SERVICES FOR MR. BURN AM HELD TUESDAY AT 4 P.M.

The large crowd in attendance at the funeral services of T. C. Burnam, whose death occurred at 5 p.m. Sunday, attested to the high esteem in which the family is held in this community.

Mr. and Mrs. Burnam, whose home is in the 100 block on East Park, have lived in Iowa Park 25 years and have reared a family of eight children.

Funeral services were conducted in the First Methodist church at 4 p.m. Tuesday by the pastor, Rev. Floyd Boulware.

Bearers were Locke Lowrance, M. L. Hines, Hill Spruiell, R. N. Watson, Charlie Huff and D. O. Smith.

In addition to his widow, Mr. Burnam leaves three sons, Earl B. Burnam of San Pablo, Calif.; Homer, who lives at the home address; and T. C. Jr. of Iowa Park; and five daughters, Mrs. Arthur Groen, Amarillo; Mrs. E. C. Kilgore, Coleman; Mrs. Hamilton McChesney, Olney; Mrs. Wallace Beasley and Mrs. T. C. Scott, both of Denton.

Funeral services were conducted in the First Methodist church at 4 p.m. Tuesday by the pastor, Rev. Floyd Boulware.

Bearers were Locke Lowrance, M. L. Hines, Hill Spruiell, R. N. Watson, Charlie Huff and D. O. Smith.

In addition to his widow, Mr. Burnam leaves three sons, Earl B. Burnam of San Pablo, Calif.; Homer, who lives at the home address; and T. C. Jr. of Iowa Park; and five daughters, Mrs. Arthur Groen, Amarillo; Mrs. E. C. Kilgore, Coleman; Mrs. Hamilton McChesney, Olney; Mrs. Wallace Beasley and Mrs. T. C. Scott, both of Denton.

C. E. BIRK VICE-CHAIRMAN SCOUT DIST. COMMITTEE

C. E. Birk, long time scout and actively associated with scouting in Iowa Park, was named vice-chairman of the Archita Scout District committee on Feb. 16 to take the place of Glen H. Bear of Burkburnett who resigned on that date.

The scout matter, together with other important matters was the subject of an interesting and lively meeting held in Archer City on Feb. 16 by the District Committee in its regular session, which was preceded by a supper prepared by the ladies of the First Baptist church there.

Some 20 committeemen within the newly created district attended the meeting, presided over by Chairman Ray B. Dickey.

Carlos Baker, field executive, in the absence of Jack Linn, the regularly assigned executive for this particular district, led the discussion on the all important matter of training men to lead in the scouting program, promising that concentrated training programs which scouting has for men who want to work with the scouts will be given in a thorough manner.

Plans are being set as to the time and place in which the training programs will take place in some of the towns represented within this newly created district.

Mr. Baker emphasized that no scout program can be truly successful without trained men to assist the boys in their work and with this in mind the Archita District Committee has gone on record to spend a lot of time thought and emphasis upon this phase of scout work from now on, hoping that planned efforts will produce results of a pleasing nature.

This newly created Archita District is but one of other districts that have been formed in a revamping program in the Northwest Texas Area Council, to cut out committees that functioned in the various towns and to combine these smaller committees into one Committee of representatives from all the towns in a designated area.

The Archita District takes in the towns of Electra, Iowa Park, Burkburnett, Kamay, Holliday, Archer City and Windthorst, and has gotten off to a good start in the two monthly meetings that have already been held. The members of this District Committee are committed to a long range program of training and activities that, it is hoped, will show tangible results in the scouting program.

The next meeting of the Committee is scheduled tentatively for March 19 at Iowa Park.

Little Hawks Win Two Straight Games

Iowa Park's junior league basketball team won two games the past week, one at Holliday on Monday and a second win from Valley View Tuesday night.

The Holiday team jumped into an early lead of 6 to 1 which spurred Coach Brigham

Only five cents more of each tax dollar was required to educate the more than 1,500,000 grade, high school and college students in Texas during the last fiscal year than it did to pay the pensions of fewer than a quarter-million aged, blind persons and needy children.

