

Craig Wortham, youth director of Calvary Baptist Church, and Lane Franks, youth minister of First Evangelical Methodist Church, join hands in interdenominational outreach called Youth Awareness.

Christ Centered Youth Fellowship To Meet Monday

Youth ministers Craig Wortham of Calvary Baptist Church and Lane Franks of First Evangelical Methodist Church join hands in interdenominational outreach called Youth Awareness.

"Youth Awareness" will be a Christ centered fellowship of young people (ages 13-23) that will meet twice monthly in a central and accessible place; to save confusion.

The meetings will be scheduled in such a way that conflict with existing church and school activities might be avoided.

Youth Awareness will have to be interdenominational as a matter of fairness. This will help everyone to feel welcome and it will allow a spirit of unity that otherwise would be quite difficult. While such a fellowship will have no denominational emphasis, it will be directed by conservative Christians who hold to the Bible as the reliable and inspired word of God.

The curriculum of these meetings will include film showings, special music, guest speakers, testimonies, etc. Refreshments will be served following each meeting.

The main objectives and goals of this fellowship will be: (1) to bring young people to the reality of Jesus Christ and a personal commitment to Him as Savior and Lord; (2) to examine vital issues that they are commonly faced with and approach solutions from a Biblical perspective; (3) to discuss and expose destructive elements that are often responsible for destroying many young lives, simply because they were not informed on such matters; (4)

to develop a warm and open atmosphere at all meetings so that communication and mutual respect might be enhanced and spiritual needs met; (5) to encourage each young person to become more directly involved with the church of his or her choice and to live as an example in their community.

With the Lord's help, this proposed fellowship could do great things and help many young people to experience the abundant life Jesus Christ came to give them.

Youth Awareness will hold its first meeting Monday, November 17, at 7:00 p.m. at the Calvary Baptist Church on Avenue D. The guests will be the Ambassadors, a gospel quartet from Howard Payne. Young people please come and don't worry about formal dress.

Band Boosters To Meet Monday

The Band Boosters Association will meet Monday evening, at 7:30, in the high school auditorium. The sixth grade band and the junior high band will perform on the program, directed by Wayne White. Important business items will be discussed.

All members are encouraged to attend this called meeting on Monday evening.

Country Club To Hold Meeting And Chili Supper

The annual meeting of members of the Cisco Country Club will be held at 8 p.m. Thursday, Nov. 20, at the club house to transact business and to elect two new directors, according to an announcement by President Ronnie Ledbetter.

The evening's program will begin at 7 p.m. with a chili supper. Hostesses for this event will be the 4th quarter (October, November and December) committee. Louie Gilbert will cook the chili.

The business meeting will begin at 8 p.m. After the meeting, the board of directors will elect officers for the coming year, Mr. Ledbetter said.

All members were urged to attend.

Softball Assoc. To Meet Monday

The monthly meeting of the Softball Association will be held Monday, November 17, at 7 p.m. at the American Legion Hall, located at 500 Ave. E. Officers invite everyone to attend the meeting and help produce the youth program to a higher level in Cisco. Refreshments will be served following the meeting.

J.W. Crowder Recovering From Foot Injury

J.W. Crowder, a long time resident of Cisco, is recovering from a foot injury. Friends may address him in care of Leisure Lodge, 1309 Brazos Room 13, Graham, Texas 76046.

BUMPER STICKERS AVAILABLE

Do you have your Centennial Bumper sticker yet? We have them available! The cost is just 50 cents each, so buy one for a friend out of town, too.

The purpose of the early sale of the bumper stickers is to advertise the celebration all over the Big Country area. We would like to see them on all the Cisco cars. We know many people go out of town for the coming holidays and your bumper stickers could tell everyone the date of the Centennial Celebration.

So, now that everyone wants one they are available at the Chamber of Commerce, Cisco Lumber, Red Gap and from any centennial committee member, Joe Wheatley, Clois Purvis, Gerald Winnett, Robert Dudley, Barbara Pope and myself. If you need several delivered please call me or the Chamber of Commerce office.

CHS Homecoming Queen

Debbie Hitt, daughter of Mr. and Mrs. Burdette Hitt, was named Homecoming Queen during the half-time activities of the Cisco-Ranger football game Friday, Nov. 7, at Chesley Field. She was escorted on field by her father. She was presented her crown and a bouquet by Dave Turner, assistant principal of Cisco High School. (Photo courtesy of Cisco High School Annual Staff)

Terry Burns Takes Over Management Of Rockwell Bros.

Terry Burns, formerly of Cisco, has taken over management of the Rockwell Brothers Lumber Company here on Saturday, November 8. Mr. Burns said former manager Ray Olney resigned to "work for Otis. We are going to miss him, but we wish him the best in his new job."

Mr. Burns has been employed by Rockwell Brothers Company four and a half years. The first two and a half years he spent

here at the Cisco company as a yard hand, and the past two years he has been managing the Rockwell Brothers Company in Albany.

"I consider Albany my home," said Mr. Burns, "and we are happy to be back here." He explained that his father, Lewis Burns, was in military service and their family moved around a lot until he retired and they moved to Cisco. Terry Burns lived in Cisco for four years before moving to Albany. He is a graduate of Cisco Junior College.

Sylvia Burns, his wife, will be working at the store full-time keeping the books.

Mr. Burns said they have purchased a new mobile home and it should be moved to Cisco sometime this week. Terry and Sylvia have two daughters, ages two years and one year, which were both born at E.L. Graham Memorial Hospital in Cisco.

Lions See Scuba Diving Pictures

Motion pictures made during scuba diving vacation trips to an island in the Gulf of Mexico off the Mexico coast were shown by Jack Farleigh, Jr., Fort Worth telephone company official, as the program feature at the weekly luncheon of the Cisco Lions Club last Wednesday.

Mr. Farleigh, who grew up in Cisco, began visiting Lobo Island off Tuxpan, Mexico, in 1964, in company with several friends who enjoy scuba diving and fishing. The movies made on the various trips were combined to make a 30-minute program.

The divers were shown catching fish with spears, landing them and dressing them for the islanders. Some of the fish weighed over 400 pounds. The movies also featured coral beds, a sunken ship and numerous pictures of assorted fish. Lobo Island is located 18 miles from mainland Mexico.

The visitor is the son of Mr. and Mrs. Jack Farleigh of Cisco, and his father was the program chairman.

Boss Lion Eddie McMillan reported that the club expects to net more than \$300 from last week's fish fry at the high school cafeteria.

City Council Hears Audit For 1978-79

An audit of the City of Cisco's books and records for fiscal year 1978-79 was presented and accepted by the City Council at the semi-monthly meeting Tuesday night at City Hall. The audit, which was made by Johnston and Johnston, Eastland CPA firm, assisted by Joe Cooper, Cisco CPA, was presented by Mr. Cooper and Susan Johnston.

Mr. Cooper noted that the audit consumed considerably more time than previous audits due to the condition of the city's books, notably mixups in the book-keeping of various funds. The audit cost the city \$10,030, which was ordered paid.

In a separate statement, the auditors noted the importance of maintaining a system of internal account-

ing control, pointing out that "this is management's responsibility."

Auditor Joe Cooper told the council that he has worked closely with the city's employees for several months and "the city accounting department is making good progress." The city hired a new accountant a few months ago and the council was advised that she was "awaiting audited balances for the 1978-79 fiscal year so she could bring the 1979-80 fiscal year figures up to date."

Mayor Roy Cartee noted that the council would consider hiring auditors for the 1979-80 fiscal year in the near future.

The combined balance sheet showed that the city's total assets at the end of the fiscal year on Sept. 30, 1978, amounted to \$101,091.88 in the general fund, \$799,192 in the water and sewer fund, \$113,813 in the revenue sharing fund, and \$31,317 in the industrial building fund.

General fund details showed the city collected \$459,331 for the period, including \$124,431 in taxes, as compared with \$419,604 as predicted in the budget for the year. Expenditures of general fund money totaled \$453,612 with \$411,000 being budgeted.

The water and sewer fund had \$263,368 in operating revenues. Expenditures from this fund amounted to \$288,733 - some \$67,000 above budget. The deficit, it was noted, was due largely to discounts in water and service rates for senior citizens voted after the

Rev. Jim Hooten To Preach At East Cisco Baptist

Rev. Jim Hooten will preach at the East Cisco Baptist Church this Sunday evening. Services will begin at 6:30 p.m. After the evening service, the church will have a fellowship.

Bro. Hooten was pastor of the church from 1959 till 1961. After leaving the church he and his wife, Peggy, and three children, went to Africa as foreign missionaries. They served there until recently. Bro. Hooten is now pastor of Madison Baptist Church in Madison, New Jersey.

The public is invited to attend this service.

C.J.C. Plans Open House For Community College Week

To open Community College Week in Cisco, CJC has planned an open house to take place Monday evening, November 17. Texas Governor William Clements has declared the week of November 16-22 as Community College Week.

The public is invited to come and take part in the evening activities which include a women's and men's basketball game with

Western Texas College in the recently completed gymnasium and performances by the CJC Band and Wrangler Belles.

The women's game begins at 6:00 p.m. and will be finished about 7:30 p.m. During the break between the games refreshments will be served in the Student Union Building. The main buildings on campus will be open to the public.

budget was prepared. Commenting on the importance of internal accounting control procedures, the auditors said this would provide reliable data, safeguard assets and records, promote operational efficiency, and encourage adherence to prescribed policies.

To achieve good internal accounting control, the auditors urged the use of competent, trustworthy personnel with clear lines of authority and responsibility, adequate segregation of duties, adequate documents and records, physical control over assets and records, and independent checks on performance.

The auditors said that management should make every attempt to correct weaknesses by implementing (1) account balances at the end of each month as compared to the budget, (2) a detailed record of fixed assets should be established and maintained, (3) detailed information in expenditures should be typed on each check stub along with the account number to which it should be charged, (4) pay statements only when supporting invoice and statement is in hand, (5) supervisors should approve payroll time sheets, (6) reconcile tax subsidiary ledgers with general ledger monthly, (7) store receipts and documents in safe location, and others.

The auditors urged council members to study the audit along with recommendations for better internal financial control.

In other action, the council considered a resolution offered by Councilman Wm. J. Eudy that provided for abandoning the office used by Mayor Cartee "and direct the city manager to utilize this space in a more efficient manner."

Mr. Eudy noted that the office was approved by the council some six months ago "and the mayor assured me that it would be a good thing but it hasn't been used as planned." He said the handbook for city government in home-rule cities such as Cisco makes no provision for such an office and "this one has been nothing but a headache."

In discussing the resolution, Councilman Raymond Whitley expressed the belief that the mayor needed a place where he could talk to

Mary Cagle and Homer Langford Married In Olden

Mary Lee Cagle and Homer Langford were married Saturday, November 15 at the Olden Baptist Church. Rev. Jerry Speer, pastor of the Eastside Baptist Church in Ranger, officiated.

The bride is the daughter of the late Mr. and Mrs. Dee Overstreet of Gorman. The grooms parents are the late Mr. and Mrs. William L. Langford of Ranger.

Matron of Honor was Mrs. Linda White of Huntsville. Truman Dempsey of Ranger served as best man.

Mrs. Langford is employed as Activity Director of Western Manor Nursing Home in Ranger. He is a farmer in Ranger.

A reception was held following the wedding ceremony in the fellowship hall of the church.

