DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

Free Swine Flu shots Saturday

A free Swine Flu vaccination clinic is scheduled to be operated at Kidwell Elementary here Saturday and Sunday. Sandra Collier, Iowa Park volunteer coordinator, said the clinic is slated to be open from 9 a.m.-5 p.m. Saturday and from 1-5 p.m. Sunday. Although vaccination is not mandatory, the government and some health officials are urging individuals to take the inoculations to combat an expected Swine Flu epidemic this winter. Swine Flu vaccinations are free to adults who attend the weekend clinic. While inoculations in Texas and some other states were immobilized last week because of persons dying after taking the vaccine, government officials have ruled the vaccine safe and plan to continue the vaccination program as scheduled.

Students find their hard work damaged by weekend vandals

When the Iowa Park High School building trades class arrived at its project site Monday morning the 25 students and their instructor found a disheartening scene. The home at 705 W. Texas which the class had been working on since September had been the victim of weekend vandalism.

Several sets of footprints on the side of the unfinished home told what had happened. Judging by the various sizes of footprints, several persons had held judo practice. Their target was the vulnerable gyp rock siding nailed to the house frame.

"There's not much we can do but fix it," said Kent Boykin, a junior at IPHS and secretary of the building trades organization. "We don't like it too much. There was a lot of hard work kicked out," Boykin added.

Lower portions of the home's east and southeast walls were severely damaged.

Gaping holes big enough for a man to crawl through had been kicked out. Gary Lyles, building trades instructor, estimated the damage would run between \$125-\$130 (for materials only).

Lyles said the father of one of his students noticed the damage and broke the bad news to the teacher. In class Monday morning Lyles told the students what had happened.

Shortly after the bus load of students arrived at the house Monday morning two Iowa Park police officers pulled up to the scene to investigate. "It made me a little mad, but we can't do anything. It's already been done," said a dismayed Jim Cockrum, a junior. "It made me mad to begin with," Lyles said. "This is a real good crew. We have been working together better this year than we ever have."

The project home will be a three bedroom, two bath with den and double car garage structure. It is the third project home built by similar classes. The first one sold for \$28,500 and the second sold for \$34,000, Lyles said. However, it is not the first project to be vandalized. An estimated \$400 worth of damage was done to the first project home, Lyles said. Luckily, the crew is ahead of schedule and is expected to finish the home within their timeframe, Lyles added.

ASSESS DAMAGES--Dexter Parnell, Iowa Park police officer, and Gary Lyles, high school building trades instructor, assess damages to home being built by building trades class on W. Texas. Vandals knocked out large portions of gyp rock siding over the weekend.

Only week remains for absentee voting

Voters in Iowa Park and the surrounding area have slightly more than a week to submit absentee ballots for the Nov. 2 general election. Iowa Park voters may cast absentee ballots at the school tax office here or at Wichita County Courthouse.

Deadline for voting absentee is Oct. 29, according to Jerry Padgett, deputy county clerk. Padgett said 250 persons had voted absentee in person at the courthouse, and that another 72 absentee ballots

had been returned by mail. Bill Steger, Iowa Park school tax collector-assessor, said four persons had voted absentee here. Padgett added it is too late for unregistered persons become eligible to vote in the general election. Incumbent GOP President Gerald Ford will be seeking to hold his office among a field of five candidates including Democrat Jimmy Carter and Independent Eugene McCarthy. Incumbent U.S. Sen. Lloyd Bentsen is being challenged by three candidates, the most serious being Alan Steelman, a Republican.

The 13th Congressional District is a rematch from 1972 with Democratic incumbent Rep. Jack Hightower of Vernon being challenged by Pampa Republican Bob Price, who was unseated by Hightower four years ago. The only other contested race on the ballot has four candidates contending for a spot on the Texas Railroad Commission.

Texas voters also will decide the outcome of two proposed constitutional amendments concerning water bonds.

IOWA PARK LEADER

VOL. V III NO. 7

THURSDAY, OCTOBER 21, 1976

IOWA PARK, WICHITA COUNTY, TEXAS 75087

15 CENTS

Hawks travel to Brownwood Friday for big 4-AAA tilt

The Iowa Park Hawks make their (almost annual) trek south tomorrow, to do battle with the Brownwood Lions.

It will be the sixth meeting between the two clubs, and the fourth trip into the Lions Den.

As usual, Brownwood is ranked high in the state's standings, and is expected to be the odds on favorites to win Dist. 4-AAA.

The Lions are riding on a five-game winning streak. After losing to Class AAAA Abilene Cooper 13-14 they beat another large school, Austin Travis, 23-0, and then went 33-7 over Waco Midway.

In conference play Brownwood shut out their first two opponents, Burkburnett 7-0 and Weatherford 42-0, before being scored on last week by Mineral Wells, 42-14.

Iowa Park has but one victory to its credit thus far, and stands 0-3 in district play.

In the previous five contests

between the Hawks and the Lions, Iowa Park has won only once, but has been in every game.

Brownwood won the first match 7-15, but the Hawks closed a many-year winning streak of the Lions the following season with a 31-20 victory in Hawk Stadium before several thousand fans and whirring movie cameras.

The third game was played in a heavy downfall of rain, and the Lions edged that one 6-0, followed by a 17-0 win year before last. Returning to Hawk Stadium last season, Brownwood managed only a 28-12 win over a team that went winless the entire season.

Coach Pat Tone said he would have kicker and center Bobby Collins back in the game this week after a lengthy absence, as well as reserve quarterback David Wright. He said he would possibly have starting Butch Beisch back in the fold, if a new highly-protective helmet proves satisfactory.

Collins and Wright missed several games due to their grades, but Beisch suffered a head injury three weeks ago and has not seen action.

Tone said the team had a fine workout Monday, but the weather appeared to have taken the snap of the players Tuesday afternoon.

Speaking about the team attitude going into tomorrow's game, Tone said "Everybody's got to get their heads up", and added that went for the coaches and fans as well as the players.

"I've told the boys we've got everything to gain and nothing to lose when we play Brownwood," stated Tone.

He pointed out that the Hawks had shown a fine effort against

Burkburnett, one which would have held their own against Brownwood. But he was not at all complimentary about the club's play against Weatherford here Friday.

Coach Gordon Wood has probably his largest line ever this year, with 10 players ranging between 204 and 239 pounds. They are not as quick as other teams which have faced the Hawks, but probably stronger.

The Lion backfield is quick, though without blazing speed and size. The backs are younger than is usual for a Brownwood team, with only seven seniors to lead six juniors and four sophomores.

The Hawks will leave for Brownwood at 12:30 p.m. Friday, rest at the Holiday Inn there before the game, return to the motel for post game dinner and return home that night.

Chamber votes new officers

A new slate of officers and directors were elected at the annual membership meeting of the Iowa Park Chamber of Commerce, held Monday at the Texas Electric Service building.

Keith Aulds was named president, Don Flowers first vice president and Richard Davis second vice president. They will take office Feb. 12, at the annual banquet.

Directors named were Bill Bates, Ralph Beall, H.M. Nipper, L.W. Teel, Herb Skinner and Harrell Sullivan. Skinner was named to serve the term of the late Don Schram. Also replacing directors were Bud Burch, for Bill Brien, and Luther Shaw, for F.M. Wilson.

1977 CHAMBER OF COMMERCE OFFICERS
...Richard Davis, President Keith Aulds, Don Flowers.

Overseas mailing dates urged

The U.S. Postal Service is again urging customers to begin mailing Christmas holiday parcels and greetings destined to military personnel serving overseas and to civilian friends in foreign countries.

The following mailing dates are recommended for holiday gifts and greetings going to points listed below:

- Oct. 25 - International surface greeting cards to the Far East.
- Oct. 28 - Surface mail to Armed Forces in Antarctica, Australia, Burma, Indonesia, Japan, Korea, New Zealand, Okinawa, Philippines, Taiwan and Thailand.
- Nov. 1 - Surface mail and Space

Available Mail (SAM) parcels to Armed Forces in Ethiopia, Iran, Israel, Saudi Arabia and Turkey. International surface parcels to Africa and the Near East.

Nov. 8 - Parcel Air Lift (PAL) parcels to Armed Forces in Ethiopia,

UW reaches mid point

The United Way Campaign was pushed over the half-way point with the report of \$147,232 from the Combined Federal Campaign (CFC).

Col. H.R. Dimond reported 98.2 percent of the CFC goal of \$160,000 completed, and assured the campaign workers at last week's report meeting that the CFC "will exceed its goal."

General chairman Al Flack praised Gen. Cecil Fox and the Combined Federal Campaign workers, but reminded other volunteers that "without the CFC report, we would be below the half-way mark with less than three weeks to go." Deadline for the drive is Nov. 3.

Wayne House, United Way Chairman for Iowa Park, said, "Our drive is about one-half completed and it looks like it's going to be real good."

The total amount collected to date is \$542,450, 55 percent of the \$983,803 goal set.

Traffic Safety Council holds inaugural meet

John Brown was elected chairman of Iowa Park's new Citizens Traffic Safety Council (CTSC) at the group's inaugural meeting Tuesday night.

Bill Bates was chosen vice chairman and Bob Birk was named secretary of the new 15-man advisory council.

Other members are Rip Smith, L.W. Teel Jr., Harold Cowley, Gerald Walsh, Ralph Beall, John Mixon, Charles Tillery, Bill Cook and Richard Ashton.

Ex-officio members who will participate without voting powers include Charles Beaver, police chief; Gene Britton, city administrator; and Charlie Helms, street superintendent.

Meeting in Iowa Park City Hall, Alderman Lita Watson was at the helm throughout most of the meeting until new officers were elected.

Most of the meeting was an orientation session to help members better understand the task assigned them.

Mrs. Watson told the group its principal duty would be "to make recommendations to the city council for action you would like done."

"The main job of the traffic safety council, to me, is public relations," said Bob Draper of Wichita Falls,

regional traffic safety coordinator. "There's no limit to what you can do," added Dale Terry, past chairman of a similar council in Wichita Falls.

Terry said lack of imagination would be the council's only hindrance. He stressed the need for CTSC members to be enthusiastic about their work.

Draper, who is in a position to help Iowa Park secure grants to pay for traffic improvements, said, "Traffic safety programs are something we need."

He said a traffic sign replacement program currently in operation in Iowa Park is the type of program that would fall under the auspices of the CTSC.

