Linda is 5' 4", has brown hair and is a senior in Turkey High School.

Miss Jones also won the Hall County Farm Bureau Contest for 1968-69.

Linda's hobbies are cooking and sewing. She plans to be a telephone operator.

She is very active in all activities of school. She has played basketball three years and volleyball two years; she has been a member of FHA four years and was FHA Historian; was Class Canteen two years; member of the B Club two years; member of the Pep Squad three years; a candidate for Most Beautiful one year, and is a member of the school choir and is president of the choir. ## QUITAKE SINFARMS ENJOY BANQUET

The Sunbeams (age group first grade through third grade) were honored with a banquet on February 26, in the Fellowship Hall of First Baptist Church in Quitaque. The parents of the Sunbeam members were special guests, and Mrs. Helen Berry, hill who worked with the Sunbeams last year, was also a guest. About 32 Sunbeams and 40 adults were present.

The banquet theme was Hearts; Miles and Miles of Hearts. The Fellowship Hall was decorated with different kinds of hearts, and all sizes. The centerpieces for the tables were milk glass bowls filled with red and white hearts. The meal consisted of all kinds of dishes furnished by each family attending. There were salads, fried chicken, ham, cakes and pies.

The group gathered upstairs and was welcomed by Rev. Fred Martin. After prayer the group went downstairs to Fellowship Hall for the meal and program. The program was an unrehearsed regular meeting day for the Sunbeams. The Sunbeams do many things. They study different groups of people and countries. We do a mission action project and have a Bible Story also. We make favors for the Convalescent Home at Lockney. We visited the Home in a group with others from our church several weeks ago. There were 22 Sunbeams making the trip to Lockney.

We plan another project, too, of helping an Indian Mission School with some supplies. It takes miles and miles of hearts and work to make Sunbeams a success. I would like to say "thank you" to everyone for help in making our banquet a fine success.

## Panthers Bow Out In First Round of Play

The Quitaque Panthers bowed out of the regional basketball tournament at Levelland last Friday night when they were beaten by Sands High School, 62-55. Sands went on to win the regional crown by shading Meadow 94-90 in the finals.

The Panthers, who were playing a fine team, had trouble scoring all night long, and could have won had they been playing as well as usual.

Both teams, in fact, had a bit of trouble finding the range in the early minutes. Sands scored first but it took them 2½ minutes to crack the scoreboard. The Panthers came right back then to tie it at 2-2 and the game rocked along even until midway of the quarter when Sands led 10-9.

## Jackie Cheatham Selected To Play In Coaches All-Star Game

Miss Jackie Cheatham, daughter of Mr. and Mrs. Jack Cheatham of Quitaque, was notified that she has been selected as a member of the North squad of all-stars who will play the South all-stars at the conclusion of the Texas State Girls Coaching School, to be held at Brownwood this year. The game will be played on July 18.

This is a very distinct honor to be selected for this event for the players are selected from schools of all classifications. Jackie averaged scoring 31 points per game in this, her senior year.

This will be the third year in succession for the Pantherettes to have a player on the all-star squad. Jill Johnson was the first player to be selected, and last year Sherry Stark had that honor. The year before that the district was represented by Cheri Rapp of Estelline.

A couple of weeks ago Miss Cheatham was notified by Harley Redin, coach of the Hutcherson Flying Queens of Wayland Baptist College, that she would receive a basketball scholarship to attend Wayland College and play for the Flying Queens.

Mrs. Reona Holcomb left Monday and went to Houston for a visit with her daughter and her family, the Leon Gieseckes.

Mrs. Dot Arnold and Karen of Canyon visited Sunday in Turkey.

Mr. and Mrs. Doc Williams, Mr. and Mrs. Pat Brittain, Mr. and Mrs. Jim Majors, and Mr. and Mrs. Smitty Guest were in Lubbock Sunday.

The boys from Quitaque became a bit shook, however when the officials called the third foul on Perry Brunson as well as a pair on Jerry Merrell. Sands went on to lead 15-9 at the first stop.

