CLAUDE C. RITCHIE

Claude C. Ritchie Announces Candidacy For Assessor-Collector

Claude C. Ritchie issued his formal announcement Saturday of his candidacy for Wichita county tax assessor and collector subject to the first Democratic primary election July 24.

The statement follows:
"I was born in Wise county in 1899, but have been a Wichitan for 35 years. This year Mrs. Ritchie and I celebrated our 34th wedding anniversary at 1612 Lucile, together with our two children, Mrs. Robert Frazee and Wayburn Ritchie, who also reside in Wichita Falls.

"I am a member of the Wichita Falls First Methodist Church. "Building and construction has been my vocation, and I have been employed as carpenter superintendent on various construction projects. In 1948 the Carpenters Union 977, AF of L elected me as business representative. I resigned this position in March, 1954. During this period I was elected president of the Texas State Council of Carpenters for the term 1952-53 and also served on the executive board for three years.

"It has been my privilege to serve on Red Cross campaigns; as a member on the board of directors of the tuberculosis association; on the Boys Club swimming pool project; two years on the board of directors and two years on the budget committee of the Community Chest; three years on the board of directors of the Wichita Falls Industrial Foundation Association; as vice-chairman of the executive committee of the Citizens Committee; on the board of directors of the Wichita Falls Chamber of Commerce.

"In 1951 I was a member of the Wichita Falls Tax Equalization Board and I recently was re-elected on the board of directors of the Insurance Company of Texas.

"This active participation in civic affairs, and practical understanding of building, I believe, make me well qualified to represent you as your tax assessor-collector. I am a life-long Democrat and have always taken an interest in politics. This is, however, the first time I have been a candidate for public office. I deem this a privilege and one I do not take lightly.

"It is my intention to campaign in an honorable manner, to uphold the ideology of our rights in democratic practices. Your vote is confidence in condensed form. If you, in faith, so honor me, I shall endeavor to be worthy of that confidence by working diligently in the service of my office by being concerned at all times with the individual taxpayer's problems, and in an impartial manner abide by all of the rules regulating taxation.

"And for the record — I am not in favor of raising taxes!"

State of Texas, County of Wichita, ss:
Sworn to and subscribed before me this 8th day of July, 1954, and I hereby certify that I am not an officer or director of this bank.
(SEAL) Ruth Hill Yeargan, Notary Public
Wichita County, Texas
My commission expires June 1, 1955.

Cemetery Association To Meet Sunday for Important Business

Highland Cemetery association will hold its regular meeting in the Christian church at 3:00 p.m. next Sunday, according to Rollins Woodall, president.

At this meeting plans will be discussed for financing equipment and care of the cemetery. A committee will report on new by-laws, which are to be adopted at this meeting.

"If you care about the appearance of the cemetery," said Woodall, "and want to have a part in planning its upkeep, please be present and help with the planning."

A musical program will be given as part of the meeting.

Mr. and Mrs. John Russell and daughter Ann of Houston were guests of Mrs. Allie Girard last weekend.

Gas Company Treats Guests to Cold Drinks

Lone Star Gas company played host to the people of Iowa Park this Thursday. Mrs. Helen Banks, home economist for the company, served ice cold punch and cookies to all who visited the company's office. The punch was iced with frozen circles from the Servel automatic ice-maker.

Mrs. Banks was demonstrating the new miraculous automatic ice-maker which works without trays and keeps a full supply of ice without attention from the housewife.

Mr. and Mrs. Carl Walsh, both employees of the gas company in Iowa Park, invite their friends and customers to come in and see the Servel in operation.

LOOK!
1934 Ford cheap. Phone 5731 after 6:00 p.m.

Gleason to Preach At Union Service Sunday Evening

The union church service held every Sunday on the Methodist church lawn during the summer months, was well attended last Sunday.

Rev. Maurice C. Yeargan of the Presbyterian church spoke on the "Foundation of Freedom." Mrs. Chester Gleason was presented in a special vocal number.

Next Sunday evening Rev. Chester E. Gleason of the Christian church is to be the speaker. Everyone is invited and welcome.

Parkan Rides Herd On Runaway Car, Ends Up in Garage!

A difficult piece of car handling was performed by Mrs. F. E. Mosley here Thursday about 1:00 p.m. Her Ford was involved in a collision with another Ford driven by Oland Roberts at the corner of Washington and Victoria streets.

The Mosley car's brakes were thrown out of commission and she could not stop the machine. She guided the car across the front lawn for a half block north, turned in back of Uriah Blum's house, crashed through a fence, passed within a hair's breadth of two large steel posts sunk in H. P. Boyd's back yard, and made a south entrance in the Boyd garage where the wall used to be.

If Mr. Boyd's trailer had not already occupied the garage, Mrs. Mosley would be going yet, those who visited the scene concluded.

Mrs. Mosley is a newcomer to Iowa Park, having recently bought the J. R. Street home on East Washington.