Other projects that can be undertaken by CTSC is a traffic engineering survey to locate deficient areas.

Defensive driving courses, similar to the one Brown will be teaching at First Baptist Church here Nov. 8, 9 and 11, also will fall within the group's responsibilities.

CTSC is set up as an advisory body only. Its ideas will be forwarded to the city council for final approval and implementation.

The group decided to hold its monthly meeting at 7:30 p.m. on the first Tuesday of each month.

Holder-Gibson wedding vows are read under candlelight

Miss Karen Denise Holder and Ronald Ray Gibson exchanged matrimonial vows Saturday evening in a candlelight service perform-

ed at Grace Church in Wichita Falls. The Rev. Tim Temple, minister of the church, was the officiant for the ceremony uniting the

daughter of Mr. and Mrs. Clarence Alton Holder and the son of Mr. and Mrs. Bobby O. Gibson. Lining the entry to the

church were lighted old-fashioned English hurricane lampstands and white potted mums.

Upon entering the church foyer, guests registered at a table covered with white satin featuring a top overlaid with white lace threaded with burgundy ribbon. A votive arrangement of pink roses and Balihi carnations was chosen for the centerpiece. A table nearby held a candle formed of the couple's wedding invitation highlighting a picture of the bride and groom.

Enhancing the registry area were tall ficus and red princess plants, pine trees, large arrangements of pink carnations, burgundy mums and Cara Mia roses. A soft candlelight effect was achieved through small hurricane lamps and votive candles surrounded by pink poms and burgundy roses.

The musical setting for the wedding was provided by Kerry Johnston, organist, and Wes Holder, brother of the bride, vocalist, who sang "The Wedding Song" for a pre-nuptial selection and "The Lord's Prayer" at the close of the ceremony. The organist's prelude numbers included "Psalm" (Gordon Young) and "Aria" (Peeters). For the processional, he played "God of Our Fathers" and played Mendelssohn's "Midsummer Night's Dream" for the recessional.

Decorations in the altar space and church featured multi-lighted cathedral candles. Double brass arched candelabra centered the nuptial area. Immediately in front was a sunburst arrangement of white gladioli and mums flanked by handsome arrangements of white mums in Grecian urns. The extremities were marked by arched candelabra and a brass silhouette prayer bench in the center foreground heightened the spiritual atmosphere of the scene. Brass candle trees covered with lemon leaf and emerald greenery in the lower altar and three-branched candelabra placed on greenery stands in front of each church window completed decorative appointments.

Escorted to the altar by

her father who presented her in marriage, the bride wore a formal candlelight silk organza gown enhanced with cluny lace. The lace was used in effective adornment at the neckline, circular yoke, in a wide band at the empire waistline and to cover the wide cuffs of the bishop sleeves. A wide hemline flounce swirled to chapel length in the back of the full skirt. The bride's illusion veil, the handiwork of Mrs. Ed Embrey, falling in three tiers to cathedral length, was richly embossed with lace roses and floated gracefully from a Juliet cap trimmed with lace medallions, pink miniature carnations, ming fern and baby's breath.

Completing the lovely picture, the bride carried a crescent cascade consisting of phalaenopsis orchids, stephanotis, gypsophila, ming fern and English ivy accented with pearls. She followed bridal tradition by observing "something old, something new, something borrowed and something new" and the lucky sixpence in her shoe.

The bride was preceded to the altar by a maid of honor, matron of honor, two bridesmaids, a junior bridesmaid, flower girl and ring bearer.

Miss Tammy Hunter of Iowa Park served as maid of honor. Mrs. Frank Dillard of Houston was matron of honor and Miss Christy Holder of Wichita Falls and Miss Elaine Butler of Weatherford, cousins of the bride, were bridesmaids. They wore long pink Qiana gowns accented with burgundy velvet front panels caught up with antique cameo pins at the empire waistlines and burgundy velvet capes. In the back of their hair, they wore pink roses and baby's breath with trailing pink lace streamers. The quartet and junior bridesmaid carried teardrop cascades of Cara Mia and bridal pink roses, pink miniature carnations, ming fern and English ivy.

Miss Angela Holder, sister of the bride, was junior bridesmaid, and Miss Tammy Gibson, sister of the groom, was flower girl. They wore pink Qiana gowns complemented by burgundy

velvet panels, butterfly-sleeves and cameos at the necklines. The flower girl carried a white wedding basket filled with Cara Mia roses.

Ryan Dillard of Houston was ring bearer and wore a black suit with a pink ruffled shirt.

The groom was attired in a candlelight tuxedo and shirt and wore stephanotis taken from the bride's bouquet for a boutonniere.

The masculine members of the wedding party wore black pants, burgundy jackets, pink ruffled shirts and pink rose boutonnieres. Steve Gibson, brother of the groom, was best man. Wes Holder and Bruce Holder, brothers of the bride, Steve Singletary and Randy McLaughlin served as groomsmen and ushers.

For her daughter's wedding, Mrs. Holder chose an emerald green Qiana gown styled with a cowl neckline and pleated sheer sleeves. She carried a beaded bag graced with phalaenopsis orchids, stephanotis and ming fern. Mrs. Gibson was attired in a long double knit candlelight gown with a matching jacket and wore pink phalaenopsis orchids and ming fern accented with rhinestone hearts.

The bride's parents honored the newlyweds at a reception at the church following the wedding.

The bride's table was covered with an exquisite white satin cloth featuring a top accented with pink embossed roses and a skirt overlaid with pink miramist, the top and skirt joined with white lace threaded with burgundy ribbon. Garlands of smilax spreading along the table encircled the appointments. Silver candelabra holding pink tapers, Cara Mia and bridal roses, pink miniature carnations, ming fern and English ivy centered the table.

The four-tiered bride's cake was the center of attraction. Tiered up beautifully with Grecian pillars, each tier was decorated with Cara Mia roses and the crowning touch for the lovely cake was a complimentary ornament consisting of wedding bells, stephanotis and lace. The silver punch service was

MRS. RONALD RAY GIBSON

placed at the opposite extremity.

The groom's table was covered with candlelight satin overlaid with fine fringed burlap. In the center was a crystal compote filled with red quill mums, burgundy carnations and green grapes. Other appointments were the traditional chocolate cake decorated with green grapes and the silver coffee service.

Assisting with the reception were Miss Cene Johnson, Miss Delores Carpenter, Mmes. Mack Knight, Ed Embrey, Alton Hunter, Tom Longest, Art Rawn, Alex Franco, Gary Patriek, Pat Patriek of Houston, Charles Butler of Weatherford, Thurston Scarbrough and Bob Holder.

The groom's parents gave the rehearsal dinner Friday evening at Underwood's.

The couple went on a short wedding trip to Oklahoma City. They will live at 2113 9th St. in Wichita Falls. Both were graduated from Iowa Park High School. She was a student teachers aide at Bradford Elementary School and is employed by K Mart. He is employed by Cryovac.

Swine Flu clinic discussed at YH

Eleven members and two guests, Mrs. Carroll Clark and Mrs. Clifton Cummings, attended the Young Homemakers meeting Monday night which was highlighted by an Artex decorating demonstration by Mrs. Lois Hollenshead.

Mrs. Harrell Riggins, president, reported that the Whoop-Do project was a success. The club members discussed participation in the swine flu clinic. Mrs. Roy Southern was appointed membership chairman.

Refreshments were provided by Mrs. Southern and Mrs. R.L. Redclift. The door prize, furnished by Mrs. Jerry Hodges, was won by Mrs. Jim Rinehart.

The Nov. 15th meeting will be held in Texas Electric Reddy Room where a demonstration of small electrical appliances and holiday recipes will be featured. No babysitters will be provided for the special meeting.

Nurses to meet

Monthly meeting of the District 11 Texas Nursing Association will be at 7:30 tonight in Room 117, Bea Wood Hall, Midwestern State University.

Dr. Browne will lecture on radiology.

Cook of the Week

Mrs. Dewey Spruiell

How true it is that most of us have a warm spot in our memories for some special food, which nobody could cook so well as mother or grandmother. According to the touchstone of Mrs. Dewey Spruiell's children and their spouses, she has a number of "specialties of the house" and she always includes them on the menu when they come home to eat.

The wife of a farmer and rancher, Polly realizes the important place that hearty, basic foods have on the table and she is faithful to prepare and serve them. Yet, with a dash of her imagination, she concocts some delectable delicacies - the Orange Fudge is one of her recipes that gives evidence of that observation.

Mrs. Spruiell, who is presently the program assistant for the Agricultural Stabilization and Conservation Center, efficiently combines her work with that of homemaking. The former Polly Phillips of Dundee, she was graduated from Holladay High School. She is a member of Faith Baptist Church and her hobbies are needlepoint and crocheting.

The Spruiell's children are Mrs. Robert John Jr. of Birmingham, Ala., Mrs. Fred Wright Jr. of Gainesville and Johnny Spruiell of

Iowa Park. They have one grandchild.

ORANGE FUDGE

3 cups sugar
1/2 cup fresh orange juice
1/2 cup cream
1/2 cup milk
1 T grated orange peel
2 T butter
1 t vanilla
2 cups chopped pecans
Mix well and cook to soft boil stage the first five ingredients. Remove from heat and add butter and vanilla. Let cool without stirring to 125°. Beat until thick. Add pecans and pour into buttered dish to cool. (The candy will look like the orange juice and milk have separated during cooking but will be creamy and rich after beating.)

CUSTARD PIE

3 T butter
1 cup sugar
1/4 t salt
1 T flour
2 cups milk
3 eggs
1/2 t each cinnamon, nutmeg and cloves
1 t vanilla
Cream butter, sugar and salt. Add beaten egg yolks, then flour, vanilla and spices. Add milk and mix well. Fold in beaten egg whites. Bake in one uncooked pie shell 10 minutes at 450°, then 25

minutes at 325°. Serve warm.

CHILI

5 lbs. chili meat
8 or 10 green hot peppers (remove seeds and grind peppers)
1 garlic clove, ground
1 t ground cumin
1 t oregano leaves
1-1.5 oz. can tomato sauce
1 can water
Handful salt (large handful)
Brown meat, removing fat as it accumulates. Add other ingredients and simmer for two or three hours.