During the early part of the second quarter, Sands continued to widen the margin leading 26-12 at one point and later by 23-18, but the Panthers pulled themselves together in a rally of their own and pulled within 3 points, at 23-21 and trailed 23-23 at intermission, and it appeared the Panthers were still very much in the ball game.

The third period, however, was another cold one for Quitaque as they fell behind by 13, 37-50, at the quarter ended.

A rally pulled the Panthers to within 7 points, 46-53 and with about three minutes left in the game Quitaque narrowed it to 5 points but that was all of it for

The Panthers as Sands started playing "keep away" and they had some very fine ball handlers with which to do it.

Stanley Price scored 15 points to lead the Panthers in the scoring column; Gary Chandler, who kept the Panthers in the game in the early going was next with 13; Perry Brunson hit for 12, and he played the last half with four fouls; Ronnie Hutcheson scored 8 points, six of them coming in the late minutes while the Panthers were trying to catch up; and Jerry Merrell, who fouled out in the fourth quarter, scored 7 points. ### McWilliams-Wicker Vows Exchanged

The wedding of Miss Melinda Kaye McWilliams and Bobby M. Wicker was solemnized Friday, March 6 at 8:00 p. m. in an impressive candlelight ceremony

held before an array of candelabra, flowers and greenery arrangement at 803 N. W. Ave. G in Seminole, Texas, the future home of the couple. The Rev. Gene Hawkins, pastor of the First Baptist Church, officiated at the double ring ceremony. Parents of the couple are Mr. and Mrs. R. P. McWilliams, 502

SW 17th St., Seminole, former residents of Quitaque, and Mr. and Mrs. W. M. Wicker, 608 SW 18th, Seminole.

Escorted and given in marriage by her father the bride was radiantly attired in a white custom gown of imported reembrodered Chantilly lace fashioned with a high neckline and long tapered sleeves both accented by rows

of Chantilly lace. Her bouffant-tiered veil of silk illusion was attached to a crown of pearls, lace and aurora bordales. She carried a cascade of white bridal roses and gardenias atop a white Bible.

Miss Jo Gatewood and Dick W. Morrison attended the couple. Miss Gatewood wore a street length costume of white and blue cut lace accented with a high neckline and princess silhouette. She carried a cascade of white feathered mums with long light blue streamers.

Steve McWilliams brother of the bride was candlelighter.

The bride's mother wore a pink ensemble with pink accessories. The groom's mother was dressed in a navy coat dress with matching accessories. Both were presented with matching corsages of gardenias.

Wedding music was played throughout the ceremony and reception.

Following the ceremony Mr. and Mrs. Wicker greeted guests before a blue and white lace covered table with silver and crystal appointments. An arrangement of flowers were entwined around the column cake and candelabra of the bride's chosen colors blue and white, completing the table arrangement. Miss Ruth Rutherford and Miss Cheryl Seaton presided at the reception table.

Immediately following the reception the couple left for New Mexico for their wedding trip.

The bride, a 1967 graduate of Seminole High School, attended Eastern New Mexico University, South Plains College, Sul Ross State College and was currently on the Dean's honor roll at Texas Tech.

The bridegroom, a 1964 graduate of Seminole High School, served three years in the United States Army, having completed a tour of duty in Thailand. He is employed at Seminole Butane Co., Inc.

Out of town guests, registered by Miss Susan Everidge of Brady, were from Weatherford, Okla., Littlefield, Henderson, Big Spring, Hobbs, N. M. Channelview and Alpine.

### JEHOVAH'S WITNESSES TO MEET AT MEMPHIS IN APRIL

"Withstanding the Pressures of Our Day," will be the main subject to be discussed during the forthcoming Circuit Assembly of Jehovah's Witnesses to be held in Memphis, Texas, April 10-12.

More than 500 are expected to attend from 16 neighboring counties in the Plains and Golden Spread, according to Von D. Tiffin, presiding minister of the Quitaque Congregation.

