

Baird-Clyde Football Classic Here Tonight; Record Crowd Expected

By Charles Young
The Baird Bears take on the Clyde Bulldogs in a District 8B contest tonight at the Bears Den. Game time is 7:30. Clyde is undefeated in district play while the Bears have lost one. The game is a grudge battle between the two teams.

The Bulldogs defeated South Taylor last Friday night and the Bears were defeated by the Mighty Mites of Masonic Home.

The Bears are out to win this game for two reasons. The main reason is to gain top place in the District and the second is mainly to defeat the Bulldogs in the grudge.

Everyone is invited to attend and bring your noise maker. Your support of the team means that you are interested in your kids and want to see them win, so attend the game and give your support to your home team.

Mighty Mites Down Bears, 13-7 In Non-Conferences Game

By Charles Young
The Baird Bears were defeated by the Masonic Home Mighty Mites in a non-conference game played at the Bear's Den last

Friday night. It was the Bears third loss of the season. The visitors from Fort Worth scored early in the first period on an 18 yard scamper by Fullback Wesley Hicks. J. Loyd added the extra point.

The Mites last score came in the same period on a one yard plunge by Quarterback J. Evans. Loyd's kick was blocked by Bear Fullback J. E. Bullock.

In the second quarter both teams were held scoreless and then in the third period the Bears tallied on a 33 yard dash around right end by Charles Jacobs. Kyle Meadows added the extra point.

SWEET 'N SOUR

By A. DILL
The calendar says "November", but if you want to prove it, you'll have to look elsewhere than West Texas. There are wild plums and watermelons for sale in the market, and this week we saw violets blooming in Edith Bowlus' yard.

NICE-TO-SEE DEPARTMENT. Mr. and Mrs. Robert Estes attending the School Carnival last week, with a diminutive Minnie Mouse, but brown curls peeking out around the cap told us it was grand-baby Carlie Carrico. Also saw Mr. and Mrs. Ray Black and tiny daughter, Adah Maurine, dressed in a very festive clown suit, on hand for the celebration. Saw Annie V. and C. B. Snyder there, too, watching daughter, Elizabeth Ann looking her very loveliest as Sophomore Princess.

Speaking of the School Carnival—it was finer this year than ever before, and a great deal of credit goes to Mrs. Archie Nichols for this. Mrs. Nichols is a "natural" with any type of school activity for she has the "know-how" to bring harmony and cooperation to group activity, and that's the first step to the success of any undertaking.

Do you know what they're saying? Well—lots 'n lots of nice things about the Second Graders' "Imp Play" presented at the Carnival. They're saying that the youngsters were cute as buttons in their red "horned and be-tailed" suits and that their director, Mrs. John Bowlus, is an ingenious person to concoct the costume and stage the affair. Personally, we think the young lady possesses a "touch of magic" to be able to handle with such perfection forty-five seven-year old children.

Did you see the "Live Window" in celebration of National Girl Scout Week in operation? Scouts Beverly Konczak, Billye Ruth Walls, gave demonstrations in basketry, shell craft, and other activities their troops have had under study. Scouts and adult workers, too, want to say "Thank you" to the Earl Hall's for the use of the windows of their place on Market Street—it was a generous gift and well-appreciated.

Speaking of Scouts—our local council was well-represented at the 40th anniversary round-up luncheon of this area held in Coleman this week. Mrs. Frank Gardner, Mrs. Tom Barton, Mrs. Eugene Brandon, and Mrs. Gene Finley, and Mrs. S. L. McElroy all attended.

Those of you who attended the football game last Thursday had a special treat—Mrs. Sidney Foy's rhythm band in Western Costume, and marching on the field with the High School Band, won and deserved the applause of the audience.

That noise you hear isn't an atomic test, but the buttons on our vest going sky-high with pleasure. The cause of? About the nicest letter one person ever sent another came from readers of the Star away from here. They like ye olde column, and took time off from some very busy careers to say so. That's why they've gone as high in this world as they have—by taking the time to be wonderful folks along with the work they've chosen. I promised not to reveal names, but it should give you a hint when I say that they are a team of very fine educators who worked in our schools and won our hearts a few years ago. They remember Baird and Callahan County with deep affection and their many friends here know that wherever they go, they will be appreciated and loved, because they are those kind of folks (there now, Amy and Olaf, I promised not to tell, and I didn't).

And that about rounds up this week's chat, and it has seemed to devote much time to our Hal-lowe'en Carnival, please be lenient with us—you see, our heart was out there Friday night—carrying a pitchfork.

Putnam Boys, Girls Meet Clyde Teams

Putnam boys and girls met Clyde boys and girls in basketball games Tuesday night at Putnam gymnasium. Clyde girls were victorious over Putnam girls, score being 22-16. Putnam boys moved Clyde boys down to a score of 48-24. Good work boys, win more games for us. Come on girls, we are backing you in the future as much as in the past.

The Putnam basketball girls sold cake, pie and coffee at Damon's Cafe on election day, proceeds to go to their athletic fund.

Local Man Wins Promotion Award

Mrs. Margie Ray was notified recently by S. B. Berry, Commander, U. S. Navy, that her son, Billy Ray, was advanced in rating, October 15, to First Class Aviation Electronics Technician by the United States Navy.

This advancement was authorized as a result of competitive tests with a large number of men and reflects not only his technical competence but a high degree of leadership and gentlemanly conduct.

Commander Berry stated in his letter to Mrs. Ray, "We are indeed proud to have a young man of your son's calibre serve with us and to help us maintain the high efficiency and fine traditions of the United States Navy."

Billy is stationed at the U. S. Pacific Fleet Air Force, Attack Squadron Nine-five, San Francisco, California.

Harvest Festival At Cottonwood

A "Harvest Festival" will be held at the Cottonwood school building Thursday night, November 13.

Main attractions will be bingo and a grab box. Supper will be served from 5:30 p.m. to 7:30 p.m. The menu will consist of the following: Barbecued chicken, carrot and onion salad, English peas, white bread, creamed potatoes. Price per plate will be 50 cents, with drink and dessert extra.

Coffee will be on sale at 5c per cup, cocoa 5c, cake at 5c per slice and pie at 10c.

Supper will be followed by a musical program by the Polka Dot Boys. The school children will also present a program to be climaxed by the crowning of the "Harvest Queen" for which Margaret Beth Gill and Barbara Purvis are candidates.

Doors will open promptly at 5:30 p.m. Everyone is cordially invited to attend.

Callahan County Shows Record Vote. Stevenson Has Slight Margin

Holiday—Nov. 11

Next Tuesday, November 11 is Armistice Day and will be observed as a holiday in Baird.

Result of a poll taken recently by the Callahan County Luncheon Club showed a majority of business houses in Baird favored closing on that day. The First National Bank and all public offices will be closed.

The Stevenson - Sparkman Democratic ticket polled a slight margin over the Eisenhower-Nixon vote in Tuesday's general election. The final returns show Stevenson received 1504 to Eisenhower's 1431.

Texas returns, however, showed Eisenhower leading the state by some 200,000 majority when tabulations were made late Wednesday evening. Final results had not been figured at that time.

Over the nation Eisenhower had polled 31,691,542 to Stevenson's 25,501,568, which gives the general a percentage of 55.4 of votes cast.

Callahan Test Is Completed

Schkade Brothers Drilling Co. and others of Albany No. 1-B Mrs. J. B. Clemmer, Section 64, T&P Survey, wildcat 10 miles east of Abilene, in Callahan County has been completed.

Daily pumping potential was 42-36 barrels of 39 gravity oil. Production is from an open hole at 1,585-90 feet, pay section topped at 1,575 feet. The well was treated with 1,500 gallons of acid.

Southern California Petroleum Corp. No. 2 Andrew Johnson is to be drilled in the Southeast Oplin Elenburger Field, five and one-half miles southeast of Oplin.

Drill site is on a 320 acre lease. Slated for 4,300 feet with rotary, location is 467 feet from the north and west lines of the northeast quarter in Section 118, GH&H Survey.

It is 934 feet east of No. 1 Johnson, recent Elenburger discovery. This will make the second project for the field.

Boy Scout Drive Nets \$335.00

Final report of the recent finance drive for local Boy Scouts was reported this week to be \$335.00.

With the assistance of Bob Hurst, field representative, Abilene, local Scouting is being re-organized and committees are being named.

Eddie Bullock is chairman of the Baird group.

Gen. Dwight D. Eisenhower and Senator Richard M. Nixon won the World's highest offices by an overwhelming majority in Tuesday's election when the Republican candidates amassed a total of 422 electoral votes to 86 for the Democratic Stevenson and Sparkman.

For the first time since 1928 when Herbert Hoover was swept into office, a Republican family will occupy the Presidential residence in Washington.

THANKS WORKERS

Dwight D. Eisenhower stood there, solemn and unsmiling, holding a piece of paper in his right hand early today.

He looked a little tired. The deep crease that cuts across his nose, between the eyes, is an un-fading mark of deep feeling. He stared into the hot, blue-white light pouring down on him and gestured—a small, almost help-less gesture—toward the crowd in front of him. It was a long moment before he could speak.

The people in the Hotel Commodore's big ballroom were frantic with delight and excitement. Some were standing on chairs. Some were throwing confetti, made from torn tally sheets, into the air. Others were embracing each other. The hoarse cries and the shrieking and screaming swelled into a frenzy.

Eisenhower tried again. Then, through the din, he began to speak.

"I am indeed as humbled as I am proud," he said.

He looked straight out across the great throng.

In this moment of supreme victory, there was little expression on his face. The famous flashing smile and the animation were gone. He frowned again.

With his first words, the deafening roar subsided, and then collapsed entirely.

First he read a telegram of congratulations from Gov. Adlai E. Stevenson. Then he read his reply.

