OFF IN A BUNCH IN RACE FOR PRIZES IN CIRCULATION DRIVE

Real Beginning of Race For Valuable Prizes To Be Awarded Saturday, December 17th. Your Chance To Win a Small Fortune

Wonderful increase in interest has been shown in the O'Donnell circulation campaign since the publication of names of early entrants. Really started with publication of the list, for it was just the center of interest from now until its closing hour.

The most casual examination working shows plainly that to be some race. To find representation for any party will be SOME job, and every one is out with her entire main to win the biggest prize. These candidates have entered after mature deliberation, that they are working on a offer, that will be carried the letter. They are convinced it is a true test of their and are determined to give their very best effort.

call upon you and upon friends, expecting your help to You can help them greatly by giving up what you are behind your expiration date a more in advance. You will with them, for the index will be better as the subscription list is extended and you merely give them the you would otherwise the office.

on the same footing. Anyone in this locality is free to work—and to win the highest award—A CHEVROLET COACH. This will certainly make some one of them a nice Christmas present. The commissions paid will give lots of workers spending money for Christmas, also. These inducements are nice. They are made extra nice to pay these workers for helping us put over a quick campaign, in which we expect to add 2,000 subscribers to the index list.

Plenty Time To Enter
A word here to those who are considering the advisability of entering this race. IT IS NOT TOO LATE TO ENTER AS A CANDIDATE—IT IS NOT TOO LATE TO GET IN AND WIN!

Rich rewards and unlimited possibilities come to those who recognize opportunity, and taking time by forelock, step in and claim their share of the good things. When this campaign has closed, you will undoubtedly say, and say bitterly, "Why did I not accept this opportunity?" Once, at least, opportunity knocks at your door, follows you on the road, crosses the street to meet you—but positively will not break in the door or compel you to act.

Remember, Candidates, the Community Is Pulling For You
Candidates, remember, the eyes of the community are upon you. "I WILL," you have said. Friends are watching every issue of the index to note your progress. They are noticing to see if you are working on the street. They are expecting you to call upon them, or write and request their support. They will gladly vote for you. They will be glad to pay up their back subscriptions, and pay ahead, if you explain how many more votes are allowed on long-term subscriptions. Tell them you want to win, and are going to work hard to do so, and do not disappoint them.

ARE YOU IN IT? IF NOT—WHY NOT?

The following candidates in the O'Donnell Index's Big "Everybody Wins" Subscription Campaign, arranged in alphabetical order, have secured two or more clubs of \$21.

Miss Naomi Dunn	Pride
Mrs. Harvey Everett	O'Donnell
Miss Leta Rodgers	O'Donnell
Mrs. Lee Wright	O'Donnell

The following candidates have made a cash report, but have not yet completed two clubs.

Newman Caddell	O'Donnell
Miss Delroy Dozier	Randall
Miss Beulah Estes	O'Donnell
Mrs. E. Q. Smith	Berry Flat
Mrs. J. W. Wyatt	O'Donnell

WATCH FOR THE FIRST STANDING IN FIGURES WHICH WILL APPEAR IN THE NEXT ISSUE, DEC. 2ND.

WHAT IS A CLUB?

A "club" in the O'Donnell Index Subscription Prize Campaign is any group of subscriptions totaling \$21.00.

For instance: 14 yearly subscriptions at the rate of \$1.50 in a fifty-mile radius would constitute a "club." Seven 2-year subscriptions would also constitute a "club."

With 50,000 EXTRA votes given for each "club" in addition to votes issued on each subscription, a "club" of one year subscriptions for the next period from now until the close of business next Thursday night would give a candidate a total of 209,600 votes, while a "club" of two-year subscriptions would count for 218,000 votes.

Now, two 3-year and one 4 year subscriptions would also be a "club," as it totals \$21.00, and under the schedule, with the 50,000 "club" vote offered, such a combination would count for 241,000 votes.

Those who adopt "ONE OR MORE CLUBS A DAY" as their slogan for the remaining nineteen working days of this campaign, will undoubtedly be returned winners of the best and biggest prizes. TRY IT AND SEE!

ARE YOU IN IT? IF NOT—WHY NOT?