Tanner ambulance was called and one person taken to the hospital from the Roberts car. We understand a girl was hurt but it was not possible to find out who it was or how badly injured she was.

ORAL WILLIAMS INFANT BURIED HERE TUESDAY

Graveside services were conducted Tuesday afternoon for the infant son of Mr. and Mrs. Oral Williams, with Rev. H. M. Riek officiating. Burial was in the Highland cemetery under direction of Tanner Funeral Home.

HAROLD EATON RETURNS FROM EUROPEAN DUTY

Mr. and Mrs. T. D. Eaton received a phone call this week from their son Harold in New York. He has been serving in the armed forces in Germany and France the past six years.

Harold is to report to Camp Chaffee, Ark., where he expects to receive his discharge August 1.

Hence Harding, 91, of Byers, and uncle of Mrs. Bill Harris of Iowa Park, was one of the honored pioneers of the Byers 50th anniversary celebration held last Saturday. He is a former foreman of the famous Byers Brothers ranch and brother of the late Charlie Harding of Iowa Park. Mr. Harding has been a visitor in Iowa Park many times.

Local Sorority Wins National, State Honors

Mrs. Malcolm Mills received notice recently from international headquarters in Loveland, Colo., that Epsilon Eta chapter of Epsilon Sigma Alpha had won first place in international competition for posters depicting Rush Week activities.

The Iowa Park unit is the only chapter in the state of Texas receiving an international award of any kind for 1953-54. This honor, added to the two state awards won in Galveston, classes Epsilon Eta as an outstanding chapter.

Mrs. Mills also reports that the signs advertising the City Park facilities have been erected east and west of town on Highway 287.

Mr. and Mrs. Ray Rutherford, Burk Scott and Bud Mitchell were hosts for an afternoon of fishing, swimming and boating when members of the sorority gathered at their cabins near Lake Diversion on July 4. A picnic supper and fireworks display climaxed the evening for the families of Malcolm Mills, Glenn Scott, Bryan Farris, John Clapp Jr., Jimmy Medinger, W. A. George, I. W. Corder, Orville Bell, Noah Guthrie Jr., and Mmes. Alan Berry and Joe Chandler.

Death of Petty Causes Search for Sister to Be Extended by Sheriff

Sheriff officials this week intensified a search for Mrs. Rosie Mae Denney, about 40, wife of Newton Milton Denney, 49, who is facing a charge of murder with malice in Wichita county.

Mrs. Denney is a sister of Wilmer J. Petty, 30, whose decomposed body was found in Beaver creek near Kadane Corner. She has been reported missing since last August.

Mr. and Mrs. Denney have six children.

Newton Milton Denney, 49, of Kamay, was released on bond Tuesday after being charged with murder with malice in the death of Wilmer J. Petty, 30.

Petty's body, badly decomposed, was found Monday in Beaver creek three miles north of Kadane Corner near Highway 25 and about 150 feet from a 3-room cabin he shared with Denney and another oilfield worker, Ivan Case, 47.

Joe Lakey Heads National Association

Another former Iowa Park High School boy has brought honor to his school, town and family. Joe F. Lakey, son of Mrs. Mary Lakey, who now resides in Austin, has been elected president of the United States Food and Drugs Officials association.

Joe assumed the presidency of the association recently at a meeting in Des Moines, Iowa. He is director of the Texas bureau of foods and drugs, and has been with the state health department 15 years.

Besides holding the new post, Joe is the only Texas member of the U. S. Food Standards committee, an adjunct of the Food and Drug administration.

While attending high school here he was employed by the Rexall Drug Store. He received two pharmacy degrees at the University of Texas and another from the University of Michigan.

Joe recently visited his mother and other relatives in Iowa Park and was guest speaker at the Lions club luncheon.

Besides his mother he has a sister and brother who live here: Miss Mary Lakey and Roy Lakey of Valley View.

PAGE MORGAN ATTENDING ROTC CAMP IN VIRGINIA

Page W. Morgan, son of Mr. and Mrs. Guy P. Morgan of Route two, a senior at Texas A & M, is attending a six-week ROTC summer camp at Fort Eustis, Va. Page is participating in field exercises to develop leadership ability and increase his knowledge of the transportation corps.

Activities such as convoy operations, stavedoring, amphibious and rail operations are being stressed. Page will also participate in air and helicopter operations, mine warfare, weapon familiarization and individual marksmanship.

Mr. and Mrs. Cecil Marquart visited in Wellington, Kans., over the weekend. They were accompanied by Mr. and Mrs. C. N. Marquart of Jublin and visited also in Enid, Okla., with relatives.

Your C. of C.

Ruth Hill Yeargan

DIRECTORS MEET

At the board meeting this week Morris V. Jacks, manager of the Carroll Duke Insurance agency, was unanimously elected to succeed Donald Hill who has moved to Colorado.

