

OBSERVE BIRTHDAYS WITH FIRST PLANE RIDES

Mrs. Minnie Jackson, 85 years old, and Penny Kuykendall, three months old, are preparing to take off in Spencer Kuykendall's Beechcraft Bonanza for their first plane rides—as birthday presents. Mrs. Jackson said she "liked it just fine," and that the nearest she had ever come to going up before was "just sitting in one of the things." Penny, who is Spen-

cer's daughter, probably will do a lot of flying if she takes after the two older Kuykendall children. Shown holding Penny is Mrs. Jackson's daughter, Mrs. Marvin Hudman and beside her is Mr. Hudman, both of whom accompanied the two on the plane ride. Kuykendall is shown on the plane's wing, welcoming the four passengers. — (Staff Photo.)

icy roads close schools for two days

Snow leaves .21 moisture

Sunday and Monday's snowfall measured from one and a half to two inches in the Post vicinity and deposited .21 of an inch of moisture, County Agent Lewis C. Heron said today.

icy roads caused the Post schools to remain closed Monday and Tuesday, but classes were resumed Wednesday morning. All school buses were running Wednesday except one that broke down Tuesday night bringing the Post Antelope basketball team back from Slaton. Fuel pump trouble was blamed.

Wildcat on ranch proves dry hole

The Kerr-McGee Oil Industries, Inc., of Oklahoma City wildcat on the Slaughter Ranch has been plugged and abandoned as a dust after being drilled to 9,182 feet.

Although there were a number of traffic accidents in the Post vicinity while roads were iced over, no serious injuries were reported. A station wagon turned over Tuesday morning after hitting a slick spot on top of the caprock northwest of Post, and an automobile went off a bridge backwards after hitting an icy stretch of road east of Post early Sunday morning.

Education need seen on law enforcement issue

'Give voters the facts'

Three members of the Civic Improvements Committee and the Post city council reached an agreement Monday night on the best way to go about improving law enforcement here.

The committee and the mayor and councilmen agreed that the most sensible approach will be to let the people know all the facts on cost, personnel, etc., in advance of the city election on April 7 at which the people will be given the opportunity to decide if they want the city to employ a uniformed police chief and two uniformed patrolmen.

BEFORE REACHING the agreement, R. J. (Rube) Jennings, chairman of the Civic Improvements Committee, presented the mayor and councilmen with mimeographed copies of the committee's eight recommendations for more efficient law enforcement.

Actually, discussion of the recommendations never got past the one in which the committee suggested that the city finance the law enforcement project by adding a \$1 a month fee to resident water meters and a \$1.25 a month fee to business water meters.

Mayor James L. Minor and the councilmen stood pat on the opinion that a proposal to add the water meter fees would be defeated "5 to 1" if the citizens were allowed to vote on it.

It was the mayor's opinion—with most of the councilmen nodding assent—that the people who never pay more than the bare minimum as their monthly water bill would be against being charged an extra dollar a month to afford burglary protection for business places.

"The only way to have the kind of police force you are suggesting

is for us to set it up in the city budget, where it will never get any cheaper, but will cost more as the city grows," the mayor said.

THE MAYOR pointed out that the present city budget, while considerably more than it was last year, is still just barely sufficient to operate the city government.

"Add to that," he said, "the fact that we are buying a new fire truck and are going to have to buy a new garbage truck and you can see what we mean when we say that we do not now have the money to pay for a full-fledged police force."

It was generally agreed by the councilmen that taxable property valuations would have to be increased to about \$4,000,000 from present valuations of a bout \$3,000,000 before the city could budget enough money to pay for a police chief, two patrolmen and whatever they would need to operate their department.

MINOR ESTIMATED that such a police department would cost \$15,000 a year to operate. "That's almost a third of our present tax take of some \$49,000," he pointed out.

Jennings told the council he could see where some of the smaller water users would "hoiler"

about having to pay the added charge of \$1 a month for a police department.

"I'm willing to back up on the meters and take a look at what we can do in the way of taxes," Jennings said.

THE SUGGESTION that the Civic Improvements Committee and the city council work up the facts and present them to the people before the April 7 election was made by the Rev. Clinton Edwards, who along with the Rev. C. B. Hogue also represented the CIC at the council meeting.

The council agreed to Jennings' (CITY COUNCIL — See Page 8)

Police department, zoning to be on ballot

The biennial city election, at which a mayor and two councilmen will be elected and the people will vote on whether or not they want a full-fledged police force and a zoning ordinance, has been called by the city council for Tuesday, April 7.

The council, at its regular February meeting Monday night, instructed City Attorney Carlton P. Webb to draw up an ordinance officially ordering the election.

City election is called for Tuesday, April 7

The council, at its regular February meeting Monday night, instructed City Attorney Carlton P. Webb to draw up an ordinance officially ordering the election.

The terms expiring are those of Mayor James L. Minor and Councilmen Roy Baker and John N. Hopkins.

Mayor Minor told a representative of The Dispatch at Monday night's meeting that he will not be a candidate for a third term. Baker and Hopkins have not as yet made any statement as to whether or not they will seek re-election.

The vote on a police force and a zoning ordinance will be in the form of referendums to determine whether or not the people want them. Either or both could be set up by the council without an election.

Two new projects in C. of C. budget

The Post Chamber of Commerce directors Friday night unanimously adopted a \$12,775 budget for the 1959 organizational year which calls for \$1,000 outlays for two new projects—a retail merchants program and an agriculture banquet.

The agriculture banquet would replace cash prizes awarded by the Chamber for the first sales of cotton from the plains and the breaks country.

In deciding upon the banquet, Chamber directors and committeemen who met with the directors expressed the viewpoint that an agricultural banquet would reach more farm families in the Post trade area and be a better promotional effort.

SLATON was cited as one neighboring chamber with a successful farm banquet plan.

The retail merchants program is yet to be spelled out in detail but generally will be a much larger and more organized effort to get local merchants into town-size promotions and to aid Post merchants.

