Voters to cast ballots Saturday

Voters will be deciding on three school trustees and three city aldermen Saturday.

Polls will open at 7 a.m. and close at 7 p.m. They will be at Kidwell Elementary and Bradford Elementary for both the city and school voting.

A third poll will also be open

for voters in the school district. It will be at the West Wichita Coop building at Valley View.

About average interest has been indicated in both elections, based on number of absentee ballots cast.

Final count of absentee ballots cast by Tuesday's deadline were 25 in the school election and 12 in the

city's.

Ordinarily there would be only two trustee places open, but the resignation of Roy Boutwell created the third.

The winning candidate for Place 2, vacated by Boutwell, will serve only one year, fulfilling his term.

Candidates for Place 2, as they

appear on the ballots, include Robert Morris, Wendall House, Ron Barnes, Larry Ashford, Roy Don Wynn, Jim Cooper, Lester Rose and Jerry Gholson.

Neither of the other incumbents is seeking re-election.

Seeking to succeed Rex Wells in Place 6 are the following candidates:

Jackie Gholson, Roy Reid, Benny McCarthy, Mark Raby, Beverly Cockburn, Sheri Kennedy and Don Decker.

Place 7, being vacated by Marilyn Hale, drew only two candidates: Gary Fielding and Dee Blackwell.

Two incumbents on the city council are unchallenged on the

ballot. They are Johnny Cysor, Place 3, and Diane Robnett, Place 5.

Place 1 drew Keith Fisher, Virgil I. Woodfin and Charlie Brown as hopefuls.

The position opened when George Hammonds decided not to seek re-election, because of health reasons.

No April Fool's joke, clocks to change Sunday

If you were planning to wait until the last Sunday of April to set your clock ahead, you'll be late for every appointment the entire month.

Congress, in its wisdom, decided to give everyone three additional weeks of Daylight Savings Time.

Clocks should be set ahead one hour when you go to bed Saturday night (spring forward).

Since Daylight Savings has been observed, the final weekend of April has been the time to change clocks.

The final Sunday in October will continue to be the changing date to return to Standard Time.

Permit issued for new home

A building permit for one new home was issued during March, boosting the month's total to over \$56,000.

March's \$56,240 in permits made the year's total \$143,760.

Permits issued during March included:

Vernon Tepfer, 502 E. Pasadena, repair, \$1,500;

Cletys Stiles, 1021 Cornelia, addition, \$5,184;

Jimmy Walker, 303 E. Alameda, repair, \$600;

T.J. Bailey, 409 S. Texowa, alteration, \$150;

Jimmy Sheets, 1113 Lincoln, repair, \$2,000;

Iowa Park Leader, 112 W. Cash, alteration, \$1,000;

Brent Hrnirick, 603 W. Smith, addition, \$3,600;

Independent American Savings, 301 N. Wall, alteration, \$800;

Mark Burgess, 708 N. Pacific, addition, \$4,332;

John Timms, 1025 Van Horn, addition, \$5,184;

Richard Schroeder, 605 W. Magnolia, new home, \$31,890.

IOWA PARK LEADER

28 Cents

Vol. 18, No. 29 IOWA PARK, WICHITA COUNTY, TEXAS 75367 Thursday, April 2, 1987

Council meeting moved to Monday

Iowa Park city council will hold a regular meeting Monday evening, instead of the usual second week of the month, in order to canvass votes cast Saturday.

Following canvass results, the newly-elected aldermen will be sworn into office, according to James Barrington, city administrator, and also the mayor pro-tem will be named.

Three ordinances are on the agenda, including revising the duties of the fire marshal, changing regulations for purchasing, and amending the term of office for the municipal judge.

A resolution will be considered which would authorize certain individuals to sign checks and other financial instruments for the city.

A request will be considered to authorize replacement of the carpet in the front entrance of city hall with tile.

Also to be considered is authorizing the administrator to negotiate a contract for professional service for grounds maintenance, and enter into a

short-term agreement for interim services.

The service, which is for the mowing of city property, has been on meeting agendas twice before, and no solution has yet been reached.

Dates of the next three regular meetings of the city may be changed

by the council, Barrington said.

It will be proposed for consideration that the second April meeting be held on the 20th, and May's meetings be held the first and third Mondays, rather than second and fourth, to miss Memorial Day weekend.

Gun thefts prompt warning from chief

The theft of rifles from two pickups during the past week has prompted Alan Sheffield, police chief, to issue a warning against keeping guns in vehicles.

The time-honored practice of keeping one's rifle on a rack hung over the rear window of a pickup is equated by Sheffield as "laying your money on the seat, and leaving it there."

He said such an open invitation to thieves is a practice he can't understand.

The thefts were reported to police Thursday and Monday.

Larry Ashford said someone got into his pickup Wednesday night and took a single shot 12-gauge shotgun and .22 cal. pistol.

Monday, Jimmy Bradberry said his pickup was broken into while parked at 714 W. Manes, and a Winchester rifle with scope taken.

Another theft, but not of a rifle,

was reported Saturday. Mrs. Jimmy Miller said a riding lawnmower was taken from her carport at 411 W. Ruby.

J.A. Jacobi told police Thursday someone had slashed the tires on his son's vehicle Thursday while it was parked at 1608 Johnson Road.

Two persons were arrested during the week, according to the police blotter.

Regina Paschall Russell, 29, was arrested at Cash and Bell at 9:44 p.m. on a charge of driving while license was suspended. She was transported at 12:45 a.m. to county jail.

An outstanding warrant for possession of marijuana and controlled substance, issued by Wichita County Sheriff's Office, resulted in the 7:28 p.m. arrest Monday of Randall Lee Keeton.

Keeton, 31, was released at 8:50 p.m. to a sheriff's deputy.

WELL MADE ATTRACTIVE - An old well, located on the east side of city hall, was made more attractive recently when workers built a cover over it. No records are available at city hall on the well's history, and anyone knowing its background is asked to contact the Leader.

Wreck victim succumbs

Iowa Park police were notified at 1:25 p.m. yesterday that Jerry Wallace Campbell, 41, had died as a result of injuries sustained in a one-vehicle accident Mar. 21 near the high school.

Chief Alan Sheffield said he would now be working with the district attorney's office to update charges against the driver of the vehicle, 46-year-old Reggie Leroy Lacy.

Lacy, who also was injured and treated at Wichita General Hospital, already had a charge filed against him for driving while license was suspended.

Sheffield said the revised charge would "likely be more serious."

The accident was discovered when Sgt. Mike Stark, on routine patrol at 10:03 p.m., found the VW van which had crashed into a dead-end barrier, sitting with its motor running and the two occupants unconscious.

Both occupants had sustained head injuries, apparently from hitting the windshield.

Emergency personnel said Campbell's head and shoulders were wedged between the steering column and Lacy's knees.

Students receiving sex education in classrooms

By KARI COLLINS

Where do students receive sex education?

A number of sources, according to Carey Roberts, Home and Family Living teacher at Iowa Park High School.

Miss Roberts said the four places adolescents receive information about sex are, in order, friends and television, the schools, from family members and the church.

She also said that society's views as to what is acceptable has changed over the years. Television shows have become more explicit and usually don't display values, responsible sex or the consequences of irresponsible sex.

Miss Roberts said, "(Sex education) needs to start at home, but it usually doesn't." Therefore, the school district offers sex education beginning in junior high.

The United States has one of the highest teenage pregnancy rates in the world, reporting over one-million teenage pregnancies each year.

Carol Sinclair of Wilson Family Planning Clinic in Wichita Falls

offered some national statistics which were applied to Wichita County.

In 1980, there were 4,890 teenage girls (13-19 years old) in Wichita County. Of these, they projected that 10 percent (489) would get pregnant. Of the pregnancies, 10 percent would miscarry, 30 percent would abort the pregnancy and 60 percent would carry the babies to term.

Of the 60 percent who carry the babies to term, 90 percent would keep their babies (resulting in 2/3 to marry with 3/4 of these resulting in divorce) and 10 percent opting to adopt their babies out.

1981 data indicates that Texas has the third highest pregnancy rate per 1,000 girls ages 15 - 19, and the second highest number of pregnancies and the highest number of births to girls 14 and younger.

She said in 1986 there were 301 births to women under the age of 20 in Wichita Falls.

Mrs. Sinclair said that of the 3,346 women who now utilize the clinic, approximately 31 percent (1,051) are under the age of 20.

With statistics such as these, and venereal diseases also on the rise, proper sex education is a must.

Sex education programs in the schools are designed to do exactly what they say - help students to make educated decisions about sex.

The school district offers basic

types of relationships and different kinds of love.

Tenth grade biology, taught by Tim Kaspar, also mandatory, discusses the reproductive system and the three types of prescription birth control.