Don't shatter your own chances and tear down your own morale by flagging—by failing to do to your utmost ability. To compromise with yourself is to accept defeat without a fair and square attempt. Keep on the go, workers! Advertise yourself! Let them know you're a live wire! That's the spirit. The latent ability stirred up within you is unlimited. You, alone, can develop it and bring it to action

and permit the enthusiasm you possess to bring forth realization.

Time Is Limited—Get Busy
Now is the time for those who are contemplating entering the race to get busy, and for those in the race to stay busy. Votes pile up in the thousands easily, when a single subscription, as during this period count for 11,400 votes, or a five-year subscription for 70,000. On the end the difference of a few five-year subscriptions now might mean the winning or losing the Chevrolet Coach.

Our best advice to those who wish to win, is to hurry every available subscription to the Campaign Department NOW, WHILE THE VOTE IS LARGE. Not to do so, simply means you are throwing away golden chances. Do not postpone until the latter part of the campaign, work you can do today. You cannot have too many votes—it is absurd to think so, and if you are having good luck today, it should inspire you to put forth more effort. There are plenty of votes to those who go after them.

Regular Schedule During Campaign	
1 year, \$1.50	2,400 votes
2 years, 3.00	6,000 votes
3 years, 4.50	10,000 votes
4 years, 6.00	15,000 votes
5 years, 7.50	25,000 votes

Extra Votes
Up to and including Thursday, December 1, 1927, 9,000 extra votes will be allowed on each \$1.50 paid on subscriptions. If out of first zone, each \$2.00. Next week 3,000 extra votes will be allowed. This is in addition to the regular schedule.

HOLLEY-FAIRLEY

J. D. Fairley took his many friend by surprise Thursday by quietly slipping off to Lamesa where he was united in marriage to Miss Sally Holley, who lives four miles north of Lamesa. Rev. Ira L. Townsend, pastor of the First Christian church officiating.

Miss Holley is the charming daughter of Mr. and Mrs. J. A. Holley. J. D. has lived in Lynn county for a number of years and in O'Donnell the past five years. He was a graduate of the Senior Class of 1924. He went to Abilene in 1925 where he took a business course at the National Business College. Since that time he has been connected with the Fairley & Haymes Real Estate Co. J. D. has many friends throughout the West who extend congratulations to both he and his bride.

Mr. and Mrs. Fairley will be at home to their friends in their pretty little new home in north-east O'Donnell.

O'DONNELL DEFEATS LAMESA SECOND STRING MEN

With a surprising out-burst of fight and speed, the Eagles defeated Lamesa second team Wednesday evening by the score of 24 to 6. Lamesa scored first after recovering a fumble on O'Donnell's thirty yard line. This score was soon evened, when McLaurin received a punt and raced eighty yards for a touchdown. This seemed to renew the Eagles with determination and fight that could not be denied. They pushed over two more touchdowns before the half ended. The second half found Lamesa trying hard to overcome O'Donnell's lead, but again the gold and black proved superior. O'Donnell scored one touchdown in the second half, and was rapidly pushing forward toward the goal line when the game ended.

6,378 BALES COTTON GINNED TO DATE

The weather remains fair for the gathering of this season's cotton crop, however, ginnings have dropped slightly under ginnings of last week. However our report was gathered one day earlier this week in order to get this week's issue out in time to take Thanksgiving. During the five days of ginning since our report last Thursday, there has been 864 bales, bringing the total for this season up to 6,378.

This season's ginnings for O'Donnell will probably reach near the 10,000 bale mark according to estimate of ginner and cotton men.

Below is the individual report of each of the seven gins of the city:

McDonald-Ely	1557
J. P. Bowlin	971
Henderson-Boone	963
J. H. Hardberger	819
A. D. Brown	708
Harrison-Williams	712
A. Y. Pemberton	648

FIRE IN GUTHRIE STORE CAUSED FROM STOVE

W. H. Guthrie had a very narrow escape Monday morning, barely escaping death when a gasoline oil stove upon which he was tightening a valve exploded, immediately covering him with flames, singeing his hair and burning his hands slightly. The alarm was turned into the Fire Department at once and in a very few minutes the wagon with the fire boys was on the job and soon had the flames under control.

Mr. Guthrie expressed considerable praise to the Fire Department for their speedy way in handling the fire.

