

March of Dimes Drive Nets Over \$1,000

Walter B. Knorpp, Chairman of the March of Dimes Drive in Donley County, announced yesterday that a total count had not been made of the local drive but that over \$1,000 dollars had already come in.

"We have already received more money than was raised last year and we can be doubly proud this year as it was strictly voluntary with no expense to be drawn from the fund," Mr. Knorpp stated. "In behalf of the local Infantile Paralysis chapter, I wish to thank each and every one who donated to this fine cause," he added.

COUNTRY CLUB MEMBERS ELECT NEW DIRECTORS

Three new directors were elected Tuesday evening at the annual stockholders meeting of Country Club members. The new directors are: W. W. Nöblet, Mike McCully and H. M. Breedlove. The retiring directors are Claude Moore, Bud Knorpp and Bill Lowe. The new directors will serve a three year term. Officers of the club will be elected at a later date.

Son-In-Law of Local Couple, One of Four Injured In Accident

E. N. Foster, age 56, a son-in-law of Mr. and Mrs. U. T. Fowler of Clarendon, was one of four men injured seriously as a result of an Amarillo woman, Mrs. Ollie Kincaid, crashing through a street barricade Tuesday afternoon striking the four men. Dewey A. Copeland, a city workman, was killed when the Kincaid car struck him head-on and carried his body 135 feet. The car hit Mr. Foster a glancing blow, knocking him into the concrete street gutter. He was taken to St. Anthony's hospital where it was found that he had suffered multiple lacerations of the skull and possible skull fracture, multiple face lacerations and fracture of the right shoulder. His condition was described as critical Tuesday night but some improvement was reported Wednesday afternoon. Mr. and Mrs. Fowler and son J. M. went to Amarillo Tuesday night to be with the injured man.

Mrs. Kincaid was arrested at the scene of the accident and has been charged with murder without malice.

The accident occurred on north Filmore just beyond the underpass. A street repair crew was at work repairing the pavement. Three out of the seven man crew were uninjured.

HOME OWNERS—A trifle displeased over the prospects of spending the rest of their Korean tour of duty in a fox-hole, these two enterprising Canadian soldiers built themselves this cozy cottage near the front lines. They are putting the finishing touches on the landscaping around their home built of ration boxes.

CONCERT ASSOCIATION TO PRESENT VIRGINIA SALE HERE FEBRUARY 18

The Donley County Concert Association will present Virginia Sale in her Americana Character sketches Monday evening, February 18th, at 7:30 p. m. in the College Auditorium.

Miss Sale, who is the sister of the late "Chic Sale, has appeared in some 600 cities over the United States. For years she appeared regularly in a radio serial and at the same time did character roles for motion pictures. In New York, Miss Sale has written, produced and appeared in her own television program, "The Wren's Nest."

Admission is by membership card only.

BAND AND ORCHESTRA PARENTS TO MEET

Band and Orchestra Parents will meet Monday night, February 18, in the band hall. The meeting has been called for 7:30.

All members are urged to be present to hear the report to be made by the Activities Committee. This is especially important as plans will be made to help finance the band for the remainder of the school term.

LEGION AUXILIARY TO MEET

Members of the American Legion Auxiliary will meet Tuesday evening, February 19, in the Legion Hall. Everyone is urged to be present as plans must be made for the spring Legion Convention to be held in Clarendon.

City Election Set For April 1st

Since the First of April happens to fall on the first Tuesday in April, that will be the date when local voters will go to the polls and elect new commissioners to head the city for the next two years. According to the last report from the City Hall, only one candidate had filed for commissioner. Edwin Baley announced that he would seek re-election. E. J. Chenault, the other commissioner, stated yesterday that he would not offer for re-election as his personal business required the major part of his time and he would not have the required time necessary to handle the city job as it should be.

Anyone wishing to file for city commissioner and get their name on the ballot must do so thirty days before election date which will be March 1st.

Worker's Conference To Meet Feb. 19 With Lesley Baptist Church

The Leader has been asked to announce that a Worker's Conference will meet February 19 with the Lesley Baptist Church. A good number of local workers are expected to attend.

The following program will be given:

- 10:00—Song Service, Bee Nichols.
- 10:15—Devotional, Rev. J. Ivey Miller. (Miss. from Chile)
- 10:35—A Missionary Speaks, Rev. Ed C. Thomas (Miss. from Alpine).
- 11:05—Roll Call of Churches
- 11:15—Special Music, Bee Nichols.
- 11:20—Morning Message, Miss Blanche Groves (Miss. from China).

LUNCH

- 1:15—Board Meeting and WMU Meeting.
- 2:00—Song Service, Bee Nichols.
- 2:10—Afternoon Message, Rev. Sewell H. Farrell (Miss. from Oklahoma).

Brotherhood of The First Baptist Church To Meet Thurs. Eve

The Brotherhood of the First Baptist Church will be host to the Panhandle Association Brotherhood this Thursday evening at 7:30. They are inviting all men of Clarendon to come and be their guests and to hear the special program which has been arranged by A. H. Moore. The special feature is a speech by C. J. Humphrey, lawyer of Amarillo. Mr. Humphrey was "Man of the Year" in Amarillo in 1949, president of the Brotherhood of the First Baptist Church of Amarillo in 1950, Director of the Young People's Dept. in Sunday School; works in the Training Union; belongs to several civic organizations and had a great part to play in the establishment of a Clinic for the treatment of Cerebral Palsy.

Hershel Heath has promised that there will be food for everyone and plenty of "Barefooted Coffee."

Come and take part in this MEN'S service and enjoy the fellowship with other Christian men!

Senior Spelling Bee To Be Held Feb. 19

The elimination for the Senior Spelling Bee will be held in the Clarendon Junior High building February 19th at 2:30 p. m. All participants will be from the 7th and 8th grades and from all the schools in the county. Miss Ruth Richerson, who is in charge of the eliminations for Donley County, made the above announcement this week. It is in connection with the annual Globe-News spelling Bee.

IN FT. WORTH HOSPITAL

Sgt. Ralph R. Percival was admitted recently to the Air Base Hospital at Carswell Air Force Base at Fort Worth where he will undergo a series of skin grafts following an operation on his leg and foot. The first operation was performed before the Xmas holidays and these series of grafts will replace tissue removed at that time.

Miss Anna Moores and Mrs. J. D. Swift left Sunday for Dallas where they visited until Tuesday.

Clarendon Jr. College A Community Asset Says Local Student

Hollis Beane, a student at Clarendon Junior College, told members of the Clarendon Lions Club at their regular noon luncheon Tuesday. "I picked a Junior College because I wanted to be a person, an individual, and not just a numbered seat in a classroom."

"I considered two other Junior Colleges before I picked Clarendon but I'm glad of my choice; I like Clarendon Junior College; I like its faculty and the personal interest its instructors take in the students; I like the friends and the associations I have here, and I'll take a Junior College in preference to a Senior College and I have been to both."

Beane pointed out the financial income derived by Clarendon and its merchants from the student body, many who come from out of town, and how support of the college and its enlargement by increased enrollment could be developed as a "payroll" by local merchants.

Services Held Tues. For G. W. Wood

Funeral services were held Tuesday morning at the First Baptist Church for George Washington Wood with Rev. L. A. Sartain and Rev. C. T. Williams, officiating.

Mr. Wood, 60 year old retired farmer, passed away at his home here last Saturday. He had been in ill health for the past several months. He had been a resident of Donley County about 20 years, moving here from Hall County.

Survivors include his wife, Mrs. Lizzie Wood of Clarendon; three daughters, Mrs. Ruby Thompson and Mrs. Lovie Taylor, both of Clarendon, and Mrs. Dupree Linstead, Denison, Tex.; four sons, John H., Clarendon; Artie, Nocona, Tex.; Tarpley Wood, Hensley, Ark.; Vernon Wood, Fort Wayne, Ind.; three sisters, Mrs. Esther Endsley, Waco, Mrs. Lillie Reeves, Midland, and Mrs. Nora Owens, Marysville, Tex.; two brothers, H. F. of Big Spring, and W. T. Wood, Norman, Okla., and 12 grandchildren.

Pallbearers were Luther Hall, J. C. Perdue, L. M. Putman, G. W. Bradshaw, Marshall Harp and D. R. Phillips.

Interment was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

SIMS P.T.A. TO MEET

The Sims Parent Teachers Association will hold their regular meeting Thursday afternoon, February 21, at 3 o'clock in the Junior High School Auditorium. The program will be presented by students of the fifth grades taught by Mrs. Bill Todd and Mrs. Harold Longan.

The public is invited to attend.

