State Park To Be Established In Area North Of Quitaque

Announcement was made Sunday that a State Park will be formed out of the area around Lake Theo, north of Quitaque. The announcement came simultaneously from the offices of U. S. Representative Jack Hightower, State Senator Ray Farabee and State Representative Phil Cates. The area from which the new state park will be formed is better known as the Theo Geisler Ranch. No details have been released as to when construction will start on the park or just what the state plans for the area. The announcement is as follows:

The new Lake Theo State Park is shown in the shaded area on this map.

The creation of a new state park in Briscoe County of the Texas Panhandle has been announced jointly by Congressman Jack Hightower of Vernon, State Senator Ray Farabee of Wichita Falls, and Representative Phil Cates ofampa. Located approximately 95 miles from both Lubbock and Amarillo, the site will be known as Lake Theo State Park.

Instrumental in acquiring designation of the site as a state park was former Senator Jack Hightower who is now serving his first term in Congress.

The state legislative delegation from the area expressed pleasure with the creation of the park. Senator Ray Farabee stated that he felt the park would be "a tremendous asset" to the area. Representative Phil Cates noted that the park would provide "an economic boost" to the surrounding area while preserving some of the "rugged beauty of the caprock."

The park, more properly known as the Geisler Ranch, is accessible via FM 1065 and a county road north of uitaque. The park contains in excess of 13,500 acres including two scenic caprock canyons, several thousand acres of roughland below the escarpment, the 130 acre Lake Theo impoundment, and several smaller lakes and tanks. The scenic features of the Lake Theo site are somewhat similar to Palo Duro Canyon, but enhanced by the existence of a small fishing lake and the potential for creating other water features.

DAILY MAIL SERVICE CHANGED FOR QUITAQUE

Effective February 3, 1975 the lobby of the Post Office will open at 7:30 a.m. instead of 6:30 a.m. First Class and Second Class mail will be ready by 8:00 a.m.

All patrons on Rural Route One will get their mail one hour later than at present.

Window service will remain the same.

Maudia Williams Buried Wednesday

Funeral services for Mrs. Maudia Williams, 88, of Turkey were held at 2:00 p.m. Wednesday, January 29, 1975, at the First United Methodist Church in Turkey. Officiating were Rev. Roy Patterson, pastor, and Rev. Fred Brown, pastor of Pioneer Memorial Methodist Church in Lubbock. Interment was in Dreamland Cemetery at Turkey under the direction of Seigler Funeral Home.

Mrs. Williams passed away at 6:20 a.m. Monday, January 27, at Hall County Hospital in Memphis, following a lengthy illness.

Maudia Frances Williams was born October 19, 1886, at Blanco, Arkansas. She came to Hall County with her husband, the late Willie T. Williams, about fifty years ago, and made her home here until ill health forced her move to the Memphis Nursing Home in March 1971. She was a member of the Methodist Church of Turkey.

Mrs. Williams was preceded in death by her son, Willie, who passed away in 1947, and by a son, Houston, who passed away in 1940.

She is survived by two sons, B. D. (Red) Williams of Turkey and Marvin Williams of Berryville, Arkansas; one daughter, Mrs. Rubie Cash of Stockton, California; three sisters, Lydia McIntire and Gertrude Birdsong, both of Harrison, Arkansas, and Etie Houston of Comanche, Oklahoma; six grandchildren and six great-grandchildren.

Mr. and Mrs. J. K. Williams and daughter, Mary, of Childress spent Sunday afternoon in Turkey with Johnnie's sister and husband, Mr. and Mrs. Denver Powell.

the

The

have
a

fine

really
don't

that
kind
of
help.
The

31

according
to
this

unofficial

to
21
for

Joey

16

Tuesday
night
of
this

the

the

teams
and
won
both
games.
The
girls
took
an
easy
93-39
victory
over
the
Eaglettes,
but
the
boys
had
more
trouble
with
the
Eagles,
winning
by
a
67-60
margin.

The
Valley
girls'
starting
forwards,
Janna
Turner,
Mitchie
Lipscomb
and
Eva
Cheatham,
did
all
of
their
scoring
in
the
first
three
periods,
and
talk
about
your
well-balanced
attack!
Janna
Turner
hit
for
15
points,
Eva
Cheatham
scored
24
and
Mitchie

tallied
22.
That
is
one
big
reason
the
Valley
girls
are
hard
to
beat,
because
opposing
teams
can't
afford
to
load
the
defense
against
one
player;
if
they
do,
there
are
two
more
forwards
who
will
score.

CATTLE TYPES ... There are three types of cattle: dairy type, beef type and dual purpose cattle. The beef type dominates the Southwest with more than 15 distinct breeds now being raised.

TEXAS BREEDS ... A breed is a selected group of animals with readily distinguished characteristics and a common origin. Of the 15 common beef breeds, five originated in the United States. Four of those five, the Charbray, Beefmaster, Santa Gertrudis and Brangus, had their origins in Texas. The fifth, Barzona, originated in Arizona. The Charbray began in the Rio Grande Valley area and is a mixture of approximately three-quarters Charolais and one-quarter Brahman. Beefmaster started near Falfurrias, Texas, representing a crossing of Hereford, Shorthorn and Brahman. Santa Gertrudis, developed on the King Ranch, is a cross of Brahman and Shorthorn. A single bull, Monkey, is credited as foundation sire for the entire breed.