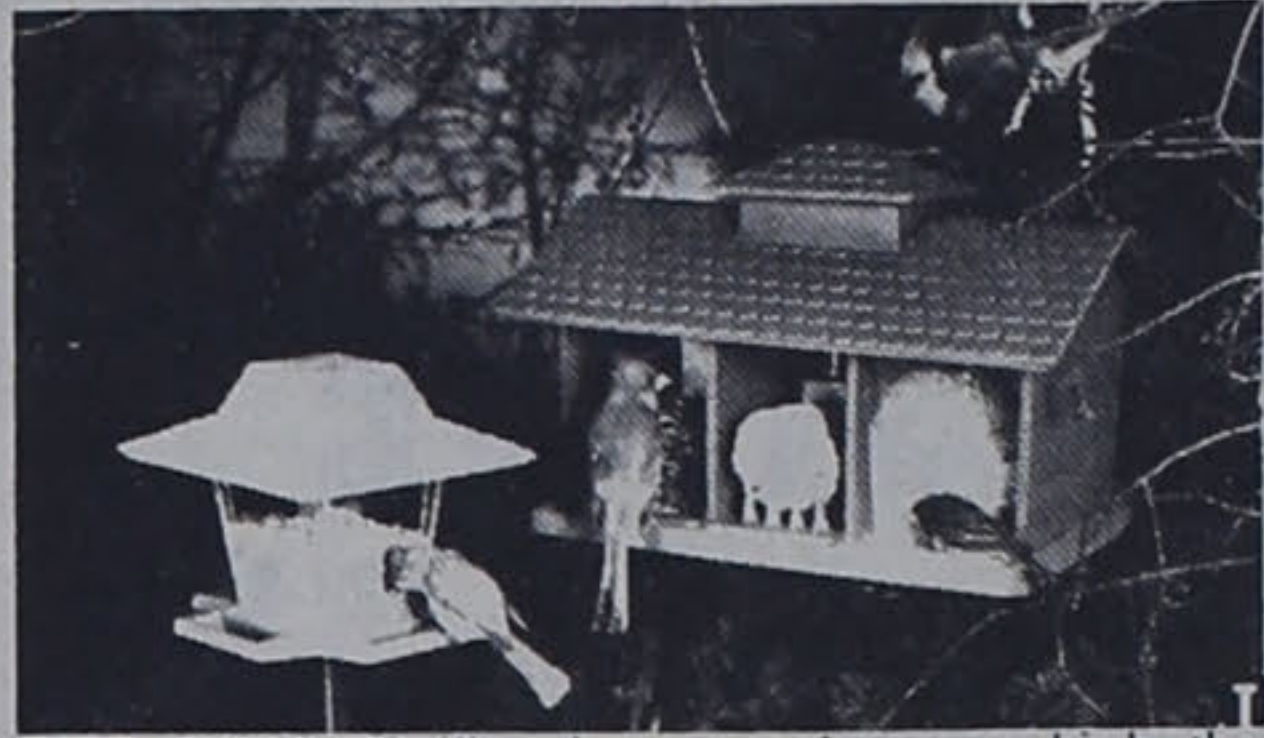

After a short wedding trip the couple will be at home at 509 E. Connor in Eastland.

Golden Wedding Anniversary, Nov. 23, 1980 at the Eastland Bank Building from 2:00 til 4:00 p.m.

Mr. and Mrs. J.F. Guy of Route 3, Gorman, Tx. will celebrate their Golden Wedding Anniversary with a reception in their home Sunday, November 23, 1980;

from 2:30 - 4:30 p.m. Their children will host the celebration. No invitations will be mailed, all friends and relatives are invited to attend.

BIRD Facts & Fancies

BIRD FEEDERS like these can give some birds the positive edge on survival.

Many people believe it is good luck if a bird flies into the house, and some say it is especially good luck when a wren builds a nest near the house.

The fastest animal known is a bird. In 1942, a spine-tailed swift was recorded as traveling at 106.25 miles per hour.

Sunday, November 16, 1980

When birds can't find enough to eat, many people hang out bird feeders. You can get many attractive models that are easy to load and easy for the birds to use. The ones from Rubbermaid can be mounted on poles or hung by their own weather-resistant cords.

In general, wild birds are said to sing to establish their territories. The song informs other birds of the same species that a certain amount of land belongs to the singer—and no trespassers allowed. Other bird calls are food and danger calls, or to keep the flock together during migration. The known living species of birds in the world number some 8,600.

Bill and Lucille Hester and Staff of the Colony Restaurant wish to take this opportunity to thank everyone for their patronage which has made the Colony such a huge success during our first year in business.

The Colony Restaurant is now taking reservations for the Thanksgiving and Christmas parties.

Citizens For Better Gov't Are Organized

About 100 Cisco residents met at the Corral Room on Monday night, November 10, to form an Organization known as "Citizens For Better Government." C.W. Guthrie, acting as temporary chairman of the meeting, opened the discussion as to statement of intent, general procedure of the meeting, and formulation of plans for citizens to be informed. Mr. Guthrie stated that no one person or faction in the city was backing this group, but that citizens and taxpayers in the town were concerned with actions taking place in the city, and desired to improve the local government and the handling of public projects and funds, as well as other matters relating to public interest.

A nominating committee was appointed to bring a slate of officers to the next meeting. These will include a chairman, two vice-chairmen, a secretary-treasurer and sergeant at arms. Proper parliamentary procedure will be used at all meetings, with citizens given an opportunity to state their views. Various committees are expected to be formed to deal with specific problems. These will be brought to future meetings.

The basic object of the group will be to make Cisco a better place in which to live, with a city government functioning in a representative manner, a spokesman said.

A number of citizens—some of them elected officials—spoke during the two hour meeting, relating concern for the city and facts for consideration.

Among the concerns expressed were: qualifications of the city manager, the residence of the city manager outside of Cisco, the conduct of officials during city council meetings, a padlock on the door of city hall, the handling of city funds and signing of checks, the lack of communication between City Hall and the public, and various alleged situations in the past which speakers said have led to a lack of general improvements for the city.

These questions were discussed pro and con, as well as the lack of agreement on some matters between members of the city council. The responsibilities of the mayor and city manager were also discussed. It was also mentioned that it was difficult for the public to attend city council meetings, due to lack of space in the meeting room. Some citizens also cited a lack of an opportunity to present views during meetings.

The group voted for the "Citizens For Better Government" to meet on the first and third Mondays of each month at a place in Cisco to be announced. Officers will be chosen at the next meeting. The public was urged to attend and participate in this effort, called "grass root government" by one of the speakers.

Three Ladies Honored With Birthday Party

Mrs. Velma McCrary and Mrs. Vera Doyle of Cisco and Vernon Hagar of Eastland were honored with a birthday celebration Saturday, November 8, in the

By Mrs. Luke Huskey

COUNCIL MEETING

The council will have a hearing on the budget for 1981 at the next city council meeting on Tuesday night, Dec. 2, 1980. The council proposed a 20% rate increase on everything except the backhoe, which will be \$1,000 plus interest for the year. The public is invited to attend the hearing.

The city had received a Revenue Sharing check for \$283.00 and a sales tax check for \$680.21.

The city had used 945,500 or 2.90 acre feet. 183 meters were reported.

A letter from the Shackelford County Appraisal Board was acknowledged, and discussed.

The W-2 forms for tax returns had been received. A letter from the Texas Dept. of Health Resources was read and the recommendations for the improvement of the Sewer plant will be made.

No news had been received from the F.H.A. loan papers.

The election on the water problem was discussed. Election officials will be Kate Mitchell, Jim Howard and Margaret Scholer with Mae Delle Jones as alternate.

Two council members are needed to fill the unexpired terms of Rollin Fuller and R.K. Hallmark.

The fire boys will elect the officers for 1981 at the meeting in December.

Mr. and Mrs. E.J. Freeman, Sr., and Mr. and Mrs. E.J. Freeman, Jr., attended the funeral for Ocie Leveridge in Abilene, last Wednesday. Mr. Leveridge was the husband of the former A.L. Pritchard, the daughter of the late Mr. and Mrs. John Pritchard.

Mrs. Nell Sutton of Clinton, Okla., Jack Kays of Altus, Okla., and Mr. and Mrs. Pete Page of Morwood, Okla., visited with their brother, L.C. Kays and Mrs. Kays last week. Mrs. Sutton remained for a longer visit with her brother and wife.

Mr. and Mrs. Robert Thompson attended the funeral for her step-brother, Buster Tannery in Freeport Monday.

Charlie Hagemann is receiving treatment in the Eastland hospital.

Mr. and Mrs. Archie Bise of Brownwood and Mr. and Mrs. Mike Moore of Ozark, Ark., visited with Mr. and Mrs. Jack Moore Tuesday.

Mr. and Mrs. Bert Booth of Temple spent Tuesday with his parents, Mr. and Mrs. J.W. Booth.

AMERICAN LEGION
The fish fry sponsored by the Ernest F. Pettit Post, No. 343, in Moran was well attended on Tuesday night, Nov. 11, in observance of Veterans Day. Veterans receiving 60 year memberships in the American Legion were J.W. Booth, Walter McCollum, W.J. Porter and Fred Wylie. The Legion would like to thank everyone for helping to make the supper a success.

Mr. and Mrs. Reuben Coats spent the weekend in Llano visiting their son, Kelly Coats and his family.

fellowship hall of the Church of the Nazarene. Hosts were their children, Mr. and Mrs. Bill McCrary of Houston, Mr. and Mrs. A.L. Tarver of El Campo, Mr. and Mrs. V.M. Hagar of Marshall, Mr. and Mrs. James Hagar of Midland and Mrs. Doyle's grandchildren.

First Christian Church Honored At Fund-Raising

The First Christian Church (Disciples of Christ) is among 100 churches from throughout the United States that was honored, along with individual contributors, as Texas Christian University's Brite Divinity School celebrated a successful fund-raising campaign that went over the top months ahead of schedule. Pastor and Mrs. Don McCleeny were in attendance and received a certificate of appreciation in behalf of the congregation. The certificate of appreciation will be presented to the congregation during the morning worship service Sunday, November 16.

The November 12 celebration officially signals the end of Brite's first major financial campaign, the investment in ministry drive, which began in the fall of 1976 with a goal of \$7.5 million. Gifts now total more than \$8 million.

The Brite Building, renovated during the summer, and the new Pastoral Care Center were viewed during an open house. Dr. James M. Moudy, TCU chancellor emeritus and a moving spirit behind the investment in ministry program, preached at the 4:30 p.m. worship service in Robert Carr Chapel.

Campaign donors, including 81 Texas churches and others from Louisiana, California, Michigan, New Mexico, Oklahoma, Kansas, Missouri, Maryland, Arkansas, Indiana and Florida, all were recognized at a 6 p.m. dinner in the TCU Student Center ballroom.

Dr. Gilbert Davis, church relations director for TCU and Brite, presided and speakers included Wayne Moore of Midland, chairman of the Brite Board of Trustees; Brite Dean M. Jack Suggs; and TCU Chancellor William E. Tucker. The invocation was delivered by Newton J. Robison, minister of Lake Tanglewood Community

Cisco Police Report

W.A. Pence, Cisco Chief of Police, has released the following Police Report for the week of November 6-13: 43 parking tickets issued; 10 traffic tickets issued; one arrest made for D.W.I. and assault; 16 offense reported; two thefts; one assault; one stolen license plates; three criminal mischief; one vandalism; two disturbance calls; one child abuse case; two prowler calls; three calls for animals; 50 calls of various types received at P.D.; 120 calls from dispatch; two stolen property recovered; two wrecks worked; 20 hours per week spent on school zones; two warrants served. Lake Patrol worked school zones and parking meters, patrol shores of lake, picks up trash on point and surrounding areas.

There were 120 guests in attendance including 59 from out of town. Many cards and gifts were received from those who were unable to attend.

They were born on November 6. Mr. Hagar was born on Mrs. McCrary and Mrs. Doyle's fifth birthday.

Church near Amarillo, and the benediction by Don C. McKenzie, minister of Northway Christian Church of Dallas. Also in attendance were members of the campaign steering committee, including Moore, Ralph Hooks of Abilene, Frank Medanich of Dallas, Mrs. Grady S. McCarter, Jr. of Shreveport, Dr. A.M. Pennybacker of University Christian Church, Fort Worth, and Dr. Davis and Ed Kallenberg of the TCU Development staff.

