

THE O'CONNELL INDEX

ONE INJURED SUNDAY IN CUTTING PRAY

ONE INJURED SUNDAY IN CUTTING PRAY

G. T. Galneau, young husband, is seriously injured. Theo Berry is still in jail, and J. E. Anthony has paid a heavy fine as a result of a poker session in a maize field Sunday night.

Arrests of Berry and Anthony were made Monday by deputy sheriff John Johnson, and others who are expected to follow this week. None of the three men known to have participated in the game have made statements implicating others, but it is believed that there were several others at the scene of the fray. They have also consistently refused to state the source of the quarrel which resulted in the serious injury of one of the party, and further refuse to say who did the cutting which almost cost him a ear.

However, it is supposed that there was some disagreement as to some phrase of the game and Galneau was on the losing side. At any rate, he was brought in to the office of a local physician for emergency treatment involving a number of stitches on the right side of his face and across the scalp. All three men are married, we understand.

Anthony paid his fine immediately but this is being written by Berry is still in the county jail at Tahoka, thinking over the trials and tribulations of a gamblers life.

DOAK TO MANAGE HOTEL THIS YEAR

Announcement was made Tuesday of this week that C. H. Doak, pioneer of the West Texas and 'daddy' of O'Donnell, will take up active management of his hotel here, the change to be effective immediately. The announcement brings to mind the fact that the hotel business was the first enterprise in O'Donnell more than twenty years ago when Mr. Doak first conceived the idea of a new town, and that the hotel was the center of community, even territory, activity, for many years. To add to the romance of the situation, the building has been moved and altered, but nevertheless, Mr. and Mrs. Doak should feel very much at home.

It is stated that they expect to provide the best of accommodations and that every part of the establishment will have their personal attention.

Mr. Doak has left behind him an orphan child for the past year, having spent that time at the ranch home near Loop. The ladies of the community joins in welcoming them back home.

ODONNELL TO OBSERVE ARMISTICE DAY QUIETLY

Since this is the busy season for O'Donnell and the territory, no formal public program is being planned for Armistice Day next Friday. The Fern Allen, most of the community had discussed plans for a program in the evening, but we understand that they have been postponed and will be of a different nature when carried out.

Business houses will likely remain open all day, though no definite announcements have been made in this matter. A number of local people are planning to attend celebrations and programs in neighboring towns, but for the most part O'Donnell will go quietly about the business of the day, with only flags to remind the public that it is Armistice Day.

EPWORTH LEAGUE UNION TO MEET SUNDAY

The O'Donnell Epworth League will meet Sunday at the Fidelity Union of this zone when delegates are here from nine organizations. Coplin Donahue is president of the union, and reports from him and his committees this week are a very interesting and helpful program has been arranged.

SINGING CONVENTION DRAWS LARGE CROWD

Fully seven hundred persons attended the meeting of the Dawson County fifth Sunday singing convention at the high school building here Sunday, with notable singers coming from distant points to take part in the program.

Everyone enjoyed the day, and the work of the various classes brought forth much admiring comment.

This was the first time the local class has entertained the convention, and it was unanimously declared that its members were ideal hosts.

FAIR WEATHER BOOSTS GINNING REPORT

With cool, crisp mornings, and warm suns, cotton has been pouring into the gins at a great rate this week. Each of O'Donnell's six gins has been forced to run at night part of the time, and several of them have run day and night for the past three or four days.

1638 bales have been ginned since last week's report was given, bringing the season's total up to 2910 bales. We are still 1900 bales short of last year's report, which had reached the total of 4,810 at this time.

Threatening clouds are hanging low as the Index goes to press, and a decided drop in temperature has elicited the prophecy that this part of the country is in for another siege of bad weather and the consequent further delay in the harvest.

GYVE ACCEPTS POSITION WITH RADIO STATION

Scoring another "local boy makes good" headline, Wray Gyve this week justified the confidence of his friends by winning out in a contest with ten others for the position of announcer over radio station KFTV at Lubbock. The contest for the place began Sunday of last week, at which time the eleven conducted programs. Seven were eliminated in this preliminary trial, and the remaining four competed Wednesday evening and Thursday. The O'Donnell boy won without much trouble, and has been at the station since that time, learning what few ins and outs of broadcasting with which he was still unfamiliar. He took up his regular duties Tuesday of this week.

His son, Mr. and Mrs. W. E. Gyve of this place, Wray has been intensely interested in every phase of radio for several years, studying and practicing constantly. Last spring he began broadcasting regularly over the Lubbock station.

He was a member of the 1932 graduating class, and friends he credit him to be the youngest regular paid announcer in the United States. The Index joins with other friends in extending congratulations and best wishes.

ODONNELL BAKERY OPENS HERE THIS WEEK

J. F. Cox arrived early this week from Cisco and is rapidly installing complete and modern baking equipment, planning the permanent installation of an efficient bakery in O'Donnell.

This new establishment is completely equipped with ovens, mixers, dough-breakers, and all the machinery for good baking. Mr. Cox has been in this business for the past six years, most of the time in Cisco, and comes to O'Donnell recommended as a baker and citizen. The building next door to Johnson & Lue grocery has been leased as the home of the new business, and Mr. Cox stated Wednesday that he expects to be ready for work today.

