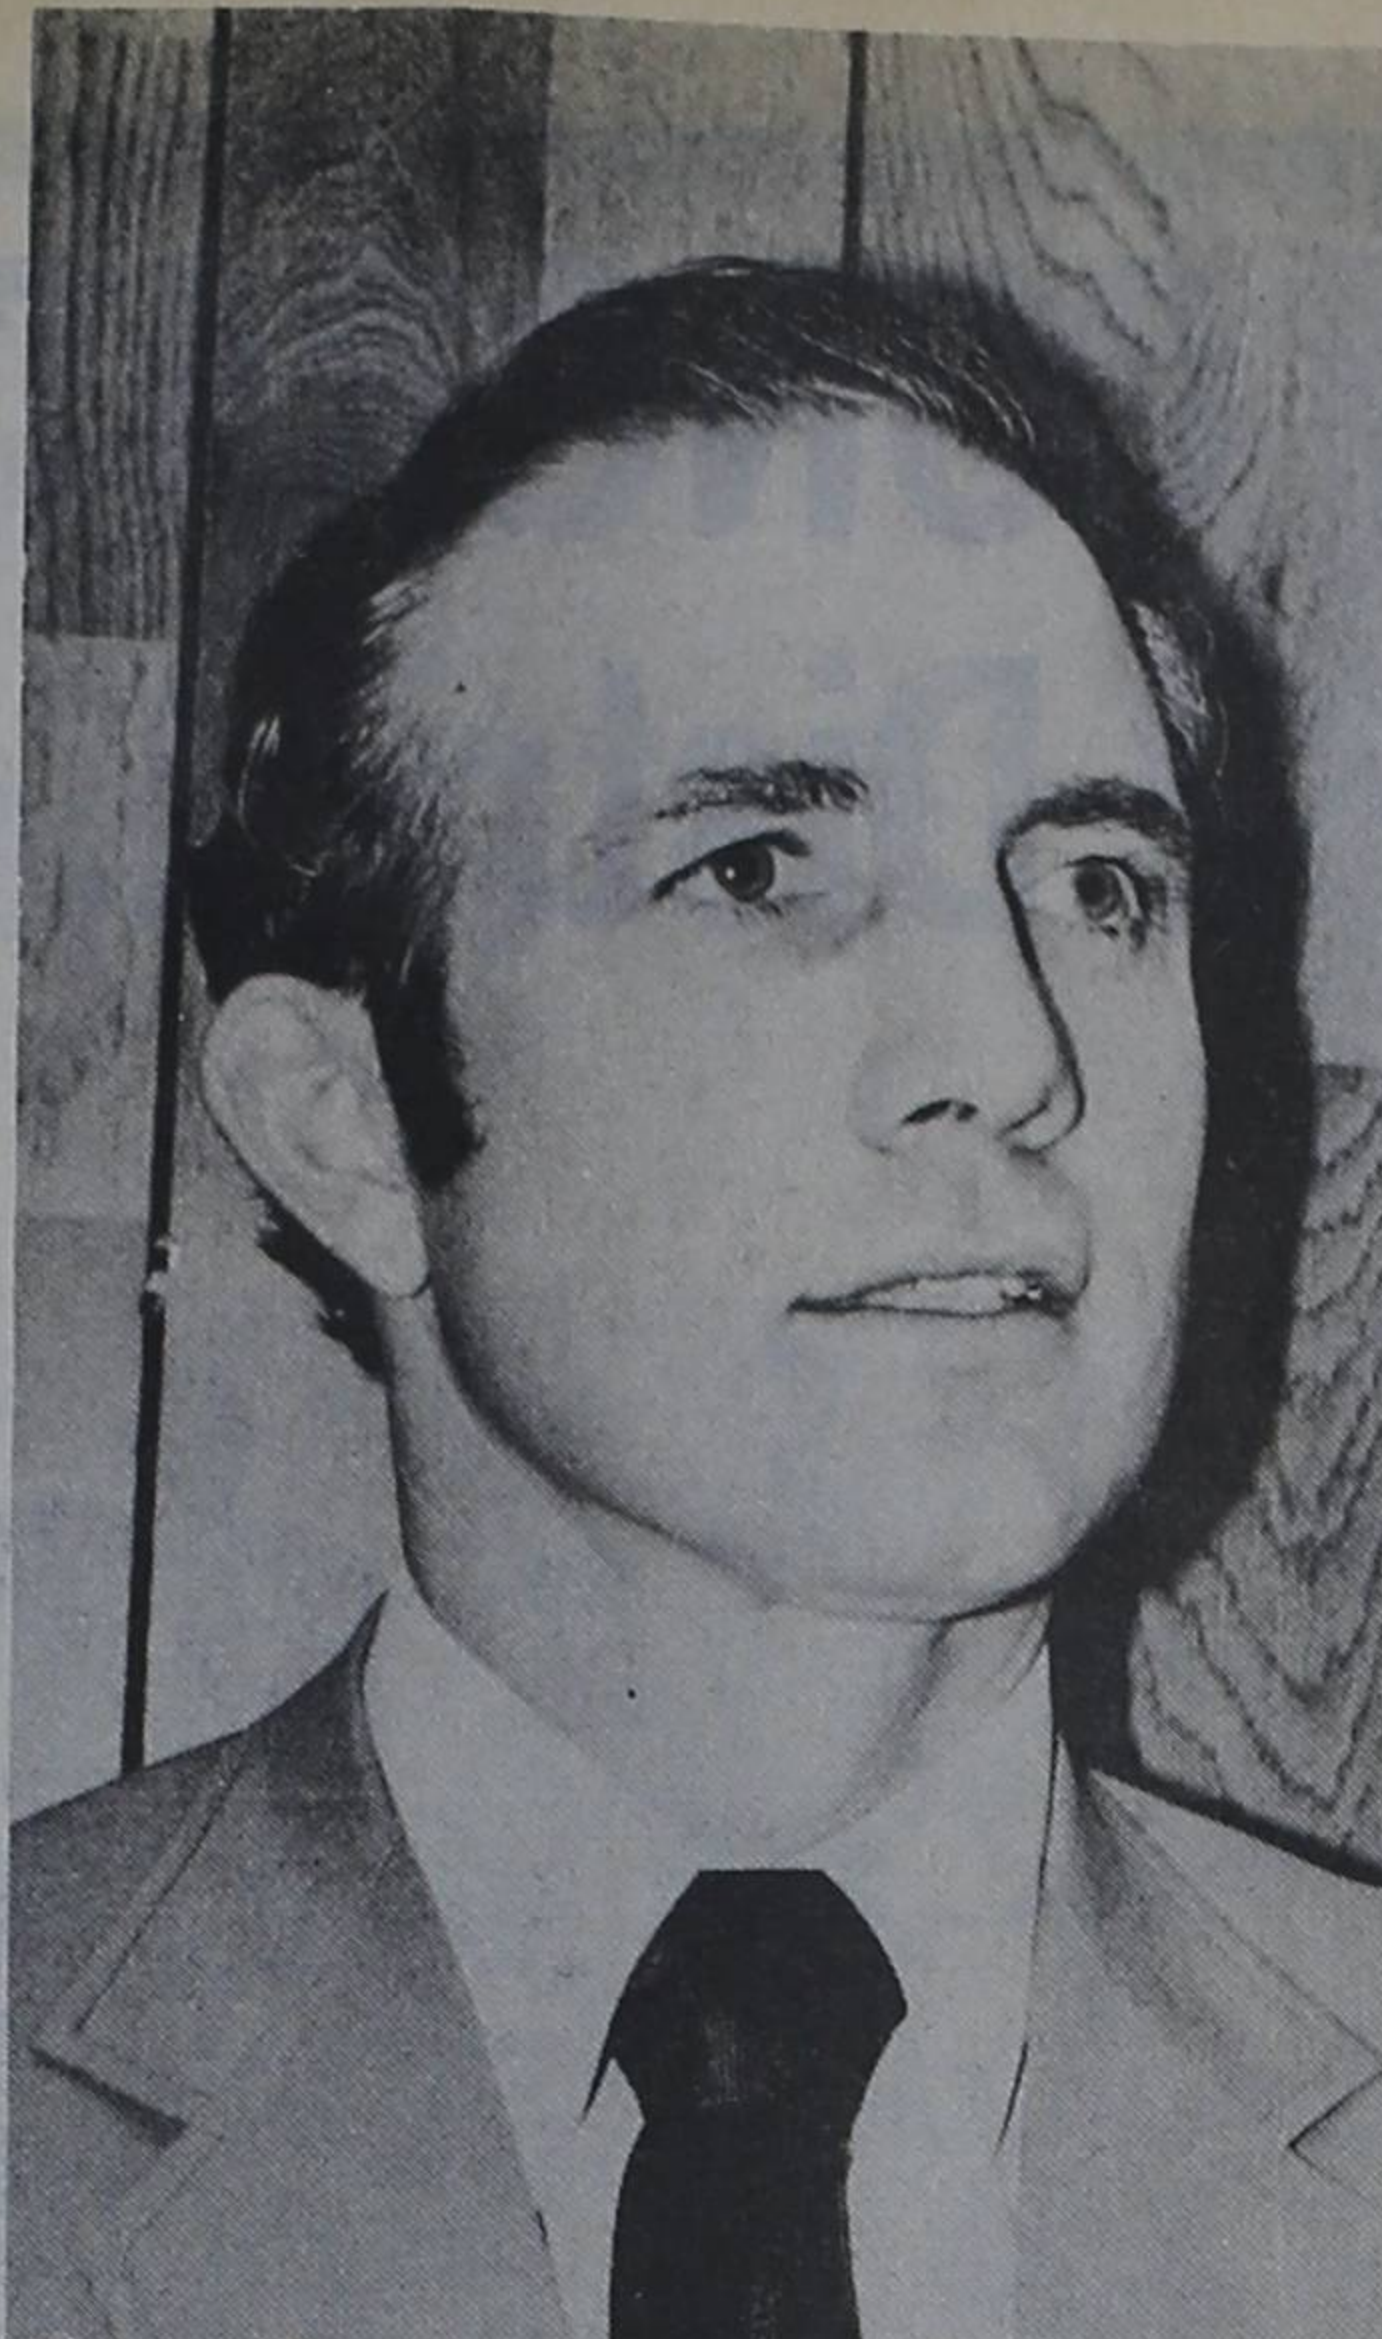

Dad knew there would be a next year, because he was at A&M when the Aggies were national champions...the class of 1940.

Thanksgiving at our house was a happy time...even when the Aggies lost.

Now, we share the event with three generations, fortunately we're all close enough to meet and "say grace" together.

I hope Dad leads the prayer at our meal this year that makes me feel especially close to God.

We hope all of you have the same happy feelings and enjoy your Thanksgiving holiday too.

Steve Traw to be ordained Nov. 28

Pastor Steven Paul Traw will be ordained into the Christian ministry during a service of dedication at the First Christian Church in Post, during the morning worship service, Sunday, November 28.

Traw, a May 1982 graduate of Dallas Theological Seminary, previously served as minister of youth and singles at Pleasant Grove Christian Church in Dallas, Texas, from 1979 to 1982. Pastor Traw and his wife Sue and their three children moved to Post in July of this year after assuming the pastorate at First Christian.

Dr. Harrell A. Rea who is serving as regional minister over all Disciples' churches in Texas and New Mexico will bring the ordination message. A Lubbock native, Dr. Rea will retire from his regional position at the end of this year.

