

# Trustees decide on \$710,000 for expansion; increase tax values

The board of trustees of Post Independent School District voted last Thursday night to spend \$710,000 on a school plant expansion program and to raise tax valuations 10 per cent to finance the program.

The action, the most decisive yet taken in nearly six months of planning, came at a special meeting of the board.

The seven trustees voted unanimously in favor of both proposals.

**THE \$710,000 will pay for construction of an estimated \$450,000 high school building and vocational agriculture shop, \$138,000 remodeling of the present high school building for use as a junior high, purchase of a site, construction of an athletic field house, repair of stadium bleachers, equipment for the new buildings and architects' fees.**

The 10 per cent across-the-board raise in tax valuations will increase the tax take from 40 to 50 per cent of actual assessed valuation.

It is estimated that it would raise the 1958 valuation from its present \$19,500,000 to about \$24,000,000.

**THE TRUSTEES voted to raise tax valuations after agreeing that it would be necessary to do so to spend the \$710,000 for expansion and at the same time keep the district within its debt limit and the maximum tax rate of \$1.50.**

Earlier in the meeting, Irby G. Metcalf Jr., acting as the board's

fiscal agent, told the trustees that a bond issue could not be sold on projected valuation figures.

"Even if your valuation goes up two million dollars next year, you're still going to have to sell the bonds on the 1958 valuation figure," he said.

**METCALF TOLD the board that while he could not immediately come up with a set of definite figures, he felt sure that the 10 per cent raise in tax valuations would**

take care of the \$710,000 the board plans to spend.

The present tax rate is \$1.30 and the board expressed the opinion that the 10 per cent across-the-board increase in valuations would keep the tax rate below the \$1.50 minimum.

**THE DISTRICT'S present bonded indebtedness is \$639,595 and of the present \$1.30 tax rate 24 cents is applied to this indebtedness.**

Early discussion at Thursday night's meeting was on a proposal to spend \$570,000, which would not have included the high school re-

modeling project. The board decided that the only way to include the remodeling and raising the expansion cost to \$710,000 would be to increase the tax valuations by 10 per cent.

Supt. R. T. Smith told the board that plans for the vocational agriculture building call for it to be constructed so that a new gymnasium can be added onto it "in two or three years."

**LECTURESHIP here to begin Sunday**

Nine outstanding speakers of the Southwest will be presented in a lectureship entitled "Ye Shall Never Fail" at the Post Church of Christ beginning Sunday and continuing through Sunday, March 15.

Among the speakers is Dr. Frank Pack of Abilene, noted educator, who is to speak Wednesday evening on "Temperance". Dr. Pack, who has a PhD degree in New Testament from the University of Southern California, has taught at David Lipscomb and Pepperdine colleges and the University of Southern California. He is now professor of Bible at Abilene Christian College.

Dr. Jack Bates, dean of Lubbock Christian College, will be the speaker at the morning services on the final day of the lectureship. Dr. Bates has done extensive work in the field of Christian education and before moving to Lubbock he completed 11 years of successful work with the Broadway and Walnut Church of Christ in Santa Ana, Calif.

Bill Brown of Lubbock, who will speak on "Stair Steps to Heaven" at the opening of the lectureship Sunday evening, is known to many Post residents. He provided after-dinner entertainment at the Post

Number 40

### WR directors to work on loan requirements

Jubilant with approval Friday of a \$3,000,000 federal loan to complete financing of the White River dam, district directors are scheduled to hold a special session here in Post next week to get to work on the Community Facilities Administration loan requirements so the money can be obtained.

Tom Bouchier, president of the White River board, said the first necessary move will be for the district's loan committee to meet with the regional officials of the House and Home Administration in Fort Worth.

The Dispatch published the first "extra" in its 32-year history Friday afternoon upon receipt of the news and newsboys sold several hundred copies of the four-page edition throughout the community.

**THE WHITE RIVER district several months ago was approved for a \$1,000,000 loan from the Texas Water Development Board.**

Bouchier, who left today for

Austin to attend a meeting of the 100-member state water board, predicted probably about 12 months will be required to work out everything before construction can actually get under way.

He pointed out that to qualify for the \$3,000,000 federal loan the White River water district first must secure actual water contracts

**(WR PROJECT — See Page 8)**

### Council 'briefs' election judges on annexation vote

The city council "briefed" election judges on the holding of the annexation election March 14 to open Monday night's regular monthly session, then took this action:

1. Authorized City Attorney Carleton P. Webb to draw up an ordinance giving the city the right to condemn structures that are fire hazards.
2. Authorized Webb to draw up a resolution expressing the council's thanks to Rep. George Mahon and Sens. Lyndon B. Johnson and Ralph Yarborough for their work in helping put through the \$3,000,000 federal loan on the White River project.
3. REAPPOINTED Mrs. Ryla T. Lott to a four-year term on the City-County Park Board.
4. Fred Robinson and Mrs. Beth Walker, election judges for the annexation election, were told by the council that requirements for voting in the special election call for a poll tax receipt and residence of the voter within the area up for annexation.
5. Mayor James L. Minor told the election judges that they are authorized to require affidavits of any voter whose qualifications are

**(CITY COUNCIL — See Page 8)**

### Grand Jury brings nine indictments

A Garza County grand jury returned nine indictments Tuesday after being in session throughout most of the day.

The indictments were on charges of arson, felony theft and child abandonment.

James Thomas Carter and Alexander Fay Good were indicted on arson charges; John Clayborn Foster, Travis Dean Williams, Arlie Bowns, Antonio M. Rodriguez, Felix Bustoz and Abel Camacho on felon theft charges, and Fructoro Carranza on a charge of child abandonment.

The arson charges against Carter, who is 29, and Good, who is 50, grew out of the burning of a small wooden building containing household goods at 15th Street and

Avenue N last July 12. The indictment names Oscar C. Chapman as owner of the burned building.

Following their arrest by Deputy Sheriff J. W. (Red) Floyd and City Marshal Otis G. Shepherd Jr., the pair made statements to County Attorney Carleton P. Webb in which Carter said he had been hired to set fire to the building. Good's statement to the county attorney was to the effect that he "just came along for the ride."

Foster, Williams and Bowns were indicted on charges that they stole seismograph equipment last Dec. 11 from a truck near Southland. The indictments list the stolen articles as two rock bits, three kelly pins and one fishing spear.

Rodriguez, Bustoz and Camacho are charged with stealing one generator and three batteries, valued at \$117.50, from Floyd Hodges.

Jack Myers was foreman of the grand jury and other members were Elmer Cowdrey, Edward Neff, Mrs. Sid Cross, Mrs. Walter Boren, Ray McClellan, Ray Hodges, H. J. Edwards, Robert Cox, H. V. Wheeler, W. H. Childs and Hinton Fluit.

### Project show is set for Saturday

The Garza County 4-H and Future Farmers of America project show will be held Saturday afternoon at the new county 4-H building, with judging scheduled to begin at 2 o'clock.

Approximately 20 barrows, 10 gilts, 10 calves and five ewes will be exhibited, according to County Agent Lewis C. Herron and D. H. Koeninger, FFA chapter advisor.

The animals will be judged by Monte Griffin of Lamesa, Dawson County farmer and stock raiser. Ribbons will be awarded the winner.

Many of the animals shown here Saturday will be entered in the forthcoming junior stock show at Lubbock and in other events this year.

Saturday's event will be the first show at the new 4-H building. The public is invited to attend, Herron and Koeninger said.

### Meeting set on Junior Rodeo

The fate of Post's Junior Rodeo — the Southwestern Championship Junior Rodeo — will be decided Monday night at the annual stockholders meeting.

The session will be held, beginning at 7:30 p.m. in the district courtroom at the courthouse.

The Post Stampede cleared the way for a 1959 Junior Rodeo if stockholders of that organization want it by deciding to lease the rodeo grounds for another year for \$300. The Junior Rodeo was almost abandoned last year.

**FHA CHAPTER GETS NEW PICKUP**

Claud Collier Jr., of Caprock Chevrolet Co., is presenting the keys to a new pickup truck to Royce Hart, president of the Post chapter of Future Farmers of America. Horace Smith, chapter reporter, is at the right, and D. H. Koeninger, chapter advisor is at the left. Use of the truck is the motor company's contribution to the FHA program.

**(Staff Photo.)**

**IT ISN'T EXACTLY WORK**

These three 4-H Club members are among the volunteer workers helping finish the new 4-H building on the south side of the City-County Park. Seated on the scaffold is Judy McCampbell, 11, daughter of Mr. and Mrs. J. D. McCampbell. Donald Young, son of Mr. and Mrs. Alvin Young, mixes paint, while Don Richardson, son of Floy Richardson, applies the brush.

**(Staff Photo.)**

### Dispatch to sponsor Easter color contest

The Post Dispatch will sponsor an Easter Coloring Contest for youngsters of Garza County and the Post trade area.

Full details of the contest, the list of prizes, and the pictures to color will appear in next week's Dispatch. Watch for the contest will be divided into two age divisions for youngsters under 12. So sharpen your crayons, boys and girls.

### Artifacts include unique arrow points

### Pre-Columbian camp site discovered on area ranch

The site of a pre-Columbian hunting camp, believed to date back to the 12th century, is being excavated by the Garza County unit of the South Plains Archaeological Society about 13 miles south of Post on the U. Lazy S Ranch.

The site, believed to be a "real find" from an archaeological standpoint, covers an area of about 120 by 140 feet, according to Frank Runkles of Post, a member of the local archaeological group and vice president of the South Plains Archaeological Society.

Runkles said his group's at-

### WORD OF FEDERAL approval

of the long sought loan for the \$4,000,000 dam project to provide water for Post, Spur, Ralls and Crosbyton was received Friday in telegrams signed by Congressman George Mahon, Senator Lyndon B. Johnson, and Senator Ralph Yarborough to White River leaders in the four towns and to the publishers of the four newspapers.

"We are tremendously pleased with the approval of the project and know you will be," the congressman and two senators said in the joint telegrams.

### Political interest at low ebb here

Little political interest is developing in the spring school district and city elections, April 4 and 7. The filing deadline in the Post Independent School District passed last night with the two incumbents, J. E. Birdwell and Quanah Maxey, the only candidates for the two open board posts.

In the city races—with the deadline looming Saturday — Powell Shytles, presently a city commissioner, is the only one filing for mayor, with incumbents John N. Hopkins and Roy Baker, the only candidates for the two councilmen's posts.

Mayor James Minor is not seeking reelection. Shytles' uncompleted term as councilman would be filled by appointment after the spring election if the local implement dealer is elected mayor.

The city hall will close at noon Saturday but candidates wishing to file later in the day will be permitted to do so, according to City Secretary Gertrude Hopkins.

### Meeting set on Junior Rodeo

The fate of Post's Junior Rodeo — the Southwestern Championship Junior Rodeo — will be decided Monday night at the annual stockholders meeting.

The session will be held, beginning at 7:30 p.m. in the district courtroom at the courthouse.

The Post Stampede cleared the way for a 1959 Junior Rodeo if stockholders of that organization want it by deciding to lease the rodeo grounds for another year for \$300. The Junior Rodeo was almost abandoned last year.

## Single tax officer plan sounds good

Scanning through the "Capitol Commentary," weekly state affairs bulletin mailed members weekly by the West Texas Chamber of Commerce, we note with interest that a house bill has been introduced "to provide for a single tax assessor-collector in each county to collect taxes for state and all local governmental units."

Passage of such a bill by the legislature would require a constitutional amendment to be placed before the people.

The Dispatch hopes that this measure has some solid backing and will pick up more in the legislative corridors as it comes up for consideration.

Here in Garza County, for example, we have a county tax collector's office which collects county and state taxes. We have a school tax collector's office which collects school district taxes. And the city hall clerks have the job of receiving payment for all city taxes.

It could all easily be combined into a single office with a savings in personnel. And what's more important it would be a saving too to the harried taxpayer who now must make three payments for each piece of property to three different tax offices.

He could receive one tax statement and make payment to one office. The county tax office then would distribute the tax monies to city, school district, county, and state.

It's a practical plan, now in practical operation in many, many states.

tion in many, many states.

Also noted in the same "Capitol Commentary" issue was that a senate bill has been introduced in the legislature at Austin "to establish a commission to study the feasibility of consideration of city and county government."

This action will be met by the solid opposition, we suspect, of all county officials organizations and the League of Municipalities and organizations for city officials. They won't want times to change—not as change will effect either unit of local government.

But a combination of such government certainly merits study. There should be many areas where a single unit would prevent overlapping and duplication.

The county unit of government today is an outgrowth of a day when transportation was much slower and distances of 30 miles meant a day's travel. Its machinery needs overhauling.

There has been a movement afoot in many states to explore the county manager system of operation in which a county manager is employed to run the county the same as most larger cities today employ city managers to handle their operations.

County and city government are two of the biggest businesses in any area. They should have—in this day of continually mounting demands for more taxes—the most efficient business operation possible.

Most of them don't.—JC

## White River dream nears reality

Announcement Friday that the White River Municipal Water District had been approved for a \$3,000,000 federal loan points the way toward a bright future for Post and its sister cities involved in the four-town water project.

All the water this community conceivably will need for the remainder of this fast-moving century is what the White River project holds out to Post as its promise.

It is a goal of tremendous value.

The White River Dam still will require months and months of more hard work and careful planning before construction becomes a possibility. There is so much left to be done which can not

even be started until financing is assured.

The White River directors are now in their fourth year of tireless and unselfish work on the project.

It is this hard work, this unselfish devotion to a cause in which each man has financed his own participation in all the meetings and trips, this unusual cooperative spirit, and this refusal to become discouraged which is converting the White River Dam from dream to reality.

With the White River dam as a foundation for new community growth here in Post, it will be up to the rest of us to offer the same kind of unselfish community service to aid in Post's future development.—JC

## Let's make police issue a live one

Post citizens—those who have paid their poll taxes for 1959, that is—will vote at the municipal election April 7 on the proposition of whether or not they want a city police department.

Generally, we think most folks want more law enforcement in this community.

They want some round-the-clock protection for their city. That means officers patrolling at night, watching for burglars in the business district, checking up on the youngsters, stopping some of the devilment that goes on in any town when "the law" isn't out on the prowl on a night beat.

They complain about fast drivers and so many near collisions. They want more of this halted.

Most folks realize that a small efficient police department will command respect for the law and getting public respect for the law would be solving a good deal of the problem.

Most people we know want to be able to reach for a telephone and get a law enforcement officer quickly. That's simply not possible here today.

The time is past in Post to again take a negative stand on law enforcement. Very probably we may be the only town with a population of 5,000 or over in the entire country without an or-

ganized police department.

It's time now to stand up and be counted—and that is what each voter will have a chance to do come April 7.

Organizing a police department here in Post isn't just a pet project of "the vigilantes"—as the mayor has dubbed the Citizens Civic Improvement Committee, a group of local church pastors and lay leaders who for the last several months have patiently been trying to secure a community law enforcement program. It isn't just an objective of a newspaper "crusade" either.

No, we rather think most folks think the time has come for more law enforcement on the home front.

The Dispatch in the weeks between now and April 7 is going to have considerable to say editorially about the issue of a police force. And we invite you readers to have your say too in letters to the newspaper which we will be glad to print—just so long as your remarks are not so scathing either way that they become libelous.

The Dispatch hopes to see that come April 7 the issue of a police force for Post is very much a live issue—and not one to which nobody has bothered to give much consideration.—JC

## We salute our 4-H Club members

This week an important segment of the nation's youth takes the spotlight with the observance of National 4-H Club Week. It follows closely on the heels of a similar observance held last week—National Future Farmers of America Week.

Post and Garza County are indeed fortunate in having highly active units of both organizations. No other youth groups do more to direct young people's energies into worthwhile channels.

The 4-H Club emphasis this year in on 4-H alumni, who are being honored for their contributions toward developing 4-H into an organization that is known around the world and has a membership of more than two million in the United States.

In his proclamation designating the week of Feb. 28-March 7 as 4-H Club Week in Texas, Gov. Price Daniel said: "In 1914, the United States

Government invested in the rural youth of our nation through the 4-H Club program. Since that time, more than 20 million young people have received the benefits of this vast program and become 4-H alumni. These alumni are engaged in farming, ranching, homemaking and a variety of other occupations. Throughout Texas and the nation a special salute is extended to them."

As young people, the 4-H Club members represent the richest resources of our state. As the men and women of tomorrow, these boys and girls engaged in 4-H activities are receiving training that will help make their communities, their states and their nation better places in which to live.

The Post Dispatch joins other Garza County firms and individuals in saluting our 4-H members.—CD

## What our contemporaries are saying

The president of a large advertising firm is quoted as pointing to a trend that is causing many to wonder whether we have lost the great driving force that gave us all the benefits we enjoy today. He said: "This is an era of the goof-off; the age of the half-done job. The land from coast to coast has been enjoying a stampede away from responsibility. It is populated by waiters who won't serve, carpenters who come around some day, maybe, executives whose minds are on the golf course, students who take cinch courses, and salesmen who won't sell." Strong words. Lost are pride in a job well done and the thrill of achievement.—The Floyd County Hesperian.

Those things that come to the man who waits, seldom turn out to be the things he's waiting for.—The Denver City Press.

Two remote stages in man's life evoke a tide of sympathy because of his utter helplessness. The

first is when he is a starry-eyed infant, and the second is when he tries to appear interested while waiting in a millinery shop.—Matador Tribune.

