VOLUME 54 IOWA PARK, TEXAS, THURSDAY, JULY 19, 1962 NUMBER 20

## Trustees Set Schedule

The school board met Monday night and set up the school calendar for 1962-63 as follows.

Classes begin Tues., Sept. 4.  
Thanksgiving recess, Nov. 22 and 23.  
Christmas recess, Dec. 21 to Jan. 7.  
District teachers meeting, March 8.  
Easter recess, April 12 to 15.

The new elementary school will be constructed with orchid blend brick, the same as Ethyle Kidwell school.

Trustees at the meeting were John Clapp, T. E. Gilbreath, Harry Moore, Stanley Williamson, Dewey Spruill; plus Supt. Keith Swim.

Supt. Keith Swim appeared recently on a 9-member panel in Denver, Colo., as part of the National Education Association workshop attended by school people from all over the nation.

Each panel member was from a different state. Swim, president of District 7, TSTA, spoke on "The future of NEA in Texas."

Mrs. Swim, Sharon and Keith jr. went on the trip, which included a visit to Estes Park.

Mrs. Bert Caddell recently returned from a month vacation in California with relatives and friends. She flew by jet and said she really enjoyed the trip. Mr. and Mrs. Caddell will visit this weekend in Killeen with their daughter Mr. and Mrs. Bill Glass and family.

## All Stars Go to Olney

Thursday night the Iowa Park Little League All Stars managed by Wayne House and Dan Barnes will go to Olney and play the Seymour All Stars in the East Area tournament.

District 6 is divided into two areas this year. Eastern teams are Olney, Sheppard, Graham, Iowa Park and Seymour.

Arch Hughes is district representative for District 6.

Winner of Thursday's game will play Graham at 6:00 p.m. Friday; Olney and Sheppard meet at 8:00 p.m. The two winners will then play Saturday at 8:00. Winner of the East will then face the winner of the West for District Champ.

District winner will advance to the Sectional, composed of West Texas, which will be in Breckenridge.

State National Bank is sponsoring the Iowa Park All Stars. The boys plan to leave here at 5:30 Thursday. Let's all go and back our boys to victory.

Starting battery will be Phil McDonald on the mound with Wendell House behind the plate.

Mrs. T. E. Reed and daughter Miss Helen Reed were in San Angelo last week to bring home Mrs. Della Guthrie, sister of Mrs. Reed. She has been hospitalized in Sanatorium for a year. Mrs. Guthrie was dismissed last week and is making her home at Park Hotel, where she resided before leaving here.

## Lions President

Evening Lions held Ladies Night and their annual installation service recently in the Christian church fellowship hall with Dowell Cafe catering the food.

Faris Nowell offered the invocation. Miss Elaine Sawyer presented dinner music.

Special guests were wives of members, Mr. and Mrs. William D. Owens, who have given much time to the Wichita County Free Library, a project of the club; Frank Copeland and Noon Lion Bumps Settle.

R. E. Waters, first president of the club, organized seven years ago, was recognized.

Glenn Shelton of Wichita Falls was guest speaker. He was accompanied by Mrs. Shelton.

Lester Brooks of the Noon club, International club, was installing officer. He used the theme "Trains" in an impressive ceremony to install:

Dan Barnes, president  
Bob Birk, Marlin Terrell, Harold McClung, vice-presidents  
L. E. Harris, secretary-treas.  
Faris Nowell, Lion tamer  
Wayne House, tail twister  
Bud McDonald, Sam Hunter,  
R. E. Waters, Erwin Soell, directors

Noon Lions met Tuesday in the school cafeteria with Thelma Gay and Mrs. Wayne Dunson presenting luncheon music. Another sweetheart Esther Thornberry was present.

Other guests were C. C. Morgan and Robert Johnson.

Mrs. Keith Blalock was guest speaker introduced by Mrs. Taylor George. She described living conditions on Akutan Island off the main coast of Alaska. The Blalocks will leave in August for Guam where Keith and Marjorie will teach in high school.

## Jaycees Keep Busy on Projects

Guess you have been wondering what has happened to the local Jaycees? Odds are that any Jaycee-Ette can tell you her man has been away from home a lot the past month on Jaycee projects.

