**Man wounds wife in accidental shooting**

Albert Taylor, Post Negro, is out on a \$750 bond on a charge of carrying a gun after he accidentally discharged it in "the flats" about 2:30 a. m. Saturday and wounded his wife in the head.

The bullet from the pistol only "creased" Mrs. Taylor's forehead and she was released from the hospital later Saturday.

Deputy Sheriff Red Floyd and City Marshal Otis G. Shepherd Jr. made the arrest. Floyd said both Taylor and his wife told the same story, that Floyd was trying to unload the gun when it discharged.

**Scholar recognition proposed**

**Honor student sweaters seen**

Post Independent School District trustees took under consideration Monday night a proposal that straight "A" students in the high school be given honor sweaters by the school.

The proposal was submitted to trustees at their regular November session by Supt. R. T. Smith as made by an Academic Awards committee which he had appointed.

Various trustees expressed interest in giving some type of such recognition to good students but decided to think the proposal over before taking action as the plan would not be initiated until after the end of the current semester.

**THE COMMITTEE proposed that sweaters with patches be given to straight "A" students and that the cost of the sweaters not exceed \$15 as those provided for athletic achievements (letter jackets).**

Students to receive the sweater awards would be determined on the basis of his or her recorded grade for the first semester of the current year with the awards presented after mid-term.

Each succeeding year, according to the committee's recommendations, the awards would be based on the recorded grade for the last semester of one term and the first semester of the following term.

**TO BE ELIGIBLE for such awards,** a student would be required to have an overall average of 90 for the period under consideration, would have to be well-rounded in citizenship and personality. To be eligible students would have to take a minimum of four academic subjects.

Members of the Academic Awards Committee are Glenn Whittenberg, Mrs. G. E. Fleming, Kerwin Baxter, Mrs. Herman F. Raphael and Mrs. Sue Cornell.

Also at the November session, trustees:

1. Accepted the audit of school district funds from Sept. 1, 1958, to Aug. 31, 1959, made by Bollinger, Segars and Burk, Lubbock CPA firm, and heard Auditor A. B. Segars recommend that the district's tax assessor be bonded as required by law.
2. Voted to reimburse Beck Production Corporation \$962.42 for payment of a duplicate tax assessment made in error. The firm had received two tax assessments for this amount, instead of one, and paid both of them before the error was discovered.
3. DECIDED TO ask for bids on school furniture for two rooms of grade school furniture, eight rooms of new high school furniture, and one room of junior high furniture in the next month or two to be sure and have the furniture on hand when the new high school building is ready next fall and the junior high and grade schools

**Commissioners' court back in session today**

The Garza County commissioners' court, which adjourned for two days after opening their regular November session, is in session again today.

Only routine business was attended to Monday, according to County Judge J. E. Parker.

The judge said today's business probably would include an appointment to fill a vacancy on the hospital board, created by the resignation of Mrs. John F. Lott.

# City delivery of mail will be inaugurated Saturday morning

**By CHARLES DIDWAY**

Post's first city mail delivery in its 52-year history is scheduled to get under way at about 9 o'clock Saturday morning.

Assistant Postmaster O. V. McMahon said Wednesday that as far as the post office is concerned everything is in readiness for the inauguration of mail and parcel post delivery.

Mail delivery will be made every day except Sundays and legal holidays with the three carriers and one parcel post delivery man leaving the post office at about 9 o'clock every morning.

The mail carriers will be Wayne Thomas, Jimmy Redman and Roy Josey, and parcel post will be delivered by Weldon Swanger.

McMahon said the deliveries will take place in all areas of the city except the "flats", where there is practically no paving and where drainage is poor.

"We won't be able to start delivering mail to that section of the city until the drainage problem is overcome," the assistant postmaster said.

McMahon estimated that about one-half the people who want mail delivered to their homes have signed for it and that the other half apparently are "just waiting."

"We expect to have lots more patrons come in and sign up after the delivery service starts," McMahon said. He added that the sooner they do so the more efficient the over-all service will be.

He stressed the importance of all mail being properly addressed to the house numbers where it is to be received. Change of address cards, he said, are available at the post office for patrons changing over to the new delivery service.

The assistant postmaster also requested that the patrons be patient while the transition to mail delivery is being made.

"We are going to try to keep mistakes and mix-ups at a minimum, but there are bound to be some at first," he said.

Six relay lock-boxes will be in place in various parts of the town so that the carriers who have too big a load for one "haul" can deposit some of the mail in these boxes and then return for it before completing their delivery.

McMahon said the carriers will pick up letters for mailing when they are attached to the patron's mail box. Stamps for these letters, however, will have to be purchased at the post office since the carriers will not carry postage.

The assistant postmaster said the carriers will not deliver mail at houses where there is no mail box and where biting dogs are allowed to run loose.

He said many of the people who have signed for mail delivery have their boxes already up.

The mail delivery leaving the post office every morning will "catch" virtually all of the mail coming into Post that day, McMahon said.

He said the city delivery service will "turn loose" about half of the post office's 1,090 lock boxes.

"It'll be one of the few times in the post office's history when it has had plenty of boxes to rent," he declared.

On the basis of yearly postal receipts, Post has been eligible for mail delivery for a long time, but up until now there was not enough all-weather paving around town to get it inaugurated.

The city delivery service was approved by the Post Office Department on the third attempt to get it here. The first try was made over six years ago, and there was another attempt about two and a half years ago.

### Chest drive will be launched Monday

With almost half of the \$12,500 goal already raised by the advanced gifts division, Garza County's 1960 Community Chest drive kicks off Monday for its traditional week's campaign.

Leo Acker, campaign chairman, declared today: "We're going to try to reach everybody in the county sometime next week and give them the opportunity to put something into the Chest."

He emphasized that the Chest wraps gift giving to eight different organizations into a single campaign, thus cutting down on the time and trouble of staging eight different drives.

Participating in the next year's Chest are the following, along with amounts they will receive if the campaign reaches its goal:

- Gonzales Warm Springs Foundation \$500
- Texas United Fund \$375
- American Heart Association \$600
- Post Youth Center \$1,730
- Salvation Army \$1,500
- American Red Cross \$1,750
- Girls Scouts \$1,750
- and Boy Scouts \$3,000.

An individual's "fair share" for a Chest contribution is pegged at "one day's pay."

Drive Chairman Acker pointed out that the full contribution does not have to be paid in cash at one time but can be pledged and paid later to the bank by either quarters or months.

The Postex Cotton Mills have set up a payroll deduction plan for their 500 employees. The plan worked very successfully last year with a large percentage of mill employees giving a day's pay.

J. B. Potts, president of the Chest organization, reported today that members of the advanced gifts committee to date had turned in \$4,921 in cash and \$1,131.25 more in pledges for a total of \$6,052.25.

The advanced gifts division, which last year raised over \$9,000, is still a good way from being finished with its portion of the campaign. It handles donations of \$25 or more and starts two weeks in advance of the main drive.

Drive Chairman Acker said he expects to name chairmen and helpers in the rural, oil employes, downtown employes, and school divisions today and tomorrow so that an all-out effort can be made in the week-long drive beginning Monday.

The Chest campaign has been successful for the last two years and Chest officials are confident that the \$12,500 sought this year—the same amount as last year—can be raised if everybody will do his or her "fair share."

"There are always some folks who for one reason or another are not contacted in such a big community drive," Acker said. He asked that these folks bring or mail their donations to Potts at the First National Bank.

