## Hunton Rites Are Conducted Wednesday

Mrs. Clara E. Hunton, 74, a resident of Post since 1920, died at 2 p. m. Tuesday in Garza Memorial Hospital where she had been a patient for 19 days.

Funeral services were conducted at 3 p. m. Wednesday in First Christian Church, with the Rev. Almon Martin and the Rev. L. D. Walker, pastor of Highland Baptist Church in Lubbock, officiating. The Rev. Mr. Walker is a former pastor of Calvary Baptist Church here.

Music included the songs, "Have Thine Own Way," "Lily of the Valley," and a special number, "Does Jesus Care?" by Mrs. Alvin Young and Mrs. L. G. Thuet Jr.

Pallbearers were Harold Voss, Dee Coleman, Jim Shipley, Curtis Davies, Carl Rains and Charlie Pierce. Burial was in Terrace Cemetery under direction of the Mason Funeral Home.

Mrs. Hunton was born May 17, 1881, in Nashville, Tenn., the daughter of Mr. and Mrs. W. E. Floyd, and moved to Texas with her parents in 1887. She had been a member of the Baptist Church since she was 15 years old.

She is survived by six daughters, Mrs. L. E. Griffin of Cisco, Estelle Barker, Pauline Carlton, and Lucille Lobban of Post, Ozelle Owens of Roby and Charley Martin of West Columbia; two sons, George Thomas of Moriarty, N. M., and Herman Seaton of Post; six brothers, Will Floyd of Baird, Newt Floyd of Mountair, N. M., and Homer, John, Anderson and Ed Floyd, all of Rotan; nine grandchildren and five great-grandchildren.

## Rainfall Is Above Normal For Year

Rainfall here during 1955 totaled 20.97 inches, 54 of an inch above normal, County Agent Lewis C. Herron reported this week.

The 1955 total was the greatest since 1949 when 26.96 inches were measured, and exceeded the 1954 total by 8.45 inches.

Heaviest rainfall of 1955 was in July when 4.75 inches were measured. Rainfall also exceeded four inches in May and September.

The driest month of the year was December when only a trace of moisture was measured. April, August and November were also "dry" months with measurements of .04, .06 and .03, respectively.

Following is how the 1955 rainfall compared with that of 1954:

Month	1955	1954
January	.96	.00
February	.28	.01
March	1.33	.00
April	.04	3.46
May	4.21	4.42
June	2.38	.28
July	4.75	tr.
August	.06	2.56
September	4.48	.00
October	2.45	1.39
November	.03	.10
December	tr.	.30

### CONDITION IMPROVES

The condition of J. E. Parker, who suffered two heart attacks at his home here Christmas Day, was reported improved Wednesday afternoon at Garza Memorial Hospital, where he was admitted early Monday morning after suffering a heart attack. He suffered an attack at his home Sunday and was treated by a physician that night before entering the hospital.

## ALL STOCKHOLDERS BEING URGED TO ATTEND MEETING

## Cemetery Vote s Monday

Stockholders of Terrace Cemetery Association will vote Monday night on whether or not they want to turn over operation and maintenance of the cemetery to the City of Post.

The stockholders meeting is set for 7 o'clock in the City Hall auditorium.

Anyone who owns a lot in the cemetery is a stockholder, directors explain. Letters announcing the meeting and proxy voting applications have been mailed to all stockholders whose cemetery deeds are on file. Those owning deeds which are not recorded also are urged to attend the meeting and cast a vote.

The City of Post has agreed to assume operation and maintenance of the cemetery. The Double U Company, which owns the land on which the cemetery is

situated, has agreed to transfer the trust fund to the City and to sell it 10 adjoining acres for future expansion.

The present board of the cemetery association, which was organized Oct. 15, 1912, is composed of R. B. Dodson, president; Noah Stone, vice president; L. G. Thuet Jr., vice president; Mrs. Agnes Surman, secretary, and Mrs. Irene Rodgers, treasurer.

## Permanent Site At Park Is Acquired For Fair

A permanent site on the east half of the City Park has been acquired for the Garza County Fair, it was reported by the grounds committee at Tuesday night's meeting of the Post Lions Club, which sponsors the fair.

The grounds committee also reported that the site is ready for development. County Agent Lewis C. Herron said that the county 4-H organization is ready to begin work on an exhibit hall at the new fair site and that it probably will be completed in time for the 1956 fair. The building is also to be used for meetings and other activities of the 4-H Club members.

H. W. Schmidt was appointed chairman for the 1956 fair and Ralph Welch was named as assistant chairman.

In other business at Tuesday night's meeting, the Lions discussed the annual membership drive to be held this month honoring Melvin Jones, founder of Lions International. It was decided that each member would contact one prospect and get him to visit the club.

Walter Crider made a talk on Lions International, and the importance of the March of Dimes under way this month was discussed by a number of the members.

Al North and Bing Bingham were visitors at the meeting.

## Pickets Show Up At Phone Office

The General Telephone Company office here was being picketed Wednesday afternoon, with six telephone operators and a combination man in the plant department on strike.

Two pickets showed up early Wednesday afternoon—the first here since the walkout occurred at midnight Saturday.

Meanwhile, at San Angelo negotiations were continuing between representatives of the Communications Workers of America union and telephone company representatives.

Paul Duren, Jr., head of the local chapter of the union, said Wednesday that one non-union employee of the telephone exchange here is "honoring" the strike.

Meanwhile, service is being continued here with a switchboard force of nine—about half the normal number, and some of them supervisory personnel.

An "area wage differential" which the union wants eliminated has been the basic point of disagreement, Duren told The Dispatch Wednesday morning.

Basic wage increase, full pay for on-the-job injuries, company-paid health insurance, and a modified no-strike clause are other issues.

