Brief Storm Hits Quitaque Tuesday with Some Damage

Students Register Friday, Classes Begin Monday At Valley Schools

Students will register Friday at Valley for the 1978-79 school year, and classes will get underway for everyone on Monday with the exception of the Kindergarten class which must wait until September 18 because of a medical problem.

The faculty is complete for Valley and, according to Supt. Wilburn Leeper, all is in readiness for the new school year.

The faculty lineup is as follows: Special Reading: Mrs. Ann Coker and Jan Cobb; Special Reading: Mrs. Marcella Patterson; Kindergarten: Mrs. Barbara Eudy; First Grade: Mrs. Mary Beth Adamson and Mrs. Marilyn Lane; Second Grade: Mrs. Jacqueline Crump and Mrs. Johanna Roberson; Third Grade: Mrs. Mary Pigg and Bill Thefall; Fourth Grade: Cheryl Merrell; Fifth Grade: Ann Jones. Junior High teachers are George

Duncan, Zelda Leeper, Peggy Brannon, and Jerry Bob Smith is the Junior High Counselor.

High School teachers are Jay Eudy, Vocational Agriculture; Nancy McNabb, Homemaking; Jo Mae Merrell, Math; Betty Nan Tiffin, English; Betty Green, Business; U. F. Coker, History; Robert Phelps, Science and Coach; Tandy Medford, English and Coach; Steve Adams, Health and Coach; Ted Giddens, Health, P. E. and Coach.

Teachers' aides are Jan Wheeler, Maria Leal, Teresa Mullin, Terry Giddens, Lucy Castillo and Jane Meacham. Myra Brown is school librarian; Jean Rice is school secretary; Josie Cagle and Wille Grace Majors are school business managers. Wilburn Leeper is Superintendent of Schools and Jerry Maupin is School Principal.

Notice To The Public

We have a problem in Turkey with our traffic signals on the streets off the main highways. There have been four traffic accidents at intersections within the last three weeks, three of them happening this past week.

The public has the impression due to the stop signs we've had on our streets in the past and what few existing signs we still have, that the right-of-way was our streets running north and south and the stop signs were on our streets running east and west. According to the tickets that have been issued by the Highway Patrol, this is no longer true.

The traffic has picked up faster on our paved streets running east and west.

The Highway Patrol states to those receiving tickets that the paved streets have the right-of-way over dirt streets and at intersections on the paved streets where there are no stop signs a person has to yield to the vehicle at his right when arriving at the paved intersection. The public needs to be aware of these problems in our traffic.

You have been accustomed to the stop signs and knew where they existed in the past, but the Highway Patrol will not take your word for these non-existing stop signs.

Our stop signs were knocked down at places and taken down by youth who thought it was smart to remove a stop sign. These same youth are probably driving these streets as adults today. Citizens are receiving tickets where they had the impression they had the right-of-way; therefore, everyone needs to be more cautious at our intersections.

Turkey Lions Have Regular Meeting

The regular meeting of the Turkey Lions Club was held Tuesday, August 22, at the Big "T" Restaurant. The meeting was opened by Boss Lion Keith Green. The Pledge of Allegiance was led by George Settiff and the invocation was given by Rev. Elroy Wislan.

The guest speaker was Bill Hale, candidate for state representative from the 66th District. Hale, who is from Floydada, presented an interesting talk on what Texas tax money is spent for. He also gave a short history of himself and his reasons for seeking election to a political office.

The meeting was closed by Boss Lion Green.

YOUNG ADULTS ENJOY RETREAT

The young adults of the First Baptist Church in Quitaque attended a Christian Growth Retreat at Plains Baptist Assembly Camp near Floydada overnight on Friday, August 18.

David Garrett of Mesquite was leader of the retreat.

Bible study, fun and fellowship were enjoyed by the eighteen people attending.

Mr. and Mrs. Ronald Lynn Mullin and children spent part of last week and this week vacationing at South Fork, Colorado.

Quitaque was hit briefly with a thunderstorm that left some damage in the form of broken tree limbs, damaged rooftops, awnings, light wires and one place of business lost a rooftop to a high wind that was probably just a straight wind. About half an inch of rain was dumped in the process, the downpour lasting only a very few minutes.