A son we know in his forties got the surprise of his life when his 78-year-old mother visited in his home recently. Always one with straight-faced viewpoints wherein tobacco used by woman and a social drink was concerned, the lady asked her son for a cigarette when he started to light up. Thinking it a joke, he nearly dropped dead when he realized she meant it. Asked how and why she started to smoke late in life, the lady told him, "Son I get plain bored sitting around the house all day so I took up smoking to break the monotony. Crocheting and rocking chairs are all right for some old people, but they just don't happen to strike my fancy. Smoking does, so I do." And, according to her son, she darn sure does, too!—The Quannah Tribune-Chief.

## THURSDAY to THURSDAY

By CHARLES DIDWAY

MARCH CAME in like a lamb Sunday, but those familiar with West Texas weather know that there's no telling how it will go out.

You can't always find out everything there is to know about a county, not even in such a complete work as the Texas Almanac, but then along comes something with an added fact or two. A booklet published by Texas Motor Transportation Association "in the interest of a better understanding of what trucking means to Texas" contains the information that in 1957 there were 901 trucks registered in Garza County with a total value of \$955,950.

OUR FRIEND UP the street says there's no need to worry about the young people of today... they'll get old and worry about what becomes of young people.

Speaking of young people, one of those in Post Junior High School got an "A" on her essay about mothers. "A mother," she wrote, "is the one who takes care of the children and gets their meals, and if she's not there when you come home from school, you wouldn't know how to get your dinner and you wouldn't feel like eating anyhow."

THE STATE'S mounting financial problems has the Legislature tied in knots over what kind of taxes it is going to take to turn the trick. Under consideration are a sales tax and a state income tax and increases in ad valorem levies. Also being talked are increases in gasoline taxes, higher taxes on tobacco, beer and liquor, higher manufacturers gross receipts and taxes and a natural gas tax.

The Legislature doesn't seem too eager to tackle suggestions from constituents, which probably is wise. We were reading just the other day where one of the nation's larger cities asked for suggestions about new taxes and got a scald of them, including such as these: A \$3 tax on each child; a weight tax on everyone weighing more than 200 pounds on March 1; a bathing suit tax—with a colored tag, to be worn around the bather's neck, to prove the tax has been paid; a bridge-crossing tax, collected by making every bridge in the city a toll bridge; a \$1,000 tax levied each year against all bachelors.

AN EVANGELIST recently announced that there are 726 different sins. He received thousands of requests for the list from people who thought they were missing something.

We were out at the new 4-H Club building to take a picture Saturday morning and came away convinced that it is going to be a worthwhile structure not only for 4-H functions, but for other community affairs as well. There is plenty of space in the meeting room for most affairs and the building is well-lighted and well-heated.

THEY'VE USED a novel idea in identifying the doors of the two restrooms. On one there is a cardboard cut-out of a girl and on the other a cardboard cut-out of a boy. Which reminds us of the two restrooms in an Aspermont restaurant, which we are sure many Post people have patronized on highway stops there. A picture of Blondie is painted on one of the restroom doors and a picture of Dagwood on the other. As confused as things are getting nowadays, such thoughtfulness is a big help.

THE DISPATCH has a new Barnum Springs correspondent this week. She is Miss Cecelia Bland, a Post High School freshman. Folks in the Barnum Springs community are requested to help Cecelia by turning in all news items in time for her to get them to us not later than Tuesday morning. We feel sure she is going to do a good job for The Dispatch and for her community.

Incidentally, we need correspondents in the Verbena, Garnolia, and Grassland communities. Anyone interested come in to see us or Publisher Jim Cornish.

HERE ARE a few more daffy definitions: Hangover—When the brew of the night meets the cold of the day. Highbrow—A person who doesn't think of the Lone Ranger when he hears the William Tell Overture. Old Age—When the gleam in your eye is the sun hitting your bifocals. Moron—One who wrinkles his brow while reading the comics. Temperamental—Easy glum, easy glow.

Alaska's flag was designed by a 12-year-old schoolboy, according to The World Book Encyclopedia. The flag shows seven gold stars, representing the gold mining industry, in the shape of the Big Dipper on a field of blue. An 8th star in the corner represents the North Star, symbolizing Alaska's far-northern location.

# WR dam site 24.6 miles from Post

(Ed. Note: The following article on the proposed White River dam and its facilities is intended as a "refresher" for those of our readers who may have forgotten some of the more important features or who may have moved to Post since we last carried a detailed description of the plans.)

The proposed White River dam, for which a government loan of \$3,000,000 was approved last Friday, is to be located on White River in southeastern Crosby County near Calgary.

The site for the dam was carefully chosen following extensive topographic surveys under the direction of Freese & Nichols, Fort Worth engineers.

The dam will impound 30,000,000 acre feet of water in a lake with a shoreline totaling approximately 11 miles.

Total cost will approximate \$4,000,000. Besides the \$3,000,000 federal loan, the White River Municipal Water District will secure \$1,000,000 from the Texas Water Development Board.

Bonds bearing 4.25 per cent interest will be issued and retired over a 32-year period in repayment of the loans.

Under plans drawn by the engineers, the dam and reservoir will cost \$926,000; a filter plant, \$577,000; 14-inch pipe line to Spur, \$375,000; 18-inch pipe line to Post, \$23,700, and 16-inch and 12-inch pipe lines to Crosbyton and Ralls, \$97,700.

This totals \$3,599,900. Also included in the cost will be \$247,500 for interest during construction, \$80,000 for the legal and bond expense and \$72,600 for miscellaneous expense.

The dam would be 2,850 feet long and 76 feet high. It would have a drainage area of 172 square miles above the Caprock.

A pipe line of 13.4 miles will be necessary to reach Spur from the dam site while the pipe line to Post would be 24.6 miles and to Crosbyton 16.1 miles with an 8.1 mile extension to serve Ralls.

The White River Municipal Water District was created by House Bill 468 in the 55th Legislature. Tom J. Bouchier of Post is chairman of the board of directors and board members include R. J. Jennings and Dr. A. C. Surman of Post and five men from each of the other five towns in the district.

## NEW RECOGNITION

LUBBOCK — Texas Tech's school of Business Administration has received new recognition installation of Beta Alpha Psi, honorary and professional accounting fraternity.

## NEW TECH FRATERNITY

LUBBOCK — The eighth Texas chapter of Sigma Delta Chi, national professional journalistic fraternity, has been installed at Texas Tech.

## NEW EQUIPMENT

LUBBOCK — Texas Tech's geology department has been authorized to add \$15,000 in new equipment for research and training. It will be used in mineral analysis.

## VISIT IN HASKELL

Mr. and Mrs. M. R. Scott and family spent Sunday visiting friends in Haskell.

## SCHOLARSHIP SET UP

LUBBOCK — A \$400 scholarship—largest ever set up specifically for a Texas Tech coed—has been established by the Tech chapter of Mortar Board, senior women's honorary.

A 29 per cent boost in Dutch pig iron output was reported by The Hague.

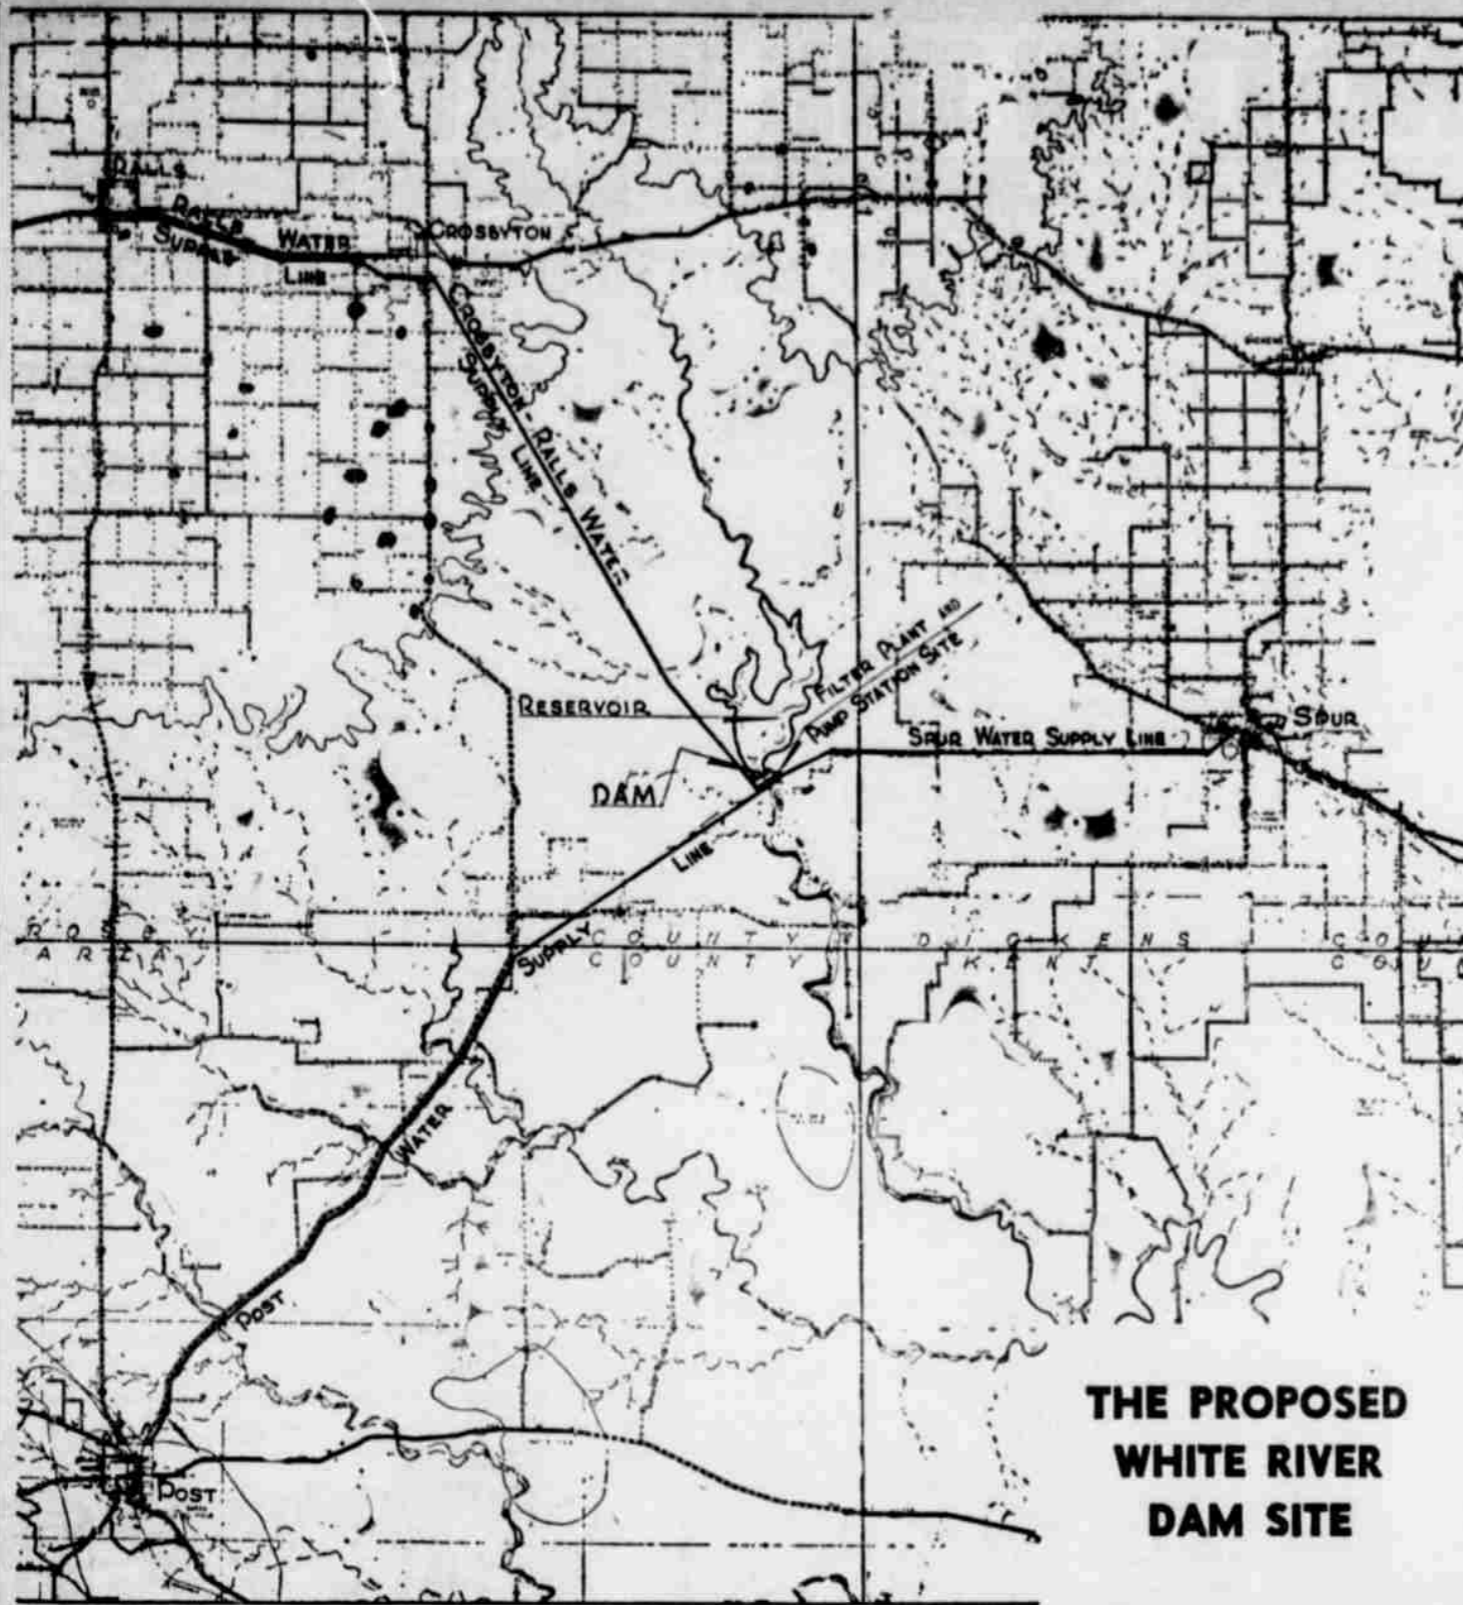

## Library open house

BROWNFIELD — Open house was held Sunday afternoon at Brownfield and Terry County's new Kendrick Memorial Library. Hosts for the event were the county commissioners' court, Friends of the Library organization and the library staff. Miss Louise St. John is chief librarian.

## RECEIVES SCHOLARSHIP

LUBBOCK — Bill Ruth, Texas Tech senior agricultural engineering major from LaFeria, has been awarded a \$150 scholarship by the Plains Ginner's Assn. for academic achievement in cotton ginning engineering.

There are about 1,500 gas utility and pipe line companies in the United States.

THE PROPOSED WHITE RIVER DAM SITE

## 1959 Tech Union Varsity Show set for April 3-4th

LUBBOCK — Some 200 Texas Tech students, are contributing more than fifty-thousand man hours to the 1959 Tech Union Varsity Show production of "Something For Nothing," scheduled April 3-4 in Lubbock Auditorium.

This year's show is the first from a student-written script. The author is Johnny Gilbert, a senior music major from Amarillo.

Gilbert is also turning his talents to directing his play, a musical satire of college life with a setting at Kingston College in the East.

From many hours of planning, the entire production crew has settled down to making the settings and costumes, preparing music, and producing the dance numbers.

Producing the show is Claude Rogers, at present one of Tech's busiest personalities. He also is involved in various facets of campus government. "Few people realize what a problem a show of this kind presents," he says. "Besides rehearsals, there are orchestrations and set designs to be made and staging problems to be considered. There are a myriad of other things to be worked out before the show is ready."

Other members of the production staff include Marilyn Morris of Big Spring as assistant director; Johnny Devine, a graduate chemistry student from El Paso, business manager; Dale Boyett of Breckenridge, house manager; Elizabeth Guthrie of Glister, La.; lighting director; Joyce Tallman, Fort Worth and Kay Adkins of El Paso, choreographers; Larry Campbell of Farmington, N. M., assistant stage manager; Janie Bowles of Dallas, costume director and Beverly McCormick of Wichita Falls, director of the set designs.

## Matinee scheduled at Tower Theatre Friday

In pulse-pounding fashion, Universal-International's hard-riding, fast-shooting outdoor adventure, "The Saga of Hemp Brown," starring Rory Calhoun, Beverly Garland and John Larch, will be at the Tower Theatre on Friday and Saturday.

Since there is no school on Friday because of the teachers' convention in Lubbock, there will be a matinee at the Tower beginning at 2 o'clock Friday afternoon.

Filmed in CinemaScope and breath-taking Color, "The Saga of Hemp Brown" has a rugged unique flavor that raises it far above the ordinary motion picture, a fact that can also be greatly attributed to an outstanding cast.

## OIL SHORT-COURSE

LUBBOCK — Forty-eight papers will be presented by petroleum industry specialists at the sixth annual West Texas Oil Lifting Short-Course, scheduled April 23-24 at Texas Tech.

## MURRAY'S MOVE

Mr. and Mrs. James Murray and children, Queda and Quentin, of Route 3, Post, left last week for Harrison, Ark., to make their home. Murray will raise livestock in Harrison.