Bryan J. Williams is chairman of the retail merchants committee which will undertake the new program—one that many Chamber directors and committeemen think will be one of the prime 1959 undertakings of the organization.

LAST YEAR, the Chamber aimed for a \$15,000 budget which included a full-time, professionally trained Chamber manager.

Unable to reach this money goal, the organization received approximately \$9,000 in dues during 1958 and reorganized its operation to include Chamber Manager Johnny Hopkins as a part-time manager, plus regular clerical help in the Chamber office.

The proposed 1959 budget of \$12,775 would put a majority of its funds into Chamber activities instead of "housekeeping" and would retain the present organization setup.

The budget would provide \$4,800 for salaries, \$1,120 for rent, utilities, postage and telephone, \$300 for expense and travel and \$500 for advertising—or \$6,720 for office operation.

Proposed agricultural activities for the year besides the agriculture banquet, for which \$1,000 has been budgeted, are a continuation of Post's National Cotton Week observance, \$400; fall harvest tour, \$50; Lubbock fair exhibit \$50; and Garza County (C-C BUDGET — See Page 8)

Auto slides off bridge near here

A physician from Celina, Tex., his wife and their two small children escaped injury early Sunday morning when their 1959 Chevrolet automobile hit a slick spot on the highway and went off a small bridge several miles east of Post on U. S. Highway 380.

Following the accident, the doctor and his wife bundled the children in blankets and carried them away from the car to avoid possible danger of fire. A short time later, they were picked up and brought to town by J. M. Hutchins, a gauger for Service Pipe Line Co.

The accident occurred on one of the coldest mornings of the season. The doctor—Vernon V. Kirby—and his family were en route to Plains at the time of the accident.

Deputy Sheriff Red Floyd, who investigated the accident, said he learned that Mrs. Kirby was driving. The car swerved and went off the bridge backwards after hitting the slick spot, and the rear end of the vehicle was heavily damaged, the officer said.

The Kirbys spent the remainder of the night in Post and continued to Plains by bus, the deputy said.

Reckless driving charges filed

Slippery streets proved too big a temptation for young drivers Monday and Tuesday, with the result that four were given traffic tickets by City Marshal Otis G. Shepherd Jr. for "reckless driving."

Those issued summonses to appear at the city hall on the charges were Floyd McElroy, Lonnie Gene Peel, John T. Brown and Keith Smith. Up to Wednesday noon, two of the youths — Brown and Smith—had paid \$3 fines.

The city marshal also added a "failure to appear" to a ticket given Bobby Lee Skinner on Dec. 7. Skinner's home address is listed as Lubbock.

City Council appoints four firemen marshals

The city council voted Monday night to make four members of the Post Volunteer Fire Department deputy city marshals "for fire runs only."

The four appointed by the council—at the fire department's request—are Floyd Stanley, D. A. Cokrum, Ira Greenfield and Bill Hall.

It has been pointed out to the council that the fire department needs this authority in order to keep people from driving over firemen's efforts when they are fighting a fire.

Mayor James L. Minor's announcement this week that he will not seek reelection this spring leaves a very large pair of municipal shoes to be filled. James has made Post a fine mayor and he has the respect and appreciation of the entire community for the service he has rendered his hometown. His record for community accomplishment in his two terms of office is mighty long and equally impressive. Post couldn't have had a mayor these last four years who would have devoted as much time, energy and ability as James to this community's progress — and Post under James' leadership has really progressed.

It was blue Tuesday at the Post radio station Tuesday. The first thing that happened was a burned out radio frequency choke which put the station off the air from early morning to 1:30 p. m. that afternoon. Then three of the station's employees driving down to work from their homes in Lubbock and Slaton got "all shook up" in an automobile accident just above the cap. Horace (Mr. Sunshine) Krebs 1954 Chevrolet hit an icy spot and turned over two or three times, badly damaging the car but not seriously injuring the occupants. Krebs, Mrs. Mattie Lee Carr of Lubbock, the bookkeeper who suffered a sprained wrist, and Mrs. Beth Castleberry of Slaton who received only a sore neck and shoulder. Then Tuesday night, Bill McAllister, station announcer and son of station-owner R. B. McAllister, underwent an operation in Methodist Hospital at Lubbock for removal of his appendix. Ray Henderson, station salesman, was still in the hospital here that day — although he was released Wednesday.

"Twerp Week" got off to a good start with hardly a boy in PHS without a date. The girls are really going wild! Lots of them have purchased "Super Dating Licenses" from the seniors. That way the boy can't refuse a girl a date, and meanwhile the senior class is getting richer and richer!

No more sweating the exams for another six weeks, kids! Nearly everyone really burned the midnight oil, but it paid off in the long run, didn't it?"

Seniors elected Senior Superlatives and everyone was well pleased with the results. Here they are: "Mr. and Miss PHS"—Jimmy Short and Kay Martin.

Most Athletic—Kay Martin and Charles Morris.

Friendliest—Barbara Shytles and Herbie Hays.

Most Fun—Kim Pierce and Jerry Windham.

Best Dressed—Anne Harmon and John T. Brown.

Most Dependable—Frances Barron and Victor Hudman.

Most Intelligent—Jimmy Short and Kay Gene Jones.

"Who's Who," chosen by the teachers, were John T. Brown and Frances Barron.

Congratulations, everyone!

Field extender is completed

Southern Union Gas Co. has completed its No. 2 Koonsman in extreme south central Garza County, nine miles southwest of Justiceburg. It is an extender to the one well Red Loflin (Strawn) field, one quarter of a mile away.

Already completed from the Ellenburger as a 357-barrel discovery pumper, it finished from Strawn perforations from 7,701-42 feet at 80 barrels of 42 gravity oil, 33 per cent water, per day.

Perforations were treated with 500 gallons of acid.

Location is 1,980 feet from south and west lines of Section 5, Block 2, T&NO Survey.

Stockmen are alerted on screwworm flies

Screwworm flies have been found in isolated areas of the South recently and stockmen are urged to report promptly any attacks of this pest on their animals. A quick report to the county agent, accompanied by a specimen, could help officials bring the fly under control.

