**Texas employers are now federal agents**

Just call me "Marshall Roger."  
As of October 1, 1998, myself and every other employer in Texas have been drafted into the service of the federal government.  
Now you may ask, "How can this be? What's he talking about?" I'm glad you asked that. Let me elaborate.  
In 1996 our friends in the US government passed the Personal Responsibility and Work Opportunity Reconciliation Act. Part of this act is a crack down on deadbeat dads (and moms) and an effort to collect overdue child support payments.  
Without a doubt, this is a noble and laudable goal. The means to this end, however, stinks.  
The federal government is now operating a National Directory of New Hires. To fill the rosters of that directory, the feds have coerced the states into requiring employers to file a report every time they hire or re-hire an employee.  
Within 20 days of bringing on a new worker, employers are mandated to furnish the state with that person's name, address, and Social Security. (They would also like to know the employee's date of birth and salary, but reporting that information is optional... for now.)  
The state will take this data, put it in the National Directory, and, as soon as deadbeat dad Joe Blow turns up, see to it that the sorry cuss pays his child support.

To accomplish this, we get a new bureaucracy in Austin - The Texas Employer New Hire Reporting Operations Center - and another national database which is keeping track of your personal business.

Nothing I've received so far outlines the penalties for failing to report new hires, but when words such as "required," "mandatory," "comply," and "submit" are used by any government agency, you can be sure they don't mean maybe.

What really bites about this new law is that the state already has this information. Employers are required to file quarterly reports for their state unemployment insurance. On that report is the name and Social Security number of every employee working at that establishment along with how much they make.

Why can't the feds just call up the Texas Workforce Commission every three months and say "Hey, let's see the names and numbers of everybody in Texas who has had a job this quarter." The government could still get what they need to track down people behind on their child support, and we wouldn't have to waste everybody's time filling out a bunch more paperwork. As a bonus, they would know where everyone is working and not just the people who have been hired since the start of the program. As it is now, all the deadbeat parents who had a job before October 1, 1998, are safe, and they can keep avoiding the responsibilities associated with being a parent.

Unfortunately, using a system that's already in place doesn't have the same political flare as starting a "bold, new program" to crack down on this "crisis" afflicting our nation.

So there you have it, my friends. The story of how a mild-mannered publisher of a major metropolitan newspaper is helping to fight the battle for Truth and Justice through his secret identity as a federal agent. Think maybe I can call up a posse or throw people in the slammer now?

Editorials are published periodically by the Enterprise when the Editor or worthy guest editorialist has something to say. Warning labels have been attached because a few readers found these columns to be "biased" or "opinionated." But then Editorials or "Opinion" pieces usually are.

**The Lion's Tale**  
By Allen Estlack

Clarendon Lions Club held their regular Tuesday noon meeting on October 6 with Boss Lion Jimmy Blackerby in charge. We had 18 members and one guest.

Our guest was Dr. Charles Deyhle, Sr., guest of Lion Blackerby. We had Clayton Ferris on the piano.

Dr. Ray Hawkins, the interim president of Clarendon College, presented the program. He spoke on the activities the college is working on. The Centennial year was discussed. A review of all the programs at the college was discussed along with the idea of expanding programs to meet new needs. The Pampa Center will be announcing in the near future the construction of a new Pampa campus. A new library building for the Clarendon campus is being worked up by the architect at this time. The agriculture activities building is progressing as funds are being gathered for this new facility. A new search committee has been selected to bring a new president to Clarendon College.

The Pancake Supper tickets have been passed out to members and are being sold at this time.

There being no further business the meeting was adjourned.