Pres. Fred Hays appointed Ted St. Clair as chairman of the contact committee to welcome new business and invite their membership.

Directors approved working in close harmony with the Wichita Falls chamber of commerce for countywide highway improvement. F. E. Hill, chairman of the highway committee for Iowa Park's C. of C., was appointed to work with Henry S. Grace and his committee.

Announcement was made of the re-erection of the Iowa Park sign on West Highway and the repair and replacing of the office door canopy.

Membership committee chairman Peanuts Wilson gave the following report:

New members: 13.
Members lost by death: 3.
Members lost by resignation: 3.
Business change-overs: 3.
Present membership: 129.

The outdoor breakfast was served at 6:30 with John B. Barbour as host and F. E. Hill as breakfast chairman. Assisting were Mmes. Barbour, C. H. Bowman, Lloyd Lowe and Leroy Garrison.

The August meeting will be postponed one week to Aug. 10.

INDUSTRIAL REQUIREMENTS

We are keenly interested in the study of requirements for industrial sites with the complex problems that face both the town that is trying to get an industry and the industry seeking a new location.

The site must be able to offer proximity to raw materials, transportation, industrial fuel, market, distribution facilities, power, water, living conditions, laws and regulations, tax structure and labor.

Put the industry seeking a new location or location for expansion is faced with social and economic factors that require clear thinking also.

The Manufacturers Record for June sums up six errors in plant site selection and emphasizes the importance of these most common errors.

1. Lack of thorough investigation and consideration of factors involved.

2. Personal likes and prejudices of key executives or owners overriding impartially established facts.

3. Inertia of key executives to move from traditional, established home grounds to new and better location.

4. Moving to areas already or about to be over-industrialized.

5. Preference to acquire an existing structure (usually at an imagined bargain) which is improperly located or not designed for the most efficient production.

6. Choice of a community with cultural an educational standards so low that key administrative and technical personnel eventually accept employment elsewhere.

IOWA PARK

Has room for industry and residential growth. We wish for a steady substantial growth, well planned for and well carried out.

AREA FARMER DIES
Chain M. Moore, 72, a farmer near Burk Burnett, died at his home Thursday following a heart attack. Born Feb. 9, 1882, Mr. Moore had lived in Wichita county since 1907. He is survived by his widow Mrs. Lula Mae Moore, one son Vernon C. Moore, ten grandchildren, six great-grandchildren and two brothers.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness and sympathy during the death of our beloved father, E. E. Barba.

Mrs. E. E. Barba and the Spradlin family

Published Thursday of each week at Iowa Park, Tex. Entered at the Post Office at Iowa Park, Texas, as second class matter under Act of Congress of March 3, 1879. Subscription in Wichita county, \$2, elsewhere \$2.50 a year in advance. George R. Huckaby, Publisher

(Published in the Iowa Park Herald, June 24, July 1, 8, 15, 1954)

THE STATE OF TEXAS

To: F. G. Trask, State Mortgage Corporation, Midwest Mortgage Corporation, C. W. Baxter, Grace Barwise, J. T. Burnett, H. Esserman and B. Teatch, and their unknown heirs, devisees, legatees, successors and/or assigns, Defendants. Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House thereof, in Wichita Falls, Texas at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 2 day of August A.D. 1954, then and there to answer Plaintiff's Petition filed in said Court, on the 16 day of June A.D. 1954, in this cause numbered 54000-B on the docket of said court and styled D. O. Smith, Plaintiff, vs. F. G. Trask, et al. Defendants. A brief statement of the nature of this suit is as follows, to-wit:

This suit is in Trespass to Try Title covering Lots 1, 2, 3, 4, 5, 6, 7, 8, 11, 12, 13, 14, 15, 16 in Block 21, Original Townsite of Iowa Park, Wichita County, Texas, and for damages. Plaintiff claims said property under both five and ten year statutes of limitation and asks for judgment for title and possession of the premises, for damages and costs of suit.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas this 16 day of June, A.D. 1954.

Attest: (SEAL) FLORA COBB, Clerk, 78th District Court, Wichita County, Texas. By Flora Cobb.

(Published in the Iowa Park Herald, June 24, July 1, 8, 15, 1954)

THE STATE OF TEXAS

To: C. H. Silliman, E. Short, D. C. Kolp and Jennie E. Kolp, and their unknown heirs, devisees and legatees, Defendants. Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House hereof, in Wichita Falls, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of his citation, same being the 2 day of August, A.D. 1954, then and there to answer Plaintiff's Petition filed in said Court, on the 16 day of June, A.D. 1954, in this cause, numbered 53999-B on the docket of said court and styled Gordon G. Clark, Plaintiff, vs. C. H. Silliman, et al. Defendants. A brief statement of the nature of this suit is as follows, to-wit:

This suit is in Trespass to Try Title covering Lots 8 and 9 in Block 12 of the original townsite of Iowa Park, Wichita County, Texas, and for damages. Plaintiff claims said property under both five and ten year statutes of limitation and asks for judgment for title and possession of the premises, for damages and costs of suit.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 16 day of June, A.D. 1954.