APPLESAUCE CAKE

3/4 cup shortening
2 1/4 cups sugar
3 eggs, beaten
1 1/2 cups unsweetened applesauce
3 cups flour
1/2 t salt
1 1/2 t baking powder
1 t soda
1 1/2 t cinnamon
1 t cloves
2 cups chopped pecans
Cream shortening and sugar; add eggs and beat well. Add applesauce, then sifted dry ingredients. Beat smooth and fold in nuts. Bake in 2 floured and greased Bundt pans or 2-8" square pans.

Local singer cuts record

Dan Kingade has cut his eighth record, but his first to be both written and recorded himself.

The popular local country and western vocalist recently made the recordings at

Oklahoma City, on the Sound Factory label.

Entitled "Coca Cola Cowboy" and "You Won't Find It Easy Leaving Me", the 45 rpm single is on sale here at D&D Music.

USE YOUR CREDIT AT WESTERN AUTO!

Example: Why you pay only 8½¢ more for gas when we have to pay 10¢ more.

The dime is simply a nice, round figure to use in discussing gas cost adjustments—a subject that you and we talk about with no happiness on either side.

The 8½¢ is 85% of 10¢. And we're allowed to charge you only 85% of any increase in the price we have to pay for natural gas over the base price set by the Texas Railroad Commission.*

Temporarily, the other 1½¢ (or 15%) is coming out of Lone Star's pocket. We say temporarily for good reasons. The losses have been staggering... in just one year, ending July 1, 1976, they have increased to \$13,500,000!

The other side of the coin.

These unrecovered gas costs are actually threatening our ability to provide the long-range, reliable service you expect.

Highly competitive bidding on new gas reserves by many companies keeps raising the price of gas. Our option is to pay the higher prices or not replace the gas you use each year.

For example, because of our seriously declining profits, we sold much more gas in 1974 and 1975 than we added. We are still eating into our gas reserves.

Our unrecovered gas costs must be recovered if we are to compete successfully for new gas supplies, meet our steadily increasing operating costs, and provide you a secure energy future when our existing gas reserves have been depleted.

Ask any merchant. If he can't afford to replace the merchandise he sells, he can't expect to stay in business.

*Railroad Commission Docket #588, July 1, 1975

Meeting features spaghetti supper

Activities of Alpha Epsilon Omicron chapter of Beta Sigma Phi during the past week included a spaghetti supper for members and their husbands Saturday at the home of Mr. and Mrs. Clifford Klinkerman and the

regular meeting Monday evening which was also held in the Klinkerman home.

Following the supper Saturday, the group played bingo for entertainment.

Those present were Messrs. and Mmes. Ron

Fullerton, Travis Bradford, James Owens, Clark Lane Jr., Danny Holman, Wilbur Garrels, John Conklin, David Thayer, Richard Scott, Bill Veal; Betty Tanner, LaVonne Stogner, and Mike Veresh.

Mrs. Bobby Attwood was the presiding officer for a business meeting Monday evening when it was reported that the sorority made \$50 on the Whoop-Do project.

Pledges introduced were Mmes. Gene Bond, Travis

Bradford, John Conklin and James Owens.

Mrs. Wilbur Garrels gave a psychology program on "Man, the Manipulator". Rituals were led by Mrs. David Thayer and Mrs. Bond.

Mrs. Bill Weaver was a guest. Other members present were Mmes. Ron Fullerton, Clark Lane, Jr., Betty Tanner, Bill Veal, Danny Holman, LaVonne Stogner, Richard Scott, David Thayer and Gayle Cleghorn.

BEVERLY DIANE CORGILL

Announce engagement

Mr. and Mrs. Harry Corgill are announcing the engagement of their daughter, Beverly Diane, to Larry Dale McGartey, son of Mr. and Mrs. John Irwin of Madill, Okla.

Miss Corgill, a senior at Iowa Park High School, is in cosmetology and a member of V.I.C.A. Her fiancé attended high school at Wynnewood, Okla. and served in the U.S. Army. He is employed by Thompson Tool Co.

The wedding will take place Dec. 18th at Grace Baptist Church with the Rev. Jimmy Johnson, pastor, officiating.

"Health and cheerfulness mutually beget each other."
Addison

Jack Hightower believes in action . . . not empty words

When the voters of the 13th District sent Jack Hightower to Congress two years ago he pledged to represent all of them fairly and honestly. He promised to work full-time at the job. HE HAS KEPT THOSE PROMISES.

HERE IS WHAT THOSE WHO KNOW JACK HIGHTOWER'S RECORD SAY ABOUT HIS EFFECTIVENESS

"... as one of the original co-sponsors, I again thank you for your splendid contribution which has brought about this most needed improvement in the estate tax law..."
Omar Burleson, Member of Congress

"... your tremendous job on the floor and prior to the passage of H.R. 8410, the amendments to the Packers and Stockyards Act, are most deeply appreciated. It certainly was apparent to the people in the gallery and elsewhere that you know the subject matter well and handled the situation beautifully..."
C. W. McMillan, Executive Vice-President, American National Cattlemen's Assn.

"... this award (Guardian of Small Business) is intended to acknowledge your efforts to protect small, independent businessmen and women and to maintain an economic environment in which they can grow and prosper. It is also based on the outstanding voting record you compiled on small business issues during the 94th Congress."
Wilson S. Johnson, president, National Federation of Independent Business

"... Price better think twice before he spends more money for a big campaign because as it stands now he's going to be fighting a losing battle if he tosses his hat in the ring... Hightower has read his constituency well, and he's doing exactly what his voters want him to do, but he's also spent a session learning the ropes and he's shown he's a better independent thinker..."
Carroll Wilson, columnist, Canyon News, Jan. 18, 1976

"... one of Jack Hightower's primary legislative projects has become the law of the land... it was H.R. 8410, an amendment to the Packers and Stockyards Act which Hightower co-sponsored in the House, and he was the author of its principal provision—prompt payment..."
Joe Brown, farm editor, Wichita Falls Record-News, Sept. 16, 1976

"... thank you for your support of the Beef Research and Information Act, and especially for your fine statement on the House floor... the people are well aware of your leadership and your untiring efforts to help the cattle industry..."
O. J. Barron, chairman, Beef Development Task Force

"... Of the 75 first-year Democrats, he is something of an anomaly—the most conservative of an outspokenly liberal group, one of the most careful and quiet of a largely shoot-from-the-hip crowd... Almost everyone on the Hill knows about Jack Hightower... the Congressman who votes his conscience, represents his district by organic instinct, but is capable of rising above parochial considerations when national interests are at stake. If that weren't enough, he lives a Spartan existence in a one-room efficiency apartment, sleeps on a couch that unfolds into a bed, washes his own socks, and drives an old car to work. The same qualities that made him an influential state senator for ten years—scrupulous honesty and an appetite for hard work—have served him well in Washington, but these alone do not explain the high regard in which he's held. In a town overpopulated by small people with large egos, it is a relief to find one for whom the reverse is true..."
Texas Monthly, May, 1976

That's the kind of Congressman Jack Hightower has been since he took his oath in January 1975. It's why he has earned the respect of his colleagues and the confidence of people throughout this district... from both political parties. Jack Hightower, Democrat, has earned a second term. Vote November 2.

Paid for and authorized by Hightower for Congress Committee, Jim Hughes, Treasurer, Box 1973, Vernon, Tx 76384

Blanket pardon for all draft evaders?

THE PRESIDENT FORD COMMITTEE, JAMES A. BAKER, III, CHAIRMAN, ROYSTON C. HUGHES, TREASURER

Campaign launches to help stop crime

The 23 Study Club will swing the "Hands Up" campaign in Iowa Park into action today at 2 p.m. at a meeting to be held in Texas Electric Reddy Room. Representatives from all service clubs, PTAs, Police Chief Beaver, the mayor and City Council members have been given a special invitation to attend.

The "Hands Up" program

Discovery Club elects officers

A program presented by three girls who will receive patches at the annual Song Festival and the election of officers were the high points of the Discovery Club meeting Monday night.

Officers elected to serve during the 1976-77 year were: Christi Oshiro, president; Tammy Lott, vice president; Tina Chaffin, secretary; Jtoy Chapman, annual; Tina Blalack, reporter. Mrs. Tim Kaspar and Mrs. Jimmy Chaffin are the leader and assistant leader and Mrs. John Chapman is sponsor of the group.

Donna and Tina Chaffin and Stacy Forman discussed their torch bearers in horsemanship and Tina Blalack gave a presentation on ecology. During the meeting, the girls made signs for the nature trail at Camp Letoli.

Also present were Chandra Quick and Connie Crum.

is a project of General Federation of Women's Clubs, a volunteer effort to halt crime throughout the nation. The clubs in the 14 areas of Texas Federation of Women's Clubs are cooperating by encouraging community participation and implementing crime prevention programs in their own communities.

A film "Residential Security" will be shown by Sgt. Bill Rinehart of the Wichita Falls Police Department, who is also Santa Rosa District "Hands Up" crime

alert officer. The 23 Study Club is in Santa Rosa District.

Mrs. Joe Singer, president of the club, stated "It is time for our own people to get away from public apathy and to begin working together actively to combat crime in our own community".

She pointed out the need of reaching citizens on a local, face to face, level with specific relevant crime prevention information and by focusing on prevention tactics that can be utilized

by the general citizenry. "Hands Up" buttons will be distributed at the meeting today.

Fruit sale kicked off

Members of the Iowa Park Chapter of Future Farmers of America have launched their second annual Christmas fruit sale.

Orders are being taken for cartons of oranges and grapefruit, which will be delivered between Dec. 10 and 17.

U.S. number one fruit, the 40-pound carton will cost \$6.50 and the 20-pound carton \$4. If the purchaser wishes to have the fruit delivered, an additional 50 cents will be charged. Pick up will be at the Vo-Ag building.

All proceeds from the project are used to finance the annual local Project Show, and purchase animals at the Wichita County Stock Show in March.

Orders can be taken by contacting teachers Dennis Brooks, Richard Davis or Jimmy Howell. Their telephone at school is 592-4432. Students will also be taking orders.

Eventhough last year was the first for the organization, Davis said it was a huge success. The fruit is produced in the Rio Grande Valley.

County Farm Bureau meet here Saturday

The annual meeting of the Wichita County Farm Bureau and fish fry is set for Saturday at 6 p.m. in the W.F. George Jr. High School in Iowa Park.