L. R. Smith, formerly engaged in the bakery business here, assisted in setting up the machinery. Mrs. Cox will join her husband here within the next few days, and they expect to make their home here for some time to come.

While appreciative of the assistance and cooperation of the town by the new establishment, Mr. Cox has no complaints as to quality of products in local merchants that sell his bakery goods, but more so, appreciating the local cooperation.

This week also, B. P. Lewis, former of Marathon, Tex., has been in O'Donnell, and has been making a pleasing impression. These two new business men are members of new business organizations.

Mr. and Mrs. W. E. Gyve, who have been visiting the town, Mr. J. P. Rogers, and family at Lovellland for the past several days, returned home Sunday.

TWO INJURED MONDAY IN GIN ACCIDENTS

Two local gins experienced accidents Monday, both of them causing considerable pain and inconvenience.

George Pearce of the McDonald-Ely gin narrowly escaped serious injury when his right arm was caught in a belt as he made some adjustments. The sleeve was torn from his shirt and the flesh seared by the belt. He was brought to the office of a local physician for treatment and was back on the job within a few minutes.

James Bowlin, Jr., received a more serious hurt that same afternoon when he and some friends were playing of the year of his father's gin. James fell from a bale of cotton, striking on the point of his left shoulder. The shoulder was broken and dislocated by the force of the fall, so that anesthetic was necessary.

Both patients are recovering nicely.

METHODISTS TO HAVE SPECIAL SERVICES SUNDAY

O'Donnell people are scheduled to enjoy an address from one of the noted public speakers of the Southwest Sunday afternoon when Rev. W. H. Wallace, pastor of the First Methodist church at Lamesa, will speak at the local Methodist church.

The service will begin promptly at two o'clock, and everyone is cordially invited to be present. Rev. Wallace is without question one of the most forceful and interesting speakers in this part of the country, and his talk Sunday afternoon is expected to draw a large crowd.

FIFTH MONDAY CLUBS ELECT OFFICERS

At a business session of the fifth Monday Federation held at the High School building Monday afternoon, new officers for the coming year were elected and a vote of thanks extended the retiring officers.

Officers were elected as follows: President, Mrs. F. A. Anderson; vice-president, Mrs. C. H. Westmoreland; secretary, Mrs. Fred Henderson; treasurer, Mrs. R. O. Stark.

SPECIAL PROGRAM PLANNED AT BAPTIST CHURCH

Young people of the Hale Center Baptist church will be guests Sunday of the young people of the local church, and will have charge of the morning services.

Rev. L. S. Jenkins, pastor of the church, stated that he could not make a definite announcement as to the nature of the program, but that the Hale Center organization is a strong one with plenty of musical and speaking talent, so that a splendid service can be confidently expected.

The Index will be served to the visitors at the church, and a social hour will follow in the afternoon, before they return to Hale Center in time for their own services in the evening.

NEW ENGLISH THEATRE DRAWING BIG CROWDS

O'Donnell people as well as those of the Tahoka territory are again enjoying the splendid shows provided for them by D. R. English, veteran theatre man of Tahoka, who has recently opened a completely new and modern vitaphone theatre.

The new theatre is located just down the street from Hogan Drygoods at Tahoka, and has been completely remodeled, and equipped with the best sound properties.

Mr. English is this week being a regular ad in the Index, listing attraction for the coming week.

Mr. and Mrs. H. E. Baldrige were guests the first of the week of their daughter, Mrs. Ben Moore, and family, and of their son, Lee Baldrige, and family.

Mr. E. O. Allen of Big Spring arrived Wednesday for a few days' visit with her daughter, Mrs. Roy Miles, and her son, Glen Allen.

FUNERAL SERVICES CONDUCTED FOR J. L. SCHOOER

Funeral services were conducted last Thursday at the city cemetery for J. L. Schooler, who passed quietly away Wednesday night at the home of his son, J. N. Schooler. Rev. W. R. Burnett, pastor of the Methodist church, was in charge of the rites, assisted by Rev. L. S. Jenkins, pastor of the First Baptist church. Interment was made in the city cemetery.

Mr. Schooler had been a guest in the home of his son for the past three months, coming here from his home in Hamilton county. For the past two months he had been confined to his bed, suffering from a complication of infirmities of old age, and gradually grew weaker until the end came.

Joseph Lightlike Schooler was born in Kentucky on August 13, 1851, being eighty-one years of age at the time of his death. He was converted at the age of sixteen and united with the Presbyterian church, of which he was a consecrated member throughout his life. Early in manhood he married Miss Anna Wilkerson, and to this union were born ten children. Three of these preceded their father in death, while seven remain to mourn his passing.

Though Mr. Schooler had been in this community only a short time, he had endeared himself to a wide circle of friends, all of whom admired and revered him for his christian humility and fortitude, for his unflinching cheerfulness and patience. Those who knew him throughout his long and useful life respect him as citizen and a father whose place cannot be filled.

The Index joins with the family in mourning his death, and with the community in extending sympathy to the bereaved ones.

