## It Isn't Too Late To Enroll In Clarendon Junior College

A number of adults have enrolled in Clarendon Junior College. We extend a special invitation to every serious minded citizen to consider our college and join us.

College life is one of the happiest, richest adventures that ever comes to a human being. To work and play in a joyous atmosphere of youth and enthusiasm; to find virile meaning in the challenges of the life of today; to interpret the progress of man through 10,000 years of achievement; to live and work and play and study and think in an academic environment invigorated by youth—it is to all this that we invite you.—H. W. Truitt, President of Clarendon Junior College.

## P.-T. A. Meeting Thursday, Sept. 17

The Sims Parent-Teacher Association will have its first meeting of this school term in the Junior High School Auditorium at 3 o'clock next Thursday afternoon, September 17. Mrs. Millard Word, local pianist-composer, will present the program.

The annual P.-T. A. membership drive will be launched at an informal "Get Acquainted" party in the school lunch room immediately after the business meeting. Mrs. W. A. Cockerell, membership chairman and Mrs. D. B. Koen, social chairman, have planned to have the tables in the lunchroom labeled with a teacher's name, giving the mothers a chance to meet and sit with other mothers whose children are in that teacher's room. Since most of the women have more than one child in school, visiting back and forth among the tables is expected to add to the informality and fun of the party.

The P.-T. A. yearbooks, containing the names of the officers, the dates and programs for each meeting, and the dates for "Treat Day", will be given to everyone attending the meeting.

Mrs. J. N. Weaver's room will furnish the treats for Tuesday, September 15th.

## Noted Concert Pianist To Appear Sept. 24 At Methodist Church

Cohleen Jensen, noted concert and radio pianist, will be one of the guest artists who will appear in person at the First Methodist Church on Thursday evening, September 24th at 8 o'clock.

In addition to being a concert pianist, Miss Jensen has a very lovely soprano voice. She has been on the major radio networks since she was fifteen and has been praised highly as a concert pianist. She has studied under some of the best known teachers in America as well as having had special training under several foreign teachers. Miss Jensen is making a real contribution to our wounded men in our hospitals with her musical talent.

Miss Jensen is one of the many Protestant radio artists who are visiting our men and women in both our veterans hospitals and service camps. These radio artists, who are representing our churches, are reaching our service and hospitalized men and women in a practical as well as a spiritual way, by presenting programs of

COHLEEN JENSEN

clean, wholesome, entertainment and by letting these men and women know that the Protestant Churches have not forgotten them.

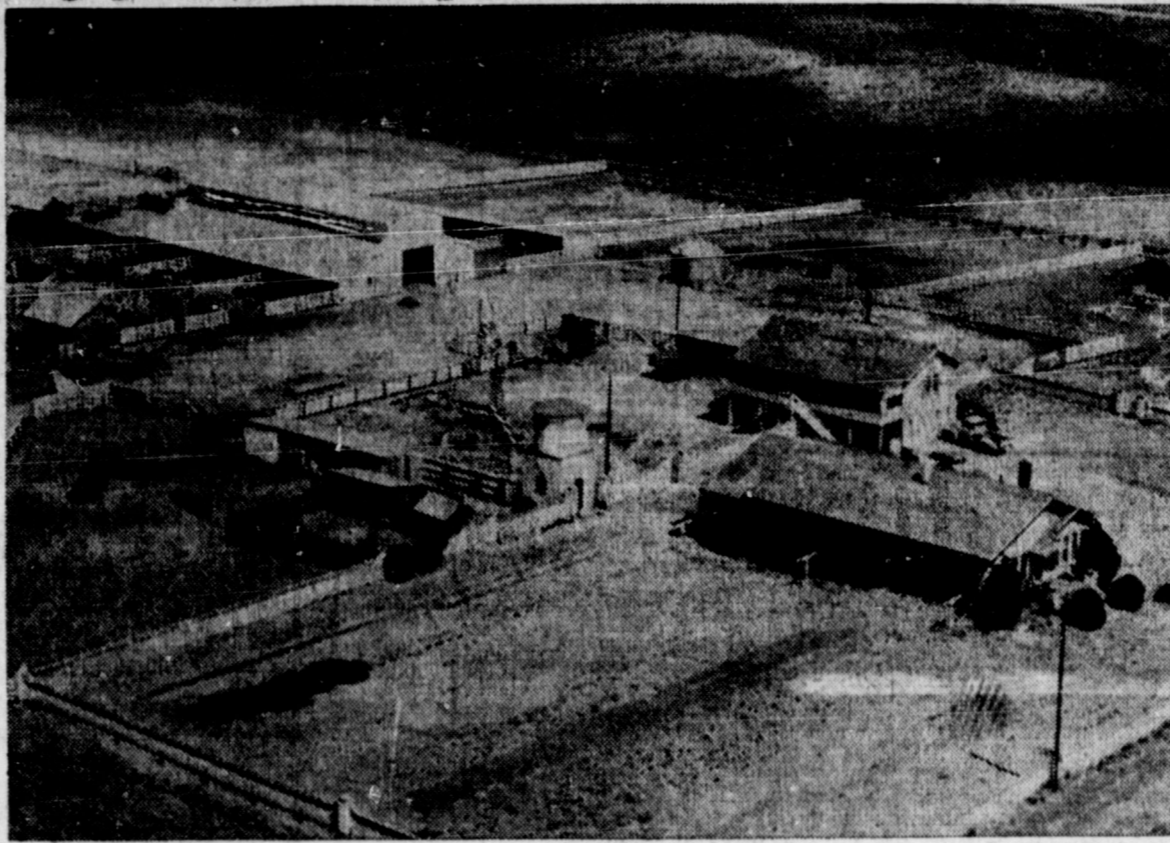

Her appearance here with other NBC artists is under the auspices of Veterans Hospital Programs and Entertainment Service Associates.

## Austrian Lady To Lecture Here September 23

On Wednesday, September 23, the Federation of Womens Clubs and other local women's clubs will sponsor the appearance here of Frau Renee von Bronneck of Vienna, Austria. Renee is a former film star, actress, singer and lecturer. She is the daughter of a distinguished opera composer, the late Max von Oberleithner. More in detail will be given about Renee in next week's issue of the Leader. She will appear here at the College auditorium on the above date at 8 o'clock.

IMPATIENT POW—This unidentified G.I. virtually "went overboard" on seeing relatives awaiting his arrival from Korea. Buddies restrained him, however, and he marched off the ship along with 437 other repatriated POW's who recently docked at San Francisco, Calif.

**MYSTERY FARM NO. 6**—Here is the Leader Mystery Farm of the Air for this week. Rules governing this guessing contest and prizes are as follows: 1st in town and first living and receiving their mail in country to identify the mystery farm will receive a one year subscription to the Leader. The fifth to identify the farm, both town & rural will receive a free ticket to the Mulkey Theatre. The owner or tenant identifying his farm at the Leader office will receive a mounted picture free. Hours for making identification are 8 to 12 and 1 to 5 starting Thursday morning. Last weeks Mystery Farm is identified on page Three of this issue through the courtesy of the sponsor, Clarendon Furniture Co.

## WHY SOLICITATIONS CONTROL

BY JOHNNY ALLEN  
Clarendon C of C Manager

There are various reasons why a solicitations control program is desirable and greatly needed in a town like Clarendon. Probably the greatest reason for the need of the program can be established when we realize that millions of dollars a year are given away in the United States, to disreputable and dishonest persons in the form of donations by the business man alone. A large City the size of Dallas or Houston is continually plagued by schemes and rackets, formed by people of their own City, but many of these people feel that there are "easy pickings" in the smaller towns because of the lack of controlled solicitations on the part of many small towns. For this reason we should see that everyone who comes into our town is carefully screened before solicitations are permitted.

There are many organizations that are recognized as being worthy of any donations which we feel like giving and more times than not their form or standards of making solicitations are as honest and commendable as the cause they represent. To mention a few: the Red Cross, Boy Scouts, Girl Scouts, Salvation Army—not to be mistaken for certain organizations resembling the Salvation Army—Polio and certain local causes. Then we have what is called "Sucker" solicitations used by many disreputable organizations to "bleed" the business man of money by High-pressure methods or misrepresentation. Examples may be cited: non-resident solicitors who get a large part of the funds collected or misrepresent themselves or their organization; telephone solicitors, "if it isn't worth seeing you about, it's best not to invest"; "Sympathy Donations" to individuals who often use an affliction or physical handicap to gain sympathy, on the most part transients; amateur shows, talent shows, etc., where promoters get most of the funds.

Although through a solicitations control program we cannot demand that all advertising salesmen, etc., have a permit to sell advertising, but every business man can protect himself by only trading with known salesmen and using standard media of advertising. Newspapers and magazines of recognized character with known paid circulation and published regularly; radio programs, posters, circulars, handbills, letters and souvenirs; directories such as telephone and City directories are considered standard and worth while advertising media. On the other hand out-of-town advertising salesmen selling space on stage curtains, tickets, programs, and "group advertising" in booklets, pamphlets, blotters, menus, fans, folders, etc., with the approach in the name of "advertising for the benefit of some organization"; are known as "Schemes and Rackets" and should be avoided.

