## High School Activities Workshop Conference Held At Lubbock

A large number of Speech and Journalism students and their teachers from over the Panhandle and South Plains area gathered on the campus at Texas Tech in Lubbock Saturday, Nov. 8, for the 1952 Interscholastic League High School Activities Conference.

Workshop sessions were conducted throughout the day allowing every school an opportunity to bring one act plays, declaimers, extempore speakers and debaters for evaluation.

In speech events, students were given an opportunity to speak, declaim, act or debate under observation of people who have judged events in the past. Their excellent qualities were noted and suggestions for improvement given.

Participation was limited to the first three Plays entered. Eighteen schools were represented by their teams for Debate. Two participants for each school was allowed in Extempore Speaking; Nineteen schools took part in Declamation with not more than two participants for any school, and Speech Correction was open to all interested. In Radio Speaking, participants were limited to two per school.

New ideas emphasized in the Conference this year were Radio in High School, Children's Theater in Junior High and Speech Correction in the elementary grades.

Clarendon schools were represented in several of two workshop sessions. Mrs. Christine Grace, High School English teacher, took several of her students to the Conference. Tom Seay, Vocational Agriculture teacher, also attended. Lovelle Hodge participated in the Declamation section, and Jimmy Lamberth in spot announcing in the Radio Workshop. Other Clarendon students who took part as observers in the day's activities were Annette Thomas, Shirley Martin, and Patsy Emmons.

## P. T. A. TO INTERVIEW APPLICANTS FOR LUNCH ROOM SUPERVISOR

The Leader has been asked to announce that the Executive Board of the Sims P.T.A. will interview applicants for Supervisor of the Jr. High Lunch Room on Monday, November 17th at 2 o'clock at the Jr. High Building. Mrs. Truett Behrens, present supervisor, has resigned effective in the near future as other duties will require her time at a later date. If interested, you are requested to be present at the above time and date.

IKE AND MAMIE—DICK AND PAT—The two first families of America wave to the people. Seen above, left to right: soon-to-be first lady Mrs. Eisenhower; President-elect Ike, himself; Vice President-elect Dick Nixon; and Pat Nixon, answer cheers on the eve of the overwhelming Republican landslide. The Grand Old Party, piling up over 400 electoral votes, cracked the "Solid South" for the first time since Herbert Hoover's election in 1928.

## First Moisture In Weeks Falls Here Sunday

Residents of this area awoke to a pleasant surprise Sunday morning. It was raining and that is a wonderful sight around these parts. The total precipitation here was around a quarter of an inch which was only a fraction of what we need, but it did show us that it could rain again. It was enough to settle the dust and assist in many ways. Maybe this is the starting of a wet winter. It was cold Sunday night also with the mercury dropping below 25 degrees. This will help the cotton gathering situation considerably.

## Budget Published For Clarendon Schools

The Budget for the Clarendon Public Schools showing all expenditures and receipts for the 1951-52 school year and anticipated expenditures and receipts for the 1952-53 school year is being published in this issue of the Leader by your local School Board. The Budget may be found on page ten.

This Budget is being published in order that all interested patrons and taxpayers of the Clarendon Ind. School District will know exactly the financial condition of the schools, and will give each one a better understanding of the cost of maintaining the schools; where the money comes from, and how it is being spent.

## Jail Breaker Has Chilly Spell Of Freedom

George Loftis, about 20 years old, broke out of the county jail here sometime between 10:30 and noon Saturday, picked the wrong time to dig his way out or needed more clothes, for he nearly froze out during his wanderings Saturday night and had entered the Bill Thornberry ranch home about five miles southwest of town Sunday morning to warm up when he was taken into custody again. Thornberry found Loftis after returning from his feeding chores and reported to officers as he had been notified that the jail breaker might show up in that vicinity.

Loftis had been returned here by Sheriff Wright from Monahan about three weeks ago and was being held on a burglary and theft charge. He stated that it took him only about 30 minutes to dig his way out through the brick wall on the north side of the jail. He seemed quite happy to be back where it was nice and warm again. He weathered the rainy night wearing only a pair of jeans, shirt and hat with no coat.

Sheriff Wright stated that he wished to thank everyone for their cooperation in apprehending the jailbreaker. All residents south and west of Clarendon were notified by the Sheriff's office that Loftis was reported last seen about four miles southwest of town Saturday afternoon.

## COMMUNITY THANKSGIVING SERVICE TO BE HELD WED., NOV. 26th

The Annual Community Thanksgiving Service will be held at the Methodist Church Wednesday evening, 7:30 p. m., on the 26th of this month. The program and service will be under the direction of the local Ministerial Alliance. It is planned that this will be an annual service, and that from year to year the ministers representing the different denominations will take part in the service, so that each will have an opportunity to speak and render other parts of the service.

The program will appear in the Leader next week. It is hoped that there will be a good attendance as we feel this service will be a benefit to the community. Clarendon Ministerial Alliance.

## IRRIGATION MEETING TONIGHT

Everyone interested in irrigation is being reminded by County Agent Flip Breedlove of the meeting tonight at the court room in the court house at 7:30. R. V. Thurmond, irrigation specialist for the Texas A&M College Extension Service will be present to talk on all phases of irrigation. Breedlove will have a report on what is being done and being proposed in the way of irrigation locally, in next week's issue of your Leader.

## Head Assumes Duties At First National Bank Here

John H. Head, Executive Vice-President of the newly re-organized First National Bank, assumed his respective duties at the bank last week. Mr. Head was formerly associated with banks at Odessa and Childress and most recently associated with the Lydic Roofing Company of Ft. Worth. He is a son-in-law of Mr. J. M. Crews, President of the First National Bank of Clarendon.

Mr. and Mrs. Head, with their two sons, Martin and Glenn, arrived in Clarendon some two weeks ago to make their home here. Mr. Head stated that he was more than pleased with Clarendon and her friendly people.

Mr. Don Wright who has been with the bank here since the re-organization, will remain here until December 1st, at which time he will assume his former duties as field representative of the First National Bank and Producers Loan Co. of Childress as well as the First National Bank of Clarendon.

The First National Bank is also announcing the addition of Newton S. Harrell of Claude as a director of the Bank. Mr. Harrell, prominent rancher, world traveler and big game hunter, is well known to residents of this area. Another addition to the First National personnel is Mrs. Ida Mae Crawford.

## Coming Events

County Irrigation Meeting, Thursday, November 13th at the Court House at 7:30 p. m.  
Friday, Nov. 14—Bronchos vs White Deer at Broncho Stadium —7:30 p. m.

Monday, Nov. 17—Band Parents Meeting, Band Hall, 7:30 p. m.  
Methodist Church Stewardship Revival begins November 23rd at 7 P. M.  
Wednesday, Nov. 26 — United Thanksgiving Service, Methodist Church, 7:30 p. m.

## News Copy Needed On Time!

We are often more asking the cooperation of the public in turning in news copy. This includes social items and personal news as well as front page material. It is not humanly possible to set by machine all reading material in our paper on Wednesday.

It is generally considered that news run a week late has lost its news value to the public. News turned in to our office which is more than a week old can not receive our attention until current news has been handled so in most cases will be left out entirely.

We appreciate receiving all news and news tips and are grateful for all the help you, the public, give us. We feel you will cooperate with us in this matter as you have in the past, and Turn That Copy in On Time!

## City Residents To Vote Again Soon

Clarendon residents will have an opportunity to exercise their right to vote again soon. City of Clarendon officials were presented recently with a petition requesting an election be called to determine the question whether or not the present Commission form of city government be changed to the Aldermanic form of city government.

In this issue of the Leader, an election notice is being published, calling for an election to be held on Monday, December 15th to decide the issue.

All qualified City voters should start in now and familiarize themselves with the question at hand. There are numerous angles to be considered. Before election date, the Leader will take a stand on the issue, for it is our desire and duty to our readers, to help promote or defeat, whichever the case may be, any issue that concerns the progress of our home town.

## Bronchos Win First Of Season; Down Panthers 25-13

The trip to Panhandle last Friday night paid off for local football fans as the Bronchos really came through with a smashing victory over the Panhandle Panthers. It was a sixty minute thriller from start to finish with the entire Bronco squad playing aggressive football on both the offense and defense. Some of the Sophomores who had an opportunity to see action, played like veterans and plugged those holes to stop a larger, more experienced Panther squad.

