

# Public Urged VOTE In General Election

Some 1,500 Cisco precinct citizens are expected to turn out Tuesday, November 4, at the Laguna Hotel Corral Room to cast ballots in the general election, Presiding Judge J.V. Heyser reported Friday.

Voting will be from 7 a.m. until 7 p.m. Mr. Heyser will have Tom Autrey as his assistant judge and some 20 workers will be on the job to issue ballots and to count the votes. The ballot covers everything from precinct to president.

Mr. Heyser reported that some 2,600 people are eligible to vote in the Cisco precinct and, he added, he would be delighted if all of them turned out. The usual rules and regulations will be enforced at the election place, Mr. Heyser said.

After what seems like an eternity of campaigning, voters will finally have their say, Tuesday, Nov. 4, on General Election Day.

Polls will be open from 7 a.m. to 7 p.m. at nine voting sites in Eastland County.

Voters are reminded that regardless which primary they voted in earlier, they may mark their General Election ballot as they choose: straight party, and/or split ticket, voting for each office as they prefer.

Voting officials suggest that voters bring their voting registration certificate to the polls to speed up balloting.

Absentee voting ended Friday at 5 p.m., and a person had to be registered 30 days prior to the Nov. 4 date to be eligible to vote.

A Secretary of State official was in Eastland County recently to explain voting procedures.

Big Choice of course is Presidential: Reagan-Bush; Carter-Mondale; Clark-Koch; or Anderson-Eisenhower (Lucey). (Eisenhower's name is listed by Lucey the v.p. candidate.)

Cong. Charles Stenholm is unopposed for Congress, 17th District.

Two candidates vye for one railroad commission spot: Grover and Temple; and Blanchard, Nugent and Hutzelman for another R.R. spot.

Brady and Wallace seek one Supreme Court position, and Garwood and Ray another state high court office.

Close to home, Eastland Countians will help elect either Republican Jay Brummett or Democrat Bob Glasgow to the State Senate, District 22 (the seat which Tom Creighton did not re-secure.)

And that's it, people-wide.

However, as usual Texans are faced with a number of proposed Constitution Amendments: Nine (9) in fact.

This newspaper has run details of each of the nine over the recent months.

Election officials ask that voters come to the polling places as early as possible so that returns may be tallied and reported to the County Clerk's office as early as possible so that returns may be in turn reported to the Texas Election Bureau, the unofficial

## CITIZENS URGED TO TAKE RABIES PRECAUTIONS

All citizens should take every precaution to protect themselves, their children and pets from possible infection from a rabid animal.

It has been reported there have been some recently proven cases of rabies in the county and some persons are undergoing treatments for rabies.

Any bites should be shown to a doctor and, if possible, the animal responsible for the bite should be captured and a veterinarian notified so the animal can be observed for possible rabies.

The students of Cisco Public Schools will have a holiday Monday, November 3. The teachers will have a work day in-service that day.

Classes will resume at regularly scheduled time Tuesday, November 4.

## Public School Students To Have Holiday

## AARP To Have Game Night

The Cisco Chapter of AARP will have their game night Thursday, November 6, at the Corral Room. The game night will begin at 6:00 p.m.

## Fellowship Of Christian Women To Have Luncheon

The Fellowship of Christian Women of Cisco will have their regular monthly salad luncheon this coming Saturday, November 8, at 12 noon at 309 West 6th. This is a group of local and area Christian women who get together to share and fellowship. It is non-denominational and all women are extended an invitation to attend.

The FCWC library of tapes and books will be available to those attending.

Mrs. Jerry Grider from Abilene will be sharing and speaking at this luncheon. She grew up in Abilene and in 1965 married her high school sweetheart. They finished graduate school and taught in several high schools in Texas. She is not teaching now as she is raising a family. Sandy attends Aldersgate Methodist Church, teaches various Bible studies around town and also teaches at retreats. She is vice-president of Woman's Aglow, an interdenominational, international Christian women's group and is now completing a book about Abiding in the Presence of God.

For mothers of small children, a nursery will be provided at the Cisco Child Care Center, 804 Ave. H from 11:45 a.m. until 2:00 p.m.

For more information and to make reservations, please call Ilene Cotton at 442-2565 no later than Friday noon. A special invitation is extended to all women in Cisco and the immediate area...to come and fellowship and receive a blessing.

## East Cisco Baptist Church Men To Lead Sun. Services

The men of East Cisco Baptist Church will be leading in the services this Sunday. On Sunday morning Bro. Gary Stennett will be bringing the message. Bro. Rodney Sharpe will bring the children's sermon. Bro. Bud Clack will be leading the singing. Other men will give their testimonies and bring devotions.

## Cisco Gun Club To Hold Regular Meeting Monday

The Cisco Gun Club will hold its regular monthly meeting Monday night, November 3, at 7 p.m. at the Fire Station. The club now has about 40 members. Work at the firing range is progressing satisfactorily with clean-up work almost complete. The range is open to members only.

For the convenience of area hunters, there will be two sight-in days at the range prior to this year's hunting season. The dates and times are: Saturday, November 8, 2 p.m. to 5 p.m.; and Sunday, November 9, 2 p.m. to 4 p.m. The range will be open to the public at these times for the purpose of sighting in hunting rifles. Competent instructors will be available to assist those who request help.

For more information or to join the club, contact Ira G. Strawn, club secretary, at 442-2010 or Ted or Rex Fields at Ted's One Stop.

## Country Club To Have Monthly Ladies Luncheon

The Cisco Country Club will have their monthly ladies luncheon on Wednesday, November 5. Mrs. C.L. Webb will present a program on "Demonstration and Display of Arranging Dried

On Sunday evening Bro. Marshall Ivie will preach. Bro. Drew Dan Jackson will lead the singing. Bro. Steve Jackson will play the piano for both services.

The public is invited to join in this special day.

# Wranglers Win Eighth Straight Victory Thurs.

By Bill Roberts  
The Cisco Junior College Wranglers spotted Tarleton State University's Junior Varsity 20 points Thursday night, then came roaring back in the second half to score their eighth straight victory of the season in Stephenville, 39-20.

It was the passing of quarterbacks Bill Bayless and John Farris and a 90-yard touchdown sprint that sparked the Wrangler offense and got them out of a two-game lull which had produced only two touchdowns.

Defensively, the Wranglers, using mostly second and third string players in the first half, let down in the second quarter. Tarleton broke open a 0-0 tie just four minutes deep into the second quarter and scored two more to take a 20-0 lead at halftime over the undefeated Wranglers.

The defense was sparked in the second half by a 47-yard fumble return by Flowers. The food will be prepared by Madrine Glenn.

All members and non-members are welcome and invited to attend. Tickets are \$3.50 for members and \$4.00 for non-members. Non-member reservations and tickets can be purchased in advance and paid for by Monday, November 3, at the McMillan Real Estate Agency, 442-3846.

Election of a queen, a bonfire, a downtown parade and pep rally, a fish fry and the reunion of the Class of 1930 will be features of the annual homecoming of ex-students of Cisco High School next Thursday, Friday and Saturday.

The Cisco-Ranger high school football game at 7:30 p.m. Friday will be a climax of the homecoming program, and the homecoming queen will be presented at the half-time ceremonies.

Nominees for homecoming queen are five senior girls - Gretchen Cermin, Debbie Hitt, Charla Bradford, Patti

Gorr and Pam Evatt. Students will cast their votes to elect the winner at high school assembly Thursday, Principal Jim Puryear reported. The winner will be revealed at the football game.

The homecoming program will begin at 7 p.m. Thursday at the annual CHS Sing-Song at the high school auditorium. This program will feature the choirs, the high school band and individuals. It will be open to the general public. The bonfire will be held after the sing-song.

Friday's program will

begin with a downtown parade at 3 p.m. The student body and others will gather at the JRB Super Market parking lot immediately after the parade for a pep rally.