RUNKLES ON PROGRAM
Frank Runkles, camp ranger at C. W. Post Memorial Scout Camp, will be the guest speaker at the annual Blue and Gold banquet for Crosbyton Cub Scouts and their families Feb. 26. Runkles is a specialist in Indian folklore.

Religious activities in Boy Scout camps are carried out under religious leaders of all faiths.

State and federal officials are conducting a campaign to eradicate screwworms from the entire Southwest. The program is based on the fact that when a female screwworm fly mates with a sterile

male she produces only infertile eggs. Flies are sterilized by radioactive cobalt, a product of atomic-energy research. Continued release of sterile flies in an infested area eventually eradicates the species.

Bible Thoughts

"Opportunity"

by RONNIE PARKER

Life is filled with opportunities, the greatest of which is to obey and serve the Lord God. Opportunity simply means a good chance. Someone has said that opportunity can be pictured in two ways. A veiled figure standing at the door knocking, ready to depart if no one answers; or a ship in the harbor ready to depart, and there is only a moment to board her.

Opportunity with treasure-laden hands appears at every man's door. Good Chances come for you to glorify God in your life. But what do you do with them?

We have the Bible, God's message to man. It is fresh as if God had just now sent it from heaven. We have the chance to read God's way of saving man. He tells us what to do. Men let the opportunity of salvation pass. They forget about their souls. They refuse to admit sins, wrong doings, the reality of the devil, and future torment.

Friend you have the chance of salvation. Jesus said "whoever will may come." You must take the step. It is your opportunity.

Ann Porterfield, Jack Haire married in double ring rite

Miss Ann Porterfield and Jackie Wayne Haire of Route 2, Post, were united in marriage Friday evening at 8 o'clock in Anson.

Parents of the couple are the Rev. and Mrs. W. L. Porterfield of Anson, formerly of Post, and Mr. and Mrs. Howton Haire of Route 2, Post.

The bride's father, pastor of the Anson First Methodist Church, officiated for the double ring ceremony at the church parsonage.

Carlton Gordon of Burleson escorted his niece in marriage. She wore a white gown with a lace bodice and fitted skirt. The bodice featured a rounded neckline that deepened in the back. Her small white hat was accented with a white veil. She carried a white gardenia in a white Bible and carried out the bridal tradition of wearing something old, her shoes; something new, her dress, and something borrowed and blue, a blue sash belonging to Mrs. Leon Miller of Post.

Attending the bride as matron of honor was her sister, Mrs. James Brewer of Post. Her other attendant was Mrs. Miller. They wore identical dresses of pastel blue cotton satin, styled in sheaths with rounded necklines deepening in the back. Their headbands were blue with small blue veils and they wore corsages of white gladioli.

Joe Haire of Lubbock was best man for his brother and Donald Basinger of Southland acted as usher.

The bride's grandmother, Mrs. C. Gordon of Fort Worth, played organ selections preceding the ceremony.

Mrs. Glynn Barron of El Paso, former Miss Joy Mason of the Graham community, was honored with an "absentee" layette shower Thursday afternoon from 2 until 4 o'clock at the Graham Community Center. Due to complicating circumstances, Mrs. Barron was unable to be present for the affair so her mother, Mrs. Grover Barron, acted as honoree.

A pink and blue color scheme was carried out in decorations with a serving table laid in white over pink and centered with a large square mirror and topped with tiny pink flowers, and topped with a large blue shoe laced in the satin ribbon. Surrounding the shoe were miniature babies and a mother, representing the old woman who lived in a shoe. Pink tapers and blue napkins completed the table.

Refreshments of miniature cake squares, hot punch, coffee and pink drinks were served by Mrs. Bill Hester and Mrs. Jody Mason. A silver and china service was used. Mrs. Jimmy Hutton, sister of Mrs. Barron, was also presented an array of layette gifts.

Hostesses were Meses Thelbert, Bridie, Lonnie Peel, James Stone, Hannah Maxey, Elmo Bush, Elmer Cowdrey, Vera Gossett, Bill McMahon, Glenn Davis, W. C. Cash, Carl Fluitt, Fred Gossett, Elmer Cowdrey, Chester Morris, Vera Peel, Bryan Maxey, and Dillard Thompson.

Mrs. Clarence Gunn is hostess for HD meeting

Members of the Junior Home Demonstration Club met recently in the home of Mrs. Clarence Gunn where they learned to make "johnnie covers".

Following a brief business session, refreshments of spiced tea and cookies were served to the following: Mrs. Bobby Cowdrey, Mrs. Ronald Joe Babb, Mrs. Bobby Terry, Mrs. Bob Mason, Mrs. Darrell Ray Norman, Mrs. Jim R. Norman, Mrs. A. J. McAllister, Mrs. Larry Aldrip, Mrs. Roy Josey, Mrs. Ann, and a guest, Mrs. Donald Conner, Mrs. Norman and Mrs. Aldrip were welcomed as new members.

Garlon McDouglles honored at party

Mr. and Mrs. Garlon McDouglles are honored with a homecoming party at the home of Mr. and Mrs. Emmett Shedd recently. The McDouglles lived in Gary, Ind., for 10 years, having moved back to Post recently.

Those attending were: Mr. and Mrs. Lewis Ammons, Mr. and Mrs. Boog Holly, Mr. and Mrs. Ben Henson, Mr. and Mrs. Lee Ammons, Mr. and Mrs. Bill Holly, Mr. and Mrs. Buford Fincham, Mrs. Mae Collinsworth, Ray Dale Adams, Owen Sutter, Lola Ruth Ford, Marj Wilburn, and Billy Gerald Light.

ceremony and Mrs. Eugene Pittard of Anson accompanied Mrs. Robert Cross of Anson as she sang "Walk Hand in Hand" and "The Wedding Prayer".

Following the ceremony, the bride's parents were hosts for a reception at the church parsonage.