The game slipped over into high gear early in the first quarter, in fact on the first play from scrimmage when Myers went through the right side of his line and all the way, a total of 63 yards for the first score. The try for extra point was no good. The Panthers came back on a sustained drive and evened the score 6-6. The Bronchos added their next 6 points late in the quarter when Cotton Hall broke through the center of the line and galloped 45 yards into the end zone. The extra point was good putting the Bronchos ahead 13-6.

Panhandle started the second quarter off with their second and final score, bringing the total at this point to 13-13. The Bronchos took advantage of a break late in the second quarter to go ahead again. Cosper recovered a Panther fumble on the 13 yard line and Myers went over from the six a few plays later. The third quarter was scoreless but filled with plenty of action. Early in the fourth quarter, Morrow skirted right end for 8 yards and the final T. D.

The Bronco passing attack was clicking with Murff, Bain and Martin doing a fine job on the receiving end with Johnson doing the pitching. The pass interception department did right well also with Philley taking one on the ten yard line, returning to the Bronchos 37 and Morrow intercepted three passes that kept the Bronchos out of possible trouble. His second interception paid off for a return of 35 yards and his last interception almost gave the Bronchos another score. He intercepted the pass on his own ten yard line and returned it to the Panhandle 35 yard line. He would have been in the clear on the 35 but made his cut just as a Bronco blocker cut the last man down and he tripped over the blocker's feet which could not be helped the way the play was timed. This was Morrow's first time to see any degree of offensive action since the Childress game and his interceptions played a big part in holding down the Panther score.

Every player that entered the Bronco line-up played heads-up ball and it was this constant, aggressive team work that deprived the Panthers of a win over the Bronchos.

Donley County Leader, \$2.50 year

## FATHERS TO BE HONORED AT FRIDAY NIGHT GAME BETWEEN BRONCHOS AND WHITE DEER

CAL TINNEY

## Cal Tinney Coming November 17th

Cal Tinney, humorist, newspaper columnist, author and radio commentator will appear for the Donley County Mutual Concert Ass'n on Monday, November 17th at 8 o'clock in the College Auditorium.

Mr. Tinney was born in Oklahoma and received the usual country schooling. He finished his education in Tulsa and then worked his way up to a newspaper man and seaman around the world, gaining much insight and humor in his travels. Mr. Tinney subsequently became secretary to a congressman and after tiring of this position, landed a job with the New York Daily Post as a columnist. Continuing to branch out, he then became a lecturer and a radio star.

Millions of newspaper readers know Mr. Tinney for his nationally syndicated column, "The Man of the Week." It has been said of Mr. Tinney that he is one man on the platform who can be both intelligent and humorous at the same time. Mr. Tinney says of himself that he is "just an old country boy trying to make enough money in town to get by in the country."

## PARENTS OF BAND STUDENTS TO MEET

Parents of band students will meet Monday night, November 17 at 7:30 in the Band Hall, for their regular meeting. It is hoped that attendance will be good.

Donley County Leader, \$2.50 a Year

The Bronchos have named Friday night as Father's night. Honoring their Fathers has been an annual tradition of the Bronchos and they picked Friday night as the date, for it will be at that time they plan to really pour it on the top team of the district, the White Deer Bucks. They showed everyone that they could accomplish such an act last week when they thoroughly beat a higher rated Panhandle eleven. The Bronchos say they are going to stay on the winning side of the ledger and if they play like they did last Friday night, there's no doubt but what they will.

The Bronchos will be hampered some this week with the possibility that Myers will not be able to see much action and Fred Clifford is on the doubtful list. Both had old injuries renewed in the game last week. Otherwise coach Harrell reports the remainder of the squad in good condition and ready for a first class battle.

The probable starting line-up for the Bronchos will be as follows: Murff and Martin at end positions; Thornberry and Holland at tackles; McNabb and Smith in the guard positions and Lamberth at center. The starting offensive backfield will be Johnson, Hall, Bain and Myers. Morrow and Philley will be in the defensive backfield if it should start that way.

As an added attraction for the game, Miss Evelyn Jean Wood, daughter of Mrs. J. D. Wood, will be presented as sweetheart of the Clarendon High School Band.

To start everything off, a big pep rally will be held Friday afternoon beginning at 3 o'clock in the auditorium. The public is invited and urged to attend.

The game Friday night will start at 7:30, so be sure to keep this time in mind and be up there to give the Bronchos your support.

## FORMER CLARENDONITE NAMED BY DANIEL

William S. Lott of Georgetown and formerly of Clarendon was announced last Friday as chief of the state affairs division of the Attorney General's department.

Atty. Gen. Price Daniel said Lott succeeded Ned McDaniel, who resigned to enter private law practice. Lott has been in the Attorney General's office since Jan. 1, 1947. He was with the Army intelligence forces during World War II. Lott grew up in Clarendon and is a son of the late Mr. and Mrs. Hervey Lott.

PUTTING PACHYDERM—Belle, eight-month-old elephant with a knack for putting, is learning the game from Moreno Caso, Seattle, Wash., public links champion. Belle caddies for the champ. Her feet are divot-size but apparently have not made any dents in the green as yet. As her weight increases, Belle will probably have to confine her golf to practice putts.

MONKEY BUSINESS IN KOREA is transacted by Army Private Abraham Hancock, of Felham, Ga., right, and friend, Hancock's-similar side-kick takes a long pull on a cool drink during a pause from his duties as mascot for Third Infantry Division tankers. Not one to throw a monkey wrench in friendly machinery, the monk—an expert at "gorilla" fighting—now feels quite at home in the mechanized Army unit.

## KAPPA SUB DEB CLUB PRESENTATION DANCE

The Kappa Sub Deb Club presented the 1952 pledges at a formal dance at the Legion Hall Saturday night, Nov. 8, 1952. The hall was decorated with balloons and crepe paper of all colors. The stage was arrayed with candles and plants arranged by Miss Marjorie Harlan. The pledges, Genevieve Smith, Eva Lee Farr, "Tookie" McClellan, Kay Schollenbarger, Wanda Sibley, Mabeldean Brock and Genella Mooring, were presented with membership pins and feather fans. Mayrene Phillips, also a pledge, was unable to attend. Barbara Estlack, club president, presided at the presentation. Mrs. Al Covington, club sponsor, chaperoned for the evening. The parents of the pledges were also invited.

A group of specially invited girls from the freshman class served refreshments of individual white cakes bearing a red letter "K" and punch. Approximately one hundred were in attendance.

## GOLDSTON QUILTING CLUB

The Club met with Mrs. Charlie Sullivan Thursday, Nov. 6th with 10 members. One quilt was quilted. Those present were May Pearl McDonald, Adger Williams, Katy Scoggins, Irene Stewart and Gerry, Mazie Eichelberger, Joy Roberson, Minnie Roberson, Blanch Gray, Carolyn Davis, and the hostess, Daphne Sullivan. Our next meeting will be with Joy Roberson on Nov. 20 at the Goldston Club House. Hope every one can come. Adger Williams and Billie Ashcraft received Pollyanna gifts. Walter Taylor is receiving medical attention at Scott & White Clinic in Temple.

## PARENTS OF BAND STUDENTS ENJOY SUPPER

Parents of band students gathered in the Junior High School Cafeteria Thursday evening, November 6, for a covered dish supper. Thirty-six were present. Dinner was served buffet style. Following the meal, a get-acquainted meeting was held. J. G. McAnear, president, opened the session and called on Bill Riney to explain the purpose of the gathering. Mr. C. L. Graves, Bandmaster, explained to the group what was needed to improve the band and urged all parents to encourage their children to put in more time in practice at home. The group gave a rising vote of thanks to Mr. Graves for the splendid work he has done this year, in starting almost from scratch and building a band that is showing the improvement that the Band has shown. Each individual was asked to make any comment and offer any suggestions which might lead to the building of a larger band. All present reported an enjoyable evening.

## CHAMBERLAIN CLUB

The Chamberlain Club met November 6th in the home of Mrs. Frank Reid. The afternoon was spent quilting. Lovely refreshments were served to Nelda Jones, Ruby Blackman, Laura Ivey, Willie Hott, Maggie Ivey, Mrs. H. M. Reid, Patsy Reid, Mary Mann, Velma Heathington, and Mike Jones, Tommy Ivey, Kathy Gregory and hostess Gertrude Reid. The next meeting will be Dec. 4th with Mrs. Mark Allen. Don't forget that we have our Pollyanna Christmas party at this meeting. —Reporter.