The brief storm occurred about a quarter of five Tuesday afternoon, moving in from the southwest. This reporter was in Turkey and he could see the rainfall in the Quitaque area. No rain fell until we reached the vicinity of the cemetery road but the height of the storm was reached at the Edmonds home when the rain became so heavy it was impossible to see the road ahead. Fortunately that heavy downpour lasted only a short time.

The dip in the street at Ocean's Service was running full. The storm unroofed the building on West Main and deposited it on

the north side of Main in front of Caprock Home Center and the old tailor shop atop two pickup trucks and an automobile, knocking out a plate glass in the lumber yard building. Some electrical wiring on the street light at Brunson's Supply was pulled loose. Down the street the power was knocked out at Wilma's Grocery and in the old barber shop building next door when a tree hit the wires.

Ocean's Service had a sign blown down. Tiffin's Laundry had its awning blown down along with a plate glass window. The Buddy Morris home suffered roof damage. A lot of trash cans were blown around. This was just some of the damage. There is more that has not been reported yet.

It has been reported that the winds reached 90 miles per hour. The members of the fire department quickly went to work and soon had the streets cleared of the tin from the rooftop that littered the town.

Economic Emergency Farm Loans Available Through FmHA

A new Economic Emergency loan service for farmers (or, farmers and ranchers) who have financial problems caused by credit shortage or cost-price squeeze is now in effect through the U. S. Farmers Home Administration (FmHA).

George H. James, jr., the agency's supervisor for Briscoe and Swisher counties, reports that FmHA is prepared to take applications at the FmHA Swisher County Office in Tulla, or the Briscoe County Office in Silverton.

Economic Emergency loans are authorized under the Agricultural Credit Act of 1978 signed by President Carter August 4. They offer special help to farmers who are hard-pressed by recent shortage of credit from their regular lenders, or by debts accumulated during the recent period of low farm prices.

James said the Economic Emergency loan program was enacted by Congress, with Administration support, in recognition of the fact that "economic conditions, as well as weather, are often beyond farmers' control." FmHA emergency credit has previously been confined to loans for recovery from natural disaster, or the guarantee of private lenders' loans to livestock producers affected by economic conditions.

Under the new Economic Emergency program, any established farm operator—individual, partnership, corporation or cooperative—experiencing scarce credit or an overload of debt coming due, may apply for up to \$400,000 of credit through FmHA in order to survive in farming and continue their normal level of operation. Economic Emergency loans will not be made to expand a farm operation.

Loans made directly by FmHA will be at an interest rate equivalent to the cost of money secured by the government through sale of its securities to the public, plus an administrative add-on of up to one percent. The rate initially will be 8 3/4%. Guaranteed loans will be made at rates negotiated between borrower and lender, with FmHA providing the lender up to a 90% guarantee again-

Saturday Sizzling Specials Being Promoted In Quitaque

Merchants in Quitaque are starting a promotion to improve community spirit and keep some of the trade at home to work for the community.

A neighboring town recently lost its last grocery store because all the business was going out of town, and now each person has to drive fifteen miles to the nearest town to purchase a loaf of bread or a carton of milk.

How many times a day do YOU go to the grocery store, to the dry goods store for a spool of thread or a pair of socks, or to the hardware store to purchase nails or screws, or to the lumber yard to buy a length of lumber for

repair. These things are taken for granted, but it would be COSTLY to drive out of town to purchase them.

Remember the good fellowship we had when we only went to town once a week, on Saturdays, to make our purchases? The visiting that we don't have time for now is because of television and other interference.

LET'S TRY IT AGAIN!

On another page of this newspaper, you will find a full page advertisement with bargains your merchants are giving you to buy at home. We hope you will take advantage of these specials and promote our town.

Patriots To Scrimmage At Kress

New head coach Ted Giddens reports that preparations for the upcoming football opener, still a couple of weeks away, are proceeding just about normally and he and his assistants, Steve Adams and Robert Phelps, as well as the fans will get a glimpse of what to expect when the Patriots travel to Kress Friday afternoon for the first outside scrimmage of the new season.

