A Common Paper for Common People

BRIDGING THE GAP—A severe water shortage in Berlin's Neukolin district momentarily washed away East-West barriers as officials from both sides met to discuss the problem. An earlier agreement on mutual water deliveries made possible this meeting on a bridge linking the American and Soviet sectors. Note East Berlin police "guarding" the meeting.

## Clarendon Loses Prominent Citizen

Clarendon and Donley County lost one of her most prominent citizens Monday afternoon when J. W. Murphy passed away in an Amarillo hospital after suffering a heart attack Friday morning at his home here. This loss will be felt greatly by the memories of his accomplishments and his friendship will be remembered for years to come.

J. W. MURPHY

Mr. Murphy was owner of the Murphy-Spicer Funeral Home here. He had been a resident of Clarendon for only seven years, but was considered a native, by the interest he took in the community in which he lived and loved. He was unselfish and unmindful of the injury to his own health in carrying out his own objectives in civic activities and his own personal work as a Funeral Director, the latter service always had to be near perfect before he was ever satisfied.

Mr. Murphy was a charter member and the first president of the Outdoor Entertainment Association. He served as president until the present year and it was under his leadership that the association bought and paid for the rodeo grounds, the arena, bleachers and other miscellaneous items and had money left in the bank. He was a director of the Chamber of Commerce, a member of the Moose Lodge, the Lions Club, and the Odd Fellows Lodge and served for several years as a Steward in the Methodist Church. He also served as a director of the Panhandle Funeral-Directors Association.

Joseph Wheeler Murphy, age 57 years, was born in Paducah, Kentucky, November 7, 1896. He was married to Miss Ora Peyton in Paducah, Kentucky, July 22, 1912.

Survivors include his wife, Mrs. Ora Murphy of Clarendon; two daughters, Mrs. Louise Payne of Clarendon and Mrs. Ruth Neal of Dawn; two sons, Joe W. Murphy and W. C. "Pat" Murphy of Amarillo; two sisters, Mrs. Lyda Buchanan of Crestline, Calif., and Mrs. Maude Bidwell of Huntington Park, Calif.; two brothers, Aubrey E. Murphy of St. Louis, Mo., and Neal Murphy of Huntington Park, Calif.; also seven grandchildren.

Funeral services for Mr. Murphy were held at the First Methodist Church Wednesday afternoon. Rev. L. A. Sartain, pastor of the Baptist Church at Sunday, Rev. I. E. Biggs and Rev. Ernest Phillips officiated.

Pallbearers were Olin Bain, Bill Lowe, Jeff Bentley, A. D. Nance, W. W. Noblet, Dr. J. Gordon Stewart, George Thompson, G. W. Bradshaw, Richard Dinger and Alvin Landers. Honorary pallbearers were Funeral Directors of West Texas and all of his friends and associates, both in business and civic work.

Burial was in Citizens Cemetery with funeral arrangements under the direction of the Murphy-Spicer Funeral Home.

Donley County Leader, \$2.50 a Year.

## Dusters To Play Hedley Here Sunday

The Dusters will play one of their main games of the season here Sunday afternoon when the team from Hedley comes up to pit their skill with the locals. The meeting of these two teams always indicates a hard fought ball game and the Dusters will be in there full force to take their first win over Hedley as the visitors poured it on the Clarendon boys at Hedley in the first round of play in the Caprock League.

Another point that makes this game important is that the Dusters need only one more win to assure them of a spot in the play-off games at the end of the season. They were unable to play at White Deer last Sunday due to the five inch rain that fell over there. In other games played, Panhandle defeated Amarillo A.F.B. 12-3, and Groom defeated Canyon in a close one, 3-2.

If you want to see some good ball playing and one of the best games of the season just be out at Duster Park Sunday afternoon at 3 o'clock.

## SARDIS BAPTIST CHURCH TO HOLD SERVICES

It was announced this week that church services would be conducted at the Sardis Baptist Church beginning Friday night and continuing through Sunday morning. Bro. J. W. Reynolds of Tyler, Texas, pastor, will be in charge of all services which will be held at the usual hours.

The public is invited to attend and hear Bro. Reynolds preach the Gospel.

## HEDLEY LEGION POST ELECTS NEW OFFICERS

At the last meeting of the Hedley American Legion Post, the following officers were elected: R. A. Shaw, commander, Ted Maddox, first vice; Otis Holland, second vice; C. L. Johnson, Adjutant; J. L. Cheser, Chaplain; W. D. Franklin, Historian; Robert Bailey, Child Welfare chairman; Ansil Adamson, service officer and Oneil Weatherly, Sgt. at Arms.

The new officers will be installed and take office in August.

## LEGION AUXILIARY ELECTS NEW OFFICERS

Members of the American Legion Auxiliary met Monday night, July 20, at the Legion Hall to elect officers for the coming year. President, Mrs. Jack Gray, presided over the business session.

The following officers were elected: President, Essie Putman; Vice-President, Mary Kay Riley; Secretary, Thelma Forest; Treasurer, Mary Francis McCully; Reporter, Frieda Gray; Chaplain, Mrs. Major Hudson; Sergeant at Arms, Allie Mae Maxey; Historian, Mrs. Herndon.

All members are urged to attend the next meeting which will be held the third Monday in August, when these new officers will be installed.

## Services Held Friday For Mrs. Hunt

Funeral services were held Friday afternoon at the First Baptist Church in Groom for Mrs. Eva Hunt with Rev. Robert Lloyd officiating.

Mrs. Hunt, age 77, died Wednesday afternoon in the Groom hospital. She had been a resident of Donley County 38 years. In 1911 the Hunts moved to Jericho from Dadeville, Mo. and came to Clarendon in 1940. Her husband, the late J. E. Hunt, died here in 1948 and Mrs. Hunt moved to Groom.

Survivors include a son, Hubert of Groom; a daughter, Mrs. E. L. Lamb of Jericho; three brothers, Thomas O. Kirby of Jericho, Claude Kirby of Denver, and Ben Kirby of Grandfield, Mo.; nine grandchildren and 11 great-grandchildren.

Pallbearers were Leroy Frederiksen, Sanford Johnson, Charles Brown, R. A. Snyder, Glenn Smith and Ralph Evans.

Burial was in the Jericho Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

## GRAVESIDE RITES FOR HOMMEL INFANT

Graveside services were held Sunday afternoon for William Kyle Hommel, infant son of Mr. and Mrs. Chauncey Hommel. Rev. Howard E. Scott of Hereford conducted the services, assisted by Jake Arthur.

Survivors other than the parents are a brother, Chauncey Eugene and the grandparents, Mr. and Mrs. Frank Hommel and Mr. and Mrs. George Thompson.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

## V. F. W. AUXILIARY TO HOLD BAKE SALE

The Ladies Auxiliary to the V. F. W. will hold a bake sale Saturday, July 25th in front of the West Texas Utilities Co. The sale will start at 9 a. m. and everyone is invited to come and look over their selection of pies and cakes for their week end pastry needs.

