Census Figures Indicate Slight Gain In Scholastics

Unofficial figures in this year's scholastic census show a total of 1,497 school-age children in Garza County, as compared with last year's official count of 1,479.

Dean A. Robinson, county superintendent, explains that the 1956 figures have not yet been approved by the State Board of Education and that final adjustment could result in a decrease from the 1,497 count.

175 Are Expected At Grid Banquet

Plans are being made for approximately 175 persons at the annual football pep squad banquet at 8 o'clock Friday night in the school cafeteria.

Sammy Baugh, Hardin-Simmons University football coach, will be guest speaker.

Decorations and other program plans are being handled by the pep squad members under the direction of Miss Jane Stephenson, sponsor.

The banquet guest list will include the football squadmen, pep squad girls, faculty members, school board members, and others.

MEET THE TEACHERS

Grade Teacher Labels Each Pupil A Challenge

"It's positively amazing the new things you bump up against each day in this business of being a school teacher," said Mrs. Jean Gandy, who has been an elementary teacher here since 1951, only a few weeks after she graduated from Stephen F. Austin College at Nacogdoches.

"Each child is a new challenge, and you're not only kept busy teaching, but you never stop learning," she continued.

Mrs. Gandy says she believes she is happier teaching third grade pupils, which she has done ever since she came here, than she would be those at any other age level.

"These eight and nine-year-old third graders are at just the right age—well past the beginner stage, but still not too old to love their teacher."

"And they're as unpredictable as they can be. You never know what's coming next. One day I was teaching the class to measure with 12-inch rulers, and we were measuring desks, tables, books—just anything at hand. Suddenly, after leaning over to measure something that hadn't been measured, I heard one of my little boys complain. 'But, Mrs. Gandy, this ruler isn't large enough to measure you.'"

Mrs. Gandy was graduated from Levee's Chapel High

White River Group To Meet Saturday

The first regular meeting of the White River Municipal Authority, organized here Feb. 18, is to be held at 1:30 p. m. Saturday at the Dyess Hotel in Spur.

Tom Boucher of Post, chairman, will preside at the meeting. Other officers are Perry Bell of Crosbyton, vice chairman, and Robert Lewis of Spur, secretary-treasurer.

Other members of the Authority are R. J. Jennings and Dr. A. C. Surman of Post, Dr. Dale R. Rhoades and Robert Work of Crosbyton and Lynn Buzbee and L. D. Ratliff of Spur.

Saturday's meeting will be open to the public.

Col. Simon W. Freese of the Freese & Nichols engineering firm of Fort Worth will attend the Spur meeting with additional figures on the project, which would provide water for the cities of Post, Crosbyton and Spur.

Core drilling tests at the proposed dam site, which is on White River, near Kalgary, were authorized as the first action of the Authority following its organization.

Girl Scout Cookouts To End Observance

Cookouts Saturday at the City Park for each troop will conclude observance of National Girl Scout Week here by Girl Scouts and Brownies.

The girls and their leaders opened the observance last Friday with their annual cookie sale, and paraded in downtown Post Saturday afternoon, with the high school band leading the procession.

The various troops attended church in groups last Sunday.

BANK PRESIDENT TELLS POST ROTARY CLUB MEMBERS

Farm Situation 'Darkening'

The farm situation was described Tuesday by Irby G. Metcalf Jr., Post banker, as "the rotten apple in the barrel" as the United States nears the end of the first quarter of what promises to be one of the best years in its history.

Metcalf was one of two speakers at the weekly Rotary Club luncheon, the other being County Agent Lewis C. Herron Jr., who discussed government subsidies on crops.

"Conditions were never so good for business in general," Metcalf said. "The books closed last year on the best record in history, and some forecasters say 1956 will be even better."

"Net farm income, however, is down from \$15 billion in 1950 to \$10 billion in 1955, with Department of Agriculture experts predicting another 5 per cent drop this year."

"To illustrate the farm picture, let us take a look at cotton. In 1954 a tenant farmer could pay \$100 of debt out of a bale of cotton. In 1955 the average had dropped to \$70 a bale. I might add that a goodly portion of this drop was caused by low grades we got on some of the cotton in our area after the freeze."

"Hogs recently hit a 14-year low. Less than two years ago a 200-pound hog sold for \$50; today the same hog will bring \$20. In other words, two years ago it took 20 hogs to pay \$1,000 in debt; today it takes 50 hogs."

The speaker pointed out that the transition from wartime to peacetime has never been easy. "After filling bloated wartime demands," he said, "it is not a simple matter to reduce peacetime production to fit a shrinking home and foreign market."

Metcalf asked his listeners to recall the hard times of the early 1920s and 1930s in visualizing what deflation can do to farmers.

School Board Elects 1956-57 Teachers Following Discard Of Tenure System

The board of trustees of the Post Independent School District elected teachers for the 1956-57 school year Monday night after terminating a tenure system which had been in effect here.

Under the system adopted by the board Monday night, contracts of all teachers retained for the 1956-57 school year will expire on May 31, 1957.

Under the system terminated by the board, new teachers were hired for one-year probationary periods. After the first year, if the board felt like the teacher merited it, he was given a one-year contract. At the end of that year, the contract was extended for two years if the teacher was in the system.

If the tenure system had been retained by the board, 23 teachers who have been here two years or more, would have had their contracts extended for another year. Since their contracts do not expire until May 31, 1957, they did not come up for election at Monday night's meeting.

Maurine Lackey, Mrs. Elsie Mae Whittenberg, Miss Rowena Hodges, Miss Zephie Brown, Mrs. Lillie Kitchen, Miss El Wanda Davis, Morris Denson, Mrs. Carole Denson, Mrs. Ruby Lobban, Mrs. Mary Lee Wristen, Jimmy Pollard, John Banta, Mrs. Winnie McQueen.

First and second-year teachers on whom no action was taken include Olin Reddell, Jon Adams, band director Roy Silvey and Mrs. Almon Martin.

It was explained that no action was taken on Reddell because he is a member of the coaching staff and the trustees are awaiting action of new head coach Leroy Fenstermaker in regard to personnel.

Adams, it was explained, was employed at mid-term to fill a teaching vacancy created by the resignation of Coach V. F. (Bing) Bingham, and his re-election is also subject to coaching personnel changes.

Since Mrs. Martin was employed several weeks ago to take care of an "overflow" in one of the elementary school grades, it is not known whether or not an extra teacher will be required again next school year.

Another first-year teacher who asked the board that she not be considered for re-election is Miss Lynn Harrison, vocal music instructor.

Contracts of Mrs. Zeta R. Penning and Matt Reese of the Negro school were extended for one year. No action was taken on Miss Rutile Mae Brox, since the number of colored pupils next year may not call for a third teacher.

Faculty members who were not considered for re-election since their contracts do not expire until May 31, 1957, are: Miss Lola McWhirter, Mrs. Elizabeth Shannon, Mrs. Jeanette Schmidt, Mrs. Minnie Will Williams, Mrs. Jessie Lee Lancaster, Miss Bonnie McMahon, Mrs. Jean Gandy, Mrs. Mary Raphael, Jack Lancaster, Herman F. Raphael, Miss Katherine Stryker, Miss Bettye Travis.

Also, Mrs. Nola Briser, Malcolm Usrey, Mrs. Cora Flowering, N. R. King, Roy M. Miss Margie Moore, Mrs. Smith, Miss Etta Jane Stephenson, Leonard Tittle, E. F. Semmedt, Mrs. Lillie McKee.

WORKERS NAMED FOR 11 DIVISIONS

C. Of C. President Lists Committees

Chairmen and members of 11 Post Chamber of Commerce committees have been appointed by E. R. (Buster) Moreland, president. It was announced Tuesday by Mrs. Fritz Greenfield, secretary of the organization.

The committee appointments are as follows:

Membership and Finance—W. S. Duckworth, chairman; Ralph Kirkpatrick, Dr. A. C. Surman, Homer McCrary, Dr. B. E. Young.

Agriculture—George (Scotty) Samson, chairman; Lewis C. Herron Jr., Earl Hodges, C. H. Harrel.

Industrial Development—R. J. (Rube) Jennings, chairman; Giles C. McCrary, Irby G. Metcalf Jr., Pat N. Walker, Dr. John R. Bountree.

Housing and Community Building—Bryan J. Williams Jr., chairman; Tom Power, Arnold Parrish.

Public Information—Powell Shytles, chairman; Phil S. Boucher, Lewis C. Herron Jr.

Publicity—Harold Voss, chairman; Charles Dwyer, Bob Garrison, Mrs. Fritz Greenfield.

Public Schools—Dr. Harry A. Tubbs, chairman; Bill Edwards, C. R. Thaxton, Keith Kemp, Hans Hudman.

Civic Activities—John N. Hopkins, chairman; Phil S. Boucher, Walter Crider, S. E. Camp, Tom Boucher, Maxine Durrett.

Retail Merchants and Public

Implement Company Hosts Here Saturday At 'John Deere Day'

Farm families of the Post area have been invited by Powell Shytles to attend "John Deere Day" on Saturday, March 17, at Shytles Implement Co., 122 West Eighth Street.

"That day," Shytles said, "has been planned and set aside for you. Everything will be our treat, including a presentation of entertaining, full-color movies which we're sure you'll enjoy from beginning to end."

The treat will begin at 12 o'clock noon with a free lunch at the implement house, with the movies to begin at 1 p. m.

The film fare will be headed by a full-length feature titled "Tim's Choice." Other films on the program will include "Oddities in Farming" and "What's New For 1956."

Board Officially Sets April 7 Election Date

The board of trustees of Post Independent School District Monday night officially set Saturday, April 7, as the date of the trustee election here.

Homer McCrary has been appointed election judge. Voting will be at the high school.

Candidates have until 10 days before the election to file with board secretary Leo M. Acker.

Terms expiring this year are those of Acker and Paul Jones.

Lions Election Is Set For April 3

A slate of officers for the new club year was submitted by the nominating committee at Tuesday night's meeting of the Post Lions Club and is to be voted on at the first meeting in April. Nominations may also be made from the floor at that time, club officials said.

Nominated by the committee were: H. W. Schmidt for president; Walter Johnson, first vice president; Dr. Gerald Marable, second vice president; Lewis C. Herron Jr., third vice president; Wilf Scarborough, Lion tamer; Oscar O'Neal, taittwister; E. E. Pierce, publicity chairman; Weaver Moreman, secretary; Howard Maddera, treasurer; Noah Stone, fair treasurer, and Charles Casey and Stone for two-year director terms.

Also at Tuesday night's meeting, R. K. Green and the club sweetheart, Mrs. Carol Denson, were appointed to contact Post See LIONS CLUB, Page 8

Construction Crew Begins Mill Work

Construction work on the expansion program at Postex Mills, Inc., got under way Monday, with workmen doing preliminary work of laying off plots and excavating for foundations and footing.

General contractor is the H. B. Zachary Co. of San Antonio. The work is under the supervision of Cecil Morris, and V. A. Cain is office manager and timekeeper. A crew of between 20 and 30 men is at work.

R. J. (Rube) Jennings, mill president, said the expansion program will include connecting the present buildings at the mill.

Completion of the program is expected around Nov. 1, Jennings said.

FFA PRINCESS CANDIDATE—Miss Ann Porterfield, sweetheart of the Post Future Farmers of America chapter, has been entered as candidate for FFA princess at the South Plains Junior Fat Stock Show in Lubbock. The Garza County 4-H Club Council has entered Miss Ruth Ann Long as candidate for 4-H princess. Miss Porterfield is the daughter of the Rev. and Mrs. W.-L. Porterfield. Miss Long's parents are Mr. and Mrs. Bill Long.—(Staff Photo.)

Thursday to Thursday

By CHARLES DIDWAY

A GOOD WAY NOT to forget this year's income tax return deadline is to remember that it falls on the same day as automobile inspection sticker deadline—and vice versa.

FOR THE FIRST TIME, there's a woman on the board of directors of Post Stampede, Inc. She is PEARL NANCE, who was elected to the board at the March 5 stockholders' meeting.

WE'VE BEEN SENT the following poem as a suggested scrapbook item. We don't know the author, but the title is "LAUGH," and the thought it contains is a wonderful one.

Build for yourself a strong box,
Fasten each part with care,
Fit it with hasp and padlock,
Put all your troubles there.
Hide therein all your failures,
And each bitter cup you quaff.
Lock all your heartaches within it,
Then sit on the lid and laugh.

Tell no one of its contents,
Never its secrets share.
Drop in your cares and worries,
Keep them forever there.
Hide them from sight so completely,
The world will never dream half.
Fasten the top on securely,
Then sit on the lid and laugh.

THE PROPOSED White River Dam project will get back in the news following Saturday's meeting at Spur of the White River Municipal Authority. It'll be the first regular meeting of the Authority, which was organized here last month. The big question on this is being written (Friday) is whether Mayor JAMES MINOR will be out of the hospital in time to attend.

SINCE THE MAYOR isn't a member of the board, they'll go right ahead and hold the meeting anyway, but he's attended so many in recent months that a water meeting without James might seem sort of dry.

MOST PEOPLE ENJOY hearing a Southern accent, and it's something we have our full share of here in Post, with the cotton mill having brought in many people from the Deep South. One of the most charming of the Southern accents we've heard is that of MRS. JACK BALLENTINE. And one of the most typical that of ROBE JENNINGS, mill president.