## SATURDAY IN LUBBOCK

Mrs. M. R. Scott and Pamela, Mrs. O. E. Montgomery and Mrs. Charles Williams Jr. spent Saturday afternoon in Lubbock.

## YOU'RE INVITED TO Post Lectureship

## FORD is built for people...

Ford's wide seats are deeply padded all the way across... there's no hard spot for the middleman. And all six passengers have plenty of elbow and hip room.

It's so much easier to get into and out of a Ford... with wide door openings contoured to fit you. Inside, you get the head room you need to wear your hat... leg room to stretch out comfortably.

FORD is built for savings!

Fords are lowest priced of the most popular three! Equipped with radio, heater, and automatic transmission—Fords are priced up to \$102.75 less!

Ford Six and standard Thunderbird V-8 engines thrive on lower-cost regular gas... save you up to a dollar a tankful. Ford's standard Full-Flow Oil Filter saves still more... you go a full 4000 miles between oil changes.

New, standard aluminized Ford mufflers normally last twice as long as the ordinary kind. And Ford's exclusive new Diamond Lustre Finish never needs waxing.

59 FORDS world's best-selling cars...

WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS.

### SOUTHLAND AND GORDON NEWS

#### Bridal shower in Ellis home honors Mrs. James Crawford

By CAROLYN WARD  
Mrs. James Weldon Crawford was honored with a bridal shower last Wednesday afternoon in the home of Mrs. Sam Ellis. Other hostesses were Meses. Opal Penell, Lucille Myers, Doris Dunn, S. M. Bean, Jean Hargrave, Sheila Weaver, Lorna Mae Fields, Doll Haire, Francis Albright, Elsie Camden, Grady Taylor, Lena Locke, Irene Saunders and Willie Becker. The hostess gift was an electric skillet.  
The Southland and Post Past Matrons Club met last Monday night with Mrs. Dan Siewert in Slaton. Hostesses were Mrs. Nellie Mathis and Mrs. S. D. Martin. Mrs. Lucille Myers, president, presided at the meeting.  
Linda Lee Davies from Texas Tech was home visiting her parents, Mr. and Mrs. Kenneth Davies, and other relatives last weekend.  
FRED MYERS and a friend, Joe Neil of Sweetwater, who are students at Sul Ross College, Alpine, were here visiting Fred's

## Post High Highlights

By KIM PIERCE and MARGIE CASTEEL

The seniors started play practice Monday on "Hillbilly Wedding," which is to be presented April 3. The cast, picked Feb. 19, is as follows:  
Paw, Cricket Graham; Maw, Barbara Blacklock; Cellie, Kay Martin; Bonnie Mae, Frances Barron; Jenny Lou, Kim Pierce; Four, Linda Messer; Five, Anne Harmon; Six, Linda Bartlett; Obey, John T. Brown; Chiz, Victor Hudman; Ronald Maxwell, Jimmy Short; Lucy Maxwell, Janet Stephens; Reverend, Charles Morris; Cousin Zeke, Herbie Hays; The Three Cousins, Boyd Dodson, Don Davies and Clarky Cowdry.

Being engaged is just another fad around PHS. Barbara Shyles received a ring from Jimmy Redman last Saturday night. Was she wild!!! She called Kim at the crack of dawn Sunday morning before the chickens even went to get up! Congratulations, you two!

Mrs. Hill told us that the FFA-FHA party is to be in the school cafeteria Thursday, March 5, at 7:30 p. m. Everybody in these clubs had better be hungry. There are going to be all kind of "goodies".

Hey, everybody! We have a new coach at PHS. His name is Mr. Wheeler and he is from Southland. He took the place of Coach Parsons, who is now in Levelland. Lots of luck with your new job, Coach!

There were three very happy girls in Post this weekend—namely Sandra Stewart, Beth Kemp and Janene Haynie. Mike Ray, Sammy Martin and Ronnie Poik came home. Mike took his car back, so that if they can get passes they can come home again next weekend. We really hope so!

The Area II FHA meeting will be held on March 21 in the auditorium of Ector High School in Odessa. It begins at 8:30 a. m. and continues until 3:30 p. m. All you FHA girls had better be sure your dues are paid. Does everybody know that there

is no school Friday? The teachers are going to the TSTA meeting in Lubbock. Joy, joy!!!

Mrs. Sid Cross, P-TA president, has announced that an appreciation banquet will be held for the teachers on March 12. Each student was asked to bring 10 cents to school by Wednesday to help pay for it.

The members of the Student Council are passing out ribbons to emphasize the fact that this is Public Schools Week in Texas. Coffee and cookies are being served in the high school from 8:45 a. m. to 3:45 p. m. every day this week. Everyone is invited and asked to come to see the work of the students.

The junior class really put out a lot of work to make their play a success. Surely everyone will agree that they did a good job on it. Nearly everyone in Post went and enjoyed every minute of it.

Speaking of plays, we wish to compliment the Speech I and II classes on their performances in the one-act play contest Thursday and Saturday nights. The best actors and actresses were chosen as Melanie Thompson, Leta Stone, Scarlet Taylor, Leslie Acker, Curtis Didway and Victor Hudman. The best plays were "Antic Spring" and "Sugar and Spice." The play that will go to the district contest in Floydada is "Sugar and Spice."

Everyone is certainly glad that six-week exams are over. Everyone had to put forth a lot of effort, but it paid off in the long run.

### Lions hear about school expansion

The school expansion program on which the board of trustees is now at work was outlined by Supt. R. T. Smith at Tuesday night's meeting of the Lions Club. The superintendent told of the board's progress to date on the building plans.  
Jack Alexander was in charge of the program in the absence of Nathan Little, who was to have been program chairman.  
It was announced that a Lions zone meeting will be held here at 2 p. m. Sunday at Tom's Place.

### Lunchroom menu

Monday: Sausage and gravy, green beans, tossed green salad, hot biscuits, butter, canned pears, one-half pint milk.  
Tuesday: Pinto beans with pork, creamed potatoes, onion rings, congealed salad, cornbread, butter, peach half, one-half pint milk.  
Wednesday: Turkey salad, lettuce wedge, tomato slice, buttered blackeye peas, hot rolls, butter, fruit salad, one-half pint milk.  
Thursday: Toasted cheese sandwich, buttered green peas, cabbage, cobbler, one-half pint milk.  
Friday: Hamburger on bun, lettuce, pickles, onions, potato salad, chilled tomatoes, ice cream cups, one-half pint milk.

nathy visited Mr. and Mrs. W. A. Pritchard and family Sunday.  
MR. AND MRS. S. H. Eubanks of Hale Center visited Mr. and Mrs. T. L. Barnes and Mrs. Agnes Rinker last Sunday.  
Recently Mr. and Mrs. Kermit Rogers and sons of Alamogordo, N. M., visited their cousins, Mr. and Mrs. F. L. Ward and Mr. and Mrs. Jesse A. Ward.  
Mr. and Mrs. G. D. Ellis spent last weekend in Amarillo.  
Ray Willoughby of San Angelo spent last Sunday night with Mr. and Mrs. Jack Myers.  
Judy Milliken and Bob Nunley of Lakeview visited her grandparents, Mr. and Mrs. Ed Milliken, Friday afternoon.

MR. AND MRS. H. W. Seals went to Coleman last Saturday to visit her father who is ill and also visited their son and family at Abilene Saturday night and Sunday.

## Completion extends Strawn production

Strawn production in the Red Loflin multipay pool of Garza County has been extended one mile southeast with completion of No. 1 Koonsman, section 4, block 2. T&NO survey, for 210 barrels of 39 gravity oil daily.  
Production was through 16-64th inch choke and perforations at 7,660 to 7,680 feet and 7,694-7,699 feet after 3,000 gallons of acid. Gas-oil ratio was 269 to 1.  
Two new wildcat starts also are underway in the county.  
Sunland Oil Corporation of Fort Worth has spotted its 3,500 foot wildcat one and one-half miles northwest of the Rocker A multipay pool in Garza.

SEPARATED FROM THE POOL by several failures, the operation is the No. 1 A. B. Connell, 330 feet from the north and 1,320 feet from the east lines of section 9, block 5, GH&H survey.  
The second new wildcat will be a deep test in the northwest sector of the county—and this will be watched with real interest. It is J. E. Jones Drilling Co.'s 8,700 foot wildcat Ellenburger test, the No. 1 Graves, four miles north of Post.

There are no nearby deep dry holes. One and one-half miles east is Union's 3,516 foot failure and two miles west is Cox's 3,800 foot

## Mother of Post woman buried

Mrs. Sarah Belle Piland, mother of Miss Marie Piland Post, was buried Friday in a brick cemetery following funeral services at the First Methodist Church in Hobbs, N. M.

Mrs. Piland, who observed her 92nd birthday Feb. 22, died the day morning at the home of another daughter, Mrs. J. W. senbocker, of Hobbs. Her daughter, Mrs. L. A. Bumgarner El Paso, also survives. Since death of her husband, Will Piland 19 years ago, Mrs. Piland has lived by turns in the homes of daughters.

Until recent years she was active in church and last Monday was honored as the member of the Hobbs First Methodist Church.

## Charge of attempted murder reduced here

Charges of attempted murder last summer against Daniel La Rosa have been reduced to aggravated assault. The new charge was filed Tuesday in district court.  
De La Rosa is accused of assault with a knife on a man named Vargas.

# Past Matrons attend lecture

Members of the Post and Southland Past Matrons' Club of the Order of the Eastern Star met at the home of Mrs. Dan Siewert in Slaton Monday night and from there attended a lecture at the Slaton First Methodist Church of Mrs. Sune Richards. Mrs. Richards, renowned artist-lecturer, presented her "Women of the Bible".

Following the program the group returned to Mrs. Siewert's home for a business session. Mrs. N. W. Stone, Worthy Matron of Post, was welcomed as a guest and presented a gift from the club. Mrs. W. R. Lovett of Slaton was also a guest.

Refreshments of sandwiches, relishes, coffee and doughnuts were served by Mrs. S. D. Martin and Mrs. L. B. Mathis.

Others present were: Mrs. Kenneth Davies, Mrs. T. W. Hagood, Mrs. Leila Gilley, Mrs. Donald Pennell, Mrs. Hub Haire, Mrs. Jack Myers, Mrs. J. A. Stallings, and Miss Henrietta Nichols.

The group meets monthly, with Mrs. J. A. Stallings to be hostess for the April gathering.

# Mrs. Kay Pace is hostess at party

The home of Mrs. Kay Pace, 511 West 12th Street, provided the setting for a home interior decoration show Thursday evening, with Mrs. Sherry Josey as co-hostess.

Eighteen guests were present to see demonstrations by Mrs. Ann Biles of Lubbock.

Refreshments of cookies, coffee and soft drinks were served.

Attending were: Mrs. Bert West, Mrs. Joan Miller, Mrs. Margaret King, Mrs. Ann Haire, Mrs. Patty Kirkpatrick, Mrs. Zoe Kirkpatrick, Mrs. Lorry Lou McAllister, Mrs. Earlene Kuykendall, Mrs. Jeannette Hall, Mrs. Mary Sha. p. Mrs. Jerry Hester, Mrs. Bonnie Duren, Mrs. Marcella Hair, Mr. Weaver McCamey, Mrs. Virgie Jenkins, and the hostesses.

# Mrs. Williams has HD Club program

Mrs. W. D. Williams spoke to members of the Junior Home Demonstration Club at Friday's meeting on "party refreshments".

The club met at 3 o'clock in the home of Mrs. Roy Josey. Those who hadn't drawn for their secret pals did so and Mrs. Melvin Williams was introduced as a new member of the group.

Sandwiches, cookies and punch were served to the following members:

Mrs. Darrel Ray Norman, Mrs. Billy Meeks, Mrs. Jim R. Norman, Mrs. Ronald Joe Babb, Mrs. Gene Kennedy, Mrs. Clarence Gunn, Mrs. Bobby Terry, Mrs. Ray Neal Henderson, Mrs. Bobby Crowder, Mrs. A. J. McAllister, a guest, Mrs. Jerry Epley of Abilene, and Mrs. Josey.

# Mrs. F. A. Gilley is hostess for meeting

An afternoon of visiting and sewing was spent when members of the Needlecraft Club met Friday at the home of Mrs. F. A. Gilley.

Mrs. Jack Kennedy was introduced as a guest and refreshment plate was served to the following:

Mrs. J. R. Durrett, Mrs. Boone Evans, Mrs. M. J. Malouf, Mrs. Ida Robinson, Mrs. Pat Walker, Mrs. H. J. Dietrick, Mrs. Connie Taylor, Mrs. H. W. Schmidt, Mrs. Tillman Jones, Mrs. L. G. Thuest Sr., Mrs. C. M. Moss, Mrs. Jack Kennedy and Mrs. Melinda Malouf.

Friday, March 13, the group will meet with Mrs. Connie Caylor.

# Sunday School class has dinner Monday

Approximately 25 people attended a dinner party for the 50-50 Sunday School class for couples at the First Methodist Church Monday night.

The party was held in Fellowship Hall of the church, beginning at 7:30 o'clock.

A salad dinner was served, after which games were played.

# TAKEN TO HOSPITAL

A. T. (Arthur) McCampbell was taken to Scott & White Hospital in Temple Saturday by Mrs. McCampbell and their son, Howard. Mr. McCampbell remained there with her husband and Howard returned Sunday.

# DALLAS VISITORS

Weekend visitors in the home of the Rev. and Mrs. C. D. Nowell were their son and daughter-in-law, Mr. and Mrs. Bobby Nowell and son of Dallas.

# GUESTS FROM ANTON

Mr. and Mrs. D. C. Roberts Jr. and children of Anton visited here Sunday with Mr. and Mrs. D. C. Roberts Sr.

# Clubs \* Personalities \* Churches

Please Send or Telephone News to RUBY WILLIAMS, Women's Editor, Telephone 111, Not Later Than Wednesday Morning

HAT MAKING WORKSHOP

The women pictured above were among several Garza County women who took advantage of the Hat Making Workshop conducted by Miss Jessie Pearce, county agent, Thursday. She was assisted by Mrs. N. C. Outlaw. The workshop, held at the 4-H club building, began early that morning, recessed for a noon luncheon, and continued well into

the afternoon, with the results being several different hat creations. Shown standing, left to right, are Mrs. Clyde Haire, Mrs. Sam Martin, Mrs. Gene Kennedy, and Mrs. Stanley Butler. Seated at the table and working on their hats are, left to right, Mrs. Herman Dabbs, Mrs. Robert Mock, and Mrs. Ben Brewer. — (Staff Photo.)

# Workers' Conference to be at Friendship Baptist March 9

The Worker's Conference and Fellowship of the Lubbock Baptist Association will meet with the Friendship Baptist Church at Close City Monday, March 9, the Rev. Ed Bates, pastor, has announced.

Theme for the conference will be "Soul Winning" with texts "Fishers of men", Mark 1:17, and "We persuade men", 11 Cor. 5:11.

The day of conference and fellowship will begin at 9:45 with song and praise led by Revis McGrew, Calvary, Music Director of Association, followed by scripture reading, devotional thought and prayer by D. G. Davison, Parkdale.

Other events of the morning will include "The Crusade and Prayer", J. T. Bolding, Lubbock; "The Crusade and the Holy Spirit", John period led by Dr. W. M. Turner, congregational hymns; special music arranged by Revis McGrew and "The Crusade and the Gospel", C. B. Hogue, pastor of the First Baptist Church, Post.

At 12:10 lunch will be served, after which the associational board meetings, W. M. U. Conferences, and Stewardship Conference, led by Mrs. Roy Matthews will be held.

Mrs. Victor Hudman will be in charge of a program on Acts: 3-4 when the group meets March 16 at the home of Mrs. Hub Haire.

# Justiceburg lunchroom is scene for birthday party

The Justiceburg school lunch room was the scene recently for a party honoring Dee Cecil Justice on his sixth birthday.

Games were played and cup cakes, cold drinks, and ice cream sticks were served to the group of youngsters. Favors consisted of bubble gum and balloons.

Assisting his mother, Mrs. Mason Justice, were Miss Marilyn Minor and Miss Nita Wilson of Post, who served.

The guest list included: Ben and Jennifer Miller, Susie and Nona Forrest, Denise and Benny Schiehuber, Robbie and Danny McWhirt, Arlene Wilson, Dell Ross Claborn, Bobby, Skipper and Junior Bevers, Billy Wayne and Donnie Blacklock;

Also, Kenneth, Jimmy and Pat Jones, Bobby McCowen, Clyde Allen Cash, Barbara and James Boren, and guests from Post included: Marilyn Joan, and Johnnie Minor, Jackie, Karen, Carol and Larue Wilson, Nita Wilson, and Mickey Martin and Miss Carolyn McCowen.

Mothers attending were Mmes. Tommy Forrest, Riley Miller, Bud Schiehuber, Billy Blacklock, Albert Bevers, J. K. Jones, Jim Boren, Weldon Reed, Cameron Justice, Cecil Smith, Bandy Cash, Douglas McWhirt, James Minor, Gordon Wilson, Almon Martin.

A memorial to Sir Baden-Powell, founder of the Boy Scout movement, is planned in London.

A dip in Thailand's tungsten production is reported by Bangkok.

Mexico has a record 1958 corn crop.

