\$9,000 Community Chest Budget Set

A budget of \$9,000, which is \$1,354 less than last year's, was adopted Tuesday night by the board of directors of the Garza County Community Chest at a meeting in the City Hall.

As first submitted by the budget and admissions committee, the budget totaled, \$10,600, but the directors lopped \$1,600 from this figure, with the Boy Scouts of America taking the biggest cut—a \$1,000 one.

The proposed Boy Scouts fund was reduced from \$2,500 to \$1,500. Other reductions were Girl Scouts, from \$1,900 to \$1,500; American Red Cross, from \$1,850 to \$1,750; and American Heart Fund, from \$300 to \$200.

The adopted budget is as follows:

Boy Scouts, \$1,500; United Service Fund (USO), \$450; Girl Scouts, \$1,500; Garza County Youth Center, \$300; American Red Cross, \$1,750; Salvation Army, \$1,000; Cancer Crusade, \$1,000; Gonzales Warm Springs Foundation, \$300; American Heart Fund, \$200; local causes, \$700; and operation expenses, \$300.

Members of the budget and admissions committee are Harold Voss, chairman; Chant Lee, Mrs. Lee W. Davis, Mrs. John F. Lott and Clint Herring.

It was reported that 94 per cent

of last year's budget of \$10,354 was raised. Leo M. Acker is to audit last year's records this month.

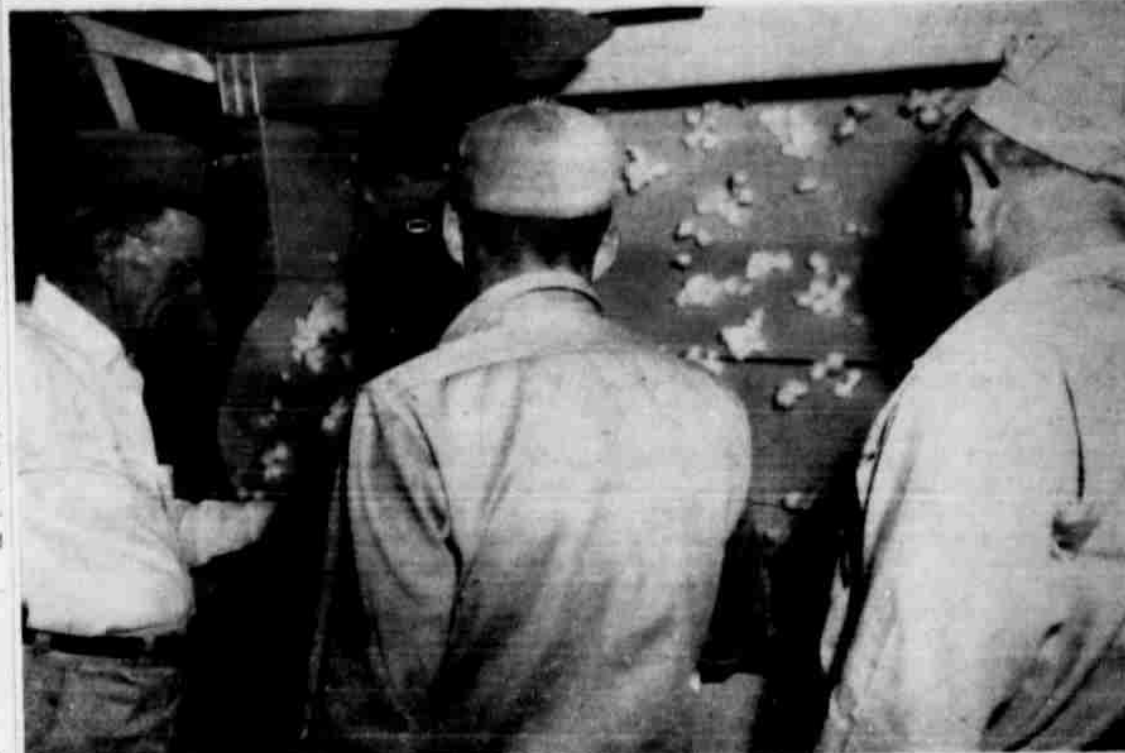

V. F. (Ring) Bingham, drive chairman, has announced that the "kickoff" breakfast will be held at 7 o'clock Monday, Oct. 22, in the First Methodist Church dining hall, with women of the church serving the meal. Approximately 100 Chest workers are expected to attend.

Goal for this year's fund drive is a "day's pay," Bingham said. Plans are to make the campaign a one-day affair. The larger gifts committee, whose chairman is Ira L. Duckworth, is to begin its work

Monday.

Dean A. Robinson is president of the Community Chest. E. R. (Buster) Moreland is co-chairman of the fund drive, with other workers being Bobby Pierce, prospects: V. L. (Punk) Peel, general solicitations, and Miss Ganell Babb, publicity.

Those attending Tuesday night's meeting were Robinson, Mrs. A. V. McCowen, Acker, Bingham, Voss, Guy Floyd, Moreland, Marshall Mason, Mrs. Harry A. Tubbs, Giles McCrary, Herring, the Rev. W. L. Porterfield, Mrs. Victor Hudman, Pierce, Pat N. Walker and Miss Babb.

Other improvements are a new lint cleaner, new feeder and new stick cleaners. "We tore the old gin down and built a new cotton laundry," Hargrave said. In the center is L. H. TEC SURVEY SHOWS PREVAILING WAGE TO BE \$7.50

Garza Gins Turn Out 4,200 Bales

Garza County's six gins had turned out 4,200 bales of cotton up to noon Tuesday, with the season nearing the peak in the county and elsewhere throughout the area.

Weather has been favorable for picking, and most farmers are reported to be finding all the help they need.

At the Basinger Gin in Southland, where 615 bales had been turned out, it was reported that many farmers of that area are waiting to machine harvest their crop.

Figures for other gins in the county at noon Tuesday were: Close City Co-op, 1,272 bales; Pleasant Valley, 407; Planter's Gin, 413; Graham Co-op, 1,043, and Storie Gin, 450.

The 4,200 total is less than half the 9,000-bale crop predicted by some observers. Others, including the Lubbock Cotton Exchange, is estimating this year's yield in Garza County at 15,000 bales.

A wage-finding report released by the Bureau of Employment Security shows wages in Garza County to be \$1.50 per hundred on irrigated acreage. The Texas Employment Commission, which does not set the wage rates, but conducts the surveys, reminds farmers that the contract price for pulling by Mexican Nationals is \$1.55 per hundred.

New Brick Front At Post Office; Other Improvements Near

The post office building here has a new Roman brick front, just completed, and the general remodeling program also calls for extensive improvements on the interior, according to Postmaster Harold Voss.

Only 30 inches of glass, on either side of the new door, were left at the front of the building after the brick went up.

