Telephone Co. D on Nuisance and

Southwestern Bell Telephone Co. has declared all-out war on anonymous nuisance telephone callers.

"When the telephone becomes a source of annoyance or terror to even one customer, it is a matter of serious concern to us," said Vernon J. Allen, manager for the company.

"We are assuming responsibility for combating this problem, and we will use every available legitimate means to do so."

Allen said telephone employees are being given special training in how to counsel and aid customers who receive annoying and harassing telephone calls. And in cases involving threats to property or of bodily harm, the company's security experts will respond immediately to assist their customers and law enforcement agencies.

"Although line identification is by no means the only way, or even the most effective way, of solving most annoyance call complaints, we now have available several techniques for identifying the telephone number from which offending calls are made," Allen said. He added:

"We are assuming responsibility for combating this problem, and we will use every available legitimate means to do so."

Mrs. Lovelady Visits Her Family in France after 10 Years Absence

Mrs. Steve Lovelady, 803 Van Horn, left Dallas May 24 by air enroute to France to visit her mother, five sisters and one brother. She returned to Dallas June 7 and was met there by her family.

Her mother Mrs. Renee Caillard lives at Villeneuve St. George near Paris, and works as receptionist for a dentist.

Mrs. Lovelady was graduated from high school in Villeneuve St. George and worked in insurance agency offices before her marriage in 1947. Sgt. and Mrs. Lovelady lived in Fontainebleau, France for three years and were sent to the States in 1950. They were in Georgia for three years; then transferred back to Paris for three years.

The family moved back to the USA in 1956, and Mrs. Lovelady

had not been back to her native land until this spring. She was amazed at the construction which has taken place in the interim. Many modern buildings have been completed.

She brought back some canned snail, a French delicacy. Served as an hors d'oeuvre, members of the Lovelady family are quite fond of it. Her relatives send canned snail from time to time, and Mrs. Lovelady saves the shells.

Lovelady is a retired army man presently employed in Civil Service in the transportation department at Sheppard AFB.

They have four children: Delorse, 1966 graduate of IPHS; Randy, a ninth grade student; Joycelyn, 8th grade; Joel 5½ years of age.

Delorse and Joycelyn were born in France; Randy in Georgia; Joel in Texas.

The family attend the Christian church. Mr. Lovelady is active in Boy Scout work and is member of American Legion. His wife belongs to American Legion Auxiliary.

CARD OF THANKS since I came home.

An effort is being made to keep a complete stock of Hawks' Nest annuals. The following years are

on file: 1947-48-49-50-53. If you have annuals for other years and are willing to donate them, they will be most welcome.

Ten books have been given to the Library by Alvin Jeter, 1004 Louisa. Thank you, Mr. Jeter.

We also thank Mr. and Mrs. Namon Robertson for a large box of books.

Announcement was made of the Multi-Library meeting to be held in Henrietta at Edwards public library from 1 to 3 p.m. Tuesday. We have been asked to tell them the number who plan to go, so if you can and will, please call Mrs. Sewell.

Lois Robertson won the Queen's Crown home. Each week the member losing the most weight gets to be queen and keeps the crown until she loses it to someone else.

We are learning lots of tips on weight and muscle toning.

We still would like to have new members. The next meeting will be at 10 a.m. June 16, at 806 E. Cash.

Mrs. Clarence Weaver of Leonard visited this week with her sister Mrs. W. F. Booher and Mr. Booher. Steve, Rusty and Kelli Booher of Lubbock spent a week recently with their grandparents here.

Why fight it?

No frost.
No defrost.
With new no-frost refrigerator-freezers...

You're waging a losing battle when you have to defrost your refrigerator. You defrost—a messy, tiresome chore—then comes that frost and ice build-up again. Ice trays are hard to take out... frozen food packages stick together and labels are hard to read. But why fight it? With a new no-frost refrigerator-freezer you'll never bother with defrosting again. Frost never forms either in the refrigerator or freezer sections. See your appliance dealer soon for a no-frost refrigerator-freezer that will take the same kitchen space as your old refrigerator... and hold much more food.
