

## New Board For County Library

Lynn County Library board has been recognized and approved by the Commissioners Court of Lynn County in order that new life may be injected into the project and in order that certain requirements may be met to conform to regulations of Texas State Library.

As a result of the reorganization and official approval by the Court, certain additional benefits may be received from the State Library.

At a recent meeting of people interested in the library, ten directors were proposed and these were approved Monday by the Commissioners Court. They include four old members, Mrs. G. M. Stewart, representing study clubs; Mrs. Gladys M. Stokes, representing business women; Mrs. Madeline Hegi, public schools; and Frank Hill, civic clubs.

New members named to the board include: Stephen Thompson, professional man; W. Garland Thornton, city of Tahoka; George Saly, New Home; Dan Cook, Wilton; Elvin Ray Moore and Mrs. Guy Bradley, O'Donnell.

The library was started 28 years ago by Phebe K. Warner Club of Tahoka with Mrs. Stewart in charge, and she has been the leading worker for the library ever since.

When the Rotary Club remodelled the old City Hall into a Boy Scout Hut, space was given for the library. The County and City of Tahoka have helped financially with the project over the years. For a number of years, Mrs. A. J. Kaddatz has been the efficient librarian.

The library now has 10,000 books. Through the summer months 140 to 160 people check out books weekly, and up to 7,000 a year are checked out.

Directors hope to extend the scope of book usage by securing greater interest over the entire county.

Mrs. Rosalyne T. Shamblin, field consultant of Texas State Library, has recently made recommendations which the board hopes to implement in the near future for more extended use of the library, which is free to all Lynn county citizens.

## SCS Field Day Set September 7

Tuesday, Sept. 7, is the date for the Lynn County Soil Conservation District field day, announces E. R. Blakney, chairman of the board.

The field day will be a one-half day tour from Tahoka to the Petty, Lakeview and New Home areas. Stops, which will be announced later, will be on crop demonstrations sponsored by the Extension Service and on various conservation work being carried out by local farmers.

An air-conditioned bus has again been chartered for the tour and a barbecue lunch will be served at noon.

Blakney says everyone interested in agriculture in this area is invited to attend. The group will gather on the north side of the courthouse in Tahoka at 8:00 a. m. and then leave for the tour.

Last year's tour was in the Wilson area and lunch was served by the ladies of St. Paul Lutheran Church.

## Field Day Planned Bu Lubbock Station

Plans have been set for the annual field day at the South Plains Research and Extension Center north of Lubbock, according to County Agent Bill Griffin.

The event will start at 1:00 p. m. Tuesday, September 21 and the general theme will be "Today's Six Keys to Lowering Crop Production Cost," Griffin said.

The intention is to discuss research results producers can use to make management decisions about water, fertilization, timing operations, agricultural chemicals, mechanization and varieties.

The county agent said water conservation and efficient water use, two important fields of research at the center, will receive special emphasis at the field day.

## CARD OF THANKS

We wish to express our appreciation for your heartfelt expression of sympathy extended to us at the time of the loss of our loved one. Our special thanks for the food, flowers, cards and other expressions of sympathy. May God bless you.—Mr. and Mrs. G. L. Isaacs, Mr. and Mrs. David Franklin.

## GREECE GIRL GUEST AT ROTARY CLUB MEETING

The O'Donnell Rotary Club met Tuesday with President Truett Hodnett presiding. Visiting Rotarians were Clyde Branon, Sam Jenkins, R. S. Wilton, and Bernie Holt of Lamesa and Wilton Payne, W. O. Wharton, W. C. Whorton, and Harold Reynolds of Tahoka and Howard Hollowell of Wichita Falls. Miss Sandra Crawford was guest Sweetheart and Mrs. Truett Hodnett was a guest.

Ancient and Modern Greece was presented to the local club at the luncheon by Miss Olga Avaziz of Athens, Greece. In a very talented and charming manner and with a very deeply imbedded love for her country, Miss Avaziz told of a slowly changing Greece. Greece is comparable in size to the State of Louisiana. Tahoka Rotary Club is host to Miss Avaziz for six weeks.