While the walkout has not seriously hampered service in some of the smaller towns, it is said by union representatives to be growing increasingly effective.

## 44 Marriage Licenses Issued Year Of 1955

Forty-four marriage licenses were issued in Garza County during 1955, according to records at the office of County Clerk Carl Cederholm.

June, usually the most popular month for marriages, fell behind May and December. Five licenses to wed were issued in June, seven in May and nine in December.

Four licenses were issued in each of the months of January, February and July; three in August; two each in March, April and November, and one each in September and October.

## CONDITION SERIOUS

L. E. (Everett) Webb, manager of Dunlap's Store, was reported in serious condition Wednesday afternoon at Garza Memorial Hospital, where he was admitted early Monday morning after suffering a heart attack. He suffered an attack at his home Sunday and was treated by a physician that night before entering the hospital.

## Funeral Is Held On Sunday For Jimenez Youth

Funeral services for Ruben Bruno Jimenez, 16, who died at 8 p. m. Friday in Garza Memorial Hospital, were conducted at 4 o'clock Sunday afternoon in Holy Cross Catholic Church, with the Rev. James Erickson, pastor, officiating.

Pallbearers were eight Boy Scouts of Troop 16, of which Ruben had been a member for four years. Other Boy Scouts and Cub Scouts served as honorary pallbearers. Burial was in Terrace Cemetery under direction of the Mason Funeral Home.

Ruben, son of Mr. and Mrs. Hilario Jimenez, had undergone an appendectomy at the hospital Thursday afternoon.

He was born in Post June 13, 1939, and was a junior in the high school here. He was an Explorer and a Life Scout and had completed requirements for his Eagle Scout badge which he was due to receive in February. Last summer, he served on the camp staff at C. W. Post Memorial Boy Scout Camp.

In addition to the Boy Scouts and Cub Scouts, a number of adult Scout leaders attended the funeral.

Besides his parents, Ruben is survived by three sisters, Mrs. Estrella Vargas, Mrs. Juanita Pantoja and Mrs. Sofia Martinez of Post, and his maternal grandmother, Mrs. Victoria Mendoza of Pomona, Calif.

## '55 Postal Receipts Set New Record

Postal receipts here in 1955 totaled \$33,280.82 for an all-time record, it was reported this week by Postmaster Harold Voss.

The new record exceeds by \$1,211.76 the previous record of \$32,069.06 set in 1954.

Postal receipts by quarters in 1955 were: March, \$8,522.62; June, \$7,561.72; September, \$6,734.86, and December, \$10,461.62.

Quarterly receipts in 1954 were: March, \$8,685.48; June, \$6,822.50; September, \$7,418.38, and December, \$9,142.70.

The 1955 receipts represented a gain of about 57 per cent over those of 1950 when they totaled \$14,250.56.

## Rotarians Hear Talk On County Affairs

Garza County's financial condition, proposed road improvement projects and other county matters were discussed by County Judge Pat N. Walker at the Post Rotary Club's luncheon Tuesday.

Judge Walker told of acquisition of right-of-way for road improvement projects northwest of Post, and of the \$50,000 bond election being sought in Commissioner's Precinct 4.

The luncheon was the first meeting of the new year for the Rotarians, who did not hold a meeting Dec. 27.

## County's March Of Dimes Under Way

Garza County's 1956 March of Dimes got under way this week, with coin collectors being placed in business establishments and public offices, and campaign material going out to workers.

The campaign, which will continue through Jan. 31, is based on the theme—"Polio Isn't Licked Yet."

Fund raising efforts in the city and county will be conducted by the local chapter of the National Foundation for Infantile Paralysis, of which J. Lee Bowen is chairman.

Local drive chairmen are Bob Poole, Almon Martin and Mrs. J. L. Ballentine, with the latter in charge of the women's phase of the campaign. The women's projects in the all-out effort will include a "Mother's March on Polio" later in the month.

The fund chairmen will appoint chairmen for the various communities of the county within the next few days. As in the past, March of Dimes benefit affairs will be staged in each community.

Also assisting in this year's March of Dimes will be the schools, Boy Scouts, Girl Scouts

and other groups. Chapter officials have appealed for as many volunteer workers as they can get to assist in the campaign.

The chapter chairman said Garza County has not been assigned a quota for the drive.

## Court Session Is To Begin Monday

The September term of district court will reconvene here Monday before District Judge Louis B. Reed, with the grand jury scheduled to meet.

The criminal docket for the court session had not been set late Tuesday, but the civil docket includes six jury and two non-jury cases.

The jury cases are: Evans, et al. vs. Garza County; Norris vs. Noles, et al.; Fry vs. Head Drilling Co.; Pienson, et ux, vs. Jones; Shellenberg vs. Texas Employment Insurance Agency; Hollon vs. Texas Employment Insurance Agency.

The petit jury list for the session includes the following: M. L. Dunlap, A. B. Haws, Avery Moore, Tom Power, Walter Stolle, Tom Sims, Clark Barton, Douglas Tipton, S. C. Storie Jr., Harley Wallace, Levi Noble, Bob Poole, Winnie Tuffing, Bryan J. Williams, Ralph Kirkpatrick, O. K. Bowen, C. H. Hartel, Edsel Cross, Wayne Brown, Dee Coleman.

Others are Emory Stevens, N. W. Stone, Jake Webb, Elmer Cowdrey, Iry G. Metcalf Jr., Elmo Bush, Hinton Pruitt, L. M. Acker, S. E. Camp, William Robinson, Barney Jones, Fred Cockrell, Arda Long, Bob Baker, Henry Wheatley, Guy Nutt, J. A. Propst, B. B. Hodges, Racy Robinson, O. G. Hamilton, Jimmie Hundley.