### Pearce rites are conducted here

Funeral services for Vernon L. Pearce, a resident of Post since 1912, who died Friday in Garza Memorial Hospital, were conducted at 2 p. m. Saturday in Mason Funeral Home Chapel.

Mr. Pearce, who was 79 years old, had been ill for some time. He had been in the hospital about two weeks.

He was born Sept. 7, 1880, in Hunt County, moving to Garza County in 1912 from Gail and living north of Post before moving into town. He was a retired railroad worker.

He is survived by three sons, L. B. and M. A. Pearce, both of National City, Calif., and L. D. Pearce of Bell Garden, Calif. Mrs. Carrie Wall of Route 3, Post, is a cousin.

The Rev. Eugene Matthews, First Methodist pastor, officiated at the funeral services. Masonic graveside rites were conducted in Terrace Cemetery.

### Building contract is awarded by church

Contract for construction of a new classroom building to the Church of Christ was awarded Monday night to M. C. Walters of Lubbock on his bid of \$45,490.

The contract was awarded at a meeting of elders and deacons of the church.

### Girl Scouting program given boost

**Four Brownie troops are organized for Post girls**

Four new Brownie troops for second and third grade girls are being organized in Post by the Caprock Girl Scout Council in the new revitalized Girl Scouting program here.

A fifth Brownie troop for fifth graders is being reactivated.

Some 150 girls in the three grades who have expressed interest in the Brownie program — for girls 7 through 10—thus will become Brownies.

Miss Fane Downs, district Girl Scout director from Lubbock, and Mrs. Donald Gum, acting executive director of the Caprock Council, also from Lubbock, met last Thursday afternoon with the 150 second, third, and fourth graders who said in a poll they were interested in Girl Scouting.

**MISS DOWNS** then returned here Tuesday afternoon and met with 27 mothers of the girls in the grade school auditorium to secure leaders for the troops.

Mrs. Spencer Kuykendall and Mrs. V. L. Peel will be co-leaders for one second grade troop and Mrs. Howard Kolb the leader for the other second grade troop.

Mrs. Harley Turbyfill and Mrs. L. L. Markham of Route 3 will be co-leaders of one troop for third graders and Mrs. J. C. Stelzer and Mrs. Odean Cummings co-leaders for the other third grade troop.

Mrs. Lee Ward is the leader for

Other queen candidates were Mrs. Ohlene Bivens, Mrs. LaNell Clary, Mrs. Jo Ann Miller and Mrs. Joyce Tatum.—(Staff Photo).

### Wheel off truck crashes into car

A tire and wheel came off a large produce truck about 1 a. m. Monday 10 miles northwest of Post on US-84 and smashed into a Buick car approaching from the southeast.

The driver of the car, Dan Elliott Johnson of Austin, who was en route to Lubbock, was not injured but the heavy wheel and tire did considerable damage to the front of his automobile.

James Thomas Flowers of Littlefield was the truck driver.

The accident was investigated by Deputy Sheriff Red Floyd and City Marshal Otis G. Shepherd Jr.

### At annual Homecoming banquet Friday

Postmaster Harold Voss was elected president of the Post Ex-Students Association Friday night at the Exes' homecoming banquet in the high school gym.

Leon Miller was named vice president, Mrs. Margaret Bull, secretary, and Mrs. Maxine Edwards, treasurer.

Voss succeeds Bob Baker, who presided over the banquet and welcomed the many ex-students to the successful affair.

A definite date for next year's homecoming banquet was not selected, but it probably will be on the night of the Slaton game the first Friday night in November.

Chant Lee, introduced by Bobby Cowdrey, was the homecoming banquet speaker. He challenged his hearers to put together and write a policy statement "of what you have a right to expect in your Post schools."

He urged such a policy statement be presented "to your school board as your suggestions — not as an ultimatum." Lee pointed out the school trustees are "good, honest men."

Do that, he told the Exes, "then you will have a real purpose to your association."

All members present from the championship 1928 and 1948 football teams were introduced as were the members of the girls high school basketball teams of 1946, 1949 and 1953.

**Bible Thoughts**  
**"TRUTH"**  
 by RONNIE PARKER

When said Jesus to those Jews which believed on him, if ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free" (8:31-32).

This message of cheer comes ringing from the lips of the Son of God. This is the hope of the world.

God into this atomic age. It is good news to know that the truth originates with God. The Bible is God's revelation of truth. Christ, the personification of truth, is the only way to God. The church of our Lord is the pillar and ground of the truth. It has been said that there is no pleasure comparable to standing on the vantage ground of truth. Man's most vital duty is to know the truth, believe it, love it, obey it, be loyal to it, teach it, and fight for it. The Lord's church is God's institution for the propagation and defense of the truth.

The Church of Christ in Post invites you to study the truth with us. Our sincere purpose before God is to teach his eternal truth. Be with us Sunday.

**Lubbock voters okay school bond measure**

LUBBOCK—Voters of the Lubbock Independent School District voted about 10 to 1 Nov. 3 in favor of two bond issues totaling \$8,500,000 for enlargement and improvement of the educational plant.

Of the total, \$7,800,000 is earmarked for new construction, which is expected to include a third high school and several new junior high and elementary buildings. A stadium for high school use only is to be built with the remaining \$700,000 of the bond money.

**Group lays pipe at Scout camp**

The Texas Tech Alpha Phi Omega chapter held their annual "Work Weekend" recently at Boy Scout Camp Post near here.

The Alpha Phi Omega is a Campus Service Fraternity. Membership is limited to college men who were former Boy Scouts. Bob Hilliard, assistant Dean of Men at Texas Tech, is one of the adult sponsors and attended the work weekend. The Alpha Phi Omega is a national fraternity.

About 25 fall pledges and 20 members attended.

The project this fall was to lay waterpipe to the five new campsites being developed at Camp Post.

For the first time in hundreds of years, no flax was grown commercially in Northern Ireland in 1959.

**State Capital NEWS**  
 By Vern Sanford

AUSTIN — Should all Texas public school teachers receive a raise or should higher pay be a reward for being a better teacher?

This is one of the questions being debated as teachers flood Gov. Price Daniel's office with letters asking for a special session of the Legislature next year to hike their salaries.

Other points of controversy: (1) How would you decide which are "better" teachers? (2) How do teachers' salaries compare with those of other college graduates?

Texas State Teachers Association is asking for a \$405 per year boost in the present \$3,204 minimum annual salary.

R. W. Byram, State Board of Education member, has suggested giving teachers examinations to determine which should receive raises on the basis of merit. A bachelor's degree, Byram noted, is not a mark of "exceptional learning" in these days.

Choice, in Byram's view, is either better pay for the more competent teachers or a uniform scale pegged at a lower level.

BYRAM DECLARED that teachers' salaries in the larger Texas cities which pay more than the statewide minimum already compare well with those of other professions. He said a beginning teacher in Houston gets \$444 a

month, while a new geologist or petroleum engineer may start from \$375 to \$425 with the necessity of living "where the job is."

A University of Texas job placement official challenged Byram's figures. Joe L. Bruns contended the Houston school pay is tops, not typical, for the state and reminded that teacher pay is for only nine months a year.

On a 12-month basis, said Bruns, most Texas teachers average \$267 a month. He said UT's engineering graduates last year started at an average of \$490 per month.

