1957

New Series—Volume 28 Number 10

CLARENDON, DONLEY COUNTY, TEXAS, APRIL 11, 1957

A Common Paper for Common People

"GRANDMA'S PANTRY" exhibit in California shows typical amounts and items of food which might make up a meal for families ranging from two to eight. Food in the "Pantry" would be used—just as in bygone days—to provide a re-serve in case of emergency. But now, it's a different kind of emergency—instead of impassable roads, it could be radioactive fallout which would force a family to stay in shelter for days without outside help. (Stockton, Calif. Record Photo)

Eleven High School Students Qualify For Regional Meet At Lubbock

Eleven Clarendon High School students will journey to Lubbock this week-end to participate in the Regional Interscholastic League Track and Field and Literary Meet.

Those qualifying for the track and field events are as follows: Jimmy Philley, John Tom Morrow, David Stout, Bill Durham, Jerry Behrens and Richard Vallance. Philley will enter the pole vault and the low and high hurdles; Morrow will enter the pole vault, high jump, and will be a member of the mile relay team; Stout will enter the broad jump, the 220-yard dash and will be a member of both the 440-yard and the mile relay teams; Durham will be a member of the 440-yard relay team, and Behrens and Vallance will be in both the 440-yard and mile relay teams.

Eddie Joe Baten and Owen Johnson won the tennis doubles championship recently at the district meet at Memphis, and will enter that meet at Lubbock beginning Friday morning.

In the Literary events, Dianne Moore and Doyce Graham will enter the typewriting contest and Barbara Koontz will enter the number sense contest.

Homemaking Dept. Has New Equipment

The Homemaking department of Clarendon High School is housed in the northeast upstairs wing of the gym building. It serves a total of 56 Homemaking students at the present time.

Long range plans are being made to equip this department with all the equipment necessary to carry on a good program of work. One new electric Frigidaire range was added to the Foods Dept. this past week. Three electric Singer sewing machines and two steam irons were added recently to the clothing department. Plans now are to refinish the floors in the dining room, living room and clothing laboratory when school is out.

Your Homemaking department is growing. Every inch of floor space is utilized. This department is the hub of all F.H.A. activities. Your Homemaking Department wants to serve you and your youth.

Bulldogs Meet Frank Phillips Here Today

The Clarendon Junior College baseball team will be after their first win of the season when they meet the Frank Phillips Plainsmen at Duster Park today. Game will start at 2:00 P. M.

Coach Travis has announced that Norvell Breedlove, sophomore from Silvertown, will probably start on the mound for the Bulldogs.

The Bulldogs lost a double header to the strong Howard County Jayhawks here last Friday. The first game ended 13 to 2 and the second game was 8 to 4.

Henson And Land School Trustees

A total of 204 votes were cast in the school trustee election last Saturday which resulted in electing incumbent A. R. Henson and Billy Jack Land to the Clarendon Consolidated Independent School District Board of Education. They will take their oath of office at the regular board meeting Thursday night, April 11th, to serve three year terms.

The other two candidates in the race were close behind with L. L. Wallace receiving 90 votes and Sid Stewart receiving 84 votes. Henson received 143 votes, while Land received 100.

Other members of the local board are Alfred McMurry, Vice-President; Walter B. Knorpp, Secretary, and Bob Moss, Dr. Chas. E. Deyhle, Dr. J. Gordon Stewart and retiring member Homer Estlack, present board President. Estlack was not a candidate for re-election. The board will hold its election of officers for the coming year at their April 11th meeting.

4-H Club Boys Have 25 Steers On Feed

Donley County 4-H Club boys now have twenty-five steers on feed says County Agent H. M. Breedlove. Nearly all of the steers were selected from herds of local breeders in Donley County and surrounding area.

There are sixteen Herefords, eight Angus and one Shorthorn steer on feed. The steers will be shown next spring at the Donley County Fat Stock Show, Odessa Hereford Show, Amarillo Fat Stock Show, El Paso show, Fort Worth and the Houston show. Breedlove thinks that the boys have some of the best steers on feed to start out, that they have had for several years.

Baptist Brotherhood To Meet April 18th

The Brotherhood of the First Baptist Church will meet next week, Thursday, April 18th, according to Mr. O. C. Watson, President. The men will be entertained with a fried chicken dinner. Plans are being made for both men and boys. One of the outstanding men of this area is to be the speaker. He is Mr. Arlie Mays of Amarillo.

These men meetings are one of the highlights of the month in the Baptist Church. Men from all over this area attend from all churches. You are invited to attend this meeting for inspiration and fellowship.

Senior Class To Present Three Act Comedy April 25-26th

The senior class of Clarendon High School will present the play, "Gabriel Blow Your Horn", on the nights of April 25 and 26.

This three act comedy has been exceptionally well received by previous audiences, and it is the opinion of the seniors that the audience to whom they expect to perform will enjoy the play very much. The plot centers around a mountaineer family, which is headed by a conceited man, who is very contemptuous of all "furriners" and their ways. To add more spice to the comedy, a group of city young folk come to the mountains to spend the week at their summer cabin. Naturally many complications develop and add to the general comedy found throughout the play.

Members of the cast are Roland Hill, Della Jackson, Catherine Dingler, Joyce Eddings, Nedra Hodge, Glenda Borden, Elizabeth Smith, Jimmy Gattis, Gene Alderson, Owen Johnson, Chuck Cosper, and Robert Mills.

COME OUT, ENJOY YOURSELF, AND SUPPORT YOUR SENIORS.

Dog Tag - Vaccination Date Set By City

Mayor H. T. Burton announced yesterday that Wednesday and Thursday, April 17th and 18th had been set to vaccinate and tag dogs.

Arrangements have been made with Dr. Chas. Deyhle on the same basis as in past years whereby the dog owner can save money by having their dog vaccinated and tagged either of these two days.

The price for the vaccination will be \$1.50 and the dog tag will be 50c. The regular price is \$2.50 and \$1.00 and this is the price that will be charged if you do not take advantage of this two-day special deal. The vaccinating and tagging will be done at the Court House square. Remember the date—April 17-18th.

Rep. Will Ehrle Named Vice Chairman Public Printing Committee

Will Ehrle, State Representative, 88th District, has been named vice chairman of the Public Printing Committee by Speaker of the House, Waggoner Carr.

Ehrle's appointment came as a result of the recent death of Charles Heitman, of Nacogdoches, who had been chairman of this committee. Bob Mullen, Alice, was moved from vice chairman to the presiding chair of this committee.

Representative Ehrle thus became the only first term member to be appointed as chairman or vice chairman of a House standing committee of this session.

In regards to this appointment Ehrle said, "I am honored that as a new member of the House I received the vice chairmanship of this committee."

Pre-Easter Services At Presbyterian Church

A series of Pre-Easter Worship Services will be held at the First Presbyterian Church, Sunday, April 14th through Friday, April 19th. The Reverend Stewart McMurray, minister of the First Presbyterian Church, Quannah, Texas will be the guest speaker. A Men's Breakfast has been planned for 7:00 A. M. each day, under the direction of Mr. Lee Bell, to which all men are cordially invited. Following the breakfast, Mr. McMurray will conduct a short devotional on the theme: "The Christian Life." The Sunday evening service will be held at 5:30 P. M. and the following evening at 7:30 P. M. Mr. McMurray will preach each evening on the theme: "The Heart of the Gospel."

Mr. McMurray is a young man and comes highly recommended as a dynamic and interesting speaker. He has served the Quannah Church since 1953 upon his graduation from Union Theological Seminary, Richmond, Va. He was graduated from Greenbrier Military Academy, W. Va. and Davidson College, Va. He has served on several committees of the Dallas Presbytery and has participated in the youth work of the church. He will represent the presbytery as a commissioner to the General Assembly to be held in Birmingham, Ala. next month.

