4-H Club Boys Putting Steers On Feed

Donley County 4-H Club Boys are now getting steers on feed for the 1955 shows says county agent H. M. Breedlove. Five steers are already on feed and the county agent expects about fifteen steers on feed for the club boys this year. The 4-H Club Boys will also have about fifteen head of swine on feed. The restrictions on swine being shown in 1955 are expected to be raised due to control of the recent outbreak of swine disease. This past week end the county agent and John Nash of Hedley were in New Mexico getting club steers. Mr. Ellis Harrison and Breedlove were in New Mexico the previous week getting steers and one steer was secured from the Cooke ranch for Jim Waddell.

Breedlove says that he expects to have all 4-H Club steers on feed by the middle of April. Boys who would like to start feeding calves for the first time this year are urged to contact the county agent at once.

Band Parents Hold Call Meeting

At a call meeting of parents of Band students, held Monday evening, March 22, in the Band Hall, the group voted favoring sending the Band to a three day festival at Enid, Okla., May 12 thru May 15, with the provision that all other conditions for the trip be met.

This trip will not be an official Band trip and the school will be in no way responsible. A deadline of April 1st was set for parents to send in written permits stating that their child can make the trip. If as many as six students are unable to go, the trip will be called off as this would drop a full rank from the present size of the Band.

A tentative group of seven sponsors for the trip was named with all parents assuming full responsibility for the financing of their own child's expense.

April 27 was the date set for the "Marching Fiesta" to be held in the Football Stadium with both the Clarendon High School Band and the colored Drum and Bugle Corps taking part.

New Humble Station To Be Built Here

According to Noel Cudd Jr., a new Humble Oil Company service station will be built on Mr. Cudd's lots where the old Ice Plant and Opera House was located. Mr. Cudd completed the clearing of the 100 x 115 ft. space this week and also completed his lease arrangements with the oil company.

The new modern super station will be built to Humble's specifications and the lease specifies a 25 year term. Mr. Cudd stated that construction will probably be started in about two weeks and the completion date has been set for July 1st. Local contractors are figuring on the job but no contract has been let to date, Mr. Cudd added.

CLARENDON HIGH SCHOOL BAND WINS HONORS AT MEMPHIS

The Clarendon High School Band under the direction of J. H. Gain went to Memphis Saturday where the group took part in an all day music festival, competing in the fields of Concert, Sight-reading, and Marching.

Twenty-one bands were entered and were divided into four classes of competition. Clarendon in Class C took second place in both sight-reading and marching. This is a commendable record, for approximately half of the present 39 members are beginners having been advanced to the High School Band at mid-term. The trophies which the group brought home will be engraved and on display in one of the down-town windows soon.

The Dimmitt School Band took festival honors. A total of 1,244 young musicians attended.

ZERO HOUR--Poised at the edge of a snow-covered forest in Germany, United States Army tanks await the order to launch a training attack.

Invitational Track Meet Here Today

An invitational track meet will be held here this afternoon at Broncho Stadium beginning at 1 o'clock. Competing teams will be McLean, Groom, Stinnett, LeFors and Clarendon. Admission will be 50 cents. Jr. Spier is furnishing the medals for all 1st place winners in each event; 2nd and 3rd place winners will receive ribbons. Buddy Knorpp is donating the team trophy which will go to the team receiving the most points in the meet. The proceeds from the meet will go toward the purchase of much needed equipment.

Track events will be: 100 yard dash, 220 yard dash, 440, 440 relay, mile run, mile relay, 880 run. Field events will be discus, shot put, high jump, broad jump and pole vault.

Coaches Ray Moore and Joe Spann have been working hard to build up our track team and are noticing considerable improvement in the boys. A good crowd out to watch them perform will give them added encouragement.

Supt. H. W. Truitt is coaching the tennis this year and his players made a good showing in matches both Monday and Tuesday. In matches with Wellington Monday, the Junior singles was won by John Payne 6-0, 6-0; in the Jr. doubles Eddie Baten and Owen Johnson won 6-0, 6-0; in the senior doubles Bill Hicks and David Lane were defeated 6-0 and 6-4.

In the matches with Lakeview Tuesday, Payne won over his opponent 6-4, 6-2 and Baten and Johnson won 6-2 and 6-0; Hicks and Lane lost 6-3 and 6-4, and in the Sr. singles Don Moore lost 6-2 and 6-1. Considering the fact that this is the first year tennis matches have been played in recent years, the boys are making a very good showing against experienced players.

JUNIOR CLASS TO HOLD BAKE SALE SATURDAY

The Junior Class of Clarendon High School will hold a Bake Sale this Saturday at Juniors Food Market. Class members hope everyone will keep this date in mind and make plans to shop with them for your week end desserts.

Foods will be on sale at 9 a. m. with pies, cakes and cookies to choose from at a nominal cost. The class is still short of funds to finance the annual Junior-Senior banquet and asks your help in putting this over.

Donley County Leader, \$2.50 year

Local Students To Compete In District Meet

Winners of the local Interscholastic League competition were announced this week and those listed below will take part in the District meet at White Deer, April 3rd. Since Goodnight is a part of the local school system, students from there competed with the Clarendon students. Winners from the Goodnight school will be identified by the letter G to the right of their name.

Declamation: Sr. Girls' division, Lucy Richardson, alt. Lugenia Hubbard G; Jr. Girls division, Jeanie McAnear, alt. Elizabeth Smith G; Sr. Boys, Bill Dale Hill, alt. Frank White III; Jr. Boys, Frank Neal G.

Typewriting: 1. Lugenia Hubbard G, 2. Glenna Lane, 3. Della Allen. Spelling: 1. Walton Crain G, 2. Elizabeth Smith G; alt. Rebecca King. Ready Writers: 1. Billy McDowell G, 2. Evelyn Wood, alt. Sue Talley. Shorthand: 1. Glenna Dingler, 2. Genella Mooring. Number Sense: 1. Elizabeth Smith G, 2. Walton Crain G, alt. Carl Morgan.

Grade School: Declamation: Jr. Boys division, J. R. Gardner, alt. Don Dorsey G; Jr. Girl, Gatha Nell Airington G, alt. Beth Lamberth. Spelling, grades 5-6; Don Dorsey G, Thomas Foster G, alt. Kay Lane; 7-8th: Beth Gillham, Nelda Tims. Ready Writers, Toni Rhode. Number Sense, Barbara Koontz, Beth Gillham. Story Telling: Charles Vaughan.

The district Volley Ball meet for high school boys and girls and grade school boys and girls will be held at Canadian Friday night, March 26.

Special Recognition On One Act Play

In the one act play elimination held at Panhandle Tuesday night, the four local students participating received special recognition for their performance of four men on a raft in "Minor Miracle". They placed 3rd in the contest. The four boys that presented the one act play were Bill Dale Hill, Frank White III, Bobby Johnson and Claude Porter. George Thompson and Winfred Self were in charge of the lighting and production effects. Fred Short was the director. The cast was highly complimented on their performance in as much as this was Clarendon's first year to compete in a district meet. Other towns competing were Wellington, Memphis, Panhandle, Canadian and White Deer.

Mrs. Dalton Ford of White Deer spent Sunday night last with her mother, Mrs. A. G. Lane.

Fire Damage Sunday Morning Estimated At \$125,000

Two Candidates Now In School Trustee Race

There are now two candidates in the race for School Board Trustee, seeking the two vacancies. The name of Maurice Lane was presented by petition to the School secretary Monday morning and Homer Estlack, who is the present president of the Board, had previously announced for a second term. Claude Moore, the other retiring member of the Board, is not seeking re-election.