Solicitations cards will be furnished all Clarendon business men who desire to cooperate with the program. The manager will issue permits only to those who are approved by the solicitations control committee. If a solicitor has no permit refer him to the Chamber of Commerce and member, if he has a permit it only means that he and his credentials and his cause have been examined by the solicitations committee and found good; it does not mean that the Chamber of Commerce is trying to influence anyone to donate to a particular group, organization or cause. Above all WHEN IN DOUBT - - CALL THE CHAMBER OF COMMERCE.

Mr. and Mrs. Pat Powell, Cora Bell, Ben and Charlotte of Amarillo spent Sunday afternoon visiting his sister, Mr. and Mrs. Cleveland Hayter.

## Eighteen Identify Mystery Farm

There were eighteen who identified the Leader Mystery Farm of the Air last week. Out of this number, seven living here in town identified the farm and eleven living in the country correctly identified it. John White was the first from the country to identify the mystery farm last week and will receive the free subscription. S. M. Harp was the first in town to identify the farm and he too will receive a free subscription. Mrs. Carl Barker was the fifth to identify the farm on the rural list and will receive the free ticket to the Mulkey Theatre. Mrs. Jeff Ward was the fifth in town to make the identification and will also receive a free movie ticket.

Those on the rural list identifying the Mystery Farm were John White, Mrs. Vance Gray, Mrs. Doyce Graham, Mrs. Hubert Rhoades, Mrs. Carl Barker, J. B. Lane, Robert Tolbert, J. D. Jones, Pete Land, Richard Cannon and Lamar Aten.

Those in town correctly identifying the farm were S. M. Harp, Billy Bradshaw, James Gould, Carman Rhode, Mrs. Jeff Ward, O. W. Sweet, and James B. Guy.

Everyone that can identify these farms each week is urged to make identification here at the Leader office as we do not know who the farm belongs to and you may be the lucky person to receive either a free subscription or movie ticket. All names of those correctly identifying the Mystery Farm will be published each week.

## Cafeteria Menu For Sept. 14-18th

Mr. and Mrs. T. M. Caldwell, Jr. and family visited in the home of her sister, Mrs. Frank Carvey and family, in Fort Worth thru the week end.

## Bronchos To Open Football Season At Groom Friday Night

### Donley Pioneer Passes Away

Mrs. Emma Owens, a pioneer resident of Donley County, passed away Tuesday, Sept. 1st at her home 4 miles west of Hedley. She had been ill for some time. Funeral services were held last Thursday from the First Methodist Church in Hedley by the pastor, Rev. W. M. Culwell, assisted by Rev. O. L. Jones, Baptist pastor. Burial was in Rowe Cemetery under direction of Murphy-Spicer Funeral Home. Pallbearers were Hobart Moffett, W. A. Wiggins, Charles Rains, A. T. Simmons, W. W. Richards, Barney Johnson, Clyde Grimsley and John Nash.

Mrs. Owens was born at Greenville, S. Car., Nov. 12, 1867. She came to Donley County with her husband 63 years ago, and they were among the first settlers in this area. Mr. Owens passed away June 6, 1945. Two children also preceded her in death.

Mrs. Owens had been a member of the Methodist Church since early childhood.

She is survived by seven sons, W. T. and George Owens of Amarillo; Sam and Otis Owens of Hedley; H. H. Owens of Childress; T. H. Owens of San Bernardino, Calif.; and Gus Owens of Glendale, Calif.; three brothers, Sam W. Smith of Plainview, W. A. Smith of Waco, and Roy Smith of Fort Worth; 21 grandchildren and 24 great-grandchildren.

### Flower Show Set For Sept. 17th

The annual Fall Flower Show, sponsored by the Garden Club and Les Beaux Arts Club, will be held Thursday, September 17 at Patching Club House from 4 to 6 p. m. This show has been held in the past in conjunction with the Donley County Fair, but no fair will be held this year. The public is invited to attend.

### BAND PARENTS MEETING CALLED FOR MONDAY NITE

J. G. McAnear, president of the Band Parents organization, has called a meeting for Monday night, September 14 at 8 p. m. in the band room. All parents who have children in the band are urged to be present as plans for the year will be discussed and other important matters will be taken up at this time.

Football time is here again and the Bronchos will go to Groom Friday night for their first game of the season. Game time has been set for 8 p. m. Their first home game will be played here next Friday night against the Claude Mustangs.

Coach Ray Moore reports the Broncs in pretty fair shape for the game. The boys went through a strenuous week of practice last week taking out some of the kinks, and they looked better in a scrimmage session last Saturday night than had been anticipated. The team as a whole will be lighter this year but we have a scrappy bunch of boys that will offer plenty of competition, Moore stated. Fred Clifford, a regular lineman, will probably be out of the game Friday night due to an injury received in practice this week.

The probable starters for the Broncs will be Bill Dale Hill, Hubert Kidd, Howard Hensley, Jimmy Lamberth, Bobby Philley, Bobby Wilson, Don Landers, Bobby Johnson, Ronny Martin, Max Johnson, Delma Graham and Glenn Wallace. The co-captains elected this year are Fred Clifford and Max Johnson.

The probable starting line-up for Groom will be Herchel Black, Amos Britton, Austin Bargin, Dale Clark, Donald Clark, Bob Craig, Jim Eschel, Kenneth Friemel, Buddy Kirk, Cary McAdams, Bob Wade and Doug Whately.

The Broncs will appreciate your support, so all you fans try to go along with them Friday night, and give them the backing they should receive to start out the season.

### Hedley Club Wins Caprock League Championship

The Hedley Lions won the Caprock Baseball League Championship by defeating Groom at Groom last Sunday by the score of 22 to 16. Ed Mathis and Bobby Hutchenson did the pitching for Hedley. Groom used three pitchers but none of them were able to stop the Hedley slugging. Home runs were hit by Herman Mooring, Red Top Sims and Ed Mathis.

The first two innings in the game went scoreless, but Hedley got three runs in the top of the third. Groom got two in the same inning, but Hedley's nine in the next gave them a substantial lead which they never lost.

### THE DUNGILL CONCERT COMPANY

The Donley County Mutual Concert Association will open its fall and winter membership drive the week of September 28th, according to H. M. Breedlove, president of the Association.

The Association is presenting a varied program this season of which the Dungill Concert Company is one of the outstanding attractions. This company consists of Mr. and Mrs. Doyle Dungill and their seven sons and daughters. "Around the World with Music"—that's their program. They always open with Brahe's "Bless This House", sung so effectively by Mrs. Dungill and ensemble. Thereafter various men members of the company are featured in such selections as "The Donkey Serenade," "Hawaiian War Chant," "Tico Tico," "Night and Day," "Song of Egypt," "The Rosary" and many others. Carrie Jacobs Bond's "I Love You Truly", is their theme song. These singers and instrumentalists are top-flight entertainers and make up one of the greatest family novelty companies on the concert platform today.

**MYSTERY FARM NO. 5**—This farm home was identified by eighteen persons last week as the Kermit Evans farm located 1 mile south of Ashtola. Mrs. Evans came in early Thursday to identify their farm home and receive the free mounted picture.

Mr. and Mrs. Evans purchased this 160 acre farm seven years ago. Since that time they have built three rooms onto their home, a new double garage and a new dairy barn. They were married in 1930 and moved to Donley County from California. They have four children: Y/n2 Charles Eugene Evans serving with the Navy in the far East, Kenneth age 15, Carl Lee 13 and Carol Ann 9, all at home. They are members of the First Baptist Church.

Mr. Evans was the first to drill a successful irrigation well in the county. The well pumps over 1000 gallons per minute. He has 20 acres in alfalfa which has produced four cuttings this year and the last amounted to over 500 bales. He raises cotton, alfalfa and grain sorghums in addition to his dairy business. His dairy herd consists of Holsteins and Jerseys.

Mr. and Mrs. Evans have been subscribers of the Donley County Leader ever since they moved here and enjoy news items along with their community news.

**Wedding Read In Home Ceremony**

In a Candlelight ceremony, Thursday, August 27, Patricia Murray became the bride of 2nd Lt. Weldon Day, in the home of her parents, Mr. and Mrs. Frank Murray of Hedley. Parents of the bridegroom are Mr. and Mrs. K. K. Day of Clarendon. Rev. O. L. Jones, pastor of the First Baptist Church of Hedley read the double-ring ceremony.

Flanking the improvised altar were bouquets of white gladioli, pom Chrysanthemums and emerald fern. The archway was decorated with gladioli, lemon leaves and white wedding bells. On either side were candelabra holding white tapers. White satin ribbon marked the bridal aisle.

Miss Nancy Nash, pianist, played a prelude of wedding selections and accompanied Miss Jane Mosley who sang "Because" and "The Lord's Prayer." The traditional marches were used for the processional and recessional.

Lighting the candles was Miss Wanda Lee Moore. She wore a ballerina length dress of light blue organdy.