Members of the house party for the occasion were Miss Gerry Clark of Slaton, Mrs. Bob Conner of Slaton, and Mrs. Donald Basinger of Southland.

Guests for the event were from Post, Southland, Slaton and Anson. Following a wedding trip to Fort

Worth, Mr. and Mrs. Haire are at home here. For travel she chose a two-piece gray wool dress with black leather accessories and a white gardenia corsage.

The bridegroom is employed by the Santa Fe Railway Co. and Mrs. Haire is receptionist and bookkeeper for Garza Memorial Hospital. He graduated from Southland High School and served with the U. S. Army for two years. The bride, graduate of Post High School, attended Howard County Junior College in Big Spring for one year.

'A Mason Takes a Bride' skit presented at buffet dinner

A mock wedding skit, "A Mason Takes a Bride" was presented when members of the Order of the Eastern Star of Post entertained members of the Masons with a buffet dinner Friday evening at the Masonic Hall.

The wedding was the highlight of a program theme entitled, "County Fair", which included a series of games.

Mrs. Mary Lou Stone was the bride; Tom Gamblin, bridegroom; Mrs. Mary Gale Young, bridesmaid; Bobby Pierce, best man; Alvin Young, father of the bride, and Bob Baker, the minister. Special guests for the ceremony were Mrs. Jimmie Pierce as Jane Russell, Mrs. Margaret Bull as Mae West, Darrel Stone as Jack Benny, Mrs. Necia Rodgers as Ma Kettle, Donald Windham as Pa Kettle, Lester Nichols as Amos "Grandpa" McCoy, and Mrs. Willie Cross as Kate Smith. Mrs. Cross sang for the wedding, accompanied at the piano by Mrs. Hazel Stallings.

Approximately 100 guests registered for the affair.

The program was under the leadership of the entertainment committee, Mrs. Mattie Collier, Mrs. Stallings, Mrs. Consuelo Thuet, and Mrs. Pauline Hagood.

Sharon Moore and Cathy Hester were hostesses for a farewell party honoring Linda Reed Friday night at the home of Sharon's parents, Mr. and Mrs. R. A. Moore, 606 West 11th. Sponsors were Mrs. Leo Cobb and Mrs. H. R. Hester. Those attending and enjoying the evening of entertainment were Martha Goode, Gloria Peoples, Carolyn Moore, Elaine Mitchell, Sharon, Cathy and Linda. Refreshments of cold drinks, sandwiches, cookies, potato chips and nuts were served. Linda is moving to West Point, Ga.

Cal Casteel, of Casteel Studio, returned Friday after spending a week attending a color seminar for professional photographers in Kansas City, Mo. Cal, who has some of the most modern electronic color equipment, learned several new steps to take the "guess work" out of color photography.

The Post High School senior class will sponsor a chili supper tomorrow evening at 6 o'clock at the school lunchroom. Ideal for this cold weather will be a menu consisting of chili, beans, pies and drinks. Proceeds will go to the senior class fund.

Among the many Texans attending the Fort Worth Stock Show and Rodeo over the weekend were Postites Boy Hart, Tom Copeland, Nathan Little, and Monta Moore of Levelland. They returned Sunday.

Mr. and Mrs. Joe B. Gibson of Slaton, formerly owners of the Dairy Hart in Post, visited in Eastland before leaving Jan. 31 for New Orleans, La., to attend the Mardi Gras. Their daughter, Candy, remained with her grandparents in Eastland and will spend part of the time in Post with her maternal grandparents, Mr. and Mrs. J. M. Baylis.

Mrs. Tommie Jean Coulter, daughter of Mr. and Mrs. Tom Williams, received her B. A. degree from the University of Texas Saturday night. Tommie was to take her state board of exams in pharmacy Monday, Tuesday and Wednesday of this week, after which she will work in an Austin hospital. Her husband will receive his degree in pharmacy from the university in June.

Needlecraft Club meets with Mrs. M. J. Malouf

The home of Mrs. M. J. Malouf, 302 West 14th, was the scene for a recent meeting of the Needlecraft Club. Members enjoyed an afternoon of sewing and visiting, finished with a medley of folk songs.

Following a dinner served by the hostess, the group adjourned to meet tomorrow, Friday, afternoon in the home of Mrs. H. J. Dietrich.

Attending the meeting were: Meses Pat Walker, L. G. Thuet Sr., J. R. Durrett, Ida Robinson, F. A. Gilley, H. J. Dietrich, T. L. Jones, H. W. Schmidt and Malouf.

New Arrivals

Mr. and Mrs. Don Foster of Houston announce the birth of a daughter, Lisa Suzanne. She was born Jan. 6 and weighed eight pounds 11 ounces. Mr. and Mrs. Boone Evans of Post are the maternal grandparents.

Mr. and Mrs. Hulien Hoyle became parents of a daughter, Jan. 27 in Garza Memorial Hospital. She was named Debra Lynn and weighed five pounds 10 ounces when born.

A son, weighing six pounds 10 ounces, was born to Mr. and Mrs. James Walter Boren Jr. Jan. 30 in Garza Memorial Hospital. He was named James Bruce.

Mr. and Mrs. Ramon Arturo Moya are parents of a daughter, Irene, born Jan. 28 in Garza Memorial Hospital. She weighed nine pounds two and one-half ounces.

The Rev. and Mrs. Gerald Blackburn of Denison announce the birth of a son, Gerald Alan, born Jan. 26. He weighed nine pounds. The Blackburns are former Postites where he was pastor of the First Presbyterian Church.

SORORITY TO MEET
Beta Sigma Phi sorority will meet Monday evening, Feb. 9, at 7:30 o'clock in the home of Mrs. Gladys Price, with Mrs. Conner Howell as co-hostess.