'Artvan' To Show At Region Schools

Region 14 Service Center and the Abilene Fine Arts Museum art team, Mrs. Margaret Rutledge, Art Coordinator for Region 14 and Jodelle French, Art Education Curator for the Abilene Fine Arts Museum will take to the 12,000 square miles of roads that make up Region 14 every Monday until Christmas. The "artvan" sponsored jointly by both organizations, will visit six elementary schools in the Region 14 area, which administers to 515 school districts and 45,000 students.

In the van there is a specially constructed folding screen that will display ten framed prints from the Abilene Fine Arts Museum's permanent collection. The lithographed works are Emmett Williams' "10 Autobiographical Prints" selected especially for their content of color, shape and texture, along with their delightful appeal to children and grownups alike.

Early every Monday morning, the "artvan" pulls up to the site of the previous week's exhibit. Mrs. Rutledge and Ms. French then proceed to pack the framed prints and load them into the van, dust off their hands, and proceed to the REAL work—the student assembly waiting for them as far as 70 miles away.

Once arrived, the van is unloaded and the prints make their debut "on stage" at the student assembly. Mrs. Rutledge introduces herself and the collection of prints, then turns the show over to the Abilene Fine Arts Educator, Jodelle French. Ms. French then talks to the students, demonstrating with the aid of a color wheel the concepts of color, shape and texture to her audience.

"It's great to watch the children's excitement when they discover color for themselves in these prints," Ms. French says. "The satisfaction of talking to the children about art makes these frenzied Mondays well worth it."

The Region 14 "artvan" outreach project was begun last year to share arts awareness experience with the boys and girls of the Big Country area.

WORD of GOD

Fast and Pray
Howbeit this kind goeth not out but by prayer and fasting. *Matthew 17:21*

Mrs. McCrary and Mrs. Doyle have been residents of Cisco 75 years.

The fifth grade students of Cisco Intermediate School presented a play, "Tall Tom Jefferson" Monday night, November 10. The students each had a part in the play. (Photo by Martha Davis)

Fifth Grade Students Present Pageant

Intermediate School Gym was the scene of a beautiful kaleidoscope of color and pageantry as the life of the third president Thomas Jefferson unfolded Monday night, November 10. The historical pageant was presented by the fifth graders. The students were dressed in elaborate costumes of colonial times. The boys dressed in frock tail coats, knee breeches and wigs. The girls in beautiful ball gowns as they attended the inaugural ball of Thomas Jefferson. Even the common people were invited to the ball. Kevin Kirk, Jarrod Jeffcoat, Angela Nichols and Ginger Williamson rolled up in a buckboard pulled by a mule as they sang on their way to the palace. There they met Thomas Jefferson (Raif Rattan), his daughters, Gina Kinser and Jill Reynolds, John Adams (Donovan McDonald), Abigale Adams (Kim Arnold), James Monroe (Mark McGinness), Elizabeth Monroe (Leigh Callarman), Aaron Burr (Bobby Webb), Alexander Hamilton (Paul Reaves), John Quincy Adams (Keith Johnson), Louisa Adams (Connie Streiff), John Marshall (Robert Wages), James Madison (William Pevey), and Dolly Madison (Teresa

Petree). Kevin Bentley, with his bright red hair, was a very convincing Tom Jefferson as a boy and did a very beautiful solo from the top of the mountain where he later built his home, Monticello. His mother, played by Kathy Hutchens, sang to her son.

Then the choir gave a rousing rendition of "Great Big Beautiful World" as Tom goes off to the Low School in Williamsburg. Thomas Jefferson as a man enters, played by Raiford Rattan and writes the Declaration of Independence as the choir joins in reciting a large portion of it in a choral reading.

Then Alexander Hamilton, Paul Reaves, and Thomas Jefferson, Raiford Rattan, lend their beautiful soprano voices in solo for a cabinet debate—Hamilton for the rich and Jefferson for the poor.

Acknowledges Gifts

Dr. Norman Wallace, president of Cisco Junior College, acknowledges a contribution to the Cisco Junior College Memorial Endowment Fund by Mrs. Eva Humphreys in memory of Owen Carpenter.

News From The Center

Earlier this month our residents enjoyed the Jesus' Friends of the Lutheran Day Care Center. Having these children to visit our Center was a great joy for our residents.

On November 11th, the youth choir from First Baptist Church came and sang to our residents. We appreciate all the people that make these group visits possible. Our residents love singing and we are so grateful for all the help from people like you who offer a variety of activities for our residents.

Our birthday party will be Thursday, November 20, at 2:30 p.m. and it will be hosted by the Pleasant Hill Extension Club. Our birthday honorees are Agnes Miller, Wyma Brazell, Ernest Damron, Henry Pence and Grady Clark.

On November 25th, at 3:15 p.m. the Esther Sunday Class will sponsor a Thanksgiving party for our residents.

On Thanksgiving Day the residents will enjoy a turkey and dressing dinner. All family members and volunteers are cordially invited to attend the dinner. Just before dinner, Rev. Crockett, pastor of the Lutheran Church, will have the Jesus' Friends children from the Day Care Center, to render a Thanksgiving devotion.

As we approach Thanksgiving let's look at ourselves and see how blessed we are. As you enjoy your Thanksgiving dinner, loved ones and friends, let's give thanks to God because there are many who are less fortunate than we.

Have a Happy Thanksgiving.

The students each had a part in the play. (Photo by Martha Davis)

C.H.S. HOMECOMING '80

Homecoming '80 at Cisco High School was a smashing success from the decorating of the halls to the final activity of the celebration which was the after-game dance.

At 1:15 p.m. Thursday, November 6, the Homecoming activities began as the four high school classes began to decorate different sections in the halls of C.H.S.

The sections were assigned by C.H.S. principal, Mr. Jim Puryear.

The Seniors were assigned the hall area in front of the auditorium. The Juniors were allotted the area on the east side of the Educational Building. The Sophomores were given the hall from the bell to the Junior High divider door, and the Freshmen were assigned the hall from Mr. Couch's office to the Secretary's office in the Administration Building.

These hall decorations were judged by a group of people from the community. The first place title was awarded to the Senior Class, but the judges said that the decision was a very hard one.

The Seniors called their creation "Bulldog Heaven." All color, shapes and sizes of stuffed bulldogs adorned their area including clouds, stars and vapors from dry ice.

The Junior Class prepared a football field with such trimmings as a goal post from which hung a bulldog, a playing field with yard signs and many Lobo tracks all over the place.

The Sophomores had a very effective display of crepe paper streamers leading up the hall and climaxing around a huge Lobo head.

The Freshmen had the most colorful decorations in that all colors of crepe paper was used in their creation.

At 7:00 p.m. Thursday, November 6, the "Sing

The cheerleaders doing their stuff at the pep rally held downtown at the JRB parking lot.

Owings goes through anything to get to his private outhouse!

These are some future twirlers, they are under the direction of Andrea Coleman. They are shown marching in the homecoming parade.

Song" got underway. The annual "Sing Song" is under the direction of Mr. Wayne White. Mr. White along with all of those who performed are to be commended for a very enjoyable occasion. Those who participated are as follows:

The C.H.S. choir sang, "Make a Joyful Noise" and selections from "Paint Your Wagon." Paula Cozart and Steve Jackson sang "Come Unto Jesus" and was accompanied by Tracey Couch. Tami Eudy played "One Day At A Time" on the piano and then sang "The Way We Were"; Debbie Hitt and Paula Cozart sang "The Truth Shall Make You Free" and was accompanied by Tracey Couch; Debbie then sang a solo entitled "Looks Like We Made It"; Mike Keating and Matt Ritchie played a trumpet duet, "Fantasia"; Trey Kendall performed Chopin's "Polonaise Op. 26 #1" on the piano; Tracey Couch played the "Entertainer" and "Maple Leaf Rag"; Jana Jeffcoat accompanied by Mrs. Davena Jeffcoat sang "Muskkrat Love"; Jacque Eudy played and sang "The Rose"; and then the Village People, Mary McGrew, San-

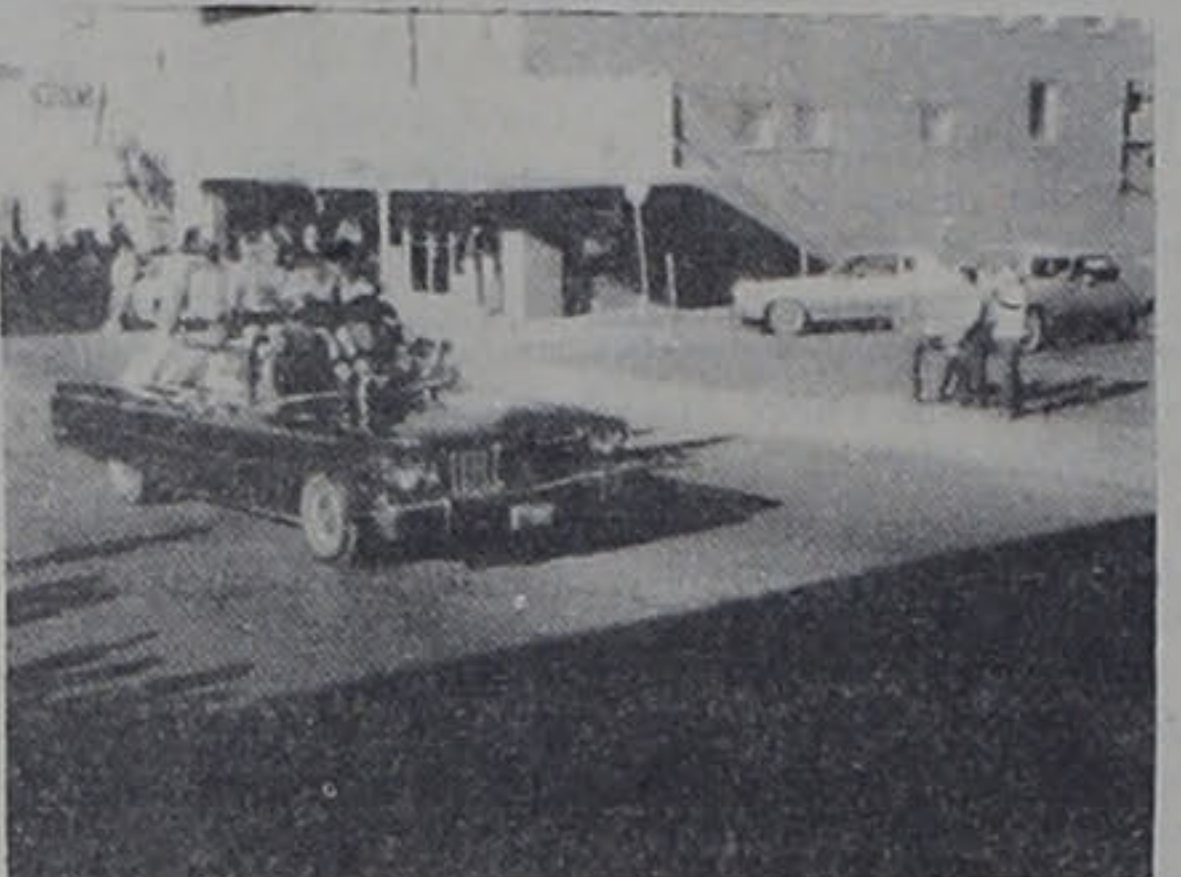

Shock among the audience, our bashful Coach Slagle sang "Its Hard To Be Humble."

Little Jeffcoat strikes again with her Muskrat Love.

The number one hall decoration went to the senior class. The theme of the hall was Bulldog Heaven. All of the classes of CHS were competing for the homecoming hall of the year.

Lookin' Good Junior High!

Teacher R. Whatley carries the most spirited group through the parade.

This paper does not necessarily reflect the opinions of the school administration.

dra Nichols, Becky Charness, Velia and Delia Lopez and Eloise Torres, performed a pantomime; Margaret and Claudia Yeager sang "Hey Everybody"; the sixth grade choir under the direction of Mrs. Davena Jeffcoat performed "Nadia's Theme and The Candy Man"; and then to top everything off, Mr. Jim Puryear and his Dummy, Poncho, (Steve Couch) performed a ventriloquist act, and Coach Slagle picked and sang "Lord Its Hard to Be Humble," "The Auctioneer" and "San Antonio Rose."