The Lions Club fish fry will be held from 5 to 7 p.m. Friday at the high school cafeteria. All Lions are selling tickets at \$2.50 each. Tickets bought at the door will be \$2.75.

The Class of 1930's reunion will be Friday and Saturday, and attending the pep rally, fish fry and football game will be part of their program. The exes will gather for a continental breakfast at the high school cafeteria Saturday, Nov. 8, and a buffet luncheon at the Colony Restaurant at noon.

## Christmas Parade Scheduled December 5

Cisco's annual Christmas parade is scheduled for Friday, December 5, at 3:30 p.m. The Cisco High School band and the Cisco Junior College Wranglers Band and

Belles will highlight the parade with their precision marching routines. Chamber of Commerce manager Gene Abbott said that last year there were 40 entries in all in various divisions, and that this year it is hoped for at least 100.

Last year's float division had nine entries and was won by the Redeemer Lutheran Church. It is hoped to have at least twice as many entries this year. Be a part of this year's parade. Enter in one of the many divisions. Register at the Chamber of Commerce. Do it now.

## Cisco Writer's Club To Meet Tuesday Evening

Cisco Writer's Club will meet Tuesday evening, November 4th, 7:00 at the Chamber of Commerce meeting room in Cisco. Bill Roberts, president, will lead out in the program, which will include a book review by Lela Latch Lloyd. Mrs. Lloyd will discuss her latest book "If The Chief Vann House Could Speak," which has had wide acceptance. The book concerns a historic home constructed in Murray County, Georgia by Chief Vann of the Cherokee Indians. Mrs. Lloyd's early childhood was spent near the mansion, which has now become a historic site.

The "Chief Vann House" book came off the press in May, and shortly afterward Mrs. Lloyd's first autograph party was held in Cisco. A number of autograph parties and reviews have followed. A reception was held at Spring Place, near the Chief Vann House in June. The Whitfield and Murray Counties Historical Society sponsored an autograph party at Dalton, Georgia. Dr. Kamp Mabry, teacher at Georgia Southern University, reviewed the book on the Luxury Liner "Callyppo," en route from Canada to Vancouver. Then on Nov. 8th she reviewed the book at the Women's Club in Abilene. Future reviews are scheduled for the Industrial Arts Club of Cisco, the Breckenridge Woman's Forum, and the Retired Teacher's Club of Eastland.

The public is invited out to hear about the book, meet the author, and learn more of the activities of the Writer's Club.

## THE LOGO

This week we are writing about the logo that will be used during the centennial activities.

Last June, when the Centennial Committee was just forming, we felt the need to have an official seal. This seal or logo is to be used on any official publication or material sanctioned by the Centennial Committee.

We had many valuable suggestions of things depicting the history of Cisco. So many, in fact, we could not possibly get them all on the logo. When the logo is used in the paper or printed very small, too many objects would not print clearly.

We chose five things to depict Cisco's history. Mr. Bob Phillips, a commercial artist with Victor Cornelius, helped with the design.

The oil industry and industrial development of our area is represented by the oil derrick.

The ranching and cattle business is represented by the steer head.

The agricultural growth in the Cisco area, that once was devoted mainly to growing cotton, is now represented by the cotton bolls, peanut and pecan.

The continued high standards for quality education in our Cisco Public Schools and Cisco Junior College is represented by the diploma and mortar-board.

Conrad Hilton's first hotel will represent the vast potential of tourist trade that can be realized with further development.

The location of Cisco is placed approximately near the "i" in Cisco on the Texas map.

The old style lettering and the rope edge of the logo keeps the old western feeling to our logo and centennial.

The Centennial Committee hopes you like the town's logo. If anyone, group or business is interested in using the logo please contact myself or any member of the Committee for approval.

HEAVEN HELP the First Time Voter!

Can you imagine the consternation they face as they make ready to mark their first ballot next Tuesday?

Come to think of it - Heaven help every voter.

On the Presidential decision, it's an unbelievable difficult choice.

Looking at President Carter, one has to admit that he hasn't done everything he

said he'd do - but then could any person have done more?

In the debate (?) The President worked hard to show the great difference between the two men, and relied heavily on the Democratic Party heritage to help influence voters.

We think he's an honorable person who has done and would do the best he can. We think he's had some poor advice and advisors.

Republican Ronald

Reagan offers a choice, but even within the Republican Party, it's wondered if he really is the first choice of that party...remembering the last-minute Convention Wheeling-Dealing that almost saw Former President Gerald Ford given a slot in some co-president position.

In his last-minute appeal Gov. Reagan is hitting hard at "curbing inflation" and lists at least six proposals for doing it: not the least of which is cutting federal spending. That sure sounds familiar; and there's probably no one who would disagree with that - but we're going to have to be shown

So you can know that the undecideds are key targets for both candidates and both parties.

Of course there's the bed-rock, dyed-in-the-wol party members on both sides who have never voted outside their party and will not begin this year.

(In a barbershop here recently, one countian called himself a "yellow-dog" Democrat and wanted to know if a younger man knew what that meant. He didn't and the elder, said, it means, "I'd vote the straight Democratic Ticket if they listed a 'yellow dog!'")

And right or wrong, that's the way a lot of people feel, and because this is America, that too is their right.

There are many, many elder generations voters who remember well the '30s in the county, and wouldn't for love or money vote for a Republican because in their mind's eye, Depression and Republican are one and the same. They too are entitled to that belief.

In the middle "media event" debate, Gov. Reagan, as he has done throughout his campaign, hammered hard at his record as governor of California. And certainly I'm not qualified to judge it, but it does make me a little squishy to consider the State of California being held up as an example of what we'd like the rest of the country to be.

One wish counsel locally suggests that Gov. Reagan

missed a golden opportunity in the debate to counter President Carter when he boasted that the "windfall profits tax" was "soaking" the large oil companies. "It ain't the large companies who are being soaked," the local says.

A goodly number wonder if our country could endure a transition period in the event that President Carter isn't returned to office. It takes months for them to learn the ropes. There are indeed traumatic times, but could one imagine a more harrowing time for our Republic than the time of Watergate, presidential resignation and the after-math. It did survive.

And lest any should wring their hand and moan as we all might be prone to do: "I don't know how to vote, so I'm just not going to vote."

Heaven forbid. That's the worst possible option.

Not voting is admitting that you only don't know; even worse, that you don't care.

The importance of one vote has been hammered so many times for us to ride that horse again, but suffice to say: A non-voter doesn't have a gripe coming.

And so full circle: Heaven help the voter - and that's what we started out to say.

As election days draws

# GORDON SPOT

By DeMarquis Gordon

Only two months left in 1980 and it will soon be time to think about income tax reporting. The tax practitioner who help individuals with tax reporting must stay up with the latest information affecting taxes.

The Texas Agricultural Extension Service in cooperation with the Central Texas during November and December.

The first workshop will be held on November 20 and 21 in Waco and the other will be in Stephenville on December 18 and 19. Registration for the workshops is now underway. Tax practitioners who wish to attend should register as soon as possible in order to reserve a place. A registration fee of \$42.00 per person is required to cover

near, and the fate of our nation and our lives hang in the balance, what better place to turn than to Heavenly Guidance, right now.

Asking not for the single victory or defeat of any man, or any party, but for Heavenly guidance in our decision-making, upon the chosen ones, and on all mankind, to bring glory to God. -HVO.

Full plowing can following this clean up. Deep burial of plant residues is one method of disease control that has been used successfully by peanut farmers for many years.

If you want to plant a cover crop in the garden this winter try cereal rye. It is the fastest growing, most cold-tolerant annual grass available. You can plant rye and have a thick mat of grass approximately 10 to 15 inches high by late winter. At this time, the grass should be shredded with a lawn mower and tilled into the soil so rotting occurs before spring planting. Shredding and tilling about one month before planting allows adequate decomposition.

There are many advantages of planting cereal rye. It adds the best organic matter available to the garden soil and adds green color during the winter. Rye serves as a "trap crop" for nematodes. Once nematodes enter the rye roots, they cannot escape and will perish. When rye decomposes it releases organic acids and reduce the alkalinity of the soil. This is another benefit to our Eastland County soils.

