Mrs. Park Elected President of Iowa Park's 23 Club

Election of officers for 1951-52 was the high point of a meeting of the 23 Study Club, Thursday afternoon. Members were entertained by Mrs. S. L. Denny and Mrs. Herman Mitchell at the latter's home. Mrs. Gayle Park was elected president of the club and will take office when she is installed at the last meeting of the club year in April.

Elected to serve with her were Mrs. R. R. Brubaker, vice-president; Mrs. John B. Barbour, secretary-treasurer; Mrs. C. J. Simpson, corresponding secretary; Mrs. Charles Metz, parliamentarian. Mrs. James N. Easterwood and Mrs. Fred Widmoyer were named members of the executive committee. Mrs. C. E. Birk was leader for the afternoon program, the theme of which was "The American Home." Mrs. Easterwood directed a timely symposium "The American Home, Our Heritage." Her fitting introductory remarks were inspired by Psalm 127:1 and Proverbs 14:1. She described the home which was established by God as the first and most important school of character building. Stating that many foes seek to destroy home life and stressing the ills of decadent home life, she mentioned five stones of the foundation to safeguard the home. These were: united faith in Christ, love, mutual confidence, mutual encouragement and thrift.

"Give Your Children God" was the topic discussed by Mrs. King Abernathy, who said that the richest possibilities for parents lay in those four words. She continued by saying that parents can give God to their children through tone of voice, reverence for God's house, the Bible and through their every act, which should show that they themselves had a holy conception of God.

Mrs. Carroll Duke discussed "A Challenge to Parents." To begin with, she reminded her listeners that parents' greatest challenge is to make a home instead of a house for their children. As some of the keywords of the American home she stressed love, understanding, patience, and daily practice of Christianity. "Beautifulization of the Home Grounds" was ably given by Mrs. Earle Denny as she described the lawns featuring natural groupings of trees and shrubbery intermingled with flowers to provide an ideal setting for a home. She told of various types of gardens, lily ponds with goldfish, and walks that could enhance the beauty of the lawn.

Mrs. Harry Weaver contributed topic, "Recreation for the Family." She emphasized the responsibility that parents have in providing wholesome and pleasant recreation for the members of the home. "The family who plays and prays together" was the highest note of her address.

The meeting was appropriately marked by youth participation in the program. The group of young people contributed fine arts numbers, which were given to intersperse the topical discussions.

A flute duet "Yankee Doodle" was rendered by Artie Sue Mitchell and Caroline Sewell. Miss Lou Ann Duke contributed a beautiful vocal solo, "Homeing."

The humorous was reflected in an original reading "Daddy" by Miss Jimmie Joy George. A poem "Trees" by Miss Barbara Butts rounded out the well-balanced fine arts numbers.

Present were a guest Mrs. Harry Womack of Fort Worth and these members: Mmes. May Turner, King Abernathy, Florence Sherwood, C. Birk, Richey Abernathy, Fred Widmoyer, H. W. Weaver, C. E. Birk, C. J. Simpson, R. R. Brubaker, J. A. Sewell, C. R. Coppock, Gayle Park, Earle Denny, Charles Metz, Carroll Duke, Sam Hill, Taylor George, James N. Easterwood and Homer Blalock.

Among the Iowa Parkers who saw the Wichita Falls high school and Austin high school football teams play for state AA championship Saturday afternoon at Dallas were Buck Voyles, Andy Capehart, Roy Stegall, O. R. Kelly, R. J. Butts, Orville Bell, Swan Reeves, Mrs. Guy Morgan and children Page, Mary Ann and Jerry, Mr. and Mrs. Charles Metz and Charlene, Mr. and Mrs. A. L. Reed and Sharon.

Dr. John L. Steele Is Added to Clinic Staff

Dr. John L. Steele opened an office for practice at the Park Clinic hospital, Jan. 1, according to an announcement released by Dr. Gordon G. Clark. This addition to the personnel of the clinic is the last of several changes that have been made since November.

Mrs. Floyd White, RN, who has worked with Dr. Clark most of the time for the past ten years, is again associated with the hospital as office assistant. She replaced Mrs. Esther Vinyard, who is now working at Bethania hospital in Wichita Falls.