Donley County Leader, \$2.50 a Year

## Mobil X-Ray Unit Will Be Here August 11 & 12

Dr. J. Gordon Stewart, county health officer, announced this week that the State Tubercular Survey Service would have their Mobil X-ray unit here in Clarendon Tuesday and Wednesday, August 11th and 12th. The unit will be set up at the Estlack Machinery Co. building and the hours will be from 8:30 a. m. to 5:30 p. m. each day. Members of the Beta Sigma Phi Sorority will assist in the clerical duties.

One hundred percent participation is being encouraged by local physicians. Every person whether healthy or otherwise should take advantage of this free service which is offered by the state and have their chest X-rayed. Everyone above 15 years of age is eligible for the X-ray and it is not necessary to undress and it only takes a few minutes of your time. Keep this date in mind as it is important to every citizen of our community.

The Mobil X-ray unit will be in Hedley at the Lions Den August 14th and 15th at the same hours as in Clarendon. All residents of that area are urged to keep this date in mind, also.

## Ticket Deadline Is Saturday For Country Club Barbecue

Saturday, July 25th is the deadline for purchasing tickets for the annual Country Club barbecue which will be held at the club next Tuesday evening, July 28th. Tickets may be purchased at Skeltons, Gordon's Hardware or the Clarendon Motor Co.

Following the feed there will be a big Bingo game and there will be shooting at the skeet range before hand. Bread for the feed this year will be furnished by Taystee and Mead bakeries.

JANE MOSLEY

Miss Jane Mosley, daughter of Mr. and Mrs. Winfield Mosley, has been chosen as a candidate to represent Hedley in the county Farm Bureau Queen Contest.

Jane was born in Hedley and has lived in Donley County on a farm all her life. She was secretary of the F.H.A. Chapter this past school year, and won a trip to the State FMA convention at San Antonio. She was a former Lions Sweetheart and has participated in Lions Club programs all over this district and at the District convention at Borger recently. She is a member of the Hedley Choral Club. She is pianist in the Jr. Department of the First Baptist Church and sings in the church choir.

She has been manager of the Hedley basketball team, president of her class, president of the Library staff and she is a member of the Hedley Riding Club and plays first trombone in the Hedley band.

When Jane isn't busy on the farm, she works in the City Drug at Hedley. Jane is one of the leading girls in the Hedley school and community, is vivacious, has a lovely personality, and has the poise and graciousness to make her the perfect lady.

# Beneficial Rains Cover County

## Artist To Have Paintings On Display Sunday

Maurice H. Bernson, artist of Canadian, Texas, will have paintings on display here at the Patching Club House Sunday, July 26 from 2 to 5 p. m. This show is being sponsored by the Les Beaux Arts Club.

Paintings to be on exhibition here will be a prelude to two other shows to be held by Bernson in the coming season; one, a water color show at Oklahoma City Art Center, another on exhibition at No Mans Land Historical Gallery, Goodwell, Okla. Paintings will include still life, landscape, and portraiture with water colors from the most recent periods spent in Sarasota, Florida and Michigan.

Bernson began his training at WTSC in Canyon in 1940 under Miss Isabel Robinson. Since then he participated in the war and has studied with Jerry Farnsworth at the Farnsworth School of Art, Sarasota, Fla., and for the past year at the Cranbrook Academy of Art in Broomfield Hills, Michigan, under Mr. Wallace Mitchell.

## Bro. Ira Harrison To Fill Pulpit Sunday At First Baptist Church

Bro. Ira Harrison of Lubbock, Texas will fill the pulpit of the First Baptist Church this Sunday. Bro. Harrison is no stranger to this part of Texas, but has spent the biggest part of his ministry out in the western and mid-western part of our state. He has pastored such churches as Paducah and Snyder. He is now the manager of the Baptist Book Store in Lubbock. Bro. Harrison is a good speaker and all of our friends are invited to come and take part in our services, stated J. C. Arthur, Educational Director of the local church.

Donley County Leader, \$2.50 a Year

NOMA LEE LEWIS

Miss Noma Lee Lewis, daughter of Mr. and Mrs. Carroll Lewis, has been chosen as a candidate to represent Clarendon in the County Farm Bureau Queen contest. The contest is to be held in conjunction with the Farm Bureau Chicken barbecue Aug. 20.

Miss Lewis was born in Lelia Lake and has resided in Donley County all her life. She started to school at Lelia Lake but during her High School years, attended Clarendon High School. At the present she is a sophomore in Clarendon Jr. College.

Noma Lee is five feet and one inch tall, has brown eyes, a very nice personality and the poise that makes her nice to see and know. The big nice smile she has for everyone makes you happy you know her.

## Services Held For Hedley Pioneer

Funeral services were held Sunday afternoon in the family home near Hedley for William Isaac Rains who died Saturday afternoon of a heart attack. Rev. Walter Patterson, former pastor of the Hedley Nazarene Church, Rev. O. C. Jones, Hedley Baptist pastor and Rev. W. M. Culwell, minister of the Hedley Methodist Church, officiated.

Mr. Rains, age 78, came to Texas in 1880 and to Donley County in 1890. He had lived on the same farm 2 miles west of Hedley since 1891. He enjoyed a wide acquaintance of friends and always was a prominent figure in the Old Settlers Reunion held annually at Hedley. He was a member of the Baptist Church. He was married to Miss Willie C. Crawford, at Giles, on Feb. 1, 1898.

Survivors include his wife; a daughter, Mrs. Clyde Bridges, Hedley; two sons, Ike of Hedley and Charles Rains, Amarillo; three grandchildren and three great grandchildren.

Burial was in Rowe Cemetery, Hedley with the Murphy-Spicer Funeral Home in charge of arrangements.

## NEW TRUSTEES OF FIRST PRESBYTERIAN CHURCH TO BE INSTALLED SUNDAY

New trustees of the First Presbyterian Church of Clarendon, Ernest W. Kent, Dr. H. R. Beck, and John H. Head, elected some two months ago, along with two other trustees, elected in 1939, will be installed at the Sunday morning worship service on July 26th. Also, a congregation meeting has been called by the purpose of electing additional deacons of the church. "Let every member and their friends be in attendance for Sunday School and remain for the worship service," stated Rev. Cockerell. "If you do not have a church home, make the First Presbyterian Church yours. Rev. Cockerell's subject for this Sunday morning will be, "How Not To Be and How To Be Saved."

BETTY JEAN REED

Betty Jean Reed of Lelia Lake has been selected as that community's candidate for the Donley County Farm Bureau Queen Contest. She is the daughter of D. F. Reed, a prominent farmer in the Lelia Lake community and once a director of the Farm Bureau.

Betty Jean is seventeen years old and is a senior in the Lelia Lake High School. She is an active member of the Baptist Church and very popular in her community. Having been reared on the farm, she should be an outstanding candidate for queen for the Donley County Farm Bureau.