On Good Friday, the Sacrament of the Lord's Supper will be observed from 3:00 to 6:00 P. M. The public is encouraged and invited to attend these services.

Oil Painting Course To Be Offered Here During May

Mrs. Elva N. Phillips of Greeley, Colorado, will teach a course in oil painting during the month of May. The full course of twelve two-hour lessons will cost \$12.00. If interested, contact Ruth Richardson, County Superintendent.

Mrs. Phillips is a student of the American artist Frederick Taubes and of the art department of Colorado State College of Education, from which institution she received her M.A. in 1944. She taught art in Greeley High School for several years and was Professor of Art at Harding College, Searcy, Arkansas from 1948-1950. She is currently teaching oil and water color painting classes for the Adult Education program of the city of Greeley.

Legion Sponsoring Dance Saturday Night

The local Legion post is sponsoring a dance at the Legion Hall Saturday night, April 13th, the first they have featured in quite some time.

The Caprock Valley Boys will furnish the music. This group of musicians is made up of the following boys: Ray David, fiddler; Gene Auldridge, harp and guitar; Woodrow Clindending, banjo; Mike Graham, base fiddle; J. B. Yates, piano and T. B. Nelson, electric guitar.

A special feature of the dance Saturday night is that all ladies will be admitted free of charge. The dance is open to the public and everyone is invited.

Revival April 14-21st At Lelia Lake Methodist Church

It has been announced that a Revival meeting will begin April 14th and continue thru the 21st at the Lelia Lake Methodist Church. Rev. Gene Moore, Nazarene minister, will be the Evangelist and Nelson Seago will be the song leader.

Services will be held twice daily at 10 a. m. and 7:30 p. m. Prayer groups will be held for all ages. Everyone is invited to attend any or all services.

Browns Appear On TV Show In Calif.

Television viewers of this area as well as the nation had the opportunity of seeing Mr. and Mrs. Andy Brown, Linda and David on the Art Linkletter TV show "House Party" Monday afternoon at 1:30.

The Browns received the invitation to appear on the show as a result of the Blizzard that struck this area a couple of weeks ago at which time they took 91 stranded persons in their home for safe keeping until the storm had abated.

The Browns were flown to Hollywood, leaving Amarillo Saturday afternoon and arriving there that night. It was an all-expense paid trip and they also received a 12 foot Gibson freezer on the program. They were due back home Tuesday afternoon but were planning to visit her brother in Phoenix, Arizona if flight arrangements could be made.

This was a wonderful trip and experience for the Browns and their many friends in this area are happy that they have been honored in such a manner for their kindness.

Baby Beeves Secured For F.F.A. Members

David Hudgins, Chuck Longan, and Clarendon F.F.A. Chapter Adviser J. R. Gillham returned Monday afternoon from a five day trip to Iowa with nine top Angus calves for feeding projects for members of the local chapter. Over forty top Angus herds in Iowa and Mercer County, Illinois, were visited by the three men in the process of selecting the calves. Arrangements were made for the securing of an additional ten to fifteen Angus, Shorthorn, and Hereford steers at a later date.

The calves are already on feed and will be secured from the breeders during the summer months in order to have them on feed in the hands of the boys before the September 1st deadline.

Bobby and Gary Longan, Don and David Hudgins, Milton Mann, and Sammy Wells each received one or more calves from the group returned for the local youths. David's calf will be fed as a 4-H Club project under the direction of County Agent H. M. Breedlove and the remainder of the calves will be cared for as Vocational Agriculture projects under the direction of Adviser J. R. Gillham. One of the calves secured by Don Hudgins, was presented to him by the Williams Farms of Stanwood, Iowa, as a reward for the outstanding job of feeding he did with his winning calf this year that was secured from them.

Local Postoffice Receives Orders To Curtail Mail Service Here

Services Held Friday For R. C. Bingham

Funeral services were held Friday afternoon at the First Baptist Church for Robert Culander Bingham with Rev. W. F. Vanderburg officiating.

Mr. Bingham 62, died last Thursday morning in the Groom hospital. He had been a resident of Clarendon since 1934. He was a member of the First Baptist Church, and the I.O.O.F. Lodge. Survivors include his wife, Rosa Viola; two daughters, Mrs. Troy Guy and Mrs. Haskell Phelps, both of this city; a son R. W. Bingham, Houston; a brother, J. T. Bingham, Burleson; two sisters, Mrs. A. W. Rutledge, Hico, Texas and Mrs. Emma Oxford, Mineral Wells; four grandchildren.

Pallbearers were Nolie Simmons, Ray J. Noblitt, Frank Hardin, W. E. Ray, G. D. Drake and P. C. Messer. Honorary pallbearers were members of Clarendon IOOF Lodge No. 381.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of funeral arrangements.

GOC Meeting Friday Night

The local Ground Observer Corps will hold a meeting Friday night at the City Hall at 7:30. This meeting is being held in order that present members may get more hours and also to train any new members who wish to join. You can still become a member of this volunteer organization. If you are interested, be sure and be at the City Hall Friday night.

Services Held For Former Resident

Funeral services were held Saturday in the First Methodist Church at Perryton for Ray Kutch and burial was in the Ochiltree Cemetery at Perryton.

Mr. Kutch, 73, died last Wednesday in Vivian's Rest Home in Amarillo. He was a former resident of Clarendon at various times during the past several decades.

Survivors include three daughters, Mrs. Leroy Richerson, Oklahoma City; Mrs. Billy B. Bridges, Amarillo; Mrs. Carl Carter, Perryton; two sons, Elza S. of Perryton and Kenneth F. Kutch, Algonic, Mich.; four sisters, Mrs. Morris Lemons, Plainview; Mrs. Fred Buntin and Mrs. Eva Atteberry, both of Clarendon; Mrs. Archie Hallmark, Dalhart, and one brother, Roy Futch.

Unless the present order is reversed, postal service will be curtailed here the same as all other first and second class post offices over the nation.

Postmaster Ray Moore reported that he had received orders to close the local office all day Saturday and that there would be no rural deliveries on that day also. The office will be open only 8 1/2 hours each day of the five day week, opening at 8:30 a. m. and closing at 5 p. m. These new hours will begin Monday.

Moore stated however that first and 2nd class mail will be worked on the closing days as usual but only those having post office boxes will receive this mail.

If the present order continues in effect another change will be added April 29th. The issuance of money orders at all first and second class post offices will be suspended; drastically cut third class mail by classifying as third class only medicines, serums, drugs and medical supplies.

Remember this closing order will go into effect this coming Saturday unless the order is reversed before that time.

Youth Show The Way Through F. H. A.

Something new has been added to the downtown shopping center of Clarendon this week. Five of the downtown stores have opened their store windows for the local F.H.A. girls to display educational exhibits explaining their program for this year. These locations are Glenn's Jewelry, the two buildings south of the Donley County State Bank owned by Mrs. Will Chamberlain, the store next to Bob Moss owned by Joe Goldston and the building south of Heath Furniture owned by Parker Perkins.

"Memories are made of These" is an exhibit of old style dresses and hats worn by the Clarendon co-ed as far back as '19. "F.H.A. in Focus" shows the motto, colors, flower, jacket, beau, scrapbook and publications of this youth organization.

"Easter Parade for the Small Fry" displays children's clothes made by students of the Homemaking II classes. A wash rag zoo of small, soft toys for children is featured with this exhibit. "Is your family safe at Home?" is a safety exhibit of the freshman class calling attention to the most common household hazards which are responsible for 1 death in every 18 minutes and 1 injury every 7 seconds. "F.H.A. is Fun" explains the social side of F.H.A.