"I thank you for your courteous and generous message. Recognizing the intensity of the difficulties that lie ahead, it is

Mother of Abilene Residents Succumbs

Mrs. F. M. Short, 77, pioneer Callahan County resident, died at 5:15 a.m. Monday at her residence at 250 Pine Street, after a long illness. She had lived in Abilene for the last two years after residing in Callahan County for 60 years.

Funeral was held at 2 p.m. Wednesday at the Baptist Church in the Putnam Cemetery.

She was born Ruthie Carrie Nichols at Fort Smith, Ark., March 8, 1875. She was a member of the Fundamental Baptist Church.

Wylie Funeral Home of Baird and Putnam was in charge of arrangements.

She is survived by two daughters, Mrs. Burri Reed of Abilene, and Mrs. L. C. Simpson, "Cisco"; two sons, Oscar Short of Andrews, and Zeari of Abilene; one brother, C. L. Nichols of Ada, Okla.; nine grand- and nine great-grand children.

23 Clear Days

First 'Dry' October in History Ends

This area Friday finished its first completely dry October on record. Never before has the month gone by without at least a trace of rain.

"We've had perfect harvest weather, with nothing to harvest," the Abilene weatherman said Saturday.

Temperatures for the month averaged 63.6 degrees, a half degree but normal. Average maximum temperature was 73.5 degrees, and average minimum was 48.7.

Highest temperature was 92, on October 13. Lowest was 35, on October 29.

The month saw 23 clear days, five partly cloudy, and three were cloudy. Practically all of the cloudiness was of the high thin variety which was present Saturday morning.

"In fact, the nearest we got to rain was on October 5, when we could see some distant lightning," the weather observer said.

Wind velocity for the month was a little below normal at 10.5 miles per hour. Prevailing direction was southerly.

Total rainfall for the year to date is 9.71 inches, which is 12.77 inches below the normal of 22.48 inches for the first ten months of the year.

Welcome Rainfall Settles Dust

Baird's first rainfall since mid-September descended Tuesday night with approximately three-fourths of an inch being recorded here.

Heavy showers fell between 9 p.m. and midnight. The reports of rain throughout West Texas were as eagerly awaited as the election returns of Tuesday night.

Rainfall at Clyde was reported as .70 inches between 6 p.m. and midnight.

Other Callahan areas reported from .25 to .75 inches.

The 1952 Christmas Seal Campaign Schedule Here For November 17

The red Double-Barred Cross, which is featured with a lighted candle on the 1952 Christmas Seal, is today a half century old as the international symbol of the war against tuberculosis.

Mrs. C. H. Siadous, county Seal Sale Chairman, pointed out today in an interview at Seal Sale headquarters in Baird.

Callahan County residents will have a chance to see the new Seal on November 17, the opening day of the campaign, when sheets of Christmas Seals will be delivered to homes throughout the county.

Proceeds from the 1952 Christmas Seal Sale, which will continue until Christmas Day, will be used for the 1953 tuberculosis control work of the Callahan County Tuberculosis Association.

"The use of the red Double-Barred Cross, an adaptation of the historic Cross of Lorraine, as an emblem of the modern crusade against tuberculosis, was first proposed and unanimously accepted on October 23, 1902," Mrs. Siadous said.

"The proposal was made during the first international conference on tuberculosis in Berlin, where medical and lay leaders from 20 nations including the United States, met to join forces against TB, then the leading cause of death in many nations.

Tuberculosis has been forced down from first to sixth as the cause of death in this country since then, but TB is still the leading disease killer among young people in this country between 15 and 35.

On May 17, 1906 the National Tuberculosis Association made the red Double-Barred Cross its official emblem and in 1920 the NTA officially registered the symbol as its trademark. The Double-Barred Cross is also the insignia of the 3,000 associations affiliated with the NTA, including the Callahan County Tuberculosis Association.

"Regardless of the general design of the Christmas Seal," Mrs. Siadous pointed out, "the red Double-Barred Cross appears on it each year, assuring those who purchase Seals that they are contributing to the support of an organization dedicated to fighting tuberculosis. The Cross on this year's Seal is unusually prominent, covering roughly about half the Seal."

A brightly lighted candle in an old-fashioned, brass candlestick, the Seal's second feature, glows slightly to the right of the international symbol, with both Cross and candle standing out against a green background.

"This year's Seal will make the familiar insignia of the ceaseless war against tuberculosis better known than ever before," Mrs. Siadous concluded. "It will point out the fact that under the emblem of the red Double-Barred Cross, tuberculosis associations in this country and throughout the world will fight TB until the disease is no longer a threat to our nation or to any nation in the world."

"We are determined to pursue the battle with ever-increasing vigor. TB kills an estimated 5,000 people in the world each year—about 34,000 annually in this country alone.

"Every one of us can join in the battle against tuberculosis. Every one of us can buy and use Christmas Seals which support work designed to rid this community and this nation of the disease."

Mrs. George Simons, of Okmulgee, Oklahoma, who has been visiting her sisters, Mrs. B. L. Boystun and Mrs. H. D. Driskill for the past ten days, left for Dallas Wednesday, accompanied by Mrs. Boystun. Mrs. Simons will return to her home in Okmulgee, after a short stay in Dallas.

World Famous Bel Canto Chorus To Appear Here November 16

The nationally famous Bel Canto Chorus of Boles Orphan Home, Quinlan, Texas, will be presented at the Church of Christ, located at Baird, at 3 o'clock November 16.

This summer the Bel Canto Chorus, accompanied by their Counsellors, was engaged in its third national tour embracing many states and Canada. The chorus was officially organized in 1949, and since that time, has traveled extensively throughout the year, and intensively each summer, singing its way into the hearts of thousands of people all over the nation.

These young people are highly trained and skilled in discipline, vocal accomplishment, travel and public relations. They travel in their own commercial bus donated by the Continental Trailways Company, Dallas, Texas.

Their program includes songs of praise and devotion, familiar and well-loved hymns, and spiritual selections. The Bel Canto Chorus is directed by Paul Robert Oler, 15 year old son of Gayle Oler, Superintendent of Boles Home. Tex Williams, Director

of Public Relations and Manager of the Chorus, will give highlights of the program and purposes of Boles Home.

Boles Home is located approximately 50 miles east of Dallas, Texas, and is now caring for 285 dependent boys and girls. With a farm comprising 2,350 acres, a public school located on its own campus, and a college plan whereby students are enabled to attend college after graduation from high school, Boles Home young people are enabled to live well balanced and worthwhile lives in preparation for capable maturity.

The Baird Church of Christ extends a very cordial invitation to everyone to attend the concert, and to enjoy the inspirational program.

Tarleton Plans Big Homecoming

STEPHENVILLE—A two-day homecoming celebration at Tarleton State College here has been set for November 21-22.

A huge bonfire and pep rally on the Tarleton campus Friday night, November 21, will kick off activities. Saturday's program calls for a parade, football game, ex-students dinner, and dance. Clubs on the campus will honor their ex-members with a Sunday morning breakfast.

The parade line, to form at 10 a.m., will include the college band, cadet corps, high school bands, the National Guard, boy scouts, girl scouts, decorated cars, and floats.

The Tarleton State-Arlington State football game has been scheduled for 2 p.m. In half-time ceremonies a Tarleton cad will be crowned homecoming queen. After the game in traditional ceremony, the silver bugle will be awarded the winning team.

Miss May Jones, homecoming chairman and secretary of the ex-students association, will register ex-students in the college recreation hall Saturday morning. They will be the guests of the Tarleton Student Council at a dance Saturday night, and Col. Earl Ruddre, former Plowboy star and head coach, will address the ex-students at a dinner in the college dining hall at 6:30 p.m. Saturday.

Miss Louise Kelly of the Wichita Falls Senior High is serving this year as general chairman of the workshop. Counties which make up District VII of T.S.T.A. and from which representatives are expected to attend the workshop include Archer, Baylor, Callahan, Clay, Eastland, Fisher, Foard, Hardeman, Haskell, Jack, Jones, Knox, Mitchell, Montague, Nolan, Seury, Shackelford, Stephens, Stonewall, Taylor, Throckmorton, Wichita, Wilbarger and Young.

Representatives this year will hear Dr. Cathburn O'Neal, professor of English at Arlington State College, as luncheon speaker.

In addition, a program is being prepared by Dr. Madge Davis, chairman of the department of English and Journalism at Midwestern University, which will include several other teachers from District VII, each of whom will discuss a particular phase of teaching. They include Mrs. E. B. Nutter of Henrietta, Emma Jo McBride of Stamford, Mrs. Katherine Marshall of Quanah, Mrs. Selma Bishop of Abilene, Mrs. Hal Hunter of Ranger Junior College at Ranger and several other teachers of English.

Princess and Prince were Nelda Mae Culpepper and J. L. Davis. Both are fifth graders. Miss Maxine Scott of Abilene visited her daddy, L. Scott, Sunday.

North Texas English Teachers To Meet

Teachers of English from throughout a 24-county area of North Texas will meet at Midwestern University in Wichita Falls November 8 to discuss common problems at a one-day workshop.

The fifth annual workshop, sponsored jointly by the English Section of Texas State Teachers Association and Texas Conference of College Teachers of English, is designed to foster understanding between teachers of English through all levels of educational training.

The one-day workshop meetings bring together teachers who study each other's problems and work toward an integration of teaching of English in the public schools and in colleges and universities.

Representatives this year will hear Dr. Cathburn O'Neal, professor of English at Arlington State College, as luncheon speaker.

ACC Basketball Season Opens December 4

ABILENE—A grueling 27-game basketball schedule for the 1952-53 season has been announced for the Abilene Christian Wildcats.

Wildcat cagers are working in earnest for their opener here December 4 with Midwestern.

The game will launch A. B. (Bugs) Morris' 26th active season as head coach. And if you count the three years he spent in the Navy during World War II, this coming season will be his 29th—probably the longest tenure of any basketball coach in Texas.