The postmaster said fixtures are to be rearranged on the interior and that completion of the work will find the windows facing the east instead of the south, as at present. The post office boxes, now on the south and west sides, will be moved to the north side, where the windows are now located.

J. C. Strange is owner of the building, on which the post office has a 10-year lease. The post office was moved to the building on Dec. 9, 1950, from its former location at the southwest corner of Main and Broadway.

Levelland Man Is New Cashier Here

Lynn W. Duncan will assume his new duties Monday as cashier at the First National Bank, Irby G. Metcalf Jr., president of the bank, said Tuesday.

Duncan, now employed by the First National Bank of Levelland, will fill a vacancy created by the resignation of Bill G. Humphrey, who is resigning to accept a position with the River Oaks State Bank of Houston.

Duncan, who is 28 years old, is a native of Winters and was graduated from Texas Technological College. He is married and has two children. The Duncans are members of the Methodist Church.

Eugene Redman of Route 3, Post, is one of 13 men to be forwarded for induction to Amarillo on Oct. 18, according to a release from Local Board No. 88, Selective Service System.

GOAL IS TO GET COUNTY ON CASH BASIS, JUDGE SAYS

Garza Finances On Upgrade

The financial condition of Garza County, exclusive of bond funds, has improved by \$22,000 over this time last year and by \$69,000 over this time two years ago, County Judge Pat N. Walker said this week.

"This does not mean," Judge Walker said, "that we have a surplus, but simply that we have reduced a \$47,000 overdraft that existed Jan. 1, 1954, and are now on a cash basis."

If no taxes were paid until Jan. 1, 1957, there would be sufficient funds to operate without borrowing money, the judge said.

"The goal is to get the county on a cash basis for all items except for which the people vote bonds," he continued.

No warrants are being issued and all outstanding warrants are being retired as rapidly as possible.

During the last two years, the judge said, all machinery and permanent improvements have been purchased on a cash basis, which saves approximately \$3,000 a year in interest.

"All salaries will remain the same except for minor adjustments," Judge Walker said.

The newly adopted budget is based on a valuation of \$12,956,000 as compared with last year's valuation of \$12,100,000.

The new budget lists estimated receipts and expenditures as follows:

Jury fund, \$5,987 receipts and \$2,814.81 expenditures; road and

bridge fund, \$73,812 receipts and \$55,335.07 expenditures; permanent improvement fund, \$29,687.50 receipts and \$11,694.89 expenditures; general fund, \$43,185 receipts and \$24,659.66 expenditures; salary fund, \$54,590.46 receipts and \$52,900 expenditures.

Receipts and expenditures for the last fiscal year were as follows:

Jury fund, \$5,435 receipts and \$4,197.50 expenditures; road and bridge fund, \$72,500 receipts and \$93,494.70 expenditures; permanent improvement fund, \$30,000 receipts and \$6,000 expenditures; general fund, \$45,820 receipts and \$28,189.11 expenditures; salary fund, \$52,330 receipts and \$50,574 expenditures.

District 7 Meeting Of VFW Scheduled

The District 7 convention of the Veterans of Foreign Wars and Ladies Auxiliary will be held here Saturday and Sunday with John F. Miller Post No. 6797 as the host unit.

Doyle Willis, senior vice commander of the VFW, Department of Texas, will be principal speaker at 10:30 a. m. Sunday at a joint meeting of VFW and Ladies Auxiliary members at the VFW Hall.

Bob Poole, commander of the local post, said first-day registration will begin at 3 p. m. Saturday. The day's concluding activity will be a dance at 8 o'clock at the VFW Hall, with music by "The Texas Swingsters."

Registration will be resumed at 8:30 a. m. Sunday, with a memorial service scheduled for 9:30. A luncheon at the American Legion Hall will follow Sunday morning's joint meeting.

Business sessions will commence at 1:30 p. m., with the VFW members convening at the VFW Hall and the Ladies Auxiliary members at the City Hall.

Presiding over the convention will be R. D. Coulter of Seagraves, District 7 commander, and Mrs. Virginia Kincaid of Lubbock, district Auxiliary president.

It will be the first VFW convention held here since 1953.

WR Confirmation Is Endorsed By Clubs

Post's three service clubs, the Rotary, Lions and Jaycees, have joined the Chamber of Commerce in endorsing confirmation of the White River Water Control and Improvement District in the elections to be held Oct. 27 in the member cities of Post, Spur, Crosbyton and Ralls.

A joint meeting of the three service clubs will be held Tuesday night, Oct. 23, at the school cafeteria on the Lions Club's regular meeting date. At that time, Ransom Galloway, Lubbock attorney, will explain the proposed White River project in detail. Galloway is an attorney for bonding companies interested in the project.

Members of women's clubs and other organizations are invited to attend the meeting.

Eligible to vote in the Oct. 27 election are qualified electors of the district who own taxable property therein. Also on the ballot will be the names of the five men appointed by the State Board of Water Engineers as temporary directors, and five blank spaces for write-in choices.

Road Right-Of-Way Is Being Obtained

More than three-fourths of the right-of-way needed for widening of U. S. Highway 84 to the Scurry County line either has been obtained or included in condemnation proceedings against non-resident property owners, County Judge Pat N. Walker said Wednesday.

Condemnation proceedings were filed this week against a number of non-resident property owners in what is described as the original townsite of Burnham, just northwest of Justiceburg.

The widening project, which will cost approximately \$1 million, will make a two-lane divided highway out of the present 27-mile route from here to the Scurry County line.

Judge Walker said Nov. 1 has been set as the date for the county to have access to all necessary right-of-way.

ACTION POSTPONED

The City of Post still is postponing action on employment of city marshal, Mayor James Minor said Tuesday. Nine applications have been made for the job, which was made vacant by the resignation several weeks ago of Marion Keep.

Former Resident's Rites Conducted

Funeral services for Leon W. Huddle, former Post resident, who died at 2:20 a. m. Saturday in Veterans' Hospital at Big Spring, were conducted at 3 p. m. Monday in the First Baptist Church.

The Rev. H. W. Bartlett of Big Spring officiated at the rites, which included the songs, "How Beautiful Heaven Must Be" and "In the Sweet Bye and Bye." Burial was in Terrace Cemetery under direction of Mason Funeral Home. Nephews of Mr. Huddle were pallbearers.

Mr. Huddle, who was born May 4, 1895, in Cooper, Tex., was married to Miss Isis Kilgore at Lamesa on Dec. 25, 1917. A retired farmer and World War I veteran, he had lived in Big Spring for about two years. He was a lifelong member of the Baptist Church.

Mr. Huddle is survived by his wife and one brother, Arch Huddle of Coleman.