O'DONNELL PARTY ENJOY BIG DEER HUNT

Monday morning, Nov. 14, at four o'clock, the darkest hour of the night, had one been interested they could have seen a group of figures huddled together in and out around a well loaded car, and soon they would have observed C. L. Davis, B. L. Parker, J. D. Bolch and H. P. Echols loading into the cars with all speed and the long barreled rifles one could see protruding from various corners, you would have realized that nothing short of a bear hunt was on foot.

Leaving O'Donnell before daylight this party hit the trail for Brewster county, the well known deer range of Texas. They drove out forty-five miles from Marathon, where the hunt began. They report having counted as high as eleven deer in a bunch, though not close often to get a shot. B. L. says if he had killed every one he got a shot at he could have provided meat for O'Donnell's winter supply. Mr. Parker did get one fine chance, and though he wounded his deer it passed over a hill and was killed by a hunter on that side, who claimed it as his kill, however the O'Donnell men had a fine feed off it and each one claims he thought of the ones left behind.

From a hunter's viewpoint the trip was not so successful, but each man enjoyed the trip and came home more rested and ready to take up their home duties.

MRS. TOM HOLLAR DIED WEDNESDAY OF LAST WEEK

On Wednesday of last week, Mrs. Jim Parker was called to the bedside of her sister-in-law, Mrs. Tom Hollar, who was taken to the Hall's Sanitarium at Big Springs for treatment. She continued to weaken until 7:30 Thursday morning when her heavenly father called her home.

Funeral services were postponed until Saturday waiting for the mother, Mrs. Gober, who had to come from California. Rev. Bowen of Big Springs conducted the funeral services and interment was made in the Gail Cemetery.

She was survived by her husband, seven children, mother and father, four sisters and four brothers. The deceased is a pioneer of Gail, having lived in and near Gail for the past twenty-two years.

We extend our loving sympathy to the bereaved in their hour of darkness.

J. I. OWENS OF THE PRIDE COMMUNITY DIES

J. I. Owens of the Pride community died at his home, Saturday night about midnight. Mr. Owens had been ill for quite awhile and suffered intensely with cancer of the stomach. While to give him up was a deep sorrow to the loved ones, to know he was a christian and had lived a devout life for nearly half a century, it will be a comfort to know his suffering days are ended. Mr. Owens was sixty-seven years old and had been a christian and a member of the Baptist church ever since early boyhood.

The body was laid to rest in the O'Donnell cemetery Sunday afternoon. Rev. Horn preached the funeral service and the Masonic Lodge assisted in the burial ceremony. Mr. Owens leaves a wife and two children, a son and daughter to whom we offer sympathy and understanding, realizing that "an all wise God overshadows us with his protecting arm."

W. S. VENABLE'S LITTLE DAUGHTER BREAKS ARM

Syble, the little four year old daughter of Mr. and Mrs. W. S. Venable fell from a barn yard fence last Friday afternoon breaking her left fore arm, resulting in considerable pain for the little child, but after the arm was set and bound up, Syble was able to go about her play in much the usual manner.

CLAUDE HENDERSON HURT IN SAN ANGELO HOSPITAL

Mr. and Mrs. C. D. Henderson received news Friday of the accident to their son, Claude, at Rankin, Texas where he received a broken leg. Claude was driving a tractor with a trailer attached and in some way his left limb became caught in the coupling, breaking the limb. He was rushed to the St. Johns hospital at San Angelo where he received treatment. The last report his mother had he was doing nicely.

Mrs. R. H. Schooler, accompanied by Miss Willie Schooler, Mrs. Dr. J. F. Campbell and A. W. Gibbs went to Lubbock last week where Mrs. Schooler underwent an operation on her eye, which has given her considerable trouble for the past three months. Dr. Hutchinson of the Lubbock Hospital performed the operation and we are indeed glad to report Mrs. Schooler's condition much improved.

LET'S HAVE WATER FOR ALL OUR CITIZENS

I have always been for a water system for O'Donnell, and ALL of her citizens, and am yet. I am just as emphatically against all of her citizens erecting a water system for a few.

A \$40,000 issue will not, according to expert advice of the past and present, be adequate only for a down town water system. No man is justified in voting to increase taxes and that of his immediate neighbor while deriving no direct benefit as would be the case in this instance. It would decrease the insurance rate as far as the issue reaches as a matter of course, but beyond that boundary it would not benefit.