## Allison-Simpson Vows Read

Miss Lila Allison, laughter of Mr. and Mrs. R. C. Allison, became the bride of John L. Simpson, son of Mr. and Mrs. George Simpson of Beacon Falls, Conn. in a service read Saturday, November 1, 1952, in the First Presbyterian Church in Amarillo. Dr. Francis Pritchard, pastor, officiated.

Vows were exchanged before an altar banked with baskets of chrysanthemums and flanked with candelabra. Miss Mary Ann Dysart, organist played a nuptial prelude and accompanied Bernart Wurger as he sang "Because." The traditional processional and recessional were used. The bride was given in marriage by her brother, Boyd. Mrs. Ray Sullivan attended her sister as matron of honor. Bridesmaids were Mrs. Boyd Allison and Mrs. Calvin Naylor; Ray Sullivan was best man and ushers were Calvin Naylor and J. C. Smith.

Immediately following the ceremony a reception was held in the home of the bride's parents. After a wedding trip to Grand Canyon and Florida the couple will be at home at Beacon Falls, Conn. Mrs. Simpson is a graduate of Clarendon High School and a former Clarendon resident. She has been employed by the Southwestern Bell Telephone Company in Amarillo. Mr. Simpson attended school at Naugatuck, Conn. and is engaged in farming.

## BAPTIST WMS MEETING

The WMS of the Baptist Church met Wednesday afternoon at the Church for a business meeting and Bible Study. Bro. Howard Scott brought the lesson. Mrs. Howard Scott, president, presided over the business session. Reports were heard from the Chairmen of various committees. Mrs. Scott gave a report on the Texas Baptist Convention held recently in Fort Worth. Thirty-three members were present.

Mrs. Eva Aiteberry accompanied her daughter and husband, Mr. and Mrs. John Nanny, to their home in Lubbock Sunday and will visit there a few days.

## SVELTE SWEATER GIRLS!

Sweaters are the quick, appealing answer to the shivery discomfort of nippy fall weather, and girls go for these practical chill-chasers in a big way. Smart, plain type (1) worn by "The Happy Time" star, Linda Christian, Hollywood sweater queen, is suited for afternoon wear. Rugged individualistic style (2) comes in handy when picking a bone or two with a friend. This style is most preferred by the top-dog social set. Smoothie, dressed for evening (3), wears a smart peek-a-boo sweater with a scoo-oo-neckline and three-quarter sleeves. Any garment as classy as a sweater naturally leads to the choosing of "Miss Sweater Girl." This honor goes to shapely Jean Davis of Alabama (4) who was crowned at a New York ceremony.

## WIN ONE SUNDAY SCHOOL CLASS

The Win One Sunday School Class of the Methodist Church met in its social meeting of the month in the home of Mrs. Charles McMurry, with Mrs. John Goldston co-hostess. The house was beautifully decorated with cut flowers.

Mrs. W. M. Pickering gave the devotional which was on "Faith." The business was conducted by the president, Mrs. George Hillis. Mrs. C. C. Powell, chairman of the Orphan Committee, reported that the boy the class had taken to sponsor had been adopted by an uncle. The class voted to sponsor the carpeting of the Choir floor this year rather than taking

another orphan to sponsor. The class started the carpet fund with \$200. Mrs. Jim McMurry donated \$250 which made a fund of \$450 as a start on the project. All classes will be contacted by Mrs. Jim McMurry to have a part in this project which will amount to \$1400.

The Finance Chairman, Mrs. John Goldston, reported \$56 taken in on rummage donated by the members. Other ways of raising funds for the project were discussed and plans are in the making.

A delicious lunch plate was served by the hostesses to Mesdames J. T. Patman, Tom Connally, Frank Bourland, George Hillis, Jim McMurry, C. C. Pow-

ell, John Blocker, William Payne, Cook, W. M. Pickering, Rhoads and Miss Howren and hostesses, Mrs. Charlie McMurry and Mrs. John Goldston. —Reporter.

## DELTA KAPPA GAMMA MEETS SATURDAY

Miss Lucile Polk, Mrs. Olena Leggett, Mrs. J. N. Weaver, Miss Edgar Mae Mongole, and Mrs. Bill Todd attended the regular meeting of the Gamma Kappa Chapter of Delta Kappa Gamma at Childress Saturday. Twenty-one members enjoyed the lovely luncheon which preceded an initiation ceremony, the business session and the program. New members initiated into the Gamma Kappa chapter were

Mrs. Lillie Castleberry of Childress and Mrs. Bill Todd of Clarendon.

Miss Lucile Polk, the president, presided over the business session. Mrs. Eva Jefferies of Childress was chairman of the program committee which presented a very informative and interesting program on "The World Looks at Us." Mrs. Jefferies spoke on "What Our World Visitors Think of Us," followed by a discussion of "What Russia and Asia Want the World to Think of Us" by Miss Nellie Agnes Kennedy of Childress. Mrs. Madge Russell Warren also of Childress spoke on "What Our Foreign Friends Think of Us." After these three excellent talks, the group sang songs and was then adjourned.

## T. E. L. CLASS

The T.E.L. Class of the First Baptist Church met in an all day meeting with a covered dish luncheon last week. The meeting was held in the home of Mrs. D. M. Cook at Lelia Lake.

Visitors present were Mrs. Terry and Mrs. Mooring. Members present were Mesdames Lela Barnes, Todd, Rampy, Spradlin, Williams, Hutson, Butler, Knox, Darden, Moore, and Naylor.

The next meeting will be our Christmas luncheon at the Church December 9th. At that time a Xmas box will be packed and gifts exchanged.

## KAPPA SUB DEB CLUB

The Kappa Club met Wednesday afternoon, Nov. 5th at the Youth Center.

Barbara Estlack, Club president, presided at the business meeting when final preparations were made for the annual presentation dance which is to be Saturday night, November 8, 1952.

Those present for this meeting were Misses Shirley Wilson, Eva Lee Farr, Genella Mooring, Wanda Sibley, Vanetta McClellan, Kay Schollenbarger, Mabel Dean Brock, Patsy Wallace, Patsy Emmons, Barbara Estlack, Mayrene Phillips, Genevieve Smith. —Reporter.

Mrs. Bob Hutson and baby of Berger are visiting this week with her parents, Mr. and Mrs. J. I. Spurgeon.

## W. S. C. S. MEETS IN REGULAR SESSION

The W.S.C.S. met in regular business session at the church on Wednesday, Nov. 5th with Mrs. Bairfield presiding. The singing of "Have Thine Own Way" opened the meeting. Several of the group made plans to attend the district meeting at Quanah on Thursday, Nov. 13th. Mrs. Biggs made a short talk on the Week of Prayer and Self-Denial program to be held at the church Wednesday, Nov. 12th. It was voted to give \$150.00 towards the purchase of new carpeting for the church. Mrs. Chas. Lowry made a report on the books that are to be bought for the Negro school library.

Mrs. A. L. Thornberry was leader of the program entitled, "Fruits of Evangelism." She was assisted by Mrs. C. C. Powell, Mrs. E. M. Ozier and Mrs. Bill Thornberry. Mrs. Pickering gave the closing prayer.

Twenty-three members were present.

## STITCH AND CHATTER CLUB

The Stitch and Chatter Club of Lelia Lake met in the home of Mrs. Sue Shields, Oct. 21, 1952. The afternoon was spent quilting and was enjoyed by all.

The president, Mrs. Dean Woods, conducted the business session and Mrs. Hazel Noble gave the financial report and called the roll. A party for members and their families to be held in the school gym on Halloween night, was discussed. Mrs. Jo Ann Leathers was appointed to make arrangements.

Delicious refreshments were

served to the following members: Mesdames Jo Ann Leathers, Dean Woods, Vida Shields, Inez Tomlinson, Mary Jane Smith, Yelive Miller, Hazel Noble, Seretha Morgan, Ruth Hutson, Glendora Gilbreth, Virginia Smith and a guest, Mrs. Walter Fincher.

The next meeting will be held with Mrs. Virginia Smith, November 4, 1952.