Lack of height and rugged competition—particularly inside the Texas Conference—some-what dims hopes for a Wildcat championship. Last year ACC shared the crown three ways with Howard Payne and McMurry. In the 1947-48, 1948-49 and 1949-50 seasons, the Wildcats notched three straight conference titles without losing a conference game.

Coach Morris figures Howard Payne and McMurry ought to be ranked top contenders for the conference title on the basis of their returning material with Austin College and ACC close behind.

The Wildcats lost only two of last year's 11 lettermen—Forward Harold Thomas and Guard Kenyon Hicks. Thomas, ace rebound man, was graduated, and Hicks withdrew from college.

Lettermen returning are Centers Virgil Bennett and James Cobb, Forwards Bill Johnson, Rex Bennett, Harold Woosley and Tommy Morris and Guards Warlick Thomas, James Brown and Gordon Cockerham.

Bennett, Cobb and Morris will get late starts on the hardwood because they are members of the Wildcat football team. The season doesn't end until November 27—exactly a week from the Midwestern curtain-raiser.

Following is the Wildcat schedule:

Dec. 4, Midwestern, home; Dec. 9, Wayland, home; Dec. 12, TCU, away; Dec. 16, Howard Payne, home; Dec. 19-20, Texas A.&I., away; and Dec. 28-29-30, Sunshine Tournament, Portales, N. M.

Jan. 8, Wayland, away; Jan. 12-13, Southwest Texas State, home; Jan. 16-17, Austin College, home; Jan. 30-31, Texas A.&I., home; Feb. 5, Midwestern, away; Feb. 7, Howard Payne, home; Feb. 9, TCU, home; Feb. 13-14, McMurry, home; Feb. 17, Howard Payne, away; Feb. 23-24, Austin College, away; March 2-3, McMurry, home; and March 6, Howard Payne, away.

All four ACC-McMurry games will be played in Rose Field House on the Hardin-Simmons University campus.

CITATION BY PUBLICATION

THE STATE OF TEXAS

To: Donald F. Underwood Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court 42nd Judicial of Callahan County at the Court House thereof, in Baird, Texas, at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 2nd day of December A. D. 1952, then and there to answer Plaintiff's Petition filed in said Court, on the 8th day of October A. D. 1952, in this cause, numbered 10812 on the docket of said court and styled R. T. Wilson Plaintiff, vs. Donald F. Underwood Defendant.

A brief statement of the nature of this suit is as follows, to wit:

Suit on Promissory Note, bearing date of April 3, 1950, payable to M. O. Brown and wife, Lillie Belle Brown, and being signed by Donald T. Underwood, due twelve (12) months after date in the principal sum of Two Hundred Dollars (\$200.00), with interest at the rate of eight per cent (8%) per annum, principal and interest payable at Cross Plains, Texas, the same having been transferred for valuable consideration to R. T. Wilson. Said note being secured by Vendor's Lien on Lots 9 and 10, Block 1, Central Addition to the town of Cross Plains, Callahan County, Texas. Said note further provides for ten per cent (10%) interest after maturity and ten per cent (10%) attorneys fee if suit is brought on the same as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Baird, Texas this 21st day of October A. D. 1952.

Attest:
Mrs. Corrie Driskill, Clerk,
District Court, Callahan County, Texas.

A WORD WE MUST SELL

The founder of the chain store system which bears his name, J. C. Penney, recently said in the course of a speech, "There are all sorts of statistics that can be put together to show the extent of our achievements. But they cannot be put together to prove what their users say they prove—that the quality of salesmanship is proved by our abundance."

"These statistics prove no such thing. The fact that we have these conveniences in greatest abundance proves only the greatness of our people—and the prosperity that comes to a free people."

A little later on during his talk, Mr. Penney said: "We are going to have to sell a word. It is a word called Freedom."

We Americans have every right to be proud of our material achievements. Our farms and factories produce goods in quantities and of qualities unknown in most of the rest of the world. Our retail stores are loaded not only with the necessities, but with a wealth of wares which would seem like utter luxuries to other peoples. Our American standard of living is unrivalled.

All this is to the good. But, as Mr. Penney pointed out, we tend to lose sight of the main cause of it. And that cause is freedom: freedom to work, freedom to own property, freedom to follow the dictates of our own conscience and ambition, freedom to take chances, freedom to be an individual in the fullest meaning of the term—above all, freedom from the tyranny of a totalitarian state. That freedom was our heritage. But we can keep it only if we guard it, nurture it, and dedicate ourselves to its perpetuation.

Yes, that is the word we must sell — the word **FREEDOM**.

Girl Scouts To Have Finance Drive Soon

The Girl Scouts of Baird have set as their goal for their finance drive \$450.00. It is essential for the organization to reach this goal in order to have enough funds to operate throughout the year. We hope that every civic minded person will be as generous as possible in order that we can provide for the younger girls in Baird an organization that will help them grow, individually, into self-reliant, useful and democratic citizens in our community.

A portion of the funds derived from this drive will be paid into the Heart of Texas Area Girl Scout Council, Inc., of which Baird is an associate member. 80% of the funds paid into the Area comes right back into Baird through personal visits of the professional workers who provide the following services while in our community:

Training, given right here in Baird, in all phases of Girl Scout work for all adults (leaders, troop committee members, and board members) in Girl Scouting;

Help with troop organization; Help with planning community-wide program for all troops;

Help with planning the local camping program and training the adults who carry out this program;

Help with public relations and the promotion of Girl Scouting within our community (newspaper mats and materials are provided with this service)

Visits with local troops to help individual leaders with problems and planning;

The balance (20%) of the money paid into the Area Council goes to provide the following services:

Helps maintain the Area Office which employs a full-time secretary;

Pays for the cost of training materials (which are mimeographed in the Area Office);

Publications which are given free to new leaders and board members;

Correspondence which gives

prompt guidance on all phases of the Girl Scout job in our community;

Registration supplies for troops and board members; Materials for all committees on local Girl Scout board which help them carry out their functional jobs;

Defrays the cost of providing an Area Established Camp every summer for all girls, 10 years old or over, who wish to attend;

The "Scout Shout" which is sent every other month to every adult registered in the Area Office, is a 4 to 7 page mimeographed publication that gives help on all phases of Girl Scout work and provides ideas for community-wide and troop program.

The allocation of the funds paid into the Area Council is in the hands of a volunteer Area Board which is made up of 14 persons from nine communities within the 16 county area. This Area Board is responsible for planning and administering Girl Scouting for the benefit of all girls within the 16 counties. They devote much of their time to working out a budget that will be fair to all communities and seeing that girls in small communities have the same opportunities through Girl Scouting that girls in larger communities have.

The portion of the funds derived from this drive that remain, from the beginning, in the local budget pays for the following:

Setting up and carrying out a local camping program;

Program publications and record books for all leaders and assistant leaders.

Community-wide program for all troops;

Special public relations projects within our community;

Defrays expenses incurred by leaders attending special training courses held in some other community;

Expansion of the Girl Scout program within our community.

These funds are allocated by the local volunteer board. This board is interested in doing everything possible to provide good Girl Scouting for girls in Baird.

The members of the Board of the Baird Girl Scout Association are:

Mrs. A. A. Manion, President; Mrs. E. R. Konczak, Vice-President; Mrs. Buster Hatchett, Secretary and Registrar; Mrs. Herbie Martin, Program Chairman; Mrs. Atrell Dill, Public Relations Chairman; Mrs. Morgan Stokes, Organization Chairman; Mr. Frank Gardner, Finance Chairman; Mrs. Clark Edwards, Camp Chairman; Mrs. Frank Gardner, Nominating-Membership Chairman; Mrs. R. A. Webster and Mr. George Morgan, members of Nominating-Membership Committee.

The design of the Christmas Seal which is sold throughout the United States to raise money for the war of the voluntary associations on tuberculosis changes every year. This year it features a glowing candle against a green background and the red Double-Barred Cross, insignia of the world-wide fight against TB.

The "ears" of a newspaper are the top corners on the front page to the right and left of the name.

"THE TUMULT AND THE SHOUTING DIE"

United Nations Day Observed at Clyde

"United Nation's Day" was observed by the Clyde Thursday Club in program October 23rd on "Need for a Strong America." The club met in the ranch home of Mrs. John Berry. Garden flowers gave the home an autumn air. The mantle arrangements were Peace roses and pastel zinnias. While the refreshment table was centered with red roses and zinnias in a gray bowl laid on a linen punch-work center piece cloth, other linen, china and silver completed the appointments for serving a refreshment plate of finger cakes and coffee. Presiding at the silver coffee service was Mrs. Weldon Edwards.

Five guests enjoyed the Club meeting with us: Mrs. L. L. Blackburn, Mrs. A. E. Dyer, Mrs. Allen Ater, Mrs. K. C. McCasland, all of Baird and Mrs. Wallace Johnson of Clyde. Club members present for roll call were: Mrs. Grady Barr, Mrs. W. A. Cook, Mrs. Edwards, Mrs. A. C. Forester, Mrs. H. W. Gaston, Mrs. E. M. Parks, Mrs. P. H. Patton, Mrs. Banton Scott, Mrs. Paul Shanks, Mrs. J. C. Snow, Mrs. Ben Wilson, Mrs. Jewel Swanz, Alda Nordyke and the hostess.

Mrs. Patton, president, gave a report of the Thursday Club donation to Austrian Aid. This was delivered to the 6th District meeting she and Mrs. Berry attended October 20th in Abilene. They gave a joint report of the board meeting.

Other items of important business were "Get-Out-the-Vote," voting on an "Outstanding Woman" of our community who will be featured on a KRBC program soon.

Mrs. Patton was named delegate to TFWC convention November 10-13, Mrs. Berry alternate.

H-SU Rodeo Team Wins at Huntsville

The Hardin-Simmons University rodeo team returned home over the weekend after winning the first intercollegiate rodeo championship of the season Saturday at Sam Houston State College in Huntsville.