MRS. KEITH DEAD NEW MEXICO HOME

Mrs. Mattie Keith of Tularosa, N. M. passed away at the family home there last Thursday, October 12, after having suffered three strokes of paralysis.

Mrs. Keith, a former resident of O'Donnell, was a sister of Mrs. M. E. Pearce, who was called to her sisters' bedside two weeks ago by news that she was not expected to live. Mrs. Pearce returned home Saturday.

The Index joins with the community in extending sympathy to the bereaved family.

GINNING REPORT SHORT IN TWO COUNTIES

This year's ginning report for Dawson and Lynn counties is far short of last year, according to information received Monday from the Cotton Department of the Census Bureau.

Only 5,439 bales had been ginned in Lynn county prior to October 18, 1932, as compared with 12,410 bales last year.

3,573 bales had been ginned in Dawson county prior to October 18, 1932, as compared with 11,786 ginned last year.

SANTA FE MANAGER VISITS O'DONNELL

H. R. Lantz, new general manager of the Santa Fe lines, made a special inspection tour of his new territory this week, and was in O'Donnell Thursday morning.

Mr. Lantz comes from Lajuneta, Col., and replaces J. R. Hitchcock, who has been general manager for a number of years. Mr. Lantz expressed himself as being much impressed with the work of this division and with prospects all over the line.

NEW CAR SALES ARE REPORTED THIS WEEK

J. Mack Noble, Jr., manager of the Lynn County Motor Company, local Ford dealers, reported the delivery of four cars last week, according to reports coming to the Index the first of this week.

L. N. Nichols, carrier for rural mail route three, bought a new Tudor sedan as did John Stokes of the Highway Garage.

A truck and a V-8 Tudor sedan were delivered to the Amiable Life Insurance Company at Waco.

Monroe Holman arrived from Ft. Worth Sunday for a short visit with his parents, Mr. and Mrs. E. D. Holman.

Mr. and Mrs. J. A. Minor and family spent the week-end in Lovellland.

GRANDPA McMILLAN DEAD AFTER LONG ILLNESS

The entire community was gripped Wednesday morning when news was received in town that John McMillan, affectionately known as Grandpa McMillan to everyone, had passed quietly away at the family home shortly after midnight.

Funeral services were conducted at the family residence with Rev. L. S. Jenkins, pastor of the Baptist church, in charge of the rites. The O'Donnell Chapter of the A. F. & A. M. had charge of the burial ceremonies.

Mr. McMillan had never completely regained his strength after suffering a severe attack of erysipelas two years ago, and had been ill for almost a month from infected sinuses. His system had grown so weak that he was unable to take nourishment, and gradually sank into a coma which ended in his death.

Mr. McMillan had lived a full life having passed this three score years and ten almost two decades ago, and that it was one of service and generosity toward his fellowmen. The throngs of sorrowing friends and the heart break of the stalwart sons and grandchildren were eloquent testimony as to the place he filled in the lives of his loved ones.

He was born in Tennessee, August 9, 1847, and came to Texas while still a boy. He was converted in early manhood and became a member of the Baptist church, in which organization he worked faithfully and loyally as long as he was able. He was married on August 17, 1871, and to this union were born nine children, five of whom remain with their mother to mourn their father's passing, and all were present for the funeral.

The Index joins with the community in mourning the loss of a sterling citizen, and in extending sympathy to the bereaved family.

LOCAL CHURCH REPRESENTED AT CONFERENCE MEET

Rev. W. R. Burnett headed a delegation from the local church to a pre-conference rally held at Asbury Methodist church at Lubbock, at which meeting it was announced that the annual conference of the conference are very good indeed.

Presiding Elder C. A. Blekley presided over the meeting, and ladies of the church served lunch to the visitors.

In the business sessions, approximately 1000 additions to the church were reported during the past year, and the reports of the conference benevolences were only partially paid, the reports indicated.

Talks were made by Judge Mahon of Lovellland, Rev. W. H. Wallace of Lamesa, Rev. Wallace Bassett, C. A. Sanford of Lubbock, Judge J. N. Thomas of Tahoka, district lay leader, and J. W. Watson of Lubbock.

The local church reported fifteen additions to the church, and that all reports will be ready when the annual conference convenes at Amarillo on Nov. 10th.

The pastor, Rev. W. R. Burnett, is closing his first year's work in the O'Donnell church, and the entire membership of the church in the community is united in the hope that he will be returned to this charge. The pastor himself and his splendid helpmate, Mrs. Burnett, are full of untold value to the church and to the O'Donnell territory.

DISTRICT CONVENTION TO MEET AT HANCOCK

The District Singing Convention will meet Sunday afternoon at the Hancock school building, the session to begin promptly at two-thirty.

This is the regular monthly meeting of the organization, and the good people of that community are so anxious to be present that there is a good attendance.

Everyone is cordially invited to come and bring books, and take part in the exercises of the after-noon. A number of local people are planning to attend, and others are urged to be there.

Mrs. C. H. Westmoreland and Miss Thelma Palmer were at Lubbock on business Wednesday afternoon.

Born to Mr. and Mrs. A. B. Newsome on November 14, a baby newsome. Mother and baby doing well.