The Home and Family Living

Hiding it (facts about sex) is not going to help."

- Richard Davis, high school principal

sex education beginning in the eighth grade.

A mandatory eighth grade health class, taught by Terry Davis, has a two-week section on "sex education."

Discussed in this section are heredity, physical changes during adolescence, reproductive organs, personal relationship and peer and social pressures. Ninth grade health, a half-year course taught by Dean Kirkpatrick, discusses and shows filmstrips regarding venereal diseases including Acquired Immune Deficiency Syndrome (AIDS), and discusses

course, which includes in its curriculum an extensive two-week section on sex education, is not a mandatory class, but an elective, for eleventh and twelfth grade students.

Miss Roberts said she tries to present both sides of the discussion and stays away from "preaching." She said, "Good sex education is the whole package...no preaching...they immediately shut you out."

During the course, students are educated on every aspect of sexuality, from personal relationships to

teenage pregnancy.

There are class discussions on relationships with siblings, parents and friends. They also discuss values and decisions about sex, drugs and alcohol.

There is also a full study of the male and female anatomy; how sex affects relationships, education and future plans; venereal diseases including AIDS; birth control including methods, effectiveness, how they work, price and responsibility; sexual and birth control myths; and teenage pregnancies and options.

Numerous filmstrips are shown, including one entitled "OK To Say No."

Although Miss Roberts encourages open discussion among her students she said that what questions the students feel uncomfortable asking in the classroom may be put in a "question box," and she will answer it the next day in class.

With a little over half of all adolescents sexually active, Richard Davis, Iowa Park High School principal, said that he believes sex education should begin early in

junior high when children are going through puberty and continue through high school.

Davis also said, "It (sex education) should be taught from a professional level." He agreed that it took a special kind of educator to relate to the students on this matter.

Both Davis and Miss Roberts agree that proper and accurate sex education is a deterrent to sexual promiscuity and teenage pregnancy, and not a motivator. "Hiding it (facts about sex) is not going to help," Davis said.

Davis said that he didn't think the Iowa Park schools had a problem with teenage pregnancies but that continued sex education is necessary to prevent a problem. He also stressed that the study of AIDS should be a part of the curriculum beginning in at least the ninth grade.

Roberts said a lot of students go into her course thinking they know all there is to know about sex. But oftentimes, she said she can tell when she's just told a student something he or she didn't really know.

Hale, Lane vows are solemnized here Saturday evening

Wearing an exquisite wedding gown of white silk tissue taffeta from the House of Illisa, embellished with Alencon lace, English net, seed pearls and iridescents, Miss Jacalyn Kay Hale became the bride of Dr. Mark Steven Lane Saturday evening at the First Undited Methodist Church. Rev. Kerry Hurst of the Aldersgate Methodist Church in Lubbock officiated the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Darrell Hale of Iowa Park and the groom is the son of Mr. and Mrs. Frank Lane of Sudan.

Presented in marriage by her father, the bride reflected her happiness in her gown fashioned with a sabrina neckline, a front bodice covered with English net with flowerette lace appliques forming a petit point at the waistline, and the back bodice featuring a deep plunging "V" outlined in wide Alencon lace appliques over net.

The pleated Renaissance sleeves were long and highlighted with net and Alencon lace appliques covered in seed pearls and iridescents. They were pointed at the wrists and rows of silk covered buttons were an accent.

The fully gathered skirt that fell from a basque waistline was enhanced with scalloped patterned Alencon lace and extended into a cathedral train.

The bride wore a fingertip length veil attached to a wreath of Alencon lace flowers beaded in pearls and crystals and finished with a full pouf of the illusion at the back. Unique in its beauty, the bride's cascade bouquet was a lush creation of white bridal roses, pink sweetheart roses, white stephanotis and English ivy.

Two of her traditions reeked with family sentiment. The "something old" was an antique linen and lace handkerchief that had belonged to the bride's great-great-grandmother and had been carried in weddings for many years. The "something borrowed" from her aunt, Mrs. John Williamson, was her grandmother's wedding band. She completed the traditions with her "something new" wedding dress and the "something blue" garter.

The wedding decorations were tastefully arranged to lend themselves to the reverent atmosphere of the natural altar setting. Heart-shaped

MRS. MARK STEVEN LANE

brass candelabra traced with boxwood held votive candles on the floor at either side of the stained glass window over the choir loft. The candles also glowed at the lower extremities of the choir loft.

The hushed reverence of the setting was enhanced in the altar area where a gold cross hung above an open Bible flanked by white candles burning in gold holders on a table in the center.

A grapevine basket holding Boston fern, grape ivy, sprengeri fern, fresh potted pink tulips was placed on the floor in front of the table.

The altar rails were entwined with grape greenery and softly lighted with votive candles placed at intervals in the greenery.

The tall brass three-point candlestick in the outer altar held the unity

candle which was a reminder of the sanctity and permanence of marriage as the bride and groom were lighting it after they had exchanged their vows and rings.

The aisle to the altar was lighted with tall Grecian candles burning in hurricane globes on tall brass holders entwined with grape greenery accented with white silk bows.

The high caliber music for the wedding was presented by Don Owens, organist, John Teel, pianist, and Miss Darlene Mahler, soloist, and the prelude organ selections set the mood. These included "Now Thank Thee All Our God," "Leid," "Two Antiphonies," "Lord Jesus Christ Unto Us Turn," "Lord Jesus Christ Be Present Now." Miss Mahler also sang "Only the Beginning" before the ceremony.

The members of the wedding party took their places in the nuptial space during the playing of Purcell's "Trumpet Voluntary." Following the marriage covenant and agreement and reading of the scripture, the soloist sang "Whither Thou Goest" and sang the "Lord's Prayer" after the exchange of rings and prayer of blessing. The organist played Medessohn's Wedding March for the recessional.

The bride's attendants and flower girl presented a charming picture in identical tea length teal satin dresses fashioned with basque bodices, shirred detail sleeves and candy box bow tie in the back. The attendants' bouquets and grape wreath carried by the flower girl had an enchanting appeal in their arrangement of sprengeri fern, tree fern, leatherleaf, pink Gerber daisies, double tulips, alstermeria lillies, Bovardia and freesia, the flowers and greenery were scaled down for the grape wreath.

Miss Debbie Smith of Lubbock served as maid of honor. Mrs. Brad Payne of Lubbock and Mrs. Sonny Cook of Iowa Park were the bridesmaids and Miss Katy Williamson of Iowa Park was the flower girl.

Aaron Nix of Belton carried the rings on a pillow hand cross-stitched with hearts and initials of the bride and groom, a gift from Joni Whitis.

The groom wore a charcoal grey tuxedo with tails, a white wing-tipped collared shirt and bow tie and a boutonniere of three white stephanotis flowers backgrounded by English ivy.

Dr. Steve Manning of Lubbock, the best man, Kaven Stout of Seymour and Mike Wardlow of Amarillo, the groomsmen, Doug Hale, brother of the bride, the usher, ringbearer, and fathers of the bride and groom were dressed like the groom except for regular coats and wore pink rosebud boutonnieres.

The mothers of the bride and groom complemented their wedding dresses with white cattelya orchid corsages. Mrs. Hale chose a tea length ruby crepe dress designed with boat neck draped in the back and three quarter length sleeves, and Mrs. Lane wore a pink chiffon tea length dress with a draped neckline.

The bride's parents honored the newlyweds at a reception held in the Fellowship Hall where the decorations emphasized the bride's colors of pink and teal combined with white and silver to create beauty that could not be captured in words.

The bride's table was a picture of sophisticated beauty. It was covered with white satin that draped to the floor with a two-tiered gathered skirt pearl pinned at the top. It was swagged with wide white tulle caught at the corners and front center with sprays of sprengeri fern accented with tulle bows and strands of pearls.

The centerpiece was a four-branched silver candelabra holding a silk arrangement of white gladiola, pink iris, teal tiger lilies and white tapers. The silver punch service at one side and the cake at the other side were encircled with fresh leather leaf, pink Gerber daisies and tulips. The white bridal napkins were marked with the names of the bride and groom and their wedding date in silver, and silver trays holding double pink wedding bell-shaped mints were splendid table decorations.

The four-tiered bride's cake was an ethereal structure iced in white and lavishly trimmed with hand-moulded roses, tulips, bridal trumpets, petunias, stephanotis and lilies of the valley in shades of pink. Two sets of sugar pillars separated the tiers, one of the spaces holding a Precious Moments bride and groom that belonged to Mrs. E.E. Hale, grandmother of the bride. The

luxurious finishing touch to the cake was a bouquet of the flowers on the top tier.

Mmes. Charlie Lee, Afton Pike and Kay Cole presided at the table.