From Los Angeles, Vera Cruz, Mexico, the Lozano family send greetings of the very beautiful and restful vacation spot. They write of being owners of the sea as they fish, swim, and paddle canoes in the clear blue waters of the Gulf of Mexico. Twin granddaughters of the Lozano family will enter college this fall in Switzerland. A daughter is studying in Paris.

The Manuelpillai family write from Ceylon that due to recent rains, the farmers are able to plow the fields and everything looks fresh and green.

Thought for the week: "It is a good thing to have a good aim in life, but we have to back it up with the right ammunition."

Congratulations to Mr. and Mrs. Pat Childress, on the arrival of a fine girl, born recently, weighing 7 lbs., 5 oz. The little lady's name is Kathy Wanell.

Mr. and Mrs. Preston Stokes and Mr. and Mrs. Levi Gray have just returned from a tour of New Mexico, Colorado, Arizona and Utah.

Mr. and Mrs. J. L. Pennington and granddaughter, Margaret Pylon, vacationed in East Texas last week. They visited friends and relatives in Waxahachie, Mabank, Canton, Forney and Dallas.

## BUSINESSES WILL CLOSE

The three "down town" grocery stores will close Monday, Sept. 6 on observance of Labor Day. Some service firms and other merchants may or may not be open. As a National holiday, the postoffice, the bank and other civil and government agencies over the nation will be closed. Labor Day is traditionally the mark of ending of summer vacation. If you travel, drive carefully as the "long" week and is sure to bring about a rash of traffic mishaps.

Due to the holiday the Index will not be mailed until Friday, instead of the usual Thursday.

## "O" CLUB MEETING

There will be an "O" Club meeting Sept. 6th (Monday) at the local school cafeteria at 8 p. m. Officers will be elected and a film of the Crosbyton game will be shown. Ralph Gary is the retiring president.

## SOFTBALL GAME

There will be a benefit softball game matching the Lions Club and the Fire Boys, on Thursday, Sept. 2.

Proceeds will be used in the upkeep of the Little League baseball field. Game time is 7:30 p. m.

## HOUSEWARMING IS PLANNED FOR LINES

A housewarming will be given for Mr. and Mrs. Ivan Line on Sunday, September 5 from 2:00 until 4:00 p. m.

Hostesses will be Mmes. Cecil Pearce, Beatrice McLaurin, Wayne Clayton, Naymon Everett, Jim Anderson, Cecil Royce, Kenneth Vestal, Hallie Gee, Elvin Moore, Vernon Caswell, Robert Brown, Arol Moore, E. J. McMillan, Frankie Cook, and Ervin Jones.

Mrs. Leo Engle of Dimmitt and Mrs. Nellie Engle of Tahoka have been visiting Mrs. Mae Summers and Pat.

Mrs. Velma Fleming McGregor of Lubbock visited here last week.

## THE COUNTRY ED.

In the few days remaining before the Indian moon and our young are trying their wings to college, to the nation's labor markets or to the Armed services the Old Ed and his sweetheart know that our child will not return the next night as the night before. The bird is flying (and thereby less the secret of evolution)—each hatch of children, pardon, birds, are trying for a higher flight.

God bless you, my children, who, where, whatever you do. Wings are made of spider things, of silk of the moon—Fly high, and come home.

I may be mistaken but I sense a smell of fall of the year. What with opening of school Monday, the first bale of cotton of Steve Stephens, the shifting of the sun at morn to south of center, the mating sound of the crickets—it adds up to fall—and Labor Day closes the summer and the summer romances. Back to a cold winter and—our first love.

Any man is cold to the core when he does not weep a mate at seeing his only girl trooping off to school, be she a first grader or a senior (and a Miss America). No man has lived until he has had a girl child and see her "bloom" under his eyes—and worry about the proper "uplift."

One morning last winter I was at a service station when a pickup and trailer drove up. A small talk the young matron driving asked me if I had ever seen a hybrid wild hog. Replying in the negative she showed me one of the most beautiful "beasts" I have ever seen. It was a cross of a wild hog and domestic hog. The hair was long and black and curly. I asked the unidentified lady how they had caught such a beautiful animal unharmed.

The fruit of the above ditty is this lady and her husband own a ranch in the breaks of Red River near Wichita Falls. They made special wood and wire traps baited with sour corn.