R. F. Heater, pioneer citizen of this section, has been quite ill at his home south of town for the past week.

**TUESDAY NOVEMBER 8
IS ELECTION DAY**

Just in case anyone has forgotten, the Index takes its pen in hand to remind that Tuesday is election day, the eventful day when, apparently, the fate of the nation will be decided.

Since school sessions will be under way, the polls will be at the city hall instead of at the school building, and will open at eight o'clock. Mr. Robert Cook of Wells will be presiding judge and A. H. Koeningger of O'Donnell associate judge.

Merchants and business men have cooperated in having Western Union reports of results of the election all night Tuesday. R. O. Stark, local operator, has agreed to remain at the key through the night, and any reports he receives will be posted on a bulletin board set up in a central place in the business district.

When the voters go to cast their final election ballot, they will be greeted with a ballot large enough to be mistaken for the Democratic or Republican platform. But they won't find any promises on the ballot. The ballot, which are nearly as large as a newspaper, will contain the candidates for seven different parties, and another space is afforded for voting provided you don't want to support the candidates of any of them. The parties represented are: Democratic, Republican, Socialist, Communist, Jacksonian, Liberty, and Independent. There will also be nine constitutional amendments to vote upon.

If the ticket is voted straight, marking it is simple. For example, a Democratic voting straight will draw a line from top to bottom through the seven other columns, leaving the Democratic column unmarked. To split the ticket is as simple as simple.

For example, suppose the Democrat wishes to vote for Roosevelt and the entire ticket with one exception. He draws a line down the G. O. column to the name of the candidate he favors, leaves that name unmarked, and continues the line to the bottom of the column. The name of the corresponding candidate in the Democratic column then scratch but the remainder of the column left open.

Everyone of the 23 electors whether for Hoover and Curtis or Roosevelt and Garner, must be voted. If the voter wants to cast a ballot for only president and vice-president, he marks out everything on the page but the 23 electors of his party. In other words, it takes all the electors in one column to make a vote for president and vice-president.

Politics have—or should it be has—waxed exceedingly hot in O'Donnell and Lynn county along with the rest of the nation, but no blows have been struck as

yet. However, this calmly peaceful status may be sadly disrupted before Wednesday morning, and O'Donnell extends a cordial invitation to everyone in the trade territory to come in and take part in the excitement.

**NEW HIGHWAY DEPARTMENT
ORDER SAVES TRUCK
OPERATORS MONEY**

AUSTIN, Texas, October 28.—Thousands of dollars and much time and confusion will be saved Texas truck operators and fleet owners as a result of the order issued this week by the Highway Department with reference to the hauling of oversize and overweight loads by motor trucks, according to J. C. Carrington, Secretary of the Texas Motor Transportation Association.

The order instructed all division and district engineers to issue or cause to be issued permits authorizing the operation on State highways of oversize and overweight trucks to transport oversize, overweight and over-weight commodities or equipment that cannot be rationally dismantled. A copy of the order was sent to all county judges who have control of county roads in this respect.

Therefore, such movement by truck has been permitted only between point of origin or point of destination and the nearest practicable common carrier loading point. Oilfield equipment, for example, can be carried from the field to the nearest railroad station that could handle it but had to be shipped from there by rail to the nearest station to the new location where it was unloaded and again hauled by truck to the field.

If the same truck was to be used at both ends of the line, it had to be driven empty the entire distance between the two railroad stations.

The new order, however, specifically provides that "the fact that railroad facilities may be available to move such commodity shall not be considered in granting or denying" the applications of truck owners for permits to haul such equipment or commodities.

Before the present order was issued, truck owners were required to register their equipment for any load in excess of 7000 pounds which they carried under special permit. Since they sometimes hauled only a few loads a year of this nature, the extra license fee was a heavy item of expense which the volume of business of this nature often did not justify. This expense is eliminated under the new order.

This feature will mean huge savings to haulers of oilfield equipment and commodities. They now pay only the \$5 filing fee for each overweight load. For overweight loads that are

not overweight, such as telephone poles and pipe, permits are granted for 90 days instead of for one load by the payment of the \$5 fee. All haulers of overweight and oversize equipment, however, must have on file a bond of not less than \$5000 to cover any damage done to highways or bridges used for such hauling. They cannot receive their permits until this bond is filed.

This order will be in effect on a trial basis for 30 days and if satisfactory will be made permanent. The Highway Department is of the opinion that this order will result in the use of trucks for this type of hauling instead of wagons, whose steel tires are much more damaging to the highways than the rubber tires of the trucks.

**P. T. A. MEETING
WELL ATTENDED**

A good attendance was reported at the regular meeting of the Parent-Teachers Association Tuesday. Grammar School students rendered a Fire prevention program, illustrated by the use of posters and other means.

The next meeting will be held on Wednesday, November 9 rather than on Tuesday, the change in date being made because of general election. Five High School students will discuss Education Week and Book Week. Rev. W. R. Burnett will deliver an Armistice Day address. Miss Kathryn Veezy will read and a clever dialogue, "Mrs. Democrat and Mrs. Republican" will be given by two young ladies.

**BIRTHDAY PARTY MILE
FOR DOROTHY ALLEN MILES**

Assisted by Mrs. Frank Shumake, Mrs. Roy Miles entertained Monday afternoon with a party for her youngest daughter, Dorothy Allen, celebrating her ninth birthday.