## Election Hearing Set For Monday

The Garza County commissioners' court will hold a hearing at 10 o'clock Monday morning on a petition asking for a \$50,000 road bond election in Commissioner's Precinct 4.

The road bond election has been asked in a petition signed by a majority of the resident property taxpaying voters in the precinct.

If the election is called by the court, it will be the second such road bond election held in the precinct. On Sept. 15, a proposed \$50,000 road bond issue failed to receive the necessary two-thirds majority.

## Schools Here Resume Following Holidays

Post students and teachers returned to school Tuesday morning following a 12-day holiday, with slight enrollment gains reported in the junior and elementary schools.

Approximate enrollment figures for the three schools on Tuesday were: high school, 248; junior high school, 240, and elementary school, 475.

Surprisingly few absences were reported the first two days of the week, principals said. Two elementary teachers, Mrs. Joe Callia and Miss Elwanda Davies were absent Tuesday because of illness. Mrs. Ellis M. Mills and Mrs. Victor Hudman substituted for them.

"We've just been asked to raise all we can," he said.

Millions of dollars in March of Dimes funds are needed, Bowen said, "to aid thousands of polio patients for whom the Salk vaccine comes too late." Some 68,000 patients all over the country are now on the rolls of the National Foundation, and many more will be stricken before the Salk vaccine is administered to all.

Funds are also needed to continue the National Foundation's work in scientific research. That program has already produced the Salk vaccine, which is 60-90 per cent effective against the three types of virus known to cause polio.

The minimum need for the 1956 March of Dimes has been set at \$47,600,000.

## C. Of C. Director Ballots Mailed

Ballots for the election of four directors were mailed Wednesday to members of the Post Chamber of Commerce, with Jan. 15 set as the voting deadline, Mrs. Fritz Greenfield, secretary, said.

Nominees for the four places on the board are J. E. Parker, Ted R. Hibbs, Bill Edwards, Arnold Parrish, Harold Voss, Oscar Garner, L. E. Gossett, Dr. H. A. Tubbs, Noah Stone, Bob Collier, O. G. Hamilton and Lowell Short.

Director terms expiring are those of George Samson, Tom Power, Ira Greenfield and Victor Hudman.

## Slight Injury Results From Traffic Mishap

Mrs. Jerry Odom received emergency treatment at Garza Memorial Hospital Tuesday evening for a facial cut received when her automobile struck loose gravel and skidded into a tree at the intersection of Avenue N and U. S. Highway 380.

Sheriff Carl Rains, who investigated, said Mrs. Odom was turning north off the highway onto the avenue when the accident occurred.

Less than an hour earlier, the sheriff had investigated an accident at the intersection of Avenue S and Highway 380 in which automobiles driven by Glenn Huntley and Delores Dye collided. The front ends of both automobiles were heavily damaged, the officer's report showed.

## First New Year Baby Born Here Monday

The stork missed Post on New Year's Day, but by only a little more than six hours. At 6:39 a. m. Monday, Jan. 2, he left a five-pound, one-half ounce girl with Mr. and Mrs. Robert Miller.

The new arrival, who has been named Sue Ann, was born at Garza Memorial Hospital. The Millers also have a son, David, who is 10 years old.

## SALINAS RITES HELD

Last rites for Mrs. Maria Salinas, who died at 8:05 p. m. Monday, were held at 4 o'clock Tuesday afternoon in the Mexican Church of God. Interment was in Terrace Cemetery under direction of Mason Funeral Home. Mrs. Salinas had been a resident of Post for about a year.

### Thursday to Thursday

By CHARLES DIDWAY

FOUR DAYS OF the New Year are gone and broken resolutions already are cluttering up the wayside like fallen leaves. The keeping of one worthwhile resolution, however, outweighs the breaking of a half-dozen insincere ones, and so the scales balance as the infant year toddles on.

**MOST PARENTS ARE** glad to get the children out from under foot and back in school now that the holidays have ended. It's different in the case of the college students, and there's a tug at the heart-strings when they go back.

**THE YOUNGER CHILDREN** we share with their teachers, having them with us morning, noon and night, but those in colleges are seldom seen except at holiday time. Then, too, there is the sinking feeling that they're up at that age where they'll never be home much anymore.

**THE ACCOUNT WE** read last week of the death of Ham Fisher, creator of the "Joe Palooka" comic strip, included the information that Joe and his buddies would continue to color up the comic pages, since Fisher had stockpiled a number of the strips and his staff would take up the work when the supply is exhausted.

**WE DON'T KEEP UP** with the "funnies" anymore, but it used to be a daily habit and we'd often wondered if a comic strip would stop upon the death of its creator, but we've never known that to happen. The "Katzenjammer Kids" used to be one of our favorites, and when the cartoonist who drew them died, we thought that'd be the end of them. But Hans and Fritz are still appearing in most comic sections and still carrying on the same type of shenanigans.

**A QUICK GLANCE AT** our new desk calendar reminds us that this is Leap Year and time for the eligible bachelors to start hiding out. It also means the first genuine birthday since 1952 for folks born on Feb. 29.

**AS THIS IS WRITTEN,** it appears doubtful that we'll get to view telecasts of any of Monday's bowl games, but since we "looked in" on three head knockings Saturday afternoon that ought to hold us until next football season.

**IF WE'RE TO BELIEVE** all they say about the younger generation, it's unusual nowadays for a high school girl to injure herself while performing a domestic duty. But Ruby Montgomery, PHS senior and an employee of The Post Dispatch, did just that last week while stitching aprons on a sewing machine. She got the first finger of her left hand in the wrong place at the right time and the sewing machine needle went plumb through.