Figures from the offices of Geo. H. Sheppard, state comptroller, also reveal that the cost of public school education, as compared with the over-all cost of state government, decreased 5 per cent during the last 15 years while pensions skyrocketed from 3 per cent of the total cost to 28 per cent.

The 33 cents of each tax dollar expended by the state for higher and public education is also only 5 per cent more than went into the maintenance and construction of highways last year, Sheppard's figures disclose.

At the same time it was shown that the total cost of state government has more than tripled in 15 years, while cost of education to the state has not kept pace.

During the 1932-33 fiscal year the total expenditures for all governmental functions was \$107,922,451. Of that amount \$40,529,256, or 38 per cent, went for grade high schools and college education. Only \$3,242,564, or 3 per cent, went for public welfare. A total of \$49,589,036 was expended upon the highway system, that being 46 per cent.

In contrast, during the 1946-47 fiscal year total governmental expenditures amounted to \$319,988,109. The schools, colleges and universities got \$106,013,331, or 33 per cent. Pensions for 217,458 aged, blind and children had skyrocketed to \$90,213,091, or 28 per cent of each tax dollar. Highways, while dropping to 28 per cent, had a total expenditure of \$91,146,584.

The comptroller's records reveal that pensions have marched upward each year during the last 15, but the cost of education has fluctuated. Welfare checks have been greater each year since 1932-33. They reached a total of \$22,013,982 within five years. During the next ten years aid for the aged, blind and children gained until their total was more than \$90,000,000 last year.

While the pension cost was steadily increasing, the schools' aid ebbed and flowed each fiscal year. It reached a low of 28 per cent in 1938-39, when \$45,640,985 was expended upon them.

"The spotlight of late has been on the increased appropriations for our schools, but official figures disclose that the cost of education has not kept pace with the total cost of government in Texas," Charles H. Tennyson, director of public relations for the Texas State Teachers' association, pointed out.

"Educators in Texas have fought long and hard to bring the state into the front ranks in education. We are making progress, but we are not doing so at the cost of other governmental functions."

Tennyson pointed out that not only does the 33 cents of the tax dollar help educate 1,500,000 grade and high school children and an estimated 50,000 students in state universities and colleges, but that it helps pay 46,500 public school teachers, a large number of persons on the college teaching staffs and an estimated 18,000 other persons employed by the various school systems.

"The last legislature increased appropriations for the little red school house, its modern counterpart and the colleges, but the percentages of the tax dollar going into education is not expected to be much greater than the high for the last 15 years," Tennyson said.

PANIC... Treacherous Killer!

In America's never-ending parade of fires, panic claims hundreds of tragic victims year after year.

May you never be trapped in a deadly fire. But if you are, know what to do to avoid panic and you'll increase your chances of escaping alive.

It is just as important to know how to prevent fires from ever starting.

How to avoid panic is only one of many things you'll learn if you interest your schools, your clubs, your local authorities in a program to stop fires in your community.

From where I sit... by Joe Marsh

Free Ride For You— on the Freedom Train!

We had a real thrill in Our Town just the other day—when the Freedom Train stopped by!

You've heard about it, of course — an actual train that's touring the country to remind us again what true Democracy means. It carries such Americana as the Declaration of Independence, the Bill of Rights, and other immortal documents that guarantee every citizen his liberty.

A great idea! And from where I sit, we're all riding along with that Freedom Train—right now—by living in a country that protects our individual liberties—whether they apply to our right to vote, to choose our church, to speak our minds, or enjoy a glass of beer with friends.

Only thing is—we've got to prove ourselves worthy of the ride . . . by guarding zealously against whatever forces of intolerance encroach upon our American concepts of live-and-let-live, in a free and strong Democracy!

Joe Marsh

NEW ENGINEERING LABORATORY

carries on work vital to Lone Star Natural Gas Customers

Scenes in the new Engineering Development Laboratory where field samples and data are analyzed.