The groom's large round table was covered with a floor length teal taffeta cloth pleated with pearl pins at the top. It held a round chocolate cake frosted in light chocolate detailed with sculpting suitable for a groom's cake and the letter "L" cut in the center.

A silver coffee service that belonged to the groom's grandmother, Mrs. Lucy Lane, a mirrored fruit and cheese display monogrammed teal napkins and chocolate mints imprinted with "L" completed the table appointments. Mrs. Bruce Waters and Mrs. Mike Nix served at the table.

The long hor d'oeuvres table was covered with white taffeta and the large round tables where guests sat for refreshments were covered with white linen and centered with Grecian candles in hurricane globes.

Kayleen Nix presided at the guest book table in the church entry and later at the wedding reception. The table was fully draped with white taffeta and swagged at the top with sprengeri fern threaded with white lace and moire ribbon. It held a brass stand that supported a Grecian candle covered by a hurricane globe, the guest book and white plume pen.

The baskets of pink rice bags tied with teal ribbon and pink bows were placed in the table at the reception.

The groom's parents were hosts for the catered rehearsal dinner Friday evening at Tom Burnett Memorial Library, and a bridal luncheon was given Saturday at TU Electric Reddy Room by Mmes. Joni Whitis, John Williamson and Charles Waggoner.

The newlyweds chose Canada for their wedding trip, and the bride selected a pink silk dress designed with short pleated sleeves and skirt for travel. They will live in Lubbock when they return.

The bride was graduated from Iowa Park High School and the Univ. of Texas Health Science Center. She is employed by Lubbock General Hospital. The groom was graduated from Sudan High School, West Texas Univ. and Texas Tech School of Medicine. He is completing his residency in family practice at Texas Tech Univ. Health Science Center.

Special wedding guests were Mrs. Louise Killingsworth of Hamlin and Mr. and Mrs. W.E. Hale of Rotan, grandparents of the bride.

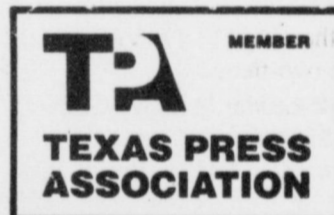

BALLOON LAUNCH
Purple, pink, orange, blue, yellow, white, and green balloons will be flying high this Saturday, April 4th at 10:30 a.m. during the balloon launch. Which one will have your name attached to it?

The purpose of this launch is to salute the Tom Burnett Memorial Library. School age children and adults are invited to participate in this first Balloon Launch to celebrate National Library Week (April 5-11).
Schedule:
10:30 - Fill out name and address cards.
11:00 - Fill balloons with helium.
11:30 - Release balloons.

BOOK SALE
During National Library Week, the library will be having a book sale on Tuesday, April 7th. The sale will during regular library hours, 12:00-8:00 p.m. Hardback books will be sold for 25¢ and paperbacks will be sold for 10¢.

The Big Easter Egg Hunt
The second annual Easter Egg Hunt will begin next Saturday, April 11, at the Tom Burnett Memorial Library, at 1:30 p.m. Peter Cottontail is getting anxious about his visit to Iowa Park. I hope you are making plans to attend. The age limit is preschool through 6th grade.

FRIENDSHIP HOUSE
The rental house which is directly behind the library has a new name and function. Its new name is "Friendship House," and its new function is a meeting house for children and teenagers. Reservations for the house are made through Toni Lutz at the Tom Burnett Library, 592-4981.

Garden Club members tour historical house

Eleven members of the Iowa Park Garden Club toured the historical Kell House in Wichita Falls Friday morning.

Mrs. Wayne Watts, the tour guide, informed members that the late Frank Kell purchased the property in 1908 and that the house was built in 1909.

She said that the Kells had six daughters and one son, and only one family lived in the house from the time it was built until the time it became a historical landmark. After their father's death in 1941, a daughter "Miss Willie May" lived there until her death in 1980.

As the group toured the 14 rooms of the home, Mrs. Watts pointed out that many of the furnishings and fixtures they admired

were originally put into the house when it was built in 1909. They learned that even though there were five fireplaces in the house, it was actually heated by central heat which operated from a coal furnace in the basement, installed when the house was built.

The guide told the group that the elevator, a special feature of the house, was installed at the request of Mrs. Kell. In order to protect her grandchildren from the hazard of playing under the elevator, she had it designed to automatically stop with just the slightest touch from the bottom.

After touring the house, club members walked over the beautifully landscaped grounds and saw the flower beds where red and yellow tulips were in full bloom.

SOME OF THE THINGS DISCUSSED HERE MIGHT SHOCK YOU.

But not if you follow these tips for working around electricity while working around the house or on the job.

- Keep ladders and trimming tools away from overhead wires.
- Call an expert if your electric meter or fuse box needs to be moved.
- Don't dig if you suspect there are underground wires—call us first.
- Make sure you're clear of all wires when installing an antenna; think about where it might land if it falls during installation.
- Make sure all tools that run on electricity are properly grounded and treat them with respect.

We don't mean to alarm you. But too many people become accident statistics simply because they forget to be cautious around electricity. And that's the shocking truth.

TUELECTRIC
Texas Electric Service

Woods, Flatt vows exchanged Saturday

MRS. SHANNON HARLAN GARNER

MRS. CARLAN JAY FLATT

Miss Rebecca Ann Woods became the bride of Carlan Jay Flatt Saturday evening at the Iowa Park Assembly of God in a double-ring ceremony performed by Rev. Weldon Griffith of Holliday and Rev. Charles Hensley, pastor of the church.

The bride is the daughter of Mr. and Mrs. Jerry Don Woods and the groom is the son of Mr. and Mrs. Carl U. Flatt.

The couple exchanged vows before an archway decorated with greenery and white bows flanked by seven-branched candelabra holding white candles and trimmed with white pixie carnations and royal blue silk bows. A three-branched candelabrum in the setting was ornamented with greenery and held the unity candle that the bride and groom lighted to seal their vows.

The church pews were marked with large white bows accented with net, carnations and rosebuds centered with royal blue bluebonnets.

Patricia Glover provided the organ and vocal music for the wedding. For prelude numbers she played "The Twelfth of Never," "If," "Endless Love," and "Truly." She played the traditional wedding marches for the entrance and exit of the wedding party. During the ceremony, she played "God, a Woman and a Man," and sang "Through the Eyes of Love" and the "Lord's Prayer."

The bride chose an enchanting satin and lace bridal gown for her wedding. The close fitting bodice enriched with sequins and simulated pearls featured sheer illusion net front and back yokes enhanced with Schiffli embroidery and Elizabethan sleeves. A flattering basque waist set off a full gathered skirt trimmed with Venise lace that extended into a chapel length train.

Her fingertip nylon net veil and blusher were secured to a bridal wreath of flowers and pearls. She carried an all white bouquet of fresh white pixie carnations and sweetheart roses with cascading ribbons.

The bride was escorted and presented for marriage by her grandfather, Jim Seiver.

Mrs. Jessie Frazier took part in the wedding as matron of honor and Mrs. Shane McAda was the bridesmaid. Each was dressed in a royal blue sheer fantasia gown over taffeta styled with a shirred sweetheart neckline set off with an elasticized ruffle worn off the shoulders, slightly raised waist, and satin ribbon sash. The flared skirt captured attention with tiers of ruffles in the back that

formed a short train. The attendants carried single long-stemmed carnations tied with royal blue bows.

Jessica Cockrum, the flower girl, cousin of the bridegroom, was escorted by Justin Dueantie Denton, cousin of the groom. She wore a dress like the attendants were modified for her age. She carried white roses, carnations, white calla lilies and royal blue forget me nots nestled in white net in a white basket bordered with lace accented with blue ribbon on the handle and blue and white bows at the sides.

Steven Andrew Gannon, the bridegroom's cousin, was the ring bearer.

Carl Flatt served as best man for his son, and Shane McAda was the groomsman. The ushers and candle-lighters were Jim Cockrum and Jeff Sanders.

The groom wore a white tuxedo with tails, matching shirt, cummerbund and tie. The groom's attendants, ushers, ring bearer and flower girl's escort wore grey tuxedos with regular coats, royal blue cummerbunds and ties.

Following the wedding, guests went immediately to Tom Burnett Memorial Library for the reception hosted by the bride's family.

The bride's table was left uncovered so as not to hide the beauty of its glass top. The centerpiece was a bouquet of fresh white pixie carnations and sweetheart roses, and the other appointments included the cake, crystal punch service, and bridal napkins.

The bride's cake was a delightful combination of sculpture designs and flowers that drew admiration from the guests. The white confection consisted of three scalloped tiers separated by two sets of Grecian pillars, the two lower tiers encircled with clusters of roses centered with pearl sprays, the top tier encircled with zigzag garlands touched at intervals with small white roses.

