Friday September 1, Dove Season Opens In Texas

Any Texas wingshooter who has expended more than an ounce of lead shot over the top of a sunflower patch will probably agree, dove hunting can be the best/worst hunting experience you'll encounter all year.

What other migratory game bird can boast bringing so much wingshooting sport to so many people in so many areas? What other bird remains accessible to the sportsman of modest means, his kids, cousins and mother? And, in Texas, what other game bird can be hunted in virtually every part of the state, from Texarkana to Terlingua, from Texline to Boca Chica?

Likewise, what other game bird is so deceptively difficult to hit as these elusive gray ghosts? But, as those same veteran dove enthusiasts will tell you, it's not the numbers taken that makes them brave the September heat, and the assortment of biting and stinging critters lurking in the weeds--it's the tradition.

Handgun Licenses Applications Available

Texans seeking concealed handgun licenses may begin the application process September 1.

The DPS is gearing up by distributing application request cards and registering gun ranges.

Application request cards were available by August 16 at all regional, district and sub-district DPS offices. The cards are free and may be picked up by individuals or by business owners for distribution to their customers. Photocopying them for further dissemination is permissible on any type of card stock or plain paper. Application request cards are not available from the DPS by mail.

Texans seeking permits should complete the request cards and send them to: Texas Department of Public Safety, CRS/Concealed Handgun Licensing Unit, P. O. Box 15888, Austin, Texas, 78761-5888. The DPS will then, beginning September 1, mail application packets to requestors.

Also September 1, concealed handgun program instructors certified by the DPS may begin offering the 10 to 15 hour classes which applicants must take to become licensed. Certificates, which indicate successful completion of those classes, must be forwarded to the above listed address along with completed application packets.

The DPS authorized course will consist of both classroom and firing range instruction. While shooting ranges are not subject to direct DPS regulation, owners or operators must register any facilities that will be used for this instruction.

The DPS immediately will begin registering ranges at no cost. Ranger owners and operators may call the DPS at 512-706-7293 or 512-706-7294 to request registration of their facilities. Then, the DPS will contact the owners and/or operators to complete the registration process.

(A request for application card is printed on page 5 of this week's Valley Tribune. This copy may be used to request an application for your license.)

Friday, September 1 will mark the opening day for dove season in Texas in the North and Central Zones for the umpteenth consecutive year. This year, approximately 400,000 Texas dove hunters will take part in the 60-day season, which for the second straight year will offer a 15-bird daily bag limit for mourning doves.

The statewide dove bag limit remains 15 mourning, white-winged, and white-tipped doves in the aggregate including no more than 6 white-winged and 2 white-tipped doves per day. Shooting hours will remain one-half hour before sunrise to sunset. Whitewing hunters should remember that a \$7 white-winged dove stamp is required to hunt whitewings anywhere in Texas and that whitewings now occur throughout much of the Central and South zones.

Hunters are also reminded to renew their hunting licenses, which expire August 31, before heading out on opening day.

Emergency Medical Technician Classes Well Attended

The EMT class currently being held in the Quitaque Community Center are being very well attended. There are approximately 28 area volunteers taking the class being taught by Anthony Kingery, a very experienced Paramedic, of Silverton.

Quitaque and Flomot have eight people certifying for the first time and eight re-certifying. Turkey has four people certifying for the first time and two re-certifying. Silverton has one certifying for the first time and three re-certifying. Mador has one re-certifying while Estelline has one certifying for the first time.

These classes began August 8th and will continue each Tuesday and Thursday evening until November 16th. The new recruits will be required to work in the Emergency Room at St. Anthony's Hospital in Amarillo and make several ambulance runs before their certification will be complete with the state, as well as, pass the state written and skills tests. There are 110 hours in the classroom, 24 hours in the Emergency Room and 3 ambulance runs required of each new recruit. The re-certifiers are required to have 80 CEU (Continuing Education Units) every four years.

Remember, these are volunteers working to help their respective communities in service to the local EMS Systems.

Quitaque City Council Meets In Regular Session

The City Council of Quitaque met in regular session on August 14, 1995.

It was reported that the EMS service had made 6 runs since the Council meeting in July.