### OF IMPORTANCE TO ALL . . .

The Terrace Cemetery Association stockholders' meeting Monday night will be of the utmost importance to every citizen of Post and the area immediately surrounding it. For at that meeting, stockholders will vote on whether or not to turn over operation and maintenance of Terrace Cemetery to the City of Post.

The proposal that the City take over the cemetery was first made several months ago by the cemetery association, and since that time has been thoroughly investigated by both the City and the cemetery group. It is believed by most that City operation and maintenance is the only answer to problems, mostly financial, with which the cemetery association's board of directors has had to cope during the past several years.

Funds for maintenance of the cemetery are derived only from upkeep dues and sale of lots. It is believed that the City is in a much better position to collect these funds than is the present cemetery board, although through the years the directors have devoted much time and effort toward operation and upkeep of the cemetery.

The last resting place of our loved ones should always be as well-kept and attractive as possible. This cannot be done, however, on inadequate funds, which have resulted from not all lot owners bearing their share of the cemetery maintenance load.

It might be well for the public power forces to glance toward the State of Washington, long a citadel of their philosophy. Just recently the voters of Stevens County decisively rejected public power in favor of a private utility. The issue, briefly, was: should the private utility buy out the public utility district operations, or vice versa? The question of rates did not enter into the picture. It was strictly an ideological question—private enterprise vs. public control.—Anaheim, Calif., Bulletin.

tions have "live" hookups, there were all sorts of Christmas programs on New Year's Day, and many area radio stations included Christmas songs on their top 10, 20, 30, 40, etc. That's where the newspaper has it over TV and radio. Although we're oftentimes hard up for the right kind of news, we never give you Santa Claus letters and Christmas carols in January.

**REMEMBER DEAN REAGAN** of Spur, the girl who won the bathing beauty contest when Post's new swimming pool was dedicated? Well, she's a freshman now at Hardin-Simmons and was recently elected sweetheart of the famous H-SU Band. Earlier, she had been elected sweetheart of Mu Sigma fraternity.

**INCIDENTALLY, JOE MOSS,** who was one of the judges in that bathing beauty contest, was here from Houston for a while during the holidays.

**THE POST BASKETBALL** teams plays Ralls here Friday night in their first action since before Christmas. The local teams are playing a good brand of basketball this season and deserve much better support than they have been receiving.

### Getting Out On The Limb

By EDDIE the editor

**SUDDEN THOUGHT:** Best way to say the right thing at the right time is to keep still.

**SOMETHING WE'VE** been hearing a lot about lately in connection with the topsy-turvy farm situation is the proposed "soil fertility bank" program. In case you didn't know, which I didn't, the immediate results of the plans, as envisioned by its framers, would be to put the brakes on surplus production, liquidate the huge government-owned stockpiles of surplus commodities and conserve valuable farm land now being overworked.

A voluntary cut in farm production to put agriculture back on a supply and demand basis is being urged. To make up for the resulting financial loss, the organization proposing the plan asked that the government (1) sell back to farmers at half their actual value surplus crops which have accrued in federal warehouses, or (2) pay rent on the acreage taken out of production of cash crops and planted in soil-building grasses and legumes.

There are other things in the world besides money, but the trouble is you can't get them without it.

**THE SANTA FE** Magazine says that when an Englishman is told a joke he laughs three times: first, to be polite; second, when the joke is explained; and third, when he catches on.

When an Italian is told a joke he laughs twice: first, to be polite, and second, when the joke is explained.

When a Frenchman is told a joke he laughs once: before he catches on.

When an American is told a joke he doesn't laugh at all: he's heard it before!

**THE WOMEN, GOD LOVE 'EM:** Most women are affectionate only when they want money. But I guess that is often enough.

**JOHN K. WILLIAMSON,** American author, has received the prize rejection slip of his writing career from a firm of Chinese publishers.

"We read your manuscript with boundless delight," wrote the Chinese firm. "By the sacred ashes of our ancestors we swear that we have never dipped into a book of such overwhelming mastery. If we were to publish this book it would be impossible in the future to issue any book of a lower stand-

ard. As it is unthinkable that within the next ten thousand years we shall find its equal we are, to our great regret, compelled to return this too-divine times to forgive our action."

**SCHOOLWORK WAS** resumed this week following the 12-day holiday period, and it's about time. I'm about to run out of my usually-bountiful supply of classroom jokes. Here are a couple that came in before the holidays:

The teacher had asked the class to list, in their opinion, the 11 greatest Americans. After a while she stopped at one desk and asked: "Have you finished your list yet, Bobby?"

"Not yet, Teacher," Bobby replied. "I can't decide on the full-

A schoolboy was making a speech about the national debt and said: "It's too bad that the future generation can't be here to see the magnificent things we are doing with their money."

**A FRIEND OF** mine says that if you learn four new words a day and use them regularly, at

the end of a year people will wonder just who in hell you think you are.

**CHRISTMAS ALWAYS** accounts for a good many casualties and not all of them come from traffic mishaps. Here are a few called to my attention:

**FATHER:** Backache induced by operation of Junior's electric train for four hours while in a prone position.

**MOTHER:** A feeling of general demoralization resulting from the receipt of expensive gifts from seven people to whom she had not even sent cards.

**WILBUR** (aged 17): Heart affection, the aftermath of the hire of a maid to help out with the kitchen dinner.

**HELEN** (aged 14): Nose out of joint. She received a gold wrist watch, while Katherine's (next door) was platinum.

**JUNIOR** (aged 8): Acute indigestion, three cuts from his cute little ax, and a burn or two.

**HILDA** (the cook): Melancholia due to Officer Relly's failure to call with a suitable gift in return for the hand-made necktie tendered him.

