## Red Cross Drive Short of Quota

The 1957 Red Cross fund drive was started last week and is well underway although Mrs. Forrest Sawyer, fund drive chairman, says the county is still short of its \$1,277 quota for this year. Lions Club members covered the business district in a one-day drive last week. Local and county workers responded enthusiastically, says Mrs. Sawyer. Since the county is still short of its quota, all workers who have not turned in their reports are urged to do so as early as possible. Anyone who has not been contacted to make a contribution and would like to do so may take their money to the Farmer's State Bank or Kelly Chamberlain Insurance office.

## Services Today For W. J. Mathis

Funeral services have been set for 9:30 this morning for William Jackson Mathis at the Murphy Memorial Chapel with Rev. C. M. Ryan and Rev. Wade Griffith officiating. Graveside services will be held at 3 p. m. at Lieb Cemetery, near Stinnett in Hutchinson County, Texas.

Mr. Mathis, 85, died at Adair Hospital Tuesday evening after suffering a heart attack Monday night. He was born in Wise County Sept. 12, 1871 and was married to Miss Ava Mathews at Graham, Texas on Oct. 27, 1897. They moved to Hansford County where he ranched in 1902. He retired in 1946 and moved to Clarendon. He was a member of the Methodist Church.

Survivors include his wife, Mrs. Ava Mathis of Clarendon; two sisters, Mrs. Mollie Allen, Graham; Mrs. Drury Millikin, Saint Jo, Texas; two brothers, Sam Mathis, Dallas and Dock Mathis of Graham.

Pallbearers will be J. H. Spier, Pete Borden, Kirk Doshier, Jake Lamberth, Hubert Heatherly, Mayburn Trout, Lonnie Walker and Bud Anderson.

Funeral arrangements are under the direction of Murphy Funeral Home.

## Services Held Friday For Jarrett David

Funeral services were held Friday afternoon in the First Methodist Church for William Jarrett David with Rev. C. M. Ryan officiating.

Mr. David, age 29, died of leukemia last Thursday in a Dallas hospital following a quite lengthy illness. He was raised here in Donley County and attended the local schools. He was a member of the First Methodist Church.

Survivors are his wife, Janie; a daughter, Carla Sue, his parents, Mr. and Mrs. Joe David of Waco; two sisters, Rita and Jewell David of Waco; and three brothers, Roy of Clarendon and Merle and Eldon David, both of Waco.

Pallbearers were Eugene Auldridge, Jack Mathews, Cicero Turpin, Ralph Hill, S. M. Fedric and James Owens.

Interment was in Citizens Cemetery with the Murphy Funeral Home in charge of funeral arrangements.

## HOSPITAL NOTES

Patients as of Wednesday Morning, March 20th:

Kelly Chamberlain, Mrs. J. C. Talley, Mrs. Ethel Green, Mrs. W. M. Pickering, Mrs. Melvin Cook, Mrs. J. W. Murphy, and Marjorie Harlan.

Dismissals: R. O. Thomas, Johnny Grady, Mrs. C. A. Pitts, Mrs. H. L. Riley Sr., A. O. Hefner transferred to Northwest Texas Hospital, Amarillo.

Use Leader Classifieds for Quick Results.

## Services Held Wed. For Iva Lee Patten

Funeral services were held Wednesday afternoon at the Murphy Memorial Chapel for Miss Iva Lee Patten with Rev. W. F. Vanderburg officiating.

Miss Patten, 83, died at her home here Tuesday. She was born in Pike County, Ill. and had been a resident of Clarendon sixty years. She was a member of the Baptist Church.

She is survived by one cousin, D. S. Harrington of Amarillo.

Pallbearers were C. W. Bennett, Jr., Barcus Antrobus, Walter Clifford, John Hunt, W. E. Hodges and Odos Caraway.

Interment was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

## Donley Redesignated Under Emergency Feed Program

Walter T. McKay, State Director, Farmers Home Administration today advised James D. Gouley, County Supervisor of the redesignation of Armstrong, Donley and Gray Counties for assistance under both the Emergency Feed Grain and Roughage Programs. Under this designation, farmers and ranchers may now file applications through April 1, 1957 to provide feed grain and roughage for basic livestock herds through April 15, 1957.

Use Leader Classifieds for Quick Results.

## Two In Race For School Trustee

There are now two candidates in the race for the two places on the Clarendon Consolidated Independent School District Board of Trustees. A petition has been filed with the school secretary requesting that the name of L. L. Wallace be printed on the ballot. Upon checking with Mr. Wallace, he has agreed to enter the race. The other candidate is A. R. Henson, a present member of the board.

Homier Estlack, present President of the local board is the retiring member. He has served on the board for the past six years and is not a candidate for reelection.

The trustee election will be held April 6th. Deadline for filing for candidates to enter the race is March 27th at 5:00 P. M.

## Revival To Begin March 29 At Lelia Lake Baptist Church

Revival Services will begin Friday, March 29th at the Lelia Lake Baptist Church and continue through April 7th. The pastor, Rev. Clifford Jester, will do the preaching. The music will be under the direction of Dale Pruett of Lubbock.

Services will be held twice daily at 10 a. m. and 7:30 p. m. Everyone is invited to attend.

Mrs. Lena Antrobus is visiting relatives in Oklahoma City this week.

## Hon. Carl Wood To Speak To Baptist Brotherhood

The Brotherhood of the First Baptist Church meets tonight at 7:00 for a dinner meeting. The Hon. Carl Wood, County Judge of Armstrong County, will be the guest speaker. Judge Wood is well known and respected in this area. He may best be known as "Uncle Zeb" who writes the column "Blowin' Out the Corners". This column is published locally each week.

The Brotherhood invites all his friends and those who would like to hear this good man to come and have fellowship around the table with him. Bro. Van said that the food would be good, the message inspiring, and the fellowship many. There will be no charge for the meal.

## More Moisture In Prospect

It was still pouring down as we went to Press Wednesday and the weatherman's forecast called for more moisture the next day or so and that's the kind of report that brings on more smiles and a much brighter outlook for farmers and ranchers of this area. Another thing, the rain is covering such a wide area which makes it really worthwhile. At noon Wednesday, our official weather observer had measured out a total of 54 of an inch so far and it's all soaking on into the ground.

Ruby Mann of Canyon spent the week end with homefolks.

## Comets Win First Game At AAU Tournament

The Clarendon College Comets defeated the St. Joseph Beacon girls team 43-32 in the first and only game they had played in the National AAU Women's basketball tournament at St. Joseph, Mo. Tuesday night. They were placed in the championship bracket and drew a by until this game.

The game moved the Comets into the Wednesday night quarter finals against the Wayland Flying Queens.

The Flying Queens won their only game also over a Rhode Island team 66-17. The other Panhandle team entered, Dowell's All-Stars, won their first game Monday night but lost to Iowa Wesleyan College 65-46 Tuesday night.

In the Comet game Mary Mann was high point girl with 14, followed closely by Joan Crawford with 12. Susie Jones hit 9, Katherine Edwards 2, Claudette Green 2 and Myrna Carney hit 4.

## NOTICE

People were reminded last week that 2 blasts of the fire siren was a storm warning. We learned this week that these 2 blasts would come at two minute intervals over a period of time. This will be done in order to warn anyone who might not hear the blasts when first sounded. Keep this in mind - - two blasts, wait 2 minutes, two blasts again, etc.

## Lt. Guy Alden Wright Dies In Plane Crash

A telegram from the Navy Department Tuesday afternoon bore tragic news for Mr. and Mrs. Guy Wright of Memphis by informing them that their son Lt. (jg.) Guy Alden Wright, 22, was killed Monday in a Jet plane crash in Hawaii while making landings on an Aircraft Carrier. No details on the accident were included in the telegram. Mr. Wright, former Donley County Sheriff, is now Chief of Police at Memphis.

Lt. Wright was born in Clarendon May 8, 1934. He attended the local schools and was a graduate of Clarendon Junior College, class of 1953. He entered the Naval Reserve for training at Pensacola, Fla., three years ago Tuesday of this week. He received his Jet training at Chase Field, Beeville, Texas and had been in the Hawaiian Island area since Nov. 1955. He had expected to transfer soon from the Naval Reserve to the Regular Navy.

Survivors include his parents, two sisters, Frances and Priscilla and a brother Charles Perry Wright, all of Memphis, and his grandfather, Perry Alden of Bentonville, Arkansas.

## MONTHLY CUB PACK MEETING MARCH 25

The monthly Pack meeting for Cub Scout Pack No. 37 of Clarendon will be held in the Jr. High auditorium Monday, March 25th at 7:30 p. m. All Cub Scouts and parents are urged to attend.