Discussion and consideration of the PRPC Resolution of recycling solid waste for the future of recycling waste products in Quitaque was heard. The resolution passed. This is recycling that will compliment the oil recycling system already in place.

New carpet was to be laid Wednesday in the Quitaque Community Center. The bid was given to Rick Lovelady Carpets of Amarillo.

The bid by Caprock Vemeer of Lubbock for the chipper was accepted and the chipper will soon be available for use by Quitaque, Turkey and Silverton.

The new tax rate adopted is \$0.45512. Last years rate was \$0.4579 per \$100.

Members attending the Council meeting were Wilburn Leeper, Rhonda Rogers, Randy Stark, Arnold Castillo and Janice Henson. Also attending were Mayor Jimmy Davidson, City Administrator Robert Patrick, City Secretary, Maria Cruz and Librarian Arlene Hinkle.

Texas Court Clarifies Hunting Lease Waivers

Landowners who lease their land for hunting often obtain waivers to minimize their liability. Recent rulings by the Texas Supreme Court have clarified what a waiver should contain.

"A waiver is defined as the intentional relinquishment of a known right," says Judon Fambrough, attorney with the Real Estate Center at Texas A&M University and author of *The Texas Deer Lease*.

"To be effective, the release provision must be based on an offer and acceptance where the parties have equal bargaining power," says Fambrough. "For example, parents cannot release in advance a minor's right to recover for personal injuries caused by the negligence of another."

Likewise, the agreement for release must be based on consideration, but it need not be monetary. An agreement not to sue in exchange for hunting rights may be sufficient.

Recently, the Texas Supreme Court added three requirements for an effective waiver agreement. First, there must be a statement in which the hunter expressly releases the landowner from any acts arising "from the landowner's negligence."

Second, the written contract must give the hunter fair notice of the release provision. The fair-notice principle focuses on the appearance and placement of the provision, not its content.

"The fair-notice requirement is not necessary if the landowner can prove the hunter had actual notice or knowledge of the provision," says Fambrough.

Third, the release provisions must be conspicuous. The element of "consciousness" is tied to the "fair-notice" requirement.

The election will be held next spring across the state at the various District Conventions. There are sixteen districts across

the state and the campaign trail will be long and hard. At the present time there is no opponent but rumor has it that there could be one at any time.

Quitaque Lions are very happy to have Jimmy representing their club and community in this capacity.

THEN and NOW!

by Eunice McFall

Responsibility—a word that should not be taken lightly. We do use it quite a bit but do we really know the true meaning of the word? We should learn early in life that we will have to take responsibility for our own actions. For many of us it takes longer to come to the realization that we must pay a price when we do something wrong as well as accept the glory when we have done something that is approved of. Where does a parent's responsibility end? When should a child be held accountable for their actions? Is there a certain birthday that we should be able to say "Now you are old enough to know better, your life and mistakes are your responsibility."

When we think of years as a cut off rule it does not always fit, does it? Some children mature earlier than others. Should those early maturing children be saddled with more responsibility just because they try harder to grow up? Is that fair to them?

Last week over the TV news I heard about a young 13 year old that took the keys to her mother's car and took some young friends to a convenience store. When she backed out from the curb she hit the door of an elderly man's car who was trying to get into his car. The man died as a result of the accident. And, yes, it was truly an accident. The young girl would never have done such a thing on purpose but yet the man is still dead.

Who is responsible? Her mother for allowing her car keys to be readily available for her child to take and use? The girl because she wanted to show off to her friends her ability to drive a car? The friends for wanting to go along with the girl who was "old" enough to drive her mom's car?

Webster says that to be responsible is to be obliged, to account for or to be answerable to. Webster also says it is the act of being dependable or reliable. Was the mother being reliable by leaving keys where a 13 year old could get them? Was the girl being dependable when she took the keys? Perhaps the answer has to be in each individual case—has the child shown maturity in other areas?

As a parent, I know that you never stop feeling responsible for your child but as they grow to adulthood you have to allow them to make their own mistakes and thus grow by doing so. But until they are mature, we as responsible adults must still try to make the right decisions where children are concerned and try to teach them that they must take responsibility for their actions at any age. The small child that takes a toy that is not his can be taught that to take what is not his own is wrong. These small lessons are the foundations to the responsible adults that we hope our children will grow into being. If we do not help them as youngsters to make the right decisions, how can we expect them to make the right choices as they grow up?

