Valley Patriots Defeat Miami, 54-44

by Coach Gilmore

After a super effort in the first half and a great second half comeback by Miami, Valley earned its second win of the season Friday night at Patriot Stadium with a 54-44 win.

Leading the way for the Patriots were Kirk Garner, Clay Edwards and Bubba Clardy who combined for 554 yards rushing. A strong blocking effort was produced by Chad Powell, Cory Pointer and Tommy Pinkerton. "The line did a great job of opening holes against a quick defensive front of Miami." Gifted/Talented Program Planned At Valley Schools

The Turkey-Quitaque ISD will begin implementation of a Gifted and Talented program for all grades, K-12 this school year. The G/T program will be designed to address the curricular needs of identified bright students who show particular talent in the academic areas of school. The mandated program requires that school districts identify and recognize up to five percent of the student enrollment and serve the students with a gifted/talented program. The state will fund programs which identify and serve no more than 5 percent of the enrollment.

Establishing and implementing a gifted/talented program, especially in the small school can be somewhat difficult. All teachers involved in the program will need additional training, the curriculum will become more

BIBLE SERVICES

The purpose of the meetings is to awaken a deeper

interest in the Bible, in the truth that Jesus Christ lived and taught, to bring the faith of Jesus to those who do

not have it, and to strengthen the faith of those who do.

No appeals are made for money; no books are for sale.
We are not here to condem, but to help. These services
are reverent, scriptural and brief. We are in fellowship
with Christians all over the world whose worship is the
same as those we read of in the New Testament.

Fairmont Church Plans Reunion

To all former pastors, members and friends of the community of

The Fairmont Missionary Baptist Church is hosting "The Fairmont Renuion at the Church." We welcome all to come and join in this special day. Let your memories lead you back on Sunday, October 14, 1990.

Morning service will be at 10:30 a.m. with dinner on the ground to follow. We will save the afternoon for lots of good visiting. The church building is still the same size but there will be plenty of benches and chairs and if the Lord is willing we will have a brush arbor for shade.

Worship began in the old Fair-mont School in the 1920's and was later held in Neal Smith Store. In the early 1930's the Lord answered many prayers as the church build ing was built. The rain filled a nearby pond to provide the water for mixing the cement. The blessings have been endless through

the years.

Please come and be a part of this reunion. Also, if you have pictures or would like to write about a special memory we would like to share these with others in a display. We hope to see you at "the

by Coach Browning After leading 21 to 20 at the half mistakes cost us dearly in the sec-ond half. We just could not get any offense going in the second half. We lost 4 fumbles and had several mishandled snaps from the center. Our offensive line blocked well at times but we missed several key blocks. At times we really looked sharp and moved the ball down the

field for good yardage Defensively we hit hard causing 6 fumbles recovering 5. One was caught in the air and returned 17 yards for a touchdown. We gave up too many big plays mainly due to bad tackling. We gave up a couple of scores on fluke plays but over all we

have to do a better job of tackling. We feel like if we can do a better job blocking away from the play and start gang tackling again on de-fense we will get back into the win column this week against Lefors.