Leader—Local rate, \$3.90 a year

## No Cut In College Money Yet

The appropriation bill passed the House of Representatives without cutting out the money for Clarendon Junior College. This word was received in Clarendon in a release by Will Ehrle, State Representative.

Ehrle said that the committee eliminated the provision which would have cut the College money to approximately \$7,000. The College will receive \$36,370 each year for the next two years in state money for the operation of the school.

According to Ehrle no effort was made on the floor of the House to restore the appropriation cut for junior colleges.

"I am glad to report to the citizens of Clarendon and Donley County that we were successful in our fight for the small junior colleges," Ehrle said.

## Two Irrigation Meetings In Donley County To Be Held April 3 & 4th

Two irrigation meetings will be held in Donley County on April 3rd & 4th says County Agent H. M. Breedlove. On April 3rd the first meeting will be held at Hedley in the Lions Club hall starting at 1:30 P. M. On April 4th the second meeting will be held in Clarendon at the district court room starting at 1:30 P. M.

These meetings will deal with sprinkler irrigation and Mr. R. V. Thurmond, irrigation specialist of the Texas A&M College Extension Service will be on hand to give first hand information to all sprinkler irrigation farmers and those interested in irrigation. A demonstration will also be held on sprinkler irrigation. The first part of each meeting will deal with a talk on irrigation and later on in the afternoon the demonstration will be conducted.

Breedlove urges every one interested in irrigation to attend one of these meetings. This is a good chance to talk over your irrigation problems with a specialist and help curb problems that might arise later on in your irrigation program. All farmers interested whether they use sprinkler irrigation or irrigate down the row are urged to attend as the meetings will also deal with irrigation from all phases.

## Sims P. T. A. Meets Today (Thursday)

The Simms P.T.A. will meet on Thursday, March 21st at 3 o'clock in the Junior High auditorium.

The program will be "Good Schools Are the Responsibility of the Community."

Richard Hall, Dr. George Smith, Conrad Ryan, and Lloyd Risley will discuss "Keeping up with a Changing World and its Relation to Juvenile Delinquency" with Jack Gray as moderator, and Allen Pittser will present the music for the program.

We think this program is a very important one, as all parents should be interested in what is being done to help curb Juvenile Delinquency and urge everyone to attend. —Reporter.

Sandwiches, deviled eggs, red beans, ice cream, milk, butter.

## New City Ordinance Covering Stop Signs in Clarendon Listed and Pictured Below—Now in Effect

AN ORDINANCE REGULATING TRAFFIC WITHIN THE CORPORATE LIMITS OF THE CITY OF CLARENDON, ESTABLISHING THE LOCATION OF "STOP" SIGNS, PRESCRIBING A PENALTY FOR THE FAILURE TO STOP AT SUCH "STOP" SIGNS, AND DECLARING AN EMERGENCY

Be It Ordained By The Board of Commissioners of The City of Clarendon:

Section 1. That from and after the effective date hereof, all persons operating a vehicle, motor

vehicle, motorcycle, bicycle, or any motor or otherwise propelled vehicle whether by human power or otherwise, who shall approach an intersection with a "stop" sign located to the right and facing such person or shall approach an intersection with a "stop" sign located in the street facing such person, shall stop in obedience to such "stop" sign at the entrance to such intersection where such "stop" sign is erected, and after so stopping shall proceed cautiously, yielding to vehicles not so obligated to stop which are within the intersection or approaching so closely as to constitute an immediate hazard, but may then proceed.

Section 2. Any person who shall fail or refuse to comply with the requirements of Section 1 above, shall be deemed guilty of a misdemeanor, and on conviction shall be fined not exceeding one hundred dollars.

Section 3. Hereto and attached and marked Exhibit "A", is a map of the City of Clarendon, showing the present location of "stop" signs which are indicated by solid colored circular figures or spots, and which are located at the corners of such blocks as thereon located, or in the center of the respective named streets, and which said "stop" signs are

located to the right of a person approaching an intersection and/or located in the street facing the person approaching the intersection. Nothing herein contained, however, shall prevent the location and placing of future "stop" signs and/or "stop" signals at any other location that shall be deemed by the City of Clarendon to be proper and necessary, and the provisions of this Ordinance shall be applicable thereto just as if the same were provided for on the effective date hereof.

Section 4. The fact that great danger to the life and limb of the inhabitants of the City of Clarendon and other persons using

the streets creates an emergency and imperative public necessity requiring the suspension of the rule that ordinances shall be read at three meetings of the Board of Commissioners; and said rule therefore is hereby suspended, and this ordinance shall take effect at once, and it is accordingly ordained that this ordinance shall take effect from and after its passage and approval as in the Charter in such cases made and provided.

PASSED AND APPROVED, this 7th day of March, 1957.

/s/ H. T. Burton  
Mayor,  
City of Clarendon

Mr. and Mrs. W. D. Higgins visited Mr. and Mrs. Elzie Kidd Sunday afternoon.

Veterans' Land Board Forfeited Land Sale Set For April 3rd

AUSTIN—52 tracts of land in 23 counties will be offered for sale in the fourth Veterans' Land Board forfeited land sale on April 3rd, Land Commissioner Earl Rudder said Monday.

Sealed bids will be received until 10 o'clock that morning, when they will be opened.

Altogether, 3,932.70 acres—mostly located in the northeast, central, and southwest portions of the state—will be offered for sale.

Largest tract of land offered by the VLB is 239 acres located about five miles northwest of Rising Star in Eastland County.

Previous forfeited land sales were conducted by the Veterans' Land Board earlier this year and in September and January, 1956.

The property offered for sale was originally bought by veterans through the Veterans' Land Program, but was later forfeited because original purchasers were behind in their payments.

Ten thousand veterans on a special mailing list have already received information about the sale. Advertising notices announcing the sale began appearing recently in newspapers near lands offered.

Information about the sale has also been sent to county service officers, VA hospitals, and VA

regional offices, Commissioner Rudder said.

Anyone desiring further information about the sale may also contact the Veterans' Land Board in Austin, Commissioner Rudder added.

JOINT NEWS RELEASE

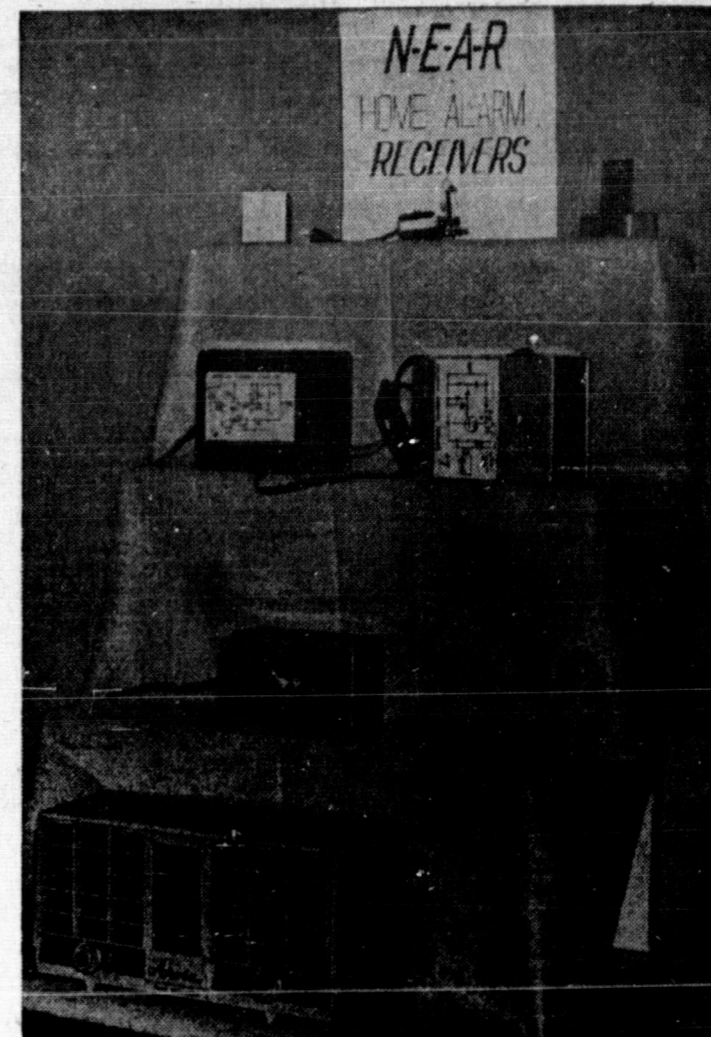

Housewives employing a maid, cook or laundress and paying cash wages of \$50 or more in any calendar quarter, are required to withhold 2 1/4 per cent of their cash wages as social security tax. Previous to 1957 the tax was two per cent.

The employer then matches this amount and forwards the total to the District Director of Internal Revenue at the close of each quarter.