Escorted to the altar and given in marriage by her father, the bride wore a ballerina length dress of white Swiss embroidered organdy, designed with a fitted bodice and a bouffant skirt. Her shoulder-length veil of illusion was attached to a starched cap of white lace studded with rhinestones. She carried a Bible covered with white satin and topped with a white orchid, with fleur D'amour tied in the white satin streamers. Her only jewelry was a pearl necklace and matching earrings, a gift from the bridegroom.

Miss Norlene Gibson was maid of honor and wore a ballerina length dress of pale blue organdy and a starched lace hat. She carried a nosegay of white daisies centered with blue forget-me-nots.

G. T. Mayo was best man. For the wedding, Mrs. Murray chose a navy blue dress complemented with black accessories. Her corsage was of white gardenias. The bridegroom's mother selected a navy blue dress with navy accessories. Her corsage was also of white gardenias.

2nd Lt. and MRS. WELDON DAY

Following the ceremony, the bridal party was honored at a reception. Laid with a floor-length white net cloth over blue linen, the serving table was centered with a floral bouquet of white with two blue satin hearts tied with blue forget-me-nots flanked by crystal candelabra and tapers. Mrs. H. L. Kinslow, aunt of the bride, served the tiered wedding cake, and punch was laded by Mrs. Jacque Jouitt and Miss Joan Youree. Music was played by Miss Sue Vaughn, cousin of the bride.

After a wedding trip to Colorado, the couple will live in San Antonio. For traveling, the bride wore a sapphire blue matelasse

dress with white accessories and a corsage of a white orchid. Mrs. Day was graduated from Hedley High School. The bridegroom was graduated from Clarendon High School and Junior College, and from West Texas State College in 1951. For the past year he has attended the University of California at Los Angeles. He is a 2nd Lt. in the U. S. Air Force.

**Miss Lewis Becomes Bride of Mr. Brown**

The C. L. Lewis home was the scene of an impressive ceremony Friday evening, September 4 when Miss Noma Lee Lewis, daughter of Mr. and Mrs. C. L. Lewis, and Mr. Joe Ellis Brown, son of Mr. and Mrs. C. R. Brown, exchanged wedding vows.

Rev. Ernest Phillips of the Calvary Baptist Church read the single ring ceremony at 7:30 p. m. before an improvised altar of baskets of white mums tied with white satin bows and banked with gardenias of sword fern. Tall candelabra with white tapers flanked the altar. The bridal aisle was marked with satin roping. Clusters of large white wedding bells tied with satin streamers were used throughout the house.

A nuptial prelude of recorded organ music included "Traumeri" by Schubert, "I Love You Truly" by Bond, "Liebestraum" by Liszt, and "Because" by D'Hardelot. The traditional wedding marches were used.

Ushers were Jack and Leland Lewis, brothers of the bride. Candles were lighted by Wayne Lewis, brother of the bride, and Billy Earl Lewis, nephew of the bride. Mrs. W. W. Lovelady of Amarillo presided at the guest registrar.

Miss Glenda Sue Davis was the bride's only attendant. She wore a ballerina length dress of pink organdy over taffeta. She carried a colonial bouquet of white sweetheart roses. Her headdress was fashioned of the same flower. The groom's best man was Billy R. Phillips.

The bride was escorted to the altar and given in marriage by her father. Her ballerina length gown of white embroidered organdy was worn over white teta.

The redingote was fashioned with a fitted bodice, fastened to the waist with self-covered buttons, a Queen Ann Collar, short sleeves, and a bouffant skirt. Her tiered veil of illusion fell from a half hat fashioned of organdy and embroidered in seed pearls. She carried a colonial bouquet of white rosebuds showered with satin streamers tied with rosebuds.

Her only jewelry was a pair of pearl and crystal ear clips. For something old, the bride wore a gold wedding band belonging to her maternal grandmother; she carried an antique silk handkerchief belonging to her paternal grandmother.

Mrs. Lewis chose for her daughter's wedding, a gown of navy faille with navy accessories. The groom's mother wore a brown and white suit with brown accessories. Their corsages were of white chrysanthemums.

A reception honoring the bride couple immediately followed the ceremony. The bride's table was covered with a white satin cloth, caught up at the corners with satin bows. The centerpiece of pink sweetheart roses centered with double wedding rings was flanked by pink tapers in crystal holders. The beautifully decorated wedding cake and crystal punch bowl completed the table appointments.

Assisting with the reception were Mrs. Weldon Lovelady of Amarillo, Mrs. Billy Phillips and Miss Wanda Lewis of Clarendon, sisters of the bride.

For traveling, the bride chose a powder blue faille suit with brown accessories. She wore white gloves and a corsage of white rosebuds.

Both Mr. and Mrs. Brown graduated from Clarendon High School and attended Clarendon Junior College.

MR. AND MRS. JOE ELLIS BROWN

The couple will make their home in Amarillo where both are employed.

**W.S.C.S. IN REGULAR BUSINESS MEETING**

Mrs. C. W. Bennett presided at the regular business meeting of the W.S.C.S. of the Methodist Church, held at the Church Wednesday afternoon, September 2nd. The meeting was opened with the song, "Open My Eyes." The opening prayer was given by Mrs. Cal Merchant.

Mrs. Bennett reported that \$60.15 was made from the dinner

served at the Seminary meeting August 12. Mrs. Homer Bones gave a report of the Junior Additional Sessions for August. The group sang "Oh, Lord of Life, to Thee We Lift," the theme song for our Mission Study—"A Sower Went Forth." Mrs. R. Y. King led the study.

There were 29 members present. The meeting was closed with the W.S.C.S. benediction.

Mr. and Mrs. Skeet Brown and family of Bushland visited Saturday in the Austin Rhoades home.

**Smith - Wexler**

Mr. and Mrs. T. B. Irons of Clayton, N. Mexico announce the marriage of their daughter, Irene Smith of Clarendon to George H. Wexler of Brooklyn, New York. The single ring ceremony took place Friday, September 4, at the home of Rev. and Mrs. Ernest Phillips. The couple will honeymoon in New York state and Niagara Falls. They will make their home in Floydada where Mr. Wexler is employed by the T. Q & R Railroad Company.

**MARTIN QUILTING CLUB**

The Martin Quilting Club met with Mrs. Margaret Waldrop, Sept. 3rd with 3 visitors, Mrs. B. J. Land of Clarendon, Mrs. Scottie Tolbert, Mrs. Red Hill. A delicious noon day meal was served at noon.

Members were Melba Risley, Lela Bulman, Della Barker, Eunice Land, Blanch Higgins, Lizzie Morrow, Guinn Hill, Linnie Cauthen, Annie Waldrop, Alice Pittman and the hostess, Margaret Waldrop.

The next meeting will be with Guinn Hill at the school house, Sept. 17. —Reporter.

**GOLDSTON QUILTING CLUB**

The Club met with Mrs. Joy Roberson. One quilt was finished. Three members received Pollyanna gifts, Geraldine Jackson, Oddie Moss, Vivian Godbey.

Refreshments were served to Nora Smith, Nina Dale, Vivian Godbey, Geraldine Jackson, Oddie Moss, May Pearl McDonald, Minnie Roberson, Ola McBrayer, Blanche Gray and Joy Roberson, hostess.

Next quilting will be with Adger Williams, Thurs., Sept. 17. —Reporter.

**BETA SIGMA PHI AREA COUNCIL MEETING SEPTEMBER 20th**

The Beta Sigma Phi area council meeting of the Texas Panhandle is to be held in Borger, Texas, Sunday, September 20. Borger is indeed proud to be the host city this year. Headquarters will be in the Hotel Borger, and the parking area is immediately behind the hotel. Registration will commence at 9 A. M. Sunday morning 20th, and registration fee is \$3.75 per person.

Awards will be given on year books and scrap books. There is a special new attendance award this year. Beta Sigma Phis will be present from these Panhandle cities, Amarillo, Cactus, Childress, Clarendon, Dalhart, Dumas, Hereford, Pampa, Plainview, Perryton, Stratford, and Borger. Hostess chapters in Borger are Lambda Nu, Beta Chi, and Zeta Pi. The program for the day will be announced as the chapters arrive.

**T.E.L. S. S. CLASS**

The T.E.L. Sunday School class of the First Baptist Church met Tuesday, Sept. 8 for a luncheon, social and business meeting. A quilt was quilted with proceeds to go to an orphans home.

A lovely lunch was served at 12:30 to eight visitors, Rev. and Mrs. J. E. Byers, Mr. and Mrs. Jake Arthur, Lynvol and D'Nard, Bill Lowe and Mrs. Preddy of Dallas; members Mesdames Lane, Butler, Tucker, Simpson, Naylor, Cook, Pool, Owens, Davis, Barnes, Rattan, Raney, Carlile, Knox, Heath, Phelps, Haudashell and Bingham.

Mrs. Knox presided in the absence of the president, Mrs. Darden. We will quilt the afternoon of Sept. 22. Hope each member is in Sunday School Sunday. —Reporter.

**LES BEAUX ARTS CLUB OPENS NEW CLUB YEAR WITH A BREAKFAST**

Sept. 4th, the members of Les Beaux Arts Club met at the Patching Club House for a Breakfast and the installation of the new officers for 1953-54.

