DOING THEIR PART - When the Red Cross Bloodmobile made its regular stop Tuesday at Iowa Park High School, there were 77 signed up to make donations. Most of the donors were

students, who must be 17 years of age or older, and the rest were faculty, staff and some residents. Members of the student council assisted the professional workers.

Thief takes tools valued at \$12,000

More than \$12,000 worth of tools were reportedly stolen from a vehicle sometime Wednesday night, and police believe the same cuprit was scared off while attempting another theft the following evening.

A resident in the 400 block of Louisa told police an assortment of hand tools, a cutting tourch and miscellaneous other pieces of equipment were taken from a fixed pickup bed tool box sometime overnight.

The following evening, a resident in the 600 block of South Park saw a male attempting to take tools from the bed of another pickup.

The suspect, who was described to police, ran away when he saw his presence was known. Police were immediately notified, but were unable to locate any suspects.

A necklace valued at \$1,075 was reported Friday as missing from a residence in the 500 block of West Clara, according to the police blotter.

A 17-year-old male, Samuel James Archer, was taken into custody Saturday afternoon, after allegedly stealing three cartons of cigarettes from B&R Thirftway.

Archer reportedly walked out of the store without paying for the cigarettes, and was observed by a clerk who knew him and called police about the incident.

He was approached minutes later in the Wal-Mart parking lot, and admitted he had taken the merchandise.

Archer was transported to the county jail on a Class B misdemeanor charge where he was held until re-

leased under a \$100 bond.

Police assisted an officer from the Wichita Falls Police Dept. recover a 9mm semi-automatic pistol from a residence in the 900 block of South Wall Tuesday afternoon.

The weapon reportedly had been stolen and then sold. No charges were filed locally in the case, according to police.

Two persons were arrested on charges of public intoxication, within

hours of each other.

James Wofford Jenkins, 64, was arrested at 6:57 p.m. Friday on the charge, and released six hours later after paying a fine of \$282.

Robert Anthony Castro, 30, was arrested in the 400 block of West Park at 3:10 p.m. Saturday, also on a public intoxication charge. He was released at 10 p.m. after paying a \$282 fine, according to the blotter

Portion of Magnolia to undergo widening

The city council Monday night took action that will lead to the widening of a portion of West Magnolia, and approved an ordinance exempting active military from making water meter deposits.

Administrator Mike Price asked permission to seek bids for new box culverts which will replace older culverts on Magnolia.

Aldermen were told that county commissioner Gordon Griffith has budgeted funds to widen by four feet and resurface it all from West Highway to Johnson Road.

The roadway would be widened on the north side, the council was told. Aldermen asked if it would be possible to extend the widening by at least two feet, but Price said he had no indication and would ask Griffith.

While the widening project is underway, Price said the intersection of Magnolia and Park Plaza would be re-worked, placing a culvert under Park Plaza which could prevent some flooding that takes place on that street.

Price said Commissioner Griffith was ready to begin the project as soon as the culverts were purchased and on location. The street will be closed to all traffic once the project gets

Having received written comcity would not be left holding any debt, should an active military family moved away, aldermen readily approved an ordinance lifting the need of water meter deposits.

A question was posed, however, of what happens when active personnel are discharged or retire from active duty, and whether they should then put up a deposit. No resolution was reached in such a situation.

The council heard plans for construction of parking lots in front of the new Friendly Door building and Optimist Gymnasium, which are located adjoining the Recreational Activities Center.

Preparation for that project is to

begin within a week, aldermen were told.

The west-bound 200 and 300 blocks of West Park are to be re-built this spring, with funding included in the year's budgeting.

An addition to the project -- the installation of curb and gutter in the 300 block -- was approved Monday. Cost of installation and closing out the drainage ditch was estimated at \$5,300, while the street work was budgeted at \$26,500.

Approval of the curb and guttering was voted by aldermen Mark Raby, Tracy Fears, Bud Mercer and Johnny Crawford. Bob Hamilton voted against it, explaining he felt the property owners should share in the cost.

Because of lower-than-budgeted bids to construct the new water tower in the western part of the city, an excess of funds from the certificate of obligation bonds that were sold remains in the city account.

Aldermen approved a proposal to pay the \$299,135 in excess funds toward the principal payments, which would cover the final two years of the financing, saving considerable inter-

Following a public appearance by Charlie Helms, who requested Sheppard AFB concerning how the land near the wastewater treatment plant, aldermen approved his proposal that Wayne Chitwood assume

> Helms, who has leased the land several years to graze cattle, is in the first of two, one-year options. The second option year is to begin in September, and Chitwood told the council he understood the contract agreement. Thirteen acres are involved, with a \$25-per-acre annual

Also approved was a request from Sheppard AFB to allow a training film be made while personnel demonstrated the use of reverse osmosis for treating water, at the north end of Lake Gordon.

Former Iowa Parkan recommended to die

The death penalty was recommended last week for Richard Fairchild, 36, after an Oklahoma County jury found him guilty of capital murder.