Miss Dama Adams has joined the staff as laboratory technician. Miss Adams, daughter of Mr. and Mrs. C. H. Adams, is a graduate of the local high school and has worked at Bethania hospital for three years prior to coming to the Park Clinic.

Mrs. J. H. Hatten is receptionist and Mrs. J. C. Ralston, bookkeeper at the hospital.

Dr. Steele, who is 26 years of age, was born at Parkersburg, W. Va., where he lived until he was 12 years of age. His father, a railway postal clerk, moved the family to Cincinnati, Ohio, where Dr. Steele attended high school, liberal arts college and was graduated from Cincinnati university's medical college with first highest honors.

During his senior year, he was a member of Alpha Omega Alpha fraternity. Following graduation he interned at Cincinnati General hospital. Later he served in the Air Force for two years, spending six months at Sheppard Air Force Base. He was sent to the Canal Zone for a nine months period. Upon being discharged from the service, he came to Wichita Falls in Dec. 1949, where he has been resident physician at Wichita General hospital.

Dr. Steele has one brother, Dr. Arden G. Steele, who has been practicing medicine at Loveland, Ohio. He is planning to move to Burk Burnett soon, where he will be associated with Dr. Phillip Carpenter. The parents of the two young physicians are seriously considering coming to Iowa Park to make their home within the next year upon Mr. Steele's retirement as railway postal clerk.

Dr. John Steele is a member of the Presbyterian church. His hobby is playing the piano and his favorite sports are tennis and swimming. He has moved into his new five-room residence at 410 Magnolia.

Three Holidays Are Chosen by Merchants

Directors of the Chamber of Commerce, at their meeting Tuesday, adopted as the official Merchants' Holiday Calendar these three days:

- Fourth of July.
- Thanksgiving.
- Christmas.

Other holidays optional. Following a survey, the business men of the town signified their willingness to observe these days.

The survey showed the following results: Christmas and Thanksgiving 28 votes each; Fourth of July 27; New Year's Day 20; Labor Day 11; Armistice Day 6; and Memorial Day 5.

The recommendation from the merchants committee, which was presented by Harrel Sullivan, listed four days and included New Year's Day. Following a thorough discussion, the directors selected the three days receiving the highest number of approvals and left a possible fourth holiday open for personal selection.

The merchants hope that the people of our community will cooperate with them in observing these holidays.

Unless men of good will do something radical quickly, 1951 does not offer much encouragement to the inhabitants of our tired old world. Little Marilyn Jo Bell, who was born August 15, 1950, at about the time Korea was torn apart by a major conflict, is shown above somewhat bothered by the mess we are all facing. She is the daughter of Mr. and Mrs. Joe F. Bell, 703 North Jackson, and has been added to the Herald's growing family of New Year's babies. Tommy McKinnon, son of Mr. and Mrs. Carl McKinnon, was the 1950 baby, and Larry George, son of Mr. and Mrs. W. A. George, welcomed 1949 to Iowa Park for the Herald. Bob Pace made the picture of Marilyn Jo.

Lions Hear Plans For Civil Defense

The Civil Defense setup for Iowa Park was presented to the Lions club Tuesday by A. L. Reed, who is first assistant to John B. Barbour in charge of the organization.

Mr. Reed emphasized the necessity of having the community prepared in case of attack by enemy bombing raiders, and also brought out that the same planning would also be effective in case of natural disaster of any kind.

As the first move in planning a civil defense program, Mr. Reed announced that in the near future all persons 15 years of age or older will be given an opportunity to register. From the information thus gained, qualified personnel can be found or trained to fit into the defense picture.

For the average citizen, training in first aid and in home nursing are the strongest points indicated. Specialized jobs will probably be taken by men already experienced in those types of disaster relief work.

In closing, Mr. Reed emphasized the necessity of having everyone register so that the plan could be built on a more solid basis than it would be if guesswork were used.

Lion Rodney Weaver was responsible for the day's program and introduced Mr. Reed.

Mrs. Clark Reports On Convention to Church Women

Mrs. C. E. Birk presided during a meeting of the executive board of the Iowa Park Council of Church Women, Tuesday morning at the home of Mrs. Gordon G. Clark, retiring president. During the session it was voted to amend the constitution and by-laws to provide that each past president would automatically be a member of the board of directors. A school of instruction in the immediate future was discussed.