President Norman Roberts states that this is the most important meeting of the year and urges Farm Bureau families to enjoy the fish dinner and participate in the business session to follow. Recommendations for policies for 1977 made earlier will be presented to the group for discussion and adoption or rejection.

According to Fred Dwyer, membership chairman, 1976 membership stands at 1,139, an increase of 79 over 1975.

The fish fry will begin at 6 p.m. Rex Wells, chairman of

arrangements committee, is to be assisted by Milton McWhorter, Fred E. Dwyer, and Mr. & Mrs. W.H. McAllister.

Door prizes will follow the election of officers for 1977.

42 tourney set

A 42 tournament, sponsored by District 21 of the Grand National Horseman Association, will be held at the Dean Community Fire, House Oct. 23 at 7 p.m., according to Don Klinkerman, president of District 21.

Prizes will be given and everyone is welcome.

As I See It....

by BOB HAMILTON

I'm here to tell you that all those beautiful calendar pictures, Chamber of Commerce brags and boosts of former residents are true about Wisconsin.

That's one pretty place. Don't know what it's like to live there, but it's sure a nice place to visit.

Dolores gave me permission to take off the middle part of last week and fly up with a Texas delegation to the annual convention of the National Newspaper Association.

The permission wasn't all about letting me take off without her, either. That four-day meeting was held at Lake Geneva, in the Playboy Hotel.

And I'm here to tell you there are some pretty sights up there! I'd always thought photographers had hunted out hard-to-find areas for landscape pictures of farms, with their huge barns and silos, in rolling hills, with nothing around them but fields of tall corn and trees. But they're there, for sure.

Still don't know how a farmer makes a living on such small acreages

as those farms are, but I'm told they do, and well.

The area's beauty was changed by the fact that the first frost had hit the area 10 days before our arrival. Trees and bushes of every bright color in Mother Nature's imagination were there in all their glory.

Our flight went as far as Chicago. You know the old saying "It's a nice place to visit, but I wouldn't want to live there?"

Well, it's not even a nice place to visit, as far as I'm concerned. And surely not many people live there, from all the commuters traveling those miles and miles of highways to, through and around the city.

When not in meetings a few of us took to one of the two golf courses at the hotel. We even tried it for nine holes Saturday when it was so cold even I couldn't enjoy it. The course, for you golfers, was unlike anything you've ever seen in this part of the country...beautiful, long, water and huge traps of sand.

Doubtlessly you've been waiting

for a comment on the Playboy Bunnies. Yep, they were there.

I hope I don't disappoint you when I tell you one will see more flesh at any swimming pool on a summer afternoon.

Each of the young ladies was pretty, clean and fresh appearing, friendly but not flirty, and amazingly well trained waitresses.

Thought it funny that neither of the major presidential candidates accepted speaking appearances during the convention. That Playboy magazine article, I'm told, has got things so hot politically that neither the candidates nor their vice presidential running mates would have anything to do with anything named Playboy.

That must have been tough on them, to turn the invitation down. Not only would they have enjoyed the same atmosphere, service and conversations I did, but they missed a chance to be quoted by publishers of more than 600 newspapers.

And to a politician, that's self control!!

WORTH QUOTING

Windthorst school officials contacted other schools in their district this season asking that their football games start at 8 p.m. instead of 7:30.

The other schools went along, but one superintendent asked why.

"Well," he was told, "our boys have to milk and they don't have enough time when the games start so early."

Now that's mighty amusing in this day and time, but it really is a compliment to youngsters in the German dairy community. You just don't think about high school football players having to milk or anything else before a game.

It hasn't seemed to hurt the Windthorst team. They were undefeated going into Friday night's game.

Rain and 'Roos

combine to make

a dismal Friday

Cold rain and the Kangaroos made for a dismal Friday night here as Weatherford handed the Hawks a 41-6 conference defeat.

The game picked up momentum in Iowa Park's favor mid way through the first half, but by half time the powerful Kangaroos were coming on strong like the chilly, wet northern wind.

The Hawks made their lone touchdown just as the buzzer was sounding to end the first quarter.

While Weatherford's backfield found running room for multiple touchdowns in the first three quarters, the final quarter was a standoff between the two Dist. 4-AAA teams.

It was the third district outing for Coach Pat Tone's Hawks, who are 1-5 on the season and 0-3 in conference competition.

Running out of the famed wishbone offense, Weatherford wasted no time in mobilizing their attack.

After taking Iowa Park's

opening kickoff the Kangaroos marched 65 yards in a half a dozen plays to draw first blood in the contest.

Weatherford's scoring drive was capped off by a 45-yard TD run by Mike Carter, whose accomplished style would plague the Hawk defense throughout the night. The touchdown came with 7:29 remaining in the first quarter.

Hawks Ray Cook and Robert Dillard were shut down on their tries to move the ball after taking Weatherford's kickoff.

Weatherford took possession of Jeff Nolen's punt on their own 31, and eight plays later the Kangaroos had again scored with 4:51 left in the initial period.

The Hawks began moving the ball after taking Weatherford's kickoff with Jim Stevens, Cook and Dillard combining for a first down under helmsman Rex Huckaby.

Insufficient yardage forced the Hawks into a punting situation, and provided a twist of fate that would lead to the Hawks TD.

The football brushed the leg of a Kangaroo receiver

making it anybody's game.

The Hawk who punted the ball, junior varsity recruit Nolen, followed his punt down field and fell on the ball giving Iowa Park possession on Weatherford's 28.

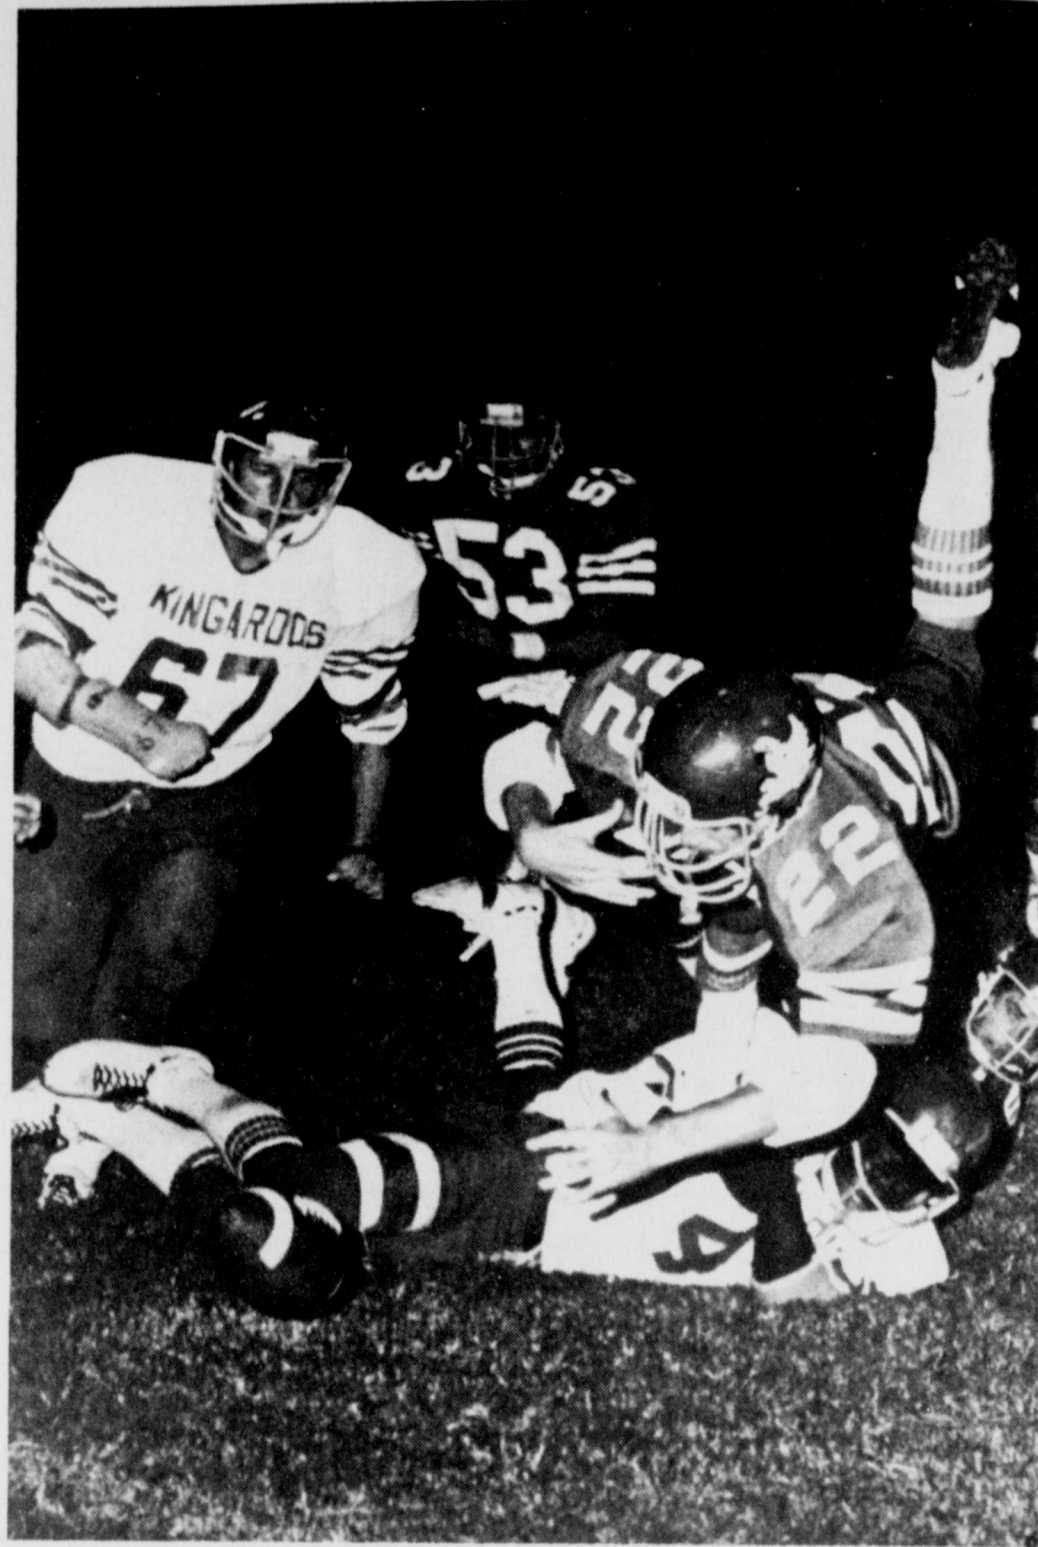

Huckaby was dumped 10 yards behind the line of scrimmage on the next play as he searched for a receiver, and Stevens was held at the scrimmage line on the following play.