The Cowboys picked up 399 points at the second annual rodeo of the Huntsville school, which will count in the National Intercollegiate Rodeo point awards.

Sul Ross College was second with 334.5 points.

Tex Martin, Sul Ross, was named the all-around champ with 144 points to his credit. Bill Teague of H-SU was runner-up with 141 points.

The bareback riding contest was won by Dick Barret of Hardin-Simmons. He is president of the National Intercollegiate Fodeo Association.

Another Cowboy, Joe Chase, National saddle bronc riding champion, won third in the bronc riding contest; Gene Frazier took fourth in bulldogging and sixth in calf roping; James Mickler, third in bareback riding; Bill Teague, second in calf roping, fourth in bareback riding, and fifth in ribbon roping.

Masonic Oldsters To Give Program

The Abilene Masonic Lodge, No. 559, will sponsor a variety musical and comedy show to be presented by four members of the Old Folks Home of Arlington in the High School Auditorium at 8 p.m. Friday.

All four of the members are "oldsters." Their ages range from 75 to 90. The 90-year-old plays the bass violin. The musical group is well-known throughout the nation.

The public is invited to attend the variety show and there is no admission charge. A special invitation is extended from the Abilene lodge to all Masonic Lodges and Masons in the state, J. M. Martin, chairman of the program committee, said.

Texas Land Prices Reach Peak in 1951

COLLEGE STATION — Land prices in Texas reached a new peak in 1951.

The State average jumped from \$49.95 in 1950 to \$62.15 in 1951, the report of the agricultural experiment station of Texas A&M College showed.

The report noted that Texas voters had approved a constitutional amendment to furnish a revolving fund of 100 million dollars to enable veterans to buy farms at low, long-term interest rates.

The program started in 1950 with 25 million dollars.

The report said: "If these additional funds should be loaned at a rate equivalent to that of the first 25 millions, the veterans program would become the dominant factor in the land market in many areas, if not in the state as a whole. The consequences could only be inflationary in a market which is already booming."

Increased land prices in 1951 were attributed to the high price of cotton, together with the pre-season removal of acreage, allotments, and greatly expanded activity in oil and gas leasing and development.

Prices went up in all but two of the State's 17 major type-of-farming areas. In the Grand Prairie area the average price dropped 13 per cent and in the high plains and trans-Pecos grazing area a decrease of 22 per cent occurred.

The report said drought conditions probably influenced prices in both areas.

Prices went up the most in the north-central grazing area, with an increase of 65 per cent. The coast prairie registered a 61 per cent increase; the Edwards Plateau and central basin, 46 per cent, and the Rio Grande plain 31 per cent.

It was not until a cigaret manufacturer started adding about ten per cent sugar to tobacco that cigarets became popular. In curing tobacco, almost all of the native sugar in the leaf is removed. The job that sugar does in tobacco is to enhance moisture and serve as combustible material. In the process, it blends protein and chemicals in tobacco as they burn so that a mild and pleasant acid smoke can be drawn into the mouth. At the light end, the smoke is alkaline, harsh and irritating.

Observance of American Art Week Sponsored by American Artists League

The people of Putnam and Callahan County are well aware of local talent in painting and crafts, for on Monday, November 3, 1952, open house was held at the Methodist Church in Putnam from 10 a. m. to 5 p. m. with the members of the Woman's Study Club as hostesses.

All professional and non-professional artists of the county were invited to participate. Response came from Cross Plains, Baird, Putnam and Scranton. Eighteen artists were represented by fifty pictures, and three tables of beautiful ceramics, of vases, figurines, powder boxes, etc.

The pictures were done in oil, the subjects varied from western to beautiful floral and fruit arrangements, an original of a copy of "Christ at the Tomb," another group of portraits done in oil, painted by our local Art teacher, Mrs. Fred Tunnell of Cross Plains, were greatly admired.

An added interest was the entries of freehand drawing from the Putnam school. High School had one entry done by Ray Green. Fifth and sixth grades contributed eight drawings done in water color and crayola, "The Puritans," painted by Elsie West, won first place and "The Thanksgiving Turkey," painted by Doris Clark took second place. The third and fourth grades had a group of six drawings, Jim Bob Moore won first and Radolfo Mendez, second place. In the first and second

grades with six drawings entered, Linda Isenhower won first place. An award was given the winner for his or her contribution.

The entire school, with the teachers, visited the exhibit during their noon hour.

Mmes. R. D. Williams, Douglas Fry served punch, cookies, nuts and hard candies from the table laid with a beautiful cut-work cloth over yellow, the centerpiece, a miniature of "The Lady and the Painter," bordered with mums.

Miss Betty Mobley, Art chairman, was assisted by club members. Mrs. R. B. Taylor, president, greeted guests. Seventy-five registered from Cisco, Clyde Moran, Cross Plains, Abilene and Putnam, there were fifty or more from the Putnam school.

The public is invited to visit "The Art Shack," in Northeast Putnam, on any Tuesday to see the group at work, in preparation for next year's Art Exhibit for American Art Week Observance, under the guidance of Mrs. Tunnell.

Delphian Club Presents Musical Artists In Welcoming New Baird Residents

One of the outstanding events of the Federated Women's club year took place Tuesday evening, October 28, at The First Methodist Church, when the Delphian Chapter entertained newcomers to Baird, and other Federated Clubs with a musical program, on which appeared Mrs. Mary Sandefur Springer, soprano, of San Antonio, and her accompanist, Mrs. Marjorie Freis of Victoria.

Guests were greeted by Mrs. C. B. Snyder, Jr., Chairman of the Program Committee and Mrs. E. C. Fulton, President of the Club. Mrs. Carroll McGowen registered the visitors, who were invited to the dining room by Mrs. Bob Norrell.

The refreshment table was laid with brown lace cloth, centered with an arrangement of yellow chrysanthemums, lighted by green candles. Mmes. L. C. Cash and Tee Baulch, Vice-presidents of the Club, poured punch from crystal bowls at each end of the table.

Guests then entered the auditorium where Mrs. E. C. Fulton called the meeting to order. Mrs. M. L. Stubblefield gave the invocation after which Mrs. Fulton gave a short welcoming address and recognized the newcomers to Baird, and visiting Federation dignitaries from out-of-town.

Mrs. W. P. Brightwell, State Chairman of Projects, introduced Mrs. Springer and Mrs. Freis. Mrs. Springer sang four groups of songs, including arias, religious, patriotic, semi classical, presenting them in six different languages: German, Italian, French, Hawaiian, Japanese and English. She is a talented singer with a wide range and beautiful tonal quality. Mrs. Freis' accompaniment was skilled and her piano solo showed her an accomplished musician.

Newcomers present were: Mr. and Mrs. Clyde Latimer, Mr. and Mrs. Glenn Green, Mr. and Mrs. C. R. Howell, Mr. and Mrs. Fabian Bearden and Mr. and Mrs. P. B. Scott.

Federated Club dignitaries present were: Mrs. L. E. Dudley, State Vice President, Mrs. J. F. Boren, Sixth District President, Mrs. Hart Shumacher, Abilene Women's Club President, Miss Eudora Hawkins, Sixth District Program Chairman, Mrs. S. L. McElroy, State Conservation Chairman and Mrs. Carroll McGowen, District Speech Consultant.

Texas Federation of Women's Clubs To Convene at Austin November 10-13

WORTHAM—"What Are You For?" will be the theme set by Mrs. Van Hook Stubbs, president of the Texas Federation of Women's Clubs, for their 55th annual convention November 10-13 in Austin.

This year's state convention of Texas' 50,000 clubwomen will be a homecoming, held at their federation headquarters with 600 delegates expected to attend.

Monday's opening activities feature a Fine Arts Festival the first night at 8 o'clock, followed by an open house. The Fine Arts department will hold the program, which includes exhibits of antiques, prize paintings from district competitions, a special show of oils by a guest artist, Don Brown of Centenary College at Shreveport, light opera numbers by Mr. and Mrs. Scott Griffiths of Ft. Worth, and A. & M.'s Singing Cadets.

Robert Montgomery, well-known Hollywood actor and speaker, has tentatively accepted an invitation to present "A Free Man's Manifesto" on the evening program.

Pre-convention events begin Monday morning at 9 with an executive committee meeting and include trustees meeting at 10 and districts presidents meeting at 11 o'clock.

The state board of directors meet at 2 o'clock. Two past state presidents, Mrs. Richard J. Turrentine and Mrs. J. W. Fincher, will be among clubwomen honored in the "In Memoriam" service set for 3:30 Monday. That night's formal dinner for the state board of directors will be held in the Georgian tea room at headquarters. Tuesday morning schedules the first business session of the four-day convention with the keynote address, state officers, convention committees, General Federation board members, and past state presidents due to be heard.

Officers for 1952-1953 include Mrs. Stubbs, president; Mrs. L. E. Dudley, Abilene, first vice-president; Mrs. Ben W. Boyd, Denton, Mrs. A. J. House, Yoakum, and Mrs. W. E. Cantrell, Lometa, regional vice-president; Mrs. D. L. C. Kinard, Memphis, secretary; Mrs. Howard Gardner, Beaumont, treasurer; Mrs. C. D. Kelley, Groesbeck, budget chairman; Mrs. J. Howard Hodge, Midland, chairman trustees; Mrs. M. P. McGee, Marshall, parliamentary.

Miss Earlene West of Dallas visited relatives and friends here over the weekend.

With Atrell
November finds two months of school completed for Baird youngsters, and two very busy and profitable months they have been, too.

Miss Sibil Myers' First Graders, at two months, are a far cry from the inexperienced kiddies who enrolled for the first time in September. They understand class and playground conduct, they can read, write, and count, and that's a big step for six year olds. First Graders are remembering with pride how pretty their little princess, Carol Lynn McGowen in powder blue full-skirted dress, and their handsome young prince, Randy Howell, won applause at the Halloween Carnival this week.