This announcement was made jointly here today by John R. Sanderson, District Manager, Amarillo, Texas, Social Security Office and James Z. Pierce, Administrative Officer-In-Charge, Amarillo Office, Internal Revenue Service.

The Revenue Official explained that the tax is paid to Internal Revenue Service on a simple, easy-to-use form called Form 942, which any Revenue Office can provide. He pointed out that such wages include payments in cash, check or money order. Not included for domestic workers is the value of food, lodging or clothing. Cash payment for carfare is included, but not the cost of bus tokens.

According to Mr. Pierce, Form 942, showing name, social security number, wages paid and tax withheld from each household employee, should be completed and sent to Revenue's District Director within one month after the end of the calendar quarter. That's by April 30, for the January-March period. Mr. Sanderson said that the

HOME ALARM which could be plugged into an ordinary electric socket to sound a buzzer or bell and light signal of approaching air attack, tornado or other natural disaster is shown in three small units (top level) and larger versions (second level). Also shown are clock and radio which could be activated by the National Emergency Alarm Repeater (NEAR). These alarms are presently being developed under contract to the Federal Civil Defense Administration. NEAR would be triggered by a signal over the nation's power lines to provide an alarm inside homes, where residents might be asleep or otherwise not hear present alarm. Civil defense Conelrad radio would then provide survival details.

law applies to such domestic workers as maids, cooks, waiters, butlers, housekeepers, governesses, valets, baby sitters, janitors, laundresses, furnace men, gardeners, and chauffeurs for private

cars. George Washington and James Madison were the two signers of the Constitution who later became U. S. Presidents.

PRESCRIPTION PRICES

How are prescription prices determined? We have a policy in this matter, the only one we can follow. We do not offer bargains in prescriptions—there is no cut-rate way to health. Nor do we pretend to under-sell. Prescription prices simply are determined by the cost of the ingredients and operating expense. The prices we charge are as low as satisfactory service and effective drugs will allow.

## FHA Entertain Guests With Style Show

Who is the girl with lots of clothes? She is the girl who sews of course. Homemaking I students of the Clarendon Chapter of the Future Homemakers of America broke the fashion barrier for this season when they modeled skirts, blouses, slim-jims, school dresses and party dresses before a large group of guest March 18, at 7 p. m. in the High School Auditorium. Narrator for the occasion was Bobbie Lou Johnson, and background music of Irish melodies was played by Paula Vanderburg. The Irish theme was carried out in programs, decorations, and refreshments.

Following the opening ceremony, Beth Lamberth explained the three degrees of achievement that F.H.A. girls work for. Pat Schull told of membership requirements, and Pat Spurgeon reviewed the social activities of the year for our guest. Sue Banister explained the Chapters' program of work. The purpose of this phase of the program was to acquaint the Eighth Grade girls with the chapter and school activities of Homemaking I.

Following the program in the auditorium, tea was served in the dining room of the Homemaking Department. The guests visited the department and inspected other projects which have been completed by freshman students this year.

Hostesses for the tea were:

Barbara Koontz, Glenda Koontz, Linda Self, Ann Elliott, Georgia Bell Harmon, Charlotte Jones, Maggie Morrow, Brenda Putman and Joanna Lane.

Guest for the occasion were: Gayle Bones, Oleta Garman, Sarah Hawthorne, Ann Hubbard, Alice Johnson, Beth Johnson, Patricia Johnson, Billy Kay Lemons, Frances Mann, Wilma Mann, Barbara McBrayer, Jackie McClellan, Sherry Montgomery, Geneva Murphy, Martha Jo Risley, Janie Smith, Marsha Franklin, Nancy Huff, Lavonne Patterson, Sarah Antrobus, Drubette Cook, Lee Ellen Bell, Shirley Holeman, Gay Watson, Pauline Gillean, Mae Mays, Norma Self, Judy Thompson, Frances Wallace, Glenda Wilson, Merlene Ivey, Pat Crouch, Mary McKinney, Wanda Ryan.

Featured in the Style Show were: Jacquie Bell, Ann Elliott, Betty Graham, Linda Kay Hardin, Glynnell Hoggatt, Judy Johnson, Glenda Koontz, Linda Lamberth, Connie McMurtry, Sandra Pinkerton, Sharon Smith, Ann Weatherly, Shirley Wiedman, Betsy Chamberlain, Nancy Davis, Wilma Elliott, Barbara Hewett, Maggie Morrow, Pat O'Neal, Pat Owens, Betty Parker, Brenda Putman, Mary Sue Rhoades, Ann Slavin, Delores Tolbert, Rosalie Welch, Jo Ann Wood, Ann Ward, Joanna Lane.

### MYSTIC WEAVERS CLUB

The Mystic Weavers Club of Lelia Lake met Wednesday, March 13th in the home of Mrs. Quinn Aten.

Twelve members were present and enjoyed the covered dish lunch.

Two small quilts were finished for the hostess' grandson.

The next meeting will be March 27 with Mrs. D. M. Cook. —Reporter.

### HARMONY CLASS

Mrs. J. W. Murphy was hostess to members of the Harmony Class of the Methodist Church when they met Thursday afternoon, March 14. Mrs. Victor Smith was co-hostess. The president, Mrs. W. E. Hodges presided over the business meeting. The secretary's report was heard.

Mrs. C. B. Morris gave the devotional taken from "The Sermon on the Mount." Everyone enjoyed her inspiring talk.

Refreshments of banana nut cake topped with whipped cream, buttered crackers, and coffee were served during the social hour to Mesdames Lena Antrobus, Roy Beverly, Bill Ray, Henry Tatum, W. E. Hodges, Frank Phelan, Sr., Homer Bones, M. R. Allensworth, Lee Holland, Walter Hutchins, O. C. Watson, C. B. Morris, and Louise Payne by Mrs. J. W. Murphy and Mrs. Victor Smith. —Reporter.

### H. D. CLUB

The senior H. D. Club was entertained Thursday afternoon, March 14, in the home of Mrs. Bertha Benson. Meeting was opened with Mrs. W. L. Jordan reading Club Collect. The usual order of business followed with the secretary's report and roll call.

At the conclusion of the business meeting refreshments of chicken sandwiches, fruit cake topped with whipped cream, tea and coffee were served by the hostess, Mrs. Benson, to one guest, Mrs. Cecil Cross, and to members Mesdames Bennie Crabtree, O. C. Watson, R. C. Bingham, W. L. Jordan, Clyde Butler, Lena Antrobus, and Virgil Poole. The next meeting will be with Mrs. R. C. Bingham the third Friday in April. —Reporter.

### GOLDSTON QUILTING CLUB

The Club met Friday eve with Joy Roberson. One quilt was finished. Punch and cookies were served to Connie Talley, Minnie Roberson, Billy Ashcraft, Oddie Moss, Bonnie Davis and hostess Joy Roberson. The next quilting will be with Oddie Moss Thursday, the 21st. She has invited us to spend the day, so let us all try to go and have a nice time. —Reporter.

MISS LOUGINIA BENEFIELD

## June Wedding Date Set By Miss Benefield And Fiance, Sam Patterson

Mr. and Mrs. Joe Benefield, Atoka, Oklahoma, are announcing the engagement of their daughter, Miss Louginia Benefield, to Mr. Sam Patterson, son of Mr. and Mrs. U. Z. Patterson of Clarendon, Texas.

The wedding will be an event of June 28 in the First Baptist Church, Atoka, at eight o'clock in the evening. Rev. Dean Rainwater, pastor, will officiate at the double ring ceremony.

Miss Benefield was graduated from Atoka High School, where she held major offices in the school clubs. She was awarded two scholarships. She attended University of Oklahoma two semesters and is now enrolled at Southeastern State College in Durant.

Mr. Patterson is a graduate of Clarendon High School and attended Clarendon Junior College. He was graduated from Hardin-Simmons College in Abilene, Texas, and now is attending the Southwestern Theological Seminary in Fort Worth, Texas, where he will be graduated in May.

Mr. and Mrs. J. L. McMurtry are at home after spending the past five weeks at Mineral Wells. —Reporter.

## Chamberlain Club Holds Special Meeting

The Chamberlain Community Club held a special meeting Thursday night, March 14th. A covered dish supper was served to 35 members and guests.

We were honored in having Mr. and Mrs. Hal Mayfield of KGNC Radio-TV, Mr. Ragan Brown of Texas A&M, and Mr. Flip Breedlove as guests.

Mr. Ragan Brown gave a talk with illustrations on film, and Flip Breedlove at the projector. His talk was in community progress sponsored by Farmer-Stockman Magazine in cooperation with Texas A&M College Extension Service.

Mr. Flip Breedlove received two signs for the community club and its surrounding territory. They were greatly appreciated by all the community.