Now that the cold weather has put an end to most vegetables in the home garden, it is time to do soe clean up to hold down future plant disease problems. Plant the rye by seeding directly on top of the soil and raking in. Plant at the rate of one pound per 100 square feet.

## Sports Spotlight

This week our sports spotlight goes to Forrest Starr. Forrest is number 12. He plays tailback and free safety. He started the year off at quarterback and

was moved to tailback to add dome extra speed to the backfield. Forrest is the son of Mr. and Mrs. Travis Starr. He is a senior at C.H.S. (By: Chuck Cannistraci)

## HECE

This week's HECE student is Ollie Elizalda. Ollie is a first year senior in HECE.

She works at the Sonic, employed by Greg McKee. She is the daughter of Mr. and Mrs. Jessie Elizalda.

## Freshmen Officers

This year's class officers for the freshman class are Franky Seabourn, president; Gary Echols, vice president; Tracy Couch, reporter and Robert Sherman, secretary. (By: Ollie Elizalda)

## DECA

The Distributive Education student of the week is John Maples. John is a first year D.E. student and is a junior in Cisco High School. John is a new student and is in

his first year at C.H.S. He is employed by Mr. Randy Speegle at Oil States Rubber Company. John is the son of Mr. and Mrs. Cecil Maples. (By: Sheryl Connell)

## Sports Review

Last week the Lobos defeated the DeLeon Bearcats by the score of 12-10. The Lobos are still in the district race, since Eastland

lost to Bangs. This gives the Lobos a second shot at district. So come out and watch us play this week.

# Homemaking Hints

By Janet Thomas

The quality of family life is extremely important to our emotional well-being, our happiness and our mental health. Unfortunately, it never has been top priority in our country.

Dr. Nick Stinnett, formerly of Oklahoma State University, conducted a study to determine the qualities that make strong families. The families in the Stinnett study had six qualities in common

that seemed to play an important role in their strength and happiness. The qualities were:

1. Appreciation - family members expressed a great deal of appreciation for one another. They supported one another psychologically, contributing to another's self worth.
2. Spending Time Together - was the second quality of strong families. All family

members made the effort to make this happen on a regular basis.

3. Good Communication - was strongly associated with time spent together, talking, listening, and settling quarrels reasonably promoted respect for other family members.

4. Commitment to promoting each other's happiness - was the fourth quality identified in the study. Commitment was revealed when families were willing to invest much of their time and energy into their family.

5. Religious Orientation - The strong families showed a high degree of religious orientation. A positive relationship between religion and marital happiness has been evident in family research the past forty years. Religious quality is a commitment to a spiritual lifestyle and not necessarily to a specific church.

6. Coping with Crises - Strong families were able to cope with crisis situations in a positive way. In darkest time, strong families could rely on one another to turn crises into a manageable situation.

Family life can be strengthened and made better...and most families already have the skills to work with.

### RECIPE FOR THE WEEK

- Hickory Snack Stix  
Mix together in 4 quart bowl  
5 lbs. hamburger (must have 20% fat content)  
2 tablespoons curing salt

1 tablespoon hickory smoke salt  
Refrigerate mixture 24 hours. Knead mixture 5 minutes and divide into 2

# Letters to the Editor

After watching and listening to the debate between President Carter and Governor Reagan, I feel that some facts need to be brought out. President Carter spent most of his time on the defensive or making irrational accusations of his opponent. He definitely needs to defend his administration and their inaction. He did admit that he has learned much in the last 3 1/2 years, we know that he has been trying to learn because we the tax payers of this country are paying the price for his education.

He also spent a lot of time telling us that the Democratic Party is the party of the people. How can his Democratic Administration let our grocery bill increase 60% in the last 3 years? How can they let taxes increase 26% and a near future projection of 46%? Why can't

equal portions to refrigerate another 24 hours. Repeat this kneading method every 24 hours. For 3 days keeping mixture covered and refrigerated during storage. On the 4th day knead 5 minutes and form mixture into small sticks using 2 TB of mixture for each and roll between palms of your hands till size of cigar. Arrange on rack over broiler pan. Place in preheated 225 degree oven about 3 hours. Turn rolls every 30 minutes. Store in refrigerator or freeze sticks to use as snack.

To make lunch meat from mixture into 5 rolls of equal size. Bake 225 degree about 3 hours, turning rolls every 30 minutes. Chill before slicing. Freeze to use as needed. Flavor similar to Summer Sausage.

people buy housing? Is this really the party of the people? What people is he talking about? Perhaps the farmer and rancher are receiving 60% more income from the products they produce and this is why groceries cost more, I think not. As a matter of fact, I remember a grain embargo to punish Russia, I also remember this was the expense of the American Farmer.

President Carter has blamed inflation on every thing imaginable including us. He says we are living to well. When will he learn that inflation is caused by the federal government printing too much money? I'll bet little Amy could have told him this, if he had thought to ask.

Russell Williamson and Katrina Garrett of the International Hairport of Eastland had an exciting day Sunday, October 26. They entered the team free

style event of the Southwest World Class Hairstyling Competition in Dallas and won third place.

The competition is put on by D. Edward Company and has three events. They are: individual free style, team free style, and creative design. Participants came from all over Texas, and there were fifty entries in the team free style competition. Events started at eight in the morning and went until six that evening.

Russell has an interesting story. Three days before he was to leave, he found himself without a cutter and model. He made replacements and headed for Dallas. When he arrived,

he was still short one model, therefore he had to forfeit the individual free style competition.

Entering the team free style with Katrina, he realized he had left behind some of his equipment. After all that happened, they were still able to place third.

Hattie Williamson owner of the Hairport, sends her congratulations and says "keep up the good work."

## Lights From The Christian World

By Josephone Cleveland

The American naturalist-philosopher Thoreau, in defending some of his oddities, said, "If a man does not keep pace with his companions, perhaps it is because he hears a different drummer."

The Spirit-filled Christian may well repeat this. If he does not march along with the world, it is because he hears another drumbeat. His ears are attuned to music others cannot hear. "He is drawn not by terrestrial

magnetism but by celestial magnetism," says Morris Chalfant, a former missionary. Heaven exerts more pull on him than does earth. He belongs to God.

Jesus tells us in His Word that we are a peculiar people. That does not mean we are peculiar in our appearance, although it could well be that—we will be peculiar in our behavior.

Many things may be quite consistent for a worldly man to do which a believer could

not touch at all, simply because he is a Christian. The question is, "Can I do this to the glory of God? Can I connect the name of the Lord with it? If not, we must not touch it. The standard test for everything is this: Is it consistent with the Word of God and with my testimony for Christ?"

Christian Friend, take heart! You need not be downhearted. At the present time you may be tempted to step out of the pace set by the Master Drummer. But remember, it is not you that is out of step...it is those who are stepping to the rhythm of Satan's band. Take courage! Keep in step with the Master—God's way is the best way.

### Eastland Strike Completed

Eastland County has gained a Mississippian oil discovery well three miles southeast of Carbon.

The strike is Command Mergner Energy Corp., Fort Worth, No. 1 Nelson, spotting 1,622 feet from the south and 1,635 feet from the east lines of Section 20, Block 2, H&T Survey.

The well had a four hour potential of 71 barrels of 48 gravity oil, plus one barrel of water.

Flow was through a 16-64 inch choke and from perforation at 3,311 to 3,408 feet.

Operator set the 4½-inch casing at 3,340 feet, and the hole is bottomed at 3,494 feet. Gas-oil ratio was 2,080-1.

## Senior Citizens To Hold Annual Bazaar

The annual Eastland County Senior Citizens Bazaar will be on November 13 and 14 in the Rebekah Lodge, 300 North Lamar in Eastland. The Bazaar is being sponsored by the Eastland County Extension

Service and the Eastland National Bank.