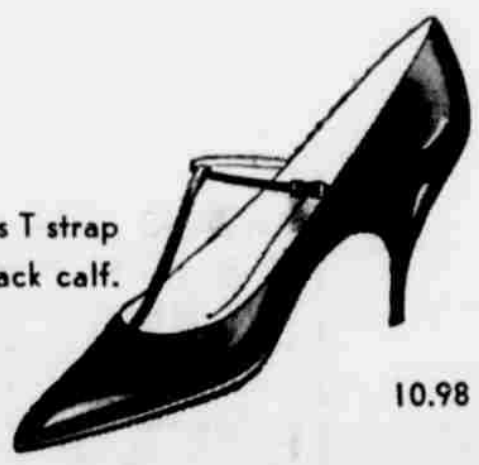

YOUTH REVIVALIST

Rev. Bobby Ferguson (above) is the speaker for the youth revival which began Wednesday at the Church of the Nazarene and will continue through Sunday, Feb. 8. Invitations are extended to everyone to attend the services each evening at 7:30 o'clock.

Corner on Cotton
BY BOB COLLINS

There is a growing concern in the cotton trade over the handling of Choice "A" cotton... the law says the CCC must purchase the "A" cotton to support it... this puts the government in business as never before... prior to this the farmer always had the choice of withdrawing his supported cotton from the loan if he wished... now there is no choice on "A" cotton... much of the concern centers around the destruction of the competitive marketing system... if normal trade channels are not maintained the farmer may wake up some morning to find he has no place to sell his cotton except to the government and there'll be no chance of selling it for the "best" price because there'll only be one price: The one set by the government... remember the story about the camel that sticks his nose in the tent?... then the first thing you know he's all the way inside... surely there is a way to preserve normal trade channels and it's worth any amount of trouble to keep as much of the camel out of the tent as is possible.

Hot To \$100
We just got mad... and every cotton man should, too... when we think about how little money is being spent to get rid of the boll weevil once and for all... we have an average annual loss of about 292 million dollars (that includes the money spent on fighting the pest) and we've spent an average of \$67,000 per year looking for a solution... figure it this way: We've been spending four cents in research for each \$100 of boll weevil loss!

Hot Planting
You may be missing a bet by planting your cotton when the ground is too cool... some research indicates that you can get better emergence and better yields by putting the seed in the ground when a 10-day average soil temperature of not less than 60 degrees F. has been reached... suggest you talk to your county agent about it.

Bravo!
We know of a gentleman in Texas whose livelihood is tied closely to cotton... whenever a salesman calls on him the Texan takes a close look at his visitor's shirt... if it isn't cotton, the salesman doesn't sell a thing.

Council to Meet
National Cotton Council will hold annual meeting in Atlanta, Ga., Feb. 9-10... over 1,000 persons expected... Council's research department quotes garment manufacturers as saying wash-and-wear finishes have done more to boost sales of cotton fabrics than anything since sanforization.

SUNDAY GUESTS
Sunday guests of Mrs. Vera Gossett, Sonny and Judy, were Mrs. Ruby Wood of Slaton, Miss Kim Pierce, Jerry Key, and Ronnie Morris.

VISITS IN CANYON
Walter Didway, who is home on 30-day furlough from the U. S. Army spent the weekend visiting friends at West Texas State College in Canyon.

When a Fellow needs a Friend

A very real tragedy has happened in this young man's life. But, thanks to mother's loving care, he will soon have a fresh bottle and will be happy and smiling again. How many of us, when some unforeseen misfortune occurs, react exactly like this small child. We pout, perhaps even scream and maybe cry a bit. As humans we are endowed with our own frailties... impatience, anger and the myriad frustrations of modern living. And yet, how many of us go on day-by-day, week to month to year, without realizing the wonderful experience of sharing our burdens with God.

As this child looks to his mother for help; so can we look to God for assistance. Take your troubles to your church... and leave them there.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

New church at Tahoka sets Sunday opening

TAHOKA — The new \$80,000 Tahoka Church of Christ is scheduled to open Sunday, Feb. 8.
 A special afternoon program and open house will be held and the church will begin an eight-day meeting in observance of moving into the new building.
 W. T. Hamilton, minister of the Lamesa Church of Christ, will do the preaching for the eight-day meeting, with Horace Hoffman of the Broadway Church of Christ in charge of the song services.

LYNN TEST SLATED
 TAHOKA — A new 10,500-foot wildcat oil test to explore the Pennsylvanian has been announced for northwest Lynn County, on the H. A. Macha land, nine and one-half miles northwest of Tahoka.

GO SKIING
 Misses Leslie Nichols and Barbara Whentley were among the West Texas State College students, who spent the weekend in Santa Fe, N. M., on a skiing trip.

Churches of all faiths sponsor more than half of America's 120,000 Scout units.

Ray to complete combat training

Marine Pvt. Jerry A. Ray, son of Mr. and Mrs. J. P. Ray of Route 1, Post, is scheduled to finish four weeks of individual combat training Feb. 13 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.
 Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

ATTEND FUNERAL
 Mrs. Al Norris and Mrs. Ira Farmer were in Haskell Sunday to attend the funeral services for Mrs. H. B. Conner.

Scout leaders from twelve countries took training at the Shiff Scout Reservation at Mendham, New Jersey, in 1958.

Postings—

(Continued From Front Page)
nesday morning — recovering from an appendectomy. To top it off the wife of Gary Gregory, station announcer-salesman, gave birth to an eight pound baby girl in the hospital at Spur at 4:15 a. m. Wednesday.

Dr. John E. Carter and family were among the folks that got caught in the wrong place by the winter storm over the weekend. They were visiting at Eden, their former home, Sunday and got iced in by the dangerous roads. Dr. Carter wasn't able to return to Post over the slick highways until Tuesday afternoon.

You'll notice the Chamber of Commerce has set itself a good-sized budget goal for 1959 — but let's emphasize one important fact about that budget. It's a real activities budget with most of the money going into Chamber promotions and activities. If local business men will get behind the Chamber—after being shown in 1958 what can be done—1959 can be a banner year in civic development here.