Caprock Bicycle Derby Results

The Caprock Bicycle Derby was held last Sat. and a number of enthusiastic boys and girls participated in the event. Some of the riders attacked the .07 mile course with a necessary one lap while others were required to ride two laps. Although the course wasn't easy, all the riders reported they enjoyed the challenging turns, humps and water.

In the 6 and under age riders, Willie Davidson won first place, followed by four year old Brady Ramsey. Brady also was awarded the hard luck award, presented by James Cathey, because the course proved difficult for bikes with trainer wheels. The girls event in the youngest age category was won by an aggressive Molly Davidson, followed closely by her sister, Macy Davidson. Maddie Ramsey won third place in her age group.

The 7 and 8 year old boys was a battle of the Cody's and Zack. Cody Varnell won the class, followed by Cody Payne and Zack Ramsey and Cody Barrett.

The 9 and 10 year old class were required to ride two laps around the difficult course. Dakota Smith was unchallenged in the class but he rode a strong race and was the winner of first place. Krystle Clinton won first place in the girls division.

There were two entries in the 11 and 12 age group. Although Cory Varnell and Amber Stark were not required to compete against each other in the event, they challenged each other and it was an exciting race. Cory crossed the finish line first and was awarded first place in the boys division. Amber won first place in the girls class and rode a strong race.

All the participants, spectators, and parents reported having provided a quality derby.

How insufficient is all wisdom without love.

Senior Discounts Approved For State Park Entrance

Beginning Sept. 1, Texas residents who turn 65 years of age on or after that date will receive half-price discounts on all entrance fees to state parks. Non-residents who turn 65 after that date will pay full price on all entrance fees, according to a measure approved by the Texas Parks and Wildlife Commission during its July 6 public meeting.

The new commission ruling will not apply to those Texas senior citizens and non-residents who have turned 65 prior to Sept. 1. In other words, all seniors who are already 65 will continue to get in free to state parks.

"This move will help enable us to continue to provide quality outdoor experiences at our state parks through the turn of the century." Texas Parks and Wildlife Department Executive Director Andrew Sansom said. "Because Parks and Wildlife funding relies heavily on user fees, such as hunting and fishing licenses and park fees, we've had to take a user benefit, user pay approach."

 The Valley Booster Club held their first meeting for 1995 on Tuesday, August 22.
 Kay and George Calvert led the first of the meeting where the group discussed all of the projects from last year. The meeting was opened with nominations for president. Janice and Walter Henshaw were elected president for the 1995-1996 school year. The Henshaws opened nominations for treasurer and Jana Payne was re-elected to the office and Cindy Lane was re-elected as reporter.
 After a brief meeting the Henshaws asked Coach Jeffcoat and Coach Hirst to tell about this year's football team.
 Both coaches were very positive about the coming season. They said there are about 24 boys playing football. The next meeting will be 7 p.m. on Tuesday, August 29 in the cafeteria. Booster Club is open to anyone who wants to support the youth of Valley School. There are no dues.
 Friday night August 25, Valley will have their first scrimmage against Bovina at Patriot Stadium. The scrimmage will begin at 6:00 p.m. Starting at 6 p.m. the junior high football team and cheerleaders will be presented. This will be followed by the introduction of the high school football team and cheerleaders.

4-Hers Record Book Compete at State
 Three Briscoe County 4-H Record Books competed at the State Record Book Judging which was held August 7-9. The record books are a compilation of the youths 4-H and other activities during the 4-carriers. The 4-Hers were competing for a partially sponsored trip Washington, D.C. for each first place record book from Districts 1 and 2.
 Placing 2nd in the Photograph category was Wynter Smith's record book. Her main projects consisted of photography, food and nutrition, gardening and horticulture, and beef.
 Jeremiah Brooks record book competed in the Agriculture Achievement category, with his main projects consisting of Bee, Horse, Poultry and Swine. Competing in the Fashion Revue category was the record book belonging to Lindsey Jennings.

