Hawk Relays revival slated Saturday

After an absence of several years, the Hawk Relays returns Saturday.

With an eye on returning the meet to its earlier prominence as one of the biggest track meets held each year in North Texas, the Iowa Park Lions Club agreed to undertake sponsorship of the event.

Between 450 and 500 athletes are expected to participate in four divisions, starting at 9 a.m. and continuing until late in the afternoon.

This will be the first meet on the Hawk Stadium track, which has been recently resurfaced and marked with stripes for metric distances.

Varsity boys' teams from Bowie, Graham, Abilene Wylie, Decatur, Burkburnett and Iowa Park will make up Division Four.

Division Three will include the varsities from Holliday, Olney, Electra, Henrietta, Seymour and Throckmorton, as well as the junior varsities from Burkburnett, Decatur, Bowie, Henrietta, Vernon and Iowa Park.

Girls' varsity teams from Olney, Decatur, Henrietta, Holliday, Vernon and Iowa Park will make up Division Two.

Division One teams will be the girls' junior varsities from Bowie, Henrietta, Holliday and Iowa Park, as well as the Throckmorton varsity.

They will be competing for medals for first, second and third places in all divisions, and ribbons will be awarded to fourth, fifth and sixth places.

Trophies will be awarded to each division champion.

Following a scratch meet for coaches and officials at 8 a.m. in the high school cafeteria, field events will get underway at 9. All field events will be continued until the winners are decided.

Preliminaries in the running events will begin at 10 a.m., following the 3200-meter final.

In all running events, Division One will lead off, followed in order by Divisions Two, Three and Four.

The top eight qualifiers in each preliminary running event will advance into the finals, which are to get underway at 3 p.m.

The order of running events that afternoon will be the 400-meter

relay, 800-meter run, 100-meter hurdles, 110-meter hurdles, 100-meter dash, 800-meter relay, 400-meter dash, 200-meter dash, 300-meter hurdles, 1600-meter run and the 1600-meter relay.

Athletic Director David Baugh will serve as meet referee; Barry Lucy as meet director; Jimmy Alsop and Richard Davis will keep the tally sheets; Robert Wilcox, announcer; Dean Kirkpatrick, starter; Carlton Hicks, time clock, and Tim Clark and Darryl Frazier, course clerks.

Timers for running events will be David Parkey, Ken Via, Joe Hughes, Mike Sellars, Ron Woods, Jerry Reed, Jim Duggins and Harold Brooks.

Catchers will be James Barrington, Phil Welch, Robert Palmer, Larry Palmer, Allen Shewmake and John Sibley.

Don Windham, Glen Mitchell and Randy Lovelady will be judges at the relay exchange points.

Officials of the field events will be: Danny Coffman and Ron Woods, long jump; Stephen Bidy, Darrell Munday and Gay Bradford, high jump; Joyce Smith and Randy Lovelady, triple jump; Newt Newman and Earnie Reusch, shot put; Terry Davis and Allen Sheffield, discus; Pat Kennedy, Bob Hamilton and Mark Wilson, pole vault.

Overseeing the points and ribbons will be Keith Aulds, Marilyn Hale, Dee Blackwell, Becky Lovelady, Dorothy Palmer, Carol Hayslip and Joe Neskorik.

Awards will be presented by Iowa Park cheerleaders, who will also hold the finish line string.

Athletes in the football off season program will be used to carry and set hurdles, as well as assist runners with starting blocks.

ONE MORE TIME - Traffic into and around city hall was disrupted this week when workers began tearing out the old sidewalk and parking area, to be replaced with concrete. This is the final phase of the city hall renovation project which has been taking place over some eight years.

IOWA PARK LEADER 28 Cents

Vol. 18, No. 25 IOWA PARK, WICHITA COUNTY, TEXAS 76367 Thursday, March 5, 1987

PROJECT SHOW

To be held Tuesday, Thursday

The Annual Iowa Park 4-H and FFA Project Show will be held next week, but its format has been changed.

Instead of holding all judging on one day, usually a Saturday, the show this year will be held on two evenings, both starting at 6.

Lambs, goats, steers and horses will be shown Tuesday, and Thursday judging will be for hogs, poultry and rabbits.

Lambs must be in the barn and weighed by 1 p.m. Tuesday. Swine will be admitted between 6 and 8:30 p.m. Wednesday, and must be weigh-

ed by 1 p.m. Thursday.

Judging will be by Ray Dillard, Vocational Agriculture teacher from Electra.

Additional lighting has been added to the FFA Project Barn on East Ruby.

The county show will be held Saturday and Sunday of next week, with the premium sale the evening of Mar. 16.

Operating the concession stand at the local show will be the Iowa Park 4-H Club. They will be offering hot dogs, pizza, nachos, snacks and drinks.

School trustee election draws host of hopefuls

Candidates for the school board election "came out of the woodwork" during the past week.

Only one candidate, Sheri Kennedy, had filed by presstime last week, but that number had swelled to 17 by filing deadline.

And each of the three places on the board are contested.

Candidates for Place Two, which is for a one-year term to complete the unexpired term vacated by Roy Boutwell, are Ron Barnes, Larry Ashford, Lester Rose, Roy Don Wynn, Wen-

dall House, Robert Morris, Jerry Gholson and Jim Cooper.

Kennedy, the first to file for Place Six, has drawn competition from Mark Raby, Beverly Cockburn, Denny McCarthy, Roy Reed, Don Decker and Jackie Gholson. Place Six has been held by Rex Wells.

Place Seven, which is being vacated by Marilyn Hale, has drawn Dee Blackwell and Gary Fielding.

Three applications to file had been picked up, but not turned in.

A drawing is to be held at 8 this

morning for positions on the ballot.

Voting on the school board, as well as the city council, will be held April 4.

Only one of the three positions on the city council is challenged this year.

Place One, being vacated by George Hammonds, has drawn as candidates Keith Fisher, Virgil Woodfin and Charlie Brown.

Incumbents Johnny Coker, Place Three, and Diane Robnett, Place Five, will run unopposed.

Spring break: no classes

Iowa Park students will get a taste of what it will be like three months later.

There'll be no classes all week. It's Spring Break time.

And, related to spring break, school trustees will not hold their regular monthly meeting Tuesday. That has been postponed until Mar. 17.

Iowa Park's 'Smurf' no comic character

If you've been injured some way in an accident, you'll be happy to see "The Smurf" approaching.

Iowa Park's Smurf is Vicki Lynn Bradshaw, first woman voted onto the Iowa Park Volunteer Fire Department and a dedicated Emergency Medical Technician.

If you see her at a fire, she's swamped in her original-issue bunker coat firemen wear. They've never had a member who stood a half inch less than five feet tall.

But that's being taken care of. A new jacket is on order, she says.

The 33-year-old mother of two daughters, Michelle, 10, and Amanda, seven, isn't the only member of her family who is an EMT. Jerry is a paramedic and also a member of the Iowa Park department.

The Bradshaws have been residents at 1117 W. Louisa the past year and a half. They first met while working at Siemens-Allis, and later married.

"It amazed me that he would go as a volunteer (with West Wichita). He got me a book while I was in the hospital for an operation, and I started studying," she recalled.

That study paid off, because she was later hired as an attendant for Lifeline Ambulance.

She has advanced past the first of three levels of study, EMT Basic, and is nearing completion of EMT Special Skills.

The two seldom go out on calls at the same time, especially in the evenings. But if called, Vicki says her neighbors are very helpful and will take care of their daughters.

Jerry, who is starting his own pest control business here, became interested in his volunteer work following the 1979 tornado in Wichita Falls.

Vicki is not working, though she says she is looking for a job. "I'm just being a housewife and mother now," she says.

Being an EMT is not her only duty with the fire department, however. She has, and still does, respond to fire calls and continues the training required for firefighting.

In-department training is held twice a month, and she said she hopes to be able to attend the state fire school at Texas A&M in July.

"I have to fight emotional involvement when I'm treating children who are injured," she says. "It hits home (because of her own children) more than with older people."

When asked where she was raised, she laughs and says she was born in Oklahoma, but being an "Army brat," her family moved about every two years until she was graduated from high school.

She attended college one year, then went to work. But her training in medical care has equalled a second year in higher education.

JACALYN KAY HALE AND DR. MARK STEVEN LANE

Wedding date selected

Mr. and Mrs. Darrell Hale are announcing the engagement and forthcoming marriage of their daughter, Jacalyn Kay, and Dr. Mark Steven Lane, son of Mr. and Mrs. Frank Lane of Sudan. The couple will exchange their vows March 28 at the First United Methodist Church.