# 'Texas' topic continued at Woman's Culture Club meet

Continuing with the year's study topic of "Texas, Yesterday and Today," members of the Woman's Culture Club presented a program entitled "Magnificent Contributions of Texas to Two Wars" when they met last Wednesday at the home of Mrs. W. L. Davis, with Mrs. J. R. Durrett as co-hostess.

The afternoon program was begun with roll call answered with "War Experiences".

Mrs. M. J. Malouf was in charge of the program, discussing the program topic, with Mrs. J. F. Storie telling of "Some Texas War Heroes".

Minutes were read and approved by the club.

During the business session it was decided to hold the style show at the March 11 meeting, to begin at 2:30 p. m. instead of the regular 3 o'clock meeting time.

Costumes, originally designed and executed by members, will be modeled by the ladies.

Miss Kay Martin, senior girl, was announced as winner of the reading award for Post High School and Anna Mae Spencer as winner for the colored school.

Club members were reminded to save their magazines for the colored school.

Members present were: Mrs. Walter Boren, Mrs. Douglas Buchanan, Mrs. Connie Caylor, Mrs. J. H. Haire, Mrs. Tillman Jones, Mrs. M. J. Malouf, Mrs. R. T. Smith, Mrs. E. S. Stewart, Mrs. Ralph Welch, Mrs. Almon Martin, Mrs. Davis and Mrs. Durrett. Mrs. Caylor will be hostess for the March 11 gathering with Mrs. Lee Davis assuming co-hostess duties.

# Jones home scene of surprise party

A surprise birthday party was given Mrs. Ed Bates Saturday night in the home of Mr. and Mrs. Barney Jones in the Close City community.

Mrs. Bates opened her array of birthday gifts, after which games of "42" were played.

Refreshments of birthday cake, cookies, coffee and cold drinks were served.

Guests included: Mr. and Mrs. James White, Mr. and Mrs. A. T. Nixon, Mr. and Mrs. A. J. Howell Sr., Mr. and Mrs. Sam Sanders, Mr. and Mrs. Carter White and daughters, Mr. and Mrs. Clarence Gunn and Darlene, Mr. and Mrs. Mike Custer;

Also, Mrs. Sherry Carpenter and son, Mr. and Mrs. Thurman Maddox and Nancy, Rev. and Mrs. Ed Bates and children, Mr. and Mrs. Robert Craig and sons, and Mr. and Mrs. Jones and Reta Fern.

# Annie Armstrong mission program is held by WMU

The Women's Missionary Union of the First Baptist Church met Tuesday morning for the annual Annie Armstrong Home Mission Program. This program takes care of Jewish, Negro, Mexican, migrants, Indians, Chinese and destitute people in the United States. The offering goal for this year is \$800.

Mrs. C. B. Hogue, prayer chairman, directed the program and was in charge of the luncheon.

Decorations for the day carried out a spring theme, with colors of green and yellow used. Yellow jonquils and green tapers adorned the tables, where a luncheon consisting of chili, salads, and desert was served.

Assisting in the program were Mrs. L. G. Thuest, Mrs. George Shirley, Mrs. Walter Johnson, Mrs. Bob Baker, Mrs. Stanley Butler, Mrs. Winnie Henderson, Mrs. W. C. Caffey, Mrs. Arnold Parrish, Mrs. Lawrence Cook, Mrs. Boy Hart, Mrs. Richard Dudley, Mrs. Keith Kemp, Mrs. Ruth Stewart, Mrs. Mike Vardeman and Mrs. Ed Isaacs. Music was furnished by Mrs. Glenn Norman, Mrs. Noblett and Mrs. John.

# Floyd Hubbert to preach Sunday at Friendship Baptist

Floyd (Hoot) Hubbert of Lubbock will preach at the Friendship Baptist Church Sunday night at the 8 o'clock service.

He is a member of a non-demonstrational church in Lubbock and will tell of his experiences before being saved and made a Christian.

The public is invited to attend the service.

# Jr. Training Union has picnic Friday

The Junior I Training Union department of the First Baptist Church was entertained with a picnic at the church yard Friday evening.

Barbecued hamburgers, cold drinks, and cookies were served to Joyce Corley, Patsy Pierce, Walter Johnson Jr., Ronald Thuest, Charles Neff, Doris Heaton, Ricki Heintz and James Alexander.

William Robinson, Training Union director, sponsored the event and Rev. Bill Hogue was a special guest.

# Merrymakers meet in Hargrave home

The afternoon was spent in working on cup towels when members of the Merrymakers Club met with Mrs. E. A. Hargrave Tuesday.

Members present were: Mrs. Alice Parsons, Mrs. J. F. Storie, Mrs. S. C. Storie Sr., Mrs. H. N. Crisp, Mrs. Bonnie Adamson, Mrs. J. R. Kiker, Mrs. H. F. Wheatley, Mrs. Wren Cross, Mrs. Lonnie Peel, and Mrs. Hargrave.

Mrs. Kiker will be hostess for the March 10 meeting.

# Mrs. Lawrence Thomason is honoree for shower

Mrs. Lawrence Thomason, the former Miss Ellen Nowell, was complimented with a miscellaneous bridal shower Tuesday evening in the home of Mrs. W. C. Kiker.

The serving table was laid in white lace and featured a centerpiece of pink rose buds.

The hostesses alternated in serving punch and cake squares and displaying the honoree's gifts.

Hostesses for the occasion were Mrs. Roy James, Mrs. Graydon Howell and Mrs. Kiker.

# Postscripts

The Graham Thursday Club met last week in the home of Mrs. Jess Propst. Following a business session, an afternoon of visiting and sewing was spent with refreshments of ice cream, cake, nuts and cold drinks served. Members present were Mmes. P. E. Stevens, Bill McMahon, O. H. Hoover, Will Wright, Alvin Morris, Glenn Davis, and a guest, Mrs. Virgil Bilbo.

Shop Foreman James Hill and wife, Jennie Lou, were guests for a surprise coffee Tuesday afternoon at The Dispatch. The Hills, who are moving to Knox City, were present farewell gifts. Others present were Mr. and Mrs. Donald Ammons and Donna, Mr. and Mrs. Jim Cornish, Charlie Didway, Abel Camacho, Mrs. Orabeth White, Mrs. Ruby Williams and Mr. and Mrs. Ken Cornell. Brownies and coffee were served.

Guests of Mr. and Mrs. L. G. Thuest Sr., over the weekend were Mrs. Ben L. Thomas and children of Dalhart and Mrs. Thomas' mother, Mrs. Johnny Seibert of Winnett, Mont.

Mr. and Mrs. Irby G. Metcalf Jr., and Mr. and Mrs. Tom Power returned to Post Monday after attending the Fat Stock Show at Houston over the weekend.

# Mr. and Mrs. J. A. Rogers celebrate 65th anniversary

Mr. and Mrs. J. E. Rogers celebrated their 65th wedding anniversary recently at the home of their son and daughter-in-law, Mr. and Mrs. J. A. Rogers.

Mr. Rogers and the former Miss Ellen House were married Feb. 25, 1894, in the home of his parents. Rev. Smith performed the ceremony.

The Rogers, who first lived in Arrol, Mo., moved to Kansas by covered wagon where they lived 34 years before moving to Texas to reside with their son and his family, the J. A. Rogers. They have been residents of Post since 1946.

A host of friends and relatives called between 3 and 5 o'clock for the occasion.

Miss Imogene Milliken of Norborne, Mo., great-granddaughter of the couple, and Mrs. Marie Powers of Lubbock, their granddaughter, presided at the serving table where they served cake and coffee.

The table was laid in white and centered with an arrangement of red roses and white tapers.

Among those attending the event were their sons, Vern Rogers of Beloit, Wis., and Lester Rogers of El Dorado, Kans., their daughter, Mrs. Nellie Lilly and husband of Pratt, Kans., Mrs. Leona Rogers, their daughter-in-law of Braymer, Mo.;

Mrs. Otis Milligan of Norborne, Mo., their granddaughter, Imogene and Roger Milligan of Norborne, Mo., their great-grandchildren; Mr. and Mrs. Bill Powers, Sheila, Leland and Steve, of Lubbock, Mrs. Powers is their granddaughter.

# Weekend in Waco

Mr. and Mrs. Ardell Williams and children spent the weekend at Waco with his mother, Mrs. W. P. Woods.

## ... for a GIRL'S EASTER

# Corner on Cotton

BY BOB COLLINS

A lower price alone isn't going to keep cotton competitive. True, cotton must have a competitive price, but there are two or three other sides to the "cotton use" problem. One little thought of angle is a constant source of supply. You can't expect mills to promote cotton with large financial outlays for advertising, etc., when they may find themselves without the fiber because of drastic acreage cuts or legislation that price cotton too high for sales no matter what promotion is used. Also, cotton's uses are challenged by new developments in other fibers. Sometimes a new product can do a better job in a specific field. So cotton must keep looking for new markets. The only way this can be done is by research and development. If cotton is to survive, it must not only be priced at the right level, but it must improve itself, just as other fibers are doing, and it must create demands by promotion. There's going to be a fight for markets as long as we have a free economic system. That's the reason we've progressed so much in the U. S. Let's keep it that way and let's keep cotton competitive.

### More Stretch

Campaign is underway to put more stretch in cotton fiber. A couple of experts figure it's one of the most important areas of basic research for cotton. When cotton does become more elastic, it will be in a much better position to compete with other fibers in sweaters, winter suits and like markets.

### Two Stomachs

Animals who have at least two stomachs, such as cows, thrive on cottonseed products. But the poor chickens and hogs, who have only one stomach, can't match up to the food. In fact, an overdose to a chicken can be fatal. To the chicken, that is why? Research is underway to find out and maybe correct it. What a market could open up!

### For Free

Like a chart showing estimate of cotton prices this year? Send name and address to Corner on Cotton, P. O. Box 1022, Memphis 1, Tenn. It's free. If you wrote for the other free work sheet you'll get this one automatically.

## Crosbyton building new city lockup

CROSBYTON — The City of Crosbyton, plagued by a recent outbreak of burglaries, has laid the foundation for a new city jail. City Secretary Norton Barrett said the city is also taking applications for a city policeman. Crosbyton has been without a city officer since last fall.

### Tahoka housing units

TAHOKA — Plans for Tahoka's 14-unit housing project to be financed by the Public Housing Administration are going forward, with completion of all plans expected before July 1, according to J. M. Uzzle, executive director of the Local Housing Authority.

Resin-treated cottons can stand higher heat, both in washing and pressing, than other wash-and-wear fabrics.

# A Church Not Supported Weekly Is Weakly Supported

Somewhere in the background of most church-members there lies a childhood church. For many of us it was a little, very unimpressive building, but the Gospel we heard there was most impressive; it spoke of the real questions we had about life, why we were here and where we are going. Over the years, however, we have moved far away from the little church, but, tragically enough, many of us have left our membership and loyalty back with the old church of childhood. It is a tragedy because now we really have no church; we are neither a part of that church or one where we live. It is most important that one keep alive his fellowship with others who are trying to worship God and live by that faith. To the fellowship God gives strength and guidance, joy and comfort which are utterly missing elsewhere. Don't be a cut flower Christian. Keep your roots planted in a church of which you are a living part.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

# American Optometric Association plans vision screening of drivers

ST. LOUIS — A public service project providing vision screenings for 100,000 automobile drivers during 1959 has been announced by the American Optometric Association.

The project is being launched during Save Your Vision Week, March 7-9, in cooperation with the General Federation of Women's Clubs and other organizations. It is at highway safety by reminding motorists that "Driving Takes Vision."

When screenings of the 100,000 drivers are completed later in the year, tabulations are expected to provide data useful to

highway safety experts and driver licensing authorities.

**OPTOMETRISTS** across the nation are offering to assist service clubs, other civic and safety groups in sponsoring the program on local and state levels. The plan seeks to expand a pilot survey which already has provided data on the vision of 3,000 motorists in 25 states.

"In that sampling, one driver out of five was found to be deficient in one or more of the basic vision skills which affect safe driving," reports Dr. Hoyt S. Purvis of Jonesboro, Ark., president of the American Optometric Association. This includes many who wear glasses, he pointed out.

**"BY EXTENDING** the survey to all parts of the country," Dr. Purvis explained, "our hope is to make the motoring public keenly aware of visual requirements for safe driving. Even those who are slow in having defects corrected will at least know of their shortcomings and may adjust their driving habits to safer limits."

"Tow few now realize that 90

per cent of all driving decisions are based on sight," he added. Acuity, or ability to focus and see clearly with each eye separately and both eyes together, particularly at a distance, is a vision skill in which 21 per cent failed to meet minimum standards in the pilot survey.

**"YET TESTS** show that 99 out of 100 can have this deficiency corrected to safe standards," Dr. Purvis said.

Other vision skills in safe driving are depth perception, or ability to judge space and distance; field of vision, or ability to see to the sides when looking ahead; muscle balance or ability to point eyes simultaneously and easily at a given object, and night vision, which includes resistance to glare.

Known as the National Survey of Automobile Drivers' Vision, the plan is outlined for participating sponsors in a kit available through members of the American and state optometric associations.

**ITS PATTERN** follows that of the pilot study, which was sponsored jointly by the A.O.A., its Woman's Auxiliary, the Automotive Safety Foundation, the National Home Demonstration Council and other organizations. Using portable

screening equipment, tests were administered under the supervision of licensed vision specialists.

"These tests, although not the equivalent of a professional examination, do give a reliable appraisal of the individual's sight factor in safe driving. With the help of many communities to reach a broad cross-section," Dr. Purvis concluded, "they are a sound approach to better driving practices."

## WEEKEND VISITOR

Miss Barbara Wheatley, student at West Texas State College, Canyon, was a weekend visitor of her parents, Mr. and Mrs. Henry Wheatley, Pat and Kent.

The 1958 cranberry crop was the largest since 1953.

## Vet's Forum

Q. What is the deadline for getting a GI home loan for a World War II veteran?

A. World War II veterans have until July 25, 1960, to apply for a GI loan, and up to a year after that in which to complete arrangements with a lender. Korea veterans have until 1965.

Q. If I take out the new GI insurance disability rider, which pays up to \$100 a month for total disability after six months, will the amount my beneficiaries would get under the policy be reduced?

A. No. Disability payments made under the rider in no way decrease the amount paid to beneficiaries of your GI insurance policy.

Q. It may be necessary for me to borrow on my permanent plan GI insurance policy. Is there any special way I must pay back the loan?

A. Repayment of the principal on GI permanent plan policy loans may be made at any time the insurance is in force; amounts of \$5 or even multiples thereof are acceptable.

Britain's Anti-Litter Act is succeeding.

## O.G. Hamilton's QUESTION BIRD

What should I promise my children to get them to take their vitamins? Anxious Mother

**Answer:—**  
Promise them better health!

Every family's budget ought to have an item covering Health Protection. Under it would come regular visits to the doctor and to the dentist. Much pain and much illness would thus be avoided. We offer this thought for your thoughtful consideration.

## Rural accidents kill 4 in county in 1958

Four of 18 rural traffic accidents that occurred in Garza County during 1958 resulted in fatalities, Sgt. E. L. Stroud, Highway Patrol supervisor of this area, announced today.

These accidents caused a total property damage of \$19,223, with nine persons injured and five lives lost, the Highway Patrol's report showed.

"In 1958 Texas recorded 1,869 fatal motor vehicle traffic accidents which resulted in 2,311 deaths," said Sgt. Stroud. "Of this number, 639 were in cities over 2,500 population while the remaining 1,672 were rural traffic deaths."

The sergeant further pointed out that these figures were not complete and an accurate count will not be known until about March 15. He estimated that when the final reports are received, the 1958 death figure should be approximately 8 per cent less than in 1957.

Sgt. Stroud said the Highway Patrol had investigated three rural accidents in Garza County during January of 1959, with all three resulting in property damage, but none in personal injuries.

The sergeant pointed out that speed continues to be the number

one killer in traffic accidents throughout Texas and called on all motorists to voluntarily observe the speed limits in an effort to prevent further carnage on our streets and highways.

## Post students named officers at college

CANYON—Pat Stephens and Don Tatum of Post have been recently named among officers for Chi Gamma Iota, national fraternity for veterans at West Texas State College.

Tatum, son of Mr. and Mrs. Ira O. Farmer of Post, will serve as historian. He is a junior accounting major and a 1952 graduate of Post High School.

Stephens, sophomore secondary education major, will officiate in the office of vice-president. A 1951 graduate of Post High School, Stephens is the son of Mr. and Mrs. J. W. Stephens, Post.

Alaska, reports the state's highest—and lowest—temperatures. According to The World Book Encyclopedia, weathermen reported 100 degrees F in June, 1915, and -78 degrees F in January, 1886.

Impala Sport Coupe—like every Chevy—has Safety Plate Glass all around.

## Chevy stops quickest... goes farthest on a gallon!

Chevy showed the best brakes of the leading low-priced three in a test of repeated stops at highway speeds conducted and certified by NASCAR\*. Chevy also won over the other two in a NASCAR economy run—with the highest gas mileage for 6's and V8's at cruising speeds of just over 55 miles an hour.

Here's a car that knows how to get the most out of a gallon. And it's the only car in its field to bring you hydraulic valve lifters in all popular engines—6 and V8. This means smoother, quieter performance for you. There are many other advances just as fundamental as the efficiency of Chevrolet's engines and the depend-

ability of its new brakes (with more lining area than any other low-priced car). But why not stop by your dealer's and let Chevy do its own sweet talking!

