## New P-TA Officers For 1961-62 Elected

A large number of parents and teachers were present as Sims P.T.A. held its regular monthly meeting on March 28 in the College Gym.

The Third and Fourth grades and the Fifth grade choir very cleverly presented the Wedding of Jack and Jill. This presentation was directed by Miss Edgar Mae Mongole, Mrs. Clyde Gilbreath, Mrs. J. R. Williams, Mrs. Evelyn Guy and Mrs. Velma Weaver.

Several Easter selections were sung by the Clarendon Junior College Choir under the direction of Mrs. Weaver and accompanied by Mrs. Bill Williams.

In the business meeting, Mr. Cain, chairman of the nominating committee presented the nominations for the P.T.A. officers for 1961-62. The motion was made and seconded that the following officers be elected by acclamation: President, Mrs. James Ashcraft; Vice-President, Rev. Baldwin Stribling; Secretary, Mrs. Chauncy Hommel; Treasurer, Mrs. Emmett Simmons; Historian, Mrs. C. M. Lowrie; Parliamentarian, Mrs. Bill Greene, Jr.; Finance & Membership Chairman, Mrs. Tommie Saye; Character and Spiritual Education, Mrs. L. P. Moore; Hospitality, Mrs. Thomas Perkins; Publicity, Mrs. David Bennett.

A Spring Conference will be held in Childress April 24 and 25. Workshops will be held for each officer pertaining to the duties of their offices. All of the new officers are urged to attend. Anyone interested in going may get in touch with Mrs. James Ashcraft for further information.

## FORMER RESIDENT TO BE PRESENTED IN ART SHOW

Mrs. Iva Ruth Parker of Amarillo, formerly Iva Ruth Gibbs of Clarendon, will be presented in an art show of 30 paintings in the lounge of the Fine Arts Building at Canyon from 2 to 4 p.m. Sunday, April 16.

Her paintings will include mixed media of oil, tempera, charcoal and others. Mrs. Parker is a senior art major at West Texas State College.

The public is invited.

**GUARD YOUR FAMILY** — Mrs. Jack E. Walsh of the 1961 Texas Cancer Family points to the national cancer family pictured on the 1961 American Cancer Society Crusade poster and reminds that everyone should have a regular health check-up. Mrs. Walsh is one of more than a million Americans who have been saved from cancer. Happy at being a healthy family are sons John and David, and Mr. Walsh. April has been designated as cancer control month in Texas by Governor Price Daniel.

## Minor Injuries Received In Scooter Accidents

Two accidents involving motor scooters and cars over the week end resulted in minor injury to four youth.

The first accident shortly after noon Sunday was a collision between a car driven by Darrell Leflew and a scooter carrying Gary Lynn Lowrie 14, and his younger sister, Karen 7. They are children of Patrolman and Mrs. John Lowrie who reported that the youngsters were taken to the hospital for a check-up. Both received scratches and bruises and Gary received a broken finger. Damage to the scooter was estimated at \$65.

In the second accident about 4:30 Monday afternoon, a scooter operated by Miss Carolyn Graham, daughter of Mr. and Mrs. B. L. Graham, sideswiped the bumper of a car driven by Andy Pinkerton at the intersection east of the College building. The scooter overturned and the occupants skidded with the machine across the intersection. Miss Graham received painful gravel burns, cuts and bruises. Her passenger on the scooter, Miss Karen Hill, daughter of Mr. and Mrs. O. L. Hill received scratches and bruises. Miss Graham was the only one of the accident victims to be hospitalized and she was scheduled to be released Wednesday.

## Lillie Wright Buried Here Saturday

Gravestone services for Mrs. Lillie Elizabeth Wright, 37, of Hayward, Calif. were held at 10 a.m. Saturday at Citizens Cemetery here with Leland Benoe, Minister of Hale Center Church of Christ, officiating. Burial was under the direction of Murphy Funeral Home.

Mrs. Wright died Sunday, April 2 at Hayward. She had been a resident there five years. She was a member of the Church of Christ.

Survivors are her husband, John B. Wright of the home; two sons, Floyd and Freddie, both of Hayward; her parents, Mr. and Mrs. Joe C. Talley of Dodson; three sisters, Mrs. Irene Cruse of Hale Center, Mrs. Annie Baker of Portales, N.M. and Mrs. Iva Mae Miller of Twitty and two brothers, George Nixon of Nava Visa, N. M. and Cleburn Talley of Portage, Wis.

## City Outlines 3-point Water Clearing Program

The City Commission at their regular meeting April 7, 1961 decided to do three things in an attempt to clear up the muddy water. Number one: City employees have removed the sand from the ground tank and standpipes so we are going to take a section at a time and put on heavy pressure and blow out the water lines. This will necessarily stir up the sand when the pressure is applied. Number two: We are going to pump the well that is causing the trouble for a week or two and run the water into the City Lake. Number Three: We plan to put in another sand trap twice as large as the one we have, thus allowing an opportunity for more sand to settle in the ground reservoir.

We sincerely hope that this will clear up this situation. We wish to take this opportunity to thank the public in general for bearing with us at this time. The City Commission.

## Paula Adams Wins 1st In Tennis Singles

Paula Adams, daughter of Mr. and Mrs. Raleigh Adams, was the only winner for Clarendon in the District Tennis matches held here Monday. Paula placed first in the high school senior girls singles and will go to Lubbock April 21-22 for the regional meet.

In the high school junior girls doubles, Sharon Williams and Janis Smith were defeated by the McLean team and in the elementary boys doubles, Douglas Bradshaw and Richard Bell were defeated by Austin of Memphis team and Ray Pinkerton was also defeated in the finals by the Memphis contestant.

## Freezing Temperatures Recorded Past Week

The weather has been acting up a bit more than expected the past week with our official weather observer recording below freezing temperatures two different nights.

A whizzer that blew through last Saturday with wind velocity up to 60 miles an hour also lowered our temperature to 28 degrees by Sunday morning. Another front that pushed through Tuesday dropped the mercury to 31 degrees by Wednesday morning. It is a bit early to learn how much damage resulted to fruit from the two freezes but it is believed that quite a bit of fruit and tender vegetation survived.

On the other side of the weather ledger, we had a balmy 88 degrees on the 5th of April and a more comfortable 73 degrees reported for the 11th. Our total moisture for the month was recorded as .08 inch.

