Dear Editor,

You get my "vote" for your stand against government encroachment in all facets of our lives!

Accountability for what you ingest, smoke, or shoot and what happens next seems to have been a boon to those engaged in the law profession.

We all pay dearly for those who are rewarded in court cases with princely sums.

Long time back, lawyers were banned in some western settlements. Would that that day come again!

Keep on raving; it might do some good.

Jacqueline Russell

Dear Editor,

I am announcing my retirement from the position of Constable of Precinct 3 and 4, Donley County, as of December 31, 1998. I have greatly enjoyed the work, and I have tried to fulfill the duties of the office of the constable to the best of my ability during the fourteen years that I have served in this position, but my plans now are to retire from law enforcement and pursue my personal interests. I appreciate each one of you for your votes and support during my tenure, and I know that you will continue to be active and supportive of Donley County in the future.

• Fight BAC Day! on Oct. 12. TBC and the Texas Department of Health cooperated on a program that explained tips to ensure safe food in the home.

"The State Fair of Texas allowed TBC to impact millions of consumers with information on beef's nutritional benefits," said Richard Wortham, TBC executive vice president. "This is a public relations campaign that not only is important to beef producers but to diet/health professionals as well. We appreciate the strong support in this area that we received from TDA and the Texas Department of Health."

This band has been on the Jamboree several times and always does a great job.

Budget or Bust: Making holiday shopping a success

By Dr. Lynn White

As shoppers hit malls, outlets, specialty shop and stores in search of the perfect Christmas gift, an economist recommends ways to stay on budget. "First, set a budget for total gift giving. Make a list of all gifts to be bought and decide before you begin shopping how to divide gift money," recommends Dr. Lynn White, family economics expert with the Texas Agricultural Extension Service.

"Next, make a list showing the money allotted for each gift. When shopping, keep the money for each gift in mind — don't look at items outside the budget limit. If a special buy that saves money on a gift is found, keep track of savings and decide how to use these savings. You may add them to other gifts or give

the whole family a gift of extra savings for the year," White offers.

Look for unique gifts that minimize cost. "For example, give older family members a special calendar with dates marked when you will do something special with them. Give children savings banks with quarters inside to encourage them to save and plan to use their money for something special they want," says White.

If a gift is expensive, make sure it's something that will be used long enough to give full value for the cost paid. Purchase something that won't break easily or be outgrown quickly.

Shop alone when possible, advises White. It's easy for someone else to divert you from your strategy, she says.

When shopping for older children, remember that cash is always a great gift! Buy prepaid long distance phone cards for parents or friends who don't call because they can't afford to. "Put your number or special family member's or friend's phone number with the card," White says.

Grandparents could give their children a certificate for nights or weekends out when they will keep the grandkids. Spouses might give each other gift certificates for one evening a month for a date away from the children, a free Saturday to do something they usually can't find time to do.

Another special gift grandparents can give is one that comes straight from the heart and mouth. "They can make tapes for loved ones to share what they remember about their first or early holiday experiences, and special holiday memories over the years as a family. Oral and video family history will be treasured for years to come."

Nothing says lovin' like the oven. "Bake special breads, cookies or candies for gifts. Involve other family members and let them wrap the items to be given to people like teachers and neighbors," White says.

Remember to shop early enough to avoid buying under pressure, she adds. Keep receipts for all purchases so items that don't work or don't fit can be returned. Keep track of accomplishments and stay on course. When challenged by one gift choice, remind yourself of your other successes.

"The best part of planned, budgeted holiday shopping is that more thought is given to each gift, increasing the returns from your efforts," notes White.

Clarendon students participate in student mock election

Students in grades K-12 participated in the Texas Secretary of State's Student Voters of Tomorrow through Education (Project VOTE) program last month.

During the week of Oct. 12 the high school government students visited elementary classes and explained the purpose and importance of voting. Junior high and high school students learned voting procedures and were encouraged to learn more about the candidates.

On Oct. 22 the students cast their ballots for Governor of Texas and District 13 Representative. Four hundred and four ballots were cast. Returns were U.S. Representative District

13-Mac Thornberry (R)-362, Mark Harmon (D)-36, and Georganne Baker Payne (L)-6; Governor of Texas-George W. Bush (R) 332, Garry Mauro (D)-52, and Lester Turlington (L)-20.