Immediately following the "Sing Song" all in attendance walked to the bonfire area where the cheerleaders and the C.H.S. Band led all in a very spirit-filled pep rally. Friday, November 7, at 3:30 p.m. the downtown area was the site of one of the best Homecoming Parades for Cisco in a long time.

Of course we must not forget to mention the Fish Fry sponsored by the Cisco Lions Club which was held at the C.H.S. Cafeteria Friday evening before the football game.

The Lobo certainly did their part to make the Homecoming '80 a great success with their overwhelming victory over the Ranger Bulldogs.

At half-time, Miss Debbie Hitt was crowned as Homecoming Queen.

Homecoming '80 will be remembered as one of the best Homecomings for C.H.S. (Lobo Howl Staff)

Hints For The Aged & Handicapped

By PATRICIA GALBREATH

DEAR PAT—I read your letter in the Indianapolis Star to S.T.M. in Alabama about arthritic shoes. I have deformed feet from arthritis and suffered a good deal in trying to walk. A few of my problems are the toes piling on each other, hammer toes, callouses on the bottom of my feet, and bunions.

By looking in the yellow pages of the phone book under Shoes—Orthopedic, I found there is a show called

"depth" shoes with removable insoles. Depth shoes give more room for the toes by being higher (or deeper). Wearing these shoes relieves the pressure on the overlapped toes and callouses. The show store I go to has a licensed Podiatrist that can modify the insoles, with or without a doctor's instruction, to ease the pain of walking. I believe most any large city would have one or more therapeutic

shoe stores selling "depth" shoes with the removable insoles.

I hope this information will help someone else as much as I have been helped. —Ms. L.C., Indiana

DEAR PAT—I enjoy reading your column and think you are providing a very worthwhile service for the uninformed public.

In reference to your recent article on Arthritic Shoes, I have some information that you might like to share with your readers. I am a foot specialist and see many arthritic foot problems in my office. I recommend the contour molded shoes to my arthritic patients and actually anyone who has special foot problems.

Let me explain exactly what the molded shoe is. A cast is taken of the patient's feet; the cast is then sent to a special laboratory where shoes are made from the cast. The individual is actually walking in their own foot-print. The shoe is lightweight and very shock absorbing. For the arthritic patient, a special padding is made into the shoe to insure greater comfort and mobility. The shoes are available in many styles and colors to choose from. It takes about 4-5 weeks to have the shoes made. —Dr. A.J. Schutzbank.

DEAR PAT—I am planning a fall trip to Europe and would like to correspond with several individuals from different countries. Could you provide me with some names before we leave? This will be very helpful because as much information as possible because my husband and I are both handicapped. I use a wheelchair and he walks with crutches and one leg brace.

Transportation, accessibility, and accommodations are concerns and it would simply just be nice to contact someone personally that we have corresponded with. Hope you can help. —K.C., Michigan

DEAR KARAN—Your best bet would be to contact the International Correspondence Club for the Handicapped, 2525 N. Broadway, Number 902, Fargo, N. Dakota. —PAT

PAT'S NOTE: Address any questions you may have or hints you want to share to: HANDICAPPED, P.O. Box 368, Weatherford, Texas 76086

Thanksgiving

Know Fertilizer When Buying

When buying fertilizers, be sure you know what you're getting. Key ingredients in a fertilizer are nitrogen, phosphorus and potassium, says DeMarquis Gordon, County Extension agent with the Texas Agricultural Extension Service.

The label on the fertilizer bags tells you what percent of nitrogen, phosphorus and potassium is available in the mixture, in that order. An example would be 5-10-5 or 10-10-10, points out Gordon. To prevent over-spending that well-earned dollar on filler material, buy fertilizers according to the price per pound of nutrients. For example, one pound bag of 10-20-10 is equal to two pounds of 5-10-5, but compare the prices!

Specialty fertilizers for use with specific plants are available but are usually more expensive. For example, there are specialty fertilizers for lawns, tomatoes and azaleas, to name a few. Of course, lawns generally do better with a high nitrogen fertilizer while vegetable gardens can use a little extra phosphorus.

For the greatest economy and efficiency, purchase fertilizers for your home or garden by the weight of total plant available nutrients not for its total weight, emphasizes Gordon.

'Tis the Season

The custom of hanging up a stocking by the chimney on Christmas Eve probably evolved from a legend surrounding the generosity of St. Nicholas. In the saint's hometown, there lived a man who had lost all his money through a string of unlucky events. This man had three daughters but,

since he could not provide a dowry for any of them, it seemed doubtful that they would ever marry. St. Nicholas learned of their predicament and resolved to help them. Since he wanted no recognition or credit for his deed, he quietly came to their house at night and tossed three bags of gold, one for each girl, down the chimney. Each time, the legend tells us, the bag of gold landed in a stocking that was hanging by the fire to dry.

STRAIGHT TALK

★ For some time now you've heard us talk about the Pat Walker Figure Perfection Salon in Ranger. Maybe you've thought it might be your answer to your particular weight problem but really couldn't convince yourself to give it a try. Let's have some straight talk about Pat Walker's.

★ There are a good number of women right here in the Eastland County area who can tell you how much better they feel, how much better they look, that their clothes fit better and that they face the world each day knowing that their lifestyle has changed for the better and they'll stay that way.....because of Pat Walker's.

★ Pat Walker's doesn't make outlandish claims and propose to be any kind of miracle diet. But Pat Walker's does offer a sensible plan to take weight off and keep it off while shaping and firming those trouble spots. It's a comfortable surrounding where women work sensibly to make themselves more attractive. So for whatever reason you've been putting off making a decision about yourself, put it aside.

★ Call Pat Walker's today for a free treatment and figure analysis, and give us a chance to do for you what we have done for so many others.

★ And for a limited time, mention this ad and save 10 percent off your program.

SECOND EDITION OF DALLAS COWBOYS WIVES' COOKBOOK SUCCESSFUL SELLER

"We've done it again!" said Mary Breunig, wife of the Dallas Cowboys' middle linebacker, Bob Breunig, "and the all-new Second Edition of the Dallas Cowboys Wives' Cookbook and Family Album is even bigger and better than last year's popular book."

"Bigger and better" means that this season's cookbook contains not only all new favorite Cowboy recipes, candid snapshots, and family sketches from the married players; but pictures, recipes, and sketches from the single players, rookies, and coaching staff as well.

The Second Edition, which has just been released is a fund-raising effort on the part of Mary and other Cowboy wives to benefit the children of Happy Hill Farm. All proceeds from the book go directly to the children. Located just southwest of the Metroplex, the Farm provides residential care and vocational training for boys and girls who suffer from severe learning disabilities and handicaps.

ite "Whipped Short Breads" recipe.

Mary came up with the idea of compiling the cookbook two years ago. With the help of some of the other wives and the Children's Home staff, she produced one of the most popular cookbooks shown in the Metroplex last year. Several thousand copies were sold to Cowboy fans, scattered from Alabama to Alaska. The small Children's Home staff, which handled all the packaging and mailing of the books, worked frantically trying to fill the orders before Christmas.

The Breunigs, who are among the Farm's most ardent supporters, have been helping the children almost from the beginning of the work some five years ago. Bob has served on the Board of Directors since 1977. Most of the special children, who live at the Farm, come from the Metroplex. They have been referred by school counselors, loyal psychiatrists and psychologists, and the juvenile justice system. Many of the children, due to their severe emotional and educational problems, have gotten into trouble.

Nestled in the hill country, about an hour's drive from the city, Happy Hill Farm is able to offer its children the best of both worlds. It is far enough away to provide a rural atmosphere, yet close enough to take advantage of all the recreational, educational, and cultural opportunities of the big city.

The Farm contains 266-acres, where the children work to grow much of their own food. They tend a large dairy goat herd and have a thriving egg business, with more than 700 laying hens.

They also raise cattle, ducks, geese, and a variety of other small animals. The Farm's program contains a strong vocational emphasis. The children are being taught woodworking and other industrial arts in an effort to prepare them to enter the job market upon graduation from the Farm's Academy. The Farm and the Academy are licensed and approved by the appropriate state agencies. Along with Bob Breunig, other Board members from throughout the business community, assist the Executive Director, C. Edward Shipman, and his wife, Gloria, in operating the non-profit, charitable facility.

The Farm is multi-denominational. It does not receive Federal or state aid. Operating funds to sustain the program have come from hundreds of individuals throughout the state. Corporations and foundations in the area are assisting with capital funds for the Farm. Several new buildings have just been completed. Homes for seventy-six children are planned.

The Farm's Director, in assessing the success of last year's cookbook, said: "The Cowboys Wives' Cookbook not only provided needed income to assist us in caring for the children, but it let Cowboy fans all over the country know about the Farm. Since then, many of them have become involved in helping to support our boys and girls. We are grateful to Bob and Mary Breunig, the other players and wives, and the Cowboy organization for helping us to make this year's Second Edition an even greater success."

The cookbooks may be ordered directly from the Farm for \$8.95, plus \$1.00 for sales tax, postage, and handling. Write: Dallas Cowboys Wives' Cookbook, Happy Hill Farm, Star Route, Glen Rose, Texas 76043

County Oil Report

Adobe Oil & Gas Corp., Midland, completed No. 1-C Sneed in the Mangum, North (3,100) Field four miles southeast of Cisco in Eastland County.

Location is 3,041 feet from the north and 1,955 feet from the east lines of Section 25, Block 3, H&TC Survey.

Daily potential was 134 barrels of 42.1 gravity oil, plus two barrels of water. Flow was through a 12-64 inch choke with packer set on the casing and 750 pounds tubing pressure.

The well is producing from perforations at 3,318-24 feet, treated with 1,000 gallons of acid.

Operator set the 5 1/2-inch casing at 3,475 feet, total depth.

The well had a gas-oil ratio of 1,896-1. KIH Oil and Gas Inc., Cross Plains, completed No. 2-G.W. Pickett in the regular field three miles southeast of Cross Cut.

Location is 1,470 feet from the south and 3,060 feet from the east lines of Section 158, ETRR Survey.

Daily potential was 40 barrels of 42 gravity oil, plus 105 barrels of water. It is pumping from perforations at 1,945-55 feet.

Operator set the 4 1/2-inch casing at 1,980 feet, total depth.

VAS Exploration Inc., Midland, filed applications to drill two proposed 4,200-foot wildcats in Eastland County.

No. 1 State of Texas will be drilled 10 miles northwest of Rising Star on a 260-acre lease.

It spots 1,400 feet from the north and 330 feet from the west lines of Section 4, BS&F (on some maps EL&RR) Survey.

Other wildcat is No. 1 Harrison, located on a 169-acre lease seven miles northeast of Cisco.

Drillsite is 1,400 feet from the south and 330 feet from the west lines of Section 54, Block 4, H&TC Survey.

Sentinel Petroleum Corp., Hurst, will drill No. 2-A Autry as a proposed 3,900-foot wildcat in the Mangum, West (3,100) Field five miles southeast of Cisco.

Location is on a 120-acre lease, spotting 467 feet from the north and 1,787 feet from the west lines of Section 22, Block 3, H&TC Survey.

Lee Brothers from Rising Star staked location for No. 2-B.M.O. Proctor in the regular field five miles northwest of Rising Star.

The planned 3,600-foot venture is located on a 62-acre lease.

Drillsite is 330 feet from the north and west lines of Section 41, Block 2, ETRR Survey.

Kids Count Too! DRIVE CAREFULLY

WORD of GOD

And I will cut off witchcrafts out of thine hand; and thou shalt have no more soothsayers:

Micah 5:12

Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the Lord your God.

Leviticus 19:31

Return Unto The Lord!