**APRIL 15 DEADLINE**  
Car owners have until April 15 to get their autos safety inspected and a new sticker put on the windshield. Col. Homer Garrison Jr., director of the Department of Public Safety, said DPS officers would start handing out tickets to non-stickered cars Sunday, April 16.

Mrs. Eva Humphrey returned home Friday after having spent the past six months with her sister, Mrs. Sam Bryan, at Stinnett.

## HOSPITAL NOTES

Dismissals — Mrs. W. M. Boston, Harvey Jones, Claude Mann and Lee Shaller.

## FARM NEWS

from the County ASC Committee

**1961 FEED GRAIN PROGRAM**  
In General Voluntary — Each producer decides whether to cooperate.

**CORN AND GRAIN SORGHUMS**  
The program applies to all field corn and grain sorghum whether for grain, fodder, silage or for grazing.

**DIVERT AT LEAST 20% OF ACREAGE**  
Cooperators will divert at least 20 per cent of their 1959-60 acreage of corn and grain sorghums to soil conserving uses, and they may divert additional acreages up to 40 per cent of the feed grain average.

**PRICE SUPPORTS AND PAYMENTS**

In return cooperators are eligible for price supports on corn and grain sorghums and for an attractive payment on each acre diverted. The payments will be in the form of negotiable certificates for which producers may receive grain or a cash equivalent of grain.

**ADVANCE PAYMENTS**  
Half of the estimated total payment for a farm will be offered to the producer as soon as he signifies that he will cooperate in the program.

**NO PRICE SUPPORT FOR NON-COOPERATORS**

The non-cooperator will not be eligible for price support on corn, grain sorghum, oats, barley, or rye of the 1961 crop.

The non-cooperator cannot depend on the government price support and his neighbor's production adjustment to hold up the market price for his corn or grain sorghum production. Cooperators who wish to receive the cash equivalent of grain at the support price may ask the Commodity Credit Corporation to act as their agent in marketing their grain. As agent for the producer, Commodity Credit Corporation will advance the payment to the producer in cash through the county ASC office and subsequently market the grain. The non-cooperator will get nothing but the market price, whatever it may be.

**EFFECTIVE PROTECTION IN CASE OF CROP FAILURE**

The payment on the diverted acres is income regardless of what the weather does to crops, and this is a measure of income insurance. Price support for corn and grain sorghums at the rates considerably above current market prices also has an income insurance effect.

**PROBLEM OR SOLUTION?**

The feed grain problem is serious. Recognizing this, the producer may ask: "Am I part of the problem? Or, am I part of the solution?" By cooperating, the individual producer can:

1. Help raise farm income for himself and other cooperators.
2. Reduce government costs.
3. Start working off the CCC's excessive inventories of Feed Grains.

The non-cooperator should not expect to build up his acreage base for future programs either. The Department of Agriculture will strongly recommend to the Congress that any legislation involving establishment of base acreages for production adjustment should give no advantage to producers who fail to cooperate in the 1961 feed grain program.

**MEETINGS**

Meetings in Donley County and surrounding counties will take place sometimes during April 17 thru April 21. Each feed grain producer will be notified by letter of the time and place of the meeting which he is to attend in his area.

Mr. and Mrs. Chester Martin visited in the home of Mr. and Mrs. Harold Holland and family at Wellington Sunday.

## Clarendon Jr. College Honor Roll Announced

Dean Abel announces that the up-grading of instruction in the college and the superior dedication of the college teachers to their task of preparing the college students for the demands of the critical period in which they will be the employee, the employer, the supervisor, or the leader, has begun to bear fruit. This is evidenced by the largest list of students ever to make the honor roll at Clarendon Jr. College during the first nine weeks of the second semester of this school year.

During previous nine weeks' grade reporting periods, about 10 per cent of the body were elected to the honor roll. Fifteen per cent of the total enrollment this nine weeks have made a 2.6, or A- average or better.

Students from Clarendon who were elected include: Milton Mann, Carole Wood, Jo Ann Edens, Barbara Koontz, Frances Long, Norma Jones, and Rosalie Welch. Marie Morrow, also of Clarendon, a special student taking less than 12 hours had an "A" average for the courses in which she was enrolled.

Other students elected to this honor group were: Alice Johnson and Margaret Oldham of Samnorwood; Neal White of Quail; Leonard Mullins of Hedley; Jan House and Floy Lancaster of Turkey; Nettie Humphreys of Ron Consolidated School, Hollis, Oklahoma; Albert Molsenbocker of Dodson; Joe Bob Browning of Memphis; Nancy Shields of McLean; and Ida Lou Dickson of Lelia Lake.

Three other special students maintained an A- average during the nine weeks. They are Pauline Masten of Wellington, Jewell Quisenberry of Hedley, and Pauline Heath of Clarendon.

## Local Lions Elect Officers for 1961-62

Members of the Clarendon Lions Club elected new officers to serve and direct the club for 1961-62 year at their regular luncheon Tuesday of this week. The new officers and directors were elected as follows:

President, J. B. Melton; secretary, Weldon Day; treasurer, Joe Bownds; first vice-president, B. L. Graham; second vice-president, George Benson; third vice-president, W. R. Lawrence, Lion Tamer, John Swiney, Tail Twister, M. A. Hart; director, first year, J. G. McAnear; director, first year, M. P. West; director, second year, R. E. Drennan; director, second year, Billy J. Land.

## Lelia Lake Methodist Church Revival Starts Sunday

Rev. C. R. Hankins, pastor, has announced that a Revival will begin Sunday, April 16 at the Lelia Lake Methodist Church and will continue through Sunday, April 23.

Rev. O. B. Herring of Memphis, Texas will be the visiting evangelist. Only evening services will be held and the time will be 7:30 p.m. An invitation has been extended to everyone to attend any or all services.

## CAR REGISTRATIONS TOP 60 FIGURE

Truett Behrens, Tax Assessor-Collector reported yesterday that car registrations in Donley County had already exceeded the figure at this same time last year. In fact, some 200 more cars have been registered which brings the total at the present time to 1734.

This is an indication of more two-car families plus those who have given up their daily exercise for the more modern conveyance.

## High School Track Team Wins District Meet with 130 Points

### Junior Class to Present Three-Act Play Friday And Saturday Nights

The Junior Class of Clarendon High School will present a 3-act comedy entitled "His Name Was Aunt Nellie" in the High School Auditorium Friday and Saturday nights, April 14-15 with curtain time at 8:00 p.m. Admission will be 75c for adults and 50c for students.