**THE CHRISTMAS TREE:** Baldness.

## 1956 Version Of New Year's Baby Is In For Better Breaks Than His Brother Got In '41

AUSTIN (Spl.)—The 1956 version of the New Year's baby will get more breaks at birth, statistically speaking, than his brother got fifteen years ago, State Health Department statisticians say.

Among other things, his chances of having the advantages of a hospital birth under competent medical care are more than double the chances his brother had in 1940.

The statisticians, after consulting their slide rules and long rows of figures, come up with these facts:

#### Most Born In Hospitals

Nearly nine out of ten babies are born in hospitals nowadays. Fifteen years ago, three out of every five babies born in Texas arrived without their mothers ever leaving home.

There were 208,503 hospital births in 1954, more than double the percentage of such births in 1940. Last year only 29,821 births occurred at home.

Physicians in 1954 were in attendance at 220,274 births, including 11,771 home births. Percentage wise, this means physician deliveries were increased by 8.3 per cent, while the number handled by midwives has been cut in half since 1940.

But still midwives reigned supreme over home deliveries in 1954, officiating in 18,050 instances.

Chances of the New Year's baby reaching his first birthday alive and healthy are much improved over the chances his 15-year-old brother had, since the infant death rate is less than half the rate in 1940. State Health Commissioner Henry A. Holle attributes the difference to better pre-natal care.

#### Mother Better Off, Too

The mother of the New Year's baby will be better off too. Her counterpart of 1940 ran a death risk seven times greater than today's mother runs during the birth process. Dr. Holle credits improvements in maternal care with making the difference.

And finally, it will be easier for the physician who attends the birth of the New Year's baby to keep up with the details than it was in 1940. State Registrar W. D. Carroll has devised a "Physician's Birth Memorandum," a pad of miniature birth certificates on which the facts of birth can be noted on the spot.

Then, back at the office, it is a simple matter for the physician's clerk to transcribe the facts from the miniature to the full-sized birth record form as required by law.

Carroll predicts physicians will find the new memorandum a vast improvement over

the old one, which bore no resemblance to a birth certificate.

## Farm Outlook Grim

There was no "fat" in the Texas farm economy in 1955 and the cost-price squeeze may cut further into the muscle and bone during the coming year.

The hangover effects of drought, combined with falling farm prices, sliced production and reduced profits to a 15-year low, 1955 was an extremely poor year, agriculturally, in Texas.

The outlook, discounting unpredictable weather factors, is grim and probably will continue to be until some national farm issues are settled. Lower acreage allotments for wheat, cotton, peanuts, and threatened restrictions on grain sorghums may strike crushing blows at the already shaky economy in areas where these are the main cash crops.

In addition, even national farm experts predict a continuation of high production costs and lower farm prices in 1956. This will call for a "tightening of the belt" by all farmers.

No immediate relief is in sight on the present inequalities that exist between what it costs to produce crops and the price they bring on the market. Since 1948, production costs have continued to climb. Some minor downward fluctuations were seen in the past few months, only to have the graph jump even higher after these light slumps. Market prices have maintained a generally downward trend.

Economists forecast a national farm income figure of slightly over 10 billion dollars in 1956. This compares with almost 18 billion a few years ago. Living costs of farmers have not decreased accordingly, however.

All this means that the farmer in 1956 must rely even more on his own skills to try and equalize his losses. He must:

1. Practice every known farming method that will produce "quality" crops that have a good market demand.

2. Wherever it is possible, he must take shortcuts to keep production costs to an absolute minimum.

3. Avoid any further debt burdens that are not positively necessary to stay in operation.

For many farmers, this year will determine whether or not they will still be on the farm when 1957 rolls around.

**IN MEMORY OF EARLIE VIOLET SMITH SHE IS JUST AWAY**

By James Whitecomb Riley

I cannot say, and I will not say  
That she is dead—she is just away.

With a cheery smile, and a wave of the hand,  
She has wandered into an unknown land.

And left us dreaming how very fair it needs must be  
Since she lingers there . . .

And you—O you, who the wildest yearn  
For the old-time step and the glad return,  
Think of her faring on, as dear  
In the love of There as the love of Here . . .

Think of her still as the same,  
I say:  
She is not dead—she is just away.

# Miss Prichard Wedding Is Read At Pampa Church December 29th

Miss Alta Jane Prichard, daughter of Sherman Prichard of Pampa, became the bride of Lee W. Davis, Jr., son of Mr. and Mrs. Lee W. Davis, Dec. 29, in the First Christian Church in Pampa.

The Rev. Richard W. Crews read the double ring ceremony at 7 o'clock in the evening, before an altar decorated with palm trees, pink gladioli and candelabra.

Mrs. Charlotte Faulkner, organist, played a prelude of wedding music, the traditional wedding march and accompanied Jerry Sloan who sang "Ah, Sweet Mystery of Life" and "The Lord's Prayer" as the benediction.

Given in marriage by her father, the bride wore an original gown of white antique silk and imported lace. Her fingertip veil was attached to a pillbox covered with lace. She carried a bouquet of white roses tied with matching streamers on a white Bible.

Miss Diane Prichard of Canyon, cousin of the bride, was maid of honor. Miss Vivian Wilkinson of Pampa was bridesmaid. They wore pink crystalline dresses, designed with bouffant skirts.

Sol Davis attended his brother as best man. Jess Cornell, brother-in-law of the bridegroom, and Olin Saulsbury of Wichita Falls were ushers.

Miss Gretchen Johannsen of Hamburg, Germany, registered guests at the wedding.

After a trip to Carlsbad, N. M., Mr. and Mrs. Davis are at home at 1921 27th Street, Lubbock. For traveling the bride chose a blue velveteen suit with white and gun metal accessories.