Out-of-town relatives and friends attending the funeral were his wife, Mrs. L. W. Huddle, Mrs. Linnie Hughes, sister of Mrs. Huddle, and Mrs. Ira Goodman and Carol of Big Spring. Also from Big Spring were Mrs. J. M. Peurifoy and the Rev. Mr. Bartlett, who is pastor of the church in which the Huddles hold membership.

Others were Will Kilgore and Royce of Cisco, Jake Ray, Mr. and Mrs. Arch Huddle and Bob. Mr. and Mrs. Ike Ray, Mr. and Mrs. A. J. Needham and Mr. and Mrs. Leonard Ray of Coleman, Mr. and Mrs. John Sims of Midland, Mrs. R. C. Kilgore and Mr. and Mrs. J. M. Haney of Seminole, Mr. and Mrs. Dixie Kilgore of Lamesa;

Also, Mr. and Mrs. Wayland Frazier of Abilene, Mr. and Mrs. Donald Kilgore and son of Crane.

Rotarians To Lubbock

Since this is the week of the annual Inter-City Rotary meeting in Lubbock, the Post Rotary Club did not hold its regular weekly luncheon Tuesday. Several members of the Post Club plan to attend the inter-city meeting, which is to be held tonight.

Schools Coming In On Paving Project

The board of trustees of the Post Independent School District voted Monday night to participate in the City of Post's current street paving program by paying the school's part for paving of four blocks south of the high school and junior high school buildings and on the east side of the grade school building.

The board's action came after an explanation of the paving program by City Councilman Powell Shytles.

It was explained, however, that the board will go along with the paving program only if complete sign-ups for paving on the blocks are obtained. The cost to the school district will be \$3,859.20.

In other action, the board accepted an audit report on the athletic fund, general school fund and cafeteria fund; voted to send Principals Glenn Whittenberg and Ellis M. Mills to the state principals' convention in San Antonio Oct. 22-23, and confirmed the employment of Paul Valentine as high school English teacher.

HEAR REPORT ON FAIR

Noah Stone, county fair treasurer for the Post Lions Club, reported at Tuesday night's meeting that this year's fair, held Friday and Saturday, was one of the most successful from a financial standpoint since the club began sponsoring the event a few years ago. A more comprehensive report is to be made at a later meeting. The Lions adjourned early Tuesday night in order for many of the members to attend the junior high school football game.

CITY RENTS OFFICE

The City of Post has rented the office in the City Hall, just east of the fire station, to Chalmer Fowler, accountant, for a period of six months. The quarters were occupied by the school tax office until their removal to the high school building.

Five Candidates In Queen's Race

Voting boxes were placed in downtown business places Wednesday for the Post Ex-Students Association homecoming queen candidates.

There are five candidates, all nominated for the queen's race at the 1955 homecoming. They are Mrs. Vada McCampbell, Mrs. Billie Windham, Mrs. Rowena Pierce, Mrs. Barbara Babb and Mrs. Tommie Coulter.

Votes are selling for a penny each, with the tabulation to be made just before homecoming on Oct. 9. The winning candidate will be crowned by R. E. Josely, president of the Ex-Students Association at the Post-Tahoka football game the night of homecoming.

At a planning meeting Tuesday night, it was announced that nearly 1,000 invitations have been mailed ex-students and teachers.

The group also voted Tuesday night to have Underwood's of Lubbock serve the homecoming banquet, which will be at 5:30 p. m. in the high school symposium.

The decorating and entertaining committees also met to make plans for the event. Members of the decorating committee are Mrs. Malcolm T. Bull, Mrs. Vada McCampbell, Mrs. Bill Edwards and Ralph Dean. Those on the entertainment committee are Mrs. Wallace Simpson, Mrs. Lester Nichols and Mrs. L. P. Kennedy.

Daily Bible Reading Observance Planned

Members of the Post Ministerial Alliance voted at last Friday's meeting to participate in the Worldwide Bible Reading Program by stressing daily Bible reading from Thanksgiving until Christmas and by putting up a Bible display in downtown Post the latter part of November.

A spokesman for the Alliance said that owners of old or unusual Bibles would be asked to make them available for the display to be set up here.

The group also decided on Wednesday night, Nov. 28, as the time for the annual annual Thanksgiving service. This year's community-wide service is to be held at the Calvary Baptist Church with the Rev. Shahan bringing the message.

Members of the committee for the service are the Rev. Clifton Edwards, chairman; the Rev. A. W. West and the Rev. Mr. Shahan.

Band Of Juveniles Admit Series Of Break-ins Here

Nine break-ins, in which property stolen or damaged amounted to approximately \$400, have been solved following the questioning Saturday of five juvenile boys taken into custody by sheriff's officers.

County Judge Pat N. Walker said the boys, who range in age from 10 through 13 years, admitted the break-ins at a public hearing in juvenile court Saturday. They were released in custody of their parents this Saturday.

The five juveniles comprise two sets of brothers, three from one family and two from another.

Sheriff Carl Rains said the break-ins, extending over a period of several weeks, were at Forrest Lumber Co., all three school buildings and the athletic field house, city swimming pool, Dowe H. Mayfield Co., Inc., Pandhandle & Santa Fe Railway depot, and The Lavelle Shop.

Property damage estimated at \$200 occurred at the Dowe H. Mayfield used car lot where the boys banged an automobile into other cars and trucks.

Heaviest loss from the thefts was at Forrest Lumber Co. where approximately \$30 in cash and merchandise was stolen.

Everything Else Increasing, But Amount Of Waterfront 100 Years Hence Will Be Same

GLOUCESTER, Mass.—A few final days of my annual vacation here on the "Island of Cape Ann," including Gloucester and Rockport, convince me that the best investment program is not necessarily to confine yourself to stocks and bonds.

Growth Of Population Vs. Growth Of Land

The population of the United States is constantly increasing. Prices, salaries, and wages are also constantly rising. However, the amount of waterfront will be no greater 100, or even 1,000 years hence than exists today. Stocks and bonds can be manufactured indefinitely by stock dividends, stock splits, spin-offs, and other printing-press methods; but it is impossible to increase waterfront property except by dredging.

The above statement applies not only to ocean frontage, but also to river and lake frontage. It also applies to close-up interior property with a direct, short right-of-way to the water. This, however, should be carefully protected by proper deeds and restrictions.

Where And When To Buy

Although the "field furthest away" looks greenest, such waterfront land in the community in which you live, or on land nearby, is usually the safest. You know the "outs" about such property, which you do not know about other property. Although all such land, including well-located house lots, may be attractive, you will profit most by buying land by the acre before it is sold by the foot.

A local real estate broker might advise buying ocean frontage at high tide from the natives, and selling it at low tide to the summer visitors; but I guess this rule is now outdated! Waterfront property in northern and central states can, however, usually be purchased for less during a winter snowstorm than on a beautiful day in summer! Special bargains can often be secured just before subdivisions, shopping centers, and other real estate developments are to be started.