I have oft wondered how our phases of government, especially the all powerful Federal government, puts out sour mesh corn (a figure of speech) to trap more and more of us.

This yarn is true as Pesty Howell, a station attendant will remember. It matters little to me now but your children are being caught by the siren theme of "something for nothing". It is world's lie that Russia and China are using. How now America?

## AT ROTARY CLUB

The O'Donnell Rotary Club met Tuesday with President Truett Hodnett presiding. Visiting Rotarians were Calloway Huifaker and Binie White of Tahoka and Noble Price, Charnell Jobs, Marshall Whitsett, Jodie Vaughn, E. A. Wilkins, and Tom Brannon of Lamesa. Julian Pirtle was a guest. Miss Jan Harberger substituted as Club Sweetheart.

Gerald Edwards, husband of the former Nancy Telchik, was the speaker for the luncheon. Mr. and Mrs. Edwards have recently returned from Brazil where they have been serving as Church of Christ missionaries. Mr. Edwards showed slides of Brazil and its people and told of the very serious threat of Communism. As of now, Brazil has the threat of Communism abated, Mr. Edwards related, but the threat hangs continually. Communism creeps into nations gradually through ideas, and when it has gathered enough strength, it explodes into Viet Nam. Mr. Edwards has seen what Communism can do to a nation and its people, and was very concerned that his two and one-half year old daughter might not ever have to live under the power of Communism.

The Coldwells write from Western Australia, that their town of Kalgoolie will be host to school children from Perth that will be visiting the Gold Mines there. The students will be house guests of the citizens of Kalgoolie.

Dr. Arthur writes from Grundlsee, Austria that the lake, mountains and trees are beautiful, but in these mountains of Austria, the weather is very changeable. Large swans are constantly swimming on the lake and are seemingly untouched by the constant change of the weather.

## STEVE STEPHENS GETS FIRST BALE OF 1965 COTTON

Steve Stephens got the first bale of 1965 cotton here Saturday, Aug. 28th at 5 p. m. when the 630 lb. bale was ginned at the O'Donnell Gin and Grain Co.

The new cotton of the season was gathered from about 15 acres and was Lankart No. 57 variety, 950 lbs. of seed was caught. The past year Wayman Pierce of Draw won the first bale contest.

This year's crop is expected to be early with full ginning in early October.

Total premium is about \$400 plus free ginning and the usual price of 50¢ per lb. for the first bale from the honored gin.

## FAREWELL BARBECUE

A farewell barbecue was given for Mr. and Mrs. Billy Ray Rushing, in the home of her brother, Mr. and Mrs. Cleon Eason. Mr. Rushing is going to Brazil for two years, on an oil drilling contract next week.

Those attending were three sisters, Mr. and Mrs. L. E. Brownlow, Lamesa, Mr. and Mrs. Billy Ray Rushing of Odessa and Mr. and Mrs. Holland Simpson of O'Donnell; one brother, Mr. and Mrs. Doyle Eason of Lamesa.

Mrs. W. W. Williams and Adena Lawhorn have returned from a visit to California.

Mr. and Mrs. John Vermillion and daughter were here this week end and attended the co-op dinner Saturday.

The fire boys entertained their wives and children, and their queen, Miss Shelia Singleton and Earl Wingfield Jr. with a very nice barbecue on Friday night. Everyone enjoyed the occasion.

Attending funeral services for Mrs. Rosie McCright in Colorado City Sunday afternoon were Mr. and Mrs. Pat Hensley, Mr. and Mrs. Bill Staggs, Mr. and Mrs. J. C. Couch, Mr. and Mrs. Bill Stephens and Mr. and Mrs. Kingston of the Plains community, and Mr. and Mrs. Van McKee and Mrs. Jesse Lane. Mrs. McCright was the mother of Mrs. Isaac Ledbetter of Plains community and had been seriously ill in a Snyder hospital.

Mrs. Frank Pugh had surgery in a Lamesa hospital last week.

## SCHOOL REGISTRATION SHOWS 786 ENROLLED

Registration of the school which was completed last Thursday showed 256 in the 7th grade through the senior year, and 440 in 1st through 6th grades, to bring the total enrollment to 786. A complete average daily attendance will run as soon as registration settles down. With a good crop year in view the ADA should set a recent record.

