Soil Bank Explained Rodeo Plans Made

Requirements for participation in the 1956 Acreage Reserve Program under the "Soil Bank Act", Public Law 549, were announced today by Secretary of Agriculture Ezra Benson. The Lynn County Stabilization and Conservation Committee will administer the program in Lynn County and will announce locally when the program agreements are available for signature by farmers in the county office. At that time the office will have full information on the terms and conditions.

Under the 1956 Acreage Reserve the Lynn County farmers are eligible to take in the program and earn payments in connection with cotton and wheat as follows: Cotton, by reducing their acreage of the crop below the farm's established allotment by not planting or by plowing under within an established date. Wheat: they have underplanted their 1956 allotment for winter wheat and certify that this was done because of adverse weather conditions.

The acreage designated for the Acreage Reserve must (1) Be representative of the land used for the crop, and (2) not be grazed, cut for hay or cropped for the entire 1956 calendar year. Noxious weeds must be controlled on the reserved acreage.

Maximum and minimum acreages of cotton and wheat which may be placed in the acreage reserve have been established as follows (except where the allotment is less than the specified acreage minimum or maximum, the total allotment shall be considered as the minimum or the maximum).

For wheat, the maximum is the larger of half the wheat allotment or 50 acres. The minimum is the larger of 10 percent of the allotment or 5 acres.

For cotton, the maximum is the larger of half the allotment or 10 acres. The minimum is the larger of 10 percent of the allotment or 2 acres.

The payment which a farmer may earn for participating in the acreage reserve will be determined by multiplying a base unit rate by a yield factor. The national average rates for 1956 crops are — cotton, 15 cents per lb, wheat \$1.20 bu.

The payments will be determined in Lynn County as follows:

For destruction due to natural causes or for plowing or otherwise physically incorporating the cotton crop into the soil, the payment will be based on the smaller of an appraised yield for the field or the normal yield for the farm but will NOT BE LESS than \$6 per acre.

Provisions of the Conservation Reserve part of the Soil Bank will be announced as soon as practical. Under this part of the program, a farmer will be able to earn two types of payment — an annual payment to help compensate for income which he would have received if the reserved land had been in crop, and a payment representing a percentage of the cost of establishing conservation practices on such land. The same acreage on a farm may not be included under both the acreage reserve and the conservation Reserve parts of the Soil Bank.

Miss Effie Vaughn had surgery in a Lubbock hospital last week.

Forks You Know

Mr. and Mrs. C. E. Jordan and family of Dallas spent week end with Mr. and Mrs. John Davis, Jr.

A number of O'Donnell members of Lynn Co. Sheriff Posse plan to ride today (Wednesday) in Lubbock rodeo parade.

Sunday guests in Joe Proctor home were John Proctor and wife of Ropes, Betty Sue and Jettie Lee Proctor of Brownfield, Teddy, Rodney, and Terry Rogers of Seagraves, Bob and Leona Proctor of Denver City, and Mr and Mrs. Ed McKee of Seagraves.

Mrs. Corene Hensing and Tommy returned to Rockport, Ill. Monday after visiting in the Joe Proctor home the past week.

Mr and Mrs. Floyd Williams sr. visited in the home of their son, Mr. and Mrs. Jim Williams and children.

Mr and Mrs. Mack Street of Abilene were week end guests of his brother, Mr and Mrs. Irvin Street.

Mr and Mrs. Littleton of Ozona were week end guests of her mother, Mrs. R. E. Hardberger.

Mr. and Mrs. Claude McKee and family of San Angelo were week end guests of her parents Mr and Mrs. Roy D. Smith.

Don Edwards has returned from an extended visit with his son at Arlington.

Shag Garrett is attending National Guard camp at Ft. Hood and Garrett and children are visiting at Comanche.

Big Fiesta Only Month Away

O'Donnell's big three action filled day rodeo and fiesta is ONLY one short month away (July 12, 13, and 14th) and planning activities for the events swung into high gear Monday.

Beautiful Queen Candidates Queen candidates are currently being named and advanced sales of admission tickets will likely begin this week. Four of O'Donnell's lovely daughters will be trying for the queen's chair. Duets are \$1.25 and 60c.

Mrs. Davis and Mrs. Gary On Parade Committee

Among the ladies working on the parade, always a top feature of the rodeo, are Mrs. Bill Davis and Mrs. Pat Gary with John Ellis assisting. A number of other ladies have indicated they will help. July 1st has been set as deadline for entering a float or an event and entries should be filed at Ellis Chevrolet, Mrs. Davis said.