Community Clinic Creates Interest As Meeting Date Nears—Feb. 22nd

Chamber of Commerce officials are very pleased with the inquiries being made by local people about the 'community clinic' to be held February 22nd.

"Inquiries up and down main street show an interest in local affairs and the local community", one Board member said. "The Chamber of Commerce is the organization nearly always responsible for those things adding to the progress of our community that most people think just happen. In order for the Chamber of Commerce to formulate a program for this year that will be popular in its appeal and beneficial to the whole citizenry, ideas and suggestions from the general public, the people, are being solicited through the 'community clinic,'" he added.

The 'community clinic' will be conducted through a series of six meetings commencing at ten o'clock February 22nd, at which the Chamber of Commerce is asking the public to participate and answer the question, WHAT DO YOU WANT? The six meeting groups are (1) Service and Trades People, (2) Students, (3) Ranchers and Farmers, (4) Retail People, (5) Women and (6) Teachers and Professional People.

The special committee working with the C of C on the 'community clinic' are Miss Ruth Richerson, J. W. Murphy, Noel T. Cudd, George Schollenberger, Mrs. R. C. Bryan, Lee Bell, Frank Phelan, Jr., R. E. Drennan, George Thompson, W. W. Sandifer, Willard Skelton, C. B. "Cap" Morris and H. M. "Flip" Breedlove.

Officers and members of the Board of Directors and Advisory Board who are not on the special committee are Bob Moss, Maurice Lane, Alvin Landers, J. H. Spier Jr., Bill Todd, Carroll Knorpp, Jack Brooks, and J. R. Porter.

First Baptist Church To Conduct Annual School of Missions

J. C. Arthur, Educational Director of the First Baptist Church, announces that they are having their Annual School of Missions beginning Sunday, February 17, and lasting through Friday, February 22nd.

During the six days they will have seven different missionaries to speak for them; three foreign missionaries and four home missionaries.

The school will begin Sunday morning with Mrs. Rex Ray, wife of Bro. Rex Ray missionary to China who is now in Korea assisting in evangelistic work. Then Sunday night they will hear Bro. Sewell H. Farrell, home missionary to the Indians of Cherokee, Okla.; Monday evening Bro. M. V. Gonnson from Taos, N. Mex.; Tuesday evening Bro. Jim Pichup of Tahlequah, Okla.; Wednesday evening Bro. J. Ivy Miller, missionary to Chile; Thursday evening Bro. Ed C. Thomas of Alpine, Texas, and Friday evening Miss Blanche Groves, missionary to China will speak.

The services will begin each evening at 7:30. They will be educational and inspirational and everyone of every denomination is invited to come and participate in this week of special missionary endeavor.

METHODIST STUDENT CENTER DEDICATED AT CANYON SUNDAY

Bishop William C. Martin of Dallas dedicated the Methodist Student Center at WTSC at Canyon Sunday afternoon. The \$43,000 structure, built of Arkansas Harmony Ledge stone, was officially opened Sept. 18, 1949. Since that time, it has served as the center of Methodist student activities on the college campus. The building is comprised of nine rooms including a student work room furnished by the First Methodist Church of Clarendon. Some 200 Methodist clergy, laymen and students were present to inspect the 9-room structure.

ROYAL CHARM—The new Queen Elizabeth is known for her royal dignity and charm, as Americans who saw her during her recent visit here can testify. The popular 35-year-old ruler is shown flashing her sunny smile as she attended a recent London film premiere.

TOOK A LOT OF DAM POWER—Government officials at Boulder City, Nevada are dwarfed by this huge rotor which is being moved by two 300-ton capacity cranes at Hoover Dam. The generator rotor is being lifted from the assembly pit at one end of the Arizona wing and being shuttled to its place half way to the other end of the wing. Those two cranes can share a burden of 600 tons—equivalent to the weight of three railroad locomotives.

Sees Manpower Drain

Heart Disease Bars Many From Duty, Says Hershey

Major General Lewis B. Hershey, Director of Selective Service, in an appeal for contributions to the February Heart Fund today stressed the vast drain on manpower heart diseases caused during World War II and predicted "we can assume this ratio will remain about the same in our present emergency."

Describing the loss of men to the Armed Forces caused by these diseases, General Hershey said: "World War II emphasized the tragic impact of heart disease on the nation. The

General Hershey

Armed Forces rejected 317,000 young persons because of diseases of the heart and blood vessels. "An additional 80,000 were discharged because of heart disease during their service in the Armed Forces. We can assume that this ratio will remain the same in our present emergency."

"Our defense efforts and our national health are tremendously affected by heart disease. But science is making every effort to combat this leading cause of disability and death and there is now new hope for all hearts due to the advances made during the past 15 years.

"These advances must continue," General Hershey concluded. "The Heart Fund—your gifts to medical science—help our doctors help us. May I urge you—for your sake, for your loved ones' sake, for your country's sake—to give generously to the Heart Fund. The address is simple, 'Heart, care of Post Office.'"

and family from Amarillo, Mr. and Mrs. Edd Reynolds and family from Goodnight, Mrs. McAnear and girls from Goodnight, Mr. and Mrs. Clarence Reynolds and family, all spent the day with Mr. and Mrs. R. O. Reynolds Sunday.

Mr. and Mrs. Raymond Waldrop and family spent the week-end with her sister and family, Mr. and Mrs. Clyde Pittman at Stratford.

Mr. and Mrs. William Jordan and Perry visited their daughter, Mr. and Mrs. Ray Robertson and family at Pampa Sunday.

Mr. and Mrs. Norris Spurgeon announce the arrival of a daughter at the Groom Hospital, February 3. The young lady has been named Zo Juanna and weighed 9 lbs. 12 oz. Both mother and baby are doing nicely and are now at home.

GABIE BETTS BURTON

Library Notes

By May L. Prewitt

This week we have quite a few books that are just for entertainment. "The Parson" by Alice Ross Colver is a 1951 edition—a novel filled with a real understanding of American life in a small town. "Look Out for Liza" by Faith Baldwin was written in her most lighthearted mood. It is a amerry novel about a gay deceiver. This appeared in the Companion in 1950, but some may not have read it. "The Glass House" by Alice Lent Covert—a short version of this once appeared in "The Red Book." It is a light romance that the younger

High School Students Get Taste of City Problems

Because of the interest which our county and city officials take in making better citizens of high school students, the Clarendon High School civics classes have been able to receive first hand information on local government. County and district officers visit-

girls and women will appreciate. Next is "Love Deferred" by Anne Duffield. It is an appealing romance that those who will enjoy who have been reading Anne Duffield's books. This is a 1951 edition and has not likely been printed in any of our periodicals. We have a 1952 edition of our outstanding writer, F. Van Wyck Mason. It is Himalayan Assignment. Van Wyck Mason usually gives us a historical novel of interest and facts.

There are some Westerns for those who enjoy these forms of fiction. Gooden's "Call of the Range" is a 1951 edition. E. E. Halleron's "High Prairie" is a 1950 publication, but I do not think it has been issued as a pocket, book copy. Then we have L. P. Holman's "Water, Grass & Gunsmoke," but since it was published in 1949 there may be a pocket edition of this. The paper backs are of such brief duration. The last of this western list is Chuck Stanley's "Coguse Courier."

The girls' have two new editions, but they are not recent publications: "A Three Cornered Mystery," and "The Mystery of the Locked Room." These belong to the Dana Girl Series. I do not find as many publications for the boys as I do for the girls.

ed the school and made talks explaining the duties of their offices. Through the invitation of city officials the classes visited each city department recently and learned how city government functions.

By secret ballot the classes elected officials who took over city government. Betty Jo Elliott, Carolyn McDonald, Shirley Brown and La Ree Hewett were tried for ordinance violations. El Ray Pyeatt, assisted by Bill Lowe, acted as prosecuting attorney. Donald Cherry acted as council for the defense.

The following students were present to represent the official whose office they were elected to fill. Cotton Hall, Mayor; Truett Koen, Water commissioner; Cleatus Smith, Street commissioner; Billy Bradshaw, city Marshall; Gene McBrayer, Fireman; Robert Cash, water pumper.

—Reported.

PLOWIN' Out the CORNERS

by Uncle Zeb

Most of you are familiar with the old fashioned Irish Stew, and a better dish could not very well be thought up. But I wonder if you ever heard of Scotch Stew? Anyway, a little bird told me, that last week our good friend Uncle Bob, the Scotchman from Washburn, Texas, was making up a concoction of his favorite stew, when unconsciously he found himself putting the peelings in the stew and the peeled potatoes in the wastebasket. Wish I could have happened up about that time. I wonder how it tasted. I guess that I shouldn't be too mean to Uncle Bob because he sent me a Scottish Wit and

Humor book, and as one of my readers remarked recently, I sure could use some wit and humor, especially the first. Thanks, anyway.