Highlight of the morning was the report on the Fifth National Assembly of the United Council of Church Women at Cincinnati, Ohio, in November by Mrs. Clark, who was one of 14 Texas women who attended.

Mrs. Clark is now serving as district president and as state chairwoman of the May Fellowship Day observance.

Still impelled by the inspiration received at the meeting where 2,000 representatives of many races and churches registered, Mrs. Clark gave an interesting account of the convention. Some of the most notable persons who contributed to the meeting were Rose Page Welch, famed soloist, Dr. Clark G. Kuebler, Dr. W. J. Faulker, Dr. Frank C. Laubach, Dr. Sarah Chackko and many others.

As local chairman of world missions, Mrs. Chester Gleason announced plans for the World Day of Prayer observance which will take place Feb. 1. Theme of this year's program is "Perfect Love Casteth out Fear" and Mrs. Gleason stated that in addition to the afternoon service at one of the local churches, a youth program will be observed in the school.

E. E. Wallis, Iowa Park postmaster, this week announced that he has applied for the rural route now being carried by W. E. McKinney, who on February 23 will retire from the postal service. If granted his transfer, Mr. Wallis will resign his job as postmaster and leave the job open for some other person in this community to apply for.

Mr. McKinney, on his retirement, will have reached 70 years of age, which makes retirement mandatory. He will also have a service record of approximately 30 years, most of which has been in the local office.

To fill the vacancy created by this move, the U.S. Civil Service Commission has announced an open competitive examination. Applications must be properly executed and on file at Washington 25, D.C. prior to the hour of closing business on January 23, 1951.

Veteran preference will not be granted unless documentary proof is submitted. The date for assembling of competitors will be stated on the admission cards sent applicants after the date for the close of receipt of applications.

Applicants for the postmastership must have actually resided within the delivery of the office for which application is made, or within the city or town, for at least one year immediately preceding the date for the close of receipt of applications.

By Mrs. Roy Lakey
Hope you had a wonderful holi-
day season. With the New Year
coming as a spring day instead of
winter, warm sun shining and beau-
tiful, it's hard to realize there is
strife elsewhere in our world that
is reaching into our own homes,
making sad hearts.
Perhaps the beautiful weather is
a good omen, and early in the year
may we rejoice with other nations
in a peaceful and understanding
world. May our young men have a
future to hope for and look for-
ward to.
During the holidays our college
group made several families happy
to have them home. Wayne Hen-
derson, NTSC, with his folks;
Patsy McCarty, TSCW, Julia Hod-
ges, Stephens college, Mo.; Jo Stew-
art, NTSC, Bobby Boniol, NTSC,
Eloby Levell, June Smith, Phyllis
Deel, Billy Faye and Leroy Lakey
from Midwestern. Perhaps others
I can't think of at the moment.
Marvin Dale Childers was a stu-
dent at Denton, but last week had
to report in San Diego to learn to
be a sailor. He was a member of
the National Guard but joined the
navy. He left Christmas Day for
Dallas and the next day was on his
way West. His parents have heard
from him. He reports he never saw
as many boys and has seen several
from this vicinity.
The Childers had their dinner

