**Season's Greetings**

## Christmas of past recalled by members

The 23 Study Club members remembered Christmas of yesteryears at a meeting held Thursday afternoon in the home of Mrs. D.O. James which was festively decorated in the Christmas motif. Mrs. Homer Blalock was co-hostess.

The program where each member took part featured many images and familiar customs of the Yule season and how they came to be a part of the traditional Christmas celebration.

Mrs. Sam Hill coordinated the program that dealt with the origin and history of numerous things that make the Christmas season more meaningful and joyous in contemporary times. These included the Christmas tree, colors, lights, cards, presents, stocking, carols, Santa Claus, manger scene, reindeer, mistletoe, poinsettia, and Rudolph the red nose reindeer.

Special program parts included "Jesus Birthday" by Mrs. Earle Denny; "On Christmas Day in History" by Mrs. China B. Smith; "Yes, Virginia, There Is a Santa Claus" by Mrs. Homer Blalock.

Music, which has played an important part in Christmas since the angelic choir sang "Peace on earth, good will to men" on the night Jesus was born in Bethlehem, also lent inspiration to the program.

Mrs. Joe Singer, accompanied by Cecelia House, sang "The Friendly Beasts," a traditional tune. Mrs. Keith Aulds provided her piano

### Yule dinner for sorority

Epsilon Eta chapter of Epsilon Sigma Alpha held a Christmas dinner at the home of Mrs. Alan Forney with Mrs. Lonnie Fischer, the co-hostess, to conclude the holiday activities. Husbands of members were special guests.

Members brought items for a food basket for a needy family and Mrs. Fischer reported that Christmas gifts for the family had been purchased and ready for delivery.

A report was given on the chapter's Christmas bazaar and bake sale, and the taking of Santa pictures, with all money from the last project going to the North Texas Rehab Center.

A gift exchange concluded the meeting. The next meeting will be held Jan. 6 at the home of Mrs. Bud Mercer with Mrs. Howard McDowell, the co-hostess.

### Couple renews vows

Mr. and Mrs. Gaylon Hutto renewed their vows on the 13th anniversary of their wedding Sunday evening at the Assembly of God Church.

Tracy Jordan was hostess for the reception that followed.

The guest book table was draped with a hand-crocheted cream lace cloth over pink. It held a bud vase with pink roses and an antique crystal bowl with pink and white floating rose candles.

The refreshment table was covered with white lace over pink and centered with a bouquet of pink roses, white carnations and three tapered candles. The white cake was decorated with pink roses and topped with white hearts tied with pink ribbon and centered with white doves.

Mrs. Hutto wore a corsage of pink roses, carnations and white tube roses with her pale pink dress. Mrs. W.H. Green of Lubbock, mother of Mrs. Hutto, was a special guest.

The Huttos were married Dec. 18, 1973, in Clovis N.M. and have lived in Iowa Park 12 years.

accompaniment for a solo, "Mary's Song." Mrs. House played "The Christmas Song" and furnished accompaniment for the group singing of "White Christmas," "Santa Claus Is Coming to Town" and "We Wish You a Merry Christmas."

A gift exchange followed the program and members gave monetary gifts to Girlstown.

During the social hour, refreshments were served from a table covered with a red satin Christmas cloth centered with a candle ring of holly, poinsettia, miniature oranges, strawberries and apples holding tall red and green candles flanked by green angels with gold wings and halos raising tall red candles.

The next meeting will be a reports workshop Jan. 8 at Texas Electric Reddy Room.

# As I See It... By BOB HAMILTON

There was a touch of irony with this week's announcements of two men being named to key positions in the community.

Both the new president of State National Bank and the chief of police, Bert Williamson and Alan Sheffield, respectively, are 37 years of age.

Both are pretty good sized fellers also. When I asked the new chief how tall he was, he smiled and re-

sponded "5-19."

I wish them both problems no larger than a pinhead, and have full confidence they will work for the betterment of the community.

I just happened to think of another touch of irony, concerning the same two positions.

It was in our Christmas edition about 15 years ago that we reported the robbery of State National Bank and subsequent capture a few blocks

away by another police chief.

I hope this Christmas finds your homes warm, loads of presents under your tree and all your families well and with you.

Hopefully the weather will hold no worse than it's been around here the past couple of weeks, and no one will have problems traveling.

And that includes Santa Claus!

# Sheffield selected city police chief

New chief of the Iowa Park Police Department is Alan Sheffield, 37.

Following his confirmation Monday night by the city council, Sheffield said he plans to be on the job the week of Jan. 5.

Selection of the new chief ends a search which commenced with the Oct. 17 resignation of former chief Bob Dean.