In Austin, he said, the average starting teacher has about \$220 a month take-home pay—not enough "to lure an able young man—particularly a married man."

**SENATE COMMITTEES — Lt. Gov. Ben Ramsey** has passed out between-sessions study jobs to 29 of the Senate's 31 members.

Key posts went to members who have made up the Senate's conservative leadership for a decade or more. Omitted from committees were Sens. Henry B. Gonzalez of San Antonio and Andy Rogers of Childress, both regarded as liberals.

**BURGLARY WITHOUT Consent** — If a burglar breaks into a house, the owner of the burglarized property must, if he testifies in court, state that he did not give the thief permission to enter the premises.

Court of Criminal Appeals has now reversed three convictions because property owner did not testify that he had not given consent for the defendant to take property from the site.

In one case the defendant confessed that he cut a hole in the ceiling of an office and stole a safe. However, in the appeals court opinion, it must be proven that the defendant was going against the wishes of the property owner.

**STOP FOR SCHOOL BUS**—Texas motorists are being urged to observe the law to the letter when they encounter a school bus on the streets or highways.

Ten children have been killed and 86 injured in school bus accidents since Sept. 1, the Department of Public Safety reports.

Texas law requires that a car must come to a full stop when approaching from either direction a school bus that is taking on or letting off passengers. After a complete stop, the motorist may pass the bus at not more than 10 miles per hour.

## Littlefield WSCS to host district meet Wednesday

The Woman's Society of Christian Service of the Littlefield Methodist Church will be host to the Brownfield District Fall Meeting Wednesday, Nov. 18. This district includes the counties of Gaines, Yoakum, Terry, Lynn, Hockley, Cochran, and parts of Bailey, Lamb, and Dawson. Mrs. Roy LeMond of Route 3, Post, is president and Mrs. E. M. Walker of Route 3, Post, is secretary of Missiogy Personnel.

Mrs. C. C. Coffee of Lubbock, past president of the Northwest Texas Conference Woman's Society of Christian Service, will be the guest speaker. Mrs. Coffee has recently returned from a tour of missions in Africa.

The Littlefield Woman's Society will serve lunch and there will be a nursery for children.

Registration begins at 9:30. The meeting will start at 10 a. m.

## 'Kitchen Kapers', Methodist fall bazaar to open at 9 a.m. Nov. 21

At 9 o'clock Saturday morning, Nov. 21, the doors will open at Fellowship Hall of the First Methodist Church for the church women's fall bazaar, this year entitled "Kitchen Kapers".

Last November the women sponsored the "Three Elves Bazaar".

Gifts for all ages will be on display for early Christmas shoppers, featuring at the top of the list the popular "Three Elves Cookbook" of last year, which has more than 400 home-tested recipes donated by women of the West Texas area.

Another item that is both practical and pretty are the little plastic bags decorated in felt to hold hosiery, sweaters, gloves and other miscellaneous items.

Something new added this year are the "sophisticated cats" designed from felt with rhinestone eyes and nosegay tails, a sure hit with the teenagers.

Other items on display will include the fancy aprons, toy clowns, varied selection of stuffed toys, original oil paintings, crocheted dogs, toaster covers, and a "sweet booth" containing pie, cakes and candies.

The event will continue through 5 o'clock, giving working women the opportunity to drop by and browse during their coffee breaks.

## PHS speech department to present delightful 'Cheaper by the Dozen'

Have you forgotten the happy days of a large family, a chaperone on every date, knickers, the first silk stockings?

To refresh your memory, the speech department of the Post High School is presenting "Cheaper by the Dozen" next Friday night at 8 o'clock in the grade school auditorium.

Each and everyone is invited to come and relive those happy days of the "20's".

## Thanksgiving sets theme for meeting of Past Matrons

Thanksgiving provided the theme for a meeting of the Past Matrons Club of Post and Southland when it met Tuesday night at the home of Mrs. O. H. Hoover, with Mrs. Will Wright as co-hostess.

The evening program included a book review by Mrs. Tom Hagood, followed by a Thanksgiving hymn by Mrs. L. G. Thuet, Jr. and Mrs. Alvin Young.

The group also enjoyed a Thanksgiving game under the direction of Miss Thelma Clark.

Refreshments of salad, pumpkin pie, and spiced tea were served from a table centered with an arrangement of chrysanthemums.

Plans were begun for the club's annual Christmas party during a business session presided over by Mrs. C. R. Thaxton, president.

Attending were: Miss Thelma Clark, Mrs. Lelia Gilley, Mrs. T. W. Hagood, Mrs. O. H. Hoover, Mrs. L. B. Mathis, Mrs. Don Pennell, Mrs. J. A. Propst, Mrs. J. A. Stallings, Mrs. C. R. Thaxton, Mrs. Billy Johnson, Mrs. Kenneth Davies, Mrs. Noah Stone, Mrs. Alvin Young, Mrs. Will Wright, and Mrs. L. G. Thuet Jr.

## 'Sights and Cities' topic at Culture Club meet Wednesday

Continuing with the course of study on "The Great Southwest", the Woman's Culture Club had a three-part program on "Sights and Cities" last Wednesday afternoon when they met at the home of Mrs. James Matthews with Mrs. D. H. Mayfield Sr. as co-hostess.

Roll call was answered with "A City of the Southwest", followed by a discussion on "Natural Wonders of the Southwest: Its Caverns and Canyons" by Mrs. Walter Boren.

Mrs. Douglas Buchanan's topic covered "Natural Parks of the Southwest" and Mrs. J. B. Dyer talked on "Santa Fe and Its Fiesta".

During a business session Mrs. Lee Davis, vice president, presided in the absence of Mrs. J. H. Haire.

Attending the meeting were: Mrs. Walter Boren, Mrs. Douglas Buchanan, Mrs. Connie Caylor, Mrs. Lee Davis, Mrs. W. L. Davis, Mrs. J. B. Dyer, Mrs. Tillman Jones, Mrs. D. H. Koeninger, Mrs. M. J. Malouf, Mrs. John Edd May, Mrs. Dowe Mayfield Jr., Mrs. D. H. Mayfield Sr., Mrs. R. T. Smith, Mrs. E. S. Stewart, Mrs. K. Stoker, Mrs. J. F. Storie, Mrs. C. R. Thaxton, and Mrs. James Matthews.

## Postscripts

Miss Marilyn Steel, '58 graduate of Post High School, has been named as 1959 Miss Electron by the Science Club of Cisco Junior College where she is a freshman. She represented the club on their float in the homecoming parade Saturday. She is the daughter of Mr. and J. C. Steel.

Guests of Mr. and Mrs. T. L. Jones last week were Mr. and Mrs. H. Tate and Miss Vergie Morris of Clayton, N. M. The group attended homecoming activities during the weekend at East Texas College in Commerce.

Mrs. Lucy King received a letter from her son, David, this week that following his completion of basic training with the Army in Alabama, he will leave for Ft. Monmouth, N. J., where he will attend Army instruction school. David is a PHS graduate and attended TSC before entering the Army.

Mrs. Joan Stewart assumed her duties as Chamber of Commerce secretary this week, replacing Mrs. Dixie Billings who moved over weekend with her family to Lubbock where they will make their home.

Many familiar faces were seen around Post and the PHS campus Friday afternoon and at the Post-PSA football game that night.