Fairchild, a former Iowa Parkan, was charged with murdering a three year old boy, Adam Broomhall, in November, 1993, in Del City, Ok. The boy was the child of his girlfriend.

Oklahoma County prosecutor Pattye High said the jury took five minutes to find him guilty of capital murder, and two hours before recommending the death penalty.

Although Fairchild had previously confessed to murdering the child, he entered a plea of "not guilty" at the trial.

According to Ms. High, the incident which caused the child's death occurred shortly before midnight November 13, 1993.

According to testimony, Fairchild and his girlfriend of four months had been drinking at a family members' home that evening. When they returned home, the mother passed out, and Adam woke up crying. Fairchild testified that he was unable to handle the child's crying, so he beat him.

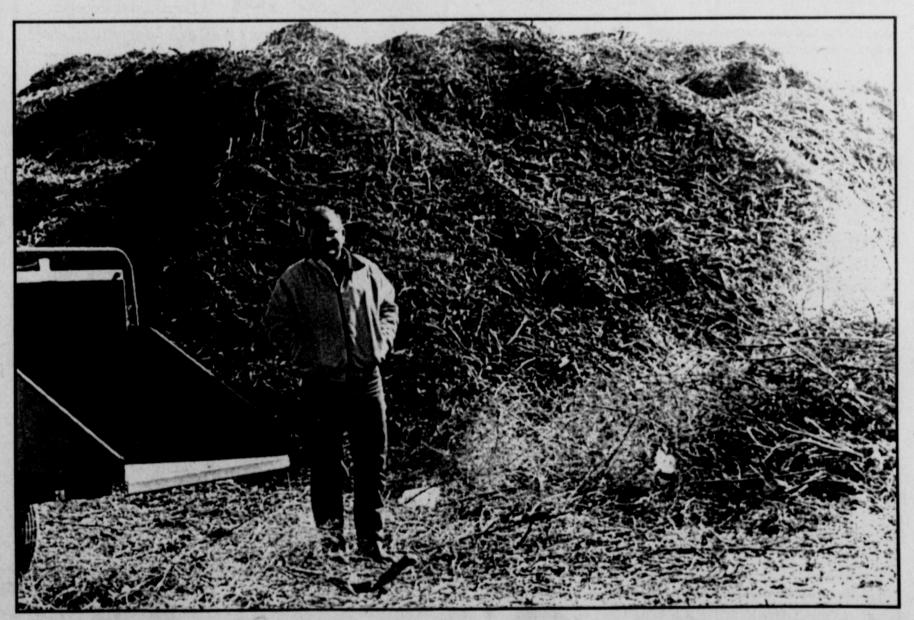

Adam suffered 26 separate injuries, according to Ms. High, from the severe beating, as well as burns, allegedly from a wall furnace. The child died the next morning when he was taken off of respirators. The cause of death was from brain swelling.

There was evidence that Fairchild had been abusive to the child in the past as well.

The mother of the child was charged with permitting child abuse. She pled guilty and received a five year deferred sentence.

Several Wichita Falls police officers testified in the punishment phase of the trial, concerning their dealings with Fairchild when he re-

Club hears program on crime awareness

DeDe Alderman and Neros Martin presented the Twenty-Three Study Club program when members met Thursday at the Recreational Activity Center. Hostesses were Wanda Singer, Margaret Soell, and Patsy Todd.

Mrs. Todd, president, introduced the program topic for January, "A Federated Woman Looks at Crime and Her Involvement in Prevention".

Lucy Reynolds, program leader, led members in the Pledge of Allegiance to the American flag.

Kay Cole gave the meditation encouraging "neighbors to look out for neighbors" as an effective crime deterrent.

The guest speakers were introduced by Mrs. Reynolds. Ms. Alderman is the local crime preventive and D.A.R.E. officer. Martin is president of the Wichita Falls Better Business Bureau.

They presented an informative program designed to raise awareness of certain fraudulent and deceptive trade practices and methods of prevention. Members received a number of hand-outs concerning crime

Historical review given at Garden Club meeting

"History has always fascinated me," was the opening statement given by Jo Gilbert when she presented "A Historical Review of Iowa Park" for members of the Iowa Park Garden Club.

She told how Iowa Park once missed by one vote being the county seat of Wichita County.

The town started as a switch on the Fort Worth and Denver Railway. It was named Doggett after a railroad man in Fort Worth. The railroad officials gave Col. C.M. Dodge, who did the surveying for the railroad, 80 acres of land at Doggett Switch in appreciation of his precise and exact

He sold the land to a man from Iowa, D.C. Kolp, who plotted the territory into a townsite. Many settlers from Iowa came here to live, planted trees, and laid out parks on more like their homes in Iowa.

Because of this, Doggett Switch became known as Iowa Park. Mrs. Gilbert said that we have these settlers to thank for all the "Paradise trees" we have growing here, as it was the only tree that survived.