Attest: (SEAL) FLORA COBB, Clerk, 78th District Court, Wichita County, Texas. By Flora Cobb.

Band Practice to Start August 2

C. L. Vaughn, director, announced this week that summer band practice will start August 2. "All students of the bands," he said, "are requested to have their instruments checked now for possible adjustments or repairs. Please don't wait until August 2 to dig the old horn out of the closet to see if anything is wrong with it."

"We will need every bit of playing and marching time we can get, so be ready to do your part."

The band director listed the following schedule of practice sessions:

Beginners from 8:00 to 10:00 a.m. on Monday, Tuesday, Wednesday, Thursday and Friday.

Grade school from 1:00 to 3:00 p.m. the same days.

High school band: concert 5:30 to 7:30 p.m. and marching 8:00 to 9:30 p.m. on Monday, Tuesday, Thursday and Friday.

He also listed the following classifications: Beginners band (last year's tonette band); grade school band (last year's 5th and 6th graders); high school band (last year's 6th and 8th period bands).

Park Family Enjoys Vacation Trip in East

Mr. and Mrs. J. N. Ozee of Valley Farms returned last week from a two weeks vacation trip in the East. Accompanied by their daughter Mrs. Frank Fuell and Mr. Fuell they went first to Tennessee for a visit with his relatives.

At Washington, D.C., they took in the sights and visited Washington's Monument. In New York City they made a thorough job of seeing all the interesting places: Ate in an automat, rode in a ferryboat, rode in surreys with fringe on top at Central Park, visited the beach at Asbury Park, Coney Island, the Bowery and China Town.

According to Mrs. Ozee the Skyline Drive in Virginia was a most inspiring view. In all they visited in 17 states and visited the capital of most every state.

Mr. Fuell is in the air force and sailed on June 14 for French Morocco. When clearance is given, Mrs. Fuell plans to join her husband in Africa.

Peggy and Jimmy Easterwood of Anson visited friends in Iowa Park last week. Their parents Rev. and Mrs. James N. Easterwood came for them Monday, accompanied by Mrs. Nannie Easterwood and Gary, who remained to visit this week.

Mr. and Mrs. Gilbert Steele and son David accompanied the Sgt. George McMullin family to Quannah Lake, Okla., for a fishing trip during the 3-day holidays.

Mr. and Mrs. T. M. Black have closed their business while they are gone to California for a two weeks vacation.

Soil Conservation

Stubble mulching continues to interest district co-operators, according to technicians of the Soil Conservation Service.

Herbert Detmer, farming 3 miles north of Punkin Center, did a good job of mulching his stubble by using a field cultivator.

D. H. Ford of Valley View had a stubble mulching plow with 30 inch sweeps tried on his farm. The plow was used on land that had been plowed and on which annual grasses and Johnson grass had grown up, on tight red lad with large amounts of oat stubble and straw, and wheat stubble that had average vegetation for the year.

Terrace lines were 2 staked for Henry Wolf farming 2 miles north of Iowa Park, and Lee Lovell farming 6 miles northeast of Iowa Park has had terrace lines staked for 135 acres of cropland. Buck Voyles will do the constructing.

Charlie E. Van Loh of Clara had technicians of the SCS stake terrace lines for about 90 acres of cropland.

Bob Miller 7 miles west of Wichita Falls completed leveling 20 acres of land and is sodding it to coastal bermuda.

C. H. Bingham of Iowa Park reports his alfalfa and fescue pasture was a lifesaver. Bingham is fertilizing his pasture and will rest from grazing during the summer to enable the plants to grow more in winter and spring. Jack Martin and Joe Price are managing their fescue pasture similarly.

Wiley Bishop of Valley View is having a drainage ditch cut to protect his field from water that has been coming through the subsoil.

Bishop is also constructing an irrigation ditch to supply water.

NEWS FROM CONGRESS

By Frank Ikard
This week saw action in the House on two important pieces of legislation. First was the Mutual Security Act which was considered on Monday and Tuesday. As it finally passed, this Act authorized approximately \$110,000,000 less than was asked for by the Administration and contained a provision to bar participation under the program set up by the Act for any nation in the Western Pacific or Southeastern Asia that joins in a non-aggression pact with Communist countries. I am sure you know that the British had proposed such a non-aggression pact for the countries in those areas of the world.

The House also adopted this week legislation setting out the farm program for next year. The year, the House defeated a proposal to adopt the flexible support system proposed by Mr. Benson, the Secretary of Agriculture, on basic crops which would have provided for flexible parity between 75 per cent and 90 per cent. It also rejected the recommendations of the Agriculture Committee which were that 90 per cent of parity be retained for one more year. The plan finally adopted by the House was a compromise version of the flexible farm price support plan by putting flexible supports between 82 1-2 per cent and 90 per cent of parity on the basic crops for next year. The Agriculture Bill now has to go to the Senate for approval, and I am sure that it will not pass that body in the same form that it passed the House, therefore, it then will have to go to Conference Committee, and the report of the Conference Committee will have to be approved by both Houses.