The ladies of the Calvary Baptist Church had their regular monthly Bible Study class Monday night. The program was given by Mrs. Will Teaff. There were seven ladies present.

## 60th wedding date marked by Mr. and Mrs. S. M. Puckett

Over 40 relatives called Sunday afternoon at the home of Mrs. Lorene Cash to offer Mr. and Mrs. S. M. Puckett best wishes on the occasion of their 60th wedding anniversary.

The Pucketts celebrated their Golden Wedding date with an open house but due to ill health the occasion was marked with visits from relatives only, during the hours of 2 to 5 o'clock.

Mr. and Mrs. Puckett, who have been Post residents since 1932, were married Nov. 5, 1899, in Fairlee and made their home in Greenville. In 1917 they moved to Hopkins

County and then to the Dry Lake community near Spur where they lived until moving here. They have five living children, Clifford D. Puckett of Lubbock, Brode Puckett of Wichita Falls, Mrs. Howell Huntington of Lubbock, Mrs. Lala Pennington and Mrs. Cash. The honor couple also have seven grandchildren and 10 great-grandchildren.

Alternating in registering guests were the couple's granddaughter, Judy Puckett of Wichita Falls, and their great-granddaughter, Sharon Hutto of Lubbock. The registering table was decorated with an arrangement of mums and roses.

Decorations for the serving table carried out a white and pink theme with a white cut-work linen cloth and centered with the "wedding" cake in pink and white. The cake was topped with an archway of pink roses with the numerals "60" underneath. The couple's names "Nora and Mill" and "1899-1959" were lettered in silver on the napkins. Crystal and silver appointments were used.

Serving cake and coffee were a

granddaughter, Janet Puckett of Lubbock and a great-granddaughter, Glenda Hutto of Post. Gifts were displayed by a granddaughter, Mrs. Hershel Pigg of Lubbock.

Arrangements of fall flowers were used throughout the entertaining rooms.

## Fred Long honored at Saturday event

Mr. and Mrs. Fred Long, who were recently married, were complimented with a miscellaneous shower, followed by a "42" party, Saturday night at the home of Mr. and Mrs. Ray Hodges in the Barnum Springs community.

Mrs. Novis Pennell presided at the guest registrar, where 74 signed the bride's book.

Coffee, cake and doughnuts were served during the evening.

Hostesses for the event were: Mmes. Ray Hodges, Barney Jones, Woodrow Furr, W. C. Ryan, Tom Henderson, Bus Pennell, Bill Long, Novis Pennell, Rex Welch, Pete Pennell, W. D. Williams and Byron Haynie.

## BARNUM SPRINGS NEWS

### Newlyweds are shower honorees in Hodges home

By CECELIA BLAND

A wedding shower honoring Mr. and Mrs. Fred Long, who were married three weeks ago, was given in the home of Mr. and Mrs. Ray Hodges Saturday night.

Visiting in the home of Mr. and Mrs. Johnny Ray over the weekend were Sonny Mason and Mr. Ray's parents from Grassland.

The Barnum Springs Club is to meet Friday in the home of Mrs. Pete Pennell.

Mr. and Mrs. Cleo Bland of Odessa visited Sunday in the home of Mr. and Mrs. Cecil Bland.

Mr. and Mrs. O. F. Hemphill, Charlotte, Ronnie and Brenda of Lubbock visited recently in the home of Mr. and Mrs. W. H. Barton.

Visiting recently in the home of Mr. and Mrs. C. D. Nowell were Mr. and Mrs. Earl Bowie and son, Donna Bowie and Danny Fletcher.

Mr. and Mrs. Cecil Bland visited Sunday in the home of Mr. and Mrs. J. M. Bland.

Donnie Hair spent Saturday night with Kenneth Pennell.

Mr. and Mrs. C. D. Nowell visited recently in the home of Mr. and Mrs. Willie Caudle of Idalou.

### Antelope Alley scene of Mystic gathering

Antelope Alley will provide the setting tonight for a family party for members of the Mystic Sewing Club and their guests. Time for the event has been set at 7 o'clock.

The club met in regular session Friday afternoon at the home of Mrs. Nell Windham.

The five members attending were: Mmes. Jimmie Hudman, Estlea Nichols, Ruby Shedd, Lillie D. Short, and Nell Windham.

### REBECCA CIRCLE MEETS

The Rebecca Circle of the First Methodist Church met last Thursday night with nine present.

"There's a Light Upon the Mountains" was the opening hymn and Mrs. Lee Ward gave the devotional. Mrs. Jim Hundley, secretary of Literature and Publications, gave the program.

## Invitation Extended

Mr. and Mrs. L. P. Kennedy Sr., 309 N. Avenue H., extend an invitation to friends and relatives to attend their 25th Wedding Anniversary celebration Sunday, Nov. 22.

The event will be held at Teen Town and begins at 2 p. m.

### About your health

Healthful nutrition is a year around job. But as cooler weather comes to Texas, it becomes increasingly important to guard against falling victim of "winter susceptibility."

There really isn't any such term, but the fact of the matter is that bodily resistance may be lessened during fall and winter.

For this reason it is smart to observe, more than ever, the rules of good nutrition.

The well-fed family receives the basic foods in their daily diet. Food rich in protein should be served at every meal.

Meat, fish, poultry, eggs and milk (including milk products like cheese and ice cream) are the best sources of high quality protein. Other sources are cereals, peas, beans, and nuts.

A green or yellow vegetable should be served at least once a day. These contain essential vitamins and minerals.

Because it cannot be stored in the body, vitamin (from citrus fruits, tomatoes and other fresh or processed fruits and vegetables) is needed every day.

With the addition of these to round out meals according to tastes and appetites, the well-fed family is provided with all the nutrients needed for health and growth.

Breakfast is probably the most important meal of the day because you have gone without food for such a long period of time. One-third of our daily diet must be eaten at breakfast.

Breakfast is essential to children. Fruit, meat, or eggs, and cereal or bread and butter and milk should be included in every breakfast.

Three good meals a day will go a long way toward keeping you fit through fall and winter and all year long. (A weekly feature of the Public Health Education Division, Texas State Department of Health.)

### Seat belts are proving worth in traffic safety

AUSTIN — Consider these bits of information from the Texas Safety Association as you whiz down the highway in your car:

1. Seat belts cut your chances of getting hurt in an auto accident in half.

2. The risk of death or serious injury in an auto wreck is five times greater if you are hurled from the car than if you remain inside—seat belts help keep you there.

3. Safety men estimate 5,000 lives could be saved each year if seat belts, properly installed, were used in cars.

These are some of the facts safety experts are armed with in their attempt to popularize the use of auto seat belts.

Seat belts, according to TSA, are a positive step a motorist can take toward safety and a constant reminder to keep his safety guard up. Also, contrary to much thinking, seat belts help reduce driving fatigue.

Is the risk of being thrown from your car in a crash exaggerated?

No! Says TSA, which reports that a recent study showed that in actual crashes, 55 per cent of the doors open. Of the persons killed, 47 per cent were thrown from the car.

However, experts do not claim seat belts are the sole answer to traffic accident problems, but they do know their widespread use could go a long way in reducing traffic injuries and fatalities.