James Childers, speech instructor, is director of the play.

Members of the cast are as follows: Archie Baldwin, James Allen; Bertha Baldwin, Fredda Bourland; Sheila, Donna Estlack; Fred, Shelby Bell, Joyce, Judy Benson; Cleo, Sally Groom; Ed Saunders, Kenny Schull; Mabel, Tommie Gibson; Jerry Parkham, Jim Robinson; Mr. Van Dilling, Leon Gibbs.

Considerable effort has been extended by the members of the cast, instructor and stage assistants in preparing the presentation of this comedy and we feel sure you will receive full enjoyment by making your plans to see "His Name Was Aunt Nellie" Friday or Saturday night.

## Dean Lists 33 Students As Candidates for CJC Graduation

Clark of Miami; Fred Davidson of Quitaque; Albert Molsenbocker of Dodson; Conrad Mullin of Turkey; Barbara Rogers of Childress; Kenneth Sanders of Lakeview and Neal White of Quail.

Leader—Local rate, \$3.00 a year | Leader within the near future.

In the District Track meet held at Lefors last week, the Clarendon High School track team took first place honors with 130½ points. Canadian was second with 111 points and Lefors was third with 95 points. Gary Campbell was high point man of the meet with 30 points.

Placings in the various events were as follows: 440 relay—4th, Elmore, Tipton, Robinson and Abel; 880 yard dash — Philip Abel 3rd and Frank Hermesmeyer 4th; 120 yard high hurdles, Bill Hermesmeyer 2nd, Leon Gibbs 3rd, Frank Hermesmeyer 5th; 220 yard dash, Gary Campbell 1st; 180 low hurdles, Gary Campbell 1st, Frank Hermesmeyer 4th; 440 dash, Eddie Tipton 2nd, Jim Robinson 5th; Mile run — Johnny Longan 2nd; Mile Relay—Elmore, Tipton, Campbell, Abel, 2nd. Discus, Abel, 1st, Charles Stout 2nd; Shot Put, Stout 3rd; Broad Jump, Campbell 3rd; Pole Vault, Neel Carter tied for 1st; High Jump, Cearley 6th.

Boys who will go to the regional meet at Lubbock April 21-22 are Bill Hermesmeyer, Gary Campbell, Eddie Tipton, Johnny Longan, Mile Relay team composed of Elmore, Tipton, Campbell and Abel; Philip Abel, Charles Stout, Neel Carter. This includes all 1st and 2nd place winners in each event.

Coach Tom Jinks entered his track team in the Amarillo Relays last Saturday and they made a very good showing against high competition. The team composed of Jerry Elmore, Philip Abel, Gary Campbell and Eddie Tipton placed second in the mile relay which gives Jinks great hopes of the boys winning regional and going on to the state meet. In the 180 low hurdles Gary Campbell placed 4th; Philip Abel placed 5th in Discus and Neel Carter placed 5th in pole vault.

In the Volley Ball district meet at Lefors, Coach J. R. Williams' team composed of Howard Talley, James Allen, Bill Spier, Dwight McAnear, Jerry Elmore, John Cearley and Gary Campbell carried away first place honors. The District literary meet will be held at Canadian Saturday and the Clarendon Band went to Canyon Wednesday for their contests.

# BLOWIN' Out the CORNERS

*By Uncle Zeb*

any needs over and above our own achievements could be known by reading the Good Book.

He grew up in no time at all. Before anyone could realize it he was looking out upon the world for himself. The results were to say the least confusing. Reading in the Good Book he was sure that honesty was still the best policy. In the check book, the tea book, and the blue book, one just couldn't seem to be sure. The politicians were getting elected on a lot of rash promises, and worst of all were staying in office by trying to carry them out. The government had become a mighty giant promising cradle-to-grave security in exchange for a measure of one's freedom.

Fear and uncertainty seemed every place . . . Hard work had become less enticing. Saving for the future was impossible. All this and many more changes in just over 30 years.

Being stubborn is unlikely to get us much farther than it does the mule. This contrary nature and uncooperative disposition has won for him the slogan "Contrary as a mule." It will do the same thing for us as human beings.

We meet some folks who are so dogmatic about what they believe that even the good benefits of their beliefs are not attractive to us. For instance, if they believe very strongly that

we should all love one another but will fight you teeth and toenail in order to prove it, then we are bewildered.

If while someone is attempting to convince us of the importance of a God-like life, we see a perfect demonstration of the temper of satan then we will never be favorably impressed. This will so often happen if we step on his religious toes even to the slightest little degree.

It is possible to lean forward so far trying to be agreeable that we will fall for anything. But it is perhaps even worse to take a stand so stubbornly straight that we will bend over backwards.

We need to stand very firmly by the true and proven facts, but we need to always have a compromising spirit on the matter of opinions, especially when they are our own. Someone has said that it is possible to be so right that we are wrong. It almost seems to be that way when we see a person that on every issue takes the stubborn and uncompromising stand. When one never takes time to look at the

matter from the other fellow's viewpoint.

Looking upward, never backward, is one of the best ways to move forward.

In our own individual lives we need a lot of faith in the Higher Power in order to meet the problems of each new day. We need hope for tomorrow and in this crazy mixed up and uncertain age we need faith in something which can help us beyond the things we can do for ourselves.

As a citizen of our wonderful country we need to have faith in our leadership. The slam-bang campaigns of present day politics sometimes leaves us with a feeling that all is bad. We wonder if the politician of today is so much worse than his forerunner or could it be that we know him better because of radio, television, and a better news service.

We believe that a certain degree of moral decay is sapping away at the very roots of our wonderful freedom. Our very way of life seems to be in danger of falling to pieces because of selfish greed and political expediency.

But we mustn't lose our faith. We need to heed these danger signals and begin correcting the trouble. If we had things wrong with our physical health we would turn to our doctor and take his advice until we were well. We can see by history that other nations who made these same mistakes before us got in real trouble.

Will we keep on shaking the economic tree until we break the limbs? Will we refuse to believe that Santa Claus is just the man of the house? If so, we could get spanked like little children.

## GEORGE'S WIFE

By "Sarah"

We wondered if anyone else had noticed the high-powered salesmanship being pounded into our homes ever so often all during the day. They make it sound as if it was our patriotic duty to 'Buy now, Pay later,' in order to boost our economy. It's called: "Confidence in A Growing America." We do have confidence in a growing America, and would like to see our Country's continued growth, but not through a false economy.