Two main activities have been completed the past month. The fireworks project began June 30 and continued until the wee hours of July 4. This was a necessary venture for the Jaycees this year, and it turned out to be a successful one. Heading this project were Don Daugherty, Tommy Patterson, Billy James, Morris Jacks, Terry Newman, Deryl James, James Wilkerson and Lavell Stermer. To complete this project was a major task, but with help of many Jaycees it was a success.

Jaycees would like to thank you customers for supporting this enterprise with their stands. You can feel assured the money will go for a worthwhile project here.

Another job was partly completed last week with the Blood Bank Drive held July 12. This work is carried on throughout the year. There were 43 pints of blood given by the people of this area. Joe Singer led the project to its completion. There is little need to explain the benefits of this blood supply, and we feel sure you realize it is a continuing program. Anyone in Iowa Park or the surrounding communities can receive this assistance just by contacting any Jaycee or the Red Cross in Wichita Falls.

The Bloodmobile will make a visit to Iowa Park every 90 days, Singer says. Mrs. Luther Shaw is chairman of Iowa Park Red Cross.

Assisting with the blood collection last week were Mmes. Crawford, Koonce, Mercer, Daugherty, Hughes, James, Short, Kee, Colburn, W. T. Crawford jr., McBay, Terry Newman.

Jaycees appreciate use of the Christian church fellowship hall for this important project.

The Jaycees thank one and all for your thoughtfulness in giving blood. We feel it is one of those things that make America so great.

With a continuous job of keeping up the Youth Center, the Jaycees are never without need for a work detail. They have completed sidewalks and curbing at the building and will be working around the Center the entire summer putting it in the peak of condition.

This brings to mind: Should you ever need a meeting place for a party, dance, reunion, club meeting or the like, the Jaycees invite you to check into the use of the Youth Center. No group is too small or too large, and it could be just the right size. Contact Bud Mercer if you think you might be interested, and he will gladly furnish complete details, and even a tour if you desire.

There are a number of things there you may not know we have in the building.

Next time Louis Sefcik tells you a fish story, believe him. We made the serious mistake recently of knocking off 10 pounds when he told of his prize crappie catch. Now he has photographic proof of his prowess. We don't know the weight of the above pictured finny denizen of the deep, but we'll venture to say it would feed a small Sunday School picnic.

## Your C of C

Esther Thornberry, secretary-manager of Iowa Park Chamber of Commerce, was among 200 C of C executives taking part in an institute for organization management at the University of Colorado, July 8-14 in Boulder.

The institute consists of a three year course in principles of management and is taught by C.U. faculty members and special instructors.

## CITY HOMES

Mrs. Clyde Hutchinson, chairman of the C of C home beautification committee, reports that in the July judging J. W. Wadsworth, 1006 W. Fourth, was given recognition in the Under 3-Years Division because of the beautiful lawn and trees, neatly mowed and well-kept, backyard attractive with zinnia beds; front flower bed colorful with blooming petunias.

In the Over 3-Year Division, Rev. Wayne Dunson and family, 215 E. Bank, were selected winners because of much work in the short time they have lived here, in keeping the lawn surrounding the parsonage neatly mowed and trimmed, including bar ditches and all areas.

Assisting Mrs. Hutchinson on the tour were Mrs. Arch Hughes and Mrs. Sam Wood.

Homes honored during the current year have been those of Will Burnett, C. T. Mathis, L. C. Hill, M. M. Ellis, Taylor George, Grover Cleveland.

## Union Service

Union Evening Services will be held this Sunday at 7:30 in the Christian church. The Rev. Mr. Stanford Lucyk of Saskatoon, Saskatchewan, who is preaching here the next two Sundays in the Presbyterian church, will bring the message.

Union Youth Fellowship will begin at 6:00 p.m. in the host church with youth of the Presbyterian church bringing the devotions. CYF will be responsible for refreshments.

All young people are urged to attend.

Mr. Lucyk was unavoidably detained last week and did not get to preach here last Sunday, but is expected to be in the pulpit of the Presbyterian church the next two Sundays.

## Mrs. Hillock Buried Here

Funeral service was conducted for Mrs. Cordie Mae Hillock, 53, in Tanner Funeral Home Saturday morning, July 14, with Rev. Claude McDonald of the Christian church officiating.