Mrs. John Bowlus' Second Graders can take inventory of a successful two months' work, too. They are well into second grade readers now, can write in long hand, and are into advanced work in Arithmetic. They have brought to a conclusion their Breakfast unit in Health work, and have completed a highly interesting "Early Bird" game in connection with a study of proper foods. Order of the day now is "Inspection Patrol" which stresses cleanliness habits, tooth-brushing charts have been issued, and to interest children even more in this point of personal hygiene, their very thoughtful teacher has given each child a tiny sample size of Ipana tooth paste, given through the Bristol Myers Company. Second Graders were well represented at the School Carnival last week. The class presented a rhythmic activity in costume, and their princess, petite Ann Barton, in bouffant white net gown with striking red bodice, and fine prince, Calvin Barnes, were standouts in the Coronation Ceremony.

Mrs. Ross' Third Graders are a lively class, as you could tell by the applause that greeted their princess, Dorothy McKinley, and her escort, good-looking Mickey Fugitt. It was a great night for Third Graders. Library activity is increasing in the Third Grade, and their teacher reports that reading ability is improving accordingly. Mrs.

Ross is strong on the point of Literature appreciation, and it stands to reason that when reading is done for pleasure, it is done well.

Miss Grimes' Fourth Graders were a special attraction at the Carnival Friday night in their spook costumes, and masks, which they styled themselves of paper masks and poster colors. Fourth grade princess, Patsy Work, never looked prettier than Friday night, with her formal gown swishing and her butterfly hair shining in the subdued lights. Lynn Payne was her very princely partner!

Mrs. Hall's Fifth Grade certainly deserves special mention—not only were they also in spook costume and took part in the festivities, but Fifth Graders helped to make the Carnival a huge success with their work with the Decorating Committee. We should especially thank Beverly, Curtiss, Anna Schaffrina, Angelina Lopez, LeVonne Meadows, Linda Bryant, and Virginia Barnes, for their work. It has been said that children reflect their parents, their homes, and their teachers, and these girls are certainly a group that their parents and teachers can be proud of. If you could have seen these little girls pitch in and make paper cut-outs for decoration, follow suggestions to perfection, and leave their working places as neat and clean as a pin, you wouldn't wonder that High School teachers complimented them and the wonderful way their teacher is giving her children self-reliance and teaching them conduct many adults could copy. The ability of these Fifth Graders has certainly been the talk of the school. The Fifth Grade, by the way, has gained two new students — Mary Rose Torres, and Patricia Joy, bringing the room total to thirty-two. And we couldn't complete the Fifth Grade news without a word of compliment to their coronation representatives, lovely Sharon Gilmore and Ray Lee Beasley, who did a fine job as Prince and Princess.

Mrs. Webster's class is still telling folks how proud they were of their Princess Sherry Fugitt and Prince Gary Gilliland, and they aren't alone in their affection for there were many admiring glances for the attractive youngsters. Mrs. Webster's class is also busy planning a program to be presented to the school, and knowing Mrs. Webster and the Sixth Grade, we know it will be well done.

Mrs. Ivey's Seventh Grade plays Friday—a Fire Prevention play, and a Hallowe'en pantomime narrated by Artie Mae Stokes, were exceptionally good. We enjoyed them immensely. Particularly we want to compliment Martha Fayne Payne on a difficult role well done, and all of the children who did such fine work. Seventh Graders lost one student this week—Virginia Ray Hatten, and the farewells were tearful, for Virginia is a good student and well-loved. Seventh Graders gained a new pupil this week, and welcomed Damron Spence, son of M. L. Spence, to their ranks. Seventh and Eighth Graders are starting work on Basketball this week, but it's too early to make any predictions about the Junior possibilities. By the way, we heard this comment from a High School student last week—"Wish I could be in Elementary school again, just to go through Mrs. Ivey's class once more." That speaks volumes for that teacher, don't you think?

And this school report wouldn't be complete without mention of the highly enjoyable finger paint and crayon demonstration given the children by a representative of Milton-Bradley products from The American Desk Company in Temple, Texas. As an added item to the program, a crayon sketch of one of the children was done — Mary Ross posed for this one, and the audience was delighted. In fact, the entire program was well received by teachers and students alike.

First Baptist Church Notes

Rev. Riley Fugitt returned home Monday from Temple, Okla., where he has been in a revival.

The members of First Baptist Church are very happy over the way the new educational building is going up. We hope to be in some of the Sunday School rooms very soon.

The volunteer laborers are to be highly commended for their help.

Rev. David Whitaker, associate pastor of First Baptist Church, brought the messages at both worship services Sunday in absence of pastor. Edd Wiggins, H.S.U., directed the music. Junior Choir—Attention!!!

All Juniors are invited to attend choir practice each Wednesday at 6 p.m. First Baptist Church, Rev. David Whitaker, director.

Ladies of First Baptist Church are urged to attend the W.M.U. each Monday at 3 p.m.

Leader Class Elects Officers

The Leader Class of the Methodist Church took a little time from their class on October 19 to elect the teacher and officers for another year.

Mrs. M. L. Stubblefield was re-elected teacher with Mrs. J. M. Reynolds as substitute. Mrs. Bob Norrell was re-elected president and Mrs. W. A. Fetterly, secretary-treasurer. This is the only chartered class in the church.

The members of this class are planning on having their annual Christmas dinner early this year.

Mrs. Martie Webb Is Laid To Rest

Mrs. Martie N. Webb, age 82, passed away Saturday morning at 4:30 at the home of her son, Edmund.

Mrs. Webb was born in Alabama and came to Texas when she was 22 years old. She came to Baird and was a dressmaker in B. L. Boydston's Dry Goods store.

She was married to Samuel E. Webb March 7, 1892, in the Methodist Church in Baird.

They made their home here until the children were grown, then moved to a farm 3 1/2 miles northwest of Baird where her husband preceded her in death October 1, 1932.

She lived on the farm and kept house, with the exception of visits she made to Amarillo to visit her daughter, Elizabeth, and to El Paso, to visit her son, Frank.

She became ill Thursday of last week and came to the home of her son, Edmund, where the angels called her to her heavenly home. She lived a useful and consecrated life and was loved by all who knew her.

We shall miss her, but we know that she has gone on before and will be there to welcome her loved ones and friends to "that home not made with hands eternal in the heavens."

Survivors are her children, Edmund of Baird, Elizabeth of Amarillo and Frank of El Paso. Also 19 grandchildren, 28 great grandchildren and a host of friends.

Betrothal Told of Bernice Ehrlich And Robert F. Anderson

Mr. and Mrs. A. E. Ehrlich of Follett, are announcing the engagement of their daughter, Bernice, to Robert F. Anderson of Lovington, New Mexico, son of Mr. and Mrs. C. Z. Anderson of Baird.

The wedding is planned for November 13. The couple will make their home near Lovington, where Mr. Anderson is engaged in irrigated farming.

The bride elect is a graduate of West Texas State College at Canyon, where she received a bachelor of science degree and was a member of Gamma Phi sorority. She has been teaching in the public schools at Lovington, New Mexico and Follett, for the past four years.

Mr. Anderson is a graduate of Texas A & M College, holding a bachelor of science degree. He is a Veteran of World War II, having served as a Marine Air Corps pilot, attaining the rank of Captain.

Funeral Held For Hawley Civic Leader

HAWLEY — Mrs. W. C. McDaniel, 71, resident of Hawley since 1905 and longtime leader in community affairs, died early Wednesday at her home here.

Funeral services were held at 10 a.m. Thursday in the Hawley Baptist Church with the Rev. Clifford Trotter, pastor of the Trent Methodist Church, former Hawley pastor, officiating. The Rev. Jesse Swindell, pastor of the Hawley Baptist Church, and the Rev. John Brown, pastor of the Hawley Methodist Church, assisted in the service. Burial was in Cedar Hill Cemetery in Abilene under the direction of Lawrence Funeral Home of Anson.

Mrs. McDaniel was born Mamie Blanche Gilliland August 29, 1881 in Callahan County, 20 miles north of Baird.

She married W. C. McDaniel September 18, 1901 in Abilene. The couple moved to Hawley in 1905 where he farmed for a number of years east of here. They later moved in the community where he was employed in the bank here for several years.

He died here May 1, 1945. Mrs. McDaniel was a member of the First Christian Church in Abilene. However, she was active in the Hawley Methodist Church, having taught a young peoples Sunday School class for many years.

She was president of the Hawley Home Demonstration Club for a number of years and a leader in all community activities and church work until her illness.

Survivors include a foster son, George Allison of Hawley; a brother, John I. Gilliland of Abilene; a sister, Mrs. A. E. Echance of Abilene; six nieces and nephews. Mrs. B. L. Boydston and Mrs. H. D. Driskill, cousins of Mrs. McDaniel.

Pallbearers were Charlie Hollis, R. L. Lambert, J. J. Collins, Mack Collins, Jack Rushing, and Tommy Wood, all of Hawley. Old friends over West Texas were named honorary pallbearers.

Gayle and Sharon Daniel of Abilene visited their aunt, Mrs. J. A. Brashear and Mr. Brashear last weekend.

Callahan, Eastland Pecan Harvest Begins; Quality and Quantity Surprisingly Good

Pecan orchardists in the Pioneer and Cross Plains sections of Eastland and Callahan Counties have begun the harvest of the 1952 nut crop.

Quality and quantity of nuts are surprisingly good, according to J. R. Cutbirth, who manages a 50-acre orchard near Cross Plains.

"When you consider the dry weather that has prevailed for the last several years, the 1952

crop is excellent," he said. The nut harvest began in earnest only this week, said Cutbirth, and it is not far enough along to give an accurate estimate on the yield. But, he said, it will compare favorably with the average yield of the last 10 years.