If we would do as the advertising says, it wouldn't be long until the family unit would be as bankrupt as our Nation. This sort of thing is all right for those who can resist pressure salesmen, but what of those who cannot? We would do well to check our current ratio each month, to find our ability to pay for the essentials, before we start on the extras.

Almost as long as 2 times 2 equals 4, a business was thought to be in satisfactory condition if the current ratio was 2 to 1. Our dream of Utopia would be to see our Nation on a 1 to 1 basis, even this is a dangerous condition.

We have to sit back and let our government try out all these

far-fetched ideas, at our expense, when we would not run our own business on a deficit basis and expect to survive.

In Mr. Izzard's column he has listed three reasons for selecting this theme, among them was this one - "The state of mind of large groups is in itself an economic fact." That sounds like thought-control to us, and for no other reason we will resist falling in line. We can almost hear those who would have us spend ourselves to death, herding our minds into a vacuum in which we cannot escape. The prospect of their success has the same effect on us as seeing man, or beast sinking in quicksand on TV, all our squirming and tugging cannot save them.

If we are going to be managed by thought-control, let's be realistic about it. Or even do some thinking by ourselves, on a higher level.

According to Chain Store Age the chains will spend more than \$58 million on refrigerated cases for new stores during this year. Close to half of it will go for meat cases to insure housewives of well-protected fresh red meats.

A report by the Chamber of Commerce of the United States characterizes the rise in the extent of voluntary health insurance coverage in the United States as "meteoric." From 29 million persons protected the first day of 1945, nearly 128 million or 72.4 per cent of the civilian population, had purchased some form of voluntary health insurance by the end of 1959 and the number has increased since. Major medical insurance, providing protection against the costs of catastrophic illness, has been in existence only nine years, but nearly 22 million people had purchased it by the end of 1959.

**GAUGE-WHEEL DRIVE UNIT**—This is just one of the many types of Liquid Fertilizer Applicator-Cultivator units you'll find at your local Liquid Fertilizer Dealer. A highly versatile piece of equipment—with it you can fertilize before you plant, you can rig-up to fertilize and plant at the same time, side-dress and cultivate, and you can even apply insecticides as you cultivate and side-dress. See your local Liquid Fertilizer dealer and let him show you how easy it is to own a multiple-use unit

**THE WORKHORSE**—This tank takes the work out of fertilizing. It is loaned to the farmer to haul his fertilizer to the field. Mounted on the tank is a pump and gasoline motor. The nozzle, which weighs about fifteen pounds, on the end of the hose, is the heaviest thing the farmer has to lift when he is loading his Liquid Fertilizer applicator. Why be old fashioned in modern day farming . . . use Liquid Fertilizers and let pumps and motor do the work for you. Liquid Fertilizer is never under pressure and it is not dangerous to handle.

**PLAYING WITH FIRE**

It was not so long ago that Mr. Bulgainin, one of the Russian leaders, was quoted as saying that the United States would become a socialized state not as the result of outside forces, but that we would vote ourselves into that situation.

Anyone who has watched the methods of many state and federal law makers who favor putting government into tax exempt projects in competition with exorbitantly taxed private citizens and business can see Bulgainin's prediction working out, not under the name of socialism, but under the more dangerous and false title of liberalism — free wheeling government spending and taxation.

It must make the Russians chuckle to see our own politicians playing their game and our people swallowing the bait.

If the people continue to sell their votes for political promises of something for nothing, promises that can only be financed by constantly more destructive taxation and inflation, they will have only themselves to blame for fulfilling Mr. Bulgainin's prophecy that we will destroy our freedom from within.

"Remember this: The Federal government, or anyone else, cannot give anything to anybody without taking it from some. Who are the 'someones'? They are the workers and producers in America, who must surrender more and more of the fruits of their labors as one giveaway program is piled on another in Wash-

ington.  
"For every giveaway, there must be a takeaway. And there is, no matter how it's disguised or to what extent the giveaway is played up and the take away is played down."

Methods of handling business. "Automation, which ranks high among the most controversial developments of our day, is not exactly new. In fact, it can be traced back hundreds of years and in our own times, produced a considerable uproar in the '30's under the title of technocracy. ## Southern Serenade is Jr.-Sr. Banquet Theme

The Junior-Senior banquet, looked forward to with anticipation by members of both the Junior and Senior classes of Clarendon High School, was held Saturday evening, April 8, at the High School Gymnasium.

Southern Serenade was the theme carried out in decoration. The stage displayed a background showing the entrance to a southern mansion. Outdoor furniture was arranged on the porch with potted plants outlining its edge. The seating area was decorated to resemble a flower garden enclosed by a white picket fence, hurricane lamps, and trellises of magnolia blossoms. Tables were laid with white covers and centered with small silk umbrellas in colors of pink, blue, yellow, or red and shading bouquets of carnations in corresponding colors. Favors were small umbrellas.

The silhouette of a Southern, Colonial man and woman which was designed by Clayton Ferris, a junior student, was featured on the programs and napkins. Monogrammed place cards marked the individual place settings.

Taking part on the program were the Variables, Andra and

Sandra Pinkerton, Carolyn Wallin, and Jerry Barrett accompanied by Jo Ellen Pfeiffer. This group sang several southern songs. Jeanette Crutchfield and Kenny Schull thumbed through the High School Annual and passed on amusing experiences they remembered about the seniors. Janie Ross and Lynn Spier furnished the floor show, an exhibition waltz, "Blue Danube." Gary Mahaffey, president of the Junior class, served as toastmaster and welcomed the seniors and guests. Neel Carter, president of the Senior class, presented the response.

The Sultans of Swing played for the prom which followed the banquet.

Sophomore girls, Agatha Wallin, Judy Pittman, Sue Phelan, Sharon Williams, Sue McCord and Jannell Clapp assisted by Jerry Elmore, Dee Hudgins, Dwight McAnear, Steve Richerson, and Gary Campbell, dressed in Southern costumes served the delicious meal of braised chicken, gravy, tossed salad, green beans, creamed potatoes, hot rolls, frozen angel food cake, and iced tea. The meal was prepared by the Ashtola ladies.

Mrs. Roy Crutchfield, Mrs. J. H. Spier, Mrs. Jim Robinson, and Mrs. Dub McAnear, Junior mothers, assisted the sophomores in serving the meal, presiding at the refreshment table and chaperoning the prom. Rep.