LONE STAR FOLKS ARE Busy . . . Another Example

Intensified research is being carried on in new Lone Star Engineering Development Laboratory, Dallas, pictured above.

Lone Star's production, research and transmission engineers together with chemists, laboratory technicians and geologists are making a long range study of natural gas production, transmission and distribution facilities serving you.

Five specialized "labs" and a large technical library aid them in their work. Laboratory technicians in five smaller field laboratories also work with the Engineering Development Laboratory staff.

A major portion of the staff's time is spent in natural gas processing plants, compressor stations, gas fields and along cross-country pipelines obtaining data which is later analyzed at the laboratory.

Valuable information necessary for exacting decisions on projects in Lone Star's current five-year, \$40,000,000 expansion program is being obtained from reports made by the Engineering Development Laboratory staff.

Thus, this Laboratory and Staff are playing a vital, behind-the-scenes role in a \$40,000,000 expansion program designed to keep Lone Star Natural Gas Service ahead of increasing needs of 333 communities we serve.

Less Land Will Produce

More and Better Food

If American cropland were fenced into equal shares, your plot would be smaller than three football fields. That's only about three acres, compared with about four at the end of World War I, according to Clinton P. Anderson, secretary of agriculture. If our population grows as we expect, your share by 1970 will be reduced to about two and three-quarter acres.

Think of your future in terms of your diminishing share of land. You will have to depend on it because there is very little more that can be brought into use through drainage and irrigation. And we still are using up our soil resources faster than we rebuild them. Yet, your little patch of cropland, together with the permanent pasture and range, is giving you a higher standard of living and providing a great deal of food to relieve hunger abroad.

In the future, on the same land we have today, fewer farmers will furnish greater abundance for more people. The matchless science of agriculture already enables the average farm worker to turn out nearly two-thirds more than he did 20 years ago.

The future will see increasingly better crop varieties, including more hybrids. Plant explorers, after a wartime lapse, are searching the world for new plants. With the old and the new parent stock, scientists will create improved varieties to resist new strains of disease and insects that continually threaten crops. They will give progressively higher yields. They will make possible finer quality and greater food value.

Varied Qualities of Wool

Assure Innumerable Uses

Wool takes up moisture without feeling wet. In fact, it can soak up one-fourth of its own weight without feeling damp. Wool fabrics never stick to the skin. They never feel "clammy."

Because wool is porous and thermostatic, body perspiration evaporates slowly. In this way, wool guards against body chilling.

Wool will not burn as quickly as most fabrics. It will stop burning almost as soon as it is taken away from a flame. It is now possible to flameproof any fabric, but wool is naturally flame-resistant.

Wool can be stretched. It can be squeezed. In either case it will spring back into shape. Wool fibers may be stretched 30 per cent beyond their normal length and still spring back into shape.

The unequalled life and spring of wool is one of its chief qualities, according to "Wool in the World." This quality gives wool hundreds of uses. Wool's resilience, or springiness, explains its use in padding. Wool also absorbs shock or pressure.

Heart Disease Deaths

One person dies every minute of heart diseases. One out of every three deaths in the United States is due to diseases of the heart and blood vessels. Deaths from diseases of the heart and blood vessels are three times as high as cancer, six times as high as accidents, eight times as high as pneumonia and eleven times as high as tuberculosis. Heart disease takes a greater death toll than the five other leading causes combined. Diseases of the heart and circulation cause 500 times as many deaths as infantile paralysis. Diseases of the heart and blood vessels cause a greater volume of disability than any other single disease and are responsible for a loss of 152,100,000 work days annually. It is estimated that one out of every 20 persons suffers from diseases of the heart and blood vessels and nearly one out of every two deaths after the age of 45 is caused by heart disease.