## F.F.A. BOYS ENTERTAIN F.H.A. GIRLS

The F.F.A. boys entertained the F.H.A. girls with a party Monday evening in the Homemaking Department. To open the evening of fun, a program, planned by Doyle Hall was presented. Howard Hensley read a speech for the group, followed by a guitar solo and song by Claude Porter. Glenn Wallace and Don Landers also entertained with two songs. Closing the program, Bobby Johnson and Bobby Wilson gave a short skit.

Games of Forty-two and Canasta were played following the program. Refreshments of Cokes and cookies were served to about 60 members of the two groups. Sponsors were Miss Loyd Richerson and Mr. Tom Seay.

## JUNIOR COLLEGE STUDENTS MEET

The Clarendon Junior College students met Monday, November 10, in the auditorium to choose Class Favorites and Pep Squad leaders.

The boy and girl chosen as Class Favorites were Melade DeGash and Vivian Newberry. Three Pep Squad leaders were chosen. They were Noma Lee Lewis, Sue and Lue Smith.

Following the regular session, the sophomores met to discuss the initiation of the freshmen which will take place Friday, Nov. 21.

A committee was chosen to plan a Christmas party.

## MOTHERS STUDY CLUB

The Mothers Study Club met Tuesday afternoon at Patching Club House. Hostesses were Mrs. Noel Cudd and Mrs. Eddie Forest.

In the business meeting one new member was voted into the club: Mrs. Beaty Hillman. Mrs. L. P. Moore was made chairman of a committee to make arrangements for a Xmas package to help brighten some family's Xmas. The program entitled "How to Teach Your Child the Meaning of No" was presented by Mrs. Redell Henson.

Members present were Mesdames Redell Henson, Billy Phillips, Raymond McKee, Chauncey Hommel, Delbert Fisher, Richard Maxey, Bonnie Mooring, Bob Copeland, Billie Chilton, Ford Martin, Carl M. Bennett, and the hostesses, Mrs. Noel Cudd and Mrs. Eddie Forest.

## MIDWAY CLUB

The Midway Club met in the home of Mrs. E. V. Quattlebaum on November 6th, with a good attendance.

One quilt was finished for the hostess, and a comforter tacked and hemmed for Boys Ranch.

A Thanksgiving dinner was served to the following members: Ellen Moreland, Leona Scott, Pearl Terry, Eddie Williams, Lucile Luttrell, Marjoria Hensley, Beth Bennett, Lucile Eanes, Sarah Shaller, Katy Bell Wells, Mrs. Nolie Simmons, Mrs. A. R. King and hostess Allie Quattlebaum. Guests were Misses Minnie and Ava Naylor, Mrs. John Stavenhagen, Mrs. A. O. Hefner and Jewel Sickle.

A short business meeting was conducted and one new member voted into the club: Jewel Sickle. Our next meeting will be with Leona Scott, Nov. 20th.

—Reporter.

Mr. and Mrs. Richard Maxey announce the arrival of a little daughter, weighing 7 lbs. 1 oz., and named Richelle Lynn, November 2nd, at Odom-Dryden Hospital in Memphis.

## ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met Nov. 6th in the Club Room for an all day meeting to quilt and hem two quilts for Boys Ranch. Those to help finish the quilts were Naomi Green, Nona Hinder, Helena Catoe, Lena Mae Graham, Ruby White, Lillie Knox, Viola Graham, Mary Lou Harrelson, Ivan Tolleson, Sue Rhoades, Nettie Marshall, Belle Jones, Elizabeth Graham, Laura Mahaffey, Johnnie Poovey, Hazel Brandon and Margery Bain. All enjoyed a delicious covered dish luncheon.

On Nov. 20th the Club will sponsor a Thanksgiving supper and a 42 party for the community in the Club Room to begin at 7 o'clock. There will be no afternoon meeting of the Club on Nov. 20th.

Let every one be thinking about Achievement day on Dec. 4th and have a list of their achievements ready to report. —Reporter.

## Mr. and Mrs. R. T. Brown returned Monday from a five week vacation. They visited their daughter, Mr. and Mrs. H. L. Martin and boys of Guerneville, Calif., and a daughter, Mr. and Mrs. Charles Condon and children of Los Angeles, and a sister, Mr. and Mrs. E. A. Naylor of Carlsbad, New Mex.

Mr. and Mrs. Jack Ray and wife, Mr. and Mrs. Cecil Ray and wife both from Lubbock and Mrs. Bill Sykes from Slaton, Texas and her two children were weekend visitors Sunday with their parents, Mr. and Mrs. J. C. Ray.

Mrs. Walter Bible spent Saturday night with her parents, Mr. and Mrs. H. C. Smith and went on to Plainview Sunday to see her daughter Nancy Ann who is in the Polio Clinic. Nancy Ann was able to return to her home at Borger Wednesday.

Mrs. J. L. Whitlock of Shreveport, La. visited from Wednesday to Sunday night in the home of Mr. and Mrs. Frank Whitlock.

## NOSE IN THE AIR!

Trucks take off and planes burrow underground in two freak accidents seen in these pictures. Above, a dump truck seems about to zoom over the Rouge River in Dearborn, Mich., after driver, John Reader, lost control when the vehicle hit a bump and went through the bridge rail. Reader was unhurt, didn't even get a traffic ticket. Below, an Eastern Air Lines Constellation plane nuzzles the runway at Atlanta Airport after its front wheel collapsed while landing during a Detroit-to-Miami flight. None of the 54 passengers were injured.

## NOSE IN THE DIRT!

Mr. and Mrs. Farris Seaton of Amarillo and Troy Moffett of Dumas were week end guests in the home of Mr. and Mrs. J. W. Moffett.

S/n. and Mrs. Billy Smith left Sunday for San Diego, Calif. Naval Base after a three weeks visit with his parents.

Mrs. Genoah Doshier returned home Wednesday morning after spending the past week with Mr. and Mrs. James Gunter at Claude.

Willie Royce Moffett, son of Mr. and Mrs. J. W. Moffett, left Monday for Ft. Sill, Okla. and induction in the Armed services.

Mrs. J. C. Moffett of the Sunview community visited Monday with Mr. and Mrs. J. W. Moffett.

Mr. and Mrs. Nelson Seago of Lelia Lake visited Sunday afternoon with D. M. Fitzgerald who is ill.

Mr. and Mrs. Geo. McCleskey of Lubbock visited friends here from Saturday thru the first of the week.

Hubert L. Moffett and wife arrived in Clarendon Monday night to visit in the home of his parents, Mr. and Mrs. J. W. Moffett. Hubert has been stationed at Ft. Bragg, North Carolina and will leave soon for overseas duty.

Mr. and Mrs. Lloyd Reid spent the week end in Lamesa with Mr. and Mrs. Bill Reid.

Mr. and Mrs. Ed McDaniels of Fort Worth and Mr. and Mrs. Phillip Fitzgerald of Dallas visited from Wednesday to Friday of last week in the home of Mr. and Mrs. F. A. Fitzgerald and family.

There is a lot of happiness in the belief that you are fooling others into believing that you are happy.

When he broke his engagement he was only doing to the engagement what the engagement did to him.

## Autumn Ideal Time To Kill Rats, Mice

The first cool autumn days should be a reminder to prepare for the invasion of rats and mice. Farms are especially susceptible, but protection should be provided in other places, too—homes, summer cottages and business places.

An effective anti-rat and mouse campaign, according to many pest control specialists, includes these three steps:

One—Remedy poor sanitation.  
 Two—Ratproof buildings, when practical.  
 Three—Place rat bait according to directions.

To assure good sanitation, remove all rubbish piles, and stack lumber and firewood neatly on racks at least one foot above ground level.

Ratproofing. Step No. 2, can effectively keep rats and mice out of corn cribs, granaries, warehouses, and all other places where feed is available. Bulletins describing ratproofing methods may be obtained from your county agricultural agent.

Baiting is the third and most effective blow in the autumn anti-rat campaign. Outstanding among the available rat and mouse killers

is warfarin, a potent substance discovered in the laboratories of Dr. Karl Paul Link, Biochemistry Dept., University of Wisconsin, by Drs. Mark A. Stahmann, Miyoshi Ikawa, and Link.

Warfarin bait is recommended because: It kills all species of rats and mice common to the United States; it is a slow killer and does not create bait shyness; no pre-baiting is required; no tolerance develops; it is easy to use; it may be used in any climate or season at any temperature; it is comparatively safe to use; and it may be purchased as a concentrate or a ready-mixed bait.