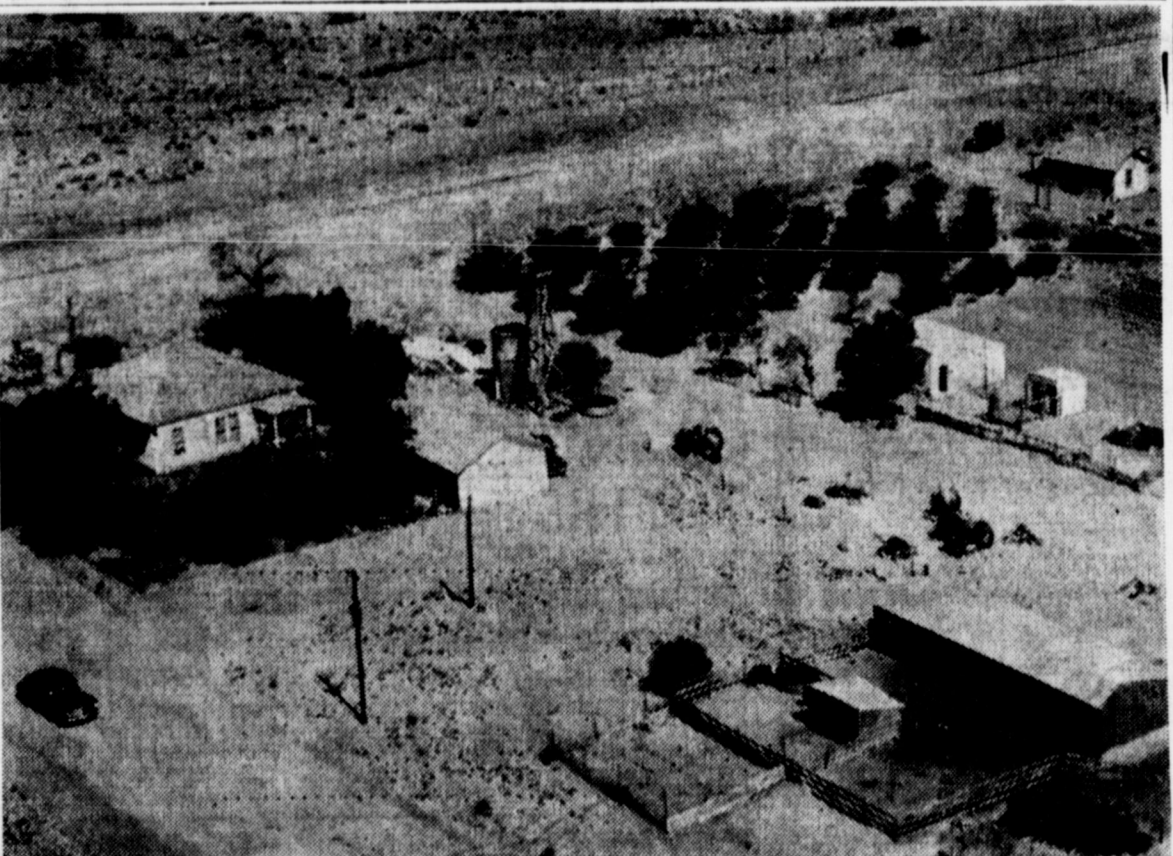

The election will be held the 3rd of April at the School Tax Office, with polls being open from 8:00 A. M. until 7:00 P. M. Mr. Curtis Mears will serve as election judge, with Mrs. C. C. Powell and Mrs. Ruth Kennedy assisting.

Anyone who is a legally qualified voter residing in the Clarendon Consolidated Ind. School District is entitled to vote in this election. This includes voters living in the former Goodnight Ind. School District, which is now a part of the Clarendon District, and those living in the former Donley County Common School District No. 18 (Martin School District) which is also now a part of the Clarendon District.

Dusters To Organize Sunday, March 28

It was announced this week that the Clarendon Dusters will have an organizational meeting Sunday afternoon, March 28 at Duster Park in preparation for the oncoming baseball season. Everyone interested in playing and feel that they can hold down a position are urged to be present for this meeting as measurements for suits will be taken at that time along with other business. The time of the meeting will be 2:30 p. m. At the present time, six teams have signed up to play in the Caprock League and a full line-up of eight teams is expected by March 29th at which time the district meeting will be held at Amarillo to set the schedule, rules, etc.

It was pointed out also, that everyone desiring parking space or their old parking space back again, should contact Bill Blackman at Juniors Market right away as these season parking spaces will go fast.

MYSTERY FARM NO. 32--This is the Leader Mystery Farm of the Air for this week. Rules governing this guessing contest and prizes are as follows: 1st in town and first living and receiving their mail in country to identify the mystery farm will receive a one year subscription to the Leader. The fifth to identify the farm, both town & rural will receive a free ticket to the Mulkey Theatre. The owner or tenant identifying his farm at the Leader office will receive a mounted picture free. Hours for making identification are 8 to 12 and 1 to 5 starting Thursday morning. Last weeks Mystery Farm is identified on page Three of this issue through the courtesy of the sponsor, Clarendon Furniture Co.

Fire of undetermined origin which destroyed the Leader Department Store and the American Legion Building early Sunday morning left an estimated loss of \$125,000 before it was brought under control by the Clarendon and Memphis fire departments.

Fire Marshall Carl Bennett stated that the fire was reported by a passing motorist and the local department answered the call at ten minutes past 1 a. m. The entire rear of the Leader Department Store was in flames when they reached the scene of the disastrous blaze.

The city ditch that runs behind the buildings hampered fighting operations in addition to the blaze having a big start before the alarm was turned in. Both local trucks were put into operation with six hose lines put into use.

It was thought for awhile that the fire could be held within the limits of the Dept. Store but holes in the fire wall let the flames through to the Legion building, creating a situation that could not be handled by the local facilities on hand. A short time later Memphis Fire Chief Thomas Clayton and a crew with the big Memphis truck arrived, quickly putting three more hose lines to action. With combined efforts, the fire was brought under control about 5:30 o'clock. Precautions were taken thru Sunday night to see that the fire didn't break out again.

Members of the Clarendon Volunteer fire department, numerous other helpers and the Memphis fire crew are to be complimented on a job well done. The fire in the department store spread from the back to the front in a matter of a few minutes creating a tremendous blaze and the determined efforts of local fighters is all that kept the blaze from spreading to the J-Lee Dept. Store at the beginning and George's Cleaners after the blaze had spread to the Legion Hall. Fire Marshall Bennett expressed his appreciation to all the local fighters and also to the group from Memphis who rushed to their aid and added that extra fighting power to extinguish the blaze.

The Leader Department Store was totally destroyed and the Legion Hall is considered a complete loss. The Clarendon Press located on the north side of the Legion Hall was almost a complete loss and damage to office equipment belonging to Rhoden Chase received around \$300 damage. George's Cleaners, the I.O.O.F. hall and the J-Lee Department Store received some smoke damage. Damage to telephone and utility lines amounted to several hundred dollars also.

S. S. DeGaish and S. D. Saied, owners of the Dept. Store, stated Monday that they had made no definite plans yet. Clyde I. Price, owner of the Clarendon Press job shop, has been salvaging machinery, type, etc., and has rented the building north of Greene Dry Goods. Chase moved his office to the rear of the Donley County State Bank Bldg. Ernest Kent, local Legion commander, stated that nothing definite had been decided regarding the Legion Hall but in all probability the Legion would consider a different location for the erection of a new hall. The front of the Leader Dept. store was pushed in and cleared away to prevent it from falling and injuring someone. The front and back of the building was all that was left standing.

Approximately two-thirds of the fire loss was covered by insurance and Monday was a busy day for local insurance agents and adjusters. The Donley County Leader would like to say here, the residents of Clarendon should be very proud of our volunteer fire fighters and the exceptional service they rendered Sunday morning. Many of them endangered their own life to serve their town and community with no reward

in mind. Their equipment is ample for an ordinary fire but not for one like we experienced Sunday morning. They made very good use of what they had --what we consider much better than anyone could have hoped for.

Clarendon F. F. A. Father-Son Banquet Friday, March 26th

The Clarendon Chapter of Future Farmers of America are having their father and son banquet Friday, March 26. The banquet will be held in the cafeteria at the Jr. High School. The purpose of this banquet is so that the fathers may get better acquainted with the boys and so they may know the chapter better. The speaker will be Mr. W. T. Nelson from Childress, Texas. He will speak for about twenty or twenty-five minutes. He is going to speak on Production in Communist countries. He is currently considered to be very civic minded since he is a Committee Chairman of the Childrens Chamber of Commerce, a member of the Board of Directors of the Childrens Country Club, he has spoken to Masonic Lodges, school banquets, church groups, civic clubs and has served as toast-master of many banquets in this area.

Thirty Three Identify Mystery Farm No. 31

Business picked up this past week end on the guessing at the Mystery Farm with a total of thirty-three correctly identifying the Leader Mystery Farm of the Air No. 31. There was a total of nineteen on the city list and 14 on the rural list. Jackie Brooks was the first on the city list and C. F. Moss was the first on the rural list. Both will receive a free subscription to the Leader. Winners of the free movie tickets to the Mulkey Theatre were Jerry Godbey on the rural list and Jimmie Palmer on the city list.

Those making correct identification were: City--Jackie Brooks, Emmett Thompson, Bertha Reid, Flip Breedlove, Jimmie Palmer, Gene Bulman, Charlie Lancaster, Mrs. Olin Castleberry, Judy Pittman, Fred Clifford, W. H. Ellis, Van Roy, C. Huffman, Don Wooten, Mrs. J. C. Moffett, Mrs. Leonard Putman, Mrs. Virgil Sidde, Lawrence Heckman, and Darrell Leffew.

Rural--C. F. Moss, Leo Wallace, Mrs. Sam Dale, Roy Stewart, Jerry Godbey, Alton Webb, Johnnie Dell Waddell, Mrs. Harvey Shaw, Mrs. Carl Barker, Mrs. Raymond Waldrop, Mrs. J. H. Helton, Mrs. Doyce Graham, Buford Marshall and Mrs. Hall Hardin.

Services Held Sunday For Groom Lady

Funeral services were held at the Groom Methodist Church Sunday afternoon for Mrs. Virginia Orlena Smith with Rev. T. Marvin McBrayer and Rev. Robert H. Lloyd officiating. Mrs. Smith, age 84, died last Friday. She had been a resident of Groom since 1920. She was a member of the Methodist Church. Her husband, F. M. Smith died at Groom in 1920.

Survivors include one daughter, Mrs. L. E. Driskill, Groom; two sons, W. G. Smith of Elk City and B. B. Smith of Memphis; also four grandchildren and 8 great grandchildren.

Pallbearers were G. O. Helm, John Farley, W. C. Whately, John Ray, J. H. Helm and Andrew Dunn. Burial was in Fairview Cemetery, Memphis, Texas with the Murphy-Spicer Funeral Home in charge of arrangements.