Kinds of Drain Tile

Drain tile made from clay or concrete will give good service if properly installed. If the concrete is properly mixed and properly cured, concrete tiles will give good service under normal conditions, according to Iowa State college. But they are susceptible to deterioration when placed in soils with high acid or high alkali content. They are not subject to damage by freezing and thawing, as are some clay tiles. Clay tile with low absorption capacity are good for use in high acid or high lime areas, since they are resistant to action of acid or alkali. They should be dense, uniform in shape, have proper strength and be free from checks, cracks or foreign matter.

Natural Wool Quality

Wool, a natural clothing fiber, comes mostly from sheep. Wool is made up of thousands of tiny crinkly threads called fibers, according to "Wool in the World." Among animal fibers wool fibers alone have an outer skin of tiny scales. The scales are too small to see with the naked eye. They interlock, allowing the fibers to cling to one another.

Wool fibers may be woven together as cloth. They may be pressed together as felt. They are the only animal fibers that are usually spun, woven, knitted or felted.

The fibers keep their "life" and "springiness." So wool's magic is still alive in clothes. Wool is a natural guardian of health and comfort.

Mrs. S. L. Jinkins of Levelland visited from Friday until Monday with her niece Mrs. Fred Parkey and Mr. Parkey. Another guest in the Parkey home is his mother Mrs. Maria Stogsdill of Duncan, Okla. Mrs. Dan Clark of Dallas, who with her children Frances and Dan-

ny had been visiting her parents Mr. and Mrs. Carl Walsh for two weeks, left Tuesday to return home. Other guests in the Walsh home on Sunday were Mrs. S. T. Hoffman and daughters Jean and Nell of Wichita Falls. Mrs. Hoffman is a sister of Mr. Walsh.

ROBERT BRUBAKER, MANAGER

COKE STEVENSON HITS COMMUNISM IN CHURCH TALK

Ex-Gov. Coke Stevenson, speaking before a Dublin, Texas, church meeting which he pointed out could not be held in any country dominated by Communists, Sunday night declared that the basic purpose of Communism is to destroy freedom.

Stevenson appeared before a union meeting of Dublin church congregations at the invitation of Rev. Mr. Oby Nelson, pastor of the Erath County, town's First Baptist church.

The former governor, an announced candidate for the United States senate, did not touch on politics in his address.

"The Communists realize they can not survive if the people are taught the principles that Jesus brought to man on earth nearly two thousand years ago," Stevenson said. "They know that in any competition with God they are certain to lose. So they are against God. They are against religion."

"The Communists stand for the use, by any means, of power over people. That is why they destroyed the churches in Russia, why they eliminated the lodges and fraternal organizations, suppressed newspapers and turned youth organizations into military groups. They allow no human consideration to stand in the way of their unbridled lust for power. That is why you and I, and every God-fearing, freedom-loving man and woman have no choice but to oppose vigorously and unrelentingly the efforts of Communists to gain a foothold in our country."

Tea for Teachers Sorority Is Delightful Affair in Home of Mrs. Owens

The home of Mrs. O. R. Owens on Valley View road was the scene of a delightful program tea Saturday afternoon when Mrs. Owens, Mrs. Lester Hawkins and Miss Ethyl Kidwell entertained sorority sisters. The sorority, Delta Kappa Gamma, is composed of school teachers and most of the guests were from Wichita Falls and other cities of the county.

The hostess used a Valentine motif complemented with a red and white decorative scheme. The lace covered tea table was centrally decorated with a bowl of red and white carnations. Accessory flowers in other bouquets were red tulips.

The three hostesses chose local talent to present a special music entertainment.

Mrs. Walter Lacy played violin and Mrs. W. G. Steele piano in two numbers, "Canzonetta-d'Ambrosia" and "Indian Lament" by Dvorak. Soprano soloist was Margaret Gilstrap, singing "My Johann" by Grieg and "My Mother Bids Me Bind My Hair."

Mrs. Charlie Coppock, Mrs. James Sewell and Mrs. Fenton Dale formed a vocal trio for two numbers, "Hody-do, Miss Springtime" and "Believe Me if All Those Endearing Young Charms."

George Huckaby, baritone, sang "I Heard a Forest Praying" and "The Blind Plowman."