As most of you know that read this column regularly, we are just a little bit allergic to government doles, gifts and subsidies, or even tho we should call them by their real name of blackmail for votes we would still be against most of them. Anyhow, of all the things received from the states or the government one of the very highest ranking ones is in my opinion, old age assistance checks. I think this is one thing that has many good points and even though I think it should be kept as close as possible to the local level in financing and controlling, it just almost has to be done in some way except on the individual. Anyway, last week one lady told me that she just had a horror of the day coming when she would have to accept it. And the main reason that she gave was all of the many investigations. She said, that not only

did you have to take a paupers oath but you were continually checked as if you were a crook and if you received the smallest gift that it would be taken off of your next check. Is this a common practice by the investigators? This lady told of a friend that received two gingham dresses for Mothers Day, and that the next check was deducted for that amount. Just don't seem like a thing like this should be done.

Intelligence and courtesy, Not always are combined; Often in a wooden house A golden room we find.

—Longfellow.

On my statements as to the liquid question in recent weeks I guess there was more comment pro and con than on any statement made in this column in recent weeks. I still maintain that our stand on the question is important. That little boy who thinks every thing that his Daddy does is great stuff will never lose the picture from his mind of his Dad sipping beer, or should he ever have seen him wobbling into the house, a drunkened senseless mess of the supposed to be image of God. He won't forget it for a long time. I talked to a father the other day and he brought up this angle as something that will make us think as fathers. He says, "When our boy reaches almost grown, asks for the family car, makes a date with a neighbor girl and heads for the nearby town with its honky-tonks it will wake us up; knowing that should he take one drink his ability to drive the car carefully and to think straight is reduced greatly." And he is right.

To thine own self be true, And it will follow as the night the day, Thou canst not then be false to any man. —Shakespeare

The things are mighty few on earth That wishes can attain, What'er we want of any worth We've got to work to gain. —Edgar A. Guest.

Miss Monette Nevill of Wichita Falls visited the week end with friends here.

MOTHER'S HELPER—Twelve-year-old Jack McHugh is all concentration during a boys-only sewing class at the Madison Square Boys Club in New York. The purpose of the course is to have the boys help their mothers by sewing their own rips and tears. Jack appears to be pleased with his new-found mechanical skill.

HUDGINS

Mr. and Mrs. Calvin Pierce visited Mr. and Mrs. Price Webb and family Friday night.
Mr. and Mrs. A. B. Harris of Hedley spent Saturday with Mr. and Mrs. D. B. Koen and boys.
Mr. and Mrs. Harvey Shaw attended the fat stock show in Fort Worth last week.
Cpl. Winifred C. Mann of Walters visited his parents, Mr. and Mrs. Gilbert Mann the weekend.
Mr. and Mrs. Ira Self visited Mr. and Mrs. Barker Thursday night.
Mr. and Mrs. C. J. Williams spent Sunday with Mr. and Mrs. Dennis Reed.
Mr. and Mrs. Alton Webb and family spent the weekend with relatives in Pampa.
Mr. and Mrs. George Self visited Mr. and Mrs. John Perdue Saturday night.

MIDWAY

Mrs. John Goldston
Midway, a community of friendship, good neighbors and kind deeds, was again illustrated. Feb. 4th was the 3rd birthday of Jimmy Ray Riley. Jimmy has had a birthday celebration each year and was looking forward to this 3rd one. His mother had promised he should have one. But when the day arrived Jimmy's mother was ill and in bed, not able to give little Jimmy his party. Was Jimmy disappointed? No, for at the appointed time, a neighbor arrived with the party guests, presents, cake and all the trimmings and the little boy had his much looked for birthday party. This good neighbor was Mrs. Francis Smith. Guests were Barbara and Jimmy Smith, Jerry and Cleo Wood Jr.
Mr. and Mrs. Gene Chamberlain and boys of Memphis visited this past Sunday eve with Mr. and Mrs. Edwin Eanes.
Bill Moiring has deep plowed the Goldston farm this past week. Quite a lot of deep plowing has been done in Midway and this past year it paid off to a great advantage.

PARTY HONORS

NEWLYWEDS
Mr. and Mrs. Z. D. Davis, Jr. were honored with a party recently in the home of Mrs. J. D. Wood. Hostesses were Mrs. Hershel Heath, Louveta Cowan, Evelyn Jean Wood, and Willetta Riney.

The living room was decorated with a beautiful bouquet of red roses. In the dining room, the table was laid with a lace cloth and centered with a three tiered cake flanked on either side with an arrangement of roses.

A short program was presented. Mrs. James Moore sang "Always" followed by two readings by Mrs. Bud Moore entitled "A Prayer for a Bride" and "Twin Beds". Games were played throughout the remainder of the evening.

A number sent gifts who were unable to attend. Refreshments of cake, punch and nuts were served the following guests, the honorees, Mr. and Mrs. Z. D. Davis, Jr., Evelyn Gordon, Jim Guy, Mrs. James Smith, Mrs. F. O. Hodge, Lavelle Hodge, Geraldine Hommel, Jeanette Stogner, Mrs. Bud Moore, Joe Tom Naylor, Mr. and Mrs. James Moore, Ardith Butler, Mrs. J. A. Warren, Vernon Wallace, Mrs. Hubert Heatherly, Maurice Risley, Mary Neal Davis, Mrs. Dale Hill, Joan Putman, Mrs. J. D. Wood, Louveta Cowan, Evelyn Jean Wood, Mrs. Hershel Heath, Mrs. Z. D. Davis, and Willetta Riney.

H. D. CLUB TO MEET

The Senior Home Demonstration Club will meet in the home of Mrs. V. Poole Friday afternoon February 15. Mrs. G. L. Green will be assisting hostess. A Washington Day program will be presented at that time.

Donley County Leader, \$2.50 year

MOTHERS CLUB PARTY

Members of the Mothers Study Club entertained their husbands with a party at Patching Club House Tuesday evening. Ivy was used in the entertaining rooms as decoration.

A buffet supper was served from the dining table which was laid with a linen cut work cloth. The centerpiece was made up of an arrangement of red carnations and valentines flanked with red candles. Guests were seated at individual tables.

Following the meal, games of 42 and Canasta were played by Mr. and Mrs. Bill Mooring, Mr. and Mrs. C. M. Bennett, Mr. and Mrs. T. G. Wiley, Mr. and Mrs. Horace Green, Mr. and Mrs. Hershel Heath, Mr. and Mrs. Bud Moore, and Mr. and Mrs. Tom Seay.

ENTERTAINS WITH PARTY

Keith Pittman, son of Mr. and Mrs. Carl Pittman entertained a number of his friends with a party at the Canteen Monday night. The group played games and danced.

Refreshments of Cokes and cookies were served to Joyce Eddings, Linda Lamberth, Shirley Chilton, Glenda Borden, Paula Sue Skelton, Carolyn Thomas, Marian Martin, Mary Francis McCully, Harlene Smith, Jane Hill, Charlotte Brown, Jeanie McAnear, George Thompson, Navarre Bain, John Payne, Donald Adams, Billy Mac Hicks, Steve Reynolds, Jimmy Gattis, Lloyd Martin, Eddie Johnson, Chester Mann, Gene Alderson, and Keith Pittman by Mrs. Carl Pittman and Judy assisted by Mrs. Pete Borden and Regina.

Ruth Richerson visited the week end in Pampa and with her brother and wife at Borger.

WHO'S STUDYING WHOM might be a fair question by the casual observer in this cardiac clinic where children are examined by fluoroscope for rheumatic heart damage, congenital defects or other cardiovascular disorders. Early diagnosis of heart diseases is one of the main objectives of the program supported by the American Heart Association and its affiliates through the February Heart Fund.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met in regular meeting Feb. 7th in the Club Room with Viola Graham, the president, presiding. The meeting was opened with a prayer by Ivan Tollerson.

The Club gave \$5.00 to the March of Dimes. Arrangements were made for the demonstration on Nylon Corsages which will be an all day meeting with a sack luncheon on March 6th. On Feb. 21st we will have a Patriotic program with Laura Mahaffey as leader, Ima Wallace hostess. Edna Lee Perdue joined the club.

Mary Belle DeBord served delicious refreshments to 20 guests and members.

Nonie Hinders led an interesting Valentine program assisted

by Vena Hudson. It consisted of several games and a Valentine box. Several received Valentines and Pollyanna gifts.

We will be glad to have our new neighbors join the club. —Reporter.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met with Daphne Sullivan at the Community House. Two quilts were almost finished.