THE "TRAFFIC SLOGAN," "The life you save may be your own," also applies to the current move of Post volunteer firemen to purchase a rescuicator with the public's help. The equipment is on display in the First National Bank lobby and there's a convenient container for cash contributions. Fire Chief ROBERT CATO says they aren't asking the

Roger W. Babson Writes This Week:

Bitter Political Fights Will Continue Up To Election Day; No Change In World Situation

BABSON PARK, Mass. — Last December there were published in this newspaper Fifty Forecasts by me for 1956. The first stated, "President Eisenhower will be re-nominated and re-elected in 1956." The last of these Fifty Forecasts stated, "I now see no depression ahead for 1956, but, of course, stock prices will not 'grow to the skies' and there must be a sad readjustment some day." The remaining forty-eight forecasts, which I have brought up to date in view of the events of the last three months, are as follows:

1. The President will be relieved of much speech making, entertainment, and detail work.
2. Competition will be very severe.
3. Higher wages may be expected.
4. Increased advertising appropriations will be seen.
5. Recent policies of the money managers will be shifted to more "ease."
6. Liberal credits to the purchasers of houses, automobiles, televisions, etc. will continue to be a strong support to business.
7. Great sums will continue to be spent on research and new plant expansion.
8. The baby boom will roll merrily on, resulting in more sales.
9. Predicted declines will come in auto and residential building, but will largely be offset by expenditures for roads, sewers, and schools.
10. Retail business will be handicapped in some cities by the parking nuisance.
11. No appreciable price improvement in city business property is likely.
12. Building costs will continue high.
13. Speculative builders will have to watch their step more closely.
14. The limiting of rents will be practically abolished.
15. Owners of costly apartment buildings will find their profit margins squeezed harder.
16. Commercial farms need not suffer.
17. Owners of small scattered farms will suffer.
18. More well-located "close-in" farms will become subdivisions and shopping centers.
19. Those who have been holding real estate for speculative profits might well consider selling.
20. Russia will keep out of war with us during 1956.
21. There will be one or more small wars.
22. The "cold war" now existing between the United States and the Soviet Union will continue.
23. The threat of the hydrogen bomb and the development of the greatest international factor for diplomatic trading.

VANDALISM ON INCREASE

Chances are the average citizen is less concerned over the "why" of the current wave of vandalism here than he is over what is being done about it. Instead of improving, the situation seems to be gradually getting worse. Not all, perhaps not even a majority, of the recent acts of vandalism can be charged to juveniles, so let's not blame the youngsters under 17 for all of it. They're not the ones who practically ruined a valuable roping horse by riding it nearly to death, and they are not the only ones who are rolling old tires in front of approaching automobiles, thereby inviting traffic disaster.

In the case of juveniles, however, it has been proven time and again that mere warnings by law enforcement officers just aren't getting the job done. It's going to take sterner measures. We sincerely hope that none of our juvenile delinquents are hopeless, but if any of them are, then warnings probably are the least of their worries.

Recent acts of vandalism have resulted in considerable property damage through broken windows in automobiles and trucks, as well as in buildings, and other destruction. There is no excuse for it. It should be and must be stopped.

Recent developments at the courthouse indicate that officials are discarding their kid-glove method of dealing with juveniles and with some offenders just over the juvenile age. We hope the officials don't let up in whatever method finally works out in putting a halt to vandalism, traffic violations, and other lawlessness.

public to foot the whole deal; the firemen have some funds of their own for the purpose, but not enough.

IT NOW APPEARS that there will be a county Rural School Play Day this spring, after all. With only three rural schools in operation, it appeared for awhile that there would not be enough interest to stage the event, but plans are to invite the out-of-county Grassland and Clairemont schools to enter grade school contestants in the Play Day competition.

MOST OF THE Public Schools Week visiting was at the elementary school, where a number of exhibits were on display. Principal J. M. ALDERSON says he and his staff of teachers consider the observance a big success from the standpoint of attendance, with Thursday being the big day.

THE THIRD GRADE class of MRS. JEAN GANDY "takes the cake" for having the most parents visit their room. We say "take the cake" because the teacher says they didn't get any other kind of a prize for having the mostest.

CHILDREN START school these days with a big advantage. They already know two letters of the alphabet—TV.

Getting Out On The Limb

By EDDIE the editor

SOME PEOPLE would be willing to take the world as it is—providing they could have the whole thing.

The ladder of life is full of splinters, but you never realize it until you begin to slide down.

ANOTHER ONE OF the Hays boys "outgrew" his Post Dispatch route this week, and that is something I've been watching go on for a number of years. Again, in this case, there is another Hays boy to take his place, but it isn't one of Jim's sons, since the youngest of them, Donnie, is already a Dispatch salesman. The new boy is Gary Dale, son of Mr. and Mrs. Bill Hays, and nephew of Donnie.

Herbie, a freshman in Post High School, told us this week that he is turning his route over to his nephew Gary Dale. There hasn't been a time in recent years that I haven't had one of the Hays youngsters selling papers and every one of them has made a good hand. Petey, who is now in the Air Force, started it and, after selling for a while as the lone Hays family representative, was joined by Jerry. Then Petey outgrew the route, and Jerry sold alone for a while before being joined by Herbie. When Jerry quit, Donnie took over and, since he is only a 7th grader, we're counting on him for at least another year or two.

The Hays youngsters' routes are in the south part of town, where they consistently sell 100 or more Post Dispatches a week. They're all business. They come in and get their papers every Thursday afternoon without help from any of the office personnel, then check back in Friday or Saturday—always with empty paper bags.

I'm sure Gary Dale will turn out to be as good a Dispatch salesman as any of his uncles.

Going to the beach is like going to the attic—you are surprised at what you will find in trunks.

IT'S BEEN SO long since I've listed the nation's top hit tunes for my readers, that I don't think a single song has survived from the last list. Here are the new ones—top ten:

"There are three million surplus marriageable girls in the United States," says a statistician. Sh-h-h! Don't say "surplus." The government might overhear you and start storing these girls in caves or giving them to foreign countries.

HOW A SINGLE four-line newspaper want ad turned the tide for the Fuller Brush Company is told in the February issue of Pageant magazine.

Alfred C. Fuller, founder and board chairman of the company, advertised for dealers in the Syracuse Post Standard in 1909 while he himself was getting

home-to-home orders. The four-line want ad brought him many inquiries and soon thereafter newspaper want ads had built a large sales force.

The Pageant article, entitled "The Original Fuller Brush Man," tells the success story of the elder Fuller and his son, A. Howard Fuller, who succeeded him as president of the firm, which now does an annual retail business of \$85,000,000.

The teacher of the 5 year old Sunday School class, wanting to impress the children, started by asking, "I suppose all you children want to go to Heaven, don't you?"

"Well," said little Jackie, "what do you think I put a nickel in the collection for?"

You get out of an argument just what you put into it—a lot of hot air.

We never knew what extravagance could be until the government gave us planned economy.

GARZA COUNTY ...

MYSTERY FARM...No. 42

If the owner of this farm will come into this bank and properly identify the picture he will be given a 5x7-inch mounted enlargement of this aerial photograph. Five Locations, Three Completions Reported In County Oil Activities

Five field locations and three completions are reported by the Railroad Commission in recent Garza County oil activity.

The locations, two amended, are:

Huntley-Glorieta (Amended)—Sinclair No. 1 Barnie C. Jones, 330 feet from north and 330 feet from east lines of southeast quarter of Section 1298, Block A-643, D&WRR Survey, 4 1/2 miles northwest of Post; rotary to 4-100 feet to deepen.

Justiceburg-Glorieta — Humble No. 5-G Humble Fee, 1,980 feet from north and 660 feet from west lines of Section 116, Block 5, H&GN Survey, 4 miles east of Justiceburg; rotary to 2,700 feet. No. 6-G is 1,980 feet from north and west lines of Section 116, Block 5, H&GN Survey; rotary to 2,700 feet. No. 7-G is 1,980 feet from north and 2,310 feet from east lines of same section.

PHD-Glorieta (Amended) — T. F. Hodge No. 4 O. B. Franklin, 800 feet from north and 330 feet from west lines of east half of southwest quarter of Section 1246, AB&N Survey, 5 miles southeast of Southland; rotary to 4,400 feet to deepen.

Justiceburg-Glorieta—Cecil Oil Corp. of Houston, No. 1-E J. S. Reed, 2,310 feet from north and east lines of Section 117, Block 5, H&GN Survey, 2 miles east of Justiceburg; cable to 2,600 feet.

Dorward—Bert Fields of Dallas No. 3 Dorward, 330 feet from north and east lines of Section 138, Block 5, H&GN Survey, 3 miles southeast of Justiceburg; rotary to 2,600 feet; renewal of permit.

The completions are:

PHD-Glorieta—Manor, Graham No. 1 Hagler, 330 feet from south and west lines of Section 1421, Block A-397, TTRR Survey, at depth of 4,372 feet with pay topped at 4,288 feet and perforations from 4,288-408 feet. Pumped 52.75 barrels of oil per day plus 15 per cent water; gravity, 36; gas-oil ratio, 200-1. Acidized with 1,000 gallons.

Justiceburg-Glorieta—Cecil Oil Corp. No. 2-C Reed, 330 feet from north and east lines of Section 135, Block 5, H&GN Survey, at depth of 2,553 feet with pay topped at 2,507 feet and perforations open hole. Pumped 112.60 barrels of oil per day plus 50 per cent water; gravity, 38; gas-oil ratio, nil.

per cent water; gravity, 38; gas-oil ratio, nil.

Justiceburg-Glorieta—Cecil Oil Corp. No. 5-B Reed, 330 feet from north and west lines of Section 135, Block 5, H&GN Survey, at depth of 2,553 feet with pay topped at 2,507 feet and perforations open hole. Pumped 112.60 barrels of oil per day plus 50 per cent water; gravity, 38; gas-oil ratio, nil.

Sidney George Warner of Wichita Falls has been here visiting his uncle, Reese Carter Jr., and family. Young Warner was discharged from the Navy on Feb. 27. He had been stationed at San Diego, Calif.

Visiting Mrs. W. J. Shepherd during the weekend were Mrs. Howard Hopkins and Linda of Lorenzo, Mr. and Mrs. Bruce Shepherd, Karen and Ellen of Levelland.

Dispatch, Mystery Farm No. 42 appears on page 2. If you can identify it drop by or telephone The Dispatch office at 1 o'clock Friday afternoon.

Dispatch, Mystery Farm No. 42 appears on page 2. If you can identify it drop by or telephone The Dispatch office at 1 o'clock Friday afternoon.

Inspection Hearing

Inspections of the near-neighborhood vehicles registered in Texas is "falling seriously behind" with the schedule only six weeks ahead of schedule, according to a report today by the Safety Council of Texas.

The report, which was made to the State Board of Transportation, said that the state is "falling seriously behind" with the schedule only six weeks ahead of schedule, according to a report today by the Safety Council of Texas.

With jail terms assessed in nine of the 42 cases disposed of during the month, the Lubbock district also was the leader in that category. Closest to that number was the Waco district, where six jail sentences were ordered.

Leon C. Bowman is supervisor of this district.

Mr. and Mrs. Mike E. Custer and daughter, Sherry, of Colorado City visited friends and relatives here over the weekend. Custer is Mitchell County office manager for the Agricultural Stabilization and Conservation Service.

Water Use And Conservation Is Meeting Topic

LUBBOCK (SpL) — Farmers, manufacturers, city officials and others interested in water resources are meeting in Lubbock today to hear the State Board of Water Engineers discuss the facts of water use and conservation.

Sponsored by the West Texas Chamber of Commerce, the meeting began at 9:30 a. m. in the North Ballroom of Hotel Lubbock. It is open to the public.

Chairman R. M. Dixon, Members O. F. Dent and H. A. Beckwith, and Examiner Joe D. Carter of the Texas Board of Water Engineers in Austin presented the morning's program. The afternoon will be devoted to group discussion.

During the recent past, as water supplies have become of increasing concern to everyone, "voices throughout the state have been echoing the cry, 'water is the state's number one problem.' Some of those voices have become part of the problem instead of part of the answer," claims Frank H. Kelley of Colorado City, chairman of the WTCC's Water Resources Committee.

Kelley said that some people have been repeating statements about our water situation based upon inadequate information. Others have repeated statements based upon misinformation, he said.

"We feel that there is a great need at this particular time for the type of meeting we have planned at which only fundamental and accurate information is to be presented," Kelley said.

Post Student Among New Tech Pledges

John Francis Lott Jr. of Post was one of 255 male students at Texas Tech who pledged college fraternities last weekend to climax the spring rush period.

The Post student is a new pledge of Phi Gamma Delta.

Phi Delta Theta led the nine Tech fraternities with 44 new pledges, followed by Sigma Nu with 41 and Sigma Chi with 34.

The new pledges were announced by James B. Whitehead, assistant dean of student life.

Post Resident's Grandfather Dies

Reese Carter Jr., owner of the Post News Stand, was in Greenville last Thursday to attend funeral services for his grandfather, O. R. Carter, 80, who died of a heart attack in San Antonio on March 6.

Mr. Carter, who made his home with a daughter in San Antonio, was buried in the Webb Hill Cemetery, near Greenville. He was a conductor for 42 years on the Fort Worth & Denver Railway.

His survivors include two sons, Reese Carter Sr. and Riley Carter, both former Post residents, five daughters, two brothers, two sisters and a number of grandchildren and great-grandchildren.

Former Post C. Of C. Manager To Lamesa

Pat Ryan, former manager of the Post Chamber of Commerce, has accepted a position as manager of the Lamesa Chamber of Commerce, effective April 1.

Ryan is now serving as manager of the Levelland Chamber of Commerce, and is president of the West Texas Chamber of Commerce Managers Association.

At Lamesa, he will replace DeWayne Davis, who has resigned to become manager of the Sherman Chamber of Commerce.