Cascades of rosebuds were extra ornamentation to the sides of the tiers, and the tops between the divided tiers were covered with clusters of flower sprays and roses. The decorations reached a peak of interest in the top piece. It was a porcelain bride and groom sitting under a canopy of white lace accented with sprays of roses and pearls and raised by a dais trimmed in the same pattern.

The groom's table was covered with a white cloth set off with a ruffled skirt and trimmed with royal blue bows with cascading wedding bells. His cake was also pleasing to the eye. It was a chocolate cake with two hearts drawn into the frosting, one lettered with "Carlan and Rebecca" and the other "March 28, 1987." Three large wedding bells with royal blue ribbon completed the cake decorations. The table also held the silver coffee service and napkins.

Refreshments were served by Mrs. Jessie Frazier, Mrs. Shane McAda and Miss Heather Woods.

The groom's parents hosted the catered rehearsal dinner Friday evening at TU Electric Reddy Room.

The bride and groom were graduated from Iowa Park High School. She is employed at Pro Cuts in Wichita Falls. He is a student at Vernon Regional Junior College and will receive an associate degree in electronics with honors in May. He is employed by Big O Grocery Store. Following a wedding trip to San Antonio, the couple will live in Wichita Falls. The bride's traveling costume was a spring-colored plaid skirt, yellow sweater with lace collar and yellow shoes.

Neely, Garner wed recently in Austin

Miss Lindley Ann Neely and Shannon Harlan Garner were married recently at the home of the groom's parents, Mr and Mrs. Sam Garner, in Austin. Judge Carol Haberman, federal judge of the 45th District of Baer County, performed the double-ring ceremony.

The bride is the daughter of Eunice Neely of Vernon and Tom Neely, also of Vernon.

The ceremony was held on the sun deck of the Garner home in front of a reflection pond with white gladioli decorating the posts tied with white ribbons, marigolds, white chrysanthemums floating on the pond. Hanging baskets of white honeysuckle, marigolds and chrysanthemums completely surrounded the two-tiered deck and the pond was surrounded by pot plants of live jasmine and chrysanthemums.

The wedding music was furnished by Craig Furquahr, guitarist, and Roggie Scotland, violinist, who played "Stairway to Heaven" and Wagner's Wedding March. Barry Grand read a poem "Marriage."

The bride wore a designer gown of shimmering white satin fashioned with a sabrina neckline bordered with re-embroidered lace and tiny seed pearls. The re-embroidered lace covered the entire bodice to its flattering natural waistline. Tiny seed pearls and satin-covered buttons added extra distinction to the back of the bodice, and the long tapered sleeves of the gown were beautifully adorned with lace and pearls. The A-line skirt gracefully flowed into a floor length skirt bordered with tiny seed pearls.

The bride's veil was attached to garland band of tiny silk flowers intertwined with seed pearls, and she carried a cascade of white spider and mini mums, baby's breath, fern and ribbon.

She kept traditions by carrying a white linen handkerchief that belonged to her maternal grandmother for "something old," a garter, a gift from a friend for both "something new" and "something blue," and wore her mother's pearl earrings for "something borrowed."

Laura Neely Wilson, sister of the bride, was matron of honor, and Jeanne Lubbering of College Station and Barbara Norman of San Antonio were the bridesmaids. They were attired in romance blue Rachele lace dresses. In design, the dresses featured long fitted sleeves, scoop backs, dropped waists accented in satin bows, and flounced tea length skirts. They carried free form bouquets of mauve spider mums, blue forget me nots, knots and loops, fern and mauve ribbon.

Scott Manley of San Marcos was best man. The groomsmen were Mike Garner and Clay Garner, both of Austin, brothers of the groom, and the ushers were Tommy Neely of Vernon, brother of the bride, and Clay Garner.

The bride's mother wore a tea length lavender crepe dress styled with a sabrina neckline and draped back bodice. She wore a corsage of Daphne miniature lilies, baby's breath and rose looped ribbon. The groom's mother wore a tea length silver print on white dress complemented with a corsage of yellow roses, blue forget me nots, baby's breath and yellow ribbon.

The reception was held in the home of the groom's parents. The almond cake with butter icing was decorated with silk flowers in spring colors and set on a table decorated with an arrangement of pink tulips. Punch and a catered buffet meal were served.

The bride and groom are now at home in College Station after a trip to Ponca, Ark. For travel, the bride wore a light green skirt, white sweater, light green and white striped jacket.

The bride was graduated from Iowa Park High School, and Texas A&M Univ. with a degree in wildlife and ecology. While working toward her BS degree, she was secretary of Wildlife Biology Society and the 1986 Outstanding Wildlife Biology Student. She will continue her studies toward a master's degree.

The groom will graduate from Texas A&M Univ. in May with a degree in wildlife and ecology. He was president of Wildlife Biology Society, and he, too, will continue his studies toward a master's degree.

As I See It...

By BOB HAMILTON

We can gripe all we want to about all the rain we've had, the high winds and even those freezing temperatures the early part of this week, but we've been lucky if you want to compare weather with what they've had up in the Panhandle.

They had two full-blown blizzards last week that completely shut down traffic on the highways.

We were getting the same winds they were, except our's weren't carrying the snow.

According to the newspaper at Canyon, traffic was shut down completely on the highways in that area because the visibility was zero.

And Harold Hudson (who recently spelled it "Herald" in a byline, apparently because he's written the name Perryton Herald so many years), wrote about his problems in his own driveway.

Pulling into his driveway at night, he couldn't tell how deep a snow drift was, and he became lodged. He said it took him three hours to dig his car out of the drift the next day.

Mrs. Hartmangruber observes birthday

Mrs. Mike Hartmangruber was honored recently on her 83rd birthday at a party held at the home of Mr. and Mrs. Joe Sokora of Wichita Falls.

Hosting the party were Mrs. Hartmangruber's children, Mr. and Mrs. Bimmie Hunter of Dallas, Mr. and Mrs. J.W. Hille of Humber, Mr. and Mrs. Louis Hartmangruber and Mr. and Mrs. James Hartmangruber, all of Iowa Park, and Mr. and Mrs. Oscar Goforth and Mr. and Mrs. Joe Sokora, all of Wichita Falls.

EXPRESS YOURSELF
with a letter to the editor

Iowa Park Leader
P.O. Box 430
Iowa Park, TX 76367

The Perryton paper compared the first of the two blizzards with one that happened back in 1957, but admitted it probably wasn't quite as severe.

We were living in Dumas that year, and it was the worst I've ever experienced.

I remember three men were dug out of a car that had been parked on a roadside two days. The snow was so blinding, they weren't aware they were less than 100 yards from a housing addition.

All they had to eat during those cold, cold hours was a bar of candy and two packs of chewing gum.

Several people died in the storm of '57, and livestock as well.

Nope, I've learned not to complain about the rain...at least as long as it's not snows like our Panhandle neighbors have been getting.

And speaking of complaining, don't forget to vote in the city and school elections Saturday.

What has complaining got to do with voting?

Well, if you don't vote, and then find something to complain about how the city and school are run, you really don't have the right.

One last note.

To the person who wrote me a typed letter this week, complaining about the schools, your typed name will not do.

Letters to the Editor must be signed and we must be able to verify their authenticity. Otherwise, they just go into "File 13."

And adding "this probably won't be printed" has nothing to do with whether the letter is published or not.

The Leader is a public forum for our residents, and letters qualifying with policy will be printed, so long as they do not contain statements which could be found libel in court.

Clean Up Week dates selected

Eighteen organizations will be invited to participate in the annual Clean Up Week, April 19-25, by the Chamber of Commerce.

Members of the Chamber's committee will be contacting the organizations, explaining areas delegated to the groups and seeking confirmation of participation, according to Bob Hamilton, committee chairman.

Plastic bags, furnished by Cryovac, will be provided the organizations, and the city will be placing dumpsters in those areas for disposal.

Mayor Tim Hunter is expected to sign a proclamation Monday declaring the dates as official Clean Up Week in the community, and at the same time designating free dumping by residents at the city's landfill.

Leaders of the organizations will be contacted by committee members during the coming week.

Other committee members include Robert Palmer, Keith Aulds, Dee Blackwell and Ruth Pirkle.

Ivan Wilson is recognized

Ivan L. Wilson, son of Mr. and Mrs. Melvin Wilson of Iowa Park will be inducted into Phi Eta Sigma and Alpha Lambda Delta, both national scholastic honor societies for freshman college and university students, Sunday at the Clark Student Center Ballroom. Wilson is a student at Midwestern State Univ.

Membership in both honor societies requires members to have a cumulative grade-point average of at least 3.5 at the end of their freshman year in college.

HOLLIDAY SCHOOL LUNCH MENU

Friday, April 3
Breakfast: Cinnamon roll, juice, milk.
Lunch: Chicken fried steak, gravy, creamed potatoes, fried okra, hot rolls, peaches, milk.