Miss Hale was graduated from Iowa Park High School. She attended Texas Tech Univ. and was graduated from the Univ. of Texas Health

Science Center in Dallas with a B.S. degree in clinical nutrition. She is employed as a clinical dietitian for Lubbock General Hospital.

The groom-elect was graduated from Sudan High School, West Texas State Univ. with a B.S. degree in biology, and Texas Tech Univ. School of Medicine. He is completing his residency in family practice at Texas Tech Univ. Health Science Center.

Volunteer work sought for State Hospital

Mercy Spears, with the Volunteer Services at Wichita Falls State Hospital, presented a "Beyond the Bricks" slide program with narration for the Iowa Park Lioness Club Thursday evening. She was introduced by Mrs. C.L. Thompson.

Mrs. Spears said that the hospital was one of eight state hospitals under the Texas Department of Mental Health and Mental Retardation and serves a 22-county area. She said there were approximately 450 patients there now with 1,000 employees, including 10 physicians, 11 psychologists, 19 social workers, 36 RN's, 57 LVN's, 430 direct care staff, and 48 rehabilitation therapists.

She said the ultimate treatment goal at the hospital was to return patients to the community to resume a productive life, through medication, counseling, activity therapies, and other types of service.

She stressed the important part volunteer workers play in meeting the needs of patients which the state may or may not supply, and encouraged members to get involved in volunteer work.

Mrs. Sam Hunter presented the devotion using "Step by Step" for a theme.

During the meeting, C.L. Thompson, president of the Evening Lions, explained what is involved and the benefits of the club becoming a chartered Lioness Club, a matter the club will consider during the business meeting in March.

Mrs. V.I. Woodfin and Mrs. Gerry Thurlo were hostesses for the meeting. The refreshment table was centered with a bouquet of fresh yellow jonquils.

Cookie sale is underway

The NorCenTex Girl Scouts are currently selling their cookies through Mar. 15. The girls are selling cookies by going door-to-door, holding booth sales at local stores and by making telephone contacts.

Residents not contacted by a Girl Scout can call Penny Morgan, 592-9638, Service Unit Cookie Chairman for Iowa Park, to order cookies.

This year there are seven varieties to choose from. Each box sells for \$2, which is collected when delivered.

Girl Scout cookies support troop activities such as campouts, field trips, and service projects as well as teaches the girls how to handle money and how to relate to other people. The money helps the NorCenTex Girl Scout Council provide the best possible program for the girls throughout the 11-county area.

Speaker encourages use of paper bags

Sixteen members of the Iowa Park Garden Club attended the meeting held Friday morning at the TU Electric Reddy Room and answered roll call by giving their favorite vines.

Mrs. Jimmy Gilmore presided during the business meeting. Mrs. Joe Kennedy, flower show chairman, led the group in making preparations for the annual flower show which will be held April 23 at the Tom Burnett Memorial Library.

Santa Rosa meeting next week

The Santa Rosa District of Texas Federation of Women's Clubs will hold the spring convention March 12-13 at the Memphis Community Center. Pre-registration must be done by March 8.

Activities will start at 7 p.m. March 12 with a banquet. The past presidents and life members will be honored guests and there will be a guest speaker. Jean Welch will be the presiding officer and several awards will be presented, among which will be the "Today's Woman" award.

The general assembly will start with a coffee and country store March 13 from 8 to 9 a.m. During the morning, reports from chairmen will be given and more awards presented. Following lunch, the featured speaker will be Lonnie (Mrs. B.W.) Sims, past president of TFWC, now serving as president of General Federation Women's Clubs South Central Conference.

Mrs. Don Decker gave an informative conservation report on the "newest endangered species," the brown paper bag. She said that many stores are now using plastic bags to put their customers purchases in, instead of the brown paper bags. She said the paper bags were cheaper to produce, easy to load, will hold 18 to 40 pounds, and they can be reused for such things as wrapping paper, book covers, patterns, and children's craft projects.

Mrs. Decker urged members to encourage the businesses that they patronize to use the paper bags for environmental purposes, and she passed out bumper stickers which read "Have you hugged your paper bag today?"

Judy Burgess, a professional floral designer of J. Burgess Flowers and Gifts, presented the program on flower design.

She showed members many different ways to use common items

around the house as containers for arrangements, and how they could be very attractive with a little imagination, a few cut flowers from the garden and greenery from house plants.

The containers included fish and inexpensive plastic bowls of different sizes and shapes, candle holders, bud vases and stemmed glassware.

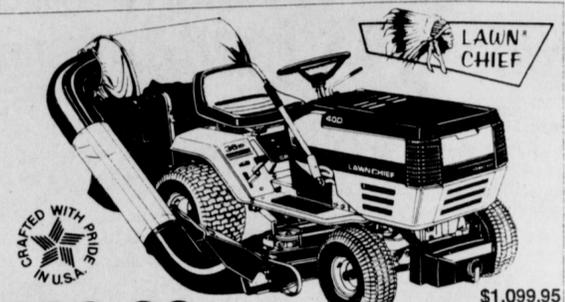

Mrs. Burgess demonstrated how to put together an Easter flower basket by using greenhouse plants, orchid chrysanthemums, Spanish moss and a white ceramic rabbit.

At the close of the meeting, Mrs. Kennedy offered members a large variety of bromeliads to select to take home to raise.

The refreshment table that held fresh strawberries, green grapes and cinnamon rolls was centered with a bouquet of yellow daffodils and flowering crab apple.

The next meeting will be a work day at Highland Cemetery when members will prepare the flower beds around the pavillion for spring planting.

MR. AND MRS. JIMMIE DON HENSON

Mislich, Henson wed recently in Illinois

Miss Jennifer Jean Mislich and Jimmie Don Henson were married Feb. 21 at the Faith Lutheran Church in Flora, Ill. in a double-ring ceremony performed by Pastor Timothy De Sano.

The bride is the daughter of Mr. and Mrs. Robert D. Mislich of Flora, and the groom is the son of Maxine Larsh of Iowa Park and the late Edward E. Henson.

The nuptial area was decorated with two six-branched candelabra with burning tapers and two arrangements of fresh red and white carnation. Church pews were marked with burgundy and white bows with matching steamers.

The wedding music featured a variety of love songs including vocal numbers by Julia Adams who sang "The Rose" and "The Wedding Song."

The bride's parents presented her in marriage. She wore a white Chantilly lace dress designed with a square neckline, trimmed in lace, leg-of-mutton sleeves, natural waistline accented with a beaded motif. The gown was sprinkled with sequins and the magnificent skirt flowed into an eleven-tiered train.

Her three-tiered rolled and edged veil was attached to a lace tiara, and she carried a bouquet of red and white roses, baby's breath, fern with grey and burgundy streamers.

Mrs. Terry Myers, sister of the groom, was matron of honor. Miss Carlee Myers, his niece, was bridesmaid. Each wore a long burgundy gown detailed with an off-the-shoulder ruffle flounce, puffed sleeves, three rows of hemline ruffles that lifted to a sassy bow at the waist in the back. They carried red carnations and baby's breath in bouquets with long burgundy streamers.

The groom and father of the bride wore black tuxedos with white shirts and black bow ties, and the other men who took part in the wedding wore pale grey tuxedos with white ruffled shirts and burgundy ties.

Terry Myers, brother-in-law of

the groom, was best man and Kenneth Mislich, brother of the bride, was groomsmen. Ricky Myers, nephew of the groom, was usher and candlelighter.

The bride's mother wore a pale pink polyester dress with jacket, and the groom's mother wore a blue polyester and cotton floor length dress with three quarter length sleeves. Both wore six red roses intermingled with baby's breath for corsages.

The bride's parents hosted a catered banquet dinner at their Pizza Pit following the wedding. The room was decorated with burgundy and white bells and streamers, 12 "just married" balloons and arrangements of red and white roses. Two large ferns stood at the bride's table which was centered with a dozen burgundy roses that were sent by Mr. and Mrs. Fred Mislich of Fort Myers, Fla., grandparents of the bride, who were unable to attend the wedding.

The four-tiered cake was separated by pillars, decorated with burgundy and pink flowers and a Precious Moments bride and groom top piece. The cake was served by Margene Burmeister, aunt of the bride, and her niece, Jeanine Burmeister, presided at the Precious Moments guest book.