before he left. Marvin's friend Miss
Helen Henderson of Electra, was
among the guests. Others included
Mrs. Childers' sister Miss Anna
Mae Hobson of Wichita Falls; Mrs.
J. C. Drennen of Altus, Okla.; Mrs.
Guy Childers, and Mr. and Mrs.
Joe Woodward and children. Mrs.
Woodward is their daughter.
Mrs. Guy Childers has gone to
visit a daughter in Durant, Okla.
She will return by way of Dallas
to visit a son Clovis and family.
Mr. and Mrs. Olin Bridges are
parents of a baby daughter. They
are visiting Mrs. Bridges' parents
Mr. and Mrs. H. L. Culpepper. Mr.
and Mrs. Claude Bridges, the pater-
nal grandparents, visited one day
this week in the Culpepper home
and met the new granddaughter.
We are glad the Claude Bridges
are as well as they are from the
wreck of more than a year ago.
Another car wreck victim we are
glad to hear about is Mrs. Preston
Ford, who by almost a miracle is
up and about in five months time.
May the new year be good to her
and son Gary.
Don Brisco, stationed at San Di-
ego was home during the holidays
with his parents Mr. and Mrs. Ern
Brisco.
Paul Fieke and Miss Betty Searcy
of Wichita Falls visited the Lakey
home. Paul is stationed at Camp
Chaffee, Ark., and was home a few
days.
Mrs. Paul Lambert and son Wayne
spent the holidays with Wayne,
but returned to Pampa for Wayne to
continue his school work. Mrs. Lam-
bert looks and feels much better
since locating in that city. As badly
as we hate to lose them, we are
glad she is relieved of asthma.
Mrs. Clarence Adams has been
on the sick list all during the holi-
days. She was in the Wichita Gen-
eral hospital, a real sick lady, but
is home and improving rapidly.
Mrs. Doss Miller and Carolyn
drove to Houston to bring Sher-
wood Miller and family for a visit.
While here they bought a car and
drove it back home.
Mr. and Mrs. Clark Wilkes spent
part of their holidays with relatives
and friends. They have had as guest
in their home her twin sisters the
Misses Evans of Dallas.
Mr. and Mrs. Jack Adams of
Ponca City, Okla., have been visi-
tors with their parents Mr. and
Mrs. C. Adams and Mr. and Mrs.
Marene Self.
Mr. and Mrs. Joe Wall of Austin
were with her parents Mr. and
Mrs. Odie Evans several days.
Mrs. Ay Anderson was hostess to
her son and family of Galveston
and daughter Mary and husband
Jim Mims of Oklahoma City.
Billy Rogers of Enid, Okla., visited
in the Lakey home. Billy was a high
school pal of Leroy's. Later he served
in the medical corps.
We four Lakeys were dinner
guests Sunday night with Mr. and
Mrs. Neal Mikeworth in Wichita
Falls.
Visitors in Burkburnett during the
holidays were Mr. and Mrs. Hut
Buzbee, visiting her sister and
brother-in-law Mr. and Mrs. Harms,
Mr. and Mrs. Belva Jones, Mr. and
Mrs. Ezra Jones and daughter Vir-
ginia visited Mrs. Ezra Jones' sister
Mr. and Mrs. Butts.
Mr. and Mrs. Ezra Jones's guests
for New Year's Day were their
daughter in law and granddaugh-
ter Mrs. Earl Jones and baby of
Dallas. Earl is in service and could
not be with them.
Mrs. G. F. Phillips spent several
days at home, but has returned to
Fort Worth to take over her tour-
list count.
Mr. and Mrs. S. N. Jones and
daughter Janice of Lubbock were
guests of his uncle Belva Jones and
Mrs. Jones.
Mr. and Mrs. Swan Reeves and
Glen were hosts to their family;
Mr. and Mrs. J. C. Farris of Dallas,
Mr. and Mrs. Buster Reeves, Mr.
and Mrs. J. L. Reeves and family.
Also Mr. and Mrs. J. L. Belote
(Mrs. Reeves' parents) and Mr. and
Mrs. E. C. Hall of Wichita Falls (a
sister).
Mrs. Delores Duncan and daugh-
ter Dixie of Fort Worth visited her
parents Rev. and Mrs. G. C. House
and daughter Sara Duncan over
the weekend.
Many of you remember Daisy Lee
Jones, now Mrs. W. R. Cooper of
Saudi Arabia. I had a letter saying
they were thinking of coming back
to the States this summer. Nan,
their daughter, will enter high

school and will go either to
Switzerland or Beirut, so they hope
it can be the U.S.
Mother Lakey and Alma returned
Sunday from Austin. Were we glad
to see them! It seemed more like
Christmas than Christmas did. Cal-
vin's wife is fine and able to do her
work when classes take up again.
Mrs. Hallie Goodman of Lanca-
ster is visiting with her daughter
Mrs. Lloyd Lowe and Mr. Lowe.
Mrs. T. M. Clark and daughter
Miss Helen Dale Clark spent the
New Year weekend in Bay Town
with Mr. and Mrs. Jack Moss.

JUNIOR NEWS

Well, here it is news time again after so long a time. It certainly is hard to settle down after the holidays. Everyone certainly looks like he had a nice Christmas. Especially Jimmy Jones. He had on a beautiful new leather jacket and a new shirt. He must have had a nice Christmas, but he isn't starting the new year very well. Do something, Jones, don't let him get away with it, even though he is a jr. Oh, I almost forgot about his identification bracelet. It was pretty too. If you don't do something quickly, you may have to change that name on the back of it.