Monday, April 6

Lunch: Stew, cornbread, crackers, French fries, fruit, milk, peanut butter.

Wednesday, April 8
Breakfast: Donuts, milk, orange juice.
Lunch: Corn dogs, macaroni & cheese, salad, milk, fruit cobbler, milk.

Thursday, April 9
Breakfast: Biscuits, gravy, bacon, fruit, milk.
Lunch: Hamburgers, lettuce, tomatoes, onion, pickles, mustard, mayonnaise, chips, ice cream, milk.

Lyndsey Lenae, a nine pound daughter, was born to Mr. and Mrs. Roger Reid March 23. She has a sister, Courtney, three years old.

The grandparents are Mr. and Mrs. Lyndell Glenn and Mr. and Mrs. Roy L. Reid of Wichita Falls. The great-grandparents are Mr. and Mrs. Wilburn Bedford of Iowa Park, Mrs. Tina Glenn of Wichita Falls and Mrs. Haskell Wright of Electra.

Kidwell P-TA sets carnival

The Kidwell P-TA 1987 Spring Carnival will be from 10 a.m. to 4 p.m. April 11 at Kidwell Elementary. Activities at the carnival will include toy and cake walks, goldfish pond, petting, zoo, personalizing booth, golf-green, ring toss, football throw and wheel-of-fortune.

Awards will be given for the best Easter basket for age groups 0-pre-school, first and second grades, and third and up.

The Easter Bunny will also be on hand for picture taking.

Reception Saturday to fete R.L. Good

Friends of R.L. Good are invited to a reception commemorating his 90th birthday.

It will be held between 2 and 4 p.m. Saturday, in the upstairs room of Tom Burnett Memorial Library.

The reception will be hosted by Mrs. Good and their children.

JET OJ IS WINNER - James C. Wells' Jet OJ records the fourth fastest time in the West Texas Derby trials at Sunland Park, just out of El Paso, March 20. The Easy Jet colt stopped the clock in a zippy 19.655 for 400 yards, while winning his trial. Trainer Jack Brooks and jockey Jacky Martin will again handle the colt for Saturday's final - worth \$85,000. The West Texas Derby is the Southwest's first major stakes race for three year olds of the year and the winner will earn more than \$30,000.

1987 PEE WEE HAWKS won their division in the Boys Club basketball program this year and were runners up for the city championship. They won first place in the Sheppard tournament and finished the season with a 16-1 record. Members are Corky Petty, Casey McShan, Brandon Campbell, Jason Yeager, Chris Norris, Micheal Kirk, B.J. Toft, Todd Yeager, Jake Dillard, Robert Klinkerman and Justin Vickers. Coaches were Howard Klinkerman and Dennis Yeager.

Cook of the Week

Our cook for this week is Joy (Mrs. Kevin) Wells, a newcomer to Iowa Park. She and her husband, who is a franchise development manager, presently employed by Ayres Oil Co., and their children, Erik, 11, and Serena, nine, moved here in October and bought the Dr. Gordon Clark home. They are active members of First Baptist Church.

"There are so many nice people in this little town. We are really enjoying our new home and we are very very impressed with the fine school system here," Joy said.

Joy grew up in Loving, N.M., not far from Carlsbad Caverns. Her Italian heritage (her maiden name is Geovingo), and growing up, real "South of the Border" Mexican food has her family's palates adjusted to the more spicy foods.

Before moving to Iowa Park, Mrs. Wells taught in two of the Carlsbad Municipal School programs, and she is on leave of absence at the present time.

She was in an Aware Program for pregnant teenagers, where she had the business department and worked with 42 pregnant teenagers with the regular school system. In the Adult Basic Education, she taught typing, shorthand and computer classes. She was the administrative assistant and on the Major's Council for Literacy.

Joy is presently taking courses in flower design and ceramics and also taking piano lessons. An artist, she does pastel painting (especially horses). She also enjoys calligraphy, crochet, gardening, ceramics, furniture upholstery, cooking and canning.

She is presently doing a cookbook of all her family favorites on the computer, to hand down to the children.

MANICOTTI WITH MEAT STUFFING

Saute:

- 1 1/2 lbs. ground beef
- 1/2 med. onion, chopped
- 1 clove garlic, finely minced in 1 Tb. butter

- Add:
- 1 c. bread crumbs
 - 1 Tb. chopped parsley
 - 1/2 lb. grated mozzarella cheese
 - 1 tsp. salt
 - 1/4 tsp. pepper
 - 2 slightly beaten eggs
 - 1/2 c. milk (more or less)

Mix thoroughly
NOTE: you will need 4 cups of tomato sauce or 1 recipe spaghetti sauce using american beauty spaghetti sauce mix for stuffing.

CARNITAS

- Ingredients:
- 2 1/2-3 lb. pork roast
 - 2 med. tomatoes
 - 1 large onion, chopped fine
 - 1/2 head of lettuce, shredded
 - 2-3 jalapeno chilies (canned) sliced very thin
 - shredded cheese
 - corn tortillas

Mrs. Kevin Wells

1. Cook pork roast in pressure cooker or dutch oven until meat is very well done and falls off bone. (45

minutes to 1 hour). Meat should be separated into long strips. Keep meat warm until serving time.

2. Sear meat in frying pan in a small amount of oil.

3. Cut tomatoes into quarters and slice very thin. Add to meat and fry til soft.

At serving time:

4. Place additional tomatoes, onion, cheese, lettuce and chilies in separate serving dishes.

5. Cook tortillas in small amount of shortening.

6. Fill tortillas with small amounts of meat, onion, tomato, jalapeno, lettuce and cheese. Roll up and eat as you would a burrito.

Will fill 18 tortillas.

GOLDEN GRANOLA (makes 6 cups)

- 3 c. Quaker Oats (old fashioned), uncooked
- 1 c. flaked coconut
- 1 c. coarsely chopped nuts
- 1/4 c. honey
- 1/4 c. melted butter
- 1 1/2 tsp. cinnamon
- 1/2 tsp. salt
- 2/3 c. raisins

Combine all except raisins in a 13 X 9" baking dish; mix well. Bake at 350 degrees 25 minutes or until golden, stirring occasionally. Remove from oven and stir in raisins. Cool completely and store in a cool dry place.

*This is an excellent, nutritional cereal; just add milk and serve.

ASPARAGUS POTATOE SOUP (makes 4-6 servings)

- 1 - 13 3/4 oz. can chicken broth
- 3 med. chopped potatoes, (3 c.)
- 1/3 c. chopped onion
- 1 tsp. salt
- 1/8 tsp. nutmeg
- 8 oz. frozen asparagus
- 1 1/2 c. light cream
- 5 oz. jar neufchatel cheese spread with pimento

In saucepan, combine first five ingredients. Bring to a boil. Reduce heat and simmer covered 5-8 minutes or until potatoes are barely tender. Add asparagus, return to boiling. Reduce heat; cover and simmer 5 minutes or until vegetables are tender.

Blend together cream and cheese. Stir into soup mixture until melted. DO NOT BOIL.

PECAN SURPRISE BARS

- 1 pkg. yellow cake mix
- 1/2 c. margarine, melted
- 1 egg
- 1 c. chopped pecans
- 1/2 c. finely packed brown sugar
- 1 1/2 c. corn syrup
- 1 tsp. vanilla
- 3 eggs

Reserve 2/3 cups of cake mix for filling. Grease bottom and sides of a 13 X 9" baking pan. Combine mix (minus 2/3 c.), oleo and one egg; mix together. Press into prepared pan. Bake at 350 degrees 15-20 minutes.