Beneficial rains, the kind that we have been needing and looking forward to for months, hit this part of the Panhandle early Sunday morning and dumped from 2 1/2 to over five inches over the entire county. It was a wonderful sight to see water standing in the furrows, old lake beds filled or partially filled and the streams flowing large volumes of water.

Farmers over the area started hunting grain sorghum seed Sunday and the first of the week, and were preparing their equipment to plant previously parched fields with something that would bring in some revenue and also make a cover crop. Range grass has already started showing a slight tint of green and long faces have turned into smiles.

This heavy rain dented the drought but more is needed to put the soil in good shape as the ground had dried out so deep. Numerous terraces were badly washed by the heavy downpour, but little damage has been reported otherwise.

Clarendon received her first good moisture last Thursday morning when .84 inch was registered here by Joe Goldston, official weather observer. This shower covered only a narrow strip but the one that fell Sunday morning did the good with a total of 2.98 inches, bringing the weekly total including the drizzle Saturday, to 3.84 inches. In the rain Sunday, Ben Lovell reported 2.98 inches at Ashtola and Sam Dale reported 3.90 inches at Goldston. The Lelia Lake and Hedley areas reported from three to four inches with other sections of the county receiving from 2 1/2 inches upward. The Brice area received from 1 1/2 inches upward and the north part of the county received around five inches.

## Services Held Tues. For Hedley Lady

Funeral services were held Tuesday afternoon in the First Baptist Church of Hedley for Mrs. T. C. Johnson with Rev. Tom Posey and Rev. O. L. Jones officiating.

Mrs. Johnson, age 81 years, was found dead in bed in her Hedley home early Monday morning. Her son, B. C. Johnson, who lives next door, found the body. Her doctor said she had died of a heart attack during the night. Mrs. Johnson had been a resident of Hedley since 1908. She was a member of the First Christian Church of Hedley.

Survivors are three sons, B. C. and W. C. Johnson, both of Hedley, and T. N. Johnson, Iowa Park; two daughters, Mrs. H. N. Blackmon, Memphis, and Mrs. Mai Autrey, Waco; a half-sister, Mrs. A. S. Edwards, Fort Worth; five half-brothers, John, Harvey and Jerry Stotts, all of Fort Worth, and Ike and Tom Stotts, Enid, Okla.; 11 grandchildren, 22 great-grandchildren and one great-great-grandchild.

Burial was in Rowe Cemetery, Hedley with funeral arrangements under the direction of Murphy-Spicer Funeral Home.

## LITTLE MISS PHILLIPS CONFINED TO HER HOME

Little Miss Theresa Ann Phillips, daughter of Mr. and Mrs. Bill Phillips, was returned home Friday afternoon from St. Anthony's Hospital in Amarillo. She was taken there Wednesday morning and placed in a cast to correct and make a bone adjustment.

She will remain in the cast two months and with all going well, will then be removed and braces adjusted to her legs. These she will wear several weeks.

ASHTOLA NEWS

Mrs. Doyce Graham
Mr. and Mrs. Earl Butler and sons visited the Pooveys Sunday. Little Miss Lynitta Hunt of Dumas is spending this week with her grandparents, the Ben Lovells while her parents are vacationing in Red River, N. M. Mr. and Mrs. James Tolbert and girls, Mr. and Mrs. Jackson and children enjoyed supper with the Jack Lambersons Monday. Mr. and Mrs. G. E. Wilkinson had Sunday dinner with Mr. and

Mrs. Robert Tolbert. Visiting in the C. B. Harp home during the week end were Mr. J. Ed Anderson of Ft. Worth, and Mr. and Mrs. Earl Evans and boys of Tucumcari. Mr. and Mrs. Lloyd Reid visited the J. F. Whites at Phillips Sunday. Rev. and Mrs. L. D. McNall and girls are visiting the A. J. Garlands and other relatives and friends for a week or so from Los Angeles, Calif. Jimmie Garland spent Thursday night with Butch Schollenbarger. Mrs. Lloyd Reid visited her mother, Mrs. Hinkle, Monday.

Mrs. Doyce Graham and sons spent Monday with her parents, the Carl Barkers. L. Garry, a niece and son from Okla. City spent one night with Mr. and Mrs. C. E. Wheeler. Bobby Leslie from Clarendon visited Wednesday to Saturday with Robert Crawford. Mrs. Garrett Foster has several of her loved ones with her visiting. Mr. Foster is off in the wheat harvest, but those enjoying visiting together in the home are Virginia, who is planning to stay indefinitely; Jerry, who is in the Marines experiencing a ten-day leave. He was stationed at Camp Pendleton, Calif., but will be on the waters after he returns, probably for Korea, and another son, Dwayne, and his wife from Jacksonville, Mrs. Foster is hoping the other two children and their families will come now.

We had a nice 3 inch rain Sunday morning early. It fell slowly, and was worth a million dollars. Those visiting with Mr. and Mrs. A. J. Garland and boys over the week end were Mrs. Myrtle Reed, Gail, Earl, Mr. and Mrs. H. C. Morehead of Amarillo, Mr. and Mrs. Verna Garland and Carl of Amarillo, Mr. and Mrs. J. W. Garland of Clarendon, Mr. and Mrs. L. D. McNall, Elanor and Camille McNall of Los Angeles. We are very sorry to report that Mrs. Bill Marshall is still not well. We hope she soon will be fine again. Lynn Barker and David Moor- ington are visiting this week with Doyce and Jimmy Graham. Mrs. Erna Naylor and Robert and Clyde Flowers were visiting the Mahaffeys Monday. Kay Lane spent Sunday night with Linda Kay Hardin. Ernest Parker of Wichita Falls has been visiting in the H. S. Hardin home.

they visited Mr. and Mrs. Royce Morris and Judy Ann at Amarillo. Mrs. P. M. Marshall, Mrs. Kenneth Banister and Dwight visited friends at Ashtola Friday. Mr. and Mrs. W. O. Elliott and children and Drucilla Foster spent the week end with Mr. and Mrs. Dan Tims and Pamela at Levelland. Donley County Leader, \$2.50 year

## Marriage Vows Are Exchanged

**FAYETTEVILLE, Ark., July 18**—The marriage of Dorothy Myrne McDonald and Billie Bryan Altendorf was solemnized Friday, July 18, in a double-ring service at Central Presbyterian Church in Fayetteville.

The bride is the daughter of Mr. and Mrs. W. C. McDonald of Fayetteville and formerly of Clarendon, and the bridegroom's parents are Mr. and Mrs. J. H. Altendorf of Borger, Texas.

Rev. Ed C. Brubaker read the service before an altar flanked by baskets of Marconi daisies and greenery.

Given in marriage by her father, the bride was attired in a gown of white embroidered marquisette over satin. Her finger-tip length veil was attached to a bandeau of satin accented with pearls. She carried a white Bible topped with fleur d'amour.

As her sister's matron-of-honor, Mrs. Marvin Pair of Lorenzo, Texas, wore a pink nylon net frock over taffeta. She carried a matching fan.