Those present were Nina Dale, Mazie Eichelberger, Madeline Philley, Ola McBrayer, May Pearl McDonald, Sarah Peggram, Nora Jackson, Adgar Williams, Connie Talley, Joy Roberson and hostess, Daphne Sullivan.

The next quilting will be with Sarah Peggram, Wed., Feb. 20. —Reporter.

PATHFINDER

Pathfinder Club met Friday afternoon at Patching Club House. Mrs. H. T. Burton and Mrs. E. P. Shelton were hostesses.

A lovely potted plant centered the secretary's table. Loyd and Ruth Richerson presented the program entitled "Let's Set The Table," a discussion of crystal, china, silver and table appointments.

Refreshments of white cake topped with whipped cream and cherries, and coffee were served to Mesdames Jim Patman, Bill Greene, Sr., Bill Greene, Jr., J. Gordon Stewart, Bill Bentley, Clyde Hudson, Fred Patching, W. H. Patrick, J. H. Howze, Heckle Stark, R. Y. King, Robert L. Cowan, Wm. J. Lowe, L. N. Cox, Pete Kunz, Carl Allmond, also Ruth and Loyd Richerson by the hostesses, Mrs. H. T. Burton and Mrs. E. P. Shelton.

MARTIN QUILTING CLUB

The Martin Quilting Club met with Blanch Higgins, Feb. 7. One quilt was completed. Had a nice attendance. A bountiful noon day meal was served and enjoyed by all.

Present were four visitors, Mrs. Willard Marshall, Mrs. Hubert Rhoades, Mrs. Alice Pittman, Mrs. Lois Hutchinson; members present were Lizzie Morrow, Willie Roberts, Lela Bulman, Eunice Land, Lella Barker, Lois Sibley, Nola Hill, Margaret Waldrop, Eula Butler, Lois Stevenson, Ruby Jordan, and hostess, Blanch Higgins.

There were four that received Pollyanna gifts. We also had one new member, Mrs. Elza Kidd. We are glad to welcome all visitors and new members.

Sorry that some of our members are still on the sick list. Hope they can soon be with us again.

Our next meeting will be with Mrs. Pete Land, Feb. 21. Hope every one will be there. —Reporter, Ruby Jordan.

WOMAN SOCIETY OF CHRISTIAN SERVICE

The WSCS met Wednesday afternoon, Feb. 6, in Fellowship Hall of the Methodist Church. The meeting was opened with the theme song, "This Is My

Fathers World" followed with prayer led by Mrs. E. P. Shelton.

In the business session, the month of February was designated as a month for visiting among the women of the Church in an effort to increase membership. To climax the visitation program, a tea will be held February 20, in Fellowship Hall, for all the women of the Church.

Mrs. W. C. Thornberry gave the devotional for the afternoon, "Is God Real."

Twenty-two members were present. The next meeting will be held Wednesday, February 13th at which time the program will be a Bible Study.

BIRTHDAY DINNER

Mrs. A. O. Hefner entertained with a birthday dinner Sunday in the Hefner-Jenkins home honoring her husband, A. O. Hefner. Those present for dinner were Mr. and Mrs. Ray Heiner and Patsy, Mr. and Mrs. Lloyd Hefner, and Mr. and Mrs. B. R. Wood, all of Amarillo, also Mr. and Mrs. B. M. Wood and Charles of Pampa, and Dr. B. L. Jenkins.

Others calling in the afternoon and present for supper were Mr. and Mrs. Lewis Fields of Amarillo and Mr. and Mrs. W. M. Pickering.

FAREWELL PARTY HONORS MRS. W. E. DAVIS

As an expression of appreciation of the many years of service to her friends and community, friends of Mrs. W. E. Davis gathered in the G. D. Craft home of Brice Tuesday evening to honor her with a farewell and gift party.

Mrs. Davis is moving to Gainsville, Texas.

Those attending and sending gifts were: Mesdames Zack Salmon, Cal Holland, Charlie Murf, Johnny Grady, Hilburn Gattis, Ralph Grady, W. H. Youngblood, Bill Thornberry, Don Grady, Everett Poschall, Duke Osborn, Joe Wood, Leon Fowler, Mr. and Mrs. Bray Cook, Mr. and Mrs. Perry Campbell, Misses Jo Ann Wood, Dixie Osborn, Linda Campbell.

Out of town people included: Mr. and Mrs. Redell Henson, Mrs. S. D. Churchman, Mrs. Lute Pittman, Mrs. Dewey Hendrix, and

Miss Mona Churchman of Clarendon; Mrs. Anna Dickson, Mrs. Carl Baker and children, Miss Freddie Starr Johnson of Memphis, Mrs. Herlie Moreman of Hedley, Mrs. Carrie Hudepeth of Gainsville, host and hostess, Mr. and Mrs. G. D. Craft.

KIL KARE KNEEDLE KLUB

Ladies of the Kil Kare Klub met in a surprise visit Thursday afternoon, Feb. 7, at the home of Mrs. Homer Mulkey, honoring her on her birthday with a soap shower. After viewing the gifts and singing "Happy Birthday", the guests spent the afternoon visiting.

Delicious refreshments were served to guests, Mrs. Lee Bell, Lee Ellen and Bob, and members, Mesdames Homer Mulkey, C. E. Lindsey, Frank Whitlock, W. A. Land, Buel Sanford, Harry Brumley, Major Hudson, Sam Lowe, R. R. Dawkins, R. O. Thomas, A. O. Hefner, and Ida and Etta Haro.

GIRL SCOUTS

Mrs. Longan's troop of Girl Scouts met at the Canteen Monday afternoon. In the business meeting the girls discussed the coming Valentine Party to be held at the Canteen Thursday evening. Reports were made by the Decorations, Entertainment, and Refreshment committees.

During the work period, the play to be worked up by the group was read. Ice cream was served by Margaret Cushing and Jackie Estlack. The girls adjourned to meet Thursday evening for a Valentine Party.

T. E. L. S. S. CLASS

The T.E.L. Sunday School Class of the First Baptist Church met Tuesday, Feb. 12 for a one o'clock luncheon. A lovely lunch was enjoyed after which a business and social meeting was enjoyed by Mesdames Ray, Simpson, Williams, Land, Barris, Dawkins, Darden, Hutson, Rumpy, Barton, Gibbs, Butler and Bingham.

We missed those not present. Hope they can be with us second Tuesday in March. —Reporter.

FRENCH QUELL TUNISIA REVOLT

TUNIS—Moving swiftly, the French put down a Communist-inspired uprising in the North African colony of Tunisia. Here a French soldier is about to capture a trouble-maker during disorders in Tunis, the capital.

EDWIN BAILEY ANNOUNCES FOR RE-ELECTION AS CITY COMMISSIONER

Edwin Bailey has authorized the Leader to announce his candidacy for re-election as City Commissioner. "In making my announcement for re-election, I would like to state that there are numerous things I would have liked to have done but due to the labor shortage and the increased cost of materials it was impossible. If re-elected I intend to give you the same type of service as in the past", was Mr. Bailey's statement.

Jimmy Palmer stationed at Camp Wolters, Mineral Wells, spent the week end with his mother, Mrs. Hattie Palmer.

Mr. and Mrs. E. W. Keith and children, Mrs. R. V. Rogers and son of Guthrie, and Mrs. Henry Chambers of Quanah, also Mr. and Mrs. Ray Briggs and children of Clarendon, were guests Sunday in the home of Mrs. W. K. Wade. Mrs. Wade, Mrs. Chambers and Mr. Keith are brothers and sisters. This was the first time the family had all been together since February, 1909.

The many friends of Mr. U. T. Dever will regret to know that he remains critically ill at the last report Wednesday afternoon.

Mr. and Mrs. Noel Harvey of Petersburg, Texas visited last week in the homes of Mr. and Mrs. Carl Pittman and family and Mr. and Mrs. Glenn Adkins.

If Lincoln Were a Delegate to the United Nations---

We must not be led by excitement and passion to do that which our sober judgment would not approve in our cooler moments.

—Abraham Lincoln

Dr. and Mrs. Joe Goldston attended the Twelfth Annual session of the Southwestern Congress of Optometry which was held at Hotel Texas in Fort Worth the first of this week.

Week end guests in the home of Mrs. E. W. Bromley were Mrs. Emma Burnett and Mrs. Harold Dexter of Ardmore, Okla., also Mrs. Sam Robinson and son, Sammy, of Amarillo.

Mr. and Mrs. Weldon Warren and baby of Clovis spent Saturday night here with his parents, Mr. and Mrs. J. A. Warren. Sunday, he attended a meeting of White's Auto Stores managers in Wichita Falls. They returned to their home in Clovis Sunday night.