Mrs. Ruth Kennedy, retiring president for the club, called the meeting to order. Mrs. C. C. Powell gave the closing treasurer report.

New officers installed were: Mrs. W. C. Thornberry, President; Mrs. Emmett Simmons, Secretary; Mrs. Lloyd Benson, Treasurer; Mrs. Tommy Saye, Historian; and Mrs. C. T. McMurtry, Parliamentarian.

Sept. 23rd, the Art Club is joining the other clubs of the city in sponsoring Frau Renee von Bronneck of Vienna, Austria, who is lecturing and showing motion pictures.

Because of the cancellation of the County Fair, the Art Club will hold their Annual Fall Flower Show with the Garden Club at the Patching Club House.

Mrs. Harold Bugbee gave 50 fine Iris to the City Park. Mrs. Powell, Mrs. Swift and Mrs. Kunz set out these plants in the City Park.

Mrs. Kunz advised us that Mr. J. L. McMurtry presented the Club House with a good gas range which all of us greatly appreciate.

Mrs. Swift made the motion to give Mrs. Kennedy a standing vote of thanks for her outstanding and faithful leadership.

Hostess for the delightful breakfast were: Mrs. Ruth Kennedy, Mrs. Homer Glascoe, Mrs. J. D. Swift, Mrs. John Blocker and Mrs. Pete Kunz.

**F. H. A. MEETS**

F.H.A. girls held their first meeting of the school year Monday night in the Homemaking Department with 29 members and their sponsor present.

Lillie Barker, president, presided at the business session. Carol Lane gave a report regarding Year Books which will be ready soon. Means of financing the club for the year were discussed and plans made for a "Hobo Day" Saturday, Sept. 19.

The Club creed, song, and constitution and by-laws were read for the benefit of new members. After the meeting had adjourned, old members met to discuss initiation plans for the new members.

Friday evening, members and their guests met at the park for a picnic. After the meal, games were played until time to go home. —Reporter.

**KITCHEN SHOWER HONORS BRIDE-ELECT**

Mrs. Bill Phillips and Mrs. Jack Lewis were hostesses at a Kitchen Shower given in the Phillips home Thursday evening honoring Miss Noma Lee Lewis, bride-elect of Joe E. Brown.

The honoree was presented a corsage of kitchen ware and many lovely gifts. The group enjoyed visiting and watching TV.

Present were the honoree, Miss Noma Lee Lewis, Mrs. C. L. Lewis, Mrs. E. L. Lewis, Mrs. C. R. Brown, Shirley Bulman, Barbara Estlack, Glenda Sue Davis, Annabelle Black, Doris Lloyd, Jo Ann O'Neal, Wanda Lewis, and the hostesses Mrs. Bill Phillips and Mrs. Jack Lewis.

**SENIOR CLASS ELECTS OFFICERS**

The Senior Class of Clarendon High School met Tuesday morning for the purpose of electing their class officers for this school year. The following officers were elected:

Broadus Spivey, President; Fred Clifford, Vice President; Evelyn Jean Wood, Secretary and Treasurer; and Perry Jordan, Sgt. at Arms. Mrs. C. C. Spivey, Mrs. D. B. Koen, and Mrs. Tom Blasingame were elected room mothers. The president appointed Genella Mooring, Joan Putman, Tommy Blasingame, David Lane and Hubert Kidd to serve as the social committee. All class meetings are to be held each Tuesday at 8:30 A. M. in the homerooms.

**CARD OF THANKS**

We would like to thank the many friends for all phases of comfort, food, cards and flowers, during the sickness and death of our loved one.

W. M. Mace and children  
The McIlroy children.

**TOO LATE TO CLASSIFY**

**WEDDING PLANS ANNOUNCED**

At a lawn party in Dallas on September 5th, Mr. and Mrs. Ross W. Brown of that city announced the engagement and approaching marriage of their daughter, Betty Claire, to Aviation Cadet Gene Bryan, son of Mr. and Mrs. Allen J. Bryan of 3216 Parker Street, Amarillo. The wedding will be solemnized on November 20, 1953 in Perkins Chapel on the campus of Southern Methodist University, where both were formerly students. Cadet Bryan is stationed at Vance AFB, Enid, Oklahoma, where he will receive his commission on November 1st.

Guests in the home of Mr. and Mrs. W. M. Patmaff Sunday were Mr. and Mrs. Billy Patman of Maracaibo, Venezuela; Ardis Patman, Mr. and Mrs. Bob Word, and Charlie Murphy, all of Amarillo; Mr. and Mrs. Allen Patman and boys of Borger; and Mrs. Phil Engel, Edward and Emily of Pampa.

Mr. and Mrs. Calvin Merchant announce the arrival of Robert Jon, Saturday, August 29, at Northwest Texas Hospital in Amarillo. The young man weighed 5 lbs. 3 3/4 oz. Mr. and Mrs. Merchant have recently moved to Clarendon from Hereford.

Mr. and Mrs. G. W. Estlack and Jackie visited in the home of her sister, Mr. and Mrs. L. T. Whitlock and Larry in Amarillo Thursday evening.

Mrs. Ida Couch had for her week end guests, her daughter and husband, Mr. and Mrs. Louis Southall of Okla. City.

Mr. and Mrs. T. G. Wiley and boys of Amarillo were guests in the C. E. Underdown home Sunday.

**Hunters Briefed On Lease Inquiry**

ROCKSPRINGS—Busy putting out the local newspaper and helping with the Chamber of Commerce correspondence, Mrs. Warren Hutt took time to brief Texas big game hunters on how to write about a fall shooting lease.

Rocksprings is in the deer and turkey country and Mrs. Hutt said the letters already are beginning to arrive, some showing faulty preparation. She said many hunters don't say what they want, causing extra correspondence.

Mrs. Hutt suggested gunners would gain the unanimous appreciation of Chambers of Commerce and other such groups if they would be specific and say in their original letters:

How many in the party; what price lease wanted; how many days expect to stay (for a week or the full season); whether they expect to camp out or need quarters inside, and so forth.

Mrs. A. H. Moore and son, Gordon, left Friday for San Francisco where they will visit in the home of a daughter and sister, Mrs. Robert McCoy and family.

Mr. and Mrs. Earl Butler and boys of Borger were Sunday visitors in the home of his parents, Mr. and Mrs. Clyde Butler.

Mr. and Mrs. Dick Vallance, Richard and Dolia, and Mr. and Mrs. Joe Shadle and James Dennis visited Sunday in the home of Mr. and Mrs. L. O. Dennis at Memphis.

Mr. and Mrs. Granville Ivey and son Wilson Lee of Amarillo spent the week end with his parents, Mr. and Mrs. W. H. Ivey and Jean.

**Large Bass Crop Noted In Texas**

AUSTIN—An unusually good 1953 production of black bass in Texas' waters is reported by the Chief Aquatic Biologist of the Game and Fish Commission.

He said biologists throughout the state observed a high hatching rate among the black beauties. This upswing is expected to be reflected in results for the casting fraternity by next spring when the 1953 baby bass will have reached the minimum legal limit of seven inches.

The Chief Aquatic Biologist added that bass fishing had been holding up in most parts of the state even during the extreme heat. He said the black fighters probably are getting hungrier because feeding on the spring crop of forage fish becomes more difficult as the latter grow up and are more elusive.

Of the good spring bass hatch, he said conditions for spawning and subsequent growth into the fingerling class simply were favorable as to water temperature and food.

With the state's hatcheries augmenting this natural upsurge, the Chief Aquatic Biologist said the total black beauty population possibly will hit a net peak for Texas. He estimated the total black bass population at "something in excess of one hundred million" based on more than three million surface acres of water.

That, he observed, would amount to roughly twelve black bass for each of Texas' approximately eight million residents—or a pretty fair string of fish if the lot were to be divided up.

Mr. and Mrs. Lewis Underdown and Mike of Amarillo visited Monday with Mr. and Mrs. C. E. Underdown and other relatives.

E. M. Carpenter of Benicia, Calif. visited last week in the home of his brother and wife, Mr. and Mrs. V. W. Carpenter.

Lt. and Mrs. Weldon Day left Thursday for San Antonio to make their home where he is stationed with the Air Corps.

Mrs. H. B. Ickert of Lancaster, Calif. is spending this week with her brother, Mr. and Mrs. J. H. Helton.