All senior citizens are invited to participate in this year's Bazaar. Mrs. Janet Thomas, Eastland County Extension Agent, states that the county-wide Senior

Citizen Bazaar was first organized in 1968. The Bazaar has grown in size and interest each year.

The Extension Homemaker Clubs will be sponsoring a concession stand during the two day sale. Delicious homemade stew, red beans, cornbread; along with sandwiches, homemade pies and cakes will be available to the public.

The Bazaar program will

include the Bazaar being open at 10 a.m. until 6 p.m. on the first day, November 13. On Friday, November 14, the Bazaar will open at 10 a.m. and close at 5 p.m.

The official awards presentation will be on Friday morning, November 14 at 10 a.m. Special awards will be made to the "Oldest Man and Woman Exhibitor" and the "Oldest Man and Woman Attending the Bazaar" at the time of the awards program.

The public is invited to come to the Bazaar. This will be an excellent opportunity to shop for Christmas gifts. The Bazaar exhibits will include lonely handwork, quilts, afghans, crochet and knitted items, household items, oil paintings, house plants, and many other items such as toys, Christmas decorations, etc. Bazaar items are priced economically, and all proceeds go to the senior citizen who enters them for sale.

### SENIOR CITIZEN BAZAAR RULES AND REGULATIONS

1. All exhibitors must be age 60 years or older; and resident of Eastland County. The exception to this rule is: any handicapped person 50 years or older may participate. The Bazaar will be open to all persons without regard to sex, nationality or creed.
2. All entries do not have to be made during the current year. All entries must be

handmade and entered by the person making it.

3. Entries may include such items as oil paintings, quilting, knitting, crochet, ceramics, wood work, household articles, toys, decorations, house plants, and any other miscellaneous item.

4. Exhibits must be entered on an individual basis. No organization may sell - EXCEPTION: Nursing homes and Senior Citizen Center may sell and display as a group. No articles entered will be judged on a competitive basis.

5. Exhibitors must be responsible for their own sales. Exhibitors should bring money for making change.

6. Exhibit articles should have a label attached giving the owners name and price of article (if the article is to be sold). All money from the sale of articles will go to the owner. Exhibitors should bring a cloth or sheet and cover their exhibit display when it is left unattended (exception is that house plants to do need to be covered).

7. The Bazaar will be held in the Rebekah Lodge, 300 N. Lamar, Eastland. Entries should be brought in on Thursday, November 13 between 10 a.m. and 6 p.m. All articles, not sold, should be removed from the building by 5 p.m. on Friday, November 14.

8. Tables will not be furnished. Space will be available for 2 card tables per person.

9. Past winners of the Oldest Man and Woman Exhibitor award are ineligible to receive the honor during the current year's Bazaar.

10. The Oldest Man and Woman attending the Bazaar opening ceremonies on Friday, November 14 at 10 a.m. will receive special recognition as part of the program.

11. Extension Homemaker Clubs will sponsor the concessions.

# City Council Hears Of Airport Progress

The City Council heard a progress report on improvements at the Cisco Municipal Airport, approved an ordinance to close an alley, heard a Cisco Public Library report and took care of other items at a semi-monthly meeting Tuesday night at City Hall.

The Council hurried through a 15-item agenda so city officials and others attending the meeting could get home in time to hear the television debate of the presidential candidates.

City Manager R.J. Turpin told the Council that the new airport runway was virtually ready for the Bontke Bros. Construction Company to begin base work and that Texas Aeronautics Commission engineers have submitted to the city plans and specifications for paving that will follow the base work.

The project is being financed largely through city matching funds provided by use of city equipment and donated equipment and labor by the EnRe Corporation, Mr. Turpin said.

Speaking for a library delegation, Mrs. J.J. Porter gave the Council a report on library activities. She expressed the hope that the library would continue to be supported by the city. The 1980-81 budget provides the sum of \$900 for the library. The library is owned by the 20th Century Club and has grown with the years.

Minutes of the past three Council meetings were distributed to members of the body who approved them. Councilman Wm. J. (Bill) Eudy expressed the hope that in the future the official minutes would quote action and comment verbatim.

The Council amended minutes of the October 14th meeting to suspend action on West Texas Utilities Company's rate increase request for 120 days instead of 90 days. This is the maximum that suspension can be asked by the city and would give the Texas League of Municipalities more time to examine WTUC's request and prepare for a state hearing, City Attorney Bill Wright reported.

L.D. (Dick) Woolley, president of the First National Bank, appeared before the Council to report that the east-west alley be closed just south of the Laguna Hotel. He explained that the bank has options to buy all of the property in the block south of the Laguna and the vacant lots west of the hotel as a possible site for a new bank building. He added that announcement would be made soon. The Council passed an ordinance on first reading to close the alley.

Items 3, 4 and 5 were tabled until a full council could be present. Three and four were resolutions pertaining to signing city checks and the office of the mayor and council at city hall. Item five concerned the city's using the new Eastland County jail for its prisoners. This was held up to allow the city manager to obtain complete information.

Item 6-The Council approved the assignment of a signboard lease at the corner of Front Street and I-20 access road by Jammie Fry to Cisco Junior College. The contract provides for payment of \$25 per year to the city.

Item 7-The city manager submitted a financial statement for the month of September that showed general fund gross revenues for the month of \$48,389 and gross expenditures of \$49,159. Water and sewer revenues, including cash of \$75,000 from a maturing certificate of deposit, totalled \$104,678 with expenditures amounting to \$22,854.

Items 8 and 9-These items concerned the sewage disposal plant water and no action was taken.

Item 10-Revenue sharing funds amounting to \$48,000 were due to be turned over to the city on Friday, Oct. 31, the city manager reported. The revenue fund situation for the coming year will not be known until a later date, it was noted.

Item 11-This concerned the airport, which is covered

above.

Item 12-The Council reviewed the hospital insurance program for city employees. A rate increase will be effective with the new policy beginning Dec. 1.

Item 13-The 1980 tax roll was due to be ready and available at City Hall on Oct. 31st, it was reported. Those not receiving statements will be able to obtain the amount of their taxes at City Hall.

Item 14-concerned rules and procedures. Mayor Roy Cartee inquired about the purchase of new pickup, noting that any item costing over \$3,000 must be done through bids called for by the Council as provided by the city charter. The city manager had reported the purchase of a new pickup after receiving three bids.

Councilman Eudy said he and Councilman Harold Phippen signed a check to pay for the pickup after the mayor refused to sign it. Mr. Eudy noted that this was the first new pickup the city has purchased in five years. He added that "the people elected me to the Council to vote my conviction, and I am here because I have our town at heart."

Councilman Phippen remarked that he ran for the council and was serving because he, as a native Ciscoan, is vitally interested in the community and its progress.

Mr. Eudy told the meeting that he wanted Cisco citizens to know "that politicians are trying to keep my mouth

## Mrs. Bryant Is Named City Tax Official

Mrs. Toy Bryant, an employee of the City of Cisco since last August, has been appointed city tax assessor and collector, it was announced Thursday by City Manager R.J. Turpin. She has been registered with state authorities in Austin as the city tax official.

Mr. Turpin said virtually all 1980 tax notices have been mailed to local taxpayers. The city offers a three per cent discount on taxes paid in October, two per cent in November and one per cent in December. Taxes not paid by January 31, 1981, will become delinquent.

Mrs. Bryant is the wife of Eddie Bryant who is employed by Burgess Industries. They own their home at 501 West 18th Street and are the parents of two daughters, Mrs. Steve Tone and Mrs. Bobby Rains, and have four grandsons. Mrs. Bryant has lived in Eastland County most of her life.

## CJC Singers On Lions Program

The Cisco Junior College Choir presented a musical program under the direction of Wyley Peebles at the weekly luncheon of the Cisco Lions Club last Wednesday noon at the White Elephant Restaurant. Lion Robert Dudley was the program chairman.