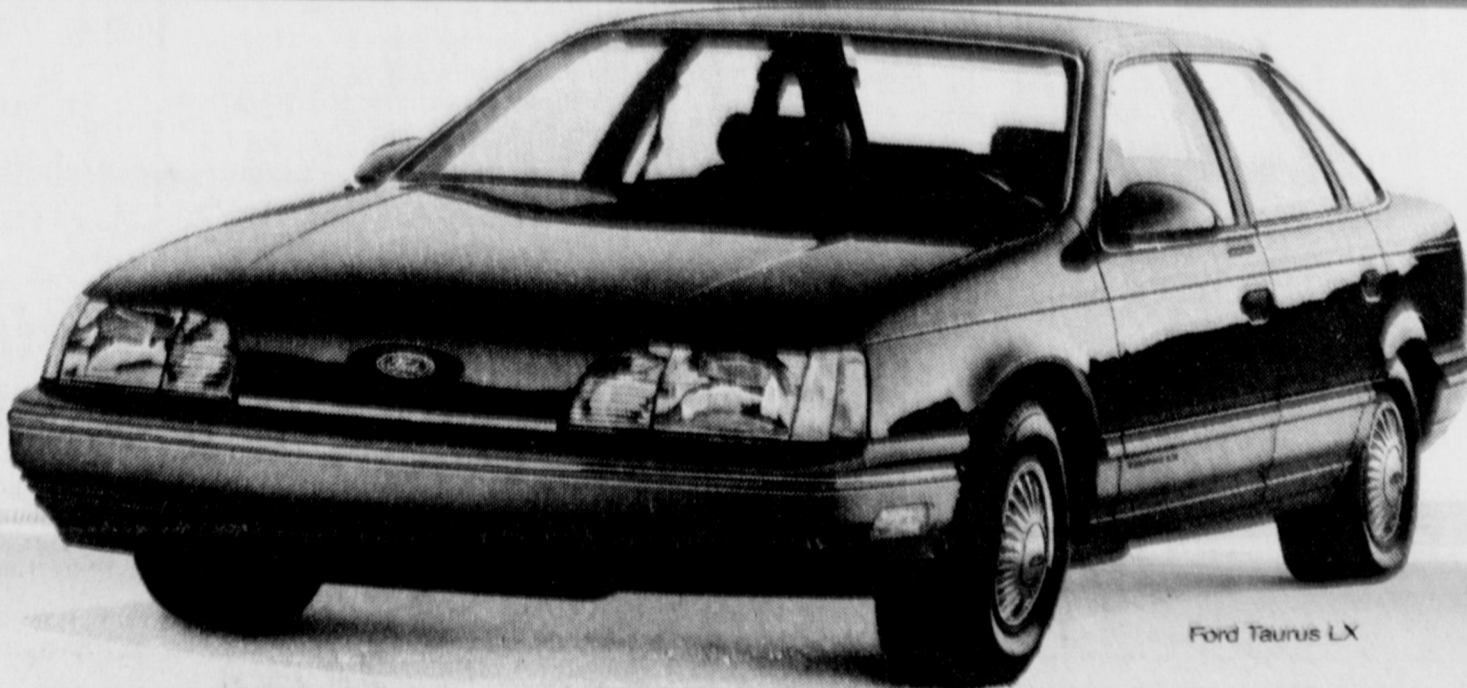

Filling: mix 2/3 c. cake mix, brown sugar, syrup, vanilla, 3 eggs and chopped pecans. Pour over partially baked crust. Return to oven and bake 30 to 35 minutes. Cool and cut into bars.

Midway report made by Rep. Finnell

As the 70th Texas Legislature reaches the halfway point of its 140-day session, Rep. Charles Finnell said budgetary problems still remain at the forefront of legislative discussion.

More than 4,300 pieces of legislation are filed and pending in the House and Senate, an increase of eight percent from the 69th session two years ago.

But Finnell stressed, "The only bill which has to pass is the general appropriations bill, subject to certification by the state comptroller being within available revenues."

Finnell said legislators must focus their attention on crucial issues during the last half of the session.

"It is my hope that legislators will spend less time seeking the publicity attendant with introducing a record number of bills and more time bringing about a non-partisan solution to the state's current fiscal crisis," Finnell said.

He emphasized "that vital state services need to be continued. For example, the Texas Agriculture Extension Service programs in each county must be maintained. Also, state funding for congregate meal programs for our senior citizens must be continued."

"Also, I hope this session will not place additional financial burden on local governments than already exists," Finnell added.

"The calls, the mail and general level of activity at our capitol office have increased significantly since January. I am pleased to have the capable services of my assistant, Vicky, and Dorothy, our office manager whom many will remember from the last two regular sessions," he said.

Finnell urged constituents to stay in close communication with his capitol office and to continue to express their views and concerns. In the interest of economy, his office will not be mailing a general questionnaire to each home during the regular session.

Prevention of burglary tips program topic

Joe Clements gave a program on "Burglary Prevention" and displayed some of the best locks for doors and windows to thwart forced entry into homes, Thursday evening for the Iowa Park Lioness Club.

He also warned of the dangers women often face when driving alone and suggested some precautions to take.

Mrs. Herbert Adcock gave a devotion of "Gift of Time" to precede the talk, and Mrs. C.L. Thompson directed the business following the program when a nominating committee composed of Mmes. Dave Davis, Riley Thompson and G.L. Cleveland was appointed.

Mrs. Keith Aulds and Mrs. Davis were hostesses for the meeting held at the Lions building. They were assisted with duties of serving by Miss Nancy Davis.

In The Military

In training

Army Privaté Leslie D. Scott, son of Neal D. Scott of Iowa Park, has completed one station unit training (DSUT) at the U.S. Army Infantry School, Fort Benning, Ga.

The training included weapons qualifications, squad tactics, patrolling, landmine warfare, field communications and combat operations. Completion of this course qualifies the soldier as a light-weapons infantryman and as an indirect-fire crewman.

Soldiers were taught to perform any of the duties in a rifle or mortar squad.

Obituaries

Joe Delfino Molina

Services for Joe Delfino Molina, 32, were held Saturday at Owens and Brumley Funeral Home with Rev. Josh Ibarra, pastor of First Mexican Baptist Church, officiating. Burial was in the Holliday Cemetery.

He was born Sept. 13, 1954, in Wichita Falls and had lived there all of his life. He was a brick layer.

Survivors include his wife, Frances Lopez; three sons, Chad, Jessie Joe and Clent Dale, all of Wichita Falls; two daughters, Jody and Dawn, both of Wichita Falls; a brother, David of Wichita Falls; a sister, Debbie Villareal of Rio Grande City; his parents, Jessie and Ofelia Molina of Wichita Falls; his grandmothers, Bessie Molina of Holliday and Elvera Figueros of San Antonio.

Kenneth Adams

Services for Kenneth Adams, 54, will be today at 2 p.m. at Womack-Manard Funeral Home in Crowell with Charles Terry, minister of the Kamay Church of Christ, officiating. Burial will be in the Crowell Cemetery.

He was born Aug. 11, 1932, in Foard County. He was a member of the Kamay Church of Christ.

Survivors include four sisters, Jimmie Webb of Kamay, Hazel Wright of Wichita Falls, Virginia Yerby of Stephenville and Louise Scott of Houston.

CARD OF THANKS

We want to express our sincere gratitude to our friends for their prayers, cards, flowers and food they have remembered us with during the loss of our brother. We appreciate you for helping to make our sorrow easier to bear. God bless you.
Leonida Eddins and Lois Bartosh

CARD OF THANKS

I want to thank each one for their prayers, the telephone calls and cards while I was in the hospital and for the food when I returned home.
Thanks a million,
Clemmie Swanson

BY 23 STUDY CLUB

Todd, Ward are 'Outstanding'

The 23 Study Club will hold a youth awards luncheon today at the First Baptist Church honoring Dee Ann Todd and David Wesley Ward, who have been named the Outstanding Senior Girl and Boy of the Iowa Park High School for 1987.

Their parents, Mr. and Mrs. Delbert Todd and Mr. and Mrs. Joe Ward, Richard Davis and Herman Escue, high school principal and counselor, have been invited as special guests.

Dee Ann and Wesley were among 10 students named for the honors in the contest which has been sponsored annually by the club since 1963. The club itself does not nominate anyone, but members do so if they desire. They do not know who the winners are until they hear from the judges.

For several years, Dr. Arthur Beyer, Mrs. M.K. Anthony and Mrs. D.C. Copelin, noted educators in Wichita Falls, have served as judges.

Other seniors who were nominated were Sarah Owens, Tina Escue, Lisa Marie Fletcher, Gaylene Sorey, Renee Smith, Kyle Long,

Philip Thames and John Teel. Each one was judged on scholastic achievements, leadership and service to the school, church and community and extra curricular activities.

Dee Ann has been an honor roll student throughout junior high and high school. A four-year member of the high school choir, she has made district three years, region two years, and show choir two years. A four-year member of the high school band, she has received high ratings in district two years.

She was a section leader for both choir and band for two years and has served as treasurer of the band. She participated in the Olney Band Festival and has received excellent ratings in the Baroque Festival.

A member of First United Methodist Church, Dee Ann has served as vice president and president of MYF and president of her Sunday School class. She is a member, soloist and interim director of the church choir, and the entire church membership is impressed with her performances.

A member of the Backdoor Theatre, she has acted, played in the orchestra, ushered and done volunteer work. She was a member of the Children's Theatre of Texas two years. She won the Lions Club scholarship award on the district level and presented her speech in Abilene and for several clubs.

Her community service has included participation as group leader in cleanup projects, giving blood to the Red Cross and jumping rope for the Heart Fund. She has been employed by Judy Burgess, done babysitting and housecleaning for several families.

Wesley has been on the Double A honor roll throughout junior high and high school. He has been named to Who's Who Among American High School Students and the Society of American High School Students.