She noted that the Presbyterian Church was the first organized here. Ten years after the settlement, the first election was held. A marshall and two policemen were elected, and their pay was \$5 a year.

During the business session, conducted by Bonnie Illingworth, it was announced that the Yard of the Month award was given to Mr. and Mrs. Richard Green who live on North Jackson St.

Members voted to plant a tree with white blooms on April 19 to honor the children who lost their lives in the Oklahoma City bombing.

Kim Cox brought the horticulture display for the meeting, and Nina Robertson was introduced as a guest of Joyce Short.

Hostesses were Denise Gilmore and Polly Spruiell.

Verna Laura Moore

Mrs. Moore to celebrate 100th birthday Sunday

By MYRNA SMITH

Verna Laura Moore will be honored Sunday, Jan. 28, on the occasion of her 100th birthday.

The reception will be from 2 to 4 p. m. at Tom Burnett Memorial Library. The family would like for her friends to come by and wish her a happy birthday.

Mrs. Moore was born Jan. 29, 1896, in Hamilton to Alfred and Margaret Carter and grew up in very happy home atmosphere with six brothers and five sisters. Two of her sisters are still living.

Verna was married March 1, 1916, at the age of 21, to Carey Curtis Moore, also a Hamilton native. After living nine years in Hamilton, the couple decided in 1924 to move to Wichita Falls.

At that time the Moores had two small children. As a covered wagon was still a pretty common mode of transportation, that was the way they made their seven day trip. There was no pavement and many times on the way they encountered muddy

They camped out at night, giving their team a chance to rest. They cooked their food in a Dutch oven, and Mrs. Moore washed their clothes in the river.

After arriving in Wichita Falls, Mr. Moore got a job doing road work. During those years most men worked for 50 cents an hour, however, Moore earned more because he had a team of

By 1925 he got a job with Continental Oil Co., and also operated a dairy located on Beverly Drive in Wichita Falls.

They later moved to the Clara Community near Iowa Park, where they farmed 21 years. Through the years Mrs. Moore worked beside her

husband, helping with the farming and other chores.

In 1952 the Moores retired from farming and moved into Iowa Park. He died Dec. 2, 1980, at the age of 86. Mrs. Moore lost a son, Furmon, March 28, 1986, at the age of 68.

She continues to live in her own home in Iowa Park. She has always been an excellent cook and two of her specialities were dilly bread and German Chocolate Cake. She cooked and baked for people upon request. She doesn't do much cooking anymore, but she still makes jellies and jams for her two daughters and her grandchildren.

Verna was engaged in practical nursing several years, a vocation from which she derived much satisfaction, because she found in it an opportunity to render a valuable service to mankind. She is a member of First Baptist Church.

One of her hobbies through the years has been collecting cups and saucers. She had collected about 150, completely filling two sections of

The cups and saucers came from Turkey, Germany, Old Mexico, and England, and from all over Texas, Louisiana, Mississippi, Utah, Wyoming, Colorado, Missouri and Okla-One of her very favorite cups and

saucers is a dainty fluted one given to her by the late Mrs. Tom Corridon of Iowa Park that had belonged to their daughter, Nelda, when she was a young child. Another of her hobbies was col-

lecting plates and she has many of those from different states.

She has two daughters, Mrs. Floyd Browning of Iowa Park and Glenda Willett of Burkburnett, seven grandchildren, 13 great-grandchildren and seven great-great-grandchildren.

NEWS OF THE

Iowa Park GENEALOGICAL & HISTORICAL SOCIETY

Webster's Dictionary describes archive as being a place in which public records and historical documents are preserved. County and National Archives are a valuable resource for historians, students and of course, genealogists.

Those pursuing history and genealogy will be impressed and rewarded by a visit to the archives now located on the third floor of the Court House Annex at Sixth and Scott in Wichita Falls.

Lita Watson, a noted genealogist and archivist of Iowa Park, along with other volunteers has devoted many hours to the documentation, numbering and cataloguing of all material brought to the archives.

To be an archivist, one needs to have a great respect for past events and the people who made history and tried to improve our standard of living. They also must have the desire to preserve all these efforts for future generations to evaluate and appreci-

We had made an appointment to visit the Archives and were greeted by Lita Watson, who explained the purpose of the collection and preservation of the material the volunteers are caring for.

In the reception room, among several other displays, is a panoramic view of the Wichita Falls area during the oil boom. In one corner of the room is a diorama of Lake Wichita.

A volunteer, reluctant to have people forget the era when Lake Wichita was the site of a resort and was a major center for social and recreational activities, constructed the scene complete with pier, pavilion, hotel and cottages, and landscaping. Due to changes in the lake there is no evidence of such splendor now.

Mayre Wiseman, genealogist and archivist, has also spent many volunteer hours with Lita working to bring order out of chaos. In the main workroom there are huge volumes of tax records waiting to be catalogued for easier research.

There are some school records

and city directories to be found on the shelves and maps in map cases waiting to be hung on the wall.