Mr. Peebles, head of the music department, reported that this was the first program of the new school year for his CJC Singers. Steven Zell, of the CJC music department faculty, served as pianist for the program.

Chairman Ivan Webb reported that plans were complete for the Lions Club Fish Fry at the high school auditorium Friday night, Nov. 7, as part of the program for the high school homecoming and football game with Ranger. Tickets are on sale by all club members here and by Lions in Ranger.

The Rev. J.W. Cook, retired Methodist minister who grew up in Cisco and who has returned here to live, was introduced as a member of the club. The Rev. David Adkins, pastor of First United Methodist Church, also was introduced as a new member.

President Eddie McMillan reported that area Lions clubs will hold a zone meeting here Monday night.

Sunday, November 2, 1980

shut." He explained that the Fort Worth regional office of the Post Office has received telephone calls from Cisco "asking their help to shut me up." He added that another member of the council's out-of-town headquarters office has received similar calls.

"This," Mr. Eudy said, "is penny ante stuff - picking at little things. Let's get our differences straightened out and work for a better community."

He voiced objections to council meeting agenda items being edited.

City Manager Turpin observed that "as long as I'm here, I will work for the benefit of our city."

Item 15-(Mayor's recommendations for appointment to airport board, airport advisory board and city charter study committee) didn't come up.

During a lull, Councilwoman Louise Allison moved that the meeting adjourn.

Council members Lucy Collier and Raymond Whitley were absent.

Mr. Turpin, commenting to The Press, said that the Cisco Ford dealer was \$150 lower than the other two bids for the new pickup. Mayor Cartee had pointed out that the new pickup was some \$1,300 over the price as called for in the city budget. Mr. Turpin answered this by saying that the city water and street departments have operated with three employees less than budgeted and the savings here was more than enough to pay the \$1,300.

When a councilman pointed out that the pickup matter was not on the agenda, Mr. Cartee said "we'll discuss it here or in court."

Following the meeting, the city manager reported that he met with Mayor Cartee and several council members to urge efforts by all to work together for city and community progress.

"We agreed that cooperation and harmony at City Hall was in the best interests of everyone," he said.

# Club Representatives Give Program At Breakfast

Representatives of three civic clubs and the Cisco Centennial Committee were present at Wednesday morning's quarterly Chamber of Commerce breakfast to explain the purpose of each of their clubs.

Approximately 70 to 75 persons attended the 7 a.m. event at the White Elephant Restaurant. CoFC president Roy Dennis welcomed those present and said it was "a really good turnout and it is good to have fellowship with others."

Betty McGinness of the Cisco Centennial Committee explained some of the plans for next year's centennial celebration. She also showed

some bumper stickers and envelope seals which the committee is selling. The bumper stickers are 50 cents each, while the seals are two for a nickel. Mrs. McGinness stated "this will be your centennial, it is not just for the committee, it is for everybody."

Deborah Whitley, representative of the Cisco Service Club, explained their organization "promotes various projects for the advancement of the city." Over the years they have given \$1500 worth of money and items to various projects. They are a joint participant in the Cisco Blood Drives and they are responsible for

the hanging baskets on Avenue D in Cisco.

A.A.R.P. representative Sid Bowers said the American Association of Retired Persons' motto is "To serve; not to be served." He said they support "independence, dignity and purpose for older persons." They also have a committee which gives help to disabled persons.

John Muller of the Cisco Historical Society said their concern is to try and preserve the history of Cisco. He explained about the survey and research of

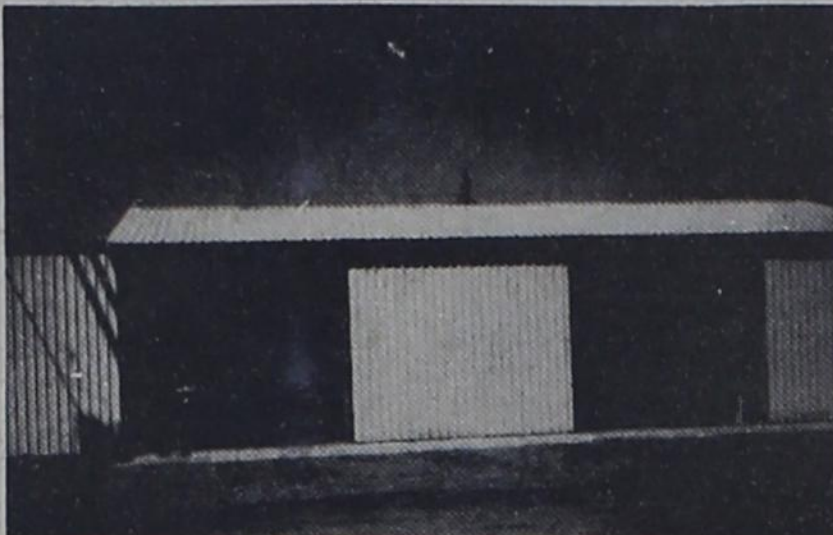

Cisco being done with the hopes of having Cisco proclaimed a historical district. He acknowledged Mrs. Edward Lee and Barbara Pope as "two people who have really worked on the project."

Bruce Stovall gave the invocation for the breakfast and he also won the \$50 door prize provided by Kimbrough Funeral Home and the First National Bank of Cisco. Mr. Stovall's name was drawn for the prize.

Other door prizes were as follows: Dr. Norman Wallace won a cake donated

by the Quickway Grocery and Deli; Henry Massering won a blanket from J.C. Penney; Virginia Wheatley won a kerosene lamp from Dean Drug; and Billy Wright won a trouble light from Dixon Auto.

President Dennis recognized new members of the Chamber of Commerce as Michael Anderson; Donut Shoppe, Bob and Paula Bailey; Pango Completions, Bill Wood; B.D. Trice; Universal Hairstyle, Gail Batteas; and Texas Architectural Clay Incorporated, Phillip Reeves.

A Range Fire Department has been organized in Moran and a new fire station has been built. President of the Range Fire Department is Jimmy Brooks. Sam Snyder is the vice president and Mrs. Sammy Simmons is the secretary-treasurer.

MARR'S SHORT STOP has a new manager, Kay Proctor, (second from left). She is shown with employees (left to right) Erma Green, Teresa Richardson and Carolyn Doty. Mrs. Proctor became the manager on Saturday, November 1.

# Vote to Keep Judge Will Garwood on the Texas Supreme Court

Judge Will Garwood has widespread support from Democrats, Republicans, Independents, three former governors, four former attorneys general, 11 former Supreme Court justices, 15 Texas Bar presidents.

Texas lawyers endorsed Judge Garwood by 82%. He won local judicial preference polls by 86% in Dallas, 86% in Houston and 80% in Fort Worth.

Judge Garwood is the choice of so many because he's fair-minded, non-partisan and better suited to the job through personal qualifications and superior training.

He has over twenty years experience in private civil law practice. He served with the Judge Advocate General's Corps, U.S. Army, and was first in his class every year at The University of Texas School of Law, receiving his LLB with honors.

"The appointment of Will Garwood to the Texas Supreme Court sounds like a chapter of Texas history repeating itself. The Garwoods have a long record in the judiciary. Will Garwood's grandfather, Hiram Garwood, was county judge of Bastrop County in 1888 and at one time president of the Texas Bar Association. W. St. John Garwood, son of the county judge and father of the new associate justice, was the first Houstonian to be named to the Texas Supreme Court in 80 years. . . . This three-generation record of public service is in the finest Texas tradition"

-HOUSTON POST  
"Garwood's legal credentials are, to put it modestly, magnificent."

# Rotary Governor Puts Emphasis On Service

"No organization has the right to take men's time unless it lifts men up," Vanis Miller, governor of Rotary International District No. 579, out of Fort Worth and the Hurst club, told Cisco Rotarians at a noon luncheon Thursday at the Colony Restaurant.

## Census Count Final Figure Is Due Later

Figures released by the U.S. Census Bureau last week, giving Cisco a preliminary population count of 4,497, will be replaced later when census returns are further processed and reviewed, Mayor Roy Cartee was informed in a letter from Census Director Vincent P. Barabara.