Your Senator Reports

By LYNDON B. JOHNSON

SAVE SOIL, WATER:

Principal points of an upstream water control bill Congressman Bob Poage introduced in the House and I introduced in the Senate are included in legislation passed recently by the House.

It provides for Department of Agriculture cooperation with a state, or any political subdivision authorized by the state, in carrying out such flood prevention projects as correct land treatment, gully plugs, detention dams, and the like. Object is to stop water close to the point where it falls—

for use as needed. This is an important water and soil conservation measure.

LEGISLATIVE PROGRAM: Administration's proposed legislative program is moving slowly.

The farm bill is still before House and Senate committees, as this is written, and so are proposed amendments to the Taft-Hartley Act. Nothing at all has been done as yet about a foreign trade bill, a major Administration project. The bill to expand the Social Security program is scheduled for committee hearings.

A factor throwing the timetable off balance has been the urgent demand for tax reduction. My

mail from Texas reflects that demand.

AIR ACADEMY:

Chances that the Air Academy will be located in Texas were improved when the Senate adopted our amendment providing that if board members named to survey possible sites agree unanimously, their choice must be accepted. If members are divided, AF Secretary must select one of their three top choices.

POSTAL WORKERS:

I met recently with a fine bunch of Texas postal workers—around 50 of them. They were here to discuss proposals that employees of the Post Office Department receive a pay raise. Their approach to the subject was notably fair and reasonable. They made me feel proud of our Government and its employees. I hope and believe Congress can work out an equitable plan for a pay raise for the hard-working postal employees. They need it. They deserve it.

NO SURPRISE: Texans were not surprised that Bob Anderson of Vernon, Secretary of the Navy, has been picked as Deputy Secretary of Defense, No. 2 position in the Defense Department. Secretary Anderson, although still a young man, has been doing big jobs in Texas for years—and doing them in top-flight fashion.

How Teacher Pay Raise Would Affect Donley County

The compromise pay raise proposal for public school teachers is the main issue Governor Shivers has asked the State Legislature to consider. If adopted, it will increase State taxes more than \$25,000,000 per year. Also, many local school districts will have to contribute more monies from local tax sources.

Here is approximately how Donley County would be affected during the next school year, 1954-55. The figures herein used are the preliminary estimates made by the Texas Education Agency and should vary only slightly from final calculations.

Under Senate Bill No. 163, authored by Senator Andy Rogers in 1953, Donley county would have to contribute \$33,653 to the State as its part of the minimum

New Upholstery Waterproof

Chevrolet's new Delray Club Coupe, introduced this year, is upholstered in grain leather vinyl, an easily cleaned plastic that is waterproof. This swimmer has no fear that her sopping wet bathing suit will mark or spot the car's colorful cushions or interior trim.

foundation program under the Gilmer-Aikin laws for the school year 1954-55. This is a decrease to the county of \$15,726, as compared to the present school year. Without the provisions of Senator Rogers' bill the county's contributions would be several thousand dollars greater.

The teachers' pay-raise proposal now under consideration by the State Legislature could add \$4,718 to Donley county's contribution to the minimum foundation program making a total contribution of \$38,361. However, the school districts of the county would be given credit against this state assessment in the total amount of \$5,200.

Thus the effect to Donley county of the teacher pay-raise

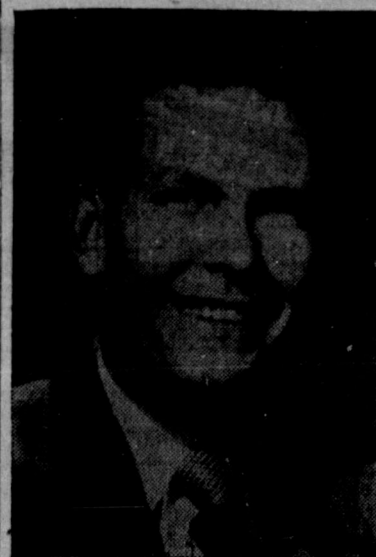

would be a net decrease in costs of \$16,218.

Of importance to the county also is the fact that the pay raise would add \$20,904 to the county's income.

In summary, the fast growing, wealth producing, industrial areas of Texas will bear most of the load in the increased costs that would arise to pay the \$402 per teacher salary raise.

As every county's portion of the State assessment under Gilmer-Aikin laws is based on the individual county's ability to pay, it is important to remember that future increases in the cost of our State School Program will be borne primarily by our industrial areas.

Banquet Speaker

W. T. (Dub) NELSON

Mr. Nelson is one of the favorites of teen-agers in the city of Childress since he organized the Childress Quarterback Club several years ago. Out of this organization grew the Greenbelt Football Bowl Game which is played annually in August.

Mr. Nelson also organized KIDS, Inc. in the City of Childress and is interested in all activities that have become a part of this organization such as being a Director of the Little League Baseball and a Director in Kids, Inc.

Mr. Nelson is currently serving as President of the Childress Lions Club and is also Deputy District Governor of Region III of Lions International District 2T-1.

He is currently considered to be very civic minded since he is a Committee Chairman of the Childress Chamber of Commerce, a member of the Board of Directors of the Childress Country

Club. He has spoken to Masonic Lodges, School Banquets, Church groups, civic clubs and has served as toastmaster of many banquets in this area. He will speak at the father-son banquet in Clarendon March 26th.

Saving Wave Hits 'High Tide' Mark On 'Economy Lane'

TOBYHANNA, Pa.— Officials at the Army Signal Corps depot here are using a new technique to save money for the taxpayer. They've named the most popular thoroughfare at this post "Economy Lane."

All office and division chiefs of the depot must submit monthly a report of their savings to the post's "Cost Consciousness Coordinator." If the savings are noteworthy, attractive picture posters are made to portray the ideas and explain where, they came from. The posters are hung in Economy Lane—the main corridor in the Administration Building.

Since all employees must pass through that hall on the way to their offices, they constantly are reminded of the post's savings campaign.

Less flattering posters are presented to division chiefs whose organizations fail to report at least one example of economy in a 30-day period. The posters carry this message: "This organization has failed to demonstrate its effectiveness in the cost consciousness program for over 30 days."

Mr. and Mrs. Cap Anderson visited Mr. and Mrs. Fred Thomas of Amarillo Friday.

Mrs. Thomas came home with them for the week end.

Mrs. John Heathington visited her sister, Mrs. Hester Shields Monday night.

Mr. and Mrs. W. D. Perdue and boys, Mrs. Baten of Amarillo visited Mr. and Mrs. John Perdue Sunday.

Mr. and Mrs. Coleman of Wellington visited Mr. and Mrs. Ira Self Sunday. Mr. Blevins went home with them for a visit.

RALPH AYERS CANDIDATE FOR PERSONALITY KING

CANYON—Ralph Ayers, son of Mr. and Mrs. C. C. Ayers of Hedley, is a candidate for Personality King of the annual Plains Personality Pageant slated April 2nd at West Texas State College. Six men and six women have been nominated for King and Queen honors, and final student body election was held March 17. Winners will be presented at the pageant.

Letters of invitation have gone to several hundred high schools of the area to send delegates to the pageant. Presidents of campus town and county clubs, organized this year, have also sent special invitations to schools in their districts.

The titles of royalty for the pageant are among West Texas State's most sought after honors. Winners are pictured in Le Mirage, West Texas State yearbook.

Ayers is a junior business administration major.

Alexandria, Egypt was founded by Alexander the Great.

MYSTERY FARM NO. 31—This farm home was identified by thirty-three persons this week as the Edgar Talley place located 9 miles north of town on highway 70. This farm home is owned by W. E. Bray of San Antonio. Mr. Talley came in Thursday to make proper identification and receive his free mounted picture.

This farm consists of 320 acres with 285 acres in cultivation. Mr. Talley raises cotton and feed with cotton being his favorite crop. Since moving on this place nine years ago, Mr. Talley has added numerous modern facilities.

Mr. Talley married Connie Perdue in 1934. They have four children all living at home: Weldon, age 18, Sue 16, Carl 12 and Howard 11. They are members of the Baptist Church and Mr. Talley is a member of the Farm Bureau. Mr. Talley has followed the farming trade all his life and has been a resident of Donley County since 1921. He has been a subscriber of the Leader 15 years and stated that they all enjoyed community and home town news in general.

HUDGINS QUILTING CLUB

The Hudgins Quilting Club met Wednesday, March 17 with Belle Smallwood. One quilt was finished.

Refreshments of cake, tea and coffee were served to eight members: Ruth Lindley, Mae Perdue, Floree Webb, Cora Elliott, Pearl Self, Pauline Kooztz, Roxie Cosper, and hostess Bell Smallwood, and one guest Mayme Cross.

The next meeting will be Tuesday, March 30th with Mae Perdue. —Reporter.

SLAYER—REEVES

Miss Carol Ann Slayer, daughter of Mr. and Mrs. Marcus L. Slayer of Napa, Calif., became the bride of Dick Boyd Reeves, son of Mr. and Mrs. G. G. Reeves, also of Napa, in a candlelight ceremony February 12th at the Napa Presbyterian Church.

The couple are making their home at Napa, Calif. The G. G. Reeves family are former residents of the Chamberlain community.

MARTIN QUILTING CLUB

The Martin Club met with Margaret Waldrop Thursday. Two quilts were finished. Lunch was served at noon to members Lela Bulman, Blanch Higgins, Gwen Hill, Montie Kidd, Eunice Land, Linnie Cauthen, Velma Hearn, Veta Tims, Melba Risley, Lois Stevenson, two visitors, Dean Hill Mrs. H. M. Reid and the hostess Margaret Waldrop.