BeWARE Of Land That Has Been Overflowed

When buying waterfront with which you do not have a lifelong acquaintance, it is well to learn whether it has ever been flooded. This especially applies to lake or river frontage. The best test of such property is to study the character of the buildings nearby, and the trees, shrub-

ANTELOPES RIDE HIGH . . .

With an open date coming up Friday, it's a good time to pause and take stock of the Post Antelope football team, which is enjoying one of its best seasons in several years.

There's even talk of the Antelopes having an excellent chance to win the District 2-AA championship, which doesn't seem to be a bit far-fetched, even though there is a rocky road ahead.

Safely past their first district opponent, the Antelopes will get a two weeks' rest before journeying to Lockney for a game with the team now riding in the favorite's seat. Many area sports observers think the Lockney team got by their biggest hurdle Friday night when they lambasted Abernathy, 33 to 12, but there are others with different notions—most of them right here in Post. The Antelopes' win over Slaton was an impressive one, and they're to be reckoned with in any district championship talk.

The squad's spirit and hustle is at a new high following their two-touchdown win over Slaton, and if the new coaching staff can keep them "up," they have a good chance to take Lockney, even on the latter's gridiron.

Incidentally, the new coaches deserve a great deal of praise for the work they've already done with this year's squad. The fact that the Antelopes have won four of their first five games and were saddled with a one-touchdown defeat in their only setback, speaks well of the coaching staff, as well as the ability and spirit of the players.

There is no doubt that the Antelopes have what it takes this season to be a championship contender. So, it's up to the rest of us—the fans—to do our part by continuing to give them our support away from home, which is where their toughest games are coming up, as well as on the home field.

bery, etc. It may even be wise to spend a day studying files of the local newspaper covering the last fifty years.

Although it is safe to build only above and beyond the possibility of destructive floods, yet the national and state governments are constantly working on flood control. Hence, it is reasonable to believe that flooding will be less rather than more in future years. This, however, does not apply to ocean frontage. No means have yet been discovered to eliminate ocean storms and hurricanes, but certain non-erosion work now being carried on by the Norton L. Holmes Co. of Lake Wales, Fla. is worthy of careful attention.

Outboard Motors And Land Prices

Every new outboard motor sold should add a penny to the value of waterfront property whether ocean, lake, or river. Outboard motors and aluminum boats have been greatly improved during the past ten years. According to my friend William L. Less of 52 Wall Street, New York, great improvements in these outboard motors are on the drawing boards. He will give you amazing statistics relating to this subject. It is rumored that "solid gasoline" or compressed natural gas (800 cubic feet to 1 cubic foot) may some day be purchased to serve as a three months' supply for the average-size boat.

In contrast to the above, every new automobile sold may detract a penny from the value of interior land. Autos are getting so thick and accidents increasing so that people may some day refrain from using them for recreation, especially if they are advised to remain home Sundays and holidays when the roads are closely patrolled.

Going back to my reference to stocks in the first paragraph of this column, I should add that, in most states, you have no taxes to pay on non-income-paying stocks, while you hold them, but you must pay taxes on vacant land wherever it is located. This means that today, when stock prices are high, it may be well to switch from stocks to non-taxable bonds. Then reverse your investment program later and switch the non-taxable bonds into stock and vacant land when these are again low in price.

on Main Street all day Sunday. There is a touch of coolness in the air nights and mornings. It's autumn by the calendar. Summer's gone. It's fall on the South Plains.—"For Your Information" in The Gaines County News.

Absentee Voting

We once thought in Texas of absentee voting as a boon for the traveler who must be away from home on election day. More recently, with "sharper" operators, the connotation has become synonymous with ballot stuffing and the like. Means that there is going to be a change, more difficult, to vote absentee. Thousands of "absentee" ballots were cast in Texas this year most likely. The devious working of a man's mind, bent on mischief.—"Views and Comment" in The Floyd County Hesperian.

4-H's Eligible For Education Award

Texas 4-H Club members will be eligible for two scholarship awards this fall provided by the Chicago, Rock Island and Pacific Railroad. The 1956 winners will be judged on the basis of all-around 4-H Club project achievement, and will each receive a \$100 college scholarship.

Texas is one of 11 states sharing in the \$1,500 special scholarship program provided by the railroad for 4-H'ers through the National Committee on Boys and Girls Club Work.

Selection of winners will be made by the State Extension Service.

Guests in the Harold Lucas home last week were her sister and family, the Kenny Foxes of Farmington, N. M. They also visited their mother, Mrs. A. F. Churchill in Clairemont.

VA Questions And Answers

Q. Who receives the monthly VA allowances under the War Orphans Education program—the student or his parent?

A. If the student is under 21, his living parent or guardian will receive the allowances. If he is 21 or over, the allowances will be paid directly to him.

Q. I know a blinded Korea veteran who is planning to take vocational rehabilitation training under Public Law 894. Will VA provide reader service if he needs it?

A. Yes. Reader service will be furnished if it is necessary for the successful pursuit of his course. The number of hours will depend on the amount of reading required for the course.

Q. If a veteran's GI insurance premiums are waived because he is totally disabled, what will happen to the insurance proceeds if he dies? Will they be reduced by an amount of money represented by the waived premiums?

A. The insurance proceeds will not be decreased by reason of waiver of premiums. The veteran's beneficiaries will receive the full amount of insurance proceeds.

Q. I understand that the GI loan program for World War II veterans has been extended another year, to July 25, 1958. Does this mean that the GI loan deal has to be closed by the deadline date?

A. No. The veteran must apply for his GI loan by July 25, 1958. The law gives VA up to another year—to July 25, 1959—to close the deal.

APPOINTMENT COMMITTEE

Eight students have been appointed to the senior class ways and means committee at Post High School. They are Leslie Nichols, Orabeth Maxey, Barbara Wheatley, Dixie Davis, B. A. Ford, Ray Gary, Lexa Acker and Ronnie Kennedy.

NAMED DRUM MAJOR

David King, 1956 graduate of Post High School, has been selected as drum major of the ROTC Band at West Texas State College, where he is enrolled as a freshman student.

New Officers Chosen By Chemistry Club

Howard Jones, son of Mr. and Mrs. Paul Jones, has been elected as president of the Chemistry Club at Post High School for the 1956-57 school year.

Other officers elected were Linda Davis, vice president; Bettye Porterfield, secretary and treasurer; Auvy Lee McBride, reporter; Harold Kennedy, parliamentary; and Bryan Williams III, Student Council representative.

John Banta is the club's sponsor.

Mrs. Guy Floyd flew to Tulsa, Okla., Friday evening and accompanied her daughter and family, Mr. and Mrs. Giles Dalby, Elizabeth and Becky, to Post. The Dalbys will make their home in Lubbock.

who keeps up with which way the wind is blowing, generally speaking, it's Stevenson, Kefauver and Johnson."