Therefore, it is impossible at this time to say just what the final price support structure will be. However, it is almost a certainty that it will be some kind of flexible support program that will attempt to reach a compromise between the plan presented by the Secretary of Agriculture and that presented by the Committee on Agriculture in the House.

Quite understandably, there has been a great deal of concern here recently about the infiltration of Communists into Guatemala.

There is no question but what the Communists are making a very concerted drive to establish a beachhead somewhere in Central or South America, for almost daily the newspapers contain accounts of demonstrations against the United States in some country in that portion of the world. It would really be a disastrous thing if the Communists should become strong enough to control the government of one of our near neighbors.

Senator Lyndon Johnson introduced a resolution which would get at the heart of this problem which was quickly passed by both Houses of Congress. This resolution directs our attention to the fact that recently there has been strong evidence of intervention by the Communist Movement in the State of Guatemala, in that government institutions there have been infiltrated with Communist agents and that guns and weapons have been secretly shipped into the country and the usual pattern of Communist infiltration and conquest has become apparent. It further points out that on June 20th Russia vetoed in the United Nations Security Council a resolution to refer the matter of the recent outbreak of hostilities in Guatemala to the Organization of American States. The resolution further provides that it is the sense of the Congress that this country should take all necessary and proper steps to support the Organization of American States in taking appropriate action to prevent any interference by the Communist Movement in affairs of the countries of the Western Hemisphere. This resolution passed the House and the Senate with only one dissenting vote, and should make it clear that this country is determined to do everything within its power to keep Communists from invading the Western World.

Seems as if our knack for square dancing was lost somewhere during the year, and it ended up with Jean Sargent calling the square instead of the faithful "San Antonio Rose."

One thing which wasn't lost during the year was Bill Brubaker's pole climbing talent. A proved fact! Surely was strange, but nice, to see all the married couples. Hard to realize and believe that only this time last year we were recuperating from 12 years' hard labor!

Jackie Sampson and Jerry McLemore were home on leave and attended in full navy dress. Something else hard to believe. It was grand of the Mamas to give us the party, and we all appreciated it. Heard that more turned up at this party than any given during the school years.

Mrs. Weller, one of our class sponsors, was there; but Mrs. Owens, who is in Florida, was not. Sorry she missed it.

Those present were: Jean Sargent, David Padgett, Jim Fox, Jack Sampson, Anne Lowe, Howard Klinkerman, Barbara Butts, Loveta Green, Jewel Thorton, Estelline Maynard, Bill Brubaker, Benny Wester, Jeanetta Croft, Ruth Mary Dale, Mary Gayle Park, Lee Roy Weiss, Charles Knight, Jerry McLemore, Mary Ellen Roberts, Naomi Baxter Runco. And Messrs. and Mrs. Donnie Beck, Ray Mundt, David Mundt, Dennis Goff, W. R. Bradford, J. D. Padgett, O. S. McLemore, Butch Klinkerman; and Mrs. A. R. Mundt. And Lloyd, Harvey, Ralph, Clifford and Don Klinkerman.

Pvt. Travis Hill of the army flew to Dallas, Friday night of last week where his wife and children and his parents Mr. and Mrs. F. E. Hill met him. He left in his car Saturday for Baltimore, Md., where he is stationed. Edwanna and the children left by plane Wednesday for Baltimore, where they will visit with Travis for a while.

Stockton to Israel
Hugh Stockton has accepted an 18-month contract with Pontiac Drilling company to work in Tel Aviv, Israel. He plans to take a boat from Houston this week and go to Palestine.

Betrothed Couple Honored with Two Shower Parties

Miss Patsy Jean Ancell and her fiancé Marvin Dale Childers were honored last Friday evening during a prenuptial party and miscellaneous shower.

Setting for the informal event was the home of Mr. and Mrs. Joel Spruiell in Wichita Falls. Assisting were Messrs. and Mmes. A. L. Shelton, W. G. Shipman and Mrs. C. F. Kollman.

The bride-elect is daughter of Mr. and Mrs. R. W. Ancell of Wichita Falls. The groom-elect is son of Mr. and Mrs. O. D. Childers of Valley View.

The young couple will exchange vows of marriage Friday, July 9, in the First Methodist church of Electra. Officiant will be Rev. Finis Crutchfield, pastor at Ranger and formerly pastor of Iowa Park Methodist church.

Another courtesy was extended the betrothed pair Wednesday evening of this week in Valley View Methodist church. Approximately 100 guests called. Hostesses were Mmes. G. C. House, Belva Jones, Doss Miller, Roy Lakey, H. L. Culpepper, W. W. Bishop, Buck Gulley, John Gulley, C. C. Burnett, Kenneth Gulley, Louis Bonial, Hut Buzbee, Woody Breazeale, Clark Harrell, Swan Reaves and Miss Maud Kirschner.