He returns from his regional position at the end of this year. He returns to Post with fond memories having began his public ministry as a student-pastorate here in the late 1930's. First Christian and Dr. Rea have retained their fond association through the years. Many of the local congregation cherish his early years of service in the old Christian church building here in Post. They look forward to this homecoming and Pastor Traw commencing his ministry with ordination under Dr. Rea's leading.

The congregation will host a church dinner following the 11 a.m. service. The church facilities and fellowship on West 13th will accommodate the meal and out of town guests for this special Sunday, November 28.

Close City Extension Club

The Close City Home Extension Club met in the home of Mrs. Mary Tillman for a regular meeting Tuesday, Nov. 16 at 2 p.m.

Roll call was answered with "Something In My Home I Treasure."

The program theme was "Household Gadgets." Fall decorations were used throughout the home and on the serving table.

Members attending were Hooter Terry, Emma Mueller, Linda Malouf, Thelma Thomas, Jewell White, Oreta Bevers, Virginia Custer, Inez Ritchie and hostess Mary Tillman.

The next meeting will be held Dec. 7 at 2 p.m. in the home of Mrs. Hooter Terry and will be the club's Christmas party.

Wool Contest Slated

Judging in the district "Make it Yourself with Wool" sewing, knitting and crocheting competition will begin at 8 a.m. Nov. 20 in the Texas Tech University College of Home Economics Auditorium.

Texas Sheep and Goat Raisers, the Women's Auxiliary of the National Wool Growers Association and the American Wool Council are sponsoring the annual competition to encourage

the use of wool.