Ben certainly certainly has been looking nice since Christmas. I guess it all has something to do with the electric razor Lou Ann got him.

Noralene is sporting a beautiful bracelet and necklace. Her boyfriend gave them to her.

Lera came to school looking real sleepy. She said she saw three picture shows Sunday night. She didn't tell anyone whom she was with but I think everyone knows who it is because he is the same one who brings her to school.

Coy said he didn't do anything but sleep in the daytime and run around at night. Whom did you go with, Coy?

Charles Quick is still going steady with his ar. He gave her a real pretty gold evening bag. They were both at the New Year's party looking happy. Must be love.

Eddie's getting back in the same rut again. He went with one of his old flames again Tuesday night.

Seems everyone is cutting her hair. Lou Ann cut hers and it looks like she backed up to a fan. It is cute though, Lou Ann.

Roughout really must have had some gay times over the holidays. Since he's come back to school he has hardly said anything. I guess

his soph girl kept him awake. Ha! Rose Mary saw Noralene and her boyfriend during the holidays. She leaned out the back window and called their names. When she came back to school Noralene told her to be careful because that wasn't even the name she had called. Rose Mary just nearly died laughing. Later Noralene told her that it was he though. She had a good laugh for a while anyway.

Mac went out for basketball but hurt his knee again. He will probably devote his time to collecting money for the jr pins.

Janice went to east Texas during the holidays. Her mother must have got a new car for Christmas, because she was driving a new one at the ball game. It sure is a pretty car, so, Janice, please don't wreck it.

Helen must have got some new clothes for Christmas. She came to school Wednesday with a new skirt and sweater on.

Bill Pitts got a billfold with his name on it, from an old soph flame. It was a surprise.

Eldon has been seen a lot lately with a cute soph.

Joe is still playing basketball and I don't think he has been dating.

Robert had a nice Christmas (I know!). He has been flashing new shirts around school this week.

Doris got a beautiful new suit. She wore it Wednesday.

Darlene must have eaten too much because she hasn't been back to school.

Gene Voyles is still dating a Wichita Falls girl. He hasn't told who he got for Christmas.

Jackie and Ferdie are still playing basketball. They get more screams from the girls than any body. Good. They're jrs.

Guess I will sign off now, leaving everyone trying to find out who the school favorites are.

So long, Mary Fortner.

Recent visitors in the home of Mrs. A. C. Henson sr. were Mrs. E. B. Bailey of Wichita Falls and her mother from Austin. Mrs. Laura Moody Wise of Electra is caring for Mrs. Henson during the absence of Mrs. Fred Warren.

Dr. Clarence Poe Explains Point Four Program

South To Benefit, Says Progressive Farmer Editor

Birmingham, Ala., Dec. 20—Addressing a group of agricultural leaders from Alabama, North Carolina, Kentucky, Tennessee, and Texas in Birmingham recently, Dr. Clarence Poe, President and Editor of The Progressive Farmer, and recently appointed by President Truman as a member of the Advisory Board of the Point Four Program, said the whole South should profit from development of under-developed areas of the world under the Point Four program.

The program, stated Dr. Poe, is not a "give-away" project, but aims to help foreign nations help themselves through industrial and agricultural development. Dr. Poe defined the immediate objective of the program's committee as providing employment in industry and progress in agriculture with the aid of technical assistance and sound investments by American capital. It is hoped that the program will achieve a degree of agricultural progress in many rural regions of the world comparable to that accomplished in our own South through the Agricultural Extension work of farm and home agents.

The interest of American business in the Point Four program is evidenced by the fact that President Truman secured Nelson A. Rockefeller as chairman of the board and Harvey S. Firestone, Jr., as a member. The President also appointed John L. Savage, chief designing engineer of the Hoover and Grand Coulee Dams, and, indicating the great emphasis to be laid on public health, Dr. Thomas Parran, former Surgeon General of the United States.

The South has a major interest in the groundwork of the program in that the chief organizer has been

DR. POE

Capus Waynick of North Carolina, and groundwork for its activities was laid in the widely discussed Gordon Gray report, authored by the new president of the University of North Carolina. Dr. Henry G. Bennett, president of Oklahoma A. & M. College, has been made executive director of the entire Point Four program, and Dr. Paul W. Chapman, of the University of Georgia, will advise on development of rural industries. Dr. Robert P. Daniel, president of Virginia State College for Negroes, is also a member of the Advisory Board.