Hundreds of family groups will make up the delegation with expectations for having their faith strengthened in what Mr. Tiffin described as an assembly to encourage all in attendance to measure up to the fine Christian principles of the Bible. "The Bible was written for every kind of man, in every walk of life, in every generation," Mr. Tiffin said. "It touches on every aspect of man's existence and speaks authoritatively as regards of his past his present and future. It has survived centuries of violent opposition and misrepresentation and still stands as man's oldest time-tested guide and counselor. The desire of every one in attendance will be to learn more of its unsurpassed qualities," Mr. Tiffin indicated.

A baptism of new ministers and the above mentioned Bible lecture on the subject, "Withstanding the Pressures of Our Day," will be two of the convention highlights.

Thursday Matthew 16:13-26	Friday Luke 14:25-35
Saturday Mark 10:17-31	

As you gaze at this scene of snow, ice, and leafless trees, your mind may skip ahead and picture green grass, abundant foliage, and a rippling stream. The very thought brings happiness. Spring makes the difference.

As grass, trees, and streams are fettered by winter, so some lives are bound by doubt, unbelief, lack of faith, and false ideas. When they come in contact with the Church, the love of God sets them free. They see new beauty in everything about them, and others see new beauty in their lives. As spring brings all nature to new life, so God's love makes human beings happier, gives them life more abundant.

No matter how strong the fetters which bind you, freedom can be yours through the Church and the message it brings to all. Why not accept that freedom today?

## Shirttail Sermon

Does your church constantly ask for money? Does your preacher mention money in every sermon? Are you tired of having the officials of her church come to your house asking for contributions? Then you are the average church member. This complaint is heard quite often.

You are advised to read Luke 12:16-34 as a guide to the thinking of Jesus on this subject. He spoke more often about money than He did about prayer. This is strange, but it is true.

His institution is a strange one. It is under the direction of the Divine Father and deals in matters spiritual, seeking to save lost souls and to help those who are in need of help.

Yet, it is an earthly institution that needs electricity to provide light for reading, gas for heating buildings, and a human pastor who must pay bills like everyone else. It sends men to far away places to preach the gospel of salvation: these people must live so they, too, must have money. They must have supplies that cost money.

However, the need of the church is not the real reason for Christian giving. The real reason is that Christians need to give. God commanded, "Thou shalt have no other

gods before me." Jesus Christ said, "Where your treasure is, there will your heart be also." What man invests in, he is interested in. The more he gives, the greater his interest.

The question still remains: "How will I satisfy and get rid of these beggars?" The answer is: "Give—not that which you can spare at the moment—but until you have to sacrifice in order to give." This will satisfy the pastor, the church officials, but more important, it will satisfy God.

### MISS LESLIE KAREN HOLDER, DON TURNER ARE UNITED IN MARRIAGE AT DUMAS RECENTLY

The First Baptist Church parlor in Dumas was the setting for the recent wedding uniting Miss Leslie Karen Holder and Donald Lynn Turner. The Rev. Edward Rogers was officiant for the double ring nuptial ceremony.

The bride is the daughter of Mr. and Mrs. Carius L. Holder of Dumas.

The bridegroom is the son of

Mr. and Mrs. Leon Turner of Childress.

The parlor of the church was decorated with a pedestal basket of golden gladiol and golden wave roses flanked by branched candelabra.

Mrs. Robert Campbell, soloist, sang, "The Twelfth of Never," accompanied by Mrs. Gay Sandel at the piano.

Candles were lighted by Clayton Holder and Ronnie Turner. Given in marriage by her father the bride wore a formal wedding gown of white silk organza fashioned with high dimid skirt, stand-up collar and long sheer puffed sleeves banded at the wrist. The fitted bodice, collar and sleeve cuffs were lavishly embellished with Venise lace, and a chapel length train, accented with a Dior bow, fell from the back waist.

Her chapel length veil of illusion was outlined with Venise lace flowers and she carried a fashionable cascade bouquet of golden gamette roses atop a white lace covered Bible.