## Against the Sea

Have you ever wandered idly along a sandy ocean beach or the rocky shore of a lake and come upon the battered hull of an old boat? Perhaps the bottom has been smashed in or the sides leak so badly that probably the repairs would cost far more than the old boat is worth. So it is left to rot; abandoned to the merciless pounding of the wind whipped surf and the constant destruction of the surging water. Let us consider for a moment how many people of our acquaintance have, through their own choice, made their lives very much like this old boat. They have let the destructive waters of malice and greed eat away at their hearts and minds until their lives have become as worthless as this rotting hull. And yet, God in His Infinite Mercy will not let man be abandoned. There is no measure of His forgiveness if we but acknowledge that He is our Father and we are His children. There is no life that He considers worthless or beyond repair. Begin now to attend the church of your choice regularly... for through the church you will know of everlasting life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man in response to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Tech student is first 1959 Maid of Cotton entry

A junior from Texas Tech, Mary Lynn Peveto of Lubbock, has become the first official contestant in the 1960 South Plains Maid of Cotton Contest, scheduled for Nov. 23-24. She submitted her application Nov. 3 to Roy Forkner, chairman of the contestants committee and James Moss, contest committee chairman.

The South Plains Maid of Cotton Contest is celebrating its 10th Anniversary with this year's program. The contest is open to any young lady from one of the 23 counties in the South Plains. Contestants must be between the ages of 19 and 25, not have been married and be at least five feet, five inches tall.

The winner receives a \$1,000 all-cotton wardrobe plus an all-expense paid trip to the National Maid of Cotton Contest in Memphis, Tenn., for herself and chaperone. This year, the first and second alternates will receive gift certificates in the amount of \$200 and \$100 respectively.

## Post girl candidate for Wayland queen

PLAINVIEW — Ruth Saenz, daughter of Mr. and Mrs. Thomas Saenz, 609 Ave. F, Post, is one of 11 candidates for Homecoming Queen at Wayland Baptist College with coronation ceremonies slated for the evening of Nov. 20 and the Queen will reign over the weekend festivities, according to Vernon Norris, Springfield, Ore., secretary of alumni affairs.

Competing against Miss Saenz, who is a candidate from Cosmopolitan Club, are: Janice Grant, Levelland, junior class; Doris Crisp, Shallowater, Speech Club; D'Lila Beckner, Clayton, N. M., sophomore class; Martha Wuerflein, Muleshoe, Home Economics Club; Genell Cornett, Brownfield, freshman class; Shirley Vernon Miller, Amherst, Philokian Club; Janet May, San Andres, Colombia, South America, senior class; and Martha Jim Baker, Thomaston, Ga., International Choir.

Homecoming officially begins on the morning of Nov. 29 when the Association of Former Students will present Leon McBeth, Rio Vista, as speaker and Joe Arthur, Littlefield, as guest musician, according to Walter Lassiter, executive secretary. Class of 1939 has been named "honor class".

Following the coronation, the queen will be honored at dinner in Slaughter Memorial Center and have a reserved section for the evening performance of "Dear Brutus", by J. M. Barrie under the direction of John Lee Welton. The next morning she will be featured in the downtown parade of floats. This will be followed by a traditional Western barbecue on

## Lynntegar Electric granted REA loan

TAHOKA — Lynntegar Electric Cooperative has been granted a loan of \$1,352,000 by the Rural Electrification Administration for expansion of its rural power system, manager Garland Pennington has announced.

The funds will be used to improve and expand the system to serve 1,373 new rural customers. It will include construction of new sub-stations in Terry and Gaines Counties, 21 miles of new transmission lines, 38 miles of new tie-in lines and 288 miles of distribution lines.

Garza is one of the seven counties served by Lynntegar.

## Road bond election is called again in Lynn

TAHOKA — A second bond election for \$190,000 with which to purchase right-of-way has been called for Dec. 5 by the Lynn County Commissioners' court.

The bond issue lacked eight votes of the necessary two-thirds majority in an election Oct. 17, with 222 voting for and 115 against.

The bond issue would be used for purchase of right-of-way for the four-lane widening of U. S. Highway 87 from Tahoka to the Lynn County line.

A constant growth of interest in mutual fund investments in Austria is reported in Vienna.

## Contract is awarded by Abernathy schools

ABERNATHY — Trustees of the Abernathy Independent School District have awarded a construction contract to A. P. Kasch and Sosa, Big Spring, on their low bid of \$748,110.

The contract will cover the major portion of a school expansion program for which a \$1,000,000 bond issue was voted in May.

The expansion program will include a new 20-classroom primary school, a new 14-room junior high school and additions to the senior high school.

"Captain R. B. Marcy discovered the Red River had two forks and the land in between became a center of dispute," Will Wilson points out.

(Editor's Note: This is the fifth in a series of articles outlining the numerous boundary conflicts dating back to 1714, pointing up little known facts which shaped the Texas of today.)

Greer County lies at the base of the East side of the Texas Panhandle between the forks of Red River.

For many years people in that county did not know whether they were part of Texas or Oklahoma. The trouble goes back to the treaty between the United States and Spain fixing Red River as boundary at a time when Texas Panhandle area was unexplored wild Indian territory.

They did not even know Red River had two forks. In 1852, Captain R. B. Marcy discovered two forks of the river and attempted to locate on the ground the 100 meridian fixed in the old treaty as the northern boundary of Spanish territory.

And his location caused the trouble. Attorney General Will Wilson,

### School Board—

(Continued From Front Page) move up into other buildings.

4. Voted to sell the surplus school bus to the low bidder of three, the Pendley Body Co. of Lubbock for \$254 but to retain the surplus carryall for school use until arrangements can be made to replace a worn out pickup now in school service.

5. Heard Burney Francis report that patrons in the nine sections the Post district proposes to trade to the Tahoka school district for eight sections on the border between the two districts are "not as enthusiastic as they once were for the swap."

FRANCIS SAID his survey revealed eight are in favor, seven are opposed, and three don't care in which district they are.

The board decided to accept Francis' recommendation that one of the nine sections in which all residents are opposed to the move be withdrawn from the swap and that patrons be permitted to go ahead and see if they can work out the swap for the other eight with the approval of the three county boards of education involved.

Supt. R. T. Smith, in discussing the need to get in the classrooms furniture order, told trustees that Charles Hopkins, the new manual training instructor, can make the teachers' desks, library desks, and all office furniture needed in the new building during the summer vacation. He showed trustees the mechanical drawing desks Hopkins already has made for that class in his extra time at considerable savings to the school.

SMITH EXPLAINED that grade school furniture will be moved into the junior high building, junior high furniture into the present high school building next fall and that the classrooms in the second grade school only will be furnished with new furniture as the enrollment requires it.

Supt. Smith and trustees agreed that the school tax collector must be bonded. To comply 100 per cent with the state statute would require a \$50,000 bond at a cost of \$250 although almost all tax payments are made by check.

Segars, the auditor presenting the audit report, complimented the school district highly for "your exceptionally well kept financial records." He reported nothing needs to be done in this field to meet all state requirements but to bond the tax collector which the trustees said they will do. He termed the district's past school year "a very successful one financially."

### New Arrivals

Mr. and Mrs. William Bennett announce the birth of a daughter born Nov. 9 in Garza Memorial Hospital. She weighed three pounds ten ounces and was named Judith Carol.

### Christmas tree to arrive soon

The big Christmas tree for Post's holiday street decorations will arrive here the Sunday after Thanksgiving, and will need to be erected immediately, Johnny Hopkins, Chamber of Commerce manager, told directors at a meeting last week.