Then he went on to say that he realized the national farm program hadn't pleased everybody—including him. If he was in the White House, he would do things different, at least in our county. He allowed that the \$61,000,000 spent by the Eisenhower administration for drought relief in Texas could have been doubled and still not made all the farmers happy and prosperous.

"But," said Old Man Jones, "I keep remembering that the main reason for our troubles, besides the drought, is the fact that we are not at war. Now, if Adlai and Estes really want to jump on President Eisenhower, there is a real issue. They've sure got the goods on Ike in that respect. If he hadn't stopped that Korean War, farm prices would be higher, no doubt. I wonder why they never mention that."

Old Man Jones was kidding a little, of course, in his usual way, but I think he had something there. We have got to adjust to peace-time, which is taking awhile but President Eisenhower is working at it. And meanwhile our boys aren't fighting and dying on foreign soil. It's worth thinking about.

BUILDING SUPPLIES

here's what the

J. W. PEARSONS, 510 ANGELO CIRCLE, CARLSBAD, N. M., say:

They point out that a busy home requires husband and wife to share in the household duties. As Mr. Pearson says, "My wife is so busy with the children that I do a lot of the cooking. And I enjoy our electric range because it is quicker and a whole lot cleaner. Our electric range gives us a complete selection of controlled heat for any size pan, which is a big help for any cook." You'll notice the difference, too, when you start cooking electrically.

The Pearsons heat their water electrically, too. Mrs. Pearson says, "With a family of 5, including a baby, which sometimes requires as many as 3 washer loads of clothes a day, our water heater is economical, less than 10 cents a day to operate. It's completely safe, even for small children. In fact, we have put it in an open alcove in the hall." Notice in the picture, Mrs. Pearson fixes her daughter's shoe while daughter and mother obviously feel no wasted heat coming from the electric water heater. And that's because an electric water heater has no flame, and so is insulated on ALL sides.

Start now to live better electrically in your home. See your Reddy Kilowatt dealer and let him show you the wonderful electric appliances that contribute so much to modern electric living.

Ada Payton, Pleasant Valley, Wins Youth Division At Fair

Ada Payton, Pleasant Valley, was high point winner of the youth department of the county fair here Friday and Saturday.

Payton, daughter of Mr. Carl Payton, outscored her competitors in four divisions: canning, frozen food, sewing, and home economics.

She was also high point girl in the intermediate club division.

Barron was high point in the junior division and Stephens led the scoring in the division. Oneita Jones was high point girl in the Future Teachers of America division, and Carter won high point among non-club members in the youth department.

Payton won high point in arts and handicrafts. Don Richardson, with Stephens compiling the most in the clothing division, were winners in the art groups.

Mr. and Mrs. Hawkins Are Feted At Shower At Graham Thursday

Mr. and Mrs. Marlin Hawkins were complimented at a miscellaneous shower Thursday evening, from 7:30 until 9:30 o'clock, in the Graham School Cafeteria.

Mrs. Hawkins is the former Miss Oletha Oden, daughter of Mr. and Mrs. Alfred Oden. The couple was married Sept. 8.

The bride's chosen colors of pink and white were emphasized in the decorations. The serving table was laid in white and was centered with pink carnations, white tapers and a bridal couple standing underneath a pink archway, decorated with silver wedding bells. Pink streamers with the couple's names and wedding date were attached to the centerpiece. Pink napkins were used.

Miss Rosa Oden, sister of the bride, and Miss Clydene Rutledge of Lubbock served pink punch and cookies to approximately 60 guests. Another sister of the bride, Mrs. Emory Stevens, presided at the guest register.

Hostesses were Mmes. Bryan Maxey, Quannah Maxey, Jewel

Proposed Teacher Amendment To Be Discussed At P-TA Tonight

Every parent who intends to vote on November 6 is invited to attend the Parent-Teacher Association meeting at 7:30 p. m. today, in the Post Grade School auditorium to hear a talk by Ross Buckner on the proposed Teacher Retirement Amendment No. 4 to the Texas Constitution.

Buckner, is superintendent of Seagraves School. He is the Constitutional Amendment Chairman for District 4, for the Texas State Teachers Association.

It will be pointed out that one of the important features of the amendment is the fact that teachers are asking the right to increase their own contributions to the retirement program. In this manner the teachers would pay an additional four and a half million dollars into the retirement fund and the state would be asked to put in an equal sum.

The proposed plan provides that each year a teacher works, he will earn one and one-half per-

cent of his salary toward a retirement annuity. If he served in the public schools for 30 years, he would come to retirement on 45 per cent of his annual earnings. Besides this feature, the program provides disability benefits, death benefits, and survivor benefits, to protect the families of teachers while they are teaching. It also provides a minimum retirement benefit for any teacher now retired or for any teacher coming to retirement in the future with 20 years of service upon attaining the age of 60.

One purpose in including this in the year's program of the P-TA other than as a public service, is because of the teacher shortage crises now facing the state. Every year Texas loses from five to seven thousand teachers who say they leave the profession because of its lack of security. Every year in Texas 100 thousand children are added to the population of the public schools. Just to handle the new children who enter school each year, an additional four thousand teachers should be recruited each year, plus other thousands who are leaving the profession.

Membership in the P-TA is open to mothers, fathers, and teachers of children in Post Grade, Jr. High, and High School. A membership drive is now in progress. The school room having the most parents as P-TA members will receive a \$5 cash award. An award is given in all three of the schools.

Scout Committee Meets Recently

Girl Scout Committee members met at the Little House recently. Mrs. I. N. McCrary, troop organizer, announced that two new Brownie Troops have been organized for the 19 second grade girls interested in scouting.

Mrs. Bob Melisch and Mrs. Glenn Mathis are leaders of one troop and Mrs. John Lott and Mrs. Tom Power, the other.

Plans are now being made to organize a new Scout Troop for sixth grade girls and a leader for this group is needed.

Mrs. Katherine Trammell, volunteer trainer, announced that there will be a Brownie Leaders' Workshop at the Little House, Oct. 15, to train leaders and committee members.

There will be a Program Institute at Lubbock on Oct. 26, taught by Mrs. Gwen Elamoor, senior advisor to the National Board of Girl Scouts in New York City. Several Post leaders plan to attend.

With the beginning of the new school year, all the Girl Scouts have started their regular meetings. There are now 12 active troops in Post with an average of 12 members in each.

Girl Scouting is offered to all girls from the second grade through high school. Anyone interested is asked to contact Mrs. McCrary.

Think — Think

Our water supply for Post the past few years has been our biggest problem. Our city managers have kept us in fair shape by doing everything they could to supply us with water, but we are losing fast.

Now as we face a good chance to cure our water ills by voting FOR the bonds to build a dam for a sure supply of good water for Post, for sure let's all get in there behind this election and vote FOR the bonds.