The groom's mother was hostess for the rehearsal dinner at the Ranch Steak House.

The bride was graduated from Flora High School and Lake Land College. The groom attended Iowa Park High School. Following a wedding trip to Mt. Vernon, Ill., they are living in Flora.

On Dean's List

Four Iowa Parkans attending Texas Tech Univ. were named to the Dean's Honor List for the fall semester.

They were Donald R. Young, 208 Hope Lane; Brant A. Baugh, 18 Surrey; Traci D. Ryan, 1015 Lan-elle, and Jeryl R. Brixey, Rt. 1.

Students finishing 12 or more hours with a grade-point average of 3.5-3.9 qualify for the Dean's List.

Epsilon Eta members to help with telethon

Epsilon Eta chapter of Epsilon Sigma Alpha held a regular business meeting Tuesday evening at the home of Mrs. Bud Mercer. The hostesses were Mrs. David Wright and Mrs. Dale Dreher.

Mr. Alan Forney, chaplain, set the mood for the meeting with an opening thought on how to have a good day.

Mrs. Howard McDowell conducted the business. It was reported that 23 love bags for the West Texas Children's Home had been completed and that several more were to be finished before delivery to the home.

Plans were made for manning the telephone for the Easter Seal Telethon from 10:30 to 12 p.m. Saturday and from 8:30 a.m. to 6 p.m. Sunday. It was voted to participate in the Community Clubs Award Program.

It was also reported that the portion of highway the chapter adopted for clean-up has been approved and

that a sign would be put up soon. A day for the clean-up will be selected later. Mrs. Roy Johnson discussed plans for the annual salad supper.

The next meeting will be held at the Tom Burnett Memorial Library. Special guests will be members of the Delta Nu and Gamma Omicron chapters in Wichita Falls, Mrs. David McDowell and Mrs. Jack Hardin of Fort Worth, and Mrs. McDowell will conduct the Jewel Pin ceremony.

As I See It... By BOB HAMILTON

It looked last week that no one was interested in helping run our schools by serving on the board of trustees.

Only one candidate had filed, and with two of the three city positions going unchallenged, it looked like no one wanted any of those "high-paying" jobs.

But I should have known. It's

the old "wait and see who's running" game. And we have candidates for trustee now.

Our school system is still alive and apparently is and will remain in good hands.

Speaking of the schools, some interesting figures were given me

Council okays boat race with early-morning vote

About the time the sun was rising over the horizon to the east Tuesday morning, Iowa Park's city council was voting approval of a boat race to be held in June at Lake Iowa Park.

Aldermen held a called meeting, as they had promised a representative of the Iowa Park Athletic Alumni Association, to take action on the proposed race when information they sought concerning liability insurance was provided.

Jerry Spruiell, a spokesman for

the Alumni group which will sponsor the race as a fund-raising project, had been working with the council the past several months.

Spruiell had explained that the revenue from the project would go to the Bertha McDonald Memorial Scholarship.

The event will be held June 7.

City aldermen will not hold their regular second-Monday meeting, it was decided. They will next meet Mar. 23.

Finnell bill is nursing home alternate

Rep. Charles Finnell announced his bill to encourage the establishment of personal care homes as an alternative to nursing home care for citizens of Texas has received a favorable committee hearing.

HB 168 would require personal care homes to register with the state health department.

The bill is based on the recommendations of a 13-member Personal Care Homes Task Force which was created by Finnell's HB653 during the 1985 Legislature.

Members of the task force, including its chairman, Rev. Robert Greene, testified in support of Finnell's bill during the hearing before the House Committee on Retirement and Aging.

"It is my hope that the bill will provide increased housing options for our senior Texans," Finnell noted.

Finnell's bill was referred to a three-member subcommittee of the House Committee on Retirement and Aging.

Worth Quoting

We hear a lot about money management these days, both on the personal level and business level. There have been more banks closed in the past two years than in all the years since the Great Depression of the 1930s and the reason these banks are closed down is because they are too loaded up with loans that borrowers cannot pay. It is true that much of the blame lies with the banker who loans money to somebody who can't pay it back, but it is also true that some people borrow money when they have no idea how they are going to pay it back. These are people who simply cannot handle their money, no matter how much or how little they make.

The Herald had a linotype operator one time who told our late boss Van Stewart, "I've had to work so hard all my life I haven't had time to make any money," and there may be some truth to that. It is generally assumed that the working man doesn't have time to make any money and also doesn't know how to go about doing anything with his paycheck except spend it. These people are fortunate to work for companies or agencies that have some sort of retirement plan for them, and of course the biggest boost for the ordinary working man is Social Security which does provide for his old age by forcing him to contribute to it.

But there are people who manage their money and always seem to be getting along very well no matter what kind of income they have. We saw a national poll the other day which asked the question "What makes a good money manager?" Some 81 percent of those polled said paying bills on time was the best test of a good money manager and I would have to agree. If people can't pay their bills, they are not money managers, yet too many people stall their creditors while at the same time spending money on their own pleasures because they feel they owe it to themselves.

Another 79 percent of those polled said saving money was a mark of a good money manager. Being a smart buyer was listed by 67 percent and staying within a budget was listed by 63 percent. Staying out of debt was mentioned by 61 percent, finding bargains by 53 percent and balancing a check book by 50 percent. These are all marks of good money managers and those who do all of those things no doubt are taking care of

their funds very well.

Over the years I have had employees who were constantly in debt and bill collectors became a problem by coming at this place of work to try and collect past due accounts. Without exception, these debtor employees had fellow workers who made probably less money yet had no problem with bill collectors. The difference was in how they managed their money. It is true that it takes a lot of money to get by these days, but there is a generation still around who find many of the present day "necessities" something that would have been sheer luxuries not too many years ago. To manage money a person has to be able to do without something he or she really wants from time to time. Some people never learn this. Others learn it and enjoy the satisfaction of having money in the bank instead of creditors at the doorstep.

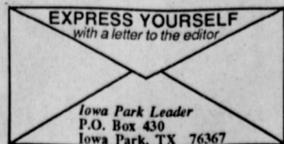

Today's bankers are willing to work with a person who needs to borrow money. Today the banks sit down and go over a cash flow statement, learning every source of income and listing the proposed items of expenditures. It is often a shock to a borrower to learn that his cash flow income does not equal his cash flow outgo and something has to be cut out. This is always painful. Once learned and mastered, it means financial security instead of despair, however. Of course there are financial reverses and disasters which wipe out income and savings. These victims are not the people I am writing about. The ones who blow their paycheck on personal pleasures instead of paying bills are the ones who need a sermon on money management.

HAROLD HUDSON
Perryton Herald

Rainfall measurement just under two inches

Iowa Park received almost two inches of precipitation last week, according to Virgil Woodfin.

Woodfin reported measuring 1.56 at his home Saturday. Reports over the area generally agree.

this week, which is Public Schools Week, by the way.

Have any idea how many years of experience our teachers and administrators represent?

Would you believe 1,605?

Iowa Park High has 45 teachers and administrators with 540 years experience.

The Junior high has 27 with 323. Bradford's 28 teachers and administrators have a combined 331 years. Kidwell has the 32 people who have 287 years in the business.

You've still got two days in which to visit the campuses of your choice and see all this experience being put into practice.

I've said it before, but it's worth repeating: **More people choose to live in Iowa Park because of our schools than for any other reason.**

To our teachers, administrators, support personnel and members of the school board, I'd like to express my appreciation to you for what you do.

Having five children to have graduated here, having been on our campuses on regular visits, having followed our graduates in their adult lives and having attended almost every meeting during 18 years of the trustees, I feel adequately qualified to make that statement of appreciation.

Suicide attempted by jailed prisoner

A woman arrested Monday afternoon for public intoxication attempted suicide in the local jail and wound up at the State Hospital, according to the police blotter.

Officers were called to 200 S. Bond at 5:05 p.m. where a family disturbance was reported.

Mary Elizabeth Blanton Russell, 54, was taken into custody on a charge of public intoxication and placed in the jail at the police department.

According to the blotter, an attendant checked on her at 5:57 p.m. and found her attempting to hang herself with a blanket.

She was attended by EMTs of the Fire Department and transported by ambulance at 6:32 to the detoxification center of Wichita General Hospital.

Police were notified by hospital personnel at 8:25 that the woman had been transferred to the State Hospital.

In other activities during the past week, police received a sexual assault complaint, made three liquor-related arrests and received a burglary report. A local housewife reported to police Thursday that she had been sexually assaulted "a few days ago" in her home by a man she knows.