Over on page 10 you notice a page-sized appeal for more adult leadership and sponsorship for Post's Boy Scouts. The National Scout Week ad, sponsored by some 35 local merchants and professional folks, states the local problem. Scouting can reach 100 more eager boys here—with some adult help. Scouting is too important a program not to see if employed to our boys here in Post to maximum effectiveness. Let's get busy and help expand scouting.

C-C budget—

(Continued From Front Page)
za County livestock project, \$50.

THE CIVIC activities projects include \$1,000 for the highly successful Christmas decoration program launched in 1958; \$150 for the annual Chamber banquet; \$100 for safe driving awards; \$30 for county spelling bee; \$50 for home town essay contest; \$100 for volunteer fire department; \$250 for clean-up day program; \$25 for quarter horse show; \$50 for Veterans Day and \$1,000 for miscellaneous projects. The miscellaneous fund would give Chamber directors the financial ability to initiate new projects during the year as opportunities presented themselves.

Under industrial activity, \$250 is listed for another oil progress week promotion and \$500 for new business promotion.

In the retail field is the retail merchants program for \$1,000.

THE CHAMBER is planning an all-out membership campaign shortly after the Chamber banquet Friday, Feb. 13, kicks off the 1959 organizational year.

If the \$12,775 cannot be raised by memberships, the program for the year will have to be materially reduced as was the 1958 program.

Chamber leaders expressed confidence that most of the \$12,775 can be raised following the very successful 1958 Chamber year. The budget increases, they point out, are to make the Chamber even more active in 1959.

Business Bureau film is seen by Rotarians

Rotarians saw a color movie, "The Better Business Bureau Story", explaining the operations of Better Business Bureaus, at their Tuesday luncheon.

Tom Watson, assistant manager of the Lubbock Chamber of Commerce and manager of Lubbock's Better Business Bureau, introduced the film.

AN EYE ON THE PROF

Bill Bennett, general science teacher at Post Junior High School, shows eighth grade students Glenda Hutto (center) and Pam McCrary an oscillograph and other equipment in the Texas Tech physics lab. Bennett watches the atomic age physics program from 6:30 a.m. to 7 a.m. on KCBD-TV each week day morning and attends a special physics lab each Saturday for academic credit. The TV-Tech program is designed as a refresher course for science teachers.—(Texas Tech Photo.)

Post Junior High science teacher is studying atomic-age physics

LUBBOCK — A "dawn patrol" of science teachers and students in the Lubbock area, including Bill Bennett, general science teacher in Post Junior High School, are studying atomic-age physics courtesy of NBC television's "Continental Classroom."

Now nearing the end of their first semester of arising early for televised lectures at 6:30 a. m. on KCBD-TV five days a week are 12 men and women. Most are teaching science in junior and senior high school.

While they are earning academic credit at Texas Tech for their sunrise efforts, hundreds of other high school students and adults throughout the area are known to be watching the physics series.

Those taking the course for credit travel to the Texas Tech campus each Saturday for additional lectures and physics experiments by Dr. Henry Thomas, Tech physics department head.

Enrollment for the second semester of the course was held at Tech Thursday through Saturday for those having one-semester of college physics who wish to earn another semester of academic credit. Late registration and enrollment was held yesterday. The second semester course begins Feb. 11.

The televised series began Oct. 4 with the first semester devoted to basic facts and demonstrations necessary for an understanding of atomic physics.

The vanity of two ancient Romans is responsible for shortening the month of February. The World Book Encyclopedia says February had 30 days until Julius Caesar took off one day to add to the month of July named after him. The emperor Augustus took off another day from February to lengthen his namesake, the month of August.

Grass team will compete in show

A grass identification team from the Post High School Future Farmers of America chapter will compete in a contest Saturday at the Southwestern Exposition and Fair Stock Show, D. H. Koeninger, chapter advisor, has announced.

The advisor said that because of missing two days of school this week, the team members probably will not complete the list of grasses, but will enter competition because of the time spent.

Koeninger said members of the team have not been selected, but probably will be Dean Johnston, Harold Wayne Mason, Clarence Ivie and Jerry Thuett.

suggestion that the two groups get together soon "to see if we can come up with something agreeable to both of us" in the way of an educational program to present to the voters.

"The people are going to get the kind of law enforcement they want or demand, and we're going to present our side of it to them before the election," Mayor Minor said. "We're going to let them know just how much it will cost and where the money will have to come from," he concluded.

Wintry weather isn't the only reason why Americans can grumble about the month of February. According to the World Book Encyclopedia, the income tax law became the Sixteenth Amendment to the U. S. Constitution on Feb. 24, 1913.

The men of the Church of Christ met Sunday afternoon for a business meeting.

Friday, Feb. 13, will be "World Day of Prayer" and a special service and program will be held at the First Presbyterian Church, beginning at 10 a. m. under the direction of the United Presbyterian Woman's Organization. All churches are invited.

The Mattie Williams Circle will meet at the First Presbyterian Church Feb. 12, at 9:30 a. m.

Rev. and Mrs. A. W. West of the Church of God of Prophecy, invite all church members to attend the District 2 Convention in Lubbock, Friday through Sunday noon.

The Woman's Society of Christian Service of the First Methodist Methodist Church have organized a new circle, with the first meeting held this morning at 10 a. m. at the parsonage. All mothers who are unable to attend the afternoon or night meetings are invited. A nursery will be provided at the church.

A Valentine banquet for the intermediate and young people is planned by the First Baptist Church for Feb. 14, at 7:30 p. m.

Mr. and Mrs. Cearley reared three of their grandchildren. The Rev. C. B. Hogue, First Baptist pastor, officiated the funeral services. The church choir sang "When They Ring Them Golden Bells" and "In the Sweet Bye and Bye."

Interment was beside his wife in Terrace Cemetery under direction of Hudman Funeral Home. Pallbearers were Barrie Jones, Irvin Cross, Ira Lee Duckworth, John Elmer Nelson, O. L. Weakley, Storie Roberts, Ted Ray and Dillard Morris.