Party dresses, date dresses, and casual clothes made by students of Homemaking I and II fill two of the downtown windows. "Degrees of Achievement in F.H.A." and "F.H.A. Purposes," and "Careers in Homemaking" are featured in the other three exhibits.

The purpose of F.H.A. is to give students an opportunity to practice things learned in class to provide opportunities for leadership and responsibility, to encourage students to take an active part in community life.

"Youth Can Show The Way Through F.H.A." Visit the displays and see what your daughters are learning. National F.H.A. Week is April 7-14. —Reporter.

F.H.A. Bake Sale Saturday 13th

Members of the local F.H.A. will hold a bake sale this Saturday, April 13th with their pastries being on sale at two locations, Juniors Food Market and Vallance Food Store. They will be featuring such items as cakes, pies, cookies, candy, etc. Those wishing to make special orders may call Beth Lamberth at 287-M or Robby Johnson at 307.

The bake sale will be from 8 a. m. to 12 o'clock Saturday at both places.

A NEW LIFE TOMORROW—Little Pat Harmon, 8, of Aubrey, Texas, a patient in the Texas Scottish Rite Hospital for Crippled Children, shows the new cast on her leg to Hospital President John McKee, left, and William H. Duls, past president, while some of the other officers and members of the Board of Trustees for 1957 look on. Back row, left to right, are Sam Wiener, James R. Temple, Dr. Bryndon Carrell, George R. Jordan, Judge Towne Young, all of Dallas, Judge R. E. Thomason, El Paso, and Asher Mintz, secretary. The hospital furnishes free and skilled medical and surgical service to crippled children of Texas whose parents are unable to pay for their treatment in regular hospitals.

SOCIAL SECURITY INFORMATION

Farmers who are giving up the operation of their farms and intend to apply for old-age insurance benefits should bring the necessary proofs to support their claims with them when they visit the Social Security Administration District Office. This advice was offered today by John P. Sanderson, manager of the Amarillo Social Security Office.

"If you have proof of age and earnings with you when you come to the office it will speed up the processing of your claim and make a return visit unnecessary," Mr. Sanderson pointed out. A farmer when he retires and applies for old-age benefits will need extra copies of his 1955 and 1956 Federal income tax returns, proof of age, his social security tax receipts for 1955 and 1956, and his social security account number card.

For a self-employed farmer making a claim for old-age insurance benefits proof of earnings is a "must". He should bring along a cancelled check, money-order stub, or some other evidence to show that his income tax returns for 1955 and 1956 were filed with the District Director of Internal Revenue.

If his wife has passed her 62nd birthday and is making a claim for old-age benefits at the same time, it is important that she, too, bring along proof of age. Usually, people have papers around the house that will serve as adequate proof of age. Such documents, in order of acceptability, are: baptismal certificate; census registration; hospital record; foreign church or government record; signed statement by attending physician or midwife; family Bible; naturalization, immigration, military, or vaccination record; insurance policies, or a marriage record. "The older the document, the better the proof," Sanderson declares.

United States submarines destroyed a total of 214 Japanese naval ships during World War III including one battleship, eight aircraft carriers, 15 cruisers, 42 destroyers and 23 submarines. Against this score, 52 U. S. submarines were lost.

PRESCRIPTION PRICES

How are prescription prices determined? We have a policy in this matter, the only one we can follow. We do not offer bargains in prescriptions—there is no cut-rate way to health. Nor do we pretend to under-sell. Prescription prices simply are determined by the cost of the ingredients and operating expense. The prices we charge are as low as satisfactory service and effective drugs will allow. YOUR Rexall DRUG STORE

TEXAS CANCER CONTROL MONTH—Governor Price Daniel is shown above as he signed a proclamation designating April as Cancer Control Month in Texas while Travis T. Wallace of Dallas, State Crusade Chairman for the American Cancer Society's April crusade, looks on. The governor noted in his proclamation that more than 10,000 Texans are expected to die from cancer during 1957 and called on each citizen "to join in the crusade to control this disease" by heeding the message of the Society to have regular health checkups. The governor also designated Tuesday, April 9 as Cancer Control Day in Texas.

Vincent Lane Nuptial Vows Exchanged In Church Ceremony

In a candlelight service at the First Baptist Church, Clarendon, Texas Sunday afternoon, April 7, Miss Patsy Anne Vincent, daughter of Mr. and Mrs. Ben S. Vincent of Idalou, Texas, became the bride of Mr. Tommy Gene Lane, son of Mr. and Mrs. C. W. Lane of Clarendon, Texas.

Rev. Hal Upchurch of Amarillo read the double-ring ceremony before an altar decorated with tiered candelabra and white tapers against a background of greenery, and floor baskets of white gladioli. Family pews were marked with white satin ribbon.

Proceeding the ceremony, Mrs. Bill Williams, organist, played a nuptial prelude and accompanied Mrs. Wilson Lane, sister-in-law of the groom, as she sang "Because"—D'Hardelot, and "The Lord's Prayer"—Malotte. The traditional wedding marches were used.

Candles were lighted by Miss Deitra Vincent of Idalou, Texas, a niece of the bride, and Miss Dolia Vallance.

Attending the bride as matron-of-honor was her sister-in-law, Mrs. Harold Vincent, of Idalou, and bridesmaids, Miss Susie Jones of Beulah, Texas, and Miss Lola Duhon of Winnie, Texas. All of the attendants wore identically styled dresses of yellow flocked lawn fashioned with pointed

waists, puffed sleeves, and bouffant skirts. Candelighters wore wristlets of daisies while the attendants carried colonial bouquets of daisies. They wore a single strand of pearls, a gift of the bride.

Best man was Mr. Wilson Lane, brother of the groom. Groomsmen were Mr. Allen Homer Estlack and Mr. Clyde I. Price. Ushers were James Lanier of Kirkland, Texas; Rickey Kelley, of Albuquerque, New Mexico; George Thompson and Bob Bell of Clarendon.

The bride, given in marriage by her father, wore a ballerina length dress of Chantilly lace, net, and tulle over slipper satin, designed with an Italian neckline, long sleeves terminating in petal points over the hands, and a pointed waistline with the bodice buttoning down the back with small buttons of lace and satin. The peplum was pointed and of lace to correspond with the bodice which was showered with rhinestones and pearls. The bouffant skirt was fashioned with three tiers of net and tulle. Her fingertip veil of illusion edged with lace and appliqued with lace studded with rhinestones and pearls fell from a tiara of seed pearls and rhinestones. She carried a colonial bouquet of daisies, meline and white satin streamers with French carnations tied in the love knots. Carrying out all of the traditions she wore as something old, a locket belonging to Mrs. Willie Crain of Amherst, Texas, grandmother of the groom; something new was her dress; borrowed were diamond ear studs belonging to her sister-in-law, Mrs. Harold Vincent; and blue garters.

For her daughter's wedding, Mrs. Vincent wore a blue duster and dress complemented by beige accessories and a corsage of white

glamias. Mrs. Lane, mother of the groom, wore a dressmakers suit of beige and brown accented by brown accessories and a corsage of flame glamias.

Immediately following the ceremony a reception honoring the bridal party was held at Patching Club House. Guests were greeted by Mrs. Wilson Lane and presented to Mrs. C. W. Lane, Mrs. Ben S. Vincent, Mr. and Mrs. Tommy Lane, Mrs. Harold Vincent, Miss Lola Duhon, and Miss Susie Jones. Miss Vernie Ford of Savannah, Missouri presided at the bride's book.

Refreshments were served from a table beautifully laid with white net over taffeta and a centerpiece of yellow gladioli and orange blossoms. The wedding cake was decorated to carry out the bride's chosen colors of yellow and white using lovebirds and rosettes and was topped with a miniature bride and groom. Napkins were lettered in silver with the crystal service completing the table decor. Miss Marjorie Irlbeck of Canyon, Texas served the cake while Miss Myrna Carney of Leedy, Okla. dispensed punch.