More than 30 people from Area One, comprised of more than 50 counties including Lubbock County, are expected to participate. All entries must be made from loomed, knitted or felted fabric or yarn of 100 percent wool on the model based on fashion and construction.

Contest categories are pre-teen, 10-13; junior, 14-16; senior, 17-24; and adult, over 24. Competition is open to all U.S. citizens.

The public is invited to attend the finale fashion show at 11 a.m.

Winners will receive wool fabrics and other prizes. The junior and senior category winners will also receive an expense-paid trip to the state competition at Texas Woman's University in Denton, Dec. 3-4.

A junior and senior winner will be chosen in Denton to represent Texas at the national finals in Oklahoma City, Okla. Jan. 25-28.

ATTEND FUNERAL

Mr. and Mrs. Lester Adams of Tahoka, accompanied by Verna Roberts attended the funeral of Mrs. Wylie Curry in Mineral Wells recently.

DINNER GUESTS

Visiting in the home of Verna Roberts for Sunday dinner were her sisters and family, Mr. and Mrs. Walter Kellum and Mrs. Jewel Ward all of Slaton.

Pleasant Home Singing

The Pleasant Home Baptist Church held a musical program recently, with special guests, The Spiritual Wonders and Spiritual Soul Seekers performing for those attending.

Recently the congregation also held the church service

at Twin Cedars Nursing Home.

Rev. Arthur Kelly is pastor of the church, with Rev. John James, Jr. assistant, Annie V. Gilbert as reporter and recording secretary.

Brownfield to have Old Time Christmas

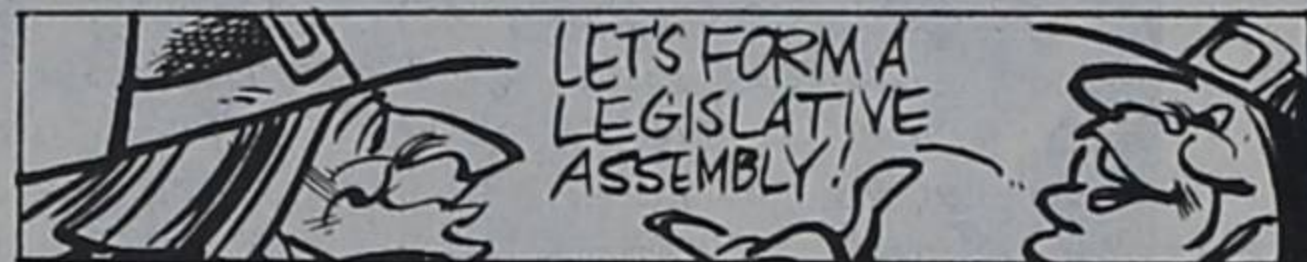

Brownfield will be having an Old Time Christmas Celebration on Monday, Nov. 29. Several events are planned, including the turning on of the Christmas lights.

A musical Christmas program will begin at 7 p.m. on the Courthouse lawn. The High School Band and choir will present part of this program plus additional entertainment. Drawings

for gifts will be held during the program.

Santa will arrive on a firetruck to visit and give out candy to the children eagerly awaiting his arrival.

Local merchants will be open from 7 to 9 p.m. for the hopping convenience of those attending, while Christmas music floats through the air to add to the feeling of Christmas.

The first legislative assembly in America was formed in Jamestown, Virginia, in 1619.

Lopes Blast River Road

(Continued from Page 1)

keeper over the middle for the touchdown...then converted a two-pointer on a pass and run option.

The Wildcats led briefly 8-7. Denying the kick-off return to the Antelopes, the Wildcats chose to squib the ball all evening.

Second Antelope TD

Getting the ball at their own 45, the Antelopes showed why they are rated number one in the state, as they let loose a seven play drive, which left the Wildcats gasping for air.

Williams took a pitchout around right end to the River Road 37, then over right guard to the 36 and Tannehill pulled a keeper over left end to the 27 and a first down.

Tannehill kept the ball again for a one yard loss, then found James Lee on the right side, who carried the pass and run play to the 10 yard line.

Williams got the call over right tackle to the nine and then Tannehill faked to Williams and pitched the ball outside to Kirkpatrick who raced untouched around left end to the end zone.

Kirkpatrick's extra point attempt was wide, but the Wildcats were called for roughing the kicker and the 'Lopes took the opportunity as Tannehill faked to Williams and bootlegged the ball around right end for the two point conversion...putting the Antelopes out front for good, 15-8.

Irvin Price continued his kicking chores and sent the ball into the end zone all but twice.

A sustained River Road drive was stymied by the Antelope defense, forcing a punt from the River Road 47 to the Post 13.

Unable to move the ball past their own 27, the Antelopes punted, with Tannehill's kick going to the Wildcat 16.

An attempted pass deep on the left side was intercepted by Marvin Wynne and the 'Lopes got ready for another touchdown.

It only took one play...Tannehill rolled to his left and found James Lee all alone in the end zone for a six-point pass play. The extra point kick was blocked.

River Road couldn't mount a come-back as the Antelope defense zeroed in on the Wildcats.

Second Half Action

River Road took the second half kickoff and after gaining only one yard in three plays, punted to the Antelope 48 yard line.

Another Antelope TD

This time the 'Lopes hit pay dirt in four plays. Williams took a handoff over left end to the 31, Tannehill recovered his own fumbled snap, Williams took the pitchout around right end, cutting back across to the middle to the 16, and then made it look so easy as he ripped over right tackle and into the end zone.

Kirkpatrick's kick made it 28-8 with 8:45 left in the third quarter.

Another River Road drive was halted by the Antelope defense, as Toby Craft found Gary Martin's number for a one-yard loss on third down at the Wildcat 46.

They punted to the Antelopes, and the ball was spotted at the 14 yard line.

Fifth 'Lope TD

Three pass plays and five running plays later, the Antelopes crossed the goal line with Cisneros blasting eight yards over right tackle.

Williams needed one block to break another touchdown run as he took the pitchout around left end and left Wildcats laying on the ground, finally getting caught at the Post 45.

Bill Black caught a Tannehill pass to the Wildcat 46 and after a holding penalty nullified a pass to Kirkpatrick, Tannehill found Black again crossing from left to right on the River Road 40 and picked up another eight to the 32.

On first down Kirkpatrick caught the ball on a quick-out to the 26, Tannehill was trapped in the backfield to the 31, and Williams went around right end on the sweep to the 14.

Wasting no time, Williams got the call again to the eight around right end and then Cisneros took the ball into the end zone.

With 2:21 left in the third quarter, the 'Lopes led 35-8.

Wildcats Score

No team had run back a kickoff this year for a score against the Antelopes, until River Road's Allen Sanders took the next one and went down the left sidelines for a 99 yard touchdown.