Huckaby found Rusty Price 20 yards downfield, and the aerial success provided the Hawks with the needed encouragement to put them within 17 yards of pay dirt.

Stevens received the next call and the wiry senior found room enough to take it on home just as the buzzer sounded the end of the first quarter. The PAT failed.

The Kangaroos took Iowa Park's kickoff and 10 plays later had marched in for a TD.

Stevens garnered two more Hawk first downs on the ensuing series, one on a 37-yard romp exhibiting excellent blocking by the Hawk offensive line and a

COUGHED IT UP--Keith Rains [22] sails through mid air and coughs up the football after having the skids knocked out from under him during first quarter of the Hawk-Kangaroo dash here. Iowa Park lost yardage on the play, but the fumble was recovered by a Hawk.

good second effort on Stevens' part.

When Weatherford took possession, Cook, Johnny Bentley and the Hawk defense were there to quash the drive.

Huckaby was beginning to find his receivers, but the Hawk ends couldn't hold on to the ball.

With less than a minute left in the half, Weatherford came back to score again. The drive was capped off by a 27-yard TD run.

The cold, wet wind was becoming a noticeable discomfort by half time, perhaps explaining the Hawk fumble three plays into the third period.

Weatherford took advantage of the turnover and in two plays had driven the necessary 11 yards to

paydirt with 7:52 left in the third period.

A minute later the Hawks suffered another dose of bad luck, this time a blocked punt that Weatherford recovered in the end zone for the Kangaroos' final TD.

Cook couldn't handle the ball on the kickoff, and bad luck gave Weatherford possession on the Hawk 35.

The Hawk defense completely shut out the Kangaroo offense, but a 60-yard Weatherford punt stuck Iowa Park back in a box canyon with no place to go.

Then it was Weatherford's turn to fumble, and Cook was there to scoop it up for the Hawks. Penalties and incomplete passes immobilized the Hawks.

The game of run and

fumble continued on the rain and wind swept field as Cook again coughed up the ball.

Weatherford soon found itself 15 yards away from pay dirt, but its runners also couldn't hold on to the ball.

A Kangaroo fumble was recovered by what appeared to be half of the hungry Hawk defense.

However, the Hawks momentum was drowned on a pass interception followed moments later by the final gun.

The Hawk Squawk

Vol. 6 Official Newspaper of Iowa Park High School Issue 2

Vandalism big problem

What is happening to our school? Recent outbreak of vandalism at IPHS has alarmed many.

Three fires occurred after school Thursday, Oct. 7, in two of the boys' restrooms. Paper towels were found burning on the floor of the sophomore hall restroom. Freshman hall restroom had one fire set in a wastebasket and another fire in a damaged wall where some paper towels had been placed and lighted.

Bathrooms are being abused. Two boys' restrooms and a girls' restroom have had the doors taken off the stalls because students have been kicking them off the hinges. Restroom walls have obscene writing on them and many of the toilet seats are scarred from cigarette burns. One wastebasket has been torn apart and Friday, after the pep rally, some of the boys' tissue holders were ripped off the walls. Several restrooms constantly smell of cigarette smoke.

Hall door by the choir and band hall was

broken with a beer can Sunday, Oct. 10. The door cost \$59.00 to replace, according to Bob Dawson, principal.

Drinking fountains often have snuff in them.

Showcase by the gym has had the lock jammed by students toying with it.

Lockers are being repainted because of writing on them.

Patches of vinyl have been torn from the walls.

Fire extinguishers in the halls are being drained for no apparent reason.

Tire tracks have been left on the walkway by the main entrance, and M.L., has had to scrub them off.

Classes have been changed at Iowa Park High School because of the conduct of some students. Men teachers have been moved to the more troublesome areas.

Mr. Davis, assistant principal, said parents are paying for damages caused by students through higher taxes. Maintenance costs are rising for labor and the replacing of damaged property.

Band 4th at fair

Hawk band marched and danced their way to fourth place in the Parade of Champions super marching contest held at the Cotton Bowl in Dallas, Oct. 11.

Even though the band did not make the finals, they received a plaque for their performance.

They earned a total of 405 points out of a possible 500 points from five different judges.

Band competed against 4-A schools.

Band receiving first place was Lake Highland.

After marching, band members went to the state fair.

Marine Drum and Bugle Corps ended the marching festivities of the day with a precision performance.

Pep squad is hard working

"I am determined to have a great pep-squad this year," said Beckie Horton, pep-squad president for the '76-'77 school year.

Indeed, Beckie has worked very hard toward this goal. She arranged a one

week summer camp for the pep-squad to learn new routines. They were also refreshed on the cheers and chants which have already been in use for some time.

There are 38 girls in pep-squad this year. Miss

Minyard, teacher at IPHS, is the sponsor.

New officers for the '76-'77 term are: president, Beckie Horton; 1st vice president, Cathy Baston; 2nd vice president, Kim Baca; secretary, Patricia Cummings;

Vernon edges IP freshmen

Iowa Park freshman football team was defeated 14-30 by Vernon in a game played Oct. 14, at Hawk Stadium.

Early in the first quarter, Troy Thompson scored a touchdown for the frosh on a long run. However, the extra points failed.

Vernon scored two touchdowns during second quarter play, while Thompson made a 60-yard run for another Hawk score. Jeff Crenshaw handed off to Scott Hutson for the extra points.

Vernon went on to win the game with two more touchdowns scored during the fourth quarter.

Coaches are Marvin Brixey and Jackie Denton.

IP beats Graham

Varsity Hawk volleyball team lost to Vernon varsity 14-16 and 12-15, but won over Graham varsity 15-13

Tryouts held

Tempo tryouts occurred the last week of September. Mr. Dick, choir director.

Making Tempos are sopranos: Carrie Cole, Dee Lynn Smith, Sherry Dozier and Connie Byran.

Altos are: Cindy Flanagan, Elaine Cole, Cheryl Horskys and Sandra Ham-mack.

Chosen tenors are: Norman Flowers, Chris Lester Charles Mattis and Coy Lee.

Basses chosen are: Ricky Blair, Scott Fowler, Kevin Hamilton and Michael Davis.

Carter edges Ford here

Jimmy Carter narrowly edged past President Ford by a vote of 102-82 in a presidential poll taken last Thursday during homeroom by the journalism class.

Other favorite choices

were Linda Lovelace, 14 votes; Archie Bunker, 12 votes; Mr. Dawson, 11 votes and Willie Nelson with 5 votes.

184 students voted for a presidential candidate.

and 15-5 at out of town matches played Oct. 5 and 7, respectively. At the match played here Oct. 12, varsity lost to Childress 10-15 and 9-12 with time running out. They also attended Breckenridge Invitational Volleyball Tournament Oct. 2. They were defeated by Bronte in the semifinals. All-tournament players chosen from Iowa Park were Wendy and Cathy Baston.

Junior Varsity won over the Vernon J.V. 15-3 and 15-9. They also won over Graham J.V. 15-4 and 15-2. At the home game Oct. 12, J.V. won over Childress J.V. 15-10 and 15-4.

Freshmen lost to Vernon freshmen 10-15 and 2-15 at the same matches. They won over Childress Frosh 15-5 and 15-11.

Around IPHS

Seniors
Senior class officers were elected Wednesday, Oct. 6. They are: president, Johnny Bentley; vice president, Ray Cook; secretary, Kim Baca and treasurer, Julia Popejoy. The officers were elected by the senior class.

Permits
Parking permits were issued to teachers, Vocational Office Education Co-op, Home Economics Co-op, and Cosmetology II students to eliminate parking problems in the east parking lot.

Pictures
Individual class pictures were taken of freshmen, sophomores, and juniors on Oct. 7.

Senior pictures were taken Sept. 22, 23, and 24. Students posed in their caps and gowns, drapes or tuxedos, and their street clothes with a hand laying on a log showing their ring. This particular pose had a background scenery composed of "nature's beauty."

Cosmetology
Cosmetology held installation of officers Oct. 12. Scented oil lamps are now being delivered.

Every Tuesday the girls do the ladies' hair at the Wood Convalescent Center as a courtesy to them.

T.S.T.A.
Texas State Teachers Association (TSTA) meeting will be held in Vernon, Friday, Oct. 29. All students will be out of school.

FIRE!

"It gave us all a fright" said Mrs. Cowley, librarian, about the fire inside the Xerox machine Oct. 5.

Apparently the machine overheated and caught a piece of paper on fire when freshmen members of the debate team tried to run off 40 pages of material.

When repairmen were called, they were not surprised at what had happened. They said that although it was the first time the copier had caught on fire here, internal fires in such machines were not uncommon. Rubber belts were the only items that needed to be replaced.

Repairmen assured Mrs. Cowley and Mrs. Padgett that the fire had little chance of spreading into the library because of the metal encasings of the copier.

FFA members to start annual fruit sale

Future Farmers of America (FFA) will hold their annual fruit sale. Grapefruit and oranges will be sold. Rural Youth Day was Saturday, Oct. 16 at the State Fair of Texas. Last meeting greenhand and chapter farmers received pins which they earned.

All proceeds will help sponsor the Iowa Park FFA Project Show March 12, 1977.

In the last meeting Oct. 12 First year members received their greenhand pins. They earned this award by reciting the FFA Creed. Members who received a pin are: Tracy Carter, Billy Maupin, Jackie Noel, Gavin Jackson, Perry Schroeder, Bill Ralston. Others are Kirk Bagget, Brad Beggs, Jim Goetze, Laveda Myers, Randy Price, Raymond Shook, Chuck Beggs, Kevin Cottman, Bill Cates, Wendy Hicks, Scott, Burl Scott, Clay Skelton, Joe Stevens, Ronny Stolper, Brent Catlin, Tami Catlin, Mark Conyers, Kirk Flippin, Tim Goetze, Ken Johnson, Wesley Klinkerman, Tommy Lee, David Morton, Billy Pheleps, Stephen Routh, David Sauls and Randy Whitaker.