The case is being investigated and will probably be turned over to the grand jury, Chief Alan Sheffield said. No charges have been filed.

Police arrested Henry Ell Evans, 32, at 11:25 p.m. Wednesday last week after the pickup he was driving crashed into a used car lot at the corner of Fourth Street and West Highway.

Building permits top January

While no building permits were issued for new construction during February, the 14 permits that were issued were considerably higher than January's total.

Permits issued by city hall during February amounted to \$54,256, as compared with \$33,264 issued in January.

The sum of the two months is \$87,520.

Permits issued during February included:

- George Conner, 1508 Karen, alteration, \$2,800;
- Pete Calhoun, 711 W. Magnolia, repair, \$2,200;
- Iowa Park Schools, 800 S. Texowa, addition, \$6,750;
- John Stewart, 703 W. Coleman, addition, \$150;
- First Methodist Church, 201 E. Bank, alteration, \$1,500;
- John Mixon, 310 W. Aldine, repair, \$500;
- Paul Guyette, 307 W. Aldine, repair, \$2,000;
- Charles Friday, 914 W. Louisa, repair, \$5,500;
- Luther B. Skinner, 1512 Douglas, alteration, \$1,200;
- Florence Williams, 110 Garden, repair, \$2,300;
- Mark Bottles, 702 E. Lafayette, addition, \$500;
- Jerry Spruiell, 300 E. Lafayette, addition, \$384;
- Frederick Morris, 1000 E. Washington, addition, \$27,912;
- LaVada Peeler, 301 W. Park, addition, \$560.

While investigating the scene, Evans was allegedly found to have in his possession a revolver and several cartridges.

After transporting him to Wichita County Sheriff's Office at 12:39 a.m. for an intoxilizer test, charges of driving while intoxicated were filed against him.

A white male juvenile was taken into custody at 5:02 a.m. Sunday in the 1500 block of Douglas for public intoxication. He was released at 6:21, according to the blotter, to a parent.

A charge of DWI was filed against Velma Shipman Oakley, 60, after she was arrested at 8:19 p.m. Tuesday in the 600 block of West Highway. She was released to a deputy sheriff to be transported to county jail.

Micheal Williams, 710 S. Park, reported a burglary Wednesday of last week in which he said a lawn mower and window air conditioner was taken.

Friday, March 6
Breakfast: Cinnamon rolls, milk, juice.
Lunch: Chicken fried steak, cream potatoes, green beans, gravy, bread, applesauce.

Cook of the Week

Sherry (Mrs. Kevin) Coffman has concentrated on being a successful homemaker, wife and mother, which includes knowing how to plan and prepare well-balanced meals. She has learned how to appreciate the casserole and microwave methods of cookery.

She and Kevin are particularly fond of Mexican dishes and their favorite seasoning is chili powder, a condiment made from the woody capsicum plant. The by-products of the plant have been eaten by people for centuries.

South American Indians in Brazil and Peru began eating wild chilies somewhere between 6500 and 5000 B.C. The first Conquistadores found them still growing there, but by then they had long been cultivated and had become the principal seasoning of the Incas, and then of the Aztecs.

The place now called Mexico City received chilies as tribute from conquered people. From Mexico, the chilies pushed north to what is now the southwestern part of the United States, where they were enthusiastically adopted by the Pueblo Indians, one of whose favorite dishes now is still green chili stew served with adobe bread and a salad of marinated cucumbers.

Mrs. Coffman is the former Sherry Barnett of Chillicothe. She was graduated from Chillicothe High School and attended Vernon Regional Junior College. She worked for Cardinal Equipment at Vernon before her marriage and at Bakers Shoes in Wichita Falls after her marriage.

She and Kevin, who works for National Linen Service, are members of First Baptist Church. They have a 10-month old daughter, Hayley, pictured with her mother today. Sherry has taught the toddlers in Sunday School at the church, and her hobbies are ceramics, crafts and bicycle riding.

Mrs. Kevin Coffman

BEEFY MEXICAN LASAGNA

- 1 lb. ground meat
- 1 can (16 oz.) whole tomatoes, cut up
- 1 pkg. taco seasoning
- 1 can French fried onions
- 1 carton (12 oz.) cottage cheese
- 1 1/2 cups shredded Cheddar cheese
- 2 eggs, slightly beaten
- 12 (6 inch) flour or corn tortillas
- 1 tomato, chopped
- Shredded lettuce

In large skillet, brown meat and drain. Add canned tomatoes and taco seasoning. Simmer uncovered 5 minutes. Stir in 1/2 can French fried onions. In a bowl, combine cottage cheese, 1 cup Cheddar cheese and eggs. Place 3 tortillas on the bottom of a greased 8X12 inch baking dish. Overlap 6 tortillas around sides of baking dish. Spoon meat mixture evenly in dish. Top with 3 tortillas, then cheese mixture.

Bake uncovered at 350 degrees 45 minutes. Sprinkle with remaining cheese and place remaining onions in center of casserole; bake uncovered 5 minutes longer. Before serving, arrange tomatoes and lettuce around edges of casserole.

GOULASH

- 1 lb. ground meat
- 1/4 cup chopped onion
- 1/2 can chopped green chilies
- 1 small can whole kernel corn
- Spaghetti sauce mix
- 1 can tomato sauce
- 1 box cut spaghetti

Brown meat and onion; add chilies and corn. Mix spaghetti sauce mix and tomato sauce according to package and pour over meat. Cook spaghetti and add to above. Simmer 5 to 10 minutes.

TEXAS MEATBALLS AND RICE (MICROWAVE)

- 1 lb. ground meat
- 1 egg, slightly beaten
- 1 1/2 tps. chili powder
- 1 tsp. salt
- 1/4 tsp. pepper
- 1 can (16 oz.) stewed tomatoes
- 1 large onion, thinly sliced and separated into rings
- 1 large green pepper, chopped
- 3/4 cup uncooked instant rice

Mix ground meat, egg, chili powder, salt and pepper. Shape into 1 1/2 to 2-inch balls. Place in 2-quart microwave casserole bowl. Microwave on HIGH until meatballs are set and lose pink color, 4 to 7 minutes, rearranging meatballs after half the cooking time. Drain.

Stir in remaining ingredients, cover. Microwave at high 4 to 7 minutes or until mixture is bubbly and onions are tender. If using an oven other than Carousel, stir half the cooking time. Let stand until rice is tender - 2 to 3 minutes.

PINK SALAD

- 1 (6 oz.) box Jello, black cherry
- 1 can pitted sweet black cherries
- 1 (8 oz. size) Cool Whip
- 1 1/2 cups chopped pecans
- 1 cup grated cheese

Make Jello according to directions. When firm, mix Cool Whip, pecans, grates cheese, black cherries into Jello. Chill 1 hour before serving.

HAWAIIAN DELIGHT

- 1 (8 oz.) cream cheese
- 1 (12 oz.) Cool Whip
- 1 can Eagle Brand milk
- 1 cup pecans
- 1 large can crushed pineapple in juice, drain
- 2 graham cracker crusts

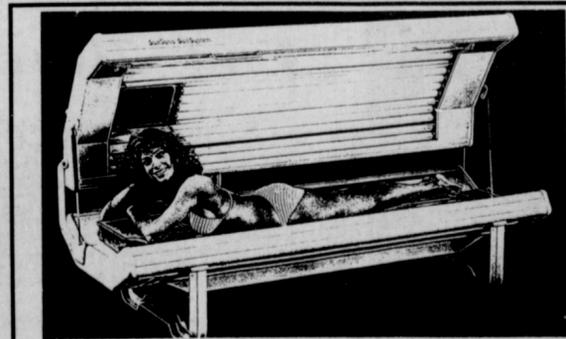

Mix cheese and Eagle Brand milk until creamy, then add the remaining three ingredients. Pour into the crusts. Chill 30 minutes.

Musicians earn honors

The Iowa Park High School and Junior High bands participated in the U.I.L. Solo and Ensemble contest Saturday at Wichita Falls High School, with many musicians coming home winners.

High School band members receiving division one ratings for class one solos include Jenny Salan, Dennis Blevins and Marc Thames.

A brass sextet of Lisa Cook, Darrell Franklin, Joel Galloway, Glen Hopkins, Berry Kaiser and Kyle

Long earned a one rating in a class one ensemble.

These musicians qualified for state competition, which will be in June at the Univ. of Texas in Austin.