The bride attended Texas Tech and Texas Christian University. The bridegroom is a senior student at Texas Tech.

Those from Post who attended the wedding were Mr. and Mrs. Lee W. Davis, Mr. and Mrs. Sol Davis and family and Mr. and Mrs. Jess Cornell and sons.

## BITS-OF-NEWS

Mrs. Barbara Schmidt, from Lubbock, spent Sunday with the Wesley Northcuts.

Mr. and Mrs. Paul Hedrick and family, from Lubbock, visited with relatives and friends during the weekend.

Charles Sparks, from Aspermont, was a weekend guest of Mr. and Mrs. Donald Jones.

Jimmy Hutton and Jackie Sue Mason, Charles Chandler and Bettie Norman, Rex King and Gwen Copple, Mack Kemp and Sonja Childs, Donald Moore and Sara Ray, Dickey Beggs and Ora Beth Maxey, and Billy Owen Jones and Anne Porterfield.

**Church News**  
The Volunteer Mission Band of Howard Payne College, Brownwood, had charge of the Sunday evening service at Calvary Baptist Church. Eight members of the band presented a play, "Empty Hands." After services, sandwiches, Cokes and cake were served to the honor guests and members of the young people and intermediate departments. About 40 were present for the social hour.

Roy Shahan, First Baptist pastor, reports: "The new year started in a fine way in the services at First Baptist Church. Attendance in all services was commendable. We were again glad of the large number of visitors. At the morning service next Lord's Day, the pastor will speak on the text, 'I Am Resolved What to Do' (Luke 16:4). If you are not in regular attendance at some church, we extend to you an invitation to worship with us."

Several attended the watch parties at the Church of the Nazarene and First Baptist Churches Saturday night.

Time of meeting for the Church of God of Prophecy Sunday School has been changed from 9:45 until 10 o'clock, the Rev. J. F. Chatham, pastor, announces.

## P-TA Meeting To Be Held On January 12

"The Family Creates Skilled Hands—with their privileges and responsibilities" is the topic of study selected for the Parent-Teacher Association meeting on Jan. 12. Miss Katharine Stryker will have charge of the program, and there will be exhibits from junior and senior high departments.

The meeting, scheduled for 3:30 p. m. in the grade school auditorium, will be preceded by a meeting of the Executive Board at 2:30 o'clock.

# Editorial Comment . . .

**Spirit Of Giving**  
Old Hubert Curry is singing the blues again about Crosbyton having to pay something to construct Highway 82, which, unfortunately, runs through Ralls. The last time he came down with such a serious case of galloping grievances, it was a wildcat oil well he staked out and filed on as exclusive Crosbyton property, even though it was practically

being drilled on the city square of Ralls. In a fit of generosity, we gave Hubert a deed to that oil well. Now, in the true spirit of Christmas, we are waiving all claim to Highway 82, and assigning it to the citizens of Crosbyton. Now if there's anything else left around here you guys haven't thought of, make a list and get over here before the spirit wears off!—"It Sez Here" in The Ralls Banner.

been lending aid to competitive countries through arrangements that work to the disadvantage of our cotton raisers and cotton factors. Ready to see red at most any move made by the authorities, the cotton men now see a new threat in the proposal for the United States to give Egypt a tremendous big new dam on the Nile that would irrigate another huge acreage of long staple cotton to add to the world supply. Common sense would say that a competitor who whips your ears down is to be admired, but to deliberately finance a deal that puts yourself out of business and gives a competitor your place in the sun would seem to be carrying neighborliness a long way. However, we have give-away pacts for wool, sheep and wheat markets. We might as well throw in the cotton crop—"Views and Comment" in The Floyd County Hesperian.

**Added Attractions?**

Because of lack of interest on the part of schools in this sector, the annual Pecos Invitational basketball tournament has been cancelled. Inside story seems to be that some of the oil-rich towns in the area can make tournaments more interesting for basketball coaches. Pecos cannot compete with that kind of competition.—The Pecos Enterprise.

**Why Not a Veep?**

Estes Kefauver may be good presidential material, but we don't like his attitude towards his candidacy. He says he will not accept the Vice Presidency, that it must be the Presidency for him or nothing.

The desire to serve his nation should be the motive behind anyone who seeks this as well as any other high office.

In recent months we have been made aware of the necessity for placing greater emphasis on the Vice Presidency, since there is only a heart beat between this office and the Presidency.

This second position on the team is important and good men should be willing to accept it. If they are thinking first of their country.—"Town Topics" in The Tulla Herald.

## School Census Is Set This Month

The annual school census will be taken this month in the independent and common school districts of Garza County.

All persons born after Sept. 1, 1938, and on or before Sept. 1, 1950, are to be included in the count.

The census is to determine the number of school-age children in the county and will be a basis for distribution of state funds apportioned on a per capita basis.

School officials said they hope to include every scholastic in this year's census. Parents of children who will be starting to school for the first time next September are urged to contact school officials to make sure that their child's name gets on the census roll.

The first known written reference to coal was made by a Chinese who died 2,100 years ago.

would make the schools crowded and new ones would have to be built. This would call for more people to work and build them. That would be an increase. More homes and places must be provided for these people, also. This will cause more merchandise to be sold and so will help keep up the stores.

For instance, suppose we did build a new clothing factory. I think that would in itself help the prestige of Post. Slaton has the railroad and Snyder the oil field and if we could get a factory it would help elevate our town in the eyes of the surrounding towns. That would make us want to build ourselves up more and more. We should take better care of our town. This might help us to awaken to the fact that Post is not the prettiest town although it is better than a few I have seen. If we would take better care in keeping it clean and neat, it would make more people take notice and would induce more people to live here. This is my idea of a better industry for Post.