**Despite headlines about scandal, nation's business continues**

If you believe what you hear on the national news, the only thing being discussed in Washington these days is the scandal involving the President. Well, that may be the only thing the Washington media is talking about, but the fact remains that the business of the country is going on.  
For example, two weeks ago, the House passed a plan that will give parents more control over what

their children learn in school. The plan - called The Dollars to the Classroom Act - will require that 95 percent of federal education tax dollars be spent directly on students in the classroom, rather than on bureaucrats in Washington.  
Last week, Congress approved two defense bills that will boost military pay by 3.6 percent, and provide important funds for Sheppard Air Force Base, the Pantex Plant, and the V-22 Osprey. The weekend before last, the House approved a plan designed to strengthen Social Security and lower taxes on working families. And as of this past Friday, the House was set to vote on a bill

containing nearly \$4 billion in disaster relief for farmers and ranchers hit hard by the drought and low commodity prices.  
So in short, the business of the country is going on - we're just not seeing or hearing much about it. The scandal involving the president is important, and something we should all take seriously. But taxes are still too high, defense spending is still too low, and farmers and ranchers are still waiting for help to arrive from Washington.  
These issues may not make it into tomorrow's headlines. But they will make a difference in our lives, and are ones we cannot ignore.

"Purdy Jazzy Ass" took Reserve Grand Champion Halter Donkey honors and the Abilene Fair and Rodeo recently. Purdy was shown by Linda and Cheyenne Noble of Clarendon.

**Noble family takes honors in Abilene**

On September 12, 1998, Cheyenne and Linda Noble, of Clarendon, swept honors at the Abilene, Texas, Fair and Rodeo.

The Nobles competed with their equine hybrids in the donkey and mule show. Cheyenne competed on "Arlene The Other Woman" in the ten and under age group to win high point, Sub-Jr. Youth. She won a buckle for her achievements. Arlene is owned by Leroy Cagle of Lubbock, Texas. She has only been ridden under saddle for the past 60 days, and this was her first show. Linda also showed "Arlene" in open classes and did very well.

The Nobles also showed "Purdy Jazzy Ass" a Paint Jack, to a Reserve Grand Champion Halter title. They would like to congratulate his new owners of Houston, Texas, on a fine Jack purchase.

"Diamonds in the Ruff," a black Jenet, owned by the Noble Family and ridden by Linda Noble is proving to be more than just a pretty face after winning High Point Performance Donkey this weekend. Diamonds was shown last year at halter and recently broke to saddle. This was her first show to be ridden. Linda received a buckle for this performance.

"Jumpin Jingle Jim" took Reserve High Point honors. He was ridden by Noble and owned by Leroy Cagle. This was "Jim's" first show as well.

The Nobles will travel with their fine asses to Amarillo to the Tri-State fair next. They hope to defend their championships and High titles set last year. They have started over with all new stock, and it appears they are going to be outstanding animals.

## Broncos to take on Bucks in district opener

The Clarendon Broncos will host the White Deer Bucks this Friday evening, October 9, at 7:30 p.m. to open the District season.

The Bucks, 3 - 2, are coming off an overtime loss to Wheeler and were defeated by Oklahoma's Turpin Cardinals earlier this season. "This is kind of gives a coach mixed emotions. It shows that (White Deer) is beatable, but they will also be hungry to get back on the winning track," said Head Coach Mark Howard.

The Bucks' big gun is Craig Urbanzyc, who rushed for 2,000 yards last year and is on course to repeat this year.

When asked how to contain Urbanzyc, Defensive Coordinator Roger Hoeltzel responded, "Hopefully

we won't give him the running lanes that he likes to use. (White Deer) likes to open up several different options for him to run. And if we can be sound on defense we can shut those running lanes down and keep him corralled. He's not as dangerous at forming holes as he is at taking advantage of their presence. (Urbanzyc) isn't the only one we have to watch out for. (White Deer's) fullback and quarterback are good too."

The Broncos are looking to regroup after a devastating 56 - 0 loss at the claws of the Sunray Bobcats. The Bobcats were ready for their first win of the season and took advantage of their homecoming crowd.

"For whatever reason we just didn't show up to play last Friday

night. We really had a pretty good week of practice and the kids seemed to understand what we needed to do. It just didn't get done. It almost seemed like we reverted back to being a JV team playing a varsity team," said Coach Howard.

"The positive thing about the game was that it has no bearing on our playoff hopes. We now begin our "true" season. And hopefully the previous five games have nothing to do with us making the playoffs.

