VOLUME 25 NUMBER 40

## Lady Patriots Win Hardeman Relays

The Valley Lady Patriots earned 135 points to run away with the championship of the Hardeman County Relays held at Quanah.

Other team scorings were Knox City, 89; Childress JV, 75; Chillicothe, 63; Northside, 52; Henrietta JV, 51; Benjamin, 40.

The 400 meter relay team, composed of S. Price, K. Clinton, C. Calvert and C. Fulbright won first place in a time of 54:06.

The 800 meter relay team, composed of D. Smith, K. Clinton, C. Calvert and R. Brittan,

won first place with a time of 1:59:48.

The 1600 meter relay team, made up of A. Hewett, C. Morrison, M. Maupin and R. Brittan, finished third with a time of 5:02:13.

In the 100 meter dash, Valley's placings were by C. Fulbright, first place, 13.17; K. Clinton, fourth, 14.26, and S. Price, fifth place, 14.55.

In the 200 meter dash, C. Fulbright, first place, 27.32; D. Smith, third, 29.56, and C. Calvert, fourth, 29.91.

A. Hewett earned points in the 440 meters with a fourth-place finish in 1:14:80, and C. Morrison won sixth place with a time of 1:18:41.

Devonna Smith placed fifth in the 100 meter low hurdles with a time of 21.10.

In the triple jump, C. Fulbright earned first place with a distance of 28'10", and S. Price finished fourth with 25'5 1/2".

In the long jump, C. Fulbright placed second with 13'7 1/4", and C. Calvert was fifth with 11'8 1/2".

C. Morrison placed fifth in the high jump with 4'2".

D. Smith won first in the shot put with 30'1 1/2" and R. Brittan placed fourth with 28'8".

Congratulations to the Lady Patriots for this big victory!

## Quitauque Blood Drive Is Tuesday

The Quitauque Lions Club is sponsoring a blood drive March 19, from 3:00 until 6:00 p.m. at the Senior Citizens Building on Main Street in Quitauque. Each donor will receive a free Coke mug.

The Coffee Memorial Blood Center, a non-profit organization, is the only source of blood for 23 area hospitals encompassed within a 26-county area of the Panhandle. Less than 5% of the eligible donor population is attempting to meet the blood needs of these 23 hospitals.

You can help by encouraging more people to "share their good health" by donating a pint of blood, and donating yourself.

## EIGHTH GRADERS SELECT NEW OFFICERS

The eighth grade class at Valley Schools elected class officers for the ensuing year.

They are Shane House, president; Sylvia Rodriguez, vice-president; Melinda Martinez, reporter, and Lance Fulbright, secretary-treasurer.

"Cheerfulness is the spice of all truth."

Pestalozzi

## March 15 Is Last Day To Order Trees

The Caprock SWCD will take orders for windbreak trees until Friday, March 15. Assistance in designing a windbreak is available through the Soil Conservation Service.

Varieties still available include Scotch Pine, Ponderosa Pine, Pinon Pine, Eastern Red Cedar, Colorado Blue Spruce, Austrian Pine, Aspen, Poplar, Russian Olive, Honeylocust, Hackberry, Golden Willow, Cottonwood, Chinese Elm, Ash, Sage, Nanking Cherry, Sand Cherry, Sumac, Plum, Lilac, Honeysuckle, Cotoneaster and Caragana.

Brief description of the shrubs: **Caragana**—Tall shrub, likes cool weather, nitrogen forming nodules on roots. Adaptable to poor soils, long lived. **Cotoneaster**—Bright green shrub, turns red after first frost. Abundant berries, attracts robins, jays and waxwings. **Lilac**—Drought hardy, alkaline tolerant. Excellent wildlife species. Tolerate to shade and crowding. **Honeysuckle**—Similar to Caragana, not as adaptable to high dryland sites. Forms a red berry. Reaches a height of 12-15 feet. **Native Sumac**—Leaves turn red in the fall. Extremely drought resistant, long lived. **Native Plum**—Thicket forming, Nickel size fruit, edible by humans and wildlife. Turns yellow in the fall. **Sand Cherry**—Inability to live more than seven years. Tart fruit. **Nanking Cherry**—Lives up to 30 years. Excellent for wildlife. Flowers before it leafs out. White blooms.