College Bound

For the fifth consecutive year, the Bob Wills Foundation presented 4 Valley seniors each with a \$500 scholarship. The scholarships were awarded during the May graduation ceremony by the current president, Pat Carson.

Valedictorian Tracy Guest was a scholarship recipient. Her plans are to attend Texas Tech University

and major in food technology. Honor student, Brandi Gaddis, will be attending Frank Phillips College to major in law. Physical therapy will be Donnie Calvert's major while he is attending West Texas A&M University. Scholarship recipient Krisse Pigg will be majoring in agriculture communications at Texas Tech University.

4-H Critters

4-H Critters is a new 4-H project which is being offered this year. The project will focus on learning about the different aspects involved in owning small pets. Animals which will be discussed are: dogs, cats, rabbits, fish, etc.

Topics which will be covered during the project are: care, feeding, management, health, and various others. Any youth age 9-19 or in the 3rd grade is welcomed to participate in the project. 4-H Critters will help youth learn about the responsibility associated with the ownership of a pet. It will also help them to develop their communication skills and self-esteem.

The first project meeting will be held on Tuesday, September 5th p.m. at the County Showbarn in Silvertown. There is no cost involved in participating in this project and you do not have to own your own pet. For more information about this project, please call the Briscoe County Office of the Texas Agricultural Extension Service at 823-2131, ext 12. Educational projects sponsored by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability or national origin.

Open House Goodbye Set For FmHA Supervisor

There will be an open house goodbye party for Marcos Garza, on Thursday, August 31, from 2:00 to 4:00 p.m. It will be at the offices of Farmers Home Administration in Memphis.

Garza, assistant County Supervisor of the Memphis office, is leaving Memphis.

Teen Athletes Should Set Good Examples

By Walt Henson
Last year I wrote a column about searching for good role models and how important they are to today's youth. In the past year, I have found that we, as teen athletes, not only have role models, but in fact, are role models ourselves.

Most of you probably know what I mean: those little eyes that watch our every move. For those of you unfamiliar with this, take a look around. It is more evident in smaller schools where elementary, junior

high and high school are together, but doesn't include students in larger schools.

High school athletes probably are the most idolized because once or twice a week, younger students watch us display our talents (however little it is for some of us) and they instantly put us on some sort of pedestal. Now some of you may not acknowledge this fact and some of you do know it, but try to ignore it. However, it is true. If you're not already beginning to think twice about doing something when "little ones" are around, maybe it's time you started.

Take a minute and think back to the time when you were young. Maybe your parents took you to a football or basketball game and all of a sudden, somebody you saw made a really great play and you thought, "I wish I could do that." That athlete meant so much to you that you'd do just about anything to be like him or her. What if you had stepped outside and had seen the same person with a beer can? You'd think it would just discredit that person's image, but it doesn't. Remember, you'd do anything to be like that person.

Perhaps this illustration seems farfetched, but I hope I got my point across. This applies to anything you might think about doing in front of youngsters you might not even know are there: drinking, smoking, dipping, cussing, moaning or public displays of affection. Well, the last two may sound a little extreme, but you know what I mean. In conclusion, my advice is this: Think twice. You never know who is watching.

Stocking Rate Workshop To Be Held For Cattle Producers

By Rebel Royal
Do I have enough forage to carry my cattle through the winter? How do I use the forage I have without sacrificing the resource or animal performance? How can I prepare for dry weather? These are just a few of the questions that will be answered at the Briscoe County Stocking Rate Workshop to be held at the Kent and Penny Carpenter Ranch on Tuesday, August 29, 1995.

The program will start with registration at 8:00 a.m. and will last until approximately 3:00 p.m. A lunch will be provided by the Sportsman Restaurant at Quitaque. Anipro Animal Services will sponsor the lunch.

Cost of the program will be a \$2.00 donation to the Briscoe County Agricultural Industries Committee. This price will cover refreshments.

Please pre-register for this workshop by Friday, August 25, 1995 by calling the Briscoe County Extension Office at 823-2131.

Educational Programs conducted by the Agricultural Extension Service serve people of all ages regardless of socio-economic levels, color, sex, religion, handicap, or national origin.

Senior Class News

The senior class of Valley High School met last Thursday, August 17th.