Misses Merl Miles and Leona Holman directed the games after the guests had admired the appropriate gifts, and a very pleasant afternoon was enjoyed.

Delicious refreshments of hot chocolate and cake were served to little Misses Mary Ruth and Lena Mae Singleton, Rebecca May Shumake, June Gibson, Doris Nell Gates, Yvonne Westmoreland, Jesse Pruitt, Margaret Lucille Johnson, Mary Ellen Gantt, Helen Jane Gantt, and the honoree.

**SENIORS CELEBRATE
HALLOWEEN WITH PARTY**

Members of the Senior class were guests Monday evening when their sponsors, Mr. and Mrs. E. E. Gilbreath, entertained with a clever Halloween party. Others of the high school faculty were guests also.

The class and other guests met at the school building, where they found directions to 'go three hundred steps west and find further di-

rections.' Needless to say, these and the directions which followed led them to a merry chase, through vacant houses, garages, in a window, down a spooky tunnel where they met a ghost, and finally into the cheery livingroom of the Gilbreath home.

Games and stunts kept the crowd in gales of merriment throughout the evening. Refreshments of pop corn balls and cookies were served.

**NICHOLS FAMILY REUNION
HELD HERE SUNDAY**

(Accidentally omitted last week)

For the first time in eight years, Mr. and Mrs. L. N. Nichols had the pleasure of having all their children and grandchildren at home together when they met here Sunday for an old-fashioned family reunion.

Talking on the part of the grown-ups, games for the children, and a dinner such as only mother could assemble were the main features of the day. A number of friends called in the afternoon to meet the visitors and to congratulate Mr. and Mrs. Nichols on such a fine group of children.

Those present were Mr. and Mrs. C. C. Casey and family of Plainview, Mr. and Mrs. J. B. Walker and family, who have recently come to O'Donnell to make their home, Mr. and Mrs. J. E. Nichols and daughter, also of O'Donnell, Mr. and Mrs. Paul Welsh and daughter of this place, and Miss Clara Ruth Nichols.

**SHOOK HAS PARTY
ON BIRTHDAY**

Celebrating the thirteenth birthday of their daughter and sister, Mrs. W. J. Shook and Miss Mary V. Shook entertained last Tuesday afternoon with a party, naming Miss Hope Shook as honoree.

The affair was a surprise to the recipient, and the guests derived much enjoyment from her amazement when she entered the room where they were waiting for her.

After admiring the many lovely and useful gifts, those present spent a very enjoyable afternoon in games, music, and stunts.

Dainty refreshments of hot chocolate and cookies were served to Misses Beatrice James, Wynell Scott, Zhel Fritz, Jennie V. De Busk, Helen Pruitt, Connie McConal, Frances Foster, Madeline McLaurin, Treva Payne, and Lemeta Robinson.

**TEACHER HONORS CLASS
WITH PARTY FRIDAY**

Mrs. Paul Gooch was the gracious

hostess last Friday evening to members of her Seventh Grade class when she entertained with a Halloween party for them at her home.

The spacious living room was decorated with seasonal symbols, and a bedroom was turned into a veritable witch's den by the use of ornate pumpkins, and autumn leaves.

All the customary Halloween stunts and a few others traceable to the ingenuity of the clever hostess kept the evening's fun at a high pitch.

Refreshments of candy and apples were served to M. G. Barrow, Jr., Glynn Edwards, Cullen Newsome, Darius Sumrow, L. H. Dollof, Joyce Mae Maxwell, Garland Curtis, Dalton Sumrow, Berle Tune, Earl Tune, Allen James, Wynell Scott, Beatrice James Hope Shook, Mabel Houchins, Faye Vaughn, Helen Pruitt, Zhel Fritz, Jennie V. DeBusk, Miriam Chandler and Travis Stokes.

Special guests included Misses A. W. Gibbs and Joe Schooler, Margaret Gibbs, and the class mascot, little Billie Frank Gibbs.

**W. M. U. HOSTESS MONDAY
TO SOCIAL AFFAIR**

The auditorium of the First Baptist church was the scene Monday afternoon of one of the most enjoyable social events of the season when members of the W. M. U. entertained the Fifth Monday Federation with

a Halloween party. The big room was arranged and decorated as a living room and complete with a fireplace, table and flowers, while Halloween bolts and motifs added a touch of color to the gathering.

Mrs. E. L. Sorrels presided at the meeting, in which Mrs. R. H. Mathis, a duet by Lon Hobdy and Miss Onda, and a reading by the ladies, much appreciated. Mrs. A. B. songs rendered by the ladies, and a reading by the ladies, much appreciated. Mrs. A. B. songs rendered by the ladies, and a reading by the ladies, much appreciated.

Concluding the happy refreshments of hot chocolate, pie, and cheese apples, were dressed as witches.

**10c PER POUND
FOR COTTON**

If you want some good life insurance, you can get it for 10c per pound for your cotton on first premium. It's the best.

Vocational Agriculture Notes

by R. H. MATHIS

Every student of vocational agriculture in O'Donnell High School now has at least one livestock project started. With no money and practically no livestock that they might call their own, many of the boys have found it necessary to go out and pull bulls and do other odd jobs during their spare time in order to get money to purchase their livestock projects.