The Patriots suffered an early blow last week when Kenneth Helms, the Patriots' big power running back underwent surgery for removal of his appendix on Wednesday of last week. Coach Giddens says that Kenneth will miss the first regular season game with Crosbyton but that he hopes to use him some in the second

game against Ralls if he continues to recover well. Kenneth is home and was able to attend church last Sunday.

Coach Giddens reports that sophomore James McNary is running in the spot that Kenneth would be operating out of. The coach also reported that Jeff Crump and little brother Ken (the coach said he had been looking real good in workouts) had knee injuries which he hopes are not serious. Jimmy Lacy has suffered cracked ribs and will be out of action for three or four weeks.

The coach is moving Jon Davidson from center to end, and a pair of huskies, Vance Price and Dennis Farley, are scrapping it out for the center position. Quarterback Kirk Proctor is looking real good, according to the coach. And then there is Darrell Dowd, who just happens to be one of the better running backs in these (or any other) parts. Darrell advanced the ball just two steps under 1500 yards and scored some 16 touchdowns in the process. Darrell is a real fine defensive football player also. If Darrell stays healthy he will leave behind some great footsteps for future Valley gridders to try to equal.

Fans can drive up to Kress Friday afternoon and see the Patriots in action beginning about 5:30 o'clock.

McGOWEN REUNION TO BE HELD SUNDAY

The McGowen reunion is to be held at the Silverton school cafeteria Sunday, August 27. Friends of the family are invited to attend. Swimming, boating and water skiing will be available.

Susan Mann, daughter of Mr. and Mrs. Milton Mann of Clarendon, is spending this week visiting in Turkey with her grandparents, Mr. and Mrs. Michie Maupin.

Valley View Addition. The editors want to join the rest of the community in welcoming this couple into our midst, and hope they will enjoy living here.

Quitaque Has A New Business

On Monday, August 14, a business transaction was completed between H. G. Boyles of the Boyles Oil Company and David Gruhlkey, new owner of Caprock Filling Station, located on the outskirts of town on the west. Boyles has been in business in Quitaque and the surrounding area for the past twelve years. The Quitaque native moved here from Silverton.

Mr. and Mrs. (David and Rebecca) Gruhlkey and 19-month-old Jeremy are from Amarillo. He was in the service station and used car business there for the past eight years.

Mr. Gruhlkey is a native of Adrian, having finished high school there. He finished Clarendon College and attended West Texas State University at Canyon. His parents, Mr. and Mrs. C. D. Gruhlkey, now make their home in Marble Falls.

Mrs. Gruhlkey is an Amarillo native, having finished Tascosa High School there. She attended WTSU at Canyon and Texas Tech at Lubbock. She is a niece of Judge Mary Lou Robinson of Amarillo.

The couple is at home in the

American Agriculture Fish Fry Held

The local chapter of the American Agriculture Movement held a fish fry in the Babe Chandler barn on Main Street Saturday night, August 19, with approximately 100 people enjoying the occasion. Before the fish fry began, a film was shown of the February Chili Supper.

The meal consisted of fish, hush puppies, French fries, salads, pinto beans, pies, cakes, iced tea and cold drinks. The most of the crowd were home folk, but some came from Turkey, Silverton and Tulla. They report 100 pounds of fish were consumed.

The Triad Sale held in downtown Quitaque Saturday proved to be a success, according to report to the Tribune. The antiques sold well, and the bake sale received a good turnout, they report.

The AAM is keeping two representatives in Washington at quite an expense. They report that Senator Tower asks that they report back to Washington in full force in January. The movement has finally gotten the attention of the lawmakers on the plight of the American Farmer. They need our support and encouragement.

To Receive American Farmer Degree

The Valley Agriculture Department has received word from the Texas Education Agency that Jeff Tiffin of Quitaque has been ap-

proved for the American Farmer Degree.

Son of Spud and Betty Nan Tiffin, he will receive an expenses paid trip to Kansas City, Missouri in November. The degree will be awarded at the National Convention.

The State of Texas had a total of 50 young men approved for the award in Production Agriculture.

"TRIPLE L" CLUB

ATTENDS TEXAS DRAMA

by Lolla Belle Harmon

The bus of First Baptist Church in Quitaque left at 4:30 Monday afternoon with nineteen members of the "Triple L" Club (Live Longer and Like It) aboard to drive to Palo Duro Canyon to see the drama, "TEXAS!" Rev. Frank Robertson drove the bus. Mrs. Robertson, the Rev. George Price, pastor of the Methodist Church, and his wife, Karen, and her grandmother, Mrs. Cardinal of Lockney, Nancy McNabb and Krista Farley accompanied the members.