If ye do return unto the Lord with all your hearts, and prepare your hearts unto the Lord, and serve him only: he will deliver you

1 Samuel 7:3

Spirited COOKING

A SHARP IDEA

These bite-sized beauties make sharp cheddar cheese and savory sausages take on a new shape and a terrific taste.

CHEESE AND SAUSAGE BITES
3 cups flour
3 teaspoons double acting baking powder
1/2 teaspoon salt
1 pound bulk pork sausage, mild or hot seasoning
1 pound sharp cheddar cheese
1 large onion
4 drops Tabasco
1/4 cup blended whiskey

Toss flour, baking powder and salt to mix. Crumble sausage with a fork. Grate

Extension Homemakers Club

The Extension Homemaker Craft Day will be this coming Tuesday, November 18 at the new Eastland National Bank Community room. The day's program will be from 10:30 a.m. to 2:30 p.m.

The Craft Day program is being sponsored by the Extension Homemaker Council Recreation Committee. Mrs. Arlene Thompson, of Cisco, is chairman of the day's activities.

The program will include demonstrations on Silk Flowers, by Arlene Thompson; Corn Husk Creations, by Ora Mae Jordan and Mabel Garrett; and Needle Punch Rugs, by Vallie Parker.

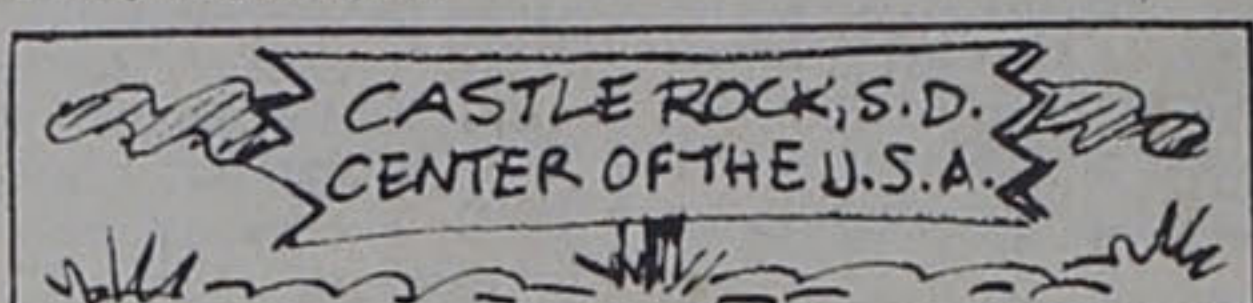

Mrs. Bill Mitchell, of Strawn, will present a program on 'Pretty Enough to Eat' which features vegetable garnishes.

Mrs. Beverly Payne, co-owner of Something Special Holiday Store in Eastland, will present a program on holiday decorating.

There will be a \$2.00 registration fee for supplies. Extension Homemakers Club members should bring a sack lunch for the noon luncheon. Drinks will be furnished.

cheese. Chop onion finely. Work into flour mixture to distribute evenly. Add Tabasco and whiskey to make a firm dough. Knead 5 or 6 times. Shape by rounded teaspoonsful, arrange well apart on lightly greased baking sheet. With a fork dipped into flour, flatten each ball with a criss-cross pattern to make thin wafers. Bake in a moderately hot oven (375° F.) about 15 minutes until browned. Makes 5 to 6 dozen bites. Serve hot.

It all adds up to an underpriced hors d'oeuvre with a taste that's hard to get over but easy to get down.

The exact geographic center of the United States is Castle Rock, South Dakota.

GORDON SPOT

by DeMarquis Gordon

What is cereal rye? We sure had that question asked many times after this column appeared two weeks ago. In that column we recommended cereal rye as a good winter cover crop for the vegetable garden.

Sometimes portions of an article or column has to be cut out so it will fit given space. A small paragraph was omitted in that column which stated that cereal rye is the same as that used by peanut farmers for winter cover crops. Some varieties are Bonel, Elbon and Moton. This is regular rye and is different from annual ryegrass which is used to overseed lawns. The ryegrass does not grow as fast as the cereal type rye.

We did not mean to leave the impression that rye will solve your nematode problem. Rye does serve as a trap crop for nematodes and will reduce the population, but will not completely solve the nematode problem.

Deer season is finally here and many hunters are out getting their first kill. Successful deer hunters have learned that for the best quality of venison, the time that is shortened between the kill and the freezer becomes the critical factor.

There are two basic ways of field dressing deer, and both require a sharp knife with a large handle so that it can be held firmly. One method is usually

recommended for game that is to be mounted later. The second is slightly quicker and is used for game that is not going to be mounted.

We have an Extension publication titled "Field Dressing Big Game". This little publication explains the two methods of field dressing and skinning deer. We also have a publication that shows and tells how to determine the age of the deer you kill. If you would like information on cooking deer we have another publication that tells how to prepare the various cuts along with recipes and menu suggestions.

All these publications are free and available in the County Extension office in the basement of the Courthouse.

The Eastland County Pecan Show is just around the corner. It will be December 12 and 13 at the Eastland County Courthouse. Anyone who grows pecans is eligible to enter the pecan show. An entry is 43 pecans of any one variety or native pecan from any native tree. One person may have one entry from each variety he or she grows and as many different native entries as one wishes to enter. Ribbons will be given to the first three place entries in each variety class.

If you have pecans this year saving the best nuts for the Pecan Show. You may bring them to the Courthouse on December 11 or leave them in the Extension Office anytime before December 11. Be sure to put your name, address and variety of pecans on the bag or other container.

Letters to the Editor

Letter to the Editor
Dear Concerned Citizens:

Recently a "City News" sheet was tossed about town by person or persons who must be afraid or ashamed to sign their names to such childish and untrue statements, or maybe I'm not ashamed of statements I make concerning city business, for to the best of my knowledge the statements will be correct, at least if someone disagrees with me - which is their right to do so - they know

who to confront - because my name will be signed! Not everyone agrees on all subjects but that is part of what America has fought for, for so many years! Freedom of Speech, individuality. The "news" sheet mentioned "Hitlerism" - as everyone is well aware of elections are held to elect city council members, mayors as well as presidents, etc. We have had one president impeached and there is a way-if enough registered voters would like to see any member of the ci-

ty council or mayor removed from office!! But remember these people were elected by a majority of voters and with all the headaches these elected officials have, plus their concern and wish to help better Cisco, I personally feel that if so many citizens "really care" what is going on in the city government they would attend the city council meetings! I have attended several meetings where there would be very few concerned citizens - let there be "word" of dissen- tion in city business and you know I've seen the council chambers packed. Rather than sit back - listening to gossip or "City News" printed by those ashamed to sign their names, attend the council meetings and make your own judgements. People these meetings are held for your benefit in an attempt to help Cisco reach goals for everyone not just a "special few" attend meetings, voice your opinion, letting the elected officials know your desires, you helped put these people in the position they hold. Now is the time to take a stand and back them!

Concerning the "City News" statement about the city secretary being dismissed because of "trumped up" charges by the new city manager. The ex-city secretary I consider a friend of mine (was and hope she still is). The city manager presented items of city business that should have been handled a month prior to Mr. Turpin presenting

these items. This is no way to take care of personal business, much less city business. Possibly due to unnecessary pressure, the ex-city secretary over looked these and several other items. On several things the ex-city secretary did an outstanding job that even the ex-city manager could not handle properly.

As to the statements concerning secret meeting to this I personally contradict. My husband is one of the council members and I know for a FACT that he has not been involved in any secret meetings or anything else concerning secrecy! As far as the attempt to keep the Reporter News out of city business or problems it appears to me that everyone in Cisco should be aware of how the Reporter News seems to jump at any "BAD" news from Cisco. They can't help solve any problems - they only keep problems festuring. The news man that attended the last meeting stated "one of you called and informed of problems" which should show someone likes to instigate trouble and hard feelings!

I personally, as a concerned citizen, would like to take this opportunity to invite anyone or all of those from the so called "Reliable Sources" to come forward and be recognized at the city council meetings. As a private tax paying citizen, I would like to publicly hear your comments.

I have had Mr. Turpin repeatedly state "any record, is available to any citizen at any time, just come to the City Hall and with in 10 minutes I'll have the information for you." How much more can a person do. Any non-profit organization's records are open to the public, if anyone is not aware of this. If you are concerned enough, care

enough, take time to go to the City Hall, introduce yourself to Mr. Turpin, ask questions, then make your own judgement, stop depending on gossip. Check things out yourself.

There seems to be a need for several extra workers at City Hall. If you went to the City Hall 3 or 4 months ago and have been lately (personal trips) you should be able to see how much more efficient and up to date items are. I'll be the first to gripe about monies being spent for a job half done by 2 or 3 workers (2 or 3 people can not do justice to any job that requires 5-6 and a lot of organization). The way work went 3 to 4 months ago, organization was not included.

Cisco has "FREE PRESS" if people aren't ashamed or afraid to sign their names and aren't afraid or ashamed of what they think or say. Even the "Reporter News" has letters to the editor but the letters must have a signature. If people are ashamed to sign their names, then I don't believe these items are worth reading much less being honest in what's written.

Let's all join together to attend the council meetings - stand up and let the council, mayor and city manager know your thoughts and desires, and ideas on what needs to be done. After all you helped vote these people into the offices they hold, that Phase I of many phases follow thru with Phase II after voting attend meetings and help our elected officials and city manager operate our city to the best of their ability, for a better environment for all concerned to live, work and play together.

One last statement that I feel needs to be said. At the last meeting October 28, 1980, I heard the mayor question the city manager as to

how the city was going to pay out \$45,000 for the paving of the airport, since the \$45,000 was not appropriated in the 1980-81 budget? First off I have attended several meetings, heard discussion about the airport explanations from Ronnie Ledbetter most of all paid attention because like everyone I have talked with "fix the streets first I own a car - not a plane." The airport will benefit Cisco in many ways - not just "certain people." It is my understanding the city will receive GRANTS for the paving of the runway - which is to be matched by in-kind labor - which several citizens and EnRe Company have done the work. This money is not coming from city funds therefore it does not belong in the budget at all! This statement seems to confuse a lot of citizens - especially some of our senior citizens who would love to attend the council meeting, if only their health permitted them climbing the stairs to the council chambers.

On Monday, November 10, 1980, a group of people conducted a meeting at the Corral Room for any taxpaying citizen. This was announced in the Cisco Press and this announcement lead several citizens to believe the meeting concerned taxes, also several understood this meeting was being called by

NU-BORN Baby
BROOKE KATHRYN MASSEY

Mr. and Mrs. Kenneth Massey of Scottsdale, Arizona, are proud to announce the arrival of a baby daughter born November 4, 1980. She weighed eight pounds and one ounce, and has been named Brooke Kathryn. She is the granddaughter of Mrs. Raymond Massey of Cisco and Mr. and Mrs. Joseph Karnas of Phoenix, Arizona.

ZACHARY STEPHEN ANDERSON
Mr. and Mrs. Leslie Anderson of Lamesa, formerly of Cisco, are proud to announce the birth of a son, Zachary Stephen. He was born October 29, 1980, at 7:34 p.m. in Permian General Hospital in Andrews. Zack weighed seven pounds and 10 ounces, and was 20 1/4 inches long. Maternal grandparents are Mr. and Mrs. Bob Christian of Colorado City. Paternal grandparents are Mr. and Mrs. Warren Anderson of Colorado City.

Mr. Anderson was formerly employed with C.I.S.D. and Mrs. Anderson was formerly a certified dental assistant with Dr. Allen McGinness in Cisco.

the city officials which it was not. The group conducting this meeting are calling themselves concerned citizens of Cisco. If these so called concerned citizens are "really" concerned why don't they confront the entire city council, mayor and city manager with their questions, ideas, suggestions as well as their accusations which usually is false gossip! The only way to stop this petty gossip, harrasement, and dissention, is to meet these problems head on-which starts by confronting the fore mentioned elected officials instead of groups getting together, exchanging the latest news and trying to come up with solutions to then present to the council meetings.