The next quilting will be with Flossie Reynolds at the school house, April 1st. —Reporter.

NEW-DELICIOUS
Ellie's
NOODLES N' BEEF

GARDEN CLUB

The Garden Club met Thursday, March 18th at Patching Club House.

Hostesses were Mrs. H. T. Warner and Mrs. Will Johnson. During the business session which preceded the program, the resignation of Mrs. Jno. Blocker was accepted and Mrs. Carroll Knopp was welcomed as a new member.

Mrs. Kunz discussed "Dwarf Fruit Trees"—they give an ideal flowering effect and often bear fruit in two years. The Stark Bros. Nursery of Louisiana, Mo. have such exclusive varieties as Golden Delicious and Burbank's Hybrids. For a garden full of flowers and a fine landscape effect, nothing is better than hardy shrubs. Mrs. Phelan Sr. listed as the ten best for our locality: Forsythia, Japonica, Flowering Almond, Spiera, Snowball, Lilac, Mock Orange, Bush Honeysuckle, Crepe Myrtle, Hydrangea.

Mrs. Frank White Jr. very graciously read three poems: "Planting a Tree," "The Wind" and "To a Daffodil." Mrs. Howze closed the program by passing numbered slips which entitled a member to a gaily decorated basket of annual seed, presented by Mrs. McDowell. Mrs. W. W. Taylor was the lucky winner.

The hostesses served a dainty refreshment plate to 17 members.

G. A. PARTY

The G. A. girls met Tuesday evening at 5:30 P. M. in the apartment of Gaynell Scott, and had a hot dog supper. There were surprise birthday gifts given to Elaine Behrens. After the party everyone attended the show together. Those who attended were Phyllis Hill, Barbara Darnell, Betty Richards, Linda Lemons, Elaine Behrens, Rose Leffew, and their co-counselor Miss Gaynell Scott.

H. D. CLUB

The H. D. Club met Friday afternoon in the home of Mrs. G. A. Anderson. Assisting her as co-hostess was Mrs. N. L. Jones.

The business session, which was quite lengthy, was presided over by the president, Mrs. Clyde Butler. The Lord's Prayer was repeated in unison. During the session the group voted to adopt the Lilac as the club flower.

Refreshments were served to Mesdames Bertha Benson, Clyde Butler, M. C. Rumpy, R. C. Bingham, A. W. Simpson, O. C. Watson, Tom Crabtree, W. L. Jordan, Lena Antrobus, Claude Darden, Virgil Poole, Wm. Payne, Ella McDowell, by the hostesses Mrs. G. A. Anderson and Mrs. N. L. Jones.

It is thought that the next meeting will be with Mrs. Bertha Benson.

GOLDSTON QUILTING CLUB

The Club met Thursday evening with Maisie Eichelberger. One quilt was almost finished. Twelve members were present. They were Connie Talley, Oddie Moss, Nora Smith, Irene Stewart and Gary, Blanch Gray, Mae Pearl McDonald, Nora Jackson, Sophie Williams, and Edwin Nina Dale, Ola McBrayer, Adgar Williams.

Refreshments were served by the hostess Maisie Eichelberger. Ola McBrayer received Pollyanna. The club voted for a Mother's Day party. Each member bring an apron for gift exchange.

Next quilting will be with Sallie Hatley, Thursday March 25. —Reporter.

BIRTHDAY PARTY

Velma and Geneva Murphy, daughters of Mrs. Evelyn Murphy, were honored with a double birthday party Saturday. Velma's birthday was the 17th and Geneva's was the 19th.

Games were played and the gifts were opened and admired by the honorees. Refreshments were served to twenty-eight guests. Velma's birthday cake with ten candles was on one end of the table and Geneva's birthday cake with eleven candles was on the other end of the table. The group sang happy birthday to the honorees.

How Well Do You Know Coffee?

Coffee trees bear white flowers which resemble orange blossoms and have a heavy, jasmine-like fragrance. A coffee farm in full flower is a scene of breath-taking beauty.

Because ideal coffee growing climate is between 65 and 75 degrees, the plants are extremely sensitive to frost. They also need plenty of water and moderate sunshine. Last July, millions of trees were destroyed by freakishly low temperatures in Brazil.

The fruit of the coffee tree is called a cherry and resembles our edible cherry. It takes 5 years before the tree matures. It then bears about 2000 cherries each of which must be hand-picked!

1 lb makes 40 cups of coffee

It takes the entire crop of one coffee tree to produce a single pound of roasted coffee!

ASHTOLA NEEDLE CLUB

Ashtola Needle Club met Friday in the auditorium of the school. The meeting was held Friday instead of Thursday due to the unfavorable weather. Yearbooks were given out.

Mrs. Charles Bairfield reviewed "Forty-Old" which everyone thoroughly enjoyed.

The hostesses Mrs. Warren Hardin, Mrs. W. A. Marshall, and Mrs. C. W. Tolleson served cake and punch to thirty members and their guests. —Reporter.

Mr. and Mrs. Jack Pyeatt of Amarillo announce another daughter, born Monday morning in Amarillo. Mrs. Pyeatt is the former Jo Nell Stogner of Clarendon, and Jack is the son of Mr. and Mrs. Owen Pyeatt of this city.

Mr. and Mrs. Maurice Lane and Kay and Mr. and Mrs. Willard Skelton, Sandy and Paula spent the week end at Carlsbad.

Mr. and Mrs. Ray Hefner and Patsy, Mr. and Mrs. John F. Harlan and Latrice, Mr. and Mrs. Chester Scott and Connie, all of Amarillo and Miss Gaynell Scott of Clarendon visited in the home of their parents, Mr. and Mrs. W. C. Scott Sunday.

Sunday visitors in the A. B. Ivey home were Mr. and Mrs. W. H. Ivey and Jean, Mr. and Mrs. J. A. Ivey, Merlene and Lazetta, Mr. Rembert Ivey, all of Clarendon, Mr. and Mrs. Bonnie Hatfield, Bonnie Lou and Johnny of Masterson, Clarence Hatfield of Boys Ranch, Bob and Starling Mayo of Atoka, Okla.

Mr. and Mrs. Benny Edens of Kermit, Texas announce the arrival of Bobby Lynn, born March 23rd, weight 6 lbs. 8 oz. Mrs. Edens is the former Barbara Faye Estlack, daughter of Mr. and Mrs. A. D. Estlack. Mr. Edens is the son of Bill Edens of Clarendon, and Mrs. Ray Weeks of Kermit.

Local Teachers Attend State Junior College Meeting

Mrs. Marguerite Goodner and Miss Lucile Polk attended the State Junior College Teachers Association in San Angelo, March 18, 19 and 20th as representatives from the Clarendon Junior College.

Thirty-one Texas Junior Colleges participated in this seventh annual convention which opened Thursday evening with the President's Reception in the Indian Room of the Hotel Cactus. The general sessions, sectional meetings, and committee meetings were held in the administration building of the San Angelo College. Registration began Friday morning.

The general theme of the convention was "Public Relations." At the first general session Marvin C. Knudson, president of Pueblo Junior College selected as the subject for his address "A Plan for Community College Public Relations." Mr. Knudson stressed the importance of selling the Junior College to the community and emphasized the fact that everyone, from the administrators and teachers through students and maintenance men, must be concerned with establishing good relations with the public.

The second general session was a banquet Friday evening at Hotel Cactus. Guest speaker was J. W. Hull, president of Arkansas Polytechnic College, who spoke on "Progress and Public Relations." He urged the Association to "Get on the Ball" and help to blend the school and community together; no college is stronger than its personnel.

Music for the convention was furnished by the Pan American, the Frank Phillips and the San Angelo choirs. These young people and their directors did a splendid job and their productions were highly appreciated and complimented.

Friday afternoon sectional meetings were held on the College campus. Mrs. Goodner attended the English section and luncheon at Steve's Ranch House and was elected secretary-treasurer of that group for the ensuing year.

The closing session began Saturday morning with Miss Phyllis Phillips, president of the association, presiding at the business meeting. Association officers were elected and committee reports read. Miss Polk served on the Resolutions Committee and read from the floor the report compiled by this committee.

Burl M. Abel, dean of San Angelo College, gave the closing address, "Religion in the Community College." Mr. Abel said that "education without religion is like a watch without a spring," and stressed the fact that morals and religion are the rock bottom problems of today. A promotion of moral and religious faith can be accomplished through subject matter, religious programs, assembly services, council meetings and most of all through the classroom professor.

The Clarendon delegates felt that the entire meeting had been most inspirational and that something of worthwhile value is being accomplished in the educational field today in spite of the adverse criticism that our public schools and colleges are receiving.

H. W. (Shorty) BURR ANNOUNCES FOR COMMISSIONER PRECINCT NO. 4

The Leader was authorized this week to announce the candidacy of H. W. (Shorty) Burr for Commissioner of Precinct No. 4.

In making his announcement, Mr. Burr stated that he had been a resident of this precinct for 27 years and was well acquainted with the needs and requirements which he felt qualified him to handle the job properly to the best interests of everyone. "I will be around to see each and every voter prior to election time and your vote and influence will be appreciated," Burr added.

