## Wendell Edwards Gets First Bale

Wendell Edwards ginned the first bale of cotton for 1959 here on August 24th. The bale weighed 520 lbs and 3,000 lbs of seed cotton was processed giving 840 lbs of seed. The cotton was ginned at the Farmers Co-op gin here and that firm ginned free the bale and purchased it at 50c lb. About \$300 in premiums have been collected making the bale worth over \$500.00.

The cotton was gathered from 40 acres on the Joe Schooler farm northwest of town. Burt Moore of Draw Thursday ginned the second bale which was also ginned free. Last year Wayne Carroll ginned the first bale on Aug. 21st. The harvest is expected to be in full swing by mid-September. The crop is only half of July 1st estimates due to a hot dry August which "burned" thousands of acres. However, acres planted to cotton is higher than last year. The crop remains fair and fall rains could help the crop. Early grain is moving to market. Grain has not suffered as much from the drought.

Arlis Askew of Wells got the first bale for Lynn Co. and the South Plains on Aug. 19th.

Mrs. Dick Atkins, Mrs. Wanda Harper and Jerry Ray visited Mrs. Ida Atkins at Ballinger last week. Mr and Mrs. C. A. Kelm of Texarkana, Ark. are visiting her sister Mrs. Dick Atkins.

Mrs. Jack Webb and Mrs. Coleman Simco were in Dallas last week. Mrs. Webb had ear surgery while there.

Mr and Mrs. Jeff Shook vacationed and attended a reunion over week end at Morarity, N. M.

Mr and Mrs. Tom Moore visited at Stamford last week.

Mrs. Ruth Schooler and Mr and Mrs. Kenneth Schooler and family vacationed at Red River, N. M. and Colo. Springs, Colo. last week.

Mrs. Shorty Summers has returned from LaFeria. Her husband will be here shortly.

Herbert Royce and family of Seagraves and Mrs. Jewel Seeley visited her daughter Mr and Mrs. Lar on Davis and family at Kermit Friday.

Mrs. Roy Miles has returned home after being in Big Spring with her mother.

Mr. Hardin, father of Mrs. Julian Pirtle, and who lived at Post, passed away Saturday. Funeral services were Monday with Minister Carl Cain officiating.

**CLUB TO MEET SEPT 16**  
The members of the 1939 Study Club are looking forward to a very interesting club year. The subject for the year is "The New States In Our Union." The first meeting will be a coffee at 9:30 Sept. 16th in the home of Mrs. Clint Tyler.

## AN EMERGENCY !!!!!

Due to an acute emergency in the supply of water of the City of O'Donnell, folks using city water are requested NOT TO USE WATER FOR OUTSIDE PURPOSES until after MIDAFTERNOON. The shortage of water is endangering the health of your school children as there is NOT enough water pressure to operate the sanitary facilities. We know we can depend on you. This request is effective immediately. L. J. Hash, Mayor.

## Eagles Open Friday

### Game Is Toss Up

The O'Donnell Eagles open the season here Friday night playing host to Crosbyton Chiefs in a non-district thriller. Game time is 8.

Last year O'Donnell took the Chiefs 8 to 6. However O'Donnell lost 8 starters last year while the Chiefs lost 4. Most fans call the game a toss up and team spirit should decide the issue.

Van Herrin's boys have worked hard in plus 100 degree weather and if liking their coach means a winning club, then the Eagles should go to state.

Fans should plan now to see the game and cheer the youths to victory. Spirit usually means the difference twix a punk or an excellent team.

Probable starters Friday night are Robert Jones, def. no 48, wt. 169 sr. end

Tommy Gardenhire, no. 24, wt. 145, sr. QB.

### School Traffic Rules

Perhaps many people have not thought of the possibility of the great danger our school children are placed in around the school buildings. A child may be in the street most any time during the day. The 15 MPH speed limit around the school buildings is for the protection of our children and our neighbors children.