At this meeting a council woman stated she was glad that people are concerned with the city's problem and were trying to help, but she was sorry the council chambers were too small to accommodate more citizens. As I stated earlier in this letter, maybe it's time to move the council chambers to a larger area, downstairs if possible, maybe more concerned citizens would attend the city meetings, located downstairs then possibly the majority of Cisco's population. Our senior citizens could attend without the danger of stairs, also with our senior citizens and more room for other citizens attending they would get the truth of what is going on in our city instead of half truths.

Written and signed,
by
Dottie Eudy

and Taxpayer
November 16, 1980

The breakfast and lunch menus for the Cisco Primary and Intermediate Schools during the week of November 17-21 are as follows:

Monday: breakfast-pancake, syrup, apple juice and milk. Lunch--steak fingers, gravy, whipped potatoes, roll, peaches, cookies and milk.

Tuesday: breakfast-cinnamon toast, orange juice and milk. Lunch--chili beans, cornbread, fried okra, corn on the cob, jello and milk.

Wednesday: breakfast-cereal, cranberry juice and milk. Lunch--chicken and dressing, roll, fluffy potatoes, gravy, green beans, ice cream and milk.

Thursday: breakfast-toast, jelly, apple juice and milk. Lunch--corn dog, roll, pork and beans, macaroni and cheese, applesauce and milk.

Friday: breakfast--oatmeal, bacon, orange juice and milk. Lunch--fish, tartar sauce, cole slaw, roll, tater tots, catsup, cake and milk.

The menu each week is subject to change.
The weekly publishing of the school menu is sponsored by the P-T.O.

CJC Students Asked For Help In Coming November Blood Drive

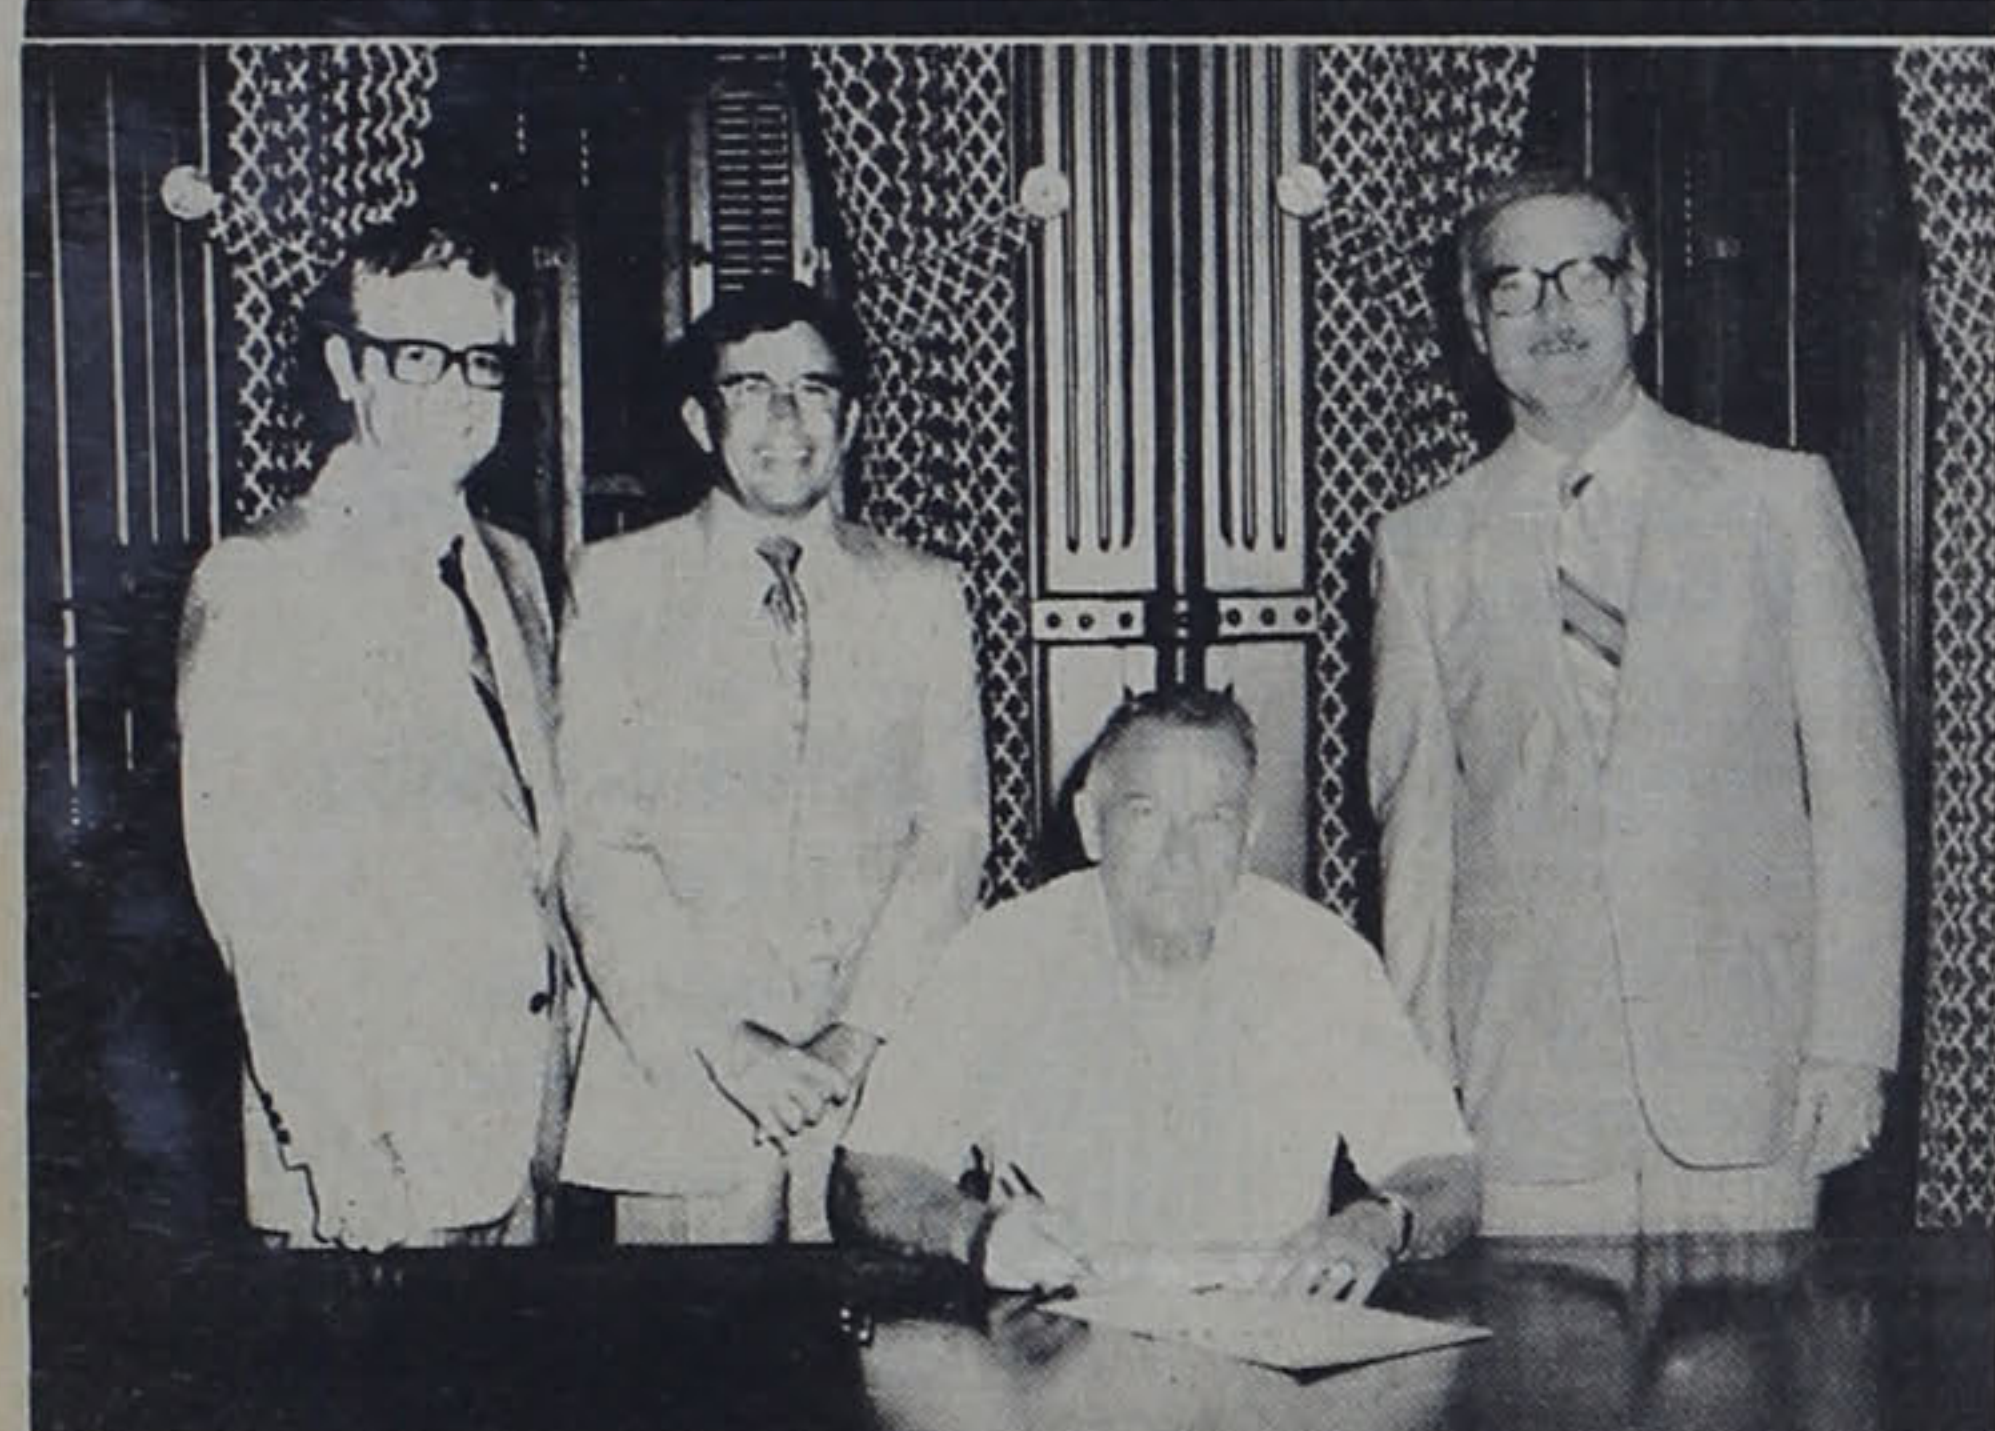

The community of Cisco is presently appealing to CJC students for their help in the upcoming November Blood Drive. The Blood Drive has been set for Wednesday, November 19, in the Student Union from 9 a.m. to 3:30 p.m. on CJC campus.

The Cisco Service Club and the Cisco Civic League is working jointly with E.L. Graham Memorial Hospital in this much needed project, according to Mrs. Ben Streiff, a co-chairperson for the drive.

Due to a long-time debt to

the Mary Meek Blood Bank at Hendrick Medical Center in Abilene, the appeal is made to CJC students and local residents of Cisco. There are no longer paid blood donors (except in special cases), and blood donors must be solicited on a voluntary basis. The challenge to CJC students and the community gives people a feeling of knowing they have shared their lives so that others might live.

For further details, contact John Muller or Mrs. Ben Streiff at 442-3466.

Official Memorandum
By
WILLIAM P. CLEMENTS, JR.
Governor of Texas

GREETINGS:

AUSTIN, TEXAS

Texas Community Colleges are outstanding institutions, considered among the Nation's leaders.