The 15-year-veteran of law enforcement will move here with his wife, Loretta, from Crystal Beach, where he has served as chief of that department since June of 1984.

A graduate of Lamar High School in Houston, Sheffield attended Houston Community College, San Jacinto Junior College, the University of Houston and numerous inservice schools.

# Arson, burglary, drugs investigated Monday

When it rains, it pours, and that saying appears to be as much true for Iowa Park police as anything else.

Police had three major events to work Monday, including arson, burglary and possible apprehension of the suspects, and a dope arrest.

Answering a call shortly after 5 p.m. to Family Hairstyles, where vandalism was first described, police quickly determined they had an arson case on their hands.

Family Hairstyles occupies the old home economics building which is leased from Iowa Park school district.

Police found the front door had been broken to gain entry, and someone had poured some kind of liquid into the tanning room, to the right inside the front door, and started it ablaze.

However, the culprit apparently did not understand fire, because he closed the door to the room, smothering the flames before it ignited anything but the wall covering and paint.

The can was left on the floor, and a book of matches from a Wichita Falls eating place nearby.

Mrs. Turman, owner, said the business was closed on Mondays, and the last time the building had been used was about 3 p.m. Sunday.

Acting police chief Mike Stark said his department is investigating and they have at least one suspect.

Damage, which was mainly to the tanning machine, was estimated at approximately \$4,500.

Some five hours later, at 10:10, a resident at 603 W. Texas reported a burglary. Norma Young told police she was missing a silver tea service and costume jewelry.

Then at 11:35 p.m., according to the police blotter, officers Tom Stephens and Roy Ross reported to the radio dispatcher that they were in pursuit of two men on a motorcycle.

The two, when captured, became suspects in the burglary case, though reasons for suspicion was not told.

Traveling east on the old high-

way, one of the two men fell off the vehicle just after it passed Bell Road, and the rider was stopped near the entrance to Pleasant Valley Estates.

Taken Tuesday morning before Justice of the Peace Virgil Hill and later to the county jail were: Russell Ray Thomas, 31, of Wichita Falls, charged with burglary of a habitation; and Billy Eugene Hodges, 28, of Iowa Park, charged with burglary of a habitation and eluding officers.

Hodges, according to the blotter, also has outstanding warrants from Wichita County for one count of forgery and two counts of theft.

Monday got its start for police at 1:56 a.m., when Kerby Ernest Devers, 25, was taken into custody in the 700 block of East Highway.

He was charged with public intoxication and possession of less than two ounces of marijuana.

Devers was released at 7:59 a.m. to a county deputy.

Another burglary was reported Wednesday night of last week.

Paul Guyette reported his home at 307 W. Pecan had been burglarized of jewelry and video equipment. The front door had been forced open to gain entry, according to police.

He began his law enforcement career when he joined the police department of West University Place, a Houston suburb. After seven years he operated a private security firm one year, and then sold his interests and joined the Wharton County sheriff's department where he became director of the major crimes task force and served one year as sheriff when the elected official died.

Crystal Beach is a tourist community of about 1,500 population across the bay from Galveston that has a summer-time population of as many as 20,000.

His department is compared with Iowa Park's, personnel-wise, with seven regular officers and a full compliment of radio dispatchers. But it adds eight part-time officers when the summer population arrives.

A large man, Sheffield stands 6-7 and weighs about 285 pounds.

"I want the citizens to feel they can come in and talk with me, and what they have to say will not fall on a deaf ear. We'll have an open door policy," he said.

Mrs. Sheffield was raised on a South Dakota ranch.

# Trash trucks to be working

Overflowing trash containers have been a problem at Christmas-time in the past, but the city has made arrangements to hold that problem to a minimum this year.

Administrator James Barrington said trash trucks will be working both Christmas Eve and Christmas Day, and roll-out patrols will have their regular pickups Friday.

Because of the anticipated heavy loads for the holidays, Barrington said the trucks will be working areas Friday they might have missed Wednesday and Thursday.

**AN OPEN LETTER TO THE CUSTOMERS OF WICHITA VALLEY WATER SUPPLY**

Dear Members:

Within the next few days you will be receiving your monthly water bill; also your card to vote for board members. This year 3 are up for election. I for one think it is time for a change. Most of our board has been there for a long time. New members could bring new ideas.

Before marking your ballot or trashing it -- Think! Think about your high bills a few months ago. Think about late charges or cut offs you or your neighbor might have had. Think how little help you have received in the past with a water problem. Then remember you own just as much of this corporation as any board member.