Capt. James D. Swift, Jr. of Wichita Falls spent the holiday

Linda Kay vacationed in Colorado last week. They went thru the state capital in Denver, saw the courts in session, and had a tour of the museum there. They viewed the mining center area, visited with the R. A. Beverlys in San Lou's Valley at Santa Casa, and also enjoyed the sights around Redville. They reported that it was not any colder there than it was here at that time, but they had a nice relaxing trip.  
Mr. and Mrs. H. S. Mahaffey and Wynona Perdue visited with Mrs. Clayton and the Ray Normans at Amarillo Saturday, and met Mrs. Della Mahaffey of Downey, Calif. who is here for an extended visit with relatives and friends.  
Mrs. M. H. Rhoades spent Sunday in Memphis with Mr. and Mrs. L. B. Merill.  
Mr. and Mrs. Harold Phelps had Sunday supper with the H. S. Hardins.  
Mrs. Myrtle Reed, Gail and Earl visited in Clarendon with Mr. and Mrs. C. T. Williams, and Mr. Raymond Williams and his family from Hughson, Calif. Sat. We are happy to report that Billy Porter is much improved in a Borger hospital. He was critically injured near Borger Thursday a week ago when a car struck the ambulance he was driving throwing him and the corpse out of the ambulance. The ambulance was damaged beyond repair. Billy was thrown 50 feet into a freshly graded yard which is credited with saving his life. His parents, Mr. and Mrs. L. M. Porter, stayed in Borger with him all last week, and his mother is still there.  
Mr. and Mrs. B. F. DeBord visited in the Clifford DeBord home at Claude Saturday.  
Mr. and Mrs. James Tolbert and girls and Mr. and Mrs. C. E. Jackson spent Sunday with Mr. and Mrs. Jack Lamerson and children.  
Mr. and Mrs. Clarence DeBord visited in the Burk DeBord home Sunday.  
Mr. and Mrs. Slim Hinders visited Friday night with Mr. and Mrs. Burk DeBord.  
H. A. and Allen Ray Graham made a business trip to Memphis Monday.  
Mary Sue Rhoades had her cousins, Karen, Cynthia, and Suzanne Graham from Plainview spend the night with her Sat.

# FARM NEWS

from the County PMA Committee

## "EXCESS" ACRES UNDER WHEAT QUOTAS EXPLAINED:

Farmers who grow more than 15 acres of wheat—even though they have allotments of less than 15 acres—should understand that their wheat will be subject to marketing quotas this year, Ross Springer, Chairman of the County Production and Marketing Administration Committee, said today.

In an effort to avoid misunderstanding about how much wheat on these farms should be subject to a marketing quota penalty, Mr. Springer gave this explanation of how the "excess acres" will be determined. The excess acres in turn will be used in computing the farm marketing excess, on which a marketing quota penalty will be levied.

The chairman explained that, in the case of a farm with more than 15 acres of wheat where the farm had a wheat acreage allotment but the grower did not comply with it, the "excess acres" would be those in excess of the farm acreage allotment. For example, a farm with a 17-acre allotment, with 20 acres classified as wheat acreage for 1954, would have an excess of 3 acres. A farm with an 8-acre allotment, with 17 acres of wheat for 1954, would have 9 acres in excess. However, a farm with an 8-acre allotment, with only 15 acres of wheat for 1954, would have no wheat subject to marketing quotas and no penalties would be due.

A farm without a wheat acreage allotment, with more than 15 acres of wheat in 1954, would have the entire wheat acreage

considered as "excess" wheat acres. Growers who exceed their farm wheat acreage allotment will not be eligible for price supports at the 90-percent-of-parity rate available to cooperators. Mr. Springer urged growers who have further questions about the operation of the wheat quota allotment program to get in touch with the County PMA Office.

## Highway 70 Ass'n To Meet In Pampa September 19th

A meeting of the Texas Highway 70 Association is being called for Saturday, September 19th, at 12:30 P. M. in the Palm Room of the City Hall, at Pampa, Texas. Mr. E. O. Wedgeworth, Acting Secretary of the Association urges all towns located along the highway to send a delegation to this meeting.

The purpose of the meeting is to bring everyone up to date on the progress made in recent months toward closing gaps in the north-south highway, and at the same time to make plans to expedite construction and to promote general interest in the road.

The meeting will start with a luncheon, compliments of the Pampa Chamber of Commerce Highway Committee, and the business meeting will follow.

Filling the gaps on this highway would mean a lot to Clarendon, for it would give us much more north-south bound traffic, much of which goes around us at this time.

Mrs. Garnet Wilhite and Miss Glenlie of Lubbock were guests of Mr. and Mrs. A. N. Hamrick and L. G. Wilhite for the week end.

## Baptist Churches To Hold Victory Rally at Hedley, Sept. 14th

The churches of the Panhandle Baptist Association will hold a "Million More in '54" Victory Rally at the First Baptist Church of Hedley, Monday, Sept. 14, at 7:30 P. M., it was announced today by T. H. Harmonson, Associate Sunday School Supt.

Principal speaker will be Rev. J. E. Byers of First Baptist Church of Clarendon. He will speak on the subject, "We Have the Message the World Needs."

Purpose of the rally is to plan for the participation of the churches of this association in the campaign of Southern Baptists to enroll a million more people in Sunday school in one year. A goal of 600 net gain has been set for the Panhandle Baptist Association. Present Sunday school enrollment of the association is 2,875. Church leaders will determine the steps they will take to achieve their individual church goals at the rally.

Next major event in the campaign for "A Million More in '54" will be Preparation Week which the churches will observe individually September 20-27. During this week they will seek to complete plans for the achievement of their enrollment goals, using a new guidebook, "The Pull of the People," by J. N. Barnette.

A Sunday school enrollment gain of 1,189,566 was recorded by Southern Baptists in the four years ending in 1952 for a total enrollment of 5,491,056.

Southern Baptist Church membership totaled 7,634,493 in 1952.

The distance between some people's ears is one block.

## Hill Family Reunion at Dodge City Kansas

The annual reunion of the Hill family was held over the Labor Day week end at the home of W. R. Hill at Dodge City, Kansas. Forty five were present to enjoy this happy occasion.

The brothers with their families attending were Mr. and Mrs. W. R. Hill, David, Patricia and Faye of Dodge City; J. M. and H. C. Hill of Amarillo; Mr. and Mrs. R. C. Hill and Billy, Clarendon; Mr. and Mrs. A. W. Hill, Altus, Okla.

The sisters with families attending were Mr. and Mrs. R. R. Riley and Jiggs, Clarendon; Mrs. Mary Cox, Brownfield; Mr. and Mrs. L. L. Waldrop, Clarendon, and Mr. and Mrs. R. L. Anderson, Boise City, Okla.

Other relatives attending were Mrs. Sam Hendrix and Sue, Ottawa, Kan.; Mr. and Mrs. Carl McMullen and three children, Dodge City; Mr. and Mrs. Leon Riley, Amarillo; Mr. and Mrs. R. L. Anderson, Jr. and four children, Glazier, Texas; Mr. and Mrs. J. D. Riley and two children, Amarillo; Mr. and Mrs. Joe Boyer and Mark, Medicine Lodge, Kansas; Mrs. Howard L. Underwood, and Mr. and Mrs. J. E. Boyter of Dodge City, Kansas.

## MATCHED ROPING WITH PAMPA SUNDAY AFTERNOON

The Clarendon Roping Club will close the roping season this coming Sunday afternoon with a matched roping with the club from Pampa. Clarendon was winner of the last roping engagement with Pampa, so this should be a tight contest.

Mr. and Mrs. Hubert Rhoades visited Thursday in the Austin Rhoades home.

## Committee Chairmen Appointed For Scout Round-up

Three local chairmen have been appointed to assist in the fall round-up of Boy Scouts, Cubs and Explorers, stated Paul Spillman, round-up chairman, who also declared that there is a great need for more leaders to work with Scouts in Donley County.

The three chairmen for the county are: Newton J. Richardson, survey chairman; Rev. W. A. Cokerell, Maverick night chairman and Shelby Bell, climax chairman.

Mr. Spillman also announced that a Round-Table for the southern district of Scout Leaders will be held in Wellington at Fellowship center tonight at 8 p. m. All Donley County Scouters are urged to attend.

## THE JAYCEES SPEAK

Each year four high school students win \$500 college scholarships, a free trip to Washington, D. C. and Williamsburg, Virginia, and either a radio or television receiver. To win these prizes students write and voice the five-minute scripts on the subject, "I Speak for Democracy" which are judged best in the annual Voice of Democracy Contest. The contest is sponsored by the National Association of Radio and Television Broadcasters, the Radio-Electronics-Television Manufacturers Association and the United States Junior Chamber of Commerce. The 1953-54 contest starts soon. So call or contact your school heads right away.

## SGT. ROY L. GERNER TO RECEIVE SILVER STAR

Word has been received here that Sgt. Roy L. Gerner will receive the Silver Star, the nation's 3rd highest military award, within the near future. Gerner will receive the award for action last February on the "Hook" in Korea. He is now stationed in Japan. Sgt. Gerner is the son of Mrs. E. H. Gerner of Lelia Lake.

## SECOND NOTICE

We have an ordinance that requires each and every one to buy a permit before having a television antenna installed. There are a number of people who have not done this. If your TV has been installed since April 1st you must have a permit which is \$1.25 for the first inspection and \$1.00 for each additional inspection that's made. There is a penalty as high as \$200.00 for failure to abide by the City Ordinance. Those who do not abide by this will have to appear before the City Judge.

In the very near future we will begin to use the new land fill. The land has been purchased and is located 1 1/2 miles south on highway 70, and 1/2 mile east.

Mrs. Dortha Kelly and Rickey of Albuquerque were week end guests in the home of Mr. and Mrs. Bill Lane and boys.