Jackie Sampson, son of Mrs. L. Jackie Sampson, has been visiting here on 14-day leave from the Great Lakes Naval Training command. He will leave Friday for Illinois and then go to San Diego, Calif., where he is to enter electrical school.

Mrs. Hughes Teaching Polio Victims to Swim

Mrs. Grace Hughes of Iowa Park is one of the Red Cross swimming instructors who have helped with swimming lessons for polio victims. The pool at the Wichita Falls Boys club is used for this project.

Youngsters come from Wichita Falls, Electra and Randlett, Okla., to take these lessons. The water is heated to approximately 92 degrees for this special class.

The instructors say they think there are still other victims of polio who should be taking advantage of this opportunity.

It's The Law in Texas!

Can a homeowner be held responsible for accidents that happen to other people while they are on his property? Lawyers say it is difficult to state a hard and fast rule about liability for such accidents because the facts differ so much from case to case. However, some conclusions can be drawn by noting how the courts have decided in specific cases which have been brought before them.

A postman delivering mail slipped on a child's roller skate one morning. He sued the homeowner for damages. The court held that the delivery of mail is for the benefit of the homeowner and that he must take care to remove any conditions on his property which would make delivery of the mail dangerous.

Then there was the case of the meter-reader who slipped and fell when she stepped on some beans strewn about the owner's living room. The host's children had been playing with bean-shooters on the day she chose to visit. The court held in similar cases where social calls resulted in disaster involved a guest slipping on a small scatter rug, and another overnight guest who slipped and fell in a shower. Both cases were decided in favor of the homeowners, not the visitors.

From these cases it may be seen that the law is usually more strict about accidents befalling tradesmen and others who enter your premises in the line of duty so to speak, postmen, laundrymen, meter-readers, delivery boys and the like than it is in the cases of those who enter your home for purely social reasons.

This does not mean that a homeowner is absolved of all responsibility for injury to his guests. If he knows a dangerous condition exists, he has a duty to correct it and can be held liable for accidents which might happen if he doesn't. For example, a rotted tree branch fell to the sidewalk, injuring a passerby. The general rule here is that the owner was responsible because he knew of the defective condition and should have remedied it.

Fortunately, not everyone who falls down the front steps gets up and rushes off to sue his host. However, a substantial body of law has grown out of this type of negligence case. This is not surprising when you realize that more fatal accidents occur in and around the house each year than from traffic accidents on the highways.

(This column, based on state and federal law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

UNCLE OF PARKANS DIES OF STROKE AT DUBLIN

Funeral services for Ben Hughes, 49, of Dublin, were held Sunday afternoon at Dublin. Mr. Hughes was an uncle of Mr. Jack Skinner, Mrs. Walter Chumley, and Bob Miller, all of Iowa Park.

Mr. Hughes suffered a stroke last Friday and died Saturday. Burial was in the Dublin cemetery. The nieces and nephew and their families attended the services.

Visitors in the home of Mr. and Mrs. Swan Reaves at Valley View over the holidays were Mr. and Mrs. J. C. Farris and son James Reaves of Longview; Mr. and Mrs. Bud Reid and daughter Connie and Miss Mary Farris of Wichita Falls; Mr. and Mrs. E. A. Farris of Addington, Okla.; Champ Farris and son David of Fort Worth; Mrs. Bratton Reaves of Iowa Park; Mr. and Mrs. Edwin Davis, Janice Maxey and daughter Shawn of Electra.

POST OFFICE FLOOR TO GET REPAIRS

The post office lobby will be locked at noon next Sunday and will not be opened until Monday morning, according to Postmaster Pete May. The floor will be undergoing some repairs at that time.

Mrs. Pete Runco, the former Miss Naomi Baxter, received word her husband, Pvt. Pete Runco, now stationed in Japan with the air force, was injured when a plane he was repairing exploded. He received a broken arm and burns on his left side, and now is in an army hospital in Japan.

Emergency Operation Puts Leoti Deaton On Shelf, Temporarily

Mrs. Cliff Deaton, Red Cross manager for Wichita county, is a patient in a Fort Worth hospital where she recently underwent surgery. She was returning home from a National Red Cross convention held in Los Angeles when she became ill on the plane.

Mrs. Deaton had submitted her resignation several months before because of health reasons but kept working until the directors could secure a new chapter manager.

Mrs. Q. B. Lee, an active volunteer worker, has accepted the job temporarily, it was announced this week. Mrs. Lee is director of the blood bank, which she was instrumental in organizing in Wichita Falls in 1947. She has worked closely with Mrs. Deaton and is familiar with Red Cross problems in the area.

Mrs. Deaton is expected to be absent from her work several weeks. She has many friends in Iowa Park and has always responded in cases of disaster and emergency.