The Wildcats narrowed the score to 35-15.

Sixth 'Lope Touchdown

Another squib kickoff gave the Antelopes good field position at their own 30, from where they mounted their next touchdown drive.

Eating up the remaining 2:07 in the third quarter and 1:44 in the fourth, the Antelopes used an eight play drive to bury the Wildcats.

Leaving them nothing but air to grab, Williams carried the ball over right tackle to the River Road 40 for a first down.

After Williams lost a yard, Tannehill picked the Wildcat defense apart with a pass to Lee to the 31.

On third down, Williams took the handoff around left end to the 21 and another first down.

Cisneros punched the ball to the 20 and as the fourth quarter opened up, Kirkpatrick took a pitchout around left end and was trapped in the backfield.

Williams took a pitchout around right end to the 12 and the ball was three inches short of a first down.

No problem, give the ball to Williams and he scoots into the end zone over right guard, breaking at least two tackles and picking up the final Antelope touchdown.

Kirkpatrick's kick made it 42-16.

Where did the other six River Road points come from?

A nifty play from the pages of the Dallas Cowboys playbook surprised the Antelope defense as Reynolds pulled a Roger Staubach special and tossed the ball forward over center to Martin, who just raced up the middle and showed that the Wildcats were good at running too.

The quarterback keeper for the two point conversion failed.

The Antelope reserves took over and ran the clock down to 3:59 as the Wildcats struggled in the closing minutes.

On fourth down, Reynolds fumbled the ball and Cisneros covered it at the Post 38 yard line with 1:10 left in the game.

From then it was Daniel Gonzales and Melvin Wynne on three plays running out the clock, with Jeff Taylor at the helm.

Bustos Injured

One sad note to the game was the fractured distal femur injury to Felix Bustos. He is in Highland Hospital in Lubbock, room 311 and will be out for the remainder of the season.

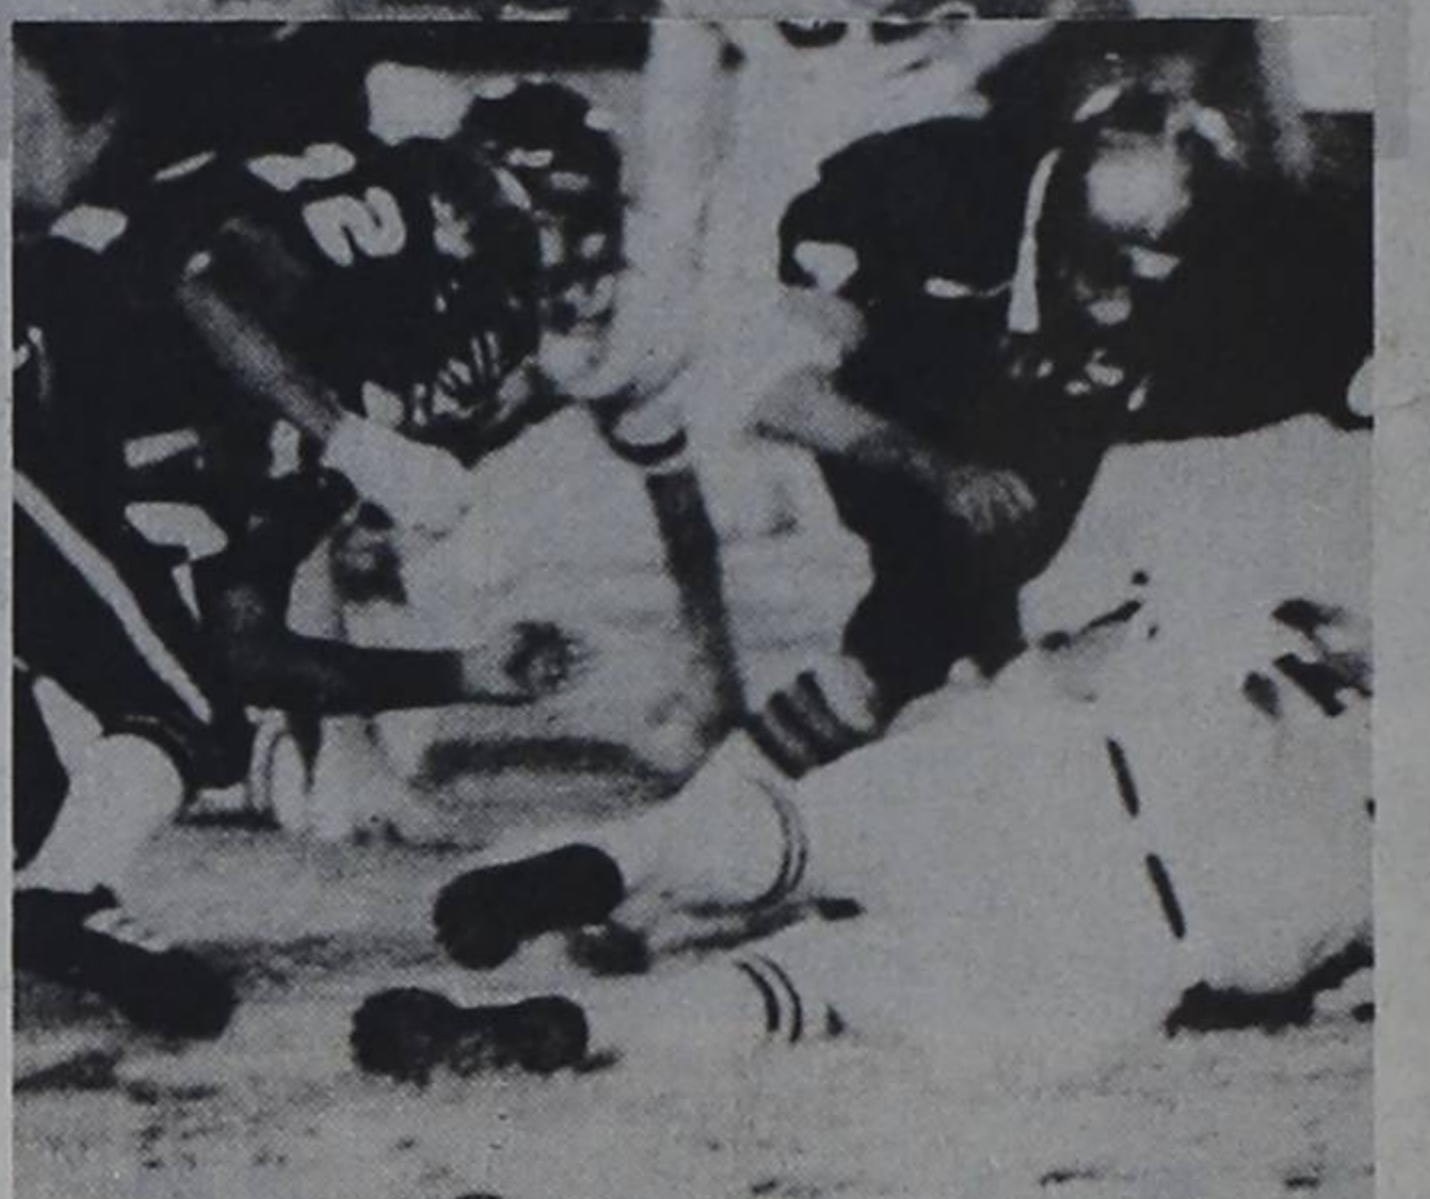

The fractured bone was on his left upper leg.