Bill Dorman is proxy of this year's PTA. Probable plans call for an open house of the new building program with Supt. White and his board conducting a tour of the building program and explaining where the money (well spent) was used in the program that makes our school second to none.

Due to the drought of the past year our ADA fell to 672 and we lost two teachers to open this year with 37 teachers. This is why it is so important that your child attends school unless ill.

Thought for the week: "Prayer and devotion to our Creator are basic to American strength and courage."—J. Edgar Hoover.

Mrs. W. W. Williams and granddaughter Adenna, came home Friday from their 30-day visit with two daughters and son in Los Angeles.

Mr. and Mrs. Cleon Eason attended their grandson's birthday party in Tahoka last Friday. Loyd Cleon McGlaun was six years old.

Mr. and Mrs. M. B. Allen returned their grandson to Lovington. Mrs. Allen had surgery there last week.

## New Hunting And Fishing Licenses Due September 1

Austin—One and one-half million "passports to paradise"—that is hunting and fishing licenses—have been put in the mail for distribution to Texas sportsmen.

J. Weiden Watson, executive director of the Texas Parks and Wildlife Department, said that a custom first installed last year has been pursued "with substantial refinements."

This, he said, means that the licenses were mailed a full three weeks before the September 1 beginning of the new state fiscal year.

## MOURNING DOVE SEASON BEGINS SEPTEMBER 1

Austin—The opening salvo in the 1965 wildlife harvest season will be fired at noon, Wednesday, Sept. 1, in 186 Texas counties.

That time marks the opening of the mourning dove season in the north zone, which covers about one-third of the state.

P. B. Uzzell, wildlife coordinator for the Texas Parks and Wildlife Department, said prospects are favorable for substantial numbers of the most popular upland game bird in Texas. He said reports indicate a generally good season.

Most areas and that food and water conditions have been adequate, except in a few scattered areas.

The opening mourning dove bombardment at noon September 1 will be reinforced within one week by two distinctive shoots. One will be the traditional white-winged dove shoot in Rio Grande Valley counties, September 4-5 and September 11-12. The other will be an experimental season on teal ducks, September 4-12. Special permits, already issued by deadline, are required for the teal hunt, for which there is a four-day and eight in possession limit after the first day.

Uzzell cautioned hunters that dove hunting will be permitted from noon to sunset, that the usual regulations involving plugged guns to three shots and such, will prevail, and that the south zone season will not open until noon September 25.

The wildlife coordinator said the best time to hunt usually is late afternoon and that grain fields, wild seed areas and the stock tanks are favored shooting spots. He advised hunters to obtain land owners permission and to avoid shooting on highways or from cars.

The dove limit is 12 a day or 24 in possession, after the first day. The white-winger dove area limit is 12 mourning doves and 10 whiting, with double that in possession after the first day. Each dove must retain one fully feathered wing until finally processed.

## ARMY NEEDS PILOTS

Sgt. Mel Baker, local Army recruiter for this area announced today that the Army Recruiting Station in Lubbock needs applications from young men interested in the Army's flight program.

To be eligible an applicant must be at least 18 years of age and not have reached his 30th birthday at time of enlistment, be able to pass a flight physical, weigh not over 200 pounds and be not over 76 inches nor less than 64 inches in height. All applicants must be high school graduates.

For further information, Sgt. Baker is located at 1010 13th St. in Lubbock or he can be called collect at PO 3-2821.

Persons 17 years of age and under 65 years of age must have the licenses to hunt and fish with some exceptions, explained in the official hunting and fishing digests available shortly at licensed dealers, at Department local offices as well as with game wardens or other departmental personnel.

Mr. and Mrs. James Telchik are the proud parents of a baby son. The mother is the former Sheryln Barnes.

Mr. and Mrs. Dean Davis and children have returned from vacationing. They visited his mother, Mrs. J. M. Davis and Albert at Comanche, as well as other places.

### O'Donnell Host To Brazilians

A group of 25 Brazilians and their visiting instructor, Howard Norton, visited in O'Donnell and its farm area. To qualify for the American Studies Scholarship, they must be teachers. Several of them have other professions and because of the teacher shortage there, they also teach. The teaching field ranged from primary through high school, special teachers, teachers of teachers, in universities, and owners and directors of schools. Other occupations represented were several lawyers, a federal judge, a woman with her own TV show, and a member of the cabinet of the ex-president of Brazil. There were approximately 70 people to share a delicious lunch and interesting experiences with this warm, friendly group.