Burial was in Highland cemetery. Pallbearers were Bill Harris, Elgin Denny, James Cates, Boyt Smith, Roy Smith, and Taylor George.

Mrs. Hillock died Wednesday, July 11, at her home in Port Neches, where she resided the past 19 years. She had been in poor health more than 10 years.

The former Cordie Mae Gammon was born in Hedley, Sept. 4, 1908. She came to Iowa Park a young child and attended local school, being graduated from the high school. In 1939 she was married to Marcus Hillock in Dallas.

Surviving are Mr. Hillock; a daughter Mrs. Jean Morris of Texas City; her mother Mrs. Mattie Gammon Searl of Iowa Park; a brother Bedford Gammon of Bonham; three grandchildren: Bobby, Susan and Larry Morris.

## T-O Fair

Oklahoma Congressman Victor Wickersham will deliver an address commemorating the 100 years of the US department of agriculture, Tuesday, Sept. 25, at 11:00 during the Pioneer Day program of Texas-Oklahoma Fair in Iowa Park.

The Fair, Sept. 24-29, will salute in all phases the centennial of the USA.

Wickersham, a man who has as motto, as philosophy, as way of life—"There is no 'No,'" nothing is impossible"—is ultimately going to get a lot of things done.

Born in Arkansas, his family brought him to Oklahoma in 1915 when they settled near Mangum, which has been his home ever since. His parents now live in Katy, Texas.

Wickersham was first elected to Congress in 1941 and is now serving his eighth term.

## Father Dies

Mr. Sam Donley, father of Mrs. H. C. Hicks of Iowa Park, died Thursday, July 12, in a Lawton (Okla.) hospital.

Funeral service was conducted Sunday afternoon in First Baptist church of Grandfield with Rev. Stotts of Calvary Baptist church officiating.

Interment was Monday afternoon in Grandfield cemetery.

Mr. Donley was born Sept. 21, 1900, in Montague county and had been farming near Grandfield for many years.

Surviving are the widow Mrs. Zephia; two sons Wayne of the home and Kenneth, stationed in Viet Nam, Saigon with home in Lawton; two daughters: Mrs. H. C. Hicks of Iowa Park, and Mrs. W. E. Wilson of Houston; and nine grandchildren, including Mike and Richard Hicks of Iowa Park. He also is survived by four brothers and two sisters.

## Bridal Shower

Miss Katy Merle Sumrall, bride-elect of Morris F. Vogel of Kulm, N.D., was honored with a shower Thursday evening, July 12, in fellowship hall of the First Baptist church.

Mrs. Billy Joe Gilmore registered guests and Mrs. Oscar Singleton and Mrs. M. E. Goforth presided at the punch service.

Special guest was the honoree's mother Mrs. E. W. Sumrall. She and Katy Merle were presented pink carnations by the hostesses.

Miss Sumrall was assisted at the gift table by her mother and her two nieces Misses Malnne and Janet O'Neil of Wichita Falls.

Miss Sumrall and Mr. Vogel will exchange vows on August 11 in the First Baptist church here.

Hostesses for the shower were Mmes. W. F. Booher, Lester E. Brooks, R. R. Brubaker, Jim Cowden, J. D. Fecher, Gilmore, Goforth, Singleton, Sam Hill, D. O. James, Henry Jones, O. E. Lochridge, Carl McKinnon, Clyde Patterson, J. C. Roby, Everett Sewell, Roy B. Smith, Dewey Steed, T. M. Thaxton, Dorothy Thompson, Lee Roy Truett and Virgil Woodfin.

## New Alderman

Marlin Terrell has been selected by the City Council to fill the unexpired term of Morris V. Jacks, alderman, who resigned to move to Arkansas. Terrell received the next highest vote in the April city election.

Marlin and his wife Jo and two children — Gary, 10, Judy, 8 — came here in 1960. Since that time they have taken active parts in church and civic affairs.

Terrell is general agent for the Farm Bureau insurance companies. He is a member of Chamber of Commerce, Evening Lions club, president of United Fund, and an elder in the Presbyterian church.

On being asked to serve, Marlin said, "I want to serve my community to the best of my ability. I appreciate the honor that has been shown me."