## MARTIN QUILTING CLUB

The club met Thursday, April 6 with Veda Elliott in her home with 15 members, five children and one visitor present.

One quilt was quilted and two polly anna gifts were exchanged. Mrs. Lois Hutchins was our visitor. We always enjoy her visits. It was good to have Anne Waldrop and Velma Hearn with us again.

Bro. Stout, Mr. Elliott and Mr. Hearn were guests for the noon meal which is always enjoyed.

The next meeting will be April 20 with Dorothy Sullivan as hostess in her home.

## Delta Kappa Gamma Meets in Childress

Delta Kappa Gamma met in Childress Saturday afternoon, April 8, in the Methodist Church parlor at 2 p.m. The president, Mrs. Anna May Foster, presided. Miss Edgar Mae Mongole gave the invocation. The group enjoyed singing "April Showers," "Tip-Toe Thru the Tulips," and the Delta Kappa Gamma song. Following Susan McAnear and Donna Bennett sang as duets, "Getting to Know You," and "Alice Blue Gown."

The title of the program was "I Lift My Lamp" and was led by Vera Tops Gilreath. Also taking parts were Elsie Sweat and Alma Bruce.

Afternoon guests were Future Teachers, girls who plan to teach, from the four counties, Childress, Donley, Collingsworth, and Hall. Each year the chapter gives a "Grant in Aid" to one of these Future Teachers. This year's grant was given Paula Ann Guyton of Samnorwood.

In the business meeting Anna May Foster was elected as delegate to the State meeting to be held in Houston. Velma Weaver was named alternate.

The tea table was centered with an arrangement of pink carnations and white candy-tuft. Punch and cookies were served. Spring flowers decorated the entertaining rooms.

Attending from Clarendon were Hazel Brandon, Faye Pinkerton, Ruth Richerson, Edgar Mae Mongole, and guests, Susan McAnear and Donna Bennett. Rep.

## LELIA LAKE MYF

Meeting was opened with prayer by Carol McCallum. The program was opened with a few songs and Lacy Lee Noble had charge of the program with seven being present.

We were dismissed by the MYF Benediction. Rep.

Mrs. John Swinney entered Northwest Texas Hospital at Amarillo Monday where she was scheduled to undergo major surgery Tuesday. Her many friends wish her a speedy recovery.

## Sunbeam Bands of First Baptist Church Observes 75th Year

The Sunbeam Bands of the First Baptist Church celebrated its 75th anniversary Wednesday afternoon, April 5 with a Birthday Party in the church parlor honoring Mrs. Buel Sanford.

The first Sunbeam Band was organized in 1886 at Fairmount Baptist Church, Virginia, with Dr. George Braxton Taylor who was then pastor of the church.

The Sunbeam Director is Mrs. James Ashcraft with Mrs. Bill Wise, Mrs. C. W. Smith, and Mrs. Wayne Baker as Leaders.

Refreshments of cake and punch was served to 26 members and their guests.

## Cub Scout News

The Monthly Round Table for the District will be held in Clarendon at 7:30 Tuesday evening, April 18. This will be the best opportunity for all Den Mothers and interested parents to attend this type of meeting since they will not have to travel out of town. This is a joint meeting of Boy Scout Leaders and Cub Scout Leaders of the entire Comanche District. The Cub Scout group will plan for an exchange of ideas for the May theme, Indians. We will meet in the council room at the City Hall.

For the new cubs who need books on uniforms, supplies can be ordered from the J. C. Penney store at Pampa, Greene Dry Goods at Memphis, or Blackburn's at Amarillo. All rank books are 45 cents each.

Boys who have not paid their \$1.00 for insurance for one year should do so immediately.

There will be a Den Mother's meeting Thursday night at 7:30 at the home of Tommie Saye.

Mr. and Mrs. Roy Carhart of Panhandle, Jack Merchant of Pampa, Mrs. Cal Merchant and Virgil Merchant of Clarendon returned home Sunday after a visit with their sister and aunt, Mrs. J. M. Ozier, at Burnet, Texas. Mrs. Ozier has been ill for the past four years.

Mr. and Mrs. Charlie Morrison and daughter of Dumas visited Saturday in the home of Mr. and Mrs. J. D. Jones.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — In years past, a favorite topic among legislators about this time in the session was, "When are we going to sine die?"

A sine die (final adjournment) resolution gave everyone a comfortable sense of direction. Now there's no need.

Under the new law, the regular session automatically ends after 140 days. For this session the 140th day will be May 29. But with the time two-thirds gone, there's no assurance vital tasks can be completed by May 29.

Both House and Senate are now working on the tax problem, but other measures of major importance — loan regulation, school consolidation — claim their time and cause delays.

Some observers are freely predicting that the tax question this year, as in 1959, cannot be solved except in special sessions limited to that one subject.

**LOAN BILL PASSED**—House members passed and sent to the Senate a bill on one of the session's most difficult problems—small loan regulation.

Rep. Criss Cole's bill would allow interest rates up to 39.8 per cent on the smallest loans. An amendment was added to allow loan companies to make a service charge of \$4 every three months in addition to the interest.

Two amendments were passed with the aim of trying to prevent the market's being taken over by large out-of-state chains. One would prevent the licensing of a loan company owned by a non-resident person or corporation. Another would prohibit any one loan firm's having more than 50 branch offices in Texas.

Another amendment would require the finance commissioner, who would be responsible for licensing and regulation, to ap-

prove any charges for insurance in connection with loans.

**LOAN INSURANCE RULING**—Meanwhile, an attorney general's ruling gave additional direction to the effort to control total charges for small loans.

A loan company, said the opinion from Atty. Gen. Will Wilson's office, is not entitled to a commission for group insurance sold in connection with loans.

Many critics of the small loan industry have contended the loan companies have made extra and unjustified profits by serving as "agents" for the sale of credit insurance to borrowers.

Actually, according to the opinion, the creditor (loan company) is the buyer of the insurance policy and, as such, is not entitled to an agent's commission on the sale.

This opinion, it was felt, will help to clear up the sticky problem of keeping a lid on charges for insurance required of borrowers as security for loans.

**SCHOOL CONSOLIDATION WEIGHED**—Senate ran into problems over a bill designed to encourage small school districts to consolidate.

Under present law, if several common school districts in a county consolidate, the first result is that state aid for the combined district is less than for the several separate districts. Government research specialists, however, have long advocated more consolidation in the interest of economy, efficiency and better school programs.