Brief description of the trees: **Green Ash**—Matures in about 20 years to a height of 20-30 feet. Bright green. Tap root system, no severe lateral root competition. Quite drought tolerant. **Cottonwood**—Cannot tolerate drought. Surface feeder, shallow root system. Fast growing when given adequate water supply. **Honey Locust**—Thornless variety.

Not much foliage. Very drought resistant. **Russian Olive**—Widely adaptable. Short tree/tall shrub, 30' tall. Very green, gray foliage. Almost as wide as it is tall. **Austrian Pine**—Uplifting branches. Short needle, deep green. **Ponderosa Pine**—Long needle, 40-50 feet tall, lighter green, tap rooted. **Eastern Red Cedar**—Up to 20 feet tall. Forms a dense barrier when spaced properly. **Scotch Pine**—Tall tree, on most light soils of low pH. An excellent Christmas tree. **Colorado Blue Spruce**—Blue color. Needs good soil moisture. Long lived—up to 100 years. One of the finest windbarriers.

More information and pictures of each species are available at the Soil Conservation Service office. The phone number is 823-2320.

## Agriculture Day Is Wednesday, March 20

### Turkey Blood Drive Is Next Tuesday

There will be a blood drive in Turkey Tuesday, March 19, from 3:00 until 5:30 p.m. at the Bob Wills Cafeteria.

Coffee Memorial Blood Center will bring its bloodmobile to Turkey and will be in charge.

### Cheese To Be Given In Turkey

Cheese and possibly other products will be given away at Turkey on Friday, March 22, it was announced this week by the Senior Citizens Organization.

Please keep this date in mind.

### Students Enter WTSU Music Festival

Mrs. Ross Herrington entered four of her Valley piano students in the West Texas State University Piano and Organ Festival on March 2 at Canyon. Performing were Gina Conner and Amy Maupin, seventh graders, and Melissa Maupin and Cari Morrison, freshmen. They were accompanied by their parents, Mrs. Elgin Conner, Mrs. Murray Wayne Morrison and Mrs. Jerry Maupin.

This festival honors superior quality in performance and judges on a consistently high standard of achievement. Gina and Amy had an excellent performance in their division. Cari Morrison and Melissa Maupin also had a good performance showing accomplishment and much possibility. All four played publicly and were given certificates of participation.

Valley and Kress were the only Class A schools entered, but were judged by the same tough judges at 5A and larger schools. Some other schools entered were Canyon, Amarillo, Olton, Muleshoe, Lubbock, Shamrock, Dimmitt, Tucumcari, New Mexico, Levelland, Rcswell, New Mexico, Gruver, Guymon, Oklahoma, Tullia, Pampa, Plainview, Dalhart, Lamesa and Floydada.

This was the first time Valley had participated in this festival. It was a stimulating experience, musically, and an inspiration to all who attended.

Mr. and Mrs. Lynn Davis were in Levelland Thursday to help their grandson, Nathan, 10, celebrate his birthday. Nathan David and his brother, Brody Lynn David, accompanied their grandparents to Turkey and are spending several days visiting.

Agriculture affects every phase of life, and everyone is asked to stop by your nearest Agriculture District Office on Wednesday, March 20.

District I office is at 5501 W. I-40, Suite C, Amarillo, Texas, and District II office is at 4502 Englewood Avenue, Lubbock, Texas.

Methodists To Have Film Festival At Quitauque, Flomot

"A Father, A Son, And A Three Mile Run" is a dramatic film depicting the life of Judge and Mrs. Keith J. Leenhouts and their son, Billy. An underachiever, Billy is seen by many as one who has little chance of achievement in a success-oriented world. It was said he would "freak out of school" and be "a failure in life." Yet Billy is given what he really needed, unconditional Christian love and the freedom to fail.

A true story based on the Zondervan book written by Judge Leenhouts, "A Father, A Son, And A Three Mile Run" shows how Christians can live in a world that has values not always based on scripture.

One of the most touching stories ever to be captured on film, "A Father, A Son, And A Three Mile Run" tells the moving and compassionate story of a father's love for his son. It will make every parent re-examine their relationship with their children.

The movie is being sponsored by the Quitauque and Flomot United Methodist Churches. There will be two showings of the film this weekend. The first showing will be Friday night, March 15, at the Flomot Community Building at 7:30 p.m. The second showing will be Saturday night, March 16, at the Quitauque United Methodist Church at 7:30 p.m. No admission is charged, but a collection will be taken to help cover the rental expense. The film is designed to be a classic in Christian motion pictures and is a film that no one should miss. Come out to the film festival this weekend and bring a friend.