A member of Student Council, he is serving as treasurer this year. He has been drum major of the band two years and has served as vice president of the band and A Cappella Choir and won numerous honors in both groups. A two-year member of the one-act play, he won second place in the Top of Texas Original Oratory at Midwestern State Univ. in 1987. He has served as chairman of the Fellowship of Christian Athletes two years.

Each Sunday evening, Wesley hosts an inspirational program on the Christian Radio Station KLLF AM. He is an active member of First Baptist Church and Royal Ambassadors. He has been a regional/state staffer of the RAs three years and has won two national service awards, each representing 750 hours of church and community service.

He participated in a mission trip to Australia and Hawaii during the summer of 1985. He is active as a team member and youth coordinator in Southern Baptist Lay Renewal work, has worked with the Texas Baptist Men's Disaster Relief Team. He gives blood regularly to the Red Cross.

One of Wesley's most recent honors was when he was notified that he has been chosen as one of two

Texas boys to serve as a page for the Southern Baptist Convention which will be held in St. Louis, Mo. in June 1987.

At the luncheon, Mrs. Joe Singer will welcome guests, and members of the youth awards committee will assume responsibilities of presenting the awards and other duties.

Films for families

James Dobson's film series, "Focus on the Family" will be shown at Pacific Avenue Missionary Baptist Church each Sunday, April 5 through May 10, during the 6 p.m. service.

The films will deal with difficulties encountered by families today.

A nursery will be provided for infants through 3 years old and a special class will be held for children four through nine years old.

The public is welcome to attend.

If you were disabled, could you make your house payments?

FAMILY HEALTH NOTES

THE DISEASE OF ALCOHOLISM

For years alcoholism has been classified as a disease and although most people understand this, they do not believe, or understand, all of its implications. In the same way that a diabetic's life tends to fall into place as long as he is taking insulin, the alcoholic's life falls into place as long as alcohol and other psychoactive drugs are eliminated from his daily living.

Miraculous changes take place as the chronic alcoholic becomes first detoxified and then begins to learn of the "disease" aspect of his illness; it is amazing to see the changes taking place. Some 10-15% of the adult and adolescent population of this country are alcoholics and, for them, there are biochemical and biological differences in their system that do not allow them to take alcohol or drugs. In patient after patient in an alcohol treatment unit, one is able to watch the course of the disease and determine, fairly accurately, the precise time when the biochemical changes occurred that prevent this person from drinking like a normal person.

The alcoholic is unable to tolerate any psychoactive drugs such as tranquilizers, sedatives, and depressants such as alcohol. Many compassionate physicians will prescribe tranquilizers to the alcoholic in order to ease the discomfort from alcohol withdrawal. Unknowingly, they are contributing to the problem because this just perpetuates the alcohol-drug dependence-alcohol cycle.

Alcoholics Anonymous is a group that understands the addictive qualities of the disease and helps educate those people with drinking problems. Before a disease can be treated it must be understood, and self-help groups such as AA are probably the largest factor in maintaining sobriety in larger numbers of alcoholics than any medical or psychiatric institution.

Some Good Advice On IRA's . . . from State National Bank

Need a 1986 Tax Break? Open an IRA!

Q WHAT IS AN IRA?

A An Individual Retirement Account (IRA) is a special savings plan authorized by the federal government to help you accumulate funds for your retirement.

Q WHO IS ELIGIBLE TO CONTRIBUTE TO AN IRA?

A Every individual who has earned income or received alimony may contribute to an IRA. Income from other sources such as investments or inheritances does not qualify. Contributions may not be made for or after the year in which you reach age 70 1/2.

Q HOW MUCH CAN I CONTRIBUTE TO AN IRA?

A Each year you can contribute all or part of compensation, up to:

- * Individual Taxpayer - \$2,000 for a single taxpayer.
- * Married Taxpayer - \$4,000 for married taxpayers where both spouses have earned income (each spouse can contribute up to \$2,000 each).
- * Spousal IRA - \$2,250 for married taxpayers filing jointly. (Yearly contributions may be unequally divided between the accounts, provided the total contribution does not exceed \$2,250 and neither account is allocated more than \$2,000).

Q CAN IRA FUNDS BE USED AS COLLATERAL FOR A LOAN?

A Pledging an IRA as collateral for a loan would require that the amount pledged be treated as a withdrawal, and that portion subject to taxation and penalty.

For many taxpayers, the New Tax Law hasn't changed a thing, and for most others, there's still something good in the IRA program! Talk to us about yours. We'll show you how you can still benefit by having an IRA.

**Iowa Park second
in literary contest**

Iowa Park High School captured second place at the 6-AAA University Scholastic League literary meet at Weatherford College last weekend.

Breckenridge took first place with a score of 240 points and Decatur placed third with 88 points. Iowa Park earned 168 points.

Individuals placing first, second or third will advance to the regional meet in Odessa on April 25.

Dawn Clark took fifth place in the Lincoln-Douglas Debate. In extemporaneous informative speaking, Mark Elliot earned second place and Rachel Gates, fifth place.

Jimmy Harper placed fourth and Leona Allen, sixth, in extemporaneous persuasive speaking.

Journalism students fared well at the meet with Cyndi Blanton placing first in feature writing, second in news writing and third in headline

writing. Mitsi McKee took second in feature writing and third place in news writing. Stacie Miller placed second and Dawn Clark, fifth, in headline writing, and Cody Claybrook took sixth in newswriting.

Angie Loving will advance with a third place in calculator applications.

T.J. Tucker and Stacy French placed first and second, respectively, in shorthand competition, and Alicia Forsyth and Linda Gibbons placed first and second, respectively, in accounting.

In typewriting, Dan Fannin placed first, Andrea Blackwell took second and Rita Fletcher placed sixth.

The One-Act Play cast did not place first, second or alternate at area Tuesday, and does not advance to regional competition. Breckenridge won first place in the competition.

Iowa Park School Scene

...All information prepared by Iowa Park School Counselors

The Iowa Park gifted and talented program S.P.A.A.C.E. (Students Provided Advanced Academic and Classical Education) will begin accepting nominations Thursday, April 2, for students who will be in grades 4-8

next year (1987-88). Applications can be obtained at the Bradford and Junior High offices. The deadline for completion and return of the nomination forms is April 10.

To the Residents of IPCISD

The school board election Saturday, April 4th, will be MORE important than usual. This year we will be electing three trustees, almost half of our seven member board.

The past few years our school board has had to deal with some tough issues. Our past and present members should be commended for their foresight and decisions that were made.

Although it might look like we have come through the controversy of HB72 and looking forward to continued high education standards in Iowa Park, it might be a little premature.

With Bill Clements taking over as governor of Texas he immediately laid out plans for the state and his proposed budget. The following is a list of possible issues the new board could face:

- A. cut funding to career

- ladder
- B. reduce vocational education
- C. eliminate state portion of teacher sick leave
- D. ease requirements for the replacement of textbooks
- E. reduce appropriations to the Texas Education Agency

The new board will also have all the local school business to oversee.

Nevertheless the bottom line has always been and will continue to be what is best for our students' education.