In using warfarin bait, it must be made available to the rats and mice at all times. Bait stations—shallow containers protected with a board or a wooden box—are normally examined and replenished every 48 hours. A limited number of permanent bait stations will kill newcomers and control reinvasion.

**LELIA LAKE NEWS**

Mrs. H. R. King

Miss Edna Wood of Dumas spent the weekend here with Mr. and Mrs. Holly Wood and other relatives.

Mrs. Ella Baker of Laguna Beach, Calif. left Saturday after a visit with Mr. and Mrs. C. C. Carter.

Mr. and Mrs. Will Mace returned Friday from a visit with Mr. and Mrs. Adrian McLroy and daughter of Petersburg.

Miss Anne Dishman of Amarillo spent the weekend with her parents, Mr. and Mrs. Elmer Dishman. Mr. and Mrs. Dishman took her back Monday.

Aubrey Rampy of Fort Worth spent Saturday with his parents, Mr. and Mrs. J. F. Rampy.

Mr. and Mrs. H. R. King of Odessa spent Saturday night and Sunday here with his parents and other relatives.

Mr. and Mrs. Ward Grimsley and children visited her parents, Mr. and Mrs. W. C. Scott last week. They are enroute to Louisiana.

Mrs. Doyle Christie and Danny of Amarillo spent last week here with her parents, Mr. and Mrs. J. E. White. Mr. Christie joined them for the weekend.

Miss Joanne Christal of Canyon spent the weekend with her parents, Mr. and Mrs. Billy Christal. Mr. and Mrs. Leo Smith returned Tuesday from a short visit with relatives in Amarillo.

Mr. and Mrs. Billy Floyd and children of Borger spent the weekend with her parents, Mr. and Mrs. W. W. Jones.

Mr. and Mrs. Cox of Memphis visited friends here Saturday.

Mrs. A. T. Castner spent last week in Amarillo with Mr. and Mrs. Bobby Hill.

Mr. and Mrs. Cecil Mills and daughters and Mrs. James King went to Plainview last Wednesday to visit their son and brother, Wesley Mills, who is in the polio clinic there. He is recuperating satisfactorily.

Mr. and Mrs. Dub Smith and children spent the weekend with relatives at Plainview and Olton.

Mr. and Mrs. Fred Thomas of Amarillo spent the weekend with her parents, Mr. and Mrs. Oscar Anderson.

Mrs. Wayne Christian of Lubbock is visiting her parents, Mr. and Mrs. Barney Brown.

Miss Fatsy Carter of Amarillo spent the weekend with her parents.

Mr. and Mrs. Bobby Hill of Donley County spent the weekend here with relatives.

Donley County Leader, \$2.50 year

**ZIP-TRAIN OF THE FUTURE**

Whizzing over tomorrow's landscape, the high-speed monorail superliner seen at left above may be the railroad's answer to challenge of the airplane. Built near Cologne, Germany, for test runs only, the model car is two-fifths normal size, travels 100 miles per hour. Backed by Swedish millionaire Axel Wenner-Gren, the new train was kept secret by the Rail Transportation Research Society until this year. At right is the unique monorail track at a switching point which is set to curve right. Electric power is fed to the engine through metal bands on the rails. Rollers, built into a deep slot on the engine's underside, ride on the one rail which is six feet above ground. Full-scale models are expected to travel 210 miles per hour.

**HUDGINS NEWS**

Mrs. Carl Barker

Guests of Mr. and Mrs. J. C. Shields and Jerry Sunday were Bro. Joe Wolfe of Claude, Mr. and Mrs. Hester Shields and children, and Wayne Chesnut.

Harvey Shaw made a business trip to Amarillo Monday.

Nova Barker spent Monday with her mother, Mrs. Hinkle of Clarendon.

J. L. Williams accompanied by his parents, made a business trip to Okla. the week-end.

Mr. and Mrs. L. E. Tyler visited Mr. and Mrs. Barker Friday night. Mr. and Mrs. Bufford Holland visited Mr. and Mrs. Leon Foster Sunday.

Mr. and Mrs. Garrett Foster visited Mr. and Mrs. W. O. Elliott Sunday afternoon.

Mr. and Mrs. Tom Perdue of Amarillo spent the week-end with Mr. and Mrs. John Perdue.

Mrs. Harvey Shaw visited Mrs. Moleworth Sunday afternoon.

Mr. and Mrs. L. E. Tyler spent Sunday with Mr. and Mrs. Joe Terry.

Mr. and Mrs. Charlie Williams of Clarendon visited Mr. and Mrs. C. J. Williams Tuesday afternoon.

Mr. and Mrs. Bill Mooring and boys spent Wednesday with her parents, Mr. and Mrs. Barker.

Mrs. Bonnie Bryan of Happy spent Tuesday night with her sister, Mrs. L. E. Tyler.

Mr. and Mrs. L. E. Tyler visited Mr. and Mrs. Bill Marshall of Ashtola Monday.

**Butterfat Is Shown Superior to Vegetable Fat for Dairy Calves**

UNIVERSITY FARM, St. Paul, Minnesota—Results of recent experiments at the University of Minnesota under the direction of Dr. T. W. Gullickson have confirmed his earlier findings that dairy calves fed whole milk thrive better than calves fed skim milk with vegetable fats added in place of butterfat.

Dairy calves fed vegetable fats in their diet invariably died by the time they were 3 months old. Some who were switched to a butterfat diet before 3 months survived.

In studies just completed corn oil was used as the source of vegetable fat. Similar results

were obtained in earlier studies using such vegetable fats as cottonseed oil, soybean oil, peanut oil and coconut oil.

New research reveals that calves fed corn oil to replace butterfat appear to show a vitamin E deficiency as indicated by heart lesions and muscle dystrophy or wasting of muscle tissue.

This condition arises in spite of the high level of vitamin E in corn oil and is not corrected by adding vitamin E to the diet. More than 100 dairy calves have been used in these experiments.

This 10-year project, sponsored by the National Dairy Council, has been financed by the nation's dairy farmers through their own advertising, merchandising and research organization, the American Dairy Association.

Mr. and Mrs. O. W. Latson of Lubbock visited the week end with Mrs. Bill Bentley and Nell.

**FARM NEWS**  
From the County PMA Committee

**1953 REQUEST FOR ASSISTANCE FORMS—201:**

Due to the fact that December 1, 1952 is drawing near, the importance of the Forms-201, Request for Assistance, must be stressed again. As all producers should know by now, but possibly some of them don't, the Request for Assistance Forms must be

filled out completely and in the county office by December 1. Since the community committeemen are also busy doing their own field work and trying to contact each producer in their community, it makes it difficult for them to have to make several trips to some farms. It would be a great help to all committeemen if each producer would have the program for his farm planned when the committeeman visits his farm. If you producers possibly can, visit your committeeman and talk

over the 1953 ACP program with him, and that will also help him to get his work completed and in the office by the designated time. Also all producers must understand that if they don't sign up with their committeemen they will not be eligible for PMA assistance under the 1953 ACP program. When you producers do sign the Request for Assistance Form, make it clear and complete exactly what you are requesting. For instance, if you are going to improve your pastures by plant-

ing grasses, specify what kind of grass and the number of pounds that you want to plant, and if you are going to apply phosphate, specify what kind, how many pounds, and what the phosphate is going to be applied on. This will make it much easier for you, your committeemen, and the county office in making out the final approvals. Once again, remember to see your committeeman in case he fails to see you.

**1952 COTTON ACREAGE CARDS:**

The 1952 Cotton Acreage Cards will be mailed out this week. Please take note of the cards and fill them out and return them as soon as possible so that your records will be up to date in the county office.

**MENU AT SCHOOL LUNCH ROOM SUBMITTED**

The Clarendon Public School lunch menus for next week, November 17-21, will be as follows. Prices are 27c for children in the first thru the third grades and 32c for other students.

If your youngster likes to buy the plate lunch, you can check these menus and avoid serving the same foods at the evening meal at home.