Mr. and Mrs. James Barefield drove to Big Spring and spent the weekend with their daughter and family, Mr. and Mrs. Johnny Bingham and son, Chris. They saw their grandson play ball while there. They also visited Mrs. Faye Gibson, and Mrs. Barefield visited with Mr. and Mrs. Hubert Gilbert over the telephone. Mr. and Mrs. Gilbert are former Quitauque residents.

**OBITUARIES**

**MRS. BERTHA GREGG**  
 Ada Bertha Gregg, 93, died Monday.

Services were held Wednesday at 2:00 p.m. at the Church of Christ in Quitaque with Earl Cantwell, minister of the Rock Creek Church of Christ, and Elgin Conner, minister, officiating. Burial was in Resthaven Cemetery at Quitaque by Moore-Rose Funeral Home.

Mrs. Gregg was born in Windom. She married Homer A. Gregg in 1929 in Jacksboro. They moved to Quitaque in 1929 and to Plainview in 1958. She moved to Lockney in 1981. She was a housewife and a member of the Church of Christ.

Survivors include a daughter, Oneva Muse of Lockney; a son, Foy Peacock of Lockney; a brother, W. W. Rose of Carthage; three sisters, Estella Parsley of San Antonio, Viola Thomas of Alvarado and Elva Wardlaw of Mineola; six grandchildren, seven great-grandchildren and six great-great-grandchildren.

**LETA CARY**

Services for Leta Cary, 79, were conducted at 2:00 p.m. Friday, March 8, at the First Baptist Church Chapel in Brownfield with the Rev. Phil Montgomery of Deer Park officiating, assisted by the Rev. E. K. Shepherd, senior adult minister of First Baptist Church.

Burial was in Terry County Memorial Cemetery under direction of Brownfield Funeral Home.

Mrs. Cary died at 2:45 a.m. Tuesday, March 5, in South Moore Hospital in Pasadena after a lengthy illness.

She was born in Clinton and reared in Happy, moving to Pampa in 1926. She was married to Tracy Cary in 1928. They moved to Brownfield in 1945. She was a member of the First Baptist Church.

Survivors include four sons, Glen of Little Rock, Arkansas, Dale of Tulsa, Oklahoma, Kenneth of Lindale and Don of Phoenix, Arizona; two daughters.

ters, Mrs. Lynn Bratton of Warrington, Virginia and Caroline Montgomery of Deer Park; a sister, Mrs. Elva Nixon of Lubbock; 16 grandchildren and three great-grandchildren.

**CONWAY GAFFORD**

Services for David Conway Gafford, 66, of Lubbock were held at 10:00 a.m. Tuesday at Resthaven Chapel in Lubbock with the Rev. Jim Boswell, a retired Methodist minister from Abilene, officiating.

Burial was in Resthaven Memorial Park under direction of Resthaven Funeral Home.

Mr. Gafford died Saturday at a Lubbock business. Justice of the Peace L. J. Blalack ruled the death was of natural causes.

He was born in Lipan and moved to Turkey as a child with his parents. He married Edith Moore in 1940 in Childress. He was a veteran of the Air Force and was employed at the Red Raider Leasing Company in Lubbock.

He moved to Lubbock from Turkey in 1968. He was a Methodist.

Survivors include his wife; a son, Connie of Arlington; a daughter, Carol Smith of Lubbock; a sister, Jo Copeland of Lubbock; three brothers, George of Turkey, C. H. of Nampa, Idaho and Randy of Floydada; and five grandchildren.

Mr. and Mrs. Mel Carter of Lubbock spent the weekend with his parents, Mr. and Mrs. Ralph Carter in Quitaque. They returned their daughter, Melanie, home with them Sunday evening after she had spent the past week with her grandparents.

Mr. and Mrs. Bill Rucker of Canyon drove down Saturday and Mr. and Mrs. James May accompanied them on a trip down east. They had lunch in Stamford and later visited Mr. and Mrs. John King on Lake Stamford. They were surprised to find Mr. and Mrs. Ray Don King of Weatherford and Mr. and Mrs. Bill King of Colorado Springs, Colorado, who are spending some time with their son and family while living in their motor home at Weatherford. All the group had a good visit, the Mays report.