During the meeting, officers and sponsors were elected.

The officers are: President-David Valdez, Vice President-Amanda Fuston, Secretary-Treasurer-Jessica Carter, Reporter-Michael Lane, and the sponsors are: Darren Martinez and Michelle Pointer.

Valley Patriots Scrimmage

The 1995 Valley Patriots will begin their season with a scrimmage against the Bovina Mustangs on Friday the 25th at 6:45. In the scrimmage, there will be no kick-off and each team will have 20 plays each.

At 6:00 the high school and Jr. high football players will be introduced as well as the cheerleaders.

We are very excited about this year and encourage everyone to come and support the team.

There will be no admission. Come and support the Patriots.

ATTEND ARMY REUNION

Mr. and Mrs. Wayne Hunter and his father, H.G. Hunter, of Quitaque, enplaned from the Lubbock Airport to San Antonio Thursday, Aug. 10, to attend the reunion of the 389th AAA Battalion in which Wayne served in WWII. It was held at the Ramada Inn Hotel.

On Friday, they were given a bus tour of the Alamo, Fort Sam Houston, King Williams District and the Sunken Gardens. Saturday night they attended a banquet with a musical performance by Judy Ste. Marie.

Susan and Steve Smith and daughters Emily and Allison of Austin met them Saturday to visit. They and grandfather H.G. toured the River Walk and had lunch.

The Hunters returned to Lubbock Monday, and Mrs. Anita Hunter Carter met them at the airport. They had lunch with her and daughters Virginia and Rebekah. Virginia returned home with them, and en route, they visited in Floydada with Mr. and Mrs. John Speer.

Mrs. Lucille Monk visited the week in Tulia with her daughters and families, Ava Nell and Jean Pope and Rosalee and Lewis Canon.

Dr. Jerry Gilbert of Jacksonville, AL arrived Friday the 18th to visit his parents Mr. and Mrs. D. M. Gilbert.

Mrs. Patricia Glidewell of Dimmitt and Mrs. James May of Quitaque visited Mr. and Mrs. Arnold Johnson Sunday.

Visitors during the weekend of Mr. and Mrs. Jack Starkey who enjoyed camping and hauling hay were Mrs. Bessie Reid and children, T. C. and Christina, and friends Valerie Williams and Parker German of Amarillo.

Donnie Rogers was in Lindale this weekend to visit his daughters Natalie and Brooke. They celebrated Natalie's seventh birthday.

Mr. and Mrs. Jerry Barclay and son Ty visited in Plainview during the weekend with Mr. and Mrs. Cody Barclay and their new arrival, baby son Cody Lane.

Mr. and Mrs. Herb Mayfield of

Dimmitt visited Mr. and Mrs. Morris Stephens, Thursday. They were guests of Mr. and Mrs. Neal Burnett of Plainview at a fish fry supper at Horner Lake. Mrs. Juddie Stephens of Lockney visited Monday and Tuesday with Mr. and Mrs. Stephens.

Visiting Mrs. C. W. Starkey is her daughter, Lola Jewel, of Abilene. Other visitors Sunday were James and Doris Cypert of Clyde.

Mr. and Mrs. Johnny Turner helped their daughter Heather move to Lubbock this weekend where she has enrolled at Texas Tech for the fall semester.

Hunting And Fishing Licenses Now On Sale

Hunting and fishing are now available at over 1,8000 locations statewide, including most major retail outlets.

Hunting and fishing licenses are valid from Sept. 1 through Aug. 31, however, licenses purchased between now and the end of August may be used immediately.

Individual Texas resident hunting or fishing licenses cost \$13 each, or \$25 for a combination resident hunting and fishing license. Residents who turn 65 years of age after Aug. 31, 1995 may buy a discounted \$6 Special Resident Hunting License and a \$6 Special Resident Fishing License. Those senior citizens ages 65 or older prior to Sept. 1, 1995 are exempt from the Special Resident Fishing License requirement, unless they desire a trophy red drum tag. Non-resident general hunting licenses cost \$250, while non-resident under 17 qualify for the Special Resident Hunting License instead of the general license.

While new licenses are on sale now, the special \$35 Annual Public Hunting Permit will probably not be available until sometime next week and the Bay and Bait Shrimpers license is expected to be available later in the month, due to late changes in regulations.