For something old she carried a silk handkerchief belonging to her great-grandmother; something new was a single pearl on a gold chain which was a gift from the bridegroom; something borrowed was a mintage penny with her birthdate which was borrowed from her grandfather, John D. Owen. Her blue garter was a gift from her grandmother Owen.

Miss Debbie Bagwell was maid

of honor and Belvin McCutchen served the bridegroom as best man.

Ushers were Clayton Holder, brother of the bride, and Ronnie Turner of Amarillo, brother of the bridegroom.

The maid of honor wore floor length gown of gold velvet fashioned on princess A-line from an empire waistline. The bodice featured a scooped neckline and full puffed sleeves, cuffed at the wrist. Her headpiece was a Dior bow of gold velvet and she carried a colonial nosegay of gold wave roses.

Mrs. Holder chose for her daughter's wedding, a creamy beige wool double knit dress trimmed in peach, with matching coat and accessories.

Mrs. Turner, mother of the bridegroom, wore a winter gold double knit dress with matching accessories. Both mothers wore corsages of yellow roses.

Following the ceremony, a reception was held at Raney's Kona Kai Inn poolside.

Guests were registered at the reception by Miss Pam Keunke.

The table was laid with a white applied organza cloth and centered with an arrangement of golden wave roses flanked by matching tapers in candelabras. The three-tiered white wedding cake, decorated in bold gold, was served with punch, nuts and mints. Appointments were in milk glass and silver.

Members of the houseparty were Mrs. Bill Elliot, Mrs. John King and Mrs. Jack Caddel.

For a short wedding trip, the bride traveled in a white two piece suit of double knit featuring a matching triangular fringed shawl. Her corsage was of golden arnet roses. The couple is at home at 914 East Seventh in Dumas.

The bride is a student at Dumas High School.

The bridegroom attended school in Quitaque and is employed by Delbert Williams Flying Service.

Following the reception, Mr. John D. Owen, grandfather of the bride, presented the bridal couple with a taped recording of their wedding vows as a surprise gift.

### Variations On A Sauce

A recipe for a good medium white sauce is handy whether dressing up fish, vegetables or croquettes.

### Medium White Sauce

2 tablespoons margarine  
1 tablespoon corn starch  
1/2 teaspoon salt  
1/4 teaspoon pepper  
1 cup milk

Melt margarine in saucepan. Blend in corn starch, salt and pepper. Remove from heat. Gradually add milk, mixing until smooth. Cook over medium heat, stirring constantly, until mixture thickens, comes to boil and boils 1 minute. Vary and use as suggested below. Makes about 1 cup.

For Fish: Mix in 2 tablespoons toasted chopped blanched almonds or 1/4 cup finely shredded cheese.

For Asparagus, Broccoli or Spinach: Mix in 2 chopped hard cooked eggs.

For Croquettes, Fish Cakes or Boiled Potatoes: Mix in 1 tablespoon chopped parsley.

## A Guaranteed Helpful Hint for the New Bride

Surveys done by consumer magazines estimate that as an average a bride will spend about \$3,000 for home furnishings alone. All told, including gifts to the bride, there is an annual expenditure of 3 1/2 billion dollars during the period of engagement and into the first year of marriage.

These figures are up approximately 50% from 1964 and can best be attributed to the two-paycheck families with now almost 90% of the brides working.

Luxury items today play an even more prominent role in the brides' purchases than ever before. Years ago, something like wall-to-wall carpeting would have been out of the question except for a few. Now, however, nine out of 10 brides prefer it. Unfortunately, all too many of these brides are unaware of how quickly carpeting can be ruined by caster damage.

A real lifesaver for carpeting is the Beauti-Glide bed frame, equipped with Super Glides or Rug Rollers, that is actually guaranteed not to damage carpeting or any other floor surface. Be a smart young bride and lengthen the life of your carpeting or other floor surfaces by insisting that your bedroom furniture has the Beauti-Glide guarantee tag.