Following the ceremony, the bridal party was entertained at a reception given by Mrs. C. B. Rebsamen, assisted by her mother, Mrs. Hugh Johnson of Fort Smith.

The couple is to be at home in Amarillo after a short wedding trip. For traveling, the bride chose an aqua linen coat dress with white accessories.

Mr. and Mrs. Altendorf were both graduated from Texas Technological College, Lubbock. He is connected with the Texaco Company.

Mr. and Mrs. Fred Smith and children of Big Spring visited Thursday through Monday with Mr. and Mrs. J. H. Helton.

## GARDEN CLUB

Mrs. Lee Holland and Mrs. M. C. Rumpy were hostesses to the Garden Club Thursday morning in the home of Mrs. Holland. The entertaining rooms were beautiful with garden flowers.

Mrs. Frank White, Jr., the president, had charge of the business. Mrs. Rayburn Smith gave an interesting paper on "The Dove." Mrs. John Goldston discussed "The Family Tree of Plants." She displayed posters made of colored cut-outs of some of the largest plant families and their relations: the Night Shade, which is a poisonous plant, its relatives, the tomato, eggplant, and peppers; the Orchid family which has over 5000 species with its odd descendant, Coffee, Vanilla; and relatives of the pea family; the rose family and its descendants of apples, peaches, pears, apricots, plums and strawberries; the Lily family and relatives, onions and asparagus. Aristocrats were found in the same family with hobs. Exotics of the tropics hobnob with our common wayside flowers, all making the genealogy of the plant clan interesting as well as rather baffling.

Mrs. Joe Goldston in her lovely gracious manner, read a number of poems on flowers taken from "These Blooming Hedge Rows" by L. Young Corretthers, and also one by one of our own town ladies, Mrs. John Thomas, who makes a hobby of writing poems. During the social hour, Mrs. Holland poured coffee and Mrs. Rumpy served a fruit plate with cinnamon rolls from a pretty table laid with silver and centered with a lovely floral arrangement. Present were two guests and club members. —Reporter.

Donley County Leader, \$2.50 year

## SHOWER ENTERTAINS BRIDE-ELECT

Miss Lucille Dale, bride-elect of Dean Bier, was honored with a miscellaneous shower at the home of Mrs. Wilson Gray Tuesday afternoon, July 14. Hostesses were Mrs. Wilson Gray, Mrs. D. E. Stevenson, and Miss Juanelle Stevenson.

Guests were registered throughout the afternoon by Miss Juanelle Stevenson. Susie Yankie accompanied by her mother at the piano, entertained with a song, "Chinese Love Song."

Refreshments of cake and punch were served from a table centered with an arrangement of blue and white astors, carrying out the bride-elect's chosen colors. A miniature doll dressed as a bride flanked the arrangement and hanging immediately above the table were blue and white wedding bells.

Approximately fifty guests registered through the afternoon and several who were unable to attend sent gifts.

## ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met July 16 at 3 o'clock in the home of Charlotte Word who was hostess.

The president, Sue Rhoades, was in charge. The meeting opened with a prayer by Mrs. Word. Reports from outstanding committees were heard.

Time for the chicken barbecue conflicted with some other meeting so the members voted to have the barbecue on August 6th and the health program on August 20. There will be no afternoon meeting on August 6th. The local men will do the barbecuing at the school house and ask that every one have their chickens there by 2 o'clock. Each member bring 1/2 chicken for each member of their family and each guest that you care to invite. Bring your glasses, plates, silverware, beverage and anything you care to fix for a balanced picnic meal.

The hostess served delicious refreshments of Coke, ice cream with strawberries to 9 members. —Reporter.

Patricia Knox who is visiting in Shawnee, Okla. will attend the Baptist encampment at Falls Creek, Okla. through next week.

SUE YANKIE

## TO BE PRESENTED IN RECITAL

Sue Yankie, daughter of Mr. and Mrs. L. E. Yankie, will be presented in a voice and violin recital by Lilly Larsen and Jewel Ellis, Monday evening, August 27th, in the college auditorium at 7:30 o'clock.

Young pianists assisting are: Patti Lane, Marie Blackburn, Bonnie Ellen Rodgers and Connie Williams.

## H. D. CLUB

Mrs. Claude Darden entertained members of the Home Demonstration Club in her home Friday afternoon. Mrs. A. W. Simpson was assisting hostess.

Mrs. Clyde Butler, president, presided at the business session. Two new members were voted into the club—Mrs. Tom Crabtree and Mrs. L. D. Aten of Lelia Lake. Work was continued on a quilt for Girl's Ranch.

Lovely refreshments were served to Mesdames A. L. Chase, Clyde Butler, Bertha Benson, G. L. Green, R. C. Bingham, Joe Terry, M. C. Rumpy, A. W. Simpson, W. L. Jordan and the hostesses, Mrs. Claude Darden and Mrs. A. W. Simpson.

The next meeting will be with Mrs. G. L. Green.

Josephine Butler of Borger visited last week with her grandparents, Mr. and Mrs. Clyde Butler.

## GOLDSTON QUILTING CLUB

The Goldston Quilting Club met with Daphne Sullivan Thursday the 18th. Those present were Connie Talley, Sue Howard and Carl Mac, Nora Jackson, Joy Roberson and Pat, Vivian Godbey, Carolyn Davis and Cynthia, May Pearl McDonald, Ola McBrayer, Barbara and David, Charlene Reynolds, Lynn and Danny, Minnie Roberson, and the hostess Daphne Sullivan. Almost one quilt was finished.

The next meeting will be with Carolyn Davis on Thursday, the 30th of July. Vivian Godbey received a pollyanna. —Reporter.

## HUGHINS QUILTING CLUB

The Quilting Club met with Roxie Cosper Tuesday, July 14. One quilt was finished.

Refreshments of Coke and ice tea were served to Cora Elliott, Pauline Koontz and children, Ruby Parker, Mary Lee Noble and Joannie Sue, Flora Webb, Martiel Webb and children and one guest, Mrs. Jack Coper and children.

The next meeting will be with Mary Lee Noble, July 28th. —Reporter.

## CHIT & CHATTER CLUB

The Chit and Chatter Club of Lelia Lake met at May J. Smiths home Tuesday, July 14th. A quilt was finished and an enjoyable afternoon was spent by all.

Refreshments were enjoyed by Mesdames Virginia Smith, Dorothy Helms, Yatin Miller, D. M. Cook, Vida Shields, Joane Leathers, and the hostess May J. Smith. The next meeting will be held at Dorothy Helms Tuesday, July 28th.

—Reporter.

## CARD OF THANKS

Your kindness, words of sympathy and beautiful floral offerings were deeply appreciated and a great comfort to us in our recent sorrow. May God bless each of you in our prayer.

Mr. and Mrs. Chauncey Hommel and Gene  
The Frank Hommel family  
The George Thompson family.

F. L. Behrens, Jr. visited the week end with his parents, Mr. and Mrs. F. L. Behrens. He has been transferred in his work from Colorado to Dumas.