Sportsmen may also renew licenses over the phone prior to Sept. 1 by calling 1-512-389-4409 or 1-800-895-4248 (Tx Lic 4 U) after Sept. 1. Visa and Master Card accepted.

Licenses may also be renewed by mailing a check or money order to TPWD License Division, 4200 Smith School Road, Austin, TX

On The QT

Roberta Farley had day surgery at Plainview Methodist Hospital on Monday, August 21, 1995. The report on the surgery was very good. Debbie Farley accompanied her mother to Plainview.

Roberta Farley's grandson, Cory Farley and friend, Elizabeth White both of Amarillo visited Thursday and Friday of last week with Roberta and other relatives in Quitaque.

Cory left Tuesday to begin his college career at Texas A&M College at College Station. Miss White will be attending Wimberly University in Ohio.

Mr. and Mrs. Fred Cooper of Amarillo, formerly of Turkey attended church services Sunday morning at the Quitaque United Methodist Church.

Jimmy Don and Susie Davidson and children spent the week-end with his parents, Jimmy and Clara Ruth Davidson. Saturday evening they had a cook-out at Jon and Ldaura Davidson's home at Turkey. Estelle Davidson joined the group. Jon, Laura and girls spent Sunday with the group at the Davidson's home. Jimmy Don and family returned home Sunday evening.

Anna Jean Taylor and husband Tred Oglesby of Canyon visited her parents August 13.

Cleota and Les Burns of Norwalk, Ca. have been visiting relatives and friends in Quitaque from Sunday, Aug. 13 until Sunday, Aug. 20th when they began their journey home to California.

King Family Reunion
Relatives of the King family began arriving in Quitaque Friday, August 19th for the family reunion.

A group of approximately 55 gathered at the community center Sat., August 20th for reuniting and dinner.

It was a special occasion for two people as well as the family. R.C. and Lida King celebrated their 64th wedding anniversary. A decorated cake and gift were presented to the lovely couple. This date was also the birthday of the former William King, father to John, Bill, Joe and Hazel.

Those in attendance were: Billy and Betty Winton of Goldthwaite, Texas, Doyle King of Sarasota, Florida, Joe and Owayne King of Dumas,

"Be not overcome of evil, but overcome evil with good."

-Romans 12:21

You have heard about many people who were victims of disaster and yet managed to overcome it; for example, the disabled young woman who learned to paint beautiful pictures by holding a brush in her teeth. You have seen one-legged skiers and mountain climbers, as well as amazing feats performed by the blind. While most of us will never experience such catastrophes, sooner or later we will suffer a major setback of some kind; and it is what we do then that shows what we are made of. We should attend our House of Worship regularly and pray for God's help, so that if and when some calamity befalls us we will be able to cope with it and perhaps even improve our lives as a result. God has endowed each of us with certain abilities, and He may have purposely held some of them back for just such an occasion when we may need this further evidence of His love and care.

James Obed Baker, DDS, former Panhandle educator and retired Dallas dentist, was born September 20, 1898. He went to be with the Lord Wednesday, August 2, 1995. The first of seven born on the Baker Family farm near Mineral Wells, Texas to Texas frontier pioneers from Mississippi, Dr. Baker also had two older brothers from his father's first marriage. Dr. Baker received his early education in the one-room Staggs Prairie School and attended the Rock Creek Baptist Church before joining his brothers at West Texas State Teacher's College in Canyon. Dr. Baker studied and taught in alternate years, earning his degree in agriculture in 1929. Dr. Baker's teaching career led him to Quitaque in 1919-20 and Sunset School in 1920-21. During these two years, he loved hunting lion, coyote, and bobcat with local ranchers. He often spoke in later years of the excitement he enjoyed while watching the cotton gin being brought down the mountain on the mule wagon freight train. It was an honor, a privilege, and a joy in his retirement to return to Quitaque and ride in the parade commemorating the opening of the Rails to Trails Park with old friends and students like Fish Wilson. He rode the Trail with Joe and Virginia Taylor and once again with Rusty Sargent. He is kin to the Grundys, and has many friends in the Quitaque area. Dr. Baker taught at Darrouzett in 1922-23. In 1923-24, he was principal of Hale Center High School, where he also taught math and coached volleyball. That year, his team won district. However, none of them could afford the trip to the playoffs.