It could mean the difference between a good progressive Post and a dry struggling village.

The Post Antelopes scored twice in the third quarter here Friday night to break a 7-7 first half deadlock, and went on from there to defeat the Slaton Tigers, 27 to 14, in the first District 2-AA game of the season for both teams.

The Antelopes opened the scoring in the first period when Noel Don Norman bored through center from the 2 to cap a 68-yard drive, which began when guard Andy Schmidt pounced on a Slaton fumble on the Post 32-yard stripe. Halfback Charles Morris booted the first of his three successful extra point tries to put the Antelopes ahead, 7-0.

The Tigers drove 80 yards after receiving the ensuing kickoff for their first touchdown. The final nine yards were negotiated on a pass from quarterback Doug Corley to end Alex Franco. Halfback Dickie Thomas carried over for the extra point.

Post received to open the second half and drove 74 yards, with Norman going over from the 5, after having carried the ball to that spot on a brilliant 32-yard broken field scamper.

A few plays later, halfback James Williams recovered a Slaton fumble on the Tiger 23 to set up the third touchdown. Fullback Ronnie Kennedy rammed over from the 3 and Morris kicked the extra point to make the score 21-7.

Early in the final period, the Antelopes increased their lead to 27-7 following a pass interception by defensive halfback Corky Ammons. He lugged the pilfered pass from the Tiger 35 to the 18. An unnecessary roughness penalty against Slaton put the ball on the 3, from where Williams circled end for the touchdown.

Slaton came roaring back to score after a 70-yard drive, with Thomas bursting through the Antelope line for the final 10 yards. He ran over the extra point to end the night's scoring.

Following is a play-by-play description of the game:

FIRST QUARTER

Slaton wins the toss and elects to receive, defending the north goal. Noel White's kickoff is returned 9 yards by Swanner, Corky Ammons making the tackle on the 19.

SLATON—Pearson gets a yard at the right side, and Thomas circles left end for 9 and a first down on the 29. Pearson rams center for 2, Jackie Carpenter tackling Thomas gets 2 at the left side, then hits for 5 more, with Ronnie Kennedy making the stop. Gambling on fourth down, Corley quarterback sneaks to the 41 for a first and ten. Kennedy stops Thomas after a 2-yard gain at end, and Sammy Martin stacks

a line play for no gain. Corley's pass to Thomas fails to connect, and Pearson's punt is allowed to die on the Antelope 30.

POST—James Williams' flat pass from spread formation is barely missed by Jack Morris, but Slaton draws a 5-yard offside penalty on the play. Running again from the spread, Williams can't find an open pass receiver and is nailed for a 5-yard loss. Back in a T-formation, Post fumbles and Slaton recovers on the 30.

SLATON—Slaton fumbles and Andy Schmidt recovers for the Antelopes on the 22.

POST—Kennedy gains 2 at the left side, and Williams breaks through for 10 more and a first down on the 44. Williams gains 4 at the left side, and Kennedy rams the same spot for 5 more. Kennedy carries again, but fails to make the first down. Williams cracks center for 1 and a first down on the 45. Ray Gary gets 2 at the right side, and Williams circles right end for 13 and a first down on the 30. Kennedy romps for 11 off left end and it's another first down on the 19.

Kennedy bucks the line for 4 more, but Williams' pass to White is incomplete across the goal line. Williams gets 5 at the left side, and Kennedy bangs for 5 more and a first down on the 9. Williams gets 6 through the right side of the line, then adds 1 at right end. Noel Don Norman pulls a quarterback sneak for 2 yards and the touchdown. Charles Morris comes in to boot the extra point and Post leads, 7-0.

White's kickoff is returned 5 yards to the 20, where Robert Carlton dumps receiver.

SLATON—Pearson plows the left side for 3, then rams center for 4 more. Kennedy and Leon Davis tackling. Corley passes to Franco for 25-yard gain and first down on Post 48. Williams downs Thomas after yard gain at end, but Kitten takes Corley's bullet pass for 7-yard gain. Thomas bores through center for 5 and a first down on the 35. Ammons halts Jones after 2-yard gain at the line, and Thomas rambles for 13 and a first down on the 20, Ammons saving a touchdown by his jarring tackle. It's the final play of the first quarter.

SECOND QUARTER

SLATON—Carpenter stops Pearson for no gain at right guard, but Thomas breaks through the line for 10 and a first down on the 10. Thomas gains 2 more, but the Tigers are penalized 5 for backfield in motion. Thomas gets 3 of it back, Carpenter tackling, then Pearson plows for 3 to the 9-yard line. Corley's pass to Franco is good for a touchdown, and Thomas hits center for the extra point to pull the Tigers up even, 7-7.

Wright's kickoff is taken by Williams on the 15 and he gets back 23 yards to the 38.

POST—Gary gets 1 at the left side, and Williams picks up 5 at the other side. Williams bucks for 2 more, and on fourth down Kennedy plows for 4 and a first and ten on the Slaton 49. Gary loses 3 on a long left end run, but Williams gains 10 of it back on a gallop around the other end. Kennedy slants off left end for a first down on the 39. Kennedy fails to gain at center, and Williams' pass falls incomplete on the 10. Kennedy loses a yard on a pitch-

out, then kicks to the 5, with the receiver getting back to the 12.

SLATON—Pearson breaks through center for 10 and a first down on the 22. Thomas breaks into open for 32-yard run to Post 46, Williams overtaking him from behind. White stops Pearson after an 8-yard gain, and Thomas drops Corley's pass in the right flats. Corley goes for 5 on a keeper, but the Tigers are penalized 5 for backfield in motion. Jones misses Corley's pass on the 25, with Ammons defending. Slaton's high kick is blown dead on the Post 12, the Antelopes declining a 5-yard offside penalty on the play.

POST—Williams' pass is over White's head on the Post 40. Williams passes again and Jones intercepts on the Antelope 30 as the half ends.

THIRD QUARTER

Jack Morris returns Wright's kickoff 16 yards to the Post 26.

POST—Kennedy runs left end for 5 and Williams gets 2 at the right side. Norman keeps and rolls out to the right for a 10-yard gain and first down on the 43. Williams gets through the line for 9 and then for 4 more and a first down on the Slaton 44. Kennedy spins through the right side for 5 and Williams gets 2 more. Norman, behind good blocking, keeps and circles left end for 32 yards and a first down on the 5. Norman keeps again and lunges through center for a touchdown. Charles Morris' kick is good, and Post is ahead, 14-7.

White's kick goes out of bounds on the Slaton 25, but it's touched by a Tiger and they take the ball at that point.

SLATON—Pearson gets 4 at center, Ammons tackling, and Kennedy stops next try after yard gain. Jones goes for 6 and a first down on the 36. Schmidt making the stop. There's a fumble in the Slaton backfield and Williams recovers for the Antelopes on the 23.