More than one-half million persons annually enroll for credit and non-credit classes in the sixty Texas Community Colleges.

These colleges are located within commuting distance of more than 90 percent of the State's population.

Texas Community Colleges are sensitive to the educational needs of the people they serve, and respond quickly and effectively to these needs.

These colleges are serving people of all ages, with a wide variety of post-secondary educational offerings.

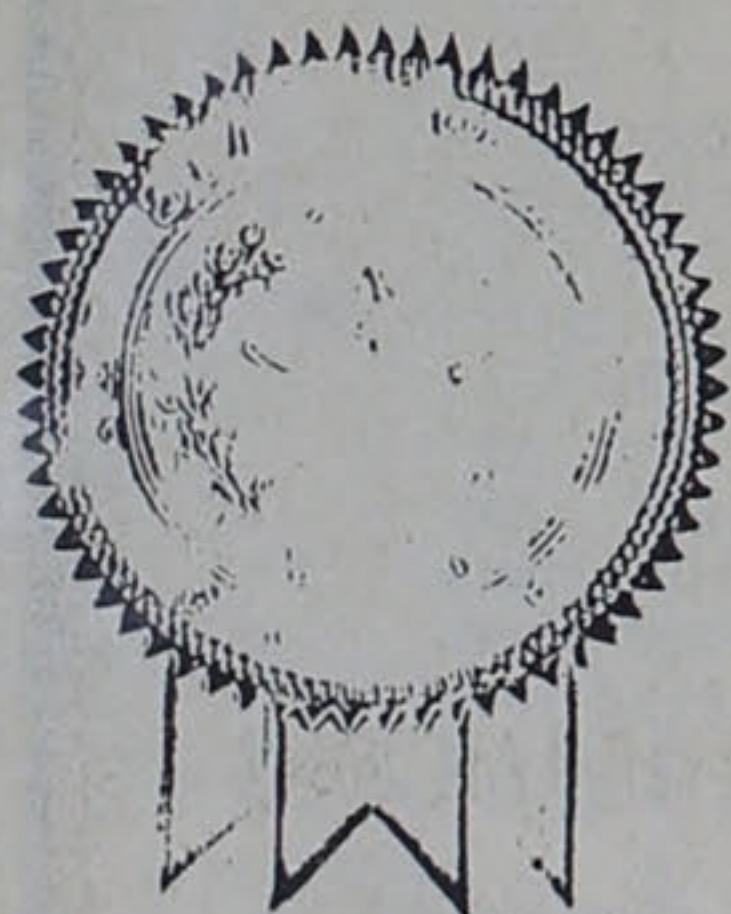

Texas Community Colleges are heartily endorsed by community leaders in business and industry.

The Texas Public Community/Junior College Association has set aside a week for the observance of Texas Community College Week.

THEREFORE, I, as Governor of Texas, do hereby designate the period of November 16-22, 1980, as

TEXAS COMMUNITY COLLEGE WEEK

and urge all citizens to be cognizant and supportive of this excellent public source for quality, low-cost, post-secondary education.

In official recognition whereof, I hereby affix my signature this 29th day of May, 1980

W.P. Clements, Jr.
Governor of Texas

Workers are busy cleaning the windows for painting at the First United Methodist Church. The church is in a complete major restoration project. Members of the working crew are Carl Cooley, foreman, Kansas; Billie Budd, Kansas; Ralph Dozier, Cleburne; Larry McGomery, Chuck Wheeler, Jr., and Robert Wheeler, Cleburne. (Photo by Helen Wallace)

After paint was applied to the woodwork, the church building of First United Methodist really began to shine. (Photo by Helen Wallace)

CJC To Do Award Winning Off-Broadway Production

Drama Director Janis Myer today announced the upcoming Cisco Junior College production of 'The Effect of Gamma Rays on Man-In-The-Moon Marigolds'. The play, written by Paul Zindel, is a winner of the Pulitzer Prize, the Obie Award, and the New York Drama Critics Circle Award as the Best American Play of the 1969-70 season.

One of off-Broadway's greatest successes this powerful and moving study of an embittered, vindictive widow and her two young daughters has been hailed as one of the most significant and affecting plays of our time.

The story concerns frowsy, acid-tongued Beatrice Hunsdorfer, who supports herself and her two daughters by taking in a

decrepit old boarder. Beatrice wreaks petty vengeance on everyone about her. One daughter, Ruth, is a pretty but highly strung girl subject to convulsions, while the younger daughter, Matilda, plain and almost pathologically shy, has an intuitive gift for science.

Encouraged by her teacher, Tillie undertakes a gamma ray experiment with marigolds which wins a prize at her high school—and also brings on the shattering climax of the play. Proud and yet jealous Beatrice can only maim when she needs to love, and deride when she wants to praise. Tortured, acerbic, slatternly, she is as much a victim of her own nature as of the cruel lot which has been hers. And yet, as Tillie's experiment

proves, something beautiful and full of promise can emerge from even the most barren, afflicted soil. This is the timeless lesson of the play, and the rest of its moving power and truth.

The cast of 'Marigolds' includes Lou Jane Qualls as Beatrice Hunsdorfer, Tracy Freed as Tillie, Kathy Powell as Ruth, Marie Ann Reston as Nanny, and Laura Jeffcoat as Janice Vickery.

'The Effect of Gamma Rays on Man-In-The-Moon Marigolds' will be presented November 20, 21, and 22 at 7:00 p.m. in the Roof Garden Dinner Theater of the Laguna Hotel in Cisco. Tickets are \$7.50 for dinner and performance. Reservations are required and may be made by calling Cisco Junior College at (817) 442-2567.

IWU Reflections In Perspective
By I. Will Ussery

You may have the impression that my career has been beset with labour problems. Not so. It is just that those in which I've been involved seem to have been somewhat unique in their character. And they made a lasting impression.

The average Western European appears to be unable to accept the natural flavor of meat. Perhaps they've been a long time without really knowing the difference, but almost without exception the Europeans with whom I've been associated.....the Germans excepted.....seem to be addicted to 'meat sauces'. They smother the best steak they can find with all manner of gunk, much as some Texans over-douse perfectly good beef with ketchup.

Now a favorite means of disguising meat of any form, from roast beef to meat loaf, of the British, is to liberally treat it with a very fine sauce known as 'Houses of Parliament Sauce'. Or, to the average diner.....'HP Sauce'. No well-fed British subject would be caught without his bottle of HP at hand when the meat dish is served. And Iraq had been heavily under British influence for more than a hundred years.

Our project in Iraq, the base of which was at Fao near the mouth of the Shatt al Arab River, consisted of the construction of a major submarine pipeline. A considerable amount of ancillary work was involved, and this was handed over to a Lebanese sub-contractor. His was the responsibility of handling practically all the local labor force. And, in accordance with Iraqi labor laws, he set up a complete camp for all the laborers outside the village of Fao. More than 300 semi-skilled and unskilled workers were bedded and fed in that camp.

Came a urgent message one day. 'Preceed to Basra immediately and report to the Garrison Commander, Brig. General Madjik Ali.' So, over the sixty miles of dusty, potted road to Basra we went, wondering what was in store.

General Ali got right to the point. 'I have reliable information that you are going to have a strike in your labor camp. Your life has been threatened. I have assigned a body guard for you. He has had you under observation for the last two days. Here is my private telephone number. When the strike occurs, call me immediately. Unless my people have it in hand. You may return to Fao. This man will accompany you'. Pointing to a young lieutenant of the Iraqi Army. Back to Fao, over the dusty, pot-holed road.

Made arrangements for accommodations for my additional 'body guard', and made note of the fact that matters generally could not have been more normal. The following morning a youngish captain reported that he had a company of troops in temporary encampment along the road between Fao and the sub-contractor's labor camp. It was comforting to know.

The next day, all the labor went on a sit-down strike. Refused to come out of their tents. Refused their meals, which is something an Arab striking laborer rarely does. Under what could be described as heavy guard, we proceeded with the sub-contractor to the camp to try to sort out the problem.

And sort it out we did. The laborers came right to the point. The sub-contractor had stopped putting Houses of Parliament Sauce on the tables of their mess halls. No HP sauce, no work. That one was settled in a whipstitch, and without bloodshed. There was much handshaking all 'round, and laborers turned to with visions of their next meal.....broiled mutton, generously doused with HP sauce.

Michael Hunt Fund

Most children don't have to face one of the supreme terrors of the adult world - cancer - but two-year old Michael Hunt of Ranger has already encountered the ravages of the disease.

So far, it has cost him an eye, and at least for a while, the ability to walk.

Michael, the son of Cleve and Charlene Hunt, was being taken by his mother Sunday to St. Jude's Children's Hospital in Memphis, Tenn., a place he has visited before. Doctors there will try to control Michael's cancer, which has entered his brain and spine.

Michael has been to a hospital in Dallas, where he had an eye removed after a Stephenville specialist spotted his eye problems about two months ago.

Michael's father works as an oil field "roughneck," and the five-member Hunt family must contend with expenses related to their youngest child's illness. Also, Cleve Hunt has had to take some time off from his job because of Michael's problem.

To help the Hunts financially, some of their friends have set up the Michael Hunt Fund at the Eastland National Bank. "They need help bad," said a family friend, who preferred not to be identified.

The friend, who described Michael's plight, said that ENB vice-president Joe Taylor helped set up the fund, which is sponsored by the First Christian Church of Ranger.

Monday, First Christian minister James Upshaw will deposit in the fund about \$200 in donations which were given to him for safekeeping, according to Hunts' friend.

First United Methodist Church Undergoing Restoration Here

By Helen Wallace

In an age of throw-aways, disposables, and discards, it is rewarding to see some of the old buildings restored.

The First United Methodist Church has been in use since its erection in 1920, but was in need of a lot of work. It was decided by the Building Committee on July 21, 1980, to restore rather than rebuild the present Methodist Church.

Some work has already been completed. The beautiful stained glass windows have received needed repair and replacement.

Work that is now in progress is foundation repair, exterior restoration, and a new roof. New piers will strengthen the foundation, and mud-jacking will be used to settle and level the floor in the basement. The outside bricks and structure will receive cleaning, remortaring, painting and water and weather-proofing. New doors will be hung where they are needed. Because the roof leaks in many places, it was decided that a new one was definitely needed.

Besides the exterior "facelift" the program of restoration also calls for an interior facelift. Carpet, wallpaper, paneling, painting, new ceilings, new lighting, new tables and chairs, and other work that is needed, will give the interior the boost that it so badly needs.

An elevator will be installed to accommodate those members that have difficulty climbing the stairs to the second floor sanctuary. It will be large enough for

several persons and will have steps on the basement and ground level, and second floor.

Some of the trees were diseased, and had to be removed, so replacement of trees, shrubs and flowers as well as a new yard which will take place of the one lost to the bad weather this year, are planned in the restoration.

Contractors for the various jobs have been Mid-Continental Waterproofing Co., Inc., working out of a branch at Cleburne. Their headquarters are located at Fort Scott, Kansas. The foundation work was done by F.W.D. Foundation Construction, Arlington. The consulting engineer for the foundation work was Michael K. Stephens, of Tension Engineering, Inc., Arlington.

The stained glass windows were cleaned and repaired by Victoria Art Glass, Victoria.

Pastor of the church is Rev. David Adkins.

Things definitely become "messy" during a restoration project at the First United Methodist Church. (Photo by Helen Wallace)

They had two special guests, two gentlemen helped them with the painting. Bro. A.W. Collier and Jon Carroll. Others attending were Mmes. Fay Owings, Lois Holder, Barbara Mayberry, Betty Green, Marie Schaefer, Cheryl Stephens, JoAnn Gary, Carrie Collier and Elizabeth Lee.

People Things

THE WEEK OF Nov. 16-22 has been officially proclaimed Community College Week in Texas, and it is very fitting for every citizen of our community to take part in this event.

Cisco Junior College has been our community college for many years, starting soon after the turn of the century. CJC has been one of the state's junior colleges since the early 1940s. Today, CJC has a campus and educational plant valued at about \$6,000,000.