If we were not able financially one year ago to build a complete water system for the benefit of all porate limits, we are financially able now to build a part system for the property owners within our corporation of only a minority portion. I take no stock in promises of extensions, having had experience in that line before coming to O'Donnell. In fact, have been reliably informed that some of the council thought that \$40,000.00 was too much to spend now, and why expect that they would in the future be willing to extend at a greater cost.

Give us all water and let us all pay for it, and each use it, according to his needs and desires. I, being a taxpayer, (and not delinquent) shall vote against the issue as called. (adv.) Geo. D. Foster.

WHEN YOU OWN AN ELECTRIC STOVE

There is no longer uneasiness about fire. It is a safe stove. Ask the lady who owns one if she would be without it.

It does not smoke up your wall paper and so saves papering bills. It is clean and does not work the wife to death with consistent cleaning. There is no odor or fumes from a Hotpoint Electric stove.

The most convenient stove on the market, all things considered.

**EDEN THEATRE OPENS
LAST NIGHT WITH AN
EXCELLENT PROGRAM**

(From Eden Echo)
The new Eden Theatre, which has been built to replace the one destroyed early in the summer, and built by Mr. and Mrs. W. T. Molloy and Messrs. Kellis and Sanders, formerly of O'Donnell and other West Texas points and who are to present operating other shows at other points, proved to be the biggest event for Eden for the present year.

The picture for the evening was one of the latest Paramount releases, "Knockout Reilly" and proved to be a favorite with those present. The management has arranged for some fifty or sixty of these Paramount feature films for the coming year and this alone assures a excellent bill of features. In addition to this many feature films from practically every other film producer has been arranged for at some time or other, this will enable the management to furnish the show going people one of the finest selections of films to be found anywhere.

The new show building is one of the most complete to be found anywhere in Texas for a town the size of Eden. The cost of the building and fixtures is conservatively estimated at about \$8,000.00 or \$10,000 complete. The seating space will comfortably accommodate some three hundred people with ease, with a balcony to be used in event that it becomes necessary.

In addition to the motion picture show equipment there has been erected at the rear of the building a commodious stage twenty-five feet long, and fifteen feet deep, complete with a beautiful drop screen decorated with some very appropriate oil paint.

There is a second curtain which of the sliding type and is made of pink material to match all edges and wing curtains, and is very beautiful in appearance. The stage is adequately lighted with many powerful electrical lights and when in force resembles a perfect flood of light. Additional beautiful paintings are to be seen on the front wings of the stage and on the side walls these paintings especially are more attractive when it is known that they are products of the brush in the hands of our own townsman, John Miller, and are themselves very beautiful, and are often referred to as work done by an artist of much fame at a distant place.

We must also make a brief description of the music which is being dispensed to the audiences during show hour, this is called their famous "Phantom Orchestra," which is a close resemblance of the highest quality pipe organ music produced on machines costing from \$10,000.00 to \$25,000.00 but in nothing more than a combination of a high grade talking machine equipped with special electrical reproducer through a radio loud speaker. This feature has been installed by M. B. McVey, local representative of the R. C. A. people.

Last but not last we want to mention in this column the names of others that have been instrumental in making for Eden one of the biggest assets which it has gained this year, they are: Guy Studdeth, Bob Hormon Tom Hughs and possibly others of the building staff, Joe Clifford, electrician, Pete Lewis, painter and decorator, and others that may have had a part in making this building one of the best play houses in this section. They did their part well and their work stands to show what they can do. To Mr. and Mrs. Molloy are due

much credit for making this building possible.

Messrs Sanders and Kellis, proprietors of the show, are also deserving of the highest congratulations in their effort to give us this nice play house and we feel free to say that there is not a doubt but what these gentlemen will later rejoice at their decision to come to Eden.

We are mighty glad to have Virgil Fuller back in school. Willie Hanes was absent Monday.

We elected Mrs. Pemberton for our room mother and are anxious to have her visit us. We sure hope we will have better luck with her than we did the other two, who moved away and left us.

HIGH SECOND

We are studying the multiplication table this week and some of us are learning it. We have all memorized the twenty-third Psalm and the Lord's Prayer this year. Frank Fuller is back in school.

Mrs. Everett came to see us Thursday and read us one story and told us two. We expect her again next week.