Two Day Reunion Attracts Many M'Kinney Descendants

McKinney descendants had a big family reunion at the Valley Farms Community House last Saturday afternoon, night and Sunday.

Other than visiting, there was some real rivalry in playing checkers, dominoes and 42, and lots of singing around the piano.

Present for the reunion were: Mr. and Mrs. Elmer McKinney of El Campo.

Mr. and Mrs. N. E. McKinney, Mr. and Mrs. Sidney McKinney and sons Mac and Don, Mr. and Mrs. Paul Frost and daughters Debbie and Sandy of Abilene.

Mrs. Charlie McKinney and son Milton of Pampa.

Mrs. Helen Vick and daughter Sandra of Houston.

Mr. and Mrs. Herman McKinney and daughter Dawn of Austin.

Mrs. Roy L. Kennedy of Perico.

Mrs. Goldie Carlton of Lovington, New Mexico.

Joe McKinney and sons Ronnie and Joe of Dallas.

Norris McKinney, Mr. and Mrs. W. O. Simpson and sons Charles, Jimmy, Sammy; Mr. and Mrs. Wallace Jefferies and daughters Kathy and Carolyn; Mr. and Mrs. Arthur Estes and daughter Barbara; Mr. and Mrs. Norman Williams and daughter Ronda Gayle; all of Wichita Falls.

Mr. and Mrs. W. E. McKinney, Mr. and Mrs. Raymond Williams, Mr. and Mrs. Walter Scott, Mr. and Mrs. Truman Manes and children Gary and Karen Sue, Mr. and Mrs. Glenn Scott and son Stevie, Mr. and Mrs. George Lewis and son Loyd, Mr. and Mrs. Oral Williams and children Oleta, Darlene, Glen and Dianna; all of Iowa Park.

CARD OF THANKS
We wish to express our thanks to all who were so kind to us during the illness and death of our loved one. For the beautiful floral offerings, cards of sympathy and love, and prayers. For the many other deeds of kindness shown us by friends and neighbors. May God richly bless each of you.
Mrs. Sadie Birdwell and family.

Holiday weekend guests of Mr. and Mrs. N. J. Stephenson included Mrs. Ernest Cowden of Graham, and Mr. and Mrs. Tom Preston of Loving.

Mr. and Mrs. Jimmy McDonald and children of Shreveport, La., visited in the Joe Baxter and James McDonald homes during the holidays.

Mr. and Mrs. Morris Boyd and daughter Judy of El Paso visited their parents Mr. and Mrs. O. M. Jones and E. P. Boyd and other relatives here last week.

Now we enjoy summers at home...
with our **REFRIGERATED ROOM AIR CONDITIONER**

...and her 3/4 ton unit costs less than 3¢ an hour for Electricity!

FREE Booklet

Answers questions about refrigerated air conditioners and evaporative coolers. Gives approximate operating costs - tells how to get the most economical service from cooling equipment. Come in or write for your copy - or get one from your air conditioning dealer.

IT'S WORTH PLENTY TO US to be able to relax in a cool room when it's boiling hot outside. And we've found the cost to be surprisingly reasonable. Only about 50 cents a day when we run our air conditioner all day and part of the night in hot weather... less when we use it fewer hours. Believe me, I wouldn't go through another summer without my refrigerated room air conditioner.

YOU'LL AGREE that refrigerated room air conditioning is a real buy in comfortable living. The 3/4 ton unit has the cooling capacity of 12 household electric refrigerators. Yet operating cost averages less than 3¢ an hour. It's one of your smartest values in summer comfort.

MORE MONEY for ROADS

During Allan Shivers' Administration more money has been spent for roads than in any other comparable period in Texas history.

For that money Texas added 14,926.10 miles of smooth roads to the state highway system and maintained all roads to keep them safe and sound for you.

Allan Shivers knows the importance of good roads to you. Whether trade-routes that speed goods to market or modern super-highways that make your driving a pleasure, good roads save you time and money.

In Wichita County \$2,060,868.26 has been spent on roads for you during Allan Shivers' Administration.

You have 45.59 more miles of roads today than when he became your governor.

This means better Farm-to-Market roads, so important to farmers and citizens of small towns.

It means modern, safe highways that make your trips enjoyable and inexpensive.

Texas comes first with Allan Shivers.

Allan Shivers for GOVERNOR

Sedimentation Studies Reveal Importance of Soil Conservation

"Public interest in water problems in Texas is at an all-time high," H. N. Smith, state conservationist of the Soil Conservation Service at Temple, said this week. Many articles on water resources and water needs are appearing in newspapers and magazines; and Federal and State agencies, committees and many cities are making water studies.

"This widespread concern about water supplies emphasizes the importance of taking needed steps without delay to prevent rapid filling of reservoirs with sediment—with accompanying loss of valuable water storage capacity."