"The quality of the nuts is superior to that for several years during the last 10.00 Cutbirth said. "The nuts are well filled and the meat is firm and well flavored. There has been very little insect damage."

Cutbirth explained that most of the orchardists are rushing the harvest season because of the crow menace.

Because of the shortage of other feed, the crows are making unusually heavy forays on the pecans. Many of the orchardists have rigged devices in the trees to frighten the crows away at least long enough to permit the hulls to open a little.

If the pecans are left long enough on the tree for the hulls to pop open too wide, the crows get to work on the nuts.

Most of the trees in the orchard are of the Burkett variety, Cutbirth said, and experience has proven that, year in and year out, the Burkett is the most reliable variety for this section.

The trees were sprayed once, with an oil emulsion, in early spring. There has been little damage from worms as a result, he said.

Cutbirth also manages a rather extensive peach and pear orchard on the same farm. He said the peach crop was exceptionally good for the amount of rain received and while the pear production was reasonably good, the quality was not too desirable.

Peanut production in the Cross Plains area is practically nil for this year. Some farmers are harvesting about 5-6 bushels to the acre as the maximum. Many of them are not even digging the nuts or baling the vines.

The hay yield is correspondingly low, but due to the price of the hay several have found it economically sound to bale the vines, even if production is low.

Turkey raising is growing increasingly popular in the cross timber sections of Eastland and Callahan Counties. Many of the growers have already delivered their birds on contracts, receiving an average of 31 cents a pound for toms and 35 cents for hens.

Mrs. R. G. Edwards
Elevating Educations for the Enjoyable Enlightenment of Everybody Everywhere

Mr. and Mrs. Ross Farmer and their son, C. R., entertained several neighbors and friends with a barbecue on Tuesday night of last week. C. R. just returned a few days previously from a deer hunt in northwestern Colorado where he bagged his deer.

Honor guest was his cousin and Mrs. Farmer's nephew, John Allen, who had just returned with a discharge from the service of Uncle Sam. John returned from Korea some two months ago. He is the son of Mr. and Mrs. Troy Allen. His brother, T. M., landed in Korea about the time he left.

Others present at the barbecue included Mr. and Mrs. Dixon Favor and family, Mr. and Mrs. L. T. Harris and the Troy Allen's.

Mr. and Mrs. John Edwards and daughter of Hamlin spent Sunday in the home of his parents, Mr. and Mrs. J. E. Edwards.

Granny Crook of Dallas is visiting in the home of her son, George Crook and family.

Mrs. Wilson of Brady spent the weekend in the home of her friends, Mr. and Mrs. Dee Pool.

Vann Rutherford, who has been in the service and stationed in North Africa and wife, are visiting in the home of his parents, Mr. and Mrs. Murray Rutherford and sister, Mrs. Bill Barr, Jr.

Joe Ross Millorn is expected home with a discharge in about twenty days.

Bob Favor writes from the Naval Base at San Diego that he hopes to be home sometime about the middle of December when he finishes boot camp. He is the son of Mr. and Mrs. Dixon Favor.

Roberta Edwards and Kenneth Downing representatives of the Junior Class were crowned King and Queen at the Halloween Carnival Friday night. It was one of the best carnivals in the school history. More than \$900 was taken from all booths, contests, etc. Roberta is the daughter of Mr. and Mrs. R. G. Edwards and Kenneth is the son of Mr. and Mrs. Pete Downing of the Potosi community.

Guests in the home of Mr. and Mrs. W. L. Cutbirth over the weekend were Bill Cutbirth and Miss Swiam of Midland.

HUNTING BOAT RULE CHANGED

The Executive Secretary of the Game and Fish Commission called Texas hunters' attention to a 1952 change in the waterfowl regulations affecting power boats.

He said gunners may now use a boat with an inboard motor or boats with an outboard motor providing the boats are tied or secured to a permanent blind.

The law covering this phase previously forbade use of inboard motor boats altogether and stipulated that boats using outboard motors had to have the motor immobilized and placed at the bottom of the craft when it was kept in a duck blind.

The Executive Secretary said the liberalizing regulation is expected to accommodate many hunters in the coastal area where power boats are commonly used.

He cautioned hunters that use of motor boats to disturb or chase waterfowl is unlawful, although motors may be used to retrieve dead or crippled ducks or geese.

The Executive Secretary said the regulation governing baiting waterfowl has been tightened in that shooting over baited areas is forbidden altogether.

Premiums Offered For Breeder Stock

FORT WORTH — The large amount offered in premiums for beef breeding cattle at the Southwestern Exposition and Fat Stock Show is expected to attract a record number of entries, show officials state. Dates of the Fort Worth exposition are January 30 through February 8.

Beef breeding cattle will compete for \$41,135. Of this amount, \$6,335 is offered for the carload-and-pen division of bulls, apportioned \$2,335 to Herefords and \$2,000 each for Shorthorns and Aberdeen-Angus.

Division of the remaining \$34,800 is: Herefords \$13,800; Polled Herefords \$3,000; Shorthorns \$6,000; Aberdeen-Angus \$10,000 and Brahmans \$2,000.

Half of the prize money for each breed is offered by the respective breed association and half by the show. Deadline for cattle, swine, sheep and Angora goat entries is December 15.

Goldfish originated in China.

Holiday Sweets Prices Down

Housewives in this area were assured today of at least one reduction in their Fall food budgets.

Officials of A&P Food Stores announced that the price of their 1952 Jane Parker fruit cakes would take a considerable drop this year "in spite of the increased cost of materials and labor."

The price-reduction was made possible, they revealed, because of the unprecedented demand in this part of the country for this particular item, one of the most popular of their seasonal offerings.

"We are going to be able to effect this price cut without any reduction in the quality of our best-seller fruit cakes," said O. I. Black, of Dallas, Southern Division vice president in charge of A&P operations in this area. "As a result of this strong local demand," he added, "our per unit production cost has been considerably lowered, and this savings is being passed on to the consumer."

This year's retail price on the five-pound cake, most popular of the three sizes distributed by the food chain, will be \$3.69 as compared with \$3.99 last year and \$4.25 in 1950. Cost of the one-half pound and the three-pound packages will be reduced proportionately.

A New York advertising firm has come up with "guided missile" ads. Rockets, fired by black powder, are shot 400 feet up releasing a light, rice paper replica of the product to be advertised. The product replica floats balloon-like in mid-air for several minutes, then descends slowly to earth. The ads cost about \$50 per blast, and will be tried out over crowded Long Island beaches next summer.

Livestock Bettered All-Time High At '52 State Fair

Junior livestock and poultry auction sales at the 1952 State Fair of Texas brought a total of \$166,052.17 for 781 Four-H Club boys and girls and Future Farmers in 175 counties of Texas.

It was the biggest and most successful sale ever held at the fair, Livestock Manager Ray W. Wilson said. The 1,120 head of steers, lambs and pigs put up for sale in the junior livestock auction sale by 620 boys and girls brought a total of \$154,220.32, exceeding by \$22,778.30 the amount paid for 879 head last year. This broke all state fair records both for the number of animals and the amount paid for them, Wilson said.

A total of \$6,229.35 was paid for 775 turkeys sold by 80 youngsters and \$2,192.50 was paid for 810 broilers sold by 81 kids.

There were 109 individual buyers in the junior livestock auction sale and 15 quantity buyers. Nineteen purchasers participated in the junior market broiler sale and 64 in the junior market turkey auction sale.

Prices paid for all animals and poultry was substantially higher than current market prices, Wilson said. The \$3 a pound paid to Ann White of Big Spring by Hotel Adolphus for her grand champion steer was one of the best prices ever brought by a junior steer at the fair. The 975-pound animal sold for \$2,925.

Record prices for a fair auction sale were paid by Lucas B&B Cafe for the grand champion lamb owned by Thomas Pape of Fredericksburg and by the Southland Life Insurance Company for the grand champion barrow sold by Kenny McCarter of Plainview. The price paid by Swift & Co. to Raphael Brown of Cuero for the grand champion barrow in the Junior Negro Pig Show was a record in the nation, Wilson said. The 74-pound lamb went for \$5.50 a pound, a total of \$1,139.25. The 184-pound grand champion in the Negro show sold for \$4.25 a pound, a total of \$782.

Not including the grand champions, average prices per pound included: 120 prime steers, 46.3 cents; 119 choice steers, 39.2 cents; 24 good steers, 33.1 cents; 229 lambs, 36.5 cents; 79 top pigs, 37.1 cents; 510 group lot pigs, 23 cents. Average for 810 broilers was 75 cents a pound and for 569 turkeys, 62 cents.

Price money paid by the fair in the Junior Livestock Show was \$12,751.72, bringing to the total of prize money and auction sale proceeds to \$178,803.89.

Cattle Mart Higher At Abilene

The livestock market was higher Monday at the Ranchers and Farmers Livestock Auction Co. sale at Abilene.

Receipts were 950 cattle and 25 hogs.

Prices were quoted as follows: Fat bulls \$16-\$18.75; medium bulls \$12-\$15.60.

Fat calves and yearlings \$22-\$24; medium calves and yearlings \$17-\$20; fat cows \$13-\$15.75.

Canners and cutters \$9-\$13; stocker steer yearlings \$17-\$20; stocker steer calves \$20-\$23.

Heifer calves \$17-\$20.50; stocker cows \$12-\$15; cows and calves \$10-\$17.50 a pair.

Hogs topped at 18 cents.

Question & Answers

Q—I'm planning to convert my NSLI term policy to permanent endowment insurance. If I'm still living at the end of the endowment period, how will I receive my money?

A—You will have a choice. You may either get the insurance proceeds in a lump sum, or you may ask VA to pay them to you in equal monthly installments ranging in number from 36 to 240. If you die before all the installments have been paid to you, the remainder will go to your beneficiary, if you have named one.