## GABIE BETTS BURTON LIBRARY NOTES

We have had some more lovely books from our ranch friends, the Imbordinos and the Blasings. Mrs. Imbordino gave us a collection for both boys and girls and some for grownups. The last two from Mrs. Blasingame are 1953 editions—"The Corner Store" by Albert Idell is written with warmth, humor and great honesty of the problems and triumphs of ordinary people. It has captured the hearts in this vivid cross section of American life. This author wrote "Centennial Summer." The other is Paul Gallico's "The Foolish Immortals". This is an unusual story—a taut beginning, often exciting, and always a moving drama of human search and fulfillment against a background of the old Palestine and the new Israel. These books and the many others contributed by our Library friends have aided us in establishing an unusually equipped Library for a town of our population.

Our magazine exchange system is quite satisfactory. Each week somebody seems to recall that we can use magazines not too out dated. These thoughtful acts keeps us modernized, since we have subscriptions to several magazines for the Library regularly.

The last of the week we received as a gift "Dear Dorothy Dix" by Harnett T. Kane. Our readers are familiar with his "Bride of Fortune" and "Pathway to the Stars." It seems Harnett Kane won his start in writing when, as a sophomore at Tulane University, he received the "Dorothy Dix Prize", and then remained her friend thru her life. Ella Bently Authur who worked closely with Mr. Kane on this book was an intimate friend of Dorothy Dix and her confidential secretary for twenty-three years. Therefore many of our readers will appreciate this book.

It is wonderful that we have so many people who help the Library when possible. And you would be quite surprised to know how many out of town people stop in here and read—one from Iowa made a special trip from El Paso here to-day and read three hours searching for something authoritative concerning the Adairs and the J. A. Ranch. I had three references for him to read.

## SPECIAL

For School Students

at Woody's Pharmacy

Buy your youngster a Meal Ticket

and save the difference and possible loss of money.

\$5.50 value for \$5.00

For only \$5.00 you receive this meal ticket worth \$5.50 plus \$5.00 worth of Gunn Bros. Stamps which amounts to a 12% reduction on all purchases.

This ticket may be used for purchase of any article in our store, including food, school supplies, drugs, etc.

We wish to announce also that our fountain is under new management.

Donley County Leader PRINTING DEPARTMENT

## CHAMBER SPECIALS

The Clarendon Chamber of Commerce, in behalf of the merchants of Clarendon would like to say "Welcome to Clarendon" to all those who have recently moved into the City.

We have people moving in for various reasons; some are school teachers, some are with the State Highway Department, some are College students, some are businessmen, etc. Whatever their job or profession, let's make them welcome citizens of Clarendon. There is nothing more heart warming and impressive to a stranger to a town than a board smile and a warm greeting, and even more impressive is a town in which the people make it a point to become acquainted with newcomers and strangers to their city.

Again we would like to say "Welcome" to the following people and their families: Mr. R. B. Christian, teacher; Mr. J. H. Gain, teacher; Miss Betty Lee Maddux, teacher; Mr. Howard Martin, teacher; Mr. F. M. Short, teacher; Ethel Green, Colored teacher; Calvin Merchant, with the State Highway Department; Carol Hudson, with the State Highway Department; J. T. Judd, Victory Courts Leasee; J. E. Byers, Minister, First Baptist Church; Don Dorman, College student; Mary Stripe, H. R. Fricks, Rosa Lee Rhodes, Seldon Bagby and B. W. Braddock, occupations unknown at this time.

We feel sure that there are some that we have not been able to get the names of but it is hoped that they feel as welcome as those listed and soon feel that Clarendon is their home.

## VISITORS FROM SOUTH AMERICA

Mr. and Mrs. Billy Patman of Maracaibo, Venezuela are visiting in the home of his parents, Mr. and Mrs. W. M. Patman. Enroute home, they made a two week tour of the Central American Countries and Old Mexico. Billy is employed by the Richmond Exploration Company in Venezuela.

Donley County Leader, \$2.50 year

# PLOWIN' Out the CORNERS

By Uncle Zeb

Well, another year has slipped by and our children or our grandchildren are one year older. Another time to enroll in school has arrived and many a proud papa and mama spent busy and anxious hours getting ready for the big event. Times have changed a lot since most of us started to school; for one thing it is a much bigger event in the eyes of the people today than it was not too many years ago. Is it because the families are smaller? Is it because the schools are larger and parents feel that the child will be sort of lost in the mob; maybe not ever noticed, gotten acquaint-

ed with, or fully appreciated as Johnny or Mary should be? Anyway, we didn't ever get to have our parents accompany us on the fateful first day. Trudging down the fence rows to the little one room school house on that first day we sure felt alone, seems like we can remember that much. We are not going to express ourselves as to just how far a thing like this should be carried, but all in all it must surely be alright to go with them at least on that first eventful day.

Perhaps because of my own guilt in the matter we always sort of got a chuckle out of the story about the proud mama, or we guess it could have been a papa, as she brought the little one to school to meet the teacher on the first morning, and a one-sided conversation something like the following is supposed to have taken place. The parent doing the talking.

"Now, Miss Jones, I know you'll find Johnny a very bright and cooperative child, but one thing I thought you ought to know is that he is very sensitive. He just can't stand rough treatment at all. If you do have to use any rough stuff, just give the

child in front of him a good shake and that will be all 'hat you will have to do to Johnny."

When we visited at Lella Lake with the folks of the Donley County Farm Bureau we helped eat a home grown watermelon from the patch of J. B. McDaniel of Rt. 1, Hedley. We spoke about how good the inside was even though the outside had written on it the name of Flip Breedlove county agent. Anyhow, Mr. McDaniel wants me to try one that hasn't been molested with anyone else's name and see how we like it. He has written for an address where he could leave it in our home town. It's awful hard to find an address where it is safe to leave a Donley County watermelon; especially of the calibre that this farmer has grown this year, but we will take a chance on the place we have written him about, and there will be trouble in the old home town if even one slice has been taken from it when we finally get it. Thanks a million for thinking about us. You just couldn't have thought about anyone that would have enjoyed getting one any more so than Mama and Me.

lot of old time gospel would work wonders to cure much of this new-fangled devilment in the world. Now, ain't that just about the blessed truth.

The trouble with most of the mil kof human kindness that is being handed out in the world is that it has already been skimmed.

I'll always remember what Brother Upton used to say about his sermons. "When I have something to say I can preach a sermon in twenty minutes, when I don't, sometimes it takes me an hour." We think of this often when thoughts fail us as we peck away at the old two-fingered typewriter. Guess we could say the same thing works with us.

Mrs. Bernice Womack of Clarendon solved the puzzle of the high sounding phrases relative to the ailment that I might have been convalescing from. She was right, all of those big words added up to a "Sore finger".

## Calvary Baptist Church

In the absence of the Pastor who will be in Plainville, Kansas in a Revival for the next two weeks, Rev. Billy Dale Hill will fill the pulpit at the Calvary Baptist Church both morning and evening, Sept. 13th and Rev. O. C. Curtis, our District Missionary will be the preacher for both services, Sept. 20th. Let me urge all of the membership of our church to be present to encourage these preachers and that your own heart may be warmed; we also invite others who have no Church Home to visit in these services.

A SMALL CHURCH WITH A BIG MISSION

# ROADMASTER

CUSTOM BUILT BY BUICK

TO you who have yet to drive a 1953 Buick ROADMASTER, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motoring experience of the past half century.

We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with vertical valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflow—where getaway response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, with Power Steering standard equipment at no extra cost.

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built?

We'll be happy to arrange matters. Why not visit us soon?

\*Available at additional cost on Roadmaster and Super models only. \*\*Optional at extra cost in Super and Roadmaster Sedan and Riviera models.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

## DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Now is the time to plant winter cover crops on all land that does not have sufficient cover on the ground to prevent blowing next spring.

Kermit Evans a District cooperator south of Ashtola, has planted a mixture of rye and Austrian winter peas on all of his cotton land. He used one of the District's row seeders to plant this cover crop in the middles of his cotton. Evans has planted winter cover crops in his cotton the past three years and has seen the benefit not only in a cover crop to keep his land from blowing but also in the increased yields in the following crop.

Evans reports that this row seeder can be used without damage even in large cotton.

H. L. Riley a cooperator northeast of Clarendon, plans on using a row seeder to plant a cover crop of rye and Austrian winter pea on part of his cotton land.

Lloyd Carmichael a cooperator northeast of Clarendon is using a regular drill to plant rye as a cover crop on about 75 acres of sandy land that does not have sufficient cover to prevent blowing next spring.

These and many other farmers are commended for their foresightedness in taking action now to prevent their land from blowing next spring.

It is for certain that the wind is going to blow next spring and it is almost for sure that all land without cover will blow. Now that most of the District has had

some moisture it is time to get a cover crop started on the fields that have inadequate cover.

Cover crop planting seed is available locally. The Clarendon Hatchery is handling rye seed for the District. Rye, Austrian winter peas, and hairy vetch may also be obtained from the other seed stores in the District.