Sen. Tom Creighton of Mineral Wells is sponsoring a measure providing that common districts forming a consolidated district of 1,000 pupils or more shall, for 10 years, continue to receive as much state aid as before consolidation.

Sen. Culp Krueger objected that the requirements would penalize many of the low-population

countries in his district. Besides, said Krueger, he didn't believe in "paying people to economize."

**SENATE STUDIES ANNEXATION**—A House-passed bill setting up ground rules for city annexation is being worked on by a subcommittee of the Senate State Affairs Committee.

Rep. W. T. Dungan of McKinney is sponsor of the bill which would allow cities to ring themselves with "buffer zones" over which they could exercise control of building, health and sanitation standards. A portion of the zone could be annexed each year. Bill also provides that an annexed area not provided with municipal services in three years may "disannex" itself.

Spokesmen for the Texas Municipal League spoke in favor of the bill at committee hearing. A representative of the Texas Home Builders Association spoke against it and asked for more control over city extension of control.

**70 MPH BILL PASSED**—Senate passed and sent to the House a bill that would allow speed limits up to 70 miles per hour on some state highways.

Power to say which roads would have higher — or lower—speed limits would be in the hands of the State Highway Commissioner.

In support of the varying speed limits, Senator Wardlow Lane of Center said it was unreasonable to have the same 60-mile-an-hour limit on new divided highways and old, narrow, twisting roads.

Senator Preston Smith of Lubbock is sponsor. A controversial amendment by Senator Lane would make inadmissible in a court considering a speeding charge "evidence gained by entrapment" or gained by officers "lying in wait unobserved." Presumably this would, in effect, outlaw radar traps.

**GOP ASKS ELECTION CHANGES**—Spokesmen for the Texas Republican Party appeared before a House Committee in behalf of four bills to change the election code.

Two of the bills set up qualifications for poll watchers and election supervisors. Another would allow voters to put a mark beside the name of the person they wish to vote for instead of scratching all others. Another would repeal the provision for disqualifying a ballot on which two or more names are left unscratched for the same office.

GOP officials said that 100,000 ballots were thrown out in the last general election, and that probably 100,000 were counted that should not have been. Clarifying the law, they declared, would protect everyone's vote.

**BOARDS FAVOR TEACHER RAISE**—Answers to questionnaires sent to local school boards over Texas show that 99 per cent of the school trustees replying favor raises for teachers.

Boards are divided, however, on how much the raise should be. Biggest proportion, 64 per cent, favor the full \$800 sought by the Hale-Aikin Committee and the Texas State Teachers Association. About 22 per cent favor a \$600 a year increase, and 8 per cent a \$400 increase. Remainder favor some other amount.

Other results: a substantial majority of boards favor adding driver education teachers to the list of authorized special personnel.

A committee of the Texas Association of School Administrators and Texas Association of School Boards conducted the

poll. **SALES TAX SENT TO FLOOR**—A 2 per cent general sales tax designed to raise \$189,000,000 a year has been sent to the full House for a decision.

House Revenue and Taxation Committee unanimously passed out the bill by Rep. John Allen of Longview. Some members who voted to pass the bill out of committee said they would not vote for it on the floor. They apparently felt that the only way to settle the sales tax issue for this session is to get it to the floor for a vote.

Taxation Committee also heard testimony on an omnibus tax bill by Rep. George Hinson of Mineola. It is supported by the governor.

Hinson's bill would raise an estimated \$156,000,000 a year through taxes of varying percentages on such items as motor boats, jewelry, watches, soft drinks, restaurant meals, building materials, utilities and gas pipelines.

Soft drink manufacturers were among those protesting at being singled out. Bill was sent to subcommittee for study.

## U.S. Civil Service Has Openings for Food Supervisor

The U.S. Civil Service Commission has announced an examination for Food Supervisor for filling positions paying from \$1.92 to \$3.43 an hour in various Federal penal and correctional institutions throughout the country; and in the Department of Corrections of the District of Columbia Government.

No written test is required. To qualify, applicants must have had appropriate cooking or baking experience including at least one year of quantity cooking which required the preparation and serving of a minimum of 600 meals daily. Further information is given in civil service announcement No. 9-14-3 (61).

Applications for these positions will be accepted until further notice and must be filed with the Board of U. S. Civil Service Examiners, United States Penitentiary, Leavenworth, Kans.

Announcements and application forms may be obtained from the U. S. Civil Service Commission, Washington 25, D.C.

## POLIO RISE PREDICTED

A rise in the number of polio cases reported this year has prompted the Department of Health to urge parents to see to their children's shots. Seven more cases were reported for the first quarter of 1961 than for 1960. Health officials recommend that a child receive his first polio shot at one and one-half months and succeeding shots at the recommended intervals until five have been received.

## BUSINESS SLUMP RECOVERS

Bureau of Business Research economists are making hedged predictions that Texas business is beginning slowly to pull out of the slump that began in 1960. Dr. John R. Stockton said the third quarter (July, August and September) of 1961 are looked to for the first strong signs of recovery.

When a woman got dressed up in the good old days, she looked like she was wearing three or four blankets. When she gets dressed up nowadays, she looks like she ought to be wearing three or four blankets.

## Preparations Complete For WTSC Rodeo

CANYON — Preparations have been completed here at West Texas State College for the T-Anchor Rodeo Club's annual spring National Intercollegiate Rodeo Association rodeo, set to open April 13.

The three-night regional meet is expected to draw teams from 10 Southwest area colleges and universities to compete in six men's and two women's events. Trophies will go to top teams and best "all round cowboy and cowgirl," and points may be earned for NIRA regional standings.

Mike Settle, one of the club's top cowgirls, a senior from Tulla, has been elected Rodeo Queen, and she will be presented during the "grand entry" opening the rodeo.

Admission for each night's go-rounds will be \$1.25 for adults, \$1.00 for students, and 75 cents for children. A dance will be held each night in the National Guard Armory near the WT arena.

Events for men will be bare-back bronc riding, bull riding, saddle bronc riding, calf roping, ribbon roping, and steer wrestling. Girls' events are goat tying and barrel racing. Added events will be held for WT fraternity and sorority entries.

Teams are expected from New Mexico State University, University of New Mexico, Sul Ross, Texas Tech, Lubbock Christian College, University of Oklahoma, Oklahoma State, Abilene Christian, South Plains Junior College, San Angelo Junior College, and WT.