The offensive left side comes off the ball...Derek Walls (64), Michael Valdez (76) and James Lee (80) get the jump on the River Road Wildcat defenders.

Richard Cisneros (44) leads the blocking for Tim Tannehill during the 42-22 win over River Road.

Richard Cisneros (44) and Daniel Gonzales go for Gary Martin (on the ground).

Lopes Get 416 Yards

The Antelopes posted 336 yards rushing and 80 yards passing for a total of 416 yards to River Road's 297 on the ground and 48 passing.

Giving up no fumbles or interceptions, the 'Lopes picked off one Wildcat pass and recovered one fumble.

Milton Williams led the ground game with 193 yards on 19 carries, followed by Richard Cisneros with four carries and 30 yards, Tim Tannehill with six tries and 57 yards, Daniel Gonzales with four and 22, Will Kirkpatrick with four and 11, Jeff Taylor for one and 10 and Marvin Wynne with one for two.

James Lee caught three passes for 41 yards, Bill Black caught two for 34 yards and Kirkpatrick got one for five yards.

Tannehill punted three times for a 38 yard average.

Lady Lopes Win 70-52

The Varsity Lady Lopes under the guidance of Coach Sonja Curry had an easy time of it when they scrimmaged O'Donnell Tuesday night, Nov. 16, and won the scrimmage 71 to 52. Although outscored in the first half, the Lady Lopes came back strong in the

second go round to outscore the hosts. Doris Pringler, led the Lady Lopes in scoring with 23 points followed by Jean Price with 18. The Does could only manage 14 in the first quarter play to 18 for O'Donnell, hit 15 more in the second period to only 12 for the hosts and went into the dressing room behind 30-29.

The Lady Lopes found the hoop for 16 in the third period of play but had their best quarter in the last one when they hit for 26 points.

The team as a whole hit 29 of 71 field goals for a 41 percent average but hit 14 of 21 at the charity line for a 67 percent average. The scrimmage proved to be a good one for the Lady Lopes as they had 17 offensive rebounds, 25 defensive rebounds and 29 steals with only 10 turnovers.

Pringler led with rebounds totaling 15 and 12 steals followed by Price with 13 rebounds and six steals.

Other Does scoring in the scrimmage included Darla Jackson with 13, Denise Smith eight, Cindee Jackson four, Hope Castro, Channa Williams and Leigh McCook each had two.

The girls next action will come at Spur Nov. 23, Tuesday at 5:30.

Lady Lopes Open Season Tuesday

The 1982-83 Lady Lope basketball team started their regular season basketball with Spur, Tuesday, Nov. 11. The Lady Lopes are coming back after a 10-15 season last year.

The Lady Lope squad has six returning players from last year's young team.

Among these six are the five starters from last year. The returning players are Darla Jackson, a 5'6" senior who was all district honorable mention last year.

Also juniors, Doris Pringler, 5'9" who was nominated to the All District and All South Plains, and Jean Price, 5'9" who was also nominated All District.

The other starters are Denise Smith 5'7" junior,

Cindee Jackson, 5'4" junior and Kim Carlisle, 5'6" junior.

Joining these six will be Channa Williams 5'3" and Regina Williams 5'3" both sophomores and Hope Castro 5'2", and Leigh McCook 5'6" juniors.

The Lady Lopes will have a tough pre-season schedule against some of the best teams in the area in class AA up to AAAA. The Lady Lopes are entered in three good tournaments. These tournaments should help test the stability of the Lady Lope Team.

Probable starters for the Lady Lopes are:

Darla Jackson, senior, Post; Jean Price, junior, post; Denise Smith, junior, forward and post; Cindee Jackson, junior guard;

Filling in for these starters will be Leigh McCook, junior guard and forward; Hope Castro, junior forward; Kim Carlisle, junior forward and post; Channa Williams, sophomore guard, and Regina Williams, sophomore forward.

The Lady Lopes had two outstanding players in Jean Price and Doris Pringler last year. Pringler led the team in scoring with 19.8 average and Price averaged 15.6 points per game.

These two lead the team in rebounding with an average of 35 rebounds a game between the two.

Other scorers for the Lady Lopes were Darla Jackson with 6.2 average, Denise Smith 5.1, Cindee Jackson 2.2, and Kim Carlisle, 2.6 points per game.

The Lady Lope JV squad consists of one junior transfer from Colorado City and eight sophomores.

Probable starters for the Lady Lope JV squad are Marta Holly, post; Jackie Wartes, post; Roxanne McClellan, forward; Patricia Price, forward and Cynthia Samora, guard.

Filling in will be Misty West, forward, Pam Ehret guard, Jana Middleton, forward, and Kayla Peel, forward.

The Lady Lope JV squad will also open their season Tuesday Nov. 23 at Spur beginning at 5 p.m.

The Lady Lope Freshman squad will open their seasons play with a District Opener against Slaton, Monday, Nov. 22 along with the 7th and 8th grade squad.

The Lady Lopes team will consist of Golden Capps, post, Marcie Sneed, post, Bunny Miller, guard, Trasi Craft, guard and forward, Stacy Bell, forward, Heidi Ehret, forward, Patti Simecek, post, Belinda Martin, forward, and Karen Moore, post.

The Lady Lope 7th and 8th grade basketball teams will pen their season with a District game in Slaton, Monday, Nov. 22.

Starting for the 8th grade will be Tyra Alexander, forward, Laura Crenshaw, forward, Tammy Johnson, guard, Tina Pena post, and Kim Smith, post.

Filling in for these five will be Christie Allen, Donna Boles, Cynthia Brown, Debbie EDthridge, Carmen Flores, Angie Holleman, Rita Lappen, Diane Morales, Alicia Pettyjohn, Grace Rangel, Nancy Wilson, Shelee Curry, manager.