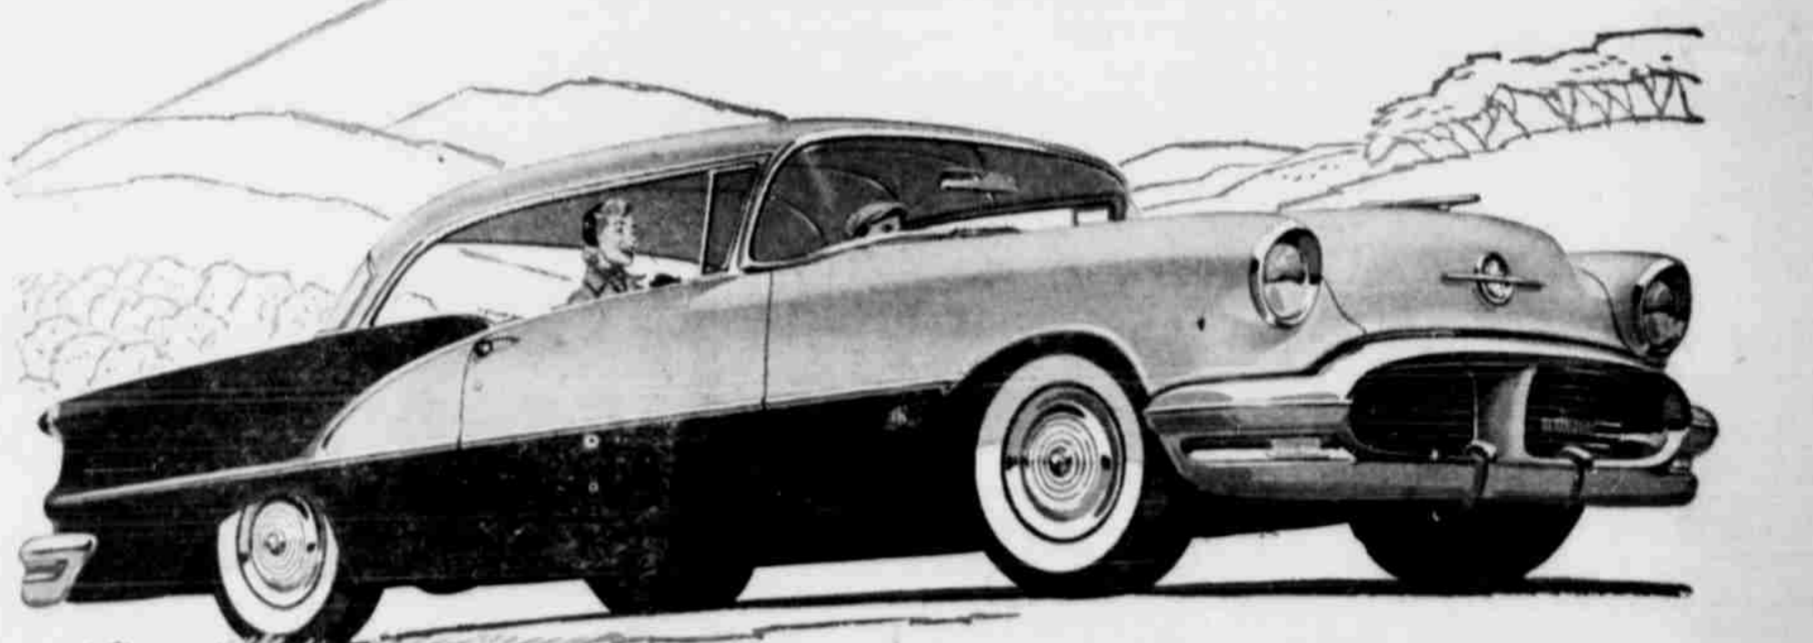

Mr. and Mrs. D. C. Hill Jr., Billie Lou and Betty Jo spent Friday night in Abilene with the Lawrence Epleys. On Saturday the group went to Temple, where they visited Mr. and Mrs. Jerry Epley. Jerry is a patient in Scott and White Hospital, awaiting surgery.

Sunday guests of Mrs. Nellie K. Babb and Garnell were Mr. and Mrs. N. C. Potter, Mr. and Mrs. Johnny Walker and Laura of Fort Worth. Truett Babb and Sonny Curtis of Slaton and Mr. and Mrs. W. A. Oden.

Jetaway

means

GETAWAY!

THE SECRET OF THE SMOOTHNESS IS IN THE SECOND COUPLING!

Jetaway features TWO fluid couplings to give you twice the smoothness! The second coupling fills and spills with jet-like speed to ease you into every driving range so quietly, so smoothly the change is almost imperceptible. Just try Oldsmobile's Jetaway... it's the greatest advance in automatic transmissions in 17 years!

And how you get away! With the flashing "go" that Hydra-Matic made so famous, plus a new liquid smoothness that's Jetaway's alone. Just try Jetaway*. Pour on the power! You'll see the dramatic difference, when Oldsmobile's revolutionary transmission pairs with the Rocket T-350 Engine... 9.25-to-1 compression big! Here's super action with power to spare. What's more, in this Olds you wing along in the solid assurance of its sure-footed Safety-Ride Chassis... in the smart luxury of its fashionably tailored interior... with the

welcome ease of the newest in modern power features. And, when it comes to looks, Oldsmobile's Starfire styling is in a class by itself with its original side treatment and trend-setting "Intagrille Bumper." This Olds can be yours at a price that's amazingly low. Stop in today and see!

*Standard on Series Ninety-Eight, optional at extra cost on all other series.
†Optional at extra cost. Safety Power Steering standard on Series Ninety-Eight.

In Lamb, Lynn, Terry, Yoakum, Swisher, Lubbock, Floyd, Cochran, Farmer, Dawson, Hale, Hockley, Garza, Castro, Crosby, Gaines and Bailey Counties will be received at the Highway Department, Austin, until 9:00 A. M., March 20, 1956, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provision of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above-named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman, or mechanic employed on this project.

School Cafeteria Menus Are Listed

School lunchroom menus for the week of March 19-23 have been planned as follows:
Monday: Macaroni and cheese, buttered blackeye peas, rolls, tossed salad, milk, chocolate pudding.
Tuesday: Red beans seasoned with salt pork, buttered greens, cornbread, milk, cheese and crackers, white cake squares with chocolate icing.
Wednesday: Meat balls, green lima beans, bread, milk, cabbage salad, cherry pie.
Thursday: Pork and pimiento cheese sandwiches, hash brown potatoes, peaches, cookies, milk.
Friday: Steak and gravy, green beans, buttered rice, bread, Harvard beets, milk, apricot-upside-down cake.

FACTS and FADS
around P. H. S.

By RUBY MONTGOMERY
Because of the Teacher's Meeting in Midland Friday, there was no school. PHS students certainly welcomed this holiday. But the "faithful" senior play cast came back to school Friday evening and practiced the play. They are really working on the play.

The Football and Pep Squad Banquet will be Friday night.
Congratulations go to Ann Paterfield. She has been elected FFA Sweetheart.

There were several meetings during the activity period Monday afternoon. Mr. Tuttle met with the students who are planning to enter in the Interscholastic League in spelling; Miss Moore met with her one-act play cast, and Mrs. McQueen met with several members of the FHA Club.
There are less than three months of school left. Time is flying!
Beverly Bland, a former PHS student, is sports writer for the "Slatonite." She writes the high school sports. She is also editor of the school paper.

We think Miss Stephenson deserves "orchids" for her hard work on the banquet. So orchids to Miss Stephenson.

The junior-senior banquet has been set for April 25, if nothing interferes.

The Black team won again in the Intramural basketball game Tuesday afternoon. Is the Gold team jinxed? The Blacks have won every game so far.

Dates to remember: March 16, the Football and Pep Squad Banquet; March 22, the Interscholastic Play (at Floydada) and March 23, the Senior play, "The Perfect Idiot."

Leslie Nichols and Audrey Sparlin look real cute in their new short hair-dos.
Couples seen together during the last week at various places include: Stan Saul and Frances Craig, Billy Jones and Ann Porterfield, Joe McCowen and Patsy Rogers, James Truelock and Betty Watson, Leon Miller and JoAnn Moreman, Charles Chandler and Bettie Sue Norman, James Capps and Ann Osborn, and James Williams and Barbara Styles.

R. P. Sullivan, operating vice president of General Telephone Company, will become president and director of General Telephone Company of upstate New York on April 1.

UNIVERSITY LAW DAY
AUSTIN (Sp.)—University of Texas Law Day, scheduled for April 27, will feature two outstanding jurists, William L. Prosser, University of California law school dean, and Carl V. Weygandt, Ohio supreme court chief justice.

The Union of South Africa has three capitals: Pretoria for the executive department, Cape Town for the legislature and Bloemfontein for the national judiciary.

Legal holiday work shall be paid for at the regular governing rates.
Plans and specifications available at the office of H. B. Bryan, Resident Engineer, Lubbock, Texas, and Texas Highway Department, Austin. Usual rights reserved. 2tc

Kenny To Leave Sunday For Home In Liverpool, England

Benny Elizabeth Kenny, who has been a nurse at Garza Memorial Hospital about 18 years, is to leave for her home in Liverpool, England, Sunday. She said she has missed her family in this country but is glad to leave Lubbock by plane on Sunday and will arrive in Liverpool late Tuesday morning. Her departure is being celebrated in New York City.

to "wave in" on the Gateway program, which will be seen here by TV view. Monday morning. Miss Kenny arrived in Liverpool after a 10-day trip from Paterson, N. J. She worked in Paterson, N. J. for 15 years. After a plane trip to Liverpool she spent several months there. She said "Texas is a better place to live than I thought it was. I like it better here. I have enjoyed working in Texas. I got to know the people that I work with. You are able to get some in a small hospital. I worked in a 1,500 bed hospital and have worked as a head nurse in a ward with 60 beds. I am glad going back to a big hospital after being in a small one."

Mrs. Anita Yarbro's Engagement To Robert L. Coleman Announced

Mrs. Ethel King announces the engagement and approaching marriage of her daughter, Mrs. Anita Yarbro of Midland, to Robert L. Coleman, son of Mr. and Mrs. J. C. Coleman of Big Spring. No wedding date has been set.

Porterfield Home Is Scene Of Club Meeting On Friday

Mrs. W. L. Porterfield was hostess to the Needlecraft Club in her home Friday afternoon. Her mother, Mrs. H. C. Gordon of Burleson, presented a program of piano music and the group also enjoyed games. Refreshments of angel food cake, congealed salad, nuts and frosted punch were served. Those present were Mrs. Surman Clark and Jerry of Slaton, Mrs. Gordon, Mrs. T. L. Jones, Mrs. Bob Collier, Mrs. B. F. Evans, Mrs. A. A. Suits, Mrs. H. W. Schmidt, Mrs. S. C. Storie, Sr., Mrs. Ralph Welch, Mrs. R. K. Green, Mrs. J. R. Durrett, Mrs. Carl Clark, Mrs. N. W. Stone, Mrs. W. R. Graeber, Mrs. Connie Caylor, Mrs. Pat Walker and Mrs. Porterfield.

Church News

Dr. Leo C. Lake, Presbyterian Missionary from Japan, will speak at the First Presbyterian Church at 7:30 p. m. today, following a church supper at 6:30. Dr. Lake spoke at the junior high and high schools this morning and to a group of women at the church this afternoon. He served in Japan for 35 years. During the war, when it was impossible for him to continue his work in Japan, he accepted a church pastorate in Colorado. From that time until his retirement in 1953, he had served as pastor of three Colorado churches.

There will be a gospel meeting at the newly organized 14th Street Church of Christ, March 18 to 25. Dell Young of Spur will conduct the services at 10:30 a. m. and 7:30 p. m. daily. S. G. Byrd, minister, invites the public to attend. The church is located at 115 West 14th.

Roy Shahan, First Baptist pastor, reports: "We are grateful for the increases we have witnessed lately in Sunday School, Training Union and the worship services. The pastor will speak Sunday morning on the subject, 'Properly Relating Ourselves to God's Purposes' (Deut. 10:12; Micah 6:8). The evening theme will be 'Lessons in Theology From a Thief' (Luke 23:39-45). The date for our spring meeting has been set. It begins April 1 and continues through April 8. Dr. Woodson Armes, pastor of the Fort Worth Polytechnic Baptist Church, will be the evangelist. Kenneth Hill, music director of the First Baptist Church at Littlefield, will direct the music. Keep these dates in mind and plan to attend all the services that you can."

Mrs. J. C. Caylor and Miss Louella Eades attended the worker's conference at the Parkdale Baptist Church in Lubbock Tuesday.

Mrs. Williams Is Honored At Party

A layette shower honoring Mrs. Curtis Williams, was given Thursday evening in the home of Mrs. R. L. Simpson. Twenty-five guests called between 7 and 9 o'clock. The lace covered serving table was centered with pink rosebuds and white snapdragons in a blue stork vase. Pink and blue tapers in crystal holders completed the table decorations. Refreshments of pink and blue sandwiches, sugar cookies, topped with pink and blue miniature booties, mints and coffee were served. Co-hostesses for the party were Mrs. Charles Williams, Jr., Mrs. Weldon Dodson and Misses Orabeth Maxey and Marie Howard.

P-TA Officers Are Elected Thursday

Officers were elected at Thursday's meeting of the Parent-Teacher Association, held at the grade school. Mrs. S. E. Camp was re-elected president; Mrs. Iven Clary, re-elected secretary; Mrs. Wallace Simpson, re-elected treasurer, and Mrs. Sid Cross was elected vice-president. Glenn Whittenberg, high school principal, had charge of the program on "The Family Develops Wholesome Personalities." Students who appeared on the program were Mary Nell Shepherd, Lonnie Gene Peel, Benny Joe Clary, Paul Wheatley, Mike Ray, Jerry Morris Marilyn Steel, Ted Tatum, Don Davies and Linda Livingston. Two P-TA procedure courses were taught recently. Attending the course taught by Mrs. Lee Davis were Mrs. H. A. Tubbs, Mrs. Bill DeWalt, Mrs. Vernon Ray, Mrs. Camp, Mrs. Edsel Cross, Mrs. Clary and Mrs. H. W. Duncan. Attending the course taught by J. M. Alderson, grade school principal, were Mrs. Tubbs, Mrs. Camp, Mrs. Simpson, Malcolm Urey, Mrs. Nola Bristler, Mrs. Clary, Mrs. Max Gordon and Mrs. Bryan Williams.

Two Entertain Sorority Monday

Mrs. Jimmy Hundley and Mrs. Burney Francis were hostesses for a meeting of Mu Alpha Chapter, Beta Sigma Phi Sorority Monday evening. Following the business meeting, Mrs. Bill Humphrey had charge of the program on "Literature." Roll call was answered with the name of an author or poem. Those present were Mrs. Bing Bingham, Mrs. Jess Compton, Mrs. Jess Cornell, Miss Melba Cowger, Miss Maxine Durrett, Miss Ganell Babb, Mrs. Humphrey, Mrs. Wagoner Johnson, Mrs. Wallace Simpson, Miss Jane Stephenson, Miss Katharine Stryker, Mrs. Ed Sims, Mrs. Mason Justice, Mrs. Bob Garrison and the hostess.

Mrs. A. B. Haws Entertains Club

Mrs. A. B. Haws entertained the Priscilla Club in her home at 3 o'clock Friday afternoon. Following the sewing period and a business meeting, the hostess served refreshments of sandwiches, potato chips, pickles, pineapple cake and coffee. During the business session, Mrs. H. N. Crisp was voted into the club. Those present were Mrs. J. L. Durbin, Mrs. N. C. Outlaw, Mrs. Lacy Richardson, Mrs. Vietor Hudman, Mrs. George Sartain, Mrs. T. R. Hibbs, Mrs. C. W. Terry, Mrs. Jessie Voss, Mrs. B. H. Collier, Mrs. W. J. Satterwhite, Mrs. H. L. Gordon, Mrs. Ellis Mills and the hostess.