Atty. Gen. Will Wilson ruled that only a juvenile court judge has authority to give permission for an operation to be performed on a child that has been declared dependent and neglected. Chief probation officer of the county cannot authorize the operation, said the opinion.

Memorial Day would become a legal holiday for state employees under a House-passed proposal. But before passing the measure, sponsored by Rep. Dick Cory of Victoria, members took out Columbus Day as a holiday.

To those who expressed their sympathy in so many beautiful and practical ways during our recent bereavement, we extend our heartfelt thanks. The nieces and nephews of Mrs. Moody Kennedy Hamil.

"The average taxpayer may feel no surprise at all when informed that, as a news service put it so neatly, 'a record number of taxpayers paid record federal income taxes this year on record 1959 earnings.' The individual taxpayer, recalling his own painful disbursements to Uncle Sam, may be inclined to say, 'It figures.'"

The only consolation is that the money goes for a good cause — to keep the governmental machinery of this great nation oiled, but it takes a lot of oil. The taxpayer can be forgiven for wishing that some of the leaks could be plugged."

**Tourism**

The advent of spring in the Capital City has always marked the beginning of trips to Washington by thousands of people throughout this country as well as many people from overseas. Many of them come in the first days of spring in order to attend the annual Cherry Blossom Festival. It is so named because of the Japanese Cherry Blossom Trees that were planted around the Tidal Basin many years ago by the Japanese Ambassador. These blossoms are beautiful and everyone should make an effort to visit Washington at a time when they can see and enjoy this beauty of nature. In fact, it seems that everyone has made arrangements to be here this spring. I don't think I have ever seen as many tourists at this time of year. It forewarns that there will be greatly increased numbers as spring moves into summer. There are busloads of high school students from almost every corner of the United States. There are thousands upon thousands of adults coming to Washington in chartered buses, either as private parties or as conventioners. Added to these are the thousands of visitors coming in by air, rail and by private car. The increased number is easily discernible by one who must be in traffic each day such as myself. Usually about this time of year, you will note an increase in traffic outside of the usually congested traffic hours around 8:00 a.m. and 5:00 p.m. This year there seems to be a constant traffic snarl from early in the morning until 9:00 or 10:00 at night. Until about two weeks ago, it was not difficult to travel around Washington early in the morning, in the middle of the afternoon or at night. Early in the morning it was very easy to get to work. However, now it requires about 50 minutes for me to drive from my house to the Capitol — a distance of approximately 10 miles.

It is wonderful to see so many people coming to the Nation's Capital to see the many historical landmarks, to visit in the Capitol Building, to go into the different Congressional and Senatorial offices, to watch the House of Representatives and Senate in action, attend Committee hearings, visit the White House and the Supreme Court, and witness at first hand what goes on in the Capital City of the greatest nation in history and the most powerful. The many places of interest in and around Washington are easily accessible, and it is heartening to see so many people bringing their children here on vacation.

Tourism has always been a favorite pastime of Americans. In fact, it has been extended to the point that so many Americans were touring overseas and spending American dollars that it developed into a drain on our gold reserves. Certainly it is nice for those who can afford it to go across the seas and visit in foreign lands, but there are many, many places of great interest in this country, and it has been my hope that greater attention would be paid to visiting other sections of this country. This would help in many ways. It would enlighten the traveler as to both the merits and demerits of other sections of this great country. It would help to stabilize the economy because of the dollars spent, and it would afford a much-needed understanding between the people generally. The people of the North would discover that the Southerners are much nicer people than they have been portrayed in some of the Northern newspapers, and vice versa. The Easterners would discover that the Westerners are alert, astute people of fine character, and not the type that would hold up a stage or shoot an Indian as might be concluded from some of the TV programs. And the Westerners would discover that Easterners are not nearly so effeminate

as some of them have been led to believe. The people from the rural areas would discover that there are a good many wonderful people living in the cities and that all of them are not Communists or fellow travelers. The people in the cities would do well to discover that all farmers are not living off the fat of the land and driving fancy automobiles and maintaining stables of racing horses because of farm programs. This country could do with some neighborly visiting among the different segments of our economy and our many people. It would pay great dividends in the future accomplishments of our nation.

This plan has several purposes. One is to make it possible for the Federal government to underwrite and finance a tourist program to get the nationals of other countries to visit this country. This plan has several purposes. One is to make it possible for these foreign nationals to see and feel and touch the United States of America and better understand what we are and what we believe. Another purpose is to attract foreign tourists in an effort to balance the amount of money that is spent by our own tourists in foreign countries. This would, of course, stem the outflow of gold for at least balance it. Almost all foreign countries consider tourism as a number one industry, and they spend a great sum to attract visitors to their countries. There is very little advertising by this country to get foreign visitors. It might also be pointed out that this country has much stricter laws, rules and regulations concerning the entry of foreigners than most any other country in the world. There is quite a bit of opposition to these proposals. The opposition is based upon different reasons. However, the argument that seems to be most pronounced is that this government should not spend public money to promote the opening up of our borders and making it possible for infiltration of subversives. Many feel that to relax the rigid laws and regulations applying to incoming aliens would be to provide an avenue for those who would infiltrate our country for the purpose of helping to destroy it. Others feel that people engaged in the travel business should foot the bills for

getting others to visit our country, because those travel businesses will be the ones who profit by such travel. Whatever happens, I am sure that the human being will not lose his desire to

visit around. Man has been described as a migratory animal or, as some people put it, "We all have a little gypsy in us." However it is put, it means that most everyone likes to travel.

An acre of land, planted to a soil depleting crop such as cotton every year, will eventually wear out. The stronger, better land will last longer than the shallower less desirable land, but eventually they will both quit producing. It won't happen suddenly, but will occur over a period of years. Yields will gradually decrease until there is nothing.

It has been said that an acre of land is like a bank account. You must deposit something to be able to make a withdrawal, and you can't withdraw more than you deposit.

To keep land fertile, soil-depleting crops must be rotated with soil-improving crops. A plane of high production can be reached and maintained through the proper crop rotation for your land. This rotation differs for each different type of soil, but must include soil-improving crops such as legumes or grass, and high-residue producing crops, such as small grains or grain sorghums. Soil-depleting crops such as cotton can be rotated with these crops and not damage the land, and in the long run, you can expect more net profit than you can by just planting cotton and grain sorghums from fence to fence.