"This Friday's game really depends on how the kids bounce back this week. And I hope they understand how serious this ballgame is. Each game is as big as the next game from here on out. Because they all have playoff implications," said Howard.

## 8th Grade Colt defense still too hot to handle

The 8th grade Colts hosted the Panhandle Panthers last Thursday. The rainy evening did not dampen the spirits of the Colts who went on to defeat the Panthers, 36 - 6.

The mighty Colt defense was able to stop the Panthers on their opening drive of the ballgame.

Todd Hoeltzel and crew marched down the field 67 yards to get on the scoreboard first. Jacob Mondragon ran up the middle for the two-point conversion.

On the ensuing kickoff, Panhandle ran the ball back 85 yards for their only touchdown of the evening. The two-point conversion failed.

The Colts' second drive began on their own 35-yard line. After a tough fight down the field, Jacob Mondragon caught a pitch from Todd Hoeltzel on the speed option and scored from 21 yards out. Hoeltzel was able to convert on a quarterback sneak to bring the score to 16 - 6 Colts. The Colts continued to be fired

up after the half-time break. The offense drove the ball 53 yards to set up a Todd Hoeltzel 5-yard run for the next Colt score. The PAT failed.

Richard Anderson intercepted the ball on the next Panhandle possession to give the Colts a great field position on the Panhandle 23-yard line. Five plays later Richard Rodriguez scored from three yards out. The two-point conversion failed.

The Clarendon defense continued their domination over the Panthers throughout the game. Richard Anderson made another crucial interception and returned it to the Panhandle 32-yard line. The Colt offense took the advantage with Jacob Mondragon scoring from four yards out. Kevin Green scored on a

wingback reverse to cap the Colt scoring.

"The defense has not been scored on all year. Except for the kick off return, there were no mental or physical lapses during the ballgame. The offense scored on every single possession except one," said Coach Jeremy Gage.

"These kids are an absolute joy to be around. They compete until the final second ticks off the game clock. The most rewarding thing about this and all of the football games is that every person on the team contributed in one way or another," said Gage.

The 8th grade Colts will face the White Deer Bucks this Thursday, October 8, following the 7th grade game in Skellytown.

## CHS Cross Country Teams run well in Wheeler Meet

Saturday morning's cool, damp temperatures were very much welcomed by Clarendon's Cross-Country teams. The course was a little muddy and the starting line had to be moved because it was under water, but that did not deter the runners.

"We had some tough efforts by our kids this meet. After getting in from the Sunray football game between 1 and 2 a.m., it was hard to get up early and leave for Wheeler at 7 a.m.," said Head Coach Steve Schmidt.

Clarendon had six medalists at the meet which include: Christine Holden, Jr. High girls; Geri Butler, Shannon Cooper, and Lindsey Shelton, JV girls; April Bryley, Varsity girls; and Junior Rodriguez, Varsity boys.

"Christine and April led their teams once again. They're having great seasons. Junior ran a very good race to get his second medal in consecutive meets. Geri, who ran with only one shoe for the last one half mile or so, did very well coming off an injury. She should give our varsity team a real good boost," said Schmidt.

The official team results had not been totaled up and announced as of press time. Coach Schmidt believed that the Varsity girls were in the top five of ten teams, and the Junior High girls team, which ran exceptionally well, had to be in the top three.

Those athletes participating in the Mustang Stampede were: Varsity Boys Division - Junior Rodriguez, 8th, 17:07; Varsity Girls Division - April Bryley, 13th, 13:19; Jamie Sawyer, 22nd, 13:30; Kelley Lemley, 36th, 13:56; Cat Chamberlain, 38th, 14:06; Carrie Helms, 48th, 14:26; Danielle Holden, 49th, 14:28; Lindy Helms, 67th, 15:32; JV Girls Division - Geri Butler, 5th, 14:33; Shannon Cooper, 9th, 15:02; Lindsey Shelton, 14th, 15:21; America Santos, 18th, 15:54; Johnnie Sparks, 19th, 15:57; Jannah Mondragon, 20th, 15:57; Kristen Glover, 23rd, 16:03; Jamec Sparks, 25th, 16:21; Kim Alexander, 28th, 16:50; Amanda McCabe, 29th, 17:30; Tamika Kimble-Hearn, 34th, 21:17; Elizabeth Simmons, 35th, 21:19; Candice Hall, 36th, 21:20; Junior High Girls Division - Christine Holden, 2nd, 13:31; Lydia Hartman, 15th, 14:40; Equilla Weatherston, 16th, 15:02; Brittney Hall, 20th, 15:19; Brandi Martindale, 21st, 15:23; Ronna Edwards, 22nd, 15:27; Brandi Betts, 23rd, 15:28; Lacey Eads, 31st, 16:06; and Lacey Anderberg, 60th, 18:58.