Dr. Clarence Poe organized The Progressive Farmer Company and has been its president during the magazine's period of growth from a circulation of 5,000 to its present monthly circulation of more than 1,150,000. Dr. Poe has traveled widely abroad and is the author of two books on agricultural and industrial conditions in Europe and the Orient.

★ SENIOR NEWS

Christmas has come and gone and it sure brought some pretty gifts to some of our sr pals.

Some of the boys must be having a hard time keeping sr girls warm, because several came upon the idea of giving the girl of their dreams a jacket.

Patsy Jane got a pretty white leather jacket from her boy friend, Bill.

Eva Nell must have been wearing her boy's jacket, because he got her one just like his.

That redhead Gordon gave Mary Ella a pretty jacket too. They look dressed up when they go together, he in his new car and she in her new jacket.

Santa Claus brought Reat a white leather jacket all the way from the north pole. And her boyfriend gave a bracelet for Christmas and a vanity set for her birthday the following day.

Lou Ann's jr boy friend gave her some pretty gifts. She got a green satin quilted robe and a real clever hatbox.

Oh! I might add this — Lou Ann is nearly an aunt. All she lacks is about 4 or 5 years. See—Ben's sister-in-law has a new baby girl and so all Lou Ann has to do to become an aunt is to marry Ben.

Caroline Sue got a real cute little puppy. He sure is a lot of trouble though. Jimmy is buying her a radio but Santa Claus hasn't made the delivery yet.

Bobbie Ruth's man gave her a new necklace and earring set. Walter gave Wilma a real sweet bracelet. Isn't it, Wilma?

Eva Jane received a housecoat from her one and only. Doyle gave Charlene the cutest compact with dice on top. When she's not primping she is shooting craps. He also gave her a music box.

Norma and her boyfriend went shopping. They didn't buy yet, but just give them time!

Sandra's friend sent a real cute pajama, robe and slipper set from Japan. That was what one boy friend gave her. Another gave a compact and a head scarf. Still another gave her a string of pearls and some pretty earrings. Boy, she was lucky!

Wanda Scott's jr gave her a gold evening bag. She carried it at the sr play to complete her costume.

Tommy gave Jackie a jewel box and some perfume. J. C. must have really got the Christmas spirit because he is going steady now.

What is this I hear about one of our love couples in the between acts of the play going together? Ask Wanda and Eldon about this.

Lou Ann and Wanda took the scissors to their hair and just about cut it all off. Looks cute too. The students voted for favorites this week and the Annual staff plans to keep the results secret, but we will find out some way.

The volleyball girls played Burk here Tuesday night. In all they played six games and won them all. Pretty good!

Well, we have midterm exams starting next Tuesday. That is Lucille's birthday and she wants the teachers to give her 100 on the tests for her birthday.

Guess I better go. Happy New Year. — Lucille.

Mrs. V. C. Burns and parents Mr. and Mrs. E. A. Lawson visited in Amarillo last week. They were called to Sulphur this week to attend the funeral of Mr. Lawson's brother.

Mr. and Mrs. Hebe Tatom and Mrs. R. P. Dunham of Davidson, Okla., attended funeral rites here Tuesday afternoon for the Gene Tatom baby.

Mrs. Della Guthrie visited her daughter and family at Boulder, Colo., last week.

Methodist Youth Have Christmas Banquet

Randolph Clark acted as master of ceremonies at a "Big Time Banquet" enjoyed by members of the Methodist Youth Fellowship, Thursday evening, Dec. 28. Special guests for the occasion were college students of the church.

Invocation preceding the meal was given by Miss Betty Jo Hatten. The program for the evening was introduced by a singsong led by Miss Betty Perry. Mickey Sewell contributed a trumpet solo "The Holy City," with piano accompaniment by his mother Mrs. James A. Sewell.

Inspirational address was given by J. B. Walling, youth director of the Floral Heights Methodist church of Wichita Falls. The "New Year and Time" theme was carried out in invitations, decorations and favors.