Following the mock election the Project VOTE activities continued with an orientation for the high school students who were eligible to vote in the Nov. 3 election.

County and District Clerk Fay Vargas and County Tax Assessor Wilma Lindley presented the program Oct. 29. They also explained registration procedures to the students who will turn 18 during the school year.

Broncos corralled by Panthers in last game of season

The Clarendon Broncos ended their 1998-99 season at home against the Panhandle Panthers. The game was an exciting one from a spectator's point of view, but in the end Panhandle came out on top 26-34.

The Broncos spotted the Panthers 14 points before they got the offense going in the first quarter. Colt Floyd connected with Carey Thornberry on an 11-yard pass to put the Broncos on the scoreboard. Jeff Powell converted on the point after touchdown.

The Panthers were able to score again in the second quarter. But as the first half was drawing to a close, Floyd was able to find Dee Thompson on a 43-yard pass for the Broncos' second touchdown to bring the half time score to 13-21.

Clarendon continued to fight the good fight in the second half. Colt Floyd scored on a 15-yard run, and Cael Shields ran in the two-point conversion to tie the game at 21.

Panhandle scored 13 more points in the fourth quarter. With less than four minutes left in the game, Cael Shields ran the ball into the end zone for the Broncos' final touchdown of the season. Jeff Powell kicked the

extra point. "Panhandle was closer to our size and everything else, which made the game a lot more even. All in all, if you couldn't win the ballgame, this was probably as close as you could get. The kids played harder and more together than they had all year long," said Head Coach Mark Howard.

"We didn't run outside very well on them because they were lined up defensively to stop us. But we were able to run up inside and throw the ball. It mixed up, and we were able to spread (Panhandle) out a little bit.

"Our defense played the best they have played all year long. They stopped Panhandle on fourth down a couple of times and also forced them to punt. So our kids did a really good job. I felt that our defense played well enough for us to win the football game," said Howard.

"I think our offensive line did one of the better jobs they have done all year long. As far as blocking and staying with the blocks, the kids really stepped up and performed better than they had been."

The Broncos will graduate six Seniors from the 1998 squad. "All of

our Seniors contributed in a big way this year. We had some injuries and sickness at different times during the season. And it's hard not to get a lot of playing time when you're a Senior. But all of our kids realize that there are certain roles that you have to play. And the Seniors were good role players," said the Head Coach.

Clarendon should bring back nine players on both sides of the ball and have 10 or 11 Seniors for next year.

"We're hoping to move up at least four players from this year's JV squad and get a little help from them. The JV had a good season. Especially since a lot of times they didn't know what their lineup was going to be from week to week. The JV kids are real dedicated to what we're doing. We'll just see how off-season and the spring goes," said Howard.

"I want to thank all the people who supported us and were faithful followers. I just want to encourage people to be supportive of the boys. They've given their best, they've tried, they've done what we asked them to do. If we are going to be successful, everyone has to contribute in all areas of the community. Once everyone is

on the same page and understands what teamwork is all about, then success is more prevalent. Everybody pulls for everybody no matter what. I think we got that this year. I'd just like to see it on a bigger scale.

"I really want to credit the kids. As coaches we appreciate that we have good quality kids. And there is no substitute for that.

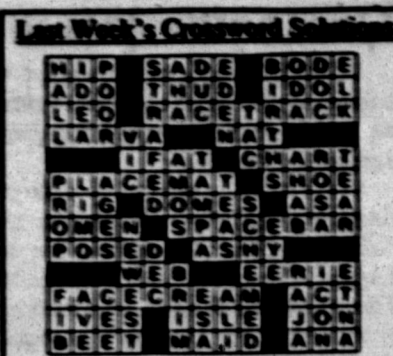

"I really feel that we are blessed to have the coaches here that we have. They do a great job with the kids. They are willing to work with the younger kids. That as much as anything else had to do with the success of our younger football teams. We had coaches with experience willing to work with the Junior High coupled with youthful enthusiasm from our other two coaches. It really is a good blend, and we're all looking forward to next year."

"Finally, I'd like to give many thanks to the coaches' wives, including my own, for understanding when we weren't at home. It's difficult at times. It takes dad away from kids who are growing up fast. It takes a special person to be a coach's wife," said Coach Howard.