The Cross Country teams will take a short break this coming weekend. They will resume competing on Saturday, October 17, at Lake Meredith.

"We are still gearing towards our District meet which is Monday, October 26, in White Deer," said Coach Schmidt.

The Owls took the lead in the first quarter with a score of 6-0. However, the Mustangs fought back hard and soon scored. But the Owls took over and soon had Benjamin trying hard to catch up. The Owls came out with a 60-14 victory over the Mustangs, making this the Owl's third win straight.

The game's leading rusher was Dustin Monroe with 121 yards. Russell King added 21 yards, and Jeremy Wells had 17 yards.

As for receiving, Jeremy Wells took the lead with 67 yards while Dustin Monroe was not far behind with 66 yards. Jason Myers added 14 yards while Dustin Knowles and Tim Tunnell each had 12 yards.

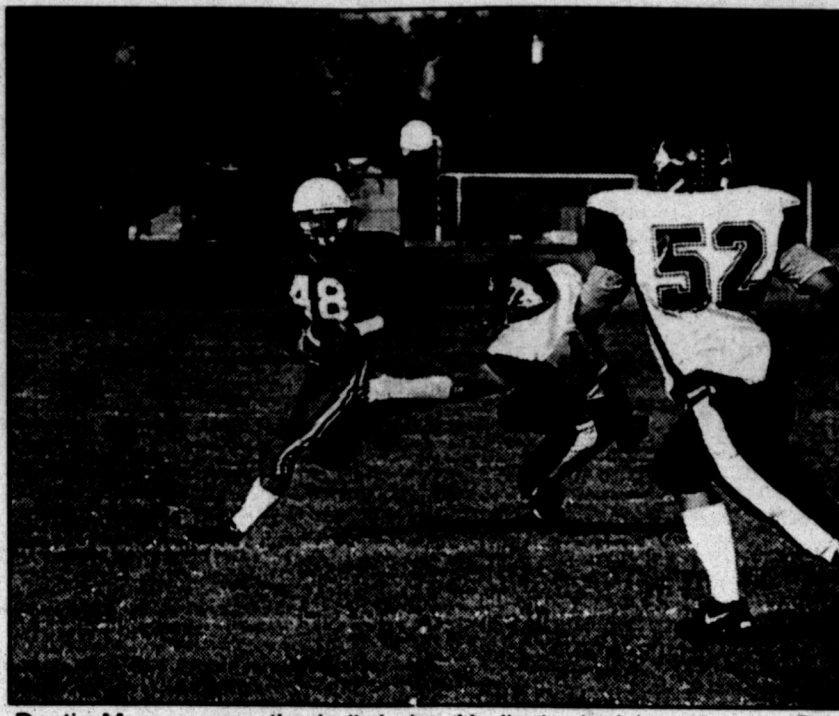

Jeremy Wells led the defense with 14 tackles, and Dustin Monroe had 13 tackles. Art Tiffen had 12 tackles, and Jason Myers had 7. Lowell Ellerbrook came out with 5 tackles, and Russell King had 4. Justin Alexander finished with 3 tackles while Jason Conatser had 2 and Tim Tunnell finished with 1.

Jeremy Wells had one field goal attempt, but it missed.

Wells scored 4 touchdowns, Dustin Monroe scored 3, and Russell King had 2 touchdowns. Jeremy Wells kicked 5 PAT attempts, making 3. Tim Tunnell kicked 3 PAT attempts, making 2 of them.