The group arrived at the state park at 6:30 and enjoyed a picnic before show time. Those who had seen the show before declare this was the best performance they had seen. Those seeing it for the first time enjoyed it very much. The ride home was considerably quieter than the one going, and when they arrived home about 1:30 a.m. Tuesday, everyone was tired but happy and glad they had the opportunity to see "TEXAS!"

Auxiliary To Hold Watermelon Feast

The Turkey Fire Department's Women's Auxiliary is holding a watermelon feast Saturday, August 26, from 5:00 until 9:00 p.m. in the City Park. There will be games, such as sack races, horse-shoe pitching, tricycle races and more.

Barbecue, hamburgers and ice cold watermelon will be on sale. All proceeds will go to the 1980 Fire Truck Fund. There will be seating available for those who would like to watch the activities. Fun for all!

Boyles Reunion Held Here Sunday

The Boyles Reunion was held Sunday, August 20, in the Quitaque Community Center with approximately forty in attendance.

Those present were Pauline McKnight, Doris Crump, Mr. and Mrs. Bobbie Crump, Mr. and Mrs. J. T. Rogers, jr., Plainview; Mr. and Mrs. Kelsie Mayfield, Brenda and Teresa Mayfield, Mr. and Mrs. Don Ferguson, Lubbock; Mr. and Mrs. Tate Boyles, Mr. and Mrs. J. J. McCay, Mrs. Audie Kimbell, Mrs. Lavoyda Hill, Alice Hill, Amarillo; Mr. and Mrs. Clifford McBride, Mr. and Mrs. Jerry Hacker, Bowie; Mr. and Mrs. Corky Kimbell and Roy, Shamrock; Mr. and Mrs. David Meek and sons, Moore, Oklahoma; Mary Lee Waters, Silverton; Cecil Boyles, Paducah; Glenn, Sue and Jo Beth Monk, Bovina; H. G. Boyles and Minnie Mae Roberson, Quitaque.

They enjoyed a bountiful meal and visiting. Afternoon visitors were Yolanda Roberson, Jana Boyles, Fish Wilson, Jim Stell and James Brunson.

Mr. and Mrs. H. B. Finney of Quitaque and Mrs. Ron Kaiser of Plainview drove to Wichita Falls Tuesday of last week to visit Mr. Finney's sister, Mr. and Mrs. H. C. Reed. They drove from there to Gotebo, Oklahoma to visit another sister, Mr. and Mrs. C. W. Shaw, Tuesday night. They returned by Wellington Wednesday and stopped for coffee and had a nice visit with Willie Gragson, who was also in the coffee shop.

Shaylyn and Kari Elmore spent ten days with their grandparents, Mr. and Mrs. J. T. Mullin, while their parents, Rick and Glenna Elmore, were vacationing at Padre Island, Galveston and Houston.

ONE IDEA OF GOD

At the entrance to the valley where they buried their kings an ancient and industrious people carved the Sphinx.

This was their idea of God: the body of a lion, suggesting power . . . the face of a man, suggesting personality . . . the whole amazing image suggesting their belief in a MIGHTY deity who could be KNOWN.

Today, in our churches, we worship God as Jesus Christ revealed Him: almighty but merciful . . . knowing and eager to be known . . . loving man and seeking man's love . . . saving all who believe in their Saviour — His Son!

Can the ancient Sphinx have any significance for men and women like ourselves who have before us the Gospel and example of Christ?

Only this: As long as it remains, the awesome Sphinx will remind us of man's search for God. Just as our own church bells remind us of our opportunity to know, love, and serve Him!

Visiting in the home of Mr. and Mrs. Aubrey Turner on Monday of this week were Mr. and Mrs. Oscar Turner of Amarillo and Mrs. Mary Gardner of Childress.