The Jazz Band, which competed in open class, also qualified for state competition.

James McIlroy and Rhonda Foechner each earned a one rating on class two solos; and Mike Brillhart and Jay Freeman received one ratings on class three solos.

At the junior high competition, Iowa Park students receiving division one ratings on solos are Kelly Grider, Misti Murray Michelle Roberts, Desiree Tyson, Stacey Crume, Kerri Dorner, Tommy Ashton, Melody Gray, Jason Hamilton, Patricia Anderson, Tim Bradberry and Mandy Cannon.

Also, Michelle Hooker, Randy Barnes, Paul Birk, Chris McKee, Kathy Smith, Eric Smith, Jason Stevens, Jason Welch, J'Bill Merrick, Brian Lunney, Lisa Wiggins, Leisa Bates, Patrick Birk, Andy Cravens and Scott Skinner.

Ensembles earning one ratings include Kelly Grider, Misti Murray and Michelle Roberts, flute trio; Kerri Dorner, Karen Ellis, Marcy McCarthy and Emily Short, clarinet quartet; Tim Bradberry, Jeremy Kingcade, Brian Lunney, Aaron Smith and Eric Smith, brass quintet;

and Melody Hayslip, Aaron Smith, Lisa Wiggins, Rex Wilson and Randa Wood, brass quintet.

Receiving division two ratings on solos were Connie Cravens, Hope Drissel, Heidi Morris, Lychelle Monday, Karen Ellis, Mary Owens, Paul Lee, Michelle Church, Kristen Ojeda and Dawn Beeman.

Also Jana Carendar, Rebecca Holt, Corey Bridwell, Todd Pulley, Brad Cash, Scott James, Jeremy Kingcade, Greg Steger, Jason Meisel, Robert Denton and Gary Green.

Ensembles receiving division two ratings were Jodie Brooks, Julie Carendar, Becky Leath and Tawlee Trichell, clarinet quartet; Kristi Fulfer, Stacey Crume, Jessica Galliton and Julie Short, clarinet quartet; and Justin Goodknight, Melody Hayslip and Justin Inman, comet trio.

Obituaries

Mary Ann Bettis

Services for Mary Ann "Mollie" Bettis, 103, were held Friday at the Church of Christ in Higgins with E.R. Carver, retired Church of Christ minister, officiating. Burial was in the Canadian Cemetery with Stickley-Hill Funeral Home in charge.

Mrs. Bettis, Canadian's oldest resident, was born 1883 at Buford in Baxter County, Ark. She and the late John Phillip Bettis were married Dec. 28, 1902, in Ellis County, Tex. They moved back to Arkansas, then to Oklahoma, before moving to the Panhandle of Texas. She was a life-long member of the Church of Christ.

She is survived by four daughters, Florence Davenport of Iowa Park, Thelma Ballard of Del Rio, Jean Smith of Eufala, Okla., and Jewell Barfield of Elk City, Okla.; five sons, Ira Bettis of Pampa, Charlie Bettis of Canadian, Clyde Bettis of Higgins, Harold Bettis of Merton and Carl Bettis of Long Beach, Calif.; 84 grandchildren; 118 great-grandchildren; 50 great-great-grandchildren; and seven great-great-great-grandchildren.

Effie M. Kenyon

Services for Effie M. Kenyon, 74, were held Monday afternoon at Tanner-Aulds Funeral Home with Rev. Ben Story, pastor of Pleasant Valley Baptist Church, officiating. Burial was in Highland Cemetery.

She was born April 26, 1912, in Arkansas and had lived in Iowa Park 55 years. She was a member of the First United Pentecostal Church.

Survivors include four sons, Jimmy Wayne and Bobby, both of Iowa Park, Donald of Wichita Falls and Tommy of Burkburnett; two daughters, Mrs. Maggie Simmons of Iowa Park and Ruth Nell Cole of Wichita Falls; a brother, Ellis Hall of Andrews; a sister, Mrs. Dale Greene of Las Vegas, Nev.; 15 grandchildren; and 14 great-grandchildren.

Crowder R. Farris

Services for Crowder R. Farris, 79, of Holliday, were held Wednesday at Tanner-Aulds Funeral Home with Elder Aaron Flowers of the First Primitive Baptist Church officiating. Burial was in the Holliday Cemetery.

He was born Oct. 22, 1907, in Wade, Okla. He had lived in the Kamay and Archer County area several years, and moved to Holliday four years ago. He was a member of the Baptist Church and a retired oil field worker.

Survivors include his wife, Minnie; two sons, William of Holliday and Bobby of Wichita Falls; three daughters, Lucertia Smith of Iowa Park, Delores Cox of Wilson, Okla. and Cathryne Lewis of Holliday; 14 grandchildren; and 14 great-grandchildren.

Ethel Marie Borne

Services for Ethel Marie Borne, 55, were held Friday in Jefferson, Ind. She was born in Electra and had lived in Indiana six years.

Survivors include her husband, Al; three sons, Scott Smith of Waco, Bruce Galen Smith of Irving and Roger Smith of Sherman; three sisters, Juanita Knight of Corpus Christi, Vivan Vance of Holliday and Ruth Modine Bell of Borden, Ind.; two brothers, Elvis Lee Miller of Wichita Falls and E.C. Miller of Ardmore, Okla. and two grandchildren.

Home missions are topic

Southern Baptists are currently observing the Week of Prayer and Offering for Home Missions, and the convention has set an offering goal of \$37,500. The First Baptist Church of Iowa Park has set a goal of \$4,500.

The Night BW of First Baptist Church observed the program in a meeting held at the church Monday. The program theme throughout the convention is "Who Will Win America?" In answer to the question, the responsibility is definitely placed upon the Christians.

Mrs. E.T. Patterson, prayer chairman, coordinated the program and read appropriate scriptures for the topics presented by Mmes. Roy Smith, Glenn Mitchell, W.F. Booher, Homer Blalock and S.B.

Reaves, each prefaced with "Who sees-Who cares."

A finger foods meal preceded the program. Mrs. Terrel Silvers presided during the business when members voted to furnish cookies for the Big A Club of Northside Baptist Church in Wichita Falls for the March outreach project.

CARD OF THANKS

My wife, daughter and her family join me in thanking our friends for the many ways they have showered kindness upon us during my recent surgery and stay in the hospital. The flowers, cards, calls, hospital visits and offers to help will forever be remembered with much love and gratitude.

The Church that has Served Wichita Co. Texas for "55 Years," with love and Sincerity

Iowa Park Church of God

601 E. Cash 592-5316 Archie Luke, Pastor

State holding your money?

The Texas Treasury has about \$80-million in unclaimed money, safe deposit boxes, oil royalties and stocks and bonds that it wants to return to about 100,000 Texans.

Among those named by the department are 18 with Iowa Park addresses, three from Holliday and 14 from Electra.

"On Sunday (March 8), we will publish this annual list of names," Treasurer Ann Richards said, "and we hope to return a sizable portion of that money to its rightful owners."

Persons who find their names on the list may reclaim their property by calling the State Treasury, toll free at 1-800-321-2274, or by writing to the State Treasury at Box 12608, Capitol Station, Austin, Tex. 78711.

Listed from Iowa Park are Reba Beall, Phillip Britt, Pauline or F.L. Burns, C. Davenport, Lena Gofourth, Myrtle Augusta Martin, Joe Parkey, L.H. Pribble, Waller F. Price, D. Roberts, V. Shaffer, Steven Siedow, Mrs. Emily Decke Staber, R. Dennis Toby, Gerald & Lisa Todd, Charles Vergauwen, S.M. Wicks and Randy Wayne Moody.

Listed from Holliday are Allen Dobbins, Courtney Sommer Parker and Bettye D. Tanner.

Persons listed from Electra are Maxine Bedford, Miss Junaita Douglas, David Dudley, Jack Dudley, Troy Gilbert, James C. Grant, M/M Howard Handley, Rama or Virgini Isbell, M. Lambert, R.L. Matthews, Wilford B. McClyre, M/DM D. McBee, S. Schmoker and Hal & Carolyn Williams.

"There is no set time limit for making a claim," Richards emphasized. "We will hold the account in the owner's name forever."

She said that last year, the State Treasury published a similar list and about \$50-million was reunited with owners.

The Unclaimed Money Fund list was first published when Richards took office in 1983. Since that time, the State Treasury has returned 73 percent of all the money ever returned since the law took effect 26 years ago.