Claudine Anderson, a former resident of Lelia Lake, appeared in her first recital at the age of two. The recital was in the Houston Melrose Baptist Church. The teacher is Miss Surley Hayslip. Claudine is the daughter of Mr. and Mrs. J. D. Anderson.

## HOSPITAL PATIENT

Mrs. J. H. Spier underwent surgery in Amarillo Osteopathic Hospital Tuesday morning, July 14th. At last report she was doing as well as could be expected; however, it will be several days before she is able to return home.

Sgt. Billy E. Adams and wife are visiting in the home of his parents, Mr. and Mrs. Bill Adams and her parents, Mr. and Mrs. Marvin Hall at Alanreed. Billy is being transferred from Camp Pendleton Marine base to San Antonio, Texas as a recruiting officer for the Marine Corps. They will leave Sunday for his new assignment.

Mr. and Mrs. Lorenzo McNall and daughters of Los Angeles, Calif. are visiting in the home of Mr. and Mrs. J. W. Gariand and with other relatives.

Mrs. Erma Piercy of Houston visited with her sister, Mr. and Mrs. R. E. Baird the past week. They left Monday for Denver, Colo., Nebraska and plan to attend the Rodeo at Cheyenne, Wyoming.

Mr. and Mrs. Jack T. Lackey, Mrs. Maurine Lackey, and Mrs. L. H. Mullens have returned from a visit to relatives in Franklin and Nashville, Tennessee. They also visited points of interest near Nashville. On the return trip the family visited in Paris, Texas. Mr. and Mrs. Jack Lackey returned to their home in Fort Worth Saturday.

Guests in the home of Mr. and Mrs. G. W. Estlack and Jackie Sunday were Mr. and Mrs. L. T. Whitlock and Larry of Amarillo, also Mrs. Faye Scoggins and Mrs. Mattie Tyree of Phoenix, Arizona.

Mrs. Bob Reynolds and grand daughter Shirley of McLean visited Miss Della Wood Thursday.

W. A. Hughes of Pampa is visiting in the L. L. Wood home this week.

**Tests Will Help Dairymen Guard Against Mastitis**

AUSTIN—Three types of tests will help dairymen guard against mastitis in their herds, William J. Sheffield, University of Texas veterinary - pharmacy expert, says.

The disease is economically the most destructive in the North American dairy industry, costing producers as much as \$100,000,000 a year.

A simple test, which dairymen would do well to adopt as a daily practice, is to milk several streams from each of a cow's udder quarters into a cup with a fine-screen top, Sheffield said. Any quarter in which abnormal milk or clots are found usually signifies mastitis.

Other checks include a blotter test in which a drop of mastitis infested milk will discolor the blotter, an chlorine test which can be run by a careful dairyman, with veterinary advice. (Mastitis raises the chlorine content of milk.) The chlorine test should be run simultaneously with one of the other tests for confirmation. Milk from cows in early freshening or late lactation periods likely will give a false reaction in the blotter test.

Sheffield reports the mastitis tests in the current issue of The Texas Druggist, published by the Texas Pharmaceutical Association.

Frank Helton visited over the week end in the J. H. Helton home.

Mr. and Mrs. Jack Gray and family will leave Friday to visit relatives in Arkansas.

The average retirement payment to one person under social security is \$50 a month. The maximum payment is \$85 a month.

**GM Signs TV 'Game of Week' Pact**

DETROIT—Contract for the "TV Football Game of the Week" series for the 1953 season is signed at a meeting in Detroit, Mich., by William F. Hufstader (seated), General Motors vice president in charge of distribution staff, while representatives of the National Collegiate Athletic Association and the National Broadcasting Company look on. Standing, left to right, are Robert J. Kane, Cornell University Director of Athletics and chairman of the NCAA Television Committee; Asa S. Bushnell, director of television for the NCAA; and Walter Gross, NBC representative in Detroit.

For the second straight year, GM will sponsor the broadcasts of the nation's top football games, which will be seen over NBC on 13 week-ends beginning September 19 and continuing through December 5. Complete schedule details will be announced soon.

## Milk Is a Low-Cost Major Food

AUSTIN—Budget-minded housewives have learned that milk is a low-cost food that is selling at a price today that has gone up less than other major foods, Loy Gandy of San Angelo said here this week.

Gandy is chairman of June Dairy Month in Texas and thru a coordinated program guided by the Dairy Products Institute of Texas, is attempting to make Texans more aware of the low cost, nutritional value and economic importance of milk and other dairy products to the average family.

The state chairman said that recent government figures showed that the price of all foods in the last 15 years had risen 115 per cent. Milk prices, however, increased only one third less.

The low milk price, he said, was also reflected in the prices of other dairy products including cheese and ice cream.

Texas families have been taking advantage of the low milk prices. This was shown, he said, by the fact that two and a half million quarts of milk were now being distributed daily to Texas consumers.

The dairy products industry of Texas, he said, deserved a pat on the back for being able to maintain a low price, for in this industry, like in others, wages have increased, operation expenses gone up and the price of the raw product kept at a high level.

**CAMERAMAN'S HELPERS?**—Three tiny patients at the Texas Scottish Rite Hospital for Crippled Children offer plenty of good-natured advice to cameraman Bob Alcott shooting a motion picture at the hospital in Dallas. Looking through the viewfinder of the Jamieson Film Company employ's camera is six-year-old Donald Ray Mathews of Lamesa. Chipping in with grins and comments are "Assistant Directors" (left) Linda Kay Morehead, five, of Italy, Texas, and four-year-old Deborah Jester of Dallas. These children and other patients at the Scottish Rite Hospital supported by generous Texans participated in a newly-completed film showing life at the big institution. Deborah is a cerebral palsy victim. The other children are recovering from polio.

**FARM NEWS**

from the County PMA Committee

**FEED MOLASSES AVAILABLE IN DROUGHT AREA:**

Abundant supplies of feed molasses at relatively low prices are available in the drought stricken areas of the southwest, according to the U. S. Department of Agriculture. The Department reports that 6½ gallons of molasses have a feeding value, on a carbohydrate basis, equal to that of a bushel of corn. The molasses may be fed directly to cattle or poured on roughage.

In addition to its nutritive value, this inexpensive livestock feed makes roughages more palatable and helps to recover feeds that otherwise may not be utilized.

Several distributors are offering molasses for shipment in tank car and tank-truck lots from Houston and New Orleans. Independent truckers also are offering molasses at many points in Texas, Oklahoma, and Louisiana. Feed molasses is currently selling around 10½ cents per gallon in tank car lots, f.o.b. Houston.

Further information on sources of supply and methods of feeding may be obtained from the Sugar Branch, Production and Marketing Administration, Washington, D. C.

**COUNTY WHEAT GROWERS WILL HELP DECIDE SUPPORT RATE:**

Wheat growers of Donley County will help decide whether the Commodity Credit Corporation loans on the 1954 wheat crop will be 90 per cent or 50 per cent of parity. According to Ross Springer, Chairman of the Donley

County Production and Marketing Administration Committee, this is one of the questions which will be answered in the coming wheat marketing quota referendum.