For traveling Mrs. Lane chose a light blue linen suit and white accessories. Her corsage was of gladiolus.

Mrs. Lane is a graduate of Idalou High School and is a sophomore at Clarendon Junior College. She has taken an active interest in sports and has played basketball with the Comets for two years.

Mr. Lane is a graduate of Clarendon High School and is also a student at Clarendon College. For the past eight years he has been employed by the Mulkey Theatre.

After April 10, the couple will be at home in Clarendon.

Out-of-town guests attending the wedding were Mr. and Mrs. Ben S. Vincent, Chester Paul, and Jerry, Mr. and Mrs. Harold Vincent and Deitra Ann, all of Idalou; Mr. and Mrs. E. U. Crain and Jerry of Headrick, Okla.; Mr. and Mrs. R. E. Maxwell and Rickey of Albuquerque, New Mexico; Mr. and Mrs. Page Crain of Odell, Texas; Mr. and Mrs. William Collins of Chillicothe; and Marsha Crain of Altus, Okla.

MOTHERS STUDY CLUB

Members of the Mothers Study Club, their children, and guests met at the home of Lila Vick at 2:30 p. m. Tuesday where the children were entertained with an Easter egg hunt. The youngsters were divided into two age groups, 1-4, and 4 up, and prizes were given in each age group.

The refreshment table was most attractive, centered with the cake which was baked in the shape of a rabbit with white frosting and coconut, and pink ears. Surrounding the rabbit were easter eggs. Easter napkins added to the beauty of the table. Orangade and grapeade, also cookies were served to fifteen members and guests and thirty children.

Co-hostesses for the party were Lila Vick and Eloise Ashcraft. A short business meeting was held following the serving of refreshments. A Bake Sale was discussed and one new member was voted in the club—Doris Salmon. —Reporter.

ASHTOLA NEEDLE CLUB

This Club met in an all day meeting Thursday, April 4th with Mrs. J. M. Graham hostess. Two quilts were quilted, a friendship quilt for Mrs. Stella Phillips, and one for Boys Ranch. Everyone brought a sack lunch and the hostess served coffee and tea during lunch. Sixteen members and two visitors attended.

At the next meeting Mrs. Word will be hostess and has asked the group to meet in her home at the regular time of 2:30, but on Wednesday instead of Thursday. If you don't have a way to her house, come to the schoolhouse about 2:15. Cars will be pooled for the drive to the ranch. Mrs. Word will also bring our religious program with the Easter theme. —Reporter.

BUSINESS WOMEN'S CIRCLE

The Business Women's Circle of the First Baptist Church met with Mrs. Basil Smith Monday night, April 8.

We had a mission study from the book "Missions U.S.A." with the lesson taught by Mrs. L. P. Moore. Ten members attended. The next meeting will be April 22nd. —Reporter.

REHEARSAL DINNER HONORS MISS VINCENT AND MR. LANE

Mrs. Dick Vallance assisted by Mrs. Arria May entertained members of the Vincent-Lane wedding party with a rehearsal dinner in the Vallance home Saturday evening, April 6th. Decorations carried out a yellow and white color scheme. The buffet table was laid with a lace cloth and centered with a floral arrangement of yellow and white Shasta chrysanthemums flanked by yellow candles.

Attending were Miss Pat Vincent, Mr. Tommy Lane, Mr. and Mrs. C. W. Lane, Mr. and Mrs. Wilson Lane and Mark, Mr. and Mrs. Harold Vincent and Deitra of Idalou, Texas, Bro. and Mrs. W. F. Vanderburg, Mr. and Mrs. Joe Shadle, Miss Susie Jones, Miss Lola Duhon, Allen Homer Estlack, George Thompson, Bob Bell, Rickey Kelley of Albuquerque, N. Mexico, James Lanier, of Kirkland, Richard Vallance, Dolia Vallance, and the hostesses Mrs. Arria May and Mrs. Dick Vallance.

MIDWAY CLUB TO HAVE "42" PARTY

The Midway Club will have their regular 42 party at Patching Club House Friday night, April 12, at 7:30 p. m. Each member has the privilege of inviting as many guests as she desires. Each member attending is asked to bring a pie of your choice.

GARDEN CLUB TO MEET

Members of the Garden Club will meet at 4:00 p. m. Thursday afternoon, April 18, at Patching Club House with Mrs. Carroll Knorr and Mrs. Floyd Lumpkin hostesses.

All members are urged to be present. There will be a bulb exchange.

Mr. and Mrs. Bill Allen of Amarillo visited Sunday with her parents, Mr. and Mrs. Jess Wood.

LES BEAUX ARTS CLUB

Les Beaux Arts Club met in the home of Mrs. W. K. Hardin, Friday afternoon, April 5th. Lovely refreshments were served to seventeen members.

Meeting was opened with prayer by Mrs. John Bass. In the absence of the president, Mrs. Forest Sawyer, Mrs. George Benson presided.

The first part of the program was presented by Mrs. Emmett Simmons who spoke of "The Woman of 1957 and Her Achievements." Mrs. Lloyd Benson discussed "Styles of Women of 1957" and had with her several pictures of current fashions. Everyone enjoyed the interesting program. —Reporter.

GOLDSTON QUILTING CLUB

The Club met Thursday with Oddie Moss. A covered dish lunch was served to Bonnie Davis, Irene Pritchard, Minnie Roberson, Joy Roberson and hostess, Oddie Moss. One quilt was finished.

The next meeting will be with Blanch Gray on Thursday, April 18th, and we will exchange Polly Anna gifts. —Reporter.

MARTIN QUILTING CLUB

Martin Quilting Club met April 4th in the home of Mrs. Lela Bulman. A delicious covered dish luncheon was served at the noon hour. One quilt was finished for the hostess. Pollyanna gifts were exchanged.

Those present were Blanch Higgins, Sallie Christie, Eunice Land, Linnie Cauthen, Lois Hutchins, Lela Bulman, Annie Waldrop, Margaret Waldrop, Lois Stevenson, Dorothy Sullivan, Velma Hearn, Veda Elliott, Jonnie Stout, Beth Waldrop, Phyllis Barrow, Carolyn Barrow, and Linda Stout.

Blanch Higgins will be hostess to the next quilting on April 18th at the school house. —Reporter.

April Is Cancer Control Month In Texas

AUSTIN—Governor Price Daniel strongly urged all Texans to join in the crusade to control cancer by designating April as Cancer Control Month in Texas.

At the same time, Governor Daniel proclaimed Tuesday, April 9, as Cancer Control Day in Texas, a day on which thousands of American Cancer Society volunteers will take the lifesaving message of ACS into homes throughout the state.

Noting that more than 9,600 Texans died from the dread disease in 1955, Governor Daniel stated that if present rates continue, "we may expect to see 10,000 of our fellow citizens die of this disease during 1957. It is estimated," he said, "that there are more than 60,000 cancer cases in our State, and the number continues to grow."

The governor praised the three-fold cancer control program now supported by the annual April educational fund-raising crusade of the American Cancer Society. Through education, service to cancer patients, and research, he said, significant advances have been made in Texas until today "one out of every three cancer patients are being cured."

Pointing up the personal stake every Texan has in the problem of cancer control, Governor Daniel declared: "With our present knowledge of the disease, half of all our citizens who develop cancer could be saved if they would accept the personal responsibility of informing themselves of the dangers of cancer and heed the message of the American Cancer Society to have regular health checkups."

To continue the attack on cancer, the American Cancer Society is seeking nationally \$30,000,000 during the April Crusade to intensify its program of research, education and service to cancer patients.

The Texas Division of the Society has a goal of \$1,175,000 which it hopes to raise through the efforts of its 40,000 volunteers during the month of April.