## MEETING

July 16, the directors meeting was attended by the following: Rollins Woodall, Gordon Clark, Elvy Sargent, R. E. Birk, Earl F. Watson, Henry Wolf, Dwain Holmes, Joe Baxter, and Esther Thornberry.

Subjects discussed were: additional water supply; legislative and good government participation; boosting local business; membership drive.

## Books

Wichita County Free Library continues to receive additions to its stock of books. This week C. L. Montgomery of Wichita Falls gave National Geographic magazines from 1934 forward; and a large number of Boys' Life and Readers Digest.

Grandparents are Mr. and Mrs. R. J. Williams of Iowa Park and Mr. and Mrs. J. L. Smith of Valley Farms. Mrs. Williams is the former Miss Maxine Ramsey.

Mr. and Mrs. Homer Blalock visited her father Jim J. White and her sister Mr. and Mrs. Wes Davis in Howe last weekend. Mr. Davis had eye surgery recently.

Mr. and Mrs. Lee Roy Truett and granddaughter Donna Klinker were in Ada, Okla., last weekend visiting her sister Mr. and Mrs. Joe Hendley. The Hendley family was holding a reunion and Mrs. Truett saw a niece she had not seen in over 20 years.

Children are checking out a large number of books. Adults are encouraged to use this fine source of reading matter.

## Cards Beat Cubs

Cardinals knocked the Cubs from the undefeated ranks last Friday with an 8 to 2 thumping. The winners combined good pitching with a tight defense, to knot the minor league standings at the top with only one game remaining on the schedule.

Cardinals, 5-1, play the Braves on Thursday. Cubs, also 5-1, will meet the Senators on Friday.

Saturday the Tigers and Indians close out a fine season.

Joe Whitfield, Central Texas recording star, recently bought a new pick for his guitar.

## Lionesses Hear Former Alaskan

Mrs. Keith Blalock was featured speaker for a meeting of Lioness club held recently in the home of Mrs. Henry Jones. Co-hostess was Mrs. R. R. Brubaker. Mrs. Blalock, who spent two years in Alaska and one in Akutan in the Aleutian Islands, gave interesting discussions of life and customs in those places.

Placing major emphasis on Akutan, where she and her husband taught, Mrs. Blalock said the island is about 15 miles long and is located 40 miles east of Dutch Harbor. Population of the island is about 100 Aleuts and Scotch. Coming of the mailboat once a month is a big event in the lives of the natives.

Religion of the natives is Russian Orthodox Christianity. Mr. and Mrs. Blalock, who are Tent-makers sponsored by the Southern Baptist Convention, conducted a Sunday school. At Christmas time they distributed New Testaments to everyone on the island, furnished by the First Baptist church of Iowa Park.

Refreshments are served and the group moves to another house for the same procedure. This goes on five to six hours each night for three nights.

Then starts "masking," which is much like Halloween "Trick or Treat." Mrs. Blalock said that on the first night of masking she answered a knock on the door to find 16 masked individuals who were unrecognizable. Upon entering the house they did not say a word but whistled as signals. To the tune of an Aleut song played on a tiny accordion they hopped round in dances, helped themselves to candies, and left.

This went on every night until Jan. 13, when guns were fired and the church bell was rung to welcome the New Year.

At Easter, each woman on the island bakes bread and sends one loaf to each house. The bread is fruit and nut bread baked in coffee cans, then iced all over and decorated with colorful candy.

To stress the meaning of Easter to her, Mrs. Blalock put on her leaves a special decoration of green coconut with an entire egg shell which she marbled with cake coloring. Inside the shell was a cloud of cotton with the words "He is risen."

Mrs. Blalock displayed souvenirs of Alaska to enhance interest in her talk.

Mr. and Mrs. Blalock and their four children will leave Aug. 15 for Guam, where they will be employed as teachers by the government.

Mrs. Brubaker, Lioness club chaplain, introduced the program with a devotion using for theme "Whose is the land?" For scriptural background she read Psalm 24:1 and 2 Samuel 3 and 12.

The group sang "America the Beautiful," led by Mrs. Charlie Coppock with Mrs. Jones at the organ.