Wilfred Gates, a member of the second year class, is doing some outstanding project work. He has selected forty-five hens for egg production as a major project, one gilt for his production as a first minor project, and one hundred baby chicks as a second minor project. As a financier, Wilfred seems to have the ability of a New York City broker. He talked his mother into giving him forty-five of her best White Leghorns, and one hundred baby chicks as a second minor project. As a financier, Wilfred seems to have the ability of a New York City broker. He talked his mother into giving him forty-five of her best White Leghorns, and one hundred baby chicks as a second minor project.

Each of these seven jobs will be done under the direction of the Vocational Agriculture Teacher and will be graded by him as they are completed.

There are other boys in the vocational agriculture classes that are also doing outstanding project work and from time to time other project stories will appear in this column.

How Modern Women Lose Pounds of Fat Swiftly-Safely

Gain Physical Vigor—YOUTHFULNESS With Clear Skin and Vivacious Eyes That Sparkle with Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts—in a glass of hot water before breakfast—cut down on pastry and fatty meals—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Get a bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If even this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—so gloriously alive—your money gladly returned.

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drugstore in the world.

PERMANENT WAVING: Mrs. Van Burkleo will do permanent waving in O'Donnell all next week. Her old customers especially invited to call. Any style permanent. Fully guaranteed. Prices \$1 up. 4 1/2

Wilfred further demonstrated his ability as a financier when he talked one of his neighbors into loaning him \$10.00 with which to purchase a bred gilt. With this borrowed money, Wilfred bought a pure red Hampshire gilt from Mr. Jos Snellgrove. This gilt is already bred and is expected to farrow a litter of pigs about the first of February. He has about two tons of maize to feed her and will not have to buy any feed at all except a small amount of ground limestone. Mrs. Gates has a surplus of milk and Wilfred is going to give his gilt enough of this milk to supply the protein part of her ration. He is already planning how he will get the money to repay the neighbor who loaned him the \$10.00. He expects to sell the first litter of pigs as soon as they reach weaning size, and will pay for the gilt out of this money.

In addition to carrying on these three agriculture projects, Wilfred has selected seven agriculture jobs to do that are not connected with any

Thousands of unbiased authorities, looking at the problem from the viewpoint of both the farmer and the consuming public, hold that proper cultivation of land. It is proper cultivation of land. It is the farmer's assurance of future prosperity and the public's assurance of a sound agricultural structure, with high standards of living, and producing and distributing quality commodities at a fair price.

Glenn Frank, President of the University of Wisconsin, recently said that unless the farmer follows a new economic he will, so far as being a free man is concerned, become a vanishing type. "In this new economic," he continued, "the principle of cooperative action will play a decisive role."

It is interesting to note that support for the cooperative movement is almost unanimous among progressive observers, on the farm and off. No economic principle has caused as little disagreement.

STAMPS HONORING WEBSTER ISSUED

A three-cent stamp commemorating Daniel Webster has just been issued by the post office department.

Stamp collectors and others wishing to secure the special stamps are urged to do so now as only 30,000 were received here, and local postal officials estimated the the supply will last but three days.

Scripture selections for today's are vital, but in the settings by the lesson committee will be mostly misleading, melted by the grace of peace, and the eschance of His Messianic Kingdom. The Lord, the Ruler of the Nations, present unhappy conditions in the world as a result of the failure of the nations to recognize Jesus as long as the peoples of the world are enslaved by the gods of their creation and lust, there will be and bloodshed.

Her Goddess Is to Come to the (vs. 9:13-17). This is to be realized by the assurance of divine power. When God

The enemies will be scattered (vs. 10:1-2). They shall be put to flight by the Lord God Omnipotent. Two are used: Smoke dispelled by blast, and wind melted by fire. The wicked shall perish before whirlwind and fire of divine

Happiness will prevail among righteous (vs. 3:3). The rule of Lord will bring rejoicing on the of the people of God.

The Character of Christ's (vs. 7:24-30). This Psalm describes the glorious of Christ upon the earth. It is a reign for which we pray when say "Thy kingdom come."

It will be a reign of righteousness (vs. 1:4). Justice and equity will be meted out to all.

It will be an unending reign (vs. 8:11). All kings shall fall down before him, and all nations shall serve

It will be a beneficent reign (vs. 10:4). Christ, the King, will have compassion upon the weak who are unable to help themselves.

It will be a prosperous kingdom (vs. 10:17). Full blessing shall then be to the earth. There will be no oppression at that time.

Israel's Spiritual and National (vs. 2:1-4). This scripture pictures the place of Zion which shall be exercised by God in this time.

When shall it be? (vs. 2). "In the last days." By last days is meant in Scripture, the times of the Messiah, for this is the primary object of all prophecy.

What shall it be? (vs. 2). The restoration of the kingdom of Judah, the place of pre-eminence among the nations of the world. This vision Zion's glory refers to the millennium age, at which time other nations of the world will learn of the truth of God through the chosen nation.

The result (vs. 2-4). The return of God's favor to this chosen people shall be "life from the dead" of the nations of the earth (Rom. 11:15).