POST—Norman gains 4, but Williams hits a pile-up at the right side and fails to gain. Kennedy takes Norman's pitchout and circles left end to the 13 for a first down. Williams gets 9 at the right side, then 1 at the left side for a first down on the 3. Kennedy plows through the left side for a touchdown. Charles Morris again boots the extra point, and it's 21-7.

Thomas returns White's kickoff 4 yards to 19, Arlon Ford making the stop.

SLATON—Pearson gets 1 at the line as the quarter ends.

FOURTH QUARTER

SLATON—Thomas gains 3, but

it's a first down. A line play gains 2, and Thomas breaks between his right tackle and right end for a touchdown. Thomas carries over for the extra point and it's 27-14.

Onside kick goes out of bounds on Post 47. Another onside kick bounces out on 33, and it's the Antelopes' ball on the 50.

POST—Williams cuts back for 10 and a first down on the 40. Gary goes through left side on a slashing 17-yard run to the 23 for another first down. Williams loses balance and falls after 2 yards at right end. Norman fakes beautifully, then rolls out around right end for 9-yard gain and first down on the 12. Gary is hit hard at the line and fails to gain. Kennedy circles right end for 5 on a pitchout. Jack Morris gets 1 at the left side. Charles Morris subs in and Post draws 5-yard penalty for delay of game. Morris' field goal attempt falls short, and the ball goes to Slaton on their 20.

SLATON—Schmidt stops Thomas after yard gain at the line, Carlton downs same carrier on 2-yard pickup. Corley's pass down to Pearson gains 4. Post down gamble is good for Antelopes on 25.

POST—Norman, on keeper, circles right end for 19 and a down on 19, but game ends before next play gets under way.

Ammons intercepts Corley's pass on Slaton 35 and gets back to the 18.

POST—Williams is up-ended for 2-yard loss, but Slaton is penalized 15 yards to their 3 for unnecessary roughness. Williams circles right end for touchdown. Morris' kick is wide of the uprights and the Antelope lead mounts to 27-7.

White's kickoff is returned 15 yards to the Tiger 31. Slaton declining an offside penalty against the Antelopes.

SLATON—Charles Morris hauls down Thomas after 7-yard gain at end. Thomas gets loose for 20 yards and a first down on Post 42. Gary making the stop. Thomas gets 4 at the left side and Franco takes Corley's pass on the 31 for a first down. Carlton and Davis stop line play after 2 are gained. Another line play is stopped by Carlton and Carpenter after 1-yard pickup. Franco hauls in Corley's pass on the 12, where

THEY WON'T BE LATE!

Maybe they were slow in dressing... probably they dawdled a bit over breakfast... but if you know the gait of those little legs you can be sure they won't be late.

This is one of the fascinating paradoxes of youth. A child may have to be prodded to get to school on time—yet he doesn't want to be late!

And the paradox has implication for parents as they plan the religious education of their children. Jimmy may seem reluctant about his first trip to Church School... and Susan may shed a tear when Mother "leaves" her in the Beginners' Department. But wise parents never delay their youngsters' religious training. It is unfair to handicap a child with a late start in the vital process of moral and spiritual growth.

Inquire at the church of your choice, and bring your child to Church School as soon as he is of age.

And, remember, parents need religious training too! If you do not now attend Church regularly, start with Jimmy and Susan.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Calls Attention To Home Fire Hazards

The 1955 fire record, higher than 1954's in almost every way, emphasizes the need for full-scale observance of Fire Prevention Week, Chief Robert Cato of the Post Volunteer Fire Department said today.

Referring to figures compiled by the National Board of Fire Underwriters, Chief Cato pointed out that in 1955 fire took an estimated 11,000 lives and destroyed property worth \$885,218,000—1.6 per cent over the 1954 property loss.

An analysis of urban fires—those in communities of 2,500 and over—shows an increase of almost every type of fire. Residential fires, for example, totaled 291,324—almost 2,000 over 1954. Increases were noted in all other types of building fires: mercantile, manufacturing, non-residential assembly, storage and miscellaneous. The grand total—409,044 building fires—is greater by nearly 10,000 than the previous year's figure.

The only decrease, and it was a sizable one, was in the number of grass and brush fires: 248,000—more than 35,000 fewer than in 1954.

Home fires continue to be the most common type of building fire. In 1955 they represented 35 per cent of all fires—a slightly greater percentage than the year before. Chief Cato urges every household in the community, therefore to increase his efforts to locate and eliminate fire hazards in his home.

HEARING AID EXPERT DUE IN POST

Walter D. Bills, Sonotone's hearing aid specialist of Lubbock will be in Post to give free examination and counsel on hearing problems Tuesday, Oct. 16th. Any of your friends or family who have a hearing problem or don't quite understand, are welcome to consult Mr. Walter Bills, free of charge and to receive an audiometer test and "picture of their hearing." Investigate, too, Sonotone's newest "All at the ear" 1/2 oz. hearing aid. Investigate what it can do for you at the Algerita Hotel, Tuesday, Oct. 16th, from 1:30 p. m. until 2:30 p. m.

No charge for consultation and certainly no obligation. Home calls by appointment.

2 cups sifted, all-purpose flour
1 cup sugar
2 teaspoon baking powder
1/2 teaspoon baking soda
1/4 teaspoon salt
1/2 cup soft shortening
1/2 cup fat
Evaporated Milk
1 teaspoon grated orange rind
1/2 cup orange juice
2 eggs

Sift into a 2-qt. bowl the flour, sugar, baking powder, soda and salt. Add shortening, milk, orange rind and juice. Beat hard 2 minutes with spoon, or electric mixer at medium speed. Add eggs and beat hard 1 minute longer. Pour into eighteen well-greased 2 1/2-in. muffin cups, filling them only 3/4 full. Bake near center of 350 oven (moderate) about 20 minutes, or until cakes pull from sides of cups. Remove from cups at once. Cool before spreading tops with Orange Frosting (see below).

Orange Frosting

1/2 cup fat
Evaporated Milk 1 lb. box powdered sugar
1/2 teaspoon grated orange rind

Put milk, orange rind and salt into quart bowl. Beat in powdered sugar about 1/2 at a time. Beat until smooth and creamy after each addition. Sprinkle on top of eighteen 2 1/2-in. cup cakes. Note: If frosting is too stiff to spread easily, add a little Fat Milk.

ANIMALS JUDGED SATURDAY AT COUNTY FAIR

Cash, Trophies Awarded Owners Grand Champion Steer And Gilt

James Williams, Future Farmers of America member, and Kenneth Howard, 4-H Club member, showed the grand champion steer and gilt, respectively, Saturday afternoon at the Garza County Fair.

James' steer was one of four grading prime in the heavy class of the market steer division. The reserve champion steer, shown by 4-H Club member Jerry Thuett, graded prime in the 901 to 1,000-pound class of market steers.