Mrs. Buck Voyles directed a business meeting. Proposed alterations in the by-laws were read by Mrs. D. O. James. Need for volunteer workers in Wichita County Free library was stressed. Immediate past president Mrs. W. E. Karstetter and her corps of officers gave annual reports.

Mrs. Voyles announced committee chairmen for 1962-63 as follows: Mmes.

Frank Harlin, George Huckaby, program.  
Luther Shaw, F. M. Wilson, Henry Jones, yearbook.  
D. O. James, Carroll Duke, Jim McClendon, L. N. Wakefield, ways and means.  
R. G. Warner, T. C. Berry, Homer Thompson, Esther Thornberry, welfare and projects.  
Karstetter, James, McClendon, recreation.  
Clint McBay, Lester Brooks, telephone and membership.  
Taylor George, publicity and reporter.  
Harriett Coppock, music.

Dainty refreshment plates were served to Lionesses Hill, Thompson, Karstetter, Coppock, Voyles, T. C. Berry, Wilson, Alan Berry, Luther Shaw, Warner, McClendon, George, Brooks, James; a guest Mrs. Carl Sullivan; and the guest speaker.  
Mrs. T. C. Berry and Mrs. George will be co-hostesses for the July 26 meeting which will be held at 7:00 p.m. in the Texas Electric Service Co. office with Mrs. Amy Walker giving a deep-freeze demonstration.

## Christ and a Faith for Our Day

by Schlenther

It is difficult for us to understand a rock-ribbed faith. It is not an easy matter to be inclined to depend on others instead of God — comes! And then the blame? Who is then? God is the

who cries to God a loved one. "What to deserve this? Why this to me?" is planted the hub of the unity, "Why did God my baby from me?" the most self-centered possible; you don't know "Why did God baby?" Just "Why is to me?"

completely wrapped-up makes a small package say that the great when a man begins off his own hands. He is this person as lived which is like a ded by mirrors. Ev turns he sees him- some of the mir- windows. He be- it; he begins to see ll wrapped together bundle of life. This, redom; freedom to en we get ourselves hands.

to a deep trust in ome way we have for ourselves. We rest from ourselves problems. We re- p the answer Jesus he was asked the mmandment. "You e Lord your God" ll love your neigh- ing else depends o commandments, y are two sides to

the same coin. The road to faith is the road of the good Samaritan; it is a loving service of others.

What of our Lord Jesus? His secret was the high times of vision in His life. His days were steeped in prayer. His life was an intentional and meaningful one because He didn't shove God to one side. Jesus planned His life in the presence of God.

The tragedy in our day is that the ones who have the high vision and experiences too often have made no vital connection between them and the needs of people about them. Those who have a personal relation with God in Christ must realize that it means they are also to have a saving relation with others.

The mountain top vision cannot become a social vacuum. If we are to learn how to face life with the power of God to under- gird us in the most trying mo- ment, then we must travel down hill as well as up.

There is a sense in which Jesus spent His whole life going down hill — from the high places of communion with His Father, to the level of the crowded valleys of human need. Jesus withdrew to pray only that He might serve better. In both these movements of faith He found the power to live His life most richly. That power can be yours too.

## Birdwell-Phillips

Miss Anna Birdwell, daughter of Mr. and Mrs. J. W. Birdwell of Kamay, and Henry Phillips were married Saturday evening, July 14, in the First Baptist church of Kamay. Lemuel H. Phillips, brother of the groom and minister of the Kamay Church of Christ, directed the double-ring ceremony.

The groom is son of Mr. and Mrs. R. L. Phillips of Kamay. The nuptial space was marked by a prie dieu placed before an archway of daisies and greenery with an arrangement of gladiolus and daisies on either side, and candle trees holding tapers flanking each side of the arrangement.

Miss Sonja Thompson, organist, and Miss Joan Duncan, vocalist, provided traditional wedding music.

The bride, presented in marriage by her father, wore a gown fashioned of taffeta and trimmed with French lace, touched with pearls and sequins. Lace shaped the wide oval neckline, extended into the bodice and outlined the long princess effect at the hipline, from which the skirt hung full and cascaded into a chapel train.

Her fingertip veil of tulle was attached to a tiara of flower petals and pearls. She carried a crescent shaped bouquet of daisies intermingled with pearls atop a white Bible.