The State Treasury has increased efforts to collect dormant accounts. Collections have increased from \$6.2-

million in 1982 to \$69-million in 1986.

"The amount of money that we collect is important," the Treasurer said. "Because in the past, accounts which were not turned over to the treasury for safekeeping were often lost. Now, at least, the accounts are protected at no charge by the treasury."

The list is being published statewide in 16 newspapers. However, many newspapers publish local names as a public service to their readers.

The list is also available at public libraries and county offices.

Under state law, checking and saving accounts, mineral royalties, insurance payments, safe deposit boxes, utility deposits and the like are turned over to the state if accounts are inactive for at least three years.

The state may use the funds for general state services and education, but the owners or their heirs may file a claim at any time in the future for the money held by the state.

Thompson decorated

Air Force Lt. Col. David R. Thompson, son of Riley Thompson of 711 Manes in Iowa Park, has been decorated with the Defensive Meritorious Service Medal at Scott Air Force Base, Ill.

The medal is awarded to individuals for non-combat meritorious achievement or service that is incontestably exceptional and of a magnitude that clearly places them above their peers.

Thompson is a program manager of communications with the Airlift Communications Division.

He received a master's degree in 1977 from Chapman College in Orange, Calif.

MINOR INJURIES resulted to the occupants of the vehicle on the right when it was rear-ended Tuesday afternoon at Pacific and West Highway. Taken to Bethania Hospital by ambulance where they were treated and released were James Loyless, 48, Eloise Loyless, 42, and Sara Fleming, 66, all of Byers. Driver of the pickup was William Elmer Anderson, 72, of 310 W. Ruby. Anderson, who was not injured, received a traffic citation for following too closely.

Look Who's New

Joshua Layne, an eight pound, 12 ounce son, was born to Mr. and Mrs. Phillip Farnsworth March 1. Mrs. Farnsworth is the former Cindy Wells.

The grandparents are Mr. and Mrs. J.C. Wells and Mr. and Mrs. Danny Cullers of Iowa Park, and Rev. and Mrs. Howell Farnsworth Jr. of Floydada.

The great-grandparents are Mrs. Howell Farnsworth Sr. and Mr. and Mrs. Lloyd Tate of Dallas, Mrs. Irene Wells of Wichita Falls, and Mr. and Mrs. Garvin Shawver of Iowa Park.

Mr. and Mrs. David Ballew are the parents of a son, David Joe Scott, born Feb. 25 at the Wichita General Hospital. He weighed six pounds and three ounces. Mrs. Ballew is the former Susan Haynes of Iowa Park.

Grandparents are Mr. and Mrs. Joel Haynes of Iowa Park and Mr. and Mrs. Odell Ballew of Wichita Falls. Mr. and Mrs. Clayde Haynes of Wichita Falls and Mrs. Thelma Croft of Ark. are great-grandparents.

A son, Casey Ryan, was born to Mr. and Mrs. Daniel Coltrain Feb. 25 at the Wichita General Hospital. He weighed eight pounds and 12 ounces and is the couple's first child.

Grandparents are Mr. and Mrs. Bill Womble of Seymour and Mr. and Mrs. Jack Coltrain of Iowa Park. Great-grandparents are Mrs. Heard of Seymour, Mrs. Betty Rogers of Iowa Park and Robert Rogers of Pittsburg, Kan.

Mrs. J.A. Rogers of Pittsburg, Kan. is a great-great-grandmother.

Wayne Lee Jr., a nine pound, eight ounce son, was born to Mr. and Mrs. Wayne L. Nicholson February 23. He has one sister, Mandy, one and a half years old.

The grandparents are Mr. and Mrs. Melvin Smith of Wichita Falls and Mrs. and Mrs. James Nicholson of Iowa Park. The great-grandparents are Mrs. Letha Mae Andrews of Wichita Falls, Mr. and Mrs. George Gloss of Warner Robins, Ga. and Mrs. Alma Nicholson of Calhoun, Ga.

Health Tips

-from Jerel Kerby

Headache Relief

One out of four women is prone to tension headaches, according to Dr. Kenneth A. Holroyd of Ohio University.

To reduce frequency of these types of headaches in half, Dr. Holroyd provides the following advice on how to get to the sources of tension and what to do about them.

- 1 - Detect stress-related sources of headaches. Prepare in advance to deal with these stresses.
- 2 - Cut down on worrying. Have confidence in your own abilities.
- 3 - Focus on the positive and don't feel responsible for everything that goes wrong. Don't make mountains out of molehills.
- 4 - Confront problems, rather than trying to avoid them. Try to solve these problems.
- 5 - If you have a problem, don't be afraid to seek help and comfort from others.

Dr. Holroyd also warns that severe or recurrent headaches could be symptoms of serious health problems and should be considered a signal to consult with a physician.

Iowa Parkan is scholarship recipient

An Iowa Parkan is among 10 Midwestern State Univ. students who have been awarded Boy's Club scholarships for the spring 1987 semester.

Debra Cook is benefitting from a program organized through the efforts of Gary Fashimpar, associate professor of social work at MSU, and the Boy's Club of Wichita Falls.

The students receive a \$400 stipend for the semester and must give a minimum of six hours of service to the Boy's Club each week throughout the semester.

Students work on projects varying from arts and crafts, to athletics, to fine arts. They also receive three hours of credit for the semester.

FAMILY HEALTH NOTES

ASTHMA IN CHILDREN

Asthma is much like diabetes in that with proper therapy it can be reversed and controlled in most cases, while in others the patients will have problems with asthma the remainder of their lives. It is a disease in which the body becomes allergic to various irritants in the environment, such as dust, molds, grass, pollen, animal hair, and various drugs and foods. The ability to develop these allergies is usually inherited from past generations. The body in developing these allergies has a reaction or response to the irritants that occurs on an episodic and seasonal basis. This allergic response, in the case of asthma, is one of severe spasms of the small bronchial tubes in the lungs, which makes it very difficult for the patient to move air in and out of his lungs. As the spasms increase, the patient panics and has more difficulty breathing. Usually asthma patients suffer most in the spring and fall when the pollens and molds are at their highest concentration. Also, children seem to have their worst attacks at night, as the pollen counts are highest then and the body defenses that fight asthma are lowest at this time.

There still is no real cure for asthma, but your family physician can do a lot to help the body change its responses and "outgrow" the asthma condition of childhood. Most allergists and some family physicians can do skin testing to determine your child's allergy profile. With this profile the doctor can manufacture a serum which can be used to give your child monthly "allergy shots" for three to four years. These shots will force the body to change its response to the irritants causing the problem. Such therapy is successful for 80% of children having asthma. While your child is undergoing this desensitization program, he or she should be on proper daily treatment during the bad times of the year to decrease the number and severity of asthma attacks.

This treatment includes taking medication that chemically opens the small bronchial tubes, keeping the lungs from going into spasm. It may also include breathing various drugs that coat the lungs and aid in preventing the allergic reaction of lung tissue to the irritants. This treatment should be checked by your doctor, as over-dosage and side effects can become a common occurrence.

Most children with proper treatment, to include "allergy shots," bronchial dilator therapy and environmental changes, will do well and eventually "outgrow" their severe allergic reaction. So remember, if your child develops asthma, don't panic. Many things can be done for your child to help him overcome this disease.

Allstate Update: Auto Insurance

"Does your auto insurance need a tune-up?"

Robbin Crawford
Agent
311 North Wall
Iowa Park
Bus. 592-2726
Res. 592-4873

When you keep your car running well, you can feel the difference. But what about your auto insurance? For all the money you put into it, your coverage still could be badly out of tune. And you might not even know it.

Maybe it's time to compare policies. Auto rates and coverages aren't the same at every company, and lots of folks are finding out they get a better deal with Allstate. Our office is nearby, so why not bring in your auto policy or give me a call? I'll help you compare

PENCILS FOR STUDENTS - Presentation of 2,000 pencils for Iowa Park school pupils was made this week by Phil Welch, State Farm Insurance agent, and Allen Shewmake and Mike Sellars of the Iowa Park Optimist Club. Supt. Glen Mitchell expressed appreciation for the gift.

Girls in tournament finals tonight

Iowa Park's two Sixth Grade girls' basketball teams will be playing this evening for first and third places in the City View League.

IP Green, coached by Paige Knight and Laurie Espinoza, will take on Holliday Four at 7:30 p.m. in the City View gymnasium for the league title.

Playing City View at 6:15 p.m. for third place will be IP White, coached by Audrey Klinkerman.