Ellie's GOOD! BETTER! BEST! TAMALES

Beginning January 1, 1954, the social security tax contribution from an employee's pay was increased from 1 1/2 percent to 2 percent. The employer's tax contribution was also increased from 1 1/2 percent to 2 percent.

"This increase in the tax contribution is in accordance with the tax schedule set up when the Social Security Act was changed in 1950, and is not a 'new tax,'" says John R. Sanderson, manager of the Amarillo social security office. This tax schedule provides for periodic tax increases in anticipation of future obligations of the program, but the next increase is not until 1960.

The social security tax for self-employed persons covered by the law was also increased beginning with 1954. The tax was changed from 2 1/4 percent to 3 percent. As the self-employed pay their social security tax but once each year, and that at the time of filing their Federal income tax return, they paid the rate of 2 1/4 percent on their 1953 income. This was due not later than March 15, 1954, the income tax date deadline. The increased rate of 3 percent will be on 1954 self-employment income, and it will be due with the Federal income tax on March 15, 1955.

Further information regarding the changes in tax contributions may be obtained from your Amarillo social security office.

A representative from the Amarillo Social Security Office will be in Clarendon, April 12, at 3:00 P. M. at the Department of Public Welfare.

Morgan Salmon, son of Mr. Bill Salmon of Brice, left last Thursday morning for Ft. Bliss at El Paso where he will be stationed for "boot" training.

Panhandle-Plains Dairy Show To Be April 10-16

PLAINVIEW — The nation's oldest and third largest dairy show, now in its 27th consecutive year, will open April 10 and continue through the 16th.

The new division which was added last year was the Inter-collegiate Dairy Cattle Judging Contest which drew much favorable comment and attracted some 8 college judging teams. Oklahoma A&M winning most of the awards last year.

In 1953 some 65 4-H and F.F.A. Teams were represented at the dairy show involving approximately 200 High School students. Another division which draws a great deal of interest is the Dairy Products Judging Contest which has been won by the Clarendon High School Vocational Agricultural Team for the past four years.

President Clifford Throckmorton of Levelland stated that he expected the entries this year to exceed last year's entries due to the fact there had been a definite increase in dairy cattle the past year.

President Throckmorton also stated that catalogues will be off the press and will be mailed in the next few days.

The show is open to breeds in the state of Texas, New Mexico, and Oklahoma, and a general registratin of over 400 head of cattle is expected.

Mr. and Mrs. Ed Hodges were in Pampa on business Wednesday. Mrs. E. J. Baker from Brownwood visited her sister, Mrs. Ed Hodges.

Mr. and Mrs. W. D. Shelton and Mrs. E. W. Bromley spent the week end in Ardmore, Okla. with Mrs. Bromley's daughter and granddaughter, Mrs. Emma Burnett and Mr. and Mrs. Harold Dexter and son Bob Dexter. Bob is Mrs. Bromley's great grandson.

Mr. and Mrs. J. A. Ivey and Mr. and Mrs. A. B. Ivey made a trip to Atoka, Okla. to take Bob and Starling Mayo home.

Ronald Castner underwent minor surgery in Groom Friday. He was able to return home Saturday.

Mrs. Lacy Noble returned home Monday after spending several days in the Witt-London hospital in Groom.

Mrs. Quinn Aten and Shirley visited relatives in Memphis Tuesday evening.

Rice Batson had business in Pampa Monday.

Mr. and Mrs. Guy Cox had business in Quanah Friday. They also visited relatives in Childress.

Mrs. Fred Thomas of Amarillo and Mr. and Mrs. Joe Robert Leathers and children were dinner guests of Mr. and Mrs. Bill Mooring Saturday evening.

Mr. and Mrs. Royce Morris and Judy of Amarillo visited Mr. and Mrs. Bill Mooring Sunday.

Mr. and Mrs. Ferral Floyd and Mollie visited Mr. and Mrs. Bill Lowe of Alanreed Sunday.

Mrs. Gillispie of Fort Worth spent last week with her sister, Mrs. J. H. Duckett.

Mr. and Mrs. George Johnson and Joyce went to Bowie Sunday where they visited relatives. Mrs. C. R. Moore, Mrs. Johnson's mother, accompanied them home for an extended visit.

Mr. and Mrs. Nelson Seago, Mr. and Mrs. Earl Myers and Mrs. Jess White and boys went to Amarillo Sunday, where they visited Mr. Jess White. Mr. White is a patient at the Veteran's Hospital.

Mrs. Geer, a missionary from Arizona, was guest speaker at the First Baptist Church Sunday. She is a converted Mormon.

The mothers of the basketball teams honored the players, teachers, their wives and husbands with a banquet Friday evening at the school. The room was decorated in the school colors, blue and white, and bluebirds. The tables were decorated with trophies, miniature basketball shoes for place cards and a miniature basketball held the menu and program. The following program was given:

Invocation—Earl Shields
Locker Talk—Benny Hill
Address—J. C. Stepp
Basketball Player's Will—Onita Rumpy.
Presentation of Awards—J. C. Stepp.
Gift presentation to the coach, Mr. Stepp, and the mascot, T'Rose Stepp—Janiece Christal and Boyd White.
Benediction—Carol Stepp
Song—Group.

The seniors to receive gold basketballs were: Cavin Webb, business manager, Betty Jean Reed, score and time keep, Janell Fox, Onita Rumpy, Rowena Ivey, Dale Denton, Earl Shields, A. K.

King, Benny Hill, Eddie Floyd, Raymond Luttrell, and Carol Stepp.

BRICE NEWS

Mrs. Flora Johnson

Ladies who quilted for Mrs. Buck Johnson in her home Thursday were Mrs. J. H. Stephens, C. V. Murff, Mrs. Roy Aller, Mrs. John Hatley, Mrs. L. T. Weaver. One quilt was quilted and lunch was served at noon.

Everyone has a cordial invitation to attend the revival starting at Brice Baptist Church on Sunday, April 4th through 11th. Rev. Bob Bonner, pastor of the church will do the preaching. Joe Wood choirster will have charge of the music.

Mr. and Mrs. Mike Murff of

Amarillo visited Sunday with his parents, the C. V. Murffs.

Pvt. Wayne Stephens who is stationed at Ft. Bliss is home on leave.

Mrs. Sumner Reed of Lubbock spent Saturday night with her brother, C. A. Hightower and wife.

Mr. and Mrs. Don Lemons of Dumas spent the week end here with his parents, the Merle Lemons.

Rev. Bob Bonner was a Sunday dinner guest in the Aubry Martin home.

Donna Lane of Lakeview spent the week end with Dixie Osborn. Mr. and Mrs. Buck Johnson and Jenny and Buzzy spent the week end at Dumas with Mr. and Mrs. W. D. McCool.

Mr. and Mrs. Elmer Sanders and Hugh Sanders are in Kansas

City, Mo. where Mr. Elmer Sanders is receiving treatment.

Mrs. Granville Selmon and Tommie went to Borger Thursday to take her little niece home. She had spent the past week with Selmons.

secretary, Mrs. Wm. A. Cockerell; treasurer, Mrs. Bud Hermes-meyer; historian, Mrs. Fontayne Elmore; and parliamentarian, Mrs. Frank Phelan, Sr.

Chairmen who will appoint the members of their committees later this spring and who will work with the executive board during the next year, will be: cafeteria, Mrs. D. F. Cook for the second year; character and spiritual education, Mrs. Billy Greene; membership, Mrs. Gerald Noble; finance, Mrs. W. E. Goodman; social, Mrs. Pete Borden; and publicity, Mrs. Johnny Grady.

The slate of officers, presented by Mrs. Shelby Bell, chairman of the nominating committee, was accepted by the group by a vote of affirmation.

There will be a school of instruction for the new officers in

the lunchroom at the Junior High on April 1, at one o'clock. Formal installation will take place at the May meeting. There will be no April meeting because of the Easter holiday.

Mr. Christian's eighth grade will have Treat Day next Tuesday.

Farm Bureau Favors Teacher Pay Raise, Against Tax Plan

The farm organization recognizes the serious shortage of teachers in Texas and, at its last annual state convention, recommended that legislation be enacted to provide necessary funds to attract and hold more qualified teachers.

The Farm Bureau opposes the Governor's special committee's compromise plan which would allow the Legislature to increase ad valorem taxes on land and property with the people in the local school districts having no voice in the matter.

Under the provisions of the compromise worked out by the special committee, the districts would contribute 20 percent of the cost of the public school program and the state would pay the other 80 percent. This is contrary to the principles of the Gilmer-Aikin law which specifies that the districts contribute, according to their ability, a flat \$45 million annually. The Farm Bureau feels that the 20-80 proposals would discriminate against the local school districts. The districts have only one source of revenue—an ad valorem tax on land and property, while the state has a great number of sources, especially in the field of natural resources. The Farm Bureau favors a tax on natural resources if additional state funds are

needed for any purpose.

Natural gas, for example pays less than 2 percent of its retail value in taxes. Gasoline, on the other hand, is taxed at approximately 30 percent of its retail value. Farm Bureau feels that the people of Texas should derive some benefits from the state's resources. A little more than half of the natural gas produced in Texas leaves the state with a very small tax on it. Some other states derive more tax revenue from Texas natural gas than does Texas.

Three years ago the Texas Farm Bureau was primarily responsible for the passage of the gathering tax on natural gas. This tax bill, which placed a tax on natural gas going into interstate commerce, was recently declared unconstitutional by the U. S. Supreme Court.