"The Bureau of the Census thanks you for your cooperation with the 1980 decennial census," the letter said. "The field operations for your jurisdiction have been completed. The preliminary population count is 4,497 and the preliminary housing count is 2,024."

"These are preliminary results which will be replaced later by final counts. The final counts to be shown in the printed reports will have undergone further processing and review and may differ from these preliminary numbers."

## Five Residents Selected As CJG Senators

Five Cisco residents were recently selected as senators at Cisco Junior College. They will serve as senators to the Student Government Association for the 1980-81 school year.

The three sophomore senators are Meg Reynolds, Terry Webb, and Jan Reneau; all three are majoring in elementary education. Reynolds graduated from Cisco High School and is the daughter of Mr. and Mrs. Billy J. Reynolds. Terry Webb is also a Cisco High School graduate and is the daughter of Mr. and Mrs. John Webb. Jan Reneau is the daughter of Rev. and Mrs. C.I. Reneau and is a graduate of Halmot High School in Fort Worth. Her family now resides in Cisco.

The two freshman senators are Laura Jeffcoat and Greg Qualls. Jeffcoat, a pre-chiropractic student, is the daughter of Mr. and Mrs. Jerry Jeffcoat. Qualls is the son of Lou Jane Qualls. Both are recent graduates from Cisco High School.

## Dorothy Perkins Speaks To DAR

Miss Dorothy Perkins, Midland, spoke to Charles Crawford Chapter, DAR, Monday, October 27. The meeting was in the home of Mrs. Harold Durham, Eastland.

Mrs. Pat Crawford, Regent, opened the meeting at 2 p.m. Mrs. Joseph Perkins led in prayer. After flag salute, Mrs. Stanley McAnelly read the Citizen's Creed.

Miss Perkins brought an unusual program, "Georgia O'Keefe, American Painter—A Rugged Woman." She introduced the 93-year old artist with an interesting background, commenting upon slides of her work. O'Keefe began her painting early in her life. Her pictures show individuality. She was born in the eastern part of the nation, but came to love all of the west — especially New Mexico and Texas — and her love is reflected in the vibrant coloring of nature in sunsets, sunrise, the plains and Palo Duro Canyon. She does more abstracts, but combined with realists, they soften and enhance such things as bones, horns, rocks and severe architecture. She is a successful artist—pursuing her love from New York to New Mexico. Refreshments of assorted goodies, tea and coffee were served to ten members and the following guests: Mesdames Nancy Frost, Day, Seaberry, Robert Perkins, Sunny Hewitt, Jenny Weaver, Virginia Russell and Ann Perry.

Alye Terrell, Publicity Chairman, Charles Crawford Chapter, DAR, NSDAR

Quoting a past president of Rotary International, it was the governor's closing emphasis on Rotary's dominant theme of service featuring his address to the local club.

The regular luncheon Thursday followed a club assembly Wednesday evening at the same place in which the governor heard a review of local club activities and outlined suggestions for the year to come.

"You must be of service to be a true Rotarian," Miller told the group Thursday. He emphasized the need of implementing that ideal in community activities, and cited in particular two instances where small clubs in his district have carried out noteworthy projects, one having to do with a "watch" on the safety and welfare of lonely citizens, and another with sponsorship of high school 4-H and FFA livestock shows.

An opportunity open to all clubs to have similar service projects exists in a speech contest whereby high school students who are winners in club-sponsored local appearances, progress to district wide "finals" providing prizes of \$250, \$150 and \$100. For purposes of its administration the district has been organized in three sections. The Cisco club is located in the Abilene area. He urged it to take advantage of this opportunity to be of benefit to Cisco students who may wish to participate.

District-wide events designed to further the Rotary program during the year were announced by Miller. They include a three-day, weekend conference on the campus of TWU at Denton beginning Friday, March 26, 1981, and two assemblies, one at Wichita Falls on February 14 and the other at Brownwood on February 28. All three will be working meetings of club officials and representative members emphasizing the Rotary theme and an expansion of club membership.

The Cisco Club, he reminded, has a goal of 30 members on its roster by the end of the administrative year. He was hopeful the club would reach it.

He made a strong pitch for attendance on the Denton meeting particular, handing President Norman Wallace a piece of a broken spoke of the club logotype, a Rotary wheel, and tabbing club officers and directors present (and a visitor from Breckenridge) with stickers bearing the slogan, "I'm Going to Denton." He told Wallace he hoped the Rotary wheel would be restored of its broken pieces at the Denton meeting, indicating a full attendance of club presidents.

Noting an increase in Rotary interest, he said that three new clubs have been organized in his district lately. World-wide, the extent of Rotary influence could reach almost nine million persons if each Rotarian would impress ten non-Rotarians with his ideals, he said.

Miller was accompanied by his wife, Bernice. His "classification" as a member of the Hurst club concerns his career in the training of airline personnel.

**Cisco Police Report**

W.A. Pence, Cisco Chief of Police, has released the Police Report for October 21-28 as follows: seven arrests; four public intoxication; one sleeper; two violation of probation; 25 offense reports turned in; one mental case; one stolen car recovered; four criminal mischief; five thefts reported; three prowler calls; one theft of a fire arm; four delivery of emergency messages; five warrants served; 20 hours per week on school zones; 40 calls of various types received at police station; 150 calls from dispatch; three wrecks worked. Lake Patrol patrols north and south shores and checks cabins. He reports things are slow this time of year.

# Letters to the Editor

Dear Editor,  
For more than 40 years I have been a Cisco citizen and 30 of those years have been spent in Cisco classrooms.

## Sabanno News

By Mrs. Jack Rector

The community was saddened late Thursday afternoon when we learned of the death of our neighbor, Mr. W.B. Boen. Mr. Boen died suddenly while fixing fence over in a pasture. The Boens lived on the place known as the Pop Lusk Place. Our sympathy goes to Mrs. Boen and the family.

Mr. and Mrs. Pat Erwin visited Sunday in Rising Star with Mr. and Mrs. Grody Bush Jr.

Edwin Erwin and his daughter, Mrs. Louise Foster were recent visitors with his daughter, Mrs. Annette Ege and family in Austin. Mr. Erwin had dinner Sunday with the Randy Foster family. Curtis Martin of Glen Cove visited Edwin Sunday afternoon. Mr. Erwin visited last week in Cisco with Mrs. Ola Lusk Thompson, also while there got to visit Pop Lusk's sister, Eula Lusk and his brother, Ivan Lusk of Sidney.

Mrs. O.B. Switzer and grandson Kevin were Abilene visitors on Wednesday.

Mrs. Lonnie Switzer's mother, Mrs. Edna Thompson of Munday spent the week with the Switzer family.

Sylvia Switzer and boys and Blenda Switzer were Brownwood visitors Saturday.

Mr. and Mrs. L.L. Lincoln of Slaton spent last weekend with her sister, Mr. and Mrs. L.J. Coker. The four attended the dinner and musical at Cottonwood.

Mr. and Mrs. Jerry Strickland and son Matt and Mr. and Mrs. Jim Brown and boys attended the Cross Plains football game at Eden Friday night.

Mr. and Mrs. Cleburn Wallace and daughter Mildred of Pasco, Washington, Mr. and Mrs. Charlie Wallace and Mrs. Alta Shaffer, all of San Angelo, visited Mr. and Mrs. J.R. Rector Sr. and Mr. and Mrs. Jack Rector Friday.

Mr. and Mrs. Golden Lawson visited Jack and Robbie Rector Monday morning.

Mr. and Mrs. David Harris of Carrollton spent the weekend with Mr. and Mrs. Golden Lawson. Other visitors were Mr. and Mrs. Charles Cox and girls, Mrs. Nunnie Brooks, all of Cisco, Gary Harris of Cross Plains. Mrs. Lawson attended the funeral in Rising Star Saturday for Leonard Harris. The Lawsons were Abilene visitors on Thursday. On their way home they visited Mr. and Mrs. Gus Brandon at a Clyde nursing home. They report the Brandon's are doing fine. The Arze Greens and the Lawsons had another little game of murder and the boys have been murdered again.