Story Book Theme. The parade idea will be the "story book theme" with well known stories from the Bible, fairy tales or light novels furnishing the parade theme. Check with Mrs. Davis or Mrs. Gary when you select a theme to avoid a conflict. Mrs. Tredway's Flower Shop was an early entry with "Three Little Bears". Last year's theme was on popular songs and was beautiful beyond words.

Eagle Band In Parade As usual the famed and talented Eagle Band will be a key figure in the parade and will also play at the rodeo. The chances are good that the parade and rodeo will be filmed for showing on the Humble "Tex as in Review".

Among civic and business firms entering, or expected to enter floats and acts in the gala parade are:

Flower shop, 1946 Study Club, 1939 Study Club, Rotary, American Legion, Baptist church, Methodist church, Boy Scouts, Cub Scouts, O'Donnell Junior Baseball teams, FFA Club, FFA Club, Fire Department, O'Donnell H. D. Club, Poultry Industry, Mansell Gro., Line Gro., Jackson Gro., Lynn Co. Sheriff Posse, Sew and So Club, Girl Scouts, Brownies, as well as a number of other groups in business or civic clubs.

Rodeo On T. V. Early in July the queen candidates will appear on both of the Lubbock TV outlets to advertise the event.

For about the 10th year Goat Mayo will furnish a salty breed of outlaw stock for the show and he always has a capable and equally salty group of rodeo performers following his shows.

Already little else is heard in Big O but the magic word 'RODEO' and the fever of the community will continue to rise until the last horse is ridden. (Last year a Lubbock Avalanche rodeo reporter paid our town a nice compliment — in effect he said we had the best parade of any town he covered that season—think of it!)

BEAN REUNION SET

On Sunday June 24th there will be a family reunion at the park in Clovis, N. M. for all relatives and friends of the late Mr and Mrs. Ezra J. Bean.

4 LOCAL YOUTHS ATTEND A. & M. SHORT COURSE

Jo Ann Lacy, Mary Beth Gardenhire, Tommy Gardenhire and Robert Bessire left Tahoka last Tuesday at 6 a. m. for the 4-H Round Up at Texas A. and M. College. The Round Up is aimed at developing leaders in the County 4-H program. Members were selected in Lynn County for their 4-H achievement, district winning teams and individual contests. The youths returned Friday.

Dan Seely was on the entomology team as was Joe Roper of New Home and Hilton Wood and Denver Ford of Tahoka. County Agent Bill Griffin and H. D. Agent Wanda Roach accompanied the group on a chartered bus.

Miss June Fannon had an appendix operation last Friday at a Lamesa hospital Friday.

MISS ETTER TO CHICAGO

Miss Polly Etter, 16, daughter of Mrs. Vera Etter, will be a delegate to the 1956 National Convention of Future Homemakers of America, July 2 thru 6th at the Conrad Hill-

ton hotel in Chicago. A senior at O'Donnell High School, she has been a FHA member since 1954 and has served as chapter historian and parliamentarian. Adviser for the O'Donnell chapter is Miss Mary Lou Miller. Miss Etter will be one of about 2,000 FHA members chosen to attend the national meet. Convention sessions will be geared to helping FHA'ers recognize opportunities and accept responsibilities related to improving home, school and community life.

Polly also is a member of the following school and community organizations: vice president of Future Teacher's Club, secretary and treasurer of the Band Club and a member of the Church of Christ.

PRACTICE GAME REPORTED

In a practice game last Thursday night at ball park the Yellow Jackets edged the Green Hornets 8 to 4 and the Red Birds took the measure of the Blue Jays 11 to 5. When regular play begins box scores will be carried.

LOCAL GIRLS SEWING

A 4-H Dress revue was held here recently. Susan Smith won in the apron division and Nena Bingham won in the dress division. Loma Cook also entered a dress. The Junior O'Donnell club had three entries in the dress division. They were Jo Ann Lacy, Rose Snider, and Sherry Middleton who won in the Dress Division.