Mrs. Joe Phillips served her sister as matron of honor and Miss Ginger Birdwell another sister, served as maid of honor. Both wore dresses fashioned of kelly green featuring bell shaped skirts. Their flowers were white daisies.

## Here's why a flameless ELECTRIC WATER HEATER

gives you hotter water... faster

In a flameless, quick recovery electric water heater, two super-fast heating elements are in the water, inside the tank, rather than just one heat source outside the tank bottom. Element at top heats water at the point of draw-off. Element at bottom heats incoming water. Notice, too, that heavy insulation completely surrounds the tank, including the bottom. Heat is sealed in, and none is wasted up a flue, since an electric water heater is flameless and needs no flue or vent. That's why an electric water heater gives you the hot water you need for dishes, laundry and other uses... as fast as you need it. See both round and table top models at your dealer's soon!

NO FLUE OR VENT,  
 NO WASTED HEAT

IMMERSED ELECTRIC HEATING ELEMENTS PUT ALL THE HEAT DIRECTLY INTO THE WATER

## ABUNDANT LIFE

by ORAL ROBERTS

### GOD WILL MEET YOUR NEEDS

I was deeply impressed by the story of a little boy who wanted to buy his mother a birthday gift. The present that he liked cost exactly \$9.98.

So he saved and saved until he had 998 pennies in his piggy bank. When he started to pay for the gift, he just turned his piggy bank upside down and 998 pennies came tumbling out. All the pennies that the little boy had were poured out in one single act.

To receive what you need from God, your faith has to come pouring out of your heart in one single act of faith. Do you want to be healed? Then all your faith must be loosed in one single act of believing God for the healing of your body.

In Mark 9:14-29 we read of a man who had a dreadfully afflicted son. We might diagnose his condition today as epilepsy. But it was something that would seize the boy and throw him violently into fire and water. The father brought his son to Jesus to be healed. But when he arrived, Jesus was on the Mount of Transfiguration.

When Jesus came down from the mount, He found a sorry state of affairs. The apostles had prayed for the boy, but he still

was not healed. The father of the boy was very discouraged. When Jesus came, this man was ready to give up and go home.

The father said to Jesus, "I brought my son to Your disciples that they should cast out the evil spirit, but they could not." Then he cried in desperation, "Lord, if you can do anything, have compassion on us and help us." He was so discouraged that he wondered if even Christ could do anything.

Jesus said to him, "If thou canst believe, all things are possible to him that believeth."

The answer of this man is most significant: "Lord, I believe. Help Thou mine unbelief."

Jesus reached out His hand and touched the boy, commanding the evil spirit to leave his body. As Jesus touched the boy, the father released his faith. The foul spirit left immediately. The young boy was completely healed!

God will meet your needs just as He met the boy's. Whether you need salvation, healing for your body, financial help or spiritual help, He will supply your every need if you will release your faith and believe on Him.

## Bass Replaces McDonald as District Telephone Manager

Bill Bass of Mineral Wells has been named district manager for Southwestern Bell Telephone Co. Wichita Falls district. He replaces John McDonald, who has been made commercial supervisor for the state of Oklahoma, with headquarters at Oklahoma City.

Bass has charge of commercial operations and business office in the 10 cities in this district: Burkburnett, Bowie, Childress, Graham, Henrietta, Jacksboro, Iowa Park, Quanah, Vernon and Wichita Falls.

Bill has been district manager for the company at Mineral Wells since late 1957. There he was quite active in civic affairs. He was named that city's outstanding young man in 1961 by the Junior chamber of commerce. He was recently named 1962 Boss of the Year by the resort city chapter of the National Secretaries association. Earlier this year he was chosen for membership in the Order of the Arrow, Boy Scout honor society.

Bass began his telephone career in Amarillo as a lineman on Feb. 23, 1948. He's never missed a day on the job.

He held several jobs in the plant department before being made communications supervisor. He too has been active in civic affairs.

At Amarillo, he went to Ft. Worth in 1956 as division service engineer, then to Mineral Wells in 1957.

Bill and his wife Dorothy have one son Ricki, 8.

McDonald came to Wichita as district manager in early 1960. After graduation from high school in Ft. Worth he attended Texas Christian university. He served in the navy during World War Two.