Bi-District six-man game being held here

Clarendon residents will have the opportunity to see the bi-district game for six-man football this week.

Groom, 10-0, will battle McLennan, 6-4, in Broncho Stadium this Friday night at 7:30. Groom is ranked number 5 in the state.

Eighth grade Colts pound Panhandle Panthers in season finale

The CJH 8th grade Colts completed their 1998-99 season 6-2-1 by defeating the Panhandle Panthers 50-6.

The Colts had control from the very beginning of the football game. James Williams recovered a Panhandle fumble on the Panthers' opening play.

Two series later, a Panthers' snap on a punt went over the kicker's head. The Colts were able to recover the ball on the Panhandle one-yard line, which set up the first score for Clarendon. Jacob Mondragon ran the ball in for the touchdown and the two-point conversion.

The Colt defense forced Panhandle to punt on their next drive. Judge Smith returned the ball for 28 yards to the 42-yard line. Jacob Mondragon ran in for the score on the very next play. Mondragon also converted the PAT.

On Panhandle's next possession,

JV Broncos end season against Panhandle

The JV Broncos closed out their 1998 football season with a 5-4 record. The Broncos played Panhandle tough in their final game, but came up one touchdown short in their 26-34 loss.

Scoring for the Broncos was Chris Linquist, who caught two touchdown passes from Jeremy Ray. Shane Gayle ran in one touchdown and scored on one two-point conversion.

The other Bronco touchdown was on a fumble recovery in the end zone by Antonio Wilson.

Other JV players who contributed during the season were G.J. Martindale, Greg Wooten, Jared Lax, Derek Gourly, Brian Thompson, Bobby Tolbert, Micah Sparks, Tim McKinney, Kyle McQueen, David Corder, Tanner Blackburn, Scottie Ailport, Kelly Linquist, Aaron Mays, Brandon McAvey, Randy Sanchez, and manager Michael McFarland.

"The JV played tough all year. Several times their lineup had to be adjusted due to Varsity injuries. But other players ended up stepping up and picking up the slack," said Coach Mike Ray.

7th grade Colts close season with only one loss

The 7th grade Colts closed their season with a very tough Panhandle team. The Panthers were ready for revenge for their loss to Clarendon earlier in the season as they defeated the Colts 24-14.

The young Colts started slowly by spotting Panhandle 16 points. Then the Colts came back with a Zach Howard touchdown pass to Dusty Martindale. The extra point failed.

Later in the ballgame another Howard to Martindale pass was the final touchdown of the year for the Colts. Zach Howard ran in the final two-point conversion.

Other members of the Dirty Dozen were Drew Sell, Jeremy Howard, Justin Johnson, Jake Bennett, Adam Leeper, Chris Fobbs, Robert Johnson, Tim Leeper, Steven Wilson, Otis Scrivner, Larry Wilson, and Hoss Watts.

"The Colts ended their season with a 7-1-1 record and exceeded most people's expectations. They gave great efforts, and all the coaches and players are proud of their season," said Coach Mike Ray.

Judge Smith intercepted a pass at the Colt 45-yard line. Unfortunately, the Colt drive stalled on the 25-yard line, and the Panthers regained possession.

With three seconds left in the half, Panhandle fumbled again, and Todd Hoeltzel ran the ball into the end zone from 17 yards out. Hoeltzel scored on the two-point conversion to put the Colts up 24-0 at half time.

The Colts received the second half kick-off and returned the ball to their own 16-yard line. On the first play Hoeltzel ran the ball 84 yards for

a Colt touchdown. The PAT failed.

Fumbles continued to plague the Panthers as Eric Pitts recovered the ball on Panhandle's 24-yard line. On the next play Mondragon scored off a pitch behind a great down field block by James Williams. Mondragon also scored the two-point conversion.

Panhandle's next possession was interrupted by Kevin Green when he intercepted a pass at the Panhandle 40-yard line and returned the ball 10 yards. Three plays later, Richard Rodriguez scored from 16 yards out,

putting the Colts up 42-0 with 22 seconds left in the third quarter.