FERGUSON—FORD VOWS EXCHANGED

A well-known couple, Byron Ford and Mrs. Linda Ferguson of Turkey were united in marriage on August 5, 1978 at Muleshoe. The ceremony was performed by Mr. Ford's partner in farm and ranch holdings near Turkey, the Rev. David Hamblin, minister of the Methodist Church at Muleshoe. The couple's only attendants were Mr. and Mrs. Brent Mullin of Turkey.

The couple left immediately following the ceremony for a wedding trip through the Painted Desert, Petrified Forest, Meteor Crater, Grand Canyon, Knott's Berry Farm, Disneyland and the Magic

Mountain. They returned by Gallup, New Mexico, where they visited several days with her daughter and son-in-law, Connie and Bob Dvorak.

Mr. and Mrs. Robert Pierce and sons, Howard and Tommy of Vernon spent the weekend visiting with his parents, Mr. and Mrs. Tom Pierce.

Mrs. Herman Smith of Amarillo spent several days visiting in Turkey in the home of her sister, Mr. and Mrs. Lee Seymour.

Mrs. Irvin Seymour has secured a position of employment in a store in Floydada. She went to work Monday prior to the family moving there.

Mr. and Mrs. R. A. White of Tulia visited his sister and husband, Mr. and Mrs. P. John Monk, in Quitaque Sunday. They attended services at the Church of Christ.

Mr. and Mrs. Dellis Monk of Lubbock visited his parents, Mr.

and Mrs. P. John Monk Tuesday of this week.

The Tribune publishers had a coincidental experience Sunday at noon. They drove in to park at the Sportsman Restaurant, prior to driving to Plainview to visit Gaston's mother, and a car drove in beside them. A couple got out of the car and we both began talking to them, asking about their move to Knox City. They replied they had only moved across town in Bronte.

To explain, the Tribune had received a renewal from the Dick Evatts on Saturday, stating they were moving from Rotan to Knox City and to change their address. We were talking to the Paul Subletts of Bronte Sunday. They were here visiting the Grady Tylers. All three families are employees of West Texas Utilities and Dick Evatt and Paul Sublett both are former managers of WTU in Quitaque. Mrs. Tyler is secretary in the office here and was employed in that capacity during the time the others were here.

Mr. and Mrs. J. T. Persons left Quitaque Friday, August 11, driving to Burleson, where they spent the night with their granddaughter and husband, the Rusty Easons. The next night they spent with their daughter and family, the Rayford Hewetts. They visited another daughter and family, the George Kaethers and Susie, all in Alvarado. They returned home Sunday evening, reporting a good time.

Mr. and Mrs. Lloyd Wellman of Shallowater visited their son and wife, Mr. and Mrs. Jack Wellman, in Quitaque over the weekend. They also visited his mother, Mrs. W. E. Wellman, and his sister, Mrs. Fay Cawley, in Turkey.

The Gaston Owens received a telephone call Tuesday morning early telling of the death of a good friend in Wichita Falls, Mrs. Bob Miller. The daughter-in-law who called stated that Bob and Mozelle had been in a bad automobile accident May 21 and Bob was killed. Mozelle had never regained consciousness. Several of our readers know this couple and we are sad to report this news. The Millers had two sons the elder with whom Gaston worked at Wichita Printing.

Mrs. A. E. (Cora) Gragon entered Highland Hospital in Lubbock Tuesday morning for surgery on both hips. She will have the right hip repaired, then after a period of convalescence, she will have the other repaired before she returns to her home. She is scheduled for surgery Friday, August 26.

Mrs. Delila McFall visited her son and family, Mr. and Mrs. Sid McFall, jr., at Matador Tuesday night of last week. Sid is slowly recovering from recent surgery, but, according to report by his mother, is in good condition.

Doe Williams was a patient at Swisher Memorial Hospital in Tulia from Saturday through Monday of the past week.

Mr. and Mrs. Clyde Patterson of

Wichita Falls spent Saturday night with the J. A. McKays in Quitaque. They all attended the funeral services for Danny Lynn McKay in Bovina Sunday. Danny was a great-nephew of the couples and

of the Lon McKays, also of Quitaque. The young man's body was found last week on a paved county road northwest of Seminole, Texas, in a burned-out pickup. He

had left Bovina the night before for Dallas and the family had no idea why he was in Seminole unless there was foul play.