Mrs. M. J. McDonald, superintendent of the young people's department, was in charge of arrangements. She was assisted by Mrs. Otis Gay and Mrs. T. C. Scott, department counselors. The meal was served by mothers of young people of the department, with Mrs. Herman Mahler acting as general chairman.

Recent visitors of Mrs. Tinkle Smith and Mr. and Mrs. S. E. Ketchum were Mr. and Mrs. U. S. Johnson of Dale and Howard Johnson of Brady. Mrs. Johnson is a sister of Mrs. Smith and Mr. Ketchum.

Mr. and Mrs. Weldon Tatom and daughter of Cactus, Mrs. D. H. Campbell and children and Miss Polly Tatom of Dumas have returned to their homes after a visit with their mother Mrs. Vera Tatom.

Mr. and Mrs. Durward Spruiell and children left Monday for their home in Van after spending the holidays with their parents Mr. and Mrs. Will Spruiell. Another son Dr. Lowell Spruiell and family were here from Toluca, Mexico, for a visit with them and with Mrs. Spruiell's parents Mr. and Mrs. O. M. Jones. Their oldest daughter, Kay Lynn, has been attending the school here. She is staying with Mr. and Mrs. Jones.

Dick Weaver has been spending a 10 day vacation here with his parents Mr. and Mrs. H. W. Weaver. He is employed in Los Angeles, Calif.

Marvin Dunn, brother of Mrs. J. R. Sears of Iowa Park, has been returned to his home at Paris following his severe injuries in a car-train wreck at Merkel, in which his mother was fatally injured. With good care Mr. Dunn is expected to make a complete recovery.

Mrs. Jasper Aynesworth and her daughter-in-law Mrs. Charles Aynesworth, spent Sunday afternoon with her sister Mrs. H. B. Britt and Mr. Britt.

Don James was home with his parents Mr. and Mrs. D. O. James, Sunday and Monday night. He is now stationed at Fort Riley, Kans., and the family went to Oklahoma City to meet Don.

Mr. and Mrs. W. R. Pastusek and sons Robert and Michael and daughter Frances spent the New Year weekend at Megargel with his parents Mr. and Mrs. Frank Pastusek.

Mrs. James A. Smith of Wichita Falls spent Sunday afternoon with Mrs. Tirzah Portis.

Mr. and Mrs. M. L. Hines and son Travis of Lubbock spent Christmas with her parents Mr. and Mrs. J. N. George.

Mr. and Mrs. Bob Shipley of Ft. Worth visited Mr. and Mrs. J. A. Berg during the holidays.

Mrs. Dee Allen has returned from Seattle, Wash., where she visited her son Roy A. Norwood. He has since been transferred to the Naval hospital at Oakland, Calif.

Mr. and Mrs. R. L. Daniel and children from Kermit spent Friday night with his sister Mrs. Carl Walsh and Mr. Walsh.

Mr. and Mrs. E. H. Shaver and children Brenda, Roger, and Carolyn of Fort Worth have been visiting in the home of Mr. and Mrs. Gale Lowrance this week. The two women are sisters.

Ted Ovebye left Thursday morning for Dallas where he will attend a three day annual meeting of the Texas Association of Pairs and Expositions.

New Year Greeted With Openhouse by Yeargan Family

A linen cloth of dew green embroidered cutwork covered the refreshment table which was centered with white and dew green double carnations and dwarf ornamental palm branches. Serving the guests were Mrs. G. S. McSteen and Miss Frances Park, who presided at the crystal service; and Mrs. John Clapp, Mrs. Gale Lowrance and Mrs. Gayle Park.

Lone Star delivers America's most sought-after fuel to hundreds of new industries

The cities served by Lone Star Gas Company are part of the region which is leading the nation in industrial growth. One reason for this is an abundant supply of natural gas—the best and cheapest fuel for industry as well as for the home.

Lone Star Gas Company's building program, in which we have invested over 80 million dollars in the last five years, has kept an abundant supply of natural gas flowing to new industries and old.

No one doubts that record-breaking industrial growth in this section will continue. We are continuing our building program which will make still more Texas and Oklahoma natural gas available for Texas and Oklahoma industry.

This year we shall invest 18 million dollars building new facilities. In the future, as in the past, industry here (and homes and business) will continue to enjoy the benefits of dependable, low cost natural gas service.