"OLE!" "Danzas y Cantos de Mexico," internationally known folkloric troupe of colorfully costumed musicians, singers and dancers, will be presented in an eight-day engagement at the 1965 State Fair of Texas, October 9 through 24 in Dallas. First appearance will be in the Mexico Day Cotton Bowl Spectacular at 8 p.m. Thursday, October 14, followed by two daily free performances October 15 through 21 on the Esplanade Stage. The group is being brought to the State Fair through cooperation of the Mexican government.

### Joys of Golden Age...

#### After 65 Things Are Less Taxing

If you're one of the thousands of Americans who reached age 65 last year, you may have learned one of the golden joys of reaching that golden age—more liberal income tax allowances.

For the first time in your life, your drug and medicine bill, as well as your medical expenses, are completely and delightfully deductible. Samuel Boardman, director of Retirement Planning for Continental Casualty Company, reminds taxpayers that the 1964 Revenue Act dropped the limitation on medicine and drugs beginning with 1964's tax return.

Also, as an added incentive for people who reach 65, Uncle Sam permits an extra \$600 exemption, or \$1200. Boardman points out. On a separate return this additional exemption is also allowed for the spouse of the taxpayer, if the spouse has no gross income and is not claimed as a dependent by another taxpayer. And it is allowed on a joint return no matter how much income the spouse made, if the spouse is at least 64.

Actually, Boardman points out, a person who celebrated his 65th birthday on New Year's Day of this year is eligible as an "over-65" taxpayer for 1964. "An individual is assumed to have reached the age of 65 the

first moment of the day before his 65th birthday," Boardman stated.

Most people, regardless of age, are aware that where there is total blindness, an additional \$600 exemption is allowed. However, Boardman states, older people, whose eyesight is extremely weak to the point of their being "partially" blind, may not realize that they may also claim this additional exemption.

Where central visual acuity does not exceed 20/200 (20/20 is normal) in the better eye with correcting glasses, or where the widest diameter of the visual field "subtends an angle no greater than 20 degrees," for tax purposes, the taxpayer is considered partially blind. He is eligible to claim the additional \$600 exemption. A statement from a qualified physician on the condition of the taxpayer's eyesight must be attached to the tax return, Boardman said.

Continental Casualty, Chicago, pioneered national health insurance plans for the aged.

Mr. Boardman

### WHAT SHALL WE DO ABOUT

By George Mahoa

To the cotton farmer and these people who economic well depends on cotton, I might say as the cost of August 15 begins "Hold your hat! Here we go." The time-averse and much debated omnibus farm bill, which contains a crop - the - board legislation for many crops, including cotton, is scheduled for debate in the House beginning Tuesday noon.

With respect to cotton, neither farmers nor legislators can predict what the effect of the passage if he reduces the planting of his allotment by thirty-five percent as many would be expected to do, would be the equivalent of about fourteen and one-half cents per pound, every two dollars per acre of the cotton section would be. I am deeply worried about what to do. The economy of the 19th Congressional District is largely dependent on cotton.

Shall we embrace the low loan and direct payment route which the bill prescribes? The loan on milling one-inch cotton would be twenty-one cents per pound for 1965. This would mean a one percent loss for West Texas and Plains type cotton. The direct subsidy pay-

### Rural Accident Report Made

The Highway Patrol investigated five rural traffic accidents in Lynn county during the month of July, according to Sergeant A. E. Roberts, Patrol Supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$2,650.00. The rural traffic accident summary in Lynn county for the first seven months of 1965 shows a total of 34 crashes resulting in two persons killed, 15 persons injured, and an estimated property damage of \$15,943.00.

### DID YOU KNOW THAT:

In 1961 the Texas Forest Service launched an extensive program in tree improvement research. It was the first Southern state forestry agency to undertake this type of research. Much credit for financing the program is due units of the forest products industry. A laboratory and greenhouse on the campus of Texas A&M University is the operations center for this program.