EVERYTHING FOR THE BUILDER

Postings—

(Continued From Front Page) new home — an apartment over the newspaper plant. James will be going today or tomorrow to join them—as soon as he winds up his duties here.

Replacing James at our big intertype machine in the back shop as operator is Ken Cornell, who comes to Post from Irving, one of those "bedroom suburbs" between Dallas and Fort Worth. Ken was shop foreman of the Arlington Journal for five years prior to its consolidation with the Arlington Citizen. The Journal was just about the biggest weekly in those days. Ken has worked in other Texas weekly newspaper backshops and not so long ago returned from a print shop position in Portland, Ore. Ken and his wife, Jane, are coming to Post the easiest possible way—by bringing their home with them. It's a two bedroom trailer which they will tow in Sunday. Ken is an enthusiastic fisherman and quite an authority on Texas lakes as he published a map of ten Texas lakes and continues to sell copies of his fishing map to many interested fishermen in Dallas and Fort Worth.

So much has happened this last week, this column may get rather disorganized. That announcement on the \$3,000,000 White River dam loan arrived by telegram during the noon hour Friday and it didn't take us five minutes to make up our minds to get to press with the first "extra" in The Dispatch's 32 year history. Everybody pitched in with Editor Charlie Didway overseeing the job and we hit the street with a thousand copies in under 2 hours. We sold several hundred copies and probably would have sold a lot more but paper boys these days get sort of embarrassed going around the street yelling "extra." We just couldn't get them to sound off. We know some of the copies got mailed out of town to people whom Post folks wanted to know that something big would soon be happening.

Jim Peede is going all out for a real bang-up Grand Opening of his Jim's Gulf Service service station at 101 North Broadway Friday and Saturday. He's giving things away to all members of the family—lollypops, balloons, Nylon stockings, lighter fluid, and chrome polish—and also will give a Kroehler Reclining Chair and a Motorola transistor radio as his two grand prizes. Turn to page 11 and see his full-page Grand Opening ad. Jim took over operation of the station Feb. 1 from the Bob Willoughbys and has added Gulf tires, Gulf batteries and a whole guaranteed line of Gulf auto accessories for the benefit of motorists. He's open 24 hours around the clock, young enthusiastic and ready to please. So stop in Friday or Saturday and participate in his Grand Opening.

On page 8 you'll find Tom Harmon's first big grocery promotion at his O.K. Foods on North Broadway. It's the announcement of Kuner's Canned Food Carnival. Tom has been operating the O.K. Foods since a year ago January.

Post, in the not too distant future is going to get another opportunity for residential mail delivery. Postmaster Harold Voss already has a date with a postal inspector to come here and look into the proposal and the fellows over at the postoffice already are busily getting a city map ready for some delivery planning. It's going to mean a lot to Post folks and all it will require is your interest, a street number on your house and a mail box put up by the door. Of course, mail delivery won't be possible to all homes in Post because a paved street or sidewalk is required, but if patrons indicate this time they want the service they probably can get it. Two years ago, lack of interest kept residential mail delivery from becoming reality. We don't think that will happen again.

Claud Collier over at Caprock Chvrolet turned good samaritan Monday night when he learned that an air force jet pilot and family en route to Hamilton, Tex., for the funeral of his wife's mother, were stalled here in Post when their car broke down. Claud and his wife drove the couple and their four small children to Sweetwater that night where a car from Hamilton picked up the family for the rest of the trip on to Hamilton. That's being mighty neighborly and the pilot, Lt. Dick Ives was mighty, mighty grateful and told us so. The family was en route to Hamilton from an air force base near Portales, N. M.

The Texas State Library Bookmobile made a big hit in its first stop in Post Saturday morning. It was parked in front of the Tower Theatre. It had some 2,000 well chosen books aboard divided into departments of reference books, children's books, youth books, adult fiction, and adult non-fiction. The bookmobile will work with a library of 6,000 books which means that it will have different books on different trips. We signed up for a checkout card and know a lot of our friends are looking forward to its first "checkout" visit to Post Saturday, March 21. We hear that Crosby County is so interested in the project that a Cros-

IRBY R. COX

Training Union campaign set

Irby R. Cox, minister of education of the First Baptist Church in Grand Prairie, will direct the Enlargement Campaign of the Training Union of the First Baptist Church, here March 8-11.

The major objective of the campaign is to help the Training Union become strong enough to reach and hold all church members in its training ministry. The campaign will proceed by enlistment of the leadership needed and the construction of a solid foundation in each department and in the entire Training Union, so that the enlargement may be constructive, continuous, and permanent.

A joint class for adults, young people, and intermediates will be taught by Cox, with leadership provided for separate classes of other departments.

Special conference for directors and leaders will be held during the four days.

Rev. C. B. Hogue, pastor of the church, aided by Bob Miller, educational director, and William Robinson, TU director, will assist in leading the campaign.

Chamber member drive planned

The Post Chamber of Commerce will launch its 1959 membership campaign next week under the direction of Membership Chairman J. B. Potts.

Other members of the membership committee who will help in the drive are Dowe Mayfield, Lynn Duncan, and Tom Potts.

Potts met Wednesday afternoon with the new Chamber board at the Chamber office to plan drive details.

Directors Wednesday also authorized sponsorship by the Chamber of prizes Saturday at the Garza County 4-H and FFA Project Show at the 4-H Building.

City Council—

(Continued From Front Page) questioned. THE ELECTION judges were also told that there will be no canvass of the election returns, but that the results will be determined upon the affidavit of three of the election officials after the votes are tabulated. The city council will then pass on the affidavit before taking action if the annexation proposal carries.

The council took action on the proposed fire hazard ordinance after hearing Fire Marshal Ralph Cockrell tell of the danger posed to fire safety by unoccupied shacks here and there in the city. He said that one of these shacks had burned recently and that there are others constituting hazards.

MAYOR MINOR told the council that City Supt. Henry Tate has all equipment on hand for installation of a sprinkler system by the city at the City-County Park. He said that Tate expects to take other steps toward the system's installation upon his return from College Station, where he is attending a short course.

The mayor also called attention to the need of "patching" paving on West Main Street, from the courthouse west, this year and to the need of two additional street lights in the vicinity of the railroad crossing on East Main Street.

Best one-act play actors are picked

Large crowds attended the plays held last weekend in the grade school auditorium—the high school speech department's one-act plays on Thursday and Saturday nights

WR project—

(Continued From Front Page) from oil companies to use surplus water from the dam for water flooding operations in Garza fields.

Bouchier emphasized, however, that only 50 per cent of the surplus water sales estimated by the engineer as needed to make the dam financially feasible will be required by the government as a loan condition. Previously 100 per cent of the estimated water sales had been required. The reduction was expected to make the solution considerably easier.

TWO OIL COMPANIES have signed letters of intent to purchase water and it is hoped that firm contracts can be worked out within a few months to meet the federal requirements.

Bouchier said that purchase of the dam site and right-of-ways for the water lines to the four cities cannot be negotiated until after the federal funds have been received.

The \$3,000,000 federal loan will be at an interest rate of either 4 or 4 1/2 per cent. White River district officials hope to obtain the 4 per cent rate. The higher rate will be necessary if the number of years of the loan has to be extended over a longer period than now estimated.

R. J. (Rube) Jennings, president of Postex Mills, voiced the sentiments of many Post business men Friday when he declared that "personally I think that this is the beginning of the time Post can really start growing."

"WE HAVE BEEN held back here by the lack of water," Jennings said. He said the White River dam will be a definite step "in the right direction" for additional mill growth. He didn't want to spell out what future growth might include, but the mill in the past has indicated a dye plant would be added here when enough water became available.

Mayor James Minor said Friday that "The White River Dam will be the greatest thing that has ever happened to the four towns in their entire history."

Planning the White River project got underway over three years ago with a meeting of representatives of the four towns in Crosbyton in January, 1956.

On page 3 of today's Dispatch, a brief resume of the plans and costs of the dam are printed along with a map showing the dam's proposed location and routes of the water lines to the four towns.

City Council—

(Continued From Front Page) questioned.

THE ELECTION judges were also told that there will be no canvass of the election returns, but that the results will be determined upon the affidavit of three of the election officials after the votes are tabulated. The city council will then pass on the affidavit before taking action if the annexation proposal carries.

The council took action on the proposed fire hazard ordinance after hearing Fire Marshal Ralph Cockrell tell of the danger posed to fire safety by unoccupied shacks here and there in the city. He said that one of these shacks had burned recently and that there are others constituting hazards.

4-H building—

(Continued From Front Page) building possible, the agent said. These donors include John F. Lott, Giles McCrary, Irby G. Metcalf Jr., Brown Bros. et al, First National Bank, City-County Park Board, Garza County and the Planters Gin. The remainder of the money came from profits from the Junior Rodeo.

There are plans, Miss Pearce said, for completing the interior of the building—with a kitchen and with shelves in the store room. The shed will be closed in, concrete run down the middle and pens built for the livestock.

"All this will be done as soon as money is available," the agent said.

As the building is used for large functions, there will be need for additional chairs and tables and all types of kitchen equipment, dishes and silverware.

"The building is far from completed as planned," Miss Pearce continued, "but is at a stage where it will be a real contribution to the community in meeting needs for a large room for meetings. It will seat 200 people at tables for banquets, and many more than that when seated only."

Rotary Club—

(Continued From Front Page)

Potts, Holdover directors for next year will be Julian Smith, David Newby, and the Rev. Clinton Edwards.

Irby G. Metcalf Jr., spoke briefly on the program Tuesday on keeping the American dollar strong and warned of the dangers of any devaluation in the future.

Ronnie Parker spoke briefly on the Rotarians' Four-Way Test.

BREAKS LEG IN FALL

Mrs. C. D. Nowell, who slipped and fell, breaking her leg at Postex Cotton Mills, Inc., last Thursday, was re-admitted to Garza Memorial Hospital today after having undergone surgery in Lubbock Wednesday. She will remain in the hospital here for a recuperating period.

Schools Week is being observed

The number of patrons visiting the schools this week during Public Schools Week was said by school officials today to be "gratifying," but not as large as had been hoped.

"We realize, of course, that many parents are unable to attend because they can't find the time during the school day," one administrator said.

Up to 2 p. m. Wednesday, approximately 80 visitors had registered at the elementary school and about 30 at the junior high school. A fewer number of high school parents had found time to visit the high school.

Refreshments are being served to each school by members of the Parent-Teacher Association.

Lapel ribbons calling attention to Public School Week have been distributed by members of the Student Council.

Next Thursday night, the P-TA will sponsor a teacher appreciation banquet at the city hall, beginning at 7:30 o'clock.

Camp site—

(Continued From Front Page)

They have not been found in such numbers anywhere else, Runkles said. "In fact, this is the first excavation site we know of that has yielded this single-notch type of points," Runkles stated.

He said the site seems to be an "unmixed" one, meaning that the artifacts found there appear to have been left at approximately the same time and do not represent different cultures and periods of time.

The Garza County archaeologists have had full control over excavation work at the site, Runkles said. He said members of the South Plains organization had visited the site and would assist in the typing and classification, but that it would be some time yet before this would be completed.

Lectureship—

(Continued From Front Page) Rotary Club dinner for school teachers last September.

Other lectureship speakers are Bobby Hoover, evangelist for the Vandalia Village Church of Christ in Lubbock; John McCoy, who has preached for the Crescent Hill Church congregation in Brownfield for eight years; Stanley Shipp, who is now preaching in Sweetwater after several years work with the church in Douglas, Wyo.; George Stevenson, who preaches for the Broadway Church of Christ in Lubbock; John Gipson, who preaches for the Parkview Church in Odessa, and the host minister, Ronnie Parker.

Each evening program during the 7:30 o'clock.

Sheriff Rains probes broken windshield

Sheriff Carl Rains was in Southland from 10:30 p. m. Monday until 1 a. m. investigating the shattering of an automobile windshield by a rock or a pellet from a pellet gun.

The sheriff said Mrs. Ruby Ellis was driving her mother's, Mrs. Bill Basinger's, automobile when the windshield was struck. He said he was unable to determine what broke it, but that the car's driver said she heard what sounded like a shot just before the glass was shattered.

Gunshot victim's rites scheduled

Military rites were held Wednesday morning in Albuquerque, N. M., for Wayne (Mac) McPherson, 19, son of Mr. and Mrs. Luke McPherson, of Tyler.

McPherson was stationed in Albuquerque, with the U. S. Navy. He was known here through his many visits with Glenn Huntley, who is on a 30-day leave and has been stationed in Albuquerque.

The body is scheduled to arrive in Tyler Friday morning with funeral services to be held at 4 o'clock in a Tyler funeral home.

He was accidentally shot while he and a friend were over at Jeffrey Byrd's home. Byrd was putting his gun up, when it went off, hitting McPherson.

Several friends from Post are planning to attend the Tyler services.

Lubbock man injured

Joe Rodriguez, an employee of a Lubbock cotton concern, suffered back injuries and a broken leg Saturday morning when a bale of cotton he was helping to unload at the Postex Mills here fell on him. He was treated at the Garza Memorial Hospital and then taken by ambulance to a Lubbock hospital.

# Little League, Pony League meeting set

Plans for the coming Little League and Pony League seasons will be discussed Friday night at a meeting at the city hall, Leo M. ... league official, has announced. The meeting will begin at 7 o'clock.

All adults interested in the Little League and Pony League are urged to attend the meeting, since the attendance and interest shown may determine whether or not

either or both leagues will be operated this season.

"There was a slackening of interest in the youth baseball programs last season," Acker said, "and we need to know whether or not interest is going to be high enough to warrant operation this year."

League directors will also be elected at the meeting.

If the Pony League operates again this season, a new league may have to be formed. During the two seasons the PL program has operated here, two Post teams have formed a league with two Tahoka teams, but word from Tahoka is that a Lynn County league is to be formed there.

"That would mean," Acker said, "that we would have to get enough boys to have four teams here or form a league with some other town as we have done the last two seasons."

This would be the fourth season of operation for the Little League, which has been comprised of four Post teams since its inauguration here.

By VERN SANFORD

As you have been reading a great deal of the newspapers recently about the killing and netting of fish in Texas lakes and streams. This job has become so important that the Game and Fish Commission is using airplanes and helicopters to spread lime on the surface of major waterways.

Each work has been carefully planned. Through constant testing, a fish biologist has learned exactly how much rotenone is needed to kill off certain kinds of fish without affecting the ones that are in the water.

It also has been learned that where there is a preponderance of rough fish, the game fish population diminishes. Bass that should weigh 10 pounds never get much larger than yearlings. And soon netting on the lake show that by both night and number, the rough fish are taken over.

Most of us think of rough fish in terms of carp, buffalo and catfish. One of the major problems, however, is the hickory shad, which is prevalent in every lake in Texas. It multiplies by the millions. They take over, consuming food otherwise might go into making bigger and better game fish. When an impoundment becomes populated with these fast breeders, there are three methods of control.

The simplest, of course, is to empty the lake. Sometimes this is done, but seldom is it practical. Another method is a heavy rotenone capable of killing all the fish in the lake. Naturally, this is desirable.

THE NEXT STEP is a selective method of the water of the lake. Then a mixture of rotenone is spread over the surface of the lake, either by plane or boat. This is the latest and the preferred method.

Within the last few years many of the shad have been killed by selective treatment. Better fishing always has resulted. It is a hard job, however, because the rotenone multiplies fast. Even in lakes where they have been completely exterminated, they are re-introduced by fishermen who bring in minnows which include shad.

Chemical treatment of water is a job that should not be done by individuals. Biologists of the Game and Fish Commission have a great deal of time in research. They also have worked with other biologists in other departments. They have come up with a pretty exact science which is important to the future of fishing not only in Texas, but

elsewhere.

THERE ALSO IS another factor in rough fish control that should not be overlooked. This is the legal commercial fisherman.

Although many rod and reel fishermen hate such fish as carp and buffalo, there are others who like their meat. The same is true of gar. This fish finds a ready market in large centers of population.

Right here we might say a word in behalf of the numerous commercial fishermen who work many of the lakes and streams of Texas. These fishermen are required to have a license from the state. They are not allowed to take and sell any game fish. In some waters they are not allowed to take catfish.

On the other hand, these commercial fishermen each year take thousands of pounds of such fish as carp, buffalo and gar.

RECENTLY I watched a couple of these commercial fishermen at work. They were running a net across a channel in one of our North Texas lakes. They were in a 12-foot aluminum boat. Their net must have been a couple of hundred feet long. Before they had reached more than a third of its distance, they had their boat almost filled with these rough fish. They had to return to shore and empty the boat before they could run the nets again.

They got two boatloads of fish from that net in an overnight haul. They iced the fish down in a pickup and hauled them to the nearest city fish market, where they found a ready sale.

THERE HAVE been times, and probably still will be, when commercial fishermen will ignore the law and take game fish when they shouldn't. Sometimes they use excuses that the fish was caught in the net and died before they could get it out. Wardens and biologists are watchful of these fishermen. Those who violate the law lose their licenses.

There always is a need for the commercial man who is legitimate. In fact, this need may grow as time goes on. Ken Jurgens, assistant director of Inland Fisheries, thinks so. He says the time is coming soon when fish management will be required to fill the needs for fish.

"WHEN THAT time comes, the commercial fisherman, with his currently undesirable fish, may fill a great demand for food fish," he said.

Jurgens also paid tribute to the many individual or corporation lake owners throughout the state. "Some of these places are taking the lead in experimentation which is helpful on public waters," he said. "Their leadership is badly needed, with fishing pressure increasing every day."