The Post-Tex Mill employs several hundred people and a clothing factory of almost any size would need many workers. Therefore, several hundreds of people would come to Post to work, to live, and thus enlarge the industry. New homes would have to be built, new stores would be built and employment opportunities would expand. Since several hundred families would naturally have quite a few children then, of course, that

## Service Pipeline Man Again Appointed To Oil Into Committee

The oil and gas industry's 1956 public information and service program will be directed again in 18 South Plains counties, including Garza, by Murray C. McNichol, a Lubbock pipeline.

McNichol's re-appointment as South Plains Texas Area Oil Industry Information Committee chairman was announced in Houston Saturday. McNichol is with Service Pipeline Company, a state-sponsored program provides supplemental teaching material to junior and senior high schools, offers program services to clubs

and organizations and keeps the public abreast of the petroleum industry's plans, progress and contributions to modern living.

McNichol will work with local oil men and women in Bailey, Cochran, Cottle, Crosby, Dickens, Floyd, Garza, Hale, Kent, King, Lamb, Lynn, Stone, Terry and um counties.

E. R. (Buster) Morel, Brown Bros., heads the program in Garza County.

# It looks high priced

...but it's the '56 Chevrolet!

THE NEW BEL AIR SPORT COUPE—one of 19 high-priced-looking Chevrolet models.

Who wouldn't mistake this handsome new Chevrolet for a high-priced car!  
It looks strictly "upper bracket" with its bold new Motoramic styling... its longer, lower hood... its proud new grille that spans the full front end.  
Even the details would do credit to an expensive car... like the sleek, high-fashion taillights (the left one hides the gas cap!).  
But, even beyond the costly appearance of its Fisher Body, Chevy gives the high-priced cars a run for their money. For it's one of the few great road cars built today!  
It brings you the added security of nailed-down stability on turns and lightning acceleration for safer passing. Horsepower now ranges all the way up to 205! All engines now have hydraulic-hushed valve lifters.  
Of course, Chevrolet has safety door latches in all models. In addition, you can have seat belts, with or without shoulder harness, and instrument panel padding at extra cost.  
There's a new Chevrolet just made for you. So come in and highway-test it.

## NOT BY ACCIDENT

A baby doesn't "just happen." He is created through a slow and intricate process designed by God.

Neither does a delinquent "just happen." He, too, is created—gradually—by little wrongs and big, all human-caused.

Insecurity, improper associates or environment and lack of love often push a child into developing criminal tendencies.

Neglect, lack of guidance, lack of education and religious training will cause him to weaken and become sick morally and spiritually.

Responsible mothers and fathers will endeavor to protect their children from these evils. They will love a child. They will supervise his activities, and see that he has adequate religious education.

They will see that he goes regularly to Sunday School and Church, and they'll go along with him.

As a responsible parent, be sure that you create a Christian—not a criminal.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Ramirez Child's Rites Conducted Thursday

Funeral services were conducted at Mason Funeral Home Chapel last Thursday afternoon for John Paul Ramirez, four-year old son of Mrs. Mary Ramirez. Burial was held in Terrace Cemetery.

The child died Dec. 27 in Parkland Hospital, Dallas, where he had been admitted the previous day.

Besides his mother, the child is survived by a sister, Barbara, and his grandparents, Mr. and Mrs. Nick Torres of Post and Mr. and Mrs. Sam Ramirez of Crosbyton.

## Jan. 16 Is Big Date For Some Taxpayers

Taxpayers making quarterly installments on individual estimated income tax should mark Jan. 16 in their date book.

This, according to John R. Robinson of the Lubbock office of the Revenue Service is the deadline for paying the final installment on 1955 estimated tax. Jan. 16 is also the last day to amend a prior declaration of estimated tax return to avoid possible penalties for underestimation.

## Early Issuance W-2s Means Early Filings

Employers can help employees file early. John R. Robinson of the Lubbock Internal Revenue Office said today.

Business concerns that issue W-2 tax withholding statements now make it possible for their employees to file their returns early. This assures quick refunds for thousands. There should be no delay in getting a refund for those who file a correct return now. Taxpayers are urged to study their instruction booklets so that when W-2 statements are issued they can get their refunds without delay.

### RECIPE OF THE WEEK

By Mary Lee Taylor

#### Sausage Noodle Bake

1 1/2 cups noodles, broken into pieces  
4 cups boiling water  
1 lb. bulk pork sausage  
1/4 cup finely cut onion  
1 can cream of mushroom soup  
1/2 cup fat  
1 cup evaporated milk  
1 cup ground, process American cheese  
1/2 cup fine dry bread crumbs  
1 Tablespoon melted butter or margarine

Cook noodles in boiling water until tender. Drain and rinse with hot water. Brown sausage and onion over low heat about 10 min. Stir often with a fork while cooking to break up sausage. Remove from heat. Spoon off all but 1 Tablespoon fat. Stir in a mixture of soup, milk and cheese. Mix in drained noodles. Put into a well greased baking dish measuring about 6 x 10 in. Sprinkle mixture of crumbs and butter over top. Bake on rack slightly below center of 350 oven (moderate) about 30 min., or until brown. Serve hot from the dish. Makes 4 servings.

# The Post Dispatch

THURSDAY, JANUARY 5, 1956

## Post, Ralls Play Here Friday

The Post Antelopes will be seeking revenge for an earlier 46-42 defeat when they meet the Ralls Jackrabbits here Friday night in a non-conference game.

The "B" team and girls team will also play teams from Ralls, with the "B" game slated to open the evening's action at around 6:30 o'clock. These two teams won over Ralls in games played there earlier.

Friday night's action will be the last for the Post cagers before opening their District 5-AA schedule next Tuesday night at Spur.