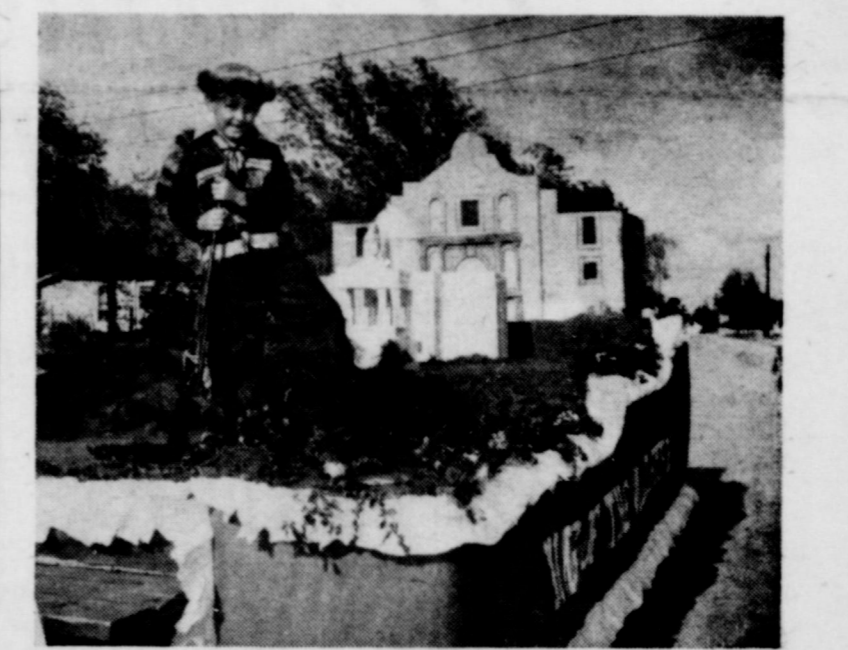

Sunday evening Miss Irena Amaro was honored with a going away and birthday party. Miss Amaro is leaving June 24th to enroll in nurses school at St. Anthony's Hospital School of Nursing. Miss Amaro graduated from high school here in 1955 and was one of the most popular students on the campus.

Mrs. Pete Beale of Lamesa and son, Jimmy, home on furlough from Alaska, visited friends here.

Mrs. Ivy Rathel of Lamesa is visiting her daughter, Mr and Mrs. Roy F. Smith.

See that your news to your home town

GLAMOROUS, SURE-
but a tomboy at heart!

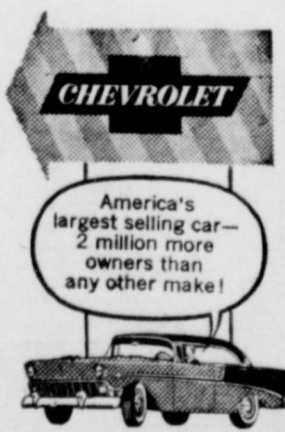

Turn Chevy out on the road to discover its real charm! For this is the beauty that recently raced 2,438 miles in 24 hours to set a new round-the-clock competition track performance record!

It happened at the famed Darlington Raceway, Darlington, S. C. A regular production Chevrolet with 225 h.p. poured it on for 24 straight hours, averaging 101.58 miles per hour, to top the Indianapolis stock car record by 280 miles!

Add that to Chevy's unparalleled record in stock car competition—and you come up with the low-priced beauty that outshines every-

body! No maybes about it. Here's proof of pep and performance that means safer, happier highway driving. Few cars at any price can hold the road with Chevrolet's grace. And it's got the stamina to stand the gaff for 24 straight scorching hours at a pace that few other cars would even attempt to match! Drop by—you'll see you can't beat Chevy for a buy, either!

Safe... Dependable... Economical
Naturally... It's Gas

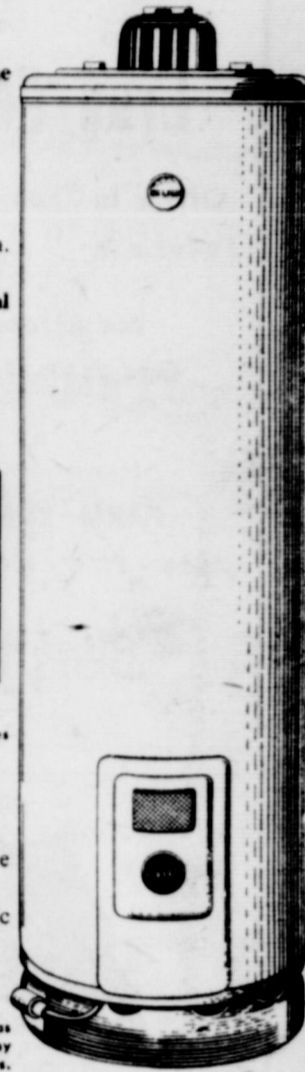

Documented proof, compiled by The National Fire Protection Association, shows Natural Gas as the safest fuel. The safe and dependable operations are just two of many reasons why homeowners prefer automatic Gas water heaters. One other good reason for this preference is the economy of operation. Be sure that your next water heater is safe, dependable and economical to operate... naturally, it's Gas.

All you want in a hardtop...including a lower price!