Hospital Notes

Admitted to Garza Memorial Hospital since last Wednesday were: Kathy Murphy, Post, medical. Connie Stom, Albany, surgical. Mrs. J. E. Stephens, Post, medical. Paul Preston, Post, surgical. Mrs. Cleve Harper, Post, obstetrical. Mrs. Salome Saldivar, Post, obstetrical. Gwen Copple, Post, medical. Micaela Cruz Slaton, medical. Hazel Beggs, Post, medical. Imogene Roberts, Post, surgical. Clara O'Conner, Post, accident. Mrs. A. C. Cash, Post, medical. Dismissed: Katy Murphy. Mrs. Alphenus Wynn and baby. Jewel Branson. Mrs. J. G. Stewart. Mrs. Salome Saldivar and baby. Debbie Hitt (treated and released). Mrs. J. E. Stephens. Mary Ann Maddera (treated and released). Esther Baxter. Mrs. Cleve Harper and baby. Mrs. Edith Roby, Garquville, (treated and released).

GRAHAM THURSDAY CLUB
Mrs. O. H. Hoover entertained the Graham Thursday Club in her home yesterday afternoon. After a period of sewing and visiting, refreshments were served to the group.

Miss Patty Ann Veach To Become Bride Of A-1C Donald J. Coburn

Mr. and Mrs. John Veach are announcing the engagement and approaching marriage of their daughter, Miss Patty Ann Veach, to A-1C Donald J. Coburn of Fostoria, Ohio, who is now stationed at Reese Air Force Base, Lubbock. The bride-elect is a 1955 graduate of Post High School. No wedding date has been announced.

Garden Club Meets In Humphrey Home Thursday Evening

The Garden Club met Thursday evening in the home of Mrs. Bill Humphrey, with Mrs. Lewis Herron presiding. Mrs. Howard Maddera, Mrs. Robert Bocell, Mrs. Herron and Mrs. Humphrey had charge of the program, "Spring Planting." The following officers were elected: Mrs. N. R. King, president; Mrs. H. H. Hudman, vice-president, and Mrs. Bocell, secretary and treasurer. Those present were Mrs. Bocell, Mrs. Gerald Marable, Mrs. Walter Johnson, Mrs. Herron, Mrs. Hudman, Mrs. King, Mrs. Maddera, Mrs. Herman Raphael, Mrs. E. F. Schmedt, Mrs. Bing Bingham, Mrs. Jack Brown, Mrs. Morris Denson, Mrs. F. E. Shannon and the hostess. The next meeting will be on April 12 at Mrs. Walter Johnson's.

Mrs. Puckett Feted At Birthday Dinner

The home of Mr. and Mrs. S. M. Puckett was the scene of a birthday dinner Sunday, honoring Mrs. Puckett, 78. Those present for the occasion were Mr. and Mrs. Clifford Puckett and Janet, Mr. and Mrs. Howell Hutto, Sharon and Bobby Hutto, Kitty and Jan Mullins, Mr. and Mrs. Carlos Holton and Renee and Emma Gene Carr of Lubbock. Also Mr. and Mrs. Marvin Pennington and Danny, Mr. and Mrs. Kenny Cash, Mr. and Mrs. Bob Short and Mike.

Mrs. Leo Cobb Is 1955 Club Hostess

The 1955 Club met in the home of Mrs. Leo Cobb Thursday morning for a demonstration on arranging the service area, presented by Miss Jessie Pearce, agent. Coffee was served to Mrs. Luther Bilberry, Mrs. Ben Brewer, Mrs. Stanley Butler, Mrs. Don Butler, Mrs. Rufus Gerner, Mrs. Percy Parsons, Mrs. Thurman Maddox, Mrs. Lester Josey, Mrs. Ralph Dean, Miss Pearce and the hostess. The next meeting will be March 22, in the home of Mrs. Dean.

Amity Study Club Meets At Schmedt's

Mrs. E. F. Schmedt and Mrs. C. H. Hartel were hostesses for a meeting of the Amity Study Club Tuesday evening in the Schmedt home. Roll call was answered with a historical event; Mrs. Bill Cates discussed "Texas, the Republic" and Mrs. V. L. Peel talked on "Texas, the State." Reports were given on the recent annual District Seven Convention of Federated Clubs, in Plainview, which was attended by six members. Members present were Mrs. Leo Acker, Mrs. Carlton Willingham, Mrs. Malcolm Bull, Mrs. Jack Burress, Mrs. G. K. Cash, Mrs. Cates, Miss Thelma Clark, Mrs. Leo Cobb, Mrs. Bob Collier, Mrs. Edsel Cross, Mrs. Lewis Herron, Mrs. N. R. King, Mrs. Boo Olson, Mrs. Pat Walker, Mrs. Powell Shytle, Mrs. D. B. Billings, Mrs. George Miller, Mrs. Peel and the hostesses. The club's next meeting will be on March 27 at the home of Mrs. Cross, with Mrs. Walker as cohostess. Dr. John R. Rountree will be guest speaker.

Look Who's New

Mr. and Mrs. Tom Patty of Carlsbad, N. M. are announcing the arrival of a daughter weighing eight pounds, eight ounces at 4:30 p. m., March 6. She was named Kathie Jean. A daughter, Willie Ann, was born to Mr. and Mrs. Cleve Harper in Garza Memorial Hospital on March 8. She weighed six pounds, 11 ounces at birth at 8:25 p. m. Mr. and Mrs. Salome Saldivar are parents of a six pound, six ounce son born at 12:04 a. m., March 9, in Garza Memorial Hospital. He was named Gilbert.

Rainbow Girls Have Formal Meeting Here

Post Rainbow Assembly had a formal meeting at 7 p. m. Monday at the Masonic Hall. Mrs. Lenora Tinnin of Falls was the Grand Visitor, Miss Marca Dean Holland presented the honor with a gift, and a tea was given following the meeting in her honor. Approximately 20 Rainbow girls, five adults, Mrs. Tinnin and her husband attended. They gave a demonstration on matching plaids and stripes while sewing.

And like all Mynettes this versatile beauty will FIT, without costly alterations. Navy or black, sizes 12 1/2 to 22 1/2.

WEST TEXAS

Editorial Comment...

Best-Seller List

How many of these books have you read?

Ten top best sellers in the nation are "Andersonville," "Ten North Frederick," "Marjorie Morningstar," "Auntie Mame," "Cash McCall," "The Man in the Gray Flannel Suit," "The Tontine," "Boon Island," "Something of Value," and "No Time for Sergeants."

A check at the library reveals that the books, in the order listed above, have been checked out by this number of readers: 4, 0, 20, 12, 0, 15, 15, 3, 14, and 27. —"Drifting Sands" in The Andrews County News.

And Open The Doors

There's no doubt about it, when governmental agencies—whether they be federal, state or local—go behind closed doors to conduct business, the people's interests are likely to suffer.

So-called "executive" sessions should be a danger signal to freedom-loving Americans. Many of our scandals, our international failures and troubles, our grafts and abuses, have their sources in governmental secrecy.

The people's business, whatever and wherever it be, should be conducted out in the open, aboveboard and without fear of consequences.—The Liberty Vindicator.

One Of Few

Our congratulations to Glenda Moses for making the honor roll at Texas Tech. She's the only student from Ralls to make it, and one out of 352 students at Tech to average 2.5 grade points or better. We presume he other 6,000 students are too busy majoring in sorority, fraternity and Southwest Conference to turn in a good scholastic report.—"It Sez Here" in The Ralls Banner.

He's A Good Boy

Price Daniel says he feels an

obligation to stay in Washington and fight for the people he represents until the natural gas bill is settled.

What words of wisdom are concealed in this frank admission!

Texas has less than 900 gas producers, but 1,700,000 consumers of natural gas! Since Daniel argued that the producers aren't getting enough money, the implication is clear that he thinks the consumers should have to pay more for their gas.

Yes, Price, be a good boy and give your all for these 900 gas producers. Then come home and explain to the 1,700,000 why you should be their governor. —"Town Topics" in The Tullia Herald.

Up, Up, And Up

Things are getting higher and higher. A few years ago we were startled with the \$64 question, then came the \$64,000 question. Now you don't know anything at all unless you can answer the \$100,000 question. There is some talk of a \$250,000 program coming up.—"Once Over" in The Pittsburg Gazette.

Hope It Isn't True

What is the secret of getting into debt to Uncle Sam for these huge sums of taxes that always dogs a Frank Sinatra or a Joe Louis? One reads about it and wonders why he, a pea shooter, fears that he may have made an error in his own tax report. The dread of a tax man who may drop in and point a finger at a guilty line in year before last's befuddled report must have many a person secretly wishing he knew for sure how well his reports stacked up with those of his neighbors. Apparently they never send the celebrity to jail for falsifying and he continues to roll in affluence though he didn't turn in that last \$110,000. At least it says so in the story, which we sincerely hope

MUSICAL-MINDED FAMILY — The Curtis Neals, formerly of Post, and their children are shown in their home in Amarillo, where Neal practices law. Mr. and Mrs. Neal are taking piano lessons as the result of an even trade between them and the piano teacher, who wanted to learn to play bridge. Left to right are Curtis Neal; Dick, 8; Mickey, 12; Mrs. Neal, and Patsy, 9.—(Photo courtesy Amarillo Globe-Times.)

Former Post Couple Trade Lessons In Bridge For Piano Instruction

A former Post couple, Mr. and Mrs. Curtis Neal, now of Amarillo, and their three children were the subject of a recent feature story in The Amarillo Globe-Times.

Neal is a 1942 graduate of Post High School and was employed by The Post Dispatch while attending school. Following his graduation, he served in the Navy during World War II, then enrolled in the University of Texas, where he completed work as a Certified Public Accountant. He later completed his law course at the University and was admitted to the bar.

After two years in Lubbock as a tax attorney, Neal moved to Amarillo four years ago. During the time he attended the University, he was employed in the office of Lt. Gov. John Ben Shepperd.

Mrs. Neal is the former Miss Martha Bishop, who lived east of Post.

Following is the article which appeared in the Amarillo paper:

That old game of "trade out" is being played in an entertaining manner at the Curtis Neal home, 1901 Karen, in exchange for bridge lessons to the teacher and his wife, "Mama" and "Papa" Neal are getting piano lessons. This arrangement has been in operation about two months.

Mr. Neal, an Amarillo attorney and CPA, had a head start with his lessons. When he was in high school at Post, he led a dance band—playing sax—and was a member of the school's marching band. His engagements were in and

around Post, and a couple of times he played in Lubbock.

The University of Texas graduate, whose pastimes include golf and bridge, coached a baseball team last season that went to the finals, and he is a director of the Maverick Club. He is also a head usher at the First Christian Church, where his family are members.

Mrs. Neal, another of the piano pupils, is a native of Palestine. She's a member of the Lawyers Wives Club and Ross Rogers Women's Golf Club.

The Neals' children are Mickey, 12 years old, Dick 8, and Patsy, who will be 10 in April. Patsy, the third member of the piano playing family, and Dick attend Avondale School and Mickey is a student at McKinley.

More than 12,000 Boy Scouts attain Eagle Scout rank each year. Boy Scouts will hold a non-partisan Get-Out-the-Vote Campaign in 1956. In the Cub Scout program 1,000 women are registered mothers.

GET SUPER CHICK GROW ON PURINA SUPER STARTER

Super Growth. Your chicks should grow up to faster on 7.4% less feed per pound of gain than before on Purina Startena! That's the kind of chick they've been getting on many thousands of Purina Research tests.

Super Safe. You can order Startena with a bactericidal control. It's the best control ever tested by Purina Laboratories.

Super Vigor. You can actually see the brighter shanks, perkier red combs, and fast, smooth feathers.

Super Economy. It takes only 2 pounds of Startena per light breed chick, 3 pounds per heavy breed. This is a real saving, because most feeds require 3 to 4 pounds of Starter—or more—before the chicks are ready for a growing ration.

SAVE THIS AD—IT'S WORTH 25¢ on the purchase of Purina Disinfectant and Purina Chek-R-Tabs, when bought together. Disinfect the brooder house with Purina Disinfectant. Keep drinking

water safer with Purina Chek-R-Tabs. Bring this ad in and take advantage of the 25¢ discount. This offer expires July 1, 1956. Cash value 1/10 cent—where restricted.

"Since 1915"

VA Questions And Answers

Q. I am thinking of paying my GI insurance premiums once a year, in advance. If I pay my yearly premium, and suddenly need the money, would it be possible for me to get it back from VA?

A. Yes, VA will refund you whatever amount has not yet been applied to monthly premiums.

Q. I attended college for four years under the World War II GI Bill, and then went back on active duty. I have just been discharged from my second tour of service with a service-connected disability. Would I be eligible for vocational training under Public Law 894, even though I already had received training under the GI Bill?

A. Only if you are in need of training to overcome the handicap of your disability. If you need the training you may train under Public Law 894 for as long as is necessary for you to achieve complete rehabilitation.

Q. If I take flight training under the Korean GI Bill, how will I be paid?

A. You will receive a monthly allowance from VA covering 75 per cent of the established rate that non-veterans, taking the same course, are required to pay. The allowance will be based on the number of hours of instruction received during the month.

Q. A friend of mine is a paralyzed veteran eligible for a \$10,000 VA grant for a "wheel-chair house," especially adapted for his needs. Would he also be eligible for a regular GI home loan to apply on the remainder of the cost of his house?

A. Yes, the fact that he obtained a \$10,000 VA housing grant would not deprive him of his GI loan benefit.

is not a true one.—"Views and Comment" in The Floyd County Hesperian.

The Fair Minded Man

The fair minded man is never a snob. He exercises his right to choose his associates among those whose ideas and ideals are in sympathy with his own; but he does not assume that the rest of the world is wrong or inferior or foolish merely because it is not in agreement with him.

Every man hears a different drum beat. The fair minded man measures facts on honest scales and weighs folks as he finds them—not as he hopes they will be or thinks they ought to be.—The Hamlin Herald.

Nobody "spared the horses" in the '56 Chevrolet!

It's the new "Two-Ten" 4-Door Sedan, with Body by Ford

This new beauty's got power. Big, deep-breathing power that's panther-quick and silk-smooth. Power that puts new kick in your driving and makes passing far safer.