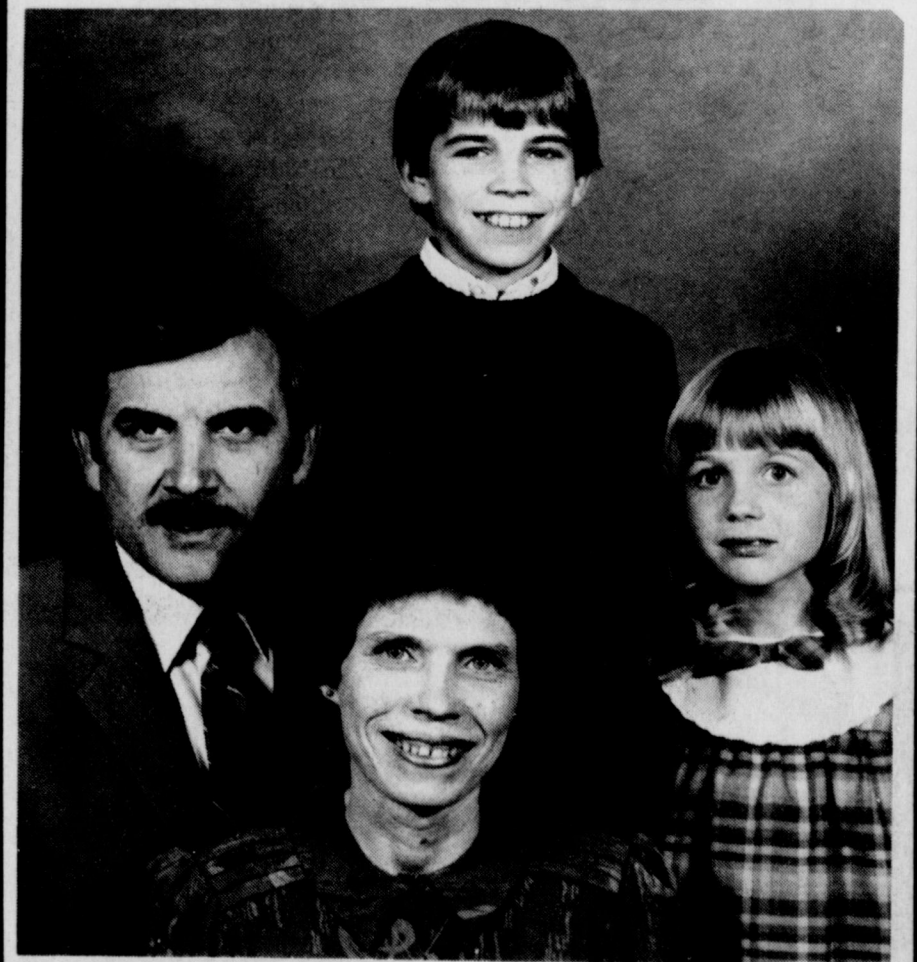

However you vote, please come out on April 4th. Do not let someone else do your voting for you. Elect someone you know that will spend the time that is necessary to make wise decisions. Lets make our schools not only the envy of our county but of the state of Texas.

Junior high wins three titles of own meet

Iowa Park Junior High tracksters narrowly missed sweeping all four divisions of the school's meet here Friday.

The Eighth Grade boys and Seventh Grade boys and girls all won by wide margins.

And the Eighth Grade girls, who finished in second, could have won their's, had they placed first in the final running event of the evening, the 1600-meter relay.

But Olney won the relay, Iowa Park placed third, and Olney earned the division title by outpointing the hosts 102-96. Olney received eight more points than did Iowa Park for winning the relay.

Races were run against time, and the meet drew so many athletes from so many schools, that the meet did not finish until well into the evening.

Complete results of the meet are:

7TH GRADE GIRLS

400M RELAY - 1. Iowa Park, 57.67; 2. Holliday, 58.34; 3. Electra, 58.83; 4. Seymour, 59.77; 5. Henrietta, 60.55; 6. Olney, 61.52.

HURDLES - 1. McCarthy, Iowa Park, 17.83; 2. Reed, Iowa Park, 17.98; 3. Livingston, Electra, 18.25; 4. Beall, Iowa Park, 18.78; 5. Robeson, Electra, 20.26; 6. Pribyla, Seymour, 20.27.

Allen breaks record Saturday at Olney

Lori Allen broke her own school record when she won the discus event Saturday at Olney.

Allen tossed the disc 119-8 to break the Iowa Park High Lady Hawks' standard she already held of 115-2 3/4.

The talented athlete accounted for 20 of Iowa Park's 29 points, which put the Lady Hawks in eighth place among 18 teams, by also winning the shot put with a measurement of 34-11 1/4.

That wasn't enough to break her other school record of 36-8 1/2, however.

Jody Meisel placed second in the

1600-meter run, clocking 6:50.54.

The Hawks accumulated 65 points to finish in third place among 15 teams.

Major points were earned by Scott Weaver, David Meissner, Danny Forman, Dennis Phillips and Brett Hale.

Weaver won the long jump, 21-3 1/2, and was third in the 200-meter dash, 23.78.

Meissner won the intermediate hurdles with a 42.46 clocking, and Forman was second, 43.50.

Phillips placed third in the shot put with a distance of 43 1/2.

Hale, who returned to competi-

tion after recovering from a stress fracture, was clocked in 5:07.27 in the 1600-meter run.

Because of 88 teams entering the meet, the distance events were the only "final" times. No finals were held in the running events shorter than 800 meters, and qualifying times were used to determine the winners.

The meet was called at 8:30 p.m.

Both varsity teams and boys' junior varsity will compete Saturday at Electra.

Junior high meet

6; 2. C. Wolf, Windthorst, 4-4; 3 (tie) Kimbro, Electra, and Canafax, Holliday, 4-4; 5 (tie) Peeler, Winter and Ellis, Iowa Park, 4-2.

Health Tips

-from Jerel Kerby

Surgery Effective Treatment For Chronic Cluster Headache

Although medicinal treatment of headache usually is effective, some patients with chronic cluster headache (chronic migrainous neuralgia) are unresponsive to medical management.

In a study conducted at Mayo Clinic by Dr. B.M. Onofrio, 26 patients with this condition underwent a surgical procedure designed to block the pain pathways of the trigeminal nerve.

The procedure proved effective in relief of pain (excellent in 54%, fair to good in 15% and poor in 31%).

Ducks Unlimited event postponed

Due to conflicts, the annual Ducks Unlimited chapter banquet slated Friday night has been postponed until sometime this summer.

Mike Price, chapter president, said since announcing the banquet last week, he has learned of numerous conflicts for both members and people who were to be on the program.

He said the meeting will likely be held in June.

.41 rainfall measured

Iowa Park received an additional .41 of an inch precipitation Wednesday night, according to Virgil Woodfin.

Oil Report

Four new producers have been brought on line in the Wichita Regular Field, with Tri Core Oil & Gas as the operator.

Located three miles north-northeast of Clara, the wells are in a 79-acre lease in the Specht Colony Land Survey, Blk. 19. They are designated as the Nos. 1, 3, 4 and 5 Dickinson.

The wells indicated potential to pump oil at the combined rate of 80 barrels per day, plus a combined 290 barrels of water. Production will be from perforations in the Gunsight Sand Formation, ranging from 1,560 to 1,648 feet into the wellbore. Total drilling depths ranged from 1,663 to 1,930 feet.

The No. 1 well is located 4,220 feet from the south line and 450 feet from the east line of the lease; the No. 3 well is located 4,250 feet from the south line and 750 feet from the east line of the lease; the No. 4 well is located 4,150 feet from the south line and 1,000 feet from the east line of the lease; and the No. 5 well is located 4,000 feet from the south line and 750 feet from the east line of the lease.

The W.T. Waggoner Estate is planning to drill a 5,000-ft. developmental well in the Wichita Regular Field. The No. 47 Waggoner "AA" will be drilled 1.5 miles southwest of Electra in a 42-acre lease in the H&TC Survey, A-784. Drillsite is 2,390 feet from the north line and 350 feet from the east line of the lease.

Williams Petroleum has scheduled testing for potential at the No. 30 Tidewater, a developmental well in the Wichita Regular Field. The operation was spudded Feb. 24, and was bottomed at 2,000 feet. Drillsite is 2.5 miles southeast of Fowlkes in a 158-acre lease in the SA&MG Survey, A-430, Wichita Regular Field. The operation is located 2,360 feet from the north line and 2,088 feet from the east line of the lease.

Three 1,999-ft. developmental wells are planned by Maddux Oil & Gas of Ft. Worth at drillsites 5.5 miles southwest of Burkburnett. The locations are in a 22-acre lease in the Wichita Regular Field, L.C. Denison Survey, A-55.

The wells are designated as the Nos. 2-M, 3-M and 4-M Reilly-Landrum. The No. 2-M well will be drilled 2,250 feet from the north line and 250 feet from the west line of the survey; the No. 3-M well will be located 1,950 feet from the north line and 250 feet from the west line of the survey; and the No. 4-M well will be drilled 1,650 feet from the north line and 250 feet from the west line of the survey.

At a location three miles southwest of Fowlkes, Tom Swanson finished a new oil producer in the Wichita Regular Field.

The well is designated as the No. 1 Burnett "G", pumping 18 barrels of oil per day.

Location is in a 92-acre lease in the HT&B Survey, A-752. Bottomed at 1,946 feet, the well will produce from perforations in the Cisco Formation, 1,801 to 1,809 feet into the hole.

The operation is located 97 feet from the south line and 150 feet from the east line of the lease.

Plans to drill two 5,000-ft. developmental wells have been revealed by the W.T. Waggoner Estate of Vernon. The wells have been designated as the No. 3 Grady and the No. 3 Jackson.

The Grady well will be drilled 13 miles south of Harrold in a 104-acre lease in Wilbarger County's T.D. Purnell Survey, A-460. Drillsite is 1,850 feet from the most southerly south line and 400 feet from the west line of the survey.

The Jackson well will be located nine miles south of Vernon in a 277-acre lease in the H&TC Survey, A-708. The well will be situated 1,500 feet from the south line and 1,850 feet from the west line of the lease.

Municipal Court Records

Results of municipal court held here yesterday were:
Michael Allen Webb, speeding, \$45;
Gary Lynn Neves, backing without safety, taking defensive driving course.