Jeremy Wells had 2 interceptions, and Dustin Monroe and Jason Myers each had one.

The Owls improved their record to 3-1. They start District this week in Chillicothe and are looking forward to a good District run.

Hedley Cross Country competes at Wheeler

The Hedley Owls Cross Country teams competed in the Wheeler meet last weekend and did very well.

In the Junior High Girls Division, Hailey Bennett finished in sixth place, while Lauren Hill placed seventh. Treva Rowland also competed well.

In the Junior High Boys Division, Lisle Rowland took sixth place. In the High School Boys Varsity Division, Lowell Ellerbrook finished 21st, just out of the medals.

The Owls will compete in their next meet on October 17 in Wellington.

Lightening cancels last week's Bronco JV game

The Clarendon JV Bronco game was canceled last Thursday evening due to severe lightning in the local area. The Broncos will make up the game against Panhandle at a date to be determined later in the season.

7th grade Colts tame Panhandle Panthers

The CJH 7th Grade Colts improved their record to 3 - 0 in a 16 - 14 win over the Panhandle Panthers last Thursday.

The Colts' first score of the game came on a 40-yard reverse by Dusty Martindale. The two-point conversion was good on a pass from Zach Howard to Jeremy Howard.

Zach Howard continued the Colt scoring on a quarterback sneak. Howard also ran the ball into the end zone for the ensuing two-point conversion. This brought the score to 16 - 0 for the Colts.

Panhandle was able to score

twice, but missed on one two-point conversion giving the Colts their third win of the season.

"The Dirty Dozen played a very good game against a strong Panhandle 7th grade team," said Coach Mike Ray. Panhandle has 34 or 35 football players, so it was a big win for our kids. The difference in the game turned out to be the extra point conversions and scoring a touchdown off a Panhandle fumble early in the game."

The Colts will play Borger's "B" team this Thursday, October 8, at 4:30 p.m. in Skellytown.

Sharon Thomas, Betty Cannon, and Sharon's guest, Destiny McFall, celebrated their birthdays at the Donley County Senior Citizens last week.

**Den 5 Tiger Cubs have first meeting**

Tiger Cub Den 5 had its first meeting of the year on September 17, 1998, at the Methodist Church. The meeting was opened with the Pledge of Allegiance to the American Flag and the National Anthem. The boys drew self-portraits using paper bags. Boy Scout Nickless Devin assisted the Cubs in making leather tooled medallion nametags.

The den also began a scrapbook for their year by filling out a page about what they would like to do as Tiger Cubs and drawing another picture of themselves. They closed by singing "Tiger, Tiger Little Scout." Den 5 consists of Nelson Devin, Dustin Ford, Ryan Hill, Colby Mann, and Ty Tubbs. Adult leaders are Karla Devin and Jennifer Tubbs.

**Sts. Roost Jamboree set for Saturday**

By Patsy Hill  
 The Saints' Roost Jamboree will start at 7:00 p.m. Saturday in the Fine Arts Auditorium at Clarendon College.

The Showcase Spotlight will be on Donnie Hall. Donnie has lived almost all of his life in Donley County. He became interested in music at an early age and was probably influenced by his father who played the guitar. Donnie played the violin in the school orchestra when he was in the fourth and fifth grades. He began playing the guitar in church at about 17 and began singing several years later. He was employed by the Louis Ranch for almost 20 years and enjoyed playing the guitar and singing at the ranch rodeos in Wichita Falls during that time. Donnie has broken and trained horses for most of his adult life but has thrown his hat into the political ring this year with his run for Commissioner, Precinct 2. Donnie has been a member of the Saints' Roost Band and has performed on the Jamboree since its conception.

If you want to be in for a special treat, come and hear a true cowboy sing the beautiful ballads that he is famous for. We are indeed lucky to have such a talented musician on the show.

Saturday night "One Voice" will be making their first appearance on the show. This group, consisting of five ladies, is from Panhandle.

"The Gospel Chords" from Pampa will be on the show Saturday night. This fine group has always been a favorite with our audiences.

Admission to the Jamboree is free