Feather-touch the gas pedal—and you find out right quick that nobody spared the horses here!

A flick of your toe is all it takes to unleash a hoodful of power. Power that makes passing far safer by saving seconds when they really count! Power that's smooth as silk—and as full of action as a string of firecrackers!

Big, deep-breathing power that ranges clear up to 225 h.p.!

But power's just one of the things that make for safer, happier driving in a Chevy. For instance, you get safety door latches and directional signals in all models.

Come on in and see how the hot one handles. Why not make it soon?

Air conditioning—temperatures made to order—at new low cost. Let us demonstrate!

READING LESSON

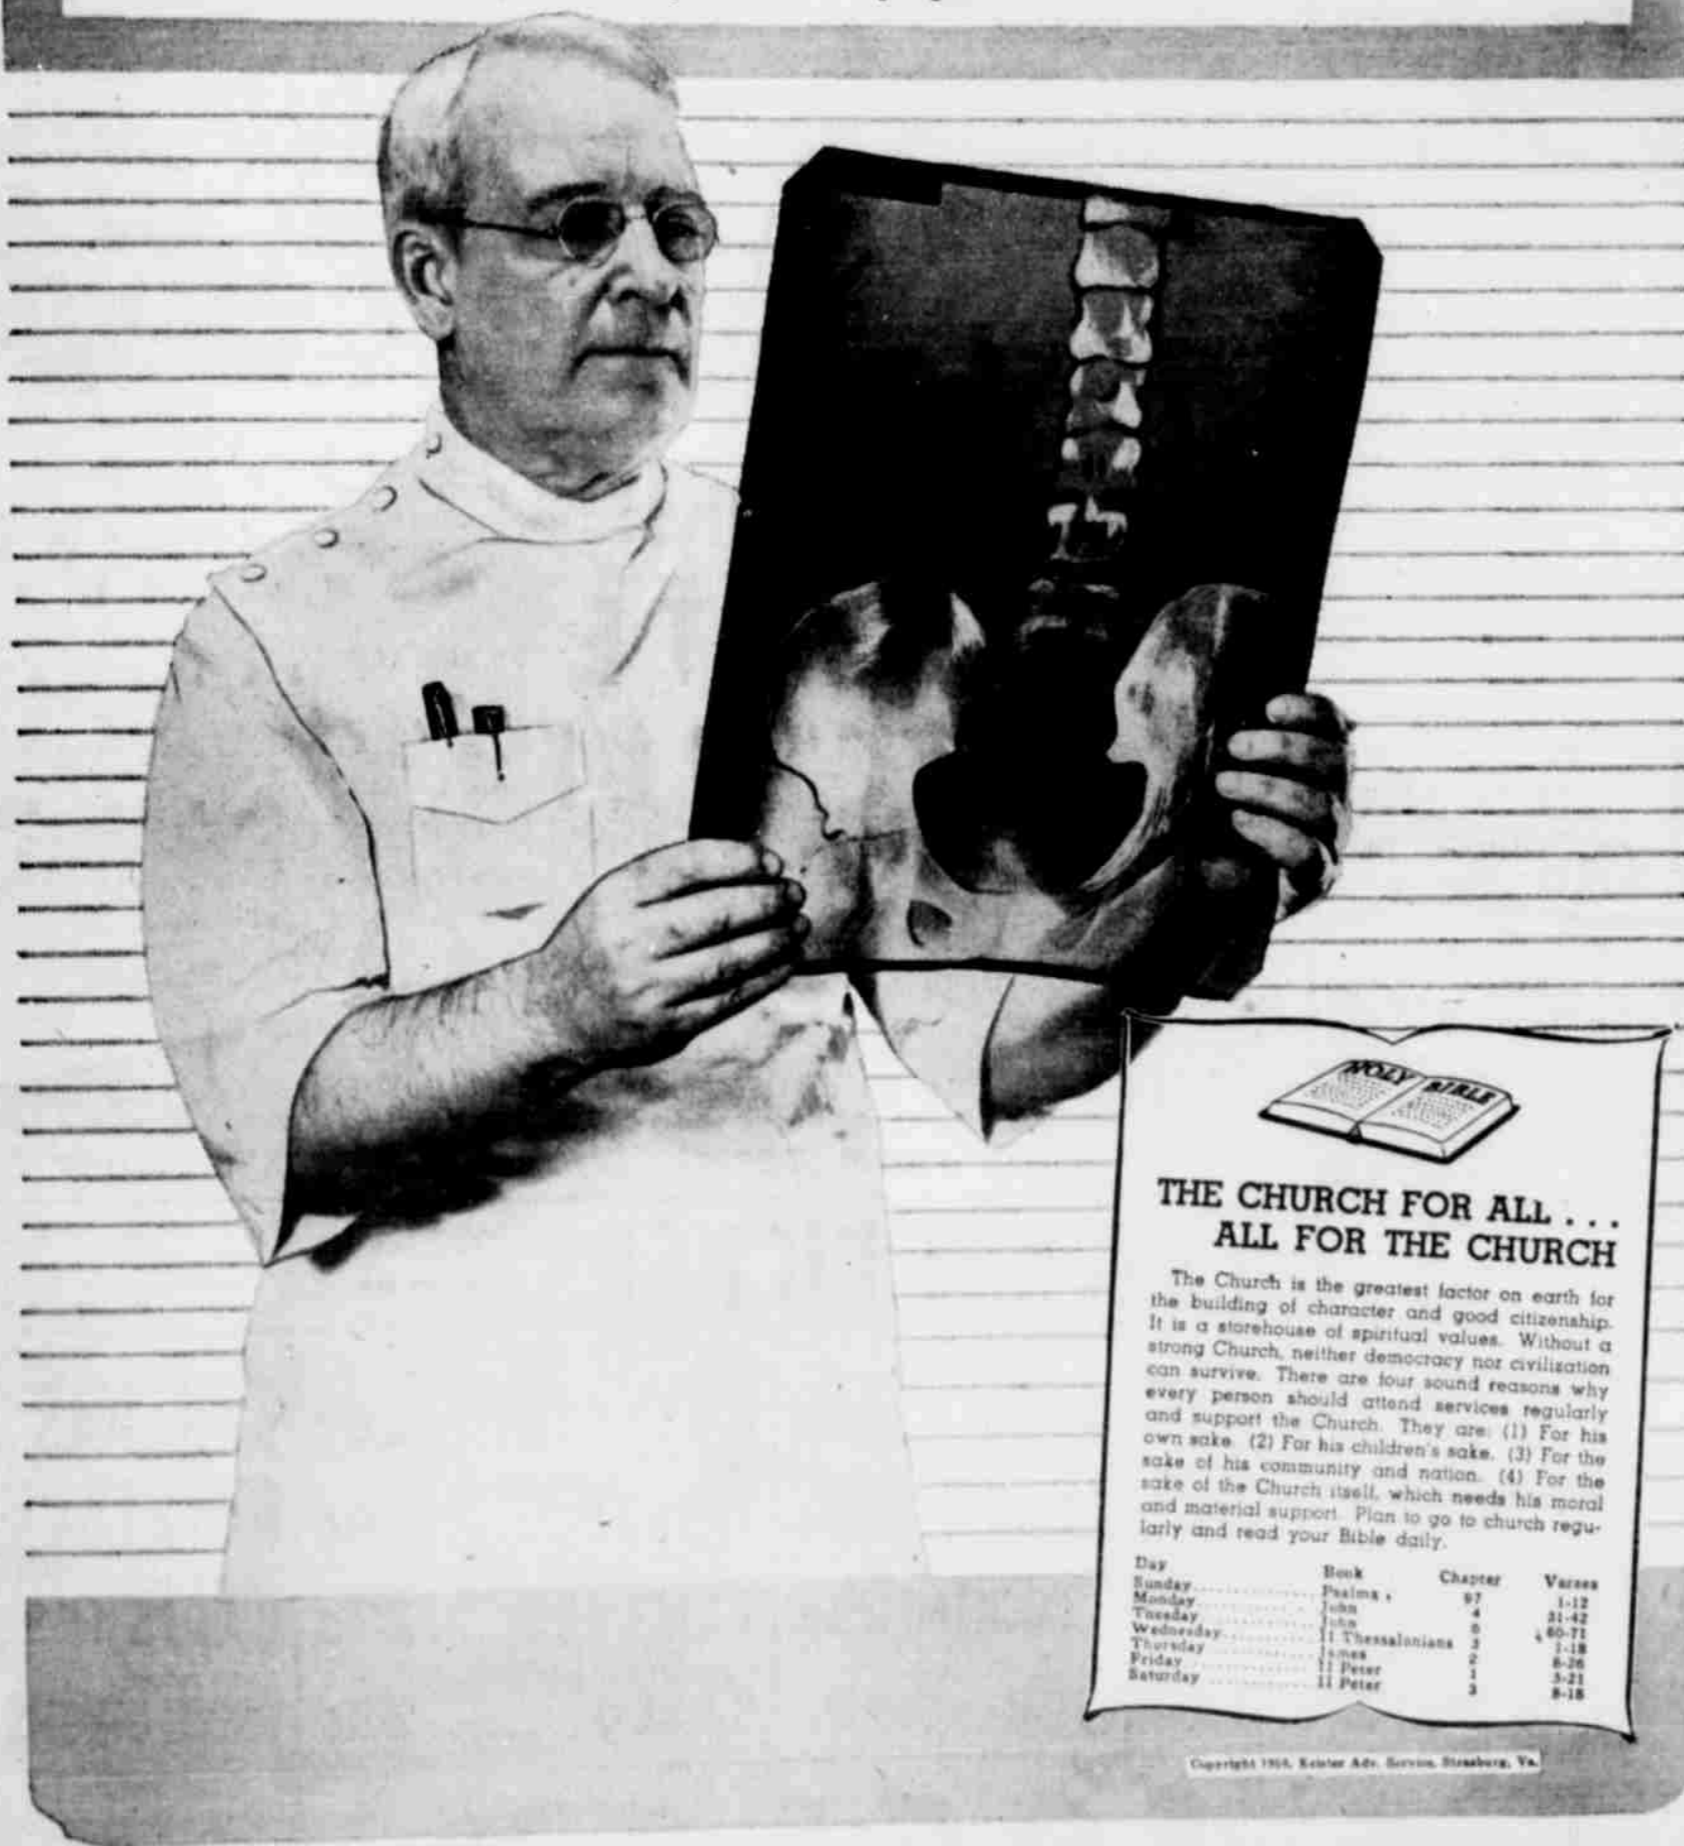

Dr. Standish has had years of experience reading X-Rays like this one. To his trained eyes, each light and shadow means something, and this understanding has given new health and new life to countless persons.

But to most of us, this X-Ray is undecipherable. To understand its message, we would have to take a new kind of reading lesson; we would have to spend long hours at study.

Like the X-Ray, many of life's questions

seem at first glance unanswerable. Indeed, some are beyond man's understanding. But in Church, we can be taught a new way of reading that makes mysteries far greater than that of this X-Ray seem suddenly, miraculously clear.

If you are interested in the meaning of life for yourself and your children, then profit by the teachings of the Church that have stood the test of centuries for millions of people.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Stampede Rodeo Is Set For May 23-26

Officers were elected and dates set for the annual Post Stampede Rodeo at a meeting Monday night of directors of the rodeo association.

May 23, 24, 25 and 26 were set as the dates for this year's rodeo.

W. S. Duckworth was elected president to succeed J. E. Birdwell. Duckworth has been serving as vice president.

Other new officers elected were Harold Voss, vice president; Jack Meeks, manager, and Jack Burgess, arena director. Homer McCrary was re-elected secretary.

Outgoing officers include Phil S. Bouchier, manager, and Novis Rodgers, arena director.

Patagonia is at the southern end of South America.

future husband, E. E. (Gene) Gandy. They were married in August of 1954, right after Gene got out of the Navy. They are parents of a daughter, Jo Beth, who was born last June.

From Kilgore Junior College, Mrs. Gandy went to Stephen F. Austin, where she received her Bachelor of Science degree in education in the summer of 1951. In the meantime, her brother-in-law and sister, Mr. and Mrs. Pat N. Walker, had moved to Post, and it was through their assistance that she secured her first teaching job.

She said she had never been in this part of the country until she came out here to teach. Asked what she thought of her first sandstorm, she retorted, "Let's let bygones be bygones. There've been lots of them since that first one."

When Mrs. Gandy came here to teach, the grade school building was almost brand-new, having been occupied only half a semester. "I also came in under a new administration," she recalled.

In addition to the Parent-Teacher Association, Mrs. Gandy holds membership in the Classroom Teachers Association and the Texas State Teachers Association.

She is particularly proud of the fact that during this year's Public Schools Week more of her pupils' parents visited the school than those of any other room.

Advantages of the systemic insecticide are four to six weeks protection against certain insects, and elimination of the first two poison applications by spraying or dusting. Adverse weather conditions cannot destroy the effectiveness of the poison in the plants, report the entomologist. Loss of time for transportation of seed, and three dollars per acre as compared to two dollars when dusting or spraying is employed, offer some disadvantage.

High School girls who might wish to be candidates in the club's forthcoming queen contest. The girl selected as queen will compete for district honors at the annual District 2T-1 convention in Amarillo May 17-19.

The local candidates will visit the club and the selection of one of them for entry in the district contest will be made by the club members.

New Systemic Insecticide Controls Insects, State Entomologists Say

COLLEGE STATION (Spl.) — Texas entomologists report that cotton grown from seed treated with new systemic insecticide has been protected against thrips, aphids, spider mites and leaf miners for four to six weeks from date of planting.

F. M. Fuller, Jr. and C. F. Garner, entomologists, Texas Agricultural Extension Service, say that the insecticide is compound 3911. A systemic insecticide is one that can be taken up by plants and translocated to all its parts.

Seed treatment such as this will replace the first two early season applications of insecticides, but will not be effective against the overwintered boll weevil. Application of a recommended insecticide should be made before the squares are one-third grown to protect the young fruits from weevils or other insects.

Individuals can not purchase Compound 3911 because of the hazards involved. Severe toxicity to man calls for extreme caution, and all seed containers must be burned. Farmers must transport their seed to and from the treating plant. There are two companies in Texas equipped for treating seeds, both are at Waco. Seeds can be treated at a cost of about three dollars an acre.