HIGH THIRD

We are glad our room mother, Mrs. Crunk is back from Dallas. She came to see us last week and brought us cookies and candy.

HIGH and LOW FOURTH

We have been busy making posters for Thanksgiving. Both sections of the Fourth grade have been enjoying filling their new geography note-books.

We have had two visits recently from our room mother, one visit she read us a story and the other we had a contest, the High Fourth beat the Low.

We are sure working for the banner, and we have only had three tardys in three weeks.

LOW FIFTH

We are glad to have so many absentees back in school. Our room is nearly full again. We have a new picture, "Spring," by Corot, for our room. We are going to get a pretty frame for our picture with our bad English money. This means every time a pupil uses bad English they pay a penny then we use the money to beautify our room.

HIGH SIXTH GRADE

We put on an Americanization play at Chapel Friday morning. Our "Big Sister," Miss Roxie Hancock, read for us and every one seemed to enjoy it. We did.

LOW THIRD

Our room mother, Mrs. Roy Miles,

came to see us last week and served us candy. Then we gave her a little shower.

Mrs. Hicks came to see us and told us a story, "The Firey Furnace" which was a Bible story; and very good. W. B. Hicks, Jr., has moved away. We miss him very much.

LOW AND HIGH SEVENTH

We are going to have a World's Fair connecting our Geography and History. We are also planning a Thanksgiving play called "Thankful Lives Up to His Name." We invite every one to come.

Mrs. Gooch, our teacher, has asked us to write a theme on "The History of O'Donnell," so when our room mother came she gave us a good talk on O'Donnell which was surely appreciated.

JUNIORS

The Juniors and Seniors enjoyed a nutting party at Erma D. Palmer's last week. The Seniors came at 8:30 with their Senior yells. A chicken dinner of crumbs and corn was served the Seniors and nut candy was served to all, for you see this was a nutty party, a nutty gang was present and nutting games were played. The Juniors are expecting their class pins in right away and can hardly wait for them.

SOPHOMORE NEWS

Basket ball season will start next week. We believe that the Sophomore class will be represented highly on the team.

We urge you to be present at all four games and yell for us. We can not be a success without your support. "Be there and yell."

SENIOR NEWS

The Seniors have their class rings and are wearing them. We feel very proud to have our rings as we feel that it adds to our "Senior Dignity."

Erma D. Palmer entertained the Seniors and Juniors at her home last week and we all enjoyed it very much. Examinations are with us. We have taken some and know that the others are coming.

Intermediate B. Y. P. U.

The Intermediate B. Y. P. U. met last Sunday with seventeen members present. We were very glad to have Newman Caddell and Wray Guye join the union. Only three members were absent last Sunday and we hope that they will be there next Sunday. We certainly missed them.

Group I rendered a very interesting program and it was enjoyed by all who were there. Their subject was "Hearing God."

Group II has so far won the contest which is on, but as there are several Sundays yet before it closes, Group I may win at last.

Group II will have charge of the program next Sunday. The program is as follows:

"Winning Others."

Song—"Work For the Night Is Coming"—Marydell Vermillion, Jessie Middleton, Louise Miles and Wray Guye and Newman Caddell.

Prayer—"That the Intermediates May Follow Andrew's Example In Christian Service."—Mrs. Mansfield.

Solo, Cornet—Wray Guye.

"The Christian Business,"—Marydell Vermillion.

"Andrew, Won and Winning"—Shelley Roaten.

Poem—Wray Guye.

Mrs. Mansfield will then take charge of the remainder of the meeting.

Interest is growing rapidly in the Union and we hope that each Sunday we will have at least five new members until we have every boy and girl in O'Donnell enlisted. We hope that we will have at least twenty-five present next Sunday. We will put forth every effort to make the programs interesting for you. We meet at five o'clock at the First Baptist church every Sunday.

SENIOR B. Y. P. U.

The Senior B. Y. P. U. met at the church Sunday evening at 6 o'clock. Miss House as Captain of Group 2 had charge of the program and it was simply splendid. Miss Wynema Sorrells, Truitt Hodnett and Chest-

er Bartay took part in the program which was indeed fine. We were very happy to have a good attendance and invite every one to come next Sunday at 6 o'clock instead of 6:30. Sorrells will be leader next Sunday and we are assured of a splendid program. Be sure and come.