Robert Fulton, inventor of the steamboat, was an avid submarine enthusiast. He built several submersible warships, one of which was known as the Nautilus.

The first submarine to actually sink another enemy vessel under combat conditions was the Confederate "Hunley" built during the Civil War.

Recently, Purina research workers asked poultry staff men in 9 leading poultry states to estimate the total amount of feed required—on the average—to grow a pullet in their states. Shown here is the average of the figures they supplied, compared with Purina feed requirements based on records of thousands of pullets raised at the Purina Research Farms.

FEED REQUIRED TO GROW OUT PULLETS*		
	Light Breeds	Heavy Breeds
9-state average.....	23.1 lbs.	28.0 lbs.
Purina Program average..	19.3 lbs.	23.8 lbs.
Saving per pullet on Purina	3.8 lbs.	4.2 lbs.
Saving per 100.....	380.0 lbs.	420.0 lbs.

*From day-old to laying

here's how to grow 100 sturdy, big-framed Purina pullets on 250 pounds less feed

Most poultry raisers recognize that Purina Growing Chows have the quality and ingredients to grow sturdy, big-framed pullets. But not all realize that Purina Chow efficiency often makes it much lower in feeding cost than feeds with cheaper price tags. The table above shows the important difference in number of pounds of feed needed to grow out Purina pullets, compared with the average in 9 leading poultry states. The Purina Research staff rounded off the figures to 250 pounds less Purina Chow for light breeds, and 400 for heavy breeds. This saving of feed increases the value of Purina complete Growing Chows by 30¢ to 40¢ per bag (50 lbs.)... or 60¢ to 80¢ a bag more for Growing Chow fed with scratch grain. Thousands of poultrymen have found that they can use high-quality feed... and make money doing it. We know this. And, we're anxious to show you how you may cut feed costs with your pullets.

Pullet Health Hint—Now, with Purina Liquid Poultry Wormer, you can worm each 100 pullets for less than 25¢! Best time is when they are 10 to 12 weeks old, with a second treatment just before housing if your ranges are used heavily. It takes only one dose in the drinking water. Order Purina Liquid Poultry Wormer right here at the Store with the red-and-white Checkerboard Sign.

Judge Gribble Opposes Bill To Raise Salary

Luther Gribble, District Judge of the 100th District, has made his views clear in regard to a bill introduced in the legislature regarding a raise in Judges salaries in five different districts. He is opposed to the legislation and the following letter sent to Representatives Grainger Melhoney, Will Ehrle and Ted B. Springer and all newspapers in the district is self explanatory:

One or more counties of the 100th Judicial District of Texas is in each of your districts. Hence I am addressing this letter to all of you.

This morning I learned for the first time that H. B. 697 had been introduced. This is the bill which provides that Commissioners Courts may supplement the salaries of the District Judges of the 31st, 69th, 84th and 100th Judicial Districts up to \$2,900.00. As I read the Amarillo paper this bill has passed the House.

I did not know that such a bill existed, and have talked to Judge Lewis Goodrich of the 31st District, and Judge Harry Schultz of the 69th District over the phone. Neither of them, like myself, had ever heard of such a bill until this date. Judge Jack Allen of the 84th District has not been reached by telephone up to this time.

In my humble opinion there is not a Commissioners Court in the 100th Judicial District foolish enough to supplement the salary of the District Judge of this District out of county funds. If there were such, I would not accept it. Our constitution provides that salaries of the District Judge shall be paid by the State. If I become dissatisfied with what the State of Texas pays, I still have the right to resign.

I am writing senators Andy Rogers and Grady Hazelwood asking that this bill be killed when it reaches the Senate. If by any chance it should pass the Senate, I will be asking Governor Daniel to veto it.

I am sending to each County Judge of the counties in the 100th Judicial District a copy of this letter.

I am also sending a copy to each of the papers in the 100th Judicial District, and trust that each of them will print the letter, or the substance of it at least, with kindest personal regards.

Sincerely
Luther Gribble

FARM NEWS

from the County ASC Committee

1957 CONSERVATION RESERVE

The final date for signing a 1957 Conservation Reserve Contract is Monday, April 15th. All producers with Conservation Reserve contracts must not have cattle on the Reserve area after this date.

COTTON ACREAGE RESERVE

The final totals on 1957 Cotton Acreage Reserve for Donley County have been sent to the state office. There are 74 contracts, 1959.6 acres for a total of \$47,480.80. Field checks and the staking of the acreage reserve areas have been started. Every producer with a contract should assist the reporter when he visits your farm to plot the acreage reserve on the aerial map.

WHEAT AND WHEAT ACREAGE RESERVE

A notice will be sent to each producer informing him as to how his acreage measures out. You should check these notices carefully. You must not have more planted wheat than your permitted acreage, and if your acreage reserve is more or less than your contract states, you may adjust the acreage, and it will be remeasured for a charge of \$2.00 per farm.

FRIENDS INVITED TO OPEN HOUSE

Mrs. Lena Antrobus invites all of her friends to an Open House at her home honoring her 90th birthday, Sunday, April 14, from 2:00 p. m. to 5:00 p. m.

Local Students Do Well In Interscholastic Meet

Clarendon Public Schools have been well represented in the various interscholastic league spring events this year. In the track and field meet which was held at Broncho Stadium on March 30, the Clarendon High School boys finished third in the meet behind Canadian and Lefors. In the Junior High Division, the Clarendon boys tied for second place with Canadian. Lefors finished first in this division.

High school boys placing in the track and field meet were: Jimmy Philley, first in the 120-yard high hurdles; David Stout, second in the 100-yard dash; Wesley Webb, third in the mile run; Philley, first in the 180-yard low hurdles; Robert Mills and Jerry Behrens tied for fourth in the 220-yard dash; John Tom Morrow, second in the 440-yard dash; Philley second and Morrow tied for third in the pole vault; Mills third and Stout fourth in the broad jump; Morrow and Melvin Housden tied for third and fourth in the high jump; Keith Pittman third and Behrens tied for fourth in the shot put. In addition to these places, the team finished second in both the 440-yard and the mile relay.

In the Junior High division of the track and field meet, Johnny Ratton finished first in the 50-yard dash, second in the 100-yard dash and third in the 75-yard dash; Mike McCleskey tied for second in the high jump, and Neel Carter took first and Lynn Barker fourth in chinning.

In the high school division of the Literary Meet which was held in Canadian last Saturday, Hubert Heatherly took third place in the senior boys declamation; Sandra Pinkerton took second place in the junior girls declamation; Dianne Moore took first and Doyce Graham third in typewriting; Barbara Koontz finished third in number sense (arithmetic), and Joan Bennett and Brenda Paulk took third in spelling; and Margaret Cushing took third in ready writing.

In the Elementary division of the meet, Shirley Mann and Schellon Barker took first place in the fifth and sixth grade spelling; Judy Benson and Janie Smith took third in the seventh and eighth grade spelling; Andra Pinkerton took first in girls declamation; Orval Bennett took first in boys declamation; Martha Jo Risley finished third in ready writing; Oreta Gorman took third and Judy Benson fourth in number sense, and Sherry Shaw took third in story telling.

CARD OF THANKS
May I take this means of thanking each one who helped in getting me to the doctor after my accident during the blizzard. I also thank my many friends for the visits, cards and food. May God bless each of you.
Mrs. W. A. Poovey

C of C Directors Meet Monday Night

Bill Todd, president of the local Chamber of Commerce, reported that the Chamber passed a resolution at their regular board meeting Monday night to give all possible assistance to the Junior College here after discussing ways and means of assisting the institution. They also received a report by Mutt Graham on the Highway 70 meeting that was held in Pampa last Saturday. This meeting was attended by Graham, Cap Morris, R. E. Drennan and George Benson, all members of the highway committee.