Going into Friday night's Ralls game, the Post varsity cagers have won four and lost two. They have defeated O'Donnell twice and Flower Grove and Frenship, the latter victory coming in the Meadow tournament. They have lost to Ralls and Meadow, both by close scores.

The Antelopes are averaging 54.2 points a game against 41.5 points for their opponents. Tommy Murray is the team's high scorer with 119 points, an average of 19.5 points a game. Other scorers include Damon Ehrig, 48; Noel White, 42; Jerry Hays, 30; Novis Pennell, 29; Travis Polk, 15; Homer Cato, 12; James Williams, 10; Gene Young, 10; Ronnie Kennedy, 4; Jimmy Redman, 4, and Andy Schmidt.

Following is the schedule for the rest of the season for the three Post teams:

- \*Jan. 6—Ralls at Post
  - \*Jan. 10—Spur at Spur
  - \*Jan. 13—Tahoka at Post
  - \*Jan. 20—Abernathy at Post
  - \*Jan. 24—Slaton at Slaton
  - \*Jan. 27—Floydada at Floydada
  - \*Jan. 31—Tahoka at Tahoka
  - \*Feb. 3—Spur at Post
  - \*Feb. 7—Abernathy at Abernathy
  - \*Feb. 10—Slaton at Post
  - \*Feb. 14—Floydada at Post
- (\* Denotes District 5-AA game.)

### District Teams In Floydada Tourney

All District 5-AA boys' teams except Post and Tahoka will compete in the annual Floydada Invitational Basketball Tournament opening today.

The Spur Bulldogs were to play Paducah at 2:15 o'clock this afternoon. Other first round games in the boys' division are Olton vs. Lockney at 4:45, Matarador vs. Abernathy at 7:45 and Floydada vs. Crosbyton at 9 p. m. The Slaton Tigers drew a first round bye.

First round games in the girls' division pit Floydada vs. Crosbyton, 1 p. m.; Olton vs. Lockney, 3:30 p. m.; Abernathy vs. Paducah, 6:30 p. m., and Tahoka vs. Spur, 1 p. m. Friday. Tulla and Slaton drew first round byes.

### Post, Ralls Juniors Clash Here Tonight

Post Junior High School basketball teams will play Ralls in four games here this evening in the junior high gym, with the first game getting under way at about 6 o'clock.

A game between the two schools' 7th grade girls' teams will start things off. The 7th grade boys' and 8th grade girls' games will follow, with the contest between the 8th grade boys' teams concluding the evening's action.

### 5-AA Cagers Play In Crosby Event

Floydada and Slaton cagers of District 5-AA competed last weekend in the second annual Crosbyton Invitational Basketball Tournament, with the Slaton girls winning the championship in their division and the Floydada boys winning second place in theirs.

The Slaton girls team defeated Lorenzo, 74-53, Saturday night to win the championship. Patsy Allred scored 38 points for the winners.

In the boys' championship game, the Floydada Whirlwinds lost to Brownfield, 45 to 38.

Floydada had advanced to the finals by defeating Ralls, 43 to 42, and Slaton, 54 to 51. The Slaton five had won a first round game from Petersburg, 68 to 35. After losing to Floydada, Slaton lost to Lorenzo, 47-45, in an overtime consolation contest.

The Slaton girls team won its way into the finals with a 53-44 victory over Jayton and a 70-29 win over Floydada. The Floydada girls defeated McAdoo for consolation honors.

### Truett Fry In Race For Commissioner

Truett Fry of the Pleasant Valley community this week announced his candidacy for the office of Precinct 1 County Commissioner, subject to the action of the Democratic primary July 28.

In authorizing The Dispatch to announce his candidacy, Fry said:

"I feel I am familiar with the needs of the district and if elected will serve to the best of my ability.

"I will make every effort to see all the voters between now and the election. In the meantime, I earnestly solicit your support and influence."

### Junior High School Is To Benefit From Magazine Subscription Drive

Captains and co-captains have been named for Post Junior High School's annual Curtis Publishing Co. subscription campaign which got under way this week and is to continue through next week.

In addition to earning premiums for themselves, the young salesmen will help compile funds for the benefit of the school. This year's project is to be purchase of a trampoline, according to Principal Ellis M. Mills.

The magazine subscriptions, which include such outstanding Curtis publications as Saturday Evening Post, Ladies' Home Journal and Holiday, are selling at regular rates, as are approximately 80 other magazines being offered.

The principal explained that the commissions from the sub-

scription sales always go for school projects. "This year," he said, "the youngsters have their hearts set on a trampoline. They've wanted one of their own ever since they saw a trampoline act last year in a Southern Schools Assembly."

The captains and co-captains, with captain named first, are: 8A—Marca Holland and Richard Cornett.

8B—Bob Cato and Bonnie Guthrie.

8C—Don Richardson and Carolyn Jones.

7A—Helen Bowen and Clara Frances Smiley.

7B—Gayle Dillard and Donnie Hays.

7C—Ann Morris and Jan Haynie.

6A—Judy McCullough and Skipper Sloan.

6B—Tommy Bouchier and Leslie Acker.

### Bits Of News From Here And There

**Mr. and Mrs. Alvin Koonsman and John Billy of Snyder visited with Mr. and Mrs. Basil Puckett Sunday.**

The automobile, owned by Calvin Bryant of Post, was almost totally destroyed by the fire, the officer reported. He said the owner told him he noticed flames flicking around the brake pedal as he was driving home from a visit with friends, and that there was a mass of flames under the hood when he raised it to investigate.

The sheriff said Bryant told him all he could do was get away from the car and watch it burn.

**Sgt. Darrell Granger has re-**