Also, Pam Baker, Gina Bosman, Jana Cook, Debbie Ethridge, Kerry Hart, Jenny Hudman, Angela Melton, Gloria Perez, Latisia Quinonez, Roseann Smith, and D'Lynn Young.

Starting for the 7th grade will be Tammie Braddock, forward, Teresa Lofton, post, Christian Martinez, post, Keitha White, guard, and Teresa Wilborn, forward.

Filling in for these starters will be Shan Bell, Hattie Dorsey, Teresa Landreth, Jennifer Owen, Molly

Prather, Jill Richardson, LaDonna Scott, Jayta Ticer, Susan Bullard, Beatrice Garza, Stephanie Moss, Korrie Payton, Kristi Radle, Elvira Sanchez, and Terri Thompson.

Trevah Bush and Eloise Martinez are managers.

J.V. Girls Win 32-31

In their first outing of the young season, the Junior Varsity girls scrimmaged against O'Donnell last Tuesday and eked out a win by a one point margin 32 to 31.

Coach James Easterlings' charges could only muster two points in the first period of play to the hosts' 11, but bettered themselves in the second period by adding 10 to six for O'donnell and went into the showers behind by five, 17 to 12.

The girls added seven more in the third period to eight for O'Donnell but came on strong in the final period to add 13 to only six for the hosts and came out on top.

Scoring for Post were Marta Holly with 14, Pam Ehret with nine points, Roxanne McClellan had 3, Cynthia Samora two, Patricia Price and Jackie Wartes each had two.

Ehret also led the team in free throws hitting 90 percent or 9 out of 10. Holly led with 11 rebounds.

The freshmen girls opened their season with a scrimmage here Monday afternoon in the junior high gym with a scrimmage against Ralls and came out on top 39 to 28.

After scoring seven points in the first period, the girls were never headed.

Bunny Miller led the scoring with 12 points followed by Marcie Sneed with eight, Patti Simecek six, Golden Capps had five, Stacy Bell four and Heidi Ehret and Karen Moore each had two.

The girls are coached by Sonja Curry.

Crippled Children Event

ABILENE - The most recent donation to the 4th annual Joint Venture for Crippled Children Oilfield Equipment and Services Sale was not recently built. The 1922 antique Model T Ford Pick-up was donated to the auction by The Reeves Company of Sweetwater, Texas. According to Mr. Sam Reeves, present owner of the black Stevenson body and wood bed truck, this antique is in "perfectly good shape and runs like a top." The two seater has running boards, 1922 tires, and working lights and engine. The pick-up also has a Texas license plate on the front of the antique bumper next to the crank.

The Joint Venture sale will be held Wednesday, December 1, 1982 at the Abilene Civic Center where the pick-up will be on display. The auction which begins at 1 p.m. will follow a Barbecue dinner in the exhibit hall at the Civic Center. Tickets for the meal will be \$6.00 each and will be sold at the door.

Oilfield equipment and services will be sold at bargain prices to benefit the West Texas Rehabilitation Center which treats over 10,000 handicapped children and adults at their three campuses in San Angelo, Abilene, and Snyder at no charge. Some of the additional equipment donated to the sale includes drill bits, connection tubing, casing, pumping units, drilling mud, cement pad, butane products, and other oilfield products. Services include testing, wireline, crane time, rat hole jobs, pipe jobs, logging and perforating, engineering consulting, well analysis, and answering services.

Oil and gas industry leaders may donate to the sale by calling the Central office of the West Texas Rehabilitation Center at 915-692-1633. Equipment may be picked up by Rehab representatives.

Oklahoma Cast Gets Standing Ovations...

'Oklahoma' Performance...

(Continued From Page 1)

Stealing every scene he was in as the dastardly, but not too bright, Jud Fry was Jim Rainbolt. The shifty peddler Ali Hakim was most believable as portrayed by Brad Sharp. And the Crusty Farmer Andrew Carnes was never more cantankerous than as played by Scott Andrews.

The dancing cowboys and light footed farmers were Giles Dalby, Ronnie Reed, Sam Butler, Scotty Clinesmith, Charles Johnson, Steve Hamilton, Tommy Payton, Paul Maestas and Ron Mason.

On the female side of the barn the beautiful voice of Frances Cendalski was heard as the Lovely Laurey. Cindee Jackson will play the roll Saturday night and in full control of the stage at all times was Jackie Wartes as Aunt Ellen a role played by Darla Jackson on Saturday night.

The empty headed but lovable Ado Annie was brought to life by perky Missy Morrow whose Song, "I Can't Say No" was a most humorous interpretation, and Ado will be played by Dawn Pearce Saturday night.

Patti McCowen wins the prize for the most obnoxious laugh in her role as Gertie the Gal who finally snares the Elusive Peddler. The dream ballet scene was beautifully done as was all the dancing.

This is due to the choreography done by Zoe Kirkpatrick, the best little choreographer in Texas.

The dancing and singing cowgirls were Belinda Reece, Raenell Rogers, Darla Sherrill, Angie Castillo, Leigh McCook, Penny Davidson, Dana Dudley, Judy Tanner, LaDonna Craig, Mendy Tatum, Lisa Brown, Regina Roberson, Vicki Green, Renea Melton, Marta Holly, Cathy Davis, and of course the whole show was made possible by the nimble fingers of Rhonda Alford who pounded out a tough Rodgers and Hammerstein

score non-stop for three hours.

The beautiful voices were brought in to full bloom by the talents of choir Director Dianna Ladd. Steve Ladd and Kay Hays were responsible for shuffling the cast on and off of the floor quickly and quietly. It took the maximum effort of so many great folks to successfully pull off a major production like "Oklahoma!"

We probably have missed well over half the folks in this review, but just suffice it to say that if you missed Oklahoma you missed one great show.

Deregulations sweep telecommunications

Some of the changes sweeping the telecommunications industry, as a result of the deregulation of the industry by the Federal Government, were outlined by O. D. Hearn, Operations Manager for General Telephone Company in Brownfield. "When we talk about deregulation of the telecommunications industry, we are talking about something with tremendous impact," Hearn commented. "We are talking about a complete overhaul of the most complex and extensive machine ever put together to provide universal service for customers, a \$100 billion item known as the American Telecommunications Network."

Deregulation will have an impact on virtually every aspect of the telephone industry, including costs. It should result in lower prices for some services and definitely higher prices for others. The net effect of deregulation and the competition it creates is that each product or service provided must pay its own way without subsidies from other segments of the business."