CHURCH SERVICES ANNOUNCED FOR SARDIS BAPTIST

Bro. J. W. Reynolds of Tyler, Texas, pastor of the Sardis Baptist Church, will be in Clarendon the last of the week to open services at the Church Friday evening. Services will continue thru the coming week, and will be held at the usual hours.

All members are urged to be present and the public is invited to any or all services.

Mrs. Herbert Schmeltz of Kansas City, Kansas arrived Monday of last week to be with her mother, Mrs. Grace Brown in the home of her niece and nephew, Mr. and Mrs. R. Y. King and girls. Mrs. Brown who is ill was taken by her daughter to Kansas City Friday and is a patient in Providence Hospital there. She is reported to have made the trip in good condition.

FARM NEWS

from the County ASC Committee

PREMEASUREMENT OF COTTON ACREAGE

Premeasurement of 1954 cotton acreage can begin at anytime after the producer files a written request for this service. The written request must be filed in the County ASC Office by April 9, 1954.

The County Committee believes that \$5.00 per farm, plus \$2.00 for each plot over one, is a proper and fair rate to be charged for premeasurement of cotton acreage. At the time the farm operator files his written request for the service, he will be advised that he or his representative must be at the farm at the time the premeasurement is made and that it will be his responsibility to have available stakes that may be needed in staking out the areas to be planted to cotton.

Cotton is the only crop for which the premeasurement service is to be made available.

DROUGHT EMERGENCY FEED PROGRAM:

At this time NO applications can be made for any kind of Drought Emergency Feed. The last day for making application for Corn or Mixed Feed was Monday, March 22nd. Until further information is received from the State Office concerning the Drought Emergency Program NO applications can be taken for any feed. Those who have an application for Corn or Mixed Feed in the County Office at this time will receive the feed as soon as it is shipped in.

WHEAT MEASUREMENT HAS ENDED:

The measuring of the 1954 wheat crops has been completed. We want to thank all producers who helped the Wheat Performance Reporters during the measuring on the individual farms. We in the County Office would like to say that the Wheat Performance Reporters did a very good job of measuring.

Bob Moss Honored By Rexall Drug Co.

Bob Moss, proprietor of Bob Moss Pharmacy, has been honored by Rexall Drug Co. for his outstanding record during the Company's 50th Anniversary year of 1953, according to information received by the local druggist today.

Mr. Moss has been awarded a specially inscribed gold watch as a personal memento of the occasion. In addition, he has been enrolled in the Rexall Golden Anniversary Club, whose members will have their names inscribed on a bronze plaque at the Company's world headquarters in Los Angeles.

Commenting on the honor, Bob attributed it to the increased patronage he had received from local shoppers during 1953.

"People of this community responded wonderfully to the special values that I was able to offer them in 1953," he remarked.

"I'm certainly grateful for their patronage, and I can promise them that in 1954 I'll show my appreciation by providing even better service and values than I did last year."

Mrs. Alvá Dever and Betty visited in the home of Mr. and Mrs. P. D. Dever at Plainview Sunday.

PLOWIN' Out the CORNERS
by Uncle Zeb

Last year we farmers spent almost 15 cents of every retail dollar that was spent in these United States. In other words we are important customers in the world of business and folks in all walks of life are fast becoming interested in our problems. When the first

farm programs were begun way back in the thirties practically everyone but the so-called farm group were against them; except on a temporary relief basis. Now some of the largest business firms are taking the lead in promoting soil conservation and also the program to regulate prices. They have seen the value of the farm folks to our national economy.

In 1953 farmers spent nearly 32 billion of the total spent in retail trade. And even at that the farmers income was down. Not only was his income down but when we considered his take home pay after the higher cost of what he had to buy for farming purposes was taken out the situation looked even worse.

Alot of mistakes have been made in the last twenty years in the plan of trial and error of trying to find a way to avoid falling incomes and a depression. But one fact has been proven that there are things that can be done to mend the weak places here and there and keep the trends that used to begin as small breaks and develop into a wild rush that would build up into a real depression.

Especially in the field of price support has the farm bloc made the largest gain in backing. For years and years prices were always cheap when the farmer harvested his crop and high when the product came back to the consumer. This kept the farmer on the rocks most of the time. This has been done without too much loss to the government. And where the losses existed some could be offset by the extra taxes returned to the government because of the extra income to the farmer and businessman.

Each person full of His Grace. Then; Seek not the exalted position To attain this longed for state, But the Spirit of Christ within you That teaches to tolerate. In God's Book is the example, We understand it only in part, But clear to all who will read it, We understand only with our heart.

Every time that I look at a pie which has been cut into pieces ready to serve I always think of something our boy pulled when he was just a little shaver. On this day at noon Mama had made us some of his very special kind of pie so he hurried with the rest of the meal and helped himself to a piece. When I saw that he had taken the largest piece by some fraction of an inch because Mama had somehow missed the exact spot, it seemed a good time for me to lecture him on good manners regarding such things. He listened intently and ate it all without any argument. That night we had another like pie and a similar situation. He finished his regular meal and sat waiting. Feeling a bit guilty about the lecture I offered him the pie but he kept on waiting. Finally it dawned on me. He was waiting to let us take our slices first to see whether we practiced what we preached, and if we did, naturally the largest piece would be left for him.

From where I sit... by Joe Marsh

You Might Call it a "Gravy Train"

Was reading the other day about a Maharaja in India who has a miniature electric train all made of silver. Now, maybe that's not unusual for a prince, but this fellow had it running around on an enormous dining table in the royal palace.

The twelve cars on the train are loaded with different kinds of fruits, nuts, and beverages. And the train stops automatically in front of each plate so the person sitting there can choose what he wants.

raja is really going to extremes to impress his guests. Around this part of the world, hospitality certainly doesn't need all those fancy trimmings.

You don't have to spend a lot of money or go to a lot of work when folks drop in. Just offer them what you have—coffee, tea, a temperate glass of beer—and let them make their own choice. They'll feel they're getting a royal welcome!

Joe Marsh

From where I sit, the Maharaja is really going to extremes to impress his guests. Around this part of the world, hospitality certainly doesn't need all those fancy trimmings.

The following poem was sent in by one of our readers from up Stratford way. We include it as another scrap book suggestion for those who are making them. It is called:

TRUE UNDERSTANDING
Mrs. Lemma M. Fedric
If you would have true understanding, Have things of the world fall in place, Each life a temple of beauty,

Felix Adler established the Society for Ethical Culture. John James Audubon was famous for his pictures of birds.

cal affiliates in the 48 states, District of Columbia, Alaska, Hawaii and Puerto Rico. The state affiliate is the Texas Society for Crippled Children, with headquarters in Dallas.

GABIE BETTS BURTON LIBRARY NOTES
By May L. Prewitt

The book, "Divine Average" by Elithe H. Kirkland was reviewed for some club in Wichita Falls recently. We have had this book on our shelves since 1952, and while it is a historical novel on a period of Texas History, it has not been popular. Apparently the sad beginning frightens those who might otherwise select it to read.

A friend of the Library gave us "The Lost Shepherd" by Agnes Sanford. This novel is an inspirational story of the "up-swing" of a man's spiritual growth. With sincerity and mature understanding the writer takes us into the hearts and lives of these people.

A young boy passing thru Clarendon, read in the Library two afternoons this week. He has likely served his time in service, and was very interested in all our natural science books. He gave the Library fifty cents and stated he enjoyed reading here. Quite a few transients come in and read here, so we feel that our Library is an essential asset to our town.

Texas' first manufacturing business was the dressing of buckskins for clothes for the frontiersmen.

DALLAS—The burdensome job of running the affairs of state was forgotten for a few minutes recently when Governor Allan Shivers lifted a smiling, brown-eyed little girl to his knee. Five-year-old Karen Albrecht of San Antonio, the National Easter Seal Child called on the Governor to ask him to buy the first sheet of Seals in the 21st annual Easter Seal Campaign which began last week.

and on television during the 30-day appeal.

One of four children, Karen is the daughter of Mr. and Mrs. H. Albrecht and regularly attends the San Antonio Cerebral Palsy and Crippled Children's Center where a staff of specialists are training her to walk with the aid of braces and crutches. The San Antonio center is only one of 23 such facilities over the state supported by Easter Seal dollars.

Karen, victim of cerebral palsy due to a birth injury, was selected to represent the thousands of crippled children who have been aided by the Easter Seal Societies. Her face will appear on billboards, car cards, in newspapers

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN — Top news out of Austin this week is the opening of the 30-day special session of the Legislature, which started Monday.

The last special session of the Texas Legislature was in 1950. It was called for 30-days, but lasted three months.

Four problems have been placed before the 1954 session by Governor Allan Shivers, along with his recommendations for raising taxes.

Dr. J. W. Evans
Dentist and Orthodontist

Phone 285 - Clarendon, Texas

Eanes Radio & Television Service

EDWIN EANES, Owner

Located at Estlack Mach'y Co.

These were the tasks given the legislators:

1. To provide higher salaries for public school teachers.

2. To raise the pay of state employees.

3. To finance construction of needed new buildings at Southwestern Medical School, Dallas; the University of Texas Medical Branch, Houston; Texas School for the Deaf, Austin; and Eastham unit of the Texas Prison System.