Miss Kayla Johnson of South Plains College in Levelland is

spending this week with her parents, Mr. and Mrs. Arnold Johnson, and her grandparents, Mr. and Mrs. James May. This is the Spring Break for Kayla.

 by Will

The State Board of Education has finally adopted rules concerning student promotion. Schools have progressed through this year with the knowledge that changes would eventually be made but were unable to make definite plans until the State Board acted. There are yet some clarifications to be made by the Austin Board, but for the most part, the rule is set.

Beginning September 1, 1985, for elementary students to be promoted from one grade level to the next, the students must attain an average of 70 or above in language arts and math. In addition, the students must also attain an overall average of 70 or above in language arts, math, social studies and science. For junior high students to be promoted to the next grade level, they must attain an overall average of 70 or above in all courses taken and an average of 70 or above in at least three of the following subjects: language arts, reading improvement (if required), math, social studies and science. The rule does not leave much margin for error.

Although the law and State Board rules prohibit social promotions, the State Board may adopt rules prescribing alternatives to social promotion. Students who are consistently unable to be promoted because of poor academic achievement may, under certain conditions, be allowed to be promoted even though sufficient grade stan

## The Superintendent's Corner

by Wilburn Leeper

The State Board of Education has finally adopted rules concerning student promotion. Schools have progressed through this year with the knowledge that changes would eventually be made but were unable to make definite plans until the State Board acted. There are yet some clarifications to be made by the Austin Board, but for the most part, the rule is set.

Beginning September 1, 1985, for elementary students to be promoted from one grade level to the next, the students must attain an average of 70 or above in language arts and math. In addition, the students must also attain an overall average of 70 or above in language arts, math, social studies and science. For junior high students to be promoted to the next grade level, they must attain an overall average of 70 or above in all courses taken and an average of 70 or above in at least three of the following subjects: language arts, reading improvement (if required), math, social studies and science. The rule does not leave much margin for error.

Although the law and State Board rules prohibit social promotions, the State Board may adopt rules prescribing alternatives to social promotion. Students who are consistently unable to be promoted because of poor academic achievement may, under certain conditions, be allowed to be promoted even though sufficient grade stan-

dards have not been reached. If alternatives are adopted, school districts may develop policies providing for parental participation in promotion deliberations.

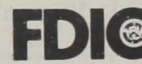

The rules provide that elementary and junior high students completing this 1984-85 school year will be promoted or retained based upon existing policies. Valley promotion policies provide for parent, teacher, and principal participation and considers the student age and maturity as well as earned grades. This year the earned grade will be considered above all other factors but the parents will be consulted before promotion deliberations are concluded.

State Representative Foster Whaley believes the small schools of fewer than 500 students can rest assured that the school consolidation bill is dead for the rest of this legislative session. Rep. Whaley bases this belief upon comments made by Senator Parker, Chairman of the Education Committee. Parker, while addressing constituents from his district, stated, "This bill will never get voted on in the Texas senate. Your school is not in jeopardy." Rep. Whaley says, "Let your blood pressure down, Wilburn—But, in time they will come at us again."

The Commissioner of Education has just named a number of organizations whose activities can be classified as "extracurricular" and are not a part of ULL.

Among the number, and in which Valley students participate, include FFA, FHA, 4-H and National Guild of Piano Teachers.

The announcement is important because students can now participate in these activities without being charged with an unexcused absence. Such absences, however, will be counted toward the 10-day extracurricular rule.

One parent of a student from Abilene told the Senate Education Committee that his son would miss almost all of the baseball season and a shot at a college scholarship, because of one poor grade on an otherwise good grade report.

The parent said his son made four A's, one B, and a 67 in geometry. Because of the grade below 70, he has been suspended for six weeks.

"We praise heartily only those who admire us."

LANA LEE FUSTON J. BRYAN BURSON

### Couple Planning To Marry May 25

Mr. and Mrs. James Fuston of Turkey announce the engagement of their daughter, Lana Lee, to J. Bryan Burson, son of Mr. and Mrs. Don Burson of Silverton.

The Church of Christ in Turkey will be the scene of the May 25th ceremony.

The bride-elect is a graduate of Valley High School and is now attending Texas Tech Health Sciences Center School of Nursing.