Mr. Hal Mayfield recorded Mr. Brown's talk on tape. This will be heard on Cotton John's Farm report. Mr. Mayfield also recorded Mrs. John Heathington, Mr. Oren Holt, Mr. Lee Muse, and Mr. Flip Breedlove. They will also be heard on Cotton John's Farm report.

The evening was enjoyed by all. —Reporter.

### KIL KARE KNEEDLE KLUB

The Kil Kare Klub met in the home of Mrs. G. C. Heath Thursday afternoon, March 14. The pleasant afternoon was spent knitting, sewing, and planning flower gardens for the summer.

A lovely salad plate was served to one guest, Mrs. Willie Hopper of Portales, N. Mex., and to members Mesdames S. W. Lowe, J. R. Bartlett, E. H. Noland, Homer Mulkey, Buel Sanford, Major Hudson, M. C. Rappy, Cap Lane, A. O. Hefner, and Misses Ida and Etta Harned by the hostess, Mrs. G. C. Heath. —Reporter.

### GARDEN CLUB TO MEET

Garden Club will meet Friday afternoon, March 22nd in the home of Mrs. O. C. Watson. Mrs. M. C. Rappy will be co-hostess, with meeting time set for 4:00.

Patsy Emmons of Canyon spent the week end with her parents, Mr. and Mrs. A. J. Emmons. —Reporter.

### BETA SIGMA PHI-MU GAMMA

Mu Gamma Chapter of Beta Sigma Phi met in Patching Club House Thursday evening, March 14, with Frieda Gray and Bert Garland hostesses.

During the business meeting the State project for 1957-58 was discussed. The nominating committee presented names for officers for the coming year, to be voted on at the next meeting. The names submitted were: Frieda Gray, president; Frankie Henson, Vice-President; Marilyn Simpson, recording secretary; Mary Neal Risley, treasurer; Evelyn Yeates, corresponding secretary; and Ruth Hudson, extension officer.

A Bake Sale was discussed as a means of raising money to send members to our state convention. The sale will be held March 30.

Frieda Gray reported on the trip to Groom, where we are planning to organize a new chapter. We will have visitors from Groom at our next meeting the night of March 28. We urge every member to be present.

Jo Jinks presented our program on "Express Yourself." She also did a summary of our pilgrims for the entire year.

The raffle was won by Annesse Bennett.

Members present were Kay Bain, Annesse Bennett, Jane Bownds, Hallie Clapp, Bert Garland, Frieda Gray, Ann Hommel, Ruth Hudson, Jo Jinks, Juanita Phelps, Lois Schollenberger, Evelyn Yeates, Edna Smith, and our sponsor, Mrs. Lena Morris. —Reporter.

### HUDGINS CLUB

Ruby Parker and Mary Lee Noble were hostesses to the Club, at the last meeting, on Thursday afternoon last week, when we met at the club house. Two quilts were finished.

Cake, coffee and iced drink were served to the following ladies and children: Martie Webb, Dorothy Helms and Eddie Veda Goad, Virginia Smith and Cheryl, Pearl Self, Belle Smallwood, Cora Elliott, Floree Webb, Agnes Allee, Ruth Lindley and Tommy, Sadie Wood, Mae Perdue and Janie Sue Noble. Sadie Wood and Agnes Allee will be hostesses to the club on. —Reporter.

Thursday afternoon, March 28. We wish to use this way to thank the merchants of Clarendon, and others for their contributions to the clubhouse. —Reporter.

### 1926 BOOK CLUB

Mrs. Loyd Johnson, president, called the meeting of the 1926 Book Club to order, Tuesday afternoon, March 19, at Patching Club House. Guest day was observed and business dispensed with. Mrs. C. B. Morris, program chairman, introduced the guest speaker for the afternoon, Mrs. Gordon B. Smith of Gainsville.

Mrs. Smith gave an inspiring review of "God So Loved The World" by Elizabeth Gaugh. This is the beautiful story of the life of Jesus and his principles of Christian living.

Following the review, refreshments were served in the dining room from a table laid with an Irish linen cloth and centered with an arrangement of Jonquils. Mrs. Loyd Johnson poured punch while Miss Lucile Polk served the cake.

Approximately seventy members and guests were present. Mrs. Smith was accompanied to Clarendon by Mrs. Everett Bosley, also of Gainsville.

Hostesses were Mesdames Homer Bones, J. R. Porter, C. B. Morris, Clyde Hudson, and Leon Davis. —Reporter.

### M. Y. F. REPORT

The Lelia Lake Methodist Youth Fellowship met at 6:45 on Sunday, March 17, 1957. Rod Seago called the meeting to order. Judy Castner gave the opening prayer.

Jean Fox's side is ahead by nine points. Jean's side brought the program from "Together," a Methodist magazine.

There were 13 present counting our counselor Mrs. MacDonald. —Reporter.

### F. B. L. A. Report

The Clarendon Chapter of the Future Business Leaders of America has been recently organized. The officers are President, Sue Banister; Vice-President-Reporter, Clifford Beard; Secretary-Treasurer, Patsy Schull. These officers will be installed by the Dumas Chapter at a later date.

A project of making a survey of the business machines of the business firms of the city has been started by the Project Chairman Clifford Beard. The results will be tabulated and given to the business people that were contacted.

The purpose of F.B.L.A. is to help develop young men and women into competent business leaders. Projects are carried on to help develop self-confidence and to help the students know more about the business world.

Any student that has taken or is taking a business subject is eligible to be a member and all new members will be welcomed. The club meets at 8:20 a. m. on the first Thursday of each month. —Reporter.

### MIDWAY CLUB

The Midway Club met Tuesday, March 19, with Lucille Luttrell. Eight members were present. We finished one quilt and part of another. Pollyanna gifts were exchanged.

The next meeting will be with Nell Land, April 2nd. We will meet Friday night, March 22, at 7:30 at Patching Club House for our 42 party. —Reporter.

Mrs. Doss Finley, Mrs. Paul Schull, Pat and Kenny spent the week end in Colorado City where they visited in the home of Mrs. Schull's parents, Mr. and Mrs. B. L. Wren.

### JR. H. D. CLUB

The Jr. H. D. Club met Thursday afternoon, March 14, at Patching Club House. Hostesses were Clarice Choate and Eddith Spivey.

Meeting was opened by the president, Leona Henson. Noma Lewis acted as secretary in the absence of Eddith Spivey. Members repeated in unison the club motto and prayer. During the business meeting Leona Henson gave a report from the club house board.

After the business session refreshments were served. Mary Belle DeBord and Leona Henson assisted Clarice Choate in serving. Present were Lucille Swinney, Helen Land, Mildred McClellan, Cula Jo Trout, Wilma Spier, Clara Finley, Noma Lewis, Polly Schull, Leona Henson, Mary Belle DeBord, and Clarice Choate. —Reporter.

Kay Bain and Bliss and Butch Schollenbarger visited relatives at Darrouzzett thru the weekend. Mr. and Mrs. Geo. Schollenbarger picked Butch up at Pampa Sunday evening. Kay and Bliss will visit relatives at Darrouzzett, Perryton and Pampa before returning home.

Mrs. G. W. Bradshaw and Mrs. Ermine Blair took Mr. Bradshaw's aunt, Mrs. Willie B. Collier, to Hobart, Okla. Monday. Mrs. Collier's home is in Temple. She has been a guest in the Bradshaw home.

Mr. and Mrs. Harry Edward Blair announce the arrival of a son, Harry Edward III, March 8, in Corpus Christi. The young fellow weighed 6 lbs. 8 oz.

Billy Bradshaw who is attending Mortician school at Dallas spent the week end with home-folks.

submitted from some 350 campuses, according to Dennis Hartman, secretary, whose office is in Los Angeles. For the first volume only 80 colleges were represented. This is the tenth volume of poetry from college and university students.

Miss Yarnold, daughter of Mr. and Mrs. W. F. Yarnold, Canadian, is a sophomore student whose creative work has appeared frequently in the student newspaper, "The Trail Blazer", and in the Wayland Literary Magazine. Her creative efforts have included editorials, essays and short stories, as well as poetry.

Miss Neal, daughter of Mr. and Mrs. Milton Neal, Elberton, is a freshman. Her poem, "To Be Able", is her first creative recognition since she enrolled in Wayland Baptist College in September. She is also one of the 13 lucky young women who make up Wayland's championship basketball team, Hutcherson Flying Queens of Wayland College, and who are aiming for a fourth national AAU title in March. Recently the team was presented over television on the weekly program, "Texas in Review", which is photographed for Humble Oil Company for presentation over 25 TV stations in Texas.

Associated Press has in recent weeks released stories and pictures of Patsy and the team and the nationally distributed "Parade", weekly feature magazine has an article scheduled for the near future.