Child soloist was Jeannine Scott who sang "The Serenade of the Bells" and "The Big Brown Bear." Accompanists were Mrs. Steele, Mrs. Sewell and Mrs. Hawkins.

Mrs. Hawkins and Mr. Huckaby played background music throughout the tea service.

Assisting the hostesses were Mrs. Owens' mother, Mrs. V. Greenwood of Buffalo, Mo., Misses Bobbie Ruth Brubaker, Patsy Gay, Lucy Lee Dale, Billy Joyce Bryant and Margaret Gilstrap.

SENIOR NEWS

During the first two days of this week the Seniors were busy making plans for the Dude Ranch party we are having Tuesday night. We all plan on having a swell time dressed in our Western costumes.

Several people have noticed how Billy S. is always talking to Juanita K. Is it about lessons all time? Well, maybe it is since Juanita is such a smart girl.

Mrs. Owens, Bonnie Zeck, Bobbie Brubaker, Margaret Gilstrap and Dewain Lofland went to hear Paldi Mildner, the pianist at Wichita Falls, Monday night. Bobbie says, "To some people it might have been boring but I enjoyed it very much." Dewain and Margaret got autographs from the pianist.

Several seniors received very pretty valentines last week. Somebody saw a girl give Bill Archer a valentine — we wonder whom it was from. Rip Van Winkle got a pretty valentine too — and it wasn't from Patsy.

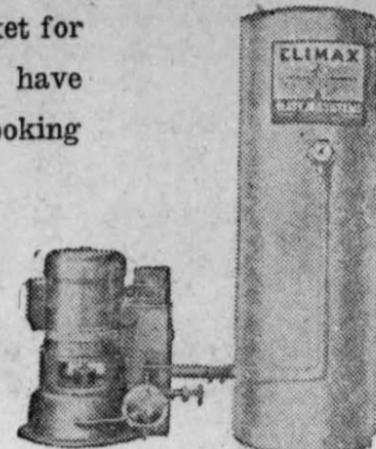

Paula Beasley took a trip to Indiana and stayed a week. She returned last week but was taken out of school again when her grandfather died. The senior class wishes to express its deepest sympathy. Robbie Starr, reporter.

Students from 37 States at Abilene Christian College

Abilene Christian college opening its 1948 spring semester recently, has enrolled a total of 1505 students from 37 states, making the largest enrollment of any spring semester in the college's history.

Included among the students are five from Iowa Park. They are Norman Beaver, route one; Betty Jean Beaver, route one; David Dodge, John Leslie Bradford and James C. Bradford.

If you are in the market for a Water System we have just what you are looking for.

CLIMAX Water Systems

That will pump from 230 to 490 gallons per hour, from depths of 40 to 70 feet. One-third horsepower motor with 40 gallon tank at the remarkable low price of \$105.00. This system is comparable to other makes that sell for \$165.00

Also systems for Shallow Wells that will pump 360 gallons per hour from a depth of 25 feet, ready to plug in for \$89.00.

We can furnish Pipe to install these water systems.

BUDGETING IS THEME OF P.T.A.

Organization of P.T.A. Also Observed in Impressive Ceremonial Program

A double feature program was presented at the February meeting of P.T.A. members last Wednesday when, in spite of bad weather, 67 adults attended the meeting in the school auditorium. Mrs. Burk Scott was leader.

The Rev. Mr. Maurice C. Yeargan, pastor of the Presbyterian church was guest speaker. He spoke from an assigned subject, "The Budget and Human Values."

Budgeting, he said, is planning our resources to meet demands. He handled the discussion from two central themes, budgeting of time and budgeting of money. He recalled the oft-quoted statement: "time is money," saying that he would change the value of life to make the statement "time is life."

What we do with our time is what counts, he said, and he found it interesting to note the way in which we translate material resources in terms of human values. Budgeting, Mr. Yeargan pointed out, teaches four things, orderliness, punctuality, efficiency and responsibility.