4. To outlaw the Communist Party in Texas and provide for enforcement of this legislation.

Prior to making his tax recommendations, the governor talked with business leaders to get their views as to how the money should be raised.

Your DODGE-PLYMOUTH Dealer

It is thought that \$30 to \$35 in new money will be needed to pay for higher salaries and building. The money, Shivers said, should come from these sources:

1. A new and valid gas gathering tax, more or less like the one passed during the last regular session of the Legislature, and ruled unconstitutional by the U. S. Supreme Court. Shivers thinks the law can be rewritten so that it will be valid.

2. A tax on franchises paid by corporations, except for charters issued to religious, educational, and charitable groups.

3. An increase in the present state tax on beer. Submitted to the governor by the Texas Industrial Commission were bills to make Communist Party membership a felony and set punishment of fines up to \$20,000 and imprisonment up to 20 years.

One of the bills would establish a state Loyalty Board of review to investigate charges of subversive activities. Findings of the Board would be subject to appeal to the courts.

Penalties including death for Communist Party membership had been suggested by the governor, but the Board declined to go that far.

William J. Harris, president of the State Federation of Labor and a member of the Industrial Commission, expressed his opposition to one of the bills—that setting up the Loyalty Board.

"This proposed law," said Harris, "not only does not guarantee trial by jury; it leaves the way open for blackening the reputations and destroying the livelihood of loyal, law-abiding American citizens."

Another pre-session development was a conference between Shivers and House Speaker Reuben Senterfitt, who has differed with the governor over various aspects of the special session.

Notably, Senterfitt disagreed with Shivers' compromise plan for teacher pay and school financing.

Neither the governor nor the speaker would reveal to the press what was discussed. Senterfitt has announced that he will be a candidate for governor this year. Shivers has not disclosed his plans—whether he will try for re-election, run for the U. S. Senate, or retire from public office.

District Judge J. Harris Gardner, speaking from his bench here, lashed out at the legislature on four counts. He found these flaws:

1. Juries in criminal cases have the responsibility of fixing punishment.

2. More stringent divorce laws are needed.

3. Funds are required for a workable adult probation system.

4. That provision should be removed from the statutes which

makes "justifiable homicide" a defense in slayings committed by husbands in adultery cases.

Off again, on again was the old folks' march on the capital. Russell Jack Ballard of Wichita Falls, self-appointed leader of the state's aged people, promised that swarms of the elderly would come here, camp on the capitol grounds, and ask for an increase in their assistance allotments and better treatment in state hospitals.

Ballard appointed Cyclone Davis of Dallas as leader of the expedition. Davis, a perennial candidate for state office, filed with the Democratic Executive Committee for a place on the ballot as a candidate for governor.

He neglected to enclose his \$600 filing fee.

CHAMBER SPECIALS

I attended the Stockholders meeting of the Clarendon Outdoor Entertainment Association last Tuesday week and as has been previously announced, Directors for 1954 were elected at this meeting.

Mr. Joe McMurtry and the Directors of the O.E.A. gave us the best Rodeo and Celebration in 1953 we have had in years. I feel that our appreciation of this

should be expressed at this time. Already the Directors for the year 1954 are readying plans for this year's 4th of July Celebration, with great optimism and enthusiasm, which is very commendable when dust storms prevail over our area to dampen the spirits of many of us. As I listened to this group make plans it set me to thinking which by the way is dangerous for me. We West Texans have seen dust storms before and always seem to weather each with new hopes, new plans, re-newed spirits and with a fair measure of optimism thrown in.

By the way what makes a West Texan? What is a West Texan? Is a person who lives in West Texas necessarily a West Texan? Let's enlarge upon this—maybe being a West Texan is what makes people in our Panhandle possess spirit and enthusiasm which has either been lost or never gained in other areas of our State and Nation. Spirit and enthusiasm which is more evident when we return after having visited other localities. Spirit and enthusiasm either bred out of environment or from a special breed of people who ever seeking new horizons and new opportunities first came and settled in this West Texas Plains Country. Nesters, Ranchers, Cowpunchers, Doctors, Lawyers, Merchants, all possessing some inner quality or obeying some inner voice that urged them Westward. Was it

selfish greed, past failures, lack of ambition, that made them Nomads of the Plains? Your answer to this question might well reveal your character and outlook on life.

NOT ONE BUT 2 GREAT NEW GASOLINES

- New Blending Formula**
- 1 Adds Premium Qualities to NEW SHAMROCK TRAIL MASTER Giving Users of Regular Gasoline Extra Performance at No Extra Cost.
 - 2 Makes NEW SHAMROCK CLOUD MASTER the Finest Premium Gasoline For Superior Performance in High Compression Engines
- For All Motorists**

The Shamrock station near you now has in its pumps two of the world's finest motor fuels. This means that regardless of the make or model of your car one of the new Shamrock gasolines will give you MORE POWER... BETTER PERFORMANCE... GREATER ECONOMY... and, for no more than you would pay for any other leading brand of gasoline. Vitally important to the performance of your car is controlled volatility. Shamrock controls the volatility of the new gasolines with a wide range of light and heavy fractions... fractions that assure quick starts... clean burning, plus more mileage, more power and better performance. This careful control means that these new Shamrock gasolines will meet the varying requirements of your car from season to season. As a bonus... Shamrock gives you truly outstanding anti-knock qualities. Shamrock anti-knock qualities are now raised far above the requirements of the most powerful engines put in today's cars.

New TRAIL MASTER

Shamrock's New Trail Master is the performance-plus motor fuel for users of regular gasoline. It costs no more than regular gasoline yet gives the anti-knock, extra-power features you expect only in a more expensive, premium gasoline. New Trail Master offers the drivers of cars with lower compression engines all the performance advantages of recent gasoline improvements without requiring that he pay for a full premium gasoline. If you want the most from your car, get the best gasoline for lower compression engines... Shamrock's New Trail Master... the new, budget-wise gasoline with premium qualities.

New CLOUD MASTER

Today's powerful, high compression automobile engines make strong demands on the gasoline they use. But as a result of Shamrock's new blending formula, New Shamrock Cloud Master not only meets these requirements but far exceeds them. Shamrock Cloud Master... octane rating high enough to positively eliminate even trace knock... octane rating high enough to assure the quickest starts, fastest warm-ups, the greatest power and the smoothest performance your car was designed to deliver. No matter what kind of car you drive, if the engine knocks when using Shamrock Cloud Master Premium, there is something wrong with your engine.

One of these new gasolines is exactly right for your car. A series of distillation tests carefully check the volatility of Shamrock, making certain that it meets the requirements of the new blending formula. Special knock-test engines establish definitely that the new gasoline is of such high octane rating that there is no chance of your engine knocking. Not only can an engine knock waste a portion of every tank of gasoline you use, but the effect of the knock can seriously damage the engine itself. Other tests prove the absence of gum forming copper and corrosive sulphur. These new gasolines are the result of the development of two new fuels, each to fill a specific need of the motoring public. If there is any doubt in your mind about which of the two new gasolines you should use, consult your nearby Shamrock dealer. He is there to help you get the most mileage and best performance possible from your car.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

March 12, 1954

TAX RELIEF?

HR 8224, a bill to reduce excise taxes and for other purposes, passed the House on March 10 with one amendment. Excise taxes are those federal taxes collected on items such as furs, jewelry, luggage, toilet preparations, telephone calls, theater tickets, etc. They are sometimes referred to as federal sales taxes. Sometimes they are called the hidden taxes that you pay but do not know it. I think most people realize nowadays that they pay some taxes on whatever items they purchase or on whatever they do. The taxes which were reduced by this bill range from eleven per cent of the price of the article to twenty per cent. These were all cut down to ten per cent and included the following: furs, jewelry, luggage, toilet preparations, sporting goods, mechanical pens, pencils and lighters, electric light bulbs and tubes, pistols and revolvers, firearms, shells and cartridges, cameras, lenses and film, telephone, telegraph, radio and cable, local telephone, transportation of persons, leases of safe deposit boxes, admissions, general and cabarets, club dues, initiation fees, etc. It was estimated that this tax reduction would amount to \$912,000,000.00 Excise taxes that were not reduced by this bill included taxes on liquor, tobacco, gasoline, passenger cars and motorcycles, trucks, buses and truck trailers, parts and accessories, and diesel fuel used for highway vehicles. Some of these taxes were due to expire on April 1 this year, these were continued at reduced rates,

and some of those that were to expire were continued at the old rate. The bill was considered by the House under a closed rule. This means that you can not amend the bill. You must take it like it is written or kick it out. There was one exception, in that the Rules Committee permitted the Ways and Means Committee to offer one amendment to the bill, which was adopted. This was an amendment to extend for one year at present rates certain taxes that were due to expire on April 1, 1954. Before this amendment was put into the bill, these taxes were extended indefinitely. Much argument was voiced against the amendment, but since the taxes referred to were on automobiles, the committee reluctantly agreed to the amendment and it was put into the law.

An attempt was made to send the bill back to the committee with the instructions that no tax be placed upon admissions of fifty cents or less. This would mean that there would be no tax on admissions to football, basketball and baseball games and other sports events, picture shows, theaters, or rodeos, where the admission charge was fifty cents or less. That was about the only provision offered from which the poor folks could get any relief at all. Most of the other items covered by the bill were things that poor folks just don't use much of, such as furs, jewelry and luggage. Most people do use automobiles, because they have become an absolute necessity and, of course, this requires the use of gasoline, but the taxes on neither of these were reduced.