Next year, of all years, you will need the best. A President, United States Senator, Governor and other State officials will be elected.

Eleven Months

By DOUGLAS MALLOCH

IT'S—well, let's see—it's very near Eleven months, almost a year. Since you put on your hat one day And said good-by and went away; And you, you smiled, and I smiled, too, That's all one ever dares to do; And then I heard a door that closed, And—well, whoever yet supposed Eleven months could follow then Before that door would swing again, That is, before that door would swing. And really mean a single thing?—

Eleven months, or maybe more. Before one heard a swinging door Just seem to swing some certain way. I can't describe, that seemed to say, "He's here! He's home! He's on the stair! Now where's my puff? and how's my hair?"

Eleven months—and yet a week It was before I dared to speak. Or hardly dared to speak, for fear Somebody else around might hear Me—well, me gulping something down Because one man was out of town.

Now, isn't this a shameless note?— The worst a woman ever wrote. But I've been thinking more and more That ever since you shut the door, That anywhere you perchanced to be, That maybe you were just like me, And, just because I let you go, You didn't see, and didn't know, And didn't really understand; And wouldn't it be awful—land!— If somehow somewhere sometime you Were counting months and minutes, too!

How It Started

By JEAN NEWTON

UNIONS

TRULY, "In union there is strength." And it is this same principle, old as the ages, that started the first union, the medieval gild, as it was called, from "gild" meaning a payment.

It is a travesty that the original "unions" were not organizations of "labor," but of employers. They were boards of trades formed by the proprietors of the industries of each town, for protection against "foreign" competition. The rules of the gild against trading with "foreigners" except under certain conditions preserved for the trade men of each town a monopoly of local business. Capitalists! The authority of the gilds in the regulation of trade was greater even than that enjoyed by the town governments.

With the development of industry the general merchant gild was superseded by the craft gilds—individual organizations for every trade or industry in the town. As the merchant gild had regulated the trade of the town in general the craft gild supervised its own trade or occupation.

So powerful were these craft gilds that it was impossible for a man to carry on business without subjecting himself to the rules of his gild.

The gilds controlled a man's standing in his trade. Every worker had to serve for seven years as an apprentice without pay, when he became a "journeyman." This word was taken from the French "journée," which means day. For the men were employed and paid by the day. When a journeyman had saved enough money to open his own little shop he became a "master" tradesman. And here again we have capitalism in the trade unions, for only masters could become full-fledged members of the craft gild! But we learn that the proprietors and their employees worked in harmonious accord, without partisan interests, for the good of their craft. The millennium was here—about 500 years ago!

HISTORY OF WOMAN'S MISSIONARY SOCIETY

(By the Society Historian)
Early in the year of nineteen and twenty-one a pleasant little ripple of life was felt pulsating throughout the community of O'Donnell, for community it was and not hardly large enough to be called more than the "Post Office."

As the ripple grew with force and time it developed into a tiny wave and upon that wave was a tiny skiff guided by our beloved Mrs. H. L. Gooch. As it draws nearer we recognize the boat bears the name "O'Donnell Home Mission Society" and those happy faces we see beside Mrs. Gooch are Sister W. C. Hart, Mesdames Fleta Allen, Hallye Busby, Fannie Gates, Esther Hart, Rosa Orson, Will Orson, G. R. Pearce, T. D. Randall, H. A. Randall, R. E. Townzen, Emma Townzen, Nowak, Misses Jewel Vaughn, Marie Gooch, Mattie Pearce, Faye Petty, Irene Petty, Rosa Schooler, Willie Schooler, Birdie Shook, Effie Vaughn, Hattie Wyatt and Ruth Hart.

This skiff was rigged up and cast out to sea by the kind pilot, Rev. W. C. Hart who brought these women together in his home, the first Methodist parsonage in O'Donnell, and this little band was organized and named the Home Mission Society of O'Donnell.

The guiding hand with love and patience of the President or leader, Mrs. Gooch, finally guided this little boat into the narrow channels of duty and thence into connectional work with the Methodist church and in January, 1923 the boat is seen to bear the name "Woman's Missionary Society of the Methodist church South," for at about this time a little party gathered at the Methodist parsonage and under the kind management of Rev. Jas. E. Eldridge then pastor of the church, helped to organize the first W. M. S. in O'Donnell. Mrs. Jas. E. Eldridge was elected President, Miss Marie Gooch Secretary, Mrs. Marion Ballew Treasurer, Mrs. Ben Moore Voice Agent. Each of these beloved women made splendid officers. The first report ever sent out from O'Donnell was March 31, 1923, reporting 19 members, dues, \$14.60, pledge \$3.10. In June of the same year 3 new members were reported with \$12.00 dues and \$3.10 pledge.