The second feature on the program was ceremonial observance of the anniversary of the founding of P.T.A. and its founders Miss Alice Burney and Mrs. Phoebe Hearst. Mrs. M. J. McDonald was in charge of this part of the program. She described P.T.A. and its contribution to the welfare of children as a mosaic, saying that the gray of the shadows in a mosaic were quite as important as were the royal blues and bright hues, comparing the colors to members in the organization, each with his or her part to fill.

An impressive candle-lighting ceremony took place when officers as they were named lighted a candle on the birthday cake. The cake was later served with coffee by the hostesses for the day, Mmes. Herman

McDonald, Lora Bell, Hersnel Pierce, Albert Johnson and W. D. Vestal. The musical entertainment for the meeting was contributed by the sixth grade glee club directed by Mrs. Lester Hawkins. Little Joline Cooksey was soloist. Shirley Barron played a piano solo.

During the business session directed by the president, Mrs. D. O. James, a nominating committee was appointed. Mrs. Mahler, Mrs. Miles Hines and Mrs. Bell form the committee which will bring names before the organization at the March meeting for election of the four main officers.

Mr. and Mrs. Dan Sales of Frederick visited last week in the home of Mrs. Sales' grandparents Mr. and Mrs. E. W. Combs. Another guest in the Combs home last week was Mrs. Aire Lee of Herrington, Kans.

Joe Logan was returned to his home in Iowa Park last Thursday after a week spent in a hospital at Wichita Falls with pneumonia.

Mrs. Hallie Goodman of Lancaster is a guest in the home of her daughter Mrs. Loyd Lowe and Mr. Lowe.

Miss Dorothy Ellard, who spent two weeks visiting her aunt Mrs. Earl C. Logan and Mr. Logan, left Saturday to return to her home in Paris, Texas.

Mr. and Mrs. W. W. Fox of Tulare, Calif., left Tuesday after a visit with his parents Mr. and Mrs. H. C. Fox.

Mr. and Mrs. G. C. Mitchell of Fort Worth visited Sunday in the O. R. Kelly home. Mrs. Mitchell is Mr. Kelly's sister.

Mr. and Mrs. B. B. Parks moved Saturday to Archer City where he is employed by the Texas Pipe Line company.

Claude E. Chappell jr. Has Party on His Birthday

Honoring the fifth birthday of Claude E. Chappell jr. was the party given Friday, Feb. 3, in the home of Mrs. V. E. Williams on Pecan street.

Those celebrating with Claude were his mother Mrs. Pauline Chappell; his grandmother Mrs. Bessie Batts; three aunts Lillie and Ruby Chappell and Mrs. Elizabeth Lewis; a cousin Jerrie Ann Lewis; Eddie Ann Johnson; Mrs. Marie Johnson; Mrs. H. B. Britt; Mrs. Lavada Roach; Shirley Lee; Kenneth Frazier; Betty Lou Williams; Yvonne Chumley; Bobby Joe Williams; Joann Ratchiff; Carol Lewis; Barbara Sue Chumley; Etta Mae Frazier; Donald Wayne Frazier; Inetha Roach; Susie Roach; Linda June Roach; Margarete Smith and Philip Britt and Melva Ann Lee.

Camp Fire Group Is Organized in Iowa Park

A group of teen age girls in Iowa Park have recently been organized into a Camp Fire group and have named themselves the Ki-Hi-Wa. Mrs. H. I. Tatom and Mrs. Aubrey Robertson are guardian and assistant guardian. The group meets each Tuesday evening in the home of Mrs. Tatom. Mrs. L. E. Brooks is group sponsor.

The entire group attended a dad-daughter dinner meeting in Wichita Falls, Friday night given by the Wichita County Camp Fire Council.

Members of the Camp Fire group are Sheri Brooks, Barbara Tatom, Agnes Wesley, Carolyn Caddell, June James, Nancy Brooks, Mary Morgan, Goldie Robertson, Anna Jean Sothorn, Barbara Griffith and Christina Rogers.