Ralph Harvey Jr. has also devoted many hours to the creation of the archives. Of special interest, he is a Civil War buff.

From the estate of Louise Kelly, long-time Wichita Falls school teacher, the archives were given Louise's very large collection of newspaper clippings, mostly in scrapbooks.

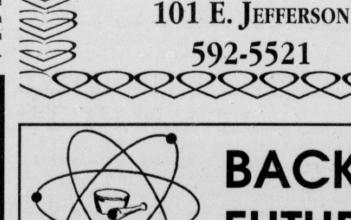

Newspaper clippings, yellow with age, were being separated, cut and placed in catagories by volunteer, Jo Ann Crites, through the process of cutting, pasting, copying and indexing. All these scraps of area history will become available for historians, students and genealo-

Increased interest in the archives will emphasize the need for some public funding. Now the project is dependent on volunteers and private donations for the materials needed to preserve the archival history of Wichita Falls and the surrounding

The Archives are open Tuesday and Wednesday from 9 to 4 p.m. Please call 766-8137 to reserve a time for visiting the archives. You'll enjoy the experience.

Pat Lindley

Pat (Mrs. Clay) Lindley is a woman who is happy and feels blessed in all areas of her life - marriage. family, employment, and the work she does in her church. She credits this to having faith in God for guidance in her life. "My life is built around my life with Christ. I love people and sharing Christ with others," she said.

Born in Honolulu, Hawaii, Pat moved to Dallas with her parents in 1960, and is a graduate of Kimbell High School. She and Clay met and were married in Dallas.

During the first three years of their marriage, the Lindley's moved frequently because of Clay's work. Then, 23 years ago, they decided to move back to this area where Clay was born and grew up. He owns and operates The World Store in Iowa Park. They live between Iowa Park and Holliday.

Pat is office manager at Park Clinic, where she has been employed five years. She is highly complimentary of the doctors and staff at the clinic, saying "they are the most loving and caring individuals I have ever worked with."

The Lindley's have two sons, Robert and Clayburne.

Robert, 24, lives in Lewisville with his wife and two-year-old daughter. He is a graduate of Holliday High School, North Texas State University, and is working on his masters degree at Southern Methodist University. He is employed at PDC.

Clayburne, 12, is a sixth grade student at Holliday and likes all sports. He works with his dad a lot in the World Store.

The family is very active in the 325 degrees 1 1/2 hour.

First Baptist Church at Holliday. Clay is church treasurer and serves on the different committees pertaining to that position.

Pat has taught Sunday School classes for every age group, and is presently teaching the Alethean Class for women 60 to 70 years old. She sings in the choir and does Children's Church on Sunday mornings. She is also Director of Missions for her WMU group, and teaches the G.A.'s.

She said that her husband is very supportive of everything she does in her work, the church, and the family.

When time permits, Pat loves to read, does flower arranging and cake decorating.

The recipes this week are some of her favorites. Two of them, "Apple Cake" and "Jello Salad" were given to her by friends, and she says they are delicious.

Apple Cake

Cream together: 1 cup butter

2 cups sugar Add:

Combine: 3 cups flour

As I See It.

Admittedly, I definitely am no Bible scholar. But I believe there is a passage which says, "I am my brother's keeper."

There's no way I'm going to attempt to argue with the Bible and what it says. But I would ask the question: How long, to what extent, and at what cost?

The question arose while I was reading a report on Pres. Clinton's "State of the Union" address Tuesday night.

That's right, I said reading. I hate to sit before the boob tube and watch and listen one who speaks well, but espouses ultra liberal beliefs.

I understand that one of his aims is to "Help those who cannot help

Worth QUOTING

In 16 states, the welfare package is more generous than a \$10 an hour job. In Hawaii, Alaska, Massachusetts, Connecticut, New York, New Jersey, Rhode Island and Washington, D.C., welfare pays more than a \$12 an hour job -- or 2 1/2 times more than the minimum wage.

In eight states and DC, welfare pays more than the national average first-year salary for a teacher. In 28 states and DC, welfare is more generous than the starting salary for a

Welfare provides the pre-tax income equivalent of a \$14.75 an hour job in New York City, \$12,45 in Philadelphia, and \$10.90 in Detroit.

The results underscore the fundamental unfairness of the modernday welfare system.

Consider this: Millions of workers, moderate-income American families are paying taxes to support a public assistance system that provides a higher living standard than they themselves achieve through work and sacrifice.

In 12 states, welfare recipients receive benefits worth more than 90% of the mean area wage. Incredibly, there are four states -- Hawaii, Rhode Island, Massachusetts and Alaska -where the average worker receives less compensation than the average welfare recipient after taxes.

In Texas, the mother of two children receiving aid under the six programs, would have to receive \$7.31 per hour to top her benefits.

The message is clear to us -- and should be to Congress.

The welfare mess will not be cleared up until it's clear to one and all that work pays better than welfare.

If we want to reduce the budget by getting third generations off the welfare rolls, the benefits must be reduced below that of working. It's that simple.