Q—I am receiving a VA pension for a total and permanent nonservice-connected disability. I have a house which I inherited, and I want to sell it. Must I include all the proceeds of the sale as income, in figuring whether I come under the income ceiling for pension purposes?

A—Since you inherited the house, the entire proceeds from its sale would be considered as income for pension purposes. If you receive a lump sum payment it will apply for the calendar year in which you got it. If you get paid in installments, whatever you receive during a calendar year must be included as income for that particular year.

Q—I was forced to interrupt my training under the World War II GI Bill to go back into active service. I expect to be discharged soon, and I want to continue with my GI studies. Is there any time limit for resuming?

A—You must pick up your training within a reasonable period following your discharge. The "reasonable period" is determined for each veteran on an individual basis and depends on a number of factors such as the type of training involved, its availability and so on.

Q—I know of a World War II veteran who has become incompetent. Can his GI insurance premiums be paid by another person?

A—Yes. The premiums may be paid by any person on his behalf. If the veteran's premium return envelope isn't used, care should be taken to identify the payment properly, including the insured veteran's full name, address, date of birth, service serial number and insurance number.

Baird Invited To Stock Show

Baird has been invited to have a special day at the Southwestern Exposition and Fat Stock Show. The letter received by the Chamber of Commerce was written by W. R. Watt, president-manager of the Fort Worth exposition. The invitation says:

"Out here at the Will Rogers Memorial Coliseum we are busy with plans for the 1953 Southwestern Exposition and Fat Stock Show. The '52 show was, in many ways, a record-breaker. This was made possible only through your splendid cooperation.

"We hope to present a still better show, January 30 through February 8, and to do this we need your help. Your city is invited to have a special 'day.' Name a Cowgirl Sweetheart, bring the band and a whoopingly enthusiastic caravan of citizens displaying badges and hats—bands to publicize your city and your own rodeo, fair or other civic enterprise. You will all enjoy the trip and the publicity department will do its best to give advance publicity to your plans.

"The Stock Show is yours—serving the livestock industry of the Southwest since 1896. We are counting on you and are awaiting your reply."

Beware of Rabies During Winter

Two widely separated areas in Texas face an upsurge in rabies between now and June, State Health Officer Geo. W. Cox predicts. The disease could easily spread to other vulnerable areas.

One focus is in Travis, Bastrop, Fayette, and Hays Counties in Central Texas. The other is in Panola, Shelby, San Augustine Counties in East Texas. Individual instances of mad foxes have been occurring in both these sections throughout the year.

Blanco, Comal, Guadalupe, and Gonzales Counties are directly in the path of the southwestern spread of the Central Texas focus. In East Texas, the trend is east and southeast, threatening Sabine, Jasper, and Newton Counties, Dr. Cox reports.

"The first case of fox rabies in any county is an indication that work needs to be started immediately on control," Dr. Cox said. "You know you're in for trouble."

Fox rabies is six times more prevalent in winter months than in summer, Cox indicated. He added that every fox killed now will save trouble later.

He made the prediction of increased rabies incidence despite the fact that rabies-suspect animals heads autopsied at the health department Bureau of Laboratories in September were fewer than at any time since May.

Dr. Cox said wildlife rabies in most affected areas kills off wildlife to a point where rabies cannot maintain itself. It thus dies out and does not re-appear until the population builds itself up again.

Skunk rabies is prevalent in three separate areas of the state, the health officer said. But the disease is "20 times" more serious in fox than in skunk, he said.

IT'S THE LAW IN TEXAS

Creative Works Protected By Copyright

The United States copyright laws give to authors, composers and artists the exclusive right to their works for a period of twenty-eight years. During that time others are prohibited from copying or reprinting such works without permission of the copyright owner. Copyrights are renewable once for a second period of twenty-eight years.

Works that may be protected under our copyright laws include books (not only bound volumes, but also pamphlets, leaflets and even single sheets); periodicals (newspapers, magazines, reviews, bulletins, proceedings of societies, serial publications etc., which appear at regular intervals of less than a year); contribution to periodicals; lectures, sermons or addresses prepared for oral delivery; musical compositions and dramatic or dramatico-musical compositions.

Also maps; works of art; models or designs for works of art; published three dimensional works of art; reproductions of works of art; drawings or technical works of a scientific or technical character; photographs; prints and pictorial illustrations including prints (advertisements) or labels used for articles of merchandise; motion picture photo-plays; and motion pictures other than photo-plays.

Lawyers say the principal steps to be taken in securing a copyright include (1) properly marking the work with a notice of copyright, (2) publishing the work, and then (3) filing with the Register of Copyrights in Washington an application for registration of the copyright. A relatively small fee and a specified number of copies of the work must accompany the application.

It should be noted that the marking must precede publication, and that both of these steps must precede the filing of the application.

Failure to incorporate the notice of copyright before publication or to set it up in proper form or to place it in the proper place on the works will result in abandonment to the public of the claimant's rights. He will lose his copyright. Requirements vary in respect to the form of the notice, and the place on the works at which it should appear—depending on the nature of the works, whether they are published or unpublished, and other factors.

On some works it is mandatory that the notice contain the word "Copyright" or the abbreviation "Copr.," on certain other works, the letter "C" enclosed within a circle may be used instead. On some works the notice

Highway Problems To Be Aired

ABILENE — Results of a detailed study of all phases of Texas' highway problems will be presented Monday, November 17, to interested citizens of this part of the state by James F. Melton, manager of the taxation and legislation department of the West Texas Chamber of Commerce.

This will be one of eight regional meetings sponsored by local chambers of commerce and the West Texas Chamber's Highway Policy Committee. Chairman of that committee is W. P. Patterson, Amarillo banker.

Road needs of the various sections of West Texas and the financial and other problems that will confront the next legislature will be discussed, said Patterson.

The meeting here will open at 2 p.m. in Garden Room No. 1 of the Windsor Hotel, Abilene.

Those who plan to attend are asked to notify the Abilene Chamber of Commerce in advance if possible.

must include the year in which the work was first published.

In every notice the copyright claimant must be identified. In some cases the full name of the claimant is required; in others the initials or monogram, or an identifying mark or symbol, is sufficient. The name or mark may be that of the creator of the work, or of one to whom the copyright has been assigned.

In the case of a book, for example, the copyright notice should be placed on the title page or the page immediately following in every published copy of the book, and should consist of the word "Copyright" or the abbreviation "Copr.," the year of publication and the name of the copyright proprietor.

If the proprietor is the author, he should use his actual name and not a pseudonym or pen name. The application for registration of the copyright should be filed promptly after the first publication of the book, together with two copies of the book and a fee of \$4.00.

State Farm Bureau Meet At Santone

WACO — The nineteenth annual convention of the Texas Farm Bureau Federation will be held November 10-12 at the Plaza Hotel in San Antonio, according to an announcement by Vice-president C. H. DeVaney of Coahoma. Registration starts Sunday, November 9, on the mezzanine floor. The convention proper will get under way Tuesday morning at 9:30.

J. Walter Hammons, president of TFBF, will be unable to attend the meeting this year for the first time in many years. The state farm leader is recuperating at his farm at Tye, Texas, after suffering an artery condition October 1, at a meeting of American Farm Bureau board of directors in Chicago.

High on the convention agenda are problems dealing with water legislation, rural roads and many other state and national issues involving agriculture. Voting on resolutions will be at the last session Wednesday afternoon.

National and state leaders in government and Farm Bureau will headline this year's program. Senator D. Aiken of Vermont, member of the Committee on Agriculture and Forestry, will speak Tuesday night at the annual banquet.

Tuesday afternoon speakers include Romeo E. Short, vice-president of the American Farm Bureau Federation; Congressman Clark W. Thompson of Galveston, member of the House Committee on Agriculture; and Harry L. Bryson, director of field services of the AFBF.

Commodity specialists, agricultural experts and friends of Farm Bureau have been invited to attend the sessions.

Gray Sand Strike Gauged in Callahan

Cities Service Oil Co. No. 1 Johnson, A. J. Beard Survey 378, has been completed as a Gray Sand discovery well.

Location is one and one-half miles southeast of Opalin in Callahan County.

No. 1 Johnson had a daily potential of 211 barrels of oil, plus 646,000 cubic feet of gas. Completion was on an 18-64 inch coke.

Production is from perforations at 3,663-74 feet in the Gray Sand.

The first Christmas Seal Sale in America was organized by Emily P. Bissell in Wilmington, Del., in 1907 to aid a few needy tuberculosis patients. With the backing of a newspaper, the Philadelphia North American, she raised \$3,000.

Winter Car Check Time Is Here

This is the time for a thorough car check-up.

There are at least three good reasons why every car should be checked before cold weather comes, according to the Texas Division Three-A service experts.

For one thing, you'll avoid the headaches that comes with winter breakdowns, if your car is able to withstand cold-weather driving. For another, your car will be safer to drive if brakes, lights and tires are all in good condition. And still another important reason for a winter check-up is that your pocket-book will notice the difference.

When the carburetor is properly adjusted, timing is right, and the motor hums along at top efficiency, there's a substantial saving in fuel bills, even in cold weather. There's adequate proof that the average car owner spends far too much on operating costs, largely because of faulty mechanical adjustments and poor driving habits.

Here are just a few of the points to have checked before winter: cooling system—be sure the radiator is filled with antifreeze; check the hose connections. And while you're at it, be sure to have your heater gone over. Test and adjust brakes. Change to winter oil; check oil filter and crankcase ventilator filter. Have carburetor and timing adjusted for greatest efficiency, at the same time checking up on your automatic choke and throttle adjustments. Rotate the tires and inspect the sidewalls for possible damage.

The entire electrical system should be carefully inspected; it's surprising how fast your battery can deteriorate if there's a bad connection or two. Adjust the focus of the headlights. There's more darkness in winter months and you'll be using your light more. Finally, a motor tune-up will give you greater operating efficiency and more happy motoring miles, say the Texas Division AAA service experts.