Sanders, son of Mr. and Mrs. Elmer E. Sanders, 1306 Dennison Rd. Sw Albuquerque, N. M., also is a freshman. He is a feature writer on the college weekly and handles an opinion column in each issue.

Mr. and Mrs. Dale Bradley and Rhonda of Tulsa spent the week end with her mother, Mrs. Ermine Blair.

**They start even ...**

**But 33 days later ...**

**Lower-quality starter Improved Super Startena**  
**Improved Purina Super Startena gives you ...**  
**Extra growth you can see and feel**

Cover the right half of the lower picture with your hand. The pullets on the left don't look bad at all, do they? Now "uncover" the Super Startena-fed birds on the right! Same age ... 33 days. Same amount of starter ... only 2 pounds. But what a difference in growth!

There is a live-chick demonstration at our store right now. That's where you can see and feel, in the flesh, the extra growth Purina's improved Super Startena puts on chicks. While you're here, check their age and size. Heft one or two of the chicks. Feel the solid, chunky weight of those Super Startena birds. Livability's another big thing. Records from farms all over the country on more than two million Purina-fed chicks showed an average of 97.3% livability!

The same feed that produced birds like these is ready to work for you. Ask us for Purina's improved Super Startena ... and get that extra growth you can see and feel.

# FARM NEWS

From the County ASC Committee

## 1956 CONSERVATION RESERVE PAYMENTS

Payments for contracts starting in 1956 only have been mailed to the producers in the form of Sight Drafts. This was the annual payment and contained no part of the practice payment. There were only 36 of the 1956 contracts. We would like for every farmer who has a contract starting in either 1956 or 1957 to come into the office immediately to sign an application for the practice to be carried out on the Conservation Reserve land so that you can be paid for the first part of the practice when it is completed.

## 1957 COTTON ACREAGE RESERVE

Thursday 14th was the final day to include any additional amount you may have indicated on your 1957 Cotton Acreage Reserve Contract. The total acreage for Donley County is 1,969.3 for a total of \$47,668.90. Land placed in the Acreage Reserve must not have a crop grazed or harvested from it during the period of the contract.

## MQ-31 TO PRESERVE ACREAGE HISTORY

All producers who have 1957 allotments for wheat or cotton should come into the Donley County ASC Office and sign a Form MQ-31 if you have not already done so. This Form will preserve the acreage history if the allotted crop is not planted, or if only a percent of the crop is planted. It is important that every producer with a wheat or cotton allotment sign this form.

Mr. and Mrs. Jim McKee of Dallas spent the week end with his parents, Mr. and Mrs. George McKee.

Mrs. Jess Wood is a patient in the Groom Hospital. Mr. and Mrs. Bill Allen of Amarillo have been with her.

Mrs. Gordon B. Smith and Mrs. Everett Bosley of Gainesville were house guests in the home of Mr. and Mrs. C. E. Bairfield the first of the week.

Mr. and Mrs. Robert Green, daughters Lee Ann, Judy and son Steve of Temple, Texas, also Mr. and Mrs. Fred N. Bentley, daughter Mary Helen and son George, of Amarillo, spent the weekend with their parents, Mr. and Mrs. Geo. L. Green.

A majority of votes means more than half, while a plurality is more votes than any other candidate received, but less than half the total.

## Twenty-Five Attend GOC Meeting

The Ground Observer Corps met last Friday night in a regular class meeting with twenty-five volunteer observers attending. T. Sgt. William E. Swope, instructor from Amarillo, showed two films on Civil Defense and GOC in operation. The Class was then turned into a question and answer period which was followed by practice reporting of aircraft and storms on 2-way telephone that Sgt. Swope brought along.

Those attending the class were Gladys Turner, Edith Speed Barnes, Ruth Melton, Letha Smith, Ira Jean Chilton, Gladys Eddings, Emma Ayers, Ruth Kay, Billie Jean Terry, Clyde I. Price, Jr., C. M. Bennett, C. W. Bennett, B. C. Antrobus, J. B. Melton, Lloyd McCord, B. L. (Mutt) Graham, Jerry Price, Billy Mayo, L. M. Smith, E. C. Wood, Richard Maxey, Gene Green, Tommy Saye, Bill Land, and Basil Smith.

The next meeting will be Friday March 22nd at 7:30 p. m. in the City Hall. Everyone is urged to be present.

## CARD OF THANKS

We wish to thank the many friends of Miss Lee Patten for the food, flowers, sitting up and many other kindnesses during her illness and death. May God's blessings be with each of you.

D. S. Harrington  
Mrs. Mamie Harrington Brewer

## CARD OF THANKS

We wish to thank all of our many friends and neighbors for the beautiful flowers, cards and your prayers while our baby was critically ill in the hospital.

Mr. and Mrs. Johnny Leathers

## FROM WARM SPRINGS FACT & FANCY

by W. H. Reiter

(Wherein the director of public relations at the Gonzales Warm Springs Foundation tells of Texas' own physical rehab center and also throws in a little tongue-in-cheek palaver for which, incidentally, the management is not responsible.)

I notice that Postmaster General Summerfield is working himself into something of a snit trying to get Congress to take serious note of the fact that the mail business is pretty ding-dong unprofitable. If something isn't done, he declaims, the out-go is going to exceed the income by a cool billion bucks a year.

This has caused about as much excitement in Congress as Marjorie Main in a bathing suit. The tax-payers are the ones who write the letters and, Congress figures, they might as well pay for their stamps at the tax collector's window as at the post office.

And even if that doesn't suit Mister Summerfield, he might as well relax, sit back on his big fat deficit, and enjoy it.

As I see it, the real concern should not be so much how the P. O. is making out financially but rather over some of the trends in this worthy institution. Electronics are setting in.

The word is out that a machine is being developed which will read the addresses on letters and sort them automatically. Another device, I am informed, will cancel mail electronically.

There is no telling where this could end—and if I were a flesh-and-blood post office employee, I would be plenty worried. We might even end up with some sort of robot mailmen who, incidentally, wouldn't be worth a hoot for helping housewives get cats out of trees, and like that.

Of course, there would always have to be a stand-by crew at the postoffice to push the buttons, replace the fuses, change the batteries, etc.

And read the postcards.

Not long ago Ronnie Parsons of Gainesville came to the Gonzales Warm Springs Foundation pretty badly involved, unable to walk and without much hope of ever doing so. Now he is back home walking around on crutches, and occasionally he strolls across the room without crutches.

Ronnie finds considerable diversion through his activities as a "ham" radio operator. Recently he received quite a thrill when he managed to make contact with Captain Kurt Carlson of Flying Enterprise fame. Captain Carlson was off the coast of Portugal when contact was made.

Ronnie's call letters are K8DKB.

## Comets End Regular Season With Loss To Wayland

The Clarendon Comets went down for the fourth time this season to the mighty Hutcherson Flying Queens of Wayland College at Plainview last Thursday night by a score of 68 to 47. The defeat was the worst of the four administered to the Comets by the Queens this season.

The Comets played a good game but could not cope with the sharpshooting of the National Champions. It was the 100th straight victory for the Queens over a four year period.

Mary Mann, freshman forward, topped the scoring for the Comets with 20 points followed by Joan Crawford with 14.

Mr. and Mrs. Young of St. Louis, Mo. are visiting in the home of her sister and family, Mr. and Mrs. Alfred McMurtry and girls.

Mrs. O. C. Watson, Jr. and Rex of Colorado Springs, Colo. visited a few days the last of the week in the home of Mr. and Mrs. O. C. Watson.

## Bulldogs Take Fourth In Regional Meet

The Clarendon Junior College Bulldogs brought home the fourth place trophy in the Region V, National Junior College Tournament, at Amarillo last week. The Bulldog's last game was a close 71 to 68 loss to the Schriener Institute team from Kerrville. The local team won their first game of the tournament against Weatherford, 64 to 59, then lost to the eventual champion, the San Angelo Bobcats, 81 to 67. Then they played Schriener for third place.

The Bulldogs finished their season with 14 wins and 12 losses. They finished in a first place tie with Frank Phillips College of Borger for the West Zone Conference Championship.

Mrs. Maude Palmer was called to Lubbock Thursday last to be with her mother, Mrs. Harp. Mrs. Harp, whose home is in Post, fell and broke her hip. She is a patient in Methodist Hospital in Lubbock.

Mr. and Mrs. J. D. Joslin and Betty Ann spent the week end with relatives at Plainview.

## How Does Your Soil Rate?

College Station—A farmer has to "know his soil" as well as a politician "knows his voters" if he expects profitable response from management principles. No one can hope to stay in business very long if he mistreats or neglects the basis for his existence, whether it's votes or soil. As the farm's most basic commodity, soil will "support" its tillers only when proper improvement, conditioning, and conservation measures are practiced. But, mere recognition of a soil's limitations as well as its potential is an often-overlooked yet essential factor in securing a farm's maximum production.