We've been doing that since the 1930s. Where has it gotten us? So deep in debt that by any standard other than our federal government, we are bankrupt.

We've sacrificed millions of lives and trillions of dollars fighting wars of other countries during the past 45 years. And now we're in Bosnia, with the financial meter counting.

We have, at our government's insistence, fed, clothed, housed and given medical treatment to people who are not American citizens, but somehow showed up at our doorstep in need of help.

In our effort to help our own people, we have created an entire society which lives entirely at the expense of those who are willing and too proud to do anything but work hard and sacrifice.

Yes, we are a rich country. We hear that repeated continuously. But to my thinking, we are rich because of our heritage, our work ethic, our religious beliefs and our demand to to pay Paul.

remain a free nation.

Oh, some of us may have more financial resources than others, but that is not because it was handed to us. Nor did we beg for it.

We only asked for a chance to work, sacrifice and reap the benefits of our efforts.

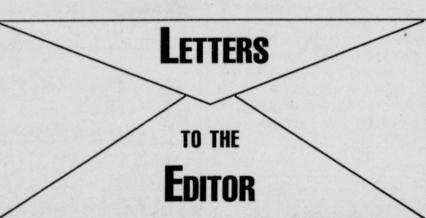

Personally, if I observe someone who is destitute, someone I know is down due to circumstances and not because of their behavior, their laziness or an act of God, you bet, I'll dig down and help as much as I can.

But I refuse to attempt to care for them the rest of their lives ... or mine. And I refuse to hock the holdings I have earned, so they can sit back and have the good life I wanted.

Our federal government must stop borrowing against the future in order to pay the living of those who are unwilling to do for themselves.

There's another phrase that our elected officials must come to understand and apply.

We've gotta quit robbing Peter

Candidates, walk your talk Dear Mr. Hamilton,

Well it's election time again and I'd like to take the time before the candidates put their brag'n rights in your paper to give the voters and the candidates food for thought.

Have you ever noticed that some canidates get religion prior to elections? They put on a big smile and become door greeters. However, when the last vote has been counted, the last congratulations or "I'm sorry" has been said they do not show up again or wear a big smile until electon time again. If this is how they are in public what are they like in closed meetings? What kind of decisions can this type of leader make? If they use God will they use us?

Also, why do politicians in small towns put their place of worship in their platform? Maybe they figure they will win because their church is bigger than their opponents or maybe they have to tell their church they belong there because they wouldn't know otherwise! If you are a Christian your life should tell it not your political ad. Small towns people can ask in church, restaurants, schools etc. to find out what type of person is wanting to make our decisions.

When the ads start showing up this year I'm going to call that church and ask its members that I know if he or she just got religion or have had it all along. Some candidates won't have to verify.

As Christians we are taught that God blesses those who are faithful to Him, so would it be safe to assume He will bless our town more abundantly for electing faithful leaders?

We have some great faithful leaders in office now and this is not intended for them, but for those who have just decided to start going and

use God's people and House to furcomers that will continue to be faithful today as they were yesterday.

Dear fellow basketball fans,

Over the holidays I witnessed many varsity basketball games. In this time I realized that this is just a game and that the players enjoy it, but it seems the fans and parents don't. Many times the parents yell at their children for doing a bad job and say things such as, "What are he thinking doesn't he know the scouts are here." It's pathetic. Other times they blame the coaches, but it not their fault. I think they're doing a great job and so should you.

Now that the season's almost over wouldn't it be nice to take this opportunity and tell them they're doing a great job whether they win or lose. I know a lot of you want championships, but quit pressuring the kids, they have enough trouble out there competing against state ranked teams that they don't need you breathing down their necks every five minutes. Isn't it enough that they play and act like classy people and don't play rough. Let them have fun, that's all this is about. Players just play the way you know how and don't worry about anyone else.

Sincerely,

ther their gain. We have some new-

Candy sale kicks off

Knock, Knock. When you hear this sound at your door, a Camp Fire boy or girl may be there.

This month, members of the Camp Fire Council of North Texas will be selling chocolates throughout a five-county area.

As part of a service project to keep alive important programs that foster self-esteem, develop decisionmaking skills and provide a positive support system for youth.

In addition, Camp Fire youth plan and set goals, handle money, sell, work on public relations, keep records, provide service to the community and work together.

Musical group to perform at First Assembly of God

A musical group, "The Hensleys," will be ministering in concert Sunday night at the First Assembly of God in Iowa Park.

The service will begin at 6 p.m. in the church located at 200 South Yosemite.

The Hensleys, based in Crowley. have won numerous musical awards including the 1995 Texas Gospel Music News Fan Awards "Group of the Year." They minister in 150 to 200 services a year.

There will be no charge for the concert, but a love offering will be taken up during the evening.

Camp Fire members will be selling four products-- Almond Roca, Mint Patties, Caramel Clusters and a new Trail Mix. Each box sells for \$3.50. The annual chocolate sale campaign will begin Thursday, Jan. 25, and ends Sunday, Feb. 11.