**MONDAY:**  
Macaroni and Cheese, Green Beans, Harvard Beets, Apricot Cobbler, Bread and Milk.

**TUESDAY:**  
Roast and Gravy, Cream Potatoes, Salad, Jello, Bread and Milk.

**WEDNESDAY:**  
Pressed Ham, Sliced Cheese, Beans, Tomatoes, White Cake, Bread and Milk.

**THURSDAY:**  
Meat Loaf, English Peas, Corn, Peaches, Bread and Milk.

**FRIDAY:**  
Fish, Whole Potatoes with sauce, Carrot Sticks, Lemon Pudding, Bread and Milk.

Mrs. C. Wester, Cliff and Jeanette and Mrs. W. B. Ayers were Amarillo visitors Saturday.

Mr. and Mrs. Jack Semrad and Beth of Plainview were weekend visitors in the homes of Mr. and Mrs. Henry Tatum and Mr. and Mrs. John Semrad.

**SERVICES HELD MONDAY FOR FORMER RESIDENT**

Funeral services were held Monday afternoon at Boxwell Brothers Ivy Chapel in Amarillo for Elmo Leon Dromgoole with Rev. E. R. Foster, officiating.

Mr. Dromgoole, 34 years old, died Saturday in an Amarillo hospital. He was a radio technician and previously made his home in Clarendon for several years where he was associated with his brother Connie Dromgoole in the Radio Repair business.

He is survived by his wife, Mrs. Barbara Dromgoole, his parents, Mr. and Mrs. Gus B. Dromgoole of Amarillo and a brother, Connie Dromgoole of Clarendon.

Burial was in Llano Cemetery, Amarillo.

**ATTEND DIRECTORS MEETING IN AMARILLO**

Mr. and Mrs. Geo. W. Estlack and Jackie were in Amarillo Saturday where Mr. Estlack attended a Directors meeting of the Panhandle Press Association at the Amarillo Club. Plans were made for the April Convention and a tentative program outlined. President Allen Hodges of Littlefield presided at the meeting. Glenn Morris, of the Amarillo Globe Times, and vice-president of the association, and all of the directors with the exception of one were present.

Mrs. Estlack and Jackie visited her sister, Mrs. L. T. Whitlock.

**TO ALL LIONS CLUB MEMBERS**

The attendance contest will start Tuesday, November 18th. All club members participating are reminded to be present each and every Tuesday in order to participate in the \$300 trip to the National Convention in 1953.

All Lions are also reminded of the Pancake Supper at Lions Hall Friday evening of this week.

**LEGION AUXILIARY NOTICE**

The American Legion Auxiliary will hold their regular meeting Monday evening at 6:30 in the home of Mrs. Jack Gray.

In addition to the usual business, work will be continued on Gifts being made for the Veterans Hospital Xmas Shop in Amarillo.

**CLARENDON HOME ECONOMICS DEPARTMENT REPORTS WORK**

The Clarendon Homemaking girls have made much progress in their work since the Donley County Fair in September. During the Fair, many of you saw their lovely display of figurines, leather work, hand lacings, dolls and various other handicrafts.

This past week in Homemaking I, the girls have learned the primary principles of sewing. A study of the sewing machine has been made by each girl. Simple sewing such as the hemming of cup towels both by hand and machine is now being done.

Second year girls are learning how to can and freeze food. Last Monday the girls visited the Clarendon Frozen Locker Plant where they watched the cutting up of beef and kinds of meats. They visited grocery stores on Tuesday. The price of groceries and the labels of canned goods and vegetables were examined. These students are coming along very nicely in their work.

The third year girls have recently begun work on suits and tailored dresses for winter wear.

**LEGION AUXILIARY DECORATES AT VETERANS HOSPITAL**

Commemorating Armistice Day, the Clarendon American Legion Auxiliary decorated trays and the dining room at the Veterans Hospital in Amarillo Tuesday, November 11. Centerpieces and plate favors were taken to Amarillo by representatives of the local group in time for the noon hour.

The centerpieces were in the shape of Horns of Plenty filled with fruits, autumn leaves and pom mums. Plate favors were handkerchiefs wrapped to resemble firecrackers.

Those assisting with the decoration were Mr. and Mrs. Clyde Putman, Jo Lynn, Mrs. H. L. Riley, Mrs. Joe Smith, Mike McCully and Mrs. Jack Gray.

Mrs. Charlie Brown of Goodnight visited last week in the home of her daughter and family. Mr. and Mrs. Norris Spurgeon and children.

**BLOWIN' Out the CORNERS**  
*Uncle Zeb*  
**A PRAYER**  
 Let me do my work each day and, if the darkened hours of despair overcome me, may I not forget the strength that comforted me in the desolation of other times. May I still remember the

bright hours that found me walking over the silent hills of my childhood, or dreaming on the margin of the quiet river, when a light glowed within me and I promised my early God to have courage amid the tempests of the changing years.

Spare me from bitterness and from the sharp passions of unguarded moments. May I not forget that poverty and riches are of the spirit, though the world know me not.

May my thoughts and actions be such as shall keep me friendly with myself - Lift my eyes from the earth, and let me not forget the users of the stars - Forbid that I should judge others lest I

condemn myself.

The above is from the scrapbook collection of Mrs. R. E. Boone, who is visiting in Texas. It was found among the papers of one of the good citizens of her home town who recently passed on to his heavenly reward. The pastor of their church read the above in the services, at the church in Columbus, Ohio.

Another good item for our scrap books is the following loaned to us by Mrs. Mae Laycock:

To each is given a bag of tools, A shapless mass and a book of rules, And each must fashion ere life is flown, A stumbling block or a stepping stone.

Isn't it strange that princes and kings, And clowns that caper in sawdust rings; And common folk like you and me

Are builders of eternity. —Author Unknown.

Looks like every time I dry the dishes for Mama someone will happen by the window and see me. I just can't keep from feeling nervous when the so-called stronger sex watches me doing some of those domesticated chores around the place. Just sort of hate to have them know that Mama has me "Kitchen broke."

It seems so strange that none of the pollsters wanted to "Stick their neck out" and predict the outcome of the election. They had not forgotten what happened to them four years ago. Even pore 'ole Uncle Zeb, he thought and he thought; would he risk a guess. But his knees were weak and he just couldn't. Think what a hero he could have been now, if he would have walked out on the limb. Now I guess I better hush up about politics for awhile; maybe even for all time. One of my long time readers told me that I should; said that I just wasn't made for the rough game of politics. She said that I should stick with poetry and old time sayings and leave the politics to the rough and tumble boys. Maybe I will at that.

Anyway, I sort of feel like the old Arkansas boy who after he had proposed to his sweetheart lapsed into a long and unbroken silence; Finally, nudging close in-

to his arms she asked: "Honey, why don't you say sumpin'?" He replied: "I done said too much already."

A lot of folks "Done said too much" during the election. We can't remember when folks felt their convictions as strongly as they did this time. It may be a good sign. The politicians took a beating; even the Republican party big-wigs can take little credit for themselves in the General's victory. He out-ran the Republican party all over the country. By rights they can't say "We put you in." But to me it all means that the people are "Worke up", and they are going to expect things to take place, and the party that stays in office term after term is going to have to walk the chalk.

Anyhow, to me it looks like a healthy sign, and unless a few things happen in the next four years; we too may be ready for another change.

**Hunters Show Vast Increase**

AUSTIN—The Executive Secretary of the Texas Game & Fish Commission said the number of hunters and fishermen in the state has more than doubled since World War II.

He made the announcement in a speech before the International Association of Game Commissioners in Dallas.

The Executive Secretary added: "It cannot be said that the wildlife population has improved to meet this demand. So far it has been met by lower bag limits and shorter harvest periods. There is an end to how far such curtailment can go and yet be satisfactory."

"The problem of the ever increasing number of sportsmen who go afield and cause an additional pressure on the wild-life resources has as yet no answer. Everyone is encouraged to go hunting and fishing who will. It is the job of the professional conservationists to find ways and

means and furnish leadership for maintaining the highest possible harvest so as to accommodate the maximum number of sportsmen."

The Executive Secretary noted that "it would not be well to say that wildlife work in Texas is poorly financed, but never has it been financially strong enough to accomplish more progressive management practices that those closer to the problems would like to see done." He went on to observe that "the work of wildlife conservation is as well financed as the people of the state want it to be and will be improved at such time as public sentiment sees the need for it, and this without pleading from the Commission itself."

More people commit suicide with a fork than with a knife.