The prospective bridegroom is a graduate of Silverton High School and Texas Tech University.

### Mrs. McWilliams Gives Program Monday For "We the Women"

There were fifteen women in attendance at the March 11 meeting of "We the Women". The luncheon tables were decorated with daisies and a feeling of spring was in the air.

Mrs. Bob (Punk) McWilliams gave a very interesting program on gemstones in America. She had several stones on display that she had discovered through the years, including many local Flomot diamonds.

Plans are in full swing for the Chataugua which is coming up March 29. All women are urged

to attend the final planning meeting for the big event. This meeting will be held at 2:00 p.m. March 21 at the home of Mrs. Grady (Delene) Tyler.

The officers for 1985 are Clara Ruth Davidson, president; Joy Loper, vice president; Jill Flaughner, reporter; Donna Stark, secretary-treasurer.

The next meeting will be April 8. Everyone is urged to come out and support the new team.

Mr. and Mrs. Rusty Henson and Mr. and Mrs. Rex Harmon took five of the youth from First Baptist Church to Vernon Thursday night of last week to hear the musical group, "Praise," directed by Dallas Holmes in concert. They report it was very good.

### With The Sick

Henry Merrell of Hartley, brother-in-law of Mrs. Vivian Merrell of Quitaque and relative to others in Quitaque and area, fell at his home on the ranch Thursday and suffered a blood clot just over his eye, according to report. He underwent surgery at High Plains Hospital in Amarillo Friday and came through fine, and is recovering according to schedule the doctors report.

Mrs. Doyle (Betty Nan) Tiffin underwent major surgery at Central Plains Hospital in Plainview Friday. Her mother, Mrs. Mabel Tomlin of Silverton, reports she came through fine and is recovering well.

Paul Robertson has returned home after spending two days and nights at St. Anthony's Hospital in Amarillo for treatment. On Tuesday of this week he went back for a checkup.

Paul Meacham returned home on Friday from his daughter's home at Vega where he had been recuperating. He was accompanied by his wife and Mrs. Willis Walker.

Mr. and Mrs. Lewis Eudy had as guests for a supper Monday night Mrs. Leroy Roberts and Mrs. Roy Roberts of Amarillo, Mrs. Lewis Bostick of Matador and local residents, Mrs. Vera Guest, Truman Young and Mr. and Mrs. Byron Young.

Visitors in the Raymond Hamilton home on Thursday of last week were Mr. and Mrs. Claude Thomas of Plainview. Mrs. Thomas will be remembered here as Jessie Claxton. She and her husband visited the cemetery and her parents' graves before visiting the Hamiltons.

## It's easy-when you know the answers

All of life is not far removed from the classroom. There are truths to be learned every day. And there are questions to be answered.

But some people don't have the answer when they need it. And some people do...

Any teacher will tell you it's a question of preparation. And any preacher will tell you the same.

The people who go to church on Sunday have no more problems than those who stay home. Nor do they expect as a result to have any fewer.

They believe simply in preparation—preparation of the mind, conscience, heart and soul... faith.

This is the preparation God offers men... for the questions that will confront us all tomorrow!

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### Killian Is Speaker For Regular Meeting Of Turkey Lions Club

Kim Killian of Amarillo, representative of Coffee Memorial Blood Center, was speaker for the regular meeting of Turkey Lions Club Tuesday at noon at the Bob Wills Cafeteria.

Boss Lion Keith Green called the meeting to order and presented the speaker, who showed slides and told of the importance of the blood drives each year. The Blood Center serves 23 area hospitals encompassed within a 25-county, 100-mile radius, and is responsible for making sure that blood is available at all times for all persons, he said. The Center asks your support in these drives as they are so very important, Killian concluded. You may contact Boss Lion Green or other Lions for more information about the drive and how the donors receive credit for giving blood.

It was announced by Lion J. T. Mullin that the annual Mop and Broom Sale would be held at the Ford House all day Saturday, March 30. He asked your support in this drive as the money goes to the blind.

George Setliff received the pot of gold. Nineteen Lions were present along with the sweetheart and two guests. Mrs. Armstrong served a delicious lunch of barbecued ribs and all the trimmings with fruit cobbler for dessert, which everyone enjoyed.