Mrs. J. A. Warren, Ardith and Randall visited the Tillers in Amarillo Monday night and Tues.

Friends will be glad to learn that Mrs. A. L. Chase is improving from her recent illness. Her daughter, Mrs. Keith Stegall whose home is in Colorado, is visiting here at this time.

J. A. Warren was in Amarillo Sunday, attending some business and visiting his daughter, Mrs. Wayne Tiller and family.

Casualty Reports of Recent Major Hunting Seasons

AUSTIN—The Chief Clerk of the Texas Game & Fish Commission said incomplete casualty reports from the recent major hunting seasons show that at least 28 Texans died from accidents.

All but six of the tentative total died from gunfire. Five drowned and one died of a broken neck sustained in a fall from a deer stand in a tree.

At least six other persons died from heart attacks attributed to over exertion while hunting.

The Chief Clerk said the total for the last season would approximate that of the previous season, when at least 35 were listed as having died from assorted causes including heart attacks.

The number wounded during the recent season was estimated at "in excess of 50."

The Chief Clerk said the totals to date show that 13 hunters died from self-inflicted wounds and that seven were killed by guns handled by others.

In addition, one hunter was mistaken for a turkey, dying from a shot through the head by a .300 calibre bullet.

The Chief Clerk observed that, while the casualty total remained high, the number of accidents from hunters being mistaken for game appeared to be less than usual.

The seven fatal wounds which were self-inflicted included such common causes as leaning on the gun barrel, crawling through a fence, removing a gun from a car, barrel first, and striking the butt end of a gun against the ground.

Personnel Surveys for Air Force Reservists To Be Completed

AUSTIN — Fourteen cities in Texas and New Mexico have been selected as sites in the Air Force expansion program to complete personnel surveys on Air Force reservists in the two state area.

This was announced today by Colonel Edgar E. Glenn, Commanding Officer of the 3rd Air Reserve District Headquarters in Austin, who added that seven of the surveys would begin in early April, upon completion of large-scale operations which began Monday (Feb. 4) in San Antonio and Houston.

The decision to survey all of Texas followed completion of recent surveys in Dallas, Fort Worth, Lubbock and Austin.

Tentatively selected for Air Force survey sites were McAllen, Wichita Falls, Childress, Corpus Christi, Beaumont, El Paso, Paris, Waco, Tyler, Midland, Amarillo and Abilene. In New Mexico, Roswell and Albuquerque will be survey sites.

The fourteen cities and their surrounding counties include an estimated Air Force reserve population of about 11,000 reservists.

Surveys will start on May 26 for the Childress area, of which Donley County is included.

Mr. and Mrs. Rupert Bradley and Alsa Dean of Shamrock visited in Clarendon Friday evening

Spending the day Sunday with Mrs. Della Smith and Lu and boys Buster and Billie were Mrs. Smith's brother and wife, Mr. and Mrs. B. W. Braddock of Lakeview.

Official Texas Map Free For Asking

AUSTIN—Need an official Texas map? You will have an opportunity to get one when you register your car this year. The Texas Highway Department in cooperation with the County Tax Assessor-Collector is once again offering a free Official Highway Map to each registrant through a post card plan inaugurated last year.

This service on the part of the Highway Department and County Tax Assessor-Collector is intended to provide a means by which the Texas car owner can get something extra for his registration fee. These cooperating state and county agencies feel that every motorist who desires one of the colorful official maps is certainly entitled to it.

The Official Highway Travel Map not only shows the 40,000 miles of state highways but many of the Texas scenic highlights for the next vacation or week-end trip. Chock-full of information, the map encourages everyone to "See Texas First."

Here is the way you may take advantage of this opportunity: Every Texas resident who registers his vehicle in the state will be offered a return addressed

post card at the same time he purchases the 1952 license plates. If the car owner so desires, he may affix a two cent stamp to the card along with his name and address and mail it to the Highway Department. In return, a free copy of the colorful Official Highway Travel Map will be dispatched to the addressee.

Mr. and Mrs. Wm. Payne and son Lynn Payne attended a showing of the 1952 line of Leonard appliances at the Kemp Hotel in Wichita Falls Sunday. They also visited Midwestern University where a showing of spring merchandise was held for White Auto Store owners of this district.

Clyde Butler visited in Claude Sunday.

RECENT ADVANCES in diagnosis, treatment and prevention of heart diseases emphasize the slogan "new hope for hearts" displayed prominently on the official poster of the 1952 Heart Fund. The American Heart Association and its affiliates are seeking \$8,000,000 to combat this leading cause of disability and death in America. Contributions may be sent to the simple address: "Heart, care of Post Office."

First choice on the finest of new cars today
 ...and every year since 1947!

U.S. ROYAL Air Ride TIRES!

For your own car's tire replacement now!

- 1. YEARS OF MILEAGE!** No excess "lumpy" rubber to build up heat! Air Rides run cooler even at high speeds—thus give many thousands of extra miles!

Mr. and Mrs. U. T. Fowler and J. M. visited in the home of their daughter and family, Mr. and Mrs. E. N. Foster and Barbara, in Amarillo Sunday.

Dr. B. L. Jenkins accompanied Mr. and Mrs. Lewis Fields to their home in Amarillo Sunday evening and visited there Sunday night and Monday.

Mr. and Mrs. J. R. Bulls visited Mrs. John Bulls at Mangum, Okla. Sunday. Mrs. John Bulls, a sister-in-law remains critically ill.

Office photo showing Dr. Miller making a Chiropractic adjustment to remove the cause of this lady's sickness. Chiropractic corrects the cause of a dis-eased condition.

Nine times out of ten your trouble is the result of some nerve disorder—your body at one time functioned normally and if given the chance will do so again. Your health has been a matter of growing concern to you lately. You have tried this and that with little or no results. Why not stop the uncertainty and find the CAUSE of your trouble before wasting more time and money? CHIROPRACTIC is no cure all, nor do we claim it to be such. We do know that thousands of sick people have been restored to health by CHIROPRACTIC after they had become discouraged and about ready to give up.

REMEMBER: IT IS NOT TRUE TO SAY "WE DID EVERYTHING POSSIBLE" UNLESS CHIROPRACTIC WAS INCLUDED.

SINUS TROUBLE

This case is a lady, age 49, who had a history of 6 years of sinus trouble and hay fever, pains in the right side of neck and shoulder, rheumatic pains in knees, tired back, pressure feeling in stomach, dizziness and nervousness. After going the rounds of doctors and remedies, she finally came to a chiropractic clinic for spinal examination. After the X-rays located the cause of her trouble, spinal corrective adjustments were begun to realign and remove interference in nerve wave frequencies which restored normal function to the entire ill-functioned body. Upon discharge, this patient reported no symptoms of any kind remained. The body contains everything necessary for health if its forces are free to work efficiently.

HEADACHES

A 43 year-old man came to a Chiropractic Clinic complaining of a drawing pain in his right groin and abdomen causing a limp; was nervous and unable to sleep, had had headaches, left ear throbbing, and had gas pains. The Neurocalometer spinal analysis and X-ray located the subluxation causing the nerve irritation and interference. When case was discharged he reported no symptoms remained.

SCIATIC RHEUMATISM

A man, age 55, came to a Chiropractic Office complaining of pain in the left leg, gas in stomach, a drowsy, dizzy-headed feeling, dull headaches, backache, nervous shaking in left side, and low blood pressure. A spinal Neurocalometer analysis and X-rays revealed a nerve interference. Adjustments were begun and in time he reported all symptoms gone and that he was feeling fine.

KIDNEY TROUBLE

A man, age 32, had been getting treatment for kidney trouble for some time, but noticed he was getting no better and nervousness was increasing; was constipated; caught colds easily and just felt low generally when he came to a Chiropractic office for examination and spinal analysis. The cause was found to be nerve interference causing defective energizations of kidneys and digestive tract. Corrective adjustments restored alignment of subluxated spinal bones which removed nerve interference and permitted normal energization. Patient was discharged in a few months feeling full of pep and without complaints.

LELIA LAKE

Mr. and Mrs. H. R. King

Mr. and Mrs. Harmon Meadows of Jayton came Saturday to spend the week with Mr. and Mrs. Bert Ayers.

Mr. and Mrs. J. R. Williams and Sharon of Groom spent the week end with her parents, Mr. and Mrs. D. E. Leathers.

Mrs. Bill Poole spent last week in Hedley with her mother.

Miss Shirley Aten, who is working at the Farmers State Bank in Clarendon, spent the weekend with her parents, Mr. and Mrs. Quinn Aten.

Mr. and Mrs. Albert Sanders and Gene of Alanreed, Mr. and Mrs. Billy Von Sanders and daughter of Amarillo, and Mr. and Mrs. Audrey Lomax and son of Amarillo visited relatives and friends here Friday and Saturday.