The directors also discussed whether or not Dec. 21 is too late for the merchants' Christmas party, but took no action on setting a definite date.

There was a general discussion of the Retail Merchants Association being organized by Dr. A. B. Carter. The directors decided to review with the committee the situation regarding such an organization and to inform each merchant what his investment in and benefits from the credit bureau would be.

The discussion followed a statement by the manager that the Chamber could not support any organization financially, but would endorse any enterprise that would benefit the community.

### Postings—

(Continued From Front Page) tell Dispatch readers the week before that everybody should honor Veterans Day and that he intends to do so, even if others don't. James Minor is another who believes in honoring the vets. It's still pretty vivid to James. He closed his furniture store right in the middle of its 44th anniversary sale for the holiday.

C. T. McLaughlin, the Snyder oil and cattleman, was scheduled to host some 700 West Texas folks at noon today on the spacious lawn on his Diamond M. Ranch near Snyder for a barbecue honoring Senator Lyndon Johnson. Some two dozen Post folks were among those receiving invitations to the big affair. They included County Judge and Mrs. J. E. Parker, Mr. and Mrs. James Minor, Mrs. Irene Rodgers, Mr. and Mrs. N. C. Outlaw, Mr. and Mrs. Carl Webb, Mr. and Mrs. Tom Bouchier, Mr. and Mrs. Pat Walker, Dr. and Mrs. Harry A. Tubbs, Mayor and Mrs. Powell Shytles, Mr. and Mrs. R. J. Jennings, Mr. and Mrs. Irby G. Metcalf Jr., and Mr. and Mrs. Jim Cornish. We're not sure whether there'll be another "Johnson for President" club in West Texas come nightfall or not, but two things are sure. Everybody who attends will get Johnson "charm-ed" and C. T. will put on an elegant barbecue.

D. C. (Billy) Hill returned to Post Tuesday morning from a highly successful three-day pheasant hunting trip around Garden City, one of our old stamping grounds, in Western Kansas. Billy, his brother, Tom, of Aspermont, and three friends from Lubbock and one from Levelland were in the party. Billy reported the birds plentiful this year with his party bagging 47. The local oil man returned with the same opinion we have for Garden City — full of some of the friendliest people anywhere. Billy tells the story of how farmers not only gave them permission to hunt on their land but took the time and trouble "to show us where the birds were."

Bob Collier was pleased with his 50th anniversary open house and appreciation sale Saturday. He reports some 500 folks registered for the prizes with Pete Pennell winning the camera, Mrs. F. H. Hodges the perfume, Mrs. Dovie Young the men's razor, and Mrs. Francis Bias, the ladies' razor. Bob said he also appreciated the flowers and the many kind words about the remodeled store.

The Community Chest drive comes up for a whirlwind week next week and we hope everybody pitches in and does his or her share to put it over the top. Garza County has one of the few Chest organizations in Texas which has been successful the last couple of years. But we can't afford to let up. A united Chest drive simply falls apart if you have to allocate only part of the proposed budgets to the participating organizations.

A second Dale Carnegie course will be organized at City Hall Monday night and you'll find full particulars about it in a big ad on page 12. The Carnegie course is credited with giving a whole lot of folks a new outlook on life.

SPECIAL PROGRAM SET A special program is planned when members of the Needlecraft Club meets tomorrow, Friday 13th, at the home of Mrs. Boone Evans.

### Area church is award winner

CORPUS CHRISTI — For the second consecutive year the Slide Baptist Church near Lubbock has been named runner-up in the annual Church Achievement Program sponsored by the Baptist General Convention of Texas.

Dr. Forrest C. Feezor, executive secretary of the BGCT, presented a special certificate to the church and its pastor, the Rev. Claude Cone. The presentation came during the opening session of the Texas Baptist Convention meeting here Nov. 25.

The First Baptist Church of Goliad was awarded the program's top award during the presentation services Monday, and 17 other Baptist churches, each a district representative in the annual program, received honorable mention.

As District 9 co-representative, the Slide Baptist Church earlier shared district honors in the pro-Chapel of Hale Center near Plainview. The Jerusalem Baptist Chapel was one of the 7 churches receiving honorable mention recognition.

Divided into three categories, the Church Achievement Program is judged on the basis of projects designed to build a better church, community and world.

Sponsoring a young Korean girl through four years of study at Mary Hardin-Baylor College, Belton, was one of the projects that earned the Slide Church the state honors in the program.

The church completed all but one of the 143 projects undertaken last year.

### Two Fined for carrying weapons

Manual A. Gariboy and Adrian Jaramillo were fined \$100 and costs in county court this week by Judge J. E. Parker on charges of carrying weapons.

Deputy Red Floyd and City Marshal Otis G. Shepherd Jr. arrested the pair about 3 a. m. Sunday in "the flats". Gariboy had a 32 automatic pistol and Jaramillo was armed with a razor.

### Filing deadline coming earlier

The filing deadline for all candidates in Garza County, and in other counties in Texas, is Feb. 1.

This means that candidates for the offices of sheriff, county attorney, precincts 1 and 3 commissioners, precinct 1 justice of the peace and precinct 1 constable must have their hats in the ring earlier than usual.

### Baptists reaffirm separation of church and state

The Rev. C. B. Hogue, pastor of the First Baptist Church, attended the Baptist General Convention of Texas at Corpus Christi last week to which more than 3,000 churches sent delegates or messengers.

Rev. Hogue reported that the crucial factor at the convention this year had to do with whether to accept or reject the Wadley Hospital of Texarkana which had received government grants.

"This constituted a violation of the separation of church - state principle in the minds of many Baptists over the state," Rev. Hogue said.

"Southern Baptists have been accused of being non-ecumenical, uncooperative and hard-headed," Rev. Hogue said. "However in recent years the Baptists have begun to show greater interest in community affairs and enter into Christian movements involving most other Christian bodies. At the same time they have reserved the right to retain emphasis on particular tenets of their doctrines. One of these is the long cherished and respected doctrine of separation of church and state."

By a three-vote majority the Executive Board left the decision to the convention. The decision did not come to a vote, however, as the hospital board, recognizing the confusion which could possibly hurt Baptist influence, withdrew its proposal.

The convention then thanked the board of the hospital and rebuked the Executive Board for permitting themselves and the convention to allow the possibility of con-

fusion, Rev. Hogue explained. He said the result proved again the churches at the convention have the final authority and will voice their opinion. The First Baptist pastor said congratulations on the stand on church and state relations and for their ability to solve problems which arise in a democratic fashion, yet retain a close knit fellowship which has been criticized but propelled them toward significant gains in church membership and a voice in religious affairs.

### Garza wildcat plugged

Wheeler Oil Company, Fort Worth, has abandoned at 4,238 feet its No. 1 G. W. Gindoff, 3 1/2 miles west, northwest of the new pool in Garza County.

**BEEF WEEK PROCLAIMED**

Hugh Fitzsimons Jr. (center) and J. D. Sartwell (right), vice president and secretary respectively of the Texas Beef Council, receive Gov. Price Daniel's official proclamation of Beef Week in Texas, the state's annual salute to the cattle industry.

**Sixth annual Beef Week proclaimed by Governor**

AUSTIN — Gov. Price Daniel has signed the proclamation officially designating the week of Nov. 30-Dec. 6 as the sixth annual Beef Week in Texas.