In reviewing how regulation began, the telephone company official said, "The original goal was to achieve affordable telephone service for all. To achieve this goal, it was necessary for a policy of subsidization to be implemented. Long distance subsidies subsidize local service. Business largely subsidizes residential service and metropolitan areas subsidize the suburban and rural areas. Deregulation abandons the subsidy approach. We have to make each segment of the business pay for itself. The universal service concept has to be replaced by a user pays concept. In other words, toll and business services will have to be competitively priced, eliminating their subsidies to local residential service. Obviously, this puts a heavy upward pressure on local service rates," Hearn said. "As a result, one of the most difficult challenges for the telephone industry will be keeping a lid on local

service rates. The brightest hope for this is improved technology and Usage Sensitive Service, or U.S.S.," according to Mr. Hearn. "GTE expects to help customers meet increases in residential rates by phasing in certain options for flat rate prices, including U.S.S., a concept new to most of the United States, but one which has been used in many foreign countries and parts of the U.S.A. for decades. Other positive considerations are that the competition will tend to hold down long distance rates and new technology will offer a variety of new services."

The next major change in the deregulation time schedule will occur January 1, 1983. At that time, the basic local and long distance switch networks will continue to be regulated, as well as all in-place equipment on customer premises. However new equipment will be excluded from regulation and so called enhanced services that involve data

Pamphlet available for Veterans

A special pamphlet outlining Veterans Administration benefits for older veterans and their dependents now is available.

Pamphlet 27-80-2 entitled "Veterans Benefits for Older Americans" covers medical care, disability compensation and pension, insurance, death pension, dependency and indemnity compensation, reimbursement of burial expenses.

Burial in a VA national cemetery, headstones or grave markers and burial flag are also included in the pamphlet.

The pamphlet urges all veterans to gather and keep such important papers as birth certificates, marriage certificates, insurance policies and military records in a safe and handy place for convenient reference and emergencies.

Copies of the pamphlet may be obtained by writing to, visiting or telephoning the Waco VA Regional Office

The Post Dispatch Sunday, Nov. 21, 1982 Section II Page 1 that competitive markets are the most efficient, that deregulation and competition will encourage new services and open more options for customers. Actually, the FCC is but one of the driving forces behind deregulation. Congress, the Justice Department and Reagan Administration, like others before it, are eager to deregulate the American Telephone business. Deregulation is upon us. It is fought with drama. We view it as an opportunity to serve our customers in a competitive market environment from which customers, employees, shareholders, and the public in general, should benefit," Hearn concluded.

Count Your Blessings

This is the time of year for reflection ... thanksgiving. It's a time for lifting grateful hearts in prayer ... and for taking joy in all life's little miracles.

Producing more energy from less ... makes the difference.

Their discovery would shake the worlds of communication, medicine and defense, but Charles Townes and Arthur Schawlow knew only that they had discovered an entirely new source of light. They called it an "optical maser." Today we know it as the "laser."