We are all prone to think that accidents will not happen while we are driving. Accidents happen to the best of drivers. A child may dart out into the street from behind a parked car. A driver may dodge another car or a person and hit a child. He may side-swipe another car, hit the curb, or any number of things could happen. So many of us think that we can stop in time. According to proven tests by The State Department of Public Safety, a car with good brakes going 30 MPH will travel 80 ft. after the driver decides to stop. The car will travel 100 ft. if the brakes are just normal. If the car is going 40 MPH it will travel 128 ft. after the driver decides to stop. The car will travel 164 ft. if the brakes are just normal. From these facts we see that one may not always be able to stop in time.

There has been a great deal of careless, and unsafe driving around the school. We have been more fortunate than some schools in that we have not had a serious accident. We want to do every thing possible to prevent an accident. May we have your cooperation to help protect the health and safety of the school children. Will you please drive carefully and safely, and see

that all members of your family do the same.

In the past some students have been driving careless and unsafe. This consisted of speeding, quick starting and stopping, spinning wheels, skidding tires, etc.

The school administration has repeatedly asked the cooperation of the students. In most cases they have been rather cooperative, but some of the unsafe driving continued to exist. For the safety and protection of the school children, the school board felt it wise to adopt the following policies pertaining to the use of cars at school by students. Your cooperation will be greatly appreciated.

#### USE OF CARS AT SCHOOL BY STUDENTS:

1. Cars are to be parked upon arrival at school and left there until leaving school in the afternoon.
2. Students are not to enter any car during the school day without permission.
3. A student who has been given permission to move his car shall not permit another student to enter his car without the expressed permission of the principal.
4. Any student needing to leave school during the school day must clear through the principal's office.
5. If absolute necessary to leave the school ground at noon parents may make arrangements with the principal for their son or daughter to leave, parents are to appear in person.
6. In an emergency teachers may grant permission, then report the incident to the principal.
7. If a student is reprimanded a

second time for driving unsafe at school or violating regulations pertaining to cars his parents will be contacted concerning his or her bringing a car to school.

## IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW... AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS Stop by your Chevrolet dealer's and see the season's most wonderful money's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

**BEST BRAKES**... STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR\*-conducted test of repeated stops from highway speeds.

\*National Association for Stock Car Advancement and Research

**BEST STYLE**... BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over

and said that "... in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

**BEST RIDE**... CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevrolet's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

**BEST ENGINE**... YOU COULD SPEND JARFUL OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is

surely the most wonderfully responsive engine available today at any price."

**BEST ROOM**... NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

**BEST TRADE-IN**... YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to \$128 higher than comparable models of other makes. Just check the NADA\* Guide Book.

\*National Automobile Dealers Association

**BEST ECONOMY**... SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevy Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

Now there's an Impala Sport Sedan... one of Chevy's full series of Impalas for '59

See your local authorized Chevrolet dealer—you might as well get the most!

### HOMEOWNER?? or HOBO??

What you do about insurance protection within the next 24 hours might very well determine whether you remain a homeowner or wind up "out in the cold" like the gentleman above.

Building costs have doubled. Would you be able to replace your home if it is destroyed tomorrow? Not if it is insured by 1946 standards.

Be sure your insurance protection is up-to-date. Our free protection check costs you nothing, and may save you thousands of dollars.

## The Index

## Good Light

makes the difference

... at home study time

You'll be giving your child real help with his homework when you see that he has proper light at his study table. For best light from a table lamp, use a 150-watt bulb. The lamp should be properly shaded to conceal the light source from the eyes and should be tall enough to spread light evenly over the work area. A diffusing bowl is recommended to soften the light and prevent glare. If the lamp has no diffusing bowl, use a 150-watt white indirect bulb. It has its own built-in diffuser. See your dealer for the bulbs you need soon.

Beatnik ( walking down street with girlfriend and hearing fire trucks go by) — Listen, check, they're playing our tune.

Of course there are bigger things than money. For example bills. If the do-it-yourself craze continues, it might even extend to thinking.

You've heard of the man who started on a shoe string and worked his way up until he got slapped.

Gossip is like grapefruit. It has to be juicy to be good.

No one is ever too old to learn, but many people keep putting it off.

No one has been arrested lately for going to church.

Smartness, rather than sincerity, is what ruins many people.