Mrs. James Smith and Mrs. Hester Shields attended a club meeting in the home of Mrs. John Heathington of Chamberlain last Thursday.

Mr. and Mrs. H. R. King Jr. of Canyon spent the weekend here with his parents and other relatives.

Mrs. Arthur Dutton visited relatives in Lakeview and Wellington Sunday.

Mr. and Mrs. Alvin Mace and Jimmie of Farwell left Sunday after a visit here with relatives. Mrs. Oscar Roberts of Amarillo spent the weekend here with Mrs. Earl Myers.

Misses Bobbie Nell Seago and Marilyn Swink of Bethany, Okla. spent the weekend with Bobbie's parents, Mr. and Mrs. Nelson Seago.

Mr. and Mrs. Brice Webster, Mr. and Mrs. Gus Rasco and Jerry, Mr. and Mrs. Scott Shepherd and Dana, and Mrs. Allie Caviness, all of Memphis spent Sunday here with Mr. and Mrs. Quinn Aten.

Mr. and Mrs. Edd Yates of Amarillo spent the weekend here with her parents, Mr. and Mrs. Olen Usery.

Mr. and Mrs. Cecil Wood and son, formerly of Wellington, moved to the Holloman place last week.

Mr. and Mrs. Doyle Christie and Danny of Amarillo visited relatives here last week.

Mrs. Quinn Aten visited relatives in Memphis last Tuesday.

Mr. and Mrs. Margent Hurst of Lubbock and Mr. and Mrs. Billy Moreland and Mike of Abilene spent the weekend with the ladies' parents, Mr. and Mrs. Earl Fox.

Mr. and Mrs. J. W. Shields spent Sunday with friends near Deep Lake.

Miss Christine Shields spent Sunday with relatives in Memphis and Estelline.

Harold Usery of Denver, Colo. came Saturday night to visit his parents, Mr. and Mrs. O. L. Usery.

Mr. and Mrs. Johnny Leathers

of Canyon spent the weekend with his parents, Mr. and Mrs. D. E. Leathers.

Mr. Dwayne Reeves spent the weekend with his brother in Lubbock.

Ted Thomas left Monday for Amarillo where he entered the U. S. Navy.

Mr. and Mrs. W. P. Gilbert and family visited relatives in Wellington Thursday.

Mr. and Mrs. Alfred Shields of Dalhart spent the weekend here with their parents.

Mr. and Mrs. Ferral Floyd and Mollie spent the weekend in Bowie as guests of Mr. and Mrs. J. T. Floyd.

J. B. Reynolds, who is visiting his daughter and family in Okla.

City came home last week and spent a few days.

Mr. and Mrs. Wallace Riffle and children of Abilene spent the weekend here with her parents, Mr. and Mrs. Olen Usery.

Mr. and Mrs. Nelson Seago visited with Mr. and Mrs. Clyde Nix in Shamrock Sunday.

Mr. and Mrs. Herman Mooring and Robert of Amarillo spent the weekend with her parents, Mr. and Mrs. D. M. Cook.

Mrs. Bob Watkins and Mrs. Cleo Bell and son of Wichita Falls spent the weekend here with relatives.

Mrs. Bonnie Mooring and Mrs. Lester Myers entertained with a party in honor of Winnie V. White's thirteenth birthday in

the Mooring home Saturday afternoon. Those to enjoy the games and refreshments of ice cream and cake were: Julia Fox, Marilee Smith, Joyce Johnson, Roddy Seago, Don Rumpy, Ralph Watts, Jimmie Burnett, John Bob Butler and Isaac Noble.

CARD OF THANKS

We wish to thank our many friends for your many acts of kindness and words of sympathy during the illness and death of our loved one, and for the beautiful floral offering. May God's richest blessings be with each of you always.

Mrs. Alice A. Raney
W. W. Raney and family
Mr. and Mrs. J. N. Weaver.

How you, too, can reduce hauling costs on your job

Here's a sure way to cut hauling costs on your job. Get a truck that gives you more mileage on gas and oil... that costs less for upkeep... that carries more payload. A truck like that will really save you money!

Owners of Dodge "Job-Rated" trucks enjoy the outstanding economy of trucks that are "Job-Rated"—engineered at the Dodge factory to fit a specific job. Because they're "Job-Rated," these trucks stand up better, save money.

Come in today for the complete economy story. Let us show you how a Dodge "Job-Rated" truck will cut your hauling costs.

Reduce costs with economical power—Dodge truck engines have four rings per piston, lightweight aluminum pistons, compression ratios as high as 7.0 to 1, and other economy values.

Reduce costs with low upkeep—You get such money-saving advantages as chrome-plated top piston rings, exhaust valve seat inserts, positive-pressure lubrication, and many others.

Reduce costs with bigger payloads—Because a Dodge "Job-Rated" truck has better weight distribution, it carries more load on the front axle. As a result, you can haul bigger payloads.

"We've saved a lot of money with DODGE 'Job-Rated' TRUCKS" says fruit packer FRANCIS HEIDRICH Herman J. Heidrich & Sons, Orlando, Florida

"We're really sold on Dodge for all-round economy and dependability. Every one of our trucks has been replaced by a Dodge and the whole fleet is standing up in a way that sure saves us money. "Dodge trucks certainly fit our job and keep costs down."

See us today for the best buy in low-cost transportation...

Bartlett Motor Company
CLARENDON, TEXAS

Motley County Man Announces For Representative

The Leader has been authorized to announce the candidacy of Elbert Reeves, Motley County farmer-rancher, for representative of the newly organized 88th district of Texas.

Mr. Reeves was reared in Motley County. He graduated from Texas Tech in 1931 and has taught school in Hale and Lubbock Counties. He is a leader in Matador community affairs and takes much interest in all matters pertaining to this area. He is 48 years old, married and has two sons, Donald of Dallas and Pat, a junior in the Matador high school.

Mr. Reeves is seeking the place of Andy Rogers of Childress who has been representative the past two terms and is now running for the Senate. Mr. Reeves plans to visit Donley County at a later date and get acquainted up this way.

Donley County Leader, \$2.50 year

FARM NEWS
From the County PMA Committee

PUSH COTTON THIS YEAR, SAYS B. F. VANCE

Cotton farmers will need to boost their yields over last year if they meet the 1952 production goal, B. F. Vance, Chairman of the State Agricultural Mobilization Committee said this week.

Texas cotton goal for this year is 11,915,000 planted acres, for a production of 4,798,000 bales. Getting a crop this size would mean that yields would have to average 193 pounds per acre, compared with an average of 164 pounds for the 1951 crops.

Nationally, the cotton goal calls for 28 million acres—about the same as was in cultivation on July 1, 1951. The '52 production goal is 16 million running bales, compared with actual production of 15.2 million bales last year.

Chairman Vance reminded farmers that cotton and feed grains are the crops that need the most attention this year. Demands during the past few years have been so large that disappearance has exceeded current crops. The result has been a gradual depletion of reserve stocks, instead of a desirable increase in stocks of these vital commodities.

If disappearance of cotton during the present marketing year runs about the same as for the past 2 seasons, the carry-over on August 1, 1952, will be only a little over 2 million bales, slightly less than the 2.3 million bales carried over last August. The carry-over for the 5 years 1946-50 averaged about 4 million bales.

POINTS TO BE CONSIDERED IN 1952 AGRICULTURAL OUTLOOK

Higher Government spendings are an important factor in the present favorable demand for farm products. These spendings will amount to about one billion dollars a week.

Prices received by farmers will apparently not increase in 1952 and price rises cannot be depended upon to give higher gross income. Farmers must look for increases in gross income mainly through increases in efficiency.

Costs will continue to rise and cash out-of-pocket costs must be planned carefully.

Labor will continue to be short and the cost will probably rise. Agriculture will probably lose close to one quarter million workers in 1952.

Feed can become a serious production problem and the cost will probably rise. Livestock numbers have been increasing faster than feed supplies. About 11 million more tons of feed used in 1951 than was produced.

Planning ahead and buying ahead on production supplies will be good business for 1952. Farmers, in order to be sure that they have what it takes to produce with, should plan their needs early and make arrangements to secure their need supplies.

Farm debts will continue to rise. From all indications, the non-real estate or short term obligations will increase faster than the real estate or long-term obligations.

Dollar reserves are a necessity in present day farming. A crop

BODY OF GEORGE VI LIES IN STATE

LONDON—Dead of a blood clot after 15 years of a conscientious reign, King George VI lies in an oak casket, plunging Great Britain and far-flung possessions into mourning. Guarded by royal retainers, the king, 56, was to be buried Friday after lying in state under royal standards during the week. The monarch died in his sleep Feb. 6. He had never fully recovered from a lung cancer operation Sept. 23.

failure which reduces gross income becomes very serious in present day farming.