Agriculture members who earned \$50 or more received their Chapter Farmers Pin. They were Johnny Griffith, Glen Jameson, Rachael Watson, Jeff Watts, Daniel Conley, Joe Noreworthy, Owen Leitner, Vance Nault, Steve Bogart, Dwight Pool and Kevin Callahan.

Rural Youth Day was Oct. 16 at the State Fair of Texas and all FFA officers and members attended.

EDITORIAL

A change is needed

"Great people talk about ideas."
"Average people talk about things."
"Small people talk about other people."

Small people also write on bathroom walls and vandalize the school as well.

The above quote is one of many in the line of "intellectual" graffiti written on the bathroom walls.

Recently, our school has had a large run of vandalism which resulted in the moving of Coach Flippin and Coach Clary from the basement to the ground floor.

The delinquent students in our school spend their spare time knocking out the glass doors to the school, starting fires in the bathroom trashcans, and up-ending trashcans in the toilets, among other things.

Whether you like school or not, it is a privilege to attend. In a matter of five years, our school has been destroyed considerably by people who do not care.

Now is the time to begin to change our attitudes and our habits that corrupt our schools.

Register for tests

Any student interested in taking the ACT or SAT test should register with Mr. Herman Escue, counselor at Iowa Park High School.

ACT test will be given at Midwestern State University Oct. 9, Nov. 20, Feb. 5, March 3 and June 6.

SAT test will be given at Wichita Falls High School on Nov. 6, Dec. 4, Jan. 22, March 26, May 7 and June 6.

To be eligible for entrance into any college, one of these two tests is required. For information on which test is necessary for the college you plan to attend, contact Mr. Escue.

Cost of each test is \$7.50, and is to be paid when you register.

The Hungry Hawk

One of the nicer restaurants in the Wichita Falls area is the Pelican (2719 Southwestern Parkway). Not only is it well maintained on the outside, but on the inside as well. While dining, candles were lit on every table, and Helen Reddy music was piped in. Only thing lacking was a fire in the fireplace (naturally not used during warm weather).

Contrary to popular belief, the average person can afford an occasional dinner there.

Cargo List includes entrees such as Ground Sirloin (\$2.95), Crab Newburg (\$3.95), and Shrimp Pelican (\$6.95). Steak and Australian Lobster top the price list with a cost of \$8.95.

Baked potato and a visit to the salad bar is included with each dinner. Ice cold salad plates were very impressive as well as fun to eat from.

Other vegetables are available, but for their price, they are hardly missed if excluded from the dinner.

After the dinner was ordered, it arrived at the table in about 10 minutes. However, the service from this point on was rather slow.

Reservations are not required, but on Friday and Saturday evenings there is sometimes a 30-minute waiting period for tables.

School hats for sale

Want to look cool in cold weather? Well you can now because Iowa Park High School Student Council is selling hats in the concession stand every morning from 8:00-8:30.

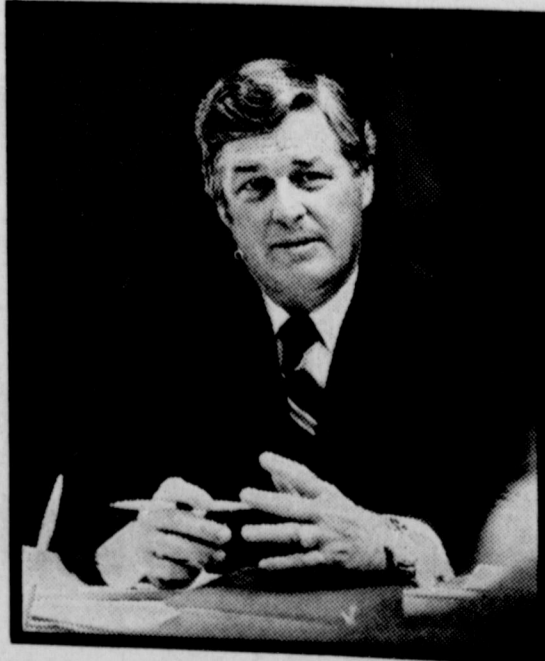

Tams are \$4.50 plus tax. They are white with green lettering.

Toboggans are \$4.00 plus tax.

Where was the voice of our Congressman?

Where was our voice when the liberal majority in Congress increased their own expense to the taxpayer a staggering 30% the past year? (He voted for this!)

We need a strong, vigorous voice in Washington to represent our point of view.

We need Bob Price back in Congress.

Paid for by Return Bob Price To Congress Committee, P.O. Box 2476, Pampa, Texas 79065, Harold Barrett, Chairman, Malcolm E. Hinkle, Treasurer.

OEA installation is held Thursday

Office Education Association's (O.E.A.) annual installation of new officers took place Thursday night, Oct. 14 in the school library.

Senior O.E.A. co-op officers who were installed include Pat Brown, presi-

dent, Sandra Sorey, vice-president; Robin Collins, secretary-treasurer; Reesa Robinson, reporter-historian and Debra Parks, chaplain.

Junior O.E.A. lab officers include Donna Klinkerman, president; Cheryl Frederick, vice-president; Debbie Cook, secretary-treasurer; Laura Arredondo, reporter-historian and Jeanna Brown, chaplain.

Debbie Frazier, co-op president in 1975-1976, presided at the meeting.

Cindy Caldwell, co-op vice-president in 1975-1976 presented the candidates for initiation and narrated a slide presentation on O.E.A. activities during the last five years.

Barbara Moore, co-op president in 1972-1973, installed advisors and officers.

Tech coaches laude Frazier for his play

LUBBOCK--Around the Texas Tech athletic department, he's known as the man who has made a habit of being in the right place at the right time when the opposing quarterback makes his move. But when you've been there, it's easy to know what move the quarterback is going to make.

Greg Frazier is Texas Tech's starting free safety and the 6-1, 196-pound junior is having no trouble in his first season as a regular in the secondary. Converted from quarterback during spring training, Frazier has found a home on defense.

"Playing quarterback in the past has definitely been a help in the switch to defense," Frazier said. "I think I have a better understanding of what the opposing offense is trying to do than I would if not for the playing time a quarterback."

The Iowa Park product sat out last year as a redshirt but was the number three quarterback behind Tommy Duniven and Rodney Allison.

"Last year was a difficult year for Greg," says defensive coach Jess Stiles. "We were trying to redshirt him but at the same time we had to keep him ready to play quarterback in case Duniven or Allison either one got hurt. It's worked out though and now Greg will have two years as a starter in the secondary."

Not everyone has been willing to turn Frazier completely loose as a quarterback, however. Defensive back coach Gary Wyant thinks of Frazier as

his quarterback in the secondary.

"Greg calls all the defenses for our secondary," Wyant said. "He is a highly intelligent young man who provides great leadership back there. He's thinking all the time."

Head coach Steve Sloan echoes Wyant.

"Greg is an outstanding young man in every respect," Sloan said. "He's making a tremendous contribution to our team this fall."

Despite playing at free safety, Frazier is one of the team leaders in total tackles and ranked six in the nation in interceptions through the first three games. He was in on more than 15 tackles

against New Mexico the second game of the season for a career high.

He has four interceptions through the fourth game, among 13 credited to the entire Raider team. And he has returned the steals a total of 42 yards.

Frazier is a quiet young man who takes his accomplishments quietly. A good example is when he was complimented recently about his ability as a tackler.

"By the time they get back there to me," he said, "those guys are so tired it doesn't take much to bring them down."

Frazier saw limited action at quarterback two years ago when Tech went to the Peach Bowl. He also led the

1973 junior varsity team in passing, hitting 24 of 62 passes for 304 yards and four touchdowns. He was all-district 4-AAA three times in both football and basketball at Iowa Park and rolled up more than 2,000 yards total offense in his high school football career.

Greg's quiet manner and winning attitude have made him a favorite around Texas Tech and his tremendous play in the secondary has helped make the Raiders a winner on the field this fall.

Tech will take on the explosive Arizona Wildcats Saturday night in what could be an offensive show. You can bet Frazier will be ready.

Top O Texas League Play

Both Kidwell teams shut out Sheppard Bunker Hill Saturday, with the Midgets winning 8-0 and the Pee Wees racking up their highest total for the year, 48-0.

Coaches felt that Midgets had their best ball control game of the season, leading in first downs 10-3.

The touchdown was a 10-yard pass from Mark Klinkerman to Jody Bennett, with Klinkerman running for the conversion. Bennett and Jeff Tigrett each intercepted passes. Bennett has now stole five aeriels in three games.

Leading ground gainer was Barry Hathaway, who toted the ball 13 times for 89 yards.

Craig Whisnand led in tackles on defense with 11, four of which were unassisted. Maury Flowers was in on seven.

The Pee Wees clinched the zone championship with their win. The offense scored on every possession.

Van Hedrick tallied three touchdowns, one on a pass interception, and also ran for a conversion. Bret Cappleman had two TDs and a conversion, Donnie Dietrichson scored a touchdown and a pair of conversions, and James Beebe had two conversions.

The defense did not give up a first down. Scott Young, Terry Hillard, Jeff Tucker and Shawn Price were each credited with four unassisted tackles.

FINAL WEEK SCHEDULED GAMES

Henrietta vs. Capehart at SAFB
Kidwell vs. Seymour at Seymour
Warry vs. Electra at Electra
Holliday vs. Bradford at Iowa Park

Fall tourney is underway

The Iowa Park Tennis Association held the first part of the fall tournament last weekend and all singles were completed.

There were 35 entries in eight categories and the newest category, men's, 35 and over, posted six entrants.

All doubles matches will be played this weekend. Included will be: men's doubles, women's doubles, mixed doubles and boys' doubles. A picnic for all members and their families will be held Saturday

1976-77 TWIRLERS for the Iowa Park High School Hawk Band are, from left, Kellie Bchter, Jill Koonce, Kim Hamilton, Lisa Carter, Rhonda Kuehler and Carrie Cole, kneeling.

Junior high wins with Vernon

Iowa Park's seventh and eighth grade football teams soundly defeated Vernon Tuesday night, although the freshmen and junior varsity didn't fare as well against the Lions.

Steve Smith paced the seventh grade's scoring with two touchdowns and three sets of extra points to lead the mini Hawks to a 36-0 win.

Jim Smith and Chris Netherly each scored a TD for the seventh grade. Clay Schultz hauled in a 30-yard pass from Biff Billingsley.