Donald Watson and Mr. and Mrs. Albert Kanady of Rising Star had dinner Sunday with their parents, Mr. and Mrs. Troy Watson.

Mr. and Mrs. Truett Dawkins were in Abilene Thursday to see their doctor. While there they visited Calvin Morris at Hendrick Hospital, also with J.R. Day. Visitors with Truett and Oddie were Tommie Lane of Clyde, Mr. and Mrs. Charles Cox and girls, Mrs. Nunnie Brooks, all of Cisco, Harmon Lawson of Williams, Wayne Eves of DeLeon, Gray Flowers and a lady friend of Hamlin, J.R. Day and son Jack of Abilene and Mr. and Mrs. Richard Purvis.

The Community Club at Sabanno will have a garage sale the first part of December. This club is in great need of your help as the butane tank we now have can not be filled. We must buy a propane tank. If you have things you would like to donate for this sale or would like to give a cash donation we would appreciate it. We do need your help. You may call Robbie Rector at 725-7655 or Oddie Dawkins at 725-7663 or Olephia Lawson at 725-6622. We will be glad to pick up your donations.

**A LITTLE TIP**  
Use full strength vinegar to remove lime deposits from bath hardware.

six weeks yet before that answer was due. When a person in high office finds one of his subordinates more academically trained than he, it usually results in a dismissal of the more highly skilled one. Mrs. Smith with a degree from the University of Texas and a major in journalism and English and a para-legal degree from Southwest Texas at San Marcos with a post graduate certificate in administrative law, is eminently qualified for the position from which she was dismissed. Incompatibility developed between the two. Manager Turpin chose to be rid of this knowledgeable thorn-in-the-flesh and asked the council to dismiss her. They did. Five voted yes just after Councilwoman Louise Allison delivered a strong defensive speech for Mrs. Smith.

I am cognizant, as one of the council said, that the new manager should be given a chance to prove himself. True, but should not Mrs. Smith be accorded the same right?

Whether we re-instate Mrs. Smith, or retain the city manager and leave our city government in its present status quo, is the option of the citizenry. In early childhood we learned Lincoln's definition of democracy: "A government of the people, by the people and for the people." Our new manager has declared "I'm going to run this town!" and five of the six city councilmen have given him the green light!

Since Mr. Turpin pointed out some half dozen of Mrs. Smith's sins of omission, I cite one of his deeds of commission.

I did not witness this happening at the Cisco City Hall on Friday, Oct. 10, but Mayor Cartee told me about it and Councilwoman Louise Allison gave me this summary: "I had gone to the city hall to check two items on the agenda, already typed, labeled: Executive session: Action on city personnel and Action on elected officials. I had seen the original agenda some ten days before. These had been added."

"Mr. Turpin told me these two were submitted by Councilman Jerry Jeffcoat. I asked to show the agenda to Mayor Cartee in his office upstairs and was given the paper. Cartee called Jeffcoat who would not reveal the name of the employee referred to and said he knew nothing of the one concerning an elected official."

Mrs. Allison continued her

# Greg Swindle To Join With 100 Members

Greg Swindle of Cisco will join 100 FFA members from all across the country this November to provide music and entertainment for more than 20,000 FFA members and guests expected to attend the Future Farmers of America 53rd National Convention, November 12-14, in Kansas City, Missouri.

Greg who is a member of the Cisco FFA Chapter is the 16 year old son of Mr. and Mrs. Lloyd Swindle. He was selected to be part of the National FFA Chorus from more than 352 applications from 42 states.

Participants are recommended for the National FFA Chorus by their State FFA Association and their high school vocational agriculture instructor and choir director. They are selected on the basis of these recommendations and past experience and achievements, according to Stan Kingma, National FFA Chorus Director. Kingma,

story with: "Manager Turpin came to the mayor's office and when Cartee told him what Jeffcoat had said, he jerked the paper from my hand, ran down the steps calling to the chief of police, Bill Pence, saying 'Remove this woman from this building if she says one more word for dissonance.'"

"I answered, You can't do that Mr. Turpin, but he ordered in a louder voice, Remove this woman from this building if she says one more word of dissonance."

"Policeman Pence said, Please don't say any more, Mrs. Allison or I will have to do what he says."

Mrs. Allison concluded her story with: "I neither answered him nor left the city hall. I must have been stricken dumb at his outrage, but I do have a complete narrative covering the entire occurrence which I will release at a future and appropriate time."

Such behavior is not constructive for the home town that I love. I pray that from this snarled entanglement, there may evolve a better Cisco. Let us all work together and season mercy with justice as we try to make Cisco a better place to call home. Let's have a town with a forgiving heart but a heart that demands fair play. Let our Cisco be known to all neighboring towns as A City with a Soul!

A concerned, retired Cisco citizen  
Lela Latch Lloyd

the former Musical Director at Virginia Polytechnic Institute and State University, assumed the duties of Director formerly held by Marvin Myers who passed away on January 2nd.

"The selection process is done by mail," says Kingma, "and it's really quite difficult to select the Chorus from so many fine applications. I spent many hours this summer selecting students for the Chorus."

A month prior to the convention a complete set of music is mailed to each FFA member selected for the Chorus. Each Chorus member must study the music prior to arrival in Kansas City two days before the opening of the convention. Practice sessions begin on Sunday afternoon and last for several hours each day until the first performance of the Chorus at the Tuesday evening Vespers service that precedes the convention.

"Our job is to put some musical excitement in the convention program" says Kingma in discussing his plans for this year's convention. "We will be preparing a variety of music that will not only be enjoyable for the singers to perform but will please the delegates at the convention. My goal in selecting the program is to make the Chorus responsive to the convention events. The Chorus will fit in and enhance the various moods of the convention activities."

The Chorus will be joined by the National FFA Band in parts of the convention program and will present special music recognizing the completion of FFA's 52nd year throughout.

Hallmark Cards, Inc., and Dr. Pepper will co-sponsor the National FFA Chorus. Through this sponsorship, Hallmark and Dr. Pepper will help provide for the operational and organization expenses of the Chorus while in Kansas City.

Accompaniment for the Chorus will be provided by Owen Robbins, currently working on the musical creative staff of the Kings Dominion Parks. Robbins worked for five years as both a student in the New Virginians program and as a staff assistant to Kingma at Virginia Tech. He was Assistant to the Director of Purdue Musical Organizations and has had extensive performing experience as an accompanist and musical arranger. "I am especially excited

about working with Stan Kingma again," said Owen in a recent interview. "We were close friends and close in our musical ideas. We have had a lot of experience doing this kind of work while at VPI and it will be fun to be working together again."

As an experienced Choral Director and stage personality, Kingma has had extensive experience working with musical productions and with young people. While at Virginia Tech he was Director of the University's Choral Music Organizations, founded the 200 voice University Choir, directed the Varsity Glee Club, and founded the popular "New Virginians" entertainment troupe. In 1977 the New Virginians were featured entertainers appearing throughout the country on a three-month coast-to-coast tour. Kingma also recruited and directed the 250 piece "All Student Groups U.S.A." musical program which toured nine European countries in 1977.

Kingma is currently the Assistant to the President of Wheaton Industries in Millville, New Jersey, and since 1978 has been devoting the majority of his business time to his business interests. He was asked why he was willing to direct the National FFA Chorus.

"I've always been excited by working with a quality group of young performers in a first-class environment. The youth of FFA and the fantastic National FFA Organization qualify on both points. My reason for being involved in musical production work for so many years is the tremendous thrill of seeing a young person open up and begin to realize his performing potential. My goal for the week will be to develop the finest chorus of young voices that is possible to attain with the talent available. Musical choruses are one of the few opportunities most of us have to participate in an emotional and exciting team devoted to achieving excellence. I really can't wait until Kansas City and the first rehearsal!"