As the chairman explains, if two-thirds or more of the wheat growers voting in the referendum are in favor of it, the wheat marketing quota proclamation made July 1, by Secretary of Agriculture Ezra Taft Benson will be in effect. The present 90 per cent of parity Commodity Credit Corporation wheat loan then will continue for the 1954 crop. If the vote is unfavorable, the loan will drop to 50 per cent of parity.

These support rates will be available, however, only to wheat growers who do not exceed their wheat acreage allotment, the chairman points out. If marketing quotas are approved in the referendum, growers who plant more than their acreage allotment will be subject to a penalty on their excess wheat unless it is stored or disposed of as directed by the Secretary of Agriculture. If quotas are disapproved there is no assurance of any price support for growers who overplant.

All the preliminary work for determining farm acreage allotment is determined by the Secretary, this will be divided among states and counties based on 10-year production records. The county acreage then will be divided among farms based mainly on wheat acreage figures recently obtained for each wheat farm in the county. Each farmer will be notified of his allotment before the referendum is held.

Mr. and Mrs. L. C. Glasgow of Amarillo, and J. E. Gill of Bellevue were week end guests in the home of Mr. and Mrs. Victor Smith.

**TWINS JUST THE SAME**—These twins made medical history when they were born 56 days apart—in different years. Mrs. Alan Goodwin of Sidney, Australia, holds her sons, Denis (left), who was born on Dec. 16, 1952, and David (right), who appeared on Feb. 10, 1953.

**A NOTE TO THE PEOPLE OF CLARENDON AND DONLEY COUNTY**

According to the Sunday School and Church attendance last Sunday in (ON THE PART OF CHURCH MEMBERS) one would think that we are not grateful for the bountiful and living giving rain which fell in Donley and adjoining counties early Sunday morning. GOD FORBID, that this be the case. BUT ACTIONS, speak louder than words. If we are this way, IS IT ANY WONDER that the DROUTH has been with us so long? We should be saying with the Psalmist in Psalm 67—"LET THE PEOPLE PRAISE THEE, O GOD: LET ALL THE PEOPLE PRAISE THEE. The Psalmist said this twice in this short Psalm of seven verses.

Why should we praise God? Not only for the wonderful, wonderful rain, but as the Psalmist said in Psalm 103—"God forgives our iniquities, heals our diseases, redeems our lives from destruction, crown us with loving kindness and tender mercies, satisfies our mouths with good things, so that our youth is renewed like the eagles, excites righteousness and judgment for all that are oppressed slow to anger and plenteous in mercy. But He will not always chide: Neither will He keep His anger for ever."

This and many other reasons is why we should be continually

singing praises to God for His millions of blessings. How. One way is to be in Sunday School and attendance upon worship at your respective churches this next Sunday and every Sunday thereafter.

Wm. A. Cockerell - Minister  
First Presbyterian Church  
Clarendon, Texas. (24-p)

**Celebration Here Publicised In California**

Cleveland Hayter received a telephone call from his son Morris Hayter in Long Beach, Calif. this week end revealing that the Clarendon July 4th Celebration had received TV publicity in that city Saturday afternoon. "It was quite a thrill to see my son George Hayter and Wayne Culp riding in the parade in Clarendon July 4th representing the Hayter Ranch at Conway," Mr. Hayter stated. The pictures had found their way to the "News on Parade" program which was featured on TV Saturday afternoon, only a short time after the Hayter family had arrived home from their visit to Texas.

Mr. and Mrs. Cleveland Hayter reported that all their visitors over the fourth enjoyed every rodeo performance, some of them made the trip from California especially to take in the celebration here. Included in the

group of visitors at that time were Mr. and Mrs. Morris Hayter and sons George and Billy of Long Beach, Mr. and Mrs. Frans Parsons and children, Dickie and Dedra of Long Beach, Mr. and Mrs. W. J. Culp and sons Wayne and James of Lubbock.

FRED D. HUCKELBERRY

Revival At Hedley First Christian Church

Revival services have been scheduled to begin July 26th and continue through August 2nd at the First Christian Church in Hedley with Fred D. Huckelberry of Fayetteville, Arkansas as the evangelist. Services will be held

nightly at 8 p. m. Brother Huckelberry is an interesting, powerful and convincing speaker. He believes the Bospel of Christ is the power of God unto salvation unto everyone who believeth and his great Spirit-filled heart overflows with a Christ-like passion for lost souls as he delivers his message. He is minister of one of the fastest growing churches in the U. S. A. His radio ministry touches the hearts of a host of people turning their thoughts Godward. Everyone is invited to attend all services.

Experiments in flying were carried on by the Wright Brothers at Kitty Hawk, N. C., because winds there are steadiest and strongest of anyplace in the United States.

Donley County Leader, \$2.50 year

PLOWIN' Out the CORNERS Uncle Zeb

The other day one of the town's folk went out to see his rancher friend about getting a half of beef to go in his locker and the following conversation took place. "Just go ahead and pick your own out one," answered the cattle grower. "But you don't understand," said the city cousin, "I just wanted a half of a beef to go in my locker." "Oh yes, I understand alright.

Just go ahead and pick yourself out one cause they ain't no more'n half as big as they ought to be on account of the drouth," replied the rancher. Anyway, it seemed just about time that we had a few dry weather jokes so we open up with the above which actually happened. I could use the names except for the fact that the cattleman begged me not to do so on account of the fact that he didn't want his banker to know how small his calves were.

Another of my friends was traveling through another state that has also been hard hit by the drouth. Upon stopping at a filling station in one of the hard hit districts of this state, the following information was volunteered by the attendant:

"Why, you fellers over in Texas don't know nuthin' about the drouth. Take our country for in-

stance, why, it ain't rained here in so long, and the grass is so short that even the grasshoppers have to take their lunch along with them."

HORSE SENSE

A horse can't pull while kicking. This fact I merely mention. And he can't kick while pulling. Which is my chief contention. Let's imitate the good old horse And live a life that's fitting; And pull an honest load, and then There'll be no time for kicking. —Author unknown.

"Experience is what we get while we're looking for something better."

According to some of the world observers many of the nations including France and England are almost in the notion of asking us to just tend to our own knitting and let them alone in the old world. Now that we have slowed down a little on gifts they would talk this way. Oh, that we could have had this advice and taken it many many years ago, or better we should say many many pints of blood ago. We have lost a lot of our best, our boys and our blood, our money and our time. But when we try to add up the things that we have gained we find it a bit hard to do. A little fair weather friendship here and there that melted away when the rains and storms of life came

STATE FAIR OF TEXAS

Youthful Texas cattle, pig and sheep raisers have a \$15,801 premium pie waiting for them at the junior livestock shows during the 1953 State Fair of Texas in Dallas, Oct. 10-25.