He is survived by his wife, of the home; his parents, the Elmer

McKays and a sister, Wanda, of Lubbock, and three brothers, Jerry and Bennie of Dimmitt and Earnest of New Boston. This family were former residents of Turkey.

A NEW HIGH YIELDING 6 MONTHS SAVINGS CERTIFICATE

New regulations permit us to issue a 6 months savings certificate yielding a higher rate than the 6 months treasury bills.

This is a good opportunity for you to earn above average interest on a short term basis.

A new rate each week.

Special Tax Package Mixed Bag For Farmers, Rural School Districts

Instructions from the special tax session that the members of the 66th Legislature meeting in 1979 shall write a formula for taxing farmland on productive values and a substantial increase in the inheritance tax exemption look good. So says the Texas Farmers Union. But there are other questions unresolved according to the statewide organization.

"It appears the real trick to the whole package is distinguishing between instructions to the regular session on what SHALL be done and what MAY be done," says TFU President Jay Naman of Waco. "If voters approve the measure in November, lawmakers must write provisions for a productivity tax on farmland, give homeowners some small relief and further help the aged."

"After you've whittled away a

little from the tax rolls," Naman continued, "you must make up the difference somehow. And without any real reform of the system, you still have the same basic people providing the same revenue by only a slightly altered process. It's critically important that the legislature has set aside \$450 million for reimbursement to districts due to exemptions. But no formula was written as to HOW the state's money will be distributed. Rural school districts must place confidence in legislators to do the right thing in January. It's up to individuals and organizations like Farmers Union to watch over the next session and see to it they do the proper thing."

Texas Farmers Union has been one of the organizations seeking an increase in inheritance tax exemptions, and the increase to

\$200,000 up to \$300,000 by 1985 is praised "for the ability it will provide farm families to hold onto hard earned equity through generations." TFU spokesmen say they also applaud the exemption on utility sales taxes and the increased relief for homeowners and a freeze on taxes paid by the elderly.

"The most disappointing thing," says Naman, "is that large corporate interests, already paying far less than their fair share, hovered over the capitol to assure they, too, had their big bite of the tax relief pie."

TFU has opposed the inclusion of large corporations, speculators and huge timber interests in the productivity tax designed for farmers. The farm organization has also supported suits brought by taxpayers in Gainesville, Leander, and San Augustine which claim that all properties (real and intangible) are not being taxed equally. With a clause in the tax package that says the legislature "may" exclude intangible property and erase existing laws that are intended to tax all property, the Farmers Union says it fears that the issue in the lawsuits may be ruled unsupportable.

"There's nothing black or white about this package," concludes Naman. "We need to underline the good in it. We also must see to it that rural school districts benefit on equal terms with urban districts if and when the bits of relief get passed around. But the final measurement against real reform must leave us with the ultimate conclusion that those who hoped that Texas lawmakers would provide worthwhile tax re-

HALL COUNTY PICNIC PLANS DISCUSSED

Plans for the Hall County Picnic were discussed Friday, August 4, in the Memphis Council Room of the Community Center by the Hall County Picnic officers and committee members. The annual Hall County Picnic was set for September 16-17.

"This is an annual event which is organized and carried out entirely by volunteer workers in Hall County," Leon Helm, president of the Picnic Association, said.

Those from Turkey named to serve on committees are Lee Vardy, chairman of entertainment; Keith Green and the Lions Clubs of Hall County, food services, and Byron Young, reception committee.

Mr. and Mrs. J. T. Mullin were in Roswell, New Mexico this week to attend the wedding of Ken Eudy and Sheila Grasse.

Mr. and Mrs. Leslie C. Burns of Norwalk, California visited two days last week with her sister and family, the Walter Taylors, and her mother, Mrs. John Rogers, in Quitaque. They were enroute home after touring the New England States. The Burns spent one night with her brother and family, Mr. and Mrs. J. T. Rogers, Jr., in Plainview.

Mrs. Burns called her mother early Monday and reported they had arrived at their home in Norwalk safely after a very good vacation trip.

Mr. and Mrs. J. T. Rogers, Jr., in Plainview are disappointed.

If you don't look out for your future, it won't look out for you.

Time waits for no man's budget. So right now's the time to look out for your future and buy U.S. Savings Bonds. You see Bonds always pay off. So they're one of the best ways to save for your future.