The lines of the Ford Customline Victoria are low—and so's the price

Ford's New Customline Victoria

Open-air smartness of a convertible... carefree GO of Ford's great V-8!

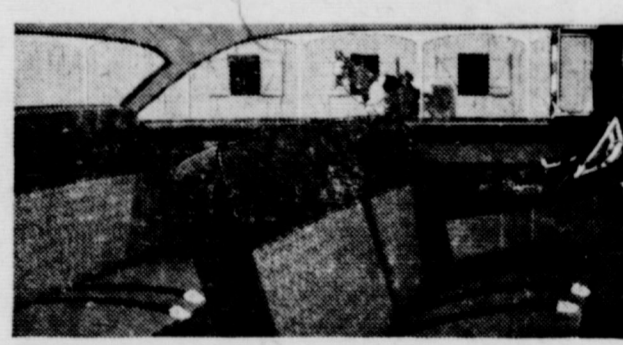

If you've admired the wide-open beauty of hardtops but have always been a little "gun shy" of their price, then this new Ford Customline Victoria was meant for you. For here is all you have dreamed of in a hardtop—including a price tag that will be a pleasant surprise!

But this car's economy only begins with its low price. Its low operating cost will delight you! In fact, this very model won the Mobilgas Award for delivering the greatest gas economy per pound in Ford's field! Or, you may order the mighty 202-h.p. Thunderbird V-8 engine that's now available in all Fordomatic Fords—the same basic engine that powered Ford to victory at Daytona.

Like its Fairlane running-mate, this Customline hardtop has quarter windows that roll down completely, leaving nothing between you and the view but fresh air. You get the open-air smartness of a convertible, the trim lines of a Thunderbird, and the snug comfort of a sedan.

As for safety, you drive surrounded by Ford's Life-guard Design. You may never need Ford's deep-center steering wheel, double-grip door locks and other Life-guard features... but it's nice to have them just in case!

Better arrange for your "driving date" soon. Slide behind the wheel and head for the wide open spaces. When you return you'll understand why Ford is the V-8 with the world's biggest following.

You'll ride like royalty in the luxurious interior of the Ford Customline Victoria. Virtually a "living room" on wheels, it features deep-cushioned seats upholstered in exquisite new fabrics. Each fabric is color harmonized with the interior trim and exterior finish.

In Performance
 Ford won the Pure Oil Manufacturer's Award for top all-around performance.

In Safety
 Ford won Motor Trend Award for year's greatest automotive advancement.

In Economy
 Ford won Mobilgas Economy Run Award for greatest gas economy.

Ford goes first!

Now! A Ford with air conditioning costs less than many medium-priced cars without it. **Try one today!**

**Lynn Farm Bureau To
 Have Queen Contest**

The Lynn County Farm Bureau
 is anticipating the most exciting
 and glamorous queen contest this
 year since the Bureau first started
 sponsoring this event to give Lynn
 County's beautiful farm and ranch
 girls recognition.

This is an honest to goodness
 queen contest with the girls judged
 on grace, poise, charm and all
 qualities that go to make up a winsome
 future homemaker.

Judging will be on appearance,
 poise and personality. A contest-
 ant must be the daughter or sister
 of a Farm Bureau member actively
 engaged in agricultural production
 and that membership should be in
 Lynn County.

Daughters of state directors, all
 employees, county presidents and
 secretaries and previous state win-
 ners are not eligible.

The next significant change is
 the elimination of the candidate's
 speech. This talk will be replaced
 by a group of questions concerning
 the Farm Bureau and other sub-
 jects. The same question will be
 asked of each contestant and will
 be used from the county level thru
 the state finals.

Other requirements are that the
 girls be single, at least 16 years of
 age and not more than 22 by Sept.
 1, 1956. Attire will be formal as in
 the past. The girl that wins in
 Lynn county will participate in the
 district queen contest in Lubbock
 and all district winners will receive
 an expense paid trip to the state
 convention in Houston where finals
 will be held.

The Lynn contest will be held
 August 3rd and all girls interest
 are asked to contact Mrs. Troy
 Havins at Tahoka Lynn County
 Farm Bureau office. Mrs. Charles
 Verner will work with the girls and
 train them for the contest. Mrs.
 Pete Hegi will assist.

The state winner will be allowed
 \$500 for expenses to attend the
 American Farm Bureau Federation
 convention in Miami in December.

Kitchenettes Make Music For Town Park

BIGLERVILLE, Pa.—There's a Mardi Gras air today in this thriving little community, not far from historic Gettysburg. And it's the women of the town who are responsible.