Nations shall flow unto it (vs. 2). This pictures the masses of the people streaming toward Jerusalem.

SOME WISE SAYINGS

Occasionally we run across a man who belongs to a D.

A mad race for wealth always brings on spiritual heart failure.

The rolling stone gathers no moss, but it picks up some experience.

The habit of anxiety has for its contrary the habit of prayer.—John A. Hutten.

ANNUAL ROLL CALL FOR RED CROSS

Judge R. P. Maddox, chairman of the Lynn county chapter of the American Red Cross, has within the last few days started active work on the annual roll call. A. L. Lockwood of Tahoka has been named county chairman of this year, and J. L. Shoemaker, Jr. is local chairman.

The drive, which will begin on November 11, is expected to add 400 names to the list of members, this being the quota set for Lynn county. It is hoped and believed that this number will be obtained this year with little trouble. Judge Maddox requests that Mr. Lockwood and his precinct chairmen be given the united support and cooperation of the people of the county.

More than 3,000 chapters will seek members during the two-weeks' drive, and funds derived from dues received will be devoted to support of regular and emergency activities during 1932. The work of the Red Cross during the past years has been outstanding, not only in our own county, where hundreds of people have been fed and clothed through times of depression, but throughout the nation as well.

"To prevent suffering in this time of unemployment and general economic depression," said a high official recently, "the Red Cross has made widespread distribution of wheat, flour, clothing, medicine, and other supplies. More than 2,300 chapters have participated in community unemployment relief problems."

"Approximately 15,000,000 persons, residing in every state in the Union, have received flour through the Red Cross while clothing needs of tens of thousands of distressed families have been supplemented by the organizations present cloth and clothing distribution program. The task of converting government wheat and cotton into flour and garments was assigned to the Red Cross this year by Congress."

Continuing the outline of the inestimable worth of the work done by the Red Cross, this official further stated:

"After fifty-one years as the official national relief agency, the American Red Cross finds its work in 1932 carrying the largest peace time load in its history."

And this statement was made in the face of statistics of performance during past years. Ninety-five disasters, in addition to unemployment, commanded the relief facilities of the organization during the last fiscal year. That disaster played no favorites is revealed in a Red Cross report which shows that 62 disasters visited the continental United States and 28 struck insular possessions during the fiscal year. Five foreign disasters were of sufficient severity to bring help from the American Red Cross.

Altogether, the agency extended assistance to 80,000 victims of disaster during the 1932 12-month period, and that figure does not include the millions reduced to dependency as a result of economic conditions.

In view of the immense relief program being carried out by the Red Cross, and since everyone knows that one-half membership dues remain in our country for relief of home folks, it behooves us all to enroll immediately.

NEW MORE NEWS

Everyone is busy during this fair weather, and crops are being harvested at a fast rate. Mr. and Mrs. J. F. Rogers, Jr. spent Sunday with her sister, Mrs. Jesse Murphy.

Mrs. R. J. Alexander and two children were in Brownfield on Sunday.

Miss Refa Nell Lehman entertained with a birthday party at her home Saturday evening. It being her fifteenth birthday. She received many pretty and useful gifts. Birthday cakes were cut and served to all those present. Everyone reported a lovely time and wish the hostess many more happy birthdays.

Mr. and Mrs. W. A. Rogers of T. visited her parents, Mr. and Mrs. J. F. Rogers, Sunday. A stringing was enjoyed by a large crowd Sunday evening at the home of Mr. and Mrs. J. W. Nelson.

Mrs. R. J. Alexander has been sick for several days with the flu. Everyone wishes her a quick recovery.

Mr. and Mrs. Jack Rogers entertained with a Halloween party Monday night. The house was

decorated with black cats and witches. Games of all kinds were played, and a witch told fortunes for the guests. Popcorn balls were served as refreshments.

Mr. and Mrs. Gerald Cox spent Sunday with her aunt, Mrs. Ted Rogers.

A large number of New Moore people attended the singing convention at O'Donnell Sunday.

Mrs. J. W. Nelson is on the sick list this week.

Mrs. Walter Nelson, her mother, and two daughters were in Lamesa Saturday.

Mr. and Mrs. Schultz, who had rooms with Mrs. J. F. Rogers, have moved to Meadow.

BAPTIST CHURCH ANNOUNCEMENTS

L. S. Jenkins, Minister
On behalf of my family and myself, I wish to express our sincere appreciation of the lavish pounding which we have been receiving for the past two weeks. These expressions of regard from our people mean a great deal to us, and we are grateful for them from the depth of our hearts.

Sunday school will meet Sunday morning at ten o'clock. The work is progressing wonderfully under the direction of Mr. Hobdy and with the cooperation of our people. There is a place for everyone in one or another of our classes.

The young people from Hale Center will have charge of the eleven o'clock services Sunday, and will also be here for a short while in the afternoon. We are very anxious that all our people and the people of the town unite in welcoming them.

Rev. Braswell preached for us last Sunday evening, delivering a fine sermon to a large crowd. We appreciate his help and the pastor's subject for the evening message will be "How We May Know Jesus Better." We are going to try to have a helpful and inspiring service at that time, and we ask that everyone come and take a part with us.