"How Does Your Soil Rate?", a bulletin written by Extension Soil and Water Conservation Specialist Jack H. Barton, and Assistant Agronomy Professor J. F. Mills is intended to give a better understanding of soil to

## TOO LATE TO CLASSIFY

FOR SALE—Milk cows or nurse cows. See Jim Riley. (74c)

the average reader. Written in clear, concise, non-technical language this bulletin offers an excellent description of the major soil characteristics and limitations.

Photographs aid in the bulletin's treatment and explanation of soil texture, permeability, condition, and slope. The effects and characteristics of depth, wetness, erosion and other production-influencing factors are also adequately covered.

A description of land capability classes and a detailed section on recommended land treatments make this bulletin an extremely practical guide for teaching land evaluation principles. Barton expresses hope that it will result in a more uniform method of evaluation throughout the state.

Copies are available from the office of your local county agent or the Agricultural Information Office, College Station. Ask for Bulletin B-836.

# PLOWIN' Out the CORNERS

**Uncle Zeb**  
 "The man who once most wisely said;  
 "Be sure you're right, then go ahead."  
 Might well have added this, to wit;  
 "Be sure you're wrong before you quit."

Read this someplace;  
 "Don't smoke in bed, the ashes that fall on the floor may be your own. Of course all the members

of our Ain't Smoking Right Now Society would say only—Don't Smoke.

It is said that, everyone in the whole world would be a huge success if they would only take the advice that they give away and throw away the advice that they talk themselves into taking. What do you think about this? It is a fact that we can draw a pretty straight line as long as the other fellow is to follow it but we can find more excuses when we come along the pathway of our life for the zig-zagging which we usually do.

Send us your favorite Old Saying. We are making a collection and the older and the more unusual they are the better we like them. We plan some day to print many of them into a Scrap Book of little things from this

column. Please help us out by sending us some of your favorites. Many of you already have. For instance like this: "A man's horse sense seems to desert him when he is feeling his oats."  
 Here's to the man who is wisest and best.  
 Here's to the man who with judgment is blest.  
 Here's to the man who's as smart as can be—  
 I mean the man who agrees with me.

I get ashamed of myself sometimes when I realize that the above little poem is true, too much so probably. When we make some fancy statement to a group and everyone seems to agree; then right off we decide that we are talking to a real intelligent group.

"If tears should never come and wash the dust from our eyes, then we could never catch a glimpse of the beauty of the souls of those about us."

If we ever feel so right in our own thinking that we can't admit that we could be wrong then we better watch out.

"Love will light a thousand candles in the dark, and guide the steps of one who seeks it."

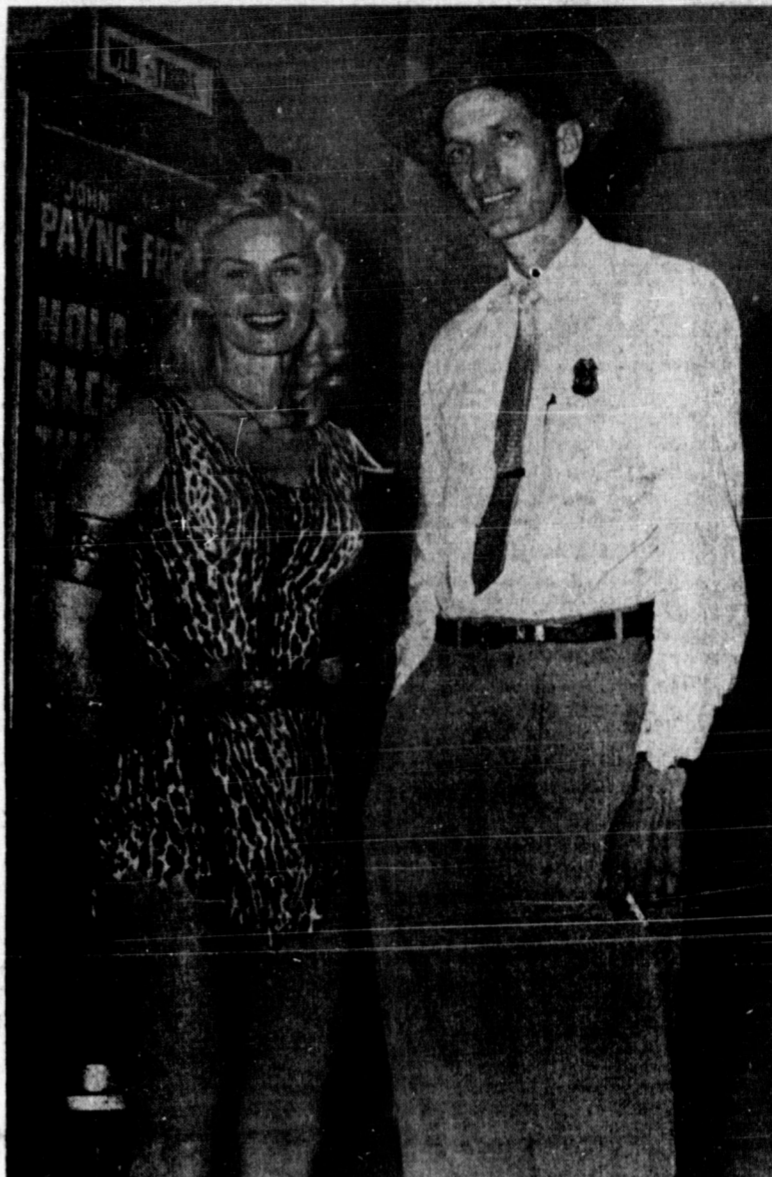

"The heart not only has the power to forget but also to love again."

## DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

The 1957 grass planting season is well under way in the Donley Soil Conservation District. Those who are known to have completed planting native grasses are: Clyde Slavin, Fontayne Elmore, and Fred Watt. Others who have spoken for District grass drills are: W. B. Ayers, Claude Moore, John Knorrpp, Roy Thomason, A. B. Bynum, Mrs. Whitt, Z. E. Doshier, Ted Maddox, R. H. Couch, Walter McCracken, W. M. Montgomery, and Mont B. Wolford.

Most of the land being planted to grass this year is being placed in the Conservation Reserve phase of the Soil Bank Program. In determining what grasses to plant on this land, a number of factors should be considered, but the principal ones should be: First, the type and capability of the soil—Sandy, Mixed, Tight, or Shallow, and whether it should be left in pasture or is it suitable to be put back in cultivation at the end of the Soil Bank contract period. Second, the farmers desires and needs in using the land at the end of the contract period. And third, present cover and con-

## SHERIFF CAUGHT THIS TIME

"Sheena, Queen of the Jungle" is pictured here with Sheriff Bill Cornell in front of the Mulkey Theatre. "Sheena" made a personal appearance here March 10th through the courtesy of Goldsmith's Dairy. The Sheriff's department was highly complimented for its cooperation in handling the crowd and traffic.

from blowing out and affording protection from drying and baking while the grass is coming up. A good mixture for sandy land is Sandlove grass, Sideoats grama, and either Blackwell switchgrass or Indian grass. A good mixture for mixedland is Blue grama, Sideoats grama, and Blackwell switchgrass.

For more detailed information, contact one of the Soil Conservation Service technicians assisting the Donley District establish soil conservation on the land.

dition of the land.  
 If the land is to be put back in cultivation at the end of the contract period, a grass that will give a quick cover at a reasonable cost is the most desirable. Weeping lovegrass or Sorghum alnum will likely fill this requirement, and would also need the least amount of cover to plant in.

If it is planned to leave the land in grass after the end of the contract, a person should choose the grasses to be planted more carefully and take in consideration the season he needs pasture the most and the type of stock he plans to graze on it. More than likely a mixture of the native grasses will come nearer meeting his requirements. To plant native grasses with the greatest assurance of success, a heavy thick dead cover is needed. This prevents the small seedling plants

# Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD  
Texas Press Association

AUSTIN—Although more spectacular issues have grabbed the headlines, Legislature is now hitting its biggest responsibility of this or any session. That is adopting a state budget for the next two years.

House committee approval cleared the way for debate this week on the record-setting \$2,000,000,000 spending program. It

represents an increase of nearly \$340,000,000 in spending from all state funds. It means more money in nearly every area of state service—raises to 90 per cent of state employees, more funds for education, hospitals, highway patrol, state buildings and operating state departments.

Despite all these, no new taxes are foreseen. Instead, Appropriations Chairman Max C. Smith, representative from San Marcon, predicted some \$45,000,000 will be left over for additional items, such as teacher pay raises.