Out-of-town relatives besides the immediate family attending the funeral included Forrest Cearley of Houston, Mrs. Jewel Stroud of Ranger, Mrs. Irene Holland, Mrs. Sam Kaker and Mrs. Maudine Newton, all of Bridgeport; Luther Hill of Newcastle, Mrs. Alice Cearley, Mr. and Mrs. Wayne Cearley and Mr. and Mrs. Royce Waltrip, all of Levelland, Mr. and Mrs. Alvin Cearley of Fort Worth and Mr. and Mrs. Guy Stroud of Lubbock.

This is a reminder of the Sunday evening church dinner at 6 o'clock at the First Methodist Church. The dinner will be in honor of the Berean Sunday School class for winning the December attendance contest.

Saturday morning at 6:30 a. m. a Brotherhood breakfast will be held at the First Baptist Church.

The month of February had to wait hundreds of years before it found its place after January. The World Book Encyclopedia reports that the month wasn't even included in the first Roman calendar— and then a Roman king tacked on to the end of the year. A Message from Rose

Say, folks, now is the time to come in for a portrait sitting. Cal can photograph you in a relaxed, leisurely manner for that just right expression. Somebody, somewhere wants your portrait today! If you wait until tomorrow it may be too late. So come on in and give your broken down, hometown photographer a chance to capture the real you.

Did you know we handle all phases of Professional Photography? Weddings, babies, home portraits, family reunions, restoration of old, faded and worn photographs and all phases of commercial photography.

Don't wait to take advantage of February being a slow month. Call 489 today.

And don't forget that Tuesday is Tots Day with 10 percent off on portrait orders on the little folks.

We almost forgot, Cal has returned from Kansas City with a whole head full of ideas about color photography. Come in soon and see the many, beautiful color portraits he made while there and see our full line of color portraits.

Sincerely,
Rose Casteel

Antelope cagers play Tahoka here Friday

Boys out to even score

The Post Antelope boys' and girls' basketball teams will continue second round play in District 3-AA here Friday night when they clash with Tahoka Bulldog teams.

In first round conference games at Tahoka two weeks ago, the Post boys lost and the girls won.

Through first round play, the Tahoka and Post boys had identical records—2-2, but the Tahoka girls had posted only a 1-3 record to the Post girls' 2-2.

Thus far this season, the home court has proved the advantage in most District 3-AA games, and the Antelope boys' team is given a good chance to get revenge on Coach Jake Jacobs' Bulldogs in Friday night's contest here.

In sophomore Frank Greathouse, the Tahoka team has one of the best cage prospects on the South Plains. He is among the district's leading scorers, and gets good support from the Adams brothers—Jerry and George—David Bray and Weldon Calloway.

The Tahoka girls held their own with the Post sextet for three quarters in the game at Tahoka, and were barely edged by Spur in a game last week. They are expected to give a better account of themselves here Friday night than they did on their home court here weeks ago.

"B" TEAM POSTING GOOD RECORD

The Post Antelope "B" team, which is compiling a good record this season under Head Coach Al Parsons, is shown above. From left to right front row are Travis Guy, Richard Ray, Mike Cornell and Jimmy Minor. Rear row: Kenneth Williams, Wayne Hair, Joe Bob Trammell, Horace Smith and Donnie Hays.—(Staff Photo.)

Antelope scoring

Hitting 10 points against Floydada and 17 against McAdoo last week, senior forward Jimmy Short ran his season scoring total to 341 points in 18 games. His average per game is 18.9 points.

Junior center Scotty Pierce hit 6 against Floydada and 19 against McAdoo to boost his total to 222 points. He is hitting at a 12.3 average.

Following are scoring totals through Friday night's game with McAdoo:

	G	FG	FT	PF	TP
Short	18	140	61	50	341
Pierce	18	89	44	64	222
Hart	17	53	22	51	128
Didway	18	34	14	46	82
Morris	18	33	12	32	78
Mayberry	9	9	2	16	20
Rankin	17	4	2	27	10

McAdoo Owls win two here

The McAdoo Owls stormed over the Post Antelopes, 63 to 49, in a non-conference game here Friday night after the McAdoo girls had taken a 28-24 decision over Coach Jiggs King's Post sextet.

The Owls, who've lost only to the Wayland College freshman team this season, took charge late in the second quarter against Coach Al Parsons' Antelopes and were never headed.

Post led 21-18 at the end of the first period, but managed only 7 points in the second quarter against 16 for the Owls and trailed 34-28 at halftime. McAdoo was ahead 48-38 at the end of the third quarter.

Flashing a well-balanced attack in which three players scored in double figures, McAdoo was just too much for the Antelope five. Ramrodding the Owl attack with 28 points was lanky center Don Teague.

Scotty Pierce and Jimmy Short were Post's high scorers with 19 and 17 points, respectively.

In the girls' game, Post held a 12-7 lead at the end of the first quarter, but McAdoo had knotted the count at 15-15 at the end of the first half. They forged to a 28-24 lead in the third period.

Kay Burrow of McAdoo was high with 13. Kay Martin led the Post scoring with 11, with Janet Stephens contributing 7 points, Glenda Whittenberg, 4, and Leta Stone, 2, to the home team's totals.

The boys' box score follows:

	G	FG	FT	PF	TP
McAdoo	18	16	14	15	63
POST	18	7	10	11	49

Free Throws Missed: McAdoo—G. Scott 1, Teague 4, L. Scott 5. POST—Morriss 2, Pierce 1.

Boys beat Slaton, but girls lose, 53 to 48

With Jimmy Short banging the buckets for 31 points, the Post Antelopes trounced the Slaton Tigers at Slaton Tuesday night, 66 to 47, to keep their District 3-AA title hopes alive.

The Post girls, on the other hand, virtually bowed out of title contention by losing, 53 to 48, for their third conference setback against two victories. But they put up a valiant fight before losing.

The boys' victory brought their loop record to 3-2 and left Slaton with an 0-5 mark. Since the Floydada-Tahoka game scheduled for Tuesday night was postponed and Spur was idle, the district standings now find Floydada and Spur tied for the lead with 3-1 marks and Tahoka just under Post with a 2-2 record in loop play.