Both Iowa Park teams were 5-1 through the season.

IP Green swamped Holliday Three 22-2 in the first round of the league tournament, and then defeated City View 15-6 to gain the finals.

IP White edged Henrietta 18-17 in the tourney's first round, and then lost 19-14 to Holliday Four.

Members of the IP Green club are Erica Knight, Misty Cook, Michelle Robertson, Rhonda Jones, Kameron Robnett, Jolene Hodges, Jennifer Hutchinson, Raylynn Compton, Haley Dyer and Crystal Camp.

IP White player are Cheri Halady, Bandi Brooks, Christi Catlin, Ginger Fields, Shelly Good-

knight, Misti Williams, Jennifer Panter, Mellissa Sullivan, Tina Bradford and Jennifer Crow.

Leading scorers through their eight games were Halady, 108, for IP White, and Knight, 88, for IP Green.

RANDY SCHMIDT was named local Fifth Grade winner last week of the Seratoma Freedom Essay contest for Wichita County. He is shown with Bradford Elementary Principal Kenneth Davis.

Area oil, gas report

Operations have been suspended at the No. 1 J.K. Smith, a developmental well in the K-M-A Field, Wichita County. Tom Swanson was the operator. The well is located four miles east of Kamay in a 158-acre lease in the KWVFL S/D Survey, Blk. 50. It has been bottomed at 4,300 feet.

Location of the well is 660 feet from the south line and 990 feet from the east line of the lease.

J.B. Clark Energy of Gretna, La., has filed for permit to drill the No. 1 Foster, a 400-ft. developmental well eight miles west-northwest of Electra. Location is in a 16-acre lease in the SA&MG Survey, A-273. The well will be drilled in the Wichita Regular Field. The well will be located 650 feet from the north line and 160 feet from the east line of the survey.

Burgess Oil of Wilmer has revealed plans to drill two 1,000-ft. developmental wells in the Wichita Regular Field. The operator has designated the ventures as the No. 2 McIntosh and the No. 3 Smyers, with drillsites two miles of southeast of Electra. Locations are in 56 and 50-acre leases in the HT&B Survey, A-401.

The McIntosh well will be drilled 175 feet from the south line and 150 feet from the west line of the lease.

The Smyers well will be located 1,850 feet from the south line and 450 feet from the west line of the lease.

Echo Production has hung the "dry hole" sign on the No. 1 Johnson, a wildcat try in Hardeman County. The well was located four miles northeast of Quannah in an 80-acre lease in the W&NW Survey, A-915.

The well was spudded last Dec. 31, and bottomed at 8,900 feet with no commercial potential.

Drillsite was 1,000 feet from the north line and 2,404 feet from the east line of the lease.

Asher Production has temporarily abandoned the No. 1-A W.P. Rogers, a developmental well in the Wichita Regular Field. The operation is located seven miles northeast of Wichita Falls in a 49-acre lease in the George Wheelwright Survey, A-320. It was spudded Jan. 11, and was bottomed at 1,235 feet and plugged back to 550 feet.

Location is 6,060 feet from the south line and 340 feet from the east line of the survey.

Mobil Producing of Midland is planning to drill three developmental wells in the Wichita Regular Field. The wells are designated as the No. 181 R.S. Allen, the No. 38 Corsicana-Honaker and the No. 60 R.R. Hamilton. Drillsites are two miles north, 3.5 miles northeast and 1.5 miles north of Electra, respectively. The Allen well will be located in a 472-acre lease in the Waggoner Colony S/D Survey, Blk. 225; the Corsicana-Honaker will be drilled in a 100-acre lease in the Richard Meade Survey, A-185; and the Hamilton will be in an 80-acre lease in the H&GN Survey, A-686.

Projected total depth of the Corsicana-Honaker well is 3,150 feet, while the Allen and Hamilton wells are under permit for 2,050-ft. total depth.

The Allen well will be drilled 1,486 feet from the most northerly north line and 903 feet from the most westerly west line of the lease.

The Corsicana-Honaker well will be located 990 feet from the south line and 330 feet from the west line of the survey.

Drillsite for the Hamilton well is 2,218 feet from the north line and 2,320 feet from the east line of the survey.

An Irving-based operator has staked location for the No. 1-JM Dickinson, a developmental well to be drilled three miles north of Clara. With projected total depth of 1,999 feet, the well will be located in a 79-acre lease in the Wichita Regular Field, Specht Colony S/D Survey, Blk. 19. The operator is Tri Core Oil & Gas.

The well will be situated 3,980 feet from the south line and 1,100 feet from the east line of the lease.

The Wichita Regular Field gained two new producers when Tom Swanson completed the No. 52 Burnett "D" and the No. 9 Burnett "F" two to 2.5 miles south of Fowlkes.

Three 1,999-ft. developmental wells are planned by L.J. Miller & B.J. Parker of Wichita Falls at drillsites six miles south of Iowa Park. The locations are in the Wichita Regular Field.

TEACHERS ATTEND TRAINING SESSIONS

Several Iowa Park teachers have recently attended training sessions to improve their skills in teaching areas.

Feb. 27-28, teachers attended training sessions on working with gifted and talented students. The seminars were held in Wichita Falls.

Attending were Pat Coker, Pat Davis, Colleen Roberts, Herman Escue, Jeannie Baugh, Patsy Todd, Jan Yeager, Pat Cravens and Asst. Supt. Robert Palmer.

Tuesday, Mrs. Cravens and Palmer attended an elementary mathematics awareness session at Region Nine Service Center.

Schedule for: Recreational Activities Center

New classes in making collars, baskets and needlecraft will begin soon at the RAC.

A class will be held at 7 p.m. Monday, Mar. 23, for making the currently-popular collars for dress, blouse and sweater wear.

The fee is \$6 and RAC membership is required. Those attending are encouraged to bring pad and pen.

Instruction in making baskets of rope and fabric will be taught at 7 p.m. Mar. 30 and April 6. A \$6 fee will be charged for the two lessons.

A needlecraft course "Tatting" will be instructed by Mrs. Lindon Jordan. The six-week course will begin at 7 p.m. April 13.

AUDITIONS TO BE HELD DURING SPRING BREAK

Auditions for the Dynamite Dance Team will be held Mar. 12 from 3:30 to 5:30 p.m. at the Iowa Park Recreation Center.

High school age girls who are interested in being part of a performing dance/drill team group are invited to attend. This will be the last opportunity to become a member until fall auditions are held in August.

There is no cost involved for membership or uniforms.

In The Military

Completes school

Second Class Petty Officer Rowland D. Ketchersid recently completed an eight-month gas turbine systems electrical Class C school at Great Lakes, Ill.

He will be reporting to the USS Vincennes CG-49 in San Diego, Calif., after a two-week leadership management course for petty officers.

Ketchersid was aboard the Yorktown in March, 1986 when it was involved in the Libyan crisis. His ship was among others that crossed Khadafy's "Line of Death." He was awarded two Meritorious Unit Commendations and a Sea Service Ribbon.

The 1982 graduate of Iowa Park High School enlisted in the Navy in 1983. He is married to the former Phyllis Forsgren and is the son of Mr. and Mrs. Buddy Ketchersid.

Thompson promoted

Eric F. Thompson, son of Mr. and Mrs. Floyd Thompson of Holliday, has been promoted in the U.S. Air Force to the rank of staff sergeant.

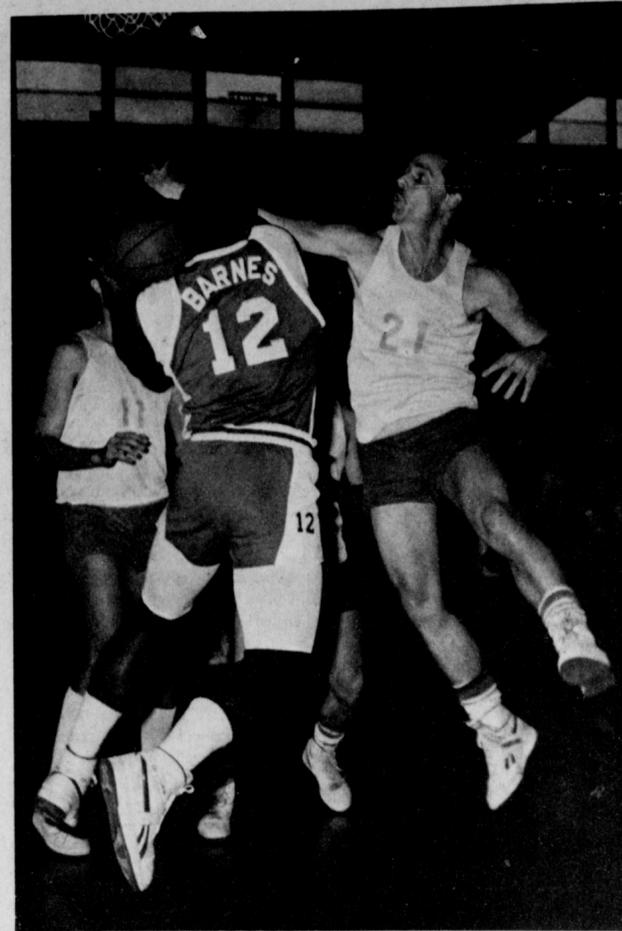

Thompson is an investigative support supervisor at Sheppard AFB.