Advantages of the systemic insecticide are four to six weeks protection against certain insects, and elimination of the first

two poison applications by spraying or dusting. Adverse weather conditions cannot destroy the effectiveness of the poison in the plants, report the entomologist. Loss of time for transportation of seed, and three dollars per acre as compared to two dollars when dusting or spraying is employed, offer some disadvantage.

Bids Being Asked On Seal-Coating Projects

Two Garza County projects are included in a group of seal-coating jobs on which the Texas Highway Department in Austin is accepting bids until 9 a. m. Tuesday, March 20.

The seal-coating projects in this county are from U. S. Highway 380 to Graham Chapel and from Close City to U. S. Highway 380.

Mr. and Mrs. H. W. Schmidt and Susie Jo spent Sunday at Boys Ranch with Mr. and Mrs. Bill Jackson and children.

Auto Registrations Going Slowly Here

Indications are that unless 1956 auto license plate sales pick up, there will be long lines at the tax office during the few days before the April 1 deadline.

Mrs. Eka Thomas, chief deputy tax assessor-collector, said Tuesday afternoon that only 583 out of approximately 2,000 license plates have been sold since Feb. 1.

Truck and other vehicle tags are selling at about proportionately the same rate, she said.

The tax official reminds those coming in to register their vehicles to bring with them their certificate of title and 1955 registration receipt.

Social Security Representative To Be At Courthouse Here Thursday, March 22

A representative of the Social Security office in Lubbock will be in Post at 1 p. m. Thursday, March 22, and will be glad to discuss any questions in regard to social security.

Clergymen may now for the first time have the protection of the old-age and survivors insurance program, according to a statement made today by John G. Hutton, district manager of the Lubbock social security office.

"Under the 1954 Amendments to the Social Security Act" stated Hutton, "it is now possible, on an individual elective basis, for duly ordained, commissioned or licensed clergymen, Christian Science practitioners and certain members of religious orders to acquire old-age and survivors insurance protection on the same terms as self-employed persons even though they may not actually be self-employed."

There are two necessary steps that a clergyman wishing to participate in this Federal insurance program must take. First, he must get a social security account number card from his social security office if he does not already have one. He must then file a waiver certificate, Form 2031, with the District Director of Internal Revenue indicating his desire to be covered as a self-employed person without involving in any way the church or religious group by whom he is actually employed. Copies of this form may be obtained from the office of the District Director of Internal Revenue or from the social security office.

Form 2031 must be filed no later than April 15, 1956 in order to obtain social security credits for 1955 earnings. Net annual earnings must amount to \$400 or more to be taxable and creditable for social security purposes. If a clergyman has such net earnings in 1955 and 1956 he must, if he wishes to be covered under social security file his certificate on or before April 15, 1957, otherwise he would forfeit his right to elect coverage and his earnings from his services in the ministry can never be credited for social security coverage.

"Once he has elected to be covered" continued Hutton "the clergyman must continue to report his earnings and pay the social security tax for every year in which he has net earnings of \$400 or more from services performed in the exercise of his ministry whether performed as an employee or as a self-employed person. The church or

Annual Cotton Congress Is Scheduled For May 31, June 1-2

Other sessions will feature production and quality discussions of direct interest to South Plains cotton farmers. A special effort will be made to have a large attendance of South Plains producers.

During the first two days of the Congress all sessions will be held in downtown Lubbock. The third day's program, on Saturday, June 2, will be provided on the campus at Texas Tech. Anyone interested may attend the free sessions.

The American Cotton Congress is a non-profit organization sponsored by the State-Wide Cotton Committee of Texas and other state and national groups. Its purpose is to stimulate cotton research and education for the betterment of the industry.

PROJECT SHOW JUDGES—Billy George Taylor (right) and Tom Neff, Texas Tech agricultural students, are shown judging a barrow in Saturday's Garza County Project Show for 4-H and FFA members. Taylor is a graduate of Post High School, where he was FFA chapter president for two years.—(Staff Photo.)

FFA, 4-H Boys Divide Grand Champion Honors In Show

Don Clary of the Post Future Farmers of America chapter showed the grand champion steer, and John T. Brown, 4-H Club member, exhibited the grand champion barrow in the annual Garza County Project Show held Saturday afternoon just east of Antelope Stadium.

James Williams, FFA, showed the reserve champion steer, and Jack Morris, FFA, the reserve champion barrow.

The champion steers were Herefords, the grand champion barrow a Chester White and the reserve champion barrow a Poland China.

Judges were Billy George Taylor and Tom Neff, senior students at Texas Technological College, where they have made outstanding records on the college's stock judging teams. Taylor is a Post High School graduate.

Following are results in the calf division:

Light Weight Feeder
Fancy — Darrell York, FFA; Bunny Smith, FFA; Mason McClellan, 4-H; Don Richardson, 4-H.

Choice—Kent Wheatley, 4-H; Lewis Herron III, 4-H; Allen Fry, FFA.

Good—Charles Morris, FFA; Paul Wheatley, FFA.

Medium Weight Feeder
Fancy—Dean Huddleston, 4-H; Carroll Davis, 4-H; Jerry Thuett, 4-H; Donald Young, 4-H.

Choice—John T. Brown, 4-H; Sidney Hart, FFA; Noel Don Norman, FFA.

High Good—John Shults, FFA; Danny Richardson, 4-H; Glenn Wheatley, FFA.

Heavy Weight Feeder
Fancy—Tommy Young, 4-H. High Choice—Ambrous Gray, FFA.

High Good—Harry Smith, FFA.

Light Weight Fat Steers
James Williams, FFA, first; Dean Huddleston, 4-H, second.

Heavy Weight Fat Steers
Don Clary, FFA, first; John T. Brown, 4-H, second.

Results in the barrow judging were as follows:

Light Weight
Lewis Herron III, 4-H, Chester White, first; Dean Huddleston, 4-H, Poland China, second; Joe McCowen, FFA, Hampshire, third.

Heavy Weight
John T. Brown, 4-H, Chester White, first; Jack Morris, FFA, Poland China, second; Ronnie Kennedy, FFA, Berkshire, third.

PROCLAMATION OPENS EASTER SEAL APPEAL

Governor Issues State-Wide Plea In Behalf Of Crippled Children

A state-wide plea in behalf of crippled children was issued by Gov. Allan Shivers Friday in a proclamation which officially opened the 1956 Easter Seal Appeal in Texas.

The proclamation, issued from the Executive Office in Austin, urged the State's citizens to provide needed services for crippled children.

"Our State has been blessed with abundance," Governor Shivers said in a statement accompanying the proclamation. "Its vast resources are almost without limit. Most splendid of these is its human resources. The talents, intelligence and enthusiasm of our people have made Texas a most favored state.

"In our children and youth we have our greatest hope for the future. Upon them depend the strength and security of the years to come. Because of this we have a tremendous responsibility to our young people, especially to the thousands who are crippled through the misfortunes of birth, illness or accidents."

The Governor's proclamation read:

There are in the State of Texas as thousands of crippled children and adults. The responsibility of giving each child a chance at health and happiness and a future means of livelihood is a responsibility we must take upon ourselves to maintain and assure a future strength and security for our State and Nation.

The provision of necessary services for crippled children is the function of the Texas Society for Crippled Children and its city and county affiliates which make up the Easter Seal Societies in this State. Advances in medical research have produced corresponding advances in rehabilitative treatment and increase in cost.

The annual Easter Seal Appeal of the Texas Society for Crippled Children, and its city and county affiliates is the chief source of support of the Society's many services to the crippled in Texas.

NOW, THEREFORE, I, as Governor of Texas, do hereby designate the period of March 10 to April 10, 1956, as MONTH FOR CRIPPLED CHILDREN in Texas and urge all citizens to generate support for the Easter Seal for crippled children.

In official recognition whereof, I hereby affix my signature this 14th day of March, 1956.

Farmer Pays More Income Tax By Having To Work For His Living

It's income tax season again, and some farmers may have received some net income above expenses in 1955.

If you're one of these, here's a suggestion for some self-education in tax policies which may help you to understand why some people are so willing to make big cash contributions to the election campaigns of some Congressmen and Senators.

You must report your income, and pay the tax on it, before April 15. As soon as you have filled out one set of blanks, start over again on the other set.

But this time, instead of figuring your tax as if you had received it all in the form of dividends from corporations.

You will discover that the tax law enacted in 1954 gives about a 25 per cent saving to people who don't work for a living.

For example, a farmer and wife with two dependent children and the standard deductions would have to pay a tax of \$416 on an income of \$4,999. (That's the top income for which the tax can be computed by the tax table.)

But another man and wife and two children who got their income from corporation dividends instead of by milking cows and mowing hay would have a tax

bill of only \$317. That's a penalty of \$99 which the farmer has to pay for living on the wrong side of the economic tracks and having to work for his income instead of getting it from investments in corporations.

A stockholder without children gets an even higher premium to reward him for not having to work for his living. A playboy bachelor stockholder who clipped \$4,999 last year on the General Motors stock his daddy left him would pay \$164 less in tax to Uncle Sam than a bachelor farmer who dug an equal \$4,999 out of the cotton field. (Reprinted from Washington News-letter, Feb. 24, 1956).

New Advance In Cancer Control Is Revealed By University Scientists

AUSTIN (Sp.)—A new step in cancer control is revealed by two University of Texas scientists, Dr. Roger J. Williams, famed director of the University's Biochemical Institute, and Dr. Alfred Taylor, his well-known research associate.

They announce they are now able to control with substantial success the growth of a mouse mammary cancer when cultivated in embryonated eggs. As a result of their study, they suggest that cancer control may involve the simultaneous use of suitable drugs along with certain physical agents, such as temperature increase.

While recognizing that a method which might control a can-

cerous growth in mice or rats could not be carried over unchanged to humans, Drs. Taylor and Williams say they believe their technique will be an excellent tool for long-range cancer study.

"Although no one can foresee the pathway by which cancer investigation will progress, it seems likely that it may take a course involving first the control of cancer in embryonated eggs, second its control in experimental animals, and lastly its control in human patients," they say in their report, prepared for publication in the February "Proceedings of the National Academy of Sciences."

The scientists' success in controlling the cancer resulted from the combined use of compounds capable of inhibiting tumor growth together with a moderate increase in temperature. The temperature increase, by itself, had been found previously to be unfavorable to cancer growth.

ART COLLECTOR—D. D. Feldman, the man who conceived the idea of the D. D. Feldman Collection of Contemporary Art, now on exhibition at the Museum on the Texas Tech campus, is a Dallas independent oil operator, who has been fabulously successful in the industrial world.

Flying Kites Too Near Power Lines Perilous, Youngsters Warned

"Don't fly kites near electric power lines," Garza County youngsters are warned by a farm safety expert.

The safety expert, W. L. Ulich, agricultural engineer for the Texas Agricultural Extension Service and secretary of the Texas Farm and Ranch Safety Committee, says reports are already coming in from over the state on accidents or near accidents involving kites.

One of the greatest dangers, says Ulich, comes from flying kites near power lines. Should a kite become tangled in a line, don't try to get it down. Leave it there and call the power company for assistance. A damp string will conduct electricity and shock could prove fatal. Above all, he warns against using metal of any kind in the construction of the kite and of using string containing metal, such as Christmas wrapping string, for flying the kite.

Should such a combination come in contact with an electric power line, there'll be trouble and it could be very serious.

Ulich says it is fun to fly a properly constructed kite. He suggests taking the kite to an open field or pasture for flying. There the danger from power lines and traffic hazards are no problem and kites can be flown by even the youngest members of the family.

Boy Scouts assist state and local civil defense organizations. The Shetland Islands are off the coast of Scotland.

The Maldives Islands in the Indian Ocean. The Boy Scouts of America was founded in 1910.

1956 Observance Of Cotton Week Is Set May 14-19

National Cotton Week will be observed May 14-19 this year, the National Cotton Council has announced.

National Cotton Week was observed for the first time here last year, with the Post Chamber of Commerce sponsoring downtown window displays, and officials of Postex Cotton Mill conducting a guided tour of their plant.

At that time, it was announced that the observance probably would be made an annual event here.

The 1956 observance will open the second quarter century of the week as the annual merchandising event of the American cotton industry.

Slogan for this year's Cotton Week will be "Pick Your Cotton Now—First Choice for You and Your Home—Naturally Fresher, Cooler, Smarter." Official Cotton Week display materials will feature this theme.

The first National Cotton Week was sponsored by the former Cotton Textile Institute and was held June 1-6, 1931. For the past 15 years, the special week has been sponsored by the National Cotton Council, central organization of cotton growers, ginners, warehousemen, merchants, spinners, and cottonseed crushers.

The event pays annual tribute to the nation's foremost fiber, which supplies 69 per cent of all textiles made in America.

Congress granted a federal charter to the Boy Scouts of America in 1916.

REPORTS COME FROM 238 CITIES

Irrigation Of Crops And Pastures Continues To Spread Out In Texas

An estimated 6,200,000 acres of Texas crop and pasture lands were under irrigation last year. The figures were obtained by R. V. Thurmond, irrigation specialist for the Texas Agricultural Extension Service, from the county agents of the state and was completed in September 1955.

Thurmond received reports from 238 counties which showed that 5,867,000 acres were irrigated by gravity and just over 350,000 acres by sprinkler systems. Total farms using supplemental irrigation numbered 39,213. Wells, 42,674 of them, supplied the water for 4,940,000 acres.

As to crops and pastures receiving the water, Thurmond said almost two million acres of grain sorghums and only a slightly less acreage of cotton were irrigated to lead all other

crops by a wide margin. More than half a million acres of vegetables and just under a half million acres of rice were also irrigated. Pastures, temporary and perennial, totaling more than 250,000 acres were followed by alfalfa, orchards (mostly citrus), and a long listing of other crops.

The total estimated cropland harvested in Texas in 1955 was 24.9 million acres. A comparison of the total harvested acreage and that receiving supplemental irrigation brings into sharp focus the importance that water is playing in the agricultural production of the state, said Thurmond. The continuing widespread drought over the state has played a major role in expanding irrigation along with the efforts of producers to boost yields to beat the cost-price squeeze.