An understanding of what is being done to improve fishing helps us appreciate the quality of fishing we are getting now, as compared to only a few years ago.

## PS in... SPORTS

By CHARLES DIDWAY

Sports news is at a virtual standstill now that basketball season has ended and local high school athletes have barely started "limbering up" for track and volleyball.

The Antelopes' first track meet is only a little more than a week away when they go to Floydada for the first annual Whirlwind Relays. Jiggs King told us the other day that his high school girls' volleyball team is "coming along" and will start playing matched games within a few weeks.

While the basketball season has ended locally, it's still going at the state tournament in Austin and will be through this weekend—with the boys' teams holding the spotlight. The girls' state tournament will follow by several days.

Many Post fans who saw the Class A Plains Cowboys defeat the Antelopes here early in the season aren't surprised that Coach Rip Sewell's team won the regional meet and are competing in the state tournament. Many others are surprised that the McAdoo Owls, who also beat the Antelopes, were upset by Turkey in the bi-district playoffs.

And, since the Antelopes came so close to being the team that played Seminole in the bi-district playoff instead of Floydada, many will be watching the Indians' progress in the state tournament with interest. They play Buna tonight in a first round game.

Everyone interested in the Little League and Pony League (adults, that is, since the youngsters won't be called until later) is urged to attend Friday night's meeting at the City Hall. There is a possibility that whether or not the leagues operate here this season will depend on the turnout and the interest shown at the meeting.

We hope there is a good turnout and that enough interest is shown to warrant keeping the youngsters' baseball program going.

FRESHMAN TROPHY WINNERS

Coach Frank Krhut's freshman basketball team compiled a 12-4 record this season and won tournament championships at McAdoo and Lorenzo. Members of the squad are, front row l. to r.: Wayne McFadin, Jerry Stone, Leslie Acker, Ben-

ny Schlehuber, Nuel Landreth, Back Row: Clarence Ivie, Bobby Beard, Harold Wayne Mason, Jimmy Ivie, Dewayne Capps, Tommy Bouchier, David Lee.

—(Staff Photo)

### Jimmy Short rates

## All-State mention

Jimmy Short, senior three-year letterman on the Post Antelope cage team, received honorable mention on the Texas Sports Writers Association's 1959 Class AA all-state schoolboy basketball team.

Short, who made the all-District 3-AA team last year and is a candidate to repeat this year, broke all school scoring records in the three years he played at forward on the Antelope five. He scored 428 points in regular season play this year.

Short was the only District 3-AA player to receive honorable mention on the all-state team. One of Post's opponents for the season, Milton Mickey of Lockney, also received honorable mention.

### Red Raider athletes facing busy weekend

LUBBOCK — Although Texas Tech has completed both its basketball season and football spring training, Red Raider athletes have a busy weekend in store.

Swimmers, golfers, and track men will be in action.

In Texas Tech's new Gymnasium - Natatorium, the freshman swimmers meet Odessa High School at 8 p. m. Friday and the New Mexico Military tankmen at 7 p. m. Saturday. Texas A&M's swimmers will engage the Red Raiders at 2 p. m. Saturday in a dual meet, followed by a match between the two school's water polo teams. It will be the first water polo match in Tech history.

Both golfers and track men will compete in the Border Olympics at Laredo.

It'd be a shame to let such a splendid investment as the Little League Park go to waste this summer.

### Beard's 175 points leads frosh cage team to 12-4 season mark

Bobby Beard's 175 points led the Post freshman team's scoring in compiling a 12-4 record this season, including two tournament championships.

Beard, who missed one game, had an 11.6 average for the 15 games in which he appeared.

Benny Schlehuber, a guard, was second to Beard with a total of 126 points, and Leslie Acker was third with 104.

Following are the leading scor-

ers' totals and the freshman record for the season:

	G	FG	FT	TP
Beard	15	78	19	175
Schlehuber	16	57	12	126
Acker	15	45	14	104
Bouchier	15	36	15	87
Mason	14	23	10	56
C. Ivie	14	20	9	49
J. Ivie	11	8	4	20

### Eagles place in Comanche Relays

Three members of the Southland Eagle track team—two sprinters and a distance runner—placed Saturday in the Comanche Relays at Fort Stockton.

Darrel Jones, who attended Post High School one year before transferring to Southland, placed fourth in the 100-yard dash and fourth in the 220-yard dash. Ronnie Dunn came in third in the 100-yard dash, and Melcher placed second in the mile run, which was won by Ramirez of Rankin.

Considering the competition in Class A, the Eagles made a good showing. There were entries from Denver City, Fabens, Alpine, Crane, Morton, Ozona, Sanderson, Fort Stockton, Lampasas, Wink and Rankin.

Denver City won the Class A team championship by a wide margin.

Finishing ahead of Jones in the 100-yard dash were Lovelace of Denver City, Robinson of Wink and Smith of Lampasas. The winner's time was 10.3 seconds.

In the 220-yard dash, Dunn and Jones finished behind Walters of Fabens and Russell of Denver City. The time was 23.2 seconds.

In defeating Southland's Melcher in the mile run, Ramirez posted a time of 4:51.4.

# Short biographies given on Post teachers

(Ed. Note, This is Public Schools Week in Texas and the Post Parent-Teacher Association and teachers and administrators have cooperated with The Dispatch in sketches on each administrator and teacher.)

## R. T. Smith

Hamilton, Tex., was the birthplace of R. T. Smith, superintendent of schools, and he was graduated from Hamilton High School in 1936. He received his BA degree from Hardin - Simmons University and his Master's Degree from Texas Christian University. He was married to Dorothy Ruth Cox in 1942 and they have two daughters, Marsha and Kathy. Mr. Smith has been in the teaching profession for 15 years.

## Glenn Whittenberg

Glenn Whittenberg, now serving his fourth year as principal of Post High School, was born July 20, 1917, in Hill County, Texas. He was graduated from Stoneburg High School in Montague County and attended North Texas State College 1934-38, receiving his BS degree there. After teaching three years in Wichita County and two years in Mississippi, he served three years in the armed forces then taught nine years in Howard County before coming to Post. Mr. Whittenberg was married to Elsie Mae Kennedy on Aug. 24, 1941. They have one child, Glenda Sue, born Aug. 9, 1942.

## Herman Raphelt

Herman Raphelt, Post Junior High School principal, has been in the teaching profession 10 years, seven years of that time in Post. He is in his second year as junior high principal and formerly taught and coached in junior high. His hometown is Stamford and he holds Bachelor's and Master's degrees from Hardin-Simmons University.

## James L. West

James L. West, in his first year as principal of Post Elementary School, holds Bachelor of Business Administration and Master of Education degrees from Hardin-Simmons University. His hometown is Sweetwater and he taught at Shallowater before coming to Post.

## Ella Norene Ryder

Ella Norene Ryder teaches language arts in the 7th grade. She has had one year's teaching experience and seven years administrative (business) experience. Post is her hometown and she has a Bachelor of Arts degree from Texas Tech.

## Minnie Will Williams

Minnie Will Williams, 6th grade language arts and history teacher, has had 10 years teaching experience, seven years in Post. Mrs. Williams, whose hometown is Post, has a BBA degree from Texas Tech.

## Lawrence D. Cook

Lawrence D. Cook, who came here at mid-term of the 1957-58 school term, teaches driver's education and physical education and coaches the 7th and 8th grade boys' athletic teams. He came to Post after receiving his Bachelor of Science degree in Education from North Texas State College. Mr. Cook's hometown is Spur.

## Bonnie McMahon

Bonnie McMahon, now teaching the second grade, has taught school here for 23 years. A native of the Graham community, she taught at the Borger Independent School before beginning her teaching duties here. She has a Bachelor of Arts degree from Texas Tech.

## Jessie Lee Lancaster

Jessie Lee Lancaster, whose hometown is Matador, taught at Roaring Springs before she came to Post five years ago as a second grade teacher. She has a Bachelor's degree from Abilene Christian College and a Master of Education degree from West Texas State College.

## Mrs. Joe Callis

Mrs. Joe Callis, whose home is in Post, has been teaching here for 15 years. She is a second grade teacher. Mrs. Callis received her Bachelor of Science degree in Elementary Education from McMurry College, Abilene.

## Virginia Lea Mitchell

Virginia Lea Mitchell, whose hometown is Frickham, taught at Santa Anna before coming to Post. She is now in her third year here as a third grade teacher. Her Bachelor's and Master's degrees were received from Howard Payne College.

## Mrs. V. F. Bingham

Mrs. V. F. Bingham, a fourth grade teacher, has taught here eight years. Her hometown is Lubbock and she has a Bachelor of Science degree in Education from Texas Tech.

## Mrs. Laura Rushing

Mrs. Laura Rushing, whose hometown is Plains, taught the second grade at Stubbs Elementary School in Lubbock before coming to Post, where she also teaches the second grade. She attended Baylor University her freshman year, finishing at Texas Tech, where she received her BS degree in Elementary Education.

More Teacher Biographies On Page 15

## Mrs. Nona Lusk

Mrs. Nona Lusk, a fourth grade teacher, is a graduate of Sul Ross Teachers College with a BA degree, and her hometown is Lockney. She taught in the Graham Rural School before coming to Post at the beginning of the 1957-58 term.

## Mrs. Lillie Kitchen

Mrs. Lillie Kitchen, a fourth grade teacher, is in her 14th year in the Post school system and has been a resident of Post even longer. She attended North Texas State Teachers College and Texas Tech, but received her BS degree from Howard Payne College in 1931. "The fourth grade is a wonderful age group of children to work with," Mrs. Kitchen said.

## Elsie M. Whittenberg

Mrs. Elsie Mae Whittenberg, third grade teacher here for four years, has Bachelor's and Master's degrees from North Texas State College. Her hometown is Abbott, Tex., and she taught in the Foran Public Schools before coming to Post.

## Mrs. Maurine Lackey

Mrs. Maurine Lackey, a third grade teacher, has been a member of the Post school faculty for 13 years. Her hometown is Clarendon, Tex., and she has a Bachelor's degree from McMurry College and a Master's degree from Texas Tech.

## Mrs. Jean Gandy

All of Mrs. Velma Jean Gandy's seven and one-half years of teaching experience has been in Post, where she is a third grade teacher. She has a Bachelor of Science in Education from Stephen F. Austin College, Nacogdoches. Mrs. Gandy's hometown is Kilgore.

## Mrs. Jim Mallard Jr.

Mrs. Jim Mallard Jr., in her first year here as a first grade teacher, has a Bachelor of Arts degree in Spanish from Texas Tech. Her hometown is Floydada, and she taught at Bowie Junior High School, Odessa, before coming to Post.

## Mrs. Albert McBride

Post is the hometown of Mrs. Albert McBride, who has taught the first grade here for two years. She has also been a teacher and principal in the Graham Consolidated School. Mrs. McBride majored in elementary education at Texas Tech.

## Lola McWhirter

McKinney, Tex., is the hometown of Lola McWhirter, a first grade teacher, and she taught at Tahoka before coming to Post nine years ago. Miss McWhirter has a Bachelor of Science degree from East Texas State Teachers College.

## Mrs. Almon Martin

Mrs. Almon Martin, one of Post's second grade teachers, has taught here five and one-half years. Her hometown is Lewisville, Tex., and she taught at Hobbs before coming to Post. Mrs. Martin has a Bachelor of Science degree in Elementary Education from North Texas State College.

## Mrs. Elizabeth Shannon

Mrs. Elizabeth Shannon, first grade teacher, has taught in Post seven years, having taught language arts in Electra Junior High School before coming to Post. Her hometown is Greenville and she has a Bachelor of Arts degree from East Texas State College.

## Mrs. Ada Buchanan

Mrs. Ada Buchanan taught at Roswell, N. M., before coming to Post, where she teaches the first grade. Mrs. Buchanan has a Bachelor of Science degree from McMurry College. She has taught here two years.

## Georgie M. Willson

Georgie M. Willson, who teaches vocal music in Post High School and Junior High, has a Bachelor of Fine Arts degree from the University of Oklahoma. He has had 19 years teaching experience, three years in Post. Mr. Willson's hometown is Graham, Tex., and he taught at Palls before coming to Post.

## Mrs. Ruby Lobban

Mrs. Ruby Lobban, who has been teaching 18 years, was at Justiceburg for 11 years before coming to Post, where she is in her fifth year, now teaching 7th and 8th grade mathematics. Mrs. Lobban attended Hardin-Simmons University and Texas Tech.

## Mrs. Nola Brister

Post's grade school and junior high school librarian is Mrs. Nola Brister, who has had 30 years teaching experience, 16 years in Post. Her hometown is Aspermont and she has a Bachelor of Science degree from Texas Tech and a BS degree in Library Science from North Texas State College. Mrs. Brister taught at Snyder before coming to Post.

## Mrs. Ella Mae Hudman

Mrs. Ella Mae Hudman is a fifth grade teacher in the Post schools. She is in her eighth year in the teaching profession and her second year here. Mrs. Hudman has a Bachelor of Science degree in Home Economics from Texas Tech with a Smith-Hughes teaching certificate.

## Jack Alexander

Jack Alexander, whose hometown is Floydada, teaches 6th grade social studies and arithmetic. He is in his second year of teaching here after getting his BS degree in Education from Texas Tech.

# Hale-Aikin recommendations may die unless the people speak up

Garza County citizens and their children are not going to benefit from the Hale-Aikin recommendations for improved schools unless they tell the Legislature they want the program. That was the report today by Mrs. Minnie Will Williams, president of the local unit of the Texas State Teachers Association.

Her statement followed a conference in Lubbock where prospects for school legislation were discussed.

Many legislators favor the bills which would put the Hale-Aikin report into effect, Mrs. Williams said. But they have not heard from enough people telling them they are willing to pay the increased taxes necessary to pay the bill.

"The wishes of thousands of people in every county of the state are included in the Hale-Aikin recommendations," she declared. "But it's very possible that the school bills won't pass unless the people speak up."

"The school needs are certainly no less today than they were when the Legislature created the Hale-Aikin study two years ago," Mrs. Williams pointed out. "In fact, they are greater."

She added that if the Legislature fails to enact these school bills at this session, and fails to provide the money for them, it may be years before the timing is right for another such appeal.

"We can't afford to lose the tremendous citizen force back of these recommendations at this time," Mrs. Williams explained. "And if we don't levy the necessary taxes to pay for them at this session, it may be years before another Legislature will be in the mood to consider again the kind of taxes needed to put the Hale-

Aikin type of program into operation." "If we're going to stay ahead of Russia, we'd better not miss a chance to improve our school," the local teacher declared. "We need to pass this program this year—not two or ten years from now." Mrs. Williams urged interested

citizens to write their legislators in Austin and express their wishes. She invited citizens to contact her for information, also. Member of the House of Representatives at the State Capitol in Austin from this area is Renal B. Rosson. Garza County is represented in the Senate by Sen. David W. Ratliff.

## NEWS FROM JUSTICEBURG

### Mothers' Club discusses buying extra supplies for lunch room

By VIVIAN McWHIRT

The Mothers' Club met in the Justiceburg School lunchroom Friday from 2 till 4 p. m. A short business session was on buying extra supplies for the lunch room. Mothers attending were Mrs. Riley Miller and Jennifer, Mrs. Bud Schlehuber and Denise, Mrs. Bandy Cash, Mrs. Mason Justice and Dee, Mrs. Tommy Forrest, and Mrs. J. K. Jones and Pat.

The Justiceburg School trustees met Friday night.

Ferne Reed came back this weekend to move Mrs. Reed and baby to Channing.

**THE JUSTICEBURG** school lunch room was the scene of a domino party Friday night. Games were played and refreshments of sandwiches, potato chips, cup cakes, donuts, coffee and cold drinks were served to Mr. and Mrs. Bud Schlehuber and Denise, Mr. and Mrs. Cecil Smith, Mr. and Mrs. Riley Miller, Jennifer and Ben, Mr. and Mrs. Tommy Forrest and girls, Mr. and Mrs. Mason Justice and Dee, and Allen McCowen, Bobby and Eddie.

Mrs. Bud Schlehuber and Denise and Mrs. Douglas McWhirt, Robbie and Danny, visited in Snyder Wednesday with Mr. and Mrs. Harold Wiley.

Mr. and Mrs. Clifford Burrow of Fluvanna visited in the home of Mr. and Mrs. W. S. Bruner and girls Wednesday night.

Miss Neida Brooks of Slaton spent the weekend with Mr. and Mrs. Weldon Reed.

**CECIL SMITH** was a dinner guest Friday in the home of his sister, Mrs. Ella Murphy, out of Post.

Susie Messer of Post was a weekend visitor of Sharon Blackwell. Mrs. Bud McLaurin and George of Amarillo visited her parents, Mr. and Mrs. George Duckworth Friday night and Saturday.

Ben Miller spent Wednesday night with Donnie Blacklock. Mr. and Mrs. Bill Mize and children were dinner guests in the home of Mr. and Mrs. Herman Messer of the Canyon Valley Community Friday.

**RILEY MILLER** and Billy Blacklock were in Colorado City on business Saturday.

An anniversary dinner honoring Mr. and Mrs. Bud Schlehuber on their 17th wedding anniversary was held in the home of Mr. and Mrs. Douglas McWhirt Thursday. Those attending were Mr. and Mrs. Harold Wiley of Snyder, Robbie and Danny McWhirt, Denise Schlehuber, the hosts and the guests of honor.