Full and economical production is a must in modern day farming. A failure to produce large quantities of stuff to sell from the farm invites disaster. The farmer who fails to produce for whatever reason, finds himself in a personal depression.

1951 COTTON SURVEY CARDS

If you have not reported your 1951 cotton acreage and cotton production, please do so as soon as possible. This information might be very valuable to you in later years, so don't forget to report.

ATTEND CONVENTION

Among those attending the Hardware and Implement Convention in Amarillo Monday were Homer Estlack, Mr. and Mrs. A. M. Taylor, Mr. and Mrs. O. C. Watson and George, Mrs. Lena Antrobus, Barcus Antrobus, L. D. Aten, Jr. and Mr. and Mrs. L. E. Thompson.

VISIT IN LUBBOCK

Mrs. J. D. Wood and daughter, Evelyn Jean, and Mr. and Mrs. C. B. Roberts visited the week end in the home of Mr. and Mrs. Charles W. Wood in Lubbock. Mr. and Mrs. Roberts also spent Saturday night and Sunday with Mr. and Mrs. Cyrus Roberts at Shallow Water.

'Community Clinic' To Make More Clear Public Needs - Desires

The goal of the Clarendon Chamber of Commerce is to do what is best for the majority of the people of this community. The only way to the successful accomplishment of this goal is for YOU, the people, to lend your participation and cooperation through the 'community clinic' being held on February 22nd.

Staff members of the West Texas Chamber of Commerce in Abilene will be in Clarendon to assist the local Chamber in conducting the 'community clinic'. Mr. Ralph E. Duncan, manager of the WTCC Community Service Department was in Clarendon several weeks ago helping local Chamber officials with initial plans for the 'clinic'.

"It is called a 'community clinic' because it is designed to find out what the community needs just as individuals go to a 'medical clinic' to determine their medical needs for physical ailments", Duncan explained when he first met with the local group.

The Romans called it a "forum" and in the days of King Arthur it was a "round table." In the early colonies it was a "town meeting" or "assembly". Regardless of its name, (some towns have called it "Inventory Day"), it is your chance and opportunity to tell the Clarendon Chamber of

Commerce what YOU want in Clarendon and let them help you do it.

Mr. and Mrs. Norman Welborn of Batesville, Ark., spent Friday night here with her parents, Mr. and Mrs. J. A. Warren and sister, Ardith. They left Saturday for Lovington, N. M. where Mr. Welborn will be employed by The Petty Engineering Co.

GUY JONES, Manager

To The People of The 18th District

By Cong. Walter Rogers

THE TWO-CENT POST CARD:

Since the traditional one-cent post card was increased to two cents I have received quite a number of comments. At the time the rate was increased a provision was put into the law that when these post cards were purchased in lots of more than 50, an additional charge of ten percent would be made. Several

news stories relating incidents of an organization buying several thousand of these, 49 at a time, created a lot of commotion and many people have written me condemning such a theory as being silly. Here are some of the facts that caused the Congress to require the additional ten percent when more than fifty of the cards are purchased at one time. In the first instance, the one-cent post card (now two cents) was originally created as a cheap means of communication between the people of this country. The cost of the card from the time it was printed until it reached the addressee was more than the one cent and for many years has been more than two cents. I talked to the Post Office Department about this as I felt that the people were entitled to the facts surrounding the matter. The Post Office Department estimated that at the time the rate was increased from one to two cents the actual cost to the Department from the

printing of the card to the delivery of it to the addressee was approximately 2 3/4 cents. This means that every time one of these printed two-cent post cards was mailed, the Post Office Department, and of course the taxpayer, had to furnish an additional 1 3/4 cents from some other source; that source was of course the taxpayer's pocket. A survey reflected that approximately ninety percent of these cards that were being mailed originated from some company or organization engaged in sales promotion or advertising. The result was that the taxpayers of this country were actually subsidizing these advertising and sales promotion schemes to the tune of 1 3/4 cents on every card that was mailed. In other words, every time one of these organizations mailed ten thousand of these cards it cost the taxpayers of this country \$175.00; if the organization mailed 100 thousand, it cost the taxpayers \$1750.00. From your own

experience in receiving many of these advertising cards in your mail you can visualize how much the process was costing you. It was the opinion of many of the members of Congress that the addition of a small increase in the price of these cards when they were being purchased for the purpose of such type of advertising would measurably reduce the size of the subsidy and decrease the burden on the taxpayer. I write this explanation because I have received many letters asking me why Congress does not do something to stop some people from flooding the mails with advertising material that they do not want and serves only to clutter up their mail boxes and wastebaskets. If the Post Office Department were making a profit on these post cards, certainly it would be silly to put an additional charge on purchases of more than 50, but since they are being handled at a loss and the taxpayer has to foot the bill, the more the loss can be reduced, the better for the taxpayer.

From The Office of Price Stabilization

The new tailored ceiling price regulation on construction covers practically all contractors, OPS price officials said today, but most contractors are not aware that they are required to make certain filings with the district office.

Until these filings are made, they are not in compliance with the price stabilization program. "Contractors are not required to make filings on jobs that were in progress at the time the regulation (CPR 93) became effective, November 20 of last year," Hoyle Bowles, head of the Industrial Materials and Manufactured Goods Section of the Lubbock OPS, said, "neither do they have to file if they had properly filed under Ceiling Price Regulation 34, the regulation covering services."

If a contractor elects to use a percentage markup established under CPR 34 he may not apply that percentage to current costs. The new construction regulation CPR 93 contains adjustment provisions for recomputing percentage markups against current costs.

However, most contractors did not file under that regulation, he said, which means practically all of them must file under the new tailored regulation on construction.

The regulation, Bowles emphasized, was written to cure the hardships worked on contractors by CPR 34. The new filing requirement provides that the filing must be made on any contract or job started since November 20 within sixty days after work starts or the contract is accepted.

In general, the new regulation establishes ceiling prices on the basis of current costs for labor, materials and equipment, plus a specified markup for profit, based on customary profits during a base period.

Except for actual increases in labor and material costs, it is not expected that the new regulation will result in any general increase in charges for construction work, price officials said. The regulation covers transac-

tions in which the seller furnishes labor service or any combination of labor, materials, equipment and service for building construction, highway construction, heavy construction, railroad construction, and a broad range of miscellaneous construction.

Also included are transactions which involve shop fabrication by the installer of materials; the sale of installation or erection service by a manufacturer who installs or erects a commodity manufactured by him and charges separately for the installation or erection; and any transaction involving both the manufacture and installation or erection of a commodity with a single charge for the entire service.

To The People of The 18th District

By Cong. Walter Rogers

THE TROUBLE SPOTS:
The Middle East is fast becoming

ing the number one trouble spot of the world, just as I predicted in a previous newsletter and in a number of speeches in the district. The problems to be settled in that area are deep seated, and there are a great many more is-

suces involved than in the Korean conflict. The outcroppings of trouble in the Middle East are not the result of any new-born political philosophies or theories of government. These are the rumblings of peoples who feel that they and their lands have been subjected to foreign exploitation for years and years. The many problems posed cannot be settled quickly nor easily. The people from those countries with whom I have discussed the problems assure me that they do not look upon communist principles as a temporary or a permanent solution to any of their problems. Those people are all deeply religious; therefore it is impossible to reconcile their basic beliefs with the atheism of communism. They all assure me that they want to be friendly with the Western powers but that it is extremely difficult for many of their people who have been under colonial domination of Euro-

DIRECT FROM HEART, blood sample is drawn by this complicated device called a "catheter." A thin, hollow tube is inserted into arm vein, slowly worked inward to the heart chambers. Special instruments take a variety of readings at strategic points during the process, a new technique for diagnosing some forms of heart disease. Research in diagnosis and many other heart disease problems is supported by contributions to the Heart Fund.

Better Cough Relief

When new drugs or old fail to stop your cough or chest cold don't delay. Creomulsion contains only safe, helpful, proven ingredients and no narcotics to disturb nature's process. It goes right to the seat of the trouble to aid nature soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or druggist refunds money. UNIVERSAL MILITARY TRAINING:

The question of UMT or no UMT is a matter of daily debate in all corners of Washington. It is probably one of the most important domestic issues that has faced this country in a long time. Excellent arguments are advanced on both sides of the issue. Personally, I would like to have your thoughts and I would appreciate it if you would indicate your feelings by checking one of the following and mailing it to me with any comments you care to make:

- "For Universal Military Training....."
- "Against Universal Military Training....."