Just sign up for Bonds through the Payroll Savings Plan at work or through the Bond-a-Month Plan where you save. Either way you'll start saving automatically.

So look out for your future.

Start buying U.S. Savings Bonds today. You'll have a lot to look forward to tomorrow.

Series B Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take
stock
in America.

Sometimes a mother wonders what makes a boy's mind work. Even when boys still seem like babies, they have a preoccupation with tools and a desire to "make" something that goes beyond their actual years.

This is an urge that should never be "squashed." Out of such beginnings come great inventions, machine marvels, electronic wonders and all the rest.

WORKMAN

Then, allow your child to explore and experiment, even if what he is creating doesn't have any significance to you.

Let him expand his horizons in every direction. He was, after all, meant to explore three worlds: the physical, the mental and the spiritual.

Don't stint on any of them. Be sure he gets a good start in every area. If your son isn't going to church school and to church services with you, why not start now?

Yancey - Green Vows Exchanged In Formal Double-Ring Ceremony

Miss Marsha Jeanette Yancey and Steven Lane Green exchanged wedding vows in a double-ring ceremony performed by Rev. Royce Denton, pastor, at the First Baptist Church in Silverton at six o'clock on the evening of Friday, August 4.

The bride is the daughter of Mr. and Mrs. Willard Vardell and the late E. W. Yancey. The bridegroom is the son of Mr. and Mrs. Art Green of Flomot.

Two large white baskets of white mums and red carnations with greenery and baby's breath flanked a seven-branch candelabra decorated with greenery and red and white bows at the church altar.

Given in marriage by Willard Vardell, the bride wore a formal gown of white crepe designed with empire waistline and skirt which swept into a chapel train. Her bodice was accented with lace and her long fitted sleeves were made of lace. Her lace-trimmed veil of illusion was attached to a bandeau of lace embroidered with pearls.

She carried a bouquet of white carnations, red roses and baby's breath. Miss Becky Perkins served as her friend's maid of honor. She wore a floor-length dress of red and white gingham fashioned with puffed sleeves and carried a long-stemmed peppermint carnation tied with red and white gingham ribbon.

Bridesmaids were Mrs. Brenda Davis, sister of the bride, and Mrs. Beverly Minyard. They also wore floor-length dresses of red and white gingham and carried long-stemmed peppermint carnations tied with red and white gingham ribbon.

Little Miss Jennifer Rice of Plainview, niece of the bridegroom, was flower girl. She carried an arrangement of daisies in a small white basket tied with red and white ribbon. She also wore a wristlet corsage of small white carnations tied with red and white gingham ribbon and a red and white gingham dress designed similarly to those worn by the other attendants.

Brian Martin, nephew of the bride, was ring bearer.

Scotty Roberts of Silverton, a cousin of the bride, lighted the candles.

Best man was Billy Green, brother of the bridegroom.

Miss Ronda Archer, niece of the bride, was in charge of securing the guests' names in the bride's book.

The bride is a graduate of Silverton High School, where she was a member of Future Homemakers of America, Future Business Leaders of America and Pep Squad. The bridegroom is a graduate of Motley County High School, where he was a member of Future Farmers of America and Future Homemakers of America.

REHEARSAL PARTY

A salad supper was served after the Thursday night rehearsal. It was hosted by the bridegroom's parents, Mr. and Mrs. Art Green. Assisting were Mrs. Hal Martin and Mrs. Billy Green.

Mr. and Mrs. L. K. Faulkner and son of Plainview, Mrs. Bill Farley of Turkey, Mr. and Mrs. Robert Phelps, Shon and Kimber of Quitaque spent Sunday visiting in the Wayne Whittington home. Mrs. Ida Faulkner of Turkey had spent the week with her daughter and husband, the Whittingtons.

The American farmer builds two things better than anyone else in the world. He builds the next generation, passing along a special kind of wisdom... respect for the soil, honesty, independence, and faith in the future. And he builds his land, leaving it better than he found it. That kind of building usually requires borrowed long-term capital. That's where we have helped for 60 years.