The Hawk eighth graders dumped Vernon 16-6. Troy Linticum began Iowa Park's scoring effort by stealing the ball from a Vernon player and returning it 65 yards to pay dirt.

Mike Ray supplied the extra points.

Curtis Martin connected with Mike Wright for a 30-yard aerial success, and a trio of Hawk defenders tackled a Vernon runner in the end zone to give Iowa Park a safety.

Iowa Park's freshmen were defeated 30-14 by Vernon.

Troy Thompson scored two TDs on 50 and 40 yard

runs. Scott Hudson supplied a set of extra points.

Defensive standouts for the freshman squad were Bill Maupin, Shawn Ellis and Hudson.

The Hawk JV was upset by Vernon 30-8 with David Wright scoring Iowa Park's lone TD on a 15-yard run. Wright passed to Keith Hillard for the extra points.

Iowa Park School Lunch Menu

THURSDAY, Oct. 21
Breakfast - Oatmeal, plain milk, applesauce.

Lunch - Roast beef & gravy, meat & cheese sandwich, soup, mashed potatoes, English peas, pickled beets, hot rolls & butter, chocolate or plain milk, chocolate cream pie, ice cream, jello.

FRIDAY, Oct. 22
Breakfast - Buttered toast & jelly, plain milk, orange juice.

Lunch - Fish, meat & cheese sandwich, soup, macaroni & cheese, blackeyed peas, corn bread & butter, chocolate or plain milk, cookies, jello, ice cream.

MONDAY, Oct. 25
Breakfast - Cereal, plain milk, orange juice.

Lunch - Chili dogs, meat & cheese sandwich, soup, French fries, pinto beans, sweet relish, chocolate or plain milk, chocolate pudding, ice cream, jello.

TUESDAY, Oct. 26
Breakfast - Toast, jelly, plain milk, orange juice.

Lunch - Chicken fried steak, meat & cheese sandwich, soup, mashed potatoes with gravy, English peas, jello salad, hot rolls & butter, chocolate or plain milk, cherry delight cake, ice cream, jello.

WEDNESDAY, Oct. 27
Breakfast - Sweet Roll, plain milk, orange juice.

Lunch - Hamburgers, meat & cheese sandwich, soup, navy beans, potato chips, lettuce, tomatoes, pickles, onions, chocolate or plain milk, ice cream bars, jello.

THURSDAY, Oct. 28
Breakfast - cheese toast, apple sauce, plain milk.

Lunch - Beef stew, meat & cheese sandwich, soup, buttered corn, cole slaw, corn bread & butter, chocolate or plain milk, chocolate boiled cookies, ice cream, jello.

Eagles romp 24-0 here over Lindsay

The Holliday Eagles exploded for two touchdowns late in the second quarter to overcome a slow start and defeat Lindsay 24-0 Friday night in Holliday.

Lindsay held the powerful Eagles to a scoreless tie in the first quarter as the inspired visitors attempted

to dethrone Holliday of its state ranking.

The upset was not to be, however, as Randy Berryman, Larry Ayres and Lynn Ayres paced a potent rushing attack which tallied 268 yards on the ground.

Lindsay quarterback Pete Fuhrmann had an indication of what was to come on the

first play from scrimmage as Holliday's Larry Ayres intercepted a stray pass.

Holliday turned the ball back to the Knights on its second play with a fumble but Lindsay failed to capitalize on the error.

The Knights defense held the Eagles to four first downs in the first half as the

Eagles failed to earn a single first down until 10:32 in the second quarter.

The Lindsay offense failed to compliment its defense as the Holliday defensive stalwarts limited the Knights to 41 yards in the first half.

Lindsay halfback Steve Neu, the Knights leading ground gainer of the night, had the biggest play of the half with a 22-yard gallop on the Knights' third possession.

Both squad's exchanged ownership of the pigskin until Holliday sustained a 14 play drive to draw first blood with 6:11 remaining in the half.

Larry and Lynn Ayres teamed with Berryman in grinding out all four Holliday first downs in the drive.

Larry Ayres scored the first touchdown for the Eagles to cap the drive from one yard out and a 7-0 Holliday lead prevailed when Barryman kicked the extra point.

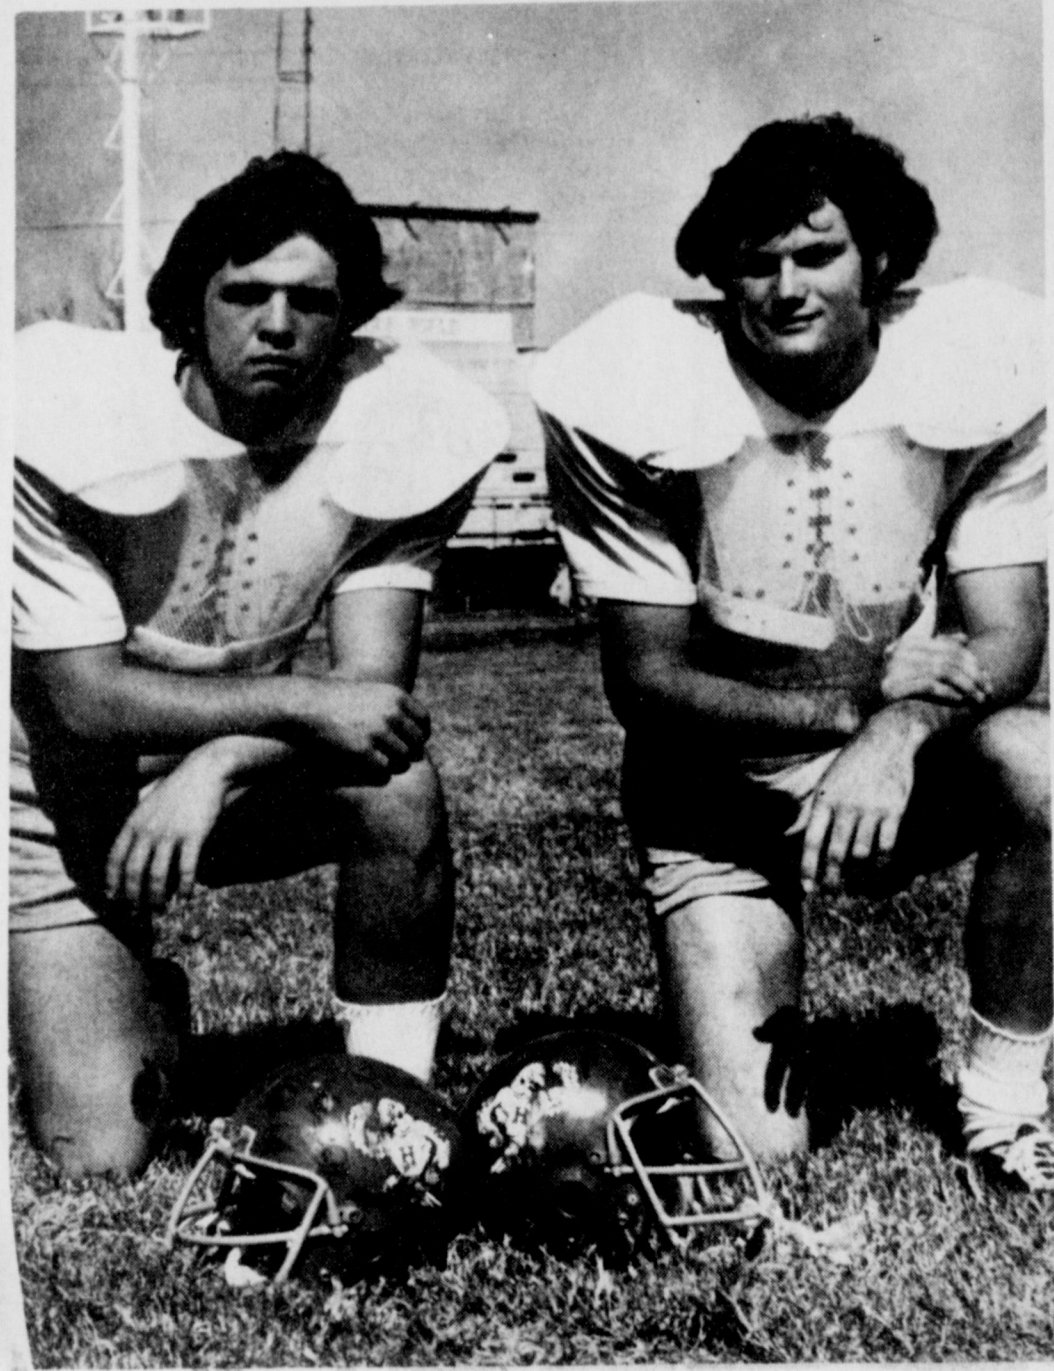

Holliday hit with lightning success on its next possession. After stopping the Knights with an interception, the Eagles took up shop at the Knights 21.

On the first play, Berryman hit John Ruby with a screen pass and the tight end pranced into the end zone for an Eagle score with 2:46 remaining in the half. Berryman again found success on the extra point

SENIOR EAGLES—Providing experience and leadership to this year's Holliday Eagles are the returning seniors. Seniors include, from left front row, Randy Berryman,

Clark McDaniel, Danny Mayfield, Larry Veal and Bobby Berry. Top row from left, is Clay Carver, Gary Dolberry, Bob Gilmore and John Ruby.

EAGLE LEADERS—Captains of this year's Holliday Eagles are Larry Veal, left, and John Ruby. Both varsity team leaders are seniors.

try to make it 14-0.

One minute later Holliday's Andy Barton, Steve Parnell and Clay Carver forced Lindsay's quarterback Fuhrmann to fall in the end zone for a Holliday safety.

The Eagles and Knights exchanged possessions early in the second half without offensive success.

Holliday's Larry Ayres raced for an apparent score early in the third period but his 44-yard dash was brought back due to an offensive holding penalty.

With 16 seconds left in the third period, Ayres scored

his second legitimate touchdown to give a 22-point margin to the Eagles.

On the extra point attempt, Holliday fumbled the snap but an alert Berryman outran the opposition to the goal line and tallied two points for a 24-0 lead.

Holliday sent in the reserves with ten minutes remaining in the contest. Floyd Smith galloped 34 and 30 yards to drive the Eagles to the Lindsay four before the drive stalled.