Remember that the District has two row-seeders and two regular grain drills for lease to farmers for planting winter cover crops. Call on the Soil Conservation Service for technical assistance in seeding these crops. Check with the P.M.A. office for financial assistance on purchasing the cover crop seed.

But most of all, remember to plant cover crops!

## Conoco Launches Million Dollar Adv. Campaign

HOUSTON — A million-dollar advertising campaign to introduce Continental Oil Company's new Conoco Super gasoline with TCP, described as "the biggest improvement in gasoline in 31 years," is being launched this week as Conoco's new premium fuel goes on sale at 8,500 Conoco service stations and other outlets

in 23 states. TCP, the additive that gives car engines more power and greater fuel mileage is being added to Conoco's new gasoline by special arrangement with Shell Oil Company, it was revealed by Harry J. Kennedy, vice president in charge of marketing.

TCP, the trademark for the power-boosting additive used in the new Conoco Super gasoline, is a special chemical compound originally developed to prevent spark plug failure in the Air Force's giant B-36 bombers, said Mr. Kennedy. He explained that TCP provides better engine performance in two ways. First, it neutralizes spark plug deposits that cause short-circuiting and misfiring. Second, it changes chemically the deposits in combustion chambers that cause "wild-ping" and pre-ignition with resultant power loss. Both conditions are common in both new and old cars.

Most of the serious slips occur after the cup has been to the lip.

### STATE FAIR OF TEXAS

Museums at the 1953 State Fair of Texas, Oct. 19-25, will offer a tasty menu of diverting entertainment spiked with enough nutritious gashes of solid information to afford a healthy tonic for anybody's fund of facts.

Admission is free to the Museum of Fine Arts, Museum of Natural History, all of State, Aquarium and Health Museum. Homer II, a new Transparent Man, will move into his home in the Health Museum in time to receive visitors at the fair.

The new man will be 5 feet, 11 inches tall and have an outer skin of plexiglass and a skeleton of brushed aluminum. He will "talk" to visitors in his own "voice."

Exhibits on nutrition, polio and geriatrics (care of the aging) will also be featured at the Health Museum.

The Hall of State will feature a Jacksonville housewife and mother, Mrs. Frank B. Burress demonstrating with old-time spinning wheels and looms, the nearly lost art of spinning and weaving. She works with flax and dyes made from native plants, roots, grasses and flowers which she cultivates.

Also in the Hall of State will be the Battle of the Alamo diorama and romantic relics of the Texas pioneers who fought to carve an empire from wilderness.

The Museum of Fine Arts will spotlight the annual State Fair Art Exhibition, a cross-section of work by the best Texas painters and sculptors, plus trends in modern architecture, furniture and interior decoration, the Texas Press Photographers fourth annual show and a "Trip To The Moon," in a portable planetarium.

Brown pelicans and mountain sheep will be the newest additions in the Museum of Natural History, whose collection includes stuffed animals, fossils, minerals and gem stones, bird eggs and butterflies.

The Aquarium will exhibit cold water fish, man-eating piranhas, a moss-covered alligator snapping turtle, electric eels, harbor seals, and over 4,000 other fish and amphibians of 225 species.

### Texas Motor Vehicle Inspection Period Set For Sept. 15, 1953 Thru April 15, 1954

AUSTIN—The old Texas Motor Vehicle Inspection Law died recently after a somewhat turbulent existence.

The measure, which saw heated debate in the last session of the Legislature, has been replaced by a modified version which calls only for the inspection of auto brakes, lighting equipment, horns, rear view mirrors and windshield wipers. It becomes effective today, but Homer Garrison, Jr., Director of the Texas Department of Public Safety, has announced that the State Public Safety Commission has officially set the new inspection period for September 15, 1953, through April 15, 1954.

George Busby, Chief of the Motor Vehicle Inspection Division of the Department of Public Safety, has said that there will be about 3,000 inspection stations ready to operate on the opening date.

"Trained mechanics who are well versed in the new law and its requirements will be set to go, and they will have an adequate supply of stickers and other materials on hand," Busby stated.

Garrison added that he could see no possibility of a "log jam" of motorists at the official inspection stations at any time unless too many people put off getting their autos checked until the last few days of the seven-month period.

"Lack of sufficient inspection stations plus last-minute waiting contributed to the long lines and lengthy delays under the old law in the Spring of 1952," Garrison said.

### Health Notes

AUSTIN — A farm-to-farm, ranch-to-ranch survey of Texas water resources is now underway in an effort to gauge drought effect on public health.

The State Department of Health conducted a similar survey earlier this year on incorporated cities and towns, but it failed to show the status of privately owned water sources, such as farm and ranch tanks and private wells.

Information is being sought by questionnaires sent from the State Health Department to all county judges. When complete, Dr. George W. Cox, state health chief, says a compilation sheet will be made showing:

Towns with ample water supplies; towns with impending shortages; number of wells and tanks and the amount of water available from them; how much water is being hauled and from where; steps rural organizations are taking to relieve their shortages; to what extent is land be-

ing irrigated; and what outside help is necessary to relieve shortages in individual communities.

National attention has been directed to Texas in view of the drought-caused plight of West Texas cattlemen, but "there's more to this thing than just cattle," Dr. Cox said.

"When a drought becomes as widespread and as prolonged as this one, it affects every factor of state operation, including the public's health."

He said sanitation is the most serious threat posed by drought conditions.

"There's some typhoid in Texas now," he indicated. "Did contaminated water cause it? We're in the process of finding out."

He said the bulk of the questionnaires are due in "soon," and

that a copy of the compiled data would be turned over to the State Office of Defense and Disaster relief.

**FLORIDA POPULATION RISES**  
The population of Florida rose 6.8 per cent in 1951 over reported figures of the 1953 Yearbook of the American Peoples Encyclopedia. The state's 1951 population was estimated at 2,961,000.

## Missing Chapters in the Schoolbooks

A high-school teacher writes us: "Please send me 50 copies of your booklet, *Adventures Inside the Atom*, for use with my students." Another wants material on new inventions. Or booklets on jet planes.

New things happen in science faster than textbooks can be revised.

New words puzzle our ears and eyes before these words are in dictionaries . . . atomic-pile reactors, silicones, jet engines with "afterburners," UHF television. Some problem for teachers, that.

Last year over 100,000 letters from schools hit our desks at General Electric asking for things in print on "what's new."

Just to give you an idea of how this adds up, one booklet, *Adventures Inside the Atom*, has been requested to the tune of five million copies since 1948.

*Adventures in Jet Power*, also handled in comic-book treatment, has since 1946 gone into eight printings.

This may surprise you: a new booklet, *Why Study Math?*, will run over a million copies this year. (It answers that question Junior is always raising.)

Nobody is happier than we are to know teen-agers have a lively appetite for what's buzzing in the world around them.

After all, whether they know it or not, our young people in school today will be the scientists and engineers of tomorrow. They can't know too much.

You can put your confidence in  
**GENERAL ELECTRIC**

What to look for when you buy TV

- 1. Are the pictures clear, steady, and static-free?
- 2. What kind of a picture tube does it have?
- 3. How good is reception in distant areas? In difficult city areas?
- 4. Will the set be able to receive all stations in this area?
- 5. Will the cabinet fit your home? Is it finished in the right color?

Compare them all with  
**1953 RCA VICTOR TV**

- 1. Improved "Magic Monitor" circuit system now at peak-point of efficiency!
- 2. Improved "Deep Image" picture tube—an important TV development.
- 3. New long-distance reception steps up picture performance, increases sound sensitivity.
- 4. New automatic UHF-VHF tuner can receive all stations in any area. (Optional, at extra cost.)
- 5. New wider range of cabinets—more styles than ever before and more finishes too!

17-inch Wayne (Model 17T301)—Lowest priced RCA Victor television you can buy—and what a buy it is! It's 5 ways finer for '53 . . . in a cabinet finished in rich moxon. Matching stand available, extra.

## HOUSEHOLD SUPPLY CO.

COMPLETE HOME FURNISHINGS—HOME-OWNED and OPERATED  
"WE SERVICE AND REPAIR ANYTHING WE SELL."  
BUTANE & PROPANE GAS SERVICE

By VERN SANFORD Texas Press Association AUSTIN—Teachers are in the limelight again. This time they are petitioning Sen. A. M. Aikin, Jr., to run for governor come 1954.

Aikin co-authored the Gilmer-Aikin school bill two years ago and led the fight in the recent legislature for the teacher's pay-raise bill. The bill passed both houses, then died because there was not enough state revenue in-

coming to pay the salary increases. Teachers are miffed over Governor Shivers' stand on the pay-raise measure; and the current petition is undoubtedly the result of widespread comment relative to the governor's plans to run for re-election.

Aikin says: "I'm not running for or from anything." Should Aikin run it would be the first time that the school teachers as a group have entered the political field with a candidate and a platform of educational improvement and teacher-pay-raises.

Speaking of candidates, the Rev. T. E. Womack of Austin, a campaigner for the office of Lieutenant Governor in 1952, now has the police searching for two men who robbed him of \$255.