Horace Green, who farms in the Ashtola community, rotates cotton with perennial grass and alfalfa. Last year, in one field he had cotton following alfalfa, and in the field next to it he had cotton following cotton. "I wouldn't take 3 acres of the cot-

ton following cotton for 1 acre of the cotton following alfalfa," stated Green.

Conservation doesn't cost—it pays!

### Phone Trouble

I am sorry I could not contact everyone for their news as my phone went out.

Dr. William J. Thaler, 34, a highly creative physicist, created a sensation in the newspapers in Washington, D.C. by accepting a \$12,000-a-year teaching position at Georgetown University in preference to a \$40,000-a-year job in private industry. Dr. Thaler said he chose teaching because it will give him time to experiment. He has already been given credit for the development for some of the nation's greatest breakthroughs in the atomic field. As the Washington, D.C. Labor expressed it, "We're glad to salute Dr. Thaler for his decision. There are undoubtedly many more educators in our land who place ideals above dollars."

### Teacher-Trustee Fete Held Monday Evening

Members of the faculties of Clarendon Public Schools and Clarendon Junior College held their annual banquet honoring trustees and special guests Monday evening, April 10, at 7:30 in the College Gymnasium.

Spring flowers were used in decoration. Tables were laid with white covers and centered with bouquets of carnations in pink, yellow, blue, or red shaded by miniature silk umbrellas in corresponding colors.

The meal was served buffet by Lela Lake Methodist Ladies.

Oliver J. Abel, Dean of Clarendon Junior College was Toastmaster and introduced members of the Clarendon Board of Trustees, the County Board, their wives, and other special guests. Morris Ledger, Principal of the High School, pronounced the Invocation.

Following the meal James Childers presented several of his Speech students in a cutting from "Will-O-The-Wisp." Taking part

were Jane Lowe, Sarah Antrobus, Frances Wallace, and Sherry Montgomery. Dixon Latham, a student at Clarendon Junior College, entertained with several vocal selections, Mrs. Dee Williams, accompanist.

Highlight of the evening was the presentation of awards. Teacher Recognition awards were made by Walter B. Knorpp, Chairman of the Board of Trustees. Pins were received by Mrs. Annie Ruth Thomas, 20 years of service; Mrs. Clara Gillham and Mrs. Ann Kennedy, 15 years; Mrs. Evelyn Guy, 10 years; Mrs. Naomi Gilbreath, Mrs. Velma Bourland, Mrs. Hazel Brandon, Mrs. Zola Donald, and Johnny Leathers, five years. Steve Edens also received a pin for five years of service as custodian of the buses. Beatrice Chavers of the North Ward School was recognized for 15 years of service.

Teacher Retirement awards were made by James R. Cox, Supt. of Clarendon High School and President of Clarendon Junior College. Recipients of these certificates were Mrs. Zella Noble, Mrs. Clara Gillham, and John

### Donley County 4-H's Guests on TV Show

The Donley County 4-H Club steer feeders were guests on the Cotton John Farm and Home Show this past Saturday noon TV show over Channel 4.

Cotton John honored the steer feeders from Donley County on his program and reviewed the past year's achievements of the 4-H Club feeders in the shows over the state of Texas. The big trophy and banners won by Tracy Sanders with his grand champion steer at El Paso was on display. The steer was bred by Tommie Potts of Memphis, Texas.

Rod Stone who had the reserve champion Angus at the same show was sick and could not attend. Robin Green played three numbers on his accordion. Robin is a bull feeder and feeds for the Rolling Plains Bull Show as his project.

Emmett Simmons, vice president of the Farmers State Bank of Clarendon accompanied the group and was interviewed by Cotton John. Flip Breedlove, county agent, and in charge of 4-H Club work introduced all the steer feeders on the program.

Those attending were John and Henry Hermesmeier, Don and David Mooring, Janice, Pat, Jane and Gene Floyd, Robin, Jerry, Bernie and Larry Green, Tracy Sanders, Wayne and Beverly Leathers; Darrell, Glyndol and Lynn Holland; Richard and Sandy Thornberry; Susan McAnear was unable to attend.

Nearly all of the parents of the 4-H Club members were on hand in the studio for the program. Flip Breedlove says that things are coming along fine for the 1961-62 steer feeding program in Donley County.

Doyle Martin of Amarillo visited in the home of Mr. and Mrs. C. W. Martin Saturday morning.

R. Gillham.

Attendance was almost 100 percent. Special guests were members of the Board of Trustees and the County Board, their wives, R. E. Drennan, Miss Ruth Richerson, Mrs. Ellen Bryan, those taking part on the program, and the husbands or wives of faculty personnel.

### Educational Tours Offered by Railroad

School students from cities along the main line of Fort Worth and Denver Railway, and from outlying towns, will have the opportunity of taking educational tours via train this spring.

Several thousand children will take train trips from 10 to 1,000 miles or more as part of their studies in American Transportation. Over 40,000 students throughout the Burlington System made educational trips last year.

The railroad offers all-expense student trips to Dallas, Texas April 15 and April 29, and to Colorado Springs, Colorado on April 22, which are not only studies in transportation, but also feature many interesting points of educational and entertainment value.

The Dallas trips will include a tour through the Dallas Morning News plant, Marsalls Park Zoo, Dallas Museums of Natural History, Fine Arts, Health and Science, and the Dallas Aquarium.

The Colorado Springs tour is very scenic as well as educational. It includes a tour through the new Air Force Academy with a one-hour planetarium show at the Academy Planetarium, Cheyenne Mountain Zoo, Seven Falls, Cave of the Winds, Garden of the Gods, an actual

**MOVE TO AMARILLO**

Mr. and Mrs. Ray J. Noblitt will move to Amarillo Friday to make their home at 3402 Meadow Drive in the Paramount addition. Mr. and Mrs. Noblitt have made Clarendon their home for the past 17 1/2 years and operated Noblitt Sales Co. here until sale of the business last year. Mr. Noblitt stated that he would be closer to his job with Boys Ranch and they regretted leaving their many friends in this area.

The Noblitts have sold their home here to Mr. and Mrs. John Cook, a retired employee of Phillips Petroleum Co. at Phillips. They plan to move here within the near future.

Mr. and Mrs. Guy Long of Portland, Oregon, Mr. and Mrs. Gene Chamberlain of Memphis, Mr. and Mrs. LaVerne Goldston of McLean, and Mr. and Mrs. Edwin Enes visited Sunday afternoon in the home of Mrs. John Goldston. The Longs lived on the RO Ranch some 20 years ago. They also visited in the Derrick home while here.