Reason for this bright outlook is Comptroller Robert S. Calvert's estimate that current tax sources will yield \$100,000,000 more in revenue next biennium than previously.

**LONG ROAD**  
House committee to investigate bribery charges seemingly faces a drawn-out task.

Its powers have been broadened to include any irregularities by House members in this or past sessions. But the picture the committee set out to clarify has become increasingly muddled.

Rep. James E. Cox of Conroe, under indictment on charges of consenting to accept a bribe, re-

Let you and me, my brother, be what we feel that we

Would want the other fellow to really truly be;

Should I so much as mention what I would have you do,

Unless I'm more than willing to do the same for you?

**MURPHY FUNERAL HOME**

signed his House seat. He said he plans to clear his name and run for the office again in a special election.

Members of the Texas Naturopathic Association, which originated the charges against Cox, gave conflicting testimony about the group's past activities. Dr. Howard Harmon of San Antonio, current president, said the association raised from \$37,000 to \$55,000 during the 1955 session for legislative purposes. Dr. Robert Spears of Dallas, 1955 president, denied this.

Meanwhile, Dr. R. E. McMeans, Conroe chiropractor and friend of Cox, was attacked with acid. McMeans was credited with instigating the bill which would outlaw naturopaths. It was the bill on which the alleged bribery attempt pivoted.

**AUTO INSURANCE RATE**  
After hot debate and long testimony, Senate Insurance Committee sent the auto insurance "flexible rating" bill to subcommittee.

Sen. Jarrard Secrest's bill would allow companies to set rates competitively, rather than having a uniform rate set by the Insurance Commission.

Proponents contended it would mean lower insurance for buyers. Opponents called it risky, suggested that companies making sufficient profit should return dividends rather than charging lower rates.

**WHITE OUSTER PUSHED**  
Agriculture Commissioner John White, campaigning for the U. S. Senate, has bumped into a side skirmish.

A farm group led by Austin of Harlingen wants to abolish the elective agricultural post. Substitute would be a 21-member board appointed by the governor and a commissioner appointed by the board.

A bill was prepared and Rep. J. T. Ellis Jr. of Weslaco was asked to introduce it.

White blamed Secy. of Agriculture Ezra Benson. He called the move a "plot" to rob Texas of its control over state farm matters.

**WATER MATERIALIZING**  
At long last a Texas water saving plan is near reality. Passed by both House and Senate, it needed only conference commit-

tee adjustments and the governor's signature to send it to the polls for final approval.

Issuance of \$200,000,000 in state bonds would be authorized by the proposed constitutional amendment to help finance local water conservation projects. It is the keystone of an overall water program urged by Gov. Price Daniel for emergency action.

Under the financing plan, local districts could borrow from the state up to one-third the cost of projects or \$5,000,000, whichever is smaller. Lending would be supervised by a board to be appointed by the governor.

**IN THE MILL**  
**BEER**—House committee amended a bill to prohibit beer sales on Sunday and after 10 p.m. weekdays to bar Sunday sales only. Senate passed bill allowing breweries in wet precincts to continue production if the precinct is voted dry.

**MOVIES**—House passed a bill cutting the tax on movie admission to aid theaters in competition with television.

**SCHOOLS**—Both houses adopted resolutions petitioning Congress not to enact federal aid to schools.

House also passed on second reading a bill that would allow the state to cut off funds from a school district whose officials refused to order an audit of the books.

ment. "Our Valiant Few" by Van Wyck Mason is another of the American Civil War on the sea stories. Mr. Mason has written fifty-four hard back books. ### TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

#### THE FEDERAL BUDGET

Washington talk could be divided into two major categories. One would concern domestic matters and the other international problems. The talk here on international matters has, for some time, been centered on the Middle East situation. The number 1 topic in all discussions concerning domestic matters is the Federal Budget. You will recall that the budget submitted to the Congress by the President of the United States,

as his recommendation for the amount of money necessary to run the federal government for the fiscal year 1958, is the highest budget that has ever been submitted to the Congress in peacetime in the entire history of this country. Although we recognize that an expanding population must create an expanding economy, and it follows that budgetary requirements will increase on an overall basis, many of us do not agree that such facts alone could possibly justify the budget submitted to the Congress this year. We feel that every item in the budget should be weighed very carefully, and every possibility of measurably reducing it should be scrutinized with great care.

I want to point out to you where the money comes from and where it goes. First, let us see where it comes from. According to the Bureau of the Budget in their official publication, each federal tax dollar that is collected from the people of this county comes from the following sources: 51c is collected from the individual income taxpayer; 29c is collected from corporation income tax; 12c is collected from excise tax; 3c comes from various other taxes, such as estate and gift taxes, customs, and income from

**SKY-WATCHING**—and looking after the children—have been combined in this Ground Observer Corps post at Mechanic Falls, Me., by installing a children's playground. This innovation solves the problem of mothers who complain that they cannot do their part in Operation Skywatch because there is no one to look after their children while on duty. (Androscoggin County, Me., CD Photo by Nolin)

certain government enterprises. You can readily see that the individual income taxpayer is directly carrying the major part of the tax burden. Indirectly he is carrying practically all of it, because he pays the corporate taxes and excise taxes by reason of the increase in the cost of the products involved. These last items have had a major effect in the increase of the cost of living, which has recently hit a new all-time high.

Now, let us see where the money goes. According to this Budget Bureau publication, expenditures are divided into 6 categories. The largest of these is what the Bureau calls "major national security". It gobbles up 59c out of every tax dollar. This will amount to 45 billion 300 million dollars for the 1958 fiscal year. The Department of Defense will get 38 billion of that amount; 2 billion 600 million will be spent for military assistance to the armed forces of other countries (this is a part of the foreign aid program). 2 billion 300 million dollars will be spent by the Atomic Energy Commission. The remaining 2 billion 400 million will be earmarked for (in the language of the Bureau of the Budget) other programs related to the nation's protection. These are: (1) Economic and technical

assistance portion of the Mutual Security Program (this is another name for foreign aid). (2) Civil Defense. (3) International information activities. (4) Stockpiling of strategic materials. (5) Selective Service System.

The second largest bite out of the tax dollar amounts to 10c of each dollar. This will go to pay interest on the public debt. In round figures, it will amount to 7 billion 400 million dollars for fiscal year 1958. The Bureau estimates that, because of the increased interest rates, John Q. Taxpayer will have to cough up an additional 1 hundred million dollars this year. Agriculture, which includes the soil bank program and all other agricultural activities including rural electrification and rural telephone loans and all research and development projects, takes 7c. Veterans benefits take 7c. The Bureau has lumped together several other items in one group including natural resource development, commerce and housing, labor and welfare and general government. This category takes 15c of the tax dollar. General government, which takes 1 billion 451 million, includes financial management, property and records, FBI, Legislative and Judicial, District of Columbia, territories and possessions, Weather Bureau, etc.

2c is used for debt retirement. This is an odd procedure. The public debt, in the last statement furnished by the Treasury, was 276 billion dollars and is pressing an all-time high figure. More interest is being required daily to finance it, as I pointed out before.

The Administration has received severe criticism from every corner because of the size of this budget. The President stated he thought Congress should make whatever cuts it could. Secretary of the Treasury Humphrey testified that the budget could be cut and that unless it was cut, there might be a "depression that would curl your hair".

It is strange to me that they would send the budget to Congress as their studied recommendation and then make such state-

ments. In my opinion the budget can and should be cut at least 10%. Some divisions of the government may not be able to stand a 10% cut, but others can stand more than that; therefore, it seems to me good sense that the Congress cut the budget figure by at least 10% and permit the Administration to determine just where the cuts should be applied. This would provide an excellent opportunity to practice economy as well as preach it.

Sailing due east out of Boston Harbor, one would land first in Spain.

Cuba is touched by the Atlantic Ocean, the Gulf of Mexico and the Caribbean Sea.

# Will Writes

FROM JUSTIN

by Will Egan  
STATE REPRESENTATIVE  
88th District

**15 HOUR SESSION**  
At this writing the members of the House are recuperating from an extended 15 hour session during which time the appropriation bill was considered and passed. The House met at 10:00 a. m., March 14, and did not adjourn until 1:00 a. m. the following day. Around 6:00 a "call of the House" was voted. This means that no member is allowed to leave the chamber. The doors are barred, and no one can get out. Those members who are not present are subject to "arrest" by police officials and are brought back to the House chamber. Every time a police escort would return a member, he would be greeted by a round of applause.

**Agricultural Amendments Added To Appropriations**  
We "country boys" won the major victory of the day when two amendments were added to the appropriations measure which would increase money available for agricultural services for farmers over the state.

**Extension Service**  
The first amendment increased the appropriation by two million dollars for the A&M Extension Service. This money would be spent for increased extension work, new employees for a larger

program, and salary increases for present extension workers.