Mr. and Mrs. McDonald have four children: twins Mary and Gary, 6; Bob, 10; Shari, 2.

Fred L. Stallcup, construction foreman, marked his 25th anniversary recently with Southwestern Bell Telephone company.

A resident of Wichita Falls for 16 years, Stallcup is affiliated with the Texas Muzzle Loading Rifle association, National Muzzle Loading Rifle association, the American Rifle association, and the telephone company bowling team.

Fred and his wife Faye have two children: Richard and Kay. Stallcup spends most of his leisure time building guns and attending gun matches. He also enjoys camping with his family in some of the national parks.

Mrs. Earl Anderson and son Kenneth of Evanston, Ill., have been visiting here with Mrs. Grace Hadley and daughters Beverly and Barbara. They all went to Six Flags over Texas, to the Wichita Mountains, and to Anadarko, Okla., last week and this week.

Mrs. Martha Greer of Arlington is visiting her brother Mr. and Mrs. R. R. Brubaker.

### TEN QUESTIONS . . .

Most Frequently Asked about President Kennedy's Health Insurance for the Aged through Social Security.

1. Why do we need this program?

Because there are too many elderly people who can't afford hospitalization when they are ill. The burden of paying these rapidly mounting hospital costs (which have more than tripled in the past 15 years) usually falls on their children who are mostly in their thirties or forties and have families of their own to support. Many have to choose between providing for an aged parent's health care or paying for a child's education. This situation has become so widespread, it can be regarded as a very pressing national emergency.

2. Why can't private health insurance plans take care of an aged person's needs?

Premiums in this age bracket are so expensive and the benefits so limited, more than half of this country's 17 million elderly have no insurance at all. And those who do, don't have adequate protection.

3. How do doctors feel about the President's plan?

Some doctors oppose it; others favor it. Recently, a group of physicians met with President Kennedy to express their support for his plan and to form the Physicians Committee for Health Care for the Aged through Social Security. Their purpose is to give the Nation's doctors the facts about the King-Anderson bill, which carries out the President's plan and is now before Congress.

4. Is this plan "socialized medicine?"

No. Socialized medicine is a system under which the Government pays for and manages all the health care for all the

people, doctors' salaries as well as hospital costs. The President's program applies only to those who are 65 and over. It pays hospital, nursing home and home health care bills only — not private doctor bills.

5. Will I be able to choose my own doctor and hospital?

Yes. The King-Anderson bill guarantees that right. This is not always the case under existing public relief programs which often send the elderly patient to the county hospital under the care of a doctor he has never met before.

6. Why can't public relief programs take care of elderly persons' health needs?

Present programs are too costly and too inadequate. For example, under a new program which started October, 1960, the Federal Government promised to pay part of the cost to any state which would expand its health services to the needy aged. As yet, only 23 states have responded, and most of these don't provide the required services. The remaining states say they are too poor to put the plan into effect. Yet, these meager benefits already have cost Federal and State Governments more than \$120 million.

7. Why is the Social Security-administered plan the best one?

Because Social Security has worked out well over the years, and it would require only a simple extension of this system to meet the current, pressing need. Under Social Security, health insurance for the aged would be nationwide and self-financed. It is a pre-paid plan whereby persons during their working years

would contribute to payment of their health care after they reach the age of 65, in the same manner as they are contributing toward their Social Security retirement checks.

8. What will the President's health plan do for me?

The money you will be contributing — only \$1 a month for the average wage-earner — will automatically earn for you the right to health benefits when you are 65, and assure your children of similar benefits when they retire. It also will relieve you of the burden of paying the major share of your aged parents' medical costs, since the plan will immediately go into effect for all the aged now covered by Social Security. In short, this is a plan for "family security through Social Security" — benefitting you, your family and your community.

9. What are the health benefits provided by this program?

a. Payment of all hospital care costs up to 90 days for a single illness (except for a \$10-a-day deductible for the first nine days).

b. Payment of up to 180 days of nursing home care.

c. Payment for home health care for 240 visits per year for intermittent services from a registered nurse, a practical nurse or therapist.

d. Payment of all costs above the first \$20 for diagnostic services at a hospital outpatient clinic.