Although the preparation for the Chorus requires many hours of hard work, the Chorus members will have an opportunity to relax at several special events planned for them.

**The Cisco Press**  
*Count Your Blessings*  
**AND BE THANKFUL**

**People Things**

AN OBLIGATION of good citizenship calls for one and all to go to the polls next Tuesday, Nov. 4th, to vote in the general election. Regardless of how you feel about the candidates, you have no right to quarrel about the outcome if you don't cast your vote.

Ciscoans will vote at the Laguna Corral Room from 7 a.m. until 7 p.m. Mr. J.V. Heyser, Democratic precinct chairman, will be on the job as presiding election judge as he has been for more than 30 years. Cisco is the county's biggest voting box and Mr. J.V.H. and his staff are usually the first to finish.

In all the years that Mr. J.V.H. has directed elections here, we've never once heard criticism about how it was handled.

**DROPPED IN** at the First Christian Church early Friday in time to eat delicious sausage and biscuits and home-made jelly. Went back at noon for soup and bought a sourdough coffee cake, which they said was non-caloric. The FCC Ladies were holding their annual bazaar and it was a real nice affair. Mrs. H.T. Huffman was the money taker and she told us that she was given a reprieve until Dec. 1 to enter a hospital in Houston for treatment.

**HOW COME** Eddie McMillan, CoFC industry committee chairman, missed the breakfast last Wednesday morning? Overheard a man telling Eddie that he got in the food line, took two of the delicious biscuits (cooked by Chef Jo Tone) and opened them. After pouring cream gravy over the biscuits, they filled his plate with scrambled eggs, bacon and hash browns. Eddie couldn't stand it any longer. He jumped in his car and left. The fact is he flat forgot about the breakfast.

Seventy-two other folks remembered and it was a real nice affair. Jammie Fry was the last man to arrive - too late to eat. You'll read all about the breakfast elsewhere in The Press.

**LAST WEEKEND** was a big one for the John H. Webbs of our town. They went over to Sherman on Friday to attend the annual homecoming program at Austin College. Mr. J.H.W. was a football star there and graduated in 1938. A few years ago he was elected to the Austin College Football Hall of Fame. They also attended the AC football game Friday night.

The Webbs then went to Fort Worth to attend the annual White Auto dealers show. It's good to see Mr. Webb up and out and doing real well after a serious illness a couple of months or so ago.

**AND IT'S GOOD** to see Mr. Henry Schaefer up and about again. He got home last weekend from an Abilene hospital after undergoing surgery for a

problem in his left arm. He tells us that he is gaining strength every day and appreciates the calls and expressions from many friends and neighbors. Also, it's nice to see Mr. Standlee McCracken up and out again. He recently spent a couple of weeks in the hospital.

**THE BILL** Hesters of the Colony Restaurant were real pleased with a letter the other day from Miss Vicki Hooser, the young lady who worked for them and who suffered multiple fractures of a leg in a motorcycle-pickup accident several months ago. Miss VH wrote that she has undergone surgery again on the leg and that it is mending nicely.

Miss VH added that she hopes to be able soon to return to Cisco and to work at the Colony.

**IF YOU'VE** wondered about the big blue spot on Mr. Dean Madison's thumbnail, we can put your mind at ease. It resulted from a plumbing accident. The CJC official got his thumb caught between some iron pipe and a pipe wrench while working at their new home south of town, and it's still pretty sore. We're tempted to mash a thumb after hearing that Mrs. Alvin Kitchens, a neighbor of the Madisons, was so upset when she saw the thumb that she baked him a pie.

Some of the things you do in the course of building a new home can be pretty trying, we decided after listening to Mr. DM's report on putting up a metal ceiling that comes in sheets three feet wide and eight feet long. You have to line up the slots in the metal, hold same in place, and drive nails while your nose itches.

The Madison home has a fancy fireplace with ducts and a fan to spread the heat. He fired it up when the first cool spell hit and before you could realize what was happening, the temperature was over 80 degrees and folks were going outside to cool off.

**SAW MR.** Steve Austin, Abilene banker, at his dad's furniture store here the other day. He's vacationing.

The O.L. Stameys enjoyed their annual fall foliage tour of Arkansas last week. They and the E.L. Jacksons were in Mena at the same motel at the same time but didn't know about it until they got back home. Our scouts report that some Port Worth folks have purchased Jammie's Motel and Restaurant and will be taking over shortly. The Dr. Norman Wallaces won a door prize cake that will be the birthday table centerpiece for son Kyle this weekend. Mrs. J.J. Porter is due a big vote of confidence and an expression of well done for serving as our town's librarian for 23 years. Insurance Man Ronnie Ledbetter has submitted his resignation to the city council as chairman of the airport committee. He has done an outstanding job and many of us hope they won't get around to accepting the resignation.

**SUNDAY BEFORE** last it was rainy and cloudy and an airplane flying through our area landed at the Cisco airport because of the weather. He called police to see about renting a car and was told there wasn't a rental place closer than Abilene. At their suggestion, he called Dr. Chief Brown who went out to meet Mr. Milton Barnes of Helicopter Associates, Mesa, Arizona.

And Dr. CB drove the man to Abilene so he could rent a

Richardson broke loose for his long TD run next for a 32-20 CJC lead at 8:03.

Farris closed out the scorcar and go on to a meeting they were obligated to attend. They returned next day and flew off. They told Dr. CB that their work takes them to Central America and Mexico and elsewhere.

**GUESS YOU** saw plenty of ghosts and goblins Friday night. Employees of the Russell Newman Company held their annual Halloween covered dish lunch and costume party at noon Friday and our scouts report that it was a fine affair. Let's check up on the smoke alarm situation in Mrs. Joe Wheatley's kitchen.

Next Tuesday is election day, every eligible person in the city should plan to vote. The votes of the individual will decide the outcome of a very close presidential election. Plan to vote, Tuesday!

Did you know there were 1,806,355 Texans 60 years of age or older on July 1, 1979? Texas ranks fifth in the number of senior citizens in the nation exceeded only by California, New York, Pennsylvania and Florida. Almost a quarter of the total senior citizens population lives in just three states, namely, California, New York and Texas.

During the week the following programs were conducted during the luncheon: Janet Thomas, Home Demonstration Agent, for Eastland County, spoke in

regard to the "home to save money" in shopping tips; Ruth Kendricks from Eastland played the piano; Mr. and Mrs. Melvin Scholl from Cisco sang while being accompanied by Cora Lee Thomas, and one of the faithful contributors to the music is that of Anna Dystzel who played the piano during the hour.

The menus for the week are:  
Monday--beef stew and vegetables, fresh green salad, corn bread, butter and drink and peanut butter pudding.

Wednesday--chopped steak/au jus, scalloped asparagus, fruit cobbler, bread, butter and drink.

Friday--oven fried fish/tartar sauce, french fries, mixed vegetables, lemon pudding, bread, butter and drink.

**Services For Wesley Stallings Held Friday**

Funeral services for Wesley Eugene Stallings, 71, of Route 1, Carbon, were at 4 p.m. Friday at Kimbrough Funeral Home Chapel. Rev. John Hood, pastor of Calvary Baptist Church, officiated. Burial was in Evergreen Cemetery in Ranger.

Mr. Stallings was found dead at his Carbon residence at 5 p.m. Thursday.

He was born February 6, 1909, at Carl Junction, Missouri. He was a pipefitter for oil and gas production. He was an honorary citizen of Boys Town and a life member of VFW. He was with the 36th Division of the Army in World War II. He had lived in Carbon seven years, previously living in Odessa.

Survivors include two sisters, Mrs. Josephine Rogers of Cisco and Mrs. Freda Mae Rainwater of Killeen; a brother, Raymond Frances Stallings of Houston; a sister-in-law, An-nabell Stallings of Ranger; and a number of nieces and nephews including Mrs. James Wheat of Cisco.