Kenneth's grand champion gilt is a Poland China. The reserve champion, a Chester White, was shown by FFA member Lona Gene Peel. Each took first place in their respective class.

The First National Bank awarded \$15 to the owner of the grand champion steer and \$10 to the owner of the reserve champion. Alvin G. Davis of Brownfield, former Garza County 4-H Club member, awarded trophies to the owners of the grand champion steer and gilt.

The animals were judged by L. M. Hargraves, associate professor of education at Texas Tech.

Following is the grading in the market steer division:

Norman Shines On Offense For Post

Quarterback Noel Don Norman carried the ball seven times against Slaton Friday night for a total gain of 72 yards, an average of slightly more than 10 yards per carry. His longest gain was a 32-yard romp to the Tiger 5-yard stripe.

Halfback James Williams was the "workhorse" of the Post offense in their 27-14 victory, logging the leather 21 times for a net gain of 95 yards, an average of about 4.5 yards a carry.

Fullback Ronnie Kennedy carried 15 times for a net of 57 yards, averaging almost 4 yards per carry. Halfback Ray Gary ran with the ball five times for a 17-yard net.

Mrs. H. W. Schmidt, Andy and Susie attended the Tech-A&M football game in Dallas Saturday. They spent Sunday in Grand Prairie visiting Mr. and Mrs. Bob Schmidt and family. John Schmidt, who is attending A&M, also visited there.

Antelopes Only 2-AA Team With Open Date This Week

The Post Antelopes, who won their first District 2-AA test against Slaton here Friday night, have an open date this weekend, but all other district teams see action.

Many Post fans are expected to attend the Lockney-Slaton game at Slaton Friday night, since Lockney is next on the Antelope schedule.

In other games, Spur plays at Abernathy and Floydada at Tahoka.

Lockney defeated Abernathy, 33-12, Friday night to more firmly entrench itself as favorite to win the district championship. Abernathy, playing minus the services of fullback Kenneth Jordan, couldn't cope with the flashy Longhorn offense. Jordan, injured in Abernathy's 13-7 upset defeat by Dimmitt, probably will be out for the rest of the season.

Although losing to Post 27-14, last Friday night, the Slaton Tigers are expected to make things interesting for Lockney in their game Friday.

Spur, which was impressive in its 48 to 7 victory over Tahoka, is favored over Abernathy. Floydada, which was idle last weekend, isn't expected to have too much trouble at Tahoka, although the "Whirlwinds" season record is not an impressive one.

Following are the standings:

District	Team	W	L	T	Pts.	GP
District	Post	1	0	27	14	
	Lockney	1	0	33	12	
	Spur	1	0	48	7	
	Slaton	0	1	14	27	
	Abernathy	0	1	12	33	
Tahoka	Tahoka	0	1	7	48	
	Floydada	0	0	0	0	

Season	Team	W	L	T	Pts.	GP
Season	Lockney	5	0	0	121	35

Sullivan Is Named 'Airman Of Month'

YUMA AIR BASE, Yuma, Ariz. (Spl.)—A-1c Billie R. Sullivan, son of Mr. and Mrs. June Ross Sullivan, Post, Tex., was named Air Defense Squadron "Airman of the Month" for September last week. He received a letter of appreciation signed by Lt. Col. James Jabara, squadron commander; a three-day pass; two ringside seats to the wrestling matches; four free games of bowling at the Sports Arena and two free dinners at the Prairie Schooner Cafe.

His soldierly qualities and excellent performance of assigned duties contributed to the recognition.

Airman Sullivan entered the Air Force in 1953 and was assigned to Vincent Air Force Base in 1954.

Happy Swap

More and more farmers—who hadly need hired help sometimes, but can't afford a full-time hand—are making deals with young town workers and the employers they work for.

For instance, young Hap Hooper now lives rent-free on Easy Roberts' farm. In return he works about 100 days a year for Easy—for a farmhand's pay.

The rest of the year Hap works for his "regular" boss... Buzz Ellis, the electrician. Buzz just speeds up his business when Hap's on hand—slows it down when he isn't—and, like Easy, pockets a healthy savings in wages.

From where I sit, it's great how people with different backgrounds—and different viewpoints—can co-operate. How about more of us trying that? I live in a town—maybe you're a farmer. I'm partial to a good glass of beer—you may prefer coffee or milk. But we can make things pleasanter by ignoring differences and giving each other a "hand."

Post Man Receives Telephone Award

Paul Duren, Jr., local employee of the General Telephone Company, recently received recognition for ten years of service with the company. The award, a blue and gold square-designed pin, features a miniature gold telephone and two white stars, each representing five years service with the company.

Duren, son of Mr. and Mrs. Paul Duren, was employed by the Post Dispatch during his last two years in high school. He began work with the telephone company, holding the position of plantman's helper, shortly after his graduation from Post High School in 1946. Subsequent promotions made him lineman on a construction crew and later gave him a position with an installation unit of the company.

His telephone experience was interrupted by a hitch with the armed services from November 1950 to October 1953. After receiving his discharge from the Army he was sent to Carlsbad, N. M., where he served as PBX repairman until he was transferred here in November 1953 as combination man at the Post plant.

Duren, his wife and small daughter, Paula, live at 606 W. 5th.

This is where
Tomorrow starts!

After today, American cars will never be the same again.

For the Big New Kind of Ford is a brilliant new automotive package—the one fine car in the low-price field!

We've unwrapped the 1957 Fords!

They're the best Fords of our lives.

The power is new—with Silver Anniversary V-8's to fit every horsepower need.

The style is new—a revolutionary, sharp, brilliant, clear-cut design that will stand out in traffic.

The comfort is new—a rock-solid velvet-road ride.

The braking is positive—silky smooth when your toe says "whoa." The steering is light and firm.

This is a great automobile, from the large honest dial faces on the instrument panel to the effortless loading way it cruises.

The new Ford begins with the "inner Ford." Its new elegance comes from within, from the way its automotive muscles are put together. All the changes are toward more rugged endurance, toward increased power, toward smoother operation. These are the bases for its "Mark of Tomorrow" elegance. This is the one fine car in the low-price field.

There are actually 19 different new kinds of Ford—and no matter which one you choose, it's yours at low Ford prices!

How does it look? It's only fourteen hands high—as tall as a child's pony. You can stand beside it and lean your elbows on its roof. And it's over seventeen feet long... 21 inches wider than it is high!

This big new Ford looks like the fun on a travel poster. It's the kind of car that looks sunshiny in the rain. It looks as fresh as morning.

It looks like tomorrow—like the first thing out of Detroit that symbolizes the new Age of Movement.

See it at your Ford Dealer's. Give it your own Action Test. But you'd better leave a deposit... for you won't want to bring it back.