### Extension Highlights

Dirk Aaron  
Briscoe County Extension Agent

Mild temperature and dry climate recently have sent farmers to the fields in preparation for this year's cotton crop. Pre-watering has begun and a majority of herbicide has been applied.

Wheat producers, beware! The greenbug has been spotted in various fields across the county, varying from small populations to extremely large populations. Watch your crop to determine if spraying might be necessary. To determine if you have a greenbug problem, first evaluate each field separately. Infested fields may have yellowed spots preceding the appearance of small deadened areas. Later the yellowed spots widened and spread throughout the field. Inspection for the greenbug can be made by slapping down the stand several times to one side. Then gently lean the crop back the other direction. Then inspect the uncovered ground for the greenbug. Make several random counts (preferably five per 20 acres) for those suspected fields. It is impractical to outline specific conditions when to use insecticides, but a good rule of thumb is, 25 to 50 greenbugs per foot of drill row in very young, small grain plants which may warrant treatment.

Last week I reported on the potential for Rust in our wheat crop, because the problem was found in counties south of us. Fortunately I have not seen any, and have not had any reported to me to date. Overall the wheat crop seems to be in outstanding shape. Fields that have not been

grazed are showing evidence of being affected by adverse temperatures, wind damage, and some insect problems in recent weeks. The critical time for our crop will be the next few months, when we will need some precipitation for those who will stay with a dryland crop and of course irrigation will be coming soon.

Mrs. Bud Bailey and Mrs. James Barefield were in Plainview to visit Mrs. T. J. Reeves on Tuesday of last week.

Mr. and Mrs. Eugene Corgill of Midland spent from Friday until Tuesday evening visiting her parents, Mr. and Mrs. Shorty Woods in Quitaque. Their son, Rodney Corgill, joined them for a short visit Sunday.

### Dr. Fuston Named Outstanding Man of Year at Childress

Dr. David Fuston was named Outstanding Man of the Year at the 74th Annual Chamber of Commerce Banquet held at Fair Park Auditorium in Childress recently.

Dr. Fuston was born and reared in Turkey and is the son of Mrs. Hazel Fuston. He has a veterinary hospital in Childress.

Brandon Stark returned home from Central Plains Hospital Saturday after spending two weeks there. He is scheduled to go back to the doctor Friday and will know then if he can return to school.

Mr. and Mrs. Corky Davis of Amarillo were guests for lunch and an afternoon visit in the home of her parents, Mr. and Mrs. Lon McKay in Quitaque on Sunday.

In the afternoon, the McKays and the Davises toured Caprock Canyons State Park. They drove on to Turkey and visited Curtis Tunnell.

Mr. and Mrs. Gordon Bain visited Sunday night in Canyon with their granddaughter and family, Mr. and Mrs. Tim Parker, Callie and Evan. They have also visited their daughter, Mrs. Billy Joe Turner of Lockney, at Central Plains Hospital in Plainview, where she had surgery and is doing real well.

Mr. and Mrs. Keith Green and

Kaylene spent the weekend in Plains with Bettie's mother, Mrs. Robert Chambliss.

Mr. and Mrs. Bobby Brunson of Edmonson visited her parents, Mr. and Mrs. James Kimbell, in Quitaque for a short time Sunday. He is recovering well from a heart attack, they report.

Mrs. Vivian Merrell and son, Billy, of Quitaque, and daughter and husband, Mr. and Mrs. Gale McPherson of Lockney visited Henry Merrell at High Plains Hospital in Amarillo Sunday. Mr. Merrell had undergone surgery after receiving a fall a few days before.

Miss Dian Bowman of Pampa visited her grandmother, Mrs. Edna Taylor, in Quitaque Sunday.

Pack 264 had its annual "march" on Sunday, March 10. The pack divided into its separate dens to cover the City of Turkey.

Den III included Kyle Mars, Danny House and Dee Robison, directed by Pat House.

Den II was composed of Jason Smith, David Lane, Garrett Mills and was directed by Becky Lane.

Den I included Chad Calvert, Henry McNary and Tommy Pinkerton, directed by Margie Pinkerton.

Following the "march," the boys met at the Pinkerton home for a short business meeting to count their money and to discuss future activities. The boys collected \$187.08 which will be sent to the West Texas Rehab Center in Abilene.

Refreshments of punch and chocolate chip cookies were served.

Some of the boys played horseshoes with the Pack's horseshoe set purchased with donations of green stamps.