Mrs. Cap Lane and Mrs. Pauline Wilson and Jane of Paducah left Thursday for Dallas where they will spend a few days.

VISIT-OLD HOME

Roy Bulls of Amarillo and his mother, Mrs. J. R. Bulls went to Ft. Worth the first of the month where they visited her brothers, R. Bransford and F. M. Bransford. R. Bransford is recovering nicely from a recent operation.

On the return trip home, they visited Mrs. Bulls' old home place in Jack County where she was born. This was her first opportunity to visit there in the past fifty years. They returned home Sunday last.

Mr. and Mrs. J. R. Bulls visited Mrs. John Bulls in the home of her daughter, Mr. and Mrs. Bill Reeves, near Wellington Wednesday last. Mrs. John Bulls is seriously ill.

It looks like a "POWER YEAR"

New Horsepower—new Brake Power—and new Power Steering blossom on Buick's ROADMASTER for 1952

MAYBE you've heard—horsepower has hit a new high on the ROADMASTER.

Brake power has done the same.

But today, we'd like to concentrate on the third member of the power trio—Buick's own version of **Power Steering**, available on ROADMASTERS at a moderate extra cost.

What is this Power Steering like? It's something like a helping hand, something like a "hydraulic slave"—that relieves you of all steering strain, but lets you keep command.

What we mean is this:

Power Steering is handled by a special hydraulic unit—and engineers can design this unit to take over any amount of steering effort—even to a point where the wheel seems to float in your hand.

But in that case, you'd surrender all control to

that hydraulic unit—get no steering "feel" from the wheel.

Now, suppose you're telling two agile tons of automobile what to do in traffic. We think you'd like to have it know that you're in command.

And—out on the straightaway—we believe that a part of the joy you get from owning a Buick is the sensation of having something alive and eagerly willing beneath your hands.

So we're glad to announce that Buick engineers didn't spoil this thrill. They've kept the fun of driving, and simply eased the effort.

When you're rolling along smooth and straight, it takes almost no effort to keep any Buick on course. It almost steers itself, as every Buick owner knows.

But—when you want to get away from a curb

—back into a parking spot—make a turn—Buick's Power Steering comes into action, saves four-fifths of the effort required with ordinary steering. Power Steering does the extra work.

And—in case you wonder what happens if Power Steering gets out of kilter, the answer is **nothing**. Your Buick steers just as it always has.

That's why we've been saying, "This is Power Steering as it ought to be."

Come in. Try it out. We think you'll agree.

Equipment, accessories, trim and models are subject to change without notice.

Sure is true for '52

Donley County Soil Conservation District News

The Secretary of Agriculture, in announcing production goals for 1952, has asked the nation's farmers to increase the acreage of some crops over 1951. The demand of the defense program, plus population increase in the United States, means higher consumption of farm commodities than ever before. For two successive years we have been using more feed grains than we have produced, and as a result our reserve supplies have been reduced to a disturbing

level. The Secretary has asked for 15% more corn, 29% more grain sorghums, 5% more cotton, 18% more wheat. For Donley County farmers, these increases will have to come from additional acreages not cultivated in 1951 or increase in per acre yields from land that was cultivated. In selecting lands for crop expansion, farmers are urged to keep in mind the Agricultural Department's Basic Conservation Objective: to use the land within its capabilities, to treat it in accordance with its needs, and plant only those crops that can be grown without undue damage to the land.

For the sandy soils subject to wind erosion, increasing acreages of grain sorghums is one of the best methods of aiding the defense program.

Additional cotton acreage could be a serious threat to the permanent productivity of some of our deep sandy lands.

We should keep in mind that we are in a state of emergency and should increase the production of the crops adapted to our soils; however we should not risk the future productivity of our land for immediate production. Who can say how long the emergency will last?

G. L. HARRISON, Chief Fuzzer of Shamrock's Donegal Club, shows fellow Irishmen what a real donegal looks like. All males of the Irish city, between the ages of "capability and incapability" have been asked to cultivate donegals—beards typical of the sons of the "auld countries." Purpose: to publicize Shamrock's St. Patrick's Day Celebration, March 17th.

Public Schools Week, March 2-8th

Fort Worth—Thousands of Texas adults will go back to school during the week of March 2-8 in observance of the Second Annual Public Schools Week, which has as its theme "Democracy in Action."

Governor Allan Shivers today proclaimed March 2-8 as Public Schools Week in Texas. In his proclamation the Governor said: "One of the basic institutions upon which we rely for the furtherance of our American ideals is the public school system. Pub-

lic schools, by enabling every child to gain a liberal education regardless of station in life, promote recognition of the responsibilities of citizenship and constitute a major bulwark against subversive doctrines.

"We in Texas are proud of the school system that has been developed in our state. Its success has been due to many factors—the interest of mothers and fathers in their children, the cooperative efforts of state and local officials, and the energy and determination of those public spirited men and women who are devoting their lives to the teaching of our children.

"The continued progress of our school system requires increased public understanding of the importance of education and the greatest possible encouragement

and support of our teachers." Governor Shivers' proclamation follows a resolution adopted last summer by the Texas State Board of Education designating the week of March 2-8 as Public Schools Week. The resolution urged that every citizen visit a public school during the period to become personally acquainted with the programs and accomplishments of the state's system of public schools.

The Texas Education Agency has requested local public school officials throughout the state to invite the citizens of their respective communities to visit classrooms, and to plan programs with the purpose of giving the pupils and the citizens a better understanding of the school program. Public Schools Week was ob-

served officially for the first time in Texas last March. In hundreds of communities thousands of citizens visited their public schools in groups. Many visitors had not been inside schools in years.

Statistics compiled by the Texas Citizens' Committee on Public Schools Week following the first Public Schools Week program revealed a great awakening on the part of the public to the problems of their local public schools.

STRENGTH AND SAFETY

The two elements which patrons look for in banking are Strength and Safety—the factors which have built the Donley County State Bank into one of the pioneer financial institutions of this area.

We offer our customers all the strength of a bank whose resources far exceed any possible need of its customers, and in whose strength is found the ability to take care of all the needs of its patrons. This strength is present both in the financial resources of this institution and in the seasoned experience of its personnel.

We offer patrons of the Donley County State Bank the Safety inherent in an institution that has progressed through the years with an increasingly resourceful citizenship. This Safety has been achieved through a history of sound operation, and adherence to the full program of federal methods in banking.

The Donley County State Bank is anxious to render every possible service to its customers, and the facilities which we afford are constantly modernized to meet your changing needs. No account is too large for us to handle with absolute safety, and no account too small to receive painstaking service.

Let us handle all your banking needs.

SIGN OF PROGRESS

in the Gulf South

NEW AND GROWING INDUSTRIES DOUBLE USE OF NATURAL GAS

How much is 320,000,000,000? For one thing, it's the number of cubic feet of natural gas United supplied to industries, including electric power plants, in the Gulf South during 1951. Three hundred and twenty billion cubic feet of gas used by industry in a single year tells a convincing story of progress for our region. It's twice the volume consumed by United's industrial

and power plant customers just ten years before . . . in 1941.

The continuing expansion of existing industries and the movement of new industries into the area create larger payrolls . . . put more money into circulation . . . contribute in many ways to a more prosperous economy. Our company is always on the alert to help the growth of industry in the Gulf South.

Anything that helps build the Gulf South . . . helps YOU

National Survey Shows Heart Disease Tops All Others

According to the American Heart Association, heart and blood vessel diseases are by far the most serious threat to our nation's life and health. Mortality figures compiled by the National Office of Vital Statistics show that heart diseases are responsible for more deaths than the next five leading causes combined.

Despite great advances in the prevention of some forms of heart disease and new techniques in the treatment of others, it was pointed out, deaths due to heart and circulation diseases are on the rise—largely because of advances in other fields of medicine that lengthen the life span to the ages where heart diseases are most common.

Figures for cause of death in 1950, latest available statistics, were: 745,000 heart and circulation; 209,000 cancer; 88,000 accidents; 47,000 pneumonia; 34,000 tuberculosis; 29,000 nephritis. Heart diseases caused more deaths than the next five leading causes combined—44 per cent of the total for all causes.

Nevertheless, there is a bright side to the picture. Recent advances, according to the American Heart Association, in the diagnosis, treatment and prevention of heart diseases are creating "new hope for hearts." The AHA and its affiliates are attacking the heart diseases with a nationwide program of research, education and community services.

The 1952 Heart Fund, conducted throughout the month of February, is seeking the finances needed to carry forward this vital program. In every section of the country, Americans are being asked to join the fight against heart disease by contributing to the 1952 Heart Fund.