10. How many people favor this plan?

Last year a nation-wide Gallup Poll showed that two out of three people interviewed were in favor of the President's plan.

## SOIL CONSERVATION DISTRICT NEWS

Parallel terraces are being installed for co-operators with the Wilberger-Wichita Soil Conservation District, according to Elvy Sargent, soil conservationist with the Iowa Park work unit.

Lyle Gill jr., farming 5 miles southwest of Wichita Falls, is installing the first such terrace, Sargent said. Only one and a part of another will be parallel, due to topography of the land. Not all fields can use parallel terraces; however the SCS will attempt to fit all such terraces possible into a system if the farmer so desires.

Range grasses can be improved by planned range deferment. J. C. Clower of Friberg community has excellent stands of sideoats grama and other grasses in a mixture seeding. He seeded fields to a native mixture in previous seasons. Plant vigor is increased and more total forage is produced.

Farmers and ranchers can grow more grass by applying proper range practices, SCS men say.

Work in progress includes leveling and irrigation ditches at Alvis Sewall's farm six miles west of Wichita Falls; terracing on Mrs. Frances Ann Duncan's farm at Sunshine Hill; waterway shaping for Walter Peters of Electra; waterway seeding and sodding for E. W. Roderick and Gene Robertson of Burkburnett.

Coastal bermuda sodded on John Jones farm south of Iowa Parak is making rapid growth. He is applying a conservation plan through the Great Plains Conservation Program.

## Farm Bureau to Choose Queen

Wichita County Farm Bureau Queen Contest will be held at 8:00 p.m. Aug. 9 in the Methodist church fellowship hall here, according to Pres. Carl Moeller.

To be eligible, a contestant must be the daughter or sister of a Farm Bureau member actively engaged in agricultural production, and be between the ages 16 to 22. Contestants are judged on appearance, poise and personality and are required to speak approximately one minute on a subject pertaining to Farm Bureau.

Farm Bureau looks forward to sponsoring the annual contest to recognize the farm and ranch girls of Wichita county. Miss Linda Baley of Friberg-Cooper community was 1961 Queen and will be on hand to crown the new winner. Anyone desiring to enter may do so by calling the Farm Bureau office in Iowa Park, 592-5151 or coming to the office at 105 North Wall.

Earl Sargent of radio station KWFT will be master of ceremonies. Mrs. Marlin Terrell is contest chairman. She will be assisted by Mrs. Carl Moeller of Electra, Mrs. S. D. Scherff of Wichita Falls, Mrs. Imogene McLean of Burkburnett, and Mrs. Terry Brogdon of Electra.

Refreshments will be served. The public is invited.

Wichita County FB will send five to the 14th annual Texas Farm Bureau Institute, July 24-27 at the Robert Driscoll hotel in Corpus Christi. They will be Mr. and Mrs. Carl Moeller, Ed Foster jr., B. T. Haws and Mrs. Ruth Gard.

"The Institute is held each year to provide training for county FB leaders so they can be more effective in fulfilling their responsibilities," said President Moeller. In addition to specific training for leadership in Farm Bureau, there will be general assembly sessions devoted to citizenship responsibilities and understanding of economics, Moeller said.

## SAFETY HAS TO BE CULTIVATED, TOO!

NATIONAL FARM SAFETY WEEK July 22-28, 1962

Drawn by Texas Farm & Ranch Safety Council by H. P. Tordella

County Judge Temple Driver has proclaimed July 22-28 as Farm Safety Week in Wichita county, according to Carl Moeller, president of the county Farm Bureau. This period will call attention to worthwhile safety practices that can reduce disabling injuries and death.

Moeller said farm people are faced with many hazards.

In his proclamation Driver said: "Accidents result in injury and death to many farm residents each year. A vigorous farm accident prevention education

program will be conducted during this week by the Farm and Ranch Safety Council, the Agricultural Extension Service, and the Farm Bureau with the theme, 'Family Safety—at Work and Play.'

Moeller said a different phase of safety will be emphasized each day during the week: Sunday, reverence for life; Monday, safety begins at home; Tuesday, agricultural chemicals; Wednesday, prevent falls; Thursday, rural highway safety; Friday, farm machinery; Saturday, recreation safety.