The college is our community's biggest industry with a total of 110 full-time

employees plus a dozen or so part-time workers with a payroll last year of \$1,750,000. The 1980-81 payroll is expected to amount to about \$1,875,000.

The college contributes much to the business success of the community. It is a cultural center as well as an educational center, and its value is growing in all directions. Some 1,500 students are enrolled in the college's programs. For many, junior college constitutes their higher education. And it is gratifying that the quality of education at CJC is such that young people can prepare themselves for careers in their home community.

There's an open house at CJC Monday night and you're invited. There will be refreshments - cookies and drinks - at the Student Union Building around 7 p.m. - between two basketball games that open a new home season. The girls team plays at 5:30 followed by the boys game at around 7:30 p.m.

Major buildings on the campus will be open for inspection Monday night, and you'll want to see the new gym. Let's all go out and pay our respects to a fine college.

ENJOYED A FINE musical program at Intermediate School last Monday. It was staged by the fifth grade under the direction of Mrs. Jerry Jeffcoat, music teacher at the school, and it was a real credit to her and the school. Entitled Tall Tom Jefferson, the musical told the Jefferson story from his life on the frontier, when Virginia was still a wilderness, until he settled at Monticello, leaving his mark in many places along the way. Having visited the Jefferson home and region last spring, we particularly appreciated Tall Tom's story in song.

Mrs. Jeffcoat, who also works with students at Primary School, has plans for each class to present a musical during the year, we learned. A month or two ago, 4th graders staged a musical. And 2nd graders are working on a Christmas program for December.

HEAR THAT the Sgt. Mackey Morgan family is about to get organized again. As you know, he was in Turkey for a tour of duty with the Air Force and his wife, Glenna, and three sons were with him. Mrs. Morgan and the boys came to Cisco last September while he was being transferred back to the States. They lived with her mother, Mrs. Louise Pryor.

Sgt. Morgan, who is the son of the I.W. Morgans, is now at Tinker AFB, Oklahoma City, and Mrs. Morgan has gone there. Son Scott, a CJC student, will remain here. Understand sons Greg and Randy will be going to Oklahoma City before long. Both are in high school.

BET YOU WOULD have enjoyed watching, too, when a flight of more than 100 geese flew over Cisco the other afternoon. At the Cisco Country Club, we and other golfers paused to watch the orderly formation and to hear their honking voices. It was around 5 p.m. and they seemed to be looking for a place to land and feed and spend the night.

And speaking of geese, let us report that we looked up the other day to see a huge gander walking west on 7th Street between Sears and United Savings. Billy Ragsdale, bookkeeper at Jake Morgan's Farm & Ranch Supply, watched the big goose and wished she could catch him. Finally, two youths maneuvered the goose into a corner and caught him. They carried him away in a pickup.

THE RALPH Glenns went down to Houston last weekend to take a pickup load of supplies for daughter Marcia's new apartment. She works as secretary to a surgeon there... During one 60-day period last year, 153 airplanes landed at Cisco Municipal Airport. Many of them were flying in with folks transacting business...

Frank Barrett of Thornton Feed Mill transacted business over in Big D several days this past week.

Guess you saw Mrs. Winston Heidenheimer's picture with a group of Chinese school children in the Abilene newspaper Thursday... And Miss Charlotte McGuire of Houston, who recently was promoted to

City Council Hears Audit For 1978-79

(Continued From Page One) citizens who might want to counsel with him and he suggested use of the council meeting room.

Councilwoman Louise Allison said she felt "it's not a big matter," the mayor needs a place to talk and he can help the city manager in this manner as the city manager must on occasion go out into the field.

Asked what he thought, Mayor Cartee said he thought the move was vindictive "and if it is the wishes of the council, we will use the office for storage and I'll talk to people on the street but not at my home."

a vice president of the medical management firm for which she works, was pictured in the same newspaper. They neglected to mention that she is the daughter of the John McGuire of Cisco.

MRS. LELA Lloyd, retired Cisco teacher and author, reviewed her book, "If the Chief Vann House Could Speak," as the program feature at the meeting of the Eastland Rotary Club last Monday noon at the Ramada Inn. She was introduced by Grover Hallmark, program chairman.

Mrs. Lloyd was real pleased the other day when Ruth Dulin Short of Amarillo, formerly one of her students in Cisco, sent Mrs. LL a clipping from the Lynn County News. The clipping concerned a two-act play that the Wilson High School Senior Class presented.

The play, entitled "The Train Doesn't Run on Sunday," was written by Judy Womack, class sponsor, who took ideas for it from the book, "The Best Damn Teacher," written by Mrs. Lloyd. Mrs. Lloyd says if she had known about it, she would have gone out to see the play.

Mrs. LL reports that her sister, Mary Carey, is due in Cisco about Dec. 11th from her home in Alaska. Mrs. Carey plans to spend most of the winter in Cisco and Houston. She will devote much of her winter to writing a book.

He added "if you want the Abilene Reporter-News to have a headline that the Cisco mayor was ousted from his office, approve the resolution."

Reminded of the Reporter-News and out-of-town publicity, Mr. Eudy said he would withdraw his motion to approve the motion for he has been opposed to undue publicity. The matter was then dropped.

The council discussed the matter of two city council members signing city checks with the city manager. It was brought out that a 1977 resolution provides that the mayor and one councilman are authorized to sign checks with the city manager. After discussion, it was decided to leave the matter as it stood.

A motion by Mr. Eudy asked that the city government handbook be followed in preparing the agenda for council meetings. It provides that any councilman or citizen may subject agenda items. He asked that the agenda also provide each meeting night for a "citizen-council" discussion. The council approved the Eudy motion.

The council passed on second and final reading an ordinance providing that the alleyway of Block 48, City of Cisco, be vacated, abandoned and closed, effective immediately. The alley is that which runs east and west just south of the Laguna Hotel and between the hotel and property on which the First National Bank is considering erecting a new banking building.

City Attorney Bill Wright reported that Elmer Tidwell, Moran, has requested the city to advertise for bids for an oil and gas lease on some 240 acres of land at Lake Cisco. The city owns half of the minerals under the tract in question, Mr. Wright said. The council approved advertising the tract for bids.

City Manager R.J. Turpin told the Council that he has been accused of not keeping proper records and, in answer, he distributed to the council copies of a daily record he requires at city

hall. It records all funds taken in from all departments, including taxes, each day. A copy of the record will go to each councilman each month, he said.

Mr. Turpin told the meeting that his office is open to all council members and all citizens at any time.

Mr. Eudy told the meeting that he would appreciate open discussion of all differences in the interest of harmony and community progress. He told about attending a meeting of citizens at the Laguna Hotel last Monday night and he brought up several matters that were discussed there and which, he felt, needed answers. These included:

1. Purchase of city pickup. The city manager said he accepted the lowest of three bids and wasn't aware that purchases over \$3,000 needed to be advertised publicly for bids by the council.

2. The payment of \$9,850 to Bontke Brothers in an airport matter was on the city's books when the city manager was hired. Mayor Cartee signed the check.

3. The Blue Cross insurance contract for the coming year has not been finalized and will be on the agenda at the next council meeting.

4. Checks that paid for the new city pickup and police cars were signed by Councilmen Eudy and Pippen. Copies of the checks were displayed at the Monday night meeting.

5. Any interested citizen is always welcome at the city manager's office and will be provided with any needed information.

Mrs. John Moss, who was in the audience, was recognized and she told the meeting that she served as coordinator for the Monday night meeting and that other meetings were planned. The public will be welcome, she added.

Two ministers in the audience, the Rev. John Hood of Calvary Baptist Church and the Rev. John Jones of the Pentecostal Church, spoke briefly. Mr. Hood told the council "I am proud of you and the indications that

you want to work together." Mr. Jones said he felt "the council is growing in grace, and I am proud of the progress being made." All members of the council were present, and a near capacity crowd filled the meeting room.

Senior Citizen's Nutrition Menu

An old man walked into a doctor's office for an examination. "What's your complaint?" asked the doctor. "I feel tired and run down," answered the man. "But I can't make you any younger," the doctor replied. "I know," stated the patient, "just help me to get older."

Everyone wants to live! As lives become older the matter of living becomes more of a problem because so many factors, are involved, good health, loneliness, transportation, preparation of food, having sufficient funds for the basics of life. If just one of these concerned a senior citizen it would not be so bad, but it seems they all come in on the individual at once, and they are hard to cope with.

The Senior Center is for the purpose of helping those who come for the help, or if they are discovered in need of help. Why not call 442-1557 or 442-2263 and make reservations for a good luncheon and share in the fellowship. You will find many are willing to help.

Speaking of sharing, many people over the year have helped to brighten a life, even if its for only a few minutes. For instance Bob Bever and his one man band causes a lot of worries to disappear, he performed during this past week.

Gerald Bint, dean of the vocational technical department at CJC, spoke to the group asking for help in getting teachers to conduct community courses. This indicated to the Senior Center participants they were needed in the community. Then the bringing of the fifth grade children to the Center, under the direction of

Cisco Cemetery Association Gifts

Anton White, president of the Cisco Cemetery Association, expresses the appreciation of the association for these most recent gifts to its Memorial Fund in memory of Robert Higginbotham by the Cisco Sittons; in memory of Mrs. Clara Capers by Mrs. A.J. Sanders, Mr. and Mrs. J.H. Penn, Mrs. Elva Moad; in memory of Jack Page by Mrs. Thelma Albright; in memory of Gerry Merket by Mr. and Mrs. Charlie W. Jordan; in memory of Mrs. C.O. Weiser by Mr. and Mrs. G.J. Reich; in memory of Our Decayed Members by the 84 Club; in memory of Oren M. Crowder by Mr. and Mrs. Bob Elliott, Mrs. H.T. Huffman, Mrs. Kitty Z. McCracken, Mrs. Louise Cooper; in memory of Bobby Housh by Mr. and Mrs. Anton White; in memory of Earl H. Smith, Sr., by Mr. and Mrs. Mart Agnew; in memory of Davis Turknett by Mr. and Mrs. Mart Agnew; in memory of the Moad family by Mr. and Mrs. J.D. Kelley.

Davene Jeffcoat, gave the Senior Center members an opportunity to be with youth. Yes, sharing is the major factor for the success of the Center.

The members of the Center also share their talents by helping serve the food, carrying trays, participating in the choir and exercise classes, recreations, and a host of other events. To help with the choir, Mrs. Vida Killion and Billie Wood assists Oran Hagar. Plan to come to the Center at 10 o'clock and drink a cup of coffee and talk with your fellow members.

The menus for the week are:

Monday--beef with rice, asparagus, cheese sticks, applesauce, bread, butter and drink.

Wednesday--meat loaf, steamed cabbage, blackeye peas, peanut butter cookies, bread, butter and drink.

Obituary

Services For Loma Alta Stewart Held Thursday

Services for Loma Alta Stewart, 80, of the Scranton Community near Cisco, were at 2:30 p.m. Thursday at Kimbrough Funeral Home Chapel. The Rev. Joe Philpott, pastor of Mitchell Baptist Church, officiated. Burial was in Scranton Cemetery.

Mrs. Stewart, the daughter of pioneer Eastland County settlers, died at 3 p.m. Tuesday at Cisco Nursing Center after a long illness.

She was born July 29, 1900, near the Sabanna Community in Eastland County, she was the daughter of James and Nannie Deal. She married Lester B. Stewart December 23, 1926, in Cisco. She was a member of Scranton Baptist Church.

Survivors include a daughter, Mrs. George (June) McCulloch of Scranton; five grandchildren, Ken and Ted McCulloch, both of Cisco, Brian McCulloch of Moran, Robert McCulloch of Scranton, and Tammy McCulloch of Scranton; and eight great-granddaughters.

Pallbearers were J.V. Rhyne, Travis Starr, Lee Starr, Terry Johnson, Jack Smith and Norris Starr.