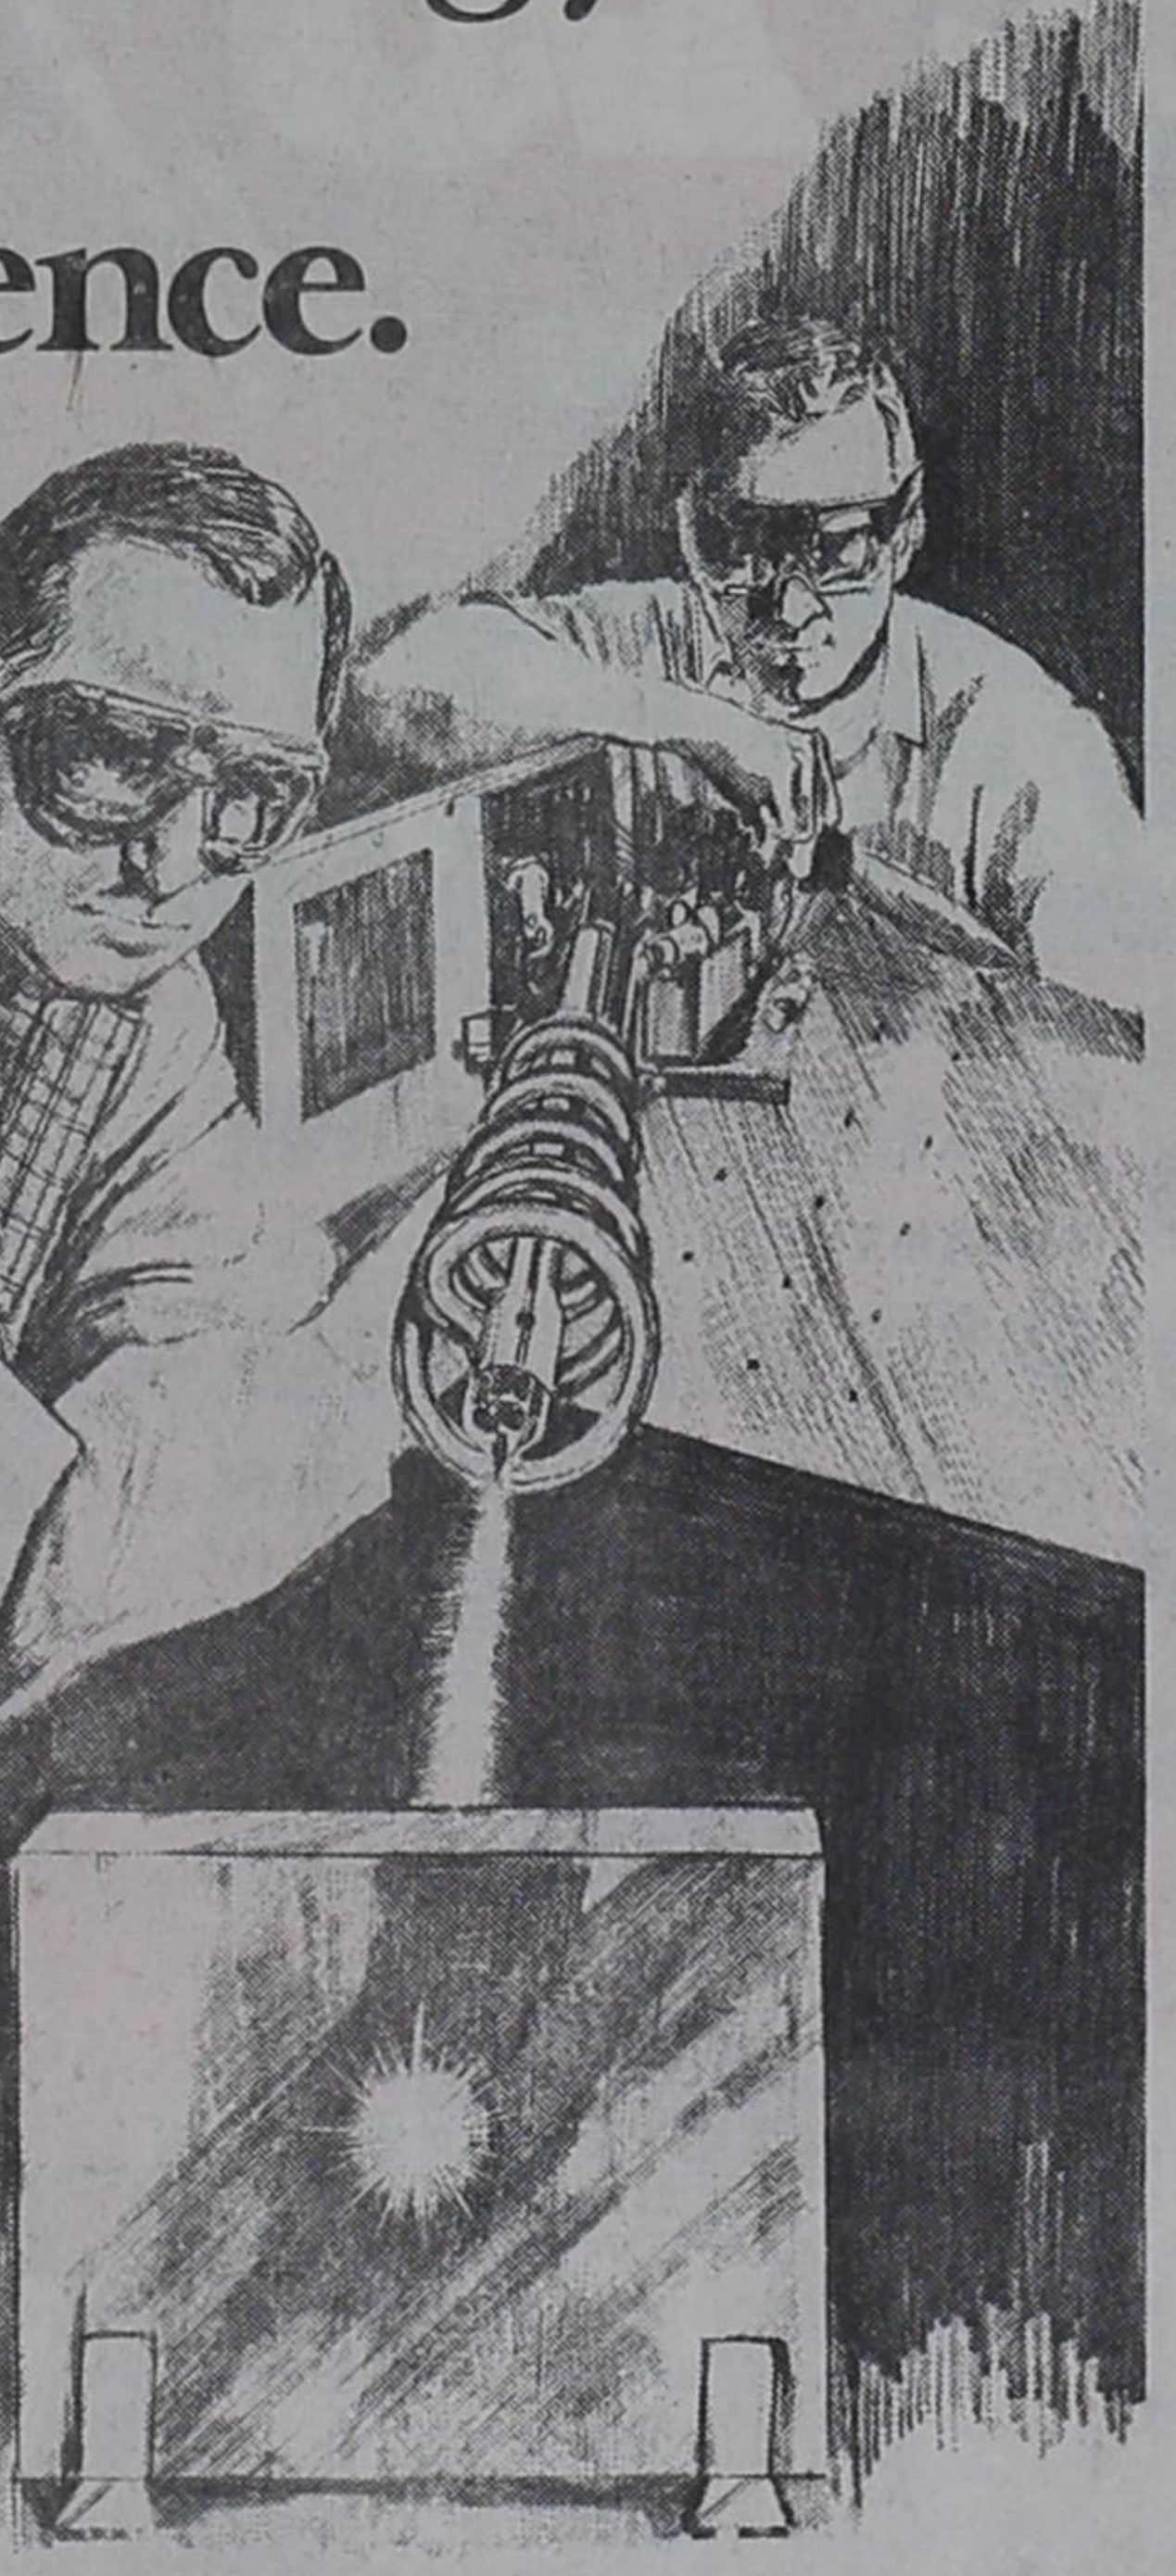

Their discovery was a light beam so concentrated it could produce power densities millions of times as intense as those on the surface of the sun — a light source so dense, the energy produced was greater than the energy required to produce it.

Arthur Schawlow and Charles Townes

This principle of more energy from less applies to the High-Efficiency Add-On Heat Pump — more units of heat than units of electricity needed to produce that heat. And while the Add-On Heat Pump works with your existing furnace to heat your home during the winter, the Add-On Heat Pump functions with the same efficiency to cool your home during warm weather.

As partners, Townes and Schawlow made a significant difference in our world with their work on the laser. As partners you, Southwestern Public Service Company and the Add-On Heat Pump can make the difference managing electricity in your home. Call SPS to see what your savings could be.