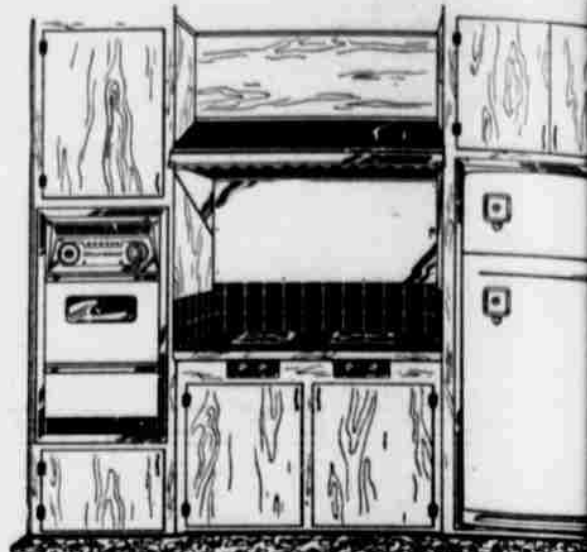

BITS-OF-NEWS

Mr. and Mrs. A. A. Suits were among the out-of-town visitors who attended the recent homecoming of the First Baptist Church in Lockney.

The world champion Dickens County Sheriff's posse palmetto polo team defeated the Lubbock Rodeo Association team, 5-3, in matches held Sunday afternoon at the Lubbock Rodeo Arena. The Spur team leaves March 25 for New Smyrna Beach, Fla., where it will defend its world championship title.

Pioneer Natural Gas Company FUEL FOR A GROWING EMPIRE

From where I sit... by Joe Marsh

Information "On The Line"

I was reading the other day how a person can get all sorts of things just by dialing a number on his telephone.

In New York you can get the time, the weather, or a prayer. In Philadelphia it's the stock reports. In Boston a voice tells bird watchers what's to be watched in the park.

Over in Europe, they go further. Vienna offers a five-minute fairy tale for kids. In Switzerland you can get the news in any three languages. And a couple places have "talking menus" for desperate housewives.

From where I sit, it doesn't matter if ideas are put out by telephone, through editorials, or in person—as long as we can take them or leave them. I happen to like a glass of beer with my supper. You may prefer coffee, tea or branch water. Well, there's no harm in "listening" to another's opinions... but if he should try to force them on you, it's always an American's privilege to simply "hang up!"

Joe Marsh

MRS. EARL MORRIS WRITES

Andersons Visit in Roswell, N. M. With His Sister Injured In Wreck

Marka Sturlock of Lubbock visited Sunday with her aunt and family, the Kenneth Davies, and attended church at the Baptist Church.

Mr. and Mrs. Paul Winterrowd are announcing the arrival of a son, Jerry Vaughn, born March 6, in Slaton Mercy Hospital. The Winterrowds have two daughters, Jerry's paternal grandmother, Mrs. Billy Winterrowd, was reared in Southland. She will be remembered as the former Thelma Basinger.

Mrs. William Lester attended a miscellaneous shower in Slaton Monday for Mrs. O. Thomas, the former Miss Gertrude Neugebauer. The Thomases will live on a farm near Gordon.

A group of young people from McMurry College, Abilene spent the weekend in Southland. In the group were the sponsor, Dr. Huff, Dorothy Simpson, Mary Echols, Nelda Dunn, Roy Latourrette, George Coats and Bob Dennizen. Dr. Huff, Dennizen, Coats, and Miss Dunn went on to New Mexico for meetings and Misses Simpson and Echols were guests in the Dillard Dunn home and Latourrette visited the Sam Elises. The Southland young people honored them with a party Saturday night. Latourrette, a ministerial student, spoke Sunday morning. Dr. Huff and the others returned to Southland for the Sunday evening service and met with the young people after services. The group returned to Abilene Sunday night.

Mrs. Clyde Haire was called to Spearman last week because of the death of her sister, Mrs. Perry Hawkins. Jerry Pennell and Gerald Dabbs of Tech attended the senior play here recently. Mrs. Howton Haire is in Ta-

tum, N. M. working as a special nurse.

Mrs. Don Pennell spent Friday in Post with her sisters, Mrs. A. A. Ferguson and Mrs. Carl Cederholm.

Mr. and Mrs. Jack Myers visited relatives in Spur Sunday. Mr. and Mrs. Leonard Anderson were called to Roswell, N. M. last Saturday night to be with his sister, Mrs. Dora Harrell, who was seriously injured when the car she was driving hit a soft shoulder and turned over. Her daughter, who was riding in the back seat of the car, was not injured. Mrs. Harrell is the former Miss Dora Anderson.

Mrs. Sam Walls of Florum, La. is visiting her son, Sammy, and family.

W. M. McFadden, Gordon Church of Christ minister, and his wife were Sunday dinner guests of the R. L. Haglers.

The F. W. Callaway, Kenneth Davies and Joe Neil Hargrove families went to Lake Thomas, near Snyder, Sunday afternoon.

Elton Truelock is a patient in the Veterans Hospital in Big Spring.

W.S.C.S. met at the Methodist Church last Monday afternoon for a continuation of the study, "Our Combined Efforts Toward Lasting Peace." Mrs. Jay Oats is program leader.

Following the evening service last Sunday night, the Methodist young people entertained the Baptist young people.

The Leonard Andersons went to Big Lake last Friday for a visit with their son, Gene, and family.

Mrs. John Fleming is home after spending several days with her son, Laylan McMahan, and family in Dallas. Laylan recently underwent surgery.

Mr. and Mrs. Clyde Haire and Mr. and Mrs. Hub Haire visited in Post last Sunday with Mrs. Winnie Tuffing and Mrs. Bess Thompson.

Mr. and Mrs. Sam Martin, Mr. and Mrs. Harley Martin and children and Mr. and Mrs. Blanton Martin and daughter of Spade went to Snyder last Sunday for a Martin reunion.

SANTA FE CARLOADINGS

Santa Fe carloadings for week ending March 10 were 23,155 compared with 23,324 for the same week in 1955. Cars received from connections totaled 12,947 compared with 13,027 for the same week in 1955. Total cars moved were 36,102 compared with 36,351 for the same week in 1955. Santa Fe handled a total of 35,901 cars in preceding week of this year.

County Farmer, Businessman Honored By Duck Creek SCD

Eris Miller, who farms in the Grassland community, southwest of Post, and Powell Shytles, owner of Shytles Implement Co. here, have been chosen outstanding conservation farmer and businessman of the year in the Duck Creek Soil Conservation District.

Miller and Shytles, selected for the honor by the Duck Creek SCD's board of supervisors, will also be entered for statewide honors in the Soil and Water Conservation contest sponsored annually by the Fort Worth Press.

Guy Nutt, work unit conservationist for the Post Work Unit of the Duck Creek SCD, said Miller's selection was made on the basis of outstanding conservation practices carried out on the farm he operates for Dr. A. C. Surman of Post.

Soil and water conservation measures carried out by Miller have included bench leveling of 40 acres, improved water application on 70 acres of irrigated cropland, planting of 10 acres of cowpeas as a soil improving crop, and sowing of 15 acres of blue panic grass for pasture and seed production.

Planned by Miller for this year in cooperation with Soil Conservation Service technicians are 30 more acres of bench leveling, installation of approximately 1,700 feet of irrigation pipe lines, and sowing of 20 additional acres to blue panic grass.

In addition, the dryland portion of Miller's farm has been terraced. He has also carried out conservation measures on a half-section farm in Lynn County owned by Dr. Surman.

Excavation and other dirt work has comprised one of the biggest tasks in the conservation measures carried out by Miller, and he has done this work himself instead of hiring it done.

Shytles' selection as the district's outstanding businessman conservationist, Nutt said, was made on the basis of the assistance he has rendered conservation-minded farmers through the loan of equipment for stubble-mulching and other practices.

Although he has his own implement business here to look after and is active in civic af-

CONSERVATION-MINDED—Powell Shytles, left, and Eris Miller are shown congratulating each other upon their selection as the outstanding businessman and farmer conservationists in the Duck Creek Soil Conservation District. Their names have been entered for statewide honors in the Fort Worth Press' annual Soil Conservation Contest.—(Staff Photo.)

fairs, Shytles is interested enough in soil and water conservation that he makes every effort to attend all meetings of the Duck Creek SCD's board of supervisors.

He is a past-president of the Post Chamber of Commerce, serves on the Post city council, has headed the Garza County Community Chest Fund for two years, and is active in other community and county projects.

C. P. Witt of the Calgary community has been elected to a two-year term on the board of directors of the Dickens County Electric Cooperative.

Connie Hodges of Slaton visited here recently with her grandparents, Mr. and Mrs. J. W. Dixon. Connie is the daughter of Mr. and Mrs. Roy Hodges.

"Want your clothes
to look better?
Then you need an
**ELECTRIC
Clothes Dryer!**"

says Mrs. W. H. Simpson, Jr.
715 W. MISSISSIPPI STREET
FLOYDADA, TEXAS

"Yes, clothes that are dried in an electric clothes
dryer look much better than line-dried clothes be-
cause you eliminate clothespin corners." You do
away with outside dirt and dust, too, and your
clothes are soft and fluffy instead of being wind-
blown or stiff as a board.

"We save a lot of money with our electric clothes
dryer. For example, the children used to need
several pairs of pajamas, where now two will do
nicely." So many clothes can be worn again right
after drying, without ironing, in many cases, and
tests have shown that clothes will last as much as
50% longer when they are dried electrically.

"I really enjoy my electric washer and dryer, as
well as a dependable supply of hot water from the
electric water heater." Plan now to build an all-
electric home laundry with a washer, clothes dryer,
and electric water heater. You'll have better washes,
and more time for your family, as Mrs. Simpson does.

Mrs. Douglas McWhirt was in Abilene Saturday.

Mrs. Jim Bright of Carrizo Springs was a guest of relatives and friends here last week.

PCG Delegates Are Home From Capital

Three representatives of the Plains Cotton Growers have returned home after spending a week in Washington, D. C., discussing pending farm legislation with senators and representatives.

W. O. Fortenberry of Lubbock, president of the organization; Wilmer Smith of Lynn County, vice president, and Paul Lewis of Lamb County, a director, talked with several senators and representatives and said they received cordial receptions.

As to the outcome on the farm legislation, Fortenberry explained that "things are pretty much in a stir in Washington and it would be difficult to predict any legislation until all amendments are made and passed on pending bills."

"We feel that we did get to Washington in time to have some influence on the cotton export program as announced by Secretary Benson in which the United States would seek to hike exports of cotton from the present 1 1/2 million bales total to around 5 to 5 1/2 million bales per year," Fortenberry added.

Texas Newspapers Saluted For Aid To Reserve's Program

AUSTIN (Sp.)—Glowing tribute has been paid to Texas' 650 daily and weekly newspapers for all-out assistance to the U. S. Army in publicizing U. S. Army Reserve Day in Texas.

The event was staged on Washington's birthday, Feb. 22. Vernon T. Sanford, general manager of the Texas Press Association was honored for contributing his time and effort to a publicity campaign promoting U. S. Army Reserve Day in Texas.

A Certificate of Achievement, signed by Lieutenant General J. H. Collier, Commanding General, Fourth Army at Fort Sam Houston, was presented to Sanford by Brigadier General Lewis S. Griffing, Chief of the Texas Military District.

Witnessing the ceremonies were: Colonel Thomas C. Green, TMD Executive Officer; Colonel David F. Brown, Senior Reserve Advisor for Texas; and Charles A. Green, editor of the Austin American-Statesman.

SAFE KITE FLYING

The safest place to fly a kite is an open field or pasture. There the danger from power lines and traffic hazards is no problem.

Personality Contest For Children Is On At Morgan's Studio

Entry blanks are available at Morgan Studio & Camera Shop, 109 West Main, for the Child Personality Contest being conducted to introduce the new studio.

The contest began Tuesday and is to continue through March 31, with entries being judged in Hollywood by Edgar Bergen.

Any child eight years of age or under is eligible to enter the contest, which will be divided into two age groups for the weekly awards. A grand prize will be awarded the winner among the entire group of children participating.

Prizes will include oil paintings, toned portraits and a \$25 U. S. Savings Bond. Complete details may be obtained along with the entry blank at the studio.

N. J. Morgan, owner, said that approximately 200 visitors registered for Saturday's grand opening. He said he appreciates the splendid response, and especially the flowers sent by business firms.

PAY OFFICE

WILLIAMSPORT, Pa. — City Treasurer Lester L. Hill asked his salary be increased from its present \$4,500 annually. And if the increase didn't come through, Hill said he would run for mayor. That post pays \$5,000 a year.

Sunday, Mr. and Mrs. Ray Young and visited Mr. and Mrs. Childs and family in Okla. Mrs. Childs accompanied them for a short visit.

Mr. and Mrs. J. D. Thrallkill and Mrs. J. H. Peede, Mr. and Mrs. B. W. Smith and boys of Snyder visited Mr. and Mrs. Clifford Pruitt and boys Sunday.

In last week's column we listed names of those people who had been working in our Postex sewing room for ten years or more, and we are very sorry that we did not check our records closely enough, because we have two more as follows: Lucy Clary, 12 years, and Leona Mickey, 10 years.

We are very happy to have Norma Keen with us in our sewing room. Norma is the wife of Jack Keen who also works in our Postex sewing room. They are a very nice couple and we hope to have them with us a long time.

At Postex Cotton Mills, Inc. we have several men and women working. We take this opportunity to list their names: Mr. and Mrs. Oles Odom, Mr. and Mrs. Dick Allen, Mr. and Mrs. Horace McAfee, Mr. and Mrs. Dan Mitchell, Mr. and Mrs. Orin Stewart, Mr. and Mrs. Billy Littrell, Mr. and Mrs. Bobby Blacklock, Mr. and Mrs. Clarence Parnell, Mr. and Mrs. Clarence Maddux, Mr. and Mrs. Marvin Idell, Mr. and Mrs. Roy Brown, Mr. and Mrs. Billy Long.

Mr. and Mrs. Jack Keen, Mr. and Mrs. Harold Britton, Mr. and Mrs. Doyle Nelson, Mr. and Mrs. Grady Hunt, Mr. and Mrs. Jack Beavers, Mr. and Mrs. Hugh Martin, Mr. and Mrs. Barney Martin, Mr. and Mrs. Glenn Wheatley, Mr. and Mrs. V. L. Copple, Mr. and Mrs. Paul Duren, Mr. and Mrs. Oman Ticer, Mr. and Mrs. Calvin Bryant and Mr. and Mrs. Gene Martin.