Todd was well pleased with the turn out of directors for the meeting and states that all indications point to a very productive year for the organization. Present were Ben Williams, Billy Goodman, Frank White Jr., E. O. Simmons, Bill Greene Jr., and C. A. Pitts. George Weatherall was a visitor for the meeting.

AT HOME
S. W. Lamberson who has been a surgical patient in St. Anthony's Hospital in Amarillo the past 10 days was brought home Saturday. He is reported to be improving at this time.

F.H.A. - F.F.A. Spring Picnic Set As Annual Event

Members of the Clarendon F.H.A. and F.F.A. Chapters recently voted to make their spring picnic an annual affair. The event this year will be held at the Clarendon Country Club on the afternoon of May 7th. In future years the joint affair will be a major item in the schedule and program of work of each of the chapters, and the date will be set when the annual program of work of each is set up.

A chicken barbecue will be the feature of the annual event. The future farmers will prepare and serve the barbecued chicken and the future home makers will prepare the remainder of the meal. Each of the groups hope the affair will become one of the major items of interest for every member during the entire school year.

Mrs. Jerry LaGrone and Jan of Canyon visited the last of the week in the A. J. Emmons home.

Mr. and Mrs. A. H. Moore are visiting her mother at Paris, Texas.

F.F.A. Judging Teams To Enter Plainview Contests

Dairy products and dairy cattle judging teams will represent the Clarendon F.F.A. Chapter in the Annual Panhandle Plains Dairy Show Judging Contests at Plainview Saturday, Carl Talley, Milton Mann, and Bobby Longan will comprise the dairy products team, and W. T. Elliott, James Mahaffey, Harold Lindley, Sammy Wells, and Pat Roberson are competing for the dairy cattle team. The Plainview contest will also serve as the contest to determine the ranking of the teams of the Greenbelt F.F.A. District.

In addition to the above two teams, the local chapter will also enter a grain judging team at the annual Texas Tech Contests at Lubbock on April 27. Jimmy Stout, Charles Percival, James McAnear, Don Hudgins, Dennis Bradshaw, and Lowell Hall are working out for this team.

Mr. and Mrs. J. F. Blocker returned home Monday night from Dallas where they had spent two weeks visiting their daughter, Mr. and Mrs. Rex J. Jones.

HOSPITAL NOTES

Patients as of Wednesday, April 10th:

W. T. Chapman, Chester Talley, M. W. Hatley, Katherine Dingle, Mary Ellen Walters, Marjorie Harlan, G. W. Bradshaw, Shirley Blackwell.

Dismissals:

N. W. Jeffers, Mrs. Ethel Green, Rev. E. L. King, Mrs. J. C. Blackburn, Martha Gardner and baby daughter, Mrs. Melvin Cook, Lloyd Skipper and Mrs. G. D. Drake.

NEW COUNTRY CLUB DIRECTORS NAMED

Frank Phelan Jr., vice-president of the Clarendon Country Club, announced the names of the three new directors to serve the club this coming year. They are Jr. Spier, C. A. Pitts and Ray Palmer. These new members, along with the hold-over directors, are due to have a meeting within the near future to elect officers for the organization.

A. O. Hott was a dinner guest in the home of Mr. and Mrs. E. J. Chenault Sunday.

Irrigation Schools Big Success

The two irrigation schools held in Hedley and Clarendon on the third and fourth of April were a big success says County Agent H. M. Breedlove. Fifty seven farmers attended the two meetings and got first hand information on irrigation from Mr. Bob Thurmond and Dave Sherrill, irrigation specialist from the Texas A&M College Extension Service.

The two specialists covered all phases of irrigation and then the meeting was thrown open for questions and answers. Watering land before planting was stressed. It was brought out that the best watering that you can give the crop is before planting time and get a good season in the ground, and then when you start watering the growing crop it will take much less water.

A demonstration was held at Leila Lake on the afternoon of the fourth after the Clarendon meeting dealing with pressure of sprinklers and distribution of water. Breedlove says that meetings of this kind will be held each year before planting time.

PLOWIN' Out the CORNERS

Uncle Zeb

One of my favorite TV Programs happens to be called Name That Tune. Especially lately we have just thrilled to some of the performances on this show. A few Tuesday nights back came to a climax one of the really interesting experiences in which the Editor of the Warrenville News of Warrenville, Ill. and Mickey Binega from Ethiopia and Norma Blum stayed on the program for several weeks. The Editor was one of the world's youngest

Weekly Editors. Norma and Mickey were in America as a part of the New York Tribune Forum for High School Students. Norma a beautiful teenager was from Brazil.

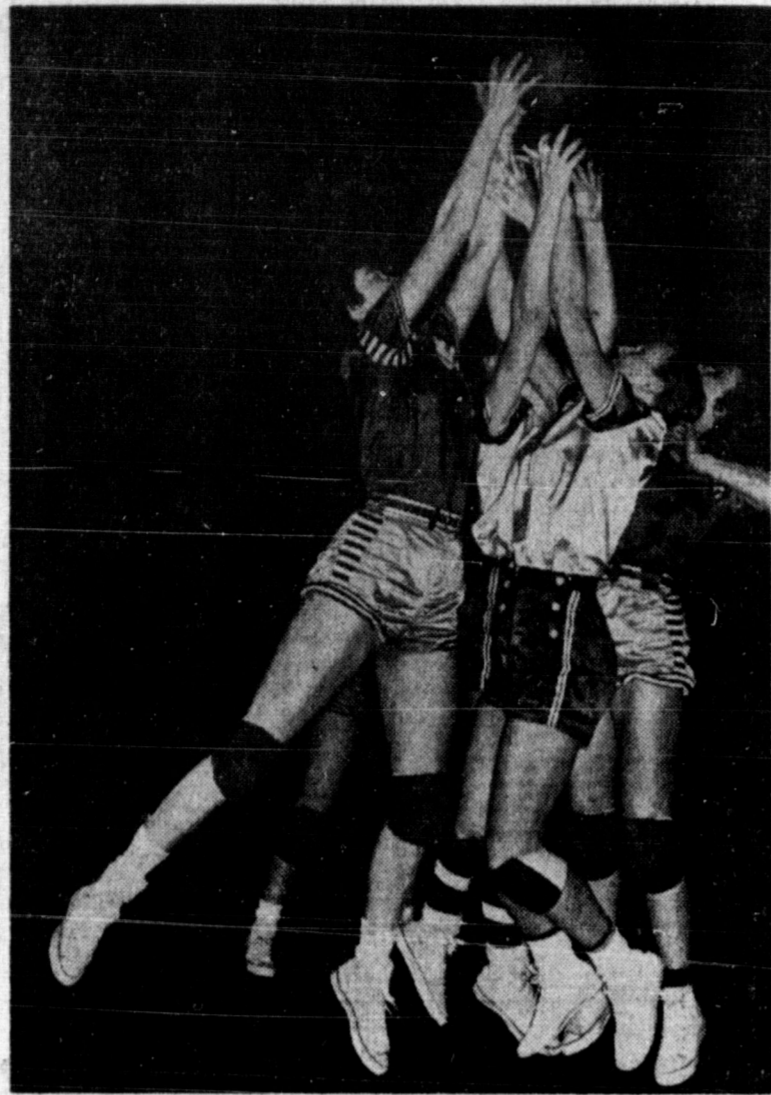

We say all this to quote from a statement made by these two young people that we think has much merit. Maybe you heard them but I think it would do us good just to ponder these thoughts from two very young teenagers from other nations.

Quoting from Mickey's Essay which won him the trip to America: "The world I want is just like a house. If we build a strong foundation, based on deep love and understanding we will have a good world to live in."