The 1979 Iowa Park High School graduate is married to the former Tammy Clark of Wichita Falls.

Municipal Court Records

Results of municipal court held here yesterday were:

- Troy Douglas Ray, no motor vehicle liability insurance, \$94;
- Christy Margaret Cameron, no motor vehicle liability insurance, \$94;
- Junie Kimberly Whitaker, speeding, \$50;
- Raymond Curtis Tyler, turned when unsafe, \$43;
- Patrick Michael Leitch, drive without lights when required, \$43;
- Patrick Michael Leitch, ran stop sign, \$43;
- Dean Richard French, public intoxication, \$49;
- Kimberly Ann Davis, violate ordinance for peddlers and solicitors, \$49.

IOWA PARK JIMMY PAPPAS, 21, IN ACTION . . . during tournament Saturday.

Wichita Falls team wins local tourney

First Baptist Church of Wichita Falls defeated the Iowa Park Hoopsters 64-56 in the finals of the Iowa Park Athletic Alumni Association benefit basketball tournament.

The Baptists were undefeated in the one-day tourney, knocking off G&G of Henrietta 76-62, Banks Brothers 56-48, and, in their first meeting, the Hoopsters 54-41.

Kyle Williams, of the championship club, was voted Most Valuable Player. He scored more than 80 points in the four games.

And the Baptists also walked off with the Sportsmanship trophy.

The Hoopsters earned the runner-up trophy by winning 57-43 over the

Wildcats of Wichita Falls, and then 64-54 over R&W Tank Truck of Electra, before losing their first game to the Baptists.

The local club then bounced back to knock G&G out of the tourney 62-57 to gain a spot in the finals.

G&G finished in third place, Banks Brothers in fourth and R&W in fifth.

Other teams in the tourney were the Iowa Park Athletic Alumni and Mike Rogers of Electra.

Proceeds from the tournament and concession stand went to the Bertha McDonald Memorial Scholarship, which is sponsored by the Athletic Alumni.

TOP SKIPPER - Second grader Patrick Robertson proudly displays his trophy earned in a Jump-A-Thon held recently at Kidwell Elementary. The son of Mr. and Mrs. Marvin Robertson turned in \$289.60 he earned through pledges. Randi Tigrett was runner-up with \$131. The 70 students who participated earned \$2,500 in the project.

JEFF HUFF BEATS THROW TO FIRST BASE AGAINST COYOTES

Darkness cuts short Hawks' rally Tuesday

The setting sun cut short Iowa Park's late-inning rally here Tuesday, and the Hawks dropped their first game of the season 8-6 to the Wichita Falls Coyotes.

After trailing 8-1 through the first three and a half innings, the Hawks scored three runs in the bottom of the fourth and two more in the fifth as their rally paid off.

Five of Wichita Falls' early six runs were unearned, as hurlers Robert Adams and Billy Kenyon held the

Coyotes to only four hits.

Iowa Park is slated to host Holliday at 4 p.m. Friday, and then travel to Hoskins Field in Wichita Falls Saturday for a 1 p.m. start against Rider.

Tuesday's game was scheduled to be the fourth of the season for the Hawks, but wet weather last week put the first game on hold. It was only the second game of the season for the Coyotes, who are now 2-0.

COACHES SELECT

Espinoza, Allen are All-District

Two Lady Hawks were named to the 6-AAA All-District basketball team.

They were Laurie Espinoza, a 5-4 senior, and Lori Allen, 5-11 junior.

Two others, Wendy Trantham and Paige Knight were named to the Honorable Mention list.

Voting is done by coaches of the district, but a coach cannot nominate or vote on his own players.

Tisha Holloway of Decatur and Shari Ewing of Bowie, both 6-0 seniors, were named to share the Most Valuable Player honor.

Others named were:

Bridgeport - Aimee Wilson, 5-7 senior, Alissa Sobieraj, 5-5 senior, and Penny Carpenter, 5-7 junior.

Decatur - Melanye McFerrin, 5-9 sophomore, Tina Woodruff, 5-10 sophomore, and Johnna Britt, 5-8 senior.

Jacksboro - Lisa Hicks, 5-8 senior, and Betty Scheer, 5-8 senior.

Bowie - Kristi Henry, 5-4 senior.

Breckenridge - Christy Hurford, 5-5 senior.

Little League signup set

With April 25 having been set for opening day of the Iowa Park Little League Baseball season, officers have established their schedules for registering and practices.

Signups will begin Mar. 21 at the Little League fields on West Magnolia, and will be repeated Mar. 28.

Youngsters will receive registration forms at their respective schools. Parents should fill out the forms, and have birth certificates ready when the forms are turned in.

Little League is open to boys and girls between the ages of six and 15, before July 31.

Minor League practice will begin April 6 and Major League try-outs will be held April 4 and 11. Drafts for the Majors and Seniors will be held April 12.

ABOUT TOWN

Scout-O-Rama tickets will remain on sale until April 11, and a portion of the money raised will be retained by local Scouts. They are available from Pam Schraeder, Wayne Trammell or Ira Hambricht.

AREA OIL & GAS NEWS

Tri Core Oil & Gas has posted first production figures on two developmental wells in the Wichita Regular Field. The operations are designated as the Nos. 6 and 10 Warren "C", with drillsites five miles southwest of Burkburnett. The wells are in 124 and 143-acre leases in the DR&K Survey, A-714.

The operations indicated potential to pump oil at the combined rate of ten barrels of oil per day, plus a combined 65 barrels of water. Total drilling depths were 1,800 and 1,810 feet, respectively. The No. 6 well was plugged back to 840 feet, while the No. 10 well was plugged back to 1,320 feet. Production will be from perforations in the Cisco Sand Formation, ranging from 482 to 1,288 feet into the wellbore.

The No. 6 well is situated 2,780 feet from the north line and 1,089 feet from the east line of the survey.

Drillsite for the No. 10 well is 2,607 feet from the north line and 1,650 feet from the east line of the survey.

A 2,000-ft. developmental well is planned by J.F. Hood of Ft. Worth at a drillsite one mile south of Fowlkes. The location is in a 40-acre lease in the H&GN Survey, A-432. Well's designation is the No. 4 Texaco-Sun. It will be drilled in the Wichita Regular Field.

Location is 1,170 feet from the south line and 1,170 feet from the west line of the lease.

The Wichita Regular Field gained a producer when Mobil Producing completed a re-entry operation at the No. 1 Rio Bravo. The well is located two miles southwest of Electra in a 160-acre lease in the H&TC Survey, Sec. 31, Blk. 5.

The well pumped eight barrels of oil per day, plus 408 barrels of water from perforations in the Cisco Formation, ranging from 407 to 2,105 feet into the wellbore.

Socony Mobil Oil Co. originally completed the well April 6, 1965, and it produced from an open-hole interval at 2,512 to 3,200 feet into the wellbore. The original total depth was 3,200 feet, and Mobil plugged the well back to 2,470 feet. The well is situated 2,173 feet from the north line and 1,975 feet from the east line of the lease.

At a location three miles northeast of Quanah, Trio Operating has finalized an oil producer in Hardeeman County's Swartz Field.

The well is designated as the No. 1 Weber-O'Neal, pumping 41 barrels of oil per day, plus 192 barrels of water.

Location is in a 60-acre lease in the W&NW Survey, A-492. Bottomed at 8,960 feet and plugged back to 6,028 feet, the well will produce from perforations in the Palo Pinto Formation, 5,864 to 5,888 feet into the wellbore.

The operation is located 467 feet from the south line and 600 feet from the east line of the lease.
