Calves At Houston Show

The final marketing of 4-H Club steers was at the Houston Fat Stock Show this past week says County Agent H. M. Breed-

Troy Harrison of Hedley placed first in the open class lightweight Angus and sixth in the open class middleweight Herefords. Gary Longan of Clarendon placed eighth with his scramble steer in the heavyweight Angus division and David Hudgins placed fifteenth in the middleweight Angus. Troy sold his Angus steer for 50 cents per pound and his Hereford for 40 cents per pound. Gary sold his scramble steer, and Angus for 44 cents per pound and David Hudgins received 40 cents per pound for his Angus.

Breedlove says that the 4-H Club members now have fourteen steers on feed for next year and that sixteen more will go on feed by the first of April. This will make about thirty steers that 4-H Club memers will feed in 1959-60.

This television repairman has solved the problem

of being in two places at once.

Now he can make his service calls and still answer the phone!

With the help of an Electronic Secretary Automatic Telephone Answering Unit, all incoming calls are recorded while he's out. By playing back the recordings upon his return, he knows immediately where he's needed next.

The Electronic Secretary Answering Unit automatically answers the phone and takes messages 24 hours a day. It permits proprietors of one-man businesses to leave their offices and shops, yet "stay in touch." It keeps their establishments "open" when they're away.

The Electronic Secretary Answering Unit makes any phone do more. Call your local telephone business office to find out what it can do for you.

The new equipment was ordered several months ago, and its installation at Clarendon will represent a major improvement Morning Worship-11:00 A. M. in telephone service over the present system. This is part of a Evangelistic Service-7:30 P. M multi-million dollar expansion and improvement of facilities campaign to be carried out in 1959 by the General Telephone Young People's Christ Ambas-Company of the Southwest, said Brewer.

Installation of the new equipment which will begin on April 30, 1959, is of the most modern equipment available in the telephone industry, and is being added to provide constantly improving service, as well as to meet the increasing demand for all phases of telephone service, WSCS second and fourth Tues- including both local and long distance facilities.

> The proposed date for the cutover from the existing system to modern dial operation is September 20, 1950, said Bsewer.

Clarendon F.F.A. Makes Creditable Showing At Houston Show

Don Hudgins, a Clarendon F.F.A. member, exhibited the reserve grand champion Angus female in the junior breeding show at the Houston Fat Stock Show last week. Other Clarendon entries made a creditable showing. Three first places were won in the swine division which equalled the winnings of any other chapter or 4-H Club group, and 21 of the 46 head transported to Houston placed in the first nine in their individual classes. James McAnear exhibited a third place medium weight Angus steer; Bobby Longan had a 4th place heavy Hereford, Don Hudgins a heavy Angus, Bobby Longan a 7th heavy Angus, and the other three steers of the group exhibited by Don Hudgins and Don McAnear all placed in the money placings.