The Panthers finally got on the scoreboard in the fourth quarter. But the Colts answered with a 64-yard touchdown run by Todd Hoeltzel. The two-point conversion was scored by Rodriguez.

"The defense played great! Richard Rodriguez played a big part in shutting down their outside game. The offensive line had another great performance opening holes for our backs," said Coach Roger Hoeltzel.

Owls suffer loss in last game of season

The Hedley Owls traveled to Samnorwood High School last Friday night to finish their season with a game against the Eagles.

In the first quarter, Samnorwood's Paul Wright ran the ball in to score a touchdown for the Eagles. The PAT kick was good. Then Norwood's Luke Carter received a pass from Clint McCloy for a touchdown, with the PAT again good for two extra points. The scoreboard read 16-0 at the end of the first quarter.

The second quarter proved even harder for the Owls. Norwood's Artie Wright ran into score another TD for the Eagles and kicked a good two point PAT. But Hedley fought back hard. Jeremy Wells completed a 34-yard pass to Jason Myers to put the ball on the 13-yard line. Wells then ran the ball into score a touchdown for the Owls.

But the Hedley defense could not hold off Samnorwood for long. Norwood's Artie Wright completed a pass to Paul Wright who ran the ball line to score again for the Eagles. However, Hedley's Dustin Monroe blocked the PAT kick attempt. The halftime score read 30-6.

In the third quarter, the Owls came close several times to scoring but just couldn't quite pull it off. Norwood's Artie Wright ran for another touchdown and kicked a good

PAT kick. Later, Norwood's Luke Carter ran the ball in for an Eagle TD. Norwood then threw and completed a pass for a one point PAT. The Eagles then kicked an onside kick, but the Owls missed and Norwood's B.J. Waters recovered. Luke Carter then ran the ball in for a touchdown, making the final score 51-6. Due to the 45-point mercy rule in six-man, the game was called at the end of the third quarter.

Leading rusher for the Owls was Jeremy Wells with 78 yards. Dustin Monroe added 11 yards and Art Tiffen, 2 yards. As for receiving, Jason Myers had 34 yards while Dustin Monroe had 13 yards. Dustin Knowles had 10 yards and Lowell Ellerbrook, 8 yards. Dustin Monroe was the leading tackler with 16 tackles. Art Tiffen was right behind him with 15 tackles. Lowell Ellerbrook added 11 tackles, and Jeremy Wells and Jason Myers each had 5 tackles. Jason Conatser had 3 tackles, and Russell King finished the game with one tackle.

The Owls end their season with a district record of 2-3 and an overall winning record of 5-4. The Owls are looking forward to an even better season next year with eight returning lettermen including four starters on each side of the line.

Cross Country teams run in regional meet

The Clarendon Cross-Country teams competed Saturday morning at the Region I Meet in Lubbock. Junior Rodriguez represented the Broncos in the Varsity Boys three-mile race. "Junior had a very good time and race for his first time at Regional. He ran strong and with confidence despite it being his rookie year. I believe he finished around 50-60th out of approximately 150 runners. I think he'll come back next year and really do some great things in cross-country. We timed him in 18:22, which is one of his best times of the year," said Head Coach Steve Schmidt.

all put in their best time at Regional. They have to show some confidence. They were third in our district, and I think that made them feel like they were one of the worst teams there. They didn't realize that the two district teams ahead of us will beat almost everyone else in the state. Panhandle won the 2A Regional meet and should do real well at state. Wellington was fourth at the Regional meet, missing a state berth by just one point. If our girls would have stayed anywhere close to those schools like they did at District, we'd probably be in the top ten at Regional," said Coach Schmidt. "This was the second year in a row for some of them to advance, so hopefully in their third year, next year, they'll go in with some confidence and refuse to give anything less than 100 percent."

The varsity girls running for Clarendon were April Bryley, 14:30; Geri Butler, 14:38; Jamie Sawyer, 14:40; Kelley Lemley, 15:21; Danielle Holden, 16:04; Carrie Helms, 16:14; and Amanda McCabe, 17:38. The alternates were Cat Chamberlain and Lindy Helms.

"It's been an enjoyable season. These girls are a fine group of kids. We really appreciate all the support their parents have shown throughout the season," said Schmidt.

"The girls ran an average race. This course is fast, and they should