**METHODIST CHURCH NEWS
W. R. BURNETT, MINISTER**

The Methodist people of O'Donnell and surrounding territory are making great preparation for the Victory Day services to be held in the Methodist Church next Sunday. Sunday will mark the end of the present conflict year. On the following Wednesday, Rev. W. R. Burnett, pastor of the local Methodist Church, will leave to attend the Annual Conference at Amarillo. The church's planning this service Sunday as a grand climax to the year's work. The year has been one of harmony and progress in the local church, and the congregation feels that they have a just right to celebrate. It is expected that the largest crowd that has ever attended debut services of the local Methodist church will be present next Sunday.

The all-day meeting will begin with Sunday School at 10 A. M. The morning worship service will follow at 11 O'clock, and at noon lunch will be served at the church. Every one is invited to come and bring their lunches if possible. Those who do not find it convenient to bring lunches are cordially invited to be present for the all-day meeting.

At 2 P. M. the high mark of the day will be reached when Rev. W. H. (Bill) Wallace, of Lamesa, will deliver an address. As the other churches of the town will not be having services at this hour, the members of these churches are cordially invited to be present and hear Rev. Wallace.

At 3 P. M. the Epworth League Union, with representatives from several nearby towns and communities, will meet in the local church. The usual service will be held Sunday evening. The Methodist people extend a cordial invitation to all the people in and around O'Donnell to be present for their Victory Day Services next Sunday.

Presenting Attorney (to opponent): You're the biggest boob in the city.

THREE LAKES

Our school started Monday morning but there are few pupils as most everyone is busy picking cotton.

There was a party at the home of Miss Bernice Jeffreys last Saturday evening. Everyone had a nice time.

Mr. and Mrs. Ed Goddard and family and Mr. and Mrs. J. A. Ed wards and family of O'Donnell spent Sunday evening with Mr. and Mrs. Carroll Edwards.

Lloyd Jeffreys was home for the week-end.

W. H. Smith of Dixie visited in our community Sunday.

Robert Carroll Edwards was unable to walk several days last week because of an injured ankle received when he stepped on a pithefork.

Our teacher, Miss Ogal Lawrence, and Mrs. Ed Lawrence arrived Sunday at the home of Mr. and Mrs. T. M. Ellis. Sr. Mrs. Lawrence will remain for a few days.

C. J. Edwards of O'Donnell spent Sunday night with Carol Edwards J. N. Jeffreys and Bud Ellis made a business trip to Lubbock Sunday.

THE TAX—PRODUCED DEPRESSION

Said Colonel Robert R. McCormick recently: "The depression here and throughout the world has been caused by excessive taxes, which have made industry and commerce unprofitable, have prevented them from saving any surplus or raising new capital, and have thrown millions of men out of work."

Mr. Average Business Man will say "amen" to that. The hand of the tax collector reaches as insistently into the small concern as the large one. It touches, relatively speaking, the millionaire and the clerk alike, though in the latter's case the taxes are paid indirectly. It falls on the small farm and the great industry with disastrous consequences for each.

Taxes—Industrial retrenchment, unemployment—depression. One follows the other with taxes leading the way.

Mr. and Mrs. J. C. Christopher and Elmer Daniels have recently purchased a tourist camp and grocery at Lubbock the place being known as Camp Joy.

J. P. Crossley of Lorenzo was the guest of W. L. Palmer a short time Wednesday. Mr. Crossley was formerly connected with International Harvester Company.

FOR SALE: 340 acre farm 1 1/2 mile south of O'Donnell \$35 per acre; would take small farm as part payment. J. J. Hodnett, Box 58, Rt. 4, Austin, Texas.

Why buy any second-choice tire when a GOODYEAR—the first choice—costs no more?

Highway Garage

JOHN EARLES, Prop.

W. T. Montgomery of Wilson was in O'Donnell Wednesday, prospecting this territory with a view toward moving his home to this section.

Miss Roxie Hancock will return to Hale Center Sunday, and will resume her duties as teacher there Monday morning.

Born to Mr. and Mrs. Richard Franklin on Sunday, October 30, a seven-pound daughter. Mother and baby are doing well.

Misses Christine Millwee and Minnie Hood, accompanied by the Woods, spent the week end with friends at Amarillo.

Mr. and Mrs. W. T. Huff and daughter, Miss Moreno, made a business trip to Comanche over the week-end.

Miss Wynona Huff came down from Tech Sunday for a short visit with her parents, Mr. and Mrs. W. T. Huff.

Mr. and Mrs. W. E. Guye were in Lubbock Sunday.

Mr. and Mrs. C. R. Pearce and family of San Antonio are visiting relatives and friends here.

Mrs. W. H. Thornhill was down from Tahoka Wednesday, involving new stock purchased recently in Dallas and Ft. Worth.

CARD OF THANKS

We take this method of expressing our appreciation of the kindness of our many friends during the illness and death of our beloved father and brother, J. L. Schooler, and especially for the lovely floral offerings.

The kindness of those who assisted in the song service and the words of comfort spoken by Rev. Burnett lightened the burden of our grief, and we are grateful for both. May God bless each one who was so kind to us.