I would like to point out how much your vote for board members count and how important it is you attend the monthly meetings of Your corporation. Did you know Dec. 15th You Voted, thru your elected board member, to give each employee a 5% raise now (which I did consider to be fair) with an additional 5% in 6 months if merit warrants? Did you know you voted to give 6 employees a \$150.00 and 2 employees a \$200.00 Christmas bonus? Only one board member voted No because he realized, and so stated, that a lot of our members were having a hard time just making ends meet. The way I see it \$1,300.00 worth of Christmas cheer is thoughtful but just not very practical at this time. As of December our corporation was just getting back in the black, \$208.00 in round numbers.

I would like your vote for a chair on the board to see if some changes can't be made to benefit our members. Your vote, your coming to the January and every monthly meeting could make changes to benefit all members. If you are dissatisfied with your bill or your service the board needs to hear from you and keep hearing from you until the membership -- not just the board -- is satisfied. Should you have any questions please feel free to call 855-6839 after 5 p.m.

Sincerely

## Bill would increase penalty for animal cruelty offense

Rep. Charles Finnell introduced a bill Monday which would increase the penalty for second offense cruelty-to-animals convictions.

House Bill 151, which has been pre-filed by Finnell in anticipation of the convening of the 70th Legislative Session on Jan. 13, is designed to discourage mistreatment of animals by raising the penalty for a second or subsequent conviction from a Class A misdemeanor to a third-degree felony.

"Malicious and continued cruelty to animals should not be tolerated as it is when even a second conviction is a mere misdemeanor."

"A third-degree felony carries the threat of a prison term and the possibility of a fine up to \$5,000," he said.

"Hopefully, the stigma of a felony and a prison term will help to discourage the repeated cruelty to defenseless creatures," Finnell added.

**ALMOND LEGEND CAKE**

This legendary almond cake, with one whole natural almond baked inside, is fun to bake for friends or family. You slice and serve the cake in the usual way. The lucky person who receives the slice which contains the almond is said to enjoy good fortune all year.

1/2 cup finely chopped whole natural almonds  
2 1/3 cup sifted all purpose flour  
2 tsp. baking powder  
3/4 tsp. salt  
1/4 tsp. soda  
2/3 cup shortening (1/2 butter)  
1 1/2 cup sugar  
1 tsp. each vanilla & almond extract  
3 large eggs, separated  
3/4 cup milk  
2 T. lemon juice  
1 tsp. grated lemon peel  
1/2 tsp. cream of tartar  
1 whole almond

Grease 9-inch Bundt pan heavily with 2 T shortening. Sprinkle with chopped almonds. Re-sift flour with baking powder, salt, and soda. Cream shortening well with 1 1/4 cup sugar and flavorings. Beat in egg yolks. Blend in flour mixture alternately with milk, lemon juice, and peel. Beat egg whites with cream of tartar. Gradually beat in remaining 1/4 cup sugar, beating to stiff meringue. Fold into batter. Turn into pan. Press whole almond just below surface of batter. Bake below oven center at 300 degrees, about one hour and 20-30 minutes. Let stand 10 minutes, then invert onto wire rack or plate to cool. Brush with Apricot Glaze when cold.

**Apricot Glaze:**

### Christmas tree burning slated New Year's Eve

Residents will have an opportunity to get rid of their Christmas trees, the safe way, by taking them to the vacant block between Third and Fourth Streets by New Year's Eve.

The fire will be lit at 7 p.m. by members of the Iowa Park Volunteer Fire Department, who will oversee the project to be sure it remains safe.

Christmas trees, especially when they've been cut a long time and have dried out, are very dangerous because they ignite so easily, observed Fire Chief Danny Skinner.

Skinner said children have been known to collect discarded trees from the alleys and build forts in which to play. This, he pointed out, is extremely dangerous to the youngsters.

Those discarding their trees should place them in the marked area, where the two bonfires have been held this fall.

BURT WILLIAMSON  
...new SNB president.

## BURT WILLIAMSON New bank president

Bert Williamson was promoted to president of State National Bank, effective Jan. 1, by the bank's board of directors.

Williamson, 37, has served as an executive vice president and succeeds his father, Stanley, who will remain as chairman of the board.

A native of the area, Williamson was graduated in 1968 from Iowa Park High School. He attended Hardin-Simmons Univ. and Tarleton State Univ.

He joined the bank, which now has \$48.9-million in total assets, in 1978 as assistant vice president.

His wife, Kathy, is also a native Iowa Parkan. Her maiden name was Holdeman.

The couple has two children, Stanley Reese, a student in the third grade, and Kelly May, who is in the kindergarten. He has another daughter, Christie Ann, 16, who resides in Wichita Falls.

The Williamsons are a pioneer family of Wichita County. Stanley's mother, Mrs. Carl Williamson, moved to the Burkburnett area in 1883.

Stanley bought controlling interest in State National Bank in 1975.