The national organization of Camp Fire was founded in 1910 by Charlotte Gulick and her husband Luther Gulick, M.D. The organization was expanded to include boys in 1975. Headquartered in Kansas City, Mo., the not-for-profit agency serves more than 700,000 boys and girls of all ages, nationwide.

For more information, call the Camp Fire office at 322-5209. Camp Fire, locally, is a member agency of the United Way.

Hawk JV

The Iowa Park JV Hawks remained perfect in district play at 4-0 and improved to 12-3 overall after a pair of wins over Bridgeport and Graham this week.

The Hawks opened the week with a 73-60 win over Bridgeport Friday night. Iowa Park opened the game with a 18-7 first quarter and a 25-17 second quarter to take a 43-24 halftime lead. The Hawks went on to win the third quarter 17-15 before being outscored 21-13 in the final period.

Iowa Park was led in scoring by Chad Wright and Archie Graham who each finished with 13 points, followed by Jonathan Horton who finished with 10, and every player on the team

In Tuesday's game at Graham, Iowa Park blew open a close game in the second quarter, outscoring the Steers 28-15 to take a 41-25 halftime lead. Graham fought back in the second half winning the third quarter 12-10 and the fourth 22-17 but couldn't overcome the big Hawk second quarter lead as Iowa Park won 68-61.

The Hawks were led in scoring by Wright with 13 and Clint Mathis with 10. Steve Trahan added 9 points for Iowa Park.

Spring soccer sign-up has begun this week according to Aquilla Carrillo-Miranda, Iowa Park coordinator for the Greater Wichita Falls Soccer Assoc.

Player registration ends Feb. 14 or when all team rosters have been filled. Soccer season will begin with games March 2 and run through April 20. Playdays and post-season tournaments will be played after April 20.

Lady Hawk Frosh

The freshman Lady Hawks continued their winning ways this week, picking up a pair of district wins over Bridgeport to finish the first half of district and over Graham to start the second half.

The Lady Hawks opened with a 47-28 win over Bridgeport Friday to finish the first half at 3-2 in district and 14-4 overall.

Iowa Park led by 10 at 21-11 at the half and never looked back outscoring the Sissies 14-6 in the third quarter and 12-11 in the fourth to pick up the 47-28 win.

The Lady Hawks were led in scoring by Hanah Atchley who finished with 9 points followed by Laci Downs and Cari Hogan who each finished with 6.

The Lady Hawks finished the week with a 41-26 win over Graham to start the second half of district play on Tuesday night.

Iowa Park again jumped out to a big halftime lead at 17-8 before winning the third quarter 11-10 and the fourth 13-8 to post the 41-26 victory. The win moves the Lady Hawks overall record to 15-4 and 4-2 in league

Iowa Park was led by Carrie Evans with 12 points followed by Downs and Alisha Clements each finishing with 6 points.

Hawk Frosh

The freshman Hawks split their two games this week, beating Bridgeport on Friday before falling to Graham on Tuesday.

Iowa Park trailed by one at the end of the first quarter against Bridgeport before coming on strong to take a 65-51 win over the Bulls. The Hawks outscored Bridgeport 17-9 in the second quarter and 22-6 in the third to put the game out of reach.

Tommy Duerson led Iowa Park in scoring with 10 points followed by Chad Davis and Johnny Bosley who each finished with 8 points.

In Tuesday's game against Graham, it was the Steers who jumped out on top early outscoring Iowa Park 15-0 to start the game as the Steers won 58-38. Iowa Park tied Graham in the second quarter at 13-13 and won the third quarter 13-9 but the 15-0 first quarter and a 21-12 fourth quarter were too much for the Hawks to overcome.

FRESHENER - CLEAN WINDOWS INSIDE AND OUT - HAND WASH AND DRY - TIRE DRESSING

was never more evident than in the Iowa Park - Bridgeport game Friday night.

For those of you that missed the game and just caught the linescore it looked like a total blow out with Bridgeport winning 102-82. But what the linescore didn't show was that Iowa Park was ahead by one at 80-79 with 3:49 left to play.

The Bulls outscored Iowa Park 23-2 over the final 3:43 of the game by making 12-of-13 free throws down the stretch when the Hawks were forced to foul to try to stop the clock.

The loss dropped Iowa Park's record to 15-6 overall and 2-1 in district while Bridgeport improved to 16-4 and 2-1 in league play.

The game started out like any other game as Iowa Park jumped out to a 6-0 lead and led 21-17 at the end of the first quarter. Bridgeport fought back to tie the game at 41-41 at the half and led by one at 66-65 heading into the final eight minutes of play.

Shaun Campbell's layup with 3:49 remaining gave Iowa Park it's last lead at 80-79 before Bridgeport went on the big run that was highlighted by a pair of three-pointers by Derek Worlok who finished with 24 and by Rodney Ross who scored 11 of his game high 32 points in the

the Bulls with 14 points. Iowa Park was led by Rylan McNeil and David Waterbury who each finished with 24 points. Campbell added 15 while Michael Fallon tossed in 13.