Hugh Fitzsimons Jr., San Antonio, and J. D. Sartwell, Houston, vice-president and secretary respectively of the Texas Beef Council, received the proclamation. W. T. Bonner, Gainesville, is president of the TBC, and educational program of the cattle industry which is supported by more than 3,000 cattlemen members.

"Texas cattlemen, by constantly improving their ranching methods and the quality of their herds, have not only kept pace with our State's expanding economy, but are laying the groundwork for even greater improvement in the future."

"Beef is one of our most nourishing foods. By making it available to our citizens in excellent quality and ample quantity, our cattlemen are helping to maintain the economic and physical well-being of the people of our State and Nation," the proclamation read.

"Beef Week in Texas," which each year climaxes the educational program of the cattle industry, is traditionally set for the first week of December. County chairmen in 240 Texas counties are planning activities in their own areas, Bonner said.

The Beef Council was organized in 1954 when drouth conditions over the Southwest forced unusually heavy cattle marketing which resulted in a temporary "over-supply" of beef.

The TBC program has been called one of the nation's most unusual sales promotion efforts, according to Bonner, because all TBC projects are directed toward selling the least expensive cuts of beef, in order to equalize the demand and make this protein-rich food available on even the most restricted food budget.

**PASTURE WEED CONTROL**

Weeds rob your livestock of good grazing and in addition use four to eleven times more water for growth than grasses. To have more grass for next year's grazing, G. O. Hoffman, extension range specialist, advises spraying with one pound of 2,4-D per acre. One application will usually give good weed control throughout the growing season. This method of pasture weed control method is economical, costing about \$2 per acre.

**BRUCELLOSIS COSTLY**

Brucellosis is a costly disease to livestock producers of Texas. Cattle infected with brucellosis suffer a 20 per cent loss in milk production, says Dr. C. M. Patterson, extension veterinarian. They calve on the average every one and one-half years rather than yearly. In addition, he notes, the resulting abortions, sterility and difficult breeders increase replacement needs by 30 per cent. Swine and horses also suffer from the disease.

**Care being urged in purchase of imported Yuletide decorations**

AUSTIN—With some retail stores now carrying stocks of low wage cost imported Christmas tree strings and sets from Japan and other countries, the Texas Safety Association reports that consumers would do well to use care when buying such imported electrically lighted Christmas decorations.

Although on the surface some imported sets and strings may appear to be almost identical to similar products made in the U. S. A., this is not always the case. Hence, a careless purchase of imported Christmas decorations may result in serious damage or loss of life.

To be sure that a Christmas tree string or set is safe, the purchaser should check to see that the label of the Underwriters' Laboratories is affixed to the wire of the equipment. This label indicates that all wiring, sockets, etc., in the set meet the UL test requirements, and therefore are regarded as safe for decorative use.

### \$245,000 a year in Social Security benefits being paid in Garza County

As of February 1959, old-age, survivors, and disability insurance monthly benefits were being paid in the Lubbock District at the rate of 9 million dollars a year, according to John G. Hutton, manager of the Lubbock Social Security District Office.

"This is an increase of about 38 per cent over last year," Hutton said. Hutton stressed that while the benefits are intended primarily for the beneficiary's economic security, the payment of social security benefits at the rate of \$245,000 a year in Garza County helps business in the community generally because most of the money is spent immediately on food, clothing, and other necessities. "In February, social security benefits were being paid nationally at a rate of nearly 10 billion dollars annually."

"Payments to a retired worker with no dependents receiving benefits averaged \$67.50 a month nationally in February, and to a retired couple \$119.40 a month," Hutton said. The average for a widow with two young children was \$165. The maximum payment for a family is \$254.

"There were several reasons for the increase in beneficiaries over last year," Hutton said. The long-term growth of the aged population and of the proportion of the aged population eligible for benefits are important factors in the continuing increase in the number of beneficiaries. Other reasons for the increase of beneficiaries are found in the provisions of the 1958 Amendments to the Social Security Act which now make it possible for the wife, dependent husband, and children of a disabled-worker-beneficiary to receive monthly payments. The amendments also provide for benefits to aged dependent parents of a deceased worker even though other survivors are entitled to payments.

Moreover, Hutton pointed out, it is now easier for a disabled worker to qualify for benefit payments. He no longer needs social security credit for 1½ years' work in the last three years before he became disabled. If he worked under soc-

ial security for at least five years out of the 10 before he became disabled, he may be eligible for disability benefits.

"Increases in average benefit payments reflect the 7 per cent raise in benefit amounts which became effective with the checks for January, 1959," Hutton said. Average disability benefit payments also reflect the elimination of the so-called "offset" provision in the old law. Disability benefits under social security are now payable in full even though benefits are also payable under State workmen's compensation or under some other Federal Government program.

**RETURNS HOME**  
Reese Carter returned home Friday from a Lubbock hospital where he underwent back surgery. He has been hospitalized for several weeks.

## Letters to the Editor...

### TO CLEAR UP A POINT

Dear Editor:  
At the regular meeting of the Directors of the Chamber of Commerce of Post, Texas, on Wednesday, November 4, 1959, there was quite a discussion. Most of the discussion, incidentally, was conducted by Pat N. Walker. Walker's primary objective was to try to make a point that he did not believe the Chamber of Commerce should financially back any business or enterprise, such as he interpreted the article in the Post Dispatch of the previous week. This article as referred to concerned the proposed private enterprise by Dr. Carter to formulate a Retail Merchants Association. I believe everyone in Post is of the opinion, and if not, should be, that the Chamber of Commerce definitely cannot get involved in financially backing any private enterprise. Assuming that all parties concerned agree that the Chamber should not become financially involved in a private enterprise, we would therefore also have to assume Mr. Walker did not have this same opinion that he now has last Fall when he personally offered to sell his private business of the Post Retail Credit Bureau to the Chamber of Commerce for a sum of \$2,500. The Directors, last Fall, considered the proposition and definitely decided that the Chamber should not and did not want to get involved in such an enterprise.

The primary objective of this short letter is to clear up any misunderstandings on the part of the members of the Chamber of Commerce, which constitutes the Chamber of Commerce, on the Directors' stand on this issue at present, and their stand as it has

always been, concerning their backing of any private enterprise coming into Post.

We would like to assure Dr. Carter or any other persons or people coming into Post, contemplating beginning an enterprise in Post, particularly so, if it is beneficial to Post as such an enterprise would be as a Retail Merchants Association, is that we wholeheartedly give each and every one our utmost appreciation and moral support and backing, a most cordial welcome and our deepest appreciation and thanks for selecting Post as a site for their venture.

Sincerely,  
A. Lee Ward, Vice President  
Chamber of Commerce

### EXPRESSES APPRECIATION

Dear Jim:  
Just a few words to express my sincere appreciation for the fine newspaper articles of the last two issues of The Post Dispatch concerning our school activities.

We are all to be proud of a man when there has been a misunderstanding and to keep quiet when things go right and just say, "so what?" That is the way it should be.

I feel that the last two issues of The Post Dispatch have done wonders in relieving the unrest in our community and school which was the result of a mere misunderstanding.

Thanks again and wishing you much success in developing even a finer weekly newspaper, I remain,  
Sincerely,  
E. R. Moreland, President  
Post School Board

Q. I have some talent in art, and I am eligible for training under the War Orphans Education Act. Can I take commercial art instruction under the War Orphans program?

A. Yes. You may take any of several types of training below the college level. Commercial art school training would be quite in order.