After a shaky start in which the Tigers forged to a 14-13 first quarter lead, the Antelopes bounced back for a 21-point second quarter to lead at halftime, 34-28. The Lopes really found the range in the third period, scoring 24 points to lead 58-37 going into the final period.

Coach Al Parsons emptied his bench for the fourth quarter, a total of 12 Antelopes seeing action in the game. Slaton used 11 men, also winding up the game with reserves in the saddle.

Senior guard Sidney Hart saw only limited action because of a leg injury, but junior Derwood Mayberry filled in capably for him, doing a good job on the boards and ball-hawking and scoring 5 points.

Short had his best night of the season in hitting for 13 field goals and five charity tosses. Scotty

C-C committees named for 1959

Ten 1959 Chamber of Commerce committees have been named this week by incoming president, Harold Lucas, with approval of the board of directors, but one new committee remains to be selected.

The new committee is a Chamber tax committee which would be charged with investigating and making a full and impartial public report on all community projects which would increase local taxes.

This committee was suggested by Tom Bouchier at a special meeting of the Chamber directors and committeemen to approve the 1959 budget Friday night.

The ten other committees already named:

- Agriculture Activities—George Samson, chairman; Lewis Herron, Earl Rogers and Powell Stybles.
- General Civic Activities—Chant Lee, chairman; Shelley Camp, Leo Acker, Max Gordon, Malcolm Bull, and Claude Collier.
- Housing and Building—J. Lee Bowen, chairman; Wallace Simpson, and Robert Cox.
- Industrial Development—Tom Bouchier, chairman; John F. Lott, R. J. Jennings, Giles McCrary and Lee Ward.
- Membership and Finance—J. B. Potts, chairman; Harold Lucas, Dowe H. Mayfield, Jimmy Hundley, Tom Power, and Lynn Duncan.
- Public Schools—Paul Jones, chairman; E. R. Moreland, Dean Robinson, and Glenn Whittenberg.
- Public Utilities—Ted Hibbs, chairman; R. H. Tate, Keith Kemp and Dick Woods.
- Retail Merchants—Bryan J. Williams, chairman; Jess Michael, Irby Metcalf, Walter Johnson, Wilf Scarborough, and R. J. Blacklock.
- Roads and Safety—E. E. Peel, chairman; Jake Webb, Mason Justice, Ozell Williams and Racy Robinson.
- Advertising and Publicity—Jim Cornish, chairman; Ray Henderson, Charles Didway and Dan Cockrum.

POST'S BOY SCOUT PROBLEM

Is Sponsorship and Leadership

As this community heads into NATIONAL BOY SCOUT WEEK, beginning Saturday, Post's Boy Scout problem is one of expansion.

Today Post has one Cub Pack, one Boy Scout Troop, and one Explorer Post for boys 14 years of age and over. This enables approximately 100 local youngsters to participate in the many benefits of the Boy Scout program.

A survey conducted in our schools shows that many, many boys not now in the Scouting movement would like to join cub packs or scout troops if the opportunity were available to them.

Post needs right NOW one more Boy Scout Troop and one additional Cub Pack. These two additional units would provide the organizational vehicles to bring 80 to 85 more Post youths into the scouting program.

All that is needed for a new troop and a new cub pack is SPONSORSHIP AND LEADERSHIP. Organizations are needed to sponsor each of the two proposed scouting units. Then adults who are willing to give of their time, their energies, and their interests are needed to lead them. The Boy Scouting organization will provide adequate training for new leaders.

To almost double the size of the local scouting movement all that is needed is adult interest. The boys are eager.

Dr. B. E. Young is Post's scout commissioner.

Cold weather makes most news in Southland and Gordon area

By CAROLYN WARD
News of most interest in this area is the cold weather—a little snow and enough mist to make driving hazardous. Due to the inclement weather, there was no school at Southland the first of the week.

Mrs. W. E. Edmunds is recovering as well as can be expected after falling at her home and breaking her arm. She underwent eye surgery last fall and has not fully recovered from that.

Mrs. J. F. Rackler honored her son, J. B., with a birthday dinner last Thursday. Those present were the honor guest, Mr. and Mrs. J. B. Rackler, J. B. Jr. and Beverly, and Rackler's sister and family, Mr. and Mrs. Claude Roper of Wilson. Their daughter, Linda, who is recovering from the flu, was unable to attend.

Brother former Garza County woman buried

Funeral and burial services were held in Colorado City Tuesday for Sam M. Bullock, 74, who was a brother of Mrs. Bert Cash, former Garza County resident.

Mr. Bullock, who retired Jan. 1 after serving 10 years as Mitchell County judge, died Sunday night in a Colorado City hospital.

He was also a brother of Pat Bullock of Austin, member of the State Board of Pardons and Paroles.

IN GRAHAM COMMUNITY

Correspondent is 'slowed' by cold

By MRS. DILLARD THOMPSON
As the old saying goes a true confession is always good for the heart. This news reporter will confess. We're having another visit from "old man winter" and when I crept out to take a peek at Mother Nature Monday morning with snow every where and trees draped in their coats of ice, I just said, "No news this week" and went back to shelter.

Along the news line this week though was the "42" party held Thursday night at the Community Center for the March of Dimes benefit. Refreshments of cookies, punch and coffee were served to a nice number and approximately \$200 was taken in.

MRS. GLYNN Barron of El Paso was complimented with a luyette shower Thursday at the community center.

Mr. and Mrs. Carl Fluit visited Sunday near Taboka with her parents, Mr and Mrs. Gandy.

Mrs. Bud Mason, Mrs. J. F. Mason, and Mrs. Billy Lester visited last Wednesday in Lubbock with Mr. and Mrs. Jon Allan Kelly.

Rev. and Mrs. H. O. Abbott and two daughter were Sunday visitors in the Dillard Thompson home. They also visited the Elmo Bushes.

I can't say who it is hardest on the parents or children for school to be dismissed due to weather.