**Cotton Research**  
The second amendment which we added was for the cotton research program. The appropriations committee had cut out a portion of this research program, and we were successful in restoring this appropriation. The cotton research program is very important to our area as it aids in finding new outlets for cotton and ways of selling more cotton products.

I am happy that we members who represent the farmers and the rural areas were able to secure this additional money for the Texas farm program. Now let's hope the Senate will leave these amendments in the bill.

**CRISIS FACES TEXAS LIVESTOCK PROGRAM**  
An amendment was drawn but was not presented which would greatly increase the money available to the Texas Livestock Sanitary Commission. There is a crisis facing the Texas livestock industry; and, unless we start a state-wide brucellosis control program, Texas cattle may soon be embargoed from many other states. Without this control the other states will not want Texas cattle or other livestock shipped

into their markets. Those of us who are supporting this program decided that our best chance to succeed in getting the additional money which is needed was to avoid a fight on the House floor and then try to get the conference committee to add this necessary appropriation. I believe that we stand a very good chance of success.

**GREENBELT AMENDMENT TO BE HEARD IN SENATE**  
The amendment which I offered to the Greenbelt Water Au-

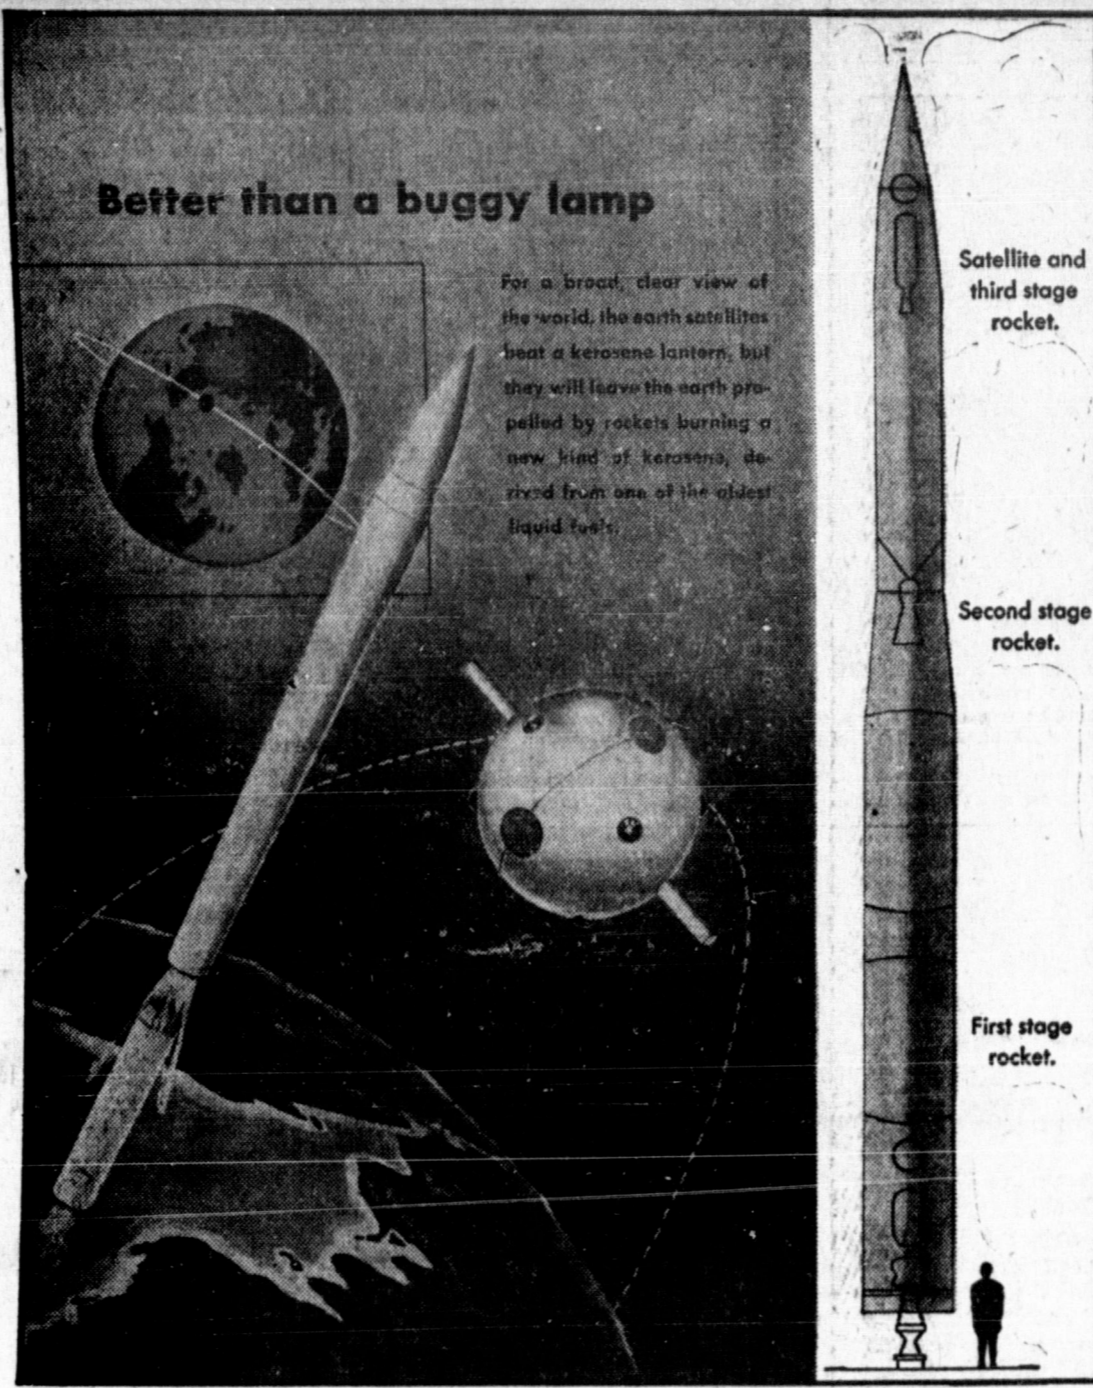

thority (it passed the House) has been set for a hearing in the Senate. Perhaps within a week this bill will be finally passed and signed by the Governor. Then we will be able to proceed with our election to confirm this water district.

The session is half over and we have accomplished much, but there are still many things that Texas needs. Perhaps the second half of the session will also be beneficial to the people of the state.

Scientists developing the first stage of the three-stage rocket that will fire the Earth Satellite into outer space for the International Geophysical Year are spiking their celestial highball with kerosene.

The fuel for the satellite's first stage rocket is a "direct but improved descendant of the oil that burned in your grandfather's buggy lamp," J. S. Harris, aviation manager of Shell Oil Company, said today.

Called Shell UMF Grade BR, the fuel is a special grade of

Above is an artist's conception of the Earth Satellite and the rocket that will carry it into outer space. The rocket will kick off from earth under power of a special kerosene called Shell UMF

## Better than a buggy lamp

For a broad, clear view of the world, the earth satellites beat a kerosene lantern, but they will leave the earth propelled by rockets burning a new kind of kerosene, derived from one of the oldest liquid fuels.

Satellite and third stage rocket.

Second stage rocket.

First stage rocket.

kerosene, Harris said, produced by a closely controlled refining operation developed by Shell to give the fuel the particular characteristics needed for the rocket. It is being delivered to General Electric's Malta, New York, test site where the first stage rocket engine is being tested.

The Earth Satellite is a ball about 20 inches in diameter, packed with scientific instruments. It will be launched into space sometime during the International Geophysical Year (July 1957-December 1958) to gather new information about the earth, its atmosphere and the conditions of outer space.

The first stage rocket will drive the satellite to a height of about 40 miles and a speed of about 4,000 miles an hour. Then it will be jettisoned and the second stage rocket will take over, lifting the satellite to a height of 300 miles and a speed of 9,000 miles an hour. The third stage rocket will not raise the satellite any higher but will increase its speed to 18,000 miles an hour—the speed needed to establish the satellite in its orbit.

over hill, over dale—  
and the trail is never dusty

Best thing about portable irrigation is that you get water where and when you want it. Hilly terrain is no problem. Sandy soil that sucks water out of ordinary irrigation ditches is no problem.

Portable irrigation is as precise as watering each plant by hand. What does this freedom from dry spells and troublesome terrain cost? A lot less than you think. We know farmers,

right in this county, who have paid for their systems in two years—three years. They did it with better crops. By getting to market first. By being independent of drought.

Call us or stop in today and let us show you how to engineer a portable irrigation system to your farm. We carry complete systems, parts and the very finest Alcoa Aluminum Pipe.