Then from a statement from Norma: "I think teenagers from all over the world have the same ideals. In this Forum I have met teenagers from 13 countries of the world and the most important thing that I learned is that even though we speak different languages and have different customs, I have realized that everyone is just like everyone else."

Still quoting from the statement by Norma Blum from Brazil: "And since we understand each other so well while we are teenagers, I think that if we will continue to understand each other when we grow older, we will be paving the way for the world we want."

These two thoughts, spoken by

(Photo by Danny Doan, St. Joseph, Missouri)

The above Photo was received this past week from the above photographer who was interested in getting a picture in a Texas newspaper. We were happy to oblige so long as the CJC Comets were included. The Comets in the picture are wearing the light shorts. On the left is Marjorie Irlbeck, to the right Lola Duhon and not much of Susie Jones is showing but she is behind Marjorie in the picture which was taken during the game with St. Joseph Bescon at the National AAU in St. Joseph, Mo., March 20th.

two young people in their early teens could well be read into our United Nation records or into our own Congressional Record. Maybe Senator Johnson or Rep. Rogers can see to that. But, hidden in these simple words is the key to many if not all of our world problems. This key is UNDERSTANDING. Thanks to these young people for these thoughts, and thanks to the Tribune for promoting such a wonderful Forum that would bring these young folks to America. And thanks to the Sponsors of Name That Tune for giving us such an inspiring TV Program.

others I feared "to intrude there." We have the Spring edition of Readers' Digest Condensed Books. There are some excellent abridgements, and the findings of these books are attractive.

We will be "very short" on material for our small first graders this year. They do enjoy trying out their reading ability at the Library. There were nine primers and first readers at my home that I used to have the little people I coached in summer read. I

brought these down, but they are not new and colorful.

Our finances have been minus this year, and the three clubs and memorial gifts made our purchases and paid for incidentals. Of course, the memorial books are excellent editions that are greatly enjoyed. The 3 clubs gave us \$67.00. Mending materials cost "at least" seventeen dollars per year. Book cards and labels about fifteen dollars—so you can realize our problem.

Mr. and Mrs. Tom Scorsone

visited Saturday eve with Mr. and Mrs. W. H. McDonald. Mr. and Mrs. W. H. McDonald visited Sunday eve with Mr. and Mrs. J. E. Morgan.

SOCIAL SECURITY INFORMATION

JOINT NEWS RELEASE

Maids and other household workers working here in private homes and earning as much as \$50 in cash wages in a calendar quarter were reminded today that they are protected by social security.

According to John R. Sanderson, Social Security Administration, District Manager, Amarillo, Texas and James Z. Pierce, Administrative Officer - In-Charge, Amarillo Internal Revenue Office, housewives employing such workers earning the \$50 minimum figure are required to withhold 2 1/4 per cent as social security tax. The employer then matches this amount and forwards the total to this District Director of Internal Revenue using the greatly simplified Form 942. Previous to January 1957 the

tax was two per cent. "Revenue's easy-to-use Form 942 must be filed with us within one month after the end of a calendar quarter. For example, April 30 is the final date to pay tax for the January - March quarter," Mr. Pierce said.

Mr. Sanderson of Social Security explained that "women household employees can now choose to retire at any time after reaching age 62. Like other insured women workers, their old-age benefit payments will be permanently reduced if they elect to apply for them before reaching age 65."

"Household employees," he concluded, "include maids, cooks,

waiters, butlers, housekeepers, governesses, valets, baby sitters, janitors, laundresses, furnace men, gardeners, and chauffeurs of private cars."

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN—After five weeks of headline making, three Legislative investigating committees still are busy.

House committee looking into ICT's failure was to run until April 1; Senate committee to April 10.

Recent additions to the committees' massive records:

DR. H. R. BECK
DENTIST
Goldston Bldg.
Clarendon, Texas Phone 46

1. Several former ICT directors denied having signed a document wiping out a \$900,000 debt owed ICT by Jack Cage and Co. Shown photostat of such a document, they said it was not the instrument they signed.

2. Leaders in the Texas Federation of Labor called Ben Jack Cage, former manager of ICT, a "scoundrel." Union members had invested millions in the company.

3. A number of union members and officials told how they were paid by Cage to help advance the cause of ICT among labor members. One said he thought he was paid to keep to himself his belief that Cage was a "crook."

4. Max Wayne Rychlik, son-in-

law of former Insurance Commission Chairman Garland Smith, remembered an additional \$9,600 he had received from a Ben Jack Cage affiliate. It made a total of \$18,200 paid Rychlik for his "job" without work.

5. House members investigating bribery charges questioned the former executive secretary of the Texas Naturopathic Association. But Albert D. Brown, who was with the organization back in 1955, could give only estimates and guesses on how TNA had spent some \$20,000 raised during the last session for "legislative education."

6. John McCully, labor union employee, had a difficult time accounting for his expenditures of union funds. In his operation of the union's publicity office, the Action Agency in Austin, he "accidentally" dropped a few political advertising bills into ICT files.

BIG PUSH

Legislators face a killing pace for the next few weeks if they are to finish session in 120 days.

After that point, their pay ceases. Time is almost two-thirds gone. Multiple investigations have diverted a lot of time and

energy. Important bills are stacked up.

But a major milestone—passage of the general appropriations bill—is in sight. Senate committee approved it for floor action this week. House already has passed it.

Senate committee's version differs slightly. It includes a 10 percent raise for lower-bracket state employees, 15 per cent for college teachers.

Wrapping up the big money bill will put the session over the hump in the minds of most members. Meanwhile, both houses are hacking at the small stuff. Special sessions have turned out local and uncontested bills at the rate of one a minute.

CODE OF ETHICS

Scandals and investigations put new impetus behind the administration-backed drive for a code of ethics and lobby registration act.

But it hasn't made the subject much easier to agree on than in previous sessions. Objectors claimed it isn't possible to pass a law making people honest.

House, nevertheless, passed a bill to third reading. It would require registration of persons paid to appear before state agencies. Officials would be prohibited from using their public office for private gain, accepting gifts, favors or services that might influence official action, etc.

Sponsors fought off an attempted amendment requiring officials to file a written statement of their earnings from all sources.

DELAY GRANTED

Physician's Life and Accident Ins. Co. has until April 11 to present a more favorable picture to the Insurance Commission.

Commission's show cause order alleged the firm's capital was impaired. Former Gov. Coke Stevenson, head of the company, said the management is "making progress" toward recovery of need-

ed funds. He asked and was granted more time to prepare the case before the Commission.

WATER BILLS MOVE

Piece by piece, the mammoth water conservation program is moving forward.

Key feature, the \$200,000,000 bond program to help finance local conservation projects, went to joint conference committee for final adjustments.

Senate committee gave approval to the next big item, another \$200,000,000 bond issue. This would be used to buy water storage space in federal dams. Committee also approved a bill which would allow use of public storm and flood waters to recharge underground reservoirs.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

The production of native grass seed is something that farmer's with irrigation wells and wanting to try something different may be interested in. The demand for grass seed will very likely be heavy next year due to land being put in the Soil Bank and planted to grass. Because the production of grass seed is new to most farmers, they are reluctant to try it, and as a result the market is under supplied. Profits from \$300 to \$400 an acre have not been unusual from well managed plantings.

Roy Clark is one of the farmers with an irrigation well in the Donley Soil Conservation District who is planning on producing grass seed as a part of his irrigated farming operation. He is planning on planting 40 acres to certified Blackwell switchgrass this spring in 40 inch rows. C. A.

Robinson, who lives in Plainview and has been producing grass seed for a number of years, averaged about 500 pounds of this seed per acre in 1956. The current price is about \$2.40 per pound. This is not as good returns as some have made on sorghum alum seed, but the market is likely to be more stable.