In Sept. 1923 Mrs. Eldridge resigned and Mrs. Ben Moore was elected to fill the chair. Eleven dollars were spent for dining chairs for the parsonage the first money spent for local work.

The last quarter of the year \$9.00 was paid for dues, \$2.60 pledge, \$8.00 was given during the week of prayer and \$10.00 spent for local work.

The year 1924 started with Mrs. Ben Moore as President, Mrs. W. C. Hart vice-president, Mrs. Belle Knight Superintendent of Children's work. The first Junior Missionary Society was carried on by Mrs. Knight successfully for two years. Miss Marie Gooch was re-elected as secretary, Mrs. L. M. Williams, treasurer, Mrs. J. W. Lines, Study Supt. The first report of 1924 there were \$10.00 dues paid, \$5.00 pledge and \$19.60 spent on local work.

In June 13 new members were added. With 15 subscriptions to the Missionary Voice, \$18.00 were paid for dues, \$4.00 pledge, \$30.00 was spent sending our president to Ver-

non to conference and it was indeed money well spent for she brought back to us the first news of the church from the outside.

In September \$150 was spent on the parsonage. We served a cafeteria dinner in July making \$90.00, also compiled a cook book realizing \$109 out of it. A church calendar netted us \$25. In the last report of 1924 we sent in \$9.00 dues, \$3.00 pledge \$18 was paid on missionary salaries Memorial, \$5.00 to the Students \$26 was given on the Belle Bennett Secretary Fund, \$4.95 was paid during the week of prayer, \$62.35 was spent on local work.

The beginning of 1925 found us with Mrs. Don Edwards as president who served faithfully through out the year. Mrs. Harvey Everett was elected vice-president, Mrs. Knight, Supt of Children's work, Mrs. J. N. Lines secretary, Mrs. D. M. Estes, corresponding secretary, Mrs. J. L. Schooler, Voice Agent, Mrs. W. B. Hicks, Supt. of Young People. Mrs. Jno. Randall, Study Supt. In this year we studied "Women and Missions" having studied "China's Challenge to Christianity" the year before under the able leadership of Mrs. Randall we came to a clear understanding of the woman and her relation to missions. Mrs. Randall continued as Study Supt. of the Society until the date of this history helping us with the study of "Moslem Women" and "Our Templed Hills." Mrs. Ben Moore was elected Treasurer this year, having her reports out on time and up-to-date throughout the year as well as the next two successive ones.

The first report of 1925 we had 27 members, \$19.30 was paid for dues, \$10.00 pledge made. We sent Mrs. D. M. Estes as delegate to conference at Memphis. She brought back a good report. In June 1925 we had the honor of entertaining the District Conference of the Lubbock District and will always look back upon it as a joy gone but which always remain in our memories for we had Mrs. Merrett, Mrs. Potts, Mrs. Peters and Mrs. Baker with us as well as other dear friends.

This quarter we paid \$14.00 dues, \$3.50 pledge, \$20.00 was spent of Conference Funds, \$96.16 was spent on local work. In Oct. of this year \$25.00 dues were paid, \$5.00 pledge, \$4.00 given to the Scaritt Fund, \$30.00 supplies were sent away, and \$50.00 spent on local work.

Jan. 1926 Mrs. W. H. Veazy was elected president of the Society work. Mrs. E. S. Scrimshire, vice-president, Mrs. W. B. Hiesk was again elected Supt. of Young People's work, which proved a happy step in missionary life of O'Donnell for the Young girls of our church readily responded to the call and did work under Mrs. Hick's supervision. We feel that the vessel bearing the name "W. M. S., O'Donnell," has been over some stormy seas, the period of its short life at times the water was deep and the current swift and though we feel that we have passed through some narrow channels we can see the smooth blue water ahead, and though squalls and breakers may over take us and we may become almost submerged at times we know that with God's help and earnest prayer we can never perish.

munity of some 250 people claims