About the time that most of you will be reading this letter, the House of Representatives will be in debate on another tax bill. Most of the debate on this bill will be centered around the question of increasing the individual income tax exemption from \$600.00 to \$700.00. Unless this is

done, a very small percentage of individuals in this nation will get any tax relief out of this bill. The truth is that the relief flowing to individuals from this bill goes only to those who own corporate stocks. I do not have the exact statistics at hand, but have been advised by some of the experts that about 80 per cent of the corporate stock is owned by less than one per cent of the population, from a family standpoint; that is, less than one per cent of the families of the nation own about 80 per cent of the corporate stock. A motion will be made to give tax relief to all individuals by increasing the exemption from \$600.00 to \$700.00, rather than confining this tax relief to the few fortunate ones who own stock and collect dividends.

There is much to this subject that I wanted to discuss, but I must close this letter, as I have just had an emergency call from the house that little Walter has acute appendicitis and Tommy has the mumps. Sorry to have to run and stop so short, but most of you will appreciate the necessity of the abrupt closing.

The Returning Dust Storms

Texas Dept. of Agriculture

The choking shroud of dust which smothered the state in the last days of February poses an ominous threat to the future of Texas agriculture.

It means our soil is blowing away at a rate greater than at any time in the past 15 years. Our soil moisture content is at such a low ebb in some sections that early crop prospects are very poor. If the dust storms continue, then much of our cropland in West Texas can be counted out of production this year.

These reoccurring dusts raise

the question "What is wrong with the extensive soil conservation methods advocated and practiced during the past two decades?" Where did we go wrong?

The truth is, we didn't go wrong. We just haven't gone far enough in the right direction. We have done wonders in some sections, but our soil saving measures have broken down under the constant buffeting of a three-year drought.

We need to exercise every known conservation practice to the "nth" degree in all sections of our state. One good pasture or crop can be eradicated or buried by a nearby blowing field where no soil and moisture saving plan is in effect. Conservation is a state-wide, full time job.

The task now rests with the state, the county and the individual farmers. The Federal Government has already announced it will not provide funds to initiate soil and pasture restoration programs which were recommended by the drought states.

A study of 17 states, including Texas, showed that on pasture restoration alone, some \$308 million would be needed. And this is merely for seed, lime and fertilizer required to restore about 39 million acres of land.

Actually, this 39 million acres includes only land within "major disaster" areas. The figure would be considerably increased if pastureland were included where weather conditions have been bad but not severe enough to warrant designation as a disaster area.

Since we cannot turn to federal aid in this time of need, then Texas must depend upon its farmers to do the best they can under the circumstances. It is a job that must be done!

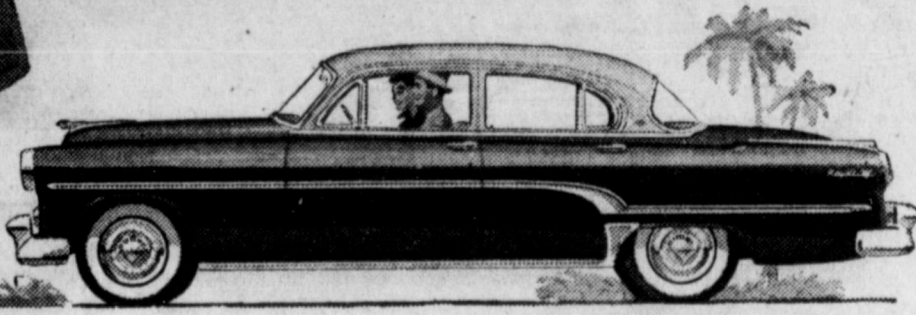

An acre of forest releases more moisture into the atmosphere, than an acre of water.

Today Your Pharmacist Drops a Word About...

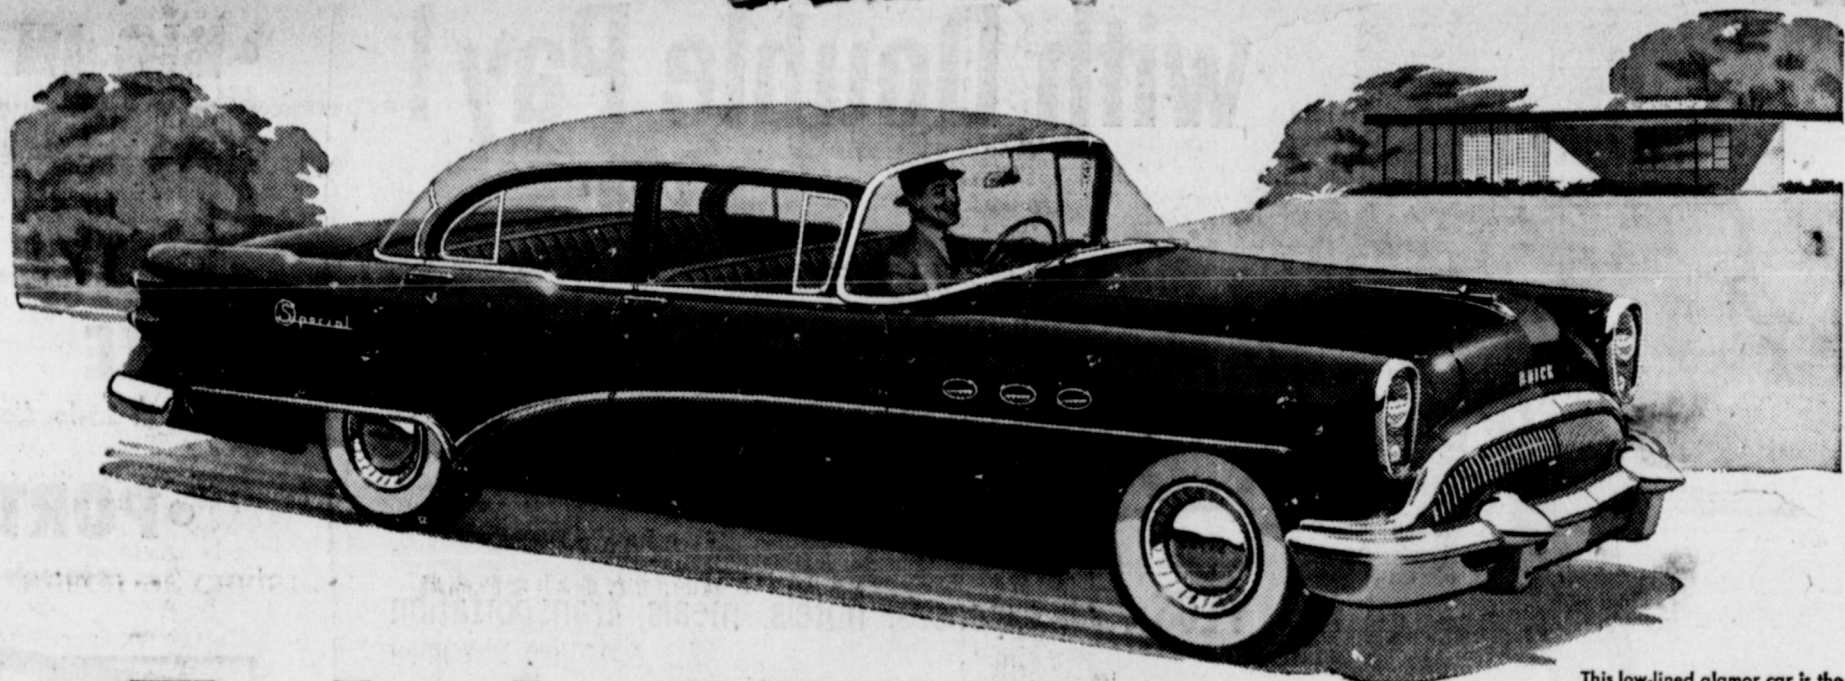

RADIUM 1898

PIERRE AND MARIE CURIE

Pierre, a Frenchman, was born in 1859. He began independent research at the age of twenty. Marie, born in Poland in 1867, studied at the Warsaw gymnasium. This talented and devoted couple traveled together the arduous path which led to the production of pure radium in 1898.

YOUR DOCTOR'S KNOWLEDGE IS THE KEY TO HEALTH—BRING HIS PRESCRIPTION TO US

This low-lined glamor car is the stunning new 1954 Buick SPECIAL—now V8-powered to a record high—and priced just a few dollars above the "low-price three."

The Look of Tomorrow

lets you see better today

BUICK

the beautiful buy

NEVER before its introduction by Buick did you see a windshield like this on a standard-production automobile.

It comes from the experimental "dream cars" you may have seen pictured from time to time—but it's on every 1954 Buick today.

As you can see, this broadly arching sweep of glass adds new beauty and a definite look of tomorrow to the glamorous new Buick.

Even more, this stunning new windshield treatment gives you 19% more visibility—because it pulls back the

corners, lets you see as a pilot sees.

But there's a lot more than "dream car" windshields to the new-day 1954 Buicks.

For these are really new cars—with new bodies, new interiors, new ride features, new handling ease—and, above all, new record-high V8 horsepowers.

Come in and look them over—sit in, sample and price one of these breathtaking new glamor Buicks. It's the only way to know what beautiful buys they are in every way.