Tentative plans were made for

a trip to Lubbock on April 13. The Pack expresses its sincere thanks to all who donated to this project, and a special thanks to Pat House and Becky Lane for their help.

Mrs. Gene Fuston and Mrs. Roy Patterson were in Dimmitt on Saturday for a luncheon at the

home of Plainview District United Methodist Women's president, Mrs. Frank Wise. Other members of the district team of officers were present for a short meeting to make plans for district work.

Cappy Wise of Plainview spent Sunday visiting in the Truman

Merrell home, Sunday afternoon, Truman and Cappy hunted rattlesnake dens and killed fifteen rattlers. Mrs. Merrell tells the Tribune that the men were as excited as two children. The snakes are just coming out of hibernation and lie on the rocks near their dens at this time of year and if the men can find them and kill them this early, it saves the loss of cattle and maybe people being bitten later in the season.

Joey Barefield of Amarillo spent the weekend in Quitaque with his parents, Mr. and Mrs. James Barefield.

Visitors over the weekend in the home of Mr. and Mrs. R. C. Green were her sisters, Mrs. Gordon Montague of Plainview and Mr. and Mrs. Chester Strickland of Lubbock. They attended church services at First United Methodist Church with the Greens and in the afternoon the group visited at Caprock Canyons State Park. On Sunday night, the group and Mr. and Mrs. Keith Green were supper guests of the R. C. Greens.

Mrs. Jessie Coker has returned to her home after spending several weeks visiting with her children.

THURSDAY, MARCH 14, 1985  
**Melinda Hinkson Wins AQHA Awards**

The American Quarter Horse Association has recently recognized Melinda Hinkson and her 1979 red sorrel stallion, Sociable Sonny, as being in the top ten in the nation in amateur trail, for 1984.

To accomplish her third-place standing, the former Turkey area resident showed in the Texas Panhandle and South Plains area and made one trip into Kansas to earn 24 AQHA amateur trail points.

Trail class consists of six obstacles which must include opening and closing a gate, crossing over a bridge and riding over logs. Other obstacles may be variations of side passing over obstacles, back through pattern carrying objects, opening a mailbox or putting on a slicker. For this class, Melinda spent many hours training A Sociable Sonny, working on their style of showing and gaining confidence over a variety of natural and manmade obstacles.

This horse and rider team were also recognized for their show ring accomplishments in other performance classes in area and state Quarter Horse Associations. They were high point open and amateur around winners and winners in ten individual classes for Panhandle Quarter Horse Exhibition Association. For the Quarter Horse Association of West Texas, Melinda and Sonny were the all around amateur winners and reserve open performance horse. They also won four individual amateur class awards. They received belt buckles from the Golden Spread Quarter Horse Association as the open performance high point horse and high point all around amateur team. And they won seven individual class awards and placed in three other classes.

Another highlight of 1984 was being recognized as the high point all around amateur for the Texas Amateur Quarter Horse Association.

Melinda and Sonny were all winners of the western pleasure award and placed second and third in six other classes.

The individual classes they received awards or recognition for, from these associations

**NOTICE OF CITY OFFICERS ELECTION**  
 Turkey, Texas

Notice is hereby given that general city election will be held on the 6th day of April, 1985 for the purpose of electing the following officers:

The last day for absentee balloting will be April 2, 1985. Dated this 12th day of March, 1985.

**Melinda Hinkson Wins AQHA Awards**

The American Quarter Horse Association has recently recognized Melinda Hinkson and her 1979 red sorrel stallion, A Sociable Sonny, as being in the top ten in the nation in amateur trail, for 1984.

To accomplish her third-place standing, the former Turkey area resident showed in the Texas Panhandle and South Plains area and made one trip into Kansas to earn 24 AQHA amateur trail points.

Trail class consists of six obstacles which must include opening and closing a gate, crossing over a bridge and riding over logs. Other obstacles may be variations of side passing over obstacles, back through patterns, carrying objects, opening a mail box or putting on a slicker. For this class, Melinda spent many hours training A Sociable Sonny, working on their style of showing and gaining confidence over all kinds of natural and manmade obstacles.