Iowa Park had to travel to Graham Tuesday night and almost took the Steers by suprise as Graham escaped with a slim 46-40 win over the Hawks.

"Our goal was to keep the game in the 40's," head coach Tim Clark said. "We wanted to spread the floor and take care of the ball and that's exactly what we did. We had a 12point lead in the first half but down the stretch we got a little antsy and forced a few things that cost us.

"We wanted to make them play our type of game," Clark added. "I'm real proud of our kids. It shows the versatility they have to be able to play different styles of basketball and to change from one to the other."

Iowa Park jumped on top of the Steers 17-11 to open the game and held a 26-21 halftime lead before Graham climbed back on top at 36-35 heading into the final eight minutes of play.

Iowa Park trailed by only two with a little over five minutes to play and held the ball until the two minute mark before trying to score.

Clark said. "And that coupled with our 9-of-16 from the free throw line was the difference in the game. Our kids played their hearts out and I couldn't be prouder of them."

Iowa Park was led in scoring by Fallon who scored 12 followed by Campbell and Nick Black who each finished with 8 points. Graham was led by Ryan Dollar with 16 followed by Kolin Weaver with 12.

The Hawks will finish the first half of district play Friday night when they host Bowie and will open the second half Tuesday night at Jacksboro.

Lady Hawks drop outings

The Iowa Park Lady Hawks ran into a couple of real hot teams this week as they lost a pair of district games to Bridgeport and Graham.

Iowa Park opened the week with a 55-50 loss to Bridgeport on Friday night to bring the first half of the district to a close. The Bridgeport win, coupled with Graham's win over Bowie and Jacksboro's win over Vernon, left three teams tied at 4-1 for the top spot in District 3-3A. Graham, Bridgeport and Jacksboro will have to wait and see what happens in the second half of the district race to determine the top two teams that will advance to the playoffs.

Iowa Park finished the first half at 2-3 but the Lady Hawks are still alive for one of the two playoff spots.

Iowa Park trailed Bridgeport, who is ranked No. 6 in the state in class 3A, by one at 12-11 after the first quarter and by 6 at 27-21 at the half. Bridgeport extended it's lead to

Lady Hawk JV

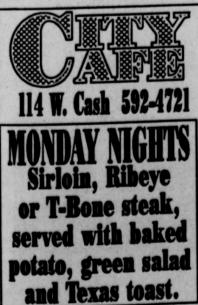

The JV Lady Hawks finished the week with a perfect 2-0 mark to improve to 14-7 overall and 3-3 in district play.

Iowa Park opened the week with a 55-36 win over Bridgeport to wrap up the first half of district play with a 2-3 record. The Lady Hawks put the game out of reach in the second quarter, outscoring Bridgeport 16-6 in the period to take a 23-11 halftime lead. Iowa Park went on to win the third quarter 14-7 and tied the fourth quarter at 18-18.

The Lady Hawks were led in scoring by Geri Merrick with 14 followed by Lori Wiggins who finished with 10. Jodi Henderson chipped in 8 points.

In Tuesday's game against Graham to open the second half of district play, Iowa Park started strong and won 51-42. The Lady Hawks opened with an 18-11 first quarter and a 12-9 second quarter to take a 30-20 halftime lead. Graham won the third and fourth quarters but the Lady Hawk lead was too much to overcome.

Wiggins led Iowa Park in scoring with 14 followed by Amanda Roberts and Sharla Hughes who each finished with 11 points.

8 at 40-32 heading into the final eight minutes of play. The Sissies went up by 15 at 50-35 with 4:08 remaining before Iowa Park went on an 11-2 run that cut the lead to 52-46 with 1:04 left to play. The run was sparked by a pair of three-pointers by Dusti Welch who finished the game with 22 points. Bridgeport made 3-of-4 free throws down the stretch to seal the victory.

Julea Ricks, Wendy Bridwell and Randi Tigrett all finished with 5 points each for Iowa Park. Bridgeport was led by Tracy Eubanks who finished with 20 and Lezle Thompson who finished with 13.

Iowa Park looked to start the second half of the district race with a win in Graham but the Lady Blues were too much, especially Jina Wallace who scored a game high 30 points in the 79-64 win.

Graham improves to 18-4 overall and 5-1 in district play while Iowa Park falls to 13-11 and 2-4 in league

The Lady Hawks fell behind 22-14 to start the game and trailed 42-26 at the half. Graham won the third quarter 24-16 before Iowa Park rallied to win the fourth quarter 22-13.

Iowa Park was led by Welch who scored 25 points followed by Alora Foster who scored 15. Bridwell also reached double figures with 13 points. Besides Wallace's 30, Graham got double figures from Christine Shewmake with 12 and Kerri Parker with 11.

The Lady Hawks will look to climb back into the second half race with a home game against Bowie Friday night before traveling to Jacksboro on Tuesday night.