**GREAT GOING**  
 -any way you figure

Only Buick provides them all  
 DYNAFLOW DRIVE\* • FIREBALL 8 ENGINE  
 NEW WIDE-BAND BRAKES • MILLION DOLLAR RIDE  
 TOP-CAPACITY TRUNKS • NEW TWO-TONE INTERIORS  
 SWEEPSPEAR STYLING • POWER STEERING†  
 EASY-EYE GLASS\*\*  
 Plus These, Too, On ROADMASTER  
 AIRPOWER CARBURETION • NEW SILENCE

WHEN BETTER AUTOMOBILES ARE BUILT  
**BUICK**  
 WILL BUILD THEM

NUMBER ONE item on most anyone's list of automobile "musts" is power—the life and lift of your going.

In this Buick SPECIAL you get a valve-in-head high-compression Fireball 8 Engine that can pour out a wealth of the thrilling power you ever held rein on—more power per dollar than you'll find elsewhere.

Number Two is ride—the way you go—the comfort and steadiness and luxury of your travel.

Every Buick has big soft coil springs on each wheel to cushion your way—and an unyielding torque-tube that firms and steadies your ride. Yet these are just two of the fifteen

Buick ride features that cost, literally, more than a million dollars to engineer.

Then there's style, there's room, there's visibility, there's handling ease—all part of your travel—all helping to make the difference between good going and great going.

But price is very much part of the picture, too—what you pay for what you get.

So when you add in the big horsepower rating you get in a Buick, plus the extra thrill and thrift of its Fireball performance...

When you measure the inches of room, count up the many hours of comfort through the years, check off things like durability and solid satisfaction and high trade-in value...

And when you put this total against the price of a Buick—you're going to say, "Man! That's great going all the way!"

Come in and see us today or tomorrow, won't you?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost on Roadmaster and Super only. \*\*Optional at extra cost—available on most models.

Two great television events: The TV Football Game of the Week every Saturday and Buick Circus Hour every fourth Tuesday.

JO ANNE DAVIS,  
 Business Secretary,  
 Clarendon Independent School District.

## DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Irrigation fever is spreading fast. It has been caught by a number of dry landers that one would never suspect were susceptible. The extreme drought has no doubt been largely responsible for the new interest in irrigation.

A number of farmers have come by the SCS office recently to discuss irrigation possibilities or to request District assistance in making well locations and planning the system of water distribution.

Some of these recent visitors to the SCS office were: Hall Hardin, C. A. Morgan, Richard Cannon, H. S. Mahaffey, Lee Muse, Park Chamberlain, Gordon Bain, Andy Brown, Arthur Brown, George Shoop, Pink Marshall, John Knorpp, R. O. Thomas, E. L. Sitter, A. J. Rogers, D. E. Leathers, Dr. London, Claude Moore, Edwin Eanes, Clyde Slavin, and Billie Christal.

To date wells have been drilled on places owned by Hall Hardin, H. S. Mahaffey, Lloyd Risley, C. A. Morgan, Lee Muse, F. L. Goldston, and John Knorpp.

Hall Hardin got two good wells; one on his home place northwest of Ashtola and the other near Martin. C. A. Morgan just northeast of Clarendon also got a good well.

The wells on Lloyd Risley and H. S. Mahaffey places were abandoned because of insufficient water.

Wells on Muse, Goldston and Knorpp places have not been tested yet to know the amount of water they will produce.

The District is ready to assist farmers who get sufficient water for irrigation in planning a system of conservation irrigation on their farms.

## GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

Our first arrival of new books consists of two, Garden editions, "Design in Flower Arrangement" by John Taylor Arms and Dorothy Noyes Arms. This book deals with technicalities. It is by an artist who is not too familiar with flowers, but famous for his drawings, etchings and other forms of art. His interest is manifested in everything that pertains to the stimulation of beauty consciousness. "Corsage Craft" is by Glad Reusch and Mary Noble. Glad Reusch has conducted classes in corsage making for fifteen years, and Mary Noble is associate Editor of "Home Gardening for the South." The book is an inspiring manual that covers every aspect of corsage making fundamental to the art—design, growing and conditioning the material, preparing the flowers and foliage and assembling.

We have some new books for first graders or low second. These are: "Beofre Winky", "Under the Tree" and "Molly, Pete, and Ginger." Two of these were an order that Mrs. Curry gave to the Library. We certainly have some thoughtful Library friends.

Mrs. June Taylor sent us some current magazines this week—Life, a new McCall's, and Screenland. So we are more cheerful than we were last week.

Our purchased novel is Francis Parkinson Keyes' "Steamboat Gothic." It is an elaborately written novel with the theme centered about the attaining of a Steamboat Gothic mansion on the Mississippi by Clyde Batchelor. The background of his astonishing success had been both sad and sordid. It is a story that will hold your interest from the beginning to the end.

Donley County Leader, \$2.50 year

## Now TRY THIS For CHILD'S COUGH

For coughs and acute bronchitis due to colds you can now get Creomulsion specially prepared for Children in a new pink and blue package and be sure:

- (1) Your child will like it.
- (2) It contains only safe, proven ingredients.
- (3) It contains no narcotics to disturb nature's processes.
- (4) It will aid nature to soothe and heal raw, tender, inflamed throat and bronchial membranes, thus relieving the cough and promoting rest and sleep. Ask for Creomulsion for Children in the pink and blue package.

## CREOMULSION FOR CHILDREN

Relieves Coughs, Chest Colds, Acute Br. Chitis

Marriage soon cures a man of whistling.

### Edwin Eanes Enters Speaking Contest

**EDITORS NOTE**—Edwin Eanes has entered the 1953 Speaking Contest sponsored by The National Association of Soil Conservation Districts and the Spencer Chemical Co., of Kansas City, Mo. This contest is an annual affair

of the National Association of Districts and is designed to stimulate more interest in soil conservation and the District movement.

Edwin with the able assistance of Mrs. Eanes has done an outstanding job in the preparation of this speech. It is printed here so that every-

one may have an opportunity to read it and take pride in the fine work they have done.

### THE JOB AHEAD IN MY SOIL CONSERVATION DISTRICT

By Edwin Eanes Naylor Route Clarendon, Texas

The land is our greatest natural resource. A thin layer of topsoil which covers the land at an average plow depth of about seven inches, is the chief support of life. Less than half of the earth's soils are suitable for crop production.

Many, many years are required by nature to produce a single inch of topsoil. Yet man, in a few years of poor land management, has destroyed much of this work of nature.

This soil is the foundation of our happiness, progress, and prosperity. Our continued world leadership and influence will depend on how productive we keep this soil.

In the Donley County Soil Conservation District where I live, many people are beginning to realize that every method of soil conservation must be practiced to build back our depleted soil.

My District is located in the Rolling Plains of Texas with the exception of a small area in the northwest corner which is on the High Plains.

My District was organized in 1946 and took the name, "Donley County Soil Conservation District" because the District and Donley County boundaries are the same.

It originally was covered with tall native grasses, and had many springs which fed a number of small creeks.

As the grass land was plowed up, wind and water erosion began to take its toll. Continuous cropping of land in cotton and grain sorghums have depleted the soil of its organic matter, thus increasing blowing and washing. Our farmers have attempted to increase incomes by yet heavier cropping of cotton, only to find that they are further decreasing soil fertility and obtaining even less income.

Thirty years ago, in our neighborhood many quarter-section farms were each supporting a large family. Now, many of these farms have been abandoned because much of the land was unsuited for cultivation and was being used beyond its capability. Some of these grow Johnson grass for grazing and others are deep blow sand. It isn't an uncommon

sight to see a farmer out digging his fences from deep dunes of sand after our spring winds have ceased. Then the fence rows must be leveled with bulldozers and the good top soil of the farm is pushed into the road and bar ditches.

Our grazing lands have been over stocked. Native grasses have given way to weeds and low quality grasses, and this reduction of cover has led to much washing of pasture land.

Thus we are faced with loss of organic matter in our soil, and loss of a good stand of the better native pasture grasses.

Since my District began operation in the spring of 1947—about 5½ years ago—cooperative agreements have been signed with 542 farmers and ranchers who operate about 420,000 acres of land. This figures more than 65% of the operators and more than 75% of the area of the District.

I believe this is a very good record and is highly indicative of the confidence the farmers have in the benefits and advantages of being a District cooperator.

My District has been especially helpful in furnishing special equipment at nominal rental rates.

Every cooperator knows the value of the technical assistance and other help given through the District by the Soil Conservation Service and other Federal and State agencies.