Dr. Baker was always a follower of every possible athletic event, having lettered a year each in baseball and basketball at Canyon. He was Darrouzett's Superintendent of Schools in 1929-30, and served in a similar capacity at Higgins during the 1930-31 and 1932-33 years. He married Vera Box in 1932, with the two spending the summer traveling the American West. Their honeymoon culminated at the Summer Olympics in Los Angeles.

In 1933, Dr. Baker followed his brothers out of the teaching field and into the healing profession, enrolling at Baylor University College of Dentistry. He remained a Dallas resident the rest of nearly 97 years. At retirement after 51 years of practice in 1988, Dr. Baker was the oldest full-time practicing dentist in the state of Texas. He was among the founders of the East Dallas Hospital and was active in the First Baptist Church of Dallas and Masonic Metropolitan Lodge #1182. A member of the church choir for 40 years, Dr. Baker was honored for 50 years of service to his lodge, 50 years membership in the Blue Lodge, and 50 years of service in the Scottish Rite (October, 1944). He was admitted to the Knight Commander Court of Honor in October of 1977.

The life of Dr. Obed Baker, which had seen so much progress, prosperity, happiness and honor, was celebrated August 5, 1995 with Masonic services and burial at Restland Memorial Park in Dallas. He is survived by his wife Vera; children, James Stanly and Suzanne; grandchildren, Gavin, Allison, and Jeff; sisters Inez Ludden of Dallas, and Martha Jane King of Garner; friends, colleagues, and other relatives—in whose memory he will never die.

THINGS SEEN OR HEARD

We called Evelyn (Coker) Mayfield several days ago. We had read where over one thousand soldiers in a Cavalry Division were being flown back to the Middle East to deter Iraqi aggression. Evelyn's son, Dennis Marler was in the Gulf War several years ago. However, Evelyn reported that he was not being sent back, at this time anyway.

We knew when our daughter and family, Linda, Mark, Zach and Josh moved to Stephenville, it was a town noted for its football. We didn't realize how strong the football fans were there until we talked to Linda last week-end. She stated that the field the football team practices on has a street that runs parallel to it. This street is blocked off during practice and there are so many cars and people it is not possible to drive down that street. Linda said they even have a coke truck and concession stand there by the street for the spectators. They have more spectators watching them practice than a lot of teams have on game night!

When Mark took his two sons in for a hair cut, a ten year old was there receiving a hair cut. He had the barber cut his older brother's jersey number in his hair!

We talked to our daughter, Brenda Coker, last week end. She said that she is the only coach for three girls volleyball teams. They all three had games Sat., Varsity, Jr. Varsity and Freshmen teams. The games started at ten a.m. and she didn't get to leave until 4 p.m. She stated being the lone coach wasn't much fun. She was so hoarse when we talked to her I asked her if she had been screaming. She said, "No, I just gave some strong helpful suggestions."

The first few days of school, before volleyball practice started, she and another teacher pulled Mrs. Spence's mobile home down to Concan, on the Frio River. After school they enjoyed tubing on the Frio, but now it is back home with their nose to the grindstone.

Plans for our grand-daughter's first birthday are in the making. Makenzie Coker's birthday is Sept. 6th, but Kim, Lisa and McKenzie will be vacationing in California at

Turkey

that time, so the birthday party will be Sept. 16th. We plan to attend. Her main attraction now is the phone. When it rings she tries to beat them to it.

Coker was in Commissioners' Court all day last Monday. He stated it wasn't a very fun day.

Are you bored now from reading about my family? If so, here's how you can solve that problem. Turn In Your Own News. Either call me or see me, but if you see me be sure I have something to write it down on. Thanks to all of you who do turn it in.

Foy Lane is spending a few days in Spearman this week. She is visiting in the home of her daughter, Gayle and family.

Coming from Grapevine last week was Jim Baisden. He came to visit with his mother, Nadine Baisden. Mrs. Baisden returned home with Jim. She is to see her doctor while there.