State Traffic Group Makes Appointments

The Governor's Traffic Safety Committee held the first meeting of the full committee in the State Capitol, Austin, October 30 with practically all members attending.

Governor Allan Shivers opened the meeting with a short address and then turned the meeting over to Cecil Burney of Corpus Christi, who is the general chairman. Among the Governor's remarks, he said that "Frankly, I am alarmed at the ever growing rate of accidents on our highways." He also added "Our whole world has been changed by the motor vehicle. We cannot live without it; it is time we trained ourselves to live with it. To emphasize what a big objective the committee has ahead, the Governor told them: "To cite an example of what we are up against, in 1944 we had 1 1/2 million cars and trucks—today, we have 3 1/2 million, or almost one motor vehicle for every two Texans."

Chairman Burney submitted a plan of procedure which was adopted. The plan included the appointment of four sub-committees—Education, Engineering, Enforcement, and Public Support. Dr. B. B. Harris, Denton, is chairman of Education; A. W. Breeland, Dallas, chairman of Enforcement; John Womble, El Paso, chairman of Engineering; Herb Petry, Carrizo Springs, chairman of Public Support. The sub-committees were instructed by the chairman to meet at their convenience and report back to the full committee at a meeting tentatively set for December 4.

BUSINESS BRIEFS

A recent canvass by Herbert Hoover of a number of large mine owners drew statements from all but one that they could never have gone in business under the present tax rate. The one exception had struck a bonanza so rich as to defy even the tax collector. The Chamber of Commerce of the United States affirms that tax policy should encourage, not prevent new industry.

The National Tuberculosis Association was founded in 1904 by a group of doctors and laymen to conduct an organized campaign against tuberculosis. Affiliated with it today are 3,000 state and local associations carrying on the fight throughout the United States.

LET'S TALK LIVESTOCK BY TED GOULDY

FORT WORTH—It is considered a certainty by livestock men and packinghouse men at Fort Worth that another effort to get ceiling prices and compulsory grading removed from cattle and hogs will be made right away.

The fact that compulsory grading adds considerable expense to the cost of meat has

been cited by packers as hurting the consumer—who eventually pays the bill.

The fact that many retail meat handlers have not given their customers full benefit of lower wholesale prices is allegedly responsible for some curtailed consumption of meat and has made slipping cattle and hog prices lose ground faster.

Reason advanced by the trade for thinking cattle growers and hog men will redouble their efforts was the recent victory of the sheep industry in getting the wholesale ceilings and compulsory grading and classification removed.

This fight launched at Fort Worth early this year by sheepmen, Fort Worth market men and packers, has won plaudits from people all over the nation in the livestock or meat business.

Parity on October 15, as announced by the Bureau of Agricultural Economics, on livestock and wool was announced last week: Average prices, effective parity prices and percentage of parity are:

Beef Cattle	22.00	20.80	106%
Veal Calves	23.80	23.20	103%
Hogs	18.60	21.10	88%
Lambs	22.20	22.80	97%
Wool	50.4c	58.9c	-8 1/2%

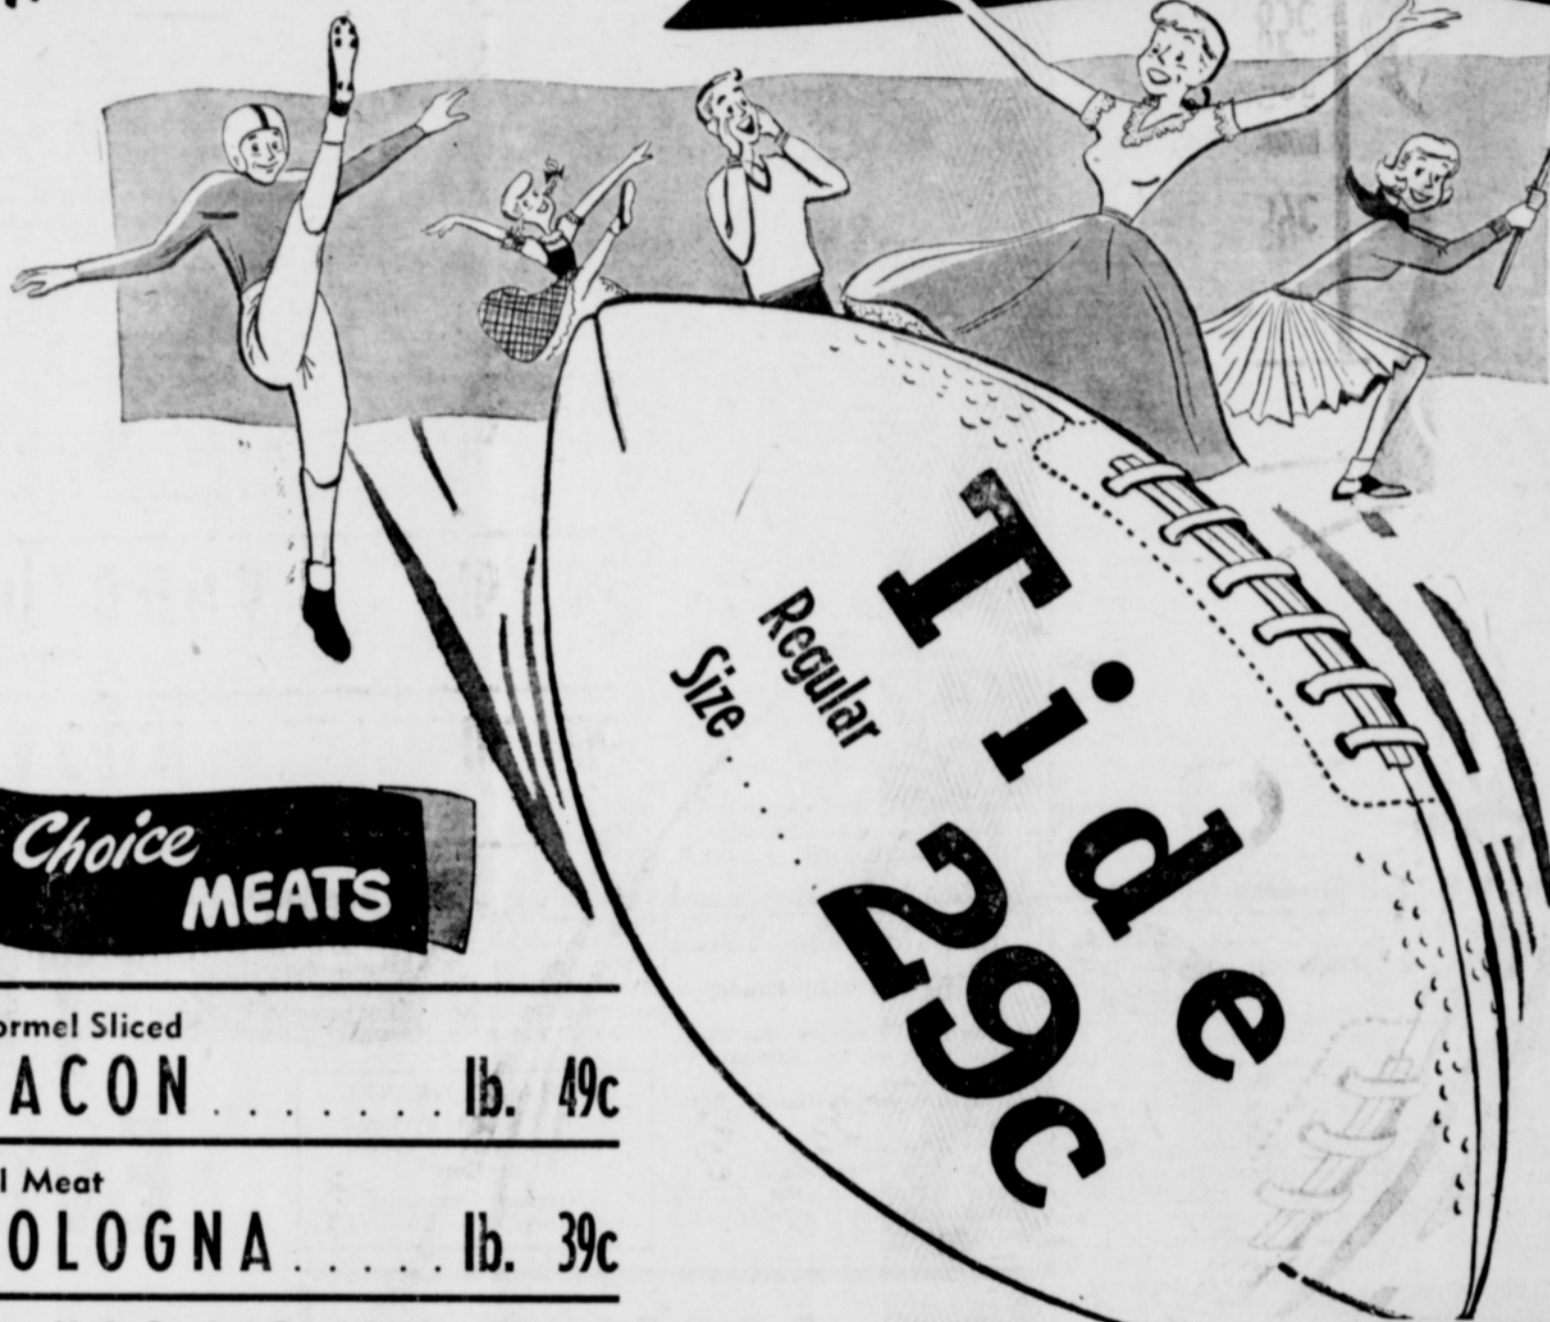

The losers in the recent elections have nobody to blame but themselves.

They did not promise a good general rain—and about three-fourths of the country could surely use one.

While feed supplies are critically short in many areas—stock water and drinking water are becoming critical in many places.