Mrs. T. R. Compton left Wednesday for Hobbs, N.M., where she will visit the O. L. Myatt family.

Uncle Sam Says

Benjamin Franklin said that it was not what a person earned but what he saved out of his earnings that counted. Millions of Americans who are buying Savings Bonds regularly know Ben Franklin was right. An investment of \$3.75 a week for Bonds for 18 years would provide you with \$2,163.45. In your own interest, you should be as wise as millions of your countrymen today who are practicing what Ben Franklin preached—thrift gets results.

U. S. Treasury Department

Methodist Group Begins New Series of Studies

"The Great Prayers of the Bible" is the theme being used in connection with the spring Bible study by the WSCS of the Methodist church. The first of a five lesson series was presented Monday with Mrs. W. E. Stockton presiding.

Mrs. Fenton Dale opened the discussion on the different kinds of prayers and passed out cards soliciting pledges to the "Intercessory Prayer Group."

The prayers of the patriarchs—Abraham, Isaac, Jacob, Joseph and Moses—were presented by Mrs. Ida Weeks. The prayers of the kings—David and Solomon—by Mrs. L. C. Perry. Those of the prophets—Elijah, Elisha, Isaiah and Jeremiah—were presented by Mrs. Comer Tuck.

During the business session Mrs. Stockton and Mrs. Dale were elected delegates to the North Texas Annual Conference which meets in Denton on March 17-19. The resignation of Mrs. W. M. Owens as secretary of missionary education and service was accepted. Mrs. L. C. Perry was elected to fill the vacancy.

Those present were Mmes. E. B. Taylor, W. E. Stockton, Fenton Dale, Hugh Stockton, Hugh Thompson, M. L. Hines, R. V. Wood, Richey Abernathy, A. S. Morris, Comer Tuck, L. C. Perry, L. A. Teal, Mary Lakey, Elgin Denny, Ida Weeks, Ruby Monroe, Fred Widmoyer, A. D. Butcher, W. A. Litchfield, J. N. George, S. L. Denny, J. H. Hatten, Herman Mahler, D. O. Smith, F. A. Boulware and C. W. Coppock.

Mrs. Tirzah Portis, Miss Hazel Crites and Miss Lucy Sims visited in Fort Worth, Sunday.

Teen Age Group Enjoys Party with Wilma Lee Irvin

Mrs. Lee Thompson entertained last Thursday night with a party honoring her daughter Wilma Lee Irvin on her 14th birthday. She was assisted by Mrs. Lavere Thompson and Mrs. Wayne Luckett. Informal games filled the evening at the close of which were served refreshments suggestive of Valentine's day.

Guests celebrating with Wilma Lee were Patsy Mitchell, Eugene Parish, Patricia Horn, Lenard Luckett, Royce Roderick, Travis Neal Hines, Lou Ann Duke, Curtis Reaves, Clifton Roberts, Patsy Lynn, Audrey Brown, Annie Brown, Charles Shawver, Ben Huckaby, Jackie Teal, Charlene Metz, Charlene Ralston, Ann Ralston, Mac Lucy, Kathryn Kelly, Bobby Pace and Bobby Long.

Cletis Wright Has Party For Eighth Birthday

Mr. and Mrs. W. T. Wright gave a party Friday for their daughter Cletis who was eight years old. A cake with candles and jello and punch at the refreshment hour delighted the children.

Guests with Cletis were Linda Giesert, Jerry Giesert, Carol Catlin, Doyle Combs, Gerald and Jana Sue Combs, Don Litt, Neida Kay Litt, Linwood and Sherma Sue McMillan and Delores Fox.

Mr. and Mrs. W. R. Bradford had as guests for a brief visit two weeks ago and again from Friday until Sunday of last week their daughter Mrs. John Paul Guthrie and Mr. Guthrie of Denver. The Guthries had with them friends also of Denver, Mr. and Mrs. Barney Boyesen. The four were enroute to and from New Orleans where, they attended the Mardi Gras.