The Job ahead is to encourage the balance of the farmers and ranchers in my District to become District Cooperators. It is only through a united effort by all of us that this tremendous job can be done.

We live on the farm where my wife lived as a child. Lake Creek runs into Salt Fork of Red River just below our place. As a child my wife could jump across this creek as its narrow channel flowed through native grass. Then the years brought erosion as grass-land was plowed up and farmed. This creek was often one-half mile wide after a big rain. Then deep sand and good top soil were left where grass used to be.

This is just one example of what happened in many of the watersheds in my District.

As our average rainfall is only 23.89 inches, what a critical situation this was, to see our water

go down the creeks.

We knew this water should have entered the soil where it fell and the soil should have remained in place.

So we began to terrace and contour farm, strip crop, leave more crop residues, use cover crops, seed grasses and legumes, and build farm ponds and erosion control dams, as a means of keeping our soil and water at home.

The creek rises have already noticeably decreased. Our job ahead is to keep on with our conservation practices until these creeks are again back in their narrow channels.

(Continued next week)

### Contractors' Notice Of Texas Highway Construction

Sealed proposals for constructing 9.914 miles of Gr., Strs., Base & Surf. from US 287 at Lelia Lake N. to rd. int.: Fr. SH 203 at Hedley, W. & N. to rd. int.: from US 287 at Lelia Lake S. to rd. int. on Highway No. FM 1755, 1932 & 1754 covered by S 1697(1), S 1793 (1), & R 1818-1-1, in Donley County, will be received at the Highway Department, Austin, until 9:00 A. M., Nov. 14, 1952, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications avail-

able at the office of J. G. Dewald, Resident Engineer Amarillo, Texas, and Texas Highway Department, Austin. Usual rights reserved.

(39-2c)

Mr. and Mrs. Herman Cross and Annette of Goodnight moved to Amarillo Nov. 1st, where he has received employment.

## Fresh from the Freezer

"Life is simpler, Judy, since we've had this Electric Home Freezer, full of fresh frozen things to eat—and the meals are better! Look at the variety in there! Corn on the cob, strawberries, peaches, snap beans—meat, cakes all baked and ready to warm in the oven—your school lunches for a week, all wrapped and frozen so I just have to take a package out in the morning when you leave for school.

'And we're never 'out of things'. When they have bargains at the stores—in frozen foods or in meats—I can stock up on them. I never have to throw leftovers away—just freeze them to use weeks later. So you see, his freezer saves me time and saves your Dad money, too!"

An Electric Home Freezer saves time and trouble in many different ways, and provides better meals. For the holidays, mince pies, puddings and the like can be baked in advance and frozen. Chili con carne, spaghetti and chop suey can be packed in meal-size containers, and frozen for future use.

With an Electric Home Freezer you can shop every couple of weeks instead of every day or so. Buy meats, fruits and vegetables when they're on sale, save money that way. You simply freeze and store until needed.

A complete Sunday dinner, prepared weeks in advance and stored in the freezer, is ready to heat and serve when needed. Hamburgers, wieners, and lunches for picnics can be frozen in advance.

### DID YOU KNOW... with an Electric Home Freezer you can:

- Freeze bread slices until needed, keeping them fresh and firm...
- Freeze large quantities of cooked beans, soups, etc., and store for later use...
- Freeze and store cakes...
- Freeze waffles, warm in electric range oven as needed...
- Store ice cubes for parties...
- Save enough on food to pay for the freezer in a relatively short time!

MOTHER KNOWS BEST... of course, it's Electric!

West Texas Utilities Company

# Better Deal and a Better Buy

You always get a

WITH CHEVROLET TRUCKS!

Better Buy Now!

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

### A better deal because...

Every Chevrolet truck is factory-matched to the job—with the right power, the right capacity, right engine, transmission, springs, axle, and tires to do its work at the lowest possible cost.

Come in and see for yourself what a wonderful deal you'll get with a great new Chevrolet truck.

### A better buy because...

THEY LIST FOR LESS Production economies, possible because Chevrolet is the world's largest truck manufacturer, let Chevrolet trucks list for less than comparable models of any other make.

### LOWER OPERATION AND MAINTENANCE COST

Valve-in-Head engine design; strong and sturdy Hypoid rear axles; Flexi-Mounted cabs; rigid, channel-type frames; single-unit rear axle housings; Unit-Design bodies and many, many other features reduce costs and increase the life of your Chevrolet Advance-Design trucks.

### TRADITIONALLY HIGHER TRADE-IN

Chevrolet trucks keep their value longer—proof of the greater value built into Chevrolet trucks and a wonderful plus at trade-in time.

## Reading and Lighting and 'Rithmetic

Look what some figure-happy statistician just found out. From kindergarten through high school, school kids have to plow through a pile of books 18 feet high. A photograph taken of this pile of books would make your eyes ache.

Close visual work is hard on the eyes. A New York State survey of 83,000 students showed only one in 20 kids had vision defects at kindergarten age. By senior high, eye troubles affected six students in 20.

Good lighting is one readily available means of making seeing easier for these students. Lighting engineers find that over half the schools still use old, globe-type fixtures that give only one-sixth the light that ought to be on the desks.

In those schools that have installed modern lighting, teachers report that students are more eager to study, are happier and require less discipline. The teachers find their jobs easier.

To help schools analyze what light is needed, General Electric engineers work out various lighting systems in model classrooms where effects can be demonstrated and compared. A booklet is offered, "Making Schoolwork Easier on the Eyes," in which current practices are summed up. (Write the Lamp Division, Nela Park, Cleveland, Ohio.)

It is the aim of General Electric to translate its engineering help into public service at the community level.

You can put your confidence in... GENERAL ELECTRIC

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

Notice is hereby given to all persons having claims against the estate of W. J. Williams deceased to present the same to Mrs. Roxie E. Williams, at her home at Clarendon, Texas, or mail such claims to me at my address which is 3731 Columbia St. in San Diego, California. This October 28th 1952. T. A. Williams, Executor. (41-p)

Donley County Leader. \$2.50 year

**Stop Taking Harsh Drugs for Constipation**

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!  
 Taking harsh drugs for constipation can punish you brutally! Their cramps and gripping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size. Money back if not satisfied. Mail bottle to Box 280, N. Y. 18, N. Y.  
**DR. CALDWELL'S SENNA LAXATIVE**  
 Contained in all-vegetable Syrup Pepsin

Mr. and Mrs. C. R. Cross of Goodnight visited one day last week in Amarillo with their son, Mr. and Mrs. Herman Cross and Annette.

A/3c Charles Mac Jacobs has returned to his base at Las Vegas, Nevada after having completed a Jet aircraft mechanics course at the Amarillo Air Force Base. He is the son of Mr. and Mrs. W. L. Jacobs, Clarendon, Rt. 1.

If you owe an ancient bill and your conscience won't be still, and your neighbors bear ill will—forget it.

**NOTICE OF BIDS**

Sealed bids will be received in the Office of the City Secretary up to 5 P. M. on December 8, 1952, at the City Hall, Clarendon, Texas, on the sale of the West 1/2 of Block 23, Wasson's Subdivision of McLean's Addition to the Town of Clarendon, Donley County, Texas, court costs to be included or excluded in the bid price according to the wishes of the bidder. The City of Clarendon reserves the right to reject any or all bids. (40-c)

Donley County Leader. \$2.50 year

**YOU GET THE ONLY FULL-TIME POWER STEERING**

**CAUTION ROUGH ROAD**

**In the most beautiful CHRYSLERS ever designed!**

**IT WORKS FULL-TIME!** The kind of power steering you can have in the stunning new Chrysler for 1953 works for you all the time... unlike some other types of power steering which aren't effective until you exert up to 7 lbs. pressure on the steering wheel!

**IT'S SAFER!** On rough roads, soft shoulders, loose gravel, or in the event of a blow-out, Chrysler's full-time power steering gives you complete control of your car at all times. Hydraulic power helps you turn... lets you hold a true, steady course with a constant, predictable "feel" to the steering wheel. And with far less fatigue, no matter how long the trip!

**IT'S EASIER!** 85% of the steering effort is taken off your hands, substantially more than with any other type of power steering. Even when the car is standing still, you can actually turn the wheel with one finger. A real boon in traffic... on hard-to-negotiate driveways... or when parking!