Lindsay then set forth its best drive of the night consisting of 14 plays before stalling on the Eagle 24-24.

Aided by two 15-yard infractions, the Knights drove from their own eight to the 24.

Lindsay failed to dent the scoreboard when a Fuhrmann field goal was blocked by a Holliday lineman.

Holliday tallied 14 first downs to Lindsay's 10 but out-misced the Knights in penalties 110 yards to 52.

Thirteen punts were accumulated by the two squads during the game.

Holliday is now 6-0 on the season and 2-0 in District 13-A. The Eagles will travel to Muenster Friday for a district contest.

Midgets beat Capehart 28-0

Holliday's Top Of Texas Midgets buried Capehart 28-0 Saturday.

Mike Parker paced Holliday in rushing with 76 yards, followed by Brad Harmon and Jeff Belcher with 67 yards rushing each.

Parker ignited Holliday's scoring with a 56-yard kickoff return in the first period and Belcher's extra point run.

Kevin Blankenship pulled in a 25-yard TD pass from Parker, and Todd Stevens

scored the extra points. Belcher scored on 35 and two yard runs. He also blocked a Capehart punt.

Holliday's defense, led by Belcher, Gil Gilbert, Guy Gilmore, Tim Stufflefield, Tracy Wood and Michael Wright, held Capehart to a single first down while Holliday made eight conversions.

In the Pee Wee game, an outstanding defensive battle was credited for the 6-0 Capehart win.

8th graders beat Vernon

Coach Scotta Schroeder's first string eighth grade volleyball team turned a tie into victory Monday night in Vernon.

The first string eighth grade girls downed Vernon 15-6 in the first game, but Vernon came back to take

the second game 15-12. Holliday rallied to win the deciding game 15-8.

Holliday's eighth grade B team was defeated 15-3, 15-2. Vernon defeated Holliday's C team 15-6, 15-3.

Holliday's seventh grade was defeated 15-0, 15-3.

HOLLIDAY STUDENT WINS AWARD
...Principal Bill Crabbs congratulates Cory Smith

Muenster to be major test

The state-ranked Holliday Eagles are expected to be put to the test Friday night when they invade the Hornets Nest in Muenster.

The 8 p.m. Friday game also should expose the caliber of competition the Eagles will be up against if they make it into the state playoffs as predicted.

Both Holliday and Muenster will enter the game with clean conference records. Both are 1-0 in District 13-A play.

While Holliday is 6-0 on the season, Muenster is 4-2 for the year.

The Hornets were shutout by Bridgeport 7-0 in a season opener.

Muenster was defeated 21-6 by Aledo, the favorite among Associated Press sports writers as the team to win the state Class A championship this year.

Holliday is ranked second in the state by the AP, and the outing with Muenster should serve as a gauge in what to expect if the two teams face each other in the state finals.

Coach Don Lucy anticipates his Eagles to be out in full force against Muenster.

The Eagle mentor said senior back Bob Gilmore would see action this week. Gilmore viewed last week's game from the side lines nursing a minor hip injury.

Cory Smith gets award

Cory Smith, a junior at Holliday High School, has received an International Science Fair award.

Smith received the award for his science project showing the process utilized to separate salt water from crude oil.

The project earned Smith a third place ribbon at last year's UIL science fair in Vernon.

The International Science Fair award included two certificates and a ribbon.

Holliday Happenings

Increased municipal rates went into effect this month and will be reflected on the next billing. A letter seeking donations toward purchase of a new fire truck also will be included in the billings.

Lubbock Christian College Band will perform at 1 p.m. Monday at Holliday High School. The public is invited to attend the free concert.

said Principal Bill Crabbs.

Holliday City Council will meet in regular session at 7 p.m. Tuesday in Holliday City Hall.

Bob Hale of Wichita Falls will perform magic during a school assembly set for 1 p.m. Tuesday.

Holliday City Hall will be closed Monday in observance of Veterans' Day.

JV beats Burk 16-6

Holliday's junior varsity and junior high football teams all won a trip to the winner's circle last week.

JUNIOR VARSITY

The JV went on the road to defeat hosts Burkburnett 16-6.

Holliday failed to penetrate inside the 10 yard line in the first quarter.

Gary Young, Rusty McDaniels and James Porter provided good yardage to set up Holliday's first touchdown made by Porter on a five yard run. Conversion by Gary Wright was good.

Burk scored in the third period, but the extra point attempt failed.

Holliday's Gary Young returned a pass interception to light up the Eagles' scoreboard in the fourth

period. Kent Lemons pulled in a Gerry Graves pass for the extra points.

SEVENTH GRADE

Holliday's seventh grade rolled over Archer City 44-0.

Ray Looney scored twice in the opening period, once on a 55 yard run and again on a 25 yard run. Extra point attempt failed after one TD, but Joe Chase made good the other set.

Mark Rathman intercepted a stray Archer City pass to set up a second quarter touchdown made by Looney on a 30-yard romp. Looney made the extra points.

Holliday's next TD came in the wake of another interception, this one by Kelly Henke. Rathman took the ball 60 yards further on a single carry, capped off by

Looney's 12-yard TD blast.

Looney connected with Rathman on a long pass to set up Looney's next TD, this one on an eight-yard dash.

Chase provided the needed yardage to set up the final TD, a 10-yard plunge by Looney. Extra points were good.

EIGHTH GRADE

Holliday's eighth grade rolled over Archer City 22-0, with Mark Wright drawing first blood on a 30-yard TD run in the first period.

Billy Whitney gobbled up plenty of yardage to set up Holliday's next touchdown made by Wright on a 25-yard run.

Whitney romped 65 yards on a single run to put the Eagles within scoring territory. Wright capped off the effort on a one-yard leap.

All three teams will travel to Windthorst for Thursday's contest, the first one scheduled for 5 p.m.

DON'T FORGET!
Absentee voting ends Oct. 29

BAND OFFICERS—New officers of Holliday High School Band are Kevin McAllister, captain; Bobby Berry, 1st Lt.; Steve Parnell, 2nd Lt.; Donna Ruth, Sec.-treas.; Dana Rains, reporter; Jon Hodge, senior rep.; Debbie Brown,

junior rep.; Jeff Coats, sophomore rep.; Beth Berry, freshman rep.; Rhonda Talley, eighth grade rep.; and Paula Beighley, drum major. Trophy was won at a band festival last year at Carlsbad, N.M.

Great News FOR THE World

THE BIBLE COMPANION

The Bible is the most valuable book in the world because it is God's revelation of Himself and His purpose. But to discover its full message systematic reading is essential and this plan, devised by Robert Roberts more than a hundred years ago, enables one, in less than half an hour each day, to read in a year the Old Testament once and the New Testament twice.

Such a method of regular reading unfolds for the reader the sad origin of death, the fascinating history of God's dealings with

man, the absorbing development of prophetic vision and, what is most important, the rewarding revelation of Jesus as the way to eternal life. Thus "the Holy Scriptures are able to make thee wise unto salvation."

Many thousands of Bible students throughout the world have joined in a fellowship of reading according to this plan, and have found it a source of inspiration, strength and comfort. Christadelphians, 1600 Magnolia, Wichita Falls, Tex. Bible study Wednesday, 7:30 p.m.

'Mystery dinner' held Saturday by sorority

Major attention has been focused upon pledges of Epsilon Eta chapter of Epsilon Sigma Alpha through activities of the chapter during the past week. The group, along with their husbands, were named honored guests at a mystery dinner Saturday, and they were spotlighted during the pledge ceremony at the regular meeting Tuesday evening.

The mystery dinner held in the Fellowship Hall of First Christian Church was typically a gloom party dominated by a Halloween theme. The room decorations featured "Boot Hill", a cemetery with "sorority in nature" tombstones, ghosts, weird lighting and sound effects.

The white-covered tables were centered with black crepe paper runners and decorated with fluorescent tissue paper and canna leaves. The serving area had for its main decoration a large spider spinning in its

web. Witches brew was served and diners ordered their four-course meal by numbers.

Randy Keck, local magician, entertained with tricks of magic following the meal. Thirty-three members, pledges and husbands attended the event.

The regular meeting Tuesday evening was held in the home of Mrs. D.W. Mercer and Mrs. James Dyer was the co-hostess.

To inaugurate activities, Mrs. Greg Clary, president, conducted a model meeting

where each officer gave a report and outlined the duties of her office for the enlightenment of the five pledges in attendance.

Mrs. Jack Pitcock reported on the Whoop-T-Do Queens Contest stating that the receipts swelled the treasury \$465.32. Miss Alice Turner, chairman in charge of serving refreshments to 40 young people at Wichita Falls State Hospital next Thursday at a Halloween party finalized plans for preparation of refreshments by sorority members.

Mrs. Clary, assisted by Mrs. Bill Vanek and Mrs. Tom Venhaus, pledge captains, conducted the pledge ceremony for Mmes. Gary Frazier, Bill Miller, Allen Gilstrap, Kenny Jones and Bill Hrcirik. Two pledges, Mrs. Jean Proulx and Mrs. Don Stutsman were unable to be present.

Also present were Miss Alice Turner; Mmes. Dalton Bleeker, Charles Dudley, Leon Biddy, Don Flowers, Raymond Cope, Roy Johnson, Chester Morrison and Homer Blalock.

THE MOST SUCCESSFUL BUSINESSMEN IN AMERICA WERE SAVERS.

It's enough to make you think. Take your pick of the men who built America: Henry Ford, Thomas Edison, Andrew Carnegie, F. W. Woolworth. They all came from modest beginnings and they all had the habit of saving. When opportunity knocks at your door, will you have the money to answer?

"How is lignite coal helping my electric bill?"

By using lignite coal to generate electricity, Texas Electric will be saving its customers \$44 million in 1976.

We've turned to lignite because natural gas, our main fuel, is running out. New supplies of gas just aren't available in the huge quantities we need. Those supplies that are available have soared in cost.

In 1976 the lignite and the plants that use it will cost less than new natural gas alone. Here's how:

\$86 million The additional natural gas we would need in 1976 if we weren't using lignite.
- 42 million The cost of lignite and the one-year cost for plants to use it in 1976.
\$44 million Money our customers won't have to pay in 1976 because we're using lignite coal.

These savings will continue in the years ahead. In fact, they will increase as we add more lignite power plants and our nuclear plant.

This doesn't mean rates will go down. But we will be able to keep increases in your electric bills as low as possible.