The girls have banded together to form the novel Biglerville Kitchenettes, members of which use all manner of kitchen utensils to produce music.

Community Betterment
The 40 members of the band have one sole aim—community betterment. Right now, the town needs a new playground or a public park.

While the serenade is going on, non-playing girls pass bread-baskets and tureens among the audience, wheedling and cajoling contributions from the delighted audience. This money, quite logically, is transferred into a tremendous kitchen pot. To date, the Kitchenettes have raised the level of the pot to a hefty \$3,000—more than enough, they figure, to purchase the land for Biglerville's newest play area.

Unique Auctions
Unique auction sales also further the Kitchenette cause.

Famed writers, painters and other civic-minded persons, intrigued by the Biglerville project, have contributed valuable items. Last Spring, the Kitchenettes undertook to present a musical performance based on the various seasons of the year and the seasons' effect on apple-growing, one of Adams County's principal sources of income.

The play was so popular that it played to standees for three consecutive nights—quite a pat on the back for the Kitchenettes' talents, for Biglerville has a population of 890 and the town auditorium seats 700. Receipts totaled \$800.

Another unique custom of the Kitchenettes is the serenading of brides and grooms, often after the newlywed pair returns from the wedding trip.

CONCENTRATED FURY of a tornado is unmatched among all natural disasters. Here civil defense rescue workers search among the debris of Udall, Kan., for some of the 74 dead and hundreds injured by the twister on the night of May 25, 1955. Special cutting and lifting equipment of the civil defense "Calamity Jane" rescue truck at left enabled them to reach many victims trapped by rubble who might otherwise have died in the first hours. (Winfield, Kan., Courier Photo)

Sweet Tooth

For Childhood Compliment
FINDLAY, OHIO—Mrs. John Minnrod remembers with fondness the bakery that was patronized by her mother when she was a small girl. She remembers that on her 11th birthday she fell in love with the wedding cake in the bakery window.

She rushed into the shop, plunked 11 pennies on the counter, and told the proprietor, "This is all the money I have. I'd like to give it to you as a deposit on a cake exactly like the one in the window for my own wedding." The baker took the 11 pennies and gave her a receipt.

Twelve years later, on the eve of her marriage, she received a package. Inside it was a duplicate of the cake, with a bill enclosed which said, "One wedding cake. Received on account: 11 cents. Balance: Respects of the Campbell Baking Co., for the sincerest compliment ever paid them."

Civil Defense Has Key Role in Peace

Natural disasters can strike anytime, anywhere.

From pioneer days to the present, neighbors have always helped each other in times of distress. But often, the power of a great hurricane, flood or tornado completely outmatched the valiant but disorganized efforts of untrained volunteers.

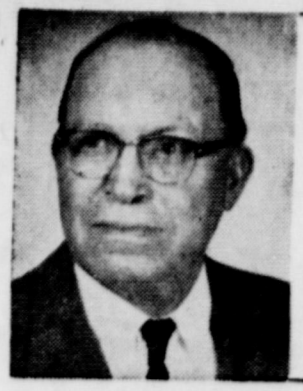

TODAY THE UNITED STATES has a form of disaster insurance—civil defense. Like any other insurance, it doesn't guarantee that disaster won't occur.

But by executive order, the Federal Civil Defense Administration does have the responsibility for coordinating all disaster relief efforts of the Federal Government under Public Law 875. This guarantees that the resources of the entire nation can be marshalled against nature on the rampage as required.

It's a job which requires the skills of many specialists, such as the Army Corps of Engineers, the National Guard and the American Red Cross. Trained civil defense workers in the general disaster area put their rescue, traffic control, first aid and other skills to practical use.

SIX-YEAR-OLD boy is carried to safety by George A. Spooner, New Britain, Conn., civil defense director, during great Northeast flood in the wake of Hurricane Diane. Chaotic flood conditions provide valuable experience for local CD workers in any attack emergency. (Hartford, Conn. Times)

COTTON SHOWERS LOOK GOOD

Thunder storms late Sunday nite netted O'Donnell one half inch of needed rain and the storm ran generally east of south to the north-west and again it by-passed much of dry Plains of Borden and the Draw to Redwine area. O. K. had up to 2 inches and much of Wells and New Moore had one inch up. Sunday's rain only extended about 7 miles east of town and was lighter in trend going east. Both dry land and irrigated cotton growing conditions continue to be favorable. Some quarter of trade area remains too dry to plant. A 60 percent normal cotton harvest is trade area's present outlook. As we go to press Tuesday prospects are good for more cotton showers. Some chipping is in progress. Insect damage is decreasing.