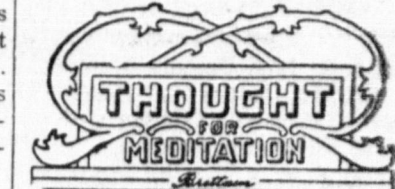

Other grasses used locally for which there is a heavy demand and an under supply are: Indian-grass, sideoats grama, and King Ranch bluestem.

Those interested in the business of grass seed production can obtain more information by contacting the Clarendon Soil Conservation Service office assisting the Donley Soil Conservation District.

A dead person may vote, legally, if he mails an absentee ballot and then dies before election day.

HEDLEY NEWS

Mrs. Paul Duncan

Mr. and Mrs. Tommy Moffitt and children Sandra and Dickey visited in Amarillo Sunday with Mr. and Mrs. Creves Woods.

Mr. and Mrs. Temple Cherry spent Sunday in Vernon with the Tray Brown family.

Cap Anderson and Forest Morton have returned from a nine day fishing trip to Sugar Lake Mexico. They returned with 300 lbs. of catfish.

Robert Earl Kidd of Pueblo, Colo. visited his sister, Mrs. Temple Cherry last Thursday.

Mrs. J. D. Masten was brought home from a Groom hospital Friday. We wish her a speedy recovery.

Mr. and Mrs. C. C. Cavender spent the weekend in Amarillo visiting their children. We regret to learn Mr. John Thomas was injured Friday when a bull attacked him. He is in a Memphis hospital. His injuries are undetermined at present.

Was happy to see Woodrow Farris Saturday in town. He is looking fine after his accident.

Ella Kirkpatrick of Amarillo spent the week end with home-folks.

Foster Pickett and family of Amarillo spent Sunday with the J. B. Picketts.

School Annuals

The Hedley school annuals were distributed Monday. The books are attractive and nicely arranged and contained a very nice gesture in being dedicated to Buddy Reeves.

We extend sympathy to Mr. and Mrs. Billy Wilkerson and family in the death of their baby daughter Doris; also Mr. and Mrs. Ray Woodard in the death of their infant son.

Beverly Ann Jeffreys of Amarillo spent the weekend with her great grand mother, Mrs. W. I. Rains.

Mr. and Mrs. Wendell Spear of Nazareth and Mr. and Mrs. Ray Blanks of Amarillo visited Mr. and Mrs. Soak Sargent last week.

Mr. and Mrs. L. A. Tucker of Estelline visited Mrs. Newman and Pete Sunday.

Mrs. James Evans underwent treatment in a Memphis hospital last week.

Mr. and Mrs. Paul Duncan attended the funeral of Mr. Ray

Kutch in Perryton Saturday. Mr. Kutch passed away Thursday in Amarillo after a lengthy illness. Funeral services were held Saturday afternoon at Perryton. He was the father of Mrs. Billy Bridges of Amarillo.

Mr. and Mrs. James Reid and children of Amarillo spent week end with the Carl Reids and Chuck Davis families.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

POSSIBLE TAX CUT?

Much of the talk on Capitol Hill is centering around the possibility of a tax cut. This talk has been generated to a great extent by the grass root demands for a cut in the budget. Many of the letters being received by Members of Congress concerning reduction of the budget—and the mails are full of them—also point out the urgent need for a tax reduction. This brings about discussion of two different philosophies of tax reduction. One group wants the budget cut before taxes are reduced and argues that this is the only responsible way to do it. This sounds good, but it seems every Administration wants to increase the budget, which means that the possibility of tax reduction slips further away. I have no objection to permitting a tax reduction that depends upon a cut in the budget, provided we have some assurance that the budget would be cut to the extent that a tax reduction could be possible. However, I think experience will show that the effective way to cut down on governmental expenditures is to cut down on the income and require that expenditures not exceed the income. This procedure might appear too drastic to many; however, effectiveness sometimes requires extra drastic measures.

The big fuss about tax reductions will center around the time element. The Administration has already begun to advertise the possibility for a tax reduction next year. Next year is, of course, another election year. Those who are not sympathetic to or friendly with the fiscal operations of the Administration take the position that a tax cut should be forthcoming this year. I might point out that I have again introduced a bill which I have introduced every year I have been in Congress. This bill would increase the allowance for dependents from six-hundred dollars to one-thousand dollars for the taxpayer and six-hundred for the spouse. It would increase the dependents allowance for children from six hundred dollars to seven hundred and fifty dollars. Several have asked me why I did not provide an allowance of one-thousand dollars for children. Let me say that I would have no objection to an amendment to my bill allowing one-thousand dollars for children. The reason I placed the exemption at seven-hundred and fifty dollars was because of the number of children I have. One Member suggested that I had better not go too high on children's exemptions or someone might think it was a private bill for the primary benefit of the Rogers family. I assure you such was not the case, but if anyone needs evidence that six-hundred dollars is insufficient and unrealistic as an exemption with which to raise a child, let them come by the house sometime and I will be glad to entertain them for two or three days. I have one boy who tore the claws off a hammer. Don't ask me how he did it. I don't know, nor does he, according to his report.

Many tax experts say that my bill is not the proper approach, because it would permit many people who have sizeable families to be wholly exempt from taxation. They argue that everyone should be required to pay taxes so they will understand the obligations incident to the democratic form of government. My answer to these experts is that if anyone in this country who buys a loaf of bread, a pair of socks or anything else in the way of necessities, has the idea they are not paying several kinds of taxes, they should not be molested in their dream-land.

PUBLIC LANDS

Much has been printed in recent years about the federal government's vast holdings of lands and the great need to get some of this property back into private ownership and on the tax rolls. I have recently introduced a resolution to set into operation machinery to inventory and evaluate all of the lands owned by the federal government. This would include the lands controlled by every department or agency of the federal government. It must be remembered that a great deal of public land consists of mountain tops, swamps, desert areas and barren lands that are unwanted and could not be maintained by private individuals. Much of this land held by the government in the first instance and has continued in the ownership of the government because no one else wants it. On the other hand, there has been land acquisition by almost every department and agency of the government. Although many of the tracts are small in size, they dot

the entire country and its insular possessions. In many instances this land is located in cities where land values are high. It is kept off the local and state tax rolls. Much of it is in excess of the needs of the government for the particular use to which it is being put. It would be far better if most of this was turned back in to private ownership where it could be utilized in building the community and pay its fair share of the taxes. The same is true of much rural land purchased by this government in the last 30 years. I appreciate the need for government ownership of certain parcels of land, but when this land is not properly utilized or serving an effective purpose, it is unfair for the taxpayers in a town or community to carry the added burden that would be borne by these federal holdings. In some instances requests are made of the federal government to make grants to the cities or communities in lieu of the taxes which would be paid if these holdings were in private hands. When these grants are made it con-

stitutes a double penalty, because the local taxpayers can never expect to realize as much from the grant in lieu of taxes as would be paid on the land if it was used for business purposes by private individuals. Also, it must be remembered that grants made by the federal government as payment in lieu of taxes must eventually come out of the taxpayers' pockets. I feel that a fair and reasonable approach to the management of these lands, and the disposal of those that are not needed, will do much to help discharge the public debt and reduce budget requirements for the future.

over hill, over dale — and the trail is never dusty

Best thing about portable irrigation is that you get water where and when you want it. Hilly terrain is no problem. Sandy soil that sucks water out of ordinary irrigation ditches is no problem.

Portable irrigation is as precise as watering each plant by hand.

What does this freedom from dry spells and troublesome terrain cost? A lot less than you think. We know farmers, right in this county, who have paid for their systems in two years—three years. They did it with better crops. By getting to market first. By being independent of drought.

Call us or stop in today and let us show you how to engineer a portable irrigation system to your farm. We carry complete systems, parts and the very finest Alcoa Aluminum Pipe.

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smooth-

ness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!