This horse and rider team were also recognized for their show ring accomplishments in other performance classes by area and state Quarter Horse Associations. They were high point open and amateur all around winners and winners of ten individual classes for Panhandle Quarter Horse Exhibitors Association. For the Quarter Horse Association of West Texas, Melinda and Sonny were the all around amateur winners and reserve open performance horse. They also won four individual amateur class awards. They received belt buckles from the Golden Spread Quarter Horse Association as the open performance high point horse and high point all around amateur team. And they won seven individual class awards and placed in three other classes.

Another highlight of 1984 was being recognized as the high point all around amateur for the Texas Amateur Quarter Horse Association.

Melinda and Sonny were also winners of the western pleasure award and placed second and third in six other classes.

The individual classes they received awards or recognition for, from these associations,

were hunter under saddle, hunt seat equitation, western pleasure, horsemanship, trail, western riding, reining, barrel racing and pole bending.

Also in 1984, this team earned 90 AQHA performance points in six events, 28 AQHA amateur all around trophies and numerous show circuit awards.

Melinda is married to Mike Hinkson and they have a son, five-year-old Landon. The family has recently sold their ranch interests east of Turkey and purchased a ranch in Matfield Green, Kansas.

Mr. and Mrs. Elgin Conner and girls were in Petersburg Sunday. He spoke at the Eastside Church of Christ at both services. They were guests for lunch with the Larry Lyde family.

**LEGUMES FOR SOUTHERN TEXAS**

Variety demonstrations in a number of southern Texas counties have shown that clovers can boost overall forage production and quality, says a forage specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Clovers, which are legumes, fix their own nitrogen; produce high quality forage that can boost cow pregnancy rates, calf crops and weaning weights; and extend the grazing season in winter and early spring to reduce supplemental feed costs.

**FAT COWS HAVE MORE CALVES**

Cows in good condition have higher pregnancy rates, wean

heavier calves and are ready to rebreed sooner, notes a beef cattle specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

A cow's body condition can be

scored on the basis of fat cover over the spine, ribs, hook bones and pin bones. On a scale of one to nine, cows scoring a five or higher have been found to have higher pregnancy rates than those with lower scores.

**It's Such a Big World**

Some folks say that as we grow older the world grows smaller. Is that because of the wonders of modern communication and transportation? Or is it because when some folks grow older they become preoccupied with their own little orbit of life?

Junior certainly enters life completely preoccupied with himself. But once he begins to walk and talk—gosh how his world balloons!

That's why he needs the religious training our churches provide. His faith must keep pace with his burgeoning world.

And as grown-ups, in worship and Christian devotion, we need likewise the spiritual gifts our churches offer.

For it really is a big world. Full of challenges, opportunities, and promising tomorrows. It always looks that way to a growing soul.

## CARDS OF THANKS

We would like to thank all our friends who helped us and remembered us while Mr. Polendo was in the hospital at Floydada, and since he has been home. Thank you, especially, for your prayers.  
Pablo Leal and family

Thanks to all my friends for their visits, cards and phone calls. They sure made my two weeks stay in the hospital more tolerable.  
Brandon Stark

I want to thank all my friends for all the cards and phone calls while I was in the hospital and thanks to the Quitaque Ambulance Service who transported me with a special thanks to the EMTs—except one!  
James Cathey

We would like to say "thank you" to our friends who have been so good to us while Velma was in the hospital and since she has returned home. We appreciated so much the calls, cards, visits and the good food brought to us. May God bless each of you.  
Jack and Velma Lacy

Hello to all my friends. I am home once more. Words cannot express my gratitude to all of you for the cards, flowers and visits, but most of all, your prayers during my stay in the hospital. I continue to enjoy your visits.  
May God bless each of you.  
Edna Taylor

We would like to thank all our friends for your words of com-

fort, the floral offerings, the First Baptist Church for use of their facility and food that was brought. May God bless each of you.

The family of Laura Wyatt

**HERE ARE THREE GOOD REASONS WHY YOU SHOULD PRE-PLAN YOUR FUNERAL ARRANGEMENTS**

- 1. YOUR FAMILY.** Spare your family from the difficult decisions during a difficult time.
- 2. SAVING MONEY.** Although not a requirement for pre-arrangement, pre-payment safeguards your arrangements from costly inflation.
- 3. PEACE OF MIND.** Planning ahead provides the satisfaction of knowing everything is taken care of according to your wishes.

To receive further information, please call us and ask for our informative brochure, "A FACT OF LIFE," and receive a handy organizer as seen in our television advertisement.