Foster's heifer wins at Fort Worth show

Erin Foster, an eighth grade student at Iowa Park Junior High School, won the late summer yearling class with her Angus heifer, "Rosalyn 439," at the stock show in Fort Worth last weekend.

On Sunday, Erin's entry advanced to become Reserve Grand Champion in the Junior Angus Heifer Show.

She is the daughter of James and Caren Foster.

White

A son, Clifford Nathaniel, was born January 16, in Tyler, to Steve White and Lisa Watson-White. He weighed eight pounds, six ounces, and was 21 inches long. His grown half-brothers are Kevin L. White of Garland and Rodney A. White of Austin.

Grandparents are Lita H. Watson and Dr. Earl F. and Tish Watson, all of Iowa Park, and Jack and Bettye White of Campbell.

Smith

Roger and Teresa Smith of Wichita Falls are the parents of a daughter, Rachel Marie, born Dec. 17, at Wichita General Hospital. She weighed seven pounds, three ounces, and was 20 1/2 inches long, and is the couple's first child. Roger Smith is formerly of Iowa Park.

Grandparents are Billy and Lois Browning of Bluegrove, and Patsy Smith of Wichita Falls.

Thank You

Thanks to the many parents who volunteered, the junior high report card dance last Saturday was a great success! There were approximately 220 students in attendance this time. We are especially grateful to the following parents and RAC board members: Mike Miller, Michelie Byrne, Cindy Lane, Jan Clapp, Debra Springmeyer, Terry Peters, Lennie and Lynn Williams, Angela Burgher, Marty Follette, Cheryl Rust, Roger and Cheryl York, Sheri Kennedy, Jeri Martin, Donna Lively, Vance Nault, Donna Wells, Susan Dillard, and Tina Cusey. Your continued support of this program is very much appreciated. The next RAC sponsored junior high report card dance will be March 2nd.

Bridge Clubs

With three tables in play last week, Mary Lou Alderman had the high score of 4200 at the Wednesday bridge game. Leona Moore had the second high of 3620. Persons interested in playing beginning bridge on Wednesday afternoons at 1:00 p.m. should contact Marti Tinnerstet or the RAC office.

There were four tables in play this week at Monday bridge. John Chapman had the high score of 6270, and Mary Lou Alderman had second with 5870. There are 12 players registered for next week.

Lost & Found

There have been several pieces of jewelry (men's and ladies') turned in at the RAC office in recent weeks. We have also found several Cub Scout awards and accessories, as well as a

Cheerleading Classes

Plans are being made to start cheerleading classes at the RAC in February. The classes will be held on Thursdays from 6:00 to 7:00 p.m., with Rachel Randerson instructing. Monthly fees for RAC members will be \$25.00. At least 10 students must be registered prior to February 1 in order for the lessons to start up. If you would like to register, or need more info, call the RAC office at 592-4471.

New Janitorial Service

As you have probably noticed by now, the RAC facilities are under the care of a new company. In an effort to better maintain our building, we would like to remind all of our patrons and renters that continuous upkeep is necessary to properly maintain a building like the RAC. If everyone does their part in cleaning up after each use, the RAC will be of better service to our community for many years to come. Thanks to all of you who support us by doing your part!

Food Handler's Course

A food handler's certification course is scheduled for Tuesday, Feb. 13, at 6:30 p.m. at the RAC. Cost for the course will be \$12.50 per person. At least 10 pre-paid registrations will be required for the course to be held. Maximum class size will be 16 students. All registrations must be made in person at the RAC office, 806 N. Third. For more information, call 592-4471.

Helpful Facts

The City of Iowa Park offers a \$250 reward for information leading to the arrest and conviction of any person committing arson within the city limits.

County awarded federal funds

Wichita County has been awarded \$44,703 in federal funds under the Emergency Food and Shelter National Board Program.

Selection was made by a national board that is chaired by the Federal Emergency Management Agency (FEMA) and consists of representatives from the Salvation Army, American Red Cross, Council of Jewish Federations, Catholic Charities USA, National Council of Churches of Christ and United Way of America, which provide the administrative staff and function as fiscal agent.

The board was charged to distribute funds appropriated by congress to help expand the capacity of food and shelter programs in highneed areas around the country.

A local board, made up of representatives of the city of Wichita Falls, Wichita County, Interfaith Ministries, the American Red Cross, Salvation Army, Community Action Agency, United Way and some community citizens will determine how the funds awarded are to be distributed.

Local governmental or private voluntary organizations chosen to receive funds must: 1) be non-profit; 2) have an accounting system and conduct an annual audit; 3) practice nondiscrimination; 4) have demonstrated the capacity to deliver emergency food and/or shelter programs, and, 5) if they are a private voluntary organization, they must have a voluntary board.

The United Way of Greater Wichita Falls will manage the FEMA program. Qualifying organizations are urged to apply, and proposals must be made by Monday, Jan. 29.