The above list accounts only for the couples where either the man or wife works in the sewing room. We have several more couples working but we did not have this information available at the present time.

12 Post Antelopes Earn Cage Letters

Twelve Post Antelope basketball lettermen, including six seniors, were announced Tuesday by Coach Vernon Ray.

Graduating seniors earning letters are Tommy Murray, Travis Polk, Homer Cato, Novis Pennell, Gene Young and Jimmy Redman.

Other lettermen are Jerry Hays, Noel White, Ronnie Kennedy, Damon Ehrbridge, Howard Jones and Bill Stephens.

PLAY IS PRESENTED

The Southland High School senior class presented the three-act play, "Mountain Gal," at 7:30 p. m. Friday in the Southland auditorium. The cast included Bobbie Wicker, Joe Hargrave, Theresa Lewis, Joe Ann Lee, E. L. Dunn, Hazel Lancaster, George Ellis, Billy Williams, Jimmy Halliburton and Sue Lancaster.

IRRIGATION FIGURES

An estimated 6,200,000 acres of Texas crop and pasture lands were under irrigation last year. Grain sorghums and cotton were the leading crops irrigated.

Justiceburg To Be Site Of Play Day

The annual Garza County Rural Schools Play Day will be held Friday, April 20, at Justiceburg, with Mrs. Carrie B. Scogin, principal of the Justiceburg School, as chairman.

For the first time in the history of the event, an out-of-county school—Clairemont—is being invited to compete. This was done because of the fact that only three county rural schools, Graham, Close City and Justiceburg, are operating this year.

The following play day directors have been named:

- Mrs. Nona Lusk of Graham, declamation.
 - Mrs. Velma Thomas of Clairemont, spelling.
 - Mrs. Lucille Nixon of Close City, story telling.
 - Mrs. Mary Murray of Graham, ready writers.
 - W. C. Smith of Clairemont, number sense.
 - E. G. Murray of Graham, track and field.
- Ribbons will be awarded winners from first through fourth places, and the point system will be used in determining the school champion.

Dunlap's Amazing Sale Of FABRICS

This is an amazing sale of fabrics because every yard carries one of America's greatest names... You'll find Bates, Dan River, Mallisons, Dumari, A-B-C, Cohoma, Galey and Lord, Lionsdale, Stoffel, Fuegelman and Steintex. Here is a sale that proves again Dunlap's leadership in better value giving.

Our Feature Special

A great collection of fabrics at the low price of 39¢ a yard. You'll find Dan River Rayon Prints, Cohoma Chromespun and Cotton Fabrics, Dumari's Fairyspun Dimities... all in the season's newest colorings and patterns. See the lightweight suitings, crease-resistant cottons, worsted cottons... and many other fabrics too numerous to mention. YOUR INSURANCE MUST BE
disaster-proof!

Fires and accidents usually follow an expected pattern and such losses are paid by insurance companies out of current premiums received.

But sometimes the unusual happens! The widespread destruction caused by a catastrophic fire, explosion or windstorm can bring a sudden drain upon the resources of insurance companies.

Anticipating such disasters, leading capital stock insurance companies maintain reserves—built up over the years by careful conservation of resources. For your security and peace of mind, make certain your protection is in sound capital stock insurance companies with sufficient reserves to meet all just claims through war, depression or disaster. We represent such companies.

GARZA COUNTY SPELLERS—These seven students competed in the recent Garza County Spelling Bee held in the district courtroom. From left are Jerry Thuett of Close City, third place winner; Jerry Stone and Harold Wayne

Mason, both of Graham; Patricia Wheatley of Post, first place winner; Virgie Bailey of Post, second place winner; Kathleen Smith of Close City, and Sharon Blackwell of Justiceburg, who won fourth place.—(Staff Photo.)

14 SPELLERS TO COMPETE FOR NATIONAL EVENT

Pat Wheatley Carries Garza County Hopes In Saturday's Spelling Bee

The 1956 spelling champion who will attend the National Spelling Bee in Washington, D. C., will be determined in the fourth annual Lubbock Avalanche-Journal Spelling Bee at 1:30 p. m. Saturday in O. L. Slaton Junior High School auditorium.

Representing Garza County will be Mary Patricia Wheatley, 14-year-old daughter of Mr. and Mrs. Henry Wheatley. Miss Wheatley, an eighth grade student in Post Junior High School, won the Garza County Spelling Bee here March 2.

The bee will be open to the

public and will be broadcast over radio station KFYO.

Roy Boyd, Lubbock County superintendent of schools, will direct the regional bee. Dr. Ishmael Hill, assistant superintendent of Lubbock public schools, will be the promoter.

Immediately following the official bee, a spelling bee for adults will be conducted and will be open to any adult wishing to participate.

The official bee is limited to students who have not passed the eighth grade. The other 13 county cham-

Area Bantam Fanciers Enter Birds In Weekend Show At Littlefield

Bantam fanciers of Post and vicinity are expected to have approximately 35 birds entered in a bantam show and exhibition at Littlefield on Friday and Saturday of this week.

A complete list of entries from this area was not available this week, but bantam fanciers here include Leo Cobb, Jack Samson, Don Long, J. W. (Red) Floyd, Harold Ellis, Rise Stevens, Earl Hodges, Bill Long, V. H. Anderson, Roy Maddox, Thurman Maddox and Lewis Herron.

The Littlefield show is being sponsored by the newly organized Hub Bantam Club, which was formed recently at Lubbock by a group of area bantam fanciers. Officers are Elma Burleson of Shallowater, president; Kenneth Smith of Lubbock, vice president; W. C. Homsley of Lubbock, secretary-treasurer, and C. W. Wilks Jr. of Slaton, reporter. The new organization's board

of directors is composed of V. F. Lowe of Slaton, chairman, and Jim Riley of Levelland and Harvie Rogers of Amarillo, members.

Club membership is open to all who are interested in bantams. Persons desiring to become affiliated may contact any member or one of the officers for details.

BITS-OF-NEWS

Mr. and Mrs. Roy James spent the weekend in Lamesa with Mr. and Mrs. Jack Temple. Other visitors in the Temple home were Mr. and Mrs. Rayford Bates and two children of Seminole. Mrs. Bates and children and Mrs. Temple and son accompanied the Jameses home for a few days. Other Monday visitors were Mrs. Ray Myers and son of Snyder.

Post Faculty Nearly 100 Pct. Represented At Teacher Meeting

The Post public schools faculty was represented nearly 100 per cent at the 21st annual convention of the West Texas Teachers Association, TSTA, held Friday in Midland.

Approximately 4,000 teachers attended from the 26-county area.

Two Post delegates, Mr. and Mrs. Glenn Whittenberg, attended the House of Delegates banquet Thursday evening in Midland.

Principal speakers at the convention were Gen. Carlos P. Romulo of the Philippines, and Dr. Alice V. Kellher, professor in the advanced division of the School of Education at New York University.

Mrs. Pauline S. Clark, president of the West Texas Teachers Association and teacher of exceptional children in Plainview, presided at the House of Delegates banquet and the regular session.

Supt. Charles F. Mathews of Plainview gave the banquet invocation, and dinner music was by the Midland String Ensemble.

Entertainment during general sessions included music by the Andrews Band ensemble and the Big Spring Band ensemble.

Dr. J. W. Edgar, state commissioner of education, spoke at the administrators' luncheon Friday.

PERMANENT VOLUNTEER

VERDIGRE, Neb. — Louis J. Bartak's job as treasurer of the Verdigre Volunteer Fire Department is a permanent assignment. Elected to the post for the 43rd year, he has held it since the department was founded in 1912. L. O. Marshall was reelected chief for the 14th year.

Gary Second In Half-Mile Run Chesbyton Relays Last

Bay Gary scored barely edged for first place in the point totals, compiling 29 1/2 points to 30 1/2 for Crane. Tahoka finished sixth with 12 points. First place winners for Abernathy were Manny Connell in the 880-yard run with a time of 2:11.2; Donnie Apperson, first in the high jump with a leap of 5 feet 10 1/2 inches, and Connell in the discus throw with a heave of 138 feet 8 inches. This is a new meet record for the event. Other point winners for Abernathy were Ramos, fourth in the mile run; fourth in the mile relay; Connell, fourth in the broad jump; Leon Manley, second in the discus throw, and Freddie Apperson, second in the 180-yard low hurdles. Donnie Apperson's high jump mark also set a new meet record. Don Blair of Tahoka set a new broad jump record of 21 feet and one-fourth inch in winning that event. He also placed second in the 100-yard dash and fourth in the 220-yard dash. The Tahoka 440-yard relay team won fourth place, and Williams tied for second in the pole vault.

Tobe Foster Rites Held In Lubbock

Tobe Foster of Lubbock, one of whose drilling rigs made the original discovery in Garza County's Tobe Strawn oil field, died at 12:10 p. m. Saturday in Methodist Hospital in Lubbock after suffering a heart attack. Mr. Foster became ill on his ranch near Capitan, N. M., Wednesday night. He was transferred to the Lubbock hospital early Friday. The son of a pioneer New Mexico rancher, Mr. Foster began his career as a cattle dealer around Roswell, and moved to Lubbock in 1937. He owned an interest in the wildcat drilling rig that made the Lee Harrison oil field discovery in Lubbock County in 1941, and in 1948 began further development of the field. He drilled about 12 producing wells in this field. Mr. Foster and another Lubbock man, R. P. Coats, owned the Coats and Foster Drilling Co. from 1943 until 1948, and it was during this time that the Tobe Strawn field discovery was made. Mr. Foster is survived by his wife, two foster children, his mother, four sisters and three brothers. Funeral services were conducted at 2:30 p. m. Monday in Broadway Church of Christ in Lubbock, with burial in Tech Memorial Park.

Tech Student From Post Recovers Ring Lost Last October

Cordell Custer, senior engineering student at Texas Tech, this week has his class ring back, thanks to a traveling salesman, who is a graduate of the college at Lubbock. It all began last October when Custer, who is from Post, took off his ring and put it down on a bench during an intramural football game. Later he couldn't find the ring. Whereabouts of the ring remained a mystery until last week when Custer received the ring and a letter, which read as follows: "I ran into this ring in a pawn shop in Fort Worth where it had been hocked several months ago apparently. "Since I am a grad of Tech myself, I thought you might like to have it back. Surely you did not want to get rid of your class ring!" "The ticket on it was \$10 but if you are hard up for cash, don't worry about it. I'm sure that sooner or later you'll get around to it. "As a traveling salesman, I have just gotten home from a trip to Texas and this is the first chance I have had to find packing, etc., but hope you're still in Tech. Regards to all the Kappa Sigs! "Harry H. English, Oklahoma City, Okla." Custer, who said the ring had been engraved with his name, added that he would return the \$10 to English immediately.

In Cash Value Tourist Industry Ranks Next To State's Annual Cotton Crop

AUSTIN (Sp.)—"A Check on the 1955 Texas Tourist Industry" was released today in Austin by the Texas Highway Department. The survey shows that 9.9 million out-of-state tourists visited Texas last year, an increase of 1.2 million persons over 1954. In cash value the tourist industry ranks next to the state's annual cotton crop, with cotton listed at \$700 million and tourists at \$412 million for the year just past. "Texas has been slow to realize the potential value of the tourist industry as a source of cash income," D. C. Greer, State Highway Engineer stated, "but the steady rise of out-of-state visitors since the end of the war indicates that people in other states are becoming increasingly aware of the state's many attractions as a vacation spot." Annual tourist expenditures in 1955 were set by the Department at \$275 million. By 1955 this figure had increased by \$136 million. During the same period the number of tourists had increased from 8 million to 9.9 million. Mr. Average Tourist of 1955 spent 5.5 days touring the state and spent \$7.53 daily for food, lodging, and other expenses. "We believe this daily expenditure for a vacation is substantially less than is necessary in some of the other 'big' vacation states, thus allowing our out-of-state visitors to stay with us longer and see more of Texas," Greer said. The seven Highway Department Travel Information Bureaus located at the state line were able to increase the itiner-

Bits Of News From Here And There

Misses Leslie Nichols and Jerry Rains accompanied Carl Rains and Jack Rains to Lubbock Friday. Mrs. James Aten was in Lubbock Monday. Mr. and Mrs. L. L. Wright of Lubbock visited relatives here Sunday. Miss Barbara Montgomery spent the weekend in Slaton. She attended Jan Kirk's birthday party Saturday afternoon. Bill Martin, Herb Blackely Stan Saul, and Dick Pointer, of San Antonio, visited here and in Tucumcari, N. M. during the weekend.

Warms Motorists Of Folly Crossing Arguments With Trains

Urging motorists and pedestrians to join in the nationwide drive to cut down on traffic accidents by carefully observing all traffic signs and signals, the sheriff gave the following rules in crossing railroad tracks: 1. Be sure all tracks are clear. Even though a train may have passed, there may be another train coming. 2. Where there are no lights or audible signals at the crossing, listen for the train whistle and the noise of the approach, looking both ways before beginning to cross. 3. Where there are gates, signal bell, and warning light at the crossing, do not begin to cross until they have stopped operating. "These Signs of Life are designed for your protection," the sheriff said. "Obey them and you'll live longer." Miss Marjorie Moore spent the weekend in Muleshoe with her parents, Mr. and Mrs. Bill Moore. Mr. and Mrs. Howard Campbell and family spent the weekend in Hobbs, N. M.

BITS-OF-NEWS

Jimmy Fenton of Crane spent last Tuesday with Mrs. Mel Pearce and Miss Jackie Mason. Roy Lee Stanley and family of Spur were weekend visitors in the home of the Sam Byrds over the weekend. Mr. and Mrs. Raymond Hall and family of Abilene were weekend guests of Mr. and Mrs. Jesse T. Williams and family. Kenneth Huffaker visited in Masca, Colo. last week. Capt. and Mrs. Chick Stark and children from Biloxi, Miss., were weekend visitors in the Roger Hensley home. Joe Gayle Hicks of Jayton spent Friday with Bob Smith and other friends. Mrs. Loyd Edwards and Miss Mozelle Edwards visited Mrs. T. C. Edwards in Lubbock Friday. Mrs. Edwards is a patient in the Methodist Hospital. Miss Janice Barrow spent the weekend in Fort Worth with Mr. and Mrs. T. L. Barrow. Mr. and Mrs. C. C. Reed and family of Kress were Sunday guests of Mrs. Lucy King and David.