NOTICE
Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for residential and commercial type, small industrial and large gas air conditioning and/or electric generating gas service customers in the rural environments of the 63 cities and towns on its West Texas Distribution System, effective upon the date and to the extent that such rates are finally approved for the said cities and towns. It is anticipated that the new rates will result in a 1.7% increase in Pioneer's gross revenues on its West Texas Distribution System. The increase in Pioneer's aggregate revenues will not constitute a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.
A Statement of Intent to change said rates was filed with the Railroad Commission of Texas about August 18, 1978, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

WIFE OF PIANO TUNER BURIED AT SILVERTON SUNDAY, AUGUST 13
Funeral services for Mrs. Ina Lou Lain, 40, were conducted at 2:00 p.m. Sunday at the First Baptist Church in Silverton. Officiating were Jeff Booth, minister of the World Wide Church of God in Amarillo, Ted Kingery, minister of the Silverton Church of Christ, and Earl Cantwell, minister of the Rock Creek Church of Christ.

Burial was in the Silverton Cemetery, with arrangements under the direction of Moore-Rose Silverton Funeral Home.
Pallbearers were Jimmy Myers, Jack Strange, Bob Ham, Jimmy Burson, Grover Thomas and Dwain Henderson.

Mrs. Lain died Friday morning in an Amarillo hospital, where she had been a patient since the previous day.
She was born February 16, 1938 in Silverton. She graduated as valedictorian of Silverton High School and received her B. A. degree from Ambassador College in Pasadena, California in 1960.
She married Edward Lain January 1, 1961 in California. They had resided in Silverton for the past four years.

Survivors include her husband; one daughter, Sara Lain, of the home; three sons, Earnest Lain, Steven Lain and Daniel Lain, all of the home; her parents, Mr. and Mrs. Warner Grabbe of Silverton; two sisters, Susan Grabbe and Ronda Grabbe, both of Silverton; four brothers, Carson Grabbe and Lester Grabbe, both of Pasadena, California, Orlin Grabbe of Cambridge, Massachusetts and Crockett Grabbe of Knoxville, Tennessee.

Guests in the Grady L. Tyler home over the weekend were Mr. and Mrs. Vick Vitarelli of Amarillo, Mr. and Mrs. Arnold Vitarelli and Arnie of New York, and Mr. and Mrs. Paul Sublett and Becky of Bronte. Becky also visited with Gena Smith.

Mr. and Mrs. Marquis Robertson and Michelle were called to Conroe Saturday to the bedside of his father, M. L. Robertson, who was in critical condition. His condition has stabilized and the Robertsons returned to Quitaque Tuesday of this week.

COME BY FOR CONSULTATION ON WEDDING AND RECEPTION NEEDS at
Char-Lee's
315 S. 2nd FLOYDADA 983-5141

Don't let this happen to your cropland fields. Plan now to plant a cover crop of rye to stop wind and water erosion. For additional information contact the Soil Conservation Service.

FARMERS PLANNING TO INTERSEED COVER CROPS
Many farmers in the Hall-Childress Soil and Water Conservation District are making plans to interseed cover crops of rye or winter peas to protect their land against blowing, according to Charles Wade, Range Conservationist with the Soil Conservation Service in Memphis.
A good cover of rye or winter peas will protect the land from wind and water erosion as well as adding humus and organic matter

to the soil. The organic matter and humus contain plant nutrients and will improve the soil's ability to absorb and hold water as well as increase the soil's capability for aeration and increase porosity.
Windstorms in the spring of 1978 did moderate to severe damage to some 150,000 acres of land in Hall County. This damage was due to lack of cover and drought. Not only did these sandstorms damage valuable farmland, damage was done to fences, roads and bar ditches.
Now is the time to make plans for getting cover crops planted. For further information contact the Soil Conservation Service on planting cover crops.

This is when your insurance agent has to go to work for you
Any home in your neighborhood could catch on fire. If yours did, could you count on your insurance agent for help? If he's an independent agent, he's already on the job. He started when he chose from several fine insurance companies in recommending your policy. And since he owes allegiance to no one company, he serves you first when you need help. Only an independent agent displays this seal. Better make sure your man does.
If you want continuing, personal attention—The Big Difference in insurance today—call on us. As professional, independent insurance agents, we're qualified to plan all types of car, home, and business insurance. We're ready to give you service beyond the call of duty.