Q. I recently had a little windfall of money. Can I pay off part of my GI loan mortgage in advance without the lender making a penalty charge?

A. Yes, that is possible under the law. You can pay off all or part of your mortgage ahead of time, and there will be no penalty charge whatever. The advance sum paid must be not less than \$100 or

### Baptists to hold giant rally here next Wednesday

The First Baptist Church is planning a giant rally at the church auditorium next Wednesday evening at 7:30 p. m. Purpose of the rally, says Pastor C. B. Hogue, is to inspire the membership toward

fellowship and stewardship.

The Rev. Ed Brooks Bowles, noted pastor of the First Baptist Church of Floydada, will be the guest speaker. Pastor Bowles is a graduate of Carson Newman College in Tennessee and Southwest Baptist Seminary in Fort Worth. He has pastored churches in Fort Worth, the First Baptist of Decatur, Texas, and First Baptist of Floydada. Currently he has been elected President of the District Nine Baptist Convention comprising nearly 200 Baptist Churches, and serves on the Executive Board for the Baptist General Convention of Texas.

The program for the rally includes singing, rendition of songs by quartets and solos and a personal testimony regarding stewardship. After the Rev. Bowles speaks, the congregation will assemble for fellowship and refreshments. The emphasis on this period is that the membership get to know each other better.

one monthly payment, whichever is smaller.

Q. How does a veteran get into a VA hospital? Is there a priority system?

A. Yes. Service-connected veterans are admitted first, then non-service-connected cases, if a hospital bed is available, and the veteran is unable to pay for private care.

### How to make a teen-ager believe in Santa:

Give her a color telephone of her very own and you'll make her the happiest young lady in town this Christmas!

What's more, a phone of her own leaves mother's and dad's line free for their exclusive use.

There's a choice of ten attractive colors to blend or contrast with the décor of her room (or his). And the cost of an additional telephone, in color, is only pennies per day!

It's the easiest Christmas shopping you can do—and a gift that's appreciated all year. Just call our Business Office, and we'll do our best to arrange the installation at your convenience.

ASK ABOUT THE LOW COST!

## Our Post Antelopes Close Their 1959 Grid Season Against Slaton's Tigers

**8 P.M. Friday, Nov. 13, at Slaton**

The home stands cheered happily last Friday night when Coach Alexander's Antelopes scored their first district victory since 1956 with a 30-6 homecoming walloping of one of their traditional foes, the Tahoka Bulldogs.

It was a remarkable thing to see a football squad like the Antelopes score so convincing a victory near the end of a long losing season. They are a team so short on personnel, so short on weight, and so short on experience. But they have so much desire to make up for it.

This Antelope squad—the start of a real football rebuilding program here in Post—closes its season against their other traditional foes, the Slaton Tigers at Slaton Friday night. There is the opportunity to close this rebuilding season with a second straight district win against a second long standing rival.

They deserve your support—rooting for them in the stands at Slaton Friday night.

Can we match their desire?

If we can it will lift them tremendously. So make a date—and remember, "All the Fans Who Care Will Be There"—at Slaton Friday night for that 8 p.m. kickoff.

# Questionnaires in mail for 1959 farm census

Questionnaires for the 1959 Census of Agriculture are now in the hands of farmers within a few days, announced today by Field Agent James W. Stroud of the Bureau's regional office at Lubbock.

## Farmer banker sentenced

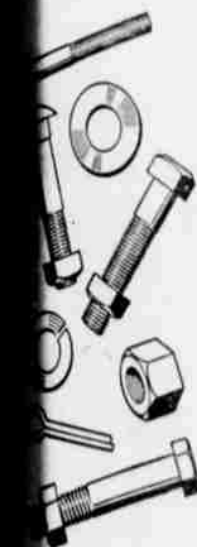

U. S. District Judge B. Dooley last week sentenced Elby John Smith, 62, president of the First National Bank of O'Donnell, to five years in prison for embezzling more than \$100,000 from the bank.

Dooley held that the four counts were to run concurrently and the sentence was remanded to the U. S. Penitentiary at Leavenworth, Kan.

## Annual livestock survey to begin here on Nov. 19

Postmaster Harold Voss announced today that rural carriers will begin distributing Livestock Survey cards Nov. 19, leaving cards with farmers and stockmen along their routes.

Patrons receiving livestock cards are requested to complete and return them to their mail box. Cards will then be returned to the Texas Crop and Livestock Reporting Service in Austin. Information from this survey is used in estimating number of cattle, hogs, sheep and chickens on Texas farms and ranches.

Many farmers and ranchers are glad to take a few minutes time to answer the questions asked on information available for making business decisions. Information obtained from this survey is returned to farmers and ranchers through Texas Crop and Livestock Reporting Service releases, newspapers, radio and television.

This annual survey has been a joint undertaking of the Post Office and the Department of Agriculture since 1924, concluded Voss.

### Church has building fund campaign going

Deacon Robert Connor of the Pleasant Home Baptist Church reports that the members are contemplating either remodeling the present building by adding rest rooms, a pastor's study and baptistry, or building a new structure.

The church has already begun a building fund drive.

The church was scheduled to appear on a program at St. John's Baptist Church in Lamesa Tuesday evening.

### WEEKEND VISITORS

Mr. and Mrs. Jerry Epley and daughter, Debbie, of Abilene were weekend visitors of Mr. and Mrs. Roy Josey. Mrs. Epley is a sister of Mrs. Josey.

Prisoners are now able to earn money while in jail at New Delhi, India.

## Crosby, Reynolds, Wagner co-star in Tower film, 'Say One for Me'

When producer-director Frank Tashlin, one of Hollywood's masters of comedy, was given the production go-ahead signal to make Twentieth Century-Fox's "Say One for Me" opening at the Tower Theatre Sunday, he had one cast in mind: Bing Crosby, Debbie Reynolds and Robert Wagner.

But the big stumbling block was simultaneously assembling this talented troupe for the Cinemascope-Deluxe color film attraction. If one of the group was ready to start, another had a previous commitment. But, perhaps, director Tashlin offered a prayer heavenward as the title suggests) because one day the trio became free of all commitments and "Say One for Me" began to roll.

As a previous Oscar-winner in "Going My Way", and his appealing follow-up, also in the garb of a cleric, in "The Bells of St. Mary's" Tashlin considered the old groaner a natural for the part of "Father Conroy", whose parish is located in the heart of New York's theatrical district.

Debbie Reynolds, who plays the college-educated showgirl in the lavish production, has been a consistent box-office favorite since she began her motion picture career. As one of Hollywood's few triple threat actresses—singing, dancing and acting—Debbie's performance is reminiscent of her stellar, workman-like job in "Singin' in the Rain."

Playing a much different role than any before, Robert Wagner lives up to the expectations of his associates who've seen him "grow up".

In addition, Broadway's talented Ray Wolston plays a leading co-star role in the film, ably assisted by a bevy of beauties including Alena Murray, Stella Stevens, Nina Shipman and Judy Harriet.

### Santa Fe carloadings

Santa Fe carloadings for week ending Nov. 7 were 26,417 compared with 29,387 for the same week a year ago. Cars received from connections totaled 12,052 compared with 12,935 for the same week a year ago. Total cars moved were 38,469 compared with 42,322 for the same week a year ago. Santa Fe handled a total of 41,323 cars in the preceding week this year.