Mr. and Mrs. Lee Reed and Mr. and Mrs. James Brooks went to South Bend and Graham fishing last week.

Mr. and Mrs. J. K. Jones and Mr. and Mrs. Weldon Reed visited Tuesday night in the Riley Miller home.

MR. AND Mrs. Sid Cross and

Lea Merri and Mrs. Douglas McWhirt, Vivian and Bobo, attended the Junior Play at Post Friday night. Sandee Cross played the piano between acts.

Mr. and Mrs. W. S. Bruner, Rinda and Nanette, were in Colorado City Saturday. They visited Mr. and Mrs. Ned Byrd.

Mr. and Mrs. Weldon Reed were guests of Mr. and Mrs. Tom Henderson of Post last Sunday.

Mr. and Mrs. E. W. McLeod of Snyder and Mr. and Mrs. Ned Byrd of Colorado City were Sunday guests in the home of Mr. and Mrs. Sam Bruner.

**MRS. DON Robison** and Donna and John Boren took Mrs. C. E. Robison to Temple Saturday and came back Sunday. Mrs. C. E. Robison will remain for a visit with her sister, who is ill.

Mr. and Mrs. W. S. Bruner and girls visited in the home of Mr. and Mrs. Roy Herring and children of Fluvanna Friday night. Games of "42" were played.

Mrs. Sid Cross and Sandee were in Lubbock Saturday.

Mrs. S. S. Bevers underwent surgery in the Mercy Hospital in Slaton Monday morning.

**MR. AND Mrs. Joe McCowen** and Bonnie of Post visited in the home of Mr. and Mrs. A. V. McCowen and family Friday night.

Mr. and Mrs. Dan Russell and Janet of Snyder visited in the home of Mr. and Mrs. Douglas McWhirt Sunday night.

Mr. and Mrs. Max Phipps spent the weekend in Snyder.

Congratulations to Mr. and Mrs. Bill Wilson, who are parents of a baby girl, named Debra Louise, weighing 7 pounds 14 ounces. Debra arrived Feb. 28 at 1:10 p. m. in the Mercy Hospital at Slaton.

The Wilsons also have two other daughters, Arlene and Kathy.

Mrs. Foy Winn and Jimmy of Sundown, en route to Snyder, stopped by the Sid Cross home and Lea Merri and Micah Cross accompanied them to Snyder for a visit in the home of Mr. and Mrs. I. S. Cross for the weekend.

Mr. and Mrs. Albert Bevers and sons visited in Snyder Saturday night with his sister and family, Mr. and Mrs. M. C. Dorman.

**SUNDAY GUESTS** in the home of Mr. and Mrs. Elton Nance were: Mr. and Mrs. Carroll Moore Snyder, Mr. and Mrs. Boss Robinson of Snyder, Mr. and Mrs. Lee Morgan and son, James Dawson of Union, and Mr. and Mrs. Berton Moore and Brenda of Dermott.

Friday night guests in the home of Mr. and Mrs. S. S. Bevers were Mr. and Mrs. Spencer Bevers and family of Post, Mr. and Mrs. Herahel Bevers and family, Mr. and Mrs. Sam Bevers Jr. and family and Mr. and Mrs. Albert Bevers and boys.

Claud Freeman of Seagraves visited in the home of Mr. and Mrs. S. S. Bevers over the weekend.

Mr. and Mrs. Sam Bevers Jr. and Glenna Beth were in Lubbock Saturday.

Vivian McWhirt attended a birthday party honoring Janie Gieg-horn on her 13th birthday in the home of Mr. and Mrs. Marcell Gieg-horn of Fluvanna Saturday night. Games were played and birthday cake and punch were served to approximately 18 children.

"I Can't Talk Now, Spec—My F-A-T-H-E-R Is Listening—"

## STONES VISIT IN NEW MEXICO

### Ted Lee Atens move to new home in Graham area from Grassland

By MRS. DILLARD THOMPSON

It seems that so far March has given us a pretty good example of what we can expect as far as Texas weather is concerned—except for a good old fashion Texas rain.

The community extends their welcome to Mr. and Mrs. Ted Lee Aten and children, who moved in to their home last week, from the Grassland community.

Mr. and Mrs. James Stone and Mary Ann visited last week in Artesia, N. M., in the home of their son and family, Mr. and Mrs. Jerald Stone and daughters. It was the Stones first visit with their new trip accompanied her grandparents home for an extended visit.

Mr. and Mrs. Tommy Markham and children and Mr. and Mrs. James Brookshire and children of Draw spent Sunday at Lake Thomas.

**VISITING SATURDAY** evening in the home of Mr. and Mrs. Bryan Maxey was an old friend Steve Ward of Odessa.

Mr. and Mrs. A. E. Johnson and children of Abernathy visited Saturday in the home of Mr. and Mrs. Earl Gregg.

Mr. and Mrs. Will Wright spent last Monday night in Abernathy in the home of their son and daughter-in-law, Mr. and Mrs. Kenneth Wright and children.

Mr. and Mrs. S. D. Lofton and

MR. AND Mrs. Elva Peel visited Sunday afternoon in the Close City community home of Mr. and Mrs. H. F. Wheatley.

Mr. and Mrs. J. C. Howard and Keith, and Mr. and Mrs. Leon Davis, and Carolyn and Leslie Davis of Post visited in Midland Sunday with Mrs. Howard's brother and his family, Mr. and Mrs. James Dunn.

Mr. and Mrs. Elgie Stewart and Mrs. Harvella Mason and Darla visited in Lubbock Sunday with Elgie's brother and sister-in-law, Mr. and Mrs. Robert Stewart.

Monday afternoon Mr. and Mrs. Glenn Davis visited in Brownfield with Mr. and Mrs. Alvin Davis and children.

**A SUNDAY GUEST** of Mr. and Mrs. Elmer Dee Jones and children was her aunt, Mrs. Roy Bould and son of Haskell, Mrs. Carl Fluit and Mrs. W. O. Fluit Sr. were Wednesday afternoon visitors.

Rev. and Mrs. H. O. Abbott were Sunday guests in the home of Mr. and Mrs. H. L. Mason and family.

Mr. and Mrs. Quannah Maxey, Jane and Diane and Mr. and Mrs. Noel White visited in Roaring Springs Sunday with Mrs. Maxey's parents, Mr. and Mrs. J. D. Green.

Sunday guests in the home of Mr. and Mrs. Jess Propst were their daughter and son-in-law, Mr. and Mrs. Mutt McGaugh and Mike of Abernathy, Miss Ida Montgomery of Slaton and Jimmy Napier of Lubbock. Mrs. McGaugh also visited in Post with Mrs. Nellie K. Babb.

**WMU FINISHES STUDY**  
Members of the Women's Missionary Union of the Friendship Baptist Church have recently finished a week of prayer and work at their church.

## Governor proclaims 4-H Week in Texas

**COLLEGE STATION** — By proclamation, Gov. Price Daniel has designated the week of Feb. 28—March 7 as 4-H Club Week in Texas. The week is also being observed nationally.

"In 1914," Governor Daniel said, "the United States Government invested in the rural youth of our nation through the 4-H club program. Since that time, more than 29 million young people have received the benefits of this vast program and become 4-H alumni. These alumni are engaged in farming, ranching, homemaking and a variety of other occupations. Throughout Texas and the nation a special salute is extended to them."

In a letter to the 111,000 4-H club members in Texas, the Governor said, "Since the 4-H club program was organized 50 years ago, members of your organization have made outstanding contributions to the material wealth of Texas and the nation. More important, as young people, you represent the richest resource of our State."

"I extend sincere congratulations to each of you on your fine accomplishments of the past year and join the people of Texas in saluting you, your parents, adult leaders and friends who make this program possible."

"Please accept my best wishes for 1959 and the years ahead. May you continue to build yourselves, your homes and your communities, and thus help build our state and country. The future holds bright promise for our land, and as 4-H club members you have a vital share of this future."

Plans for observing 4-H Week are being perfected in the counties and will include special recognition for 4-H alumni. More than 1,000,000 Texas young people have been 4-H members during the past 50 years. Today, 4-H alumni are leaders in business, industry, the profession and government, and are among the strongest supporters of the Agricultural Extension Service sponsored organization.

**WASHINGTON** — Rep. George Mahon reports that the recently announced drop in support loans for feed grains has been a shock to the members of Congress from grain sorghum producing areas. The House Committee on Agriculture is making a study of the situation in preparation for a committee hearing which will be held March 13. The support loan level announced for 1959 is \$1.52 per bushel, below the level for last year. The national average support for last year was \$1.83 per hundred. The national average support for this year is \$1.52 per hundred.

On Feb. 18, 1959, the Secretary of Agriculture announced support loan levels for corn, milo, and other feed grains. In view of the language of the law, it was anticipated that the support price for milo in 1959 would be approximately the same as corn, inasmuch as both have approximately the same feed value. This is not the case, and an explanation is being demanded and ways are being sought to remedy the situation.

Mahon stated, "Since the drastic drop in support levels for milo was announced, I have appealed to the Secretary of Agriculture and others in the Department to reconsider the action taken. I have received complaints in regard to the situation from Mr. Frank Moore of Plainview, president of the Grain Sorghum Producers Association, and many others. If the drastic cut in supports remains in effect, grain sorghum producers will sustain losses totaling many millions of dollars. A more effective program of all feed grains is needed, and attention is made most difficult by reason of the well known attitude of the Secretary of Agriculture."

**CHURCH PROGRESSING**  
The Friendship Baptist Church is progressing toward completing its new building, with the building now under way. Other improvements at the church include a 50 per cent increase in the Sunday School classes.

**FORMER RESIDENTS VISIT**  
Mrs. Ed Edwards and Carol of Ballinger were in Post Tuesday visiting their husband and father, who is employed here. The Edwards are former residents of Post.

## SERMON TOPICS TOLD

Rev. J. R. Brincefield, pastor of the Assembly of God Church, announced that his Sunday morning sermon topic will be "Putting first things first." Luke 2:49—"Wist ye not that I must be about my father's business?" The evening sermon will be from Hebrews 9:27, "Appointment we all will keep." It is appointed unto a man once die."

Contour cotton sheets stay in place... cut the time spent in bedmaking.

## CORRESPONDENT LEAVES HOSPITAL

### Grassburr, Snyder, Lubbock folks are visitors in Close City homes

By MRS. WILL TEAFF

Mrs. Wren Cross of Grassburr and Mrs. Douglas Tipton visited Sunday with Mr. and Mrs. Marshall Tipton and daughters, Marsha and Jo Dean.

Mr. and Mrs. Bill Lowe of Lubbock and Miss Bera Wilson visited in the home of Rev. and Mrs. R. E. Bratton one day last week. Sunday visitors were Mr. and Mrs. Marshall Boyd of Snyder.

Mrs. Will Teaff returned home Sunday morning from several days' stay in the hospital at Post.

**(CORR. NOTE: I would like to say "thanks" to the friends who visited me and to those who sent cards and flowers.**

Did you ever lay in a hospital room, shut off from the world, yet could hear the world moving outside your door? Have you ever listened to footsteps coming down the hall and say to yourself, "Maybe that is someone coming to see me." But, no. They stop on the door across the hall or go on past, and the hours drag by. Of course when you're real sick you

don't need company, but when you're really appreciate it. I want to thank the fine nurses and Dr. Manman for their kindness to me.

Mrs. Durwood Bartlett and Barbara visited relatives, including uncle of Mrs. Bartlett's, who very ill in the hospital, at Post field Sunday afternoon.

**MRS. IRVIN Cross** and son, Kay, of Grassburr and Mrs. Dee Tipton visited Mrs. Will Teaff Sunday. Monday visitors were Mr. and Mrs. R. E. Bratton and D. Bartlett.

Mr. and Mrs. Dee Smith and an were recent visitors in the Maddox home. The Smiths recently adopted a baby son.

Mr. and Mrs. Douglas Tipton visited Sunday evening with J. D. Tipton and Mr. and Mrs. Hodges and Betty of Post.

Mrs. Hodges fell and broke arm last week.

Mrs. Frank Bostick is ill week.

Mr. and Mrs. H. F. Wheeler are in the midst of remodeling their home.

## Post senior student scholarship finalist

Victor Hudman Jr., a senior at Post High School, has reached the final of the 1958-59 National Merit Scholarship Program and has been awarded a Certificate of Merit, according to Glenn Whittenberg.

VICTOR HUDMAN JR.

Young Hudman distinguished himself by his high scores on the two college aptitude tests used in the National Merit Scholarship in the National Merit Scholarship Program. About six-tenths of one percent of the seniors in each state received the awards. A national total of 10,000 students were honored.

OVER 478,000 students were tested in the 1958-59 National Merit Scholarship competition which began last April. The test results have pared the competitors down to the 10,000 finalists. Some 700 of the finalists will be named Merit Scholars this spring. They, and the colleges they have chosen, will share in \$3.5 million in Merit Scholarship funds offered by over 80 different organizations and individuals. The winners will be determined by the results of final judging now being conducted. The Merit Scholars will be announced about May 1.

The names of the Certificate of Merit winners are being sent to over 1,500 colleges, universities and other scholarship-granting agencies for consideration for thousands of other privately-financed scholarships offered outside of the Merit Scholarship Program.

Previous experience indicates that the finalists will be offered some \$2.5 million worth of freshman-year scholarship assistance from these sources, in addition to the awards made to those selected as Merit Scholars.

"THE CERTIFICATE of Merit winners number 10,000 this year, an increase of 2,500 from previous years," declared John M. Stalnaker, president of National Merit Scholarship Corporation, the non-profit organization that conducts the annual competition.

"Each year we try to focus the

attention of the nation's scholarship donors upon a limited group of high school graduates with the highest demonstrated potential to benefit from college training. These are the Certificate of Merit winners, the top performers in our national testing. We provide as many of them with direct assistance as our funds permit, and encourage a great variety of independent donors to do the same."

The selection of the 700 finalists who will be awarded Merit Scholarships in 1959 is performed by the Merit Scholar Selection Committee, a panel of experts in academic selection, and by special judging teams convened by various donors of Merit Scholarships. High school grades, leadership, citizenship and extra-curricular activities are considered, as well as test scores.

THE MERIT Scholarships are four-year awards, and carry stipends that range from \$100 a year to \$1,500 a year. Each stipend is individually determined on the basis of the need of the individual recipient. The amount is based upon family resources, summer earnings, and college costs, all of which vary with each winner. No Merit Scholar may accept other major scholarship assistance in addition to his Merit Scholarship stipend, a rule followed by most private scholarship donors. The aim is to spread the available scholarship funds to as many outstanding students as possible. Each student chooses his college and course of study, and admission to college is the responsibility of each student. Most Merit Scholarships also carry grants to the colleges attended by the students.

Over 80 corporations, foundations, and other organizations will be offering Merit Scholarships to the 1958-59 winners. Four of them — the Sears Foundation, International Business Machines Corporation, Shell Companies Foundation, Inc., and Lilly Endowment, Inc. — will together offer a total of 135 Merit Scholarships.

THE NATIONAL Merit Scholarship Corporation was established in 1955 through grants of \$20.5 million from the Ford Foundation and the Carnegie Corporation of New York. The current program is the fourth that has been conducted. Over 2,300 Merit Scholars are already in college. Nearly one million students have been tested in the competition to date.

The fifth program will begin on April 28, 1959, with the National Merit Scholarship Qualifying Test, to be given in an estimated 15,000 high schools.

Mr. and Mrs. Cecil Bland visited in Lubbock Sunday with Mr. and Mrs. Chris Hinder.

Mr. and Mrs. Bill Norman visited in Dumas over the weekend with Mrs. Norman's sister and family.

Mr. and Mrs. Cecil Bland visited his parents, Mr. and Mrs. J. M. Bland of Pleasant Valley Sunday afternoon.

Mr. and Mrs. W. O. Graham of Post visited in the home of Mr. and Mrs. George Sneed Friday night.

Mr. and Mrs. George Greer visited in the George Sneed home Friday night.

Mr. and Mrs. George Sartain and daughter, George Ann, visited in Lubbock Sunday with Mr. and Mrs. Chris Hinder.

Mr. and Mrs. Cecil Bland and children visited in the home of Mr. and Mrs. Willie Daniels Friday night.

Visiting in the home of Mr. and Mrs. Bill Norman Sunday afternoon were Mr. and Mrs. O. B. Hodges.

Fans and masks decorated the city hall at 7 o'clock when a ham dinner was served to the guests, Jim Kennedy, outgoing Cubmaster, was master of ceremonies for the program. Each "den" presented different skits. The new Cubmaster, Tommy Markham, was crowned "King Rex".

Approximately 145 guests were present, which included the Cub Scouts and their parents.

## Friends and neighbors come to family's aid by doing farm work

"When a feller needs a friend" is most often the time when friends come through.

That was the case Wednesday and Thursday of last week when friends and neighbors of Mr. and Mrs. C. B. York gathered at the York farm in Canyon Valley to put up the land while Mrs. York was in the hospital.

Men helping in the farm work included Dale Cravy, Dee Coleman, J. R. Brown, J. G. Siewert, Roy A. Siewert, Herman Messer, Bill Carlisle, Russell Wilks, Calvin Cooper, Santiago Nava; Ben F. Wilks Monroe Lane;

Also, A. I. Cross, Tom Gilmore, Justino Benives, Lucio Castejillo, Junior Wilks, Rey Rendon, Luke Rendon, Abelardo Reyna, Harold Lucas, Lupe Rendon Sam Horton, Tomas Ayala, Glen Slater, Kirk Slater and Homer Robinson.