Representing an increase of \$896 over the 1952 total, the current premium is expected to draw in more junior exhibitors than last year's total of 776. Ray W. Wilson, the fair's livestock department manager, reported. All 1953 junior shows, with the exception of the pig classes, have substantial gains in cash awards. Biggest increase is \$600 for the commercial steer show, which will bring the 1953 total to \$3,600.

Other livestock premiums provide \$3,445 for dairy cattle, \$3,085 for fat steers, \$3,237 for swine, \$1,015 for the Negro boys' pig show; \$1,069 for sheep, and \$350 in herdsman awards.

Dates of the 1953 junior shows are Oct. 17-21 for dairy cattle and Oct. 19-24 for all other livestock. The judging program follows: Guernsey, Holstein and Jersey cattle, Oct. 19; Milking Short-horn cattle, Oct. 20; sheep, Oct. 21; swine, Oct. 22; fat steers and commercial steers, Oct. 22, and Negro boys' pigs, Oct. 23. Two auction sales will climax the shows. The grand champion steer, lamb and barrow and all

fat steers will be sold Friday, Oct. 23, at 9:30 a. m. in the livestock Arena. Fat lambs and barrows will be sold the following day at the same time in the same place. Last years junior auction sales brought in \$154,220.32.

Rio Grande Fish May Be Restored

AUSTIN — The Rio Grande River, noted for its giant catfish, can be restored to its piscatorial eminence, according to the Executive Secretary of the Game and Fish Commission.

He said the record drought, with consequent lack of flowage along great stretches of the Rio Grande, will be costly to the fish population. But he explained that river observers report many large pools, deep enough to sustain adequate brood stock.

Meanwhile, deep South Texas fishermen are looking forward to the vast lake created by the Falcon Dam below Laredo and above the rich irrigated fruit plantations in the Valley.

This lake, which is expected to be filled within a year, will provide a large impoundment of water for stocking with fish as well as providing a constant flow of water in the river below the dam.

The Executive Secretary said the lake will be stocked with catfish, bass and other species which, he added, should provide unlimited sport.

Have yourself a HEART-LIFT!

FROM deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible. You feel happier just to be in a car with the lilt of larks to its styling — with the breeze-blessed airiness of all outdoors all around you. It's a car that freshens your spirits with its sky-filled view—yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons. But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.

You get it, too, from the sheer brilliance of its performance— From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER—the modern and advanced V8 that reaches a new high in compression ratio— From the new instant getaway of Twin-Turbine Dynaflo\*—where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness— From the deep comfort of riding soft and ever-level on all-coil-spring cushioning — of sitting in sumptuous luxury on really wide seats — of handling over two balanced tons of fine

automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.\* We'll be happy to have you guest-drive one of these stunning new Buicks — and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon? \*Standard on Roadmaster, optional at extra cost on other Series. THE GREATEST BUICK IN 50 GREAT YEARS

By VERN SANFORD  
Texas Press Association

AUSTIN—The drought burned on in Texas, but help was on the way.

President Eisenhower flew to Amarillo for a conference with governors of the parched southwestern states.

With the president were the secretary of agriculture and the federal civil defense administrator.

Congress rushed legislation to extend emergency credit to farmers and ranchers.

A bill passed by the Senate would set up a revolving fund from which the Agriculture Department could make farm and ranch loans.

A similar bill passed in the House.

The bill was reported out of the Senate Agriculture Committee, of which Senator George D. Aiken, Republican of Vermont, is chairman.

Aiken lamented that some people were trying to make money out of the Southwest's misfortune.

Bankers wanted to handle the loans, he said, and grain operators wanted to handle the distribution of feed under the program.

The senator commented: "I don't understand the work-

ings of the minds of people, some of them thousands of miles away from the drought section, who are trying to figure out a way to profit from the situation."

Aiken was opposed to the suggestion of Senator Lyndon B. Johnson of Texas and others that Secretary of Agriculture Ezra T. Benson start a government cattle-buying program to bolster prices.

Aiken said a previous buying program was not very successful. Johnson said that the agriculture department had the money and the authority to buy cattle.

The Texas senator contends that credit will do no good, nor will cheap feed and low freight rates, unless prices are improved. Benson has refused to support cattle prices or buy beef on the hoof to strengthen the market.

While Congress wrangled over emergency drought relief measures, the Production and Marketing Administration started feeding going to parched Texas counties.

C. H. Moseley of the Dallas PMA commodity office said 277 rail cars of corn, 114 of oats, and 4 of wheat were on their way to 100 points in the state.

F. P. Biggs, PMA commodity director at New Orleans, stated

that 6,154 tons of cottonseed meal and pellets were moving into Texas.

All this feed was being sold at low prices and was being hauled by the railroads at half the usual rates.

Ranchmen at Dalhart, meanwhile, found backers for their proposal of federal price supports for cattle.

They called stockmen from five states—Texas, Oklahoma, Kansas, New Mexico and Colorado—to a meeting for the organization of an association to forward their campaign.

Well, the end of the drought may not be far off.

That's based on the long-range predictions of Abraham Streiff, hydraulics engineer who worked on the Colorado River dams above Austin and incidentally made an intensive study of the weather.

C. L. Dowell, chief hydraulics engineer of the Lower Colorado River Authority, says Streiff's prophecies have been coming true for a long time.

The forecaster's idea is that floods will return to the river this year, that next year will be wet, and that heavy rains will fill the river in 1955 and 1956.

He said the principal reason for

the fawns coming through is the dry weather which retards the screw worm. This parasite is a great menace to baby fawns during wet seasons.

The Director said one particularly favorable report came from Game Warden Adolph Heep of Fredericksburg, stating that the survival rate among fawns is one

of the best in all the years he has been in the key big game county. The Director explained that the screw worm develops from fly eggs laid in open wounds in the

fawns' body. These infestations oftentimes are fatal. Kerosene replaced whale oil as a means of illumination.

# Room for everything but doubt!

## NEW INTERNATIONAL HARVESTER Freezers

You can put your faith and confidence in this International Harvester Freezer... along with all those wonderful things to eat that will save you shopping trips and help you treat your family to out-of-season foods at low peak-of-the-season prices. It will give you years of dependable, trouble-free operation. And all these special features, too...

# Chevrolet's farther ahead than ever!

The striking new Bel Air Sport Coupe. With 3 great new series, Chevrolet offers the widest choice of models in its field.

### ... IN POWER AND PERFORMANCE

Chevrolet's entirely new 115-h.p. "Blue-Flame" engine (teamed with Powerglide\*) is the most powerful in the low-price field! In gear-shift models, you get the advanced 108-h.p. "Thrifty-King" engine. Both give brilliant new performance and greater economy.

### ... IN STYLE AND LUXURY

The sleek, low-slung beauty of this fine new car provides one more reason for Chevrolet's truly amazing popularity. The new Fisher Body provides roomy luxurious interiors, modern appointments and colorful, fine-fabric upholstery that can be matched only in costlier cars.