I have heard that Eugene Ferguson has been diagnosed with a malignancy. He has been in an Amarillo Hospital but has been returned to the Childress Home

where he and Loetta reside. It hasn't been decided what treatment he will receive.

We have another rattlesnake story. Recently Wilda Fuston was out using the weed eater in her back yard. She noticed something in the grass and realized it was a snake. She called on her phone for help and her son-in-law, John Davidson answered her call for help. John killed the snake and removed 9 rattlers from it. Please, be on the look-out for rattlesnakes.

Enjoying Sunday dinner in the home of Mary Laura were Polly Salmon of Ft. Worth, Christine Bridges of Childress and her mother, Christine Williams also of Childress.

Keith Lane returned to his home last Saturday to Greeley, Colorado. He returned his parents, Tink and Estelle Lane home. He also had to return home in time to pick up his son, Jeffrey Lane of DeSota, who was coming for a visit and some fishing.

Many visitors enjoyed the hospitality of Arloween Williams last week-end. Visiting with her were son, Harve and Ann Williams and daughter, Julie Ann Williams of Clarendon, Grandson and wife, Kyle and Ann Williams and daughter,

Julie Ann Williams of Canyon, Anri's parents, Larry and Jean Morris of Dimmitt, Bridgette and Richie Johnson of Idalou, Mr. and Mrs. Chuck Braafladt of Dimmitt.

On Saturday night Willie and Jim Majors joined the group for a cook-out at the Majors lake east of town.

The guests were all here for the Holy Baptism of Julie Ann Williams Sunday morning at the Methodist Church. Julie Ann is the great grand-daughter of Arloween Williams.

Isaw the ambulance leaving town last Tuesday morning. It was on its way to Amarillo to return Jim Robinson to his home from St. Anthony's Hospital.

After an extended stay in Austin visiting with Ronald and Kay Eudy and their families, Lewis and Mozelle Eudy returned to their home last Saturday.

Ronald and Kay Eudy and Lewis and Mozelle Eudy also visited Bob and Lola Eudy in Joshua and Don and Sue Guest and Vera Guest in Arlington.

Oleta Randell and Charlene Randell were in Memphis Thursday for Charlene to keep a doctor appointment.

-Psalm 23

The 23rd Psalm is one of the most beloved of the Psalms. Its beauty of language and expression confidence in God are inspiring. Whenever you want to praise God or are in need of consolation, let the Psalms be a source of inspiration to you today, just as they have been to others for centuries. We invite you to learn more about His Word in the church of your choice this Sunday.

Lack Of Funds Threatens Old Age Aid

Discontinuance of old age assistance after October, or a proration resulting in a sharp reduction in grants, was forecast this week by the Texas Board of Control in an official communication addressed to State Representative Harry N. Graves.

The official statement indicated the possibility that payments to the needy aged might not be made in November, December, January and probably, in February. Cause of the crisis, as explained by the members of the Board of Control, which is the Old Age Commission, is that all or nearly all, of the present available state assistance funds will have to be used to take care of \$1,627,000 owed a Dallas bank and due not later than January 1.

Further, it was pointed out, the income from present state sources is \$100,000 less each month than Texas funds paid to the needy aged, which necessitates a drastic reduction in the size of the average grant. Grants average about \$14 per month.

City Ordinance

Be it ordained by the Council of the town of Quitaque that hereafter all persons firms or corporations engaged primarily or incidently, in the sale, barter, or exchange of motor vehicles within the corporate limits of the town of Quitaque be and they are hereby required to obtain a license as such dealer before selling or offering for sale, barter or exchange of any motor vehicle within the corporate limits of the said town of Quitaque.

That a license fee of \$100.00 per year shall be paid to the town of Quitaque by each such dealer, of motor vehicles; such license shall not be issued for a less period than one full year and the entire license fee shall be paid in advance.

That any person, firm or corporation violating the provisions of this ordinance, upon conviction, shall be fined in any sum not less than \$25.00 not more than \$100.00 and each and every day any person, firm or corporation shall operate in violation of the provisions of this ordinance shall be a separate offense.

Passed and approved this 13th day of October, A.D. 1937.
J. W. Ewing, Mayor
Leon Middleton, Secretary