Mr. Smith referred to the four major reservoirs, Benbrook, Grapevine, Garza-Little Elm and Lavon, which are being completed above Dallas and Fort Worth. "These will give flood protection to Dallas and Fort Worth and to levee districts and farmland along the river below them. The dams also will serve the important purposes of storing water for municipal and industrial use, recreation, navigation of the Trinity river, and streamflow regulation. Foreseeing even greater needs for water as Texas develops, we need to do everything that can be done to protect and increase the useful life of these reservoirs."

Mr. Smith estimates at the present rate of erosion, and soil movement in the watershed, the sediment pools of the four reservoirs would be filled in 27 to 35 years. "But this doesn't need to happen. If the needed soil conservation measures and practices were being used throughout the watershed of Grapevine reservoir—as an example—life of the sediment pool would be increased to 50 years and the storage capacity of the reservoir maintained correspondingly. And if the proposed system of upstream flood prevention dams, which has been planned by the Soil Conservation Service above Grapevine reservoir, were built immediately, the sediment pool life would be lengthened to 116 years.

"Trinity river watershed isn't the only place in Texas where rapid filling of reservoirs is occurring. The same is happening in other parts of the state, and people are concerned at seeing mud replace water. We have had requests from many cities and towns for help in finding out the rate of sedimentation in their water supply reservoirs, and what can be done to protect them.

"During recent years we have cooperated with Corpus Christi, San Angelo, Waco and Abilene in making sedimentation surveys; and in Medina lake. We are now making surveys for Graham and Throckmorton."

Smith pointed out that good sites for reservoirs are scarce, and the best ones already have been used. "When replacement dams have to be built at other locations it is going to cost a lot of money. That's why we must do everything we can to make our reservoirs last as long as possible."

Lt. Donald Staber of Clovis Air Force Base in New Mexico, visited friends in Iowa Park during the holidays.

Jerry McLemore of the navy visited his parents Mr. and Mrs. O. S. McLemore last week. He has just finished storekeeper school and will be stationed permanently at San Diego, Calif. He left Sunday night to return to duty.

Postal Crimes Cost Ten Million Annually, Postmaster Reveals

Postmaster Pete May said this week that mail fraud schemes are costing the American public over \$10,000,000 a year.

Postal crimes which resulted in 5,977 arrests in 1953 included burglaries of post offices, holdups of mail custodians and theft of mail.

Other crimes included willful destruction of rural mail boxes, mailing of fraudulent, lottery and obscene matter, and raising and forgery of money orders and postal savings certificates.

112 postmasters and postal workers were arrested during the year for embezzlement of funds.

Investigation of postal crimes uses about 200 men in the Bureau of the Chief Inspector. 100 additional inspectors are being added to meet the ever-increasing volume of work and to afford relief to the long hours of duty served by the present staff.

Records show 99 per cent of all those arrested have been convicted.

An example of mail fraud in 1953 victimized 900 people who were swindled out of \$1,000,000 on the promise of an operator they would get tax-delinquent land. He had no such land.

A lawyer promised investors a return of 20 per cent profit. He collected \$500,000 in six months from 100 victims and absconded.

A matrimonial swindler, posing as a rich Texan, married women through lonely hearts clubs, lived with them until he got their money, and left. His gains totaled \$50,000.

Vicious medical frauds claimed many victims with promises of cures for cancer, tuberculosis and the like. One operator took in \$1,000 a day for 100 days on worthless pills.

Among nine arrested in 1953 for mailing poison was a socially prominent woman who mailed boxes of arsenic poisoned candy to her Sunday School class, making 21 persons violently ill.

After his offer of marriage was rejected, a suitor mailed a homemade bomb to a young lady in Boston. The bomb was built so a .22 caliber pistol would discharge when the package was opened, setting off a mixture of gunpowder and shells. The gun discharged and sent a bullet into the girl's arm, but the lethal mixture failed to explode.

The home mailbox thief, often preying on aged and dependents receiving government or private checks through the mail, is the most frequent violator of postal law and probably the most calloused.

Postal inspectors caught 3,851 persons for stealing mail in 1953, including 2,544 for pilfering home mailboxes.

A woman mailbox thief averaged \$100 daily for 5 months stealing checks from apartment house boxes before inspectors caught her. Another mailbox thief stole electric service bills from mailboxes. He confronted the housewives and told them their light bills were overdue and threatened to turn off the electricity unless they paid. He collected \$1,500 before he was caught.

Mr. and Mrs. D. O. James, June, Doug, Deryl, Mr. and Mrs. Billie James, Mr. and Mrs. Dale Hansard and son Clinton Dale attended a reunion of the Horn family Sunday at the T. J. Harris residence in Nocona.

Mrs. Earl Gage, junior high school teacher, and her grandson Billy Bob Howton of Mankins will leave Sunday for Hollywood, Calif., to visit friends Mr. and Mrs. Paul F. LaBaron and sons.
