Valley Jr. High Patriots Victors Over Paducah

came last Thursday for the Junior Patriots in Paducah.

On the first possession of the game, Henry McNary broke loose on a 60 yard TD run. Clay Edwards ran for the two points and Valley led 8-0.

Valley's defense held and the offense took over with a long drive. Edwards had a 25 yard run, and Manuel Silva had two 15-yard runs. Henry McNary capped it off with a 15 yard TD run. The two point attempt failed.

Paducah was able to put together a drive from inside the 5 yard line but ended on a fumble which McNary recov-

ered in the end zone.

Paducah came out in the

Halloween Party Given For Ghosts And Goblins

Satuday afternoon, at 4:30 a group of 24 costumed kids were treated to an old-fashioned Halloween party at the home of Mr. and Mrs. Randy Stark who graciously allowed the use of their garage for the event. The gaily decorated garage was festooned with a wide garage was resconed with a wide array of Halloween sights and sounds which ran the gamut from balloons and streamers to black cats and spiders, and fog creeping across the floor.

A hilarious hour was spent bobbing for apples, (no easy feat for first graders lacking front teeth!) fishing for prizes, playing pin-the-face- on -the-pumpkin, tossing pumpkin bean bags and sponges, and playing other games. A sup-per of hot dogs and chili, chips, cookies, and drinks followed the

Little guests whose costumes ranged from rabbits, clowns, and ballerinas, to werewolves, witches, and monsters, included Cliff and Jess Yeary, Kristin and Russell Ramsey, Mindy Proctor, Hollie and Coy McKay, Candace and Chastity Edwards, Randi Brooke Powell, Valerie Cantu, Sammie Dee Ross, Chase and Traci Ham, Micah Stark, Derek and Dustin Brunson, Amy and Amber Stark, Reuben Martinez, Ivan Leal, Nathan Chestnut, and Christopher and Randa McBee. It was a toss-up who had more fun -- the kids or the adults.

Parents present were Gary and Lorna Powell, Carm Edwards, Randy and Linda Stark, Butch and Janice McBee, Ronnie and Cora Chestnut, Maggie Martinez, Max and Anne-Marie Ham, Wade and Ruth Proctor, Donna Stark, Rex and Brenda Yeary, David and Dianne Brunson, Dale and Carol Ramsey, and Jimmy and Velda Ross. A big thanks to all the moms and dads who helped make the party such a success.

The Savings Really Add Up with

WTU's Energy Saving Plan!

Energy Savings

Your energy savings will really add up when you qualify your home for WTU's Energy Saving Plan. You'll save money in energy bills for years to come when your home meets the energy-efficiency standards of the Energy

Cash Allowances

WTU's Energy Saving Plan will now pay you larger cash allowances for installing energy central system electric heat pump:

> WTU WILL PAY YOU: \$50000 per home

To qualify for the cash allowances, your home must meet the E.S.P. requirements and be served electricity by WTU.

Resale Value

An E.S.P. Home will have a better resale value than other homes on the market, because it offers home owners lower energy bills. Energy bills are an important consideration for most families, so your E.S.P. Home will fit into a prospective home buyer's budget easier than a non-F.S.P. Home

E.S.P. Book

The new E.S.P. Book clearly outlines all of the programs, cash allowances and requirements of the New and Improved Energy Saving Plan. The E.S.P. Book also has specific information on insulation, air infiltration control, energy-efficient equipment and much more!

Pheasant Hunting Open For First Time In Crosby County

Authorization by the Texas Parks and Wildlife Commission for the first hunting season for pheasant in Crosby County offers a potential boon for hunters and unty landowners alike, says

the county's Extension agent for

The state commission has set Dec. 12-27 as the season in Crosby

County for pheasant.
"Many hunters are expected to come here because our birds haven't been hunted before, and we are just 20 minutes from Lubbock International Airport and excellent motel accommodations," said T. Andy Vestal, county

agent.
"These beautiful game birds

are highly populated in and near sorghum and corn fields, playa lakes and newly developed grass-lands in the Conservation Reser-we Program," Vestal said.

With establishment of the hur ting season, the Texas Agricultur-al Extension Service initiated landowner educational programs

in the county. Vestal has in-volved the county's approximate-ly 400 farmers in programs to teach wildlife marketing, habitat, and lease management, and

DID YOU KNOW?

• Currently there are more than 50,000 nuclear weapons in existence. The U.S. nuclear testing program costs about \$700 million a year. More than \$100 billion has en spent on nuclear weapons de-

velopment.

The U.S. House of Representatives has already voted to end nuclear testing as long as the Soviets don't test. Satellite and on-site monitoring technology makes the test-ban verifiable.

• Right now Congress is debating the nuclear testing issue. Legislators are watching their mail carefully. If you have an opinion, send a letter or postcard to your Senator, U.S. Senate, Washington, D.C. 20510.

Do Something About Your Income Tax Situation Now

The time to do something about your 1987 income tax situation is now -- not after the end of the

Dr. Wayne Hayenga, a Texas Agricultural Extension Service nomist, says there is a number of things an individual can do now to ease the 1987 income burden as well as to better deal with recent changes in tax laws.
--If you think your tax rate will

fall next year, postpone 1987 income until after Jan. 1, and shift itemized deductions from

-Be sure to get a Social Security number for any child over five cause you will need it to claim the child as an exemption on next year's tax return.

-- If you have a home-equity loan, keep home improvement receipts as such expenses increase the amount of interest you can write off on the loan

-Set up separate bank accounts for money borrowed for different purposes, such as personal, business and investment, so you can prove to the IRS how the money

-- Buy bank certificates of deposit or Treasury bills maturing in 1988 if you expect your tax rate will fall next year.

-- If you are self-employed and don't qualify for an IRA deducttion, open a Keogh account before Dec. 31.

--Short-term capital gains (from investments held six months or less) will be taxed only -Short-term capital up to 33 percent in 1988, so postpone taking such gains.

-Take long-term capital gains in 1987 if you will be in the 33 percent bracket next year; no more than 28 percent of profits

will be taxed this year.
--You can no longer defer taxes so avoid selling stocks for a gain during the last five business days of December unless you plan to pay 1987 taxes on the profits.

-Offset gains with capital losses this year; you can use up to \$3,000 of losses to reduce regular income and carry excess losses into 1988

-Wait until after a mutual fund pays taxable capital-gains before investing; otherwise, some of your money is returned to you

-Since 65 percent of consumer interest is deductible this year, pay off credit cards and personal -If you plan to borrow invest-

ment capital, set up a margin account; interest on the loan is deductible up to your investment income plus \$6,500.

To pay off consumer debt that is not fully deductible, get a tax-deductible home-equity loan or

second mortgage.