### ... IN EASE OF DRIVING

Entirely new Powerglide automatic transmission, with faster getaway and greater economy, eliminates the clutch pedal completely. And Chevrolet's new Power Steering\* does 80% of the work... lets you squeeze in or out of tight spaces with wonderful new ease.

### ... IN ECONOMY AND VALUE

Chevrolet now brings you the most important gain in gasoline economy in its history! And, you save substantial amounts on overall upkeep, too. Yet with all its wonderful new things, Chevrolet remains the lowest priced line in the low-price field!

### ... IN FIRST PLACE POPULARITY

Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show Chevrolet over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

\*Optional at extra cost. Combination of Powerglide automatic transmission, and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering is available on all models.

MORE PEOPLE BUY CHEVROLETS CHEVROLET THAN ANY OTHER CAR!

West Texas Utilities Company

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Waiter Rogers

TRUE SOUTHERN SPIRIT:

While the House was debating the extension of the excess profits tax bill, my good friend Congressman J. L. Pilcher, of Georgia, handed me a telegram he had received from one of his constituents. It read as follows:

"W. W. and I will care for 70 cattle from Texas drouth area until October 1st with no charge. Sure other Georgians will do same.

Robert Kirbo."

This telegram was sent by W. W. and Robert Kirbo of Camilla, Georgia, who know what it is to face a drouth. Needless to say, tears came to my eyes when I read this telegram. It was one of the finest gestures that I have ever witnessed. It explained to me thoroughly why the people of that district had sent such a fine man as J. L. Pilcher to Congress. They are the kind of good southern people who just can't be beat. It is things like this that confirm your faith in human beings, especially after you have seen some people trying to play politics with other people's misery and some trying to figure out a way to make a killing out of the distress situation. Thank God for people in America like the Kirbos.

TAX RELIEF:

For John Q. Taxpayer, no. For the whiskey distilleries, yes. On Tuesday, July 7th, while I was returning from my trip to the drouth stricken area, the House passed a bill putting off for four

DR. H. R. BECK DENTIST Goldston Bldg. Clarendon, Texas Phone 46

Joe Goldston OPTOMETRIST Goldston Bldg. CLARENDON, TEXAS Phone 38

years taxes that were supposed to be paid this year on thousands of gallons of whiskey that has been in storage already eight years and on which no tax has been paid. It was argued that the whiskey distilleries had to be helped because many of them would be in financial difficulties if they had to pay the tax at this time. Incidentally, this bill giving relief to the whiskey distilleries was taken up and passed before the bill to grant assistance to the drouth stricken farmers and ranchers.

MORE ABOUT THE DROUTH:

The Secretary of Agriculture has had ample authority since 1949 to make loans that were so badly needed in the drouth area. He still has this authority, and in fact his authority has been increased by the recent legislation. This authority was vested in him on April 6, 1949, by Section 2 (a) of Public Law 38 of the 81st Congress. When the drouth conditions in Texas began to reach a peak (we hope) about June 15, there was approximately 17 million dollars on hand, which could have been loaned to relieve the situation. More money is coming into the fund each day.

The Secretary of Agriculture has had the authority since 1949 to put a price support under cattle. He presently has that authority, but has refused to exercise it or to even consider it on numerous recent occasions. The drouth relief law that was recently passed was an amendment of old Public Law 38. Actually it did very little to expand the authority of the Secretary, simply because the Secretary had complete authority under the old law to meet the situation head-on. The new law has one provision for special livestock loans. These loans are confined to established ranchers with good records of operation. I tried to amend this so that it could be applied to young people and veterans who are good ranchers but who have not had the opportunity to be in the ranching business but a year or two. My amendment was defeated by a narrow margin. The bill also requires 5 percent inter-

est on these loans. One member tried to lower this interest rate, but his amendment was also defeated.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The children still show an avid interest in reading, and the books are showing results of much usage. The girls' books are quite depleted. The exceptional summer heat has discouraged outdoor activities, and the result has been an unusual patronage of the Library.

There are no new books to report and very few current issues of magazines for men. We certainly appreciate our magazine support. When you complete your copies if you do not file them we can use them profitably.

Several of the girls have helped me during the rush period week days. This has been very thoughtful of them. When you have a first grade run, or some body you have to select books for the work accumulates.

LEARN HOW YOUR STATE GOVERNMENT IS FINANCED

AUSTIN—Taxpayers can learn how their state government is financed in a new publication issued by the University of Texas Institute of Public Affairs. "Financing State Government in Texas," by Lynn F. Anderson

and T. E. McMillan, Jr., is the first over-all analysis of the state's financial operation. The book analyzes the state's revenue, expenditure and debt status over a period of years, and gives a detailed presentation of the tax system, federal aid, and state aid to local governments.

Significant current problems treated by the authors include the rising cost of government and the implications of federal aid.

Copies of the 200-page book may be obtained at \$2 each from the Institute of Public Affairs, University of Texas, Austin 12.

Wind must travel at least a mile a minute to be a hurricane.

#### High School Graduates Now Eligible for ACT

Continuing needs of the Air Force's Aviation Cadet Training Program have effected a change in eligibility requirements that now permits high school graduates to apply for the Aircraft Observer phase of aviation cadet training, Captain Alden C. Clark of Aviation Cadet Selection Team number 207, Webb Air Force Base, Big Spring, Texas said today.

The Air Force flying training program is divided into two phases, Pilot and Aircraft Observer; and previously, two years of college were required of both type applicants. An immediate, critical need for applicants for Aircraft Observer training has brought about a reduction in educational requirements.

Training time is from 54 to 62 weeks, and upon graduation, cadets are commissioned Second Lieutenants in the United States Air Force Reserve. Such officers are required to serve a three year tour of active duty, and are paid \$438.58 monthly if single and \$455.68 if married.

Aircraft Observers function in such capacities as Bombardier, Navigator, Electronics Countermeasure Officer, Aircraft Performance Engineer Officer, Bomber Defense Officer, Photographic Reconnaissance Navigator, Weather Observer-Navigator and Intercept Radar Observer.

Captain Clark also stated that it does not take a "superman" to fly in the supersonic aircraft of today's "jet" age. Any normal young man who meets the qualifications stated below and who likes to fly can progress through

both the academic and flying phases of training now given in the cadet program.

To qualify for aviation cadet training an applicant must be between the ages 19 and 26½, be an unmarried male citizen of the United States, be of high moral character and successfully pass a mental test and a series of air-

crew tests to determine his flying suitability. High school graduates are acceptable for Aircraft Observer training but two years of college is required of applicants for pilot training.

Complete and detailed information regarding the Air Force Aviation Cadet Program may be obtained by writing the Aviation

Cadet Selection Team, Webb Air Force Base, Big Spring, Texas.

Mr. and Mrs. Leonard Dozier and Gwan Lane Wilkinson of Hartley spent the week end in the Gwan Wilkinson home. Gwan Lane and Durwood Wilkinson returned home with them to spend the rest of the summer.