Hijackers held up the 61-year-old negro preacher on a lonely road outside the capitol city. They helped him start his stalled car, then pulled a pistol on him.

Dr. Geo. W. Cox is calling upon the public to aid health officials in improving sanitary conditions in public eating places.

Public reaction could be one of the most forceful influences in effecting adherence to health regulations, the state health officer contends.

Cox asks that the public observe unsanitary practices and express unfavorable reaction to restaurants and cafes which do not measure up to standards.

He calls particular attention to the serving of milk in other than the original container, prevalence of flies, cleanliness of walls, floors and counters, as well as the appearance of the waiters

and waitresses. —tpa—

Governor Allan Shivers got quick reaction to his accusation that the FBI is violating States' rights by secret snooping in some civil liberties cases.

FBI Director J. Edgar Hoover commented that he was "amazed you could be so misinformed." Such investigations are made by the FBI only when so ordered by the Department of Justice, Hoover said, and the head of the state institution concerned is always told about it. Hoover asked Shivers for more details.

In response, the governor said his remarks were in line "with the general discussion at the last three National Governors' Conferences." He invited Hoover to look at the minutes.

Into the hassle came State Representative William H. Kugle of Galveston, who asserted that Shivers had shown "a complete misconception of the problems of law enforcement and the protection of civil liberties."

Somebody, Kugle thought, should send the governor a seventh grade textbook on government.

Law enforcement is a matter of local option according to Shivers' position, Kugle declared, and because of that policy Galveston County "has provided a haven for hoodlums for many years."

Defense testimony began in a hearing to develop evidence for the State Supreme Court as to whether District Judge C. Woodrow Laughlin of Alice should be ousted from his job.

Prosecutors, meanwhile, had produced witnesses who testified that strong-arm tactics and economic pressure were brought

against them when they opposed George Parr, Duval County political boss who helped Laughlin in his race for judge last year.

Donato Serna, San Diego drug store operator, said Parr and others tried to drive customers away from a drug store operated by Serna's brother.

Serna testified that when he began taking pictures of the scene he was arrested and taken to jail, where Parr hit him a hard blow over the head with a flashlight.

Serna was but one of many witnesses whose testimony, in bits and pieces, will fit together to provide a picture, not only of Laughlin's administration, but of South Texas politics generally.

### National Foundation Infantile Paralysis Makes 28 Grants To Texas Organizations

DALLAS—The National Foundation for Infantile Paralysis today announced that through June 30, 1953, it had made 28 grants to eight Texas organizations totaling \$500,307.10 according to General Robert J. Smith, state March of Dimes chairman.

The eight institutions still have in operating funds some \$93,454.92 of the \$500,307.10 granted since 1938, General Smith pointed out.

Largest of the grants was \$137,751.14 to Baylor University for virus research and medical care with the second largest grant, \$116,859.57, going to the University of Texas for virus research.

The other six organizations participating in the polio program are Southwestern Medical College in Dallas; Crippled Children's

Hospital in Marlin; Texas Scottish Rite Hospital; Jefferson Davis Hospital in Houston; Southwest Foundation for Research and Education in Dallas; and the Southwestern Polio-myelitis Respiratory Center in Houston.

Of the 28 grants, 17 for a total of \$189,419.83 were for virus research; four were for \$13,486.05 for treatment aftereffects; one for education in the amount of \$4,224.00 and six for medical care for a total of \$199,722.30.

General Smith said that the \$93,454.92 in unexpended balances from past awards was divided between Baylor University with \$47,739.92 remaining for medical care and \$45,715.00 by Jefferson Davis Hospital in Houston for the same purpose.

From 1938 through December 31, 1952, the March of Dimes campaigns in Texas have resulted in net receipts of \$9,998,309.94 of which \$8,716,145.54 or 87 per cent was actually spent in the state.

"It is of special interest to note that for the period January 1, 1949, through December 31, 1952, the March of Dimes campaign in Texas have netted a total of \$6,579,024.40 of which \$6,316,972.57 or 96 per cent has been spent in the state," General Smith said.

"However in 1952, the Texas March of Dimes campaign netted \$2,181,624.87 while the Foundation spent \$2,488,938.73 in Texas for polio epidemics; resulting in a state deficit of \$307,313.86," he added.

"This means that we in Texas require \$307,313.86 more than we donated to the March of Dimes campaign," General Smith declared.

He said that the 1952 campaign collections of \$2,181,624.87 was the equivalent of 2829 cents per person in the state. The 1953 contributions of \$2,035,932.26 represents 3418 cents per capita.

"In 1954, we have set a target of only 50 cents per person in Texas to help the National Foundation in its campaign of research to prevent polio and treatment once this disease has struck," he concluded.

A woman is someone who will need new drapes to go with the new upholstery she has in mind to match the new rug she just bought.

### "Mile After Mile You'll Prefer Shamrock"

A truck driver's gasoline has a tough job to do. It has to give him plenty of power... long mileage... dependable performance... mile after mile. That gasoline is SHAMROCK. It's fast-burning, clean-burning. Fill up with Hi-Octane SHAMROCK today! A Mighty Good Brand.

Gasolines • Lubricants

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece rear window. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars!

I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

You get greater getaway with the new Powerglide\*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide\* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrifty-King" engine.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

**TO THE PEOPLE OF THE 18TH DISTRICT**  
 By Congressman Walter Rogers

**THE UNITED STATES WORLD TRADE:**  
 The problems incident to world trade are fast reaching an acute stage. These are not problems that affect only a few countries. They affect all of the countries of the world and especially the United States of America, the basic reason being that the United States has long led the world in its production capacity. This, coupled with the vast natural resources with which God blessed

**Dr. J. W. Evans**

 Phone 285 - Clarendon, Texas

us and the tremendous production of agricultural crops, points up the need for world markets. There is also the fact that under our present situation from a defense standpoint, as well as an economic standpoint, we are not self-sufficient insofar as raw materials are concerned. To give you a brief picture of our position in this regard I have gathered together some facts and figures that I thought would be of interest to you concerning the imports and exports of our country:

On an average day about 418,000 tons of imports worth \$42,000,000 are unloaded in our ports. The 418,000 tons may be of raw materials, foodstuffs, semi-manufacturers or manufactured goods. Consider certain strategic minerals, for example. The United States imports all her natural rubber, tin, chromite, industrial diamonds, graphite and sisal, 99 percent of her nickel, 93 percent of her manganese and cobalt, 92 percent of her mercury, 55 percent of her lead, 42 percent of her copper and 40 percent of her zinc. Of the sixteen basic materials vital to American heavy industry, the United States is relatively self-sufficient in only six.

The American Telephone and Telegraph Company reports that 48 imports from 18 countries go

- No wringing or spinning
- No bolting down

Don't buy any automatic agitator washer until you see the Bendix Economat.

**Only \$9.00 PER MONTH**

"Sensational" is the word for it. Yes, the BENDIX ECONOMAT challenges comparison with automatic agitator washers at any price. See a demonstration of the BENDIX ECONOMAT today.

**West Texas Utilities Company**

# You just can't buy all of these features in any other Pickup!

- ✓ **NEW "DRIVERIZED" CAB!**  The most comfortable cab in the world! Both standard and Deluxe (shown) offer new curved, one-piece windshield—35% bigger for greater visibility! New adjustable seat is wider, more comfortable—has new non-sag springs and new counter-shock seat snubber! New push-button door handles! New rotor-type door latches!
- ✓ **NEW FORDOMATIC DRIVE!**  Here's truck-driving at its easiest! No shifting, no clutching—smooth, responsive starts! With Fordomatic, even a heavily loaded Pickup can climb a 30% grade from a standing start! Ideal for stop-and-go deliveries. New Overdrive also available! (Fordomatic or Overdrive at extra cost.)
- ✓ **NEW LOW-FRICTION POWER!**  A Ford First—Low-Friction truck engine design! Cuts piston travel, reduces friction wear, saves gas! Ford Pickup offers choice of Low-Friction 101-h.p. Cost Clipper Six (shown)—or, for the greatest power in Pickups today, the world-famous 106-h.p. Truck V-8!
- ✓ **NEW SHORT-TURN FRONT AXLE!**  Turning diameters reduced up to 14%! Ford's new wide-tread, set-back front axle gives you shorter steering angles for easier, time-saving handling. Front axle supports larger share of load for better weight distribution. New, longer front springs for smoother ride.
- ✓ **NEW PICKUP BODY!**  45 cubic feet of payload space—one of the largest bodies in the half-ton field! New bolted construction Pickup Box gives extra strength and rigidity. New stronger, clamp-tight tailgate resists bending or twisting. New toggle-type latch holds tailgate firmly closed. Low loading height—just over 2 feet!

Completely new Ford! F-100 6 1/2-ft. Pickup, G.V.W. 4,800 lbs. Deluxe Cab (extra cost) illustrated.

Step into one of these all-new, brand-new Ford Pickups today! Discover the roomy comfort of the new Driverized Cab. And while you're at it, why not take the new Ford Pickup out for a ride? Then you'll know what we mean when we say, the '53 Ford Pickup gives you more that's new for your money than any other! Pickup on the American Road!