Women helping with meals for the workers and the family included Mrs. Dee Berry, Mrs. J. G. Siewert, Mrs. Russell Wilks Sr., Mrs. Homer Robinson, Mrs. Dennis Eubanks, Mrs. Ed Bates, Mrs. Dale Cravy, Mrs. Buster York, Mrs. Bennie Wilks and Mrs. Irvin Cross.

K&K Food Mart and Piggly Wiggly furnished coffee. Shelley Camp, Texas Company wholesaler, brought gas, and butane was furnished by a Caprock Butane Co. truck.

## Municipal League names group on fire protection

AUSTIN — The appointment of a nine-man committee of the Texas Municipal League to study methods of improving the overall fire protection and insurance key rates in cities and towns was announced today by Louie Welch, councilman-at-large of Houston and president of the League.

Welch said the committee, to be known as the Study Committee on Fire Insurance Key Rates, would consider such municipal problems as: fire alarm systems, water production, distribution and storage, the training function and coordination of public safety personnel, fire prevention programs and factors such as building and associated codes. Following a detailed study of these problem areas, the committee hopes to meet with the State Board of Insurance Commissioners to discuss ways and means of improving the standards of fire protection in Texas.

Named by Welch to the committee were: Wesley R. Brown, mayor of West University Place, chairman; J. D. Dyer, Jr., mayor of Lamesa, vice chairman; Harold R. Downs, mayor of Odessa; Doran Eskew, city attorney of Austin; Joseph Faust, mayor of New Braunfels; Garland W. Fulbright, fire marshal of San Antonio; G. O. Summers, city manager, Bellaire; R. V. Thompson, mayor of Richardson; and Ernest E. Wright, mayor of Garland.

ATTEND FUNERAL. Mrs. Bob Pace and children left Sunday for Sundown to attend funeral services Monday for her grandmother, Mrs. McInturff, Pace went to Sundown Monday.

## INJURED CHILDREN GET WIDOW'S HOME BOUGHT BY SAVINGS

ELIZABETH, N. J.—A widow agreed Wednesday to turn over the deed of the home that cost most of her life savings to a boy and girl who were injured in her backyard.

Mrs. Peggy Packard, 49, who earns \$60 a week on a factory job agreed in Superior Court that she would give the \$6,000 equity in her home to Joanne White, 6, daughter of Mr. and Mrs. Donald G. White and John Krug, 5, son of Mr. and Mrs. Thomas Krug.

The children were injured last June 12 when a 26-foot clothes pole fell on them while they were playing in Mrs. Packard's yard.

## Mrs. D. C. Nowell, breaks leg, fractures ankle in fall at mill

By CECELIA BLAND  
 Mrs. D. C. Nowell suffered a broken leg and a fractured ankle bone when she fell about 4 o'clock last Thursday afternoon while at work at the Postex Mill. We wish her a speedy recovery.

Mr. and Mrs. Bill Norman visited in Dumas over the weekend with Mrs. Norman's sister and family.

Mr. and Mrs. Cecil Bland visited his parents, Mr. and Mrs. J. M. Bland of Pleasant Valley Sunday afternoon.

Mr. and Mrs. W. O. Graham of Post visited in the home of Mr. and Mrs. George Sneed Friday night.

Mr. and Mrs. George Greer visited in the George Sneed home Friday night.

Mr. and Mrs. George Sartain

## Junior Set

By CHRIS CORNISH

Pam McCrary went to Dallas Thursday afternoon to take her entrance exams for entering Hockaday next year as a freshman. Pam returned Sunday.

Mr. Raphaelt and the students of jr. high want to thank the parents that came to visit rooms in Public School Seek. very much. We will look forward to seeing you again!

Students of jr. high will get out of school Friday. Hurrah! The teachers are attending a convention in Lubbock.

Well, kids, Wednesday at 3:35 is zero hour. Report cards are handed out! Zoom! and we all take off. Everyone satisfied?

The new "fads" or "bug" around jr. high are cameras and transistor radios. Camera "fiends" last week were Kay Murray, Jan Herring and Edward Tackett. Proud owners of transistors are Reba Shepherd, Elaine Wheatley, Gienda Hutto, and Jan Herring.

Lana Haynie celebrated her 12th birthday Friday night with a birthday party at her home. Games were played and the guests were served hot dogs, pop and doughnuts. Guests attending were: Royce Chance, Ronnie Driver, Ronny Cook, Butch Cross, Benny Owen, Ronald Simpson, Pat and Donnie Ornell, Danny Stone, Buddy Howell, Wyanza Windham, Mary Beth Ford, Pamela Stewart, Lynn Edwards, Paula Hedrick from Lubbock and the honoree, Lana.

TRAINING UNION DRIVE  
 March 8-11 has been set as the dates for a Training Union Enlargement Campaign at the First Baptist Church. Irby Cox, educational director of the First Baptist Church in Grand Prairie, will conduct the campaign.

BROTHERHOOD BREAKFAST  
 The Royal Ambassadors will be in charge of the program at the March 7 Brotherhood breakfast at the First Baptist Church. Every man is urged to attend this breakfast.

## Nazarene Church revival begins

Weekend revival services began at the Church of the Nazarene Wednesday night with service time set at 7:30 p. m.

Rev. Cecil Stowe invites everyone to attend these services and hear Dr. Geren Roberts of Pilot Point speak.

Dr. Roberts has been an evangelist for some years, served as chaplain during World War II and one year in Japan and Korea. He is presently superintendent of "Rest Cottage", a home for unmarried mothers and child-placing agency.

### REPORTED IMPROVED

T. F. Davis, who received severe burns in an oil field accident several weeks ago, is reported by relatives to be doing satisfactorily and is in improved condition. Mrs. Davis is in Galveston with Davis, where he is in the John Sealy Hospital.

### ILL SEVERAL DAYS

Harrison Davis is reported to be improved after several days of illness.

### MONDAY VISITORS

John and Henrietta Nichols visited in Anson Monday with Mr. and Mrs. George Thorn.

## Lenten sermon series under way at church

"The Heart of Christ" (Mark 8:34), fourth in the Lenten series of sermons on "A Portrait of Jesus," will be the sermon subject next Sunday morning at the Presbyterian Church, as announced by Rev. Clinton Edwards.

Also, the church will cooperate with more than 20 other denominations by receiving an offering for interdenominational overseas relief known as the "One Great Hour of Sharing".

### SON VISITS

Mr. and Mrs. Bud Short and baby of Odessa were weekend guests in the home of his parents, Mr. and Mrs. Lowell Short.

### SEVERAL DAYS VISIT

Mr. and Mrs. A. E. Floyd have returned from several days visit in Abilene, Weatherford, Lipan and Thorp Springs. They attended the Abilene Christian College Lecture-ship in Abilene and visited with her nephew, Harlan Overton, who is a missionary in Puerto Rico, and Mr. and Mrs. Frost Maxey and Lowell. They were also guests of Mrs. Ona Berdine and family in Weatherford, Mr. and Mrs. Perry Graham in Lipan and Mr. and Mrs. Richard Overton in Thorp Springs.

### VISITING PARENTS

Mrs. Mitchell Malouf and children of Big Spring are visiting her parents, Mr. and Mrs. Arville Ferguson, while her husband is attending a coaching school in Dallas.

# CONGRATULATIONS, GARZA 4-Hers On Your Many Achievements

This National 4-H Week is a fitting time to call attention to your eleven years of planning and work in bringing the new 4-H club building into being.

This is a wonderful building which will serve as the hub for future Garza 4-H activities as well as being available for many community uses.

From the moment the Junior Rodeo began 11 years ago as a fund-raising event to finance construction of this building, hundreds of eager youngsters have worked toward the day, now fast approaching, when it will be completed.

You boys and girls and your fine leaders are to be congratulated for all you have done to bring the 4-H building dream into practical fulfillment and thus improve the community in which you live.

**SOME 262 OF OUR BOYS AND GIRLS ARE ENROLLED IN THE GARZA COUNTY 4-H PROGRAM THROUGH 7 BOYS' CLUBS AND AS MANY GIRLS CLUBS. OVER 30 ADULTS LEADERS ARE ACTIVE TODAY IN COUNTY 4-H WORK. THE 4-H MOVEMENT IS AIMED AT DEVELOPING LEADERSHIP IN AGRICULTURE AND HOMEMAKING THROUGH THE CLUB PROGRAMS AND THE MANY PROJECTS UNDERTAKEN BOTH INDIVIDUALLY AND COLLECTIVELY.**

## Future Farmers of America To Be Congratulated Too

The Post High School chapter of the Texas Association of Future Farmers of America is composed of some 40 boys under the direction of D. H. Koeninger. The chapter, which quietly celebrated F.F.A. Week last week, has a very active and extremely beneficial youth program.

**This Message Is Sponsored by the Following Post Individuals and Firms Who Appreciate Both These Fine Youth Programs:**

# Public Schools Week brings thumb-nail teacher sketches

**James W. Mallard Jr.**  
James W. Mallard Jr., in his first year at Post High School, was born Jan. 28, 1932, at Albuquerque, N. M. After attending schools in California and Oregon from grades through 4, he moved to Texas in 1942 and attended schools in Odessa until graduation from Odessa College. He was graduated from Texas Tech and attended Southwestern Seminary two years.

**Marie Lusk**  
Marie Lusk, whose hometown is Shallwater, is teaching her first year in Post following her graduation from Texas Tech with a Bachelor of Science degree in Home Economics. She is a first grade teacher.

**James J. Galloway**  
James J. Galloway, English teacher in Post High School, was born in Weimer, Tex., Nov. 2, 1928. He attended the May Public Schools, receiving his Bachelor of Science degree from Howard Payne College in 1956 and his Master of Education degree from the same college in 1958. He taught at Crosby during the 1956-57 school year. Galloway served seven and a half years in the U. S. Army, and his wife, Clydene, who was married Jan. 7, 1956, have two children, Douglas Bryan, two years old, and Kathryn Elaine, one year old.

**Mrs. Lillie McRee**  
Mrs. Lillie McRee, high school librarian, was born at Cedar Hill, north of Dallas, and began school at Desota, in Dallas County. She completed her last two years of high school and one year of college at Thorpe Springs Christian College. She began teaching near Dallas in

1918 and taught six years before marriage. In 1923 she attended Abilene Christian College, and also taught one year, 1927-28, after her marriage. After losing her husband, Mrs. McRee began teaching and attending Texas Tech, completing her degree at Howard Payne. She also has completed 33 hours in library science at North Texas State College. Mrs. McRee began teaching in Garza County in 1940, teaching in the grades until 1948 when she was placed in the library and also taught freshman classes for two years. During the last eight years, she has had the audio-visual program for the high school library and study halls. At present, Mrs. McRee has the full library program for the School and City Library.

**Kerwin Baxter**  
Kerwin Baxter was born Oct. 13, 1935, in Floyd County. After graduation from Floydada High School in 1953, he attended the University of Corpus Christi and Howard Payne, graduating with a BS degree in chemistry. He was married to Mary Helen Walton of Guthrie in 1957 and they have one child, Joe Roy, age 20 months. Mr. Baxter is teaching his first year in Post.

**James E. Pollard**  
James E. Pollard was born Aug. 25, 1925, in Eldon, Mo., and was graduated from Cisco High School, Cisco, Tex. He received his BS degree from McMurry College in 1950, and taught one year in Scott City, Kans., and three years in Santa Anna, Tex., before coming to Post, where he is completing his fourth year. He was married to Minta Sam Herring in 1948 and they have two sons, James E., 8 years old, and Jay, 3 years old. Mr. Pollard was in the service for three years during World War II.

## HOW BOUT THAT BY RALPH TEE

**D. H. Koeninger**

D. H. Koeninger, in his first year here as vocational agriculture teacher, was born at Memphis, Tex., Jan. 21, 1930. He attended Newlin Grammar School, Estelline High School and was graduated from Hale Center High School in 1946. He was graduated from Texas Tech in 1949 and moved to Lorenzo, receiving his Master's degree in education from Tech while teaching agriculture at Lorenzo. Called into the Navy in August of 1952, he was later commissioned and spent three years aboard a Naval Reserve training ship at New Orleans. He sold concrete pipe in Lubbock for six months and taught at Shallwater for two years before moving to Post.

**Mrs. Mary Raphael**

Mrs. Mary Raphael, who has taught in Post for seven years, will complete requirements for her Master's degree from Texas Woman's University, Denton, this July. Her major is elementary education with a special education Bachelor of Science degree from Hardin-Simmons University. Mrs. Raphael, whose hometown is Ralls, was school secretary at Morton for three years before moving to Post.

**William St. John**

This is the first year of teaching experience for William St. John, who was graduated from East Texas State College after finishing Paris Junior College. He was born June 1, 1931, in the Mt. Maxey community in Lamar County, near Paris. He was reared on a farm and ranch in the same county and

**Spur superintendent to resign on July 1**

SPUR — B. G. Nunley, superintendent of Spur schools for four years, has announced his resignation, effective July 1. Nunley plans to enter the University of Texas on a National Science Foundation Scholarship in September to study for a doctorate.

**ATTENDS PLAY**  
Coach Al Parsons of Levelland was here Friday night to attend the junior class play. He accepted a coaching job at Levelland and moved there last week.

**Stanley Wheeler**

Stanley Wheeler, only recently employed as a Post High School teacher, has completed six months active duty in the U. S. Army after receiving his BA degree from Texas Tech in the spring of 1957. He was born May 17, 1935, and was graduated from Southland High School in 1952. The Post job is his first teaching experience.

**Leonard H. Tittle**

Leonard H. Tittle, mathematics and English teacher in Post High School since 1948, has been a Texan since he was two years old, moving to the Lone Star state at that age with his parents from Oklahoma. After finishing high school at Springlake, he attended Abilene Christian College, graduating in 1954. He preached one year at Monument, N. M., then was at Ropesville for two years, one year as a high school teacher and one year as grade school principal.

**Ray Bishop**

Ray Bishop was born Sept. 13, 1924, at Walters, Okla., and after attending Texas Tech off and on for seven years, graduated in the summer of 1953. He has taught school six years — two years at Muleshoe, two years at Brownfield and two years in Post High School. Mr. Bishop served in the armed forces during World War II. He and his wife, Opal, have two children — Larry and Debbie.

**N. R. (Jiggs) King**

N. R. (Jiggs) King has gained 14 out of his 15 years teaching experience in Post High School. He taught one year at Dawson High School, Welch, Tex., before coming to Post. Mr. King attended school at Fairview and Loop in Gaines County, graduated from Texas Tech and attended West Texas State College. He teaches driver's education and girls' physical education and as girls' basketball coach has taken his team to the state tournament two years. He has been a high school class sponsor every year.

**Mrs. Wilma Hill**

Mrs. Wilma Hill, who began teaching here in February, 1956, was born in Crosby County, but moved with her parents to Garza County before her first birthday. After attending Southland Public Schools, she completed work at Texas Tech for her Bachelor of Science degree in home economics in June, 1949. She was married in December of 1949, and taught homemaking in the Ropesville school from 1949 to 1951. Mrs. Hill has two children, a seven-year-old girl and a five-year-old boy.

**Mrs. Ray N. Smith**

Mrs. Ray N. Smith was born Zella Mae Weakley in Roby, Tex., moving to Post when she was six years old. She began and finished school in Post and has taught high school English 26 years in Texas, 19 years of that time in the Post school system. Mrs. Smith received her Bachelor of Arts and Bachelor of Music degrees from Hardin-Simmons University, attended the University of Oklahoma and University of Colorado and received her Master's degree from Texas Tech.

**Mrs. G. E. Fleming**

Mrs. G. E. Fleming, who has taught commercial subjects in Post High School for 12 years, was born Cora L. Watson at Snyder, Tex. She attended schools at Wilson and Slaton, receiving her Bachelor's degree from Howard Payne and her Master's degree from West Texas State. She taught two years at Garndolia and two years in Post Grade School before joining the high school faculty. During her 12 years in high school, she has been senior class sponsor seven years, junior sponsor four years and sophomore sponsor one year. She and Mr. Fleming have one daughter, Mrs. Dan Vandell, of Odessa, and two granddaughters.

**John Edd May**

John Edd May was born July 31, 1931, at Rule, Tex., and finished high school there. He received a BS degree in animal husbandry from Texas A&M College in 1952, entering the armed forces in September of that year and serving 16 months in Japan and Korea. He received his discharge in June of 1954. Mr. May received a Smith-Hughes teaching certificate and finished 18 hours on his Master's degree at Texas Tech in 1954-55. He worked with Armour & Co., for 18 months then switched to Swift & Company for eight months. He and his wife, the former Berna Lou McMinn, have one daughter, LaRue May.

**Mrs. Bettye Scott**

Mrs. Bettye Scott, speech and English teacher in Post High School for three years, was born in 1926 at Tell, Tex., and lived in the Pleasant Valley community for 29 years. She finished Southland High School in 1942, receiving her Bachelor of Arts degree from Wayland College and her BA degree in speech from Texas Tech in 1956. She taught in the Southland school 1945-46, and was married to Wesley Scott in 1945. They have two sons, Teddy, 12, and Mike, 7. Mrs. Scott, who

says her special interest is people, she has been in the high school has been a class sponsor each year here.
